In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 shall be applied. The provisions of this Section 1.3 shall be applicable to any determination or calculation that is covered by this Section 1.3, whether or not reference is specifically made to Section 1.3, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets securing the Secured Notes shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the obligor of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in the Coverage Tests or the Interest Diversion Test, as

applicable, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made. For the avoidance of doubt, the Interest Coverage Test shall be applicable on and after the Determination Date occurring immediately prior to the second Payment Date and the Overcollateralization Ratio Test shall be applicable on and after the Effective Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.6(b)(iv), Article XII and the definition of “Interest Coverage Ratio,” the expected interest on the Secured Notes and Floating Rate Obligations shall be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a “pro forma basis” shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(i) For the purposes of calculating compliance with each of the Concentration Limitations all calculations shall be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(l) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(m) For purposes of calculating compliance with any tests and the making of any determination and the preparation of any reports under this Indenture, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(n) For all purposes when determining the Concentration Limitations, the Collateral Quality Test, the Coverage Tests and the Interest Diversion Test (but excluding for purposes of the calculation of the Aggregate Funded Spread), the principal balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation shall include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(o) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the principal balance of such Current Pay Obligation as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation shall be treated as a Defaulted Obligation for all purposes until such time as the aggregate principal balance of Current Pay Obligations would not exceed, on a pro forma basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(p) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(q) For purposes of calculating compliance with clause (iii) of the Concentration Limitations, the Collateral Principal Amount shall not include Cash.

(r) The equity interest in any Issuer Subsidiary permitted under this Indenture and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes under this Indenture and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(s) Any future anticipated tax liabilities of an Issuer Subsidiary related to an Issuer Subsidiary Asset held by such Issuer Subsidiary shall be excluded from the calculation of the Weighted Average Floating Spread (which exclusion, for the avoidance of doubt, may result in such Issuer Subsidiary Asset having a negative interest rate spread for purposes of such calculation), the Weighted Average Coupon and the Interest Coverage Ratio with respect to any specified Class or Classes of Secured Notes.

(t) The Portfolio Manager will notify the Trustee and the Collateral Administrator of the existence of any Trading Plan within 2 Business Days of its commencement, which notice will be posted on the Trustee's internet website within 2 Business Days of receipt.

(u) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of the Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Issuer on which the Trustee may rely.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

- (2) LIBOR shall be calculated by reference to three-month LIBOR, in accordance with the definition of LIBOR set forth in Exhibit C hereto. The spread over LIBOR or the Benchmark (as applicable) with respect to the Secured Notes, other than the Class ~~X~~ Notes and the Class A Notes, may be reduced in connection with a Re-Pricing of such Class of Secured Notes, subject to the conditions described under Section 9.9.
- (3) The Reinvesting Holder Notes shall be a Class of Notes and shall have the characteristics set forth above in respect of the Subordinated Notes, except that (i) each Reinvesting Holder Note shall have an initial principal amount and a Minimum Denomination of zero and (ii) the Reinvesting Holder Notes shall be a Priority Class in respect of the Subordinated Notes, and the Subordinated Notes shall be a Junior Class in respect of the Reinvesting Holder Notes.

The spread over the Benchmark with respect to the First Refinancing Notes, other than the Class A-R Notes, may be reduced in connection with a Re-Pricing of such Class of Notes, subject to the conditions described under Section 9.9. - (5) If the Class D Notes and the Class E Notes are Eligible Notes, then "LIBOR" shall be replaced with "Benchmark" for purposes of this table and the Class D Notes and the Class E Notes.

The Secured Notes issued on the Closing Date will be issued in Minimum Denominations of U.S.\$250,000 and integral multiples of U.S.\$1.00 in excess thereof. The First Refinancing Notes issued on the First Refinancing Date will be issued in Minimum Denominations of U.S.\$100,000 and integral multiples of U.S.\$1.00 in excess thereof. The Subordinated Notes will be issued in Minimum Denominations of U.S.\$250,000 and integral multiples of U.S.\$1.00 in excess thereof (provided, that the Minimum Denomination will be U.S.\$25,000 for (a) Knowledgeable Employees with respect to the Issuer and (b) transferees purchasing a Subordinated Note that was originally issued in a denomination of less than U.S.\$250,000 to a Knowledgeable Employee with respect to the Issuer). The Notes shall only be transferred or resold in compliance with the terms of this Indenture.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which shall be deemed to be provided upon delivery of an executed Note), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the “Register”) at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes (including the names and addresses of the Holders and the principal or face amount (and stated interest) due to each Holder) and the registration of transfers of Notes. The Trustee is hereby initially appointed registrar (the “Registrar”) for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. The entries in the Register shall be conclusive, absent manifest error, and the Holders, the Issuer, any Paying Agent, and the Trustee shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Holder for all purposes of this Indenture. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any Holder a current list of Holders (and their holdings) as reflected in the Register.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Secured Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder’s attorney duly authorized in writing, with (if required by the Registrar) signature guarantee by an eligible guarantor

institution meeting the requirements of the Registrar (which requirements may include membership or participation in a signature guarantee program acceptable to the Registrar).

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and shall not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) No transfer of any Class E Note or Subordinated Note (or any interest therein) shall be effective, and the Trustee shall not recognize any such transfer, if after giving effect to such transfer 25% or more of the total value of any such Class, respectively, represented by the Aggregate Outstanding Amount thereof would be held by Persons who have represented that they are, or are acting on behalf of, Benefit Plan Investors. For purposes of calculating the 25% Limitation, any Notes of the Issuer held by a Person (other than a Benefit Plan Investor) who is a Controlling Person shall be disregarded and not treated as Outstanding. The Issuer and the Trustee shall be entitled to rely exclusively upon the information set forth in the face of the transfer certificates received pursuant to the terms of this Section 2.5 and only Notes that a Trust Officer of the Trustee actually knows to be so held shall be so disregarded. In addition, no Class E Notes or Subordinated Notes in the form of Global Notes (other than Class E Notes and Subordinated Notes purchased from the Issuer or the Initial Purchaser as part of the initial offering) may be held by or transferred to a Benefit Plan Investor or Controlling Person, and each beneficial owner of a Class E Note or a Subordinated Note acquiring its interest therein in the initial offering shall provide to the Issuer a written certification in the form of Exhibit B-5 attached hereto. Reinvesting Holder Notes may not be acquired by Benefit Plan Investors.

(d) Notwithstanding anything contained herein to the contrary, except as provided in Section 2.5(c), the Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the Investment Company Act, or the terms hereof; provided that if a certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a purchaser or by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.

(f) Transfers of Global Secured Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(f).

Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Secured Note, but not less than the Minimum Denomination applicable to such Holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate in the form of Exhibit B-1 attached hereto given by the Holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Secured Notes, including that the Holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S and (D) a written certification in the form of Exhibit B-2 or Exhibit B-4, as applicable, attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Secured Note and to increase the principal amount of the Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Secured Note equal to the reduction in the principal amount of the Rule 144A Global Secured Note.

(ii) Regulation S Global Secured Note to Rule 144A Global Secured Note. If a Holder of a beneficial interest in a Regulation S Global Secured Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Secured Note for an interest in the corresponding Rule 144A Global Secured Note or to transfer its interest in such Regulation S Global

(iii) Global Secured Note to Certificated Secured Note. Applicable Issuers, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period with respect to the floating rate Secured Notes (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. For purposes of determining any Interest Accrual Period, if the 20th day of the relevant month is not a Business Day, then the Interest Accrual Period with respect to such Payment Date will end on but exclude the Business Day on which payment is made and the succeeding Interest Accrual Period will begin on and include such date. Each Reinvestment Amount deposited in the Reinvestment Amount Account by a Reinvesting Holder shall be added to the principal balance of the Reinvesting Holder Note registered in the name of such Reinvesting Holder. Each Reinvesting Holder will receive distributions in respect of its Reinvesting Holder Notes in

accordance with the Priority of Payments. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) shall be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class is Outstanding with respect to the Class C Notes, the Class D Notes or the Class E Notes, any payment of interest due on the Class C Notes, the Class D Notes or the Class E Notes, respectively, which, in each case, is not available to be paid in accordance with the Priority of Payments on any Payment Date (such unpaid interest with respect to each such Class, as applicable (the “Deferred Interest”)) shall not be considered “due and payable” for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (A) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments and (B) in the case of the Class C Notes, the Class D Notes or the Class E Notes, (i) the Redemption Date with respect to such Class of Notes and (ii) the Stated Maturity of such Class of Secured Notes. Deferred Interest on the Class C Notes, the Class D Notes and the Class E Notes shall be added to the principal balance of the Class C Notes, the Class D Notes and the Class E Notes, respectively, and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments. Regardless of whether any Priority Class is Outstanding with respect to the Class C Notes, the Class D Notes or the Class E Notes, to the extent that funds are not available on any Payment Date (other than, in the case of the Class C Notes, the Class D Notes or the Class E Notes, the Redemption Date with respect to, or Stated Maturity of, such Class of Secured Notes) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest shall not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date shall not be an Event of Default. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class ~~X Note, Class~~ A Note or Class B Note or, if no Class ~~X Notes, Class~~ A Notes or Class B Notes are Outstanding, any Class C Notes or, if no Class C Notes are Outstanding, any Class D Notes or, if no Class D Notes are Outstanding, any Class E Notes shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered “due and payable” for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Article IX.

(d) As a condition to the payment of any amounts on any Note without the imposition of withholding or back-up withholding tax, any Paying Agent (including the Trustee serving in such capacity), the Issuer or the Co-Issuer shall require certification acceptable to it to enable such party to determine their duties and liabilities, with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders of beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or the Co-Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Trustee in Dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Portfolio Manager nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$1,000

original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Notes of such Class on such Record Date. Payments of principal to Holders of the Class A Notes shall be made on a *pro rata* basis based on the Aggregate Outstanding Amounts of such Classes. Payments to the Holders of the Subordinated Notes of each Class from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes of such Class on such Record Date.

(g) Interest on the Secured Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Notes and this Indenture are limited recourse obligations of the Applicable Issuers payable solely from the Assets in accordance with the Priority of Payments and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, manager, member, employee, shareholder, authorized person, organizer or incorporator of the Co-Issuers, the Portfolio Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this clause (i) shall not (a) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (b) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this clause (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of

any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

(k) Benchmark Transition.

(i) Notwithstanding and superseding anything to the contrary in Section 8.1 or 8.2, the Benchmark Replacement with respect to the Eligible Notes shall not be governed by Section 8.1 or 8.2 and shall be governed exclusively by the provisions set forth in this Section 2.7(k). For the avoidance of doubt, the foregoing sentence shall supersede anything to the contrary in such Section 8.1 or 8.2.

(ii) If the Portfolio Manager (on behalf of the Issuer) determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any Interest Determination Date, the Benchmark Replacement shall replace the then-current Benchmark for all purposes relating to the Eligible Notes on such Interest Determination Date and all subsequent Interest Determination Dates. The Portfolio Manager shall promptly (and in any event, prior to the relevant Interest Determination Date) notify the Co-Issuers, the Collateral Administrator, the Calculation Agent and the Trustee of the occurrence of such Benchmark Transition Event and the related Benchmark Replacement Date and any applicable Benchmark Replacement, including the details of the underlying rate and any applicable Benchmark Replacement Adjustment, as determined pursuant to the procedures set forth below. As soon as practicable following receipt of such notice (but not later than 1 Business Day following receipt of such notice; *provided* that any such notice received by the Trustee later than 2:00p.m. (New York City time) shall be deemed to be received on the next Business Day), the Trustee shall notify the Holders, each Rating Agency and, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, the Cayman Islands Stock Exchange of such events, such Benchmark Replacement and the related details.

(iii) For purposes of this Indenture, it is acknowledged and agreed that (1) the announcement by ICE Benchmark Administration Limited on March 5, 2021, that it will cease the publication of three-month U.S. dollar LIBOR immediately following the LIBOR publication on June 30, 2023, and the concurrent announcement by the United Kingdom's Financial Conduct Authority that three-month U.S. dollar LIBOR will either cease to be provided by any administrator, or no longer be representative, immediately after June 30, 2023, constitute a Benchmark Transition Event under clauses (a) and (b) of the definition of such term and (2) upon the Portfolio Manager's determination that the related Benchmark Replacement Date has occurred, the provisions of the foregoing paragraph shall apply.

(iv) In connection with the implementation of a Benchmark Replacement for the Eligible Notes, the Portfolio Manager will have the right to make Benchmark Replacement Conforming Changes from time to time. A

supplemental indenture shall not be required in order to effectuate any Benchmark Replacement Conforming Changes for the Eligible Notes.

(v) Any determination, decision or election that may be made by the Portfolio Manager pursuant to this Section 2.7(k), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, shall be conclusive and binding absent manifest error, may be made in the Portfolio Manager's reasonable discretion in good faith, and, notwithstanding anything to the contrary herein, shall become effective without consent from any other party except as expressly provided herein.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9 Surrendered Notes; Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Applicable Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. No Note may be surrendered (including in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein, or for registration of transfer, exchange or redemption, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen.

Section 2.10 Issuer Purchases of Secured Notes. Notwithstanding anything to the contrary in this Indenture, the Portfolio Manager, on behalf of the Issuer, may conduct purchases of the Secured Notes during the Reinvestment Period, in whole or in part, in accordance with, and subject to, the terms and conditions set forth below. Notwithstanding the provisions of this Indenture described under Section 10.2 or Section 10.3(g), Principal Proceeds in the Collection Account may be disbursed for purchases of Secured Notes in accordance with the provisions described in this Section 2.10. The Trustee shall (i) in the case of Certificated Secured Notes, cancel as described under Section 2.9 any such purchased Notes surrendered to it for cancellation or (ii) in the case of any Global Secured Notes, decrease the Aggregate Outstanding Amount of such Global Secured Notes in its records by the full par amount of the purchased Secured Notes, and instruct DTC or its nominee, as the case may be, to conform its records.

No purchases of the Secured Notes may occur unless each of the following conditions is satisfied:

(a) (i) subject to subclause (ii) below, such purchases shall occur in sequential order of priority beginning with the Class A Notes;

(ii) (A) each such purchase of any Class is made pursuant to an offer made to all Holders of the Notes of such Class, by notice to such Holders, which notice specifies the purchase price (as a percentage of par) at which such purchase shall be effected, the maximum amount of Principal Proceeds that shall be used to effect such purchase and the length of the period during which such offer shall be open for acceptance, (B) each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms, and (C) if the Aggregate Outstanding Amount of the relevant Class held by Holders who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of such Secured Notes of each accepting Holder shall be purchased *pro rata* based on the respective principal amount held by each such Holder;

(iii) each such purchase is effected only at prices discounted from par;

(iv) each such purchase occurs during the Reinvestment Period;

(v) no Event of Default has occurred and be continuing;

(vi) any Certificated Secured Notes to be purchased shall be surrendered to the Trustee for cancellation;

(vii) each Coverage Test is (A) satisfied immediately prior to each such purchase, and (B) maintained or improved immediately after giving effect to such purchase;

(viii) a Majority of the Subordinated Notes has consented; and

(ix) each such purchase shall otherwise be conducted in accordance with applicable law;

(b) the Trustee has received an Officer's certificate of the Portfolio Manager to the effect that the conditions in the foregoing subsection (a) have been satisfied; and

(c) with respect to each such purchase, the Moody's Rating Condition shall have been satisfied with respect to any Secured Note that will remain Outstanding following such purchase.

The Issuer reserves the right to cancel any offer to purchase Secured Notes prior to finalizing such offer.

Section 2.11 DTC Ceases to Be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) any of (x) (i) DTC notifies the Applicable Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency

registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event, or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.11 shall be surrendered by DTC to the applicable Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of subsection (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.11, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership. In addition, the beneficial owners of interest in Global Notes may provide (and the Trustee may receive and rely on) consents to the Trustee that the Holders of a Global Note would be entitled to provide in accordance with this Indenture (but only to the extent of such beneficial owner's interest in the Global Note, as applicable).

Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.12 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Notes to a U.S. person that is not a QIB/QP (or, in the case of Certificated Subordinated Notes, an AI and Knowledgeable Employee with respect to the Issuer or entity owned exclusively be a

Knowledgeable Employee with respect to the Issuer) shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes. In addition, the acquisition of Notes by a Non-Permitted ERISA Holder shall be null and void *ab initio*.

(b) If (x) any U.S. person that is not a QIB/QP (or a corporation, partnership, limited liability company or other entity (other than a trust, except as otherwise agreed to by the Issuer), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) shall become the Holder or beneficial owner of an interest in a Secured Note or (y) any U.S. person that is not (A) a QIB or, in the case of an initial investor on the Closing Date, an AI and (B) a Qualified Purchaser, a Knowledgeable Employee with respect to the Issuer, or a corporation, partnership, limited liability company or other entity (other than a trust, except as otherwise agreed to by the Issuer), each shareholder, partner, member or other equity owner of which is either a Qualified Purchaser or a Knowledgeable Employee with respect to the Issuer, shall become the holder or beneficial owner of an interest in any Subordinated Note (any such Person, a “Non-Permitted Holder”), the Issuer (or the Portfolio Manager acting on behalf of the Issuer) may, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer to the Issuer, if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Portfolio Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder; provided that the Portfolio Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Portfolio Manager shall be entitled to bid in any such sale. However, the Issuer or the Portfolio Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, as applicable, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection (b) shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Portfolio Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made an ERISA-related representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation shall be null and

void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, Similar Law, Other Plan Law or other ERISA representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such Person a “Non-Permitted ERISA Holder”), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or the Co-Issuer to the Issuer if it makes the discovery) send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest in such Notes to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its Notes, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Non-Permitted ERISA Holder’s interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection (d) shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Portfolio Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.13 Taxes. (a) Each Holder (including, for purposes of this Section 2.13, any beneficial owner of an interest in a Note) will treat the Issuer, the Co-Issuer, and the Notes as described in the “Certain U.S. Federal Income Tax Considerations” section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer and its agents with any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments

to the Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder will provide the Issuer and its agents with any correct, complete and accurate information and documentation that may be required for the Issuer to comply with FATCA, the Cayman FATCA Legislation, and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer. In the event the Holder fails to provide such information or documentation, or to the extent that its ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to it as compensation for any tax imposed under FATCA as a result of such failure or its ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or its ownership, the Issuer will have the right to compel such Holder to sell its Notes and, if it does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to it as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. The Holder agrees that the Issuer, the Trustee or their agents may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer complies with FATCA, the Cayman FATCA Legislation.

(d) Each Holder of a Class E Note or Subordinated Note, if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), represents that either:

(i) it is not a bank (within the meaning of Section 881(c)(3)(A));

(ii) after giving effect to its purchase of Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3); or

(iii) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States and includible in its gross income.

(e) Each Holder of a Subordinated Note, if it owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any Issuer Subsidiary is a "participating FFI" within the meaning of Treasury regulations section 1.1471-1(b)(91) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code

and any Treasury regulations promulgated thereunder is either a “participating FFI”, a “deemed-compliant FFI” or an “exempt beneficial owner” within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a “foreign financial institution” within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a “participating FFI”, a “deemed-compliant FFI” or an “exempt beneficial owner” within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such holder with an express waiver of this requirement.

(f) No purchaser, beneficial owner or subsequent transferee of a Subordinated Note shall treat any income with respect to its Subordinated Notes as derived in connection with the Issuer’s active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

Section 2.14 Additional Issuance. (a) At any time during the Reinvestment Period, the Co-Issuers or the Issuer, as applicable, may issue and sell additional notes of any one or more new classes of notes that are subordinated to the existing Secured Notes (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Notes and the Subordinated Notes is then Outstanding) and/or additional notes of each of the existing Classes (~~other than the Class X Notes~~) (subject, in the case of additional notes of an existing Class of Secured Notes, to clause (v) below) and use the proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture; provided that the following conditions are met:

(ii) in the case of additional notes of any one or more existing Classes (other than the Subordinated Notes), such issuance is consented to by a Supermajority of the Controlling Class; provided that the consent of a Supermajority of the Controlling Class will not be required if such issuance is in connection with a Refinancing or a Re-Pricing or is only an amount of additional Notes necessary for compliance with the US Risk Retention Rules will be issued;

(iii) in the case of additional notes of any one or more existing Classes (other than the Subordinated Notes), the aggregate principal amount of Secured Notes of such Class issued in all additional issuances shall not exceed 100% of the respective original Aggregate Outstanding Amount of the Secured Notes of such Class on the Closing Date;

(iv) in the case of additional notes of any one or more existing Classes, the terms of the securities issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional Secured Notes shall accrue from the issue date of such additional Secured Notes and the interest rate and the price of such Notes does not have to

be identical to that of the initial Notes of such Class, provided that (x) the interest rate on such notes that are Secured Notes may not exceed the interest rate applicable to the initial Notes of such Class and (y) such additional notes must also have a floating rate based on the same benchmark rate as the initial Notes of such Class);

(v) such additional securities that are Secured Notes must be issued at a price equal to or greater than the principal amount thereof;

(vi) in the case of additional securities of any one or more existing Classes, unless only additional Subordinated Notes are being issued, additional securities of all Classes must be issued and such issuance of additional securities must be proportional across all Classes ~~(in each class, except for the Class X Notes)~~; provided that the principal amount of Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes;

(viii) the proceeds of any additional securities (net of fees and expenses incurred in connection with such issuance, which fees and expenses shall be paid solely from the proceeds of such additional issuance) shall not be treated as Refinancing Proceeds and shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments;

(ix) an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee to the effect that any additional Class A Notes, Class B Notes, Class C Notes or Class D Notes will be treated, and any additional Class E Notes should be treated, as indebtedness for U.S. federal income tax purposes, provided, however, that the opinion described herein shall not be required with respect to any additional Notes that bear a different securities identifier from the Notes of the same Class that were issued on the Closing Date and are Outstanding at the time of the additional issuance;

(x) immediately after giving effect to such issuance, each Coverage Test is satisfied or, with respect to any Coverage Test that was not satisfied immediately prior to giving effect to such issuance, such Coverage Test is maintained or improved;

(xi) any additional issuance shall be accomplished in a manner that shall allow the Issuer to accurately provide the information required to be provided to the Holders, including Holders of additional Notes, under Treasury regulations section 1.1275-3(b)(1); and

(xii) an Officer's certificate of the Issuer (and the Co-Issuer, if applicable) shall be delivered to the Trustee certifying that all conditions precedent applicable to the issuance of such additional securities under this Indenture, including those requirements set forth in this Section 2.14(a), have been satisfied.

The Co-Issuer may not issue additional Class X Notes.

(c) Notwithstanding the foregoing, the Issuer may not, following the Closing Date, issue any additional Reinvesting Holder Notes (but may increase the principal amount of any Outstanding Reinvesting Holder Notes in accordance with Section 2.7(a)) unless issued in connection with the issuance of additional Subordinated Notes. Any such additional Reinvesting Holder Notes shall have an initial principal amount of zero.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Holders or beneficial owners of the Notes may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer or any Issuer Subsidiary, the Issuer or the Co-Issuer, as applicable, subject to the availability of funds as described in the

immediately following sentence, shall promptly object to the institution of any such proceeding against it and to take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (x) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (y) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer or the Issuer (including reasonable attorney's fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses. Any person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Secured Notes institutes, or joins in the institution of, a proceeding described in clause (i) above against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) shall be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Note that does not seek to cause any such filing, with such subordination being effective until each Secured Note held by each Holder or beneficial owners of any Secured Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(iv) The restrictions described in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire

such Notes and for the Issuer, the Co-Issuer and the Portfolio Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to (A) discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Notes (including any amounts due and owing as Administrative Expenses (without giving effect to the Administrative Expense Cap), any due and unpaid Portfolio Management Fees and amounts payable to any Hedge Counterparty pursuant to an early termination (or partial early termination) of such Hedge Agreement as a result of a Priority Termination Event), and (B) pay an additional amount equal to 5% of the aggregate of the amounts set forth in clause (A), and a Supermajority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a), Section 5.1(e), Section 5.1(f), or Section 5.1(g) a Supermajority of the Class A Notes directs the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default);

(iii) in the case of an Event of Default specified in Section 5.1(b), Section 5.1(c), or Section 5.1(d), a Supermajority of all Classes of Secured Notes (voting separately by Class) directs the sale and liquidation of the Assets; or

(iv) if only Subordinated Notes are then Outstanding, a Majority of the Subordinated Notes directs the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall use reasonable efforts to obtain, with the cooperation of the Portfolio Manager, bid prices with respect to each Loan or Bond contained in the Assets from two nationally recognized dealers (as specified by the Portfolio Manager in writing) at the time making a market therein and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Loan or Bond. In the event that the Trustee, with the cooperation of the Portfolio Manager, is only able to obtain bid prices with respect to a Loan or Bond contained in the Assets from one nationally recognized dealer at the time making a market therein, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm, or other appropriate adviser, of national reputation (the cost of which shall be payable as an Administrative Expense). Prior to the commencement of liquidation of Assets, the Issuer shall provide notice of such liquidation to each Rating Agency then providing a rating on any Class of Secured Notes.

The Trustee shall deliver to the Noteholders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i); provided that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iv), at the date

or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation of the Collateral Obligations, Equity Securities and the Eligible Investments effected hereunder, the provisions of Section 4.1(a) and (b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder or beneficial owner of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder or beneficial owner has previously given to the Trustee written notice of an Event of Default;

(b) the Holders or beneficial owners of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders or beneficial owners have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders or beneficial owners of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or beneficial owners of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders or beneficial owners of the Notes of the same Class or to enforce any right under this Indenture or the Notes, except in the manner herein or therein provided and for the equal and ratable benefit of all the Holders or beneficial owners of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders or beneficial owners of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders or beneficial owners with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. (a) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and

unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

(b) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Reinvesting Holder Notes shall have the right, which is absolute and unconditional, to receive payment of the principal of such Reinvesting Holder Notes, as such principal becomes due and payable in accordance with the Priority of Payments. Holders of Reinvesting Holder Notes shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8 to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of

conducting any Proceeding for any remedy available to the Trustee or to direct the Trustee in exercising any trust or power conferred upon the Trustee under this Indenture; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders or beneficial owners of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes and Class(es) thereof, as applicable, specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders and beneficial owners of all the Notes waive any past Default or Event of Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(b) in the payment of interest on any Secured Notes (which may be waived only with the consent of the Holder of such Secured Note); or

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to the Portfolio Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency then providing a rating on any Class of Secured Notes) and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder and beneficial owner of any Note by such Holder's or beneficial owner's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against

the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of any redemption whose failure to pay would constitute an Event of Default, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Noteholders and the Portfolio Manager, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses (including costs and expenses of its attorneys and agents) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee and the Portfolio Manager (and/or any of its affiliates) may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and the Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act (“Unregistered Securities”), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee’s authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18 Action on the Notes. The Trustee’s right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer’s certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee

within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required or permitted by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it (if the amount of such funds or risk or liability is reasonably expected not to exceed the amount payable to the Trustee pursuant to Section 11.1(a)(i)(A) on the immediately succeeding Payment Date net of the amounts specified in Section 6.7(a), the Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article 5, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (e), (f) or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Not later than one Business Day after the Trustee receives (i) written notice of assignment pursuant to Section 13 of the Portfolio Management Agreement or (ii) written notice of resignation from the Portfolio Manager pursuant to Section 12 of the Portfolio Management Agreement, the Trustee shall forward a copy of such notice to the Noteholders (as their names appear in the Register). In no event shall the Trustee be deemed to have notice or knowledge of or otherwise be required to determine whether any event or circumstance exists that would give rise to "Cause" (as defined under the Portfolio Management Agreement) for the termination of the Portfolio Manager.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

Section 6.2 Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail or e-mail to the Portfolio Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency then providing a rating on any Class of Secured Notes), and all Holders, as their names and addresses appear on the Register, and the Cayman Islands Stock Exchange, for so long as any Class of Secured Notes, is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of all Events of Defaults hereunder known to the Trustee, unless such Event of Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in complying with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior written notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent appointed and supervised, or non-Affiliated attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer, the Collateral Administrator or the Portfolio Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) (“GAAP”), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall, upon reasonable (but no less than three Business Days’) prior written notice, permit any representative of a Holder of a Note, during the Trustee’s normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee’s actions, as such actions relate to the Trustee’s duties with respect to the Notes, with the Trustee’s Officers and employees responsible for carrying out the Trustee’s duties with respect to the Notes.

(l) the Trustee shall not be liable for the actions or omissions of the Portfolio Manager, the Issuer, the Co-Issuer or any Paying Agent (other than the Trustee) and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or of the Portfolio Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(m) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a “securities intermediary” as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(n) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights,

protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities;

(o) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(p) the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(q) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(r) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control;

(s) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided. In accordance with the U.S. Unlawful Internet Gambling Act (the "Gambling Act"), the Issuer may not use the Accounts to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use it to process or facilitate payments for prohibited internet gambling transactions. For more information about the Gambling Act, including the types of transactions that are prohibited, please refer to the following link: <http://www.federalreserve.gov/newsevents/press/bcreg/20081112b.htm>;

(t) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by electronic mail will be encrypted. The recipient of the email communication will be required to complete a one-time registration process;

(u) to the extent not inconsistent herewith, the rights, protections and immunities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator;

(v) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a

subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(w) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(x) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance; and

(y) The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email or other similar unsecured electronic methods, in each case, of an executed instruction or direction (which may be in the form of a .pdf file); provided, however, that the Bank shall have received an incumbency certificate listing such person as a person designated to provide such instructions or directions, which incumbency certificate may be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, the Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (individually and in each of its capacities) on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder and under the other Transaction Documents (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank (individually and in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.6, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager;

(iii) to indemnify the Bank (individually and in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorneys' fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with acting or serving as Trustee or any other capacity under this Indenture or any other Transaction Document, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the administration, exercise or performance of any of their powers or duties hereunder, under each other Transaction Document and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Bank shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which it is a party only as provided in Sections 11.1(a)(i) and (ii) (or such other manner in which Administrative Expenses are permitted to be paid under the Indenture) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Bank to collect amounts owed to it under this Indenture. If on any date when a fee or an expense shall be payable to the Bank insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Bank under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Bank as Trustee. When the Bank as Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or (f), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a CR Assessment of at least "A2 (cr)" by Moody's (or, if such institution does not have a CR Assessment, either has (x) a long-term senior unsecured debt rating of at least "A2" from Moody's or (y) a short-term rating of "P-1" from Moody's) and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers (and, subject to Section 14.3(c), the Issuer shall provide notice to each Rating Agency then rating a Class of Secured Notes), the Portfolio Manager and the Holders of the Notes. Upon receiving such notice of resignation, the Co-Issuers shall use commercially reasonable efforts to promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; provided that such successor Trustee shall be appointed only upon the written consent of a Majority of the Secured Notes of each Class (~~other than the Class X Notes and~~ voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time by Act of a Majority of each Class of Notes (~~other than the Class X Notes and~~ voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall use commercially reasonable efforts to appoint a successor

Trustee within 30 days after such removal or incapability or the occurrence of such vacancy. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Portfolio Manager, subject to Section 14.3(c) each Rating Agency then rating a Class of Secured Notes and to the Holders of the Notes as their names and addresses appear in the Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause, subject to Section 14.3(c), such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture and the other Transaction Documents.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment and making representations and warranties set forth in Section 6.17. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee. The retiring Trustee shall forthwith duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any

further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to such Person satisfying the eligibility requirements set forth in Section 6.8 and providing prior notice to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Subject to Section 14.3(c), the Issuer shall notify each Rating Agency then rating a Class of Secured Notes of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. If the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Portfolio Manager (on behalf of the Issuer) in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Portfolio Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Portfolio Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Portfolio Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger,

consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed by applicable law on the Issuer's payments (or allocations of income) under the Notes, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee and any other Paying Agent are hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any such tax that is legally owed or required to be withheld by the Issuer, including in connection with FATCA (but such authorization shall not prevent the Trustee or any such other Paying Agent from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings), and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Note shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee or any other Paying Agent. If there is a reasonable possibility that withholding is required by applicable law, including in connection with FATCA, with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee or such other Paying Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any other Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for Each Other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any item of Asset to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association, and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent and securities intermediary.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent and Securities Intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a Proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) shall violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Secured Notes and this Indenture pursuant to the Priority of Payments. The Issuer shall, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes and Reinvesting Holder Notes, in accordance with the Subordinated Notes, the Reinvesting Holder Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee as Transfer Agent at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company (the "Process Agent"), as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided that (x) the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented for payment; and (y) no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax in excess of any withholding tax imposed on such payments immediately before the appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Trustee, each Rating Agency then rating a Class of Secured Notes and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Notes may be presented and surrendered for payment to the applicable Corporate Trust Office, and the Co-Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably

request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided that so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has (i) a CR Assessment of at least “Baa3(cr)” and “P-3(cr)” by Moody’s (or, if such institution does not have a CR Assessment, either has (x) a long-term senior unsecured debt rating of at least “Baa3” from Moody’s or (y) a short-term rating of “P-3” from Moody’s) and (ii) a long-term debt rating of “A” or higher by Fitch or a short-term debt rating of “F1” by Fitch. If such successor Paying Agent ceases to have the minimum ratings described in the clauses (i) and (ii) of the immediately preceding sentence, the Co-Issuers shall remove such Paying Agent within 30 Business Days of the Co-Issuers receiving notice thereof and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at

any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations or companies, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Trustee and, subject to Section 14.3(c), each Rating Agency then rating a Class of Secured Notes by the Issuer, which notice shall be promptly forwarded by the Trustee to the Holders and the Portfolio Manager and (iii) on or prior to the

15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer and any Issuer Subsidiary; (ii) the Co-Issuer shall not have any subsidiaries; and (iii) except to the extent contemplated in the Administration Agreement or the declaration of trust dated September 27, 2017, by ~~Estera Trust~~ Appleby Global Services (Cayman) Limited (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors or managers to the extent they are employees), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer and Co-Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person, (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Portfolio Manager.

(c) The Issuer shall provide Moody's with prior written notice of the formation of any Issuer Subsidiary and of the transfer of any asset to any Issuer Subsidiary.

Section 7.5 Protection of Assets. (a) The Portfolio Manager on behalf of the Issuer shall cause the taking of such action within the Portfolio Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; provided that the Portfolio Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Portfolio Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or as the Issuer determines to be advisable or desirable to secure the rights and remedies of the Holders of the Secured Notes hereunder and to:

Such designation shall not impose upon the Trustee, or release or diminish, the Issuer's and the Portfolio Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired, other than "Excepted Property" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Section 5.5, Section 10.7(a), (b) and (c) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. On or before September 1 in 2022 and 2027, the Issuer shall furnish to the Trustee, Fitch and Moody's an Opinion of Counsel relating to the security interest granted by the Issuer to the Trustee, to the effect that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and is perfected and that no further action (other than as specified in such

opinion) needs to be taken to ensure the continued effectiveness and perfection of such lien over the next 5 years.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Issuer shall notify the Rating Agencies within 10 Business Days after it has received notice from any Noteholder, the Trustee or the Portfolio Manager of any material breach of any Transaction Document, following any applicable cure period for such breach.

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be permitted hereby or by the Portfolio Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would

permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Portfolio Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) so long as any Class of Notes issued by it is Outstanding, dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(c) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for Underlying Instruments and any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its best efforts to ensure that the Portfolio Manager acting on the Issuer's

behalf does not, acquire any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis or income tax on a net income basis in any other jurisdiction. The requirements of this Section 7.8(d) will be deemed to be satisfied if the tax restrictions set forth in Annex A to the Portfolio Management Agreement have been complied with.

(b) the Moody's Rating Condition shall have been satisfied with respect to such consolidation or merger and notice shall have been given to Fitch in connection therewith;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee, the Portfolio Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have delivered to each Rating Agency then rating a Class of Secured Notes) an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture and any other Permitted Lien, to the Assets securing all of the Notes and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified the Portfolio Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have notified each Rating Agency then rating a Class of Secured Notes) of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with;

In the event of any such consolidation, merger, transfer or conveyance, the Person named as the “Issuer” or the “Co-Issuer” in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. The Co-Issuer shall not engage in any business or activity other than co-issuing and selling the Class ~~X-Notes, Class~~ A Notes, Class B Notes, Class C Notes and Class D Notes and any additional rated notes co-issued pursuant to this Indenture and other incidental activities. The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or certificate of formation and limited liability company agreement, respectively, only if such amendment would satisfy the Moody’s Rating Condition and notice shall have been given to Fitch in connection therewith.

Section 7.13 Maintenance of Listing. So long as any Listed Notes remain Outstanding, the Co-Issuers shall use reasonable efforts to maintain the listing of such Notes on the Cayman Islands Stock Exchange.

Section 7.14 Annual Rating Review. (a) So long as any of the Secured Notes of any Class remain Outstanding, on or before September 27th in each year commencing in 2018, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Notes from each Rating Agency, as applicable. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Secured Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer, the Portfolio Manager or their respective Affiliates) to calculate LIBOR and the Benchmark in respect of each Interest Accrual Period in accordance with the terms ~~of Exhibit C hereto~~ hereof (the "Calculation Agent"). The Issuer hereby appoints the Trustee as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, the Issuer or the Portfolio Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager

(b) The provisions of this Section 7.16 shall apply in respect of all Classes of Notes which are Eligible Notes. Neither the Trustee nor the Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of LIBOR (or other applicable Benchmark), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any Benchmark Transition Event or Benchmark Replacement Date, (ii) to select, determine or designate any Fallback Rate, Benchmark Replacement, or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, or (iii) to select, determine or designate any Benchmark Replacement Adjustment, or other modifier to any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Conforming Changes are necessary or advisable, if any, in connection with any of the foregoing. The Calculation Agent shall not have any liability for (x) the selection of Reference Banks or major New York banks whose quotations may be requested and used for purposes of calculating LIBOR, or for the failure or unwillingness of any Reference Banks or major New York banks to provide a quotation or (y) any quotations received from such Reference Banks or New York banks, as applicable. For the avoidance of doubt, if the rate appearing on the Reuters Screen for U.S. Dollar deposits with a term of three months is unavailable, neither the Calculation Agent nor the Trustee shall be under any duty or obligation to take any action other than the Calculation Agent's obligation to take the actions expressly set forth in the definition of LIBOR, in each case whether or not quotations are provided by such Reference Banks or New York banks, as applicable. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Portfolio Manager, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any Benchmark Replacement, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. For the avoidance of doubt, all references in this Indenture and the Collateral Administration Agreement to (i) the right of the Trustee and the Collateral Administrator to rely upon notices, instructions and other information provided by the Portfolio Manager and (ii) protections afforded to the Trustee and the Collateral Administrator in respect of any acts or omissions of the Portfolio Manager, shall in each case also apply to the same extent in respect of the Portfolio Manager.

(c) On or after the First Refinancing Date, the Issuer (or the Portfolio Manager on its behalf) shall be entitled to instruct the Trustee to solicit, on the Issuer's behalf, the consent of Holders of any Class of Notes which are not Eligible Notes to the treatment of such Classes of Notes as Eligible Notes as described in the definition thereof. The Trustee shall be entitled to rely on the instructions of the Issuer or the Portfolio Manager in effecting such solicitation, including in respect of the form of the solicitation notice and the consent thereto.

(b) The Calculation Agent shall be required to agree (and the Trustee as Calculation Agent does hereby agree) that, as soon as possible after 11:00 a.m. London time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the London Banking Day immediately following each Interest Determination Date, the Calculation Agent shall calculate the Interest Rate applicable to each Class of Secured Notes during the related Interest Accrual Period and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Secured Notes in respect of the related Interest Accrual Period. At such time, the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, the Collateral Administrator, Euroclear and Clearstream. The Calculation Agent shall also specify to the Portfolio Manager (on behalf of the Co-Issuers) and the Collateral Administrator the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Portfolio Manager (on behalf of the Co-Issuers) and the Collateral Administrator before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period shall (in the absence of manifest error) be final and binding upon all parties.

Section 7.17 Certain Tax Matters. (a) The Co-Issuers will and each Holder (including, for purposes of this Section 7.17, any beneficial owner of an interest in a Note) will be deemed to have represented and agreed to treat the Co-Issuers and the Offered Securities as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law.

corporation” for U.S. federal income tax purposes (such information to be provided at such Holder’s expense); provided that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States on the basis that it is engaged in the conduct of a trade or business within the United States for U.S. federal income tax purposes unless it has obtained an opinion or advice from [Allen & Overy LLP](#), Dechert LLP or Cadwalader, Wickersham & Taft LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters prior to such filing to the effect that, under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471, 1472, and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax. Upon written request, the Trustee, the Paying Agent and the Registrar shall provide to the Issuer, the Portfolio Manager, or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee, the Paying Agent or the Registrar, as the case may be, and may be necessary for compliance with FATCA and the Cayman FATCA Legislation.

The Issuer (or an agent acting on its behalf) will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for compliance with FATCA and the Cayman FATCA Legislation, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA and the Cayman FATCA Legislation, and any other action that the Issuer would be permitted to take under this Indenture necessary for compliance with FATCA and the Cayman FATCA Legislation.

(d) Upon the Trustee’s receipt of a request of a Holder, delivered in accordance with the notice procedures of [Section 2.11](#), for the information described in Treasury regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Trustee and such requesting Holder all of such information. Any issuance of additional Notes or replacement Notes shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate and report original issue discount income to Holders of Notes (including the additional Notes or replacement Notes, as applicable).

(e) Prior to the time that:

(i) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis, or

(ii) any Collateral Obligation is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis,

the Issuer will either (x) organize a wholly owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (an “Issuer Subsidiary”) and contribute to the Issuer Subsidiary the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, (y) contribute to an existing Issuer Subsidiary the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, or (z) sell the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, in each case unless the Issuer receives advice or an opinion from [Allen & Overy LLP](#), Cadwalader, Wickersham & Taft LLP or Dechert LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, to the effect that the acquisition, ownership, and disposition of such asset, or that the workout, restructuring, or modification of such Collateral Obligation (as the case may be), will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis.

(vii) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

In addition, the Issuer and each Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary at any time;

(xii) with respect to any Issuer Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Issuer Subsidiary Assets are held by the Issuer Subsidiary, shall refer directly and solely to the related Issuer Subsidiary Assets, and neither the Collateral Administrator nor the Trustee shall be obligated to refer to the equity interest in such Issuer Subsidiary;

(xv) subject to Section 7.17(h)(xix), the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Interest Collection Subaccount or the Principal Collection Subaccount, as applicable, as determined in accordance with subclause

(xvii)); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

If, prior to its transfer to an Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by an Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (B) notice is given of any Optional Redemption, Tax Redemption, or other prepayment in full or repayment in full of all Notes Outstanding occurs and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within 5 Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) with respect to each Issuer Subsidiary, instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary;

(xix) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a

trade or business in the United States for federal income tax purposes or cause the Issuer to be subject to U.S. federal tax on a net income basis; and

(xx) the Issuer shall provide, or cause to be provided, to each Rating Agency, written notice prior to the formation of an Issuer Subsidiary.

(i) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in Section 7.17(e) may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes, based on advice or an opinion from Allen & Overy LLP, Cadwalader, Wickersham & Taft LLP or Dechert LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters.

(j) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of section 7701(i) of the Code unless, based on an opinion or advice from Allen & Overy LLP, Cadwalader, Wickersham & Taft LLP or Dechert LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes; provided, that for the avoidance of doubt, nothing in this Section 7.17(j) shall be construed to permit the Issuer to purchase real estate mortgages.

(k) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received advice or an opinion from Allen & Overy LLP, Cadwalader, Wickersham & Taft LLP or Dechert LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, to the effect that the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis.

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations.

(a) The Issuer shall use commercially reasonable efforts to purchase, on or before the Effective Date, Collateral Obligations such that the Target Portfolio Par Condition is satisfied.

(b) On behalf of the Issuer, the Portfolio Manager will direct the Trustee to, from time to time during the period from the Closing Date to and including the first Determination Date, use funds on deposit in the Ramp-Up Account to purchase additional Collateral Obligations. The Issuer shall use commercially reasonable efforts to acquire such Collateral Obligations that shall satisfy, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and each Overcollateralization Ratio Test.

(c) Unless clause (e) below is applicable, within 30 days after the Effective Date, the Issuer shall provide, or cause the Portfolio Manager to provide the following documents: (i) to each Rating Agency, the Effective Date Report and (ii) to the Trustee, the Effective Date Report and accountants' agreed-upon procedures reports (A) comparing the identity of the issuer (it being understood that the same issuer may be referred to differently due to the use of abbreviations or shorthand references by different record keepers), principal

balance, coupon/spread, stated maturity, Moody's Rating, Moody's Default Probability Rating, Moody's Industry Classification, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and the information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein (the "Accountants' Effective Date Comparison AUP Report"), (B) recalculating as of the Effective Date the level of compliance with (1) the Target Portfolio Par Condition, (2) the Overcollateralization Ratio Tests, (3) the Concentration Limitations and (4) the Collateral Quality Test (the "Accountants' Effective Date Recalculation AUP Report" and, together with the Accountants' Effective Date Comparison AUP Report, the "Accountants' Effective Date AUP Report"); and (C) specifying the procedures undertaken by them to review data and computations relating to such Accountants' Effective Date AUP Report. For the avoidance of doubt, the Effective Date Report shall not include or refer to the Accountants' Effective Date AUP Report.

(d) If neither the Effective Date Moody's Condition nor the Moody's Rating Condition is satisfied prior to the date 30 days after the Effective Date (such occurrence constituting a "Moody's Ramp-Up Failure"), then (A) the Issuer (or the Portfolio Manager on the Issuer's behalf) shall either (i) notify Moody's that the Effective Date Moody's Condition has been satisfied on or before the first Determination Date or (ii) request Moody's to confirm, on or before the first Determination Date, that Moody's shall not reduce or withdraw its Initial Rating of the Secured Notes and (B) if, by the first Determination Date, the Issuer (or the Portfolio Manager on the Issuer's behalf) has not confirmed to Moody's that the Effective Date Moody's Condition has been satisfied or obtained the confirmation from Moody's, each as described in the preceding clause (A) of this paragraph the Issuer (or the Portfolio Manager on the Issuer's behalf) shall instruct the Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount (to the extent such transfer shall not result in insufficient Interest Proceeds remaining to pay accrued and unpaid interest on the Secured Notes on the first Payment Date in accordance with the Priority of Payments) and may, prior to the first Payment Date, purchase additional Collateral Obligations in an amount sufficient to enable the Issuer (or the Portfolio Manager on the Issuer's behalf) to (I) confirm to Moody's that the Effective Date Moody's Condition has been satisfied or (II) obtain from Moody's written confirmation of its Initial Ratings of the Secured Notes; provided that, in lieu of complying with the preceding clauses (A) and (B), the Issuer (or the Portfolio Manager on the Issuer's behalf) may take such action, including but not limited to, a Rating Confirmation Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Rating Confirmation Redemption). The Issuer (or the Portfolio Manager on the Issuer's behalf) shall notify Fitch of the occurrence of a Moody's Ramp-Up Failure.

(e) Notwithstanding Section 7.18(d), in lieu of complying with Section 7.18(d)(A) and (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) may take such action, including but not limited to, a Rating Confirmation Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Rating Confirmation Redemption), sufficient to enable the Issuer (or the Portfolio Manager on the Issuer's behalf) to (1) confirm to Moody's that the Effective

Date Moody's Condition has been satisfied or (2) obtain from Moody's written confirmation of its Initial Rating of the Secured Notes.

(f) The failure of the Issuer to satisfy the requirements of this Section 7.18 shall not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Portfolio Manager acting on behalf of the Issuer, has acted in bad faith. Of the proceeds of the issuance of the Notes which are not applied to pay for the purchase of Collateral Obligations purchased by the Issuer on or before the Closing Date (including, without limitation, repayment of any amounts borrowed by the Issuer in connection with the purchase of Collateral Obligations prior to the Closing Date) or to pay other applicable fees and expenses, funds shall be deposited in the Ramp-Up Account on the Closing Date in the amount specified in writing to the Trustee by the Issuer. At the direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the Closing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c), and the Issuer, or the Portfolio Manager on behalf of the Issuer, shall notify Moody's of any amounts transferred to the Interest Collection Subaccount from the Ramp-Up Account on the Effective Date.

(g) Asset Quality Matrix. On or prior to the Effective Date, the Portfolio Manager shall elect the "row/column combination" of the Asset Quality Matrix that shall on and after the Effective Date apply to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, and if such "row/column combination" differs from the "row/column combination" chosen to apply as of the Closing Date, the Portfolio Manager shall so notify the Trustee and the Collateral Administrator by providing written notice in the form of Exhibit E. Thereafter, at any time on written notice of one Business Day to the Trustee, the Collateral Administrator and each Rating Agency then rating a Class of Secured Notes, the Portfolio Manager may elect a different "row/column combination" to apply to the Collateral Obligations (or may elect, at any time after the Effective Date, in lieu of selecting a "row/column combination" of the Asset Quality Matrix, to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points); provided that if: (i) the Collateral Obligations are currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Asset Quality Matrix case to which the Portfolio Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations or would not be in compliance with any other Asset Quality Matrix case, the Collateral Obligations are not further out of compliance with the Asset Quality Matrix to which the Portfolio Manager desires to change; provided that if subsequent to such election the Collateral Obligations comply with any Asset Quality Matrix case, the Portfolio Manager shall elect a "row/column combination" that corresponds to a Asset Quality Matrix case in which the Collateral Obligations are in compliance. If the Portfolio Manager does not notify the Trustee, the Collateral Administrator and each Rating Agency then rating a Class of Secured Notes that it shall alter the "row/column combination" of the Asset Quality Matrix chosen on the Effective Date in the manner set forth

above, the “row/column combination” of the Asset Quality Matrix chosen on or prior to the Effective Date shall continue to apply.

In the event that any 17g-5 Information is delivered or posted in error, the Information Agent may remove it from the Issuer's Website, and shall so remove promptly when instructed to do so by the Person that delivered such information to the Information Agent. None of the Trustee, the Portfolio Manager, the Collateral Administrator or the Information Agent shall have obtained or shall be deemed to have obtained actual knowledge of any 17g-5 Information solely due to receipt and posting to the Issuer's Website. Access shall be provided by the Information Agent to the Issuer, the Portfolio Manager, the Rating Agencies, and to any NRSRO upon receipt by the Issuer and the Information Agent of an NRSRO Certification from such NRSRO (which may be submitted electronically via the Issuer's Website). Furthermore, in connection with any supplemental indenture which would affect the Reinvesting Holder Notes in a materially adverse manner that is different from the effect of such supplemental indenture on the Subordinated Notes, the Reinvesting Holder Notes will vote on such supplemental indenture as a separate Class.

(k) Notwithstanding any other provision herein, a Class of Notes subject to a Refinancing will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the effective date of such refinancing. In connection with a Re-Pricing, any non-consenting Holder will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the related Re-Pricing Date.

Section 8.5 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder or beneficial owner of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

(a) The Secured Notes shall be redeemable by the Applicable Issuers (x) in whole (with respect to all Classes of Secured Notes) but not in part on any Business Day after the end of the Non-Call Period from Sale Proceeds and/or Refinancing Proceeds (together with amounts available in the Collection Account and the Payment Account) if directed in writing by a Majority of the Subordinated Notes (with the consent of the Portfolio Manager if Refinancing Proceeds are used) or (y) in part by Class from Refinancing Proceeds and Partial Refinancing Interest Proceeds (in the case of a Partial Redemption) on any Business Day after the end of the Non-Call Period if directed in writing by the Portfolio Manager, as long as the Secured Notes to be redeemed represent not less than the entire Class of such Secured Notes (such redemption, an “Optional Redemption”). In connection with any such redemption, the Secured Notes to be redeemed shall be redeemed at the applicable Redemption Prices and the Person or Persons entitled to give the above described written direction must provide the above described written direction to the Issuer, the Trustee and the Portfolio Manager not later than 20 days (or such shorter period of time as the Trustee and the Portfolio Manager find reasonably acceptable) prior to the date on which such redemption is to be made; provided that all Secured Notes to be redeemed must be redeemed simultaneously.

(b) The Subordinated Notes and the Reinvesting Holder Notes may be redeemed at their Redemption Price, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Notes and payment in full of all amounts then due and owing of the Co-Issuers, at the direction of a Majority of the Subordinated Notes (which direction may be given in connection with a direction to redeem the Secured Notes or at any time after the Secured Notes have been redeemed or repaid in full) with the consent of the Portfolio Manager.

(c) The Secured Notes may be redeemed in whole from Refinancing Proceeds and/or Sale Proceeds or in part by Class from Refinancing Proceeds (in each case together with amounts available in the Collection Account and the Payment Account) as provided in Section 9.2(a); provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below. Prior to effecting any Refinancing, the Issuer shall, in relation to such Refinancing, provide notice to Fitch and Moody’s.

(d) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(a), such Refinancing shall be effective only if (i) the Refinancing Proceeds, all Sale Proceeds, if any, from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other amounts available in the Collection Account and the Payment Account shall be at least sufficient to redeem simultaneously the Outstanding Secured Notes at the Redemption Price thereof and to pay all amounts (including all Administrative Expenses then due and payable regardless of the Administrative Expense Cap) due and payable pursuant to the Priority of Payments on the Redemption Date prior to any distributions with respect to the Subordinated Notes, (ii) the Refinancing Proceeds, the Sale Proceeds, if any, and other available amounts in the Collection Account and the Payment Account are used (to the extent necessary) to make such redemption and (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i).

(e) In the case of a Refinancing upon a redemption of the Secured Notes in part by Class pursuant to Section 9.2(a), such Refinancing shall be effective only if (i) notice is provided to each Rating Agency then rating a Class of Secured Notes, (ii) the Refinancing Proceeds and the Partial Refinancing Interest Proceeds (in the case of a Partial Redemption) (and, for the avoidance of doubt, if the applicable Partial Redemption Date otherwise falls on a Payment Date, after giving effect to the application of Interest Proceeds and Principal Proceeds in accordance with the relevant Priority of Payments on such Payment Date) shall be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to Refinancing, (iii) the Refinancing Proceeds and the Partial Refinancing Interest Proceeds (in the case of a Partial Redemption) are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i), (v) the stated maturity of each class of obligations providing the Refinancing is no earlier than the corresponding Stated Maturity of each Class of Secured Notes subject to such Refinancing, (vi) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or shall be adequately provided for from the Refinancing Proceeds (except for expenses owed to Persons that the Portfolio Manager informs the Trustee shall be paid solely as Administrative Expenses payable in accordance with the Priority of Payments), (vii) the interest rate of each class of obligations providing the Refinancing shall not be greater than the Interest Rate of the corresponding class of Secured Notes subject to such Refinancing and (A) if such Secured Note has a floating Interest Rate then the corresponding class of obligations providing the Refinancing shall have a floating interest rate and (B) if such Secured Note has a fixed Interest Rate then the corresponding class of obligations providing the Refinancing shall have a fixed interest rate, unless, in each case, the Issuer and the Trustee have received an officer's certificate of the Portfolio Manager certifying that, in the Portfolio Manager's reasonable business judgment, the interest payable on the corresponding class of obligations providing the Refinancing Proceeds with respect to the Class of Secured Notes subject to such Refinancing is anticipated to be lower than the interest that would have been payable in respect of such Class (determined on a weighted average basis over the expected life of such Class) if such Refinancing did not occur and the Moody's Rating Condition is satisfied with respect to each Class of Notes that are subordinate to the most junior Class of Secured Notes subject to such Refinancing, (viii) each class of obligations providing the Refinancing is

subject to the Priority of Payments and does not rank higher in priority pursuant to the Priority of Payments than the corresponding Class of Secured Notes subject to such Refinancing, (ix) the voting rights, consent rights, redemption rights and all other rights of each class of obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Notes subject to such Refinancing (except that, at the Issuer's election, the non-call period with respect to any class of obligations providing the Refinancing may be extended as it applies to a subsequent Refinancing in part by Class or a Re-Pricing or any class of obligations providing the Refinancing may not be subject to a subsequent Refinancing in part by Class or a Re-Pricing), (x) the Refinancing is approved by a Majority of Subordinated Notes and (xi) the principal amount of the obligations providing the Refinancing is equal to the outstanding principal amount of the corresponding Class of Secured Notes subject to such Refinancing. After a Refinancing pursuant to this Section 9.2(e) becomes effective the Issuer shall notify each Rating Agency then rating a Class of Secured Notes.

(f) The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Portfolio Manager, the Issuer and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes other than Holders of the Subordinated Notes directing the redemption (if any). The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture without the consent of the Holders of the Notes (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds, or the sufficiency of the Accountants' Effective Date AUP Report required pursuant to Section 7.18).

(g) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least 15 days prior to the Redemption Date (or such shorter period of time as the Trustee and the Portfolio Manager find reasonably acceptable), notify the Trustee and the Portfolio Manager in writing of such Redemption Date, the applicable Record Date, the principal amount of Secured Notes to be redeemed on such Redemption Date and the applicable Redemption Prices.

Section 9.3 Tax Redemption. (a) The Notes shall be redeemed in whole but not in part on any Business Day (any such redemption, a "Tax Redemption") at their applicable Redemption Prices at the written direction (delivered to the Trustee and the Portfolio Manager not later than 30 days (or such shorter period of time as the Trustee and the Portfolio Manager find reasonably acceptable) prior to the Business Day on which such redemption is to be made) of (x) a Majority of any Affected Class (voting separately by Class) or (y) a Majority of the

Subordinated Notes, in either case following the occurrence and during the continuation of a Tax Event.

(b) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Portfolio Manager, the Holders and the Issuer (which shall notify each Rating Agency then rating a Class of Secured Notes) thereof.

(c) If an Officer of the Portfolio Manager obtains actual knowledge of the occurrence of a Tax Event, the Portfolio Manager shall promptly notify the Issuer (which shall notify each Rating Agency then rating a Class of Secured Notes), the Collateral Administrator, and the Trustee thereof, and upon receipt of such notice the Trustee (on behalf of the Issuer) shall promptly notify the Holders of the Notes.

(d) The Trustee shall not be deemed to have notice or knowledge of any Tax Event unless it receives written notice of the occurrence of a Tax Event from the Portfolio Manager.

Section 9.4 Redemption Procedures. (a) Upon receipt of written notice of a redemption pursuant to Section 9.2 or 9.3, the Trustee (on behalf of the Issuer) shall deliver a notice of redemption by first class mail, postage prepaid, mailed not later than 10 days prior to the applicable Redemption Date, to each Holder of Notes (with a copy to the Issuer), at such Holder's address in the Register, and each Rating Agency then rating a Class of Secured Notes. In addition, for so long as any Listed Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, any notice of redemption pursuant to Section 9.2 or 9.3 to the Holders shall also be provided by the Issuer to the Cayman Islands Stock Exchange. Notes called for redemption must be surrendered at the office of any Paying Agent.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Secured Notes to be redeemed and, if applicable, the estimated Redemption Price of the Subordinated Notes;

(iii) all of the Secured Notes that are to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Payment Date specified in the notice;

(iv) the place or places where the Secured Notes to be redeemed are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(v) if all Secured Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the

Redemption Prices, which shall, with respect to the Notes, be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.

(c) The Co-Issuers shall have the option to withdraw any notice of Optional Redemption or Tax Redemption by written notice to the Trustee and the Portfolio Manager (x) in the case of an Optional Redemption effected in whole but not in part with Sale Proceeds, on any day up to and including the second Business Day prior to the scheduled Redemption Date, only if the Portfolio Manager has notified the Co-Issuers that it is unable to deliver such evidence or certifications required hereunder, (y) in the case of an Optional Redemption effected in whole or in part with Refinancing Proceeds, up to and including the second Business Day prior to the scheduled Redemption Date only if the Portfolio Manager has notified the Co-Issuers and the Trustee that it is unable to obtain the applicable Refinancing on behalf of the Issuer, and (z) other than as set forth in clauses (x) and (y) for notices of redemptions pursuant to Section 9.2 or 9.3 directed by a Majority of the Subordinated Notes, up to and including the day on which the Holders of Notes are notified of such redemption in accordance with Section 9.4(a), upon written direction of a Majority of the Subordinated Notes. The failure to effect any Optional Redemption or Tax Redemption (x) which is so withdrawn in accordance with the Indenture or, (y) in the case of an Optional Redemption to be effected with the proceeds of a Refinancing or Sale Proceeds, which fails, shall not constitute an Event of Default.

(d) Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Note.

(e) Upon receipt of a notice of redemption of the Secured Notes from Sale Proceeds pursuant to Section 9.2 (unless any such Optional Redemption is being effected solely through a Refinancing) or Section 9.3, the Portfolio Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets in accordance with clause (f) below such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account shall be at least sufficient to pay the Redemption Prices of the Outstanding Secured Notes and all amounts due and payable pursuant to the Priority of Payments on the related Redemption Date prior to any distributions with respect to the Subordinated Notes. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Secured Notes then required to be redeemed and to pay such fees and expenses, the Secured Notes may not be redeemed. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(f) Unless Refinancing Proceeds and Partial Refinancing Interest Proceeds (in the case of a Partial Redemption) are being used to redeem the Secured Notes in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Notes may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Trustee evidence, in a form reasonably

satisfactory to the Trustee (which may be in the form of an Officer's certificate of the Portfolio Manager), that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) are rated, or guaranteed by a Person whose short-term unsecured debt obligations are rated, at least "P-1" by Moody's to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets and/or the Hedge Agreements at a purchase price at least sufficient, together with the proceeds from Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, any payments to be received in respect of any Hedge Agreements and all amounts available in the Collection Account and the Payment Account, to pay the Redemption Amount, (ii) at least five Business Days prior to the scheduled Redemption Date, prior to selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify in writing to the Trustee that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and expected proceeds from the sale of Eligible Investments (such sale to be completed at least two Business Days prior to the scheduled Redemption Date), together with the proceeds from Eligible Investments maturing, redeemable or putable to the issuer thereof at par two Business Days prior to the related Redemption Date, (B) for each Collateral Obligation, the product of its Principal Balance and its Market Value (expressed as a percentage of the par amount of such Collateral Obligation) and its Applicable Advance Rate, and (C) without duplication, all available amounts in the Collection Account and the Payment Account shall equal or exceed the Redemption Amount and, at least the Business Day prior to the scheduled Redemption Date the Portfolio Manager shall certify in writing to the Trustee that all proceeds have been collected and are equal to or exceed the Redemption Amount, or (iii) at least five Business Days before the scheduled Redemption Date, the Portfolio Manager has furnished to the Trustee evidence in form reasonably satisfactory to the Trustee (which may be in the form of an Officer's certificate of the Portfolio Manager) that the Portfolio Manager (or an Affiliate or agent thereof) has priced but not yet closed another collateralized loan obligation transaction or similar transaction (provided such transaction has closed two Business Days prior to the scheduled Redemption Date), the net proceeds of which shall at least equal, in each case, an amount sufficient, together with (x) the proceeds from Eligible Investments maturing, redeemable or putable to the issuer thereof at par two Business Days prior to the scheduled Redemption Date, (y) without duplication, any available amounts in the Collection Account and the Payment Account and (z) without duplication, the aggregate amount of the expected proceeds from the sale of the Assets and Eligible Investments not later than two Business Day immediately preceding the scheduled Redemption Date, to pay the Redemption Amount and, at least the Business Day prior to the scheduled Redemption Date the Portfolio Manager shall certify in writing to the Trustee that the transaction and sales provided for in this subclause (iii) have been completed and that all proceeds have been collected and are equal to or exceed the Redemption Amount. Any certification delivered by the Portfolio Manager pursuant to this Section 9.4(f) shall include (1) the prices of, and expected or collected proceeds (as applicable) from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.4(f). Any Holder or beneficial owner of Notes, the Portfolio Manager or any of the Portfolio Manager's Affiliates or accounts managed by it shall have the right, subject to the

same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(f) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(c) or the failure of any Refinancing to occur, become due and payable at the Redemption Prices with respect thereto, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices) all Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest and principal on Secured Notes so to be redeemed which are payable on any Payment Date on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Secured Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Noteholder.

(c) Notwithstanding anything to the contrary set forth herein, the proceeds from a Refinancing related to a redemption in part by Class shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date to redeem the Classes of Secured Notes subject to such redemption by Refinancing at the Redemption Price for such Classes of Secured Notes and to pay any fees, costs, charges and expenses incurred in connection with such Refinancing that are being paid from such proceeds; provided that to the extent such Refinancing Proceeds are not applied to redeem such Classes of Secured Notes or to pay such other amounts, such Refinancing Proceeds shall be treated as Principal Proceeds. In addition, on each Partial Redemption Date, unless an Enforcement Event has occurred and is continuing, Refinancing Proceeds and Partial Refinancing Interest Proceeds will be applied in accordance with the Priority of Partial Redemption Proceeds to redeem the Secured Notes subject to such Refinancing and to pay any Administrative Expenses in connection therewith.

Section 9.6 Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Payments on any Payment Date (a) during the Reinvestment Period, if the Portfolio Manager at its sole discretion notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment

or reinvestment of all or a portion of the funds then in the Collection Account or in the Reinvestment Amount Account that are to be invested in additional Collateral Obligations or (b) on the Effective Date, if the Portfolio Manager notifies the Trustee that a redemption is required to satisfy the Moody's Rating Condition (in each case, a "Special Redemption"). On the first Payment Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing Principal Proceeds (including Reinvestment Amounts transferred to the Collection Account) which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, a "Special Redemption Amount") shall be applied in accordance with the Priority of Payments. Notice of payments pursuant to this Section 9.6 shall be given by the Trustee not less than three Business Days prior to the applicable Special Redemption Date by facsimile, email transmission or first class mail, postage prepaid, to each Holder of Secured Notes (with a copy to the Issuer) affected thereby at such Holder's facsimile number, email address or mailing address in the Register and, subject to Section 14.3(c), to each Rating Agency then rating a Class of Secured Notes. In addition, for so long as any Listed Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, any notice of Special Redemption to the Holders of such Notes shall also be provided by the Issuer to the Cayman Islands Stock Exchange.

Section 9.7 Rating Confirmation Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Payments on any Payment Date if the Portfolio Manager notifies the Trustee that a redemption is required pursuant to Section 7.18 in order to obtain from Moody's its written confirmation of its Initial Ratings of the Secured Notes (a "Rating Confirmation Redemption"). On the first Payment Date following the Collection Period in which such notice is given (a "Rating Confirmation Redemption Date"), the amount in the Collection Account representing Interest Proceeds and Principal Proceeds available in accordance with the Priority of Payments that must be applied in order for the Issuer to obtain confirmation (or deemed confirmation) from Moody's of the Initial Ratings of the Secured Notes shall be applied in accordance with the Priority of Payments. Notice of payments pursuant to this Section 9.7 shall be given by the Trustee not less than one Business Day prior to the applicable Rating Confirmation Redemption Date by facsimile, email transmission or first class mail, postage prepaid, to each Holder of Secured Notes affected thereby at such Holder's facsimile number, email address or mailing address in the Register and, subject to Section 14.3(c), to Moody's. In addition, for so long as any Listed Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, any notice of Rating Confirmation Redemption to the Holders of such Notes shall also be provided to the Issuer for delivery to the Cayman Islands Stock Exchange.

Section 9.8 Clean-Up Call Redemption. (a) At the written direction of the Portfolio Manager (which direction shall be given so as to be received by the Issuer, the Trustee and the Rating Agencies not later than 30 days prior to the proposed Redemption Date), the Secured Notes shall be subject to redemption by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Price therefor, on any Business Day after the Non-Call Period on which the Collateral Principal Amount is less than 10% of the Target Portfolio Par.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than the Eligible Investments referred to in clause (d) of this sentence) by the Portfolio

Manager or any other Person from the Issuer, on or prior to the fifth Business Day immediately preceding the related Redemption Date, for a purchase price in Cash (the “Clean-Up Call Redemption Price”) at least equal to the greater of (1) the sum of (a) the Aggregate Outstanding Amount of the Secured Notes, *plus* (b) all unpaid interest on the Secured Notes accrued to the date of such redemption, *plus* (c) the aggregate of all other amounts (including all Administrative Expenses then due and payable regardless of the Administrative Expense Cap) owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes (including, for the avoidance of doubt, all outstanding Administrative Expenses), *minus* (d) the balance of the Eligible Investments in the Collection Account and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Portfolio Manager, prior to such purchase, of certification from the Portfolio Manager that the sum so received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Portfolio Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Portfolio Manager.

(c) Upon receipt from the Portfolio Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date and the Record Date for any redemption pursuant to this Section 9.8 and give written notice thereof to the Trustee, the Collateral Administrator, the Portfolio Manager and the Rating Agencies not later than 15 Business Days (or such shorter period of time as the Trustee and the Portfolio Manager may reasonably find acceptable) prior to the proposed Redemption Date.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to the fourth Business Day prior to the related scheduled Redemption Date by written notice to the Trustee, the Rating Agencies and the Portfolio Manager only if amounts equal to the Clean-Up Call Redemption Price are not received in full in immediately available funds by the fifth Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed at such Holder’s address in the Note Register, by overnight courier guaranteeing next day delivery not later than the third Business Day prior to the related scheduled Redemption Date. The Trustee shall also arrange for notice of such withdrawal to be delivered to the Issuer for delivery to the Cayman Islands Stock Exchange so long as any Listed Notes are listed thereon and so long as the guidelines of such exchange so require.

(e) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Payments.

Section 9.9 Optional Re-Pricing. (a) On any Business Day after the Non-Call Period, a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) may direct the Co-Issuers to reduce the spread over LIBOR, or the Benchmark, as applicable, applicable with respect to any Class of Secured Notes, other than ~~the Class X Notes~~, the Class A Notes and the Class B Notes (any such reduction, a “Re-Pricing” and any Class of Secured

Notes, other than the Class ~~X Notes, the Class~~ A Notes and the Class B Notes, to be subject to a Re-Pricing, a “Re-Priced Class”); provided, that the Co-Issuers shall not effect any Re-Pricing unless each condition specified below is satisfied with respect thereto. No terms of any Secured Notes other than the Interest Rate applicable to such Secured Notes may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the “Re-Pricing Intermediary”) upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes or the Portfolio Manager and such Re-Pricing Intermediary may assist the Issuer in effecting the Re-Pricing.

(b) At least 20 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the “Re-Pricing Date”), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Portfolio Manager, the Collateral Administrator, the Trustee and each Rating Agency) to each holder of the proposed Re-Priced Class, which notice shall:

(i) specify the proposed Re-Pricing Date and the revised spread (or a range of spreads) over LIBOR to be applied with respect to such Class (a “Re-Pricing Rate”),

(ii) request that each Holder of the Re-Priced Class to consent to the terms of the proposed Re-Pricing or to specify the lowest spread at which the Holder will consent to Re-Pricing, and

(iii) specify the price (or the formula for calculating the price) at which Notes of any Holder of the Re-Priced Class that does not consent to the Re-Pricing may be sold and transferred pursuant to Section 9.9(c), which, for purposes of such Re-Pricing, will be an amount equal to 100% of the Aggregate Outstanding Amount of such Notes, *plus* Deferred Interest, if any, with respect to such Notes (the “Re-Pricing Sale Price”).

The Trustee shall also arrange for notice of any Re-Pricing and notice of any withdrawal of a notice of Re-Pricing to be delivered to the Issuer for delivery to the Cayman Islands Stock Exchange so long as any Listed Notes are listed thereon and so long as the guidelines of such exchange so require.

(c) In the event any Holders of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date which is 10 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and shall request each such consenting Holder to provide written notice to the Issuer, the Trustee, the Portfolio Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class in an amount held by the non-consenting Holders (each such notice delivered by a consenting Holder, an “Exercise Notice”) within five Business Days of the date of such notice.

(d) In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, on the Re-Pricing Date, cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices.

(e) In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will, on the Re-Pricing Date, cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting Holders will be sold to one or more transferees designated by the Co-Issuers or the Issuer, as applicable, or the Re-Pricing Intermediary on behalf of the Co-Issuers or the Issuer, as applicable.

(f) All sales of Notes to be effected pursuant to this Section 9.9 shall be made at the Re-Pricing Sale Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions of the Indenture or with such modifications permitted by the Indenture. The Holder of each Note, by its acceptance of an interest in the Notes, agrees to the sale and transfer of its Notes in accordance with this Section 9.9 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such sales and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Portfolio Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by consenting Holders or non-consenting Holders.

(g) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee, with the prior written consent of a Majority of the Subordinated Notes (with the consent of the Portfolio Manager), have entered into a supplemental indenture dated as of the Re-Pricing Date, solely to reduce the interest rate of the Re-Priced Class (and to make changes necessary to give effect to such reduction);

(ii) confirmation has been received that all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred pursuant to the provisions above;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds that shall be available after taking into account all amounts required to be paid under the Priority of Payments on the subsequent Payment Date prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or shall be adequately provided for by an entity other than the Issuer. ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all

payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. All accounts will remain at all times (a) with a federal or state depository institution having combined capital and surplus of at least U.S.\$200,000,000 (which may be the Trustee) that has (x) a long-term senior unsecured debt rating of at least “A2” or a short-term credit rating of “P-1” by Moody’s and (y) a short-term credit rating of at least “F1” or a long-term credit rating of at least “A” by Fitch (for so long as the Class A Notes remain Outstanding) or (b) in segregated non-interest bearing trust accounts with the corporate trust department of a federal or state-chartered depository institution (which may be the Trustee) subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b), which depository institution has (x) a long-term senior unsecured debt rating of at least “Baa3” by Moody’s, (y) a short-term credit rating of at least “F1” or a long-term credit rating of at least “A” by Fitch (for so long as the Class A Notes remain Outstanding) and (z) to the extent any related trust account is holding cash, satisfies the ratings requirements specified in clause (a) above. If at any time the ratings of a financial institution maintaining any accounts fail to meet the required ratings set forth above, the Issuer will cause the assets held in such Accounts to be moved within 30 calendar days to another institution that satisfies the requirements of clauses (a) or (b) above. All Cash deposited in the accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national banking association holding segregated trust assets in a fiduciary capacity.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish two segregated trust accounts, one of which shall be designated the “Interest Collection Subaccount” and one of which shall be designated the “Principal Collection Subaccount” (and which together shall comprise the Collection Account), each held in the name of “~~Apex Credit~~JFIN CLO 2017-II Ltd., subject to the lien of Citibank, N.A., as Trustee”. The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.5(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Payment Account, all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.5(a), (i) any funds designated as Principal Proceeds by the Portfolio Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments), except that on or after the Effective Date, but no later than the Determination Date related to the second Payment Date, if the Effective Date Deposit Condition is satisfied after giving effect to such deposit, the Portfolio Manager may designate the Principal Proceeds received by the Issuer as Interest Proceeds with notice to the Trustee (such designated Principal Proceeds, the “Designated Principal Proceeds”). Upon receipt of notice of such designation, the Trustee will transfer such Designated Principal Proceeds from the Principal Collection Subaccount to the Interest Collection Subaccount as Interest Proceeds. The Issuer may, but

under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable, such funds to be deemed to be and held as Interest Proceeds and/or Principal Proceeds to the extent designated by the Portfolio Manager, such designation to be made on the day such monies are deposited into the Collection Account by the Issuer, by written instruction to the Trustee. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.5(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer (or the Portfolio Manager on behalf of the Issuer) shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; provided that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments, Defaulted Obligations or Equity Securities or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it shall sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Portfolio Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such direction the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.18) such funds in additional Collateral Obligations or exercise a warrant held in the Assets, in each case in accordance with the requirements of Article XII and such direction. At any time, the Portfolio Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such direction the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date; provided further that the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense pursuant to this Section 10.2 on any day other than a Payment Date if, in its reasonable determination, the payment of such amount is likely to leave insufficient funds available to pay in full each of the items described in Section 11.1(a)(i)(A) as reasonably anticipated to be or become due and payable on the next Payment Date, taking into account the Administrative Expense Cap.

(e) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.

(f) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, (i) transfer from amounts on deposit in the Interest Collection Subaccount to the Principal Collection Subaccount, amounts necessary for application pursuant to, and to apply amounts in the Principal Collection Subaccount pursuant to, Section 7.18(c) through (d), and/or (ii) apply amounts in the Principal Collection Subaccount pursuant to Section 9.6.

If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Portfolio Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Portfolio Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Directed Investment or other Eligible Investments of the type described in clause (y)(ii) of the definition of "Eligible Investments" maturing no later than the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein). If after the occurrence of an Event of Default, the Issuer shall not have given such investment directions to the Trustee for three consecutive days, the Trustee shall invest and reinvest such Monies as fully as practicable in the Standby Directed Investment unless and until contrary investment instructions as provided in the preceding sentence are received or the Trustee receives a written instruction from the Issuer, or the

Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Subaccount, any gain realized from such investments shall be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Subaccount. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment, provided that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof.

(b) The Trustee agrees to give the Issuer immediate notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

The Trustee shall promptly forward to the Portfolio Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

Nothing in this Section 10.5 shall be construed to impose upon the Trustee any duty to prepare any report or statement required under Section 10.6 or to calculate or compute information required to be set forth in any such report or statement other than information regularly maintained by the Trustee by reason of its acting as Trustee hereunder.

(d) As promptly as possible following the delivery of each Monthly Report and Distribution Report to the Trustee pursuant to Section 10.6(a) or (b), as applicable, the Portfolio Manager on behalf of the Issuer shall cause a copy of such report (or portions thereof) to be delivered to Intex Solutions, Inc., or any other valuation provider deemed necessary by the Portfolio Manager.

(b) Subject to the terms of this Indenture, the Trustee shall upon an Issuer Order (i) (A) deliver any Asset, and release or cause to be released such Asset from the lien of this Indenture, which is set for any mandatory call or redemption or payment in full to the appropriate paying agent on or before the date set for such call, redemption or payment, in each case against receipt of the call or redemption price or payment in full thereof and (B) provide notice thereof to the Portfolio Manager, and (ii) deliver any Asset, and release, or cause to be released, such Asset from the lien of this Indenture, to be sold in connection with a redemption pursuant to Sections 9.2 or 9.3 (and Sections 12.1(d) or (e)), as applicable, accompanied by instruction from the Portfolio Manager to the effect that such release and delivery is in connection with a sale of such Asset to fund a redemption pursuant to Sections 9.2 or 9.3, and shall apply the Sale Proceeds as provided in this Indenture.

(c) Upon receiving actual notice of any Offer or any request for a waiver, consent, amendment or other modification or action with respect to any Asset, the Trustee on behalf of the Issuer shall notify the Portfolio Manager of any Asset that is subject to an Offer or such request. Unless the Notes have been accelerated following an Event of Default, the Portfolio Manager may, so long as such Offer constitutes a Permitted Offer, direct (x) the Trustee to accept or participate in or decline or refuse to participate in such Offer and, in the case of acceptance or participation, to release from the lien of this Indenture such Asset in accordance with the terms of the Offer against receipt of payment or exchange therefor, or (y) the Issuer or the Trustee to agree to, so long as such consent, waiver, modification or action would not cause the related Collateral Obligation to fail to satisfy the requirements set forth in the definition of "Collateral Obligation" as of the date of such consent, waiver, modification or action, or

otherwise act with respect to such consent, waiver, amendment, modification or action; provided that in the absence of any such direction, the Trustee shall not respond or react to such Offer or request.

(d) As provided in Section 10.2(a), the Trustee shall deposit any net cash proceeds received by it from the disposition of an Asset in the applicable subaccount of the Collection Account, unless simultaneously applied to the purchase of additional Collateral Obligations or Eligible Investments as permitted under and in accordance with the requirements of this Article X and Article XII.

Section 10.8 Reports by Independent Accountants. (a) At the Closing Date, the Issuer shall appoint one or more firms of Independent certified public accountants of recognized international reputation for purposes of performing agreed-upon procedures required by this Indenture, which may be the firm of Independent certified public accountants that performs accounting services for the Issuer or the Portfolio Manager. The Issuer may remove any firm of Independent certified public accountants at any time without the consent of any Holder or beneficial owner of Notes. Upon any resignation by such firm or removal of such firm by the Issuer, the Issuer (or the Portfolio Manager on behalf of the Issuer) shall promptly appoint by Issuer Order delivered to the Trustee and each Rating Agency then rating a Class of Secured Notes a successor thereto that shall also be a firm of Independent certified public accountants of recognized international reputation, which may be a firm of Independent certified public accountants that performs accounting services for the Issuer or the Portfolio Manager. If the Issuer shall fail to appoint a successor to a firm of Independent certified public accountants which has resigned within 30 days after such resignation, the Issuer shall promptly notify the Trustee of such failure in writing. If the Issuer shall not have appointed a successor within 10 days thereafter, the Trustee shall promptly notify the Portfolio Manager, who shall appoint a successor firm of Independent certified public accountants of recognized international reputation. The fees of such Independent certified public accountants and its successor shall be payable by the Issuer. In the event such firm requires the Trustee or the Collateral Administrator to agree to the procedures performed by such firm (with respect to any of the reports of such accountants required or contemplated by this Indenture), the Issuer hereby directs the Trustee and the Collateral Administrator to so agree to the terms and conditions requested by such

accountants as a condition to receiving documentation required by this Indenture; it being understood and agreed that the Trustee and the Collateral Administrator shall deliver such letter of agreement in conclusive reliance on the foregoing direction of the Issuer, and the Trustee shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures.

The Trustee and Collateral Administrator may require the delivery of an Issuer Order directing the execution of any such agreement or other acknowledgement required for the delivery of any report of such Independent accountants to the Trustee or Collateral Administrator under this Indenture or other Transaction Document. The Bank is hereby authorized, without liability on its part, to execute and deliver any acknowledgement or other agreement with such firm of Independent certified public accountants required for the Trustee (or Collateral Administrator, as applicable) to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include, among other things, (i) acknowledgement with respect to the sufficiency of the procedures to be performed by the Independent accountants, (ii) releases by the Trustee (on behalf of itself and/or the Holders) of any claims, liabilities, and expenses arising out of or relating to such Independent accountant's engagement, agreed-upon procedures or any report issued by such Independent accountants under any such engagement and acknowledgement of other limitations of liability in favor of the Independent certified public accountants, and (iii) restrictions or prohibitions on the disclosure of any such certificates, reports or other information or documents provided to it by such firm of Independent accountants (including to the Holders). Notwithstanding the foregoing, in no event shall the Trustee or Collateral Administrator be required to execute any agreement in respect of the Independent accountants that the Trustee reasonably determines may subject it to risk of expenses or liability for which it is not adequately indemnified or otherwise adversely affects it.

(b) On or before September 27th of each year commencing 2018, the Issuer shall cause to be delivered to the Trustee (upon execution of an acknowledgment letter) and the Portfolio Manager an agreed-upon procedures report from a firm of Independent certified public accountants for each Distribution Report received since the last statement (i) indicating that the calculations within those Distribution Reports have been recalculated and compared to the information provided by the Issuer in accordance with the applicable provisions of this Indenture and (ii) listing the Aggregate Principal Balance of the Assets and the Aggregate Principal Balance of the Collateral Obligations securing the Secured Notes as of the immediately preceding Determination Dates; provided that in the event of a conflict between such firm of Independent certified public accountants and the Issuer with respect to any matter in this Section 10.8, the determination by such firm of Independent certified public accountants shall be conclusive. To the extent a beneficial owner or Holder of a Note requests the yield to maturity in respect of the relevant Note in order to determine any "original issue discount" in respect thereof, the Trustee shall request that the firm of Independent certified public accountants appointed by the Issuer calculate such yield to maturity. The Trustee shall have no responsibility to calculate the yield to maturity nor to verify the accuracy of such Independent certified public accountants' calculation. If the firm of Independent certified public accountants fails to calculate such yield to maturity, the Trustee shall have no responsibility to provide such information to the beneficial owner or Holder of a Note.

(c) Upon the written request of the Trustee or any Holder of a Subordinated Note, the Issuer shall cause the firm of Independent certified public accountants appointed pursuant to Section 10.8(a) to provide any Holder of Subordinated Notes with all of the information required to be provided by the Issuer pursuant to Section 7.17 or assist the Issuer in the preparation thereof.

Section 10.10 Procedures Relating to the Establishment of Accounts Controlled by the Trustee. Notwithstanding anything else contained herein, the Trustee agrees that with respect to each of the Accounts, it shall cause each Securities Intermediary establishing such accounts to enter into an account control agreement and, if the Securities Intermediary is the Bank, shall cause the Bank to comply with the provisions of such account control agreement. The Trustee shall have the right to open such subaccounts of any such account as it deems necessary or appropriate for convenience of administration.

Section 10.11 Investment Company Act Procedures. For so long as any Notes are Outstanding, the Issuer shall do the following:

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the Holders shall include a notice to the following effect:

"The Investment Company Act of 1940, as amended (the "1940 Act"), requires that all holders of the outstanding securities of the Co-Issuers that are U.S. persons (as defined in Regulation S) be "qualified purchasers" ("Qualified Purchasers") as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, each Co-Issuer must have a "reasonable belief" that all holders of its outstanding securities that are "U.S. persons" (as defined in Regulation S), including transferees, are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Consequently, all sales and resales of the Notes in the United States or to "U.S. persons" (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Each purchaser of a Note in the United States who is a "U.S. person" (as defined in Regulation S) (such Note, a "Restricted Note") shall be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser or an entity owned exclusively by Qualified Purchasers who is also a qualified institutional buyer as defined in Rule 144A under the Securities Act ("QIB") (or, solely in the case of Certificated

Subordinated Notes, the purchaser is a “knowledgeable employee” with respect to the Issuer for purposes of Rule 3c-5 of the Investment Company Act (a “Knowledgeable Employee”) or an entity owned exclusively by Knowledgeable Employees with respect to the Issuer who is also an “accredited investor” within the meaning of Rule 501(a) of Regulation D under the Securities Act (an “AI”); (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser and QIB (or, solely in the case of Certificated Subordinated Notes, a Knowledgeable Employee with respect to the Issuer or entity owned exclusively by Knowledgeable Employees with respect to the Issuer that is also an AI); (iii) the purchaser is not formed for the purpose of investing in either Co-Issuer; (iv) the purchaser, and each account for which it is purchasing, shall hold and transfer at least the Minimum Denominations of the Notes specified herein; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser shall provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Restricted Securities may only be transferred to transferee who is both (A) a QIB and (B)(1) a Qualified Purchaser or (2) an entity owned exclusively by Qualified Purchasers (or, solely in the case of Certificated Subordinated Notes, both a Knowledgeable Employee with respect to the Issuer or entity owned exclusively by Knowledgeable Employees with respect to the Issuer and an AI) and all subsequent transferees are deemed to have made representations (i) through (vi) above.

The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.

The Indenture provides that if, notwithstanding the restrictions on transfer contained therein, the Co-Issuers determine that any “U.S. person” (as defined in Regulation S) who is a Holder or beneficial owner of an interest in a Restricted Note is determined not to have been a Qualified Purchaser at the time of acquisition of such Restricted Note or beneficial interest therein, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Note (or any interest therein) to a Person that is either (A) not a “U.S. person” (as defined in Regulation S) or (B) (1) both (x) a (I) Qualified Purchaser or (II) entity owned exclusively by Qualified Purchasers and (y) a QIB or (2) solely in the case of Certificated Subordinated Notes, both (x) a (I) Knowledgeable Employee with respect to the Issuer or (II) entity owned exclusively by Knowledgeable Employees with respect to the Issuer and (y) an AI, with such sale to be effected within 30 days after notice of such sale requirement is given. If such Holder or beneficial owner fails to effect the transfer required within such 30-day period, the Issuer (or the Portfolio Manager acting on behalf of the Issuer), without further notice to such Holder or beneficial owner, shall and is hereby irrevocably authorized by such Holder or beneficial owner, to cause its Restricted Note or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Portfolio Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Trustee, the Co-Issuers and the Portfolio Manager, in connection with such transfer, that such Person meets the qualifications set forth in clauses (A) or (B) above and pending such transfer, no further payments shall be made

in respect of such Restricted Note or beneficial interest therein held by such Holder or beneficial owner.”

(b) DTC Actions. The Issuer shall direct DTC to take the following steps in connection with the Global Notes:

(i) The Issuer shall direct DTC to include the marker “3c7” in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer shall direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer shall direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a “3c7” indicator and a related user manual for participants. Such user manual shall contain a description of the relevant restrictions imposed by Section 3(c)(7) of the Investment Company Act.

(iii) On or prior to the Closing Date, the Issuer shall instruct DTC to send a Section 3(c)(7) Notice to all DTC participants in connection with the offering of the Global Notes.

(iv) In addition to the obligations of the Registrar set forth in Section 2.5, the Issuer shall from time to time (upon the request of the Trustee) make a request to DTC to deliver to the Issuer a list of all DTC participants holding an interest in the Global Notes.

(v) The Issuer shall cause each CUSIP number obtained for a Global Note to have a fixed field containing “3c7” and “144A” indicators, as applicable, attached to such CUSIP number.

(c) Bloomberg Screens, etc. The Issuer shall from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) under the Investment Company Act restrictions on the Global Notes. Without limiting the foregoing, the Initial Purchaser shall request that each third-party vendor include the following legends on each screen containing information about the Notes:

(i) Bloomberg.

(A) “Iss’d Under 144A/3c7,” to be stated in the “Note Box” on the bottom of the “Security Display” page describing the Global Notes;

(C) a link to an “Additional Security Information” page on such indicator stating that the Global Notes are being offered in reliance on the exception from registration under Rule 144A of the Securities Act of 1933 to persons that are both (i) “Qualified Institutional Buyers” as defined in Rule 144A under the Securities Act and (ii) “qualified purchasers” as defined under Section 2(a)(51) of the Investment Company Act of 1940, as amended; and

(D) a statement on the “Disclaimer” page for the Global Notes that the Global Notes shall not be and have not been registered under the Securities Act of 1933, as amended, that the Issuer has not been registered under the Investment Company Act of 1940, as amended, and that the Global Notes may only be offered or sold in accordance with Section 3(c)(7) of the Investment Company Act of 1940, as amended.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 (regardless of any provision in this Article XII that purports to be without restriction), the Portfolio Manager on behalf of the Issuer may (except as otherwise specified in this Section 12.1) direct the Trustee to sell, and the Trustee shall sell on behalf of the Issuer in the manner so directed by the Portfolio Manager, any Collateral Obligation or Equity Security if, as certified by the Portfolio Manager (on which certificate the Trustee may rely and provided that such certification shall be deemed to have been given upon delivery to the Trustee of a trade ticket executed by the Portfolio Manager on behalf of the Issuer), such sale meets the requirements of any one of clauses (a) through (h) of this Section 12.1 (provided that if an Event of Default has occurred and is continuing, the Portfolio Manager may not direct the Trustee to sell any Collateral Obligation or Equity Security pursuant to Sections 12.1(d), (e) or (f)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations. The Portfolio Manager may direct the Trustee to sell any (i) Defaulted Obligation, (ii) Equity Security or (iii) asset held by any Issuer Subsidiary at any time without restriction. With respect to each Defaulted Obligation that has not been sold or terminated within three years after the date on which such obligation becomes a Defaulted Obligation, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.

(d) Optional Redemption. After a Majority of the Subordinated Notes has notified the Trustee and the Portfolio Manager of an Optional Redemption of the Secured Notes in accordance with Section 9.2(a), the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(e) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Trustee) a Tax Redemption, the Issuer (or the Portfolio Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements

of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Discretionary Sales. The Portfolio Manager may direct the Trustee to sell any Collateral Obligation at any time (other than if an Event of Default has occurred and is continuing) if:

(i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(f) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Closing Date, during the period commencing on the Closing Date) is not greater than 25% of the Adjusted Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the Closing Date, as the case may be); and

(ii) either: (A) during the Reinvestment Period, the Portfolio Manager reasonably believes prior to such sale that it shall be able to enter one or more binding commitments to reinvest all or a portion of the proceeds of such sale in one or more additional Collateral Obligations with an aggregate outstanding principal balance at least equal to the aggregate outstanding principal balance of such Collateral Obligation within 20 Business Days after the settlement of such sale in accordance with the Investment Criteria; or (B) at any time, either (1) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (2) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, the Reinvestment Amount Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, shall be greater than (or equal to) the Reinvestment Target Par Balance.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same Obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 45 days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same Obligor (which would be *pari passu* or senior to such sold Collateral Obligation).

(g) Bankruptcy Exchanges. Notwithstanding anything to the contrary contained herein, the Portfolio Manager may direct the Trustee to acquire, dispose of or exchange and the Trustee shall acquire, dispose of or exchange in the manner directed by the Portfolio Manager any Collateral Obligation in connection with a Bankruptcy Exchange at any time.

(h) Clean-Up Call Redemption. After the Portfolio Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.8, the Portfolio Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; provided that the Sale Proceeds therefrom are used for the purposes specified in Section 9.8 (and applied pursuant to the Priority of Payments).

(i) Volcker Rule Compliance. The Portfolio Manager may sell any Collateral Obligations that cause the Issuer to be considered a “covered fund”, as determined by the Portfolio Manager in its sole discretion, at any time.

(j) Unsaleable Assets. Notwithstanding the other requirements set forth in this Indenture, on any Business Day after the Reinvestment Period, the Portfolio Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Unsaleable Assets in accordance with the procedures described in this Section 12.1(j). Promptly after receipt of written notice from the Portfolio Manager of such auction, the Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders of an auction, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Notes may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Notes submits such a bid within the time period specified under clause (i) above, unless the Portfolio Manager determines that delivery in-kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee shall provide notice thereof to each Holder and offer to deliver (at such Holder’s expense) a *pro rata* portion (as determined by the Portfolio Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to Minimum Denominations; provided that, to the extent that Minimum Denominations do not permit a *pro rata* distribution, the Trustee shall distribute the Unsaleable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager shall select by lottery the Holder or beneficial owner to whom the remaining amount shall be delivered and deliver written notice thereof to the Trustee; provided, further, that the Trustee shall use commercially reasonable efforts to effect delivery of such interests; and (iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee shall promptly notify the Portfolio Manager and offer to deliver (at the cost of the Portfolio Manager) the Unsaleable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) in writing to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means.

(k) Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security or any asset held by any Issuer Subsidiary at any time without restriction, and shall use commercially reasonable efforts to effect the sale of any asset held by any Issuer

Subsidiary prior to the Stated Maturity and will use commercially reasonable efforts to effect the sale of any Equity Security, regardless of price:

(i) Within 45 days after receipt if such Equity Security constitutes Margin Stock, unless such sale is prohibited by the governing documents of such Equity Security or by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law; and

(ii) within three years after receipt or after such security becoming an Equity Security if clause (i) above does not apply, unless such sale is prohibited by the governing documents of such Equity Security or by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period, subject to certain limitations specified in Section 12.2(c), with respect to Post-Reinvestment Principal Proceeds), the Portfolio Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, direct the Trustee to invest Principal Proceeds, proceeds of additional notes issued pursuant to Section 2.14 and 3.2, Reinvestment Amounts, amounts on deposit in the Ramp-Up Account and Principal Financed Accrued Interest, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction; provided that, for the avoidance of doubt, with respect to any Collateral Obligations for which the trade date has occurred during the Reinvestment Period but which settle after such date, the purchase of such Collateral Obligations shall be treated as a purchase made during the Reinvestment Period for purposes of this Section 12.2 and the Issuer shall not be limited to making such purchases with Post-Reinvestment Principal Proceeds.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions is satisfied as of the date the Portfolio Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Portfolio Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; provided that the conditions set forth in clauses (i)(B), (C), (D) and (E) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(A) such obligation is a Collateral Obligation;

(B) if the commitment to make such purchase occurs on or after the Effective Date (or in the case of the Interest Coverage Tests, on or after the Determination Date occurring immediately preceding the second Payment Date), (I) each Coverage Test shall be satisfied, or if not satisfied, such Coverage Test shall be maintained or improved and (II) if each Coverage Test is not satisfied, the Principal Proceeds received in

respect of any Defaulted Obligation (other than any Bankruptcy Exchange) or the proceeds of any sale of a Defaulted Obligation pursuant to Section 12.1(c) above shall not be reinvested in additional Collateral Obligations;

(C) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (x) the Investment Criteria Adjusted Balance of all additional Collateral Obligations purchased with the proceeds from such sale shall at least equal the Sale Proceeds from such sale, (y) after giving effect to such purchase, the Adjusted Collateral Principal Amount shall be maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (z) after giving effect to such purchase, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, the Reinvestment Amount Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, shall be greater than (or equal to) the Reinvestment Target Par Balance;

(D) either (I) other than in the case of a Bankruptcy Exchange, each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (II) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test shall be maintained or improved after giving effect to the investment;

(E) the date on which the Issuer (or the Portfolio Manager on its behalf) commits to purchase such Collateral Obligation occurs during the Reinvestment Period;

(F) with respect to the use of Sale Proceeds of Credit Improved Obligations and Collateral Obligations sold in accordance with Section 12.1(f), either (x) the Aggregate Principal Balance of all Collateral Obligations purchased with such Sale Proceeds shall be greater than or equal to Aggregate Principal Balance of the disposed Collateral Obligations or (y) after giving effect to such reinvestment of such Sale Proceeds, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account, the Reinvestment Amount Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, shall be greater than (or equal to) the Reinvestment Target Par Balance; and

(G) the Weighted Average Life Test is satisfied or, if not satisfied immediately prior to such investment, the Weighted Average Life Test is maintained or improved.

(ii) If such commitment to purchase occurs after the Reinvestment Period, any portion of the Post-Reinvestment Principal Proceeds actually received may, in the sole discretion of the Portfolio Manager (with notice to the Trustee and the Collateral Administrator), be reinvested in additional Collateral Obligations (“Substitute Obligations”), subject to the satisfaction of the following conditions; provided that, with respect to a reinvestment of Principal Proceeds or Sale Proceeds, such investment must occur prior to the later of (A) the 30th day after such payments were received and (B) the last day of the related Collection Period:

(A) the requirements set forth in Section 12.2(a)(i)(A) and (D) above are satisfied;

(B) except as otherwise permitted in clause (J) below, the aggregate outstanding principal balance of the Substitute Obligations equals or exceeds the outstanding principal balance of the related Post-Reinvestment Collateral Obligations;

(C) the stated maturity of each Substitute Obligation is the same as or earlier than the stated maturity of the Collateral Obligation that produced the Post-Reinvestment Principal Proceeds;

(D) either (A) if the Weighted Average Life Test was satisfied as of the last day of the Reinvestment Period, the Weighted Average Life Test is satisfied, or if not satisfied immediately prior to such reinvestment, the Weighted Average Life Test is maintained or improved after giving effect to such reinvestment or (B) if the Weighted Average Life Test was not satisfied as of the last day of the Reinvestment Period, the Weighted Average Life Test is satisfied after giving effect to such reinvestment;

(K) no Substitute Obligations shall be purchased with the Sale Proceeds of a Credit Improved Obligation.

(b) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Portfolio Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Portfolio Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the ten Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); provided that (A) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (B) no Trading Plan Period may include a Determination Date, (C) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (D) no Trading Plan may result in the averaging of the purchase price of a Collateral Obligation or Collateral Obligations purchased at separate times for purposes of determining whether any particular Collateral Obligation is a Discount Obligation, (E) the difference between the earliest stated maturity and the longest stated maturity of any two Collateral Obligations included in such Trading Plan shall be less than or equal to 3 years, (F) no Trading Plan may result in the purchase of a Collateral Obligation that has a stated maturity of less than 12 months from the date such Collateral Obligation is purchased, (G) no Trading Plan may result in the purchase of a Collateral Obligation that matures prior to the six-month anniversary of the expiry of the related Trading Plan Period and (H) so long as the Investment Criteria are satisfied upon the expiry of the related Trading Plan Period, the failure of all of the terms and assumptions specified in such Trading Plan to be satisfied shall not be deemed to constitute a failure of such Trading Plan; provided that the Issuer (or the Portfolio Manager on its behalf) shall provide prior written notice

to Fitch and Moody's (x) of any Trading Plan, which notice shall specify the proposed investments identified by the Portfolio Manager for acquisition as part of such Trading Plan and (y) upon the failure of the Investment Criteria to be satisfied upon the expiry of the related Trading Plan.

(c) Maturity Amendments. (I) During the Reinvestment Period, the Issuer (or the Portfolio Manager on the Issuer's behalf) may not vote in favor of a Maturity Amendment unless, as determined by the Portfolio Manager, after giving effect to such Maturity Amendment, (i) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the Stated Maturity of the Secured Notes and (ii) the Weighted Average Life Test (a) is satisfied or (b) if the Weighted Average Life Test is not satisfied immediately after giving effect to such Maturity Amendment, the Weighted Average Life Test will be maintained or improved after giving effect to such Maturity Amendment; and (II) after the Reinvestment Period, the Issuer (or the Portfolio Manager on the Issuer's behalf) may vote in favor of a Maturity Amendment only if, as determined by the Portfolio Manager, after giving effect to such Maturity Amendment, (x) (1) the Weighted Average Life Test will be satisfied or (2) if the Weighted Average Life Test is not satisfied immediately after giving effect to such Maturity Amendment, the Weighted Average Life Test will be maintained or improved after giving effect to such Maturity Amendment, (y) the Maximum Moody's Rating Factor Test is satisfied, or, if not satisfied immediately prior to such Maturity Amendment, the Maximum Moody's Rating Factor Test will be maintained or improved after giving effect to such Maturity Amendment and (z) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the Stated Maturity of the Secured Notes; provided that clauses (I)(ii) and (II)(x) above shall not be applicable to any Maturity Amendment that is a Credit Amendment so long as, as of such date, the aggregate outstanding principal balance of all Collateral Obligations that have been subject to Credit Amendments from the Closing Date to such date to which clause (I)(ii) or (II)(x) above does not apply does not exceed 10% of the Collateral Principal Amount.

(d) Certifications by Portfolio Manager. (i) Not later than the Subsequent Delivery Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Portfolio Manager shall deliver by e-mail or other electronic transmission to the Trustee and the Collateral Administrator an Officer's certificate of the Portfolio Manager certifying that such purchase complies with this Section 12.2 and Section 12.3 (on which the Trustee and the Collateral Administrator may rely and provided that such certification shall be deemed to have been given upon delivery to the Trustee of a trade ticket executed by the Portfolio Manager on behalf of the Issuer) and (ii) immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee (which certification shall be deemed to be made upon delivery of the related schedule) that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount, any Scheduled Distributions of Principal Proceeds, as well as any Principal Proceeds that shall be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager (or with an account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 5 of the Portfolio Management Agreement; provided that, for the avoidance of doubt, it is hereby acknowledged the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(viii) as of such Subsequent Delivery Date; provided that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery (including by facsimile or electronic transmission) to the Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Portfolio Manager.

(c) Notwithstanding anything contained in this Article XII or Article V to the contrary (except for any liquidation of Assets due to an Event of Default and the acceleration of the maturity of the Secured Notes, which liquidation shall be subject to Article V), the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation not otherwise then permitted to be sold or acquired by the Portfolio Manager under this Indenture (x) that has been consented to by Holders of Notes evidencing at least (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, 75% of the Aggregate Outstanding Amount of each Class of Notes and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes and (y) of which each Rating Agency then rating a Class of Secured Notes and the Trustee has been notified.

Section 12.4 The Advisory Committee. (a) The Issuer shall have the power and authority to form an Advisory Committee. The Advisory Committee will have the functions contemplated in this Indenture (including the Advisory Committee Guidelines) and the Portfolio Management Agreement, including having the power to approve Restricted Transactions (as defined in the Advisory Committee Guidelines) in accordance with the Advisory Committee Guidelines.

(b) Each Holder of any Note, by its acceptance thereof, shall be deemed to have approved each consent and other action taken by the members of the Advisory Committee to the extent contemplated in this Indenture (including the Advisory Committee Guidelines) and the Portfolio Management Agreement.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture.

(b) If any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class of Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes and beneficial owners of each Class of Notes agree, for the benefit of all Holders of each Class of Notes and beneficial owners of each Class of Notes, to the provisions of Section 5.4(d).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder or beneficial owner under this Indenture, each Holder and each beneficial owner of Secured Notes or Subordinated Notes (a) does not owe any duty of care to any Person and is not obligated to act in a fiduciary or advisory capacity to any Person (including, but not limited to, any other Holder or beneficial owner of Secured Notes or Subordinated Notes, the Issuer, the Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Portfolio Manager); (b) shall only consider the interests of itself and/or its affiliates; and (c) shall not be prohibited from engaging in activities that compete or conflict with those of any Person (including, but not limited to, any Holder or beneficial owner of Secured Notes or Subordinated Notes, the Issuer, the Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Portfolio Manager), nor shall any such restrictions apply to any affiliates of any Holder or beneficial owner.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person (on which the Trustee shall also be entitled to rely), stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, the Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Portfolio Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Portfolio Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Applicable Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Applicable Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request

or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Trustee agrees to accept and act upon instructions, certifications or directions or similar communications pursuant to this Indenture sent by unsecured email, facsimile transmission or other similar unsecured electronic methods. If such person elects to give the Trustee email or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's reasonable understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders or beneficial owners of Notes may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders or such beneficial owners in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(b) If any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other Person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other Person or entity unless otherwise expressly specified herein.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to be sent to either or both of the Rating Agencies shall be sent by the Portfolio Manager on behalf of the Issuer and, if pursuant to the terms of this Indenture, the Trustee is to send such request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to the Rating Agencies, it shall instead be sent to the Portfolio Manager first for dissemination to the Rating Agencies.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to the Cayman Islands Stock Exchange) may be provided by providing access to a password-protected website containing such information.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid (or, in the case of Holders of Global Notes, e-mailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) for so long as any Listed Notes are listed on the Cayman Islands Stock Exchange and the guidelines of the Cayman Islands Stock Exchange so require, notices sent to the Holders of such Notes shall also be sent to the Cayman Islands Stock Exchange; and

(c) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. In lieu of the foregoing, notices for Holders may also be posted to the Trustee's password-protected internet website.

Subject to the requirements of Section 14.15, the Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer; provided that the Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Trustee may have hereunder, (iii) applicable law or (iv) the terms of any confidentiality or non-disclosure agreement to which the Trustee is party in connection with the performance of its duties hereunder (including, without limitation, contained in any agreement or acknowledgment governing any report, statement or certificate prepared by the Issuer's accountants). The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event,

and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), shall continue in full force and effect, and such unenforceability, invalidity, or illegality shall not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, shall not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Collateral Administrator, the Holders of the Notes and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture; provided that the Initial Purchaser shall be an express third-party beneficiary of clause (xv) of Section 8.1, the second sentence of Section 8.4(c) and Section 16.1(i).

Section 14.9 Legal Holidays. If the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date.

Section 14.10 Governing Law. THIS INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND THIS INDENTURE AND THE NOTES AND ANY MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS INDENTURE OR THE NOTES (WHETHER IN CONTRACT, TORT OR OTHERWISE), SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or Proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any suit, action or Proceedings brought in any such court, waives any claim that such suit, action or Proceedings has been brought in an inconvenient forum and further waives the right to object, with respect to such suit, action or Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing suit, action or Proceedings in any other jurisdiction, nor shall the bringing of suit, action or Proceedings in any one or more jurisdictions preclude the bringing of suit, action or Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) and the Notes may be executed and delivered in counterparts (including by facsimile transmission), each of which shall be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by e-mail (PDF) or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Portfolio Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section 14.14 and Section 14.17, unless otherwise agreed to in writing by the Portfolio Manager.

Section 14.15 Confidential Information. (a) The Trustee, the Collateral Administrator and each Holder and beneficial owner of Notes shall maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) or such Holder or beneficial owner in good faith to protect Confidential Information of third parties delivered to such Person; provided that such Person

may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) such Person's legal advisers, financial advisers and other professional advisers who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any other Holder, or any of the other parties to this Indenture, the Portfolio Management Agreement or the Collateral Administration Agreement; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Notes in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) Moody's or Fitch (subject to Section 14.17); (ix) any other Person with the consent of the Co-Issuers and the Portfolio Manager; or (x) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law) or (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes or this Indenture or (E) in the Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; provided further that delivery to Holders or beneficial owners by the Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders or beneficial owners shall not be a violation of this Section 14.15. Each Holder and beneficial owner of Notes agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders or beneficial owners of Notes any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder and each beneficial owner of a Note, by its acceptance of its interest

in such Note, shall be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, “Confidential Information” means information delivered to the Trustee, the Collateral Administrator or any Holder or beneficial owner of Notes by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder or beneficial owner prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or beneficial owner or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder or beneficial owner; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder or beneficial owner other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers and the Portfolio Manager.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority, and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder or under the Collateral Administration Agreement. In addition, the Trustee, the Collateral Administrator, the Holders and beneficial owners of the Notes (and each of their respective employees, representatives or other agents) may disclose to any and all Persons, without limitation of any kind, the U.S. federal, state and local income tax treatment of the Co-Issuers, the Notes, and the transactions contemplated by this Indenture and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state, and local tax treatment and that may be relevant to understanding such U.S. federal, state, and local tax treatment.

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any suit, action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect to any assets of the other of the Co-Issuers.

Section 14.17 Communications with Rating Agencies. (a) If the Issuer shall receive any written or oral communication from any Rating Agency (or any of their respective officers, directors or employees) with respect to the transactions contemplated hereby or under

the Transaction Documents or in any way relating to the Notes, the Issuer agrees to refrain from communicating with such Rating Agency and to promptly (and, in any event, within one Business Day) notify the Portfolio Manager of such communication. The Issuer agrees that in no event shall it engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency (or any of their respective officers, directors or employees) without the participation of the Portfolio Manager, unless otherwise agreed to in writing by the Portfolio Manager. The Trustee agrees that in no event shall a Trust Officer engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency without the prior written consent (which may be in the form of e-mail correspondence) or participation of the Portfolio Manager, unless otherwise agreed to in writing by the Portfolio Manager; provided that nothing in this Section 14.17 shall prohibit the Trustee from making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Notes or this Indenture.

Section 14.18 Trustee Consent to Merger. The Trustee is authorized and directed to execute an instrument (a) consenting to the Issuer's entry into the Plan of Merger and consummation of the Merger pursuant to the Plan of Merger and (b) authorizing payment by the Issuer, in accordance with the Plan of Merger, to the Portfolio Manager (in its capacity as sole member of the Warehousing SPE immediately prior to the Merger) of the cash consideration specified in clause 2.3 of the Plan of Merger, free of the security interest granted by the Issuer pursuant to this Indenture.

ARTICLE XV

ASSIGNMENT OF PORTFOLIO MANAGEMENT AGREEMENT

Section 15.1 Assignment of Portfolio Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Portfolio Manager in the Portfolio Management Agreement, to the following:

(i) The Portfolio Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Portfolio Manager subject to the terms (including the standard of care set forth in the Portfolio Management Agreement) of the Portfolio Management Agreement.

(ii) The Portfolio Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Portfolio Management Agreement to the Trustee as representative of the Noteholders and the Portfolio Manager shall agree that all of the representations, covenants and agreements made by the Portfolio Manager in the Portfolio Management Agreement are also for the benefit of the Trustee.

(iii) The Portfolio Manager shall deliver to the Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Portfolio Manager to the Issuer pursuant to the Portfolio Management Agreement.

(iv) Neither the Issuer nor the Portfolio Manager will enter into any agreement amending, modifying or terminating the Portfolio Management Agreement (other than an amendment to (x) correct inconsistencies, typographical or other errors, defects or ambiguities, (y) conform the Portfolio Management Agreement to the final Offering Circular with respect to the Notes or to this Indenture (as it may be amended from time to time pursuant to Article VIII) or (z) permanently or temporarily remove any Portfolio Management Fee payable to the Portfolio Manager) or selecting or consenting to a successor manager (i) without notice to Moody's and (ii) unless a Majority of the Controlling Class does not object to such amendment, modification or waiver

within fifteen Business Days after the Issuer provides notice thereof; provided that notwithstanding clause (ii) herein, if the effect of such amendment is to modify any provisions of the Portfolio Management Agreement with respect to the rights of the Controlling Class to consent to any action thereunder, neither the Issuer nor the Portfolio Manager will enter into any such agreement to amend, modify or terminate the Portfolio Management Agreement without the written consent of a Majority of the Controlling Class and provided further that subject to the after stated conditions to appointment of a successor manager, the Portfolio Management Agreement may be amended or replaced to evidence or effect such succession.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Portfolio Management Agreement), the Portfolio Manager shall continue to serve as Portfolio Manager under the Portfolio Management Agreement notwithstanding that the Portfolio Manager shall not have received amounts due it under the Portfolio Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Portfolio Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary for the nonpayment of the fees or other amounts payable by the Issuer to the Portfolio Manager under the Portfolio Management Agreement until the payment in full of all Secured Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period and a day, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Portfolio Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Portfolio Manager, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 5 of the Portfolio Management Agreement, if the Portfolio Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Note and any other account or portfolio for which the Portfolio Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Portfolio Manager will give written notice to the Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to take. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Portfolio Management Agreement.

(g) Upon a Trust Officer of the Trustee receiving written notice from the Portfolio Manager that an event constituting “Cause” as defined in the Portfolio Management Agreement has occurred, the Trustee shall, not later than one Business Day thereafter, notify the Noteholders (as their names appear in the Register) and Fitch.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) Subject to the terms of this Section 16.1, the Issuer (or the Portfolio Manager on behalf of the Issuer) may enter into Hedge Agreements, with the consent of a Majority of the Controlling Class, from time to time on and after the Closing Date solely for the purpose of managing interest rate and foreign exchange risks in connection with the Issuer’s issuance of, and making payments on, the Notes. The Issuer (or the Portfolio Manager on behalf of the Issuer) shall promptly provide written notice of entry into any Hedge Agreement to the Trustee and the Collateral Administrator. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Portfolio Manager on behalf of the Issuer) shall not enter into any Hedge Agreement, or any modification of an existing Hedge Agreement, unless the Moody’s Rating Condition has been satisfied with respect thereto and notice has been provided to Fitch. The Issuer shall provide a copy of each Hedge Agreement to each Rating Agency and the Trustee.

(b) Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless, only with respect to Moody’s, the Moody’s Rating Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole “defaulting party” or “affected party” (each as defined in the Hedge Agreements), notwithstanding any term hereof to the contrary, (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Portfolio Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Portfolio Manager under the terminated Hedge Agreement.

(d) The Issuer (or the Portfolio Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value (when added to any collateral then held by or on behalf of the Issuer pursuant to such credit support annex) under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement shall, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirement.

(f) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty credit support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(g) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, promptly after becoming aware thereof the Portfolio Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Trustee, demanding payment thereunder.

(h) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets has commenced.

(i) The Issuer shall not be permitted to enter into or amend any Hedge Agreement without the consent of a Majority of the Controlling Class and unless both (i) either (a) it obtains an opinion of Cadwalader, Wickersham & Taft LLP or Dechert LLP or an opinion of nationally recognized counsel experienced in such matters that the Issuer entering into such Hedge Agreement shall not cause it to be considered a “commodity pool” as defined in Section 1a(10) of the CEA or (b) the Issuer shall be operated such that the Portfolio Manager and/or such other relevant party to the transaction, as applicable, shall be eligible for an exemption from registration as a CPO and a CTA under the CEA and all conditions precedent to obtaining such an exemption have been satisfied and (ii) it obtains a certification from the Portfolio Manager (with a copy to the Trustee) that (a) the written terms of the Hedge Agreement directly relate to the Collateral Obligations and the Notes and (b) the terms of such Hedge Agreement reduce the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Notes.

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An “Issuer Par Amount” is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.

(b) An “Average Par Amount” is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An “Equivalent Unit Score” is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An “Aggregate Industry Equivalent Unit Score” is then calculated for each of the Moody’s industry classification groups, shown on Schedule 2, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An “Industry Diversity Score” is then established for each Moody’s industry classification group, shown on Schedule 2, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

SCHEDULE 5

MOODY'S RATING DEFINITIONS

1. Defined Terms. The following terms shall be used in this Schedule 5 with the meanings provided below.

“Assigned Moody's Rating” means, with respect to any obligation (or facility), (i) if such obligation (or facility) has a monitored publicly available rating by Moody's, such public rating or (ii) if such obligation (or facility) is not publicly rated by Moody's but a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Portfolio Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation (or facility), in each case that addresses the full amount of the principal and interest promised.

“CFR” means, with respect to the obligor of any Collateral Obligation, the corporate family rating (or credit estimate) assigned to such obligor by Moody's; provided that if the Obligor of any Collateral Obligation does not have a corporate family rating (or credit estimate) by Moody's but another entity in such obligor's corporate family does have a corporate family rating (or credit estimate) by Moody's, then corporate family rating (or credit estimate) of such other entity shall be the CFR for the obligor of such Collateral Obligation.

MOODY'S DEFAULT PROBABILITY RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

- (a) if the obligor of such Collateral Obligation has a CFR, then such CFR;
- (b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion;
- (c) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;
- (d) if not determined pursuant to any of clauses (a) through (c) above, if a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation so long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which a Moody's Default Probability Rating is determined;

(e) if not determined pursuant to any of clauses (a) through (d) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

(f) if not determined pursuant to clauses (a) through (e) above, "Caa3";

provided that notwithstanding the methodology above, if a Collateral Obligation is a DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the Moody's Derived Rating set forth in clause (a) of the definition thereof.

For purposes of calculating a Moody's Default Probability Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation shall be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(b) if such Collateral Obligation is a Senior Secured Loan and if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(c) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation (or, if such Collateral Obligation is a Senior Secured Loan, the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such senior unsecured obligation) as selected by the Portfolio Manager in its sole discretion;

(d) if such Collateral Obligation is not a Senior Secured Loan and if not determined pursuant to clause (a) or (c) above, if the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(e) if such Collateral Obligation is not a Senior Secured Loan and if not determined pursuant to clause (a), (c) or (d) above, if the obligor of such Collateral Obligation has one or more subordinated obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;

(f) if not determined pursuant to clauses (a) through (e) above, at the election of the Portfolio Manager, the Moody's Derived Rating; and

(g) if not determined pursuant to clauses (a) through (f) above, "Caa3".

For purposes of calculating a Moody's Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation shall be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating cannot be determined pursuant to clause (a), (b), (c), (d) or (e) of the definition thereof or whose Moody's Default Probability Rating cannot be determined pursuant to clause (a), (b), (c) or (d) of the definition thereof, the Moody's Derived Rating for purposes of clause (f) of the definition of Moody's Rating or clause (e) of the definition of Moody's Default Probability Rating shall be determined as set forth below.

(a) With respect to any DIP Collateral Obligation, one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's.

(b) If not determined pursuant to clause (a) above,

(A) and if such Collateral Obligation has a public and monitored rating by S&P, pursuant to the table below:

<u>Type of Collateral Obligation</u>	<u>S&P Rating (Public and Monitored)</u>	<u>Collateral Obligation Rated by S&P</u>	<u>Number of Subcategories Relative to Moody's Equivalent of S&P Rating</u>
Not Structured Finance Obligation	\geq "BBB-"	Not a Loan or Participation Interest in Loan	<u>-1</u>
Not Structured Finance Obligation	\leq "BB+"	Not a Loan or Participation Interest in Loan	<u>-2</u>
Not Structured Finance Obligation		Loan or Participation Interest in Loan	<u>-2</u>

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security shall at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (b)(A) above, and the Moody's Derived Rating for the purposes of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (b)(B));

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

or

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

(c) If not determined pursuant to clause (a) or (b) and such Collateral Obligation is not rated by Moody's and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's, and if the Issuer, the Portfolio Manager or the issuer of such Collateral Obligation requests that Moody's assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such rating and rating estimate, the Moody's Derived Rating for purposes of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be (x) "B3" if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate shall be at least "B3"; provided that the Aggregate Principal Balance of Collateral Obligations with a Moody's Derived Rating determined pursuant to this clause (x) shall not exceed 5% of the Collateral Principal Amount, or (y) otherwise, "Caa1."

For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation shall be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

For purposes of the definitions of "Moody's Default Probability Rating," "Moody's Derived Rating" and "Moody's Rating," any credit estimate assigned by Moody's shall expire one year from the date such estimate was issued; provided that, for purposes of any calculation under the Indenture, if Moody's fails to renew for any reason a credit estimate for a previously acquired Collateral Obligation thereunder on or before such one-year anniversary (which may be extended at Moody's option to the extent the annual audited financial statements for the related obligor have not yet been received), after the Issuer or the Portfolio Manager on the Issuer's behalf has submitted to Moody's all information that Moody's required to be provided for such renewal, (1) for a period of 90 days, the previous credit estimate assigned by Moody's shall be downgraded by one notch and (2) thereafter, the Collateral Obligation shall be deemed to have a Moody's rating of "Caa3"; provided that, if there is a Material Change with respect to any Collateral Obligation for which the Moody's Rating is based on a rating estimate from Moody's, the Issuer, or the Portfolio Manager on behalf of the Issuer, shall, upon notice or knowledge thereof, use commercially reasonable efforts to notify Moody's and provide available information with respect thereto (provided that, for the avoidance of doubt, such notification shall not, unless so requested by the Issuer, be considered a request for a new or refreshed rating estimate by the Issuer or be considered in determining whether or not the Issuer has complied

with the annual rating estimate requirements set forth in the Indenture) and, in the event Moody's provides an unsolicited update of the rating estimate of such Collateral Obligation following receipt of such information, such rating estimate shall be used by the Issuer until such later date that it is updated by Moody's.

For purposes of the preceding paragraph, "Material Change" means, with respect to any Collateral Obligation, the occurrence of any of the following events: (a) non-payment of interest or principal when due and payable, taking into account any grace periods applicable thereto, (b) the rescheduling of any interest or principal, (c) any material covenant breach, (d) any restructuring of debt (including proposed new issuance of debt) with respect to the obligor of such Collateral Obligation, (e) the addition of payment-in-kind-terms, changes in maturity date or any changes in coupon rates (excluding increases as a result of a default or penalty interest clauses, fluctuations or changes in LIBOR or any other floating rate index or pre-agreed pricing changes based on financial performance) and (f) the occurrence of the significant sale or acquisition of assets by the related obligor.

1. It understands that the Specified Securities are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, have not been and will not be registered or qualified under the Securities Act or any state securities laws, and, if in the future it decides to reoffer, resell, pledge or otherwise transfer the Specified Securities, such Specified Securities may be reoffered, resold, pledged or otherwise transferred only in accordance with the provisions of the Indenture and the legends on such Specified Securities, including the requirement for written certifications (if applicable). 3. It (i) is acquiring the Specified Securities as principal solely for its own account for investment and not with a view to the resale, distribution or other disposition thereof in violation of the Securities Act; (ii) is not a (A) partnership, (B) common trust fund, or (C) special trust, pension, profit sharing or other retirement trust fund or plan in which the partners, beneficiaries or participants may designate the particular investments to be made; (iii) was not formed for the purpose of investing in the Specified Securities; (iv) agrees that it shall not hold any Specified Securities for the benefit of any other Person, that it shall at all times be the sole beneficial owner thereof for purposes of the Investment Company Act and all other purposes and that it shall not sell participation interests in the Specified Securities or enter into any other arrangement pursuant to which any other Person shall be entitled to a beneficial interest in the distributions on the Specified Securities; and (v) will hold and transfer at least the minimum denomination of the Specified Securities and provide notice of the relevant transfer restrictions to subsequent transferees.
4. It will provide notice to each Person to whom it proposes to transfer any interest in the Specified Securities of the transfer restrictions and representations set forth in Article II of the Indenture, including the exhibits referenced therein.
5. It acknowledges and agrees that all of the representations, warranties and assurances given by it in certifications required by the Indenture as to its status under the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and/or Section 4975 of the Internal Revenue Code, as amended (the “Code”) are correct and are for the benefit of the Issuer, the Trustee, the Initial Purchaser and the Portfolio Manager. It agrees and acknowledges that the Issuer has the right, under the Indenture, to compel any Holder or beneficial owner of Specified Securities who has made or has been deemed to make a prohibited transaction, Benefit Plan Investor, Controlling Person, Similar Law, Other Plan Law or other ERISA

representation that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation to sell its interest in the Specified Securities, or may sell such interest on behalf of such owner. [In the case of Reinvesting Holder Notes, it is not, and is not acting on behalf of, a Benefit Plan Investor.]

6. It agrees that the representations and warranties set forth in Exhibit B-5 to the Indenture are true and correct and that a duly completed copy of such Exhibit B-5 to the Indenture has been provided to the Trustee, the Issuer and the Portfolio Manager contemporaneous with the execution of this Representation Letter.
7. It agrees to indemnify and hold harmless the Issuer, the Trustee, the Initial Purchaser and the Portfolio Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of these representations or any of those in Exhibit B-5 to the Indenture being or being deemed to be untrue.
8. It understands that the Issuer has the right under the Indenture to compel any Non-Permitted Holder or Non-Permitted ERISA Holder to sell its interest in such Specified Securities, or may sell such interest in such Specified Securities on behalf of such Non-Permitted Holder or Non-Permitted ERISA Holder. In addition to the rights of the Issuer described above, any acquisition of Specified Securities by a Non-Permitted Holder or by a Non-Permitted ERISA Holder shall be void ab initio.
9. If it will hold its Specified Securities in certificated form, it has accurately completed the FATCA Questionnaire attached hereto, and will update any information contained therein in the event that any such information becomes incorrect.
10. It agrees to treat the Issuer and the Notes as described in the “Certain U.S. Federal Income Tax Considerations” section of the Offering Circular for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law.
11. It will timely furnish the Issuer and its agents with any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. The Transferee acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to the Transferee or to the Issuer. Amounts withheld pursuant to applicable

tax laws by the Issuer or its agents will be treated as having been paid to the Transferee by the Issuer.

12. It will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer to comply with FATCA, the Cayman FATCA Legislation, and the CRS and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer. In the event the Transferee fails to provide such information or documentation, or to the extent that its ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to it as compensation for any tax imposed under FATCA as a result of such failure or its ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or its ownership, the Issuer will have the right to compel such Transferee to sell its Notes and, if it does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to it as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. The Transferee agrees that the Issuer, the Trustee and their agents may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer complies with FATCA, the Cayman FATCA Legislation, and the CRS.

13. It will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary.

~~13~~14. It agrees that it shall not institute against, or join any other Person in instituting against the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings or other proceedings under Cayman Islands, U.S. Federal or state bankruptcy laws or any other similar laws until at least one year and one day after payment in full of the Notes, or, if longer, the applicable preference period then in effect plus one day following such payment in full.

~~14~~15. To the extent required by the Issuer, as determined by the Issuer or the Portfolio Manager on behalf of the Issuer, the Issuer may, upon notice to the Trustee, impose additional transfer restrictions on the Specified Securities to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of Specified Securities to make representations to the Issuer in connection with such compliance.

Due to the structure of the transaction, the Specified Securities will rank behind all senior creditors (secured or unsecured and whether known or unknown) of the Issuer, including without limitation, the holders of any senior Class of Notes and any Hedge Counterparties. It has had access to such financial and other information concerning the Transaction Parties, the Specified Securities, the initial portfolio of Collateral Obligations and the Assets as it deemed necessary or appropriate in order to make an informed investment decision with respect to its purchase of the Specified Securities, including an opportunity to ask questions of and request information from each Transaction Party.
- ~~17~~18. It will not, at any time, offer to buy or offer to sell the Specified Securities by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.
- ~~18~~19. If it is a natural person, it has all requisite legal capacity to acquire and hold the Specified Securities and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by it in connection with this subscription for Specified Securities. Such execution, delivery and compliance by it does not conflict with, or constitute a default under, any instruments governing it, any applicable law, regulation or order, or any material agreement to which it is a party or by which it is bound. This Representation Letter has been duly executed by it and constitutes a valid and legally binding agreement of it, enforceable against it in accordance with its terms.

~~21~~22. No Transferee of Subordinated Notes or Reinvesting Holder Notes will treat any income with respect to its Subordinated Notes or Reinvesting Holder Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

If we checked any of the boxes in Sections (1) through (3) above, we represent, warrant and agree that our acquisition, holding and disposition of the [Class E] [Subordinated] Notes do not and will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

6. Not Subject to Similar Law and No Violation of Other Plan Law. If we are a governmental, church, non-U.S. or other plan, we represent, warrant and agree that (a) we are not, and for so long as we hold the [Class E] [Subordinated] [Reinvesting Holder] Notes or any interest therein we will not be, subject to any federal, state, local, non-U.S. or other law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code, and (b) our acquisition, holding and disposition of the [Class E] [Subordinated] [Reinvesting Holder] Notes do not and will not constitute or give rise to a non-exempt violation of any applicable state, local, other federal or non-U.S. law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code.

7. Controlling Person. We are, or we are acting on behalf of any of: (i) any person that has discretionary authority or control with respect to the assets of the Issuer, (ii) any person who provides investment advice for a fee (direct or indirect) with respect to such assets or (iii) any "affiliate" of any of the above persons. "Affiliate" shall have the meaning set forth in the Plan Asset Regulations. Any of the persons described in the first sentence of this Section 7 is referred to in this Certificate as a "Controlling Person."

8. Compelled Disposition. We acknowledge and agree that:

(i) if any representation that we made hereunder is subsequently shown to be false or misleading or our beneficial ownership otherwise causes a violation of the 25% Limitation (in any such case we become a Non-Permitted ERISA Holder), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall, promptly after such discovery (or upon notice from the Trustee if the Trustee has actual knowledge or the Co-Issuer to the Issuer if it makes the discovery), send notice to us demanding that we transfer our interest to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice;

(ii) if we fail to transfer our [Class E] [Subordinated] [Reinvesting Holder] Notes, the Issuer shall have the right, without further notice to us, to sell our [Class E] [Subordinated] [Reinvesting Holder] Notes or our interest in the [Class E] [Subordinated] [Reinvesting Holder] Notes, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose;

(iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the

(iv) by our acceptance of an interest in the [Class E] [Subordinated] [Reinvesting Holder] Notes, we agree to cooperate with the Issuer and the Trustee to effect such transfers;

(v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and

(vi) the terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Portfolio Manager shall be liable to us as a result of any such sale or the exercise of such discretion.

9. Required Notification and Agreement. We hereby agree that we (a) will inform the Issuer and the Trustee of any proposed transfer by us of all or a specified portion of the [Class E] [Subordinated] [Reinvesting Holder] Notes and (b) will immediately notify the Trustee in the event that any representation and warranty or information provided in this Certificate becomes untrue or incorrect (or there is any change in status of the Investor as a Benefit Plan Investor or Controlling Person).

10. Independent Plan Fiduciary. If we are, or are acting on behalf of, a Benefit Plan Investor, we represent and warrant, ~~on each day from the date on which we acquire such Note or interest through and including the date on which we dispose of such Note or interest, and at any time when regulation 29 C.F.R. CALCULATION OF LIBOR

“LIBOR” for any Interest Accrual Period will equal (a) the rate appearing on the Reuters Screen for deposits with a term of three months; or (b) if such rate is unavailable at the time LIBOR is to be determined, LIBOR will be determined on the basis of the rates at which deposits in U.S. Dollars are offered by four major banks in the London market selected by the Calculation Agent after consultation with the Portfolio Manager (the “Reference Banks”) at approximately 11:00 a.m., London time, on the Interest Determination Date to prime banks in the London interbank market for a period approximately equal to such Interest Accrual Period and an amount approximately equal to the amount of the Aggregate Outstanding Amount of the Secured Notes. The Calculation Agent will request the principal London office of each Reference Bank to provide a quotation of its rate. If at least two such quotations are provided, LIBOR will be the arithmetic mean of such quotations (rounded upward to the next higher 1/100). If fewer than two quotations are provided as requested, LIBOR with respect to such Interest Accrual Period will be the arithmetic mean of the rates quoted by three major banks in New York, New York selected by the Calculation Agent after consultation with the Portfolio Manager at approximately 11:00 a.m., New York Time, on such Interest Determination Date for loans in U.S. Dollars to leading European banks for a term approximately equal to such Interest Accrual Period and an amount approximately equal to the amount of the Secured Notes. If the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures described above, LIBOR will be LIBOR as determined on the previous Interest Determination Date. “LIBOR,” when used with respect to a Collateral Obligation, means the “libor” rate determined in accordance with the terms of such Collateral Obligation.

Notwithstanding the foregoing, LIBOR for any Interest Accrual Period will equal the greater of (x) LIBOR as determined pursuant to this definition and (y) 0.00%.

If at any time while any Secured Notes are outstanding LIBOR ceases to exist or be reported on the Reuters Screen, the Portfolio Manager (on behalf of the Issuer) may select (with notice to the Trustee (who will notify the Holders within one Business Day of receipt of such notice), the Calculation Agent and the Collateral Administrator) an alternative rate, including any applicable spread adjustments thereto (the “Alternative Rate”) that in its commercially reasonable judgment is (x) a market accepted successor for the Libor reported on the Reuters Screen and (y) is either (i) being used by 50% or more of the aggregate principal balance of the quarterly pay Floating Rate Obligations included in the Assets, (ii) formally proposed or recommended by the Loan Syndications and Trading Association or Alternative Reference Rates Committee as a replacement base rate for Libor or (iii) being used by the new issue collateralized loan obligation market as a replacement base rate for Libor; and all references herein to “LIBOR” will mean such Alternative Rate selected by the Portfolio Manager and consented to by, so long as any Class AA-R Notes are Outstanding, the Holders of a Majority of the Class AA-R Notes and, so long as any Class BB-R Notes are Outstanding, the Holders of a Majority of the Class BB-R Notes (the Class AA-R Notes and the Class BB-R Notes voting separately by Class).

“Reuters Screen” means Reuters Page LIBOR01 (or such other page that may replace that page on such service for the purpose of displaying comparable rates) as reported by Bloomberg Financial Markets Commodities News as of 11:00 a.m., London time, on the Interest Determination Date.

- (c) the Advisory Committee member’s failure to substantially perform its duties hereunder and/or under its Advisory Committee Member Agreement with the Issuer in respect of its service on the Advisory Committee;

6. Term; Resignation of Members of the Advisory Committee.

Each member of the Advisory Committee will serve until he or she resigns, dies or is removed. Each member of the Advisory Committee will have the right to resign at any time, and such resignation will not be subject to the appointment of a replacement member.

7. Approval Process.

If the Portfolio Manager wants the Issuer to consider a Restricted Transaction, the Portfolio Manager shall give notice of the proposed Restricted Transaction to the members of the Advisory Committee. The notice shall contain the request by the Portfolio Manager for the Advisory Committee’s consent to the Restricted Transaction. The notice shall be accompanied by:

- an investment memorandum and
- an underwriting analysis.

The “investment memorandum” and “underwriting analysis” means for this purpose (a) a reasonably detailed description of the proposed investment, the obligor thereof and related information, (b) information about the identity of any affiliated entity involved in the proposed investment and the capacity in which it will be acting and (c) such other information as the Portfolio Manager believes supports its judgment that the investment is appropriate to be purchased or sold by the Issuer, as the case may be (collectively, the “Restricted Trade Information Package”). The notice shall contain the Portfolio Manager’s offer to provide additional information as reasonably requested by the Advisory Committee.

So long as all requisite items of the Restricted Trade Information Package have been delivered, the Advisory Committee shall be entitled to determine on such basis that the proposed Restricted Transaction is being conducted on an arms’ length basis for fair market value and may, subject to the following sentence, provide consent to the Portfolio Manager for the proposed Restricted Transaction. Notwithstanding the foregoing sentence, the Advisory Committee may refuse to consent to any Restricted Transaction if (A) the Advisory Committee has actual knowledge or has received a notice that any aspect of the Restricted Trade Information Package is false or (B) such Restricted Transaction would cause the Issuer, the Board of Directors, the Advisory Committee or the Portfolio Manager to violate any law, statute or regulation (or fiduciary obligations required thereunder) to which the Issuer, the Board of Directors, the Advisory Committee or the Portfolio Manager is subject. With respect to issues of illegality, the Advisory Committee shall be entitled to seek legal advice, the cost of which will be an Administrative Expense. Members of the Advisory Committee shall not incur any liability for adhering to the foregoing procedures in respect of Restricted Transactions or for any determinations made in respect thereof.

So long as the Issuer is relying on the Advisory Committee to approve a Restricted Transaction, if at any time the Advisory Committee does not have at least one member with Requisite Experience, the Issuer will not engage in any such Restricted Transaction.

8.Unanimous Written Consent.

Regardless of the composition of the Advisory Committee, each Restricted Transaction must be approved in writing by each member of the Advisory Committee. The members of the Advisory Committee are under no obligation to consent to a Restricted Transaction. If all of the members of the Advisory Committee approve a Restricted Transaction in writing, the Issuer will effect it at the option of the Portfolio Manager (subject to any other applicable restriction in the Indenture or the Portfolio Management Agreement). If the members of the Advisory Committee notify the Portfolio Manager that the Advisory Committee will not approve the Restricted Transaction, the Issuer will not effect the Restricted Transaction.

9.Compensation; Indemnification.

Each member of the Advisory Committee will receive arm’s length compensation by the Issuer, subject to the Priority of Payments, for serving on the Advisory Committee as determined by the

Issuer to be a reasonable amount commensurate with the responsibilities of such Advisory Committee member, based upon available information for comparable service providers.

Pursuant to the applicable Advisory Committee Member Agreement, each member of the Advisory Committee will be entitled to indemnification from the Issuer, subject to the Priority of Payments, and broad exculpation provisions, i.e., each member shall have no liability except for such member's willful misconduct, fraud or gross negligence.

10. Notices, Consents, Approvals, etc.

All notices, consents, approvals, requests, demands or other communications required or permitted hereunder or under the Advisory Committee Member Agreement shall be in writing and deemed to have been properly given when sent by telecopy or electronic mail or other electronic means, addressed to the applicable party at the address set forth in the applicable Advisory Committee Member Agreement.
