The expected Interest Distribution Amount with respect to Secured Notes and interest on Floating Rate Assets will be calculated using the then current interest rates applicable thereto.

(f) With respect to any Collateral Asset as to which any interest or other payment thereon is subject to withholding tax, each Scheduled Distribution thereon shall, for purposes of the Coverage Tests, the Interest Reinvestment Test and the Collateral Quality Tests, be deemed to be payable net of such withholding tax unless the issuer thereof or obligor thereon is required to make additional "gross up" payments to fully compensate the Issuer for such withholding taxes (including in respect of any such additional payments). On any date of determination, the amount of any Scheduled Distribution due on any future date shall be assumed to be made net of any such uncompensated withholding tax based upon withholding tax rates in effect on such date of determination.

(g) Whenever the term "principal" is used with respect to Subordinated Notes, such term shall mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds, and whenever the term "interest" is used with respect to Subordinated Notes, such term shall mean that portion of Interest Proceeds distributable to Holders of Subordinated Notes pursuant to the Priorities of Payment.

(h) Unless otherwise specified herein or the context otherwise requires, all calculations required to be made and all reports that are to be prepared pursuant to this Indenture with respect to the Collateral shall be made on the basis of the Trade Date of an asset and not the settlement date of such asset.

(i) In calculating whether certain Collateral Assets represent a given percentage of the Collateral Principal Balance, the Principal Balance of such Collateral Assets shall be divided by the Collateral Principal Balance.

(j) For purposes of determining (i) any Management Fees, such Management Fees will accrue at a *per annum* rate that will be calculated on the basis of a 360-day year and the actual number of days elapsed in the relevant period and any (ii) the Trustee's or the Collateral Administrator's fees, a *per annum* rate will be computed on the basis of a 360-day year of twelve 30-day months prorated for the relevant period.

(k) References to Securities or Certificated Notes will, when the context requires, be construed to mean the Certificate representing the same.

(l) References to calculations made on a "*pro forma* basis" shall mean such calculations after giving effect to all payments, in accordance with the Priorities of Payment described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(m) For purposes of calculating all Portfolio Concentration Limits, in both the numerator and the denominator of any component of the Portfolio Concentration Limits, Defaulted Assets shall be treated as having a Principal Balance equal to zero.

(n) For the purposes of calculating compliance with the Portfolio Concentration Limits all calculations will be rounded to the nearest 0.1%. Unless otherwise specified herein or the context otherwise requires, all other test calculations that are expressed as a percentage shall be rounded to the nearest ten-thousandth, and test calculations that are expressed as a number or decimal shall be rounded to the nearest one-hundredth.

(o) For purposes of calculating compliance with the Investment Criteria, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of a Collateral Asset shall be deemed to have the characteristics of such Collateral Asset until reinvested in an additional Collateral Asset. Such calculations shall be based upon the principal amount of such Collateral Asset, except in the case of Defaulted Assets and Credit Risk Assets, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Asset or Credit Risk Asset.

(p) For reporting purposes and for purposes of calculating the Coverage Tests, the Interest Reinvestment Test, the Investment Criteria and the requirements of Section 12.2, assets held by any Tax Subsidiary that constitute Equity Securities will be treated as Equity Securities owned by the Issuer (and the equity interest in such Tax Subsidiary shall not be included in such calculation). Amounts received by the Issuer from any Tax Subsidiary shall be allocated as Interest Proceeds or Principal Proceeds in the same manner as if the underlying asset were owned by the Issuer directly. Any future anticipated tax liabilities of a Tax Subsidiary related to a Collateral Asset held by such Tax Subsidiary shall be excluded from the calculation of the Moody's Weighted Average Spread (which exclusion, for the avoidance of doubt, may result in such Collateral Asset having a negative interest rate spread for purposes of such calculation), the Weighted Average Coupon Test and the Interest Coverage Ratio with respect to any specified Class or Classes of Secured Notes.

(q) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(r) For purposes of calculating the purchase price of a Collateral Asset, there will be no averaging of the purchase price of Collateral Assets when trades are executed at separate times.

(s) For purposes of calculating the sale proceeds of a Collateral Asset in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(t) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Collateral Manager as to the interpretation or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(u) Defined terms have the respective meanings set forth herein for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. All references in this instrument to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated Articles, Sections, Subsections and other subdivisions of this instrument as originally executed. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section, Subsection or other subdivision. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation."

Section 1.3 Assumptions as to Certain Tests. (a) Interest Coverage Tests. The principal amount of each Class of Notes to be paid on any Payment Date pursuant to the Priorities of Payment due to the failure of any Interest Coverage Test shall be the amount that, assuming it had been used to pay principal of that Class (including Deferred Interest, if any) on the immediately preceding Payment Date, would have caused such test to be satisfied for the current Determination Date.

(b) Par Coverage Tests and Other Tests. The principal amount of any Class of Secured Notes to be redeemed on any Payment Date because any Par Coverage Test or Interest Reinvestment Test (each, a "**Test**") is not satisfied as of the related Determination Date, shall be the amount that, if it had been applied to make payments on each Class of Secured Notes (including Deferred Interest, if any) in accordance with the Priorities of Payment on the immediately preceding Payment Date, would have caused such Test to be satisfied for the current Determination Date.

(B) If it is a Benefit Plan Investor, it (1) acknowledges and agrees that (i) none of the Transaction Parties believes that it has provided or is providing

investment advice of any kind whatsoever, but in all events none of the Transaction Parties or other Persons that provide marketing services nor any of their affiliates has provided or is providing impartial investment advice or is giving any advice in a fiduciary capacity in connection with the purchaser's acquisition of a Note or any interest therein; and (ii) the Transaction Parties have financial interests in the offering and sale of the Notes which are disclosed in the Offering Circular or at the time of sale; and (2) represents and warrants, at any time when regulation 29 CFR Section 2510.3-21, as modified in 2016, is applicable, that (i) the Person making the investment decision on behalf of such purchaser with respect to the acquisition and holding of the Notes is a Qualified Independent Fiduciary; (ii) the Qualified Independent Fiduciary is capable of evaluating investment risks independently, both in general and with regard to particular transactions and strategies, including the acquisition, holding and subsequent disposition of the Notes; (iii) the Qualified Independent Fiduciary is a fiduciary under ERISA or the Code, or both, with respect to the acquisition, holding and subsequent disposition of the Notes and is responsible for exercising independent judgment in evaluating such transactions; and (iv) no fee or other compensation is being paid directly to any of the Transaction Parties or their affiliates by the purchaser or the Qualified Independent Fiduciary for investment advice (as opposed to other services) in connection with the acquisition and holding of the Notes; provided that if 29 CFR 2510.3-21(c)(1), as amended in 2016, is revoked, repealed or no longer effective, the foregoing representations shall be deemed to be no longer in effect.

(C) In the case of Issuer Only Notes, for so long as it holds a beneficial interest in such Global Notes, it (other than, in the case of Issuer Only Notes being acquired by or on behalf of a Benefit Plan Investor or a Controlling Person on the Closing Date in accordance with Section 2.5 of the Indenture) is not a Benefit Plan Investor or a Controlling Person. It understands that an interest in any Issuer Only Note may not at any time be held by or on behalf of a Benefit Plan Investor or a Controlling Person in the form of an interest in a Global Note unless such interest was purchased on the Closing Date.

(D) It further represents, warrants and agrees that if it is a plan subject to Similar Laws, it is not subject to any federal, state, local, non-U.S. or other law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Collateral Manager (or other persons responsible for the investment and operation of the Issuer's assets) to Similar Laws.

(v) It understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered under the Securities Act, and, if in the future it decides to offer, resell, pledge or otherwise transfer such Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of the Indenture and the legend on such Notes. It acknowledges that no representation has been made as to the availability of any exemption under the Securities

Act or any state securities laws for resale of such Notes. It understands that neither of the Issuers has been registered under the Investment Company Act in reliance on an exemption from registration thereunder.

(vi) It will provide notice to each person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in Section 2.5 of the Indenture including the exhibits referenced therein.

(vii) It understands that the Issuer has the right under this Indenture to compel any Non-Permitted Holder, or any beneficial owner of Notes of a Re-Priceable Class that does not consent to a Re-Pricing with respect to its Notes pursuant to the applicable terms of this Indenture, to sell its interest in the Securities or may sell such interest in the Securities on behalf of such Non-Permitted Holder and may in the case of a Re-Pricing redeem such Notes.

(viii) It agrees for the benefit of all beneficial owners and Holders of each Class of Notes, that it shall not institute against, or join any other person in instituting against, either of the Issuers or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction until the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Securities. In the case of Secured Notes, it further acknowledges and agrees that if it causes the filing of a petition in bankruptcy or winding-up against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the expiration of the period specified in the previous sentence, any claim that it has against the Issuers (including under all Secured Notes of any Class held by such holders) or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priorities of Payment and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each holder of any Secured Note (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Secured Note held by each holder (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priorities of Payment (after giving effect to such subordination). This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code. The foregoing restrictions are a material inducement for each Holder and beneficial owner of the Securities to acquire such Securities and for the Issuer, the Co-Issuer and the Collateral Manager to enter into the Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of the Indenture. Any Holder or beneficial owner of a Note, the Collateral Manager, the Trustee, any Tax Subsidiary or either of the Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings (other than an Approved Tax Liquidation), or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws of any jurisdiction.

(ix) It understands that Holders and Certifying Persons will have the right, but only after the occurrence and during the continuance of a Default or an Event of Default or notice to the Holder or Certifying Person of any proposed supplemental indenture requiring consents of Holders, to obtain a complete list of Holders and Certifying Persons as identified to the Trustee (except any Certifying Person that has expressly reserved its confidentiality) upon five Business Days' prior notice to the Trustee. In addition, it understands that the Issuer will provide, upon the written request of a Holder or Certifying Person of Subordinated Notes (or any other Class of Notes that could be characterized as equity in the Issuer), any information reasonably available to it that such Holder or Certifying Person reasonably requests to assist such Holder or Certifying Person with regard to any filing requirements the Holder or Certifying Person is required to satisfy as a result of the controlled foreign corporation rules under the Code, which may include the identity of Holders of Subordinated Notes. By its acceptance of any such information, it will be deemed to agree that such information will be used for no purpose other than for such filing or the exercise of its rights under the Transaction Documents. It understands that the Issuer, the Initial Purchaser and the Collateral Manager will have the right to obtain a complete list of Holders and Certifying Persons as identified to the Trustee (except any Certifying Person that has expressly reserved its confidentiality in its Certifying Person certificate) at any time upon five Business Days' prior written notice to the Trustee.

(x) In the case of Issuer Only Notes, if it is a bank organized outside the United States, it represents that (A) it is acquiring such Notes as a capital markets investment and will not for any purpose treat the assets of the Issuer as loans acquired in its banking business, and (B) it is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(xi) It agrees (A) except as prohibited by applicable law, to obtain and provide the Issuer and the Trustee (including their agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents or representatives, as applicable) to enable the Issuer to achieve Tax Account Reporting Rules Compliance (the obligations undertaken pursuant to this clause (A), the "**Noteholder Reporting Obligations**"), (B) that the Issuer or the Trustee may (1) provide such information and documentation and any other information concerning its investment in the Securities to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority, and (2) take such other steps as they deem necessary or helpful to enable the Issuer to achieve Tax Account Reporting Rules Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason (without regard to whether the failure was due to a legal prohibition) to provide any such information or documentation described in clause (A), such information or documentation is not accurate or complete or such Purchaser otherwise is or becomes a Non-Permitted Tax Holder, the Issuer shall have the right, in addition to withholding on passthru payments, to (x) compel it to sell its interest in such Security, (y) sell such interest on its behalf in accordance with the procedures specified in the Indenture, or (z) assign to such Security a separate CUSIP or CUSIPs and, in the case of this subclause (z),

to deposit payments on such Securities into a Tax Reserve Account, which amounts shall, at the direction of the Issuer, be either (i) released to the Holder of such Securities at such time that the Issuer determines that the Holder of such Securities complies with its Noteholder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder, or (ii) released to pay costs related to such noncompliance (including taxes imposed by FATCA); provided that any amounts remaining in a Tax Reserve Account will be released to the applicable Holder on the earlier of (a) the date of final payment for the Class held by such Holder or (b) the Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Securities. Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Moreover, each such Purchaser of Securities or interests therein will agree, or be deemed to agree, to indemnify the Issuer, the Trustee and other beneficial owners of Securities for all damages, costs and expenses (including attorney's fees and expenses) that result from the failure of such person to comply with its Noteholder Reporting Obligations. This indemnification will continue even after the person ceases to have an ownership interest in the Securities.

(xii) If it owns more than 50% of the Subordinated Notes by value or if it, its beneficial owner, or a direct or indirect owner of the foregoing, is otherwise treated as a member of the Issuer's "expanded affiliated group," it (A) confirms that any member of such expanded affiliated group (assuming that the Issuer is a "registered deemed-compliant FFI") that is treated as a "foreign financial institution" is either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner," and (B) agrees to promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" is not either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner," in each case except to the extent that the Issuer or its agents have provided the Purchaser with an express waiver of this requirement. All specified terms used in this paragraph (xiii) shall have the meanings given to them by FATCA.

(xiii) It agrees to provide upon request certification acceptable to the Trustee, the Issuer or, in the case of the Co-Issued Notes, the Issuers to permit the Trustee, the Issuer or the Issuers, as applicable, to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) otherwise comply with applicable law.

(xiv) In the case of Subordinated Notes, it agrees to provide the Issuer (or its agents or authorized representatives) and Trustee (A) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in the Subordinated Notes, and (B) any additional information that the Issuer, Trustee or their agents request in connection with any 1099 reporting requirements, and update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. It acknowledges that the Issuer or Trustee may provide

such information and any other information concerning its investment in the Subordinated Notes to the IRS.

(xv) It understands and acknowledges that failure to provide the Issuer (or its agents or authorized representatives), the Trustee or any Paying Agent with the properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a U.S. Person or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a U.S. Person) or the failure to meet its Noteholder Reporting Obligations (without regard to whether the failure was due to a legal prohibition) may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.

(xvi) It agrees to not treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

(xvii) It understands and agrees that the Notes are limited recourse obligations of the Issuer (and in the case of the Co-Issued Notes, the Co-Issuer), payable solely from proceeds of the Collateral and following realization of the Collateral, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer (and in the case of the Co-Issued Notes, the Co-Issuer) thereunder or in connection therewith after such realization shall be extinguished and shall not thereafter revive.

(xviii) It has not acquired its interest in the Notes pursuant to an invitation to the public in the Cayman Islands.

(xix) It understands that (A) the Trustee and the Bank in its other capacities under the Transaction Documents will be required to provide certain information to the Issuer, the Initial Purchaser and the Collateral Manager regarding the Holders and beneficial owners of the Securities (including, without limitation, the identity of the Holders as contained in the Security Register and, unless any such Certifying Holder instructs the Trustee otherwise, the identity of each Certifying Holder) and (B) neither the Trustee nor the Bank in any of its capacities will have any liability for any such disclosure or, subject to its respective duties and responsibilities set forth in the applicable Transaction Documents, for the accuracy thereof.

(xx) It understands that the foregoing representations and agreements will be relied upon by the Transaction Parties and their respective counsel, and it hereby consents to such reliance.

(xxi) It has read the summary of the U.S. federal income tax considerations in the Offering Circular as it relates to the Notes, and it represents that it will treat the Notes for U.S. tax purposes in a manner consistent with the treatment of such Notes by the Issuer described therein and will take no action inconsistent with such treatment unless otherwise required by a relevant taxing authority, it being understood that this paragraph

shall not prevent a holder of Class D Notes from making a protective "qualified electing fund" election (as defined in the Code) and filing protective information returns.

(h) Any purported transfer of a Security not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose hereunder.

(i) If Certificates are issued upon the transfer or exchange of Securities or replacement of Certificates and if a request is made to remove such applicable legend on such Certificates, the Certificates so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuer such satisfactory evidence, which may include an Opinion of Counsel, as may be reasonably required by the Applicable Issuer to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Regulation S, as applicable, or the Investment Company Act. Upon provision of such satisfactory evidence, the Trustee, upon Issuer Order from the Applicable Issuer, shall authenticate and deliver Certificates that do not bear such applicable legend.

(j) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Security Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act, applicable state securities laws, the rules of any Depository, ERISA, the Code or the Investment Company Act; provided that if a Transfer Certificate is to be delivered to the Trustee or the Security Registrar by a purchaser or transferee of a Security, the Trustee or the Security Registrar, as the case may be, shall be under a duty to receive and examine the same to determine whether the certificate substantially complies on its face with the express terms of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding anything contained herein to the contrary, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified in writing of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(k) For the avoidance of doubt, no transfer of a Class D Note to a Person that is an Accredited Investor shall be permitted.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Certificates. If (a) any mutilated or defaced Certificate is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of such Certificate and (b) there is delivered to the Applicable Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them and any agent of any of them harmless (including, in each case, Medallion Signature Guarantee or other evidence of authority as they may require, as applicable), then, in the absence of notice to the Applicable Issuer, the Trustee or such Transfer Agent that such Certificate has been acquired by a Protected Purchaser, the Applicable Issuer shall execute and, upon receipt of such executed Certificate (which executed Certificate shall be deemed an Issuer Order to authenticate such Certificate), the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or

stolen Certificate, a new Certificate, representing Securities of like tenor (including the same date of issuance) and equal principal amount registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the Security represented by the mutilated, defaced, destroyed, lost or stolen Certificate and bearing a number not contemporaneously outstanding.

If, after delivery of such new Certificate, a Protected Purchaser of the predecessor Certificate presents for payment, transfer or exchange such predecessor Certificate, the Applicable Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Certificate from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuer, the Trustee and the Transfer Agent in connection therewith.

If any Security represented by a destroyed, lost or stolen Certificate has become due and payable, the Applicable Issuer may in its discretion, instead of issuing a new Certificate, pay such Security without requiring surrender of such Certificate.

Upon the issuance of any new Certificate under this Section 2.6, the Applicable Issuer or the Trustee or any Transfer Agent may require the payment by the registered Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Certificate issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Certificate shall constitute an original additional contractual obligation of the Applicable Issuer, and the Security represented by such new Certificate shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of Securities represented by mutilated, defaced, destroyed, lost or stolen Certificates.

Section 2.7 Payment in Respect of the Securities; Rights Preserved. (a) Interest shall accrue on the Aggregate Outstanding Amount of the Secured Notes during each Interest Accrual Period at the applicable Interest Rate. Interest on the Secured Notes shall be due and payable in arrears on each Payment Date immediately following the related Interest Accrual Period; provided, however, that payment of interest on any Lower-Ranking Class is subordinated to the payment on each Payment Date of the interest due and payable on each Higher-Ranking Class (including any Defaulted Interest, any Deferred Interest and interest thereon) and other amounts in accordance with the Priorities of Payment.

So long as any Higher-Ranking Class is Outstanding, any portion of the interest due on a Deferrable Note that is not available to be paid in accordance with the Priorities of Payment on any Payment Date shall not be considered "due and payable" for the purposes of

Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) and shall be "**Deferred Interest**" and added to the principal amount of such Notes. Deferred Interest will not be due and payable until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priorities of Payments, (ii) the Redemption Date with respect to such Class of Deferrable Notes and (iii) the Stated Maturity of such Class of Deferrable Notes. To the extent lawful and enforceable, Deferred Interest shall bear interest at the applicable Interest Rate until paid.

Any interest on a Secured Note will cease to accrue or, in the case of a partial repayment, on such part repaid, from the date of repayment or the Stated Maturity Date unless payment of principal is improperly withheld or unless an Event of Default has occurred with respect to such payments of principal. To the extent lawful and enforceable, interest on any Deferred Interest and on any Defaulted Interest shall accrue at the applicable Interest Rate until paid as provided herein.

Distributions to the Subordinated Notes are subordinated to the payment on each Payment Date of the interest due and payable on the Higher-Ranking Classes (including Defaulted Interest and Deferred Interest, if any) and other amounts in accordance with the Priorities of Payment. So long as any Higher-Ranking Classes are Outstanding, the Subordinated Notes will receive that portion of the Interest Proceeds or Principal Proceeds payable to Holders of Subordinated Notes in accordance with the Priorities of Payment on each Payment Date. The failure to pay such amounts to the Holders of the Subordinated Notes on any Payment Date shall not be an Event of Default unless Interest Proceeds or Principal Proceeds are available therefor in accordance with the Priorities of Payment.

(b) The principal amount of each Note shall be due and payable no later than the Stated Maturity Date unless the unpaid principal of such Note becomes due and payable at an earlier date by acceleration, redemption or otherwise, all in accordance with the Priorities of Payment. Except as otherwise provided in the Priorities of Payment, any payment of principal of a Lower-Ranking Class may only occur after principal of each Higher-Ranking Class has been paid in full, and is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Higher-Ranking Class and other amounts in accordance with the Priorities of Payment, and any payment of principal of Lower-Ranking Classes that is not paid to the Holders of such Notes in accordance with the Priorities of Payment on any Payment Date, shall not be considered "due and payable" for purposes of Section 5.1(b) until the Payment Date on which such principal may be paid in accordance with the Priorities of Payment.

(c) As a condition to payments on any Security without the imposition of U.S. withholding tax, the Trustee or the Applicable Issuer, as the case may be, shall require the delivery of properly completed and signed applicable U.S. federal income tax certifications (generally, an IRS Form W-9 (or applicable successor form) in the case of a Person that is a U.S. Person or an IRS Form W-8ECI, W-8BEN, W-8BEN-E or W-8IMY (or applicable successor form) in the case of a Person that is not a U.S. Person), any information requested pursuant to the Noteholder Reporting Obligations and such other certification or other information acceptable to them to enable the Applicable Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Security under any present or future law or regulation

of the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation.

Payment in respect of the Notes will be made to the registered holder as of the Record Date. Payments on any Global Note shall be payable by wire transfer in immediately available funds to a Dollar account maintained by the Depository or its nominee or, if a wire transfer cannot be effected, by a Dollar check in immediately available funds delivered to the Depository or its nominee. Payments on the Certificated Notes shall be made by wire transfer in immediately available funds to a Dollar account maintained by the Holder or as otherwise directed by the Holder, or its nominee, provided that the Holder thereof shall have provided wiring instructions to the Trustee on or before the related Record Date. The Applicable Issuer expects that the Depository or its nominee, upon receipt of any payment of any of the principal amount of and interest on a Global Note held by the Depository or its nominee, will immediately credit the applicable Agent Members' accounts with payments in amounts proportionate to the respective beneficial interests in such Global Note as shown on the records of the Depository or its nominee. The Applicable Issuer also expects that payments by Agent Members to owners of beneficial interests in such Global Note held through Agent Members will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of the Agent Members. Upon final payment thereof, the Holder of a Certificated Note shall present and surrender such Certificate as directed by the Trustee; provided, however, that if there is delivered to the Issuers and the Trustee such surety bond, security or indemnity as may be required by them to save each of them harmless and an undertaking to surrender such Certificate, then, in the absence of notice to the Issuers or the Trustee that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Global Notes remain Outstanding 15 Business Days prior to the Stated Maturity Date, the Collateral Manager shall determine if liquidation proceeds will be received such that final payments will be made with respect to such Global Notes on the Stated Maturity Date in accordance with the Priorities of Payment. If the Collateral Manager determines that (due to delayed payment of certain liquidation proceeds or otherwise) full and final payment may be delayed beyond the Stated Maturity Date, the Collateral Manager shall notify the Trustee in writing and the Trustee shall promptly notify the Depository and shall request the Depository to post on its system notices (deemed to be acceptable and appropriate under the circumstances by the Collateral Manager) and, subject to Depository procedures and, take such other action that the Collateral Manager deems to be appropriate under the circumstances, to ensure that final payments will be distributed to the Depository for payment to the Holders of such Global Notes in accordance with the Priorities of Payment when the funds become available. No Transaction Party or Paying Agent will have any responsibility or liability for any aspects of the records maintained by the Depository or its nominee or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in, a Global Note. The Trustee shall reasonably cooperate with the Collateral Manager in performing its obligations set forth in this paragraph.

(d) Subject to the provisions of Sections 2.7(a), (b) and (i) hereof, the Holders of Securities as of the Record Date in respect of a Payment Date shall be entitled to the amounts payable in accordance with the Priorities of Payment. All such payments that are mailed or wired and returned to the Paying Agent shall be held for payment as herein provided.

(e) Payments on each Note will be made to the Person in whose name the Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date.

Payments on the Notes of each Class shall be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(f) Payment of any Defaulted Interest may be made in any other lawful manner in accordance with the Priorities of Payment if the Trustee, at the direction of the Applicable Issuer, gives notice of such payment to the Holders of the applicable Classes of Notes, and the Trustee deems such manner of payment to be practicable.

(g) Interest accrued with respect to the Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments made on any Payment Date, Partial Redemption Date or Re-Pricing Redemption Date shall be binding upon all future Holders of such Securities and of any Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Security.

(i) Notwithstanding any other provision of this Indenture to the contrary, the obligations of the Issuers with respect to the Securities and this Indenture and any other document to which they may be a party are limited recourse obligations of the Issuer, and in the case of the Co-Issued Notes, the Co-Issuer, in each case, payable solely from the Collateral in accordance with the Priorities of Payment and following realization of the Collateral, all obligations of the Issuers and any claims of the Trustee, the Holders and the other Secured Parties shall be extinguished and shall not thereafter revive. The Subordinated Notes shall not be secured by the Collateral, and as such shall rank behind all of the secured creditors, whether known or unknown, of the Issuers. No recourse shall be had for the payment of any amount owing in respect of the Securities against any Transaction Parties (other than the Applicable Issuer) or any of the respective Officers, directors, employees, stockholders, agents, partners, members, managers, incorporators, Affiliates, successors or assigns of them or of either of the Issuers for any amounts payable under the Securities or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities (to the extent they evidence debt) or secured by this Indenture until such Collateral

has been realized, whereupon any outstanding indebtedness or obligation shall be extinguished and not thereafter revive. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Applicable Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Securities or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(j) Subject to the foregoing provisions of this Section 2.7, each Security delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to unpaid interest and principal that were carried by such other Securities.

(k) Notwithstanding any of the foregoing provisions with respect to payments of any of the principal amount of and interest on the Notes, if the Notes have become or been declared due and payable following an Event of Default and such acceleration of maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of any of the principal amount of and interest on such Notes shall be made in accordance with the Acceleration Waterfall.

Section 2.8 Persons Deemed Owners. The Applicable Issuer, the Trustee, and any of their respective agents may treat the Person in whose name any Security is registered on the Security Register on the applicable Record Date as the owner of such Security for the purpose of receiving payments on such Security and on any other date for all other purposes whatsoever (whether or not such payments are overdue), and neither the Applicable Issuer nor the Trustee nor any of their respective agents shall be affected by notice to the contrary; provided, however, that the Depository, or its nominee, shall be deemed the owner of the Global Notes, and owners of beneficial interests in Global Notes will not be considered the owners of any Securities for the purpose of receiving notices.

Section 2.9 Cancellation. All Securities surrendered for payment, registration of transfer, exchange or redemption, or deemed mutilated, defaced, destroyed, lost or stolen shall be promptly cancelled by the Trustee and may not be reissued or resold. No Security may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein, or for registration of transfer, exchange or redemption in accordance with Article IX hereof, or for replacement in connection with any Security deemed mutilated, defaced, destroyed, lost or stolen. Any such Securities shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard policy unless the Issuers shall direct by an Issuer Order that they be returned to it.

Section 2.10 Global Notes; Depository Not Available. (a) Except as provided in Section 2.5(e)(iv), a Global Note deposited with the Depository pursuant to Section 2.2 shall be transferred to the beneficial owners thereof only if such transfer complies with Section 2.5 of this Indenture and (x) the Depository notifies the Applicable Issuer that it is unwilling or unable to

continue as Depository for such Global Note, (y) if at any time such Depository ceases to be a Clearing Agency registered under the Exchange Act and a successor depository is not appointed by the Issuer within 90 days after such notice or (z) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.10 shall be surrendered by the Depository to the Trustee (at the office designated by the Trustee) to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuer shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Securities of Authorized Denominations. Any portion of a Global Note transferred pursuant to this Section 2.10 shall be executed, authenticated and delivered only in Authorized Denominations. Any Certificate delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5(i), bear the applicable legend and shall be subject to the transfer restrictions referred to in such applicable legends. The Holder of such a registered individual Certificate may transfer such Certificate by surrendering it at the office designated by the Trustee.

(c) Subject to the provisions of Section 2.10(b) above, the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Securities.

(d) In the event of the occurrence of either of the events specified in paragraph (a) of this Section 2.10, the Applicable Issuer will promptly make available to the Trustee a reasonable supply of Certificated Notes. The Security Registrar will record the interest of each Holder of a Certificated Note in the Security Register.

(e) Neither the Trustee nor the Security Registrar shall be liable for any delay in the delivery of directions from the Depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.11 Securities Beneficially Owned by Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Securities to a Non-Permitted Holder shall be null and void *ab initio* and any such purported transfer of which the Applicable Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) The Issuer will, promptly after discovery (and in any event within four days after discovery) that a holder or beneficial owner is a Non-Permitted Holder, send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Notes or interest therein to a person that is not a Non-Permitted Holder within 10 days after the date of such notice. If such Person fails to transfer its Notes (or the required portion of its Notes), the Issuer will have the right to sell such Notes to a purchaser selected by the Issuer. In such notice,

the Issuer (or its agent) will request such Person to provide (within 10 days after such request) the names of prospective Purchasers, and the Issuer (or its agent) will solicit bids from any such identified prospective Purchasers and may also solicit bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes. The Issuer agrees that it will accept the highest of such bids, subject to the bidder satisfying the transfer restrictions set forth in this Indenture. If the procedures above do not result in any bids from qualified investors, the Issuer may select a purchaser by any other means determined by it in its sole discretion.

(c) If a Trust Officer of the Trustee obtains actual knowledge of a Non-Permitted Holder, it will provide notice to the Issuer with a copy to the Collateral Manager.

Section 2.12 Additional Issuance. On any Business Day, the Issuer or the Issuers may, subject to compliance with Section 3.1(b) and execution of a supplemental indenture pursuant to Article VIII, issue additional securities of an existing Class (other than the Class X Notes) or a new class (any such securities collectively, the "**Additional Securities**"), with the consent of (i) unless the Collateral Manager has determined that the aggregate principal amount of each Class of Additional Securities being issued is limited to the minimum amount required to comply with the EU Risk Retention Requirements or the U.S. Risk Retention Rules (any such issuance, a "**Risk Retention Issuance**"), a Majority of the Subordinated Notes and (ii) the Collateral Manager (in its sole discretion), for any of the following purposes:

(a) additional Subordinated Notes may be issued (each, an "**Additional Equity Issuance**"), the proceeds of which will be Principal Proceeds or Interest Proceeds, as designated by the Collateral Manager (on behalf of the Issuer); or

(b) one or more new classes of Securities which shall be subordinate in right of payment of principal and interest to all existing Classes of Secured Notes; or

(c) additional Securities of an existing Class (other than the Class X Notes) may be issued at any time during the Reinvestment Period, with the proceeds to be used to purchase Collateral Assets or to enter into Hedge Agreements (if otherwise permitted) or, with the proceeds from the additional issuance of Subordinated Notes and/or Additional Subordinated Securities only, for such other purposes permitted hereunder, subject in the case of this clause (c) to the satisfaction of the following conditions:

(i) in the case of an issuance of additional Class A-1 Notes, other than in the case of a Risk Retention Issuance, a Majority of the Class A-1 Notes has consented to such additional issuance in writing in advance;

(ii) the terms of the Additional Securities that are Securities are identical to those of the original Securities of such Class (except for issue price (provided that such issue price may not be below par for such Additional Securities), interest rate (provided that the interest rate of any such Additional Securities that are Secured Notes may not exceed the Interest Rate applicable to the original Securities of such Class), date on which interest begins to accrue (with respect to the Secured Notes), CUSIP number and first Payment Date);

(iii) Rating Agency Confirmation has been obtained for all existing Secured Notes and any Additional Securities that are Secured Notes are assigned the applicable ratings;

(iv) other than with respect to an additional issuance of Subordinated Notes only or a Risk Retention Issuance, the Par Coverage Test for each Class of Notes is passing immediately prior to and immediately after such issuance;

(v) other than with respect to an additional issuance of Subordinated Notes only, the Par Coverage Ratio in respect of each of the Tested Classes is not reduced as a result of such issuance;

(vi) other than with respect to an additional issuance of Subordinated Notes only, the issuance of Additional Securities must be proportional across all Classes; provided, however, that as to any Class of Secured Notes as to which Additional Securities are being issued, the Issuer or Issuers may issue additional Subordinated Notes and Additional Securities with respect to Classes subordinate to such Class ("**Additional Subordinated Securities**") in amounts that would cause the proportion of such additional Subordinated Notes and each such Class of Additional Subordinated Securities to remain the same in proportion or to increase in proportion, in each case, relative to the Class immediately above it in priority;

(vii) if such Additional Securities are not fungible with the applicable Class or Classes of Securities, such Additional Securities will be assigned a different CUSIP number;

(viii) unless only Additional Subordinated Securities are being issued, Tax Advice is delivered to the Issuer to the effect that, for U.S. federal income tax purposes, any additional Co-Issued Notes will, and any additional Class D Notes should, be characterized as debt and any such additional issuance must be accomplished in a manner that allows the Issuer to accurately provide the information described in Treasury Regulations section 1.1275-3(b)(1)(i); provided, however, that such Tax Advice will not be required with respect to any Additional Securities that bear a different CUSIP number (or equivalent identifier) from the Securities of the same Class that are outstanding at the time of the additional issuance; and

(ix) the Trustee shall have received an Officer's certificate from the Issuer (or the Collateral Manager on its behalf) certifying that the conditions to such additional issuance have been satisfied.

Except in the case of a Risk Retention Issuance, any additional Subordinated Notes or Securities of any new Classes issued pursuant to Section 2.12(b) will, to the extent reasonably practicable, be offered pursuant to a notice from the Issuers first to Holders of the Subordinated Notes, in such amounts as are necessary to preserve their *pro rata* holdings of Subordinated Notes (in the case of additional Subordinated Notes) or, in the case of Securities of any new Classes issued pursuant to Section 2.12(b), in such amounts that are proportional to each Holder's holdings of Subordinated Notes and any Additional Securities of any existing

Class of Secured Notes will, to the extent reasonably practicable, be offered first to Holders of such Class, in such amounts as are necessary to preserve their *pro rata* holdings of Securities of such Class. The Issuer (or, at the request of the Issuer, the Trustee, on behalf of the Issuer) will provide written notice of an issuance of Additional Securities to each Rating Agency.

Any expenses relating to the issuance of Additional Securities shall be paid from the proceeds of such issuance.

(b) On or after the Effective Date, the Issuer (or the Collateral Manager on behalf of the Issuer) will, if the Effective Date Moody's Condition is not satisfied, request Rating Agency Confirmation from Moody's and if such Rating Agency Confirmation is not obtained by the second Determination Date, an Effective Date Confirmation Failure will occur. The Issuer shall provide notice to Fitch if an Effective Date Confirmation Failure occurs.

(c) Within 30 Business Days of the Effective Date, the Issuer (or the Collateral Manager on behalf of the Issuer) shall (x) obtain and deliver to the Trustee accountants' agreed upon procedures reports dated as of the Effective Date that recalculate and compare the following items in the Moody's Effective Date Report, each of which will specify the procedures undertaken by such accountants to review data and the computations undertaken by such accountants: (A) the issuer, coupon/spread, stated maturity, Moody's Rating and Moody's Default Probability Rating (as defined on Schedule A hereto) with respect to each Collateral Asset as of the Effective Date and the information provided by the Issuer with respect to every other asset included in the Collateral, by reference to such sources as shall be specified therein (the "**Accountants' Comparison Report**") and (B) as of the Effective Date, (1) the level

of compliance with the Coverage Tests, (2) the level of compliance with the Portfolio Concentration Limits, (3) recalculating whether the Issuer has purchased or entered into commitments to purchase Collateral Assets with an Aggregate Principal Balance (without regard to prepayments, redemptions or maturities but with regard to any realized losses or gains in respect of any sales) at least equal to the Effective Date Target Par Amount and (4) the level of compliance with the Collateral Quality Tests (the items in this clause (B), collectively, the "**Moody's Specified Tested Items**") (the "**Accountants' Recalculation Report**" and together with the Accountants' Comparison Report, the "**Accountants' Report**") and (y) cause the Collateral Administrator to compile and provide to each Rating Agency a report (the "**Moody's Effective Date Report**") determined as of the Effective Date, containing (A) the information required in a Monthly Report under this Indenture and (B) calculations of the Moody's Specified Tested Items. For the avoidance of doubt, the Moody's Effective Date Report shall not include or refer to the Accountants' Report.

Section 3.5 Representations and Warranties Concerning Collateral. (a) The Issuer represents and warrants on the Closing Date (which representations and warranties shall (except as otherwise provided) survive the execution of this Indenture and be deemed to be repeated on each date on which Collateral is Delivered as if made at and as of that time) that:

(i) This Indenture creates a valid and continuing security interest (as defined in Article I of the UCC) in the Collateral in favor of the Trustee for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as otherwise permitted under this Indenture) and is enforceable as such against creditors of and purchasers from the Issuer; provided that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(d).

(ii) The Issuer owns the Collateral free and clear of any lien, claim or encumbrance of any Person, other than the security interests created under or permitted by this Indenture.

(iii) The Issuer has received all consents and approvals required by the terms of any item of Collateral to the transfer or pledge hereunder to the Trustee of its interest and rights in the Collateral.

(iv) All Collateral with respect to which a security entitlement may be created by the Intermediary has been credited to one or more Accounts.

(v) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(vi) (A) The Issuer has delivered to the Trustee a fully executed Securities Account Control Agreement pursuant to which the Intermediary has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Intermediary to identify in its records the Trustee as the person having a security entitlement against the Intermediary in each of the Accounts.

(vii) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary to comply with the Entitlement Order of any Person other than the Trustee.

(viii) None of the Instruments that constitute or evidence the Collateral has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than to the Trustee for the benefit of the Secured Parties.

(ix) The Issuer has caused or will have caused, within 10 days of the Closing Date, the filing of all appropriate Financing Statements in the proper filing offices in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral Granted to the Trustee hereunder for the benefit and security of the Secured Parties.

(x) Other than as expressly granted or permitted under this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Collateral. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer other than any Financing Statement relating to the security interest Granted to the Trustee under this Indenture, or any such Financing Statement has been terminated on or before the Closing Date. The Issuer is not aware of any judgment, tax lien filing or Pension Benefit Guaranty Corporation lien filing against the Issuer.

(b) If the Issuer has actual knowledge that any representation set forth in Section 3.5(a) was materially incorrect when made, it shall provide notice thereof to Fitch.

ARTICLE IV

SATISFACTION AND DISCHARGE

Section 4.1 Satisfaction and Discharge of Indenture. (a) This Indenture shall be discharged and shall cease to be of further effect with respect to the Collateral and the Securities, except as to the following rights and obligations:

(i) rights of Holders of Securities to receive payments thereon as provided under this Indenture,

(ii) the rights and immunities of the Trustee under this Indenture and the obligations of the Trustee under this Article IV,

(iii) the rights and immunities of the Collateral Administrator under this Indenture and under the Collateral Administration Agreement,

(iv) the rights and immunities of the Bank in any of its other capacities under this Indenture and the Securities Account Control Agreement,

(v) the rights and obligations of the Collateral Manager under this Indenture and under the Collateral Management Agreement, and

(vi) the rights of Secured Parties as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them

when (A) the Trustee, at the request of the Issuer, confirms (which may be by email) that (1) no Collateral Assets, Eligible Investments or Equity Securities remain on deposit or are credited in the Accounts and (2) no Trust Officer of the Trustee has actual knowledge of the filing or commencement of, or a written threat received within the prior six months to file or commence, any claim or other proceeding in respect of the Collateral or the Notes and (B) the Trustee based on an Issuer Request closes the Accounts and confirms the same to the Issuer. The Issuer shall not make the request described in clause (B) if the Issuer has actual knowledge of any unresolved claim or pending proceedings in respect of the Collateral or the Notes. Following closure of the Accounts, the Trustee will, upon request by the Issuer, execute proper instruments acknowledging the satisfaction and discharge of this Indenture.

(b) Each of the Issuers shall forward a copy of its certificate of dissolution to the Trustee upon receipt.

(c) The rights and obligations of the Co-Issuers, the Trustee, the Collateral Manager and, if applicable, the Holders, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.12 will survive the discharge of this Indenture.

(d) If all Secured Notes have been paid in full, the Trustee shall (i) retain possession of all remaining Collateral held by it hereunder, (ii) collect and cause the collection of the proceeds thereof, (iii) make payments of any Issuer Expenses (including fees, expenses and indemnity amounts payable to the Trustee, the Collateral Administrator, the Bank in any of its other capacities under this Indenture and the Securities Account Control Agreement and to the Collateral Manager in each case in the order of priority set forth in the definition of Issuer Expenses) out of such proceeds and (iv) thereafter make payments to the Holders of the Subordinated Notes out of such proceeds in the amount and on the dates specified in an Issuer Order delivered pursuant to the definition of Payment Date, until such time as the Issuer or the Collateral Manager (on behalf of the Issuer) by Issuer Order directs the Trustee to transfer all property in the possession of the Trustee to or at the direction of the Issuer and to discontinue performing the duties set forth herein.

(e) To the extent the Trustee is obliged to take any action or perform any duties pursuant to Section 4.1(c), such actions and duties shall be in the capacity as agent for the Issuer and not as trustee (provided that the Trustee shall continue to have the same rights and protections afforded to the Trustee under this Indenture in such capacity). The Trustee shall not

be required to take any action or perform any duties pursuant to Section 4.1 if it shall have reasonable grounds to believe that the Issuer will be unable to continue to pay the amounts due to the Trustee pursuant to Section 6.7.

(f) The Issuer shall take action with respect to final disposition of the property held by the Trustee at the direction of (x) a Majority of the Subordinated Notes or (y) if such action would result in a distribution on the Subordinated Notes other than on a *pro rata* basis, 100% of the Holders of Subordinated Notes; provided that, if the Trustee has requested directions regarding the final disposition of some or all of the property held by it from the Issuer in writing and has not received such directions for 60 Business Days following delivery of such request to the Issuer, the Holders of the Subordinated Notes will be deemed to have directed and consented to the distribution of any cash held by the Trustee and the donation of any item of Collateral reasonably determined by the Collateral Manager to be unsalable and have a value of less than $1,000 to a charity designated by the Collateral Manager or the Issuer in an Issuer Order.

Section 4.2 Application of Trust Funds. All amounts deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Securities and this Indenture, including, without limitation, the Priorities of Payment (except to the extent set forth in Section 4.1), either directly or through any Paying Agent, as the Trustee may determine, to the Person entitled thereto of such amounts for whose payment such amounts have been deposited with the Trustee; but such amounts shall be segregated from other funds to the extent required herein or required by law.

Section 4.3 Repayment of Funds Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Securities, all amounts then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Issuer, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priorities of Payment and thereupon such Paying Agent shall be released from all further liability with respect to such amounts.

"**Event of Default**" means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment of any interest on any Non-Deferrable Class when the same becomes due and payable, which default continues for a period of five or more Business Days (or, in the case of a default in payment resulting solely from an administrative error or omission by the Collateral Manager, the Collateral Administrator, the Trustee, any Paying Agent or the Security Registrar, such default continues for a period of 10 Business Days after a Trust Officer of the Trustee receives written notice or a Trust Officer has actual

(c) unless legally required or permitted to withhold such amounts, the failure on any Payment Date to disburse amounts available in the Payment Account in accordance with the Priorities of Payment (other than as provided in clauses (a) and (b) above), which failure (x) is not remedied within 15 Business Days following a Trust Officer of the Trustee receiving written notice or obtaining actual knowledge of such failure and (y) is the result of the failure to disburse at least $25,000 in the aggregate on such Payment Date to the Holders of one or more Classes of the Secured Notes (or, in the case of such failure resulting solely from an administrative error or omission by the Trustee, the Collateral Manager, the Collateral Administrator, any Paying Agent or the Security Registrar, such default continues for a period of seven or more Business Days after a Trust Officer of the Trustee receives written notice or a Trust Officer has actual knowledge of such administrative error or omission and without regard to whether the cause of such error has been determined);

(e) either of the Issuers or the pool of collateral becomes an investment company required to be registered under the Investment Company Act and such requirement continues for a period of 45 days;

(f) except as otherwise provided in this definition of Event of Default, (i) a default in the performance, or breach, of any covenant or other agreement of either of the Issuers in this Indenture (not including a failure to meet the Portfolio Concentration Limits, any Collateral Quality Test, any Coverage Test or the Interest Reinvestment Test) and such default or breach (x) has a material adverse impact on the Securities and (y) has continued for a period of 30 days after notice is given by registered or certified mail or overnight courier to the Issuer and the Trustee by the Collateral Manager or to the Issuer, the Collateral Manager and the Trustee by a Majority of the Controlling Class in accordance with this Indenture specifying such default or breach, requiring it to be remedied and stating that such notice is a notice of default under this Indenture, or (ii) the failure of any representation or warranty of either of the Issuers made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct when made and such failure (x) has a material adverse impact on any Class of the Securities and (y) continues for a period of 30 days after notice is given by registered

or certified mail or overnight courier to the Issuer and the Trustee by the Collateral Manager or to the Issuer, the Collateral Manager and the Trustee by a Majority of the Controlling Class in accordance with this Indenture specifying such failure, requiring it to be remedied and stating that such notice is a notice of default under this Indenture; or

(g) (i) the entry of a decree or order by a court having competent jurisdiction adjudging either of the Issuers as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of it under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of it or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days or (ii) the institution by either of the Issuers of proceedings to be adjudicated as bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, the passing of a resolution for either of the Issuers to be wound up voluntarily or the filing by it of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of either of the Issuers or of any substantial part of its property, respectively, or the making by it of an assignment for the benefit of creditors, or the taking of any action by either of the Issuers in furtherance of any such action.

Upon the receipt of written notice or actual knowledge of the occurrence of an Event of Default, each of the Issuers, the Trustee and the Collateral Manager, but only to the extent that neither of the other such parties has previously provided such written notice, shall notify each other and each Rating Agency in writing, which may be by facsimile or electronic mail.

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default has occurred and is continuing (other than an Event of Default referred to in Section 5.1(g)) and such Event of Default has not been waived in accordance with this Indenture, the Trustee may, and shall upon the written direction of a Majority of the Controlling Class, by notice to the Issuer (with a copy to the Collateral Manager and the Rating Agencies) declare the principal of all Notes to be immediately due and payable. Upon any such declaration, all accrued Interest Distribution Amounts on and principal of the Notes (collectively, "**Accelerated Amounts**") shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section 5.1(g) occurs, Accelerated Amounts shall automatically and immediately become due and payable without any declaration or other act on the part of the Trustee or any Securityholder and the Reinvestment Period shall terminate.

(b) At any time after such an acceleration of maturity has occurred and before a judgment or decree for payment of amounts due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class, by notice to the Issuer and the Trustee (with a copy to the Collateral Manager), may rescind and annul such acceleration and its consequences if:

(i) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all due and unpaid installments of interest on and the principal amount of the Notes (other than as a result of the acceleration),

(B) to the extent that payment of such interest is lawful, interest upon Deferred Interest and Defaulted Interest at the applicable Interest Rates, and

(C) all due and unpaid taxes and Issuer Expenses and other sums paid or advanced by the Trustee hereunder and any other amounts then payable by either Applicable Issuer hereunder; and

(ii) a Majority of the Controlling Class by notice to the Trustee has agreed in writing that all Events of Default, other than the non-payment of the interest on or principal of the Notes that have become due solely by such acceleration, have been cured (which agreement shall not be unreasonably withheld) or waived as provided in Section 5.14.

At any such time as the Trustee shall rescind and annul such declaration and its consequences, the Trustee shall preserve the Collateral in accordance with the provisions of Section 5.5; provided, however, that if the Collateral is being liquidated pursuant to Section 5.5, the Notes may thereafter be accelerated by a Majority of the Controlling Class pursuant to this Section 5.2, notwithstanding any previous rescission and annulment of an acceleration. Notice of any such rescission or annulment shall be provided to each Rating Agency.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Any Hedge Agreement existing at the time of an acceleration pursuant to Section 5.2(a) may not be terminated by the Issuer (except where the Hedge Counterparty is the "defaulting party" or sole "affected party") unless and until liquidation of the Collateral has commenced or the annulment or rescission of any such acceleration is no longer permitted; provided, however, that notwithstanding the foregoing, an Asset Specific Hedge may be terminated to the extent that the Hedged Asset is sold, matures or otherwise is no longer held by the Issuer.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. (a) Each of the Issuers covenants that if a Default shall occur pursuant to Sections 5.1(a) or (b), the Applicable Issuer will, upon demand of the Trustee or any Holder of a Note of the Controlling Class, pay to the Trustee, for the benefit of the Holder of such Note, the whole amount, if any, then due and payable for the principal amount of and interest on such Note, with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

(b) If the Applicable Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon

direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuer or any other obligor upon the Securities and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the Collateral.

(c) If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall (subject to Section 6.3(e)) upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Holders by such appropriate Proceedings as the Trustee shall deem most effectual (if no direction from a Majority of the Controlling Class is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

(d) In case there shall be pending Proceedings relative to either of the Issuers or any other obligor upon the Securities under Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of either of the Issuers or its respective property (or such other obligor or its property), or in case of any other comparable Proceedings relative to either of the Issuers or other obligor upon the Securities, or the creditors or property of either of the Issuers or such other obligor, the Trustee, regardless of whether the principal of any Securities shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for all Accelerated Amounts and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of Holders allowed in any Proceedings relative to either of the Issuers;

(ii) unless prohibited by applicable law and regulations, to Vote on behalf of Holders, upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(iii) to collect and receive any property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each Holder to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to Holders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all

advances made, by the Trustee and each predecessor Trustee except as a result of negligence or willful misconduct.

(e) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or Vote for or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to Vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to Vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture, or under any of the Securities, may be enforced by the Trustee without the possession of any of the Securities or the production thereof in any trial or other Proceedings relative thereto, and any action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the reasonable expenses, disbursements and compensation of the Trustee, each predecessor trustee and their respective agents and attorneys and counsel, shall be for the ratable benefit of the Secured Parties in accordance with the Priorities of Payment.

In any Proceedings brought by the Trustee on behalf of Holders (including any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all such Holders.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may sell or liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.3 only in accordance with Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and Accelerated Amounts have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, each of the Issuers agrees that the Trustee may (after notice to each Holder), and, upon direction by a Majority of the Controlling Class shall, subject to Section 6.3(e), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Securities or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral any amounts adjudged due;

(ii) sell or cause the sale of all or a portion of the Collateral or rights of interest therein, at one or more Sales;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC (without regard to whether such UCC is in effect in the jurisdiction in which such remedies are sought to be

exercised) and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Secured Parties hereunder; and

(v) exercise any other rights and remedies that may be available at law or in equity.

Notwithstanding the above remedies, the Trustee may liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.4 only in accordance with Section 5.5(a).

(b) If an Event of Default as described in Section 5.1(f) hereof shall have occurred and be continuing the Trustee may, and, subject to Section 5.13, at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall (subject to Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(f), and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, to the extent permitted by applicable law, the Trustee, the Collateral Manager, any Holder or other Secured Party may bid for and purchase the Collateral or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt by the Trustee, or by the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their payment of the purchase price, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind each of the Issuers, the Trustee and the Holders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Holders or beneficial owners of any security, the Trustee, any other Secured Party nor any third party beneficiary may, prior to the date that is one year (or, if longer, the applicable preference period then in effect) plus one day, after the payment in full of all Securities, institute against, or join any other Person in instituting against, either of the Issuers or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction. The foregoing restrictions are a material inducement for each Holder and beneficial owner of Securities to acquire such Securities and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and

the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any Holder or beneficial owner of a Note, the Collateral Manager, the Trustee, any Tax Subsidiary or either of the Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings (other than an Approved Tax Liquidation), or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) plus one day in (A) any case or Proceeding voluntarily filed or commenced by either of the Issuers or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against either of the Issuers, any Tax Subsidiary or any of their properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5 Preservation of Collateral. (a) If an Event of Default shall have occurred and be continuing, the Trustee shall retain the Collateral (except as permitted under Section 12.1) and shall not liquidate the Collateral, and the Trustee shall collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all Accounts and the Notes in accordance with the Priorities of Payments and the provisions of Articles X through XIII and:

(i) the Trustee determines, pursuant to Section 5.5(c), that the anticipated proceeds of a sale or liquidation of the Collateral (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due and unpaid on the Secured Notes for principal and interest (including any Defaulted Interest and Deferred Interest) and any amounts payable to any Hedge Counterparty (including any termination payments), any unpaid Issuer Expenses and any other fees and expenses of the Issuers (including any accrued and unpaid Management Fees), and a Majority of the Controlling Class agrees in writing with such determination;

(ii) following the occurrence of any Event of Default, a Majority of each Class of Secured Notes, voting separately by Class, direct the sale and liquidation of the Collateral in accordance with this Indenture;

(iii) following the occurrence of an Event of Default specified under Sections 5.1(a) or (b), in respect of the Class A-1 Notes, a Majority of the Class A-1 Notes (so long as any Class A-1 Notes remain Outstanding) directs the sale and liquidation of the Collateral in accordance with this Indenture; or

(iv) following the occurrence of an Event of Default specified under Section 5.1(d), a Majority of the Class A-1 Notes (so long as any Class A-1 Notes remain Outstanding) directs the sale and liquidation of the Collateral in accordance with this Indenture;

provided, however, that, notwithstanding clause (i) above, the Collateral Manager, on behalf of the Issuer, may direct the Trustee to, and the Trustee shall in the manner directed, (x) continue to

sell assets in the manner set forth under the Term Sheet, subject to any limitations contained therein, (y) deliver assets in connection with the terms of any contractual arrangement entered into prior to the occurrence of an Event of Default and (z) accept and execute any Offer or tender offer made to all holders of any Collateral Assets at a price equal to or greater than its par amount plus accrued interest. The Issuer must continue to hold funds in any reserve account to the extent required to meet the Issuer's obligation for future payments.

The Trustee shall give notice of the retention of the Collateral to the Issuer with a copy to the Collateral Manager. So long as such Event of Default is continuing, any prohibition against liquidating the Collateral pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Collateral if prohibited by applicable law or if the Trustee is directed to liquidate the Collateral pursuant to Section 5.5(a)(ii), (iii) or (iv).

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee may (i) conclusively rely upon the opinion of an Independent, nationally recognized investment banking firm, or other appropriate advisor, specified by the Collateral Manager or (ii) obtain bid prices with respect to each Pledged Asset contained in the Collateral, as specified by the Collateral Manager in its sole discretion, either from a Qualified Pricing Service or two nationally recognized dealers (or if not available, one nationally recognized dealer) (in each case Independent from the Collateral Manager) at the time making a market in such Pledged Assets (in each case as certified by the Collateral Manager) and shall compute the anticipated proceeds on the basis of the bid from such Qualified Pricing Service or the lower of such bid prices for each such obligation. Any expenses incurred by the Trustee under this Section 5.5(c) shall constitute "Issuer Expenses".

(d) The Trustee shall not be required to make the determination required pursuant to Section 5.5(a)(i) unless requested by a Majority of the Controlling Class. The Trustee shall deliver to each Holder a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after the request of a Majority of the Controlling Class at any time (but not more frequently than quarterly, unless a Majority of the Controlling Class reimburses expenses associated with such determination) during which the Trustee is prohibited from selling or liquidating the Collateral pursuant to Section 5.5(a)(i).

Section 5.6 Trustee May Enforce Claims Without Possession of Securities. All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Funds Collected. Any funds collected by the Trustee with respect to the Securities pursuant to this Article V and any funds that may then be

held or thereafter received by the Trustee with respect to the Securities hereunder shall be applied in accordance with the Priorities of Payment.

Section 5.8 Limitation on Suits. No Securityholder shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, the Notes, the appointment of a receiver or trustee or any other remedy hereunder, unless an Event of Default has occurred and:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) except as otherwise provided in Section 5.9, the Trustee also has received a written request from the Holders of not less than 25% of the Aggregate Outstanding Amount of the Notes of the Controlling Class to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holders have offered to the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, reasonably satisfactory to it;

(c) the Trustee, for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(d) no direction inconsistent with such request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class.

No one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture or the Notes to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of Notes of the same Class or to enforce any right under this Indenture or the Notes, except in the manner herein provided and for the equal and ratable benefit of all Holders of Notes of the same Class subject to and in accordance with the Priorities of Payment.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act at the direction of the group representing the greater percentage of the Controlling Class and if the groups represent the same percentages, the Trustee shall act in accordance with the direction it received first.

Section 5.9 Unconditional Rights of Holders to Receive Payable Amounts. (a) Notwithstanding any other provision in this Indenture (other than Section 2.7(i)), the Holder of any Secured Notes shall have the right, which is absolute and unconditional, to receive payment of any Payable Amounts, as such Payable Amounts become due and payable in accordance with the Priorities of Payment and, subject to the provisions of Sections 5.4(d) and 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of any such Holder.

(b) Notwithstanding any other provision in this Indenture (other than Section 2.7(i)), the Holder of any Subordinated Notes shall have the right, which is absolute and

unconditional, to receive payment of any Payable Amounts, as such Payable Amounts become due and payable in accordance with the Priorities of Payment. Holders of Subordinated Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Higher-Ranking Class remains Outstanding, which right shall be subject to the provisions of Sections 5.4(d) and 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.13 Control by Holders. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance, of an Event of Default to cause the institution of and direct the Trustee (with a copy to the Collateral Manager) as to the time, method and place of conducting any Proceeding for any remedy available to the Trustee; provided that:

(a) such direction shall not conflict with applicable law or with any express provision of this Indenture, including, without limitation, Section 5.5(a);

(b) the Trustee determines that such action will not involve it in liability or expense (unless the Trustee has received indemnity reasonably satisfactory to it against any such liability or expense);

(c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Collateral shall be made pursuant to and in accordance with Sections 5.4 and 5.5; and

(e) subject to Section 6.1, the Trustee need not take any action that it is directed to take pursuant to this Section 5.13 that it determines might involve it in liability.

Section 5.14 Waiver of Defaults. Prior to the time a judgment or decree for payment of amounts due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Event of Default and its consequences, except an Event of Default:

(a) in the payment of principal of any Notes or interest on any Notes;

(b) in respect of a default in the performance, or breach, of any covenant or other agreement that under Section 8.2 cannot be modified or amended without the waiver or consent of 100% of any Class; or

(c) arising under Section 5.1(g).

In the case of any such waiver, each of the Issuers, the Trustee and the Holder shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give notice of any such waiver to the Collateral Manager and each Holder and each Rating Agency.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or any other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Security by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Notes of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of amounts due and payable with respect to any Securities on or after the Stated Maturity Date (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. Each of the Issuers covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and each of the Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and

covenants that it will not hinder, delay or impede the execution of any power herein Granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17 Sale of Collateral. (a) The power to effect any sale of any portion of the Collateral pursuant to Sections 5.4 and 5.5 (a "**Sale**") shall not be exhausted by any one or more Sales as to any portion of such Collateral remaining unsold but shall continue unimpaired until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. The Trustee may upon notice to the Collateral Manager and each Holder and shall, upon written direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Securities or other amounts secured by the Collateral, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Certificates representing such Securities (if any) need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Securities. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of securities issued without registration under the Securities Act, the Trustee may, at the expense of the Issuer, seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained, seek a no-action position from the U.S. Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest without recourse, representation or warranty in any portion of the Collateral in connection with a sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to take all action necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or to see to the application of any payment.

(e) To the extent permitted by applicable law, the Collateral Manager, any fund managed by the Collateral Manager, any Holder and/or their respective Affiliates may bid for and acquire any portion of the Collateral in connection with a public sale thereof.

Section 5.18 Action on the Securities. The Trustee's right to seek and recover judgment on the Securities or under this Indenture shall not be affected by the seeking or

obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of either of the Issuers.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming on their face to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within five Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. (c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Collateral or the Securities. The Trustee shall not be accountable for the use or application by either of the Issuers of the Securities or the proceeds thereof or any amounts paid to either of the Issuers pursuant to the provisions hereof.

any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

Section 6.6 Funds Held in Trust. All funds held by the Trustee hereunder shall be held in trust to the extent required herein. Each account established pursuant to this Indenture shall be an Eligible Account.

The Trustee shall be under no liability for interest on any funds received by it hereunder except as otherwise agreed upon with the Issuer in writing and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received (and not subsequently reinvested or withdrawn) by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank in each of its capacities under the Transaction Documents on each Payment Date reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as set forth in the fee letter, dated on or prior to the Closing Date, as the same may be amended or otherwise modified from time to time;

(ii) except as otherwise expressly provided herein, to reimburse the Bank in each of its capacities under the Transaction Documents in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in each of its capacities under the Transaction Documents in accordance with any provision of this Indenture or any other Transaction Document (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any Qualified Pricing Service, accounting firm or investment banking firm employed by the Bank pursuant to Section 5.4, 5.5, 5.17, 6.3(c), 6.3(d), 10.5 or 10.7, except any such expense, disbursement or advance as may be attributable to the Trustee's negligence or willful misconduct); provided that the securities transaction charges referred to above shall, in the case of certain Eligible Investments specified by the Collateral Manager, be waived to the extent of any amounts received by the Bank during a Due Period from a financial institution in consideration of purchasing such Eligible Investments;

(iii) to indemnify the Bank in each of its capacities under the Transaction Documents and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability, claim, damage or expense (including reasonable counsel's fees and expenses) incurred without negligence or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this Indenture, and the trust established hereunder and the transactions contemplated hereby, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder or any other document related hereto; and

(iv) to pay the Bank in each of its capacities under the Transaction Documents reasonable additional compensation together with its expenses (including reasonable counsel fees and expenses) for any collection or enforcement action taken pursuant to Section 6.13 hereof.

(b) The Bank in each of its capacities under the Transaction Documents hereby agrees not to cause the filing of a petition in bankruptcy against either of the Issuers or any Tax Subsidiary for the non-payment to the Bank of any amounts provided by this Section 6.7 until at least one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes. Nothing in this Section 6.7 shall preclude, or be deemed to stop, the Bank in each of its capacities under the Transaction Documents from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) plus one day in (A) any case or Proceeding voluntarily filed or commenced by either of the Issuers or any Tax Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Bank in each of its capacities under the Transaction Documents.

(c) The Bank in each of its capacities under the Transaction Documents acknowledges that all payments payable to it under this Indenture shall be solely payable out of the Collateral and subject to Article XI. If, on any date when any amount shall be payable to the Bank pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available. Following realization of the Collateral and distribution of proceeds in the manner provided in Article XI, any obligations of either of the Issuers and any claims of the Trustee against either of the Issuers shall be extinguished and shall not thereafter revive.

(d) The Issuer's payment obligations to the Bank in each of its capacities under the Transaction Documents under this Section 6.7 shall be subject to the Priorities of Payment, and shall survive the discharge of this Indenture and the resignation or removal of the Bank in each of its capacities under the Transaction Documents. When the Bank in each of its capacities under the Transaction Documents incurs expenses after the occurrence of an Event of Default under Section 5.1(g), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

(e) Amounts payable to the Bank by the Portfolio Seller in respect of the remittance of amounts received on behalf of the Portfolio Seller which are required to be paid to the Issuer pursuant to the terms of the Master Participation Agreement shall constitute Administrative Expenses payable to the Bank hereunder.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be a corporation or banking association organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least $200,000,000, subject to supervision or examination by federal or state authority, having a

counterparty risk assessment of at least "Baa1(cr)" by Moody's (or if Moody's has not assigned a counterparty risk assessment, a senior unsecured debt rating of at least "Baa1" by Moody's), and having an office within the United States. If such corporation or banking association publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation or banking association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee (the "**Successor Trustee**") pursuant to this Article shall become effective until the acceptance of appointment by the Successor Trustee under Section 6.10. The rights to reimbursement and indemnification in favor of the Trustee in Section 6.7 hereof shall survive any resignation or removal (to the extent of any indemnified liabilities, costs, expenses and other amounts arising or incurred prior to, or arising out of actions or omissions occurring prior to such resignation or removal).

(b) The Trustee may resign at any time by giving notice thereof to each of the Issuers, the Collateral Manager, each Holder and each Rating Agency. Any such resignation shall also be deemed to be a resignation of the Calculation Agent, the Security Registrar, the Paying Agent, the Intermediary and the Transfer Agent and any other capacity performed by the Bank (each, a "**Trustee Role**") to the extent the Trustee or an Affiliate thereof is acting in such role. If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason, the Issuer shall promptly appoint a Successor Trustee (who shall also agree to perform each Trustee Role from which the Trustee was deemed to resign, if any) by Issuer Order, one copy of which shall be delivered to each of the Trustee, the Successor Trustee, each Holder and the Collateral Manager; provided that such Successor Trustee shall be appointed unless a Majority of the Securities (voting as a single class) has objected to such appointment within 30 days after notice thereof; in such event, or if the Issuer shall fail to appoint a Successor Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, or at any time when an Event of Default shall have occurred and be continuing, a Successor Trustee may be appointed by Act of a Majority of the Controlling Class delivered to the Issuer and the Trustee. The Successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the Successor Trustee and supersede any Successor Trustee proposed by the Issuer. If no Successor Trustee shall have been appointed and an instrument of acceptance by a Successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee, or any Holder, on behalf of itself and all others similarly situated, and subject to Section 5.15, may petition any court of competent jurisdiction for the appointment of a Successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed upon 30 days' written notice at any time by Act of a Majority of the Notes (voting as a single class) or, if an Event of Default shall have occurred and be continuing, by Act of a Majority of the Controlling Class, delivered to the Trustee and each of the Issuers. A removal of the Trustee pursuant to this Section 6.9(c) shall be

deemed to be a removal of the Trustee from each of the Trustee Roles to the extent the Trustee or an Affiliate thereof is acting in such role. In the event of a removal of the Trustee, a Successor Trustee shall be appointed in accordance with Section 6.9(b).

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after request therefor by the Issuer or by a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation

then, in any such case (subject to Section 6.9(a)), (A) the Issuer, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a Successor Trustee.

(e) The Issuer shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a Successor Trustee to each Rating Agency and to each Holder of the Securities. Such notice shall include the name of the Successor Trustee and the address of its Corporate Trust Office. If the Issuer fails to provide such notice within 10 days after acceptance of appointment by the Successor Trustee, the Successor Trustee shall cause such notice to be given at the expense of the Issuer.

Section 6.10 Acceptance of Appointment by Successor. Every Successor Trustee appointed hereunder and qualified under Section 6.8 shall execute, acknowledge and deliver to the Issuer and the retiring Trustee an instrument accepting such appointment and agreeing to be bound by this Indenture, the Collateral Administration Agreement and the Securities Account Control Agreement. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such Successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuers or a Majority of any Class of Notes or the Successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such Successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such Successor Trustee all property held by such retiring Trustee hereunder. Upon request of any such Successor Trustee, each of the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such Successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such entity

shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any document or any further act on the part of any of the parties hereto; provided that the Trustee shall give notice thereof to each of the Issuers, the Collateral Manager, each Holder, and each Rating Agency. In case any of the Securities have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such Successor Trustee had itself authenticated such Securities.

Section 6.12 Co-Trustees. (a) At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Issuer and the Trustee shall have power to appoint one or more Persons to act as co-trustee (with prior notice to each Rating Agency), jointly with the Trustee, of all or any part of the Collateral with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12; provided that any such Person satisfies the requirements of Section 6.8.

Each of the Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If each of the Issuers does not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from either of the Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by each of the Issuers. The Issuer agrees to pay (but only from and to the extent of the Collateral), to the extent funds are available therefor under the Priorities of Payment, any reasonable fees and expenses in connection with such appointment.

(b) Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(i) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised or performed solely by the Trustee;

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event, such rights, powers, duties and obligations shall be exercised and performed by a co-trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(iv) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(v) the Trustee shall not be personally liable by reason of any act or omission of a co-trustee appointed by it with due care; and

(vi) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Trustee shall not have received a payment with respect to any Pledged Asset on its Due Date (unless the Trustee is directed otherwise by the Collateral Manager), (a) the Trustee shall promptly notify the Collateral Manager and (b) unless (i) within a reasonable time after such notice such payment shall have been received or (ii) the Issuer (acting at the direction of the Collateral Manager, in its absolute discretion (but only to the extent permitted by Section 10.2) shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2), the Trustee shall request the issuer of such Pledged Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to Section 6.1(c)(iv), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or an Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of a Pledged Asset and/or delivers a Collateral Asset in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.6 and Article XII of this Indenture. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Asset or any substituted Collateral Asset received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Collateral.

Section 6.14 Authenticating Agents. Upon the request of the Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Securities in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Securities. For all purposes of this Indenture, the

authentication of Securities by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Securities "by the Trustee."

Any entity into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any entity succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any document or any further act on the part of the parties hereto or such Authenticating Agent or such successor entity.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee may at its discretion, but shall promptly upon written request of the Issuer, appoint a successor Authenticating Agent and shall give notice of such appointment to the Issuer.

The Issuer, if the appointment is at its request, or otherwise the Trustee, agrees to pay to each Authenticating Agent appointed by it from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto and the Trustee shall be entitled to be reimbursed for such payments, subject to Section 6.7. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Representative for Holders Only of the Secured Notes; Agent for all other Secured Parties and Holders of the Subordinated Notes. With respect to the security interests created hereunder, the pledge of any item of Collateral to the Trustee is to the Trustee as representative for the Holders of the Secured Notes (except prior to the occurrence and continuation of a Default or an Event of Default, in which case such pledge is to the Trustee as representative of the Holders) and agent for any other Secured Party and the Holders of the Subordinated Notes. The Trustee shall have no fiduciary duties to any Secured Parties (other than the Holders of the Secured Notes, as provided herein); provided that the foregoing shall not limit any of the express obligations of the Trustee under this Indenture.

Section 6.16 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank is duly organized and is validly existing under the laws of its Governing Jurisdiction and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture will constitute the legal, valid and binding obligation of the Bank enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, moratorium and similar laws affecting the rights

of creditors and subject to equitable principles (whether enforcement is sought in a legal or equitable proceeding).

(c) Eligibility. The Bank is eligible under Section 6.8 hereof to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration (which have not already been obtained) under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the banking or trust powers of the Bank.

Section 6.17 Withholding. If any amount is required to be deducted or withheld from any payment to any Holder or is withheld in connection with FATCA, such amount shall reduce the amount otherwise distributable to such Holder. Each of the Trustee and the Paying Agent is hereby authorized to withhold or deduct from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally required to be withheld or deducted under law or a voluntary agreement entered into with a taxing authority (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and legally withholding payment of such tax, pending the outcome of such proceedings). The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Securities as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Securities. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is deducted or withheld by the Issuer or the Trustee, as applicable, and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.17. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee for any out-of-pocket expenses incurred.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Payable Amounts. (a) The Applicable Issuer will duly and punctually pay Payable Amounts on the Securities in accordance with the terms of such Securities and this Indenture. Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder of such amounts shall be considered as having been paid by the Applicable Issuer to such Holder for all purposes of this Indenture.

(b) Failure of a Holder of a Security to provide the Trustee or any Paying Agent and the Issuer with appropriate tax certifications or other information may result in amounts being withheld from the payment to such Holders.

Section 7.2 Maintenance of Office or Agency. Each of the Issuers hereby appoints the Trustee as a Paying Agent for payments with respect to the Securities and the

Trustee as Transfer Agent (at its Corporate Trust Office or as otherwise specified by the Trustee) as its agent where Securities may be surrendered for registration of transfer or exchange.

Each of the Issuers will maintain a Process Agent in New York.

No Paying Agent shall be appointed in a jurisdiction that subjects payments on the Securities to withholding tax.

The Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes and shall give prompt notice to the Trustee, each Rating Agency and each Holder of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Funds for Payments to be Held in Trust. All payments of Payable Amounts that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuer by the Trustee or a Paying Agent with respect to payments on the applicable Securities.

When the Issuers shall have a Paying Agent that is not also the Security Registrar, the Issuer shall furnish, or cause the Security Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Securities held by each such Holder.

Whenever the Issuers shall have a Paying Agent other than the Trustee, the Issuer shall, on or before the Business Day preceding each Payment Date, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due with respect to the applicable Classes of Securities (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. Any funds deposited with a Paying Agent (other than the Trustee) with respect to the applicable Classes of Securities in excess of an amount sufficient to pay the Payable Amounts with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent for the Securities shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee and each Rating Agency. So long as the Securities of any Class are rated by a Rating Agency, either (i) each Paying Agent has (x) a counterparty risk assessment at least "Baa1(cr)" by Moody's and (y)(1) a long-term debt rating of at least "A" and a short-term debt rating of "F1" by Fitch or (2) if such Paying Agent is not rated by Fitch, a long-term debt rating of at least "A+" by S&P (or, in the absence of a long-term debt rating by S&P, a short-term debt rating of "A-1" by S&P), or (ii) Rating Agency Confirmation shall have been received. In the event that such successor Paying Agent ceases to have any such rating, and Rating Agency Confirmation is not received, the Issuer shall promptly remove such Paying Agent and appoint a

successor Paying Agent. Neither of the Issuers shall appoint any Paying Agent (other than the initial Paying Agent) that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national authorities. The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Securities for which it acts as Paying Agent on each Payment Date among such Holders in the proportion specified in the applicable report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Securities if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any Default by either of the Issuers (or any other obligor upon the Securities) in the making of any payment required to be made;

(e) if such Paying Agent is not the Trustee at any time during the continuance of any such Default, upon the request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(f) not institute against the Issuer, the Co-Issuer or any Tax Subsidiary, or join, cause, cooperate with or encourage any other Person in instituting against the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, insolvency, reorganization, moratorium, receivership, liquidation or similar Proceeding so long as any Securities shall be Outstanding and there shall not have elapsed one year (or, if longer, the applicable preference period then in effect) plus one day, including, without limitation, any period established pursuant to the laws of the Cayman Islands since the last day on which any Securities shall have been Outstanding.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect thereto.

Except as otherwise required by applicable law, any funds deposited with the Trustee or any Paying Agent in trust for the payment on any Securities and remaining unclaimed for two years after such amounts have become due and payable shall be paid to the Issuer and the

Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Trustee or such Paying Agent with respect to such trust funds (but only to the extent of the amounts so paid to the Issuer) shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Securities have been called but have not been surrendered for redemption or whose right to or interest in amounts due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of the Issuers. (a) To the extent possible under applicable laws, each of the Issuers shall (i) maintain in full force and effect its existence and rights as entities under the laws of its Governing Jurisdiction; provided, however, at any time that all Co-Issued Notes have been redeemed or paid in full, the Co-Issuer may be dissolved, (ii) obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Securities or any of the Collateral and (iii) correct any known misunderstanding concerning its separate existence; provided, however, that each of the Issuers shall be entitled to change its jurisdiction of incorporation from its Governing Jurisdiction on the Closing Date to any other jurisdiction it reasonably selects so long as (x) such change is not disadvantageous in any material respect to any of the Holders, (y) notice of such change shall have been given by the Issuer to the Trustee and forwarded by the Trustee to the Holders and each Rating Agency and (z) on or prior to the fifteenth Business Day following such notice the Trustee shall not have received notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuers shall (i) ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings) are followed, (ii) maintain their books and records separate from any other Person, (iii) maintain their accounts separate from those of any other Person, (iv) not commingle any of their assets with those another Person, (v) maintain an arm's length relationship with their Affiliates, (vi) each maintain separate financial statements (if any) from those of any other Person, (vii) pay their liabilities out of their respective funds, (viii) each hold themselves out as a separate entity and (ix) take affirmative steps to correct any misunderstanding regarding their separate identity.

Section 7.5 Protection of Collateral. (a) The Issuer shall take or cause to be taken such action as is necessary or reasonably desirable in order to maintain the perfection and priority of the security interest of the Trustee in the Collateral and shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be reasonably necessary or advisable to secure the rights and remedies of the Trustee for the benefit of the Secured Parties hereunder and to:

(i) Grant more effectively all or any portion of the Collateral;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture, including, without limitation, the first priority nature of the lien, or to carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or advisable as a result of changes in law or regulations);

(iv) enforce any of the Pledged Assets or other instruments or property included in the Collateral;

(v) preserve and defend title to the Collateral and the rights therein of the Trustee for the benefit of the Secured Parties against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Collateral.

The Issuer shall prepare and hereby authorizes the filing of an initial Financing Statement in the appropriate jurisdiction in connection with the Grant pursuant to this Indenture that names the Issuer as "Debtor" and the Trustee, on behalf of the Secured Parties, as "Secured Party" and that identifies as collateral Granted to the Trustee "all assets in which the Issuer now or hereafter has rights" or words to a similar effect. The Issuer hereby appoints the Trustee its agent and attorney in fact for the purpose of filing (and hereby authorizes the filing of) any other Financing Statement, continuation statement or other instrument, as such may be required pursuant to this Section 7.5; provided that such appointment shall not impose upon the Trustee any of the Issuer's obligations under this Section 7.5.

The Issuer shall register the security interests granted under this Indenture in its register of mortgages and charges maintained at the Issuer's registered office in the Cayman Islands.

(b) The Trustee shall not, except in accordance with Sections 10.6 or 12.1, permit the removal of any portion of the Collateral or transfer any portion of the Collateral from the Account to which it is credited, or cause or permit any change in the delivery made pursuant to Section 3.3 with respect to any Collateral if after giving effect thereto the jurisdiction governing the perfection of security interest of the Trustee in such Collateral is different from the jurisdiction governing perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)), unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall enforce all of its material rights and remedies under the Collateral Management Agreement and the Collateral Administration Agreement.

(d) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute Collateral and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6 Opinions as to Collateral. For so long as any Securities are Outstanding, on or before each Annual Report Date, the Issuer shall furnish to the Trustee and each Rating Agency an Opinion of Counsel stating that, in the opinion of such counsel, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Collateral remains in effect and that no further action (other than as specified in such opinion) needs to be taken (under then current law) to ensure the continued effectiveness of such lien until the Annual Report Date of the next calendar year.

Section 7.7 Performance of Obligations. Each of the Issuers may contract with other Persons, including the Collateral Manager and the Collateral Administrator, for the performance of actions and obligations to be performed by it hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral as set forth in the Collateral Management Agreement and the Collateral Administration Agreement, respectively. Notwithstanding any such arrangement, the Issuer or Co-Issuer shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuer or Co-Issuer, respectively, and the Issuer or Co-Issuer will punctually perform, and use its best efforts to cause the Collateral Manager, the Collateral Administrator or such other Person to perform, all of its obligations and agreements contained in the Collateral Management Agreement, the Collateral Administration Agreement or such other agreement. Each of the Issuers shall comply with all applicable laws, rules, regulations, orders, writs, judgments, decrees and injunctions.

Section 7.8 Negative Covenants. (a) The Issuer will not and, with respect to clauses (ii) through (xii) and clauses (xiv) and hereof, the Co-Issuer will not, except as expressly permitted by this Indenture:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Collateral;

(ii) claim any credit on, or make any deduction from, or dispute the enforceability of the amounts payable in respect to the Securities (other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Securities and this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities, or (2) issue any additional shares or stock;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Securities, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Collateral or any part thereof, any interest therein or the proceeds thereof, or (C) take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Collateral;

(v) for so long as any of the Securities are Outstanding, neither of the Issuers shall register the transfer of its ordinary shares or common stock, as applicable, to U.S. Persons;

(vi) amend or waive "non-petition" and "limited recourse" provisions in any of its existing agreements;

(vii) fail to maintain at least one director (or manager in the case of the Co-Issuer) who is Independent from the Trustee, the Collateral Manager, the Collateral Administrator and any Hedge Counterparty;

(viii) have any subsidiaries or employees (other than its directors or managers) provided that the Issuer may have as a subsidiary, in addition to the Co-Issuer, any entity that (x) meets the then-current general criteria of the Rating Agencies for bankruptcy remote entities and (y) is a Tax Subsidiary; provided, further, that any Tax Subsidiary (A) will be wholly owned by the Issuer, (B) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such subsidiary's constituent documents, (C) will not have any subsidiaries, (D) will not have any employees (other than directors or managers to the extent they are employees) and will not conduct business under any name other than its own, (E) will not incur or guarantee any indebtedness except indebtedness with respect to which the Issuer is the sole creditor and will not hold itself out as being liable for the debts of any other Person, (F) will provide in its constitutive documents that recourse with respect to the costs, expenses or other liabilities of such Tax Subsidiary is solely to the assets of such Tax Subsidiary and not to the Issuer or its assets except to the extent otherwise required under applicable law, (G) will provide in its constitutive documents a limitation on its business such that it may only engage in the acquisition, holding and

disposition of assets that are contributed to it by the Issuer under this Indenture and any assets, income and proceeds received in respect thereof (and activities ancillary thereto), (H) will distribute (including by way of interest payment) 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer, (I) will be required at all times to have at least one independent director or manager meeting the requirements for an "Independent" director or manager as set forth in such Tax Subsidiary's organizational documents, (J) will not purchase real property or any ownership interest in real property and (K) will be treated as a corporation for U.S. federal income tax purposes. The Issuer shall provide notice to each Rating Agency of the formation of any Tax Subsidiary and of the transfer of any equity interest to a Tax Subsidiary;

(ix) engage in any transaction with the holders of its ordinary shares that would constitute a conflict of interest (provided that the foregoing shall not prohibit the Issuer from entering into the Administration Agreement or the AML Services Agreement);

(x) conduct business in any name other than its own, commingle its property with the property of any other entity or take any other action or conduct its affairs in a manner that is reasonably likely to result in its separate existence being ignored or its assets and liabilities being substantively consolidated with the assets or liabilities of any other Person in a bankruptcy, reorganization or other insolvency Proceeding;

(xi) pay dividends other than in accordance with the terms of this Indenture and its Governing Documents;

(xii) except for any agreements involving the purchase and sale of Collateral Assets having customary purchase or sale terms and documented with customary loan trading documentation (but not excepting any investment in any Hedge Agreement), enter into any agreements that provide for future payments on the part of the Issuer unless such agreements contain "non-petition" and "limited recourse" provisions;

(xiii) redeem any Notes except in accordance with the Priorities of Payment and Article IX, nor purchase or otherwise provide consideration to acquire or in exchange for any Note;

(xiv) purchase or acquire any of the Notes, other than in connection with a transfer or exchange, Optional Redemption, Refinancing, Clean-up Call Redemption, Special Redemption or as otherwise set forth in this Indenture;

(xv) join, cause, cooperate with or encourage any other Person in instituting against the Issuer, the Co-Issuer or any Tax Subsidiary, any bankruptcy, insolvency, reorganization, moratorium, receivership, liquidation (other than an Approved Tax Liquidation) or similar Proceeding so long as any Securities shall be Outstanding and there shall not have elapsed one year (or, if longer, the applicable preference period then in effect) plus one day, including, without limitation, any period established pursuant to

the laws of the Cayman Islands since the last day on which any Securities shall have been Outstanding; or

(xvi) engage in securities lending.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in cash.

(c) The Issuer will not enter into any agreement amending, modifying or terminating the Collateral Management Agreement except in accordance with its terms.

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity, or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net basis or income tax on a net income basis in any other jurisdiction.

(e) In furtherance and not in limitation of Section 7.8(d), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the restrictions set forth in Exhibit A to the Collateral Management Agreement (the "**Investment Guidelines**"). For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.8(e) in connection with the waiver, amendment, elimination, modification or supplement of any provision of the Investment Guidelines in accordance with the terms thereof.

Section 7.9 Statement as to Compliance. On or before each Annual Report Date, or immediately if there has been a Default under this Indenture, the Issuer shall deliver to the Trustee, the Collateral Manager, each Holder, requesting Certifying Person, and each Rating Agency an Officer's certificate stating, as to each signer thereof, that:

(a) a review of the activities of the Issuer and of the Issuer's performance under this Indenture during the prior calendar year (or from the Closing Date until the last day of the calendar year in which the Closing Date occurs, in the case of the first such Officer's certificate) has been made under his or her supervision; and

(b) to the best of his or her knowledge, based on such review, no Default or Event of Default has occurred during such year, or, if there has been a Default or an Event of Default, specifying each such Default or Event of Default known to him or her and the nature and status thereof.

Section 7.10 Consolidation or Merger, Only on Certain Terms. Neither the Issuer nor the Co-Issuer (as applicable, the "**Merging Entity**") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person (other than in a liquidation of Collateral contemplated under this Indenture), unless permitted by the law of its Governing Jurisdiction and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "**Successor**") shall be a company incorporated and existing under the same Governing Jurisdiction or such other jurisdiction approved by a Majority of the Controlling Class; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in its Governing Jurisdiction pursuant to Section 7.4; provided, further, that such Person shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and the Collateral Manager, the due and punctual payment of principal of, interest on and other payments on all Securities and the performance of every covenant of this Indenture and each other Transaction Document on its part to be performed or observed, all as provided herein;

(b) with respect to such consolidation or merger, the Issuer shall have obtained, and delivered to the Trustee, the Rating Agency Confirmation;

(c) if the Merging Entity is not the surviving corporation, the Successor shall have agreed to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or transfer or convey the Collateral or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor shall have delivered to the Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in its Governing Jurisdiction; that such Person has sufficient power and authority to assume the obligations set forth in Section 7.10(a) and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject to bankruptcy, reorganization, insolvency, moratorium and other laws affecting creditors' rights generally and to general principles of equity (regardless of whether in a proceeding in equity or at law); that, if the Merging Entity is the Issuer, immediately following the event which causes such Person to become the successor to the Merging Entity, (i) such Person has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to any Collateral securing, in the case of a consolidation or merger of the Issuer, all of the Secured Notes or, in the case of any transfer or conveyance of the Collateral such Secured Notes, (ii) the Trustee continues to have a valid perfected first priority security interest in the Collateral and (iii) such other matters as the Trustee or any Holder may reasonably require;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified each Rating Agency of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that no adverse tax consequences will result therefrom to any Holders;

(g) after giving effect to such transaction, neither of the Issuers nor the pool of Collateral will be required to register as an investment company under the Investment Company Act;

(h) after giving effect to such transaction, the outstanding share capital or stock of the Merging Entity will not be beneficially owned by any U.S. resident (within the meaning of the Investment Company Act); and

(i) the Merging Entity shall have delivered an Officer's Certificate to the Trustee certifying that such consolidation, merger, transfer or conveyance is permitted hereunder and the requirements of this Section 7.10 applicable thereto have been complied with.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer in accordance with Section 7.10, in which the Merging Entity is not the surviving entity, the Successor shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity, under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound-up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Securities and from its obligations under this Indenture.

Section 7.12 No Other Business. From and after the Closing Date, (a) the Issuer shall not engage in any business or activity other than (i) issuing and selling the Securities pursuant to this Indenture, (ii) acquiring, owning, holding and pledging the Collateral in connection therewith (including, without limitation, establishing and maintaining any Tax Subsidiary), (iii) entering into any Hedge Agreements, (iv) otherwise entering into and performing its obligations under the Transaction Documents and the other documents to which it is a party and (v) such other activities permitted by the transaction documents as are necessary, suitable or convenient to accomplish any of the activities set forth in this clause (a) or are incidental thereto or connected therewith and (b) the Co-Issuer shall not engage in any business or activity other than (i) issuing and selling the Co-Issued Notes pursuant to this Indenture and (ii) such other activities permitted by the transaction documents as are necessary, suitable or convenient to accomplish any of the activities set forth in this clause (b) or are incidental thereto or connected therewith. Neither the Issuer nor the Co-Issuer shall amend its Governing Documents without receiving Rating Agency Confirmation.

Section 7.13 Listing. So long as any listed Securities remain Outstanding, the Issuer shall use all reasonable efforts to maintain the listing of such Securities on the Cayman Islands Stock Exchange and/or such other stock exchange on which such Securities are listed; provided, however, that the Issuer will not be required to maintain a listing on the Cayman Islands Stock Exchange or any other stock exchange if compliance with requirements of such stock exchange become burdensome in the sole judgment of the Collateral Manager.

Section 7.14 Ratings Changes. The Issuer shall notify promptly the Trustee (which shall notify promptly the Holders) if at any time the rating of any Class of Secured Notes have been changed or withdrawn.

Section 7.15 Reporting. At any time when either of the Issuers is not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or Certifying Person, it shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or Certifying Person, to a prospective purchaser of such Security designated by such Holder or Certifying Person or to the Trustee for delivery to such Holder or Certifying Person or a prospective purchaser designated by such Holder or Certifying Person, as the case may be, in order to permit compliance by such Holder or Certifying Person with Rule 144A in connection with the resale of such Security by such Holder or Certifying Person. "**Rule 144A Information**" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto). Upon request by an Issuer Order, the Trustee shall forward (at the expense of the Issuer) the Rule 144A Information prepared by and as instructed by the Issuer.

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Notes remain Outstanding there will at all times be an agent (Independent of the Issuer, the Collateral Manager or their respective Affiliates) appointed to calculate the Reference Rate in respect of each Interest Accrual Period (the "**Calculation Agent**"). The Issuer hereby appoints the Collateral Administrator as the initial Calculation Agent. The Calculation Agent may be removed by the Issuer at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer, or if the Calculation Agent fails to determine the Interest Rates for any Class of Floating Rate Notes for any Interest Accrual Period or any of the other information required to be calculated pursuant to Section 7.16(b), the Issuer will promptly appoint a replacement Calculation Agent that is Independent of the Issuer, the Collateral Manager and their respective Affiliates. No resignation or removal of the Calculation Agent shall be effective without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree that, ~~as soon as possible after 11:00 a.m. (London time)~~ on each Interest Determination Date, but in no event later than ~~11:00 a~~5:00 p.m. (New York time) on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent will calculate the Interest Rates for the Interest Accrual Period and the Interest Distribution Amount with respect to each Class of Floating Rate Notes (rounded to the nearest cent, with half a cent being rounded upwards) on the related Payment Date and will communicate such rates and amounts to the Issuer, the Trustee (if not also the Calculation Agent), the Collateral Manager, each Paying Agent, the Depository and Euroclear and Clearstream. The ~~Calculation Agent will also specify~~

~~to the Issuer and the Collateral Manager the quotations upon which the Interest Rates are based, and in any event the~~ Calculation Agent shall notify the Issuer and the Collateral Manager before 5:00 p.m. (New York time) on each Interest Determination Date if it has not determined and is not in the process of determining the Interest Rates and the Interest Distribution Amount with respect to each Class of Floating Rate Notes, together with its reasons therefor.

(c) The determination of the Interest Rates and Interest Distribution Amount with respect to each Class of Floating Rate Notes by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(d) ~~The~~Neither the Trustee nor the Calculation Agent shall have ~~no~~any (i) responsibility or liability for the selection or determination of an Alternate Reference Rate (including whether any such rate is a Market Replacement Reference Rate) or a Designated Reference Rate as a successor or replacement base rate to ~~LIBOR~~the then-current Reference Rate and shall be entitled to rely upon any designation of such a rate by a Reference Rate Amendment or the Collateral Manager, as applicable, and (ii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of a ~~"LIBOR" rate~~Reference Rate as described in the definition thereof.

Section 7.17 Certain Tax Matters. (a) The Issuer, the Co-Issuer and the Trustee agree, and each Holder and each beneficial owner of a Secured Note, by acceptance of such Note or an interest in such Note shall be deemed to have agreed, to treat, and shall treat, such Note as debt for U.S. federal income tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority; provided that this will not prevent (i) a Holder or beneficial owner of a Class D Note from making a protective "qualified electing fund" election and filing protective information returns with respect to such Note and (ii) the Issuer from providing the information specified in Sections 7.17(e) and 7.17(g) to a Holder of Class D Notes. The Issuer will also treat the Secured Notes as debt for legal, accounting and ratings purposes.

(b) The Issuer, the Co-Issuer and the Trustee agree, and each Holder and each beneficial owner of a Subordinated Note, by acceptance of such Note or an interest in such Note shall be deemed to have agreed, to treat, and shall treat, the Subordinated Notes as equity in the Issuer for U.S. federal income tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority.

(c) The Issuer and the Co-Issuer shall file, or cause to be filed, and the Issuer shall cause each Tax Subsidiary to prepare and file, any tax returns, including information tax returns, required by any governmental authority; provided, however, that, except with respect to a Tax Subsidiary, the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof that, in each case, is based on the Issuer having a trade or business in the United States or any state thereof unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is at least more likely than not required to file such income or franchise tax return.

(d) The Issuer has not elected and will not elect to be treated other than as a foreign corporation for U.S. federal, state or local income or franchise tax purposes and shall

make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local income tax purposes.

(e) The Issuer shall provide, upon the written request of a Holder or Certifying Person of Subordinated Notes (or any other Class of Notes that could be characterized as equity in the Issuer), any information reasonably available to it that such Holder or Certifying Person reasonably requests to assist such Holder or Certifying Person with regard to any filing requirements the Holder or Certifying Person is required to satisfy as a result of the controlled foreign corporation rules under the Code.

(f) The Co-Issuer has not and will not elect to be treated as other than a disregarded entity for U.S. federal, state or local income or franchise tax purposes.

(g) Upon a Holder's or beneficial owner's reasonable written request and as soon as commercially practicable after the end of the taxable year, the Issuer shall (or shall cause its Independent accountants to) provide to (x) any Holder or beneficial owner of Subordinated Notes and (y) at such Holder's or beneficial owner's expense, any Holder or beneficial owner of any other Class of Notes that could be characterized as equity in the Issuer, to the extent reasonably available to the Issuer, (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain for U.S. federal income tax purposes and (ii) a "PFIC Annual Information Statement" as described in Treasury Regulation Section 1.1295-1 (or any successor IRS release or Treasury Regulation), including all representations and statements required by such statement, and will take any other reasonable steps necessary to facilitate such election by, and any reporting requirements of, a Holder or beneficial owner of Subordinated Notes (or any other Class of Notes that could be characterized as equity in the Issuer).

(h) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder or beneficial owner of Subordinated Notes (or any other Class of Notes that could be characterized as equity in the Issuer) requests in writing information about any such transactions in which the Issuer has participated or will participate, the Issuer (or the Collateral Manager acting on behalf of the Issuer) shall provide such information it has reasonably available as soon as practicable after such request. Upon request by the Independent accountants, the Security Registrar shall provide to the Independent accountants information contained in the Security Register and requested by the Independent accountants to comply with this Section 7.17(h).

(i) The Issuer (or the Collateral Manager or other agent or representative acting on behalf of the Issuer) shall use reasonable best efforts, consistent with applicable laws and its obligations under this Indenture, to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to Tax Account Reporting Rules, and any other action that the Issuer would be permitted to take under this Indenture in furtherance of Tax Account Reporting Rules Compliance.

(j) Upon written request at any time, the Trustee and the Security Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any agent thereof any

information regarding the holders of the Securities and the payments on the Securities that is reasonably available to the Trustee or the Security Registrar, as the case may be, and as determined by the Issuer or the Collateral Manager to be necessary for Tax Account Reporting Rules Compliance subject in all cases to confidentiality provisions. Neither the Trustee nor the Security Registrar will have any liability for any disclosure under this Section 7.17(j).

(k) If a Holder of a direct or indirect interest in a Security fails for any reason to comply with its Noteholder Reporting Obligations or such Holder otherwise is or becomes a Non-Permitted Tax Holder, the Issuer shall have the right, to (x) compel such Holder to sell its interest in such Security, (y) sell such interest on such Holder's behalf in accordance with the procedures specified in Section 2.11 and/or (z) assign to such Security a separate CUSIP or CUSIPs, and, in the case of this subclause (z), to deposit payments on such Securities to a Tax Reserve Account, which amounts shall be released to the Holder of such Securities at such time that the Issuer determines that the Holder of such Securities complies with its Noteholder Reporting Obligations and is not a Non-Permitted Tax Holder, or to pay costs related to such noncompliance (including Taxes imposed by FATCA); provided that any amounts remaining in a Tax Reserve Account will be released to the applicable Holder on the earlier of (a) the date of final payment for the Class held by such Holder or (b) the Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Securities. Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Moreover, each such Purchaser of Securities or interests therein will agree, or be deemed to agree, to indemnify the Issuer, the Trustee and other beneficial owners of Securities for all damages, costs and expenses (including attorney's fees and expenses) that result from the failure of such person to comply with its Noteholder Reporting Obligations. This indemnification will continue even after the person ceases to have an ownership interest in the Securities.

(l) Notwithstanding anything herein to the contrary, the Collateral Manager, the Issuers, the Trustee, the Collateral Administrator, the Initial Purchaser, the Holders and beneficial owners of the Notes and each listed employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Collateral Manager, the Issuers, the Trustee, the Collateral Administrator, the Initial Purchaser or any other party to the transactions contemplated by this Indenture, the offering or the pricing (except to the extent such information is relevant to U.S. tax structure or tax treatment of such transactions).

(m) Upon the Issuer's receipt of a request from a Holder of a Note that has been issued with more than *de minimis* "original issue discount" (as defined in Section 1273 of the Code) or written request of a Person certifying that it is an owner of a beneficial interest in a Note that has been issued with more than *de minimis* "original issue discount" for the information described in United States Treasury Regulation Section 1.1275-3(b)(1)(i) that is applicable to such Note, the Issuer will cause its Independent certified public accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in

such a Note all of such information. Any additional issuance of Notes shall be accomplished in a manner that will allow the Issuer or its certified public accountants to accurately provide the information described in Treasury Regulation Section 1.1275-3(b)(1)(i).

(n) The Issuer shall provide any certification or documentation (including an IRS Form W-8BEN-E or any successor applicable form) to any payor (as defined in FATCA) from time to time as provided by law to minimize or prevent U.S. withholding tax or backup withholding tax.

(o) The Issuer shall treat each purchase of Collateral Assets as a "purchase" for tax accounting and reporting purposes.

(p) Upon a Re-Pricing, the Issuer will cause its Independent certified public accountants to comply with any requirements under Treasury Regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Priced Class or Notes replacing the Re-Priced Class are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Notes are issued.

Section 7.18 Hedge Agreement Provisions. (a) The Issuer may not enter into a Hedge Agreement unless it obtains (i) an Opinion of Counsel that such Hedge Agreement will not (A) cause it to be considered a "commodity pool" as defined in Section 1(a)(10) of the Commodity Exchange Act or (B) require the Collateral Manager or the Trustee to register as a "commodity pool operator" (as defined under the U.S. Commodity Exchange Act) with the Commodity Futures Trading Commission with respect to the Issuer, (ii) the prior written consent of a Majority of the Class A-1 Notes (so long as any Class A-1 Notes are Outstanding), (iii) Rating Agency Confirmation from each Rating Agency and (iv) an Opinion of Counsel that entering into such Hedge Agreement will not, in and of itself, cause the Issuer to become a "covered fund" under the Volcker Rule. Subject to the foregoing, the Issuer may enter into Interest Rate Hedges and Asset Specific Hedges.

(b) The Issuer must obtain Rating Agency Confirmation prior to amendment of any Hedge Agreement, the termination of any Interest Rate Hedge, or the termination of any Asset Specific Hedge if the Issuer would be required to make a termination payment.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the "defaulting party" or sole "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(d) Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i) and Section 5.4(d), respectively, and shall provide that amounts payable to the related Hedge

Counterparty will be subject to the Priorities of Payment (including, without limitation, the Acceleration Waterfall).

(e) The Trustee shall, upon receiving written direction from the Issuer or the Collateral Manager of the exposure calculated under a credit support annex to any Hedge Agreement and to make demand, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(f) Each Hedge Agreement (if any) will contain provisions consistent with then-current Rating Agency methodology with respect to downgrades, replacements and collateral posting amounts in the schedule thereto (including, where applicable, provisions to the effect that the failure of such Hedge Counterparty to take required actions will constitute an "additional termination event" under such Hedge Transaction).

(g) Subject to Section 7.18(c), any amounts payable to the Hedge Counterparty under any Interest Rate Hedge are subject to the Priorities of Payment and the claims of the Hedge Counterparties under any Interest Rate Hedges shall rank equally.

(h) Any Asset Specific Hedge shall require the Issuer to receive payments from the related Hedge Counterparty based on the three-month ~~LIBOR~~London interbank offered rate or Reference Rate, in the case of an obligation on which interest payments are made quarterly, or the six-month ~~LIBOR~~London interbank offered rate or Reference Rate, in the case of any obligation on which interest payments are made semi-annually or the twelve-month ~~LIBOR~~London interbank offered rate or Reference Rate, in the case of any obligation on which interest payments are made, in each case at prevailing market rates. In addition to the foregoing, each Asset Specific Hedge shall be subject to the following conditions: (i) the notional balance of such Asset Specific Hedge shall be equal to the scheduled principal amount of the related Hedged Asset; (ii) each Asset Specific Hedge must amortize according to the same schedule as, and terminate on the maturity date of, the related Hedged Asset; (iii) the payment dates of the Asset Specific Hedge must match the payment dates of either the related Hedged Asset or the Secured Notes; (iv) if the related Hedged Asset is sold by the Issuer, the Asset Specific Hedge must be terminated and any related termination payment received by the Issuer shall be treated as additional Sale Proceeds with respect to such Hedged Asset; provided that, subject to Section 7.18(c), any termination payment payable by the Issuer shall be subject to the Priorities of Payment; (v) if the related Hedged Asset is not a Defaulted Asset and it is called or prepaid, the Asset Specific Hedge shall be terminated and any related termination payment received by the Issuer shall be considered Principal Proceeds and any termination payment payable by the Issuer shall be paid first from any call, redemption and prepayment premiums received in respect of such Hedged Asset and any remaining amounts, subject to Section 7.18(c), shall be subject to the Priorities of Payment; (vi) if the Hedged Asset becomes a Defaulted Asset, the Asset Specific Hedge shall be terminated and any related termination payment payable by the Issuer, subject to Section 7.18(c), shall be subject to the Priorities of Payment and any termination payment received by the Issuer shall be treated as Principal Proceeds; (vii) each Hedged Asset must mature and the related Asset Specific Hedge must terminate prior to the Stated Maturity Date; and (viii) the Aggregate Principal Balance of all Hedged Assets does not exceed the Hedged Asset Maximum Percentage of the Collateral Principal Balance. The Collateral Manager (on

behalf of the Issuer) shall notify the Trustee and each Rating Agency of any termination of an Asset Specific Hedge. For all purposes under this Indenture, any Hedged Asset shall be deemed to be a Floating Rate Asset bearing interest at a floating rate equal to the implied spread over the Reference Rate receivable by the Issuer pursuant to the Asset Specific Hedge, but only to the extent that the Aggregate Principal Balance of all Hedged Assets does not exceed the Hedged Asset Maximum Percentage of the Collateral Principal Balance.

(i) Periodic payments under any Asset Specific Hedge shall be payable pursuant to Section 11.2. Any upfront premium payment that the Issuer is required to pay in connection with entering into an Asset Specific Hedge shall be paid solely to the extent funds are available for such purpose under clause (R) of the Priority of Interest Payments. Any amount received from the Hedge Counterparty under an Asset Specific Hedge (other than upfront premium payments) will be deposited (in accordance with the written direction of the Collateral Manager) in the Interest Collection Subaccount as Interest Proceeds.

(j) The Issuer and, subject to Section 6.1(c)(iv), the Trustee, as directed by the Collateral Manager, will enforce all of the Issuer's rights and remedies under each Hedge Agreement (if any).

(k) A Rating Agency Confirmation from Moody's shall not be required to unwind an Asset Specific Hedge if: (1) no termination payment is ever payable by the Issuer pursuant to the Asset Specific Hedge; (2) no termination payment is owed by the Issuer; or (3) any termination payment payable by the Issuer is subordinated to the Secured Notes in the Priority of Interest Payments. The Issuer shall notify each Rating Agency of any such unwind.

(l) A Rating Agency Confirmation from Moody's and notice to Fitch shall be required to unwind an Asset Specific Hedge if the Collateral Manager wishes to use Principal Proceeds to make a termination payment; provided that, with respect to any Payment Date occurring on or after the one year anniversary of the Effective Date, Principal Proceeds may be used to make a termination payment without obtaining Rating Agency Confirmation from Moody's if as of the related Determination Date (x) the CCC/Caa Excess is zero; (y) none of the Secured Notes have been downgraded or had their ratings withdrawn by Moody's, unless such ratings have been reinstated at their Effective Date level; and (z) the Moody's Weighted Average Rating Factor Test is satisfied. The Issuer shall notify each Rating Agency of any such unwind.

Section 7.19 Objection at Bankruptcy Proceedings. So long as any of the Securities are Outstanding, the Issuers and any Tax Subsidiary shall promptly object to the institution of any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings (other than an Approved Tax Liquidation), or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws against it and shall take all necessary or advisable steps to cause the dismissal of any such proceeding; provided that, such obligation shall be subject to the availability of funds therefor under the Priorities of Payment. The Petition Expenses incurred in connection with the foregoing will be payable as Issuer Expenses without regard to the cap relating to the payment of other Issuer Expenses in the Priorities of Payment up to the Petition Expense Amount. Any Petition Expenses in excess of the Petition Expense Amount will be payable as Issuer Expenses subject to the expense cap in the Priorities of Payment.

Section 8.2 Supplemental Indentures with Consent of Securityholders. Each of the Issuers, when authorized by Resolutions, and the Trustee at any time and from time to time may enter into one or more supplemental indentures, as described below subject to consent of a Majority of each Class (other than with respect to a Reset Amendment) (voting separately) that is materially and adversely affected thereby (and otherwise without the consent of such Class), to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Securities of such Class under this Indenture; provided, however, that consent of 100% of the Holders of each Class materially and adversely affected will be required for any such supplemental indenture (except in the case of a Reset Amendment) that would:

the Collateral, terminate the lien under this Indenture on any property at any time subject thereto, or deprive any Secured Party of the security afforded by the lien of this Indenture;

(v) modify the definition of the term "Class," "Outstanding," "Holder," "Securityholder," "Majority," "Controlling Class," "Supermajority," "Note Payment Sequence" or the Priorities of Payment set forth in this Indenture; or

(vi) modify any of the provisions of this Indenture in such a manner as to alter (A) the conditions that must be satisfied in order to redeem the Securities affecting the rights of Holders with respect to redemption of any such Securities or actions that can be taken by the Holders when an Event of Default has occurred and is continuing or (B) alter the conditions that must be satisfied in order to issue Additional Securities.

Section 8.3 Execution of Supplemental Indentures; Notice. (a) The Trustee is hereby authorized to join in the execution of any supplemental indenture pursuant to Section 8.1 and 8.2 and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

(b) At the cost of the Issuer, the Trustee shall provide to each Holder of each Class of the Notes, the Collateral Manager, the Collateral Administrator and, if any Class of Secured Notes is Outstanding, each Rating Agency, a copy of any supplemental indenture proposed pursuant to Section 8.1 or 8.2 (or a description of the substance thereof) at least 20 Business Days (or in the case of a supplemental indenture related to a Refinancing, Re-Pricing or issuance of Additional Securities, five Business Days) prior to the execution thereof (except to the extent any such Person agrees to a shorter period or waives such notice), unless otherwise set forth herein. If the required percentage of Holders of any Class, if any, has affirmatively consented to such supplemental indenture (or, if no Holder consent is required), such notice requirement with respect to such Class shall be deemed to be satisfied. It shall not be necessary for any Act of Holders under Section 8.1 or 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

(c) Promptly after the execution by each of the Issuers and the Trustee of any supplemental indenture, the Trustee, at the expense of the Issuer shall provide a copy thereof to each Holder, the Collateral Administrator, the Collateral Manager and, if any Class of Secured Notes is Outstanding, each Rating Agency. Any failure of the Trustee to publish or mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture substantially in the form to be executed.

(d) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee and the Issuer shall be entitled to receive and conclusively rely upon an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(e) The Collateral Manager shall not be bound to follow any amendment, supplemental indenture or other modification to this Indenture unless and until it has received written notice and a copy of such amendment, supplemental indenture or other modification from the Issuer or the Trustee. The Collateral Manager shall not be bound by any amendment, supplemental indenture, supplement or other modification to this Indenture, the Collateral Administration Agreement or any other Transaction Document that would (i) (A) increase the duties or liabilities of, (B) reduce or eliminate any right or privilege of (including as a result of an effect on the amount or the payment priority of any Management Fees or other amounts payable to the Collateral Manager), or (C) result in adverse economic consequences to, the Collateral Manager, (ii) directly or indirectly modify the restrictions on purchases or sales of Collateral Assets set forth in Article XII hereof or the Investment Criteria, (iii) expand or restrict the Collateral Manager's discretion, or (iv) adversely affect the Collateral Manager, unless the Collateral Manager has provided its prior written consent thereto in its sole discretion. The Issuer shall not permit any amendment, supplemental indenture, supplement or other modification to this Indenture, the Collateral Administration Agreement or any other Transaction Document described in the preceding sentence unless the Collateral Manager has been given at least 20 Business Days' (or in the case of a supplemental indenture related to a Refinancing, Re-Pricing or issuance of Additional Securities, five Business Days') prior written notice (unless the Collateral Manager has agreed to a shorter notice period) and a copy of such proposed amendment, supplemental indenture, supplement or other modification and the Collateral Manager has provided its prior written consent hereto.

(f) Unless the Collateral Administrator is the same Person as the Trustee, the Collateral Administrator will not be bound by a supplemental indenture unless it receives a copy thereof. This Indenture may not be amended without the consent of the Collateral Administrator if such amendment would adversely affect the Collateral Administrator (including, without limitation, any amendment or supplement that would (i) increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator or (ii) expand or restrict the Collateral Administrator's discretion).

(g) For the purposes of determining whether or not a Class of Notes would be materially adversely affected by any proposed amendment or supplemental indenture, (i) each Class of Notes will be deemed to be materially adversely affected by an amendment or supplemental indenture that would amend any Portfolio Concentration Limit, any Collateral Quality Test, the definition of Eligible Investment, the definition of Collateral Asset or the Investment Criteria and (ii) the Trustee will be entitled to rely upon an Officer's certificate of the Collateral Manager (which may rely upon an independent expert familiar with the market for the Securities) or an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the counsel delivering the opinion) as to whether the interests of any Class would be materially adversely affected by any such amendment or supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders. In addition, in connection with a Reset Amendment, the Trustee will be entitled to rely upon an Officer's certificate of the Collateral Manager (which may rely upon an independent expert familiar with the market for the Securities) as to whether such supplemental indenture has an effect on any portion of the Subordinated Notes Outstanding prior to the execution of such

supplemental indenture in a manner that is materially different from the effect on any other portion of the Subordinated Notes Outstanding prior to the execution of such supplemental indenture.

(h) For purposes of determining whether a Class of Notes that is not materially adversely affected by a proposed amendment or supplemental indenture has consented to such amendment or supplemental indenture, any Holder that has not objected to such amendment or supplemental indenture during the applicable notice period shall be deemed to have consented to such amendment or supplemental indenture. For the avoidance of doubt, the affirmative consent of the requisite Holders of a Class of Notes will be required for any proposed amendment or supplemental indenture that materially and adversely affects such Class.

(i) A Class of Notes subject to a Refinancing shall be deemed not to be materially and adversely affected by any terms of (and no consent of such Class of Notes shall be required to effect) the supplemental indenture related to, in connection with and to become effective on or immediately after the effective date of such Refinancing. In connection with a Re-Pricing, any non-consenting Holder shall be deemed not to be materially and adversely affected by any terms of (and no consent of such Class of Notes shall be required to effect) the supplemental indenture related to, in connection with and to become effective on or immediately after the related Re-Pricing Date. For the avoidance of doubt, Reset Amendments are not subject to any consent requirements that would otherwise apply to supplemental indentures described in Section 8.1, Section 8.2 or elsewhere in this Indenture.

(j) Subject only to the requirements of this clause (j) and clause (k), the Collateral Manager may propose a Reference Rate Amendment if it determines (in its commercially reasonable judgment) that

(i) ~~LIBOR~~the then-current Reference Rate is no longer reported or updated~~ on the Reuters screen~~, a material disruption to ~~LIBOR~~the then-current Reference Rate or a change in the methodology of calculating ~~LIBOR~~the then-current Reference Rate has occurred or is reasonably likely to occur, or

(ii) at least a majority (based on the par amount) of (A) quarterly pay Floating Rate Assets or (B) floating rate notes issued in the preceding month in new issue collateralized loan obligation transactions rely on reference rates other than ~~LIBOR~~the then-current Reference Rate, in each case, determined as of the first day of the Interest Accrual Period during which the Reference Rate Amendment is proposed.

(k) The Issuers and the Trustee shall execute such proposed Reference Rate Amendment (and make related changes advisable or necessary in the judgment of the Collateral Manager to implement the use of such replacement rate, including any Reference Rate Modifier) only if:

(i) the proposed Alternate Reference Rate is the Market Replacement Reference Rate (as certified by the Collateral Manager to the Issuer and the Trustee); or

(ii) if clause (i) does not apply, a Majority of the Controlling Class and a Majority of the Subordinated Notes has consented and the Rating Agency Confirmation has been obtained.

Section 8.4 Certain Further Limitations on Supplemental Indentures. (a) Notwithstanding anything to the contrary herein, each of the Issuers agrees that it will not consent to or enter into any indenture supplemental hereto that:

(i) amends any provision of this Indenture or such other document relating to the institution of proceedings for it to be adjudicated as bankrupt or insolvent, or its consent to the institution of bankruptcy or insolvency proceedings against it, or the filing with respect to it of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or its consent to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of it or of any substantial part of its property, respectively; or

(ii) amends any provision of this Indenture that provides that its obligations are limited recourse obligations payable solely from the Collateral in accordance with the terms of this Indenture.

(b) Notwithstanding anything to the contrary herein, any supplemental indenture that would modify the provisions of this Indenture relating to Maturity Amendments, the Coverage Tests or the definitions of “Credit Improved Asset,” “Credit Risk Asset” or “Defaulted Asset” shall require the consent of a Majority of the Controlling Class.

(c) Notwithstanding anything to the contrary herein, each of the Issuers and the Trustee agrees that it will not consent to or enter into any indenture supplemental hereto without the consent of the Collateral Manager if prior to the execution of such supplemental indenture, the Collateral Manager notifies the Trustee and the Issuer that the Collateral Manager reasonably believes (based on advice of legal counsel) that such supplemental indenture would require the Collateral Manager to increase its interest in the Notes to ensure compliance with the EU Risk Retention Requirements or the U.S. Risk Retention Rules.

(d) Notwithstanding anything to the contrary herein, no supplemental indenture hereto shall be effective, and the Issuer agrees that it will not consent to or enter into any indenture supplemental hereto without the consent of any Hedge Counterparty materially and adversely affected thereby.

(e) If the consent of a Class would be required for a supplemental indenture being executed on (or with an effective date on) the day such Class is being redeemed or paid in full, the consent from that Class will be deemed to have been received.

Section 8.5 Effect of Supplemental Indentures. (a) Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes

and every Holder theretofore and thereafter issued and delivered hereunder shall be bound thereby.

Section 8.6 Reference in Securities to Supplemental Indentures. (a) Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If either of the Issuers shall so determine, new Securities, modified so as to conform in the opinion of the Trustee and the Applicable Issuer to any such supplemental indenture may be prepared and executed by the Applicable Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Optional Redemption; Election to Redeem. (a) Subject to the conditions set forth in this Section 9.1, the Secured Notes will be redeemed (in whole and not in part) by the Issuer upon receipt of the Required Redemption Direction at their respective Redemption Prices (a "**Secured Notes Redemption**") on any Payment Date or, to the extent consented to by the Collateral Manager, any Business Day that would not otherwise be a Payment Date (the date on which such redemption occurs, the "**Optional Redemption Date**") (i) after the Non-Call Period or (ii) at any time during or after the Non-Call Period if a Tax Event has occurred.

(b) To effect a Secured Notes Redemption, the Collateral Manager in its sole discretion shall direct the sale of a sufficient amount of the Collateral Assets to fully redeem all Classes of Secured Notes. No Secured Notes Redemption may proceed unless the Issuer, the Collateral Manager and the Trustee have received the Required Redemption Direction at least 30 days (or such shorter period to which the Collateral Manager and the Trustee agree) prior to the proposed Optional Redemption Date and:

(i) at least three Business Days before the scheduled Optional Redemption Date, the Collateral Manager has certified to the Trustee that the Collateral Manager on behalf of the Issuer has entered into one or more Redemption Agreements to sell, not later than the Business Day immediately preceding the scheduled Optional Redemption Date, all or part of the Collateral at a sale price in immediately available funds at least equal to an amount sufficient, together with all other funds expected to be available on such Optional Redemption Date, to pay the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (without regard to any caps set forth in the Priorities of Payments including amounts reserved to meet any post-redemption fees and expenses and, if an Optional Redemption of all Subordinated Notes is also expected to occur on such Optional Redemption Date, Dissolution Expenses) and fees, in each case payable under the Priorities of Payment including, without limitation, any accrued, payable and unpaid Management Fees and any amounts due to the Hedge Counterparties; or

(ii) prior to selling any Collateral, the Collateral Manager has certified to the Trustee that the aggregate sum of expected (A) termination payments with respect to Hedge Agreements, (B) Sale Proceeds from the sale of Eligible Investments and (C) Sale Proceeds for each Collateral Asset, calculated as the product of its Principal Balance and its Market Value (expressed as a percentage of its Principal Balance), shall equal or exceed the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (without regard to any caps set forth in the Priorities of Payments including amounts reserved to meet any post-redemption fees and expenses and, if an Optional Redemption of all Subordinated Notes is also expected to occur on such Optional Redemption Date, Dissolution Expenses) and fees, in each case payable under the Priorities of Payment including, without limitation, any accrued, payable and unpaid Management Fees and any amounts due to the Hedge Counterparties.

Unless the Optional Redemption is canceled, each Hedge Agreement in effect on the date notice is provided to Holders pursuant to Section 9.2 will be terminated no earlier than the third Business Day prior to the Optional Redemption Date.

(c) On any Business Day on which only Subordinated Notes remain Outstanding or simultaneously with a Secured Notes Redemption, the Issuer shall redeem any remaining Subordinated Notes at their Redemption Price upon receipt by the Issuer, the Collateral Manager and the Trustee of the applicable Required Redemption Direction at least 30 days prior to the proposed Optional Redemption Date (or such shorter period as the Collateral Manager and Trustee may agree).

(d) To effect an Optional Redemption of the Subordinated Notes, the Collateral Manager shall direct the sale of Collateral Assets and the termination or sale of any Hedge Agreements. Such Optional Redemption may not occur unless the expected proceeds available for distribution on the proposed Optional Redemption Date would be at least sufficient to pay all Issuer Expenses (including amounts reserved to meet any post-redemption fees and Dissolution Expenses) and accrued and unpaid fees (without regard to any caps set forth in the Priorities of Payments).

(e) A Secured Notes Redemption and a redemption of the Subordinated Notes may be given in the same direction.

Section 9.2 Optional Redemption Procedures; Cancellation. (a) Notice of an Optional Redemption will be given to the Securityholders and each Rating Agency by the Issuer or the Trustee at the Issuer's direction by an Issuer Order, no later than five Business Days prior to the applicable Optional Redemption Date, to each Holder and each Rating Agency with the following information:

(i) the applicable Optional Redemption Date;

(ii) the Redemption Price of the Class or Classes of Secured Notes to be redeemed;

(iii) a statement that interest on the applicable Class or Classes of Secured Notes being redeemed shall cease to accrue on the Optional Redemption Date specified in the notice;

(iv) a statement that an Optional Redemption may be cancelled subject to certain conditions;

(v) the place or places where Certificates are to be surrendered for payment of the Redemption Price; and

(vi) a statement that the Issuer may cancel the Optional Redemption, subject to certain conditions set forth in this Indenture, and notice of such cancellation may not be sent to Holders prior to the Redemption Date.

(b) The Issuer may cancel an Optional Redemption by written notice to the Trustee (A) no later than one Business Day prior to the scheduled Optional Redemption Date upon receipt by the Trustee and the Collateral Manager of a written direction of a Majority of the Subordinated Notes or (B) no later than noon (New York time) on the Business Day prior to the scheduled Optional Redemption Date if the Collateral Manager informs the Issuer and the Trustee that sufficient proceeds are not available to effect the Optional Redemption. Notice of any such cancellation of an Optional Redemption shall be given by the Trustee at the expense of the Issuer to each Rating Agency, each Holder and the Cayman Islands Stock Exchange (so long as any Securities are listed thereon and the guidelines of such exchange so require) not later than the scheduled Optional Redemption Date. Upon delivery of such notice, the Optional Redemption will automatically be cancelled. Any Sale Proceeds received from the sale of any Collateral Assets and other Collateral may, at the Collateral Manager's discretion, be invested in accordance with the Investment Criteria; provided that, if the Collateral Manager is unable to enter into trades to reinvest such Sale Proceeds prior to the end of the Reinvestment Period, the Collateral Manager shall notify the Trustee of a Special Redemption and such Sale Proceeds will be distributed under the Priority of Principal Payments on the next Payment Date.

(c) Failure to give notice of redemption to any Holder of any Note selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Notes.

Section 9.3 Notes Payable on Optional Redemption Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.2, the Notes to be redeemed shall, on the Optional Redemption Date, become due and payable at their Redemption Prices in accordance with the Priorities of Payment, and from and after the Optional Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) any Class of Secured Notes to be redeemed shall cease to bear interest on the Optional Redemption Date. If all Securities, including the Subordinated Notes, are redeemed on the Optional Redemption Date, then all amounts payable other than in respect of the redeemed Securities under the Priorities of Payment shall cease to accrue as of the Optional Redemption Date and shall be payable on such Optional Redemption Date pursuant to the Priorities of Payment as if such date were a Payment Date; provided that the Management Fees that would

otherwise have become payable on the next succeeding Payment Date had the Securities not been redeemed prior to such Payment Date shall be payable on the Optional Redemption Date.

(b) As a condition to final payment on a Certificated Note to be redeemed, the Holder shall present and surrender such Certificated Note at the place specified in the notice of redemption on or prior to such Optional Redemption Date unless there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has received notice that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) If any Secured Note called for redemption pursuant to an Optional Redemption shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Optional Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of the Holder of such Secured Note.

Section 9.4 Refinancing Redemption. (a) Subject to the conditions in this Section 9.4, upon receipt of the applicable Required Redemption Direction for a Refinancing and the prior written consent of the Collateral Manager given in its sole discretion, the Issuer will redeem any Class or Classes of Secured Notes (as to each Class, in whole and not in part) at their respective Redemption Prices on any Payment Date or, to the extent consented to by the Collateral Manager, on any Business Day that would not otherwise be a Payment Date (the date of any such redemption, the "**Refinancing Redemption Date**") after the Non-Call Period (each, a "**Refinancing Redemption**"). The Required Redemption Direction from the Holders of Subordinated Notes and the prior written consent of the Collateral Manager (given in its sole discretion) must be delivered to the Issuer, the Trustee, each Rating Agency and the Collateral Manager at least 14 Business Days (or such shorter period to which the Collateral Manager and the Trustee agree) prior to the proposed Refinancing Redemption Date.

(b) In furtherance of the refinancing, the Issuer shall obtain a loan or loans or issue replacement securities, the terms of which loan or issuance of securities will be negotiated by the Collateral Manager on behalf of the Issuer and approved by a Majority of the Subordinated Notes, from one or more financial institutions or purchasers (a refinancing provided pursuant to such a loan or issuance, a "**Refinancing**" and such loan or replacement securities, "**Refinancing Obligations**" and any Secured Notes so redeemed, "**Refinanced Notes**"). Proceeds from any Refinancing and any Contribution designated for such purpose are referred to as the "**Refinancing Proceeds.**" Any Refinancing Obligations will be first offered to the Retention Holder in such an amount that the Collateral Manager has determined in its sole discretion is required for the EU Risk Retention Requirements or the U.S. Risk Retention Rules to be satisfied.

(c) Any Class or Classes of Secured Notes may be redeemed in whole, but not in part, (a Refinancing of fewer than all Classes of Secured Notes, a "**Partial Redemption**") with Refinancing Proceeds and Partial Redemption Interest Proceeds only if the Collateral Manager determines and certifies to the Trustee that:

(i) the Rating Agencies have been notified of such Refinancing Redemption;

(ii) the Refinancing Proceeds, together with any Partial Redemption Interest Proceeds and any other available funds, will be at least sufficient to pay the Redemption Price of the Class or Classes of Secured Notes subject to Refinancing Redemption;

(iii) the expenses in connection with such Refinancing Redemption (the "**Refinancing Expenses**") (other than Refinancing Expenses that will be paid by application of the Priority of Interest Payments) have been paid or will be adequately provided for from Refinancing Proceeds and Interest Proceeds expected to be available to be applied to the payment of Issuer Expenses under the Priorities of Payment on the subsequent two Payment Dates;

(iv) without otherwise limiting the Issuer's right to issue Additional Securities pursuant to Section 2.12, the aggregate principal amount of any Refinancing Obligations is equal to the Aggregate Outstanding Amount of the Secured Notes being refinanced;

(v) the stated maturity of the Refinancing Obligations is the same as the stated maturity of the Secured Notes being refinanced;

(vi) the Refinancing Proceeds will be used (to the extent necessary) to redeem the applicable Secured Notes and to pay the Refinancing Expenses (other than Refinancing Expenses paid by application of the Priority of Interest Payments);

(vii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those applicable to the Secured Notes being redeemed, as set forth herein;

(viii) the Refinancing Rate Condition is satisfied; and

(ix) no class of Refinancing Obligations is senior in priority of payment, and none has greater voting rights than, the corresponding Class of Secured Notes being redeemed.

(d) In the case of a Refinancing Redemption of all Classes of Secured Notes, the Issuer shall obtain such Refinancing Redemption only if the Collateral Manager determines and certifies to the Trustee that:

(i) the Refinancing Proceeds (together with any other funds available on the Redemption Date) will be at least sufficient to pay the sum of (x) the Redemption Prices of the Secured Notes and (y) the Refinancing Expenses;

(ii) the Refinancing Proceeds are used (to the extent necessary) to pay the Redemption Price and the Refinancing Expenses; and

(iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those applicable to the Secured Notes being redeemed, as set forth in this Indenture.

The Collateral Manager, in connection with a Refinancing pursuant to which all Secured Notes are being Refinanced, may designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Refinancing Redemption Date (any such amount, "**Designated Excess Par**").

(e) The Holders of the Subordinated Notes will not have any cause of action against any of the Issuers, the Collateral Manager or the Trustee for any failure to complete (or, with respect to the Collateral Manager, to provide written consent to) a Refinancing Redemption, nor shall any such failure constitute an Event of Default. In the event that a Refinancing Redemption is obtained meeting the requirements of this Section 9.4 as certified by the Collateral Manager, the Issuer and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing Redemption and no further consent for such amendments shall be required from the Holders of Securities other than such Holders directing the Refinancing. The Trustee shall be entitled to and may conclusively rely upon such certification of the Collateral Manager. The Trustee shall be entitled to and may conclusively rely upon an Officer's certificate each stating that all conditions precedent to the Refinancing Redemption and related amendments have been satisfied and such Refinancing Redemption and related amendments are authorized and permitted hereunder.

Section 9.5 Refinancing Redemption Procedures; Cancellation. (a) In the event of a Refinancing Redemption, a notice of redemption shall be provided by the Issuer, or the Trustee at the Issuer's direction by an Issuer Order, no later than six Business Days prior to the applicable Refinancing Redemption Date to each Holder and each Rating Agency with the following information:

(i) the applicable Refinancing Redemption Date;

(ii) the Redemption Price of the Class or Classes of Notes to be redeemed;

(iii) a statement that interest on the applicable Class or Classes of Secured Notes being redeemed shall cease to accrue on the Refinancing Redemption Date specified in the notice;

(iv) a statement that a Refinancing Redemption may be cancelled subject to certain conditions;

(v) the place or places where Certificates are to be surrendered for payment of the Redemption Price; and

Notice of any such cancellation of a Refinancing Redemption shall be given by the Trustee at the expense of the Issuer to each Holder, each Rating Agency and the Cayman Islands Stock Exchange (so long as any Securities are listed thereon and the guidelines of such exchange so require) not later than the scheduled Refinancing Redemption Date. Upon delivery of such notice, the Refinancing Redemption will be automatically cancelled.

(c) Failure to give notice of redemption to any Holder of any Note selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Notes.

Section 9.6 Notes Payable on Refinancing Redemption Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.5, the Securities to be redeemed shall, on the Refinancing Redemption Date, become due and payable at their Redemption Prices in accordance with the Priorities of Payment (but only as to such Classes subject to Refinancing Redemption), and from and after the Refinancing Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all redeemed Classes of Secured Notes shall cease to bear interest on the Refinancing Redemption Date.

(b) As a condition to final payment on a Certificated Note to be redeemed, the Holder shall present and surrender such Certificated Note at the place specified in the notice of redemption on or prior to such Refinancing Redemption Date unless there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has received notice that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) Payments of interest on a Class so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date.

(d) If any Secured Note called for redemption pursuant to a Refinancing shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Refinancing Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of the Holder of such Secured Note.

Section 9.7 Clean-Up Call Redemption. (a) The Notes shall be redeemable (in whole and not in part) in accordance with this Article IX from Sale Proceeds and all other funds available for such purpose (a "**Clean-Up Call Redemption**") at the option of the Issuers acting at the direction of the Collateral Manager (which direction shall be given so as to be received by the Issuer and the Trustee not later than ten Business Days prior to the proposed Clean-Up Call Redemption Date) at the applicable Redemption Price on any Business Day selected by the Collateral Manager (the date on which such redemption occurs, the "**Clean-Up Call Redemption Date**") that occurs on or after the Payment Date on which the Aggregate Principal Balance of the Collateral Assets and Eligible Investments is less than or equal to 10% of the Effective Date Target Par Amount.

(ii) prior to selling any Collateral, the Collateral Manager has certified to the Trustee that the aggregate sum of expected (A) termination payments with respect to Hedge Agreements,(B) Sale Proceeds from the sale of Eligible Investments and (C) Sale Proceeds for each Collateral Asset, calculated as the product of its Principal Balance and its Market Value (expressed as a percentage of its Principal Balance), shall equal or exceed the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (including amounts reserved to meet any post-redemption fees and expenses and Dissolution Expenses) and fees payable under the Priorities of Payment (in each case, without regard to the caps set forth therein) including, without limitation, any accrued, payable and unpaid Management Fees and any amounts due to the Hedge Counterparties.

(b) The Issuer may cancel any Clean-Up Call Redemption by written notice to the Trustee no later than 10:00 a.m. (New York time) on the Business Day prior to the scheduled Clean-Up Call Redemption Date if the Collateral Manager informs the Issuer and the Trustee that sufficient proceeds are not available to effect the Clean-Up Call Redemption. Notice of any such cancellation of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder, each Rating Agency and the Cayman Islands Stock Exchange (so long as any Securities are listed thereon and the guidelines of such exchange so require) not later than the scheduled Clean-Up Call Redemption Date.

(c) If the Clean-Up Call Redemption is cancelled, the Collateral Manager may, in its discretion invest all or a portion of the liquidation proceeds in accordance with the Investment Criteria; provided that if the Collateral Manager is unable to enter into trades to reinvest such liquidation proceeds prior to the end of the Reinvestment Period, the Collateral Manager shall notify the Trustee of a Special Redemption and such liquidation proceeds will be distributed under the Priority of Principal Payments on the next Payment Date.

Section 9.9 Notes Payable on Clean-Up Call Redemption Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.8, the Securities to be redeemed shall, on the Clean-Up Call Redemption Date, become due and payable at the Redemption Price therein specified in accordance with the Priorities of Payment, and from and after the Clean-Up Call Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all the Classes of Secured Notes shall cease to bear interest on the Clean-Up Call Redemption Date.

(b) As a condition to final payment on a Certificated Note to be redeemed, the Holder shall present and surrender such Certificated Note at the place specified in the notice of redemption on or prior to such Clean-Up Call Redemption Date unless there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has received notice that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) Payments of interest on a Class so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date.

(d) If any Secured Note called for redemption pursuant to a Clean-Up Call Redemption shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Clean-Up Call Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of the Holder of such Secured Note.

(e) All amounts payable other than in respect of the redeemed Securities under the Priorities of Payment shall cease to accrue as of the Clean-Up Call Redemption Date and shall be payable on such Clean-Up Call Redemption Date pursuant to the Priorities of Payment as if such date were a Payment Date; provided that the Management Fees that would otherwise have become payable on the next succeeding Payment Date had the Securities not been redeemed prior to such Payment Date shall be payable on the Clean-Up Call Redemption Date.

Section 9.10 Mandatory Redemption; Special Redemption. (a) Interest Proceeds and, to the extent Interest Proceeds are insufficient for such purpose, Principal Proceeds (x) shall be applied to pay principal on the Secured Notes under the Priorities of Payment if any Coverage Test is not satisfied as of any applicable Determination Date and (y) may be applied, at the discretion of the Collateral Manager, to pay principal on the Secured Notes under the Priorities of Payment if an Effective Date Confirmation Failure has occurred or if the Interest Reinvestment Test is not satisfied (any such payment of principal, a "**Mandatory Redemption**").

(b) If, at any time during the Reinvestment Period, the Collateral Manager, at its sole discretion, notifies the Trustee of a Special Redemption, the Special Redemption Amount will be applied to pay principal of the Secured Notes, in accordance with the Priorities of Payment.

Section 9.11 Re-Pricing. (a) On any Business Day after the Non-Call Period, at the direction of a Majority of the Subordinated Notes, the Issuer shall reduce the spread over the Reference Rate applicable with respect to any Re-Priceable Class (such reduction, a "**Re-Pricing**" and any Re-Priceable Class subject to a Re-Pricing, a "**Re-Priced Class**");

provided that the Issuer shall not effect any Re-Pricing unless each condition described in this Section 9.11 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Secured Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") to assist the Issuer in effecting the Re-Pricing. In addition, the Issuer shall not effect any Re-Pricing without the prior written consent of the Collateral Manager given in its sole discretion.

(b) At least 14 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes and the Collateral Manager for any proposed Re-Pricing (the date on which a Re-Pricing occurs, the "**Re-Pricing Date**"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread over the Reference Rate to be applied with respect to such Class (the Reference Rate plus the revised spread, the "**Re-Pricing Rate**"), (ii) request each Holder of the Re-Priced Class approve the proposed Re-Pricing, and (iii) specify the price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may be sold and transferred or redeemed pursuant to clause (c) below, which, for purposes of such Re-Pricing, shall be an amount equal to their Redemption Price. Failure to give a notice of Re-Pricing, or any defect therein, to any holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(c) In the event any holder of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date which is 10 Business Days after the date of such notice of Re-Pricing, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to the consenting holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by such non-consenting holders, and shall request each such consenting holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary if such holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the non-consenting holders or, in the case of a Re-Pricing Redemption, Re-Pricing Replacement Notes and the notional amount of such Notes that it would agree to purchase, in each case, within five Business Days of receipt of such notice (each such notice, an "**Exercise Notice**"). In the event that the Issuer receives Exercise Notices with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall (i) cause the sale and transfer of such Notes or (ii) redeem such Notes in a Re-Pricing Redemption and sell Re-Pricing Replacement Notes, in each case without further notice to the non-consenting holders thereof, on the Re-Pricing Date to the holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall (i) cause the sale and transfer of such Notes or (ii) redeem such Notes in a Re-Pricing Redemption and sell Re-Pricing Replacement Notes, in each case without further notice to the non-consenting holders thereof, on the Re-Pricing Date to the holders delivering

Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting holders shall be (i) sold or (ii) redeemed in a Re-Pricing Redemption and Re-Pricing Replacement Notes sold to a person designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales and redemptions of Notes held by non-consenting holders to be effected pursuant to this paragraph shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with this Section 9.11. The holder of each Note, by its acceptance of an interest in the Notes, will be deemed to agree to sell and transfer its Notes in accordance with the provisions described herein and to cooperate with the Issuer and the Re-Pricing Intermediary to effect such sales and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than two Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes (or sales of Re-Pricing Replacement Notes sufficient to redeem all Notes) of the Re-Priced Class held by non-consenting holders.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Issuers and the Trustee (at the direction of the Issuer or the Collateral Manager on its behalf) shall have entered into a supplemental indenture (prepared by or on behalf of the Issuer) dated as of the Re-Pricing Date, to reduce the spread over the Reference Rate applicable to the Re-Priced Class or to issue Re-Pricing Replacement Notes or otherwise effect such Re-Pricing;

(ii) all Notes of the Re-Priced Class held by non-consenting holders have been sold or redeemed pursuant to clause (c) above;

(iii) each Rating Agency shall have been notified of such Re-Pricing; and

(iv) all expenses of the Issuer, the Collateral Administrator and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing will be paid or adequately provided for.

(e) Any notice of a Re-Pricing (and any related Re-Pricing Redemption) may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager (in its sole discretion) on or prior to 12:00 noon (New York time) on the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Issuer shall send such notice to the Holders of Notes and each Rating Agency.

(f) The Trustee shall be entitled to receive and may request and rely upon a written order from the Issuer (or the Collateral Manager on behalf of the Issuer) providing directions and additional information necessary to effect a Re-Pricing.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection; General Account Requirements. (a) Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other securities intermediary, all property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Assets, in accordance with the terms and conditions of such Pledged Assets. The Trustee shall segregate and hold all such property received by it in trust for the benefit of the Secured Parties and shall apply it as provided in this Indenture.

(b) The accounts established by the Trustee pursuant to this Article X will consist of a securities account and may include any number of subaccounts requested by the Trustee or the Collateral Manager for convenience in administering the Collateral and any Account required hereunder may be established as a subaccount of any other Account. The Accounts will be established as of or prior to the Closing Date other than any Account required to be established in Section 10.3(g) which may be established no later than the time of entry by the Issuer into a Hedge Agreement. The Trustee shall also establish any additional accounts identified in the definition of Accounts, with permitted deposits and withdrawals as described therein. The Trustee shall be entitled to close the Closing Date Interest Account following the withdrawal of all amounts remaining in such account in accordance with Section 10.3(d)(ii)(C).

(c) Each Account shall be established in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties with a Securities Intermediary as a segregated non-interest bearing trust account maintained pursuant to the Securities Account Control Agreement. Each Account shall be an Eligible Account. The Trustee agrees to give the Issuer and the Collateral Manager prompt notice upon receipt of written notice by a Trust Officer that any Account or any funds therein, or otherwise to the credit of such Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuer shall not have any legal, equitable or beneficial interest in any Account. The Issuer shall provide notice to each Rating Agency if an Intermediary is replaced. Notwithstanding anything else contained herein, the Trustee agrees that with respect to each of the Accounts, it shall cause the Intermediary establishing such accounts to enter into the Securities Account Control Agreement and, if the Intermediary is the Bank, shall cause the Bank to comply with the provisions of such Securities Account Control Agreement. The Trustee may open such subaccounts of any such Account as it deems necessary or appropriate for convenience of administration.

(d) The Trustee, as directed by the Collateral Manager (which direction may be in the form of a standing instruction) shall invest or cause the investment of all funds received into or retained in the Accounts (other than the Payment Account, the Contribution Account, the Tax Reserve Account and the Custodial Account) in Eligible Investments (unless otherwise required under this Indenture and except when such funds shall be required to be disbursed under this Indenture) maturing on or before the Business Day prior to the next Payment Date, except as

specified below. If the Trustee has not received investment instructions from the Collateral Manager, the Trustee shall invest the funds held in each Account in the "U.S. Bank Money Market Deposit Account" (or other Eligible Investment selected by the Collateral Manager). The amounts credited to, or in, any Hedge Collateral Account shall be invested by the Trustee at the direction of the Collateral Manager in accordance with the applicable Hedge Agreement and obligations in any such Account shall not constitute Eligible Investments for any purpose hereunder. In the absence of such instruction from the Collateral Manager, funds in any such Hedge Collateral Account shall remain uninvested.

(e) All interest and other income from Eligible Investments shall be credited to, and any losses shall be charged to, the Account in which any such Eligible Investment is held and, notwithstanding any provisions of Sections 10.2 or 10.3, such amounts may be withdrawn for deposit as Interest Proceeds into the Interest Collection Subaccount at any time. The Trustee shall not in any way be held liable by reason of any insufficiency of funds in any Account resulting from any loss relating to any such investment.

Section 10.2 Collection Account. (a) Deposits. The Trustee shall immediately upon receipt deposit in the Collection Account all funds and property received by the Trustee and (x) designated for deposit in the Interest Collection Subaccount or the Principal Collection Subaccount (collectively, the "**Collection Account**") or (y) not designated under this Indenture for deposit in any other Account, including:

(i) any upfront premium payments under Hedge Agreements, to the Principal Collection Subaccount and any other amounts received under Hedge Agreements, to the Interest Collection Subaccount;

(iv) all Principal Proceeds and all Unused Proceeds transferred from the Unused Proceeds Account (other than Designated Interest Proceeds), to the Principal Collection Subaccount; and

(v) the Issuer (or the Collateral Manager on behalf of the Issuer) may, but under no circumstances shall be required to, deposit or cause to be deposited from time to time such funds that do not qualify as Interest Proceeds or Principal Proceeds in the Collection Account as it deems, in its sole discretion, to be advisable and by notice to the Trustee may designate that such funds are to be treated as Principal Proceeds or Interest Proceeds hereunder at its discretion.

(b) Withdrawals. The only permitted withdrawal from or application of funds or property in the Collection Account shall be in accordance with the provisions of this Indenture, including:

(i) during the Reinvestment Period, as directed by the Collateral Manager, Principal Proceeds (including Principal Proceeds held in the form of Eligible Investments that may be sold for such purpose) may be used for the purchase of Collateral Assets as permitted under and in accordance with the requirements of Article XII;

(ii) from time to time for the payment of Issuer Expenses, as directed by the Collateral Manager, pursuant to Section 11.1(d);

(iv) on the Business Day prior to each Payment Date, to the Payment Account for application pursuant to Section 11.1 and in accordance with the Payment Date Instructions;

(viii) from time to time any amounts deposited into the Collection Account in error.

(c) Eligible Investments. Eligible Investments purchased with funds in the Collection Account must mature no later than the earlier of (i) 60 days (or 30 days if an Event of Default has occurred and is continuing) after the date such investment is acquired by the Issuer and (ii) the Business Day immediately preceding the next Payment Date.

(d) Order of Use. Up to (and including) the second Determination Date, the Issuer will purchase additional Collateral Assets by using the following funds in the following

order: (i) to pay for the principal portion of any Collateral Asset, first, any Principal Proceeds in the Collection Account, and second, any amounts in the Unused Proceeds Account and (ii) to pay for accrued interest on any such Collateral Asset, any amounts in the Unused Proceeds Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Assets that will satisfy or comply with, on the Effective Date, the Portfolio Concentration Limits, the Collateral Quality Tests and the Par Coverage Tests.

Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Amounts deposited in a Tax Reserve Account shall remain uninvested and shall not be released except upon the direction of the Issuer or pursuant to clause (a) or (b) above. For the avoidance of doubt, any amounts released to a Holder as described above shall be released to the Holder as of the Record Date for the Payment Date in which the related amounts were deposited into the Tax Reserve Account. In connection with the establishment of a Tax Reserve Account (or subaccount thereof) in respect of a Non-Permitted Tax Holder, the Issuer shall assign, or cause to be assigned, to such Note a separate CUSIP or CUSIPs. Each Non-Permitted Tax

Holder shall reasonably cooperate with the Issuer to effect the foregoing and, by acceptance of its Note, agrees to the requirements of this section.

Section 10.4 Reports by Trustee. The Trustee shall supply in a timely fashion to the Issuer, the Collateral Administrator, the Administrator and the Collateral Manager any information regularly maintained by the Trustee that the Issuer, the Collateral Administrator or the Collateral Manager may from time to time request with respect to the Pledged Assets, each Account and any other information reasonably needed to complete the Monthly Report or the Payment Date Report. In addition, the Trustee shall promptly provide any other information not available to the Collateral Manager but reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.5 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement. The Trustee or the Collateral Administrator shall forward to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Asset or from any Clearing Agency with respect to any Collateral Asset advising the holders of such security of any rights that the holders might have with respect thereto (including, without limitation, notices of calls and redemptions of securities) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

Nothing in this Section 10.4 shall be construed to impose upon the Trustee any duty to prepare any report or statement required under Section 10.5 or to calculate or compute information required to be set forth in any such report or statement other than information regularly maintained by the Trustee by reason of its acting as Trustee hereunder.

Section 10.5 Accountings.

(a) Monthly. The Issuer (or the Collateral Administrator on its behalf) shall cause to be compiled a Monthly Report, determined as of the Report Determination Date (as defined on Schedule E hereto), and shall make available such Monthly Report to the Trustee (who shall make available such Monthly Report to each Holder, any requesting Certifying Person, the Collateral Manager, the Initial Purchaser and each Rating Agency) as set forth in Schedule E. The Issuer shall cause an electronic copy of the information from the Monthly Report that the Collateral Manager deems appropriate to be delivered to each Rating Agency. The Issuer may cause an electronic copy of the information from the Monthly Report that the Collateral Manager deems appropriate to be delivered to each Financial Market Publisher. At the direction of the Issuer, the Trustee may cause an electronic copy of the information from the Monthly Report to be delivered to Intex Solutions, Inc. and Bloomberg LP.

Upon receipt of each Monthly Report, the Collateral Manager shall compare the information contained therein to the information contained in its records with respect to the Collateral and shall, within three Business Days after receipt of such Monthly Report, notify the Issuer, the Collateral Administrator and the Trustee if the information contained in the Monthly Report does not conform to the information maintained by the Collateral Manager, detailing any discrepancies. In the event that any discrepancy exists, the Collateral Administrator and the Issuer, or the Collateral Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days direct the Issuer's Independent accountants to perform agreed upon procedures with respect to

such Monthly Report and the Collateral Manager's records to assist the Collateral Manager, the Trustee and the Collateral Administrator in determining the cause of such discrepancy. If such review reveals an error in the Monthly Report or the Collateral Manager's records, the Monthly Report or the Collateral Manager's records shall be revised accordingly.

(b) Payment Date Accounting. The Issuer (or the Collateral Administrator on its behalf) shall cause to be rendered the Payment Date Report, determined as of each Determination Date, and shall make such Payment Date Report available to the Trustee (who shall make available such Payment Date Report to each Holder, any requesting Certifying Person, the Collateral Manager, the Initial Purchaser and each Rating Agency) as set forth in Schedule F. The Issuer may cause an electronic copy of the information from the Payment Date Report that the Collateral Manager deems appropriate to be delivered to each Financial Market Publisher. At the direction of the Issuer, the Trustee may cause an electronic copy of the information from the Payment Date Report to be delivered to Intex Solutions, Inc. and Bloomberg LP.

(c) If the Trustee shall not have received any report provided for in Section 10.5(a) and (b) on the first Business Day after the date on which such accounting is due to the Trustee, the Trustee shall request the Issuer or the Collateral Administrator, as the case may be, to make such report available by the applicable Payment Date.

(d) Each Monthly Report and Payment Date Report shall contain, or be accompanied by, the following notice:

(f) To the extent of a failure of either of the Issuers or the Collateral Manager to provide information or reports pursuant to this Section 10.5, the Trustee shall, subject to the caps set forth in the Priorities of Payment, be entitled to retain an Independent certified public accountant in connection therewith and the reasonable costs incurred by the Trustee for such Independent certified public accountant shall constitute Issuer Expenses.

(g) Annual Reminder. On each anniversary of the Closing Date (or the next Business Day, if such anniversary is not a Business Day), the Trustee will send to the Depository the notice set forth in clause (d) above accompanied by a request that it be transmitted to the owners of Securities on the books of the Depository, identifying the Securities to which it relates, and requesting the Holder to convey copies of such notice to each Person who is shown on its records as an owner of Securities held by it.

At the direction of the Issuer, the Trustee will make the Monthly Report and the Payment Date Report available via the Trustee's Website and the Trustee will grant access to Intex Solutions, Inc. and Bloomberg LP for access to such reports. Parties that are unable to use the above distribution option are entitled to have a paper copy mailed to them via first class mail by calling the customer service desk and indicating such. The Trustee shall have the right to change the way such statements are distributed in order to make such distribution more convenient and/or more accessible to the above parties and the Trustee shall provide timely and adequate notification to all above parties regarding any such changes. As a condition to access to the Trustee's Website, the Trustee may require registration and the acceptance of a disclaimer. The Trustee will not be liable for the dissemination of information in accordance with this Indenture. The Trustee shall be entitled to rely on but shall not be responsible for the content or accuracy of any information provided in the information set forth in the Monthly Report and the Payment Date Report and may affix thereto any disclaimer it deems appropriate in its reasonable discretion.

Section 10.6 Release of Pledged Asset. (a) The Collateral Manager may, by written direction delivered to the Trustee at least two Business Days prior to the settlement date for any sale of a Pledged Asset certifying that the applicable conditions set forth in Article XII (and Section 3.4 prior to the Effective Date) have been met (which certification will be deemed to be made upon delivery of such direction), direct the Trustee to deliver such Pledged Asset against receipt of payment therefor.

(b) The Collateral Manager may, by written direction delivered to the Trustee at least two Business Days prior to the date set for redemption or payment in full of a Pledged Asset certifying that such Pledged Asset is being redeemed or paid in full, direct the Trustee or, at the Trustee's instruction, the Intermediary, to deliver such Pledged Asset, if in physical form, duly endorsed, or, if such Pledged Asset is a Clearing Corporation Security, to cause it to be presented (or in the case of a general intangible or a participation, cause such actions as are necessary to transfer such Pledged Asset to the designated transferee free of liens, claims or encumbrances created by this Indenture), to the appropriate paying agent therefor on or before the date set for redemption or payment, in each case against receipt of the Redemption Price or payment in full thereof.

(c) Subject to Article XII, the Collateral Manager may, by written direction delivered to the Trustee at least two Business Days prior to the date set for an exchange, tender or sale, certifying that a Pledged Asset is subject to an Offer and setting forth in reasonable detail the procedure for response to such Offer, direct the Trustee or, at the Trustee's instructions, to the Intermediary to deliver such Pledged Asset, if in physical form, duly endorsed, or, if such

Pledged Asset is a Clearing Corporation Security, to cause it to be delivered, in accordance with such Issuer Order, in each case against receipt of payment therefor.

(d) The Trustee shall deposit any Sale Proceeds received by it from the disposition of a Pledged Asset in the Collection Account, unless such Sale Proceeds are simultaneously applied to the purchase of Collateral Assets or Eligible Investments as permitted under and in accordance with requirements of Article XII.

(e) The Trustee shall, upon receipt of an Issuer Order at such time as there are no Securities Outstanding and all obligations of either of the Issuers hereunder have been satisfied, release the Collateral.

(f) Following delivery of any Pledged Asset pursuant to this Section 10.6, such Pledged Asset shall be released from the lien of this Indenture without further action by the Trustee or the Issuer.

(g) The Trustee shall, upon receipt of an Issuer Order, release from the lien of this Indenture any Collateral Asset or other Pledged Asset being transferred to a Tax Subsidiary and deliver such Collateral Asset or other Pledged Asset to be held by the Tax Subsidiary (or a custodian on behalf of the Tax Subsidiary) in exchange for the pledge of the equity interest in such Tax Subsidiary. Such Issuer Order shall be executed by an Authorized Officer of the Collateral Manager, request release of a Collateral Asset or other Pledged Asset, as applicable, and request that the Trustee execute the agreements, releases or other documents releasing such Collateral Asset or other Pledged Asset as presented to it by the Collateral Manager.

Section 10.7 Reports by Independent Accountants. (a) Prior to the date on which any report or certificate of the Issuer's accountants must be delivered, the Issuer or the Collateral Manager on behalf of the Issuer shall appoint a firm of Independent certified public accountants of recognized international reputation for purposes of preparing and delivering any Accountants' Reports required by this Indenture. Upon any removal of or resignation by such firm, the Issuer or the Collateral Manager on behalf of the Issuer shall promptly appoint a successor thereto that shall also be a firm of Independent certified public accountants of recognized international reputation and shall provide notice of such appointment to the Trustee and each Rating Agency. If the Collateral Manager shall fail to appoint a successor to a firm of Independent certified public accountants that has resigned within 30 days after such resignation, the Collateral Manager shall promptly notify the Trustee of such failure. If the Collateral Manager shall not have appointed a successor within 10 days thereafter, the Issuer shall promptly appoint a successor firm of Independent certified public accountants of recognized international reputation. The fees of any such accountants and its successor shall be payable by the Issuer in accordance with the Priorities of Payment.

(b) On or before the Annual Report Date, the Collateral Manager on behalf of the Issuer shall cause to be delivered to the Trustee an Accountants' Report indicating (i) for each Payment Date Report received since the last statement, that the calculations within each such Payment Date Report have been recalculated in accordance with the applicable provisions of this Indenture; and (ii) the Aggregate Principal Balance of the Pledged Assets and the Aggregate Principal Balance of the Collateral Assets and any Eligible Principal Investments as of

the immediately preceding Determination Date; provided, however, that in the event of a conflict between such firm of Independent certified public accountants and the Collateral Manager or the Issuer with respect to any matter in this Section 10.7, the determination by any such accountants shall be conclusive.

(c) To the extent a beneficial owner or Holder of a Deferrable Note requests the yield to maturity in respect of the relevant Note in order to determine any "original issue discount" in respect thereof, the Trustee shall, at the expense of the Issuer, request that the firm of Independent certified public accountants appointed by the Issuer calculate such yield to maturity. The Trustee shall have no responsibility to calculate the yield to maturity nor to verify the accuracy of such Independent certified public accountants' calculation. In the event that the firm of Independent certified public accountants fails to calculate such yield to maturity, the Trustee shall have no responsibility to provide such information to any beneficial owner or Holder of such Class of Notes.

(d) Upon written request by a Certifying Person, the Issuer shall cause the accountants to provide the Accountants' Report delivered to the Trustee pursuant to clause (b) or (c) of this Section 10.7 to such Certifying Person if it has provided the Trustee with a letter from the accounting firm delivering the Accountants' Report granting such Certifying Person access to such Accountants' Report.

(e) With respect to any agreed upon procedures letter, the Issuer (or the Collateral Manager on its behalf) shall be responsible for determining the agreed upon procedures to be so applied. In the event a firm of Independent certified public accountants appointed pursuant to clause (a) above requires the Trustee to agree to the procedures performed by such firm, or the sufficiency thereof for any purpose, the Issuer hereby directs the Trustee to so agree, which agreement (or access letter) may include, among other things, (i) acknowledgement with respect to the sufficiency of the agreed-upon procedures to be performed by such accountants, (ii) releases by the Trustee (on behalf of itself and/or the Holders) of any claims, liabilities, and expenses arising out of or relating to such accountant's agreement, agreed-upon procedures or any report issued by such accountants under any such agreement and acknowledgement of other limitations of liability in favor of such accountants and (iii) restrictions or prohibitions on the disclosure of any such certificates, reports or other information or documents provided to it by such accounts (including to Holders); it being understood and agreed that the Trustee will deliver such letter of agreement in conclusive reliance on the foregoing direction of the Issuer, and the Trustee shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures. The Bank shall have no obligation to execute any such letter which adversely affects it in its individual capacity.

cause each Rating Agency to be provided, with all information or reports delivered to the Trustee hereunder (except for any Accountants' Report), and such additional information as each Rating Agency may from time to time reasonably request and the Issuer (or the Collateral Manager on its behalf) determines in its sole discretion may be obtained and provided without unreasonable burden or expense. In the event that any information is delivered or posted in error, the Information Agent may remove it from the 17g-5 Site. None of the Trustee, the Collateral Administrator and the Information Agent have obtained, and none of them shall be deemed to have obtained actual knowledge of any information solely by virtue of such information having been provided to them for posting to the 17g-5 Site; and

(e) The provisions set forth in clauses (a) through (d) above constitute the "**Rule 17g-5 Procedures.**"

(f) The Trustee, the Information Agent and the Bank (in any of its capacities):

(i) will not be responsible for maintaining the 17g-5 Site, posting any notice or other communications to the 17g-5 Site or ensuring that the 17g-5 Site complies with the requirements of this Indenture, Rule 17g-5 under the Exchange Act, or any other law or regulation;

(g) The Information Agent shall not be liable for the dissemination of information in accordance with the terms of this Agreement, make no representations or warranties as to the accuracy or completeness of such information being made available, and assume no responsibility for such information. The Information Agent shall not be liable for its failure to make any information available to the Rating Agencies or NRSROs unless such information was delivered to the Information Agent at the email address set forth herein, with a subject heading of "Betony CLO 2, Ltd. 17g-5 Information" and sufficient detail to indicate that such information is required to be posted on the 17g-5 Site.

(h) Neither the Trustee nor the Information Agent has any obligation to prepare or deliver any notice or other written communication other than as expressly set forth herein and shall have no responsibility to monitor compliance with the Rule 17g-5 Procedures. (A) The Issuer will direct DTC to include the marker "3c7" in the DTC 20-character security descriptor and the 48-character additional descriptor for the Rule 144A Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(B) The Issuer will direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a "3c7" indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7).

(C) On or prior to the Closing Date, the Issuer will instruct DTC to send a Section 3(c)(7) Notice to all DTC participants in connection with the offering of the Rule 144A Global Notes.

(D) In addition to the obligations of the Security Registrar set forth in Section 2.5, the Issuer will from time to time make a request to DTC to deliver to the Issuer a list of all DTC participants holding an interest in the Rule 144A Global Notes.

(ii) Bloomberg Screens, Etc. The Issuer with the assistance of the Trustee will from time to time request all third-party vendors to include on screens maintained by

such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) under the Investment Company Act restrictions on the Rule 144A Global Notes.

ARTICLE XI

APPLICATION OF PROCEEDS

Section 11.1 Disbursements from Payment Account. (a) Notwithstanding any other provision in this Indenture, but subject to the other subsections of this Section 11.1 and Section 13.1, on each Payment Date, the Trustee shall disburse amounts from the Payment Account for application in accordance with the Priorities of Payment (including, without limitation, the Acceleration Waterfall when applicable).

(b) On or before the Business Day preceding each Payment Date, the Issuer shall remit or cause to be remitted to the Trustee for deposit in the Payment Account an amount of cash sufficient to pay the amounts described in the Priorities of Payment (including, without limitation, the Acceleration Waterfall when applicable) required to be paid on such Payment Date.

(c) If on any Payment Date the amount available in the Payment Account from amounts received in the related Due Period is insufficient to make the full amount of the disbursements required by the statements furnished by the Issuer pursuant to Section 10.5(b), the Trustee shall make the disbursements called for in the order and according to the priority set forth in the Priorities of Payment (including, without limitation, the Acceleration Waterfall when applicable), to the extent funds are available therefor.

(d) Provided that no Event of Default has occurred and is continuing, the Collateral Manager, on behalf of the Issuer, may direct the Trustee to disburse Interest Proceeds in the Interest Collection Subaccount or the Payment Account or funds in the Expense Reserve Account from time to time on dates other than Payment Dates for payment of the Issuer Expenses (subject to the limits for amount payable senior to the Highest-Ranking Class described in the Priorities of Payment) and any amounts senior in right of payment thereto under the Priorities of Payment, provided, however, that the Trustee may decline to make any such payment until the immediately succeeding Payment Date if deemed by the Trustee to be necessary to ensure that the priorities set forth in such clauses and in the definition of Issuer Expenses will be maintained. Without limitation to the foregoing, Interest Proceeds and Principal Proceeds may be applied to the payment of Petition Expenses on any date on which such Petition Expenses are incurred, so long as the amount of Petition Expenses applied on any

non-Payment Date will not cause the deferral of interest on any Non-Deferrable Class on the next succeeding Payment Date.

(e) The Collateral Manager may, in its sole discretion, elect to (i) defer its rights to receive all or a portion of any Management Fee payable on any Payment Date, or (ii) receive payment of any Deferred Senior Collateral Management Fees and Deferred Subordinated Collateral Management Fees, subject to any applicable limits in accordance with the Priorities of Payment, on any Payment Date, in each case by providing written notice to the Issuer, the Collateral Administrator and the Trustee of such election on or before the Determination Date preceding such Payment Date. Deferred Senior Collateral Management Fees and Deferred Subordinated Collateral Management Fees will accrue interest to the extent specified in the Term Sheet.

Section 11.2 Payments Under Asset Specific Hedges. On each scheduled payment date for any Asset Specific Hedge, Interest Proceeds received with respect to the related Hedged Asset will be disbursed (in accordance with the written direction of the Collateral Manager) from the Interest Collection Subaccount for payment of any amounts due and payable to the related Asset Specific Counterparty on such payment date (other than termination payments payable pursuant to the Priorities of Payment).

ARTICLE XII

PURCHASE AND SALE OF COLLATERAL DEBT OBLIGATIONS

Section 12.1 Sale of Collateral Assets. (a) Subject to the satisfaction of the applicable conditions specified in the Term Sheet, the Collateral Manager by Issuer Order may direct the Trustee to sell, and the Trustee will sell in the manner directed by the Collateral Manager, any Collateral Asset or Equity Security (including Collateral Asset or Equity Securities held by any Tax Subsidiary).

(b) After the Issuer's receipt of a Required Redemption Direction with respect to an Optional Redemption or after the Issuer has notified the Trustee of an Optional Redemption or Clean-Up Call Redemption, the Collateral Manager shall direct the Trustee to sell, as necessary, all or a substantial portion of the Collateral Assets.

(c) Notwithstanding the provisions of this Section 12.1, the Collateral Manager, on behalf of the Issuer, will no later than the Determination Date prior to the Payment Date coinciding with the Stated Maturity Date instruct the Trustee pursuant to an Issuer Order to, and the Trustee will, sell for settlement in immediately available funds no later than two Business Days before the Stated Maturity Date any Collateral Assets scheduled to mature after the Stated Maturity Date in accordance with such Issuer Order as well as the Issuer's interests in any Tax Subsidiary that holds any assets at that time.

(d) Notwithstanding the restrictions of clauses (a) through (c) above, if the Aggregate Principal Balance of all Collateral Assets is less than $10,000,000, the Collateral Manager may direct the Trustee, at the expense of the Issuer, to sell (and the Trustee shall sell in the manner specified) the Collateral Assets without regard to such restrictions.

Section 12.2 Purchase of Collateral Assets. (a) Subject to the satisfaction of the applicable conditions specified in the Term Sheet, the Collateral Manager by Issuer Order may direct the Trustee to purchase, and the Trustee (on behalf of the Issuer) will purchase in the manner directed by the Collateral Manager, any Collateral Assets.

Section 12.3 Certification by Collateral Manager. Each Collateral Asset purchased or sold after the Closing Date will be made pursuant to an Issuer Order, which Issuer Order will be deemed a certification by the Collateral Manager, upon which the Trustee and the Collateral Administrator may conclusively rely, that such purchase or sale complies with this Article XII and the requirements of the Term Sheet.

Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of a Collateral Asset may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communications or file transfer protocol) from the Collateral Manager on which the Trustee may rely for all purposes herein.

ARTICLE XIII

SUBORDINATION; STANDARD OF CONDUCT; RIGHT TO LIST OF HOLDERS

Section 13.1 Subordination. (a) Notwithstanding anything in this Indenture to the contrary (including, without limitation, the Priority of Interest Payments and the Priority of Principal Payments), if any Event of Default has occurred and has not been cured or waived and acceleration occurs in accordance with Article V and until such acceleration has been rescinded in accordance with Article V, including, without limitation, as a result of an Event of Default specified in Section 5.1(g), then on each Payment Date thereafter, the Trustee shall disburse all Principal Proceeds, Interest Proceeds and any other cash in the Payment Account in accordance with the Acceleration Waterfall.

(b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuers and the Holders of each Lower-Ranking Class agree for the benefit of the Holders of each Higher-Ranking Class that each Lower-Ranking Class and the Issuer's rights in and to the Collateral (the "**Subordinate Interests**") shall be subordinate and junior to each Higher-Ranking Class to the extent and in the manner set forth in this Indenture including, without limitation, as set forth in the Priorities of Payment. If any Event of Default has occurred (including, without limitation, an Event of Default specified in Section 5.1(g)) and has not been cured or waived and acceleration of the Secured Notes occurs in accordance with this Indenture and until such acceleration has been rescinded or annulled in accordance with this Indenture, then on each Payment Date thereafter, each Higher-Ranking Class shall be paid in full in cash or, to the extent 100% of the Holders of such Higher-Ranking Class consents, other than in cash, before any

further payment or distribution is made on account of the Subordinate Interests, as provided in the Acceleration Waterfall. The Holders of each Lower-Ranking Class agree, for the benefit of each Higher-Ranking Class, not to cause the filing of a petition in bankruptcy against the Issuer or the Co-Issuer for failure to pay to them amounts due under the Lower-Ranking Classes or hereunder until the payment in full of the Higher-Ranking Classes and not before one year (or, if longer, the applicable preference period then in effect) plus one day has elapsed since such payment. If any holder causes the filing of a petition in bankruptcy or winding-up against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the expiration of the period specified in the previous sentence, any claim that such holder has against the Issuers (including under all Secured Notes of any Class held by such holders) or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priorities of Payment and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each holder of any Secured Note (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Secured Note held by each holder (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priorities of Payment (after giving effect to such subordination). This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code.

(c) In the event that any Holder of any Subordinate Interests shall have received any payment or distribution in respect of such Subordinate Interests contrary to the provisions of this Indenture, then, unless and until each Higher Ranking Class shall have been paid in full in cash or, to the extent a Majority of such Higher-Ranking Class consents, other than in cash, in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the Higher-Ranking Classes, in accordance with this Indenture; provided, however, that, if any such payment or distribution is made other than in cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to the provisions of this Indenture, including, without limitation, this Section 13.1.

(d) Each Holder of Subordinate Interests agrees with all Holders of Higher-Ranking Classes, that such Holder of Subordinate Interests shall not demand, accept, or receive any payment or distribution in respect of such Subordinate Interests in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided, however, that after each Higher-Ranking Class has been paid in full, the Holders of Subordinate Interests shall be fully subrogated to the rights of the Holders of the Higher-Ranking Classes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of Subordinate Interests.

Section 13.2 Standard of Conduct. Subject to the terms and conditions of this Indenture (including, without limitation, Section 5.9), in exercising any of its or their Voting Rights under this Indenture, no Holder shall have any obligation or duty to any Person, shall not be required to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken (without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person), except for any liability to which such Holder may be subject to the extent such liability results from such Holder's

taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3 Right to List of Holders. Any Holder or Certifying Person will have the right, but only after the occurrence and during the continuance of a Default or an Event of Default or notice to the Holder or Certifying Person of any proposed supplemental indenture requiring consent of Holders, to obtain a complete list of Holders and Certifying Persons as identified to the Trustee (except any Holder or Certifying Person that has expressly reserved its confidentiality in its Certifying Person certificate) upon five Business Days' prior notice to the Trustee; provided that each requesting Holder or Certifying Person will be deemed to agree by acceptance of such list that the list will be used for no purpose other than the exercise of its rights under this Indenture. At any other time and at the Issuer's expense, a Holder or Certifying Person may request that the Trustee forward a notice to the Holders or Certifying Persons on its behalf.

The Issuer, the Initial Purchaser and the Collateral Manager will have the right to obtain a complete list of Holders and Certifying Persons as identified to the Trustee (except any Holder or Certifying Person that has expressly reserved its confidentiality in its Certifying Person certificate) at any time upon five Business Days' prior written notice to the Trustee. At the direction of the Issuer or the Collateral Manager (at the cost of the Issuer), the Trustee will request a list of participants holding interests in the Notes from one or more book-entry depositories and provide such list to the Issuer or Collateral Manager, respectively.

The Trustee will not be obligated to seek from such participants any list of beneficial owners of the Securities or obtain any other information other than the list of participants.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of either of the Issuers or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that such certificate, opinion or representations with respect to the matters upon which its certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of either of the Issuers or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on

which the Trustee shall also be entitled to rely), stating that the information with respect to such factual matters is in the possession of such Person, unless such Authorized Officer or such counsel knows that such certificate, opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Authorized Officer of the Issuer, the Co-Issuer or the Collateral Manager, stating that the information with respect to such matters is in its possession, unless such counsel knows that such certificate, opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or an Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either of the Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have actual knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders; Voting. (a) Any Vote provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "**Act**" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and each of the Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Trustee deems sufficient.

(c) The principal amount and registered numbers of Securities held by any Person, and the date of its holding the same, shall be proved by the Security Register.

(d) Any Vote or other action by the Holder of any Securities shall bind the Holder (and any transferee thereof) of such Security and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuers in reliance thereon, whether or not notation of such action is made upon such Security.

(e) Notes of different Classes that are entitled to Vote on a matter and that are *pari passu* in right of payment of interest (or, in the case of the Subordinated Notes, payment of

Interest Proceeds) will constitute a single Class for purposes of such Vote, unless expressly stated otherwise.

(f) Notwithstanding any other provision of this Indenture, with respect to any Global Note, each Certifying Person may Vote (including with respect to remedies, supplemental indentures, Optional Redemption and Refinancing Redemption) as if it were the Holder of the related interest in such Global Note; provided that it demonstrates to the satisfaction of the Trustee that the Holder of the Global Note has not acted on behalf of such beneficial owner with respect to the same action. The Trustee shall not be required to take any action that it determines might involve it in liability unless it has been provided with indemnity reasonably satisfactory to it.

Section 14.3 Notices. Except as otherwise expressly provided herein, any request, demand, authorization, instruction, certification, designation, direction, notice, consent, waiver, confirmation or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties identified on Schedule G shall be sufficient for every purpose hereunder if in writing and if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by telecopy in legible form (with confirmation of receipt thereof) at the address set forth on Schedule G (or at any other address provided in writing by the relevant party).

Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified on Schedule G pursuant to this Section 14.3 may be provided by providing notice of, and access to, the Trustee's Website containing such information or document.

The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; provided that any Person providing such instructions or directions shall provide to the Bank upon its request an incumbency certificate listing persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a Person is added or deleted from the list. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions (x) based upon the Bank's reasonable understanding of the content of such instructions, or (y) notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any Person providing such instructions or directions shall be deemed to have agreed to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and shall be deemed to have agreed that there may be more secure methods of transmitting such instructions than the method(s) selected by it and shall be deemed to have agreed that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture or the Collateral Management Agreement provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders, if in writing and mailed, first class postage prepaid, or sent via email or telecopy, to each Holder, as the case may be, of any event, as affected by such event, at the address of such Holder as it appears in the Security Register (or, in the case of Holders of Global Notes, e-mailed to DTC) not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) such notice shall be in the English language; and

(c) such notices will be deemed to have been given on the date of such mailing or transmission.

The Trustee will deliver to the Holders of the Securities any information or notice requested in accordance with this Indenture to be so delivered by at least 25% of the Aggregate Outstanding Amount of any Class of Securities.

The Trustee will make available to the Collateral Manager and each Hedge Counterparty, if any, copies of all notices and reports made available by the Trustee to any Holder pursuant to the terms hereof by the same means and simultaneously with the delivery thereof to such Holder.

So long as any Securities are listed on the Cayman Islands Stock Exchange (or other stock exchange) and the guidelines of such exchange so require, all notices to Holders shall also be delivered by the Issuer to the Cayman Islands Stock Exchange or other stock exchange if required by the applicable listing guidelines.

Neither the failure to mail or transmit any notice, nor any defect in any notice so mailed or transmitted, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified in this Section 14.4 may be provided by providing notice of, and access to, the Trustee's Website containing such information or document.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by either of the Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Separability. In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Holders, the Collateral Manager, the Intermediary, the Collateral Administrator, the Bank in any capacity under the Transaction Documents and the Hedge Counterparties, if any, (which shall be express third party beneficiaries of this Indenture) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Governing Law. THIS INDENTURE AND EACH SECURITY SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

Section 14.10 Submission to Jurisdiction. Each of the Issuers hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Securities or this Indenture, and each of the Issuers hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. Each of the Issuers hereby irrevocably waives, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. Each of the Issuers irrevocably consents to the service of any and all process in any action or proceeding by the mailing or delivery of copies of such process to it at the office of the Process Agent. Each of the Issuers agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.11 Counterparts. This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of executed counterpart of this instrument by electronic means (including email or telecopy) will be effective as delivery of a manually executed counterpart of this instrument.

Section 14.12 Liability of Issuers. Notwithstanding any other terms of this Indenture, the Securities or any other agreement entered into between, *inter alia*, each of the Issuers or otherwise, neither of the Issuers shall have any liability whatsoever to the other under this Indenture, the Securities, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Issuers shall be entitled to take any steps to enforce, or

bring any action or proceeding, in respect of this Indenture, the Securities, any such agreement or otherwise against the other. In particular, neither of the Issuers nor any Tax Subsidiary shall be entitled to petition or take any other steps for the winding up (other than an Approved Tax Liquidation) or bankruptcy of the other or shall have any claim in respect of any assets of the other.

Section 14.13 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.14 Waiver of Jury Trial. The Trustee, the Holders, each beneficial owner (by their acceptance of the Securities) and each of the Issuers each hereby knowingly, voluntarily and intentionally waives (to the extent permitted by applicable law) any rights it may have to a trial by jury in respect of any litigation based hereon, or arising out of, under, or in connection with, this Indenture, the Securities or any other related documents, or any course of conduct, course of dealing, statements (whether verbal or written), or actions of the Trustee or either of the Issuers. This provision is a material inducement for the Trustee, each Holder, each beneficial owner and each of the Issuers to enter into this Indenture.

Section 14.15 Survival. Notwithstanding the satisfaction and discharge of this Indenture pursuant to Article IV, the rights and obligations of each of the Issuers, the Trustee and, if applicable, the Securityholders, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.12 shall survive.

ARTICLE XV

COLLATERAL MANAGEMENT

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Issuer's payment obligations hereunder and the performance and observance of the provisions hereof, hereby collaterally assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties all of the Issuer's right, title and interest in, to and under the Collateral Management Agreement, including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, that the Issuer may exercise any of its rights under the Collateral Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture), so long as an Event of Default has not occurred and is not continuing. From and after the occurrence and continuance of an Event of Default, the Collateral Manager shall continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture. The foregoing assignment is executed as collateral security and

shall not impair or diminish the obligations of the Issuer under the Collateral Management Agreement, and shall not impose such obligations on the Trustee.

(b) Upon the retirement of the Notes and the release of the Collateral from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

Section 15.2 Standard of Care Applicable to Collateral Manager. For the avoidance of doubt, the standard of care set forth in the Collateral Management Agreement shall apply to the Collateral Manager with respect to those provisions of this Indenture applicable to the Collateral Manager.

There is currently no market for the Securities and there can be no assurance that such a market will develop.

The Incentive Collateral Management Fee that is due and payable on any Payment Date following the resignation or removal of the Collateral Manager will be payable to the former Collateral Manager in an amount equal to the Specified Percentage of such Incentive Collateral Management Fee and any successor Collateral Manager will be entitled to receive the portion of the Incentive Collateral Management Fee that remains after such Specified Percentage of the Incentive Collateral Management Fee has been paid to the former Collateral Manager.

Direction by (a) a Majority of the Subordinated Notes is required to effect an Optional Redemption as a result of a Tax Event and (b) a Majority of the Subordinated Notes (and, in the case of a Refinancing Redemption, with the prior written consent of the Collateral Manager given in its sole discretion) is required to effect any other Optional Redemption or a Refinancing Redemption (the direction

required under clause (a) or (b), the "**Required Redemption Direction**").

Direction of a Majority of the Subordinated Notes is required to effect a Re-Pricing. In addition, any such Re-Pricing will require the prior written consent of the Collateral Manager given in its sole discretion.

Targeted Amounts

Closing Proceeds..The Issuers expect the net proceeds from the issuance and sale of the Securities to equal approximately $499,414,675 after discounts, including original issue discounts, payment of applicable fees and expenses in connection with the structuring and offering of the Securities and deposits into the Expense Reserve Account and the Interest Reserve Account. A portion of the net proceeds will be used to acquire participations in certain Collateral Assets pursuant to the Master Participation Agreement.

Unused Proceeds and amounts in the Expense Reserve Account and the Principal Collection Subaccount, collectively in an amount not exceeding 1.0% of the Effective Date Target Par Amount may be designated by the Collateral Manager as Interest Proceeds on or prior to the second Determination Date, but only if prior to and immediately after giving effect to such transfer (x) the Effective Date Moody's Condition is satisfied or Moody's has provided Rating Agency Confirmation in connection with the Effective Date and (y) the Issuer has purchased (or entered into commitments to purchase) Collateral Assets (without regard to prepayments, redemptions or maturities but with regard to any realized losses or gains in respect of any sales) having an Aggregate Principal Balance of at least the Effective Date Target Par Amount (such designated amounts, the "**Designated Interest Proceeds**").

Of the net proceeds of the issuance of the Securities, approximately $1,772,475 (the "**Closing Date Interest Deposit Amount**") will be deposited into the Closing Date Interest Account and may be designated by the Collateral Manager as Interest Proceeds or Principal Proceeds on or prior to the Determination Date relating to the first Payment Date following the Effective Date.

Closing Date Collateral Assets; Ramp Up..As of the Closing Date, the Issuer is expected to have purchased (or entered into commitments to purchase)

Collateral Assets having an Aggregate Principal Balance of at least $500,000,000 (the "**Closing Date Par Amount**").

As of the Effective Date, the Issuer (or the Collateral Manager on its behalf) expects to have purchased (or entered into commitments to purchase) Collateral Assets (without regard to prepayments, redemptions or maturities but with regard to any realized losses or gains in respect of any sales) having an Aggregate Principal Balance of at least $500,000,000 (the "**Effective Date Target Par Amount**").

The "**Effective Date**" will be the earlier of (a) the Scheduled Effective Date and (b) the date specified by the Collateral Manager that is on or following the date on which the Issuer has purchased (or entered into commitments to purchase) Collateral Assets with an Aggregate Principal Balance (without regard to prepayments, redemptions or maturities but with regard to any realized losses or gains in respect of any sales) at least equal to the Effective Date Target Par Amount.

Contributions .... At any time during the Reinvestment Period, any Person may notify the Issuer, the Paying Agent, the Trustee, the Collateral Administrator and the Collateral Manager, by submission of a notice substantially in the form attached to the Indenture (a "**Contribution Notice**"), in respect of clause (i) below, no later than five Business Days prior to the proposed date of the contribution or, in respect of clause (ii) below, no later than four Business Days prior to the related Payment Date, that it proposes to (i) make a Cash contribution to the Issuer (a "**Cash Contribution**") or (ii) solely in the case of a holder of a Certificated Note, designate as a contribution to the Issuer all or a specified portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on a Payment Date to such Holder pursuant to the Priorities of Payment (a "**Reinvestment Contribution**" and, together with a Cash Contribution, each a "**Contribution**").

The Collateral Manager, in its sole discretion, will determine (on behalf of the Issuer) (A) whether to accept any proposed Contribution and (B) the Permitted Use to which such proposed Contribution would be applied. If such Contribution is accepted by the Collateral Manager (on behalf of the Issuer), it will be deposited in the Contribution Account and applied to one or more Permitted Uses determined by the Collateral Manager (on behalf of the Issuer). Amounts in the Contribution Account will not

earn interest and will not increase the Aggregate Outstanding Amount of the Contributor's Notes. No Contribution or portion thereof will be returned to the Contributor at any time.

Reinvestment Contributions will be treated as having been paid to the Holder for all purposes, including the calculation of the Internal Rate of Return.

Promptly upon a Contribution being accepted, the Trustee shall notify the Holders of the amount of such Contribution and the related Permitted Use.

THE COLLATERAL ASSETS

The loans to be held by the Issuer (the "**Collateral Assets**") will be comprised of Senior Secured Loans, Senior Unsecured Loans, Second Lien Loans and First-Lien Last-Out Loans, including Participation Interests therein, in each case, to the extent permitted under the Eligibility Criteria.

The Collateral Assets will also be subject to the Portfolio Concentration Limits to the extent set forth below.

SALES AND PURCHASES

Sales of Collateral Assets

Subject to the limitations contained in the following paragraphs and the Investment Guidelines, the Collateral Manager on behalf of the Issuer may (at any time whether during the Reinvestment Period or the Amortization Period) sell (including in case of clauses (a) through (e), sales after an acceleration of the maturity of the Secured Notes has occurred unless, following such acceleration, a Majority of the Controlling Class has delivered to the Issuer, the Trustee, the Collateral Administrator and the Collateral Manager a written notice of objection to any such sales before the trade date has occurred): (a) any Credit Risk Asset, (b) any Permitted Withholding Tax Asset, (c) any Defaulted Asset, (d) any Equity Security or any asset held by any Tax Subsidiary (or the Issuer's entire interest in a Tax Subsidiary itself), (e) any Credit Improved Asset or (f) any Collateral Asset not described in clauses (a) through (e) if, after giving effect to such sale (each such sale described in this clause (f), a "**Discretionary Sale**"), the Aggregate Principal Balance of all Collateral Assets sold in a Discretionary Sale after the Effective Date for a given 12 month period pursuant to this clause (f) is no greater than 30% of the Collateral Principal Balance as of the beginning of such 12 month period (or, if for the first 12 months after the Effective Date, during the period commencing on the Effective Date); it being agreed in the Indenture that, for the purpose of determining the percentage of Collateral Assets sold during any such period, the amount of any Collateral Assets sold will be reduced to the extent of any purchases (including commitments to purchase) of Collateral Assets of the same obligor (which are *pari passu* or senior to such sold Collateral Asset) occurring within 45 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Asset was sold with the intention of purchasing a Collateral Asset of the same obligor (which would be *pari passu* or senior to such sold Collateral Asset).

The Collateral Manager may direct Discretionary Sales:

(i) during the Reinvestment Period if the Collateral Manager on behalf of the Issuer will use reasonable efforts to enter into commitments on behalf of the Issuer to reinvest within the later of 45 Business Days after the settlement of such sale all or a substantial portion of the Sale Proceeds and the last day of the Due Period; provided that, if the Collateral Manager is unable to enter into trades to reinvest such Sale Proceeds prior to the end of the Reinvestment Period, the Collateral Manager will notify the Trustee of a Special Redemption and such Sale Proceeds will be considered Principal Proceeds and transferred to the Principal Collection Subaccount for distribution on the next Payment Date; or

(ii) at any time if (A) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Asset sold or (B) after giving effect to such sale, the sum of (1) the Aggregate Principal Balance of the Collateral Assets *plus* (2) without duplication, Eligible Principal Investments (including, without duplication, the anticipated net proceeds of such proposed sale) will be greater than the Target Par Balance.

The Collateral Manager will use commercially reasonable efforts to sell (i) each Equity Security that does not constitute Margin Stock no later than the later of (x) 36 months after the date of the Issuer's acquisition thereof and (y) if such sale is prohibited by applicable law or an applicable contractual restriction, the earliest date on which such Equity Security is permitted to be sold under applicable law and not prohibited by an applicable contractual restriction and (ii) each Collateral Asset that constitutes Margin Stock no later than the later of (x) 45 days after the later of the date of the Issuer's acquisition thereof and the date that such Collateral Asset became Margin Stock and (y) if such sale is prohibited by applicable law or an applicable contractual restriction, the earliest date on which such Margin Stock is permitted to be sold under applicable law and not prohibited by an applicable contractual restriction.

For the avoidance of doubt, if the Collateral Manager has committed to a sale of a Collateral Asset during the Reinvestment Period and has committed to purchase one or more replacement Collateral Assets during the Reinvestment Period, settlement of such sale and purchase may occur after the Reinvestment Period.

The Collateral Manager will sell Collateral Assets without regard to the preceding limitations in connection with the Stated Maturity Date and may also sell Collateral Assets without regard to the preceding limitations in connection with an Optional Redemption, a Clean-Up Call Redemption or if the Aggregate Principal Balance of all Collateral Assets is less than $10 million. In addition, in connection with the Stated Maturity Date, the Collateral Manager will also sell the Issuer's interests in or the assets of any Tax Subsidiary that holds any assets at that time.

Prior to the time that the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Asset or if the Collateral Manager acquires actual knowledge that the Issuer owns (whether or not in connection with an offer, exchange or modification) a Collateral Asset, in each case, that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net income basis, and prior to the time that any Collateral Asset is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net income basis, the Issuer either will (i) sell the asset or the right to receive the asset, or the Collateral Asset that is the subject of the workout, restructuring, or modification, or (ii) contribute the asset or the right to receive the asset, or the Collateral Asset that is the subject of the workout, restructuring, or modification to a Tax Subsidiary. For the avoidance of doubt, the Issuer shall not acquire any Collateral Asset if a restructuring or workout of such Collateral Asset is in process and if such restructuring or workout could reasonably result in the Issuer being treated as engaged in a trade or business in the United States or otherwise subject to U.S. federal tax on a net income basis.

During the Amortization Period (without regard to whether an acceleration of the Secured Notes has occurred):

(i) The Collateral Manager may direct the Trustee to conduct an auction of Unsalable Assets at the expense of the Issuer in accordance with the

procedures described in clause (ii) below. An "**Unsalable Asset**" is any (a) Defaulted Asset, Equity Security, obligation received in connection with an offer or tender offer, in a restructuring or plan of reorganization with respect to the obligor, or other exchange or any other security or debt obligation that is part of the Collateral, in respect of which the Issuer has not received a payment in cash during the preceding 12 months or (b) any Pledged Asset identified in a certificate of the Collateral Manager as having a Market Value of less than $1,000, in each of case (a) and (b) above, with respect to which the Collateral Manager certifies to the Trustee that (x) it has made commercially reasonable efforts to dispose of such Pledged Asset for at least 90 days and (y) in its commercially reasonable judgment such Pledged Asset is not expected to be saleable for the foreseeable future.

(ii) The Trustee, at the direction of and with the assistance of the Collateral Manager, will provide notice to the Holders of an auction of Unsalable Assets. Such notice will be in a form prepared by the Collateral Manager, will set forth in reasonable detail a description of each Unsalable Asset and will specify the following auction procedures:

(A) a Holder may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee will provide notice thereof to each Holder and offer to deliver (at the expense of the Holder) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the Highest-Ranking Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations or legal or contractual restrictions. To the extent that minimum denominations or legal or contractual restrictions do not permit a *pro rata* distribution, the Trustee will distribute, at the written direction of the Collateral Manager, the Unsalable Assets on a *pro rata* basis to the extent possible and the Collateral Manager will select by lottery the Holder to whom the remaining amount will be delivered. The Trustee, at the written direction of the Collateral Manager, shall use commercially reasonable efforts to effect delivery of such interests; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee will promptly notify the Collateral Manager and shall deliver, at the written direction of the Collateral Manager (at the expense of the Issuer), the Unsalable Asset to the Collateral Manager. If the Collateral Manager declines such assets, the Trustee will take such action as directed by the Collateral Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity. All expenses in connection with such disposal shall

be Issuer Expenses; provided that such expenses shall first be paid from any proceeds of such disposal.

The Collateral Manager (on behalf of the Issuer) will use its commercially reasonable efforts to effect the sale or other disposition of any asset (including, but not limited to Collateral Assets and Eligible Investments) at a commercially reasonable price and in a prompt manner within a commercially reasonable time frame if the Issuer's continued ownership of such asset would, in the sole reasonable determination of the Collateral Manager, cause the Issuer to be a "covered fund" under the Volcker Rule.

Equity Securities; Exercise of Warrants. The Issuer may not take delivery of any Equity Security (directly in a workout, restructuring or similar proceeding or by exercise of a warrant or similar right received in such a proceeding) that is not received "in lieu of a debt previously contracted" for purposes of the Volcker Rule. The Issuer may transfer the right to receive such Equity Security or any warrant or similar right to which it is entitled in connection with a workout, restructuring or similar procedure prior to receipt of such Equity Security. Subject to the foregoing, the Issuer may make a payment in order to exercise any warrant or other similar right received in connection with a workout, a restructuring or a similar procedure in respect of a Collateral Asset that results in receipt of an Equity Security.

Reserved Amounts in the case of Retention Deficiency. If at any time the Collateral Manager determines, in its commercially reasonable judgment, that receipt by the Issuer of Principal Proceeds would cause (or would be likely to cause) a Retention Deficiency, the Collateral Manager may designate such Principal Proceeds as Interest Proceeds and deposit them into the Retention Deficiency Reserve Account (any such amounts, "**Retention Deficiency Reserve Proceeds**") provided that no such deposit is permitted unless the Retention Basis Amount is equal to or in excess of 102% of the Target Par Balance. If the Weighted Average Life Test and the Moody's Weighted Average Rating Factor Test are satisfied and the Collateral Principal Balance is at least equal to the Target Par Balance as of any Measurement Date, the Collateral Manager (on behalf of the Issuer) may direct the Trustee to transfer all or a portion of the Retention Deficiency Reserve Proceeds to the Interest Collection Subaccount for distribution as Interest Proceeds on the following Payment Date in accordance with the Priority of Interest Payments. In addition, Retention Deficiency Reserve Proceeds may be withdrawn for application in accordance with the Priorities of Payment as Interest Proceeds on and after any Payment Date on which the Secured Notes are paid in full (including a Redemption Date on which all of the Secured Notes are redeemed), any Payment Date following commencement of the liquidation of the Collateral following an acceleration of the maturity of the Secured Notes or Stated Maturity Date.

Purchases of Collateral Assets

Investment Criteria

The Collateral Manager will use commercially reasonable efforts to invest Principal Proceeds in Collateral Assets following any sale of Collateral Assets during the Reinvestment Period. Principal Proceeds may be invested in Eligible Investments pending reinvestment.

Unless the Secured Notes have been accelerated and such acceleration has not been rescinded or annulled in accordance with the Indenture, the Issuer may purchase a Collateral Asset if each of the following conditions (the "**Investment Criteria**") is satisfied as of the applicable Trade Date, in each case, after giving effect to all previous and contemporaneous sales and purchases, based on outstanding orders, trade confirmations and executed assignments:

(i) such Collateral Asset satisfies the Eligibility Criteria; and

(ii) such purchase would not cause a Retention Deficiency;

(iii) if such Trade Date is after the Effective Date and during the Reinvestment Period:

(A) each applicable Coverage Test (in the case of the Interest Coverage Tests, as of any date of determination on or after the second Determination Date) (i) in the case of proceeds from Defaulted Assets, will be satisfied or (ii) for all other proceeds, will be satisfied or, if not satisfied, maintained or improved;

(B) each Collateral Quality Test and the Portfolio Concentration Limits will be satisfied or, if not satisfied, maintained or improved;

(C) with respect to the use of Sale Proceeds of Discretionary Sales and Credit Improved Assets, either (1) the Collateral Asset purchased has an Investment Criteria Adjusted Balance at least equal to the Investment Criteria Adjusted Balance of the Collateral Asset sold or (2) the sum of (x) the Aggregate Principal Balance of the Collateral Assets plus (y) without duplication, Eligible Principal Investments will be greater than the Target Par Balance, in each case, after giving effect to such sale and purchase; and

(D) with respect to the use of Sale Proceeds of Defaulted Assets and Credit Risk Assets, either (1) the Aggregate Principal Balance of the Collateral Assets purchased with such Sale Proceeds will be greater than or equal to the aggregate amount of such Sale Proceeds, (2) the Aggregate Principal Balance of all Collateral Assets (calculated immediately prior to giving effect to the applicable sale of a Credit Risk Asset or Defaulted Asset or the receipt of other Sale Proceeds with respect to such Credit Risk Asset or Defaulted Asset, as applicable) will be maintained or increased or (3) the sum of (x) the Aggregate Principal Balance of the Collateral Assets plus (y) without duplication, Eligible Principal Investments will be greater than the Target Par Balance, in each case, after giving effect to such sale and purchase;

provided that clause (A) and the Collateral Quality Tests in clause (B) above need not be satisfied, maintained or improved with respect to any Defaulted Asset acquired in a Bankruptcy Exchange; and

(iv) if the Trade Date is during the Amortization Period, the Collateral Manager may, but will not be required to, invest in additional Collateral Assets using Principal Proceeds that were received with respect to Prepaid Collateral Assets and sales of Credit Risk Assets within the longer of (x) 45 days of the Issuer's receipt thereof and (y) the last day of the related Due Period if, after giving effect to any such reinvestment:

(A) all of the Portfolio Concentration Limits, the Weighted Average Spread Test, the Weighted Average Coupon Test, the Moody's Weighted Average Rating Factor Test, the Weighted Average Recovery Rate Test and the Weighted Average Life Test will be satisfied, or if not satisfied, will be maintained or improved as compared to such failing test levels or limits prior to the sale of the related Credit Risk Assets or the receipt of the unscheduled principal payment;

(B) each Coverage Test will be satisfied;

(C) the Restricted Trading Condition is not in effect;

(D) the additional Collateral Assets purchased will have the same or earlier maturity as such Credit Risk Assets or Prepaid Collateral Assets and the same or higher Moody's Rating;

(E) with respect to purchases with proceeds from the sale of Credit Risk Assets, either (1) the Aggregate Principal Balance of all additional Collateral Assets purchased will at least equal the related Sale Proceeds or (2) after giving effect to such purchase, the sum of (x) the Aggregate Principal Balance of the Collateral Assets plus (y) without duplication, Eligible Principal Investments (including, without duplication, the anticipated unscheduled principal proceeds) will be greater than the Target Par Balance;

(F) with respect to purchases with proceeds from Prepaid Collateral Assets, either (1) the Collateral Asset purchased has an Investment Criteria Adjusted Balance at least equal to the Investment Criteria Adjusted Balance of the Prepaid Collateral Asset or (2) after giving effect to such purchase, the sum of (x) the Aggregate Principal Balance of the Collateral Assets plus (y) without duplication, Eligible Principal Investments (including, without duplication, the anticipated unscheduled principal proceeds) will be greater than the Target Par Balance; and

(G) the Acceleration Waterfall is not in effect;

provided that, to the extent applicable, clause (iii) and clauses (iv) (other than subclauses (C) and (G)) need not be satisfied with respect to the purchase of a Collateral Asset that is subject to a Trading Plan if they are satisfied on an aggregate basis for such purchase and all other purchases subject to the same Trading Plan.

The Collateral Manager may enter into commitments to acquire Collateral Assets on the basis of Principal Proceeds which have not yet been received, but which will be received by the Issuer from the sale of Collateral Assets for which the Trade Date has already occurred but the settlement date has not yet occurred.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Trustee (with a copy to the Collateral Administrator) a schedule of Collateral Assets purchased by the Issuer with respect to which purchases the Trade Date has occurred but the settlement date has not yet occurred and shall certify (which certification will be deemed to be provided upon the delivery of such schedule) to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash or other Eligible Investments in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Assets for which the Trade Date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Assets. The Trustee shall make such schedule and certification available to investors via the Trustee's Website. The Collateral Manager will use commercially reasonable efforts to cause the settlement of all such purchases within 30 Business Days of the Trade Date of such purchase.

Notwithstanding the acceleration of the Secured Notes, the Issuer may (i) complete the acquisition of assets that are the subject of a binding commitment entered into by the Issuer prior to the occurrence of the related Event of Default, including a commitment with respect to which the principal amount has not yet been allocated, and (ii) accept any offer or tender offer made to all holders of any Collateral Asset at a price equal to or greater than its par amount plus accrued interest.

Covenant on Amendments to the Collateral Assets

The Issuer (or the Collateral Manager on the Issuer's behalf) may vote in favor of a Maturity Amendment only if, as determined by the Collateral Manager (with notice to the Trustee and the Collateral Administrator), after giving effect to such Maturity Amendment, (i)(A) if the effective date of such Maturity Amendment is after the Reinvestment Period, if the Weighted Average Life Test either (1) was satisfied as of the last day of the Reinvestment Period or (2) will be satisfied, or if not satisfied, will be maintained or improved immediately after giving effect to such Maturity Amendment and any Trading Plan or (B) such Maturity Amendment is consummated in connection with an insolvency, bankruptcy, reorganization, debt restructuring or work out of the obligor thereof (provided that in connection with a reorganization or debt restructuring, such Maturity Amendment, in the sole judgment of the Collateral Manager, will result in a diminished financial obligation or has the purpose of helping the issuer of such Collateral Asset avoid default); and (ii) the stated maturity of the Collateral Asset that is the subject of such Maturity Amendment is not later than the Stated Maturity Date and after giving effect to the Maturity Amendment, the related asset must satisfy the definition of Collateral Asset; provided that (x) clause (i) above will not be applicable to Credit Amendments (provided that the Aggregate Principal Balance of Collateral Assets that have been subject to Credit Amendments since the Closing Date may not exceed 7.5% of the Effective Date Target Par Amount) and (y) the Issuer (or the Collateral Manager on the Issuer's behalf) may vote in

favor of any Maturity Amendment without regard to clause (i) or (ii) above so long as the Collateral Manager will use commercially reasonable efforts to sell such Collateral Asset within 20 Business Days after the effective date of the Maturity Amendment and reasonably believes that any such sale will be completed within such 20 Business Day period and to the extent any such Collateral Asset is not sold prior to the end of such 20 Business Day period, for all purposes under this Indenture, such Collateral Asset shall be deemed to be a Defaulted Asset; provided, further, that the foregoing clause (y) will not apply to any Maturity Amendment if, immediately after giving effect to such Maturity Amendment, the Aggregate Principal Balance of Collateral Assets that have been subject to Maturity Amendments since the Closing Date will exceed 5.0% of the Effective Date Target Par Amount.

Trading Plans

For purposes of calculating compliance with the Investment Criteria, the Collateral Manager may elect to execute one or more Trading Plans (with notice to the Collateral Administrator, which notice shall include the identity of all sales and purchases forming part of such Trading Plan). "**Trading Plan**" means, with respect to any proposed investment, a plan under which compliance with the Investment Criteria will be evaluated after giving effect to all sales and purchases proposed to be entered into (on a traded basis) within the 15 Business Days following the date of determination of such compliance (including, without limitation, sales or purchases substituted for sales or purchases originally proposed during such period); provided that (i) the execution of a Trading Plan will not result in the averaging of the Purchase Price of a Collateral Asset or Collateral Assets purchased at separate times for purposes of determining whether any particular Collateral Asset is a Discount Asset, (ii) no more than one Trading Plan may be effective on any date, (iii) no Trading Plan may relate to sales and purchases of Collateral Assets with aggregate sale and purchase prices in excess of 5.0% of the Collateral Principal Balance and (iv) no Trading Plan may include a Collateral Asset with a stated maturity of less than 18 months at the time of purchase. The time period during which any Trading Plan is in effect shall not include a Determination Date. In addition, if any Trading Plan commenced by the Collateral Manager is not successfully completed, the Collateral Manager will notify the Collateral Administrator and each Rating Agency of such occurrence.

Securityholder Consent

In addition to any sales or purchases made in accordance with the terms described above, the Collateral Manager shall have the right to effect the sale of any Collateral Asset or purchase any Collateral Asset on behalf of the Issuer during or after the end of the Reinvestment Period (provided that any such sale or purchase must comply with the applicable tax requirements set forth in the Indenture) (x) that has been consented to in writing by the Holders of Securities evidencing a Majority of each Class of Securities, voting separately and (y) of which each Rating Agency and the Trustee have been notified.

COLLATERAL QUALITY TESTS

The "**Collateral Quality Tests**" are the Weighted Average Spread Test, the Weighted Average Coupon Test, the Moody's Diversity Score Test, the Moody's Weighted Average Rating Factor Test, the Weighted Average Recovery Rate Test and the Weighted Average Life Test.

Weighted Average Spread Test.............. The "**Weighted Average Spread Test**" is a test satisfied if the Moody's Weighted Average Spread of the portfolio is at least equal to the Moody's Minimum Weighted Average Spread.

"**Moody's Minimum Weighted Average Spread**" means the minimum Moody's Weighted Average Spread selected from the applicable option under the Collateral Quality Matrix; provided that the Moody's Minimum Weighted Average Spread shall in no event be lower than 1.95%.

Weighted Average Coupon Test.............. The "**Weighted Average Coupon Test**" is a test that is satisfied, as of any date of determination, if (a) the Weighted Average Coupon equals or exceeds the Minimum Weighted Average Coupon or (b) no Collateral Asset is a Fixed Rate Asset.

"**Minimum Weighted Average Coupon**": 6.50%.

Moody's Diversity Score Test.............. The "**Moody's Diversity Score Test**" is a test satisfied if the Moody's Diversity Score of the portfolio is at least the minimum Moody's Diversity Score in the applicable option under the Collateral Quality Matrix.

Moody's Weighted Average Rating Factor Test.............. The "**Moody's Weighted Average Rating Factor Test**" is a test satisfied if the Moody's WARF of the portfolio is lower than the lesser of (i) the sum of the Unadjusted Maximum Moody's Weighted Average Rating Factor in the applicable option under the Collateral Quality Matrix and the Moody's WARF Modifier and (ii) 3300.

Weighted Average Recovery Rate Test.............. The "**Weighted Average Recovery Rate Test**" is a test satisfied if the Moody's WARR of the portfolio is greater than or equal to: 43.0%.

Weighted Average Life Test.............. The "**Weighted Average Life Test**" is a test that will be satisfied on any date of determination if the Weighted Average Life of all Collateral Assets as of such date is less than the Weighted Average Life Value; provided that if the

Aggregate Principal Balance of Collateral Assets (excluding Defaulted Assets) exceeds the Target Par Balance, the Collateral Assets included in this test will be only the Collateral Assets with an aggregate Principal Balance equal to the Target Par Balance (starting with the Collateral Assets with the shortest average lives).

Certain Definitions Related to the Collateral Quality Tests

Collateral Quality Matrix

The minimum Moody's Diversity Score, Moody's Minimum Weighted Average Spread and Unadjusted Maximum Moody's Weighted Average Rating Factor on each Measurement Date will be determined by reference to an option under the Collateral Quality Matrix. If the current Moody's Diversity Score falls between any of the Moody's Diversity Scores listed in the Collateral Quality Matrix, the Collateral Manager may interpolate linearly the Unadjusted Maximum Moody's Weighted Average Rating Factor applicable to such Moody's Diversity Score. On the Effective Date, the Collateral Manager will be required to elect its initial option and provide written notice thereof to the Collateral Administrator and the Rating Agencies. Thereafter, with prior notice to the Collateral Administrator, the Trustee and the Rating Agencies, the Collateral Manager may elect for a different option (including an interpolated option) to apply so long as the Collateral Assets comply with that different option at the time of the change.

	Unadjusted Maximum Moody’s Weighted Average Rating Factor												

The “**Moody’s WARF Modifier**” as of any date of determination, is the greater of (a) zero and (b) the product of (i)(A) the Moody’s WARR as of such date of determination *multiplied by* 100 *minus* (B) 43.0 and (ii) with respect to the adjustment of the Moody’s Weighted Average Rating Factor Test, the number set forth in the column entitled “Moody’s Recovery Rate Modifier” in the Recovery Rate Modifier Matrix, based upon the applicable row/column combination of the Collateral Quality Matrix chosen by the Collateral Manager (or

interpolated as applicable) in accordance with the Indenture; provided, however, if the Moody's WARR for purposes of determining the Moody's WARF Modifier is greater than 60%, then such Moody's WARR shall equal 60%.

The "**Recovery Rate Modifier Matrix**" means, the following chart, used to determine which of the "row/column combinations" (or the linear interpolation between two adjacent rows or two adjacent columns, as applicable) are applicable for purposes of determining the Moody's WARF Modifier, in accordance with the Indenture:

For the avoidance of doubt, the Class X Notes will not be included for the purposes of calculating any Coverage Test.

	First Test Date*	**Minimum (%)**
"Senior Interest Coverage Test"	Second Determination Date	120.0
"Senior Par Coverage Test"	Effective Date	121.6
"Class B Interest Coverage Test"	Second Determination Date	115.0

Certain Definitions Related to the Coverage Tests and the Interest Reinvestment Test

A "**Par Coverage Test**" is a test that is satisfied if the Par Coverage Ratio for the related Tested Classes is at least the minimum percentage specified above.

The "**Par Coverage Ratio**" for any date of determination is a percentage equal to "A *divided by B,*" where:

A = the Collateral Principal Balance as of such date of determination; and

B = the Aggregate Outstanding Amount of the Tested Classes.

"**Senior Coverage Tests**" means the Senior Interest Coverage Test and the Senior Par Coverage Test.

"**Class B Coverage Tests**" means the Class B Interest Coverage Test and the Class B Par Coverage Test.

"**Class C Coverage Tests**" means the Class C Interest Coverage Test and the Class C Par Coverage Test.

"**Class D Coverage Test**" means the Class D Par Coverage Test.

"**Interest Reinvestment Test**" means a test satisfied, as of the First Test Date specified in the Term Sheet and each Determination Date thereafter, if the Par Coverage Ratio calculated for the related Tested Classes is at least equal to the minimum percentage specified above.

"**Tested Classes**" means in respect of (A)(i) the Senior Interest Coverage Test and the Senior Par Coverage Test, the Senior Notes, (ii) the Class B Interest Coverage Test and

the Class B Par Coverage Test, the Senior Notes and the Class B Notes, (iii) the Class C Interest Coverage Test and the Class C Par Coverage Test, the Senior Notes, the Class B Notes and the Class C Notes and (iv) the Class D Par Coverage Test, the Secured Notes (other than the Class X Notes), (B) the Interest Reinvestment Test, the Secured Notes (other than the Class X Notes), (C) the Event of Default Test, the Class A-1 Notes and (D) the issuance of Additional Securities, the Secured Notes (other than the Class X Notes) in Order of Priority.

Interest Coverage Tests

An "**Interest Coverage Test**" is a test that is satisfied if the Interest Coverage Ratio for the Tested Classes relating to such test is at least the minimum percentage specified above.

The "**Interest Coverage Ratio**" for any date of determination for the Tested Classes is equal to "A *divided by B,*" where

A = the Interest Coverage Amount; and

B = the sum of (i) the Interest Distribution Amounts payable (or expected to be payable) on the Tested Classes relating to such test and (ii) all amounts payable with Interest Proceeds that are *pari passu* with such payments, in each case, on the Payment Date immediately following such date of determination under the Priorities of Payment (excluding, for the avoidance of doubt, amounts used to pay amounts due and payable on the Class X Notes, including any Class X Principal Amortization Amounts and any Unpaid Class X Principal Amortization Amounts).

The "**Interest Coverage Amount**" for any date of determination is:

(a) the amount of Interest Proceeds (excluding (w) Interest Proceeds expected to be received from Defaulted Assets, PIKing Assets and Current Pay Assets (but including any Interest Proceeds actually received from Defaulted Assets, PIKing Assets and Current Pay Assets), (x) amounts used to pay taxes and governmental fees and Issuer Expenses during the Due Period with respect to the immediately following Payment Date, but prior to such Payment Date, (y) amounts used to pay amounts due and payable on the Class X Notes, including any Class X Principal Amortization Amounts and any Unpaid Class X Principal Amortization Amounts, and (z) Retention Deficiency Reserve Proceeds) received or scheduled to be received during the Due Period with respect to the Payment Date immediately following such date of determination *minus*;

(b) the amounts payable on the immediately following Payment Date, as set forth in clauses (A) through (D) of the Priority of Interest Payments (without duplication).

Event of Default Test

The "**Event of Default Test**" for any Determination Date is a test that is satisfied if the Event of Default Ratio for the Class A-1 Notes is at least equal to the Event of Default Trigger.

The "**Event of Default Ratio**" for any Determination Date is a percentage equal to "A *divided by B,*" where:

A = the Collateral Principal Balance as of such date of determination; and

B = the Aggregate Outstanding Amount of the Class A-1 Notes.

Additional Tests and Limits

	First Test Date	**Minimum (%)**
"Event of Default Trigger"	Effective Date	102.5

	Maximum % of Collateral Principal Balance	**Additional Requirements**
"Hedged Asset Maximum Percentage"	5.0	Consent of a Majority of the Class A-1 Notes

The "**Non-Quarterly Pay Threshold**" is 5.0% of the Collateral Principal Balance.

The "**Current Pay Haircut Threshold Percentage**" is 7.5% of the Collateral Principal Balance.

The "**Petition Expense Amount**" is $250,000 until the Securities are paid in full or until the Indenture is otherwise terminated, in which case it is zero.

(iii) With respect to a Collateral Asset if not determined pursuant to clauses (i) or (ii) above, if the obligor of such Collateral Asset has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion.

(iv) With respect to a Collateral Asset if not determined pursuant to clauses (i), (ii) or (iii) above, if a rating estimate has been assigned to such Collateral Asset by Moody's upon the request of the Issuer, the Collateral Manager or an affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Default Probability Rating will be one

subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3."

(v) With respect to a DIP Collateral Asset, one rating subcategory below the Moody's Rating of such DIP Collateral Asset.

(vi) With respect to a Collateral Asset if not determined pursuant to any of clauses (i) through (v) above and at the election of the Collateral Manager, the Moody's Derived Rating.

(vii) With respect to a Collateral Asset if not determined pursuant to any of clauses (i) through

(viii) above, the Collateral Asset will be deemed to have a Moody's Default Probability Rating of "Caa3."

For purposes of calculating a Moody's Default Probability Rating, each applicable rating that is on credit watch by Moody's with positive or negative implication or negative outlook at the time of calculation will be adjusted in accordance with the Moody's Outlook/Review Rules.

"**Moody's Derived Rating**": With respect to a Collateral Asset whose Moody's Rating or Moody's Default Probability Rating cannot otherwise be determined pursuant to the definitions thereof, such Moody's Rating or Moody's Default Probability Rating shall be determined as set forth below:

(a) if the obligor has a senior unsecured obligation (other than a bank loan) with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), then the Moody's Derived Rating shall be:

(i) one rating subcategory below the Moody's equivalent of such S&P rating if it is BBB– or higher, or

(ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is BB+ or lower;

(b) if the preceding clause does not apply, but the obligor has a subordinated obligation (other than a bank loan) with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), the Assigned Moody's Rating for purposes of determining the Moody's Derived Rating under clauses (x) or (y) of this clause (b) shall be deemed to be:

(i) one rating subcategory below the Moody's equivalent of such S&P rating if it is BBB– or higher; or

(ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is BB+ or lower,

and the Moody's Derived Rating for purposes of this clause (b) shall be determined as follows:

(x) if such Assigned Moody's Rating is at least B3 (and, if rated B3, not on watch for downgrade), the Moody's Derived Rating shall be the rating which is one rating subcategory higher than such Assigned Moody's Rating, or

(y) if such Assigned Moody's Rating is less than B3 (or rated B3 and on watch for downgrade), the Moody's Derived Rating shall be such Assigned Moody's Rating;

(c) if the preceding clauses do not apply, but the obligor has a senior secured obligation with a monitored public rating from S&P (without any postscripts, asterisks or other qualifying notations, that addresses the full amount of principal and interest promised), the Assigned Moody's Rating for purposes of determining the Moody's Derived Rating under clauses (x) or (y) of this clause (c) shall be deemed to be:

(i) one rating subcategory below the Moody's equivalent of such S&P rating if it is BBB– or higher; or

(ii) two rating subcategories below the Moody's equivalent of such S&P rating if it is BB+ or lower,

and the Moody's Derived Rating for purposes of this clause (c) shall be determined as follows:

(x) if such Assigned Moody's Rating is at least Caa3 (and, if rated Caa3, not on watch for downgrade), the Moody's Derived Rating shall be the rating which is one subcategory below such Assigned Moody's Rating, or

(y) if such Assigned Moody's Rating is less than Caa3 (or rated Caa3 and on watch for downgrade), then the Moody's Derived Rating shall be "C";

(d) if the preceding clauses do not apply but each of the following clause (i) and (ii) do apply, the Moody's Derived Rating will be Caa3:

(i) neither the obligor nor any of its affiliates is subject to reorganization or bankruptcy proceedings; and

(ii) no debt security or obligation of such obligor has been in default during the past two years; and

(e) if the preceding clauses do not apply and a debt security or obligation of the obligor has been in default during the past two years, the Moody's Derived Rating will be Ca.

Notwithstanding the foregoing, no more than 10% of the Collateral Assets, by Aggregate Principal Balance, may be given a Moody's Derived Rating based on a rating given by S&P as provided in clauses (a) through (c) above.

"**Moody's Outlook/Review Rules**": For any Collateral Asset that is placed on negative outlook or on review for upgrade or downgrade, the rating otherwise determined in accordance with the definition of Moody's Default Probability Rating for purposes of calculating the Moody's Weighted Average Rating Factor Test shall be adjusted as follows: (i) for any Collateral Asset that is placed on review for possible downgrade, such rating shall be adjusted downward one notch and (ii) for any Collateral Asset that is placed on review for possible upgrade, such rating shall be adjusted upward one notch.

"**Moody's Rating**": With respect to any Collateral Asset as of any date of determination, the rating determined in the following manner:

B = the Aggregate Principal Balance of all Collateral Assets (excluding Defaulted Assets).

SCHEDULE B

S&P Rating Schedule

"**S&P Rating**": With respect to any Collateral Asset, as of any date of determination, the rating determined in accordance with the following methodology:

(i) (a) if there is an issuer credit rating of the issuer of such Collateral Asset by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Asset pursuant to a form of guaranty approved by S&P for use in connection with this transaction, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Assets of such issuer held by the Issuer, provided that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if the related obligor has consented to the disclosure thereof and a copy of such consent has been provided to S&P) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Asset shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Asset shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Asset shall be one sub-category above such rating if such rating is higher than "BB+," and shall be two sub-categories above such rating if such rating is "BB+" or lower;

(ii) with respect to any Collateral Asset that is a DIP Collateral Asset, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P;

(iii) if there is not a rating by S&P of the issuer or on an obligation of the issuer, then the S&P Rating will be the S&P equivalent of the Moody's Default Probability Rating of such obligation or issuer.

Diversity Score Table

The Diversity Score for the Collateral Assets is calculated by summing each of the Industry Diversity Scores, which are calculated as follows:

(i) An "**Obligor Par Amount**" is calculated for each obligor represented in the Collateral Assets by summing the Principal Balance of all Collateral Assets in the Collateral issued by that obligor.

(ii) An "**Average Par Amount**" is calculated by summing the Obligor Par Amounts and dividing by the number of obligors represented.

(iii) An "**Equivalent Unit Score**" is calculated for each obligor by taking the lesser of (A) one and (B) the Obligor Par Amount for each obligor divided by the Average Par Amount.

(iv) An "**Aggregate Industry Equivalent Unit Score**" is then calculated for each of the Moody's Industry Classification Groups by summing the Equivalent Unit Scores for each obligor in the industry.

(v) An "**Industry Diversity Score**" is then established by reference to the Diversity Score Table shown below for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores then the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores in the Diversity Score Table.

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the registered Holder of this Note or its registered assigns or nominees, upon

presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity Date set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priorities of Payment, interest on the Aggregate Outstanding Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate *per annum* equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity Date unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priorities of Payment.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of this Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Note will pass by registration in the Security Register kept by the Security Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Security Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

The Issuer, for value received, hereby promises to pay to the registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details on the Stated Maturity Date, except as provided below and in the Indenture. References to the "principal amount" of this Note shall mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds in accordance with the Priorities of Payment and references to "interest" on this Note shall mean that portion of Interest Proceeds distributable to Holders of Subordinated Notes pursuant to the Priorities of Payment.

The Issuer promises to pay, in accordance with the Priorities of Payment, interest on the Aggregate Outstanding Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment equal to that portion of the Interest Proceeds payable to Holders of Subordinated Notes in accordance with the Priorities of Payment on each Payment Date. Payment of interest on the Subordinated Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Higher-Ranking Classes (including any defaulted interest and deferred interest, if any) and other amounts in accordance with the Priorities of Payment. The failure to pay any interest to the Holders of the Subordinated Notes on any Payment Date shall not be an Event of Default unless Interest Proceeds are available therefor in accordance with the Priorities of Payment.

This Note will mature on the Stated Maturity Date, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date. The payment of principal on this Note (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priorities of Payment; and any payment of principal of this Note that is not paid, in accordance with the Priorities of Payment, on any Payment Date, shall not be considered "due and payable" for purposes of the Indenture.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of this Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Note will pass by registration in the Security Register kept by the Security Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Security Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

The Transferor hereby requests a transfer of its interest in the Subject Securities for an equivalent beneficial interest in a Rule 144A Global Note.

In connection with such request, and in respect of the Subject Securities, Transferor hereby certifies that the Subject Securities are being transferred in accordance with the applicable transfer restrictions set forth in the Indenture and in the Offering Circular related to the Securities, and Rule 144A under the Securities Act, to a transferee that the Transferor reasonably believes is purchasing the Subject Securities for its own account or an account with respect to which the transferee exercises sole investment discretion, the transferee and any such account is a "qualified institutional buyer" within the meaning of Rule 144A under the Securities Act, in a transaction that meets the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, and the transferee and any such account is a "qualified purchaser" for purposes of the Investment Company Act.

The Transferor believes that the transferee's acquisition, holding and disposition of the Subject Securities (or any interest therein) will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws) unless an exemption is available and all conditions have been satisfied.

In the case of Issuer Only Notes, the Transferor believes that (A) the transferee is not a Benefit Plan Investor or a Controlling Person and (B) the transferee understands that

The Trustee and the Issuers and their respective counsel are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby.

It understands that the representations made in this clause will be deemed made on each day from the date of its acquisition through and including the date it disposes of such Notes.

(B) If it is a Benefit Plan Investor, it (1) acknowledges and agrees that (i) none of the Transaction Parties believes that it has provided or is providing investment advice of any kind whatsoever, but in all events none of the Transaction Parties or other Persons that provide marketing services nor any of their affiliates has provided or is providing impartial investment advice or is giving any advice in a fiduciary capacity in connection with the purchaser's acquisition of a Note or any interest therein; and (ii) the Transaction Parties have financial interests in the offering and sale of the Notes which are disclosed in the Offering Circular or at the time of sale; and (2) represents and warrants, at any time when regulation 29 CFR Section 2510.3-21, as modified in 2016, is applicable, that (i) the Person making the investment decision on behalf of such purchaser with respect to the acquisition and holding of the Notes is a Qualified Independent Fiduciary; (ii) the Qualified Independent Fiduciary is capable of evaluating investment risks independently, both in general and with regard to particular transactions and strategies, including the acquisition, holding and subsequent disposition of the Notes; (iii) the Qualified Independent Fiduciary is a fiduciary under ERISA or the Code, or both, with respect to the acquisition, holding and subsequent disposition of the Notes and is responsible for exercising independent judgment in evaluating such transactions; and (iv) no fee or other compensation is being paid directly to any of the Transaction Parties or their affiliates by the purchaser or the Qualified Independent Fiduciary for investment advice (as opposed to other services) in connection with the acquisition and holding of the Notes; provided that if 29 CFR 2510.3-21(c)(1), as amended in 2016, is revoked, repealed or no longer effective, the foregoing representations shall be deemed to be no longer in effect.

(C) In the case of Issuer Only Notes, it has attached to this Transferee Representation Letter a duly executed ERISA Certificate in the form of Attachment 1. For so long as it holds a beneficial interest in such Global Notes, it (other than, in the case of Issuer Only Notes being acquired by or on behalf of a Benefit Plan Investor or a Controlling Person on the Closing Date in accordance with Section 2.5 of the Indenture) is not a Benefit Plan Investor or a Controlling Person. It understands that an interest in any Issuer Only Note may not at any time be held by or on behalf of a Benefit Plan Investor or a Controlling Person in the form of an interest in a Global Note unless such interest was purchased on the Closing Date.

(D) It further represents, warrants and agrees that if it is a plan subject to Similar Laws, it is not subject to any federal, state, local, non-U.S. or other law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Collateral Manager (or other persons responsible for the investment and operation of the Issuer's assets) to Similar Laws.

(e) It understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered under the Securities Act, and, if in the future it decides to offer, resell, pledge or otherwise transfer such Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of the Indenture and the legend on such Notes. It acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Notes. It understands that neither of the Issuers has been registered under the Investment Company Act in reliance on an exemption from registration thereunder.

(f) It will provide notice to each person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in Section 2.5 of the Indenture including the exhibits referenced therein.

(g) It understands that the Issuer has the right under the Indenture to compel any Non-Permitted Holder, or any beneficial owner of Notes of a Re-Priceable Class that does not consent to a Re-Pricing with respect to its Notes pursuant to the applicable terms of the Indenture, to sell its interest in the Securities or may sell such interest in the Securities on behalf of such Non-Permitted Holder and may in the case of a Re-Pricing redeem such Notes.

(h) It agrees for the benefit of all beneficial owners and Holders of each Class of Notes, that it shall not institute against, or join any other person in instituting against, either of the Issuers or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction until the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Securities. In the case of Secured Notes, it further acknowledges and agrees that if it causes the filing of a petition in bankruptcy or winding-up against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the expiration of the period specified in the previous sentence, any claim that it has against the Issuers (including under all Secured Notes of any Class held by such holders) or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priorities of Payment and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each holder of any Secured Note (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Secured Note held by each holder (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priorities of Payment (after giving effect to such subordination). This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code. The foregoing restrictions are a material inducement for each Holder and beneficial owner of the Securities to acquire such Securities and for the Issuer, the Co- Issuer and the Collateral Manager to enter into the Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of the Indenture. Any Holder or beneficial owner of a Note, the Collateral Manager, the Trustee, any Tax Subsidiary or either of the Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or

liquidation proceedings (other than an Approved Tax Liquidation), or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws of any jurisdiction.

(i) It understands that Holders and Certifying Persons will have the right, but only after the occurrence and during the continuance of a Default or an Event of Default or notice to the Holder or Certifying Person of any proposed supplemental indenture requiring consents of Holders, to obtain a complete list of Holders and Certifying Persons as identified to the Trustee (except any Certifying Person that has expressly reserved its confidentiality) upon five Business Days' prior notice to the Trustee. In addition, it understands that the Issuer will provide, upon the written request of a Holder or Certifying Person of Subordinated Notes (or any other Class of Notes that could be characterized as equity in the Issuer), any information reasonably available to it that such Holder or Certifying Person reasonably requests to assist such Holder or Certifying Person with regard to any filing requirements the Holder or Certifying Person is required to satisfy as a result of the controlled foreign corporation rules under the Code, which may include the identity of Holders of Subordinated Notes. By its acceptance of any such information, it will be deemed to agree that such information will be used for no purpose other than for such filing or the exercise of its rights under the Transaction Documents. It understands that the Issuer, the Initial Purchaser and the Collateral Manager will have the right to obtain a complete list of Holders and Certifying Persons as identified to the Trustee (except any Certifying Person that has expressly reserved its confidentiality in its Certifying Person certificate) at any time upon five Business Days' prior written notice to the Trustee.

(j) In the case of Issuer Only Notes, if it is a bank organized outside the United States, it represents that (A) it is acquiring such Notes as a capital markets investment and will not for any purpose treat the assets of the Issuer as loans acquired in its banking business, and (B) it is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(k) It agrees (A) except as prohibited by applicable law, to obtain and provide the Issuer and the Trustee (including their agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents or representatives, as applicable) to enable the Issuer to achieve Tax Account Reporting Rules Compliance (the obligations undertaken pursuant to this clause (A), the "**Noteholder Reporting Obligations**"), (B) that the Issuer or the Trustee may (1) provide such information and documentation and any other information concerning its investment in the Securities to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority, and (2) take such other steps as they deem necessary or helpful to enable the Issuer to achieve Tax Account Reporting Rules Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason (without regard to whether the failure was due to a legal prohibition) to provide any such information or documentation described in clause (A), such information or documentation is not accurate or complete or such Purchaser otherwise is or becomes a Non-Permitted Tax Holder, the Issuer shall have the right, in addition to withholding on passthru payments, to (x) compel it to sell its interest in such Security, (y) sell such interest on its behalf in accordance with the procedures specified in the Indenture, or (z) assign to such Security a separate CUSIP or CUSIPs and, in the case of this subclause (z), to deposit payments on such Securities into a Tax Reserve Account, which amounts shall, at the direction of the Issuer, be

either (i) released to the Holder of such Securities at such time that the Issuer determines that the Holder of such Securities complies with its Noteholder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder, or released to pay costs related to such noncompliance (including taxes imposed by FATCA); provided that any amounts remaining in a Tax Reserve Account will be released to the applicable Holder on the earlier of (a) the date of final payment for the Class held by such Holder or (b) the Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Securities. Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under the Indenture as if such amounts had been paid directly to the Holder of such Notes. Moreover, each such Purchaser of Securities or interests therein will agree, or be deemed to agree, to indemnify the Issuer, the Trustee and other beneficial owners of Securities for all damages, costs and expenses (including attorney's fees and expenses) that result from the failure of such person to comply with its Noteholder Reporting Obligations. This indemnification will continue even after the person ceases to have an ownership interest in the Securities.

(l) It agrees to provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary.

(m) If it owns more than 50% of the Subordinated Notes by value or if it, its beneficial owner, or a direct or indirect owner of the foregoing, is otherwise treated as a member of the Issuer's "expanded affiliated group," it (A) confirms that any member of such expanded affiliated group (assuming that the Issuer is a "registered deemed-compliant FFI") that is treated as a "foreign financial institution" is either a "participating FFI," a "deemed- compliant FFI" or an "exempt beneficial owner," and (B) agrees to promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" is not either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner," in each case except to the extent that the Issuer or its agents have provided the Purchaser with an express waiver of this requirement. All specified terms used in this paragraph (m) shall have the meanings given to them by FATCA.

(n) It agrees to provide upon request certification acceptable to the Trustee, the Issuer or, in the case of the Co-Issued Notes, the Issuers to permit the Trustee, the Issuer or the Issuers, as applicable, to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) otherwise comply with applicable law.

(o) In the case of Subordinated Notes, it agrees to provide the Issuer (or its agents or authorized representatives) and Trustee (A) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in the Subordinated Notes, and (B) any additional information that the Issuer, Trustee or their agents request in connection with any 1099 reporting requirements, and update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. It acknowledges that the

Issuer or Trustee may provide such information and any other information concerning its investment in the Subordinated Notes to the IRS.

(p) It understands and acknowledges that failure to provide the Issuer (or its agents or authorized representatives), the Trustee or any Paying Agent with the properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a U.S. Person or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a U.S. Person) or the failure to meet its Noteholder Reporting Obligations (without regard to whether the failure was due to a legal prohibition) may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.

(q) It agrees to not treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

(r) It understands and agrees that the Notes are limited recourse obligations of the Issuer (and in the case of the Co-Issued Notes, the Co-Issuer), payable solely from proceeds of the Collateral and following realization of the Collateral, and application of the proceeds thereof in accordance with the Indenture, all obligations of and any claims against the Issuer (and in the case of the Co-Issued Notes, the Co-Issuer) thereunder or in connection therewith after such realization shall be extinguished and shall not thereafter revive.

(s) It has not acquired its interest in the Notes pursuant to an invitation to the public in the Cayman Islands.

(t) It understands that (A) the Trustee and the Bank in its other capacities under the Transaction Documents will be required to provide certain information to the Issuer, the Initial Purchaser and the Collateral Manager regarding the Holders and beneficial owners of the Securities (including, without limitation, the identity of the Holders as contained in the Security Register and, unless any such Certifying Holder instructs the Trustee otherwise, the identity of each Certifying Holder) and (B) neither the Trustee nor the Bank in any of its capacities will have any liability for any such disclosure or, subject to its respective duties and responsibilities set forth in the applicable Transaction Documents, for the accuracy thereof.

(u) It is either (**CHECK THE APPROPRIATE CATEGORY**):

______ not a "United States person" within the meaning of Section 7701(a)(30) of the Code, and a properly completed and signed IRS Form W-8 (or applicable successor form) is attached hereto, together with all appropriate attachments.

The Purchaser certifies under penalties of perjury that (i) the Purchaser's name, taxpayer identification number and address set forth on the signature page hereof are correct and (ii) the information contained in any Form W-8, Form W-9 or any other tax related form submitted to the Issuer is correct (which certification will be deemed to be repeated on any date on which any tax form is delivered to the Issuer after the date hereof). The Purchaser agrees in a timely manner to complete, execute, arrange for any required certification of (in each case accurately and in a manner reasonably satisfactory to the Issuer), and deliver to the Issuer or such governmental or taxing authority as the Issuer directs, any form, document or certificate that may be required or reasonably requested by the Issuer. The Purchaser further agrees to promptly inform the Issuer of any change in any such information previously provided to the Issuer or the Initial Purchaser and to execute a new form or other document with the correct information.

(v) It represents and warrants that (**CHECK THE APPLICABLE CATEGORY**):

______upon acquisition by it of the Subject Securities, the Subject Securities will constitute Collateral Manager Securities; or

(x) It understands that the Issuer, the Trustee, the Collateral Manager and Initial Purchaser and their respective Affiliates and their counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

(y) It has read the summary of the U.S. federal income tax considerations contained in the Offering Circular as it relates to the Notes, and it represents that it will treat the Notes for U.S. tax purposes in a manner consistent with the treatment of such Notes by the Issuer described therein and will take no action inconsistent with such treatment unless otherwise required by a relevant taxing authority, it being understood that this paragraph shall not prevent a holder of Class D Notes from making a protective "qualified electing fund" election (as defined in the Code) and filing protective information returns.

Section 2510.3-101 as modified by Section 3(42) of ERISA (the "**Plan Asset Regulations**") so that the Issuer will not be subject to the U.S. federal employee benefits provisions contained in ERISA and Section 4975 of the Internal Revenue Code of 1986 (the "**Code"**), (ii) obtain certain representations and agreements and (iii) provide certain related information with respect to the acquisition, holding or disposition of Issuer Only Notes, as applicable.

Please be aware that the information contained in this Certificate is not intended to constitute advice and the examples given below are not intended to be, and are not, comprehensive. The Transferee should contact its own counsel if it has any questions in completing this Certificate. Capitalized terms not defined in this Certificate shall have the meanings ascribed to them in the Indenture, or if not defined therein, in the Offering Circular (as defined in the Indenture).

Section 2510.3-101 (as modified by Section 3(42) of ERISA) or otherwise (each plan and entity described in clauses (A), (B) and (C) being referred to as a "**Benefit Plan Investor**"). Yes ____ No _____ (**PLEASE CHECK EITHER YES OR NO**).

It is not the Issuer, the Co-Issuer, the Trustee, the Initial Purchaser, the Collateral Manager or any other person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the assets of the Issuer or a person who provides investment advice for a fee (direct or indirect) with respect to the assets of the Issuer, or any "affiliate" (as defined in 29 C.F.R. Section 2510.3-101(f)(3)) of any such person (any such person, a "**Controlling Person**"). (**PLEASE PLACE A CHECK IN THE FOLLOWING SPACE IF THE FOREGOING STATEMENT IS NOT ACCURATE**:) _________.

If it is a Plan Asset Entity (including an insurance company investing through its general account as defined in PTCE 95-60), for so long as it holds the Subject Securities, no more than% of the assets of its investment will be deemed to be an investment of plan assets by a

Benefit Plan Investor for purposes of calculating the 25% threshold under the Plan Asset Regulation in accordance with 29 C.F.R. Section 2510.3-101(f) (as modified by Section 3(42) of ERISA) (the "**25% Limitation**"). (**Please provide percentage, if applicable**).

It understands and acknowledges that (i) the Security Registrar of the Issuer will not recognize or register any transfer of an interest in Issuer Only Notes to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person if (A) after giving effect to such proposed transfer, persons that have represented that they are Benefit Plan Investors would own 25% or more of the Aggregate Outstanding Amount of such Class, determined in accordance with the Plan Asset Regulation and the Indenture, assuming for this purpose that all representations (including deemed representations) are true, (B) such transfer would result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Internal Revenue Code of 1986, as amended (the "**Code**") (or in a violation of any non-U.S., federal, state, local or other applicable laws that are substantially similar to Section 406 of ERISA and/or Section 4975 of the Code ("**Similar Laws**") or (C) the proposed transfer would result in a Benefit Plan Investor or Controlling Person owning a beneficial interest in an Issuer Only Note in the form of a Global Note and (ii) no transfer of an Issuer Only Note may be made to a transferee that wishes to take delivery in the form of a Global Note that has represented that it is a Benefit Plan Investor or a Controlling Person. It further acknowledges and agrees that the Indenture will entitle the Issuer to require it to dispose of the Subject Securities as soon as practicable following notification by the Issuer of any change in the information supplied in this paragraph (1).

It understands that the representations made in this paragraph (1) will be deemed made on each day from the date hereof through and including the date on which it disposes of its interests in the Subject Securities.

It agrees to indemnify and hold harmless the Issuers, the Trustee, the Initial Purchaser and the Collateral Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of these representations being or being deemed to be untrue.

2. Compelled Disposition. It acknowledges and agrees that:

(i) if any representation that it made hereunder is subsequently shown to be false or misleading or its beneficial ownership otherwise causes a violation of the 25% Limitation, the Issuer shall, promptly after such discovery (or upon notice to the Issuer from the Trustee if the Trustee makes the discovery (who, in each case, agrees to notify the Issuer of such discovery, if any)), send notice demanding that it transfer its

interest to a person that is not a Non-Permitted Holder within 10 days after the date of such notice;

(iv) if the procedures in clause (iii) above do not result in any bids from qualified investors, the Issuer may select a purchaser by any other means determined by it in its sole discretion;

(v) it agrees to cooperate with the Issuer to effect such transfers;

(vi) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to it; and

(vii) the terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer, the Collateral Manager and the Trustee shall be not liable to it as a result of any such sale or the exercise of such discretion.

3. Restriction on Transfer. It hereby understands and agrees that it will not transfer any interest in Issuer Only Notes to a Benefit Plan Investor or a Controlling Person in the form of a Global Note.

4. Continuing Representation; Reliance. It acknowledges and agrees that the representations contained in this Certificate shall be deemed made on each day from the date it makes such representations through and including the last date on which it disposes of any of its interests. It understands and agrees that the information supplied in this Certificate will be used and relied upon by the Issuer to determine that Benefit Plan Investors own or hold less than 25% of the Aggregate Outstanding Amount of each Class of Issuer Only Notes.

5. Further Acknowledgement and Agreement. It acknowledges and agrees that (i) all of the assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, Initial Purchaser and the Collateral Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer (and its authorized agents), the Trustee, Initial Purchaser, the Collateral Manager, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of Issuer Only Notes that is not in accordance with the provisions of this Certificate will be null and void from the beginning, and of no legal effect.

6. Future Transfer Requirements; Transferee Letter and its Delivery. It acknowledges and agrees that it may not transfer any Issuer Only Notes represented by Certificated Notes to any person that wishes to hold its interest in the form of a Certificated Note unless the Trustee has received a certificate substantially in the form of this Certificate.
