(f) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans (for the avoidance of doubt, excluding any Collateral Restructured Asset).

(g) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations and Collateral Restructured Assets will be treated as having a Principal Balance equal to zero.

(h) If the Issuer (or the Collateral Manager on behalf of the Issuer) is notified by the administrative agent or other withholding agent or otherwise for the syndicate of lenders in respect of any Collateral Obligation (or any asset held in an ETB Subsidiary) that any amounts associated therewith are subject to withholding tax imposed by any jurisdiction, the applicable Collateral Quality Test, the Coverage Tests and the Interest Diversion Test shall be calculated thereafter net of the full amount of such withholding tax unless the related obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instruments with respect thereto.

(i) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test or any related definition for purposes of determining compliance with the Collateral Quality Test.

(j) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(k) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year of actual months prorated for the related Interest Accrual Period and shall be based on the Fee Basis Amount.

(l) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Manager may direct the Collateral Administrator, or the Collateral Administrator may request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and in either case the Collateral Administrator may follow such direction, and together with the Trustee, may be entitled to conclusively rely thereon without any responsibility or liability therefor.

(m) For purposes of calculating compliance with any calculations, determinations or tests under this Indenture (including the Target Par Condition, the Collateral Quality Tests and the Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(n) The equity interest in any ETB Subsidiary permitted under this Indenture and each asset of any such ETB Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes under this Indenture and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(o) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the

principal balance of such Current Pay Obligation as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(p) For reporting purposes and for purposes of calculating the Coverage Tests, the Interest Diversion Test, the Investment Criteria and any other requirements related to the acquisition of additional Collateral Obligations, assets held by any ETB Subsidiary that constitute Equity Securities or Collateral Obligations will be treated as Equity Securities or Collateral Obligations, as applicable, as if owned by the Issuer (and the equity interest in such ETB Subsidiary will not be included in such calculation).

(q) For all purposes, when determining the Concentration Limitations, the Collateral Quality Tests, the Coverage Tests (but excluding for purposes of the calculation of the Aggregate Funded Spread) and the Interest Diversion Test, the outstanding principal balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(r) For purposes of calculating the sale proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(s) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Collateral Manager on which the Trustee may rely.

(t) All calculations related to Maturity Amendments, sales of Collateral Obligations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), and other tests that would be calculated cumulatively since the Second Refinancing Date shall be reset at zero on the date of any Refinancing of all Classes of Secured Notes. For the avoidance of doubt, the Internal Rate of Return will not be reset at zero on the date of any Refinancing.

ARTICLE II

THE NOTES

Section 2.1 Forms Generally. The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Issuer executing such Notes as evidenced by their execution of such Notes. Any portion of the text of

any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Section 2.2 Forms of Notes. (a) The forms of the Notes, including the forms of Certificated Notes and the Global Notes, shall be as set forth in the applicable part of Exhibit A hereto.

(b) Global Notes and Certificated Notes.

(i) Except as set forth in clause (iii) or (iv) below, the Notes of each Class sold to Persons who are not U.S. persons in offshore transactions in reliance on Regulation S shall each be issued initially in the form of one Global Note per Class substantially in the form attached as Exhibit A-1 hereto, in the case of the Secured Notes, or Exhibit A-2 hereto, in the case of the Subordinated Notes (each, a "Regulation S Global Note"), and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, DTC for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. Interests in a Regulation S Global Note may not be held at any time by a "U.S. person" (as defined in Regulation S), and U.S. re-offers or re-sales of Notes offered outside the United States in reliance on Regulation S may be effected only in a transaction exempt from the registration requirements of the Securities Act and not involving directly or indirectly the Issuer, the Co-Issuer or their agents, Affiliates or intermediaries. Upon acceptance of a beneficial interest in a Regulation S Global Note, the beneficial owner thereof will be deemed to represent that the beneficial interests in such Regulation S Global Note are owned by persons who are not U.S. persons.

(ii) Except as set forth in clause (iii) or (iv) below, each Note sold to persons that are QIB/QPs shall each be issued initially in the form of one permanent Global Note per Class in definitive, fully registered form without interest coupons substantially in the form attached as Exhibit A-1 hereto, in the case of the Secured Notes (each, a "Rule 144A Global Secured Note"), or Exhibit A-2 hereto, in the case of the Subordinated Notes (each, a "Rule 144A Global Subordinated Note" and, together with the Rule 144A Global Secured Notes, the "Rule 144A Global Notes"), and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, DTC, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(iii) Each Note sold to persons that elect, at the time of the acquisition, purported acquisition or proposed acquisition to have their Notes issued in the form of definitive, fully registered notes without coupons either as a certificated Secured Note substantially in the form attached as Exhibit A-1 hereto (each a "Certificated Secured Note") or as a certificated Subordinated Note substantially in the form attached as Exhibit A-2 hereto (each, "Certificated Subordinated Note" and, together with the Certificated Secured Notes, the "Certificated Notes"), as applicable, shall be registered in the name of the beneficial owner or a nominee thereof, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(iv) Except with respect to purchases by Benefit Plan Investors or Controlling Persons on the Closing Date, the Initial Refinancing Date or the Second Refinancing Date that are permitted by the Issuer to hold such Notes in the form of Global Notes, all Issuer Only Notes that are sold to Benefit Plan Investors and Controlling Persons will be evidenced by Certificated Notes.

(c) Book Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

Section 2.3 Authorized Amount; Stated Maturity; Denominations. The aggregate principal amount of Secured Notes and Subordinated Notes that may be authenticated and delivered under this Indenture is limited to U.S.$519,500,000 aggregate principal amount of Notes (except for (i) Additional Notes issued pursuant to Section 2.4 of this Indenture or (ii) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.6, Section 2.7 or Section 8.5 of this Indenture).

(3) The spread over the Benchmark Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable to any Class of Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing of such Class of Notes pursuant to Section 9.7. Pursuant to a DTR Proposed Amendment or as otherwise set forth herein, the Benchmark Rate in respect of the Floating Rate Notes may be changed to a ~~non-LIBOR~~non-Term SOFR Benchmark Rate.

(4) The Class XRR Notes and the Class A1RR Notes will be paid pari passu to the extent provided in the Priority of Payments.

(5) Comprised of the Original Subordinated Notes and $2,500,000 aggregate principal amount of Additional Subordinated Notes.

The Notes shall be issued in minimum denominations of U.S.$100,000 and integral multiples of U.S.$1.00 in excess thereof. The Notes shall only be transferred or resold in compliance with the terms of this Indenture.

Section 2.4 Additional Issuances. (a) At any time during the Reinvestment Period, in the case of an additional issuance of Additional Notes of any existing Class of Secured Notes and, at any time during or after the Reinvestment Period, in the case of an additional issuance of only Additional Subordinated Notes and/or Additional Junior Notes, the Co-Issuers or the Issuer, as applicable, may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof issue and sell Additional Notes of each Class other than the Class XRR Notes (on a *pro rata* basis with respect to each Class of Notes, except that (i) a larger proportion of Subordinated Notes may be issued (such amount in excess of the required proportion, the "Excess Additional Subordinated Notes") and (ii) if such additional issuance is effected to permit the Collateral Manager to comply with any Retention Requirements, Notes of any Class may be issued in amounts and in the proportions as determined by the Collateral Manager based on advice of counsel to achieve such compliance), and/or Additional Junior Notes (each, an "Additional Note" and together the "Additional Notes") and use the proceeds (net of expenses incurred in connection with such additional issuance) to purchase additional Collateral Obligations or as otherwise permitted herein; provided that (i) the requirements of Section 2.6, Section 3.2, Section 7.9 and Section 8.1 are complied with and (ii) the following conditions are met: (a) the Collateral Manager and (unless such additional issuance is effected to permit the Collateral Manager to comply with any Retention Requirements) a Majority of the Subordinated Notes consents to each such issuance and, in connection with an issuance of additional Class A1 Notes (unless such additional issuance is effected to permit the Collateral Manager to comply with any Retention Requirements), a Majority of the Controlling Class consents to each such issuance; (b) in the case of Additional Notes of any one or more existing Classes (other than the Subordinated Notes), the aggregate principal amount of Notes of such Class issued in all additional issuances shall not exceed 100% of the respective original outstanding principal amount of the Notes of such Class; (c) in the case of Additional Notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional Secured Notes will accrue from the issue date of such additional Secured Notes and (I) the spread over the Benchmark Rate, in the case of any Class of Floating Rate Notes or (II) the Interest Rate, in the case of any Class of Fixed Rate Notes, is not required to be identical to those of the initial Notes of such Class; provided that (x) the spread over the Benchmark Rate of any such additional Floating Rate Notes will not be greater than the spread over the Benchmark Rate applicable to the initial Notes of such Class, (y) the Interest Rate of any such additional Fixed Rate Notes will not be greater than the Interest Rate applicable to the initial Notes of such Class) and (z) the Interest Rate with respect to additional Notes of a Class of Floating Rate Notes must be a floating rate and the Interest Rate with respect to additional notes of a Class of Fixed Rate Notes must be a fixed rate) and such additional issuance shall not be considered a Refinancing herein; (d) such Additional Notes must be issued at a price equal to or greater than the principal amount thereof; (e) in the case of Additional Notes of any one or more existing Classes, unless only additional Subordinated Notes are being issued or such notes are being issued to permit the Collateral Manager to comply with any Retention Requirements, Additional Notes of all Classes other than the Class XRR Notes must be issued and such issuance of Additional Notes must be

proportional across all Classes; provided that the principal amount of Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes; (f) the Issuer notifies each Rating Agency then rating a Class of Secured Notes of such issuance prior to the issuance date; (g) the proceeds of any Additional Notes (net of fees and expenses incurred in connection with such issuance, which fees and expenses shall be paid solely from the proceeds of such additional issuance) shall not be treated as Refinancing Proceeds and (x) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments or (y) solely in the case of the proceeds of Excess Additional Subordinated Notes or Additional Junior Notes, deposited into the Supplemental Reserve Account and applied to a Permitted Use; (h) immediately after giving effect to such issuance, each Coverage Test is satisfied and the degree of compliance with each Coverage Test is maintained or improved immediately after giving effect to such issuance and the application of the proceeds thereof; (i) unless only additional Subordinated Notes and/or Additional Junior Notes are being issued, the Issuer shall obtain written advice from Paul Hastings LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters to the effect that any additional Class A1 Notes, Class A2 Notes, Class B Notes, Class C Notes or Class D Notes will, and any additional Class E Notes should, be treated as debt for U.S. federal income tax purposes; provided, however, that such advice or opinion shall not be required with respect to any Additional Notes that bear a different securities identifier from the Notes of the same Class that are Outstanding at the time of such additional issuance; and (j) an officer's certificate of the Issuer (and Co-Issuer, if applicable) shall be delivered to the Trustee certifying that all conditions precedent of this Section 2.4(a) have been satisfied. The Collateral Manager will be permitted to acquire or cause an affiliate to acquire a portion of the par amount of any additional issuance in order to satisfy any Retention Requirements.

(b) Interest on the Additional Notes that are Secured Notes will be payable commencing on the first Payment Date following the issue date of such Additional Notes (if issued prior to the applicable Record Date). The Additional Notes will rank *pari passu* in all respects with the initial Notes of that Class and the interest rate of any Additional Notes that are floating rate notes will be a spread over the Benchmark Rate.

(c) Unless an additional issuance is effected to permit the Collateral Manager to comply with any Retention Requirements, any Additional Notes of each Class issued pursuant to this Section 2.4(c) will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class. Any Additional Junior Notes will, to the extent reasonably practicable, be offered first to Holders of the Subordinated Notes in such amounts equal to their *pro rata* holdings of the Subordinated Notes.

(d) In addition, the Co-Issuers may issue Additional Notes in connection with a Refinancing of all Classes of Secured Notes without regard to the restrictions set forth in this Section 2.4 or Section 3.2 below.

Section 2.5 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized

Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic as described in Section 14.13 herein.

Notes bearing the manual, facsimile or electronic signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon delivery of such executed Notes, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual (or, in the case of a Global Note, facsimile or other electronic) signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "Register") at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed registrar (the "Registrar") for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Registrar and of the

location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any Holder a current list of Holders (and their holdings) as reflected in the Register. In addition and upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any Holder any information the Registrar actually possesses regarding the nature and identity of any beneficial owner of any Note (and its holdings).

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Secured Notes (other than the Class E Notes), the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with (if required by the Registrar) signature guarantee by an eligible guarantor institution meeting the requirements of the Registrar (which requirements may include membership or participation in a signature guarantee program acceptable to the Registrar).

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) (i) No transfer of any Issuer Only Note (or any interests therein) will be effective if after giving effect to such transfer 25% or more of the total value of the Issuer Only Notes of such Class, represented by the Aggregate Outstanding Amount thereof, would be held by Persons who have represented that they are Benefit Plan Investors. For purposes of calculating the 25% Limitation, any Notes of the Issuer held by a Person (other than a Benefit Plan Investor) who is a Controlling Person shall be disregarded and not treated as Outstanding. The Issuer and the Trustee shall be entitled to rely exclusively upon the information set forth in the face of the transfer certificates received pursuant to the terms of this Section 2.6 and only Notes that a Trust Officer of the Trustee actually knows to be so held shall be so disregarded. In addition, no Issuer Only Global Notes (other than Issuer Only Global Notes purchased by Benefit Plan Investors or by Controlling Persons on the Closing Date, the Initial Refinancing Date or the Second Refinancing Date consented to by the Issuer) may be held by or transferred to a Benefit Plan Investor or Controlling Person and each beneficial owner of an Issuer Only Global Note acquiring its interest in the Notes on the Closing Date, the Initial Refinancing Date or the Second Refinancing Date shall provide to the Issuer a written certification in the form of Exhibit B-5 attached hereto.

(ii) [Reserved].

(iii) Each purchaser and subsequent transferee of Global Notes representing Issuer Only Notes (or interests therein) will be required or deemed to represent on each day from the date on which it acquires its interests in such Issuer Only Notes through and including the date on which it disposes of its interest in such Issuer Only Notes, that (A) it is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person, in either case, except with respect to purchases by Benefit Plan Investors or Controlling Persons on the Closing Date, the Initial Refinancing Date or the Second Refinancing Date consented to by the Issuer, (B) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Issuer Only Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code and (C) if it is a governmental, church, non-U.S. or other plan, (1) it is not, and for so long as it holds such Issuer Only Notes or interests therein will not be, subject to Similar Law and (2) its acquisition, holding and disposition of such Issuer Only Notes (or interests therein) will not constitute or result in a violation of any Other Plan Law and (C) it will be required or deemed to represent, warrant and agree to certain transfer restrictions regarding its interests in such Issuer Only Notes.

(iv) Each purchaser and subsequent transferee of Certificated Issuer Only Notes at any time, will be required to (A) represent and warrant in writing to the Issuer and the Trustee (1) whether or not, for so long as it holds such Issuer Only Notes or interests herein, it is, or is acting on behalf of, a Benefit Plan Investor, (2) whether or not, for so long as it holds such Issuer Only Notes or interests therein, it is a Controlling Person and (3) that (I) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Issuer Only Notes will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code and (II) if it is a governmental, church or non-U.S. plan, (x) it is not, and for so

long as it holds such Issuer Only Notes or interests therein will not be, subject to Similar Law and (y) its acquisition, holding and disposition of such Issuer Only Notes (or interests therein) will not constitute or result in a violation of any Other Plan Law, and (B) agree to the transfer restrictions set forth in this Indenture regarding its interest in such Issuer Only Notes.

(d) Notwithstanding anything contained herein to the contrary, except as provided in Section 2.6(c)(i), the Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the Investment Company Act, the Cayman AML Regulations or the terms hereof; provided that, if a certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee by a purchaser or by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.

(f) Transfers of Global Notes shall only be made in accordance this Section 2.6(f).

(i) Rule 144A Global Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (provided that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate in the form of Exhibit B-1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes, including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S, and (D) a written certification in the form of Exhibit B-4 or B-6, as applicable, attached

hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(ii) Regulation S Global Note to Rule 144A Global Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the minimum denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate in the form of Exhibit B-3 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer and either (x) a Qualified Purchaser or (y) an entity owned exclusively by Qualified Purchasers, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B-4 or B-6, as applicable, attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a Qualified Institutional Buyer and either (x) a Qualified Purchaser or (y) an entity owned exclusively by Qualified Purchasers, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iii) Global Note to Certificated Note. Subject to Section 2.11(a), if a holder of a beneficial interest in a Global Note deposited with DTC wishes at any time to transfer

its interest in such Global Note to a Person who wishes to take delivery thereof in the form of a corresponding Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, transfer, or cause the transfer of, such interest for a Certificated Note. (g) Transfers of Certificated Notes shall only be made in accordance with this Section 2.6(g).

(i) Certificated Notes to Global Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in a Certificated Note for an interest in the corresponding Rule 144A Global Note or to a Regulation S Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a corresponding Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for a beneficial interest in a corresponding Global Note. Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of Exhibit B-1 or B-3 attached hereto executed by the transferor and certificates substantially in the form of Exhibit B-4 or B-6, as applicable, attached hereto executed by the transferee, (C) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the applicable Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged, and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC and/or Euroclear or Clearstream to be credited with such increase, the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Global Note equal to the principal amount of the Certificated Note transferred or exchanged.

(ii) Certificated Notes to Certificated Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for one or more other

Certificated Notes of the same Class or wishes to transfer such Certificated Note, such holder may do so in accordance with this Section 2.6(g)(ii). Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) a certificate substantially in the form of Exhibit B-2 and/or Exhibit B-4 attached hereto, as applicable, and a certificate substantially in the form of Exhibit B-5, if applicable, executed by the transferee, the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and upon execution by the Applicable Issuers and authentication and delivery by the Trustee, deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in authorized denominations.

(iii) Certificated Subordinated Notes to Regulation S Global Notes. If a holder of a Certificated Subordinated Note wishes at any time to transfer such Certificated Subordinated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a corresponding Regulation S Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Certificated Subordinated Note for a beneficial interest in a corresponding Regulation S Global Note. (xiii) Such beneficial owner will not, at any time, offer to buy or offer to sell the Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(xiv) Such beneficial owner agrees to the representations set forth in Section 2.13.

(m) Each initial investor in the Subordinated Notes (and, without duplication, each initial investor in a Certificated Issuer Only Note) will be required to provide a subscription agreement entered into with the Issuer, and each subsequent transferee of an interest in a Certificated Issuer Only Note will be required to provide a purchaser representation letter, containing representations substantially similar to those set forth in Exhibit B-4 and Exhibit B-5 hereto, and in which it will be required to certify, among other matters, as to its status under the Securities Act, the Investment Company Act and ERISA.

(n) Except as may be expressly agreed in writing between such Person and the Issuer, each Person who becomes an initial purchaser of Certificated Notes of any Class of Co-Issued Notes will be required to provide the Initial Purchaser with a representation letter entered into with the Issuer containing representations substantially similar to those set forth in Exhibit B-2 hereto, as well as other agreements and indemnities.

(o) Any purported transfer of a Note not in accordance with this Section 2.6 shall be null and void and shall not be given effect for any purpose whatsoever.

(p) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Trustee, impose additional transfer restrictions on the Subordinated Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of a Subordinated Note to make representations to the Issuer in connection with such compliance.

(q) The Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on the information set forth on the face of any transferor and transferee certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.6 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(r) For the avoidance of doubt, notwithstanding anything in this Indenture to the contrary, the Initial Purchaser may hold a position in a Regulation S Global Note prior to the distribution of the applicable Notes represented by such position.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon delivery of such executed Notes, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class is Outstanding with respect to the applicable Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date to pay the full amount of interest due on such Class of Deferred Interest Notes ("Deferred Interest") in accordance with the Priority of Payments on any Payment Date or if such interest is not paid in order to satisfy the Coverage Tests, such interest, in each case, shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) on such Payment Date, but will be deferred and, thereafter, will bear interest at the Interest Rate for the applicable Class of Deferred Interest Notes, until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Notes and (iii) the Stated Maturity of such Class of Notes. Deferred Interest on the applicable Class(es) of Deferred Interest Notes shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments. Regardless of whether any Priority Class is Outstanding with respect to the applicable Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Notes) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class XRR Notes, any Class A1 Notes, any Class A2 Notes or any Class B Notes or, if no Class XRR Notes, Class A1 Notes, Class A2 Notes or Class B Notes are Outstanding, any Secured Notes of the Controlling Class shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable

at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Article IX.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a "United States person" (as defined in Section 7701(a)(30) of the Code) or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a "United States person" (as defined in Section 7701(a)(30) of the Code)) or other certification (including with respect to FATCA, waivers of foreign law confidentiality) acceptable to it and the Issuer to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required under FATCA and the Cayman FATCA Legislation to determine if the Issuer is subject to withholding or payments by the Issuer are subject to withholding. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Trustee in Dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final

payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to the Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest on the Fixed Rate Notes will be calculated on the basis of a 360 day year consisting of twelve 30-day months.

(h) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Notes and this Indenture are limited recourse obligations of the Applicable Issuers payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, manager, member, employee, shareholder, authorized person, organizer or incorporator of the Co-Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood

that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(i) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.10 Cancellation. All Notes surrendered for payment, cancellation pursuant to Section 9.8, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. No Note may be surrendered (including in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein for cancellation pursuant to Section 9.8, for registration of transfer, exchange or redemption, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen. The Issuer may not acquire any of the Notes (including any Notes surrendered or abandoned) except as provided in Section 9.8. The preceding sentence shall not limit any redemption of Notes in accordance with Article IX hereof. For purposes of calculation of any Overcollateralization Ratio, the Interest Diversion Test, the Reinvestment Target Par Balance and the calculation set forth in clause (g) in the definition of Event of Default, any Note acquired by the Issuer or any Note surrendered by a Holder thereof without receiving any payment will be deemed to remain Outstanding until all Notes of the same Class and all Notes of each Class that is senior to such Note has been retired or redeemed, and until such time will be deemed to have an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount as of the date of surrender, reduced proportionally with, and to the extent of, any payments of principal on Notes of the same Class thereafter. Any Notes surrendered for cancellation as permitted by this Section 2.10 shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Applicable Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. Except in accordance with Article IX, the Issuer may not acquire any of the Notes (including any Notes voluntarily surrendered without payment or abandoned).

Section 2.11 DTC Ceases to Be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated

Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.6 of this Indenture and (B) any of (x) (i) DTC notifies the Applicable Issuers that it is unwilling or unable to continue as Depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90-days after such event, or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in clause (a) of this Section 2.11, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.11, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership. In addition, the beneficial owners of interest in Global Notes may provide (and the Trustee may receive and rely on) consents to the Trustee that the holders of a Global Note would be entitled to provide in accordance with this Indenture (but only to the extent of such beneficial owner's interest in the Global Note, as applicable).

Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

Section 2.12 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a U.S. person that is not a Qualified Institutional Buyer and a Qualified Purchaser shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes. In addition, the acquisition of Notes by a Non-Permitted ERISA Holder or a Non-Permitted AML Holder shall be null and void ab initio.

(b) If any U.S. person that is not a Qualified Institutional Buyer and a Qualified Purchaser (or a corporation, partnership, limited liability company or other entity (other than a trust), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) shall become the Holder or beneficial owner of an interest in a Note (any such person a "Non-Permitted Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; provided that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made an ERISA-related

representation required by Section 2.6 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, Similar Law or Other Plan Law representation required by Section 2.6 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such person a "Non-Permitted ERISA Holder"), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery by the Issuer that such person is a Non-Permitted ERISA Holder (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or to the Issuer by the Co-Issuer if it makes the discovery) send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest in such Notes to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by other means determined by it in its sole discretion. The holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(e) If any Non-Permitted AML Holder shall become the Holder or beneficial owner of a Note, the Issuer (or its agent on behalf of the Issuer) shall, promptly after discovery that such Person is a Non-Permitted AML Holder by the Issuer (or its agent on behalf of the Issuer), send notice to such Non-Permitted AML Holder demanding that such Non-Permitted AML Holder transfer its interest to a Person that is not a Non-Permitted AML Holder within 30 days after the date of such notice. If such Non-Permitted AML Holder fails to so transfer its Notes, the Issuer (or any intermediary on the Issuer's behalf) shall have the right, without further notice to the Non-Permitted AML Holder, to (1) sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted AML Holder on such terms as the Issuer may choose and/or (2) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this sub-clause (2), to deposit payments on such Notes into a separate account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder AML Obligations and is not otherwise a Non-Permitted AML Holder or (y) released to pay costs related to such noncompliance; provided that any amounts remaining in an such account will be released to the applicable Holder (a) on

the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer that it no longer holds an interest in any Notes. Any amounts deposited into a separate account in respect of Notes held by a Non Permitted AML Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. The Issuer (or any intermediary on the Issuer's behalf) may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; provided that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer (or any intermediary on the Issuer's behalf) may select a purchaser by any other means determined by it in its sole discretion. The Holder and beneficial owner of each Note, as applicable, the Non-Permitted AML Holder and each other Person in the chain of title from the holder to the Non-Permitted AML Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted AML Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee, the Collateral Administrator or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's or beneficial owner's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.13 Tax Treatment and Tax Certifications. (a) Each Holder (including for purposes of this Section 2.13, any beneficial owner of an interest in a Note) will treat the Issuer, the Co-Issuer, and the Notes as described in the Offering Memorandum under the heading "*Certain U.S. Federal Income Tax Considerations*" for U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer or its agents any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to (A) make payments to the Holder without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to a Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer or any ETB Subsidiary to comply with FATCA, the Cayman FATCA Legislation and the CRS and to

prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer. In the event the Holder fails to provide such information or documentation for the purposes of FATCA, or to the extent that its ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Holder as compensation for any tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. The Holder agrees that the Issuer and its agents may (1) provide any information and documentation concerning its investment in its Notes to the Tax Information Authority of the Cayman Islands, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer complies with FATCA, the Cayman FATCA Legislation and the CRS.

(d) Each Holder of a Class E Note or Subordinated Note, if not a "United States person" (as defined in Section 7701(a)(30) of the Code), represents that (i) either: (A) it is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (B) after giving effect to its purchase of such Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes of such Class and any other Notes that are ranked pari passu with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3); (C) it has provided an IRS Form W-8BEN-E representing that it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; or (D) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States and includible in its gross income; and (ii) it has not purchased the such Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Holder).

(e) If it is a Holder of Subordinated Notes and owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), the Holder will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any ETB Subsidiary is a "registered deemed compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is

treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided the Holder with an express waiver of this requirement.

(f) No Holder of Subordinated Notes will treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any ETB Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any ETB Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(iv) The restrictions described in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, any ETB Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact, collect and cause the collection of the

proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing as Administrative Expenses (without giving effect to the Administrative Expense Cap), any due and unpaid Collateral Management Fees and amounts payable to any Hedge Counterparty pursuant to an early termination (or partial early termination) of such Hedge Agreement as a result of Priority Termination Event), and a Majority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a) due to failure to pay interest on the Class A1 Notes or Section 5.1(g), a Majority of the Controlling Class directs the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default);

(iii) a Supermajority of all Classes of Secured Notes (voting separately by Class) direct the sale and liquidation of the Assets; or

(iv) if only Subordinated Notes are then Outstanding, a Majority of the Subordinated Notes direct the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

The Trustee, the Collateral Manager (and/or any of its affiliates) and any holder of Notes may bid for and acquire any portion of the Assets in connection with a public sale thereof, and the Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such sale after deducting the reasonable costs, charges and expenses incurred (including the reasonable costs and expenses of counsel) by the Trustee in connection with such sale.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each Loan or bond contained in the Assets from two nationally

recognized dealers (as specified by the Collateral Manager in writing) at the time making a market therein and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Loan or bond. In the event that the Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to a Loan or bond contained in the Assets from one nationally recognized dealer at the time making a market therein, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm, or other appropriate advisor, of national reputation (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i); provided that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation of the Collateral Obligations, Equity Securities and the Eligible Investments effected hereunder, the provisions of Section 4.1(a) and 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder or beneficial owner of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder or beneficial owner has previously given to the Trustee written notice of an Event of Default;

(b) the Holders or beneficial owners of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written

request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders or beneficial owners have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders or beneficial owners of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or beneficial owners of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders or beneficial owners of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders or beneficial owners of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders or beneficial owners of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders or beneficial owners with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Section 2.8, but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8 and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored

severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that, subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders or beneficial owners of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes and Class(es) thereof, as applicable, specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders and beneficial owners of all the Notes waive any past Default or Event of Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived only with the consent of the Holder or beneficial owner of such Secured Note);

(b) in the payment of interest on any Secured Notes (which may be waived only with the consent of the Holder or beneficial owner of such Secured Note);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder or beneficial owner of each Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder or beneficial owner); or

(d) so long as any Class of Notes Outstanding is rated by S&P, in respect of a representation contained in Section 7.19 (which may be waived only by a Majority of the Controlling Class if the S&P Rating Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency then providing a rating on any Class of Secured Notes) and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder and beneficial owner of any Note by such Holder's or beneficial owner's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of any redemption whose failure to pay would constitute an Event of Default, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance

of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Noteholders and a Responsible Officer of the Collateral Manager, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses (including the reasonable costs and expenses of counsel) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(a) The Trustee and the Collateral Manager (and/or any of its affiliates) may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and the Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred (including the reasonable costs and expenses of counsel) by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(b) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(c) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within five Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required or permitted by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), 5.1(d), (e), (f) or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Not later than three Business Days after the Trustee receives notice of assignment or termination under the Collateral Management Agreement, or notice of a "cause" event under the Collateral Management Agreement, the Trustee shall forward a copy of such notice to the Noteholders (as their names appear in the Register).

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(g) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Tax Event unless it receives written notice of the occurrence of a Tax Event from the Collateral Manager.

(h) The Trustee shall not have any obligation to confirm compliance with the Retention Requirements, the risk retention regulations of any other jurisdiction or Cayman AML Regulations.

(i) The Trustee shall have no responsibility or liability for (i) the designation or determination of an Alternative Benchmark Rate, including without limitation whether the condition for such designation have been satisfied or whether any such rate constitutes a Benchmark Replacement Rate or Fallback Rate, (ii) determining or verifying the unavailability or cessation of ~~LIBOR~~the Benchmark Rate or whether a Benchmark Transition Event has occurred, (iii) determining whether any Benchmark Replacement Rate Conforming Changes are necessary in connection with the foregoing or (iv) any failure or delay in performing its duties hereunder as a result of the unavailability of ~~LIBOR (or other~~the Benchmark Rate~~)~~.

(j) The Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager.

(k) The Trustee shall have no obligation to determine or verify (i) whether any Restructured Asset constitutes a Collateral Restructured Asset (and shall be entitled to rely upon notice thereof from the Collateral Manager), (ii) whether the Permitted Securities Condition is satisfied or (iii) whether the conditions to an Exchange Transaction have been satisfied.

Section 6.2 Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail or e-mail to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to each Rating Agency then providing a rating on any Class of Secured Notes), and all Holders, as their names and addresses appear on the Register, notice of all Events of Defaults hereunder known to the Trustee, unless such Event of Default shall have been cured or waived. In addition, prior to the commencement of liquidation of the Assets pursuant to Section 5.5, the Issuer shall provide notice of such liquidation to each Rating Agency then providing a rating on any Class of Secured Notes.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be Independent accountants appointed by the Issuer pursuant to Section 10.9), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in complying with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall (subject to the right hereunder to be reasonably satisfactorily indemnified for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior written notice to the Co-Issuers and a Responsible Officer of the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed or attorney appointed, with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Collateral Manager;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or from a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall, upon reasonable (but no less than three Business Days') prior written notice, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege or other confidentiality requirements) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes;

(l) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream, or any other Clearing Agency or depository and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any Selling Institution, agent bank, trustee or similar source) with respect to the Assets;

(m) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(n) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent, financial reporting agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; provided that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Securities Account Control Agreement or any other documents to which the Bank in such capacity is a party;

(o) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(p) the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(q) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(r) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(s) to help fight the funding of terrorism and money laundering activities, the Bank may obtain, verify and record information that identifies individuals or entities that establish a relationship or open an account with the Bank. The Trustee may ask for formation documents such as articles of incorporation, an offering memorandum or other identifying documents or information to be provided;

(t) to the extent not inconsistent herewith, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator; provided that such rights, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(u) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(v) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(w) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) neither the Trustee nor the Collateral Administrator shall be responsible for determining: (i) if a Collateral Obligation, Collateral Restructured Asset or Restructured Asset meets the criteria or eligibility restrictions imposed by this Indenture or (ii) whether the conditions specified in the definition of "Delivered" have been complied with;

(y) unless the Trustee receives written notice of an error or omission related to the Monthly Report or Distribution Report (including any payment date instructions) provided to Holders within 90 days of Holders' receipt of the same, the Trustee shall have no further obligation in connection thereof, absent direction by the requisite percentage of Holders entitled to direct the Trustee; and

(z) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), any Authenticating Agent (other than the Trustee), any non-Affiliated custodian, clearing agency, common depository, Euroclear or Clearstream Luxembourg and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or the Collateral Management Agreement, or to verify or independently determine (i) whether the Collateral Manager has the authority to provide an instruction hereunder or under another Transaction Document or (ii) the accuracy of information received by it from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, the Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorney's fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with acting or serving as Trustee under this Indenture, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the administration, exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which the Trustee is a party only as provided in Sections 11.1(a)(i), (ii) and (iii) but only to the

extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or an expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having a long-term senior unsecured debt rating of at least "BBB+" by S&P and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(a) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers (and, subject to Section 14.3(c), the Issuer shall provide notice to each Rating Agency then rating a Class of Secured Notes), the Collateral Manager and the Holders of the Notes. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided that such successor Trustee shall be appointed only upon the written consent of a Majority of the Secured Notes of

each Class (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(b) The Trustee may be removed at any time by Act of a Majority of each Class of Notes (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(c) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(d) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, subject to Section 14.3(c) each Rating Agency then rating a Class of Secured Notes and to the Holders of the Notes as their names and addresses appear in the Register. Each notice shall include the name of the

successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause, subject to Section 14.3(c), such notice to be given at the expense of the Co-Issuers.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment and making representations and warranties set forth in Section 6.17. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to such Person satisfying the eligibility requirements set forth in Section 6.8 and providing prior notice to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Subject to Section 14.3(c), the Issuer shall notify each Rating Agency then rating a Class of Secured Notes of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. If the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the

trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed by applicable law on the Issuer's payment (or allocations of income) under the Notes, such tax shall reduce the amount otherwise distributable to the relevant Holder. For the avoidance of doubt, any

withholding tax required to be withheld under FATCA and the Cayman FATCA Legislation shall be treated as imposed by applicable law. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any such tax that is legally owed or required to be withheld by the Issuer, including due to the failure by a Holder to comply with FATCA and the Cayman FATCA Legislation. Such authorization, however, shall not prevent the Trustee from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings. The amount of any withholding tax imposed with respect to any Note shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee. If there is a possibility that withholding is required by applicable law with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for Each Other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent and securities intermediary.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent and Securities Intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a Proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Secured Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

The Trustee hereby provides notice to each Holder that the failure of such Holder to provide the Trustee with appropriate tax certifications may result in amounts being withheld from payments to such Holder under this Indenture (provided that amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Co-Issuers or, in the case of the Class E Notes and the Subordinated Notes, the Issuer).

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee as Transfer Agent at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company, as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided that (x) the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented for payment; and (y) no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such Paying Agent's activities. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Trustee, each Rating Agency then rating a Class of Secured Notes and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers at their addresses set forth in Section 14.3, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office.

Section 7.3 Money for Note Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided that, so long as the Notes of any Class are rated by a Rating Agency, with

respect to the initial Paying Agent or any additional or successor Paying Agent, either (i) such Paying Agent has a long-term debt rating of "A+" or higher by S&P or a short-term debt rating of "A-1" by S&P or (ii) the S&P Rating Condition is satisfied. If such Paying Agent ceases to satisfy the requirements set forth in clause (i) above, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent that satisfies the foregoing requirements. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for

The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations or companies, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Trustee and, subject to Section 14.3(c), each Rating Agency then rating a Class of Secured Notes by the Issuer, which notice shall be promptly forwarded by the Trustee to the Holders and the Collateral Manager, (iii) so long as S&P is rating the Secured Notes, the S&P Rating Condition is satisfied and (iv) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(a) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer, the Warehouse Entity, the Initial Refinancing Warehouse Entity and any subsidiary that (x) meets the then-current general criteria of the Rating Agencies for bankruptcy remote entities, (y) is formed for the sole purpose of holding (A) equity interests in "partnerships" (within the meaning of Section 7701(a)(2) of the Code), "grantor trusts" (within the meaning of the Code) or entities that are disregarded as separate from their owners for U.S. federal income tax purposes that are or may be engaged or deemed to be engaged in a trade or business in the United States or (B) any other asset the ownership of which by the Issuer may cause the Issuer to be treated as engaged, or deemed to be engaged, in a trade or business within the United States, in each case acquired or received in a workout, bankruptcy, restructuring or similar transaction of a Defaulted Obligation or otherwise acquired or received in connection with a workout, bankruptcy, restructuring or similar transaction of a Collateral Obligation (excluding, for the avoidance of doubt, in the case of both clause (A) and clause (B) above, any interest that is treated as a United States real

property interest for purposes of Section 897(c) of the Code or causes the Issuer's subsidiary to have or be deemed to have an ownership interest or a controlling interest in real property or an ownership interest in an entity that has a controlling interest in real property) (each, an "ETB Subsidiary") and (z) includes customary "non-petition" and "limited recourse" provisions in any agreement to which it is a party; (ii) the Co-Issuer shall not have any subsidiaries; and (iii) except to the extent contemplated in the Administration Agreement or the amended and restated declaration of trust dated April 30, 2020, by MaplesFS Limited (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors or managers to the extent they are employees), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles, the Registered Office Agreement or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's-length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person, (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Collateral Manager.

(b) The Issuer shall ensure that any ETB Subsidiary (i) is wholly owned by the Issuer, (ii) is treated as a corporation for U.S. federal income tax purposes, (iii) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such subsidiary's constituent documents, (iv) will not have any subsidiaries (other than another ETB Subsidiary that satisfies the requirements imposed hereunder), (v) will comply with the restrictions set forth in Section 7.8(a)(ix) and (x) of this Indenture, (vi) will not incur or guarantee any indebtedness except indebtedness with respect to which the Issuer is the sole creditor and will not hold itself out as being liable of the debts of any other Person, (vii) will include in its constituent documents a limitation on its business such that it may only engage in the acquisition of assets permitted under this Indenture and the disposition of such assets and the proceeds thereof to the Issuer (and activities ancillary thereto), (viii) will have at least one director that is Independent from the Collateral Manager, (ix) will distribute (including by way of interest payment) 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer and (x) shall not take any action, or conduct its affairs in a manner, that is likely to result in such ETB Subsidiary's separate existence being ignored or its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding.

(c) Each contribution by the Issuer to an ETB Subsidiary as provided in this Section 7.4 may be effected by means of granting a participation interest in the relevant asset to the ETB Subsidiary; provided that such grant transfers ownership of such asset to the ETB Subsidiary for U.S. federal income tax purposes based on an opinion or written advice of Paul Hastings LLP, or an opinion or written advice of other tax counsel of nationally recognized standing in the United States experienced in such matters.

(d) The Issuer shall provide each Rating Agency with prior written notice of the formation of any ETB Subsidiary and of the transfer of any asset to any ETB Subsidiary.

Section 7.5 Protection of Assets. (a) The Collateral Manager on behalf of the Issuer will cause the taking of such action within the Collateral Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; provided that the Collateral Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Notes hereunder and to:

(i) Grant more effectively all or any portion of the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file and hereby authorizes the filing of any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter

acquired, other than Excepted Property" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Section 5.5, Section 10.8(a), (b) and (c) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.2 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. Not later than the April 19th that precedes the fifth anniversary of the Closing Date (and every five years thereafter so long as any Secured Notes are Outstanding), the Issuer shall furnish to the Trustee and each Rating Agency an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and is perfected and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness and perfection of such lien over the next year.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Issuer shall notify the Rating Agencies within 10 Business Days after it has received notice from any Noteholder or the Issuer of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix), (x) and (xii) the Co-Issuer will not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld or deducted in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby or (B)(1) issue or co-issue, as applicable, any additional Class of securities (except as provided in Section 2.4) or (2) issue or co-issue, as applicable, any additional ordinary shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (except, in the case of the Issuer, the Co-Issuer, the Warehouse Entity, the Initial Refinancing Warehouse Entity and any ETB Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors or managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Collateral Management Agreement; or

(xii) fail to maintain an independent manager under the Co-Issuer's limited liability company agreement.

(b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.

(c) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(d) The Issuer may not acquire any of the Notes (including any Notes surrendered or abandoned) except pursuant to Section 9.8. This Section 7.8(d) shall not be deemed to limit an optional or mandatory redemption or a Re-Pricing pursuant to the terms of this Indenture.

(e) The Issuer shall not engage in any activity that would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis; provided, however, that the Issuer shall be deemed to have satisfied the foregoing obligations if it has complied with (i) the Tax Investment Guidelines or (ii) takes an action in reliance on written advice of Paul Hastings LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters that, under the relevant facts and circumstances with respect to such action, the Issuer's failure to comply with one or more of the provisions of the Tax Investment Guidelines will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, or otherwise to be subject to U.S. federal income tax on a net basis. In furtherance of the foregoing, the Issuer shall at all times comply with the Tax Investment Guidelines, unless it has received written advice or an opinion referred to in the preceding sentence.

Section 7.9 Statement as to Compliance. On or before April 20, 2021 and every five calendar years thereafter, or immediately if there has been a Default under this Indenture and prior to the issuance of any Additional Notes pursuant to Section 2.4, the Issuer, subject to Section 14.3(c), shall deliver to each Rating Agency then rating a Class of Secured Notes, the Trustee, the Collateral Manager and the Administrator (to be forwarded by the Trustee or the Administrator, as applicable, to each Noteholder making a written request therefor) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, Etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person (except in connection with the Closing Date Merger and the Initial Refinancing Date Merger) or transfer or, except as otherwise permitted under this Indenture, convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the S&P Rating Condition shall have been satisfied with respect to such consolidation or merger;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee, the Collateral Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have delivered to each Rating Agency then rating a Class of Secured Notes) an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the

lien and security interest of this Indenture and any other Permitted Lien, to the Assets securing all of the Notes and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified the Collateral Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have notified each Rating Agency then rating a Class of Secured Notes) of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Noteholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with;

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person; and

(i) the fees, costs and expenses of the Trustee (including any reasonable legal fees and expenses) associated with the matters addressed in this Section 7.10 shall have been paid by the Merging Entity (or, if applicable, the Successor Entity) or otherwise provided for to the satisfaction of the Trustee.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. The Issuer shall not have any employees (other than its directors to the extent they are employees) and shall not engage in any business or activity other than issuing or co-issuing, as applicable, selling, paying and redeeming the Notes, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, the

Assets and other incidental activities, including entering into the Transaction Documents to which it is a party and establishing and owning any ETB Subsidiary. The Issuer shall not acquire a Collateral Obligation if the primary purpose of the acquisition of such Collateral Obligation is to accommodate a request from a securities lending counterparty to borrow such Collateral Obligation under a securities lending agreement. The Co-Issuer shall not engage in any business or activity other than co-issuing and selling the Co-Issued Notes and any additional rated notes co-issued pursuant to this Indenture and other incidental activities. The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or certificate of formation and limited liability company agreement, respectively, only if the S&P Rating Condition is satisfied in connection with such amendment.

Section 7.13 Maintenance of Listing. So long as any Class of Notes that is listed on a stock exchange remains Outstanding, the Co-Issuers shall use reasonable efforts to maintain listing of such Class of Notes on such stock exchange.

"Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Notes remain Outstanding there will at all times be an agent appointed (which shall not control, be controlled by or under common control with, the Issuer, the Collateral Manager or their respective Affiliates) to calculate the Benchmark Rate in respect of each Interest Accrual Period (or portion thereof) in accordance with the definition of such term (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent ~~will also specify to the Co-Issuers the quotations upon which the Interest Rate for each Class of Floating Rate Notes is based, and in any event the Calculation Agent~~ shall notify the Co-Issuers before 5:00 p.m. (New York time) on ~~every~~the U.S. Government Securities Business Day following each Interest Determination Date (or, in the case of the first Interest Accrual Period, each Notional Determination Date) if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or portion thereof) will (in the absence of manifest error) be final and binding upon all parties.

(c) The Calculation Agent shall have no responsibility or liability for (i) determining or verifying the unavailability or cessation of ~~LIBOR~~the Benchmark Rate or the occurrence of a Benchmark Transition Event, (ii) selection of a Benchmark Rate (or any modifier or adjustment thereof) or any determination thereof (including whether any such rate is the Benchmark Replacement Rate or Fallback Rate or whether the conditions to the designation of any such rate have been satisfied) or (iii) determining whether any Benchmark Replacement Rate Conforming Changes are necessary in connection with the foregoing, or any liability for any failure or delay in performing its duties hereunder as a result of the unavailability of ~~LIBOR~~the Benchmark Rate as described herein or the failure of the Collateral Manager to provide necessary instructions or underlying components needed to calculate any Benchmark Rate. For the avoidance of doubt, all references in this Indenture and the Collateral Administration Agreement to (i) the right of the Trustee and the Calculation Agent to rely upon notices, instructions and other information provided by the Collateral Manager and (ii) protections afforded to the Trustee and the Calculation Agent in respect of any acts or omissions of the Collateral Manager, shall in each case also apply to the same extent in respect of the Designated Transaction Representative.

(xxi) to accommodate the settlement of the Notes in book entry form through the facilities of DTC or otherwise;

(xxii) with the written consent of a Majority of the Controlling Class (which consent shall not be unreasonably withheld or delayed) to make any modification or amendment determined by the Issuer or the Collateral Manager (in consultation with legal counsel of national reputation experienced in such matters) as necessary or advisable for any Class of Secured Notes to not be considered an "ownership interest" as defined for purposes of the Volcker Rule, so long as any such modification or amendment would not have a material adverse effect on any Class of Notes, as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the counsel delivering the opinion);

(xxiii) to amend, modify or otherwise accommodate changes to this Indenture (in consultation with legal counsel of national reputation experienced in such matters) to comply with any rule or regulation enacted by regulatory agencies of the United States federal government after the Closing Date that are applicable to the Notes or the transactions contemplated by this Indenture;

(xxiv) to effectuate a Refinancing or a Re-Pricing to the extent described in and in accordance with Section 9.2 or Section 9.7, respectively, including, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager) or the Collateral Manager (with the consent of a Majority of the Subordinated Notes), to (x) in the case of a Re-Pricing, extend the end date of the Non-Call Period for any Class of Notes subject to a Re-Pricing or provide that a Class of Notes may not be subject to a further Re-Pricing and (y) (1) include such other changes in the Collateral Manager's commercially reasonable judgment as shall be necessary to facilitate such Refinancing, (2) establish a non-call period for (or prohibit the refinancing of) any loan entered into or replacement securities issued in connection with the Refinancing and (3) in connection with a Refinancing of all Classes of Secured Notes, add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture (including, without limitation, (i) modifications to effect an extension of the Stated Maturity of the Subordinated Notes and/or an extension of the Reinvestment Period, (ii) modifications of the definition of the Weighted Average Life Test or (iii) modifications that would otherwise require the consent of the Holders of the Notes pursuant to this Article VIII if such modifications were not being effected in connection with a Refinancing of all Classes of Secured Notes); or

(xxv) in connection with the transition to any Benchmark Replacement Rate, to make any Benchmark Replacement Rate Conforming Changes proposed by the Designated Transaction Representative in connection therewith; or

(xxvi) at the direction of the Designated Transaction Representative, to (x) change the reference rate in respect of the Floating Rate Notes from the Benchmark Rate to a DTR Proposed Rate~~,~~ and (y~~) replace references to "LIBOR," "Libor" and "London interbank offered rate" (or other references to the Benchmark Rate) with the DTR Proposed Rate when used with respect to a Floating Rate Obligation and (z~~) make any technical, administrative, operational or conforming changes determined by the Designated Transaction Representative as necessary or advisable to implement the use of a DTR Proposed Rate; provided that, a Majority of the Controlling Class and a Majority of the Subordinated Notes have provided their prior written consent to any supplemental indenture pursuant to this clause (xxvi) (any such supplemental indenture, a "DTR Proposed Amendment").

Section 8.2 Supplemental Indentures with Consent of Holders of Notes. With the written consent of the Collateral Manager and (1) a Majority of each Class of Secured Notes (voting separately by Class) materially and adversely affected thereby, if any, (2) a Majority of the Subordinated Notes if the Subordinated Notes are materially and adversely affected thereby and (3) any Hedge Counterparty that is materially and adversely affected by such supplemental indenture (in its reasonable judgment) and notifies the Issuer and the Trustee thereof in writing no later than the Business Day prior to the proposed date of execution thereof, the Trustee and the Co-Issuers may, subject to Section 8.3, execute one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of any Class under this Indenture; provided that, notwithstanding the foregoing, no such supplemental indenture shall, without the consent of each Holder of each Outstanding Note of each Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Note, reduce the principal amount thereof, the rate of interest thereon (other than in connection with a Re-Pricing of a Re-Pricing Eligible Note) or the Redemption Price with respect to any Note, or shorten the earliest date on which Notes of any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Notes or distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Notes or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided that a DTR Proposed Amendment shall not be subject to this clause (i) or any other provision of this Section 8.2;

(ii) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of

this Indenture or certain defaults hereunder or their consequences provided for in this Indenture;

(iii) materially impair or materially and adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture;

(v) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders or beneficial owner of any Class of Secured Notes whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5;

(vi) modify any of the provisions of (x) this Section 8.2, except to increase the percentage of any Class of Notes Outstanding the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holders of each Class of Notes Outstanding and affected thereby or (y) Section 8.1 or Section 8.3; or

(vii) modify the definition of the terms "Outstanding," "Controlling Class," "Majority" or "Note Payment Sequence," or the Priority of Payments set forth in Section 11.1(a).

Section 8.3 Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

(b) With respect to (x) any supplemental indenture under Section 8.2 and (y) any supplemental indenture under clauses (a)(xiii), (xvii) or (xxii) of Section 8.1, the Trustee shall be entitled to receive, and may conclusively rely upon, an Opinion of Counsel and an Officer's certificate of the Issuer or the Collateral Manager (in either case, which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the person delivering such certificate Opinion of Counsel, as applicable) as to whether or not (i) any Class of Notes would be materially and adversely affected by any such supplemental indenture (subject to the right of the Controlling Class set forth in the immediately succeeding sentence) or (ii) in the case of Classes that are *pari passu* as described in the definition of "Class," whether any such supplemental indenture affects one such Class in a manner that is materially different from the effect of such supplemental indenture on the other such Class. If the Trustee receives a written notice from a Majority of the Controlling Class stating that the Controlling Class will be materially and adversely affected by any supplemental indenture under Section 8.2 prior to the

proposed date of execution of such supplemental indenture, it shall not enter into such supplemental indenture without the consent of a Majority of the Controlling Class (or all of the Controlling Class, as applicable). In addition, subject to the other requirements of this clause (b), in executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel. Such determination (subject to the right of a Majority of the Controlling Class set forth in the second sentence of this paragraph) shall, in each case, be conclusive and binding on all present and future Holders and beneficial owners of Notes.

(c) At the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than 15 Business Days (or, in the case of any supplemental indenture that effects a Refinancing, 5 Business Days) prior to the execution of any proposed supplemental indenture, the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty and the Holders a copy of such supplemental indenture; provided that no such notice of a supplemental indenture that effects a Refinancing shall be required to be provided to any Holder of any Class of Secured Notes being Refinanced in connection with such supplemental indenture. At the cost of the Issuer, for so long as any Class of Secured Notes shall remain Outstanding and such Class is rated by a Rating Agency, the Issuer shall provide to such Rating Agency a copy of any proposed supplemental indenture at least 15 Business Days (or, in the case of any supplemental indenture that effects a Refinancing, 5 Business Days) prior to the execution thereof by the Trustee and, as soon as practicable after the execution of any such supplemental indenture, provide to such Rating Agency a copy of the executed supplemental indenture. At the cost of the Co-Issuers, the Trustee shall provide to the Holders (in the manner described in Section 14.4) a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture. In the case of a supplemental indenture to be entered into pursuant to Section 8.1(a)(xxiv) with respect to a Re-Pricing, the foregoing notice periods shall not apply and a copy of the proposed supplemental indenture shall be included in, in the case of a Re-Pricing, the notice of Re-Pricing delivered to each holder of the Re-Priced Class (with a copy to the Collateral Manager) described in Section 9.7 and, upon execution of the supplemental indenture, a copy thereof shall be delivered to each Rating Agency and each holder of Notes.

(d) Without limitation to the requirements of Section 8.1, Section 8.2 or clause (b) or (c) of this Section 8.3, the Co-Issuers and the Trustee shall not enter into any proposed supplemental indenture that would change or modify (1) any Investment Criteria applicable either during or after the Reinvestment Period or any definition related thereto as it pertains to the calculation or determination thereof, (2) any Collateral Quality Test (including, without limitation, the Weighted Average Life Test) or any definition related thereto as it pertains to the calculation or determination thereof, (3) any Concentration Limitation or any definition related thereto as it pertains to the calculation or determination thereof, (4) the definition of "Collateral Obligation," "Credit Risk Obligation," "Credit Improved Obligation" or "Defaulted Obligation" or (5) the requirements relating to the Issuer's (or the Collateral

Manager's on the Issuer's behalf) ability to vote in favor of a Maturity Amendment without the prior written consent of a Majority of the Controlling Class and, unless such supplemental indenture is of a clerical or ministerial nature or entered into to correct a manifest error, as determined by the Collateral Manager, each other Class of Secured Notes (voting separately by Class), each such consent not to be unreasonably withheld or delayed.

(e) For the avoidance of doubt, no consent with respect to any supplemental indenture shall be required from any Class being refinanced from Sale Proceeds or Refinancing Proceeds or any Class subject to a Re-Pricing.

(f) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(g) The Collateral Manager shall not be bound by any supplemental indenture until it has received a copy of such supplemental indenture and, unless the Collateral Manager has been given prior written notice of such supplemental indenture and has consented thereto in writing. The Issuer agrees that it will not, without the written consent of the Collateral Manager, permit to become effective any amendment or supplement to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or the priority of any fees or other amounts payable to the Collateral Manager), or adversely change the economic consequences to, the Collateral Manager, (ii) directly or indirectly modify the restrictions on the purchases or sales of Collateral Obligations under this Indenture or the Investment Criteria described in Section 12.2(a), (iii) expand or restrict the Collateral Manager's discretion or (iv) adversely affect the Collateral Manager or any TCW Affiliate; provided that, in each case, the Collateral Manager may withhold its consent in its sole discretion if such amendment or supplement affects the amount, timing or priority of payment of the Collateral Manager's fees or increases or adds to the obligations of the Collateral Manager, and the Issuer will not enter into any such amendment or supplement unless the Collateral Manager has given its prior written consent.

(h) The Trustee shall not be obligated to enter into any supplemental indenture which affects the Trustee's (or, for so long as the Trustee is also the Collateral Administrator, the Collateral Administrator's) own rights, duties, liabilities or immunities under this Indenture or otherwise.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder or beneficial owner of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the

Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Notes pursuant to the Priority of Payments.

Section 9.2 Optional Redemption. (a) The Secured Notes shall be redeemable by the Applicable Issuers (x)(i) in whole (with respect to all Classes of Secured Notes) but not in part, on any Business Day after the end of the Non-Call Period from Sale Proceeds and/or Refinancing Proceeds if directed in writing by a Majority of the Subordinated Notes with the consent of the Collateral Manager or by the Collateral Manager with the consent of a Majority of the Subordinated Notes or (ii) in part by Class on any Business Day after the end of the Non-Call Period from Refinancing Proceeds if directed in writing by a Majority of the Subordinated Notes with the consent of the Collateral Manager or by the Collateral Manager with the consent of a Majority of the Subordinated Notes, as long as the Class of Secured Notes to be redeemed represents not less than the entire Class of such Secured Notes, or (y) in whole (with respect to all Classes of Secured Notes) but not in part from Sale Proceeds on any Business Day following the end of the Non-Call Period if the Collateral Principal Amount is less than 20% of the Target Par Amount and if directed in writing by the Collateral Manager (each such redemption, an "Optional Redemption"). In connection with any such redemption, the Secured Notes to be redeemed shall be redeemed at the applicable Redemption Prices and the Person or Persons entitled to give the above described written direction must provide the above described written direction to the Issuer and the Trustee not later than in connection with an Optional Redemption from (a) Sale Proceeds only, 15 Business Days and (b) Refinancing Proceeds (or Refinancing Proceeds and Sale Proceeds), eight Business Days (or, in each case, such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the date on which such redemption is to be made; provided that all Secured Notes to be redeemed must be redeemed simultaneously.

(b) The Subordinated Notes may be redeemed at their Redemption Price, in whole but not in part on any Business Day on or after the Optional Redemption or repayment of the Secured Notes in full, at the direction of a Majority of the Subordinated Notes (which direction may be given in connection with a direction to redeem the Secured Notes or at any time after the Secured Notes have been redeemed or repaid in full).

(c) After the Non-Call Period, the Secured Notes may be redeemed (i) in whole from Refinancing Proceeds and/or Sale Proceeds on any Business Day as provided in Section 9.2(a)(x)(i) or Section 9.2(a)(y) or (ii) in part from Refinancing Proceeds as provided in Section 9.2(a)(x)(ii) by a Refinancing; provided that (i) the terms of such Refinancing and any

financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager and (ii) such Refinancing otherwise satisfies the conditions described below. Prior to effecting any Refinancing, the Issuer shall, in relation to such Refinancing, provide notice to each Rating Agency.

(d) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(a), such Refinancing will be effective only if (i) the Refinancing Proceeds, all Sale Proceeds, if any, from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem simultaneously the Secured Notes then required to be redeemed, in whole but not in part at the applicable Redemption Prices thereof, and to pay all accrued and unpaid fees, costs, charges and expenses incurred in connection with such Refinancing (regardless of the Administrative Expense Cap), including, without limitation, the reasonable fees, costs, charges and expenses incurred by the Transaction Parties (including reasonable attorneys' fees and expenses) in connection with such Refinancing (the "Subordinated Refinancing Expenses") and all Collateral Management Fees, but excluding any of such fees, costs, charges and expenses which the Collateral Manager elects to treat as Administrative Expenses payable subsequent to the Redemption Date), (ii) the Refinancing Proceeds, the Sale Proceeds, if any, and other available funds are used (to the extent necessary) to make such redemption and (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.8(h).

(e) In the case of a Refinancing upon a redemption of the Secured Notes in part by Class pursuant to Section 9.2(a), such Refinancing will be effective only if: (i) notice is provided to each Rating Agency, (ii) the Refinancing Proceeds (together with the Interest Proceeds available in accordance with the Priority of Payments, or if such Redemption Date is not a Payment Date, any Interest Proceeds that in the reasonable determination of the Collateral Manager will not be required to pay amounts due and payable under clauses (A) through (P) of Section 11.1(a)(i) on the immediately succeeding Payment Date as set forth in an Officer's certificate of the Collateral Manager), the proceeds of any Contributions applied for such purpose and any other available funds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 13.1(d) and Section 2.8(h), (v) with respect to any Class of Secured Notes not subject to such Refinancing, the aggregate principal amount of any obligations providing the Refinancing that are senior in priority to such non-refinanced Class plus the Aggregate Outstanding Amount of the Notes that are senior in priority to such non-refinanced Class is equal to or less than the Aggregate Outstanding Amount of Notes senior in priority to such non-refinanced Class prior to giving effect to such Refinancing; provided that, if the aggregate principal amount of the obligations providing the Refinancing of any Class of Secured Notes is not equal to the Aggregate Outstanding Amount of such Class of Secured Notes, the S&P Rating Condition must be satisfied, (vi) the stated maturity of each class of obligations providing the Refinancing is the same as the corresponding Stated Maturity of each Class of Secured Notes being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing (regardless of the

Administrative Expense Cap) shall be paid on the Refinancing Date, except for any reasonable fees, costs, charges and expenses incurred in connection with such Refinancing designated by the Collateral Manager as Subordinated Refinancing Expenses in which case such Subordinated Refinancing Expenses shall be paid or adequately provided for on future Payment Dates, (viii) the weighted average spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) of the obligations providing the Refinancing will not be greater than the weighted average spread over the Benchmark Rate (or in the case of any Fixed Rate Notes, the Interest Rate) of the Secured Notes subject to such Refinancing; provided that (x) any Class of Fixed Rate Notes may be refinanced with obligations that bear interest at a floating rate and (y) any Class of Floating Rate Notes may be refinanced with obligations that bear interest at a fixed rate, so long as (1) in the case of clause (x) the floating rate of the obligations providing the Refinancing is less than the applicable Interest Rate with respect to such Class of Fixed Rate Notes on the date of such Refinancing and in the case of clause (y) the fixed rate of the obligations providing the Refinancing is less than the applicable Benchmark Rate plus the relevant spread with respect to such Class of Secured Notes on the date of such Refinancing and (2) the S&P Rating Condition is satisfied with respect to the Secured Notes not subject to such Refinancing, (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced and (x) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Notes being refinanced.

(f) The Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. The Holders of the Notes will not have any cause of action against the Collateral Manager for consenting to (or for any failure to consent to) or for directing (or for any failure to direct) any Refinancing or any Optional Redemption. If a Refinancing is obtained meeting the requirements specified above as certified by the Issuer, the Issuer and, at the direction of the Collateral Manager, the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes other than Holders of the Subordinated Notes directing or consenting to the redemption. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate of the Issuer or the Collateral Manager or Opinion of Counsel as to matters of law (in either case, which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the person delivering such officer's certificate or Opinion of Counsel, as applicable) to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds, or the sufficiency of the Accountants' Report pursuant to Section 7.18).

(g) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least seven Business Days prior to the Redemption Date (or, in each case, such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable), notify the Trustee and the Collateral Manager in writing of such Redemption Date, the applicable Record

Date, the principal amount of Secured Notes to be redeemed on such Redemption Date and the applicable Redemption Prices; provided that failure to effect any Optional Redemption which is withdrawn by the Co-Issuers in accordance with this Indenture or with respect to which a Refinancing fails to occur shall not constitute an Event of Default.

(h) In connection with a Refinancing upon a redemption of the Secured Notes in whole, the Collateral Manager may designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "Designated Excess Par"), and direct the Trustee to apply such Designated Excess Par as Interest Proceeds in accordance with the Priority of Payments on the applicable Redemption Date.

Section 9.3 Tax Redemption. (a) The Notes shall be redeemed in whole but not in part on any Payment Date (any such redemption, a "Tax Redemption") at their applicable Redemption Prices at the written direction (delivered to the Issuer, the Trustee and the Collateral Manager) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, in either case following the occurrence and during the continuation of a Tax Event.

(b) In connection with any Tax Redemption or Optional Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Notes may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Notes.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Collateral Manager, the Holders and the Issuer (which shall notify each Rating Agency then rating a Class of Secured Notes) thereof.

(d) If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer (which shall notify each Rating Agency then rating a Class of Secured Notes), the Collateral Administrator, the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2 or 9.3, the written direction required thereby shall be provided to the Issuer, the Trustee and the Collateral Manager not later than, in connection with an Optional Redemption from (x) Sale Proceeds only, 15 Business Days and (b) Refinancing Proceeds (or Refinancing Proceeds and Sale Proceeds), eight Business Days (or, in each case, such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable) prior to the date on which such redemption is to be made (which date shall be designated in such notice). In the event of any redemption pursuant to Section 9.2 or 9.3, a notice of redemption shall be given by first class mail, postage prepaid, mailed not later than five Business Days prior to the applicable Redemption Date, to each Holder of Notes, at such Holder's address in the Register, and each Rating Agency then rating a Class of Secured Notes.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Secured Notes to be redeemed and, if applicable, the estimated Redemption Price of the Subordinated Notes;

(iii) all of the Secured Notes that are to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Payment Date specified in the notice;

(iv) the place or places where the Secured Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(v) if all Secured Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.

(c) The Person or Persons so directing an Optional Redemption or a Tax Redemption may withdraw any such notice of redemption delivered pursuant to Section 9.2 or Section 9.3 on any day up to and including the Business Day prior to the applicable Redemption Date by written notice to the Trustee and (if applicable) the Collateral Manager. Failure to effect any Optional Redemption or Tax Redemption which is so withdrawn in accordance with this Indenture (or the failure of any Refinancing to occur) shall not constitute an Event of Default.

(d) Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Note.

(e) Upon receipt of a notice of (or the Collateral Manager's direction of) an Optional Redemption of the Secured Notes pursuant to Section 9.2 (unless any such Optional Redemption is being effected solely through a Refinancing) or Section 9.3, the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Secured Notes to be redeemed and to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and all Collateral Management Fees due and payable under the Priority of Payments, as more particularly set forth in Section 9.4(f) below. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all Secured Notes then required to be redeemed and to pay such fees and expenses, the Secured Notes may not be redeemed and notice of such Optional Redemption or Tax Redemption shall be deemed to be automatically withdrawn. The Collateral Manager, in its sole discretion, may effect the sale of all or any part

of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(f) Unless Refinancing Proceeds are being used to redeem the Secured Notes in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Notes may be optionally redeemed unless (i) at least one Business Day before the scheduled Redemption Date the Collateral Manager shall have certified to the Trustee that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements (including, without limitation, a participation agreement or similar agreement) with a financial or other institution active in the market for assets of the nature of the Collateral Obligations (or a special purpose entity meeting then-current bankruptcy remoteness criteria of each Rating Agency), not later than the scheduled Redemption Date in immediately available funds, all or part of the Assets and/or the Hedge Agreements at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date and any payments to be received in respect of any Hedge Agreements, to pay all Administrative Expenses (regardless of the Administrative Expense Cap), any amounts due to any Hedge Counterparties and all Collateral Management Fees payable in accordance with the Priority of Payments and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Prices (or, in the case of any Class of Secured Notes, such other amount that the Holders of such Class have elected to receive, in the case of a Tax Redemption where the Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and expected proceeds from the sale of Eligible Investments, and (B) for each Collateral Obligation, the product of its outstanding principal balance and its Market Value (expressed as a percentage of the par amount of such Collateral Obligation), shall exceed the sum of (x) the aggregate Redemption Prices (or, in the case of any Class of Secured Notes, such other amount that the holders of such Class have elected to receive, in the case of a Tax Redemption where holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the holders of such Class) of the Outstanding Secured Notes and (y) all accrued and unpaid Administrative Expenses (without regard to the Administrative Expense Cap) any amounts due to Hedge Counterparties and accrued and unpaid Collateral Management Fees payable under the Priority of Payments. Any Holder or beneficial owner of Notes, the Collateral Manager or any of the Collateral Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(f) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(c) or the failure of any Refinancing to occur, become due and payable at the Redemption Prices with respect thereto, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices) all Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of

redemption on or prior to such Redemption Date; provided that, if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest and principal on Secured Notes so to be redeemed which are payable on any Payment Date on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Secured Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Noteholder.

(c) Notwithstanding anything to the contrary set forth herein, the Refinancing Proceeds related to an Optional Redemption pursuant to Section 9.2(a)(x)(ii) shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date to redeem the Classes of Secured Notes subject to such Optional Redemption by Refinancing at the applicable Redemption Prices for such Classes of Secured Notes and to pay any fees, costs, charges and expenses incurred in connection with such Refinancing that are being paid from such proceeds; provided that, to the extent such Refinancing Proceeds are not applied to redeem such Classes of Secured Notes or to pay such other amounts, such Refinancing Proceeds shall be treated as Principal Proceeds. In addition, on each Redemption Date related to an Optional Redemption pursuant to Section 9.2(a)(x)(ii), unless an Enforcement Event has occurred and is continuing, Refinancing Proceeds and Interest Proceeds shall be applied in accordance with the Priority of Payments to redeem the Secured Notes being refinanced and to pay any Administrative Expenses in connection therewith.

Section 9.6 Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Payments on any Payment Date (i) during the Reinvestment Period, if the Collateral Manager in its sole discretion notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a "Reinvestment Special Redemption") or (ii) in connection with the Effective Date, if the Collateral Manager notifies the Trustee that a redemption is required pursuant to Section 7.18 in order to obtain Effective Date Ratings Confirmation (an "Effective Date Special Redemption" and each of an Effective Date Special Redemption and a Reinvestment Special Redemption, a "Special Redemption"). With respect to an Effective Date Special Redemption, on each Special Redemption Date the amount in the Collection Account representing Interest Proceeds and Principal Proceeds available in accordance with the Priority of Payments on each Payment Date until the Issuer obtains Effective Date Ratings Confirmation, will be applied in accordance with the Priority of Payments. With

respect to a Reinvestment Special Redemption, on the Special Redemption Date, the amount in the Collection Account representing Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, the "Special Redemption Amount"), will be applied in accordance with the Note Payment Sequence. Notice of payments pursuant to this Section 9.6 shall be given by the Trustee not less than (x) in the case of a Reinvestment Special Redemption, three Business Days prior to the applicable Special Redemption Date and (y) in the case of an Effective Date Special Redemption, one Business Day prior to the applicable Special Redemption Date, in each case by facsimile, email transmission or first class mail, postage prepaid, to each Holder of Secured Notes affected thereby at such Holder's facsimile number, email address or mailing address in the Register and, subject to Section 14.3(c), to each Rating Agency then rating a Class of Secured Notes.

Section 9.7 Re-Pricing of Notes. (a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes with the consent of the Collateral Manager or the Collateral Manager with the consent of a Majority of the Subordinated Notes, the Co-Issuers or the Issuer, as applicable, will reduce the spread over the Benchmark Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) with respect to any Class of Re-Pricing Eligible Notes (a "Re-Pricing" and any such Class to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Co-Issuers or the Issuer, as applicable, will not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Re-Pricing Eligible Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker dealer (the "Re-Pricing Intermediary") upon the recommendation of the Collateral Manager (with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes (with the consent of the Collateral Manager) and such Re-Pricing Intermediary will assist the Issuer in effecting the Re-Pricing.

(b) At least 10 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes or the Collateral Manager for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will deliver a notice in writing (with a copy to the Collateral Manager, the Trustee and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice will (i) specify the proposed Re-Pricing Date and the revised spread over the Benchmark Rate (or, in the case of any Fixed Rate Notes, the revised Interest Rate) to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class approve the proposed Re-Pricing, and (iii) specify the Redemption Price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may be sold and transferred pursuant to clause (c) below.

(c) In the event any Holder of the Re-Priced Class does not deliver to the Issuer written consent to the proposed Re-Pricing on or before the date which is eight Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and will request each such consenting Holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held

by the non-consenting Holders at the Redemption Price with respect thereto (each such notice, an "Exercise Notice") within two Business Days of receipt of such notice. In the event that the Issuer receives Exercise Notices with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices (subject to reasonable adjustment, as determined by the Re-Pricing Intermediary on behalf of the Issuer, to comply with minimum denomination requirements and the applicable procedures of DTC). In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the sale and transfer of such Notes at the Redemption Price with respect thereto for settlement on the Re-Pricing Date, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto (subject to reasonable adjustment, as determined by the Re-Pricing Intermediary on behalf of the Issuer, to comply with minimum denomination requirements and the applicable procedures of DTC), and any excess Notes of the Re-Priced Class held by non-consenting Holders will be sold at the Redemption Price with respect thereto for settlement on the Re-Pricing Date to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer. All sales of Notes to be effected pursuant to this clause (c) will be made at the Redemption Price with respect to such Notes, and will be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Note, by its acceptance of an interest in the Notes, agrees (i) to sell and transfer its Notes in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such sales and transfers and (ii) that the Collateral Manager will have no responsibility or liability to any Noteholder for approving (or not approving) any proposed Re-Pricing. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will deliver written notice to the Trustee and the Collateral Manager not later than three Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders.

(d) The Issuer will not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee have entered into a supplemental indenture (prepared by or on behalf of the Issuer) dated as of the Re-Pricing Date, solely to modify the spread over the Benchmark Rate (or, in the case of any Fixed Rate Notes, the Interest Rate) applicable to the Re-Priced Class (and to make changes necessary to give effect to such reduction or conversion, including, if necessary, assignment of a different CUSIP number);

(ii) confirmation has been received that all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred pursuant to clause (c) above;

(iii) each Rating Agency has been notified of such Re-Pricing; and

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing (including in connection with the supplemental indenture described in the preceding paragraph (i)) do not exceed the amount of Interest Proceeds available to be applied to the payment thereof under Section 11.1(a)(i) on the subsequent Payment Date, after taking into account all amounts required to be paid pursuant to the Priority of Payments on the subsequent Payment Date prior to distributions to the holders of the Subordinated Notes, unless such expenses shall have been paid or shall be adequately provided for by an entity other than the Issuer. Notwithstanding the foregoing, the fees of the Re-Pricing Intermediary payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing.

Notice of a Re-Pricing will be given by the Trustee, at the direction and expense of the Issuer, by first class mail, postage prepaid, mailed not less than two Business Days prior to the proposed Re-Pricing Date, to each holder of Notes of the Re-Priced Class at the address in the Note register (with a copy to the Collateral Manager), specifying the applicable Re-Pricing Date, Re-Pricing Rate and Redemption Price (each, as identified to the Trustee by the Issuer or the Collateral Manager on its behalf). Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager (with the consent of a Majority of the Subordinated Notes) on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Trustee will send such notice to the Holders of the Re-Priced Class and each Rating Agency.

The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.7.

Notwithstanding anything contained herein to the contrary, the failure to effect a Re-Pricing, whether or not notice of Re-Pricing has been withdrawn, will not constitute an Event of Default.

Section 9.8 Issuer Purchases of Secured Notes. Notwithstanding anything to the contrary in this Indenture, the Issuer may conduct purchases of the Secured Notes, in whole or in part, in accordance with, and subject to, the terms and conditions of this Section 9.8. Notwithstanding the provisions of Section 10.2 (or any other terms hereof to the contrary), amounts in the Principal Collection Subaccount may be disbursed for purchases of Secured Notes in accordance with the provisions described in this Section 9.8. Upon instruction by the Issuer, the Trustee shall cancel any such purchased Secured Notes surrendered to it for cancellation in accordance with the provisions of Section 2.10 or, in the case of any Global Notes, the Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Secured Notes, and instruct DTC or its nominee, as the case may be, to conform its records. The cancellation (and/or decrease, as applicable) of

any such surrendered Secured Notes shall be taken into account for purposes of all relevant calculations thereafter made pursuant to the terms of this Indenture.

No purchases of the Secured Notes by the Issuer may occur unless each of the following conditions is satisfied:

(i) such purchases of Secured Notes shall occur in the order of priority set out in the Note Payment Sequence;

(ii) (A) each such purchase of Secured Notes of any Class shall be made pursuant to an offer made to all Holders and beneficial owners of the Secured Notes of such Class, by notice to such Holders and beneficial owners, which notice shall specify the purchase price (as a percentage of par) at which such purchase will be effected, the maximum amount of Principal Proceeds that will be used to effect such purchase and the length of the period during which such offer will be open for acceptance, (B) each such Holder or beneficial owner of a Secured Note shall have the right, but not the obligation, to accept such offer in accordance with its terms, and (C) if the Aggregate Outstanding Amount of Notes of the relevant Class held by the Holders or beneficial owners who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of the Notes of each accepting Holder and beneficial owner shall be purchased *pro rata* based on the respective principal amount held by each such Holder or beneficial owner;

(iii) each such purchase shall be effected only at prices discounted from par;

(iv) each such purchase of Secured Notes shall occur during the Reinvestment Period and each such purchase of Secured Notes shall be effected with Principal Proceeds;

(v) with respect to each such purchase, each Coverage Test is satisfied immediately prior to and after giving effect to such purchase;

(vi) to the extent that Sale Proceeds are used to consummate any such purchase, either (1) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests (except the S&P CDO Monitor Test) will be satisfied after giving effect to such purchase or (2) if any such requirement or test was not satisfied immediately prior to the sale of the Collateral Obligations giving rise to such Sale Proceeds, such requirement or test will be maintained or improved after giving effect to such sale of Collateral Obligations and purchase of Secured Notes;

(vii) no Event of Default shall have occurred and be continuing;

(viii) any Secured Notes to be purchased shall be surrendered to the Trustee for cancellation in accordance with the Section 2.10;

(ix) each such purchase will otherwise be conducted in accordance with applicable law;

(x) the Issuer shall provide to each Rating Agency notice of each such purchase; and

(xi) the Trustee shall have received an Officer's certificate of the Issuer or the Collateral Manager to the effect that the conditions in the foregoing clauses (i) through (x) have been satisfied.

Upon receipt of the Officer's certificate described in preceding sub-clause (xi), the Trustee shall disburse any available amount in the Principal Collection Subaccount on any Business Day pursuant to Issuer instruction (or the Collateral Manager acting on its behalf), which instruction shall identify that such disbursement is for the purchase of Notes pursuant to and in accordance with this Section 9.8.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account shall be established and maintained with (a) with a federal or state-chartered depository institution or (b) in segregated trust accounts with the corporate trust department of a federal or state-chartered depository institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b), in each case, with a long-term debt rating of at least "A" by S&P and a short-term rating of at least "A-1" by S&P (or a long-term debt rating of at least "A+" by S&P) and if such institution fails to satisfy the requirements specified in subclause (a) or (b) above, the assets held in such Account will be moved within 30 calendar days to another institution that satisfies such requirements. Such institution shall have a combined capital and surplus of at least U.S.$200,000,000. All Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity. The Trustee may establish one or more subaccounts of each Account.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish a segregated trust account, comprised of two sub-accounts, one of which will be designated the "Interest Collection Subaccount" and one of which will be designated the "Principal Collection Subaccount," each held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee" and together comprising

the "Collection Account." The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Payment Account, all Interest Proceeds (unless reinvested or designated for reinvestment in additional Collateral Obligations in accordance with Article XII). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account or Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless reinvested or designated for reinvestment in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer (or the Collateral Manager on behalf of the Issuer) shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's-length transaction and deposit the proceeds thereof in the Collection Account; provided that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments, Defaulted Obligations or Equity Securities or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such a direction the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation or to purchase a Restructured Asset) and reinvest (or invest, in the case of funds referred to in Section 7.18) such funds in additional Collateral Obligations or Restructured Assets in accordance with the requirements of Article XII and such a direction. At any time, the Collateral Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such a direction the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds (x) in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations and (y) on any date on or after which the Target Par Condition is satisfied (and the Effective Date is declared) and prior to the Determination Date relating to the first Payment Date following the Second Refinancing Date, at the direction of the Collateral Manager, funds in the Principal Collection Subaccount may be designated as Interest Proceeds by written direction by the Collateral Manager to the Trustee (such Principal Proceeds, "Designated Principal Proceeds") and shall be transferred from the

Principal Collection Subaccount to the Interest Collection Subaccount; provided that the Collateral Manager shall not provide such instruction unless (i) after giving effect to any such transfer of Designated Principal Proceeds to the Interest Collection Subaccount, the Target Par Condition is satisfied, (ii) each Overcollateralization Ratio Test, Collateral Quality Test and Concentration Limitation is satisfied and (iii) Designated Principal Proceeds may not constitute in the aggregate more than 0.5% of the Target Par Amount.

(d) The Collateral Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such a direction the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) from Interest Proceeds or Principal Proceeds, any amount required to acquire a Restructured Asset in accordance with the requirements of Article XII and such a direction and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); provided that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date; provided, further, that the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense pursuant to this Section 10.2 on any day other than a Payment Date if, in its reasonable determination, the payment of such amount is likely to leave insufficient funds available to pay in full each of the items described in Section 11.1(a)(i)(A) as reasonably anticipated to be or become due and payable on the next Payment Date, taking into account the Administrative Expense Cap.

(e) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.

(f) The Collateral Manager on behalf of the Issuer may direct the Trustee to, and upon receipt of such a direction the Trustee shall, (i) transfer from amounts on deposit in the Interest Collection Subaccount to the Principal Collection Subaccount, amounts necessary for application pursuant to, and to apply amounts in the Principal Collection Subaccount pursuant to, Section 7.18(g) or (h), and/or (ii) apply amounts in the Principal Collection Subaccount to the purchase of Secured Notes pursuant to Section 9.8.

Section 10.3 Transaction Accounts.

(a) Payment Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee," which shall be designated as the Payment Account. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Notes in accordance with their terms and the provisions of this Indenture and, upon a direction, to pay Administrative Expenses, Collateral Management Fees and other amounts specified herein, each

in accordance with the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with this Indenture and the Securities Account Control Agreement. Amounts in the Payment Account shall remain uninvested.

(b) Custodial Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee," which shall be designated as the Custodial Account. All Collateral Obligations shall be credited to the Custodial Account. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Trustee agrees to give the Co-Issuers immediate notice if (to the actual knowledge of a Trust Officer of the Trustee) the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture, the Priority of Payments and the Securities Account Control Agreement. Amounts in the Custodial Account shall remain uninvested.

(c) [Reserved].

(d) Expense Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee," which shall be designated as the Expense Reserve Account. The Issuer shall direct the Trustee to deposit the amount specified in Section 3.1(xi)(C) to the Expense Reserve Account. On any Business Day from the Closing Date to and including the Determination Date relating to the first Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Notes or to the Collection Account as Principal Proceeds. By the Determination Date relating to the first Payment Date following the Closing Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion) and the Expense Reserve Account will be closed. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Subaccount as Interest Proceeds as it is received.

(e) Interest Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee," which will be designated as the "Interest Reserve Account." On the Closing Date, at the direction of the Collateral Manager, the Trustee will deposit in the Interest Reserve Account

proceeds from the offering of the Notes in an amount equal to the Interest Reserve Amount. On or before the Determination Date relating to the first Payment Date, at the direction of the Collateral Manager, the Issuer may direct that any portion then remaining of the Interest Reserve Amount be transferred to the Collection Account and included as Interest Proceeds or Principal Proceeds for the related Collection Period. On the first Payment Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager) in accordance with the Priority of Payments, and the Trustee will close the Interest Reserve Account.

(f) Supplemental Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee," which will be designated as the Supplemental Reserve Account. Contributions and the proceeds of Excess Additional Subordinated Notes or Additional Junior Notes will be deposited into the Supplemental Reserve Account and transferred to the Collection Account at the written direction of the Collateral Manager to the Trustee for a Permitted Use designated by the Collateral Manager in such written direction; *provided* that, any amounts designated for a Permitted Use may not subsequently be redesignated for a different Permitted Use. Amounts in the Supplemental Reserve Account shall remain uninvested.

(g) Hedge Counterparty Collateral Account. If and to the extent that any Hedge Agreement requires the Hedge Counterparty to post collateral with respect to such Hedge Agreement, the Issuer will (at the direction of the Collateral Manager), on or prior to the date such Hedge Agreement is entered into, direct the Trustee to establish a segregated, non-interest bearing trust account held in the name of the Trustee, which will be designated as a Hedge Counterparty Collateral Account, and as to which the Trustee shall be the "entitlement holder" (within the meaning of Section 8-102(a)(7) of the UCC) in accordance with a securities account control agreement, upon terms determined by the Collateral Manager and acceptable to the Trustee and Bank as securities intermediary or depository bank (in each case, solely with regard to their respective duties, liabilities and protections thereunder), and in accordance with the related Hedge Agreement, as determined by the Collateral Manager. The Trustee (as directed by the Collateral Manager on behalf of the Issuer) will deposit into each Hedge Counterparty Collateral Account all collateral received by it from the related Hedge Counterparty for posting to such account and all other funds and property received by it from or on behalf of the related Hedge Counterparty and identified or instructed by the Collateral Manager to be deposited into the Hedge Counterparty Collateral Account in accordance with the terms of the related Hedge Agreement. The only permitted withdrawals from or application of funds or property on deposit in the Hedge Counterparty Collateral Account will be in accordance with the written instructions of the Collateral Manager. Amounts in the Hedge Counterparty Collateral Account may be invested in Eligible Investments at the direction of the Collateral Manager and earnings from all such investments will be deposited in the Hedge Counterparty Collateral Account.

Section 10.4 The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation identified by written notice to the Trustee, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn at the direction of the Collateral Manager from the Principal Collection

Subaccount and deposited by the Trustee in a single, segregated trust account established and held in the name of "TCW CLO 2020-1, Ltd., subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee" (the "Revolver Funding Account"). Upon initial purchase of any such obligations, funds deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.6 and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds.

The Issuer shall at all times maintain sufficient funds on deposit in the Revolver Funding Account such that the sum of the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the sum of the unfunded funding obligations under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager on behalf of the Issuer. In the event of any shortfall in the Revolver Funding Account, the Collateral Manager (on behalf of the Issuer) may direct the Trustee to, and the Trustee thereafter shall, transfer funds in an amount equal to such shortfall from the Principal Collection Subaccount to the Revolver Funding Account.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available at the direction of the Collateral Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations may be transferred by the Trustee (at the written direction of the Collateral Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

Section 10.5 [Reserved].

Section 10.6 Reinvestment of Funds in Accounts; Reports by Trustee. (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in the Collection Account, the Hedge Counterparty Collateral Account, the Revolver Funding Account, the Interest Reserve Account and the Expense Reserve Account, as so directed in Eligible Investments having stated maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Collateral Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Directed Investment maturing no later than

To the extent a beneficial owner or Holder of a Note requests the yield to Maturity in respect of the relevant Note in order to determine any "original issue discount" in respect thereof, the Trustee shall request that the firm of Independent certified public accountants appointed by the Issuer calculate such yield to Maturity. The Trustee shall have no responsibility to calculate the yield to maturity nor to verify the accuracy of such Independent certified public accountants' calculation. If the firm of Independent certified public accountants fails to calculate such yield to Maturity, the Trustee shall have no responsibility to provide such information to the beneficial owner or Holder of a Note.

(c) Upon the written request of the Trustee or any Holder of a Subordinated Note, the Issuer will cause the firm of Independent certified public accountants appointed pursuant to Section 10.9(a) to provide any Holder of Subordinated Notes with all of the information required to be provided by the Issuer pursuant to Section 7.17 or assist the Issuer in the preparation thereof.

Section 10.10 Reports to Rating Agencies and Additional Recipients. In addition to the information and reports specifically required to be provided to each Rating Agency then rating a Class of Secured Notes pursuant to the terms of this Indenture, the Issuer shall provide the Collateral Manager and each Rating Agency then rating any Class of Secured Notes with all information or reports (other than any Accountants' Report) delivered to the Trustee hereunder and the Trustee shall provide all such information to the Initial Purchaser upon the Initial Purchaser's written request, and, subject to Section 14.3(c), such additional information as any Rating Agency then rating any Class of Secured Notes may from time to time reasonably request (including notification to each Rating Agency of any modification of any loan document relating to a DIP Collateral Obligation or any release of collateral thereunder not permitted by such loan documentation and notification to each Rating Agency of any Specified Event of which the Issuer has knowledge, which notice shall include a copy of any such amendment related to a Specified Event and a brief summary of its purpose, as applicable). So long as S&P is rating any Class of Secured Notes at the request of the Issuer and an S&P CDO Model Election Period is in effect, within 20 Business Days after the Effective Date, together with each Monthly Report and on each Payment Date, the Issuer shall provide to S&P, via e-mail in accordance with Section 14.3(a), a Microsoft Excel file of the Excel Default Model Input File and, with respect to each Collateral Obligation, (i) the name of each obligor thereon and (ii) the CUSIP number thereof (if

applicable), the LoanX ID, Bloomberg Loan ID, FIGI, ISIN (in each case, when and if available) and/or other applicable identification number associated with such Collateral Obligation.

Section 10.11 Procedures Relating to the Establishment of Accounts Controlled by the Trustee. Notwithstanding anything else contained herein, the Trustee agrees that with respect to each of the Accounts, it will cause each Securities Intermediary establishing such accounts to enter into a securities account control agreement and, if the Securities Intermediary is the Bank, shall cause the Bank to comply with the provisions of such securities account control agreement. The Trustee shall have the right to open such subaccounts of any such account as it deems necessary or appropriate for convenience of administration.

Section 10.12 Investment Company Act Procedures. For so long as any Notes are Outstanding, the Issuer shall do the following:

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the holders will include a notice to the following effect:

"The Investment Company Act of 1940, as amended (the "1940 Act"), requires that all holders of the outstanding securities of the Co-Issuers that are U.S. persons (as defined in Regulation S) be "Qualified Purchasers" ("Qualified Purchasers") as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, each Co-Issuer must have a "reasonable belief" that all holders of its outstanding securities that are "U.S. persons" (as defined in Regulation S), including transferees, are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Consequently, all sales and resales of the Notes in the United States or to "U.S. persons" (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Each purchaser of a Note in the United States who is a "U.S. person" (as defined in Regulation S) (such Note, a "Restricted Security") will be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser or an entity owned exclusively by Qualified Purchasers who is also a qualified institutional buyer as defined in Rule 144A under the Securities Act ("QIB"); (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser and QIB; (iii) the purchaser is not formed for the purpose of investing in either Co-Issuer; (iv) the purchaser, and each account for which it is purchasing, will hold and transfer at least the minimum denominations of the Notes specified herein; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser will provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Restricted Securities may only be transferred to transferee who is a both (I) a (x) Qualified Purchaser or (y) entity owned exclusively by Qualified Purchasers and (II) a QIB, and all subsequent transferees are deemed to have made representations (i) through (vi) above.

The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.

Notwithstanding the restrictions on transfer contained herein, the Co-Issuers determine that any "U.S. person" (as defined in Regulation S) who is a Holder or beneficial owner of an interest in a Restricted Security is determined not to have been a Qualified Purchaser at the time of acquisition of such Restricted Security or beneficial interest therein, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Security (or any interest therein) to a Person that is either (A) not a "U.S. person" (as defined in Regulation S) or (B) both (x) a (I) Qualified Purchaser or (II) entity owned exclusively by Qualified Purchasers and (y) a QIB, with such sale to be effected within 30 days after notice of such sale requirement is given. If such Holder or beneficial owner fails to effect the transfer required within such 30-day period, (i) the Issuer (or the Collateral Manager acting on behalf of the Issuer), without further notice to such Holder or beneficial owner, shall and is hereby irrevocably authorized by such Holder or beneficial owner, to cause its Restricted Security or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Collateral Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Trustee, the Co-Issuers and the Collateral Manager, in connection with such transfer, that such Person meets the qualifications set forth in clauses (A) or (B) above and pending such transfer, no further payments will be made in respect of such Restricted Security or beneficial interest therein held by such Holder or beneficial owner."

(b) DTC Actions. The Issuer will direct DTC to take the following steps in connection with the Global Notes:

(i) The Issuer will direct DTC to include the marker "3c7" in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer will direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a "3c7" indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7) of the Investment Company Act.

(iii) On or prior to the Closing Date, the Initial Refinancing Date and the Second Refinancing Date, as applicable, the Issuer will instruct DTC to send a Section 3(c)(7) notice to all DTC participants in connection with the offering of the Global Notes.

(iv) In addition to the obligations of the Registrar set forth in Section 2.5, the Issuer will from time to time (upon the request of the Trustee) make a request to DTC to deliver to the Issuer a list of all DTC participants holding an interest in the Global Notes.

(v) The Issuer will cause each CUSIP number obtained for a Global Note to have a fixed field containing "3c7" and "144A" indicators, as applicable, attached to such CUSIP number.

(c) Bloomberg Screens, Etc. The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) of the Investment Company Act restrictions on the Global Notes. Without limiting the foregoing, the Initial Purchaser will request that each third-party vendor include the following legends on each screen containing information about the Notes:

(i) Bloomberg.

(A) "Iss'd Under 144A/3c7," to be stated in the "Note Box" on the bottom of the "Security Display" page describing the Rule 144A Global Notes;

(B) a flashing red indicator stating "See Other Available Information" located on the "Security Display" page;

(C) a link to an "Additional Security Information" page on such indicator stating that the Global Notes are being offered in reliance on the exception from registration under Rule 144A of the Securities Act of 1933 to persons that are both (i) "Qualified Institutional Buyers" as defined in Rule 144A under the Securities Act and (ii) "Qualified Purchasers" as defined under Section 2(a)(51) of the Investment Company Act of 1940, as amended; and

(D) a statement on the "Disclaimer" page for the Global Notes that the Global Notes will not be and have not been registered under the Securities Act of 1933, as amended, that the Issuer has not been registered under the Investment Company Act of 1940, as amended, and that the Global Notes may only be offered or sold in accordance with Section 3(c)(7) of the Investment Company Act of 1940, as amended.

(ii) Reuters.

(A) a "144A – 3c7" notation included in the security name field at the top of the Reuters Instrument Code screen;

(B) a <144A3c7Disclaimer> indicator appearing on the right side of the Reuters Instrument Code screen; and

(C) a link from such <144A3c7Disclaimer> indicator to a disclaimer screen containing the following language: "These Notes may be sold or transferred only to Persons who are both (i) Qualified Institutional Buyers, as defined in Rule 144A under the Securities Act, and (ii) 'Qualified Purchasers,' as defined under Section 3(c)(7) under the U.S. Investment Company Act of 1940."

(G) to the payment of accrued and unpaid interest (excluding Deferred Interest but including defaulted interest and interest on Deferred Interest) on the Class C Notes;

(H) to the payment of any Deferred Interest on the Class C Notes;

provided that, if such Payment Date is a Redemption Date in connection with a Refinancing of all Classes of Secured Notes that would not otherwise be a Payment Date, no amounts shall be paid under clauses (T) or (U) above if, as determined by the Collateral Manager, such payment would cause the deferral of interest in respect of any Class of Secured Notes on the next succeeding Payment Date (determined on a *pro forma* basis as of such Redemption Date).

(d) The Collateral Manager may, in its sole discretion, elect to defer or irrevocably waive payment of any or all of any Collateral Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date in accordance with the terms of Section 2(d) of the Collateral Management Agreement. Any such Collateral Management Fee so deferred with respect to which the Collateral Manager later rescinds such deferral in accordance with the terms of Section 2(d) of the Collateral Management Agreement shall be payable on subsequent Payment Dates (unless otherwise agreed to by the Collateral Manager) in accordance with the Priority of Payments. Majority of the Controlling Class; provided further that the aggregate amount of all Contributions along with any other deposits to the Supplemental Reserve Account shall not exceed 2.0% of the Target Par Amount. The Collateral Manager shall provide written notice, substantially in the form of Exhibit H hereto, of such designation to the applicable Contributor(s) thereof with a copy to the Issuer and the Trustee. If such Contribution is accepted by the Collateral Manager, in its sole discretion, it will be deposited at the direction of the Collateral Manager by the Trustee in the Supplemental Reserve Account and applied to a Permitted Use designated by the Collateral Manager in its sole discretion. Any such designation of a Permitted Use shall be irrevocable unless (a) such Contribution is returned to the applicable Holder and not applied to any Permitted Use for any reason or (b) a Majority of the Controlling Class has consented to a different Permitted Use. Any amount so deposited shall not earn interest and shall not increase the principal balance of the related Subordinated Notes. Contributions will be paid to any applicable Contributor on the first subsequent Payment Date upon which Principal Proceeds are available therefor as provided in Section 11.1(a)(ii) or that Principal Proceeds are available therefor as provided in Section 11.1(a)(iii), as applicable. The repayment of any Contribution shall not be deemed to be, or required to be reported as, a payment of principal, interest or other amount on the Notes or otherwise.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 (regardless of any provision in this Article XII that purports to be without restriction), the Collateral Manager, on behalf of the Issuer, may (except as otherwise specified in this Section 12.1) direct the Trustee to sell, and the Trustee shall sell on behalf of the Issuer in the manner so directed by the Collateral Manager, any Collateral Obligation or Equity Security if, as certified by the Collateral Manager (on which certificate the Trustee may rely), which certification shall be deemed to have been provided upon such direction to sell, to the best of the Collateral Manager's knowledge, such sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1 (provided that, if an Event of Default has occurred and is continuing, the Collateral Manager may not direct the Trustee to sell any Collateral Obligation or Equity Security pursuant to Section 12.1(e) or Section 12.1(g)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Trustee to sell any Credit Risk Obligation, any Equity Security or any asset held by an ETB Subsidiary at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Trustee to sell any Credit Improved Obligation either:

(i) at any time if (A) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (B) after giving

effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance; or

(ii) solely during the Reinvestment Period, if the Collateral Manager reasonably believes prior to such sale or other disposition that either (A) after giving effect to such sale and subsequent reinvestment, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated Cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance, or (B) it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Principal Balance of such Credit Improved Obligation within 20 Business Days of such sale.

(c) Defaulted Obligations and Collateral Restructured Assets. The Collateral Manager may direct the Trustee to sell any Defaulted Obligation or Collateral Restructured Asset at any time without restriction. With respect to each Defaulted Obligation that has not been sold or terminated within three years after the earlier of (x) the date on which such obligation becomes a Defaulted Obligation or (y) the date on which the obligation that was exchanged by the Issuer for such Defaulted Obligation in an Exchange Transaction originally became a Defaulted Obligation, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.

(d) Equity Securities. The Collateral Manager will use commercially reasonable efforts to sell (x) each Equity Security that does not constitute Margin Stock no later than 36 months after the date of the Issuer's acquisition thereof and (y) each Collateral Obligation that constitutes Margin Stock no later than 45 days after the later of the date of the Issuer's acquisition thereof and the date that such Collateral Obligation became Margin Stock.

(e) Optional Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Secured Notes in accordance with Section 9.2, the Collateral Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Issuer and the Trustee) a Tax Redemption, the Issuer (or the Collateral Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion

of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. In addition to the foregoing clauses (a) through (f), the Collateral Manager may direct the Trustee to sell any Collateral Obligation at any time (other than (i) during a Restricted Trading Period and (ii) if an Event of Default has occurred and is continuing) (each, a "Discretionary Sale") if:

(i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Second Refinancing Date, during the period commencing on the Second Refinancing Date) is not greater than 30% of the Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the Second Refinancing Date, as the case may be); and

(ii) either: (A) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter one or more binding commitments to reinvest all or a portion of the proceeds of such sale in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 30 days after the settlement of such sale in accordance with the Investment Criteria; or (B) at any time, either (1) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (2) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance.

(h) Stated Maturity. In connection with the latest Stated Maturity of the Secured Notes, the Collateral Manager will cause any ETB Subsidiary to sell all of its assets and dissolve no later than two Business Days prior to the latest Stated Maturity of the Secured Notes. On or prior to the date that is one Business Day prior to the latest Stated Maturity of the Secured Notes, the Collateral Manager shall sell all Collateral Obligations to the extent necessary such that no Collateral Obligations shall be held by the Issuer on or after such date. The settlement date for any such sales of Collateral Obligations shall be no later than one Business Day prior to the latest Stated Maturity of the Secured Notes.

(i) Unsaleable Assets. Notwithstanding the other requirements set forth in this Indenture, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Unsaleable Assets in accordance with the procedures described in this Section 12.1(i). Promptly after receipt of written notice from the Collateral Manager of such auction, the Trustee will provide notice (in such form as is prepared by the Collateral Manager) to the Holders (and, for so long as the Secured Notes are Outstanding, S&P) of an auction, setting forth in reasonable detail a

description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Notes may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which will be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Notes submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in-kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee will provide notice thereof to each Holder and offer to deliver (at such Holder's expense) a *pro rata* portion (as determined by the Collateral Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations; provided that, to the extent that minimum denominations do not permit a *pro rata* distribution, the Trustee will distribute the Unsaleable Assets on a *pro rata* basis (as determined by the Collateral Manager) to the extent possible and the Collateral Manager will select by lottery the Holder or beneficial owner to whom the remaining amount will be delivered and deliver written notice thereof to the Trustee; provided, further, that the Issuer and the Trustee (at the direction of the Collateral Manager) will use commercially reasonable efforts to effect delivery of such interests (at no cost to the Trustee); and (iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee will promptly notify the Collateral Manager and offer to deliver (at the cost of the Collateral Manager) the Unsaleable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee will take such action (at no cost to the Trustee) as directed by the Collateral Manager (on behalf of the Issuer) in writing to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means.

(j) Notwithstanding anything to the contrary contained in this Indenture, unless an Event of Default has occurred and is continuing, the Collateral Manager may direct the Trustee in writing to sell, purchase and/or exchange any Collateral Obligation in connection with an Exchange Transaction at any time.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period, subject to certain limitations specified in this Section 12.2 with respect to Post-Reinvestment Principal Proceeds), the Collateral Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, direct the Trustee to invest Principal Proceeds (including Contributions designated as Principal Proceeds) and Principal Financed Accrued Interest, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction; provided that, for the avoidance of doubt, with respect to any Collateral Obligations for which the trade date has occurred during the Reinvestment Period but which settle after the last day of the Reinvestment Period, the purchase of such Collateral Obligations shall be treated as a purchase made during the Reinvestment Period.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions (the "Investment Criteria") is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case as

determined by the Collateral Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; provided that the conditions set forth in clauses (i)(B), (C) and (D) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) If such commitment to purchase occurs during the Reinvestment Period:

(A) such obligation is a Collateral Obligation;

(B) if the commitment to make such purchase occurs on or after the Effective Date (or in the case of the Interest Coverage Tests on or after the Initial Interest Coverage Test Date), each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved;

(C) (I) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of all Collateral Obligations immediately prior to such sale) or (3) after giving effect to such reinvestment, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, the Collateral Obligations purchased with the proceeds of such sale) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than (or equal to) the Reinvestment Target Par Balance and (II) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Improved Obligation or a Discretionary Sale, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will be greater than or equal to the Aggregate Principal Balance of the Collateral Obligations sold, or (2) the Aggregate Principal Balance of all Collateral Obligations (excluding Collateral Obligations being sold but including, without duplication the Collateral Obligations being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligations) plus, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance; and

(D) either (I) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except the S&P CDO Monitor Test in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation, an Equity Security) will be satisfied or (II) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment.

The Issuer shall be prohibited from purchasing a Collateral Obligation during the Reinvestment Period if such purchase would settle after the end of the Reinvestment Period (any such Collateral Obligation, a "Post-Reinvestment Period Settlement Obligation"); provided that, notwithstanding the foregoing, the Issuer may, prior to the end of the Reinvestment Period, commit to purchase such Post-Reinvestment Period Settlement Obligations and, after the end of the Reinvestment Period, settle the purchase of such Post-Reinvestment Period Settlement Obligations, if (a) in the reasonable determination of the Collateral Manager, the purchase of each Post-Reinvestment Period Settlement Obligation is expected to settle no later than 45 Business Days after the date that the Issuer commits to purchase it, and (b) the sum of (i) the amount of funds in the Principal Collection Subaccount as of the date that the Issuer commits to the purchase of each Post-Reinvestment Period Settlement Obligation plus (ii) the expected aggregate sale proceeds from all Collateral Obligations with respect to which the Issuer has previously entered into written trade tickets or other written binding commitments to sell, which sales are also not expected to settle prior to the end of the Reinvestment Period but, in the reasonable determination of the Collateral Manager, are expected to settle no later than 45 Business Days after the date that the Issuer commits to such purchases, is equal to or greater than the principal amount of all Post-Reinvestment Period Settlement Obligations intended to be so purchased (the "Reinvestment Period Settlement Condition"). If the Issuer has entered into a written trade ticket or other binding commitment to purchase a Post-Reinvestment Period Settlement Obligation and the Reinvestment Period Settlement Condition is satisfied, such Post-Reinvestment Period Settlement Obligation shall be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria, and Principal Proceeds received after the end of the Reinvestment Period may be applied to the payment of the purchase price of such Post-Reinvestment Period Settlement Obligation.

(ii) If such commitment to purchase occurs after the Reinvestment Period, the Post-Reinvestment Principal Proceeds may, in the sole discretion of the Collateral Manager (with notice to the Trustee and the Collateral Administrator), be reinvested in additional Collateral Obligations ("Substitute Obligations") by the later to occur of (x) the date occurring 30 days after the Issuer's receipt thereof and (y) the last day of the related Collection Period, subject to the satisfaction of the following conditions:

(A) such obligation is a Collateral Obligation;

(B) each Coverage Test will be satisfied;

(C) the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the amount of Post-Reinvestment Principal Proceeds;

(D) the stated maturity of each Substitute Obligation is the same as or earlier than the stated maturity of the Collateral Obligation that produced the Post-Reinvestment Principal Proceeds;

(E) a Restricted Trading Period is not then in effect;

(F) each of the Maximum Moody's Rating Factor Test and the Concentration Limitations set forth in clauses (v) and (vi) of the definition of such

term are satisfied, (ii) (x) if the Weighted Average Life Test was satisfied on the last day of the Reinvestment Period, the Weighted Average Life Test will be satisfied after giving effect to such reinvestment or, if such test was not satisfied immediately prior to such investment, such test will be maintained or improved after giving effect to such reinvestment and (y) if the Weighted Average Life Test was not satisfied on the last day of the Reinvestment Period, the Weighted Average Life Test will be satisfied after giving effect to such reinvestment and (iii) each requirement or test, as the case may be, of each other Concentration Limitation and Collateral Quality Test (except the S&P CDO Monitor Test) will be satisfied after giving effect to such reinvestment or, if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to such reinvestment;

(G) the S&P Rating of each Substitute Obligation is equal to or better than the S&P Rating of the Collateral Obligation that gave rise to the Post-Reinvestment Principal Proceeds; and

(H) no Event of Default shall have occurred and be continuing.

(b) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the 10 Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); provided that (i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (ii) no Trading Plan Period may include a Determination Date related to a Payment Date, (iii) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (iv) no Collateral Obligation that is included in a Trading Plan may have a remaining average life (as determined by the Collateral Manager) that is less than six months from the date on which such Trading Plan is entered into, (v) the difference between the average life of the Collateral Obligation included in a Trading Plan with the shortest average life (as determined by the Collateral Manager) and the average life of the Collateral Obligation included in a Trading Plan with the longest average life (as determined by the Collateral Manager) does not exceed three years and (vi) if the Investment Criteria are not satisfied upon the expiry of the related Trading Plan Period, the Collateral Manager may not elect any Trading Plan at any time thereafter unless the S&P Rating Condition is satisfied (it being understood that satisfaction of the S&P Rating Condition shall only be required once following any failure of a Trading Plan); provided that the Issuer (or the Collateral Manager on its behalf) shall provide written notice to the Rating Agencies and the Trustee (and the Trustee will provide such notice to the Holders via its website) upon the commencement or failure of any Trading Plan.

As a condition to any purchase of any additional Collateral Obligation, the balance in the Principal Collection Subaccount, as of the applicable trade date of such Collateral Obligation, after netting all expected debits and credits (including any prepayments of which the

Issuer has received prior notice) in connection with such purchase and other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled and any scheduled principal payments or prepayments shall not be, a negative amount the absolute value of which is greater than 2% of the Collateral Principal Amount, as determined by the Collateral Manager.

(c) Maturity Amendments. The Issuer (or the Collateral Manager on the Issuer's behalf) may not vote in favor of a Maturity Amendment to a Collateral Obligation that the Issuer will retain after the effectiveness of such Maturity Amendment unless, as determined by the Collateral Manager, after giving effect to such Maturity Amendment, (a) either (i) the Weighted Average Life Test will be satisfied or (ii) if the Weighted Average Life Test was not satisfied immediately prior to the effectiveness of such Maturity Amendment, then the Weighted Average Life Test will be maintained or improved after giving effect to such Maturity Amendment (after giving effect to any Trading Plan or any purchase or sale of any other Collateral Obligation) except that the Weighted Average Life Test shall not be required to be so satisfied or maintained or improved after giving effect to such Maturity Amendment if (x) both (i) the Maturity Amendment is a Credit Amendment; provided that the Aggregate Principal Balance of all Collateral Obligations that have been subject to a Credit Amendment with the affirmative vote of the Collateral Manager, measured cumulatively from the Second Refinancing Date, may not exceed 7.5% of the Target Par Amount and (ii) the stated maturity of such Collateral Obligation is not extended by more than two years, or (y) such amendment or modification is in connection with an insolvency, bankruptcy, reorganization, debt restructuring or workout of the issuer or obligor of such Collateral Obligation; provided that the Aggregate Principal Balance of all Collateral Obligations that have been subject to a modification pursuant to this clause (y) with the affirmative vote of the Collateral Manager, measured cumulatively from the Second Refinancing Date, may not exceed 10.0% of the Target Par Amount (any such Collateral Obligation subject to the preceding clause (x) or (y), a "Specified Maturity Collateral Obligation") and (b) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Outstanding Secured Notes; provided that this clause (b) shall not apply as long as the Collateral Manager intends to sell such Collateral Obligation within thirty Business Days after the effective date of the maturity extension, so long as such sale is made prior to the end of such time period (provided that if such Collateral Obligation is not sold within such time period (any such Collateral Obligation, an "Excepted Long-Dated Obligation"), the Collateral Manager shall sell such Collateral Obligation promptly after such period). For purposes of the calculation of the Adjusted Collateral Principal Amount, Excepted Long-Dated Obligations shall have a Principal Balance of zero. Notwithstanding anything to the contrary herein, the Collateral Manager may consent to a Maturity Amendment with respect to an investment it has already sold (either in whole or in part) that has not yet settled, at the direction of the buyer; provided that in the case of a sale in part, the Collateral Manager will only vote at the direction of the buyer on the portion of the Collateral Obligation sold to such buyer to the extent commercially practicable.

(d) Restructured Assets. At any time during or after the Reinvestment Period, the Issuer (or the Collateral Manager on its behalf) may direct that Interest Proceeds, Principal Proceeds and/or other amounts available for a Permitted Use be applied to the purchase or acquisition of Restructured Assets if the Collateral Manager reasonably expects that doing so will result in better overall recovery on the related Collateral Obligation, or that failing to do so,

would likely preclude, or otherwise limit, the prospects of an overall better recovery on the related Collateral Obligation (in each case, in the Collateral Manager's commercially reasonable judgment, which judgment shall not be called into question by subsequent events or any determinations made by the Collateral Manager for its other clients or investment vehicles managed by the Collateral Manager); provided that (1) the aggregate amount of proceeds applied to the acquisition of Restructured Assets included in the Assets as of such date of determination does not exceed 10.0% of the Collateral Principal Amount and (2)(i) Interest Proceeds may be applied to the acquisition of a Restructured Asset only if such payment would, as reasonably determined by the Collateral Manager, not result in an interest default or deferral on any Class of Secured Notes on the next following Payment Date and (ii) Principal Proceeds may be applied to the acquisition of a Restructured Asset only if, after giving effect thereto, (x) the Aggregate Principal Balance of all Collateral Obligations *plus* Eligible Investments constituting Principal Proceeds is at least equal to the Reinvestment Target Par Balance (for purposes of which determination, any Defaulted Obligation shall be deemed to have a Principal Balance equal to its S&P Collateral Value), (y) the aggregate amount of Principal Proceeds applied to the acquisition of Restructured Assets measured cumulatively since the Second Refinancing Date does not exceed 5.0% of the Collateral Principal Amount and (z) each Overcollateralization Ratio Test will be satisfied. Notwithstanding anything to the contrary herein, the acquisition of Restructured Assets will not be required to satisfy any of the Investment Criteria.

(e) Certifications by Collateral Manager. (i) Not later than the Subsequent Delivery Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Collateral Manager shall deliver by e-mail or other electronic transmission to the Trustee and the Collateral Administrator an Officer's certificate of the Collateral Manager certifying that such purchase complies with this Section 12.2 and Section 12.3 (on which the Trustee and the Collateral Administrator may rely (provided that such certification shall be deemed to have been made upon the delivery by the Collateral Manager of a direction or trade confirmation in respect of such purchase)) and (ii) immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Trustee a schedule of Collateral Obligations committed to be purchased by the Issuer with respect to which the trade date has occurred but the settlement date has not yet occurred and shall certify (which certification will be deemed to be provided upon the delivery of such schedule) to the Trustee that sufficient Principal Proceeds are expected to be available (including for this purpose, cash on deposit in the Principal Collection Subaccount and any Principal Proceeds that are expected to be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's-length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 3 of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that, for the avoidance of doubt, it is hereby acknowledged the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(viii) as of such Subsequent Delivery Date; provided that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a written direction or a trade confirmation in respect thereof from an Authorized Officer of the Collateral Manager.

(c) Notwithstanding anything contained in this Article XII or Article V to the contrary (except for any liquidation of Assets due to an Event of Default and the acceleration of the Maturity of the Secured Notes, which liquidation shall be subject to Article V), the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation not otherwise then permitted to be sold or acquired by the Collateral Manager under this Indenture (x) that has been consented to by holders of Notes evidencing at least (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, 75% of the Aggregate Outstanding Amount of each Class of Notes (other than the Class XRR Notes) and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes (other than the Class XRR Notes) and (y) of which each Rating Agency then rating a Class of Secured Notes and the Trustee has been notified.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture.

(b) If any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this

Indenture including, without limitation, this Section 13.1; provided that, after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes and beneficial owners of each Class of Notes agree, for the benefit of all Holders of each Class of Notes and beneficial owners of each Class of Notes, to the provisions of Section 5.4(d). In addition, the Co-Issuers agree not to cause the filing of a petition in bankruptcy, insolvency or a similar proceeding in the United States, the Cayman Islands or any other jurisdiction against any ETB Subsidiary until the payment in full of all Notes and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder or beneficial owner under this Indenture, each Holder and each beneficial owner of Secured Notes or Subordinated Notes (a) does not owe any duty of care to any Person and is not obligated to act in a fiduciary or advisory capacity to any Person (including, but not limited to, any other Holder or beneficial owner of Secured Notes or Subordinated Notes, the Issuer, the Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager); (b) shall only consider the interests of itself and/or its Affiliates; and (c) will not be prohibited from engaging in activities that compete or conflict with those of any Person (including, but not limited to, any Holder or beneficial owner of Secured Notes or Subordinated Notes, the Issuer, the Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager), nor shall any such restrictions apply to any Affiliates of any Holder or beneficial owner.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or

opinion is based are erroneous. Any such certificate of an Officer of the Issuer, the Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Trustee shall also be entitled to rely), stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, the Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that, the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Applicable Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Applicable Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to the Transaction Documents and delivered using Electronic Means; provided, however, that the instructing party shall provide to the Trustee an incumbency certificate listing Authorized Officers and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by such party whenever a person is to be added or deleted from the listing. If such party elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. Each party understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. Each instructing party shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that such party and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by such party. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from its reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Each instructing party agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is

fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by such party; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. For purposes of the foregoing, "Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders or beneficial owners of Notes may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders or such beneficial owners in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Trustee's website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Notes are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in a form acceptable to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, and (ii) the amount and Class of Notes so owned; provided, that nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; provided further that the Trustee

shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to be sent to either or both of the Rating Agencies shall be sent by the Collateral Manager on behalf of the Issuer and, if pursuant to the terms of this Indenture, the Trustee is to send such request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to the Rating Agencies, it shall instead be sent to the Collateral Manager first for dissemination to the Rating Agencies; provided that nothing in this Section 14.3(c) shall prohibit the Trustee from making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Notes or this Indenture.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to the Cayman Islands Stock Exchange) may be provided by providing access to a password-protected website containing such information.

Section 14.4 Notices to Holders; Waiver.

(i) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(A) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid (or, in the case of Holders of Global Notes, e-mailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(B) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided that, if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. In lieu of the foregoing, notices for Holders may also be posted to the Trustee's password-protected internet website.

In addition, for so long as any Class of Notes are Outstanding and listed on the Cayman Islands Stock Exchange and the guidelines of the Cayman Islands Stock Exchange and applicable laws so require, documents delivered to Holders of such Notes will be provided to the Cayman Islands Stock Exchange

The Trustee will deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer; provided that the Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Trustee may have hereunder or (iii) applicable law. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status. The Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event,

and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders of the Notes and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Legal Holidays. If the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date.

Section 14.10 Governing Law. This Indenture shall be construed in accordance with, and this Indenture and any matters arising out of or relating in any way whatsoever to this Indenture (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or Proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan

and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any suit, action or Proceedings brought in any such court, waives any claim that such suit, action or Proceedings has been brought in an inconvenient forum and further waives the right to object, with respect to such suit, action or Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing suit, action or Proceedings in any other jurisdiction, nor will the bringing of suit, action or Proceedings in any one or more jurisdictions preclude the bringing of suit, action or Proceedings in any other jurisdiction.

Section 14.12 WAIVER OF JURY TRIAL. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) and the Notes may be executed and delivered in counterparts (including by facsimile transmission or electronic transmission (including .pdf file, .jpeg file or any electronic signature complying with the U.S. federal ESIGN Act of 2000, including Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee)), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section and Section 14.17, unless otherwise agreed to in writing by the Collateral Manager.

Section 14.15 Confidential Information. (a) The Trustee, the Collateral Administrator and each Holder and beneficial owner of Notes will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Trustee, the Collateral Administrator or such Holder or beneficial owner in good faith to protect Confidential Information of third parties delivered to such Person; provided that such Person may deliver or

disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and Affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) such Person's legal advisors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any other Holder, or any of the other parties to this Indenture, the Collateral Management Agreement or the Collateral Administration Agreement; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Notes in accordance with the requirements of Section 2.6 hereof to which such Person sells or offers to sell any such Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this ; (viii) S&P (subject to Section 14.17 and, with respect to the Collateral Administrator, Section 23 of the Collateral Administration Agreement); (ix) any other Person with the consent of the Co-Issuers and the Collateral Manager; or (x) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes or this Indenture or (E) in the Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; provided, further, that delivery to Holders or beneficial owners by the Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders or beneficial owners shall not be a violation of this Section 14.15. Each Holder and beneficial owner of Notes agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders or beneficial owners of Notes any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder

and each beneficial owner of a Note, by its acceptance of its interest in such Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15 (subject to Section 7.17(e)).

(b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder or beneficial owner of Notes by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder or beneficial owner prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or beneficial owner or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder or beneficial owner; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder or beneficial owner other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; (iv) is independently developed by the Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, on its behalf, without recourse to the Confidential Information; or (v) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent it may reasonably deem necessary for the performance of its duties hereunder and under the Collateral Administration Agreement or to the extent disclosure thereof may be required by law or by any regulatory or governmental authority, and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder or under the Collateral Administration Agreement.

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any suit, action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect to any assets of the other of the Co-Issuers.

Section 14.17 Communications with Rating Agencies. If the Issuer shall receive any written or oral communication from any Rating Agency (or any of their respective officers, directors or employees) with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes, the Issuer agrees to refrain from communicating with such Rating Agency and to promptly (and, in any event, within one Business Day) notify the Collateral Manager of such communication. The Issuer agrees that in

no event shall it engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency (or any of their respective officers, directors or employees) without the participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager. The Trustee agrees that in no event shall a Trust Officer engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Notes with any Rating Agency without the prior written consent (which may be in the form of e-mail correspondence) or participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager; provided that nothing in this Section 14.17 shall prohibit the Trustee from providing notices required under this Indenture or making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Notes or this Indenture.

Section 14.18 Trustee Consent to Closing Merger and Initial Refinancing Date Merger. The Trustee is authorized and directed to execute and deliver to the Issuer the instrument delivered to the Trustee by the Issuer (the "Plan of Merger Consent") consenting to the Issuer's entry into the Plan of Merger and consummation of the Closing Merger pursuant to the Plan of Merger and releasing from the lien of this Indenture the amounts identified in Section 10.8(h). ARTICLE XV

(a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided that, notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the

Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) Upon a Trust Officer of the Trustee receiving written notice from the Collateral Manager that an event constituting "Cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than one Business Day thereafter, notify the Noteholders (as their names appear in the Register).

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) The Issuer (or the Collateral Manager on behalf of the Issuer) may enter into Hedge Agreements from time to time on and after the Second Refinancing Date solely for the purpose of managing interest rate and other risks in connection with the Issuer's issuance of, and making payments on the Second Refinancing Notes. The Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly provide written notice of entry into any Hedge Agreement to the Trustee and the Collateral Administrator. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Collateral Manager on behalf of the Issuer) shall not enter into a Hedge Agreement unless (i) it obtains prior written consent of a Majority of the Controlling Class, (ii) it obtains written advice of counsel and a certification from the Collateral Manager that (1) the written terms of the derivative directly relate to the Collateral Obligations and the Notes and (2) such derivative reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Notes, (iii) it obtains written advice of counsel that such Hedge Agreement will not cause any person to be required to register as a commodity pool operator with the CFTC in connection with the Issuer, and (iv) the S&P Rating Condition is satisfied (or deemed inapplicable pursuant to the definition of "S&P Rating Condition").

(b) Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 13.1(d) and

Section 2.8(h). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the S&P Rating Condition is satisfied or Hedge Counterparty Credit Support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), notwithstanding any term hereof to the contrary, (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(d) The Issuer (or the Collateral Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirement.

(f) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(g) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, promptly after becoming aware thereof the Collateral Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Trustee, demanding payment thereunder.

(h) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets has commenced.

SCHEDULE 4

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classification groups, shown on Schedule 2, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's Industry Classification group, shown on Schedule 2, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

SCHEDULE 5

MOODY'S RATING DEFINITIONS

ASSIGNED MOODY'S RATING

The publicly available rating, unpublished monitored rating or the estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; provided that, so long as the Issuer (or the Collateral Manager on its behalf) applies for a new estimated rating, or renewal of an estimated rating, in a timely manner and provides the information required to obtain such estimate or renewal, as applicable, then pending receipt of such estimate or renewal, as applicable, (A) in the case of a request for a new estimated rating, (i) for a period of 90 days, such debt obligation will have a Moody's Rating of "B3" (or, "B2," in the case of a DIP Collateral Obligation) for purposes of this definition if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimated rating will be at least "B3" (or, "B2," in the case of a DIP Collateral Obligation) and (ii) thereafter, such debt obligation will have a Moody's Rating of "Caa3" or (B) in the case of a request for a renewal of an estimated rating following a material deterioration in the creditworthiness of the Obligor or a specified amendment, the Issuer will continue using the previous estimated rating assigned by Moody's until such time as (x) Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation and (y) the criteria specified in clause (A) in connection with an annual request for a renewal of an estimated rating becomes applicable in respect of such debt obligation.

CFR

With respect to an obligor of a Collateral Obligation, if such obligor has a corporate family rating by Moody's, then such corporate family rating; provided that, if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

MOODY'S DEFAULT PROBABILITY RATING

(i) With respect to a Collateral Obligation (other than a DIP Collateral Obligation), if the obligor of such Collateral Obligation has a CFR, then such CFR;

(ii) With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clause (i) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(iii) With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clauses (i) or (ii) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned

Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion;

(iv) With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clauses (i), (ii) or (iii) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that, if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(v) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (a) in the definition thereof;

(vi) With respect to a Collateral Obligation if not determined pursuant to any of clauses (i) through (v) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

(vii) With respect to a Collateral Obligation if not determined pursuant to any of clauses (i) through (vi) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

For purposes of calculating a Moody's Default Probability Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be. To the extent that the Issuer relies upon a credit estimate for purposes of the Moody's Default Probability Rating of any Collateral Obligation, the Collateral Manager (on behalf of the Issuer) will apply for renewal of such credit estimate on an annual basis.

MOODY'S RATING

(i) With respect to a Collateral Obligation that is a Senior Secured Loan:

(a) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(b) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;

(c) if neither clause (a) nor (b) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such

Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(d) if none of clauses (a) through (c) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(e) if none of clauses (a) through (d) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(ii) With respect to a Collateral Obligation other than a Senior Secured Loan:

(a) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(b) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(c) if neither clause (a) nor clause (b) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(d) if none of clauses (a), (b) or (c) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion; and

(e) if none of clauses (a) through (d) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3."

For purposes of calculating a Moody's Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be. To the extent that the Issuer relies upon a credit estimate for purposes of the Moody's Rating of any Collateral Obligation, the Collateral Manager (on behalf of the Issuer) will apply for renewal of such credit estimate on an annual basis.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in the manner set forth below:

(a) With respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's;

(b) if not determined pursuant to clause (a) above, then by using any one of the methods provided below:

(A) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Collateral Manager, in accordance with the methodology set forth in the following table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	–1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation Interest in Loan	–2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	–2

(B) in the event that the Collateral Obligation does not have an S&P Rating, but another security or obligation of the obligor is publicly rated by S&P, then the Moody's Derived Rating of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table below:

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	Greater than or equal to B2	-1
Senior secured obligation	Less than B2	-2
Subordinated obligation	Greater than or equal to B3	+1
Subordinated obligation	Less than B3	0

; or

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided that the Aggregate Principal Balance of the Collateral Obligations that may have a Moody's Rating or a Moody's Default Probability Rating derived from an S&P Rating as set forth in sub-clauses (A) or (B) of this clause (b) may not exceed 10% of the Collateral Principal Amount.

(c) If not determined pursuant to clauses (a) or (b) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (c) and clause (a) above does not exceed 5% of the Collateral Principal Amount.

(d) If not determined pursuant to clauses (a), (b) or (c) above, the Moody's Derived Rating of such Collateral Obligation shall be "Caa3."

For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be. To the extent that the Issuer relies upon a credit estimate for purposes of the Moody's Derived Rating of any Collateral Obligation, the Collateral Manager (on behalf of the Issuer) will apply for renewal of such credit estimate on an annual basis.

Group B: *Brazil, Czech Republic, Italy, Mexico, Poland and South Africa*

Group C: *Dubai International Financial Centre, Greece, India, Indonesia, Kazakhstan, Romania, Russia, Turkey, Ukraine, the United Arab Emirates, Vietnam and others not included in Group A or Group B*

* Solely for the purpose of determining the S&P Recovery Rate for such loan, the Aggregate Principal Balance of all First Lien Last Out Loans, Unsecured Loans, Senior Unsecured Bonds and Second Lien Loans that, in the aggregate, represent up to 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for First Lien Last Out Loans, Unsecured Loans, Senior Unsecured Bonds and Second Lien Loans in the table above and the Aggregate Principal Balance of all First-Lien Last-Out Loans, Unsecured Loans, Senior Unsecured Bonds and Second Lien Loans in excess of 15% of the Collateral Principal Amount shall have the S&P Recovery Rate specified for subordinated loans and subordinated bonds in the table above.

** Solely for the purpose of determining the S&P Recovery Rate for such debt obligation, no debt obligation will constitute a "Senior Secured Loan," "Cov-Lite Loan," "Senior Secured Bond" or "Senior Secured Note" unless such debt obligation (a) is secured by a valid first priority security interest in collateral, (b) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such debt obligation's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal amount of all debt obligations senior or *pari passu* to such obligations and (ii) the outstanding principal balance of such obligation, which value may be derived from, among other things, the enterprise value of the issuer of such obligation, excluding any obligation secured primarily by equity or goodwill and (c) is not secured solely or primarily by common stock or other equity interests provided that (i) this clause (c) shall not apply to any obligation that has been made to a parent entity that is secured solely or primarily by the common stock or other equity interests of one or more of its direct or indirect subsidiaries if, in the Collateral Manager's reasonable judgment, the granting by any such subsidiary of a security interest in its own property would violate any law or regulation applicable to such subsidiary or would otherwise be prohibited by contract and (ii) for any obligation to which this clause (c) would not apply as a result of the operation of clause (i) of this proviso, the S&P Recovery Rate will be determined by S&P on a case by case basis if there is no assigned S&P Recovery Rate for such obligation (provided that the terms of this footnote may be amended or revised at any time by a written agreement of the Issuer and the Collateral Manager with notice to the Trustee and the Collateral Administrator (without the consent of any Holder of any Note), subject to the satisfaction of the S&P Rating Condition, in order to conform to S&P then-current criteria for such obligations).

Notwithstanding the foregoing, solely for the purposes of determining the S&P Recovery Rate of a Collateral Obligation that is a Senior Secured Loan under clause (d) of the definition of the term "Senior Secured Loan," such Collateral Obligation shall be deemed to be an Unsecured Loan.

SCHEDULE 7

S&P FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test during an S&P CDO Formula Election Period, the following terms shall have the meanings set forth below:

"S&P CDO Adjusted BDR": The value calculated based on the following formula (or such other published formula by S&P that the Collateral Manager provides to the Collateral Administrator) (or such other published formula by S&P that the Collateral Manager provides to the Collateral Administrator):

BDR * (A/B) + (B-A) / (B * (1-WARR)) where

Term	Meaning
BDR	S&P CDO BDR
A	Target Par Amount
B	Aggregate Principal Balance of the S&P CLO Specified Assets plus the S&P Collateral Value of the Collateral Obligations that are not S&P CLO Specified Assets *plus* the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds
WARR	Weighted Average S&P Recovery Rate for the Class A2 Notes

provided that for purposes of making any calculation under this definition in connection with the Effective Date only, amounts on deposit in the Collection Account representing Principal Proceeds will exclude an amount equal to the amount that may be transferred to the Interest Collection Subaccount as Designated Principal Proceeds.

"S&P CDO BDR": The value calculated based on the following formula (or such other published formula by S&P that the Collateral Manager provides to the Collateral Administrator):

C0 + (C1 * WAS) + (C2 * WARR), where

Term	Meaning
C0**	0.078421
C1**	4.122420
C2**	0.973834
WAS	S&P Weighted Average Floating Spread
WARR	Weighted Average S&P Recovery Rate for the Class A2 Notes

** The stated coefficient or such other coefficient provided by S&P to the Collateral Manager and the Collateral Administrator in writing.

"S&P CDO SDR": The value calculated based on the following formula: 0.247621 + (SPWARF/9162.65) – (DRD/16757.2) - (ODM/7677.8) - (IDM/2177.56) -

(RDM/34.0948) + (WAL/27.3896), where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

For purposes of this calculation, the following definitions will apply:

"S&P Default Rate Dispersion": With respect to all S&P CLO Specified Assets, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Rating Factor minus (y) the S&P Weighted Average Rating Factor divided by (B) the Aggregate Principal Balance for all such Collateral Obligations.

"S&P Industry Diversity Measure": The value calculated by determining the Aggregate Principal Balance of the S&P CLO Specified Assets within each S&P Industry Classification, then dividing each of these amounts by the Aggregate Principal Balance of the S&P CLO Specified Assets from all the industries, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure": The value calculated by determining the Aggregate Principal Balance of the S&P CLO Specified Assets from each Obligor and its Affiliates, then dividing each of these amounts by the Aggregate Principal Balance of S&P CLO Specified Assets from all the Obligors in the portfolio, squaring the result for each Obligor, then taking the reciprocal of the sum of these squares.

"S&P Rating Factor": For each S&P CLO Specified Asset, a number set forth to the right of the applicable S&P Rating below, which table may be adjusted from time to time by S&P:

S&P Rating	S&P Rating Factor	S&P Rating	S&P Rating Factor
AAA	13.51	BB+	784.92
AA+	26.75	BB	1233.63
AA	46.36	BB-	1565.44
AA-	63.90	B+	1982.00
A+	99.50	B	2859.50
A	146.35	B-	3610.11
A-	199.83	CCC+	4641.40
BBB+	271.01	CCC	5293.00
BBB	361.17	CCC-	5751.10
BBB-	540.42	CC, D or SD	10,000.00

"S&P Regional Diversity Measure": The value calculated by determining the Aggregate Principal Balance of the S&P CLO Specified Assets within each S&P region categorization (see "CDO Evaluator 7.2 Parameters Required To Calculate S&P Portfolio Benchmarks," published December 5, 2016, or such other published table by S&P that the Collateral Manager provides to the Collateral Administrator), then dividing each of these amounts by the Aggregate Principal Balance of the S&P CLO Specified Assets from all regions

in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life": The value calculated by determining the number of years between the current date and the maturity date of each S&P CLO Specified Asset, then multiplying each S&P CLO Specified Asset's Principal Balance by its number of years, summing the results of all S&P CLO Specified Assets, and dividing this amount by the Aggregate Principal Balance of all S&P CLO Specified Assets.

"S&P Weighted Average Rating Factor": The value calculated by summing the products obtained by multiplying the Principal Balance for each S&P CLO Specified Asset by its S&P Rating Factor, dividing such sum by the Aggregate Principal Balance of all S&P CLO Specified Assets and rounding the result up to the nearest whole number.

"S&P CLO Specified Assets": Collateral Obligations with an S&P Rating equal to or higher than "CCC-."
