This FIRST SUPPLEMENTAL INDENTURE dated as of June 30, 2023 (this "**Supplemental Indenture**") to the Indenture dated as of December 3, 2020 (the "**Original Indenture**" and as amended by the Supplemental Indenture, and as further amended, modified or supplemented prior to the date hereof, the "**Indenture**") is entered into among MADISON PARK FUNDING XLVII, LTD., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "**Issuer**"), MADISON PARK FUNDING XLVII, LLC, a limited liability company formed under the laws of the State of Delaware (the "**Co-Issuer**" and, together with the Issuer, the "**Co-Issuers**"), and WELLS FARGO BANK, N.A., a national banking association, as trustee under the Indenture (together with its permitted successors in such capacity, the "**Trustee**"). Capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Indenture.

PRELIMINARY STATEMENT

WHEREAS, pursuant to Section 8.1(a)(xxxii) of the Indenture, the Co-Issuers and the Trustee may enter into one or more indentures supplemental to the Indenture, with the written consent of the Portfolio Manager, to amend, modify or otherwise accommodate changes to the administrative procedures relating to the determination or calculation of, or related to, any Successor Benchmark Rate selected by the Portfolio Manager pursuant to the definition of "LIBOR" (together with any other changes required in connection with such selection of the Successor Benchmark Rate), from and after a Distribution Date as determined by the Portfolio Manager;

WHEREAS, the Co-Issuers wish to amend the Indenture as set forth in this Supplemental Indenture;

WHEREAS, each of the Issuer and the Co-Issuer has adopted Resolutions authorizing the execution and delivery of this Supplemental Indenture; and

WHEREAS, the conditions set forth for entry into a supplemental indenture pursuant to Sections 8.1(a)(xxxii) and 8.3 of the Indenture, including all required consents, have been satisfied.

NOW, THEREFORE, in consideration of the mutual agreements herein set forth, the parties agree as follows:

1. **Amendments.**

With respect to (a) all amendments other than those to the definitions of Aggregate Excess Funded Spread and Aggregate Funded Spread, effective as of the date hereof and (b) the amendments to the definitions of Aggregate Excess Funded Spread and Aggregate Funded Spread, effective as of the first day of the Interest Accrual Period commencing on July 19, 2023, the Indenture is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the bold and double-underlined text (indicated textually in the same manner as the following example: **bold and double-underlined text**) as set forth on the pages of the Conformed Indenture attached as Exhibit A hereto.

2. **Conditions Precedent.** The modifications to be effected pursuant to Section 1 above shall become effective as of the date first written above upon receipt by the Trustee of each of the following:

(a) an Opinion of Counsel stating that the execution of this Supplemental Indenture is authorized or permitted by the Indenture and that all conditions precedent thereto have been satisfied; and

(b) Tax Advice that this Supplemental Indenture would not (A) result in the Issuer becoming subject to U.S. federal income tax on a net income basis, (B) result in the Issuer being treated as being engaged in a trade or business within the United States for U.S. federal income tax purposes or (C) cause the tax treatment of the Issuer or the tax consequences to the Holders of any Class of Securities Outstanding which holds such Securities immediately after giving effect to such supplemental indenture or other modification or amendment to be materially different from such treatment or consequences as described in the Offering Circular under the heading "Certain U.S. Federal Income Tax Considerations" in a way that is adverse to the Issuer or such Holders.

3. **Governing Law.** THIS SUPPLEMENTAL INDENTURE AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT, THE RELATIONSHIP OF THE PARTIES, AND/OR THE INTERPRETATION AND ENFORCEMENT OF THE RIGHTS AND DUTIES OF THE PARTIES SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED IN ALL RESPECTS (WHETHER IN CONTRACT OR IN TORT) BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS.

4. **Execution in Counterparts.** This Supplemental Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed counterpart of this Supplemental Indenture by electronic means (including email or telecopy) will be effective as delivery of a manually executed counterpart of this Supplemental Indenture. This Supplemental Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "**Signature Law**"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

5. **Concerning the Trustee.** The recitals contained in this Supplemental Indenture shall be taken as the statements of the Co-Issuers, and the Trustee assumes no responsibility for

their correctness. Without limiting the generality of the foregoing, the Trustee assumes no responsibility for the correctness of the recitals contained herein, which shall be taken as the statements of the Co-Issuers, and, except as provided in the Indenture, the Trustee shall not be responsible or accountable in any way whatsoever for or with respect to the validity, execution or sufficiency of this Supplemental Indenture and makes no representation with respect thereto. In entering into this Supplemental Indenture, the Trustee shall be entitled to the benefit of every provision of the Indenture relating to the conduct of or affecting the liability of or affording protection to the Trustee.

6. **No Other Changes.** Except as provided herein, the Indenture shall remain unchanged and in full force and effect, and each reference to the Indenture and words of similar import in the Indenture, as amended hereby, shall be a reference to the Indenture as amended hereby and as the same may be further amended, supplemented and otherwise modified and in effect from time to time. This Supplemental Indenture may be used to create a conformed amended and restated Indenture for the convenience of administration by the parties hereto.

7. **Execution, Delivery and Validity.** Each of the Co-Issuers represents and warrants to the Trustee that (i) this Supplemental Indenture has been duly and validly executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms and (ii) the execution of this Supplemental Indenture is authorized or permitted under the Indenture and all conditions precedent thereto have been satisfied.

8. **Limited Recourse.** The obligations of the Co-Issuers hereunder are limited recourse obligations of the Applicable Issuer payable solely from the Assets available at such time in accordance with the Priority of Distributions and the provisions of Section 2.8(g) of the Indenture.

9. **Non-Petition.** Each party agrees not to, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Securities, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws, in accordance with the provisions of Section 5.4(d) of the Indenture.

10. **Binding Effect.** This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

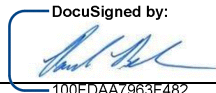

11. **Direction to the Trustee.** Each of the Co-Issuers hereby directs the Trustee to execute this Supplemental Indenture and acknowledges and agrees that the Trustee will be fully protected in relying upon the foregoing direction.

second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Security.

Section 2.8. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Note Interest Rate and such interest shall be payable in arrears on each Distribution Date, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Secured Notes (and payments on the Subordinated Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid ("**Deferred Interest**" with respect thereto), in accordance with the Priority of Distributions on any Distribution Date shall be deferred and added to the principal balance of such Class of Deferred Interest Notes and shall not be considered "due and payable" on such Distribution Date and, thereafter, will bear interest at the Note Interest Rate for such Class until paid, and the failure to pay such Deferred Interest shall not be an Event of Default until the earliest of the Distribution Date (i) on which funds are available for such purpose in accordance with the Priority of Distributions, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, or (iii) which is the Stated Maturity of such Class of Deferred Interest Notes. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Note Interest Rate for such Class until paid as provided herein and (y) interest on the interest on any Class A Notes or Class B Notes, or, if no Class A Notes or Class B Notes are Outstanding, the Secured Notes of the Controlling Class that is not paid when due shall accrue at the Note Interest Rate for such Class until paid as provided herein.

Any amount on the Subordinated Notes that is not available to be paid on a Distribution Date in accordance with the Priority of Distributions shall not be "due or payable" on such Distribution Date or any date thereafter.

For avoidance of doubt, if the sum of ~~LIBOR~~the Benchmark plus the spread with respect to any Class of Secured Notes would be a rate that is less than zero for an Interest Accrual Period, then the Issuer shall not have any obligation to pay interest on such Class of Secured Notes for such Interest Accrual Period.

Notwithstanding anything else contained herein to the contrary, in connection with the Securities of a Re-Priced Class for which the related Re-Pricing Date does not coincide with a scheduled Distribution Date, (i) the period from and including the Distribution Date immediately preceding the Re-Pricing Date to but excluding the Re-Pricing Date and (ii) the

rerecording, refiling or redepositing of any thereof, (ii) to maintain any insurance or (iii) to monitor or verify compliance with the U.S. Risk Retention Regulations or the risk retention or disclosure rules of any other jurisdiction;

(aa) the Trustee shall not have any obligation to determine (i) if a Collateral Obligation meets the criteria or eligibility restrictions specified in the definition thereof or otherwise imposed in this Indenture or (ii) if the conditions specified in the definition of "Deliver" have been complied with;

(bb) the Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions or utilities, communications or computer (software or hardware) services, it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to maintain performance and, if necessary, resume performance as soon as practicable under the circumstances;

(cc) in order to comply with its customer identification program obligations under the USA PATRIOT Act and related regulations, the Trustee shall have the right to request from certain parties, including but not limited to the Issuer, the Co-Issuer, the Portfolio Manager and the Holders, such information as it deems necessary or appropriate to identify and verify each party's identity, including without limitation, each party's name, physical address, tax identification number, organizational documents, certificate of good standing, license to do business, or other pertinent identifying information; and

(dd) the Trustee shall have no responsibility or liability for electing, determining or verifying any ~~non-LIBOR~~non-Term SOFR rate including, without limitation, (i) determining whether such rate is a Successor Benchmark Rate, (ii) electing to apply any Reference Rate Modifier, or (iii) determining whether the conditions to the designation of a Successor Benchmark Rate have been satisfied.

Section 6.4. Not Responsible for Recitals or Issuance of Securities. The recitals contained herein and in the Securities, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Securities. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Securities or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5. May Hold Securities. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

changes in payment terms (i.e., the addition of payment-in-kind terms, changes in maturity dates and changes in coupon rates).

Section 7.14. Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of the Securities, the Co-Issuers shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or beneficial owner, to a prospective purchaser of such Securities designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Securities with Rule 144A under the Securities Act in connection with the resale of such Securities by such Holder or beneficial owner of such Securities, respectively. "**Rule 144A Information**" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15. Calculation Agent.

(a) The Issuer hereby agrees that for so long as any of the Floating Rate Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate ~~LIBOR~~the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) (the "**Calculation Agent**"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, or if the Calculation Agent fails to determine the Note Interest Rate applicable to each Class of Secured Notes and the amount of interest payable in respect of each U.S.\$100,000 Aggregate Outstanding Amount of each Class of Floating Rate Notes, the Issuer or the Portfolio Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign from its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall, as soon as possible (i) prior to (but including) the Interest Accrual Period relating to the Distribution Date in July 2023, after 11:00 a.m. London time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the London Banking Day immediately following, and (ii) commencing on the Interest Determination Date relating to the Interest Accrual Period beginning on the Distribution Date in July 2023, as soon as possible after 5:00 a.m. (Chicago time) on each Interest Determination Date, but in no event later than 5:00 p.m. (New York time) on the Business Day immediately following each Interest Determination Date, calculate the Note Interest Rate for each Class of Floating Rate Notes for the next Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) and the Note Interest Amount for each Class of Floating Rate Notes (in each case, rounded to the nearest cent, with half a cent being rounded upward) on the related Distribution Date. At such time the Calculation Agent shall

communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, Euroclear and Clearstream. The Calculation Agent shall ~~also specify to the Co-Issuers the quotations upon which the Note Interest Rate for each Class of Floating Rate Notes are based, and in any event the Calculation Agent shall~~ notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Note Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) shall (in the absence of manifest error) be final and binding upon all parties.

(c) ~~Without limiting the obligations of the Collateral Administrator to follow the procedures set forth in the definition of "LIBOR" in this Indenture, the~~ The Collateral Administrator, in its capacity as Calculation Agent, shall have no responsibility for the selection of an alternative rate as a successor or replacement benchmark to ~~LIBOR~~ the then existing Benchmark or whether such rate is a Successor Benchmark Rate and shall be entitled to rely upon any designation of such a rate by the Portfolio Manager.

Section 7.16. **Certain Tax Matters.**

(a) Each Holder and each beneficial owner of Securities (or any interest therein) will be deemed to have read and understood the summary of the U.S. federal income tax considerations contained in the Offering Circular as it relates to the Securities. The Co-Issuers will, and each Holder and each beneficial owner of Securities (or any interest therein) will be deemed to have represented and agreed to, treat the Co-Issuers and the Securities as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Circular for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law, it being understood that this Section 7.16(a) does not prevent a Holder of a Class E Note from filing a protective statement described in Section 7.16(e) or protective information returns.

(b) Each Holder and each beneficial owner of Securities (or any interest therein) will be deemed to have represented and agreed to timely furnish to the Issuer or, in the case of the Co-Issued Notes, the Co-Issuers, or their agents, any tax form or certification (including without limitation, IRS Form W-9 or an applicable IRS Form W-8 (together with all appropriate attachments), or any successors to such IRS forms), as applicable, that the Issuer, the Co-Issuers, as applicable, or their agents may reasonably request and any other documentation or information reasonably requested by the Issuer, the Co-Issuers, as applicable, or their agents to permit the Issuer, the Co-Issuers, as applicable, or their agents to (A) make payments to the Holder without, or at a reduced rate of, deduction or withholding, (B) qualify for a reduced rate of deduction or withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) comply with applicable law. Each Holder and each beneficial owner of Securities (or any interest therein) acknowledges and agrees, or by acceptance of a Security or beneficial interest therein is deemed to acknowledge and agree, that the failure to provide, update or replace any such documentation, certification or information may result in the imposition of withholding or back-up withholding upon payments to such Holder. Any amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld

rely upon the exemption from registration as an investment company provided by Rule 3a-7 under the Investment Company Act or another exemption or exclusion from registration as an investment company under the Investment Company Act (other than Section 3(c)(1) or Section 3(c)(7) thereof) or (C) for the Issuer to not otherwise be considered a "covered fund" as defined for purposes of the Volcker Rule, in each case so long as any such modification or amendment would not have a material adverse effect on any Class of Securities;

(xxviii) to modify provisions of this Indenture relating to creation, perfection and preservation of the security interest of the Trustee in the Assets in order to conform with applicable law;

(xxix) with the consent of the Portfolio Manager and the Required Subordinated Notes Percentage, to modify the Subordinated Management Fee or the Incentive Management Fee;

(xxx) to amend, modify or otherwise accommodate changes to this Indenture to evidence changes to any rule or regulation (or interpretation thereof) enacted by (or made available by) any regulatory agency of the United States federal government after the Closing Date that is applicable to the Securities;

(xxxi) notwithstanding clause (xx) above, with the consent of the Portfolio Manager and satisfaction of the Controlling Class Condition, to modify or amend any components of the S&P CDO BDR, the S&P CDO Monitor SDR or any component of the S&P CDO Monitor Test; **provided, that**, if S&P is a Rating Agency under this Indenture, the S&P Rating Condition is satisfied;

(xxxii) with the written consent of the Portfolio Manager, to amend, modify or otherwise accommodate changes to the administrative procedures relating to the determination or calculation of, or related to, any Successor Benchmark Rate selected by the Portfolio Manager pursuant to the definition of "~~LIBOR~~Benchmark" (together with any other changes required in connection with such selection of the Successor Benchmark Rate), from and after a Distribution Date as determined by the Portfolio Manager;

(xxxiii) to provide for all Classes of Floating Rate Notes to bear interest based on a benchmark rate, other than a Successor Benchmark Rate, instead of ~~LIBOR~~the then-current Benchmark (together with a Reference Rate Modifier and any other changes required in connection with such selection of such benchmark rate), from and after a Distribution Date as determined by the Portfolio Manager with notice to the Holders of the Secured Notes at least 30 days prior to the related Distribution Date; **provided that** (1) the consent of the Portfolio Manager is obtained, (2) the consent of the Required Subordinated Notes Percentage is obtained and (3) the consent of a Majority of the Controlling Class is obtained; **provided, further, that** such modifications are undertaken (A) due to (x) a material disruption to ~~LIBOR~~the Benchmark, (y) a change in the methodology of calculating ~~LIBOR~~the Benchmark or (z) ~~LIBOR~~the Benchmark ceasing to be reported or updated ~~on the Reuters Screen~~ (or the reasonable expectation of the Portfolio Manager that any of the events specified in clauses (x), (y) or (z) will occur) or (B) if at least 50% (by par amount) of (x) quarterly pay floating rate

(xxxiv) to change the day of the month on which reports are required to be delivered under this Indenture; provided, that the Trustee, the Holders and the Collateral Administrator received 20 Business Days' prior notice of such supplemental indenture; or

(xxxv) notwithstanding clause (xix) above, to conform to any updates, revisions or changes to ratings criteria and other guidelines of Moody's (including any alternative methodology published by Moody's) published in connection with, or as a modification to, the Moody's September 2020 Proposed Methodology Update.

(b) The Co-Issuers may, pursuant to clause (xvii) above in relation to a Refinancing, enter into a supplemental indenture to reflect the terms of such Refinancing upon a redemption of the Secured Notes in whole but not in part, including to make any supplements or amendments to this Indenture that would otherwise be subject to the provisions of Section 8.2, with the consent of the Portfolio Manager and the Required Subordinated Notes Percentage. The Co-Issuers shall deliver a copy of any such supplemental indenture to the Holders prior to the execution of any such supplemental indenture.

(c) A supplemental indenture entered into for any purpose other than the purposes provided for in this Section 8.1 shall require the consent, if any, of the Holders as required in Section 8.2.

Section 8.2. **Supplemental Indentures with Consent of Holders.**

(a) With the consent of a Majority of each Class materially and adversely affected thereby, the Trustee and the Co-Issuers may, subject to the requirements of Section 8.3, enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of such Class under this Indenture; **provided that** the Issuer shall not enter into any such supplemental indenture pursuant to this Section 8.2(a) without the prior written consent of a Hedge Counterparty if such Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and notifies the Issuer and the Trustee thereof. Notwithstanding the foregoing, but subject to Section 8.1(b), no such supplemental indenture pursuant to this Section 8.2(a) shall without the consent of each Holder of each Outstanding Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Note, reduce the principal amount thereof or, except in a Re-Pricing, the rate of interest thereon (other than in connection with the adoption of a Successor Benchmark Rate or entry into a supplemental indenture for the purposes described under Section 8.1(a)(xxxiii)) or the Redemption Price, or change the earliest date on which any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Secured Notes, change the provisions of this Indenture relating to the application of proceeds of any distributions on the Subordinated Notes (other than, following a redemption in full of the Secured Notes, an

Section 9.3. **Partial Redemption.** Upon written direction of (i) the Required Subordinated Notes Percentage delivered to the Co-Issuers and the Trustee and with the consent of the Portfolio Manager not later than 10 Business Days prior to the proposed Partial Redemption Date (or such shorter period to which the Trustee and the Portfolio Manager may agree) or (ii) the Portfolio Manager delivered to the Issuer, the Trustee and the Holders of the Subordinated Notes not later than 10 Business Days prior to the proposed Partial Redemption Date (or such shorter period to which the Trustee and the Portfolio Manager may agree), so long as the Required Subordinated Notes Percentage either consents or does not object, in the latter case, within 10 Business Days of notice thereof, the Issuer shall redeem one or more Classes of Secured Notes following the end of the Non-Call Period on any Business Day, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and Partial Redemption Interest Proceeds in a Partial Redemption; **provided, that** the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and the Required Subordinated Notes Percentage and such Refinancing otherwise satisfies the conditions described in the following paragraph; **provided, further, that** with respect to any Partial Redemption to be effected with Refinancing Proceeds, the Portfolio Manager may, in its sole discretion, upon written notification to the Issuer, the Trustee and the Holders of the Subordinated Notes delivered not later than seven days after receipt of the relevant written direction of the Holders of the Subordinated Notes, extend the Redemption Date to a Business Day up to 30 days after the Redemption Date designated in such written direction. Any such direction of the Required Subordinated Notes Percentage shall be deemed to be ineffective if the Portfolio Manager certifies in writing to the Co-Issuers that, in the commercially reasonable judgment of the Portfolio Manager, based on then-current market conditions, it will not be able to negotiate acceptable terms of such Refinancing that permit satisfaction of the conditions described in the following paragraph. In connection with any such Partial Redemption, the Classes of Secured Notes to be redeemed shall be redeemed at the applicable Redemption Price.

The Issuer shall obtain Refinancing in connection with a Partial Redemption only if (i)(A) either (1)(x), the weighted average spread over ~~LIBOR~~the then-applicable Benchmark of the Refinancing Replacement Notes that are Floating Rate Notes does not exceed the weighted average spread over ~~LIBOR~~the then-applicable Benchmark of the Classes of Floating Rate Notes being refinanced, (y) the coupon of any Refinancing Replacement Notes that are Fixed Rate Notes does not exceed the coupon of the relevant Class of Fixed Rate Notes being refinanced (if any) and (z) if a Class of Fixed Rate Notes is being refinanced as a Class of Floating Rate Notes, the Adjusted Swap Rate of such Class of Floating Rate Notes will not exceed the coupon of the relevant Class of Fixed Rate Notes being refinanced and, if a Class of Floating Rate Notes is being refinanced as a Class of Fixed Rate Notes, the coupon of such Class of Fixed Rate Notes will not exceed the Adjusted Swap Rate of such Class of Floating Rate Notes being refinanced or (2) the Global Rating Agency Condition has been satisfied; and (B) the aggregate amount of the Refinancing Replacement Notes is equal to the aggregate principal amount of the Secured Notes being redeemed with the proceeds of such obligations, (ii) on such Partial Redemption Date, the sum of (A) the Refinancing Proceeds and (B) the Partial Redemption Interest Proceeds will be at least equal to the amount required to pay the Redemption Price with respect to the Classes of Secured Notes to be redeemed and such amounts, together with funds in the Ongoing Expense Smoothing Account, will be sufficient to pay all accrued and unpaid Administrative Expenses

(regardless of the Administrative Expense Cap) incurred in connection with such Refinancing, including the reasonable fees, costs, charges and expenses incurred by the Trustee (including reasonable attorneys' fees and expenses) in connection with such Refinancing; **provided, that** the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing, if not paid on the date of the Refinancing, will be estimated to be adequately provided for from the Interest Proceeds as Administrative Expenses available to be applied to the payment thereof under the Priority of Distributions on the subsequent three Distribution Dates, after taking into account all amounts required to be paid pursuant to the Priority of Distributions on such subsequent Distribution Dates prior to distributions to the Holders of the Subordinated Notes, (iii) the Refinancing Proceeds and the Partial Redemption Interest Proceeds are applied to such Refinancing and, if applicable, together with funds in the Ongoing Expense Smoothing Account, any related Administrative Expenses, (iv) any agreements relating to the Refinancing (other than this Indenture) contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(g) and Section 5.4(d), (v) the Issuer has provided notice to each Rating Agency with respect to such Partial Redemption, (vi) any Refinancing Replacement Notes created pursuant to the Partial Redemption must have the same or longer maturity as the Securities Outstanding prior to such Refinancing; **provided, that**, unless consented to by the Holders of 100% of each Class of Securities Outstanding (excluding the Class of Securities being refinanced), the maturity of such Refinancing Replacement Notes may not exceed the maturity of any Class of Securities subordinate to the Refinancing Replacement Notes, (vii) such Refinancing is effected only with Refinancing Proceeds and Partial Redemption Interest Proceeds and not the sale of any Assets, (viii) the Refinancing Replacement Notes are subject to the Priority of Distributions and do not rank higher in priority pursuant to the Priority of Distributions than the most senior corresponding Class of Secured Notes being refinanced; **provided, that** with respect to each Class of Secured Notes not being redeemed on such Redemption Date, the aggregate principal amount of all classes of Secured Notes ranking senior to such Class is not increased as a result of the Refinancing, (ix) the voting rights, consent rights and redemption rights of the Refinancing Replacement Notes are the same as the rights of the corresponding Class of Secured Notes being refinanced and (x) the Portfolio Manager has consented to such Refinancing.

Subject to the requirements of this Section 9.3, both Fixed Rate Notes and Floating Rate Notes may be refinanced with obligations that bear a fixed or floating (*i.e.*, ~~LIBOR~~the Benchmark plus a stated spread) rate of interest and any Pari Passu Classes may be refinanced with a single class of refinancing obligations that bears a fixed or floating (*i.e.*, ~~LIBOR~~the Benchmark plus a stated spread) rate of interest; **provided, that** if any Floating Rate Notes are being refinanced in a Partial Redemption with obligations that bear a fixed rate of interest, the Global Rating Agency Condition is satisfied with respect to any Class of Securities not being redeemed in such Partial Redemption.

Refinancing Proceeds shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Partial Redemption Date together with Partial Redemption Interest Proceeds to redeem the Secured Notes being refinanced and, together with funds in the Ongoing Expense Smoothing Account, to pay any related Administrative Expenses without regard to the Priority of Distributions; **provided, that** to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay expenses in connection with the Refinancing, such Refinancing Proceeds may be treated as either Principal

Portfolio Manager in its sole discretion and which would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Principal Collection Account that are to be invested in additional Collateral Obligations or (B) after the Effective Date, if the Portfolio Manager notifies the Trustee that a redemption is required pursuant to Section 7.17 in order to obtain Effective Date Ratings Confirmation (in each case, a "**Special Redemption**"). On the first Distribution Date following the Collection Period in which such notice is given (a "**Special Redemption Date**"), the amount in the Collection Account representing (1) Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations or (2) Interest Proceeds and Principal Proceeds which must be applied to redeem the Secured Notes in order to obtain Effective Date Ratings Confirmation (such amount, the "**Special Redemption Amount**"), as the case may be, shall be applied in accordance with the Priority of Principal Proceeds. Notice of Special Redemption pursuant to this Section 9.6 shall be given by the Trustee as soon as reasonably practicable, and, in any case not less than three Business Days prior to the applicable Special Redemption Date (**provided, that** such notice shall not be required in connection with a Special Redemption pursuant to clause (B) of the definition of such term if the Special Redemption Amount is not known on or prior to such date) to each Holder of Secured Notes affected thereby and to each Rating Agency. In addition, for so long as any Listed Securities are listed on any Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the Holders of such Listed Securities will also be provided to the relevant Stock Exchange.

Section 9.7. **Re-Pricing of Securities.**

(a) On any Business Day after the Non-Call Period, at the written direction of the Required Subordinated Notes Percentage and with the consent of the Portfolio Manager, the Applicable Issuers shall (x) reduce the spread over ~~LIBOR~~the Benchmark applicable to one or more Repriceable Classes of Floating Rate Notes and/or (y) reduce the interest rate applicable to one or more Repriceable Classes of Fixed Rate Notes (such reduction with respect to any such Repriceable Class, a "**Re-Pricing**" and any such Repriceable Class to be subject to a Re-Pricing, a "**Re-Priced Class**"); **provided, that** (1) if a Class of Fixed Rate Notes is being re-priced as a Class of Floating Rate Notes, the Adjusted Swap Rate of such Class of Floating Rate Notes will not exceed the coupon of the relevant Class of Fixed Rate Notes being re-priced and, if a Class of Floating Rate Notes is being re-priced as a Class of Fixed Rate Notes, the coupon of such Class of Fixed Rate Notes will not exceed the Adjusted Swap Rate of such Class of Floating Rate Notes being re-priced; (2) if a Class of Floating Rate Notes is being re-priced as a Class of Fixed Rate Notes or a Class of Fixed Rate Notes is being re-priced as a Class of Floating Rate Notes, the Global Rating Agency Condition is satisfied with respect to such Class and any Class of Secured Notes junior to such Class; and (3) the Applicable Issuers shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. No terms of any Repriceable Class may be modified or supplemented in connection with a Re-Pricing other than (x) the interest rate applicable thereto and (y) the establishment of a non-call period for such Re-Priced Class; **provided that**, such non-call period must not be applicable in the case of a subsequent Optional Redemption or a subsequent Re-Pricing of all Outstanding Classes of Secured Notes. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") upon the recommendation and subject

to the written approval of the Required Subordinated Notes Percentage and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

Except with respect to Securities of a Re-Priced Class for which an Election to Retain has been exercised in accordance with Section 9.7(b), the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in a Re-Pricing Redemption, in each case at the respective Redemption Price, in accordance with the provisions of this Section 9.7. Each Holder, by its acceptance of an interest of Securities in a Repriceable Class, agrees that (i) it will tender and transfer its Securities in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such tender and transfer and (ii) its Securities may be redeemed in a Re-Pricing Redemption.

At the direction of the Issuer, the Trustee shall also arrange for the Re-Pricing, Mandatory Tender and Election to Retain Announcement and notice of any withdrawal of a notice of Re-Pricing to be provided to any Stock Exchange so long as any Listed Securities are listed thereon and so long as the guidelines of such exchange so require.

(b) At least 20 Business Days prior to the Business Day fixed by the Required Subordinated Notes Percentage for any proposed Re-Pricing (subject to the next paragraph of this Section 9.7(b), the "**Re-Pricing Date**"), the Issuer shall deliver a notice (with a copy to the Portfolio Manager, the Trustee and each Rating Agency) through the facilities of DTC (such notice, the "**Re-Pricing, Mandatory Tender and Election to Retain Announcement**") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over ~~LIBOR (or the relevant benchmark rate)~~ or the Benchmark or revised interest rate, as applicable, to be applied with respect to such Class (the "**Re-Pricing Rate**"), (ii) request each Holder of the Re-Priced Class communicate through the facilities of DTC whether such Holder (x) approves the proposed Re-Pricing and (y) elects to retain the Securities of the Re-Priced Class held by such Holder (an "**Election to Retain**"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "**Operational Arrangements**"), (iii) specify the applicable Redemption Price that will be received by any Holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain, (iv) state that Non-Consenting Holders of the Re-Priced Class will either be (x) subject to mandatory tender and transfer in accordance with the Operational Arrangements (a "**Mandatory Tender**") or (y) redeemed in a Re-Pricing Redemption with Re-Pricing Proceeds and (v) state the period for which the Holders of the Securities of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement. Prior to the Trustee distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the Holders of the Securities of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of

In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Securities of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Securities held by Non-Consenting Holders to the Holders delivering Exercise Notices, sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Consenting Holders' Securities with Re-Pricing Proceeds, in each case without further notice to the Non-Consenting Holders thereof. Sales of Securities of the Re-Priced Class held by Non-Consenting Holders and sales of Re-Pricing Replacement Notes, in each case on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, will be *pro rata* based on the Aggregate Outstanding Amount of the Securities such Holders indicated an interest in purchasing pursuant to their Exercise Notices.

In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Securities of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Securities, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto or the Issuer may redeem such Securities with Re-Pricing Proceeds. Any excess Securities of the Re-Priced Class held by Non-Consenting Holders may be sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer or redeemed with Re-Pricing Proceeds.

All Mandatory Tenders of Securities to be effected as described in this section: (i) will be made at the Redemption Price with respect to such Securities and (ii) will be effected only if the related Re-Pricing is effected in accordance with the provisions of this Indenture and in accordance with the Operational Arrangements. Unless the Issuer (or the Portfolio Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Securities of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Securities of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Securities that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Securities held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer in connection with such Mandatory Tender.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee, with the prior written consent of the Required Subordinated Notes Percentage, have entered into a supplemental indenture dated as of the Re-Pricing Date solely to modify the spread over ~~LIBOR~~the Benchmark or the interest rate (as applicable) applicable to the Re-Priced Class;

(ii) confirmation has been received that all Securities of the Re-Priced Class held by Non-Consenting Holders have been subject to Mandatory Tender and transfer or redeemed pursuant to clause (c) above;

(B) each Overcollateralization Ratio (and setting forth each related Required Coverage Ratio);

(C) the Reinvestment Overcollateralization Test (and setting forth the required test level); and

(D) the Event of Default Par Ratio.
