In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 (the "Collateral Assumptions") shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

- (a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the

issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

- (b) For purposes of calculating the Coverage Tests and the Interest Diversion Test, except as otherwise specified in such tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations, unless such payments have actually been received in Cash.
- (c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received in prior Collection Periods that were not disbursed on or prior to such date of determination.
- (d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments on the Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of Interest Coverage Ratio, the expected interest on the Rated Notes and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.
- (e) References in Section 11.1(a) to calculations made on a "*pro forma* basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.
- (f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

- (h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test.
- (i) For purposes of calculating compliance with the Investment Criteria, at the election of the Portfolio Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Portfolio Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within a specified period of no longer than 10 Business Days (which period does not extend over a Determination Date) following the date of determination of such compliance (such period, the "Trading Plan Period"); *provided* that (i) the purchase prices of Collateral Obligations acquired pursuant to a Trading Plan will not be averaged for any purpose, including to determine whether any such Collateral Obligation is a Discount Obligation, (ii) the Portfolio Manager, on behalf of the Issuer, notifies the Trustee and the Rating Agencies promptly upon the commencement of a Trading Plan, (iii) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (iv) no Trading Plan Period may include a Payment Date, (v) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (vi) if the Investment Criteria are not satisfied with respect to any such identified reinvestment, notice will be provided to the Trustee, the Collateral Administrator and each Rating Agency, (vii) no Trading Plan may result in the purchase of a group of Collateral Obligations if the difference between the shortest Average Life of any Collateral Obligation in such group and the longest Average Life of any Collateral Obligation in such group is greater than three years and (viii) no Trading Plan may result in the purchase of a Collateral Obligation with an Average Life of less than six months.
- (j) For purposes of calculating compliance with the Collateral Quality Test, the Concentration Limitations and other Investment Criteria, upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received as part of a scheduled distribution or an unscheduled distribution with respect to a Collateral Obligation or received upon the sale or other disposition of a Collateral Obligation may be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

- (k) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.
- (l) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.
- (m) For purposes of calculating compliance with each of the Concentration Limitations, all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.
- (n) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.
- (o) If withholding tax is imposed on (x) any amendment, waiver, consent or extension fees or (y) commitment fees or other similar fees, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer or a Blocker Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.
- (p) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and shall be based on the Fee Basis Amount.
- (q) To the extent there is, in the reasonable determination of the Collateral Administrator or the Trustee, any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent the Collateral Administrator or the Trustee reasonably determines that more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator and/or the Trustee, as the case may be, shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Trustee, as applicable, shall be entitled to follow such direction and conclusively rely thereon without any responsibility or liability therefor.
- (r) For purposes of calculating compliance with any tests hereunder (including the Target Initial Par Condition, Collateral Quality Test and Concentration Limitations), the trade date with respect to any acquisition or disposition of a Collateral Obligation or

Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

- (s) Each asset of any such Blocker Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security, Restructured Loan or Workout Loan if acquired and held by the Issuer, an Equity Security, Restructured Loan or Workout Loan) for all purposes of this Indenture (other than tax purposes) and each reference to Assets, Collateral Obligations, Equity Securities, Restructured Loans and Workout Loans herein shall be construed accordingly. For purposes of calculating the Weighted Average Floating Spread, the Weighted Average Coupon and each Interest Coverage Test, any future anticipated tax liability of the Blocker Subsidiary related to an Equity Security or Collateral Obligation held by such Blocker Subsidiary shall be excluded.
- (t) When used with respect to payments on the Subordinated Notes, the term "principal amount" will mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds, and the term "interest" will mean Excess Interest distributable to Holders of Subordinated Notes in accordance with the Priority of Payments.
- (u) For all purposes (including calculation of the Coverage Tests) except in connection with calculations for the Weighted Average Floating Spread, the Principal Balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.
- (v) The Class E Notes shall not be included in the calculation of any Interest Coverage Test. The Class F Notes shall not be included in the calculation of any Coverage Test.
- (w) Measurement of the degree of compliance with the Coverage Tests shall be required as of each date of determination occurring (i) in the case of the Overcollateralization Ratio Test, on or after the Effective Date and (ii) in the case of the Interest Coverage Test, on or after the Determination Date immediately preceding the second Payment Date.
- (x) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of a Collateral Obligation may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by e-mail or other electronic communication or file transfer protocol) from an Authorized Officer of the Portfolio Manager on which the Trustee may rely.
- (y) All calculations related to Maturity Amendments, sales of Collateral Obligations, the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria), and other tests that would be calculated cumulatively shall be reset at zero on the date of any Refinancing of all Classes of Rated Notes. There is no requirement that the Incentive Management Fee Threshold be reset in connection with any Refinancing.

- (z) For purposes of the procedures relating to transfers of Notes, prior to the Funding Date, the "Aggregate Outstanding Amount" of the Unfunded Class shall be deemed to be such beneficial owner's portion of the notional amount thereof specified in the table set forth in Section 2.3(b).

 - (iii) Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Note for purposes of this Indenture except in connection with the Unfunded Class Funding. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

The Unfunded Class shall be issued on the Closing Date with an initial principal amount of zero Dollars. After the Closing Date, any change in the Aggregate Outstanding Amount of the Unfunded Class in connection with an Unfunded Class Funding shall be evidenced in the Register in accordance with Sections 2.5(a) and 2.5(s).

Notes bearing the manual, electronic or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer

Order (which Issuer Order shall be deemed to be provided upon delivery of such executed Notes), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated and delivered after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note (or, in the case of a Note of the Unfunded Class, (x) prior to the Funding Date, the notional amount of such Note and (y) on and after the Funding Date, the Funded Amount of such Note) shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of its Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5. Registration, Registration of Transfer and Exchange

- (a) (i) The Issuer shall cause the Notes to be registered and shall cause to be kept a register (the "Register") at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall (x) provide for the registration of Notes and the registration of transfers of Notes and (y) evidence the Unfunded Class Funding as provided in Section 2.5(s). The Trustee is hereby initially appointed "registrar" (the "Registrar") for the purpose of registering Notes and transfers of such Notes in the Register. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Registrar.
- (ii) If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice (with a copy to the Portfolio Manager) of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders and the principal amounts and numbers of such Notes. Upon written request at any time, the

Registrar shall provide to the Issuer, the Portfolio Manager or any Holder a current list of Holders as reflected in the Register.

- (iii) Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized Minimum Denomination and of a like aggregate principal or face amount.
 - (iv) At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized Minimum Denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.
 - (v) All Notes authenticated and delivered upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.
 - (vi) Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.
 - (vii) No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Co-Issuers, the Registrar or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.
- (b) (i) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

- (ii) No Note may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except (i) to (A) a non-"U.S. person" (as defined under Regulation S) in accordance with the requirements of Regulation S or (B) a QIB/QP and (ii) in accordance with any applicable law.
 - (iii) No Note may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Closing Date within the United States to, or for the benefit of, "U.S. persons" except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Qualified Purchasers that are also Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" in reliance on Regulation S. No Rule 144A Global Note may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Temporary Global Note or Regulation S Global Note may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.
- (c)
- (i) No transfer of an interest in an ERISA Note to a proposed transferee that is a Benefit Plan Investor or a Controlling Person (except for transfers of ERISA Notes held by the Portfolio Manager or its Affiliates to an affiliate of such Controlling Person who is not a Benefit Plan Investor) will be effective, and the Trustee, the Registrar, and the Applicable Issuer will not recognize any such transfer, if such transfer would result in 25% or more of the Aggregate Outstanding Amount of a Class of ERISA Note being held by Benefit Plan Investors (determined in accordance with the Plan Asset Regulation and this Indenture), assuming, for this purpose, that all of the representations made (or, in the case of Global Notes, deemed to be made) by Holders of such Notes are true. For purposes of such calculation, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the significant participation test in accordance with the Plan Asset Regulation and only to the extent of the percentage of participation by Benefit Plan Investors in such entity or account and (y) any ERISA Note held by a Controlling Person shall be excluded and treated as not being Outstanding.
 - (ii) No transfer of a beneficial interest in a Note will be effective, and the Trustee and the Applicable Issuer will not recognize any such transfer, if the transferee's acquisition, holding or disposition of such interest would constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a non-exempt violation of any Similar Laws), unless an exemption is available and all conditions have been satisfied.
- (d) Notwithstanding anything contained herein to the contrary, the Trustee will not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any

exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; *provided* that if a Transfer Certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms; *provided further*, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

- (e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.
- (f) Transfers of Global Notes shall only be made in accordance with this Section 2.5(f).
 - (i) Rule 144A Global Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (*provided* that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Minimum Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C) a Transfer Certificate from the transferor and the transferee in the form of Exhibit B-2, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(ii) Regulation S Global Note to Rule 144A Global Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the Minimum Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and (B) a Transfer Certificate from the transferor and the transferee in the form of Exhibit B-1, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, such Regulation S Global Note by the aggregate principal amount of the beneficial interest in such Regulation S Global Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of such Regulation S Global Note.

(g) Transfers and exchanges of or for Certificated Notes will only be made in accordance with this Section 2.5(g) and Section 2.10.

If a Depository Event has occurred or an Event of Default has occurred and is continuing and a holder of a Certificated Note wishes at such time to exchange its interest in such Certificated Note for a Certificated Note or to transfer such Certificated Note to a Person who wishes to take delivery in the form of a Certificated Note, such holder may exchange or transfer its interest upon delivery of the documents set forth in the following sentence. Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) a Transfer Certificate from the transferor and the transferee in the form of Exhibit B-3, the Registrar shall cancel such Certificated Note in accordance with Section 2.9, record the transfer in the Register in accordance with Section 2.5(a) and upon execution by the Applicable Issuers and authentication and delivery by the Trustee, deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in authorized denominations.

- (h) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA, the Code or the Cayman AML Regulations. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

- (ii) Such beneficial owner's acquisition, holding and disposition of the Notes will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a non-exempt violation of any Similar Laws) unless an exemption is available and all conditions have been satisfied. Such beneficial owner understands that the representations made in this clause will be deemed made on each day (and in the case of purchasers of the ERISA Notes on the Closing Date, will be required to be made with deemed effect on each day) from the date of its acquisition through and including the date it disposes of such Notes.
- (iii) With respect to the purchase on the Closing Date of interests in ERISA Notes, such beneficial owner will provide the Issuer with a Subscription Agreement and an ERISA Certificate.
- (iv) With respect to the purchase after the Closing Date of interests in ERISA Notes, for so long as it holds a beneficial interest in such ERISA Notes, such beneficial owner is not a Benefit Plan Investor or a Controlling Person (except for transfers of ERISA Notes held by the Portfolio Manager or its Affiliates to an affiliate of such Controlling Person who is not a Benefit Plan Investor). Such beneficial owner understands that interests in any ERISA Notes may not at any time be held by or on behalf of a Benefit Plan Investor or a Controlling Person, except in the case of such Notes that are purchased on the Closing Date and in the case of transfers of Notes held by the Portfolio Manager or its Affiliates to an affiliate of such Controlling Person who is not a Benefit Plan Investor. The beneficial owner understands that the representations made in this clause will be deemed to be made on each day (and in the case of purchasers of the ERISA Notes on the Closing Date, will be required to be made with deemed effect on each day) from the date of its acquisition through and including the date on which it disposes of such Notes.
- (v) Such beneficial owner understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered

Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Notes. Such beneficial owner understands that neither of the Co-Issuers has been registered under the Investment Company Act, and acknowledges that the Co-Issuers are exempt from registration as such by virtue of Section 3(c)(7) of the Investment Company Act and Rule 3a-7; *provided* that the Issuer (or the Portfolio Manager on its behalf) may elect not to rely on Rule 3a-7 for its exclusion from registration under the Investment Company Act in accordance with Section 12.3(d).

- (ix) Such beneficial owner agrees that it will not cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Blocker Subsidiary prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes. Such beneficial owner further acknowledges and agrees that if it causes the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Blocker Subsidiary prior to the expiration of the period specified in the previous sentence, (A) any claim that it has against the Co-Issuers or any Blocker Subsidiary (including under all Notes of any Class held by such Holder(s)) or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder of any Note (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder of any Note (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination), (B) it will promptly return or cause all amounts received by it following the filing of such petition to be returned to the Issuer, Co-Issuer or Blocker Subsidiary, as applicable, and (C) it will take all necessary action to give effect to this

agreement. This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code.

- (x) Such beneficial owner understands and agrees that the Notes are limited recourse obligations of the Issuer (and in the case of the Co-Issued Notes, the Co-Issuers), payable solely from proceeds of the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer (and in the case of the Co-Issued Notes, the Co-Issuers) thereunder or in connection therewith after such realization shall be extinguished and shall not thereafter revive.
- (xi) With respect to any period during which any beneficial owner owns more than 50% of the Subordinated Notes, by fair market value, or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations section 1.1471-5(i) (or any successor provision)), such beneficial owner covenants to (A) ensure that any member of such expanded affiliated group (assuming each of the Issuer and any non-U.S. Blocker Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury Regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code shall be either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision) and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent the Issuer or its agents have provided it with an express waiver of this requirement.
- (xii) In the case of beneficial interests in an ERISA Note, if the beneficial owner is a bank organized outside the United States, (i) it is acquiring such Notes as a capital markets investment and will not for any purpose treat such Notes or assets of the Issuer as loans acquired in its banking business, and (ii) it is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.
- (xiii) Such beneficial owner, by acceptance of such Notes or such an interest in such Notes, agrees or is deemed to agree (A) except as prohibited by applicable law, to obtain and provide the Issuer and the Trustee or their agents or representatives, as applicable, with information or documentation, and to update or correct such information or documentation, that the Issuer or the Trustee is required to request or as may be reasonably necessary (in the reasonable determination of the Issuer or the Trustee or their agents, as applicable) and to take any other actions that the Issuer or the Trustee or their respective agents deem necessary to enable the Issuer and any non-U.S. Blocker Subsidiary to achieve Tax Account Reporting Rules

Compliance (the foregoing agreement, the "Holder Reporting Obligations"), (B) that the Issuer and/or the Trustee may (1) provide such information and documentation and any other information concerning its investment in the Notes to the IRS, the Cayman Islands Tax Information Authority and any other relevant tax authority, and (2) take such other steps as they deem necessary or helpful to enable the Issuer and any non-U.S. Blocker Subsidiary to achieve Tax Account Reporting Rules Compliance, including withholding on "passthru payments" (as defined in the Code) to such beneficial owner or subsequent transferee, or any agent or intermediary through which the Notes are held, and (C) that if it fails for any reason to comply with the Holder Reporting Obligations, or the Issuer otherwise reasonably determines that such beneficial owner's or subsequent transferee's direct or indirect acquisition, holding or transfer of an interest in such Note would prevent the Issuer or any non-U.S. Blocker Subsidiary from achieving Tax Account Reporting Rules Compliance, the Issuer shall have the right, in addition to withholding on payments made to such beneficial owner or any agent or intermediary through which Notes are held, to (x) compel it to sell its interest in such Notes, (y) sell such interest on its behalf, and/or (z) assign to such Notes a separate CUSIP or CUSIPs. Moreover, each such beneficial owner and subsequent transferee of Notes or interests therein will agree, or be deemed to agree, to indemnify the Issuer, the Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from the failure of such person to comply with its Holder Reporting Obligations. This indemnification will continue even after the person ceases to have an ownership interest in the Notes.

- (xiv) Such beneficial owner agrees to provide upon request certification acceptable to the Issuer or, in the case of the Co-Issued Notes, the Co-Issuers to permit the Issuer or the Co-Issuers, as applicable, to (A) make payments to it without, or at a reduced rate of, withholding and (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets.
- (xv) Each beneficial owner, by acceptance of such Notes or such an interest in such Notes, agrees or is deemed to agree to treat (i) the Rated Notes as debt and (ii) the Subordinated Notes as equity, in each case for U.S. federal and, to the extent permitted by law, state and local income and franchise tax purposes and will take no action inconsistent with such treatment unless otherwise required by a relevant taxing authority; *provided* that this shall not limit a beneficial owner of a Class E Note or a Class F Note from making a protective "qualified electing fund" election and filing (as a protective matter) U.S. tax information returns required of only certain equity owners with respect to reporting requirements under the Code.
- (xvi) Each beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be required or deemed to agree to provide the Issuer and the Trustee (i) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to such beneficial owner's adjusted basis in the Notes and (ii) any additional information that the Issuer, Trustee or their agents request in connection with any 1099 reporting requirements, and

update any such information provided in clause (i) or (ii) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. Each such beneficial owner of a Note shall be required or deemed to acknowledge that the Issuer or the Trustee may provide such information and any other information concerning its investment in the Notes to the IRS.

- (xvii) Such beneficial owner acknowledges and agrees that the Issuer has the right to compel any Non-Permitted Holder, Non-Permitted AML Holder or Non-Permitted ERISA Holder to sell its interest in the Notes or may sell such interest in the Notes on behalf of such Non-Permitted Holder, Non-Permitted AML Holder or Non-Permitted ERISA Holder.
- (xviii) Such beneficial owner covenants that it will not transfer all or any part of the Notes (or purport to do so) if such transfer will cause (A) the Issuer to be in violation of the United States Bank Secrecy Act, as amended by the USA PATRIOT Act of 2001, and the United States Money Laundering Control Act of 1986 (i.e., 18 U.S.C. §§ 1956 and 1957), as amended, or any similar U.S. federal or state or non-U.S. laws or regulations (collectively "Anti-Money Laundering Laws"); or (B) the Notes to be held by an entity that a U.S. person is prohibited from dealing with under the laws, regulations, and Executive Orders administered by OFAC.
- (xix) Such beneficial owner represents and warrants that no officer, director, employee or agent of the beneficial owner has, in connection with its acquisition of the Notes, been offered or received any payment of money or any other thing of value, from the Issuer or any other person or entity, on behalf of the Issuer, for the purpose of influencing or inducing any act or decision related to such investment, or providing any improper advantage in connection with such investment, in violation of applicable anti-bribery laws and regulations, including but not limited to, the United States Foreign Corrupt Practices Act of 1977, as amended.
- (xx) Such beneficial owner does not know or have any reason to suspect that (i) the monies used or to be used to acquire the Notes are, were or will be derived from or related to any illegal activities, including but not limited to, any activities that may contravene U.S. federal or state or non-U.S. laws and regulations, including Anti-Money Laundering Laws, or (ii) the proceeds from the beneficial owner's acquisition of the Notes will be used to finance any activities that may contravene U.S. federal or state or non-U.S. laws and regulations, including Anti-Money Laundering Laws.
- (xxi) If such beneficial owner is a fund-of-funds or other entity investing on behalf of third parties, such beneficial owner represents and warrants that (A) such beneficial owner is in compliance in all material respects with all applicable Anti-Money Laundering Laws and, if applicable, with regulations administered by OFAC, (B) such beneficial owner has anti-money laundering policies and procedures in place reasonably designed to verify the identity of its beneficial

owners and/or underlying investors and their sources of funds and to confirm that no beneficial owner and/or underlying investor is a party with whom a U.S. person is prohibited from dealing under regulations administered by OFAC and (C) to the best of its knowledge, such beneficial owner and its beneficial owners and/or underlying investors will not subject the Issuer to criminal or civil violations of Anti-Money Laundering Laws or of regulations administered by OFAC.

- (xxii) Each beneficial owner of Subordinated Notes agrees to not treat any income with respect to its Subordinated Notes as derived in connection with the active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code by the Issuer.
- (xxiii) Each beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to understand and acknowledge that failure to provide the Issuer, the Trustee or any Paying Agent with the properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a U.S. Person or the applicable IRS Form W-8 (or applicable successor form) (together with all required attachments) in the case of a Person that is not a U.S. Person) or the failure to meet its Holder Reporting Obligations may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.
- (j) The Issuer or its agents or representatives may (1) provide such information and documentation and any other information provided to it by any Holder concerning its investment in Notes to the Cayman Islands Monetary Authority and (2) take such other steps as they deem necessary or helpful to ensure compliance with the Holder AML Obligations and the Cayman AML Regulations.
- (k) Any purported transfer of a Note not in accordance with this Section 2.5 (other than Section 2.5(i)(xii)) shall be null and void and shall not be given effect for any purpose whatsoever.
- (l) The Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on any transferor and transferee certificate delivered pursuant to this Section 2.5 (or any certificate of ownership delivered pursuant to Section 2.10(d)) and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.
- (m) Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

- (n) Each purchaser, beneficial owner and subsequent transferee of Notes or interest therein, by acceptance of such Notes or such an interest in such Notes, agrees or is deemed to agree that (A) the Transaction Documents contain limitations on the rights of the holders to institute legal or other proceedings against the Issuer, the Co-Issuer, the Initial Purchaser, the Collateral Administrator, the Trustee, the Administrator and the Portfolio Manager, (B) it will comply with the express terms of the applicable Transaction Documents if it seeks to institute any such proceeding and (C) the Transaction Documents do not impose any duty or obligation on the Issuer or the Co-Issuer or their respective directors, officers, shareholders, members or managers to institute on behalf of any holder, or join any holder or any other Person in instituting, any such proceeding.
- (o) Each subsequent transferee of Certificated Notes after the Closing Date (including by way of a transfer of an interest in a Global Note) will be required to provide, and no such transfer will be recorded or otherwise recognized unless such subsequent transferee has provided, the Issuer and the Trustee with a Transfer Certificate in the form required hereunder.
- (p) Each Holder of a Note, by acceptance of such Note, is deemed to agree to provide the Issuer or its agents with such information and documentation that may be required for the Issuer to comply with the Cayman AML Regulations and shall update or replace such information or documentation, as may be necessary (the "Holder AML Obligations").
- (q) Each Holder of a Certificated Note, by acceptance of such Note, acknowledges and is deemed to agree that the Issuer has the right to compel any Non-Permitted Holder, Non-Permitted AML Holder or Non-Permitted ERISA Holder to sell its interest in the Certificated Notes or may sell such interest in the Certificated Notes on behalf of such Non-Permitted Holder, Non-Permitted AML Holder or Non-Permitted ERISA Holder.
- (r) If the purchaser or transferee of any Notes or beneficial interest therein is a Benefit Plan Investor, it will be deemed to represent, warrant and agree that (i) none of the Issuer, the Co-Issuer, the Initial Purchaser, the Trustee, the Portfolio Manager, the Collateral Administrator, the Administrator or any of their affiliates, has provided any investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor, or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Fiduciary"), in connection with its acquisition of Notes, and (ii) the Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.
- (s) Upon the completion of the Unfunded Class Funding (if any), the notional amount representing the Aggregate Outstanding Amount of the Unfunded Class shall be automatically converted to a principal amount equal to the related Funded Amount. Upon receipt of the Registrar of instructions from a Holder of Notes of the Unfunded Class containing the information regarding the appropriate participant account with DTC to be credited, the Registrar shall make appropriate entries into the Register to reflect the Aggregate Outstanding Amount of the Unfunded Class funded pursuant to

Section 2.5(a). On the Closing Date, the Trustee shall notify DTC to set the outstanding balance factor for the Unfunded Class to be zero (or as close to zero as practically possible under DTC's procedures and policies), to reflect the corresponding zero outstanding balance of the Class F Notes. Upon funding of the Unfunded Class, the Trustee shall notify DTC to increase the current outstanding balance of the Class F Notes and the corresponding outstanding balance factor on the Funding Date in accordance with the procedures and policies of DTC. For the avoidance of doubt, neither DTC nor Cede & Co. shall have any obligations with respect to the funding of any Unfunded Class on the Funding Date. The funding of the Unfunded Class on the Funding Date shall be the sole responsibility of the Holders of a beneficial interest in the Global Note for the Unfunded Class through DTC, and such funding shall occur outside the DTC system. Each Holder or beneficial owner of an Unfunded Class shall reasonably cooperate with the Issuer (or the Trustee on its behalf) to effect a funding and the conversion of the notional amount of such Class to a principal amount in accordance with the terms herein, including by providing any necessary instructions to DTC. The Trustee shall be entitled to receive and rely upon instructions of the Issuer to effect the foregoing.

- (t) Before the Funding Date, any transfer of Subordinated Notes shall be accompanied by a transfer of the pro rata share of Class F Notes. For the avoidance of doubt, before the Funding Date, Class F Notes may not be transferred at any time unless such Notes are transferred in connection with a transfer of the Subordinated Notes.
- (u) Before the Funding Date, any transferee of a beneficial interest in a Class F Note who takes delivery in the form of an interest in a Global Note shall deliver to the Trustee (with a copy to the Issuer and the Portfolio Manager) a notice of transfer substantially in the form of Exhibit H, which shall specify the notional amount of Class F Notes being transferred and the owner of the beneficial interest.

Section 2.6. Mutilated, Defaced, Destroyed, Lost or Stolen Note

If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which Issuer Order shall be deemed to be provided upon delivery of such executed Notes), the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent

and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved

- (a) Payments of interest on the Notes.
 - (i) Rated Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below; *provided* that the Class F Notes shall accrue interest from and including the Funding Date and such interest will be payable in arrears on each applicable Payment Date at the Interest Rate set on the Funding Date, which shall not exceed the Interest Rate as specified in Section 2.3(b), on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. For the avoidance of doubt, the Class F Notes shall not accrue interest nor shall any interest be due on the Class F Notes before the Funding Date and such failure to pay interest on the Class F Notes shall not be deemed a Default or Event of Default. Payment of interest on each Class of Rated Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class. Any

payment of interest due on a Class of Deferred Interest Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes are Outstanding with respect to such Class of Deferred Interest Notes, shall constitute "Deferred Interest" with respect to such Class and shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferred Interest Notes and (iii) the Stated Maturity (or the earlier date of Maturity) of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall be added to the outstanding principal amount of such Class of Deferred Interest Notes and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Business Day (A) which is the Redemption Date with respect to such Class of Deferred Interest Notes and (B) which is the Stated Maturity (or the earlier date of Maturity) of such Class of Deferred Interest Notes. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, to the extent that funds are not available on any Payment Date to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Rated Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A-1 Notes, Class A-2 Notes or Class B Notes; or, if no Class A-1 Notes, Class A-2 Notes or Class B Notes are Outstanding, any Class C Notes; or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes or Class C Notes are Outstanding, any Class D Notes; or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes, Class C Notes or Class D Notes are Outstanding, any Class E Notes; or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes, Class C Notes, Class D Notes or Class E Notes are Outstanding, any Class F Notes shall accrue at the Interest Rate for such Class until paid as provided herein.

- (ii) The Subordinated Notes will receive as distributions on each Payment Date the Excess Interest payable on the Subordinated Notes, if any, subject to the Priority of Payments.
- (b) The principal of each Rated Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Rated Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Payments of principal on any Class of Rated Notes which are not paid, in accordance with the Priority of Payments, on any Quarterly Payment Date (other than the Quarterly Payment Date which is the Stated Maturity (or the earlier date of Maturity) of such Class of Rated Notes or any Redemption Date), because of

insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Quarterly Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full. The Subordinated Notes will mature at the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise and the final payments of principal, if any, will occur on that date; *provided* that (x) the payment of principal of the Subordinated Notes may only occur after the Rated Notes are no longer Outstanding; (y) the payment of principal of the Subordinated Notes is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Rated Notes and other amounts in accordance with the Priority of Payments; and (z) the payment of principal of the Subordinated Notes is subordinated to the payment on each Payment Date of amounts due and payable in accordance with the Priority of Payments; and any payment of principal of the Subordinated Notes that is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments.

- (c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Section 9.5.
- (d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a U.S. Person or the applicable IRS Form W-8 (or applicable successor form) (together with all required attachments) in the case of a Person that is not a U.S. Person), any information requested pursuant to the Holder Reporting Obligations, or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent (including, in each case, as any such other party may instruct) to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or pursuant to the Issuer's agreement with any governmental authority or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to impose upon the Paying Agent a duty to determine the duties, liabilities or responsibilities of any other party described herein under any applicable law or regulation.
- (e) Payments in respect of any Note will be made by the Trustee, in Dollars to DTC or its nominee in accordance with DTC rules and procedures with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account

maintained by DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note; *provided* that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. In the case of a Certificated Note, the Holder thereof shall present and surrender such Note at the office designated by the Trustee upon final payment; *provided* that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. None of the Co-Issuers, the Trustee, the Portfolio Manager or any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Rated Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than three days prior to the date on which such payment is to be made, provide to the applicable Holders a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$1,000 original principal amount of Notes, and the place where Certificated Notes may be presented and surrendered for such payment.

- (f) Payments to Holders of each Class on each Payment Date shall be made ratably among the Holders of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.
- (g) Interest accrued with respect to any Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.
- (h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.
- (i) Notwithstanding any other provision of this Indenture, the obligations of the Co-Issuers under the Co-Issued Notes and this Indenture from time to time and at any time are limited recourse obligations of the Co-Issuers and the obligations of the Issuer under the Issuer-Only Notes from time to time and at any time are limited recourse

obligations of the Issuer, payable solely from proceeds of the Assets at such time and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Issuer (or, in the case of the Co-Issued Notes, the Co-Issuer) hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder or incorporator of the Co-Issuers (or, in the case of the Issuer-Only Notes, the Issuer), the Portfolio Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that, except as expressly provided in this Indenture, the foregoing provisions of this paragraph (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer (or, in the case of the Co-Issued Notes, the Co-Issuer) as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

- (j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.
- (k) Pursuant to a DTR Proposed Amendment, the Benchmark Rate may be changed to a Benchmark Replacement Rate.
- (l) The "Benchmark Replacement Rate" shall be the benchmark that can be determined by the Designated Transaction Representative as of the applicable Benchmark Replacement Date, which benchmark is the first applicable alternative set forth in clauses (i) through (v) in the order below:
 - (i) the sum of: (a) Term SOFR and (b) the Benchmark Replacement Rate Adjustment;
 - (ii) the sum of: (a) Compounded SOFR and (b) the Benchmark Replacement Rate Adjustment;
 - (iii) the sum of: (a) the alternate benchmark rate that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark Rate for the applicable Corresponding Tenor and (b) the Benchmark Replacement Rate Adjustment;
 - (iv) the sum of: (a) the alternate benchmark rate that has been selected by the Designated Transaction Representative (with the prior written consent of a

Majority of the Controlling Class and a Majority of the Subordinated Notes) as the replacement for LIBOR for the Corresponding Tenor (giving due consideration to any industry-accepted benchmark rate as a replacement for LIBOR for U.S. Dollar-denominated securitizations at such time) and (b) the Benchmark Replacement Rate Adjustment; and

- (v) the Fallback Rate;

provided, that if the Benchmark Replacement Rate is any rate other than Term SOFR and the Designated Transaction Representative later determines that Term SOFR or Compounded SOFR can be determined, then a Benchmark Transition Event shall be deemed to have occurred and Term SOFR (or, solely if Term SOFR is unavailable, Compounded SOFR, as applicable) shall become the new Unadjusted Benchmark Replacement Rate and thereafter the Benchmark Rate shall be calculated by reference to the sum of (x) Term SOFR or Compounded SOFR, as applicable, and (y) the applicable Benchmark Replacement Rate Adjustment; *provided, further*, that if the Designated Transaction Representative is unable to determine a benchmark rate in accordance with the foregoing, the Benchmark Replacement Rate shall equal the Fallback Rate until such time a benchmark rate that satisfies the foregoing can be determined by the Designated Transaction Representative. All such determinations made by the Designated Transaction Representative as described above shall be conclusive and binding, and, absent manifest error, may be made in the Designated Transaction Representative's sole determination (without liability), and shall become effective without consent from any other party and the Trustee and Calculation Agent may conclusively rely on such determination.

- (m) Notwithstanding anything to the contrary in this Indenture, neither the Calculation Agent nor the Trustee shall have any responsibility or liability for determining or selecting a Benchmark Replacement Rate (including, without limitation, any Benchmark Replacement Rate Adjustment or any other modifier thereto) or a Fallback Rate (including, without limitation, any modifier thereto) as a successor or replacement benchmark to ~~LIBOR~~ Term SOFR (including whether any such rate is a Benchmark Replacement Rate or a Fallback Rate or whether a Benchmark Replacement Date or a Benchmark Transition Event has occurred, or any other conditions to the designation of such rate have been satisfied) and shall be entitled to rely upon any designation of such a rate (and any Benchmark Replacement Rate Adjustment) by the Portfolio Manager.

Section 2.8. Persons Deemed Owners

The Issuer, the Co-Issuer, the Trustee and any agent of the Issuer, the Co-Issuer and the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9. Cancellation

All Notes acquired by the Issuer, surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen shall be promptly cancelled by the Trustee and may not be reissued or resold. No Note may be surrendered (including in connection with any abandonment, donation, gift, contribution or other event or circumstance) except (a) for payment as provided herein, (b) for registration of transfer, exchange or redemption, (c) purchase in accordance with Section 2.14 or (d) for replacement in connection with any Note that is mutilated, defaced or deemed lost or stolen. The Issuer may not acquire any of the Notes except as described under Section 2.14. The preceding sentence shall not limit an Optional Redemption, Special Redemption, Clean-Up Call Redemption or any other redemption effected pursuant to the terms of this Indenture.

Section 2.10. DTC Ceases to be Depository

- (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof (as instructed by DTC) only if (A) such transfer complies with Section 2.5 and (B) either (x) a Depository Event has occurred or (y) an Event of Default or Enforcement Event has occurred and is continuing and such transfer is requested by the Holder of such Global Note.
- (b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Trustee's office located in the Borough of Manhattan, the City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized Minimum Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.
- (c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.
- (d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

In the event that Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to

pursue in accordance with Article V (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Trustee shall be entitled to receive and rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership as it may require.

Section 2.11. Notes Beneficially Owned by Persons Not QIB/QPs or in Violation of ERISA Representations or Holder Reporting Obligations

- (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a U.S. person that is not a QIB/QP and that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.
- (b) If (x) any U.S. person shall become the Holder or beneficial owner of an interest in any Note (i) that is not a QIB/QP or (ii) whose ownership of such Note would prevent the Issuer from having an exemption available under the Securities Act or would cause the Issuer to lose the benefit of an exemption from registration as an "investment company" under the Investment Company Act or (y) (i) any Holder shall fail to comply with the Holder Reporting Obligations or (ii) the Issuer otherwise determines that such holder's or beneficial owner's direct or indirect acquisition, holding or transfer of such Note or any interest in such Note would prevent the Issuer or any non-U.S. Blocker Subsidiary from achieving Tax Account Reporting Rules Compliance (any such Person, a "Non-Permitted Holder"), the Issuer shall (or with respect to clause (y), may), promptly after discovery that such Person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (or upon notice to the Issuer from the Trustee if a Bank Officer of the Trustee obtains actual knowledge or from the Co-Issuer if it makes the discovery (who, in each case, agree to notify the Issuer, with a copy to the Portfolio Manager, of such discovery, if any)), send notice to such Non-Permitted Holder, with a copy to the Portfolio Manager, demanding that such Non-Permitted Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes or interest therein, the Issuer will follow the procedures set forth in clause (e) below.
- (c) If any Person is or becomes the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction representation or a Benefit Plan Investor, Controlling Person or Similar Laws representation required by Section 2.5 or by its Subscription Agreement or ERISA Certificate that is subsequently shown to be false or misleading or whose beneficial ownership otherwise results in Benefit Plan Investors owning 25% or more of the Aggregate Outstanding Amount of a Class of ERISA Notes, determined in accordance with the Plan Asset Regulation and hereunder, assuming, for this purpose, that all the representations made (or deemed to be made) by the Holders of such ERISA Notes are true (any such Person or such

Benefit Plan Investor, a "Non-Permitted ERISA Holder"), the Issuer shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer upon notice from such Person (or upon notice to the Issuer from the Trustee if a Bank Officer of the Trustee obtains actual knowledge or from the Co-Issuer if it makes the discovery (who, in each case, agree to notify the Issuer, with a copy to the Portfolio Manager, of such discovery, if any)), send notice to such Non-Permitted ERISA Holder, with a copy to the Portfolio Manager, demanding that such Non-Permitted ERISA Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within seven days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its Notes or interest therein, the Issuer will follow the procedures set forth in clause (e) below.

- (d) If (i) a Holder of a Certificated Note fails for any reason to comply with the Holder AML Obligations, (ii) the information or documentation required to be provided pursuant to the Holder AML Obligations is not accurate or complete or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Certificated Note would cause the Issuer to be unable to achieve AML Compliance (any such person a "Non-Permitted AML Holder"), the Issuer shall, promptly after discovery that such Person is a Non-Permitted AML Holder by the Issuer or its agent upon notice from such Person (or upon notice to the Issuer from its agent), send notice to such Non-Permitted AML Holder, with a copy to the Portfolio Manager, demanding that such Non-Permitted AML Holder transfer its Certificated Notes or interest therein to a Person that is not a Non-Permitted AML Holder (and that is otherwise eligible to hold such Certificated Notes or an interest therein) within 30 days after the date of such notice. If such Non-Permitted AML Holder fails to so transfer its Certificated Notes or interest therein, the Issuer will follow the procedures set forth in clause (e) below.
- (e) If such Person fails to transfer its Notes (or the required portion of its Notes) in accordance with clause (b), (c) or (d) above, the Issuer will have the right to sell such Notes to a purchaser selected by the Issuer. The Issuer (or its agent) will request such Person to provide (within three days after such request) the names of prospective purchasers, and the Issuer (or its agent) will solicit bids from any such identified prospective purchasers and may also solicit bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes. The Issuer agrees that it will accept the highest of such bids, subject to the bidder satisfying the transfer restrictions set forth in this Indenture.
- (f) If the procedures in clause (e) above do not result in any bids from qualified investors, the Issuer may select a purchaser by any other means determined by it in its sole discretion.
- (g) The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder, Non-Permitted AML Holder or Non-Permitted ERISA Holder, as applicable.

- (h) The terms and conditions of any sale under this Section 2.11 shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Portfolio Manager or the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.12. Funding of the Unfunded Class

- (a) The Issuer acting at the direction of 100% of the Subordinated Notes (with the written consent of the Portfolio Manager), shall be permitted to request the Unfunded Class Funding; *provided* that the Unfunded Class Funding may occur only once.
- (b) The Unfunded Class Funding shall be effected by the Issuer providing written notice at the direction of 100% of the Subordinated Notes (which direction shall be substantially in the form of Exhibit I) (with the written consent of the Portfolio Manager) substantially in the form of Exhibit J (an "Unfunded Class Funding Notice") to the Trustee (who shall forward a copy of such notice to the holders of such Unfunded Class), the Collateral Administrator, the Calculation Agent and each Rating Agency at least five Business Days prior to the proposed Funding Date. The terms of the Unfunded Class Funding Notice shall have been approved by 100% of the Subordinated Notes and consented to by the Portfolio Manager. The Unfunded Class Funding Notice shall specify (i) the principal amount of the Unfunded Class to be funded (which shall be an amount equal to or less than the amount specified in the table set forth in Section 2.3(b)), (ii) the spread over the Benchmark Rate of the Unfunded Class (which shall be a spread equal to or less than the respective spread specified in the table set forth in Section 2.3(b)), (iii) the proposed Funding Date, (iv) the proceeds of the Funded Amount that shall constitute Interest Proceeds (if any) or a Funding Date Payment and (v) whether the obligation of the holders of the Unfunded Class shall be subject to an Offset Funding. The Unfunded Class Funding shall be credited to the Collection Account as Interest Proceeds (unless otherwise specified in the Unfunded Class Funding Notice) and if a Funding Date Payment is directed to be made and an Offset Funding does not otherwise apply, the Trustee shall disburse such funds received from the holders of the Unfunded Class (other than any such funds designated as Interest Proceeds pursuant to the Unfunded Class Funding Notice) pro rata to the holders of the Subordinated Notes as soon as reasonably practicable, and in no event later than five Business Days after the applicable Funding Date. An Unfunded Class Funding shall be effective on the date specified in the applicable Funding Notice. With respect to any Unfunded Class Funding requested under this Indenture and provided that an Offset Funding does not otherwise apply, all holder(s) of the Unfunded Class (or their nominee(s)) shall fund their pro rata portion of the Funded Amount, by wire transfer of immediately available funds on the applicable Funding Date as specified in the Unfunded Class Funding Notice. Any holder that does not fund their pro rata portion of the Funded Amount shall have no rights to any of the principal or interest on any Class F Notes that are funded. The failure of any such holder(s) or their nominee(s) on the Funding Date to fund their respective pro rata portion of the Funded Amount shall not constitute (x) an Event of Default or (y) an Unfunded Class Funding. On the Funding Date, the Aggregate Outstanding Amount of the Class F Notes shall equal the amount of the fundings by such holder

received by the Trustee. In connection with an Unfunded Class Funding, the Trustee shall be entitled to rely upon any instructions provided by the Issuer (or the Portfolio Manager on its behalf) for purposes of effecting such funding. Each holder of the Unfunded Class shall reasonably cooperate with the Issuer (or the Trustee on its behalf) in order to effect an Unfunded Class Funding, including by providing any information reasonably requested for such purpose.

- (c) Notwithstanding anything to the contrary herein, at the written direction of 100% of the Subordinated Notes (with the consent of the Portfolio Manager) delivered to the Issuer (with a copy to the Trustee and the Collateral Administrator at least five (5) Business Days prior to the Funding Date), which direction shall be substantially in the form set forth in Exhibit K hereto, in lieu of the holders of the Subordinated Notes receiving a Funding Date Payment in respect of the funding of the Unfunded Class, 100% of the Subordinated Notes may direct that the obligation of the holder(s) of the Unfunded Class to fund their pro rata portion of the Funded Amount shall be offset by application of any monies to be received by the holders of the Subordinated Notes on the Funding Date as a Funding Date Payment without the exchange of funds (an "Offset Funding"). In the event an Offset Funding occurs, any obligation of the holder(s) of the Unfunded Class to contribute to the Funded Amount and any obligation of the Issuer to make a Funding Date Payment shall be deemed satisfied and the Unfunded Class Funding with respect to the Unfunded Class shall be deemed to have occurred.

Section 2.13. Additional Issuance

- (a) At any time during the Reinvestment Period, the Co-Issuers may issue and sell additional notes of any one or more new classes of notes that are fully subordinated to the existing Rated Notes (or to the most junior class of notes of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of Notes issued pursuant to this Indenture other than the Rated Notes and the Subordinated Notes is then Outstanding) and/or additional notes of any one or more existing Classes and use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture, subject to satisfaction by the Applicable Issuers of the conditions set forth in Section 3.2 and provided that the following conditions are met:
- (i) the Portfolio Manager consents to such issuance and such issuance is consented to by a Majority of the Subordinated Notes; *provided* that only the consent of the Portfolio Manager shall be required if additional notes are being issued in order to comply with the U.S. Risk Retention Rules;
 - (ii) in the case of additional notes of an existing Class of Rated Notes, a Majority of the Controlling Class consents to such issuance;
 - (iii) in the case of additional notes of any one or more existing Classes, the aggregate principal amount of Notes of such Class issued in all additional issuances may not

exceed 100% of the respective original aggregate principal amount of the Notes of such Class;

- (iv) in the case of additional notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes and, the interest rate and price of such notes do not have to be identical to those of the initial Notes of that Class but, in the case of the Rated Notes, the interest rate spread over the Benchmark Rate may not exceed the interest rate spread over the Benchmark Rate applicable to the initial Notes of that Class);
- (v) in the case of additional notes of an existing Class of Rated Notes, such additional notes must be issued at a Cash sales price equal to or greater than the principal amount thereof;
- (vi) in the case of additional notes of any one or more existing Classes, unless only additional Subordinated Notes are being issued, additional notes of all Classes must be issued and such issuance of additional notes must be proportional across all Classes; *provided*, that (A) the principal amount of Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes and (B) if additional Subordinated Notes are being issued, each Holder of Subordinated Notes shall have the right to purchase additional Subordinated Notes to maintain its proportional ownership within the Class of Subordinated Notes; *provided, further* that the Portfolio Manager or its Affiliates may be afforded priority to purchase additional Subordinated Notes to the extent required to comply with the U.S. Risk Retention Rules;
- (vii) unless only additional Subordinated Notes are being issued and so long as any Rated Notes then rated by S&P are outstanding, the Global Rating Agency Condition has been satisfied with respect to any Rated Notes not constituting part of such additional issuance; *provided* that if only additional Subordinated Notes are being issued, the Issuer notifies each Rating Agency of such issuance prior to the issuance date;
- (viii) the proceeds of any additional notes (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or be applied pursuant to the Priority of Payments;
- (ix) unless only additional Subordinated Notes are being issued, immediately after giving effect to such issuance, each Coverage Test is satisfied;
- (x) unless only additional Subordinated Notes are being issued, an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee, by or on behalf of the Issuer, to the effect that any additional notes of existing Classes of Rated Notes will have the

same U.S. federal income tax debt characterization (and at the same comfort level) as Outstanding Rated Notes of the same Class as in effect immediately before the time of issuance of the additional notes; *provided* that the opinion described in this paragraph (x) will not be required with respect to any additional Rated Notes that bear a different CUSIP number (or equivalent identifier) from the Rated Notes of the same Class that are Outstanding at the time of the additional issuance;

- (xi) so long as the Issuer has not elected to rely on the exemption from registration as an investment company under the Investment Company Act provided by Section 3(c)(7), or another exemption or exclusion thereunder other than Rule 3a-7 in accordance with Section 12.3(d), the Issuer has received an Opinion of Counsel stating that such additional issuance will not eliminate the Issuer's ability to rely on Rule 3a-7 for its exclusion from the registration requirements of the Investment Company Act; and
 - (xii) the Portfolio Manager determines that the U.S. Risk Retention Rules (if applicable) are satisfied with respect to such additional issuance.
- (b) Any such additional issuance of Rated Notes pursuant to clause (a) above will be issued (x) with a separate CUSIP number unless the Notes of any Class and such additional issuance of the same Class of Rated Notes are fungible for U.S. federal income tax purposes and (y) in a manner that will allow the Issuer to accurately provide the information described in Treasury Regulations section 1.1275-3(b)(1)(i).
 - (c) Such additional notes of an existing Class may be offered at prices that differ from the applicable initial offering price.
 - (d) The Portfolio Manager and its Affiliates may be afforded priority to purchase additional notes to the extent required to comply with the U.S. Risk Retention Rules.
 - (e) Notwithstanding the foregoing, the Issuer may, with the written consent of the Portfolio Manager and a Majority of the Outstanding Subordinated Notes, at any time issue additional Subordinated Notes to any Person for any reason and, if no other Classes of Notes are issued simultaneously other than notes that are fully subordinated to the existing Rated Notes (or to the most junior class of notes of the Issuer (other than the Subordinated Notes)) issued pursuant to this Indenture, the proceeds of such issuance shall be treated as Interest Proceeds (and otherwise shall be treated as Principal Proceeds or Interest Proceeds, as designated by the Portfolio Manager in its sole discretion); *provided* that only the consent of the Portfolio Manager shall be required if additional notes are being issued in order to comply with the U.S. Risk Retention Rules.

Section 2.14. Issuer Purchases of Notes

- (a) The Portfolio Manager, on behalf of the Issuer, may, during the Reinvestment Period only, use Principal Proceeds and proceeds from Contributions accepted and received into the Contribution Account (at the direction of the related Contributor or, if no such

direction, in the reasonable discretion of the Portfolio Manager) to purchase the Notes, in whole or in part, in accordance with, and subject to, the terms described in this Section 2.14. The Trustee shall cancel as described under Section 2.9 any such purchased Notes surrendered to it for cancellation, or, in the case of any Global Notes, the Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Notes, and instruct DTC or its nominee, as the case may be, to conform its records.

- (b) To effect a purchase of Notes of any Class, the Portfolio Manager on behalf of the Issuer shall, by notice to the Holders of the Notes of such Class and Fitch, offer to purchase all or a portion of the Notes (the "Note Purchase Offer"). The Note Purchase Offer shall specify (i) the purchase price (as a percentage of par), which must be at a discount from par, (ii) the maximum amount of Principal Proceeds that will be used to effect such purchase and (iii) the length of the period during which such offer will be open for acceptance. In connection with any such purchase by the Issuer, the Issuer shall also pay accrued interest through the date of such purchase from Interest Proceeds. Pursuant to the terms of the offer each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms. If the Aggregate Outstanding Amount of Notes of the relevant Class held by Holders who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of the Notes of each accepting Holder shall be purchased *pro rata* based on the respective principal amount held by each such Holder, subject to the Minimum Denomination applicable to such Holder's Notes.
- (c) An Issuer purchase of the Notes may not occur unless each of the following conditions is satisfied:
 - (i) (A) such purchases of Notes shall occur in accordance with the Note Payment Sequence beginning with the most senior Class of Notes then Outstanding;
 - (B) each such purchase shall be effected only at prices discounted from par;
 - (C) each Coverage Test is satisfied both immediately prior to, and after giving effect to, the proposed purchase;
 - (D) no Event of Default shall have occurred and be continuing;
 - (E) with respect to each such purchase, satisfaction of the S&P Rating Condition has been confirmed with respect to any Outstanding Class A-1 Notes (and any other Class of Notes then rated by S&P at the Issuer's request) that will remain Outstanding following the purchase;
 - (F) each such purchase shall otherwise be conducted in accordance with applicable law; and
 - (G) the Maximum Moody's Rating Factor Test is satisfied both immediately prior to, and after giving effect to, the proposed purchase; and

- (ii) the Trustee has received an Officer's certificate of the Portfolio Manager to the effect that the Note Purchase Offer has been provided to the holders of the Class of Notes subject to the purchase offer and the conditions in Section 2.14(c)(i) have been satisfied as determined in good faith by the Portfolio Manager.
- (d) Any Notes purchased by the Issuer shall be surrendered to the Trustee for cancellation in accordance with Section 2.9; *provided* that any Notes purchased by the Issuer on a date that is later than a Record Date but prior to the related Payment Date will not be cancelled until the day following the Payment Date.
- (e) In connection with any purchase of Notes pursuant to this Section 2.14, the Issuer, or the Portfolio Manager on its behalf, may by Issuer Order provide direction to the Trustee to take actions the Issuer, or the Portfolio Manager on its behalf, deems necessary to give effect to the other provisions of this Indenture that may be affected by such purchase of the Notes; *provided* that no such direction may conflict with any express provision of this Indenture, including a requirement to obtain the consent of the Holders or satisfy the Global Rating Agency Condition prior to taking any such action.

(a) (x) either:

- (i) all Notes theretofore authenticated and delivered to Holders (other than (A) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.6 or, (B) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3) have been delivered to the Trustee for cancellation; or

- (ii) all Notes not theretofore delivered to the Trustee for cancellation (A) have become due and payable, or (B) will become due and payable at their Stated Maturity within one year, or (C) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Applicable Issuers pursuant to Sections 9.4 or 9.7 and the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, Cash or non-callable direct obligations of the United States of America (*provided* that the obligations are entitled to the full faith and credit of the United States of America or are debt obligations which are rated "AAA" by S&P and "AAA" by Fitch, in an amount sufficient, as recalculated in writing by a firm of Independent certified public accountants which are nationally recognized) sufficient to pay and discharge the entire indebtedness on such Notes, for principal and interest payable thereon under this Indenture to the date of such deposit (in the case of Notes which have become due and payable), or to their Stated Maturity or Redemption Date, as the case may be, and shall have Granted to the Trustee a valid perfected security interest in such cash or obligations that is of first priority or free of any adverse claim, as applicable, and shall have furnished an Opinion of Counsel with respect to the creation and perfection of such security interest; *provided* that this subsection (ii) shall not apply if an election to act in accordance with the provisions of Section 5.5(a) shall have been made and not rescinded; and

- (b) all Assets of the Issuer that are subject to the lien of this Indenture have been realized and the proceeds thereof have been distributed, in each case in accordance with this Indenture, and the Accounts have been closed;

provided that in each case, the Co-Issuers have delivered to the Trustee Officer's certificates (which may rely on information provided by the Trustee or the Collateral Administrator as to the Cash, Collateral Obligations, Equity Securities and Eligible Investments included in the Assets), each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Portfolio Manager and, if applicable, the Holders, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.16 shall survive.

Section 4.2. Application of Trust Money

All Cash and obligations deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Notes and this Indenture, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Subordinated Notes), either directly or through any Paying Agent, as

the Trustee may determine; and such Cash and obligations shall be held in a segregated account identified as being held in trust for the benefit of the Secured Parties.

Section 4.3. Repayment of Monies Held by Paying Agent

In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3 and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Section 4.4. Disposition of Illiquid Assets

- (a) If the Assets consist exclusively of Illiquid Assets, Eligible Investments and/or Cash, the Portfolio Manager may request bids with respect to each such Illiquid Asset as described below after providing notice to the Holders and requesting that any Holder that wishes to bid on any such Illiquid Asset notify the Trustee (with a copy to the Portfolio Manager) of such intention within 15 Business Days after the date of such notice. The Trustee shall, after the end of such 15 Business Day period, offer the Illiquid Assets for sale as determined and directed by the Portfolio Manager (in a manner and according to terms determined by the Portfolio Manager (including from Persons identified to the Trustee by the Portfolio Manager) and pursuant to sale documentation provided by the Portfolio Manager) and, if any Holder so notifies the Trustee that it wishes to bid, such Holder shall be included in the distribution of sale offering or bid solicitation material in connection therewith and thereby given an opportunity to participate with other bidders, if any. The Trustee shall request bids for the sale of each such Illiquid Asset, in accordance with the procedures established by the Portfolio Manager, from (i) at least three Persons identified to the Trustee by the Portfolio Manager that make a market in or specialize in obligations of the nature of such Illiquid Asset, (ii) the Portfolio Manager, (iii) each Holder that so notified the Trustee that it wishes to bid and (iv) in the case of a public sale, any other participating bidders, and the Trustee shall have no responsibility for the sufficiency or acceptability of such procedures for any purpose or for any results obtained. The Trustee shall notify the Portfolio Manager promptly of the results of such bids. Subject to the requirements of applicable law, (x) if the aggregate amount of the highest bids received (if any) is greater than or equal to U.S.\$100,000, the Issuer shall sell each Illiquid Asset to the highest bidder (which may include the Portfolio Manager and its Affiliates) and (y) if the aggregate amount of the highest bids received is less than U.S.\$100,000 or no bids are received, the Trustee shall dispose of the Illiquid Assets as directed by the Portfolio Manager in its reasonable business judgment, which may include (with respect to each Illiquid Asset) (I) selling it, at no cost to the Trustee, to the highest bidder (which may include the Portfolio Manager and its Affiliates) if a bid was received; (II) donating it, at no cost to the Trustee, to a charitable organization designated by the Portfolio Manager; (III) returning it to its issuer or obligor for cancellation or (IV) abandonment.

- (b) Notwithstanding the foregoing, the Trustee shall not be under any obligation to dispose of or offer for sale any Illiquid Assets pursuant to clause (a) above if the Trustee is not reasonably satisfied that payment of all expenses, costs and liabilities to be incurred by the Trustee in connection with such disposition or offer, as the case may be, are indemnified or provided for in a manner acceptable to the Trustee. In addition, the Trustee shall not dispose of Illiquid Assets in accordance with Section 4.4(a) if directed not to do so, at any time following notice of such disposal and prior to release, or acceptance of an offer for sale, of such Illiquid Asset, by a Majority of the Subordinated Notes; *provided* that arrangements satisfactory to the Trustee have been made to pay for any accrued and unpaid Administrative Expenses and any additional Administrative Expenses (including any dissolution and discharge expenses) reasonably expected to be incurred (after giving effect to Section 4.5). If the Trustee is so directed and no satisfactory arrangements for payment have been made, then the Trustee shall be entitled to disregard such direction and shall have no liability for taking or omitting to take any action in respect of such direction. In any event, the Trustee shall have no liability for the results of any such sale or disposition of Illiquid Assets, including, without limitation, if the proceeds received, if any, are insufficient to pay all outstanding Administrative Expenses in full.

Section 4.5. Limitation on Obligation to Incur Administrative Expenses

If at any time the sum of (i) the amount of the Eligible Investments, (ii) Cash and (iii) amounts reasonably expected to be received by the Issuer in Cash during the current Collection Period (as determined by the Portfolio Manager in its reasonable judgment) is less than the Dissolution Expenses, then notwithstanding any other provision of this Indenture, the Issuer shall no longer be required to incur Administrative Expenses as otherwise required by this Indenture to any Person or entity other than the Trustee, the Collateral Administrator (or any other capacity in which the Bank is acting pursuant to the Transaction Documents), the Administrator and their Affiliates, including for Opinions of Counsel in connection with supplemental indentures pursuant to Article VIII, annual opinions under Section 7.6, services of legal advisors and accountants under Sections 7.17 and 10.9 and fees of the Rating Agencies under Section 7.14, and failure to pay such amounts or provide or obtain such opinions, reports or services shall not constitute a Default hereunder, and the Trustee shall have no liability for any failure to obtain or receive any of the foregoing opinions, reports or services. The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee under this Indenture to refrain from taking action in the absence of its receipt of any such opinion, report or service which it reasonably determines is necessary for its own protection.

ARTICLE V REMEDIES

Section 5.1. Events of Default

"Event of Default", wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected

by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (a) a default in the payment, when due and payable, of (i) any interest on any Class A-1 Note, Class A-2 Note or Class B Note or, if there is no Class A-1 Note, Class A-2 Note or Class B Note Outstanding, any Class C Note or, if there is no Class A-1 Note, Class A-2 Note, Class B Note or Class C Note Outstanding, any Class D Note or, if there is no Class A-1 Note, Class A-2 Note, Class B Note, Class C Note or Class D Note Outstanding, any Class E Note or, if there is no Class A-1 Note, Class A-2 Note, Class B Note, Class C Note, Class D Note or Class E Note Outstanding, any Class F Note, and, in each case, the continuation of any such default for five Business Days, or (ii) any principal of, or interest or Deferred Interest on, or any Redemption Price in respect of, any Rated Note at its Stated Maturity or on any Redemption Date (other than a Special Redemption Date); *provided*, that (x) in the case of default under clause (i) or (ii) where (A) such default is due solely to a delayed or failed settlement of any Asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such Asset prior to the applicable date on which such payment is due and payable, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for 30 calendar days, (y) in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Portfolio Manager, the Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for 10 Business Days after a Bank Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined) and (z) in the case of any default on (i) any Redemption Date (other than a Special Redemption Date or a Redemption Date in connection with a Refinancing), such default will not be an Event of Default unless such default continues for a period of five or more Business Days and (ii) any Redemption Date in connection with a Refinancing, such default will not be an Event of Default;
- (b) the failure on any Payment Date to disburse amounts in excess of \$10,000 that are available in the Payment Account in accordance with the Priority of Payments and continuation of such failure for a period of 10 Business Days; *provided, that* in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Portfolio Manager, the Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent or is due to another non-credit reason, such default will not be an Event of Default unless such failure continues for 10 Business Days after a Bank Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission, irrespective of whether the cause of such administrative error or omission has been determined;

- (c) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act (and such requirement has not been eliminated after a period of 45 days);
- (d) except as otherwise provided in this Section 5.1, a default in the performance, or breach, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Interest Diversion Test is not an Event of Default and any failure to satisfy the requirements of Section 7.18 is not an Event of Default, except in either case to the extent provided in clause (g) below), or the failure of any material representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all material respects when the same shall have been made, which default, breach or failure has a material adverse effect on the Holders, and the continuation of such default, breach or failure for a period of 45 days after notice by the Trustee at the direction of the Holders of a Majority of the Controlling Class to the Issuer or the Co-Issuer, as applicable, and the Portfolio Manager specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;
- (e) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding-up or liquidation of its affairs, respectively, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days;
- (f) the institution by the Issuer or the Co-Issuer of Proceedings to have the Issuer or Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, as the case may be, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action or the shareholders of the Issuer passing a resolution to have the Issuer wound up on a voluntary basis; or

- (g) on any Measurement Date on which any Class A-1 Notes are Outstanding, failure of the percentage equivalent of a fraction, (i) the numerator of which is equal to (1) the sum of (x) the Aggregate Principal Balance of the Collateral Obligations, excluding Defaulted Obligations and (y) without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds *plus* (2) the aggregate Market Value of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1 Notes, to equal or exceed 102.5%.

Promptly upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Portfolio Manager shall notify each other. Upon the occurrence of an Event of Default known to a Bank Officer of the Trustee, the Trustee shall, not later than three Business Days thereafter, notify the Holders, each Paying Agent, DTC, each of the Rating Agencies and the Cayman Islands Stock Exchange (for so long as any Class of Notes is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require) of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2. Acceleration of Maturity; Rescission and Annulment

- (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Applicable Issuers, the Trustee, the Portfolio Manager and each Rating Agency, declare the principal of the Rated Notes to be immediately due and payable, and upon any such declaration the principal of the Rated Notes, together with all accrued and unpaid interest thereon (including, in the case of the Deferred Interest Notes, any Deferred Interest) through the date of acceleration and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Rated Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.
- (b) At any time after such a declaration of acceleration of Maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee, the Rating Agencies and the Portfolio Manager, may rescind and annul such declaration and its consequences if:
 - (i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:
 - (A) all unpaid installments of interest and principal then due on the Rated Notes (other than the non-payment of amounts that have become due solely due to acceleration);

- (B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and
 - (C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Base Management Fee and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Base Management Fees; and
- (ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Rated Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee, with a copy to the Portfolio Manager, has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Event of Default or impair any right consequent thereon.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee

The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Rated Note, the Applicable Issuers will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Rated Note, the whole amount, if any, then due and payable on such Rated Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Rated Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default or Enforcement Event occurs and is continuing, the Trustee may in its discretion, and shall (subject to its rights hereunder, including pursuant to Section 6.3(d)) upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the

exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Rated Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Rated Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Rated Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

- (a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Rated Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of the Rated Notes allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Rated Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;
- (b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Rated Notes upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and
- (c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Rated Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of the Rated Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holders of the Rated Notes, any plan of

reorganization, arrangement, adjustment or composition affecting the Rated Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holders of the Rated Notes, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Rated Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Rated Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies

- (a) If the Maturity of the Rated Notes has been accelerated as provided in Section 5.2(a) and such acceleration and its consequences have not been rescinded and annulled as provided in Section 5.2(b) (an "Enforcement Event"), the Co-Issuers agree that the Trustee may, and shall, upon written direction (with a copy to the Portfolio Manager) of a Majority of the Controlling Class (subject to the Trustee's rights hereunder, including pursuant to Section 6.3(d)), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:
- (i) institute Proceedings for the collection of all amounts then payable on the Rated Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;
 - (ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;
 - (iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;
 - (iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Rated Notes hereunder (including exercising all rights of the Trustee under the Account Agreement); and
 - (v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion or advice of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) experienced in structuring and distributing securities similar to the Rated Notes, which may be the Initial Purchaser or other appropriate advisors, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Rated Notes, which opinion or advice shall be conclusive evidence as to such feasibility or sufficiency.

- (b) If an Event of Default as described in Section 5.1(d) has occurred and is continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class in accordance with Section 5.8(b) shall (subject to the Trustee's rights hereunder, including pursuant to Section 6.3(d)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section 5.1(d), and enforce any equitable decree or order arising from such Proceeding.
- (c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Rated Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

- (d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the beneficial owners or Holders of any Notes may (and the beneficial owners and Holders of each Class of Notes agree, for the benefit of all beneficial owners and Holders of each Class of Notes, that they shall not), prior to the date which is one year (or if longer, any applicable preference period then in effect) *plus* one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Blocker Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be

deemed to estop, the Trustee, any Secured Party or any Holder (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Blocker Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, such Secured Party or such Holder, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Blocker Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceeding.

- (e) Notwithstanding anything to the contrary set forth herein, prior to the public sale of any Collateral Obligation made under the power of sale hereby given in connection with an acceleration or other exercise of remedies, the Trustee shall offer the Portfolio Manager or an Affiliate thereof a right of first refusal to purchase such Collateral Obligation (exercisable within one Business Day of the receipt of the related bid by the Trustee) at a price equal to the highest bid price determined by two of the nationally recognized loan pricing services identified in clause (i) of the definition of Market Value received by the Trustee in accordance with this Indenture (or if only one bid price is available, such bid price).

Section 5.5. Optional Preservation of Assets

- (a) If an Event of Default has occurred and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)) or an Enforcement Event has occurred (unless the Trustee has commenced remedies pursuant to Section 5.4), then the Portfolio Manager may continue to direct sales and other dispositions, and purchases, of Collateral Obligations in accordance with and to the extent permitted pursuant to Article XII and Section 4.4. If an Event of Default has occurred and is continuing or an Enforcement Event has occurred, the Trustee shall retain the Assets securing the Rated Notes intact (subject to the rights of the Portfolio Manager pursuant to the preceding sentence), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII, unless:
 - (i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the anticipated reasonable expenses of any such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Rated Notes for principal and interest (including accrued and unpaid Deferred Interest) and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Rated Notes (including any amounts due and owing, and any amounts anticipated to be due and owing), as Administrative Expenses (without regard to the Administrative Expense Cap), and the Portfolio Manager and a Majority of the Controlling Class agrees with such determination; or

- (ii) in the case of an Event of Default pursuant to Sections 5.1(a), (e), (f) or (g) (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default), (x) for so long as any Class A-1 Notes remain Outstanding, a Majority of the Class A-1 Notes directs the sale and liquidation of the Assets and (y) at any time when no Class A-1 Notes are Outstanding, a Supermajority of each Class of Rated Notes (voting separately by Class) directs the sale and liquidation of the Assets; or
- (iii) in the case of an Event of Default pursuant to Sections 5.1(b), (c) or (d), a Majority of each Class of the Rated Notes (voting separately by Class) directs the sale and liquidation of the Assets.

Directions by Holders under clauses (ii) and (iii) above will be effective when delivered to the Issuer, the Trustee and the Portfolio Manager. For the avoidance of doubt, for the purposes of this Section 5.5, the Class A-1 Notes will constitute and vote together as a single Class and the Class A-2 Notes will constitute and vote together as a single Class.

- (b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Rated Notes if the conditions set forth in clause (i), (ii) or (iii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Rated Notes if prohibited by applicable law.
- (c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation and assistance of the Portfolio Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Portfolio Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion or advice of an Independent investment banking firm of national reputation or other appropriate advisors (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Holders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Majority of the Controlling Class at any time during which the second sentence of Section 5.5(a) applies; *provided* that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

- (d) The Trustee shall promptly give written notice to each Rating Agency (to the extent any Notes are still rated by such Rating Agency) of any such liquidation of the Assets (or subsequent rescission thereof) pursuant to this Section 5.5.

Section 5.6. Trustee May Enforce Claims Without Possession of Notes

All rights of action and claims under this Indenture or under any of the Rated Notes may be prosecuted and enforced by the Trustee without the possession of any of the Rated Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7. Application of Money Collected

Following the commencement of exercise of remedies by the Trustee pursuant to Section 5.4, any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8. Limitation on Suits

No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, any other Transaction Document, any of the Notes or any other matter related thereto, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder previously has given to the Trustee (with a copy to the Portfolio Manager) written notice of an Event of Default;
- (b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made a written request upon the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;
- (c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity to the Trustee, has failed to institute any such Proceeding; and
- (d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same

Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Holders to Receive Principal and Interest

- (a) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Rated Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Rated Note (including any Deferred Interest), as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.4 and Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Note ranking senior to such Rated Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder.
- (b) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Subordinated Notes shall have the right, which is absolute and unconditional, to receive payment of the principal of and Excess Interest payable on such Subordinated Notes, as such principal and Excess Interest becomes due and payable in accordance with the Priority of Payments. Holders of Subordinated Notes shall have no right to institute proceedings for the enforcement of any such payment until such time as no Note of a Priority Class remains Outstanding, which right shall be subject to the provisions of Sections 5.4(d) and 5.8 to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.10. Restoration of Rights and Remedies

If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights

and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver

No delay or omission of the Trustee or any Holder of Rated Notes to exercise any right or remedy accruing upon any Event of Default or Enforcement Event shall impair any such right or remedy or constitute a waiver of any such Event of Default or Enforcement Event or an acquiescence therein or of a subsequent Event of Default or Enforcement Event. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Rated Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Rated Notes.

Section 5.13. Control by Majority of Controlling Class

Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default or Enforcement Event to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; *provided, that*:

- (a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;
- (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided, that* subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in clause (c) below);
- (c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and
- (d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale and liquidation of the Assets must satisfy the requirements of Section 5.5.

Section 5.14. Waiver of Past Defaults

Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive (i) any past Event of Default, (ii) any occurrence that is, or with

notice or the lapse of time or both would become, an Event of Default and (iii) any future occurrence that would give rise to an Event of Default of a type previously waived and its consequences, except any such Event of Default or occurrence:

- (a) in the payment of the principal of or interest on any Rated Note (which may be waived only with the consent of the Holder of such Rated Note);
- (b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or
- (c) in respect of a representation contained in Section 7.19.

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Portfolio Manager and each Holder.

Upon any such waiver (other than a waiver of a future event), such Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture. Any waiver of any future occurrence must be revocable by a Majority of the Controlling Class, and may also be specifically limited to a designated period of time.

Section 5.15. Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as the Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws

The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the

covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets

- (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Holders (with a copy to the Portfolio Manager), and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.
- (b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Rated Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.
- (c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.
- (d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18. Action on the Notes

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI
THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities

- (a) Except during the occurrence and continuation of an Event of Default known to the Trustee:
 - (i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders (with a copy to the Portfolio Manager).
- (b) If an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

- (i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;
 - (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Bank Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;
 - (iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;
 - (iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including providing notices under Article V, under this Indenture; and
 - (v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.
- (d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Sections 5.1(c), (d), (e) or (f) unless a Bank Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.
- (e) The Trustee will deliver all notices to the Holders forwarded to the Trustee by the Issuer or the Portfolio Manager for such purpose. Upon the Trustee receiving written notice from the Portfolio Manager that an event constituting "cause" as defined in the Portfolio Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, notify the Holders.

- (f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.
- (g) The Trustee shall, upon reasonable (but no less than three Business Days') prior written notice to the Trustee, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out of pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes; *provided* that no reports prepared by the Issuer's Independent certified public accountants will be available for examination in violation of any confidentiality provisions contained therein.
- (h) If within 80 calendar days of delivery of financial information or disbursements (which delivery may be via posting to the Trustee's Website) the Bank receives written notice of an error or omission related thereto and, within five calendar days following the Bank's providing a copy of such notice to the Portfolio Manager and the Issuer, the Portfolio Manager or the Issuer confirms such error or omission, the Bank shall use reasonable efforts to correct such error or omission and such use of reasonable efforts shall be the only obligation of the Bank in connection therewith. Beyond such period the Bank shall not be required to take any action and shall have no responsibility for the same. In no event shall the Bank be obligated to take any action at any time at the request or direction of any Person unless such Person shall have offered to the Bank indemnity reasonably satisfactory to it.

Section 6.2. Notice of Default

Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Bank Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall notify the Portfolio Manager, each Rating Agency and all Holders of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee

Except as otherwise provided in Section 6.1:

- (a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

- (b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;
- (c) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;
- (d) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;
- (e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class shall (subject to the right of the Trustee hereunder to be satisfactorily indemnified), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided* that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or any governmental or regulatory authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided, further*, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;
- (f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed, or attorney appointed, with due care by it hereunder;
- (g) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;
- (h) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, monitor, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Portfolio Manager (unless and except to the extent otherwise expressly set forth herein);

- (i) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer, from a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9(a)) or the accountants identified in the Accountants' Report (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;
- (j) the Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Portfolio Manager, the Designated Transaction Representative, the Issuer, the Co-Issuer, DTC, Euroclear, Clearstream or any other clearing agency or depository or any Paying Agent (other than the Trustee), and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or of the Portfolio Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;
- (k) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a Securities Intermediary) to the contrary, neither the Trustee nor the Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;
- (l) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Calculation Agent or Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided* that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Account Agreement or any other documents to which the Bank in such capacity is a party;

Section 6.4. Not Responsible for Recitals or Issuance of Notes

The recitals contained herein and in the Notes, other than the Certificate of Authentication with respect to the Notes thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. Section 6.5. May Hold Notes

The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent; *provided* that for so long as the Issuer seeks to rely on Rule 3a-7, the Trustee shall not offer or provide credit or credit enhancement to the Issuer.

Section 6.6. Money Held in Trust

The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement

- (a) The Issuer agrees:
- (i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
 - (ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5 or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived

- (iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of duties hereunder or under any of the other Transaction Documents, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor.
- (c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy with respect to the Issuer, Co-Issuer or any Blocker Subsidiary until at least one year (or if longer the applicable preference period then in effect) *plus* one day, after the payment in full of all Notes issued under this Indenture.
- (d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. - (d) If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor

- (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.
- (b) The Trustee may resign at any time by giving not less than 60 days' written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; *provided* that such successor Trustee shall be appointed only upon the written consent of a Majority of each Class of the Rated Notes or, at any time when an Event of Default has occurred and is continuing or an Enforcement Event has occurred or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.
- (c) The Trustee may be removed at any time with 30 days' notice by Act of a Majority of each Class of Rated Notes (for which purpose, the Class A-1 Notes will constitute and

- (d) If at any time:
- (i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or
 - (ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

- (e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder or the Trustee may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.
- (f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by providing notice of such event to the Portfolio Manager, to each Rating Agency and to the Holders. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to provide such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

- (g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Paying Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10. Acceptance of Appointment by Successor

Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment and making the representations and warranties set forth in this Indenture. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Rated Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee

Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not

join in such appointment within 15 Business Days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

- (a) the Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised, solely by the Trustee;
- (b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;
- (c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing or an Enforcement Event has occurred, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;
- (d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;
- (e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and
- (f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency and the Portfolio Manager of the appointment of a co-trustee hereunder.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds

In the event that the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager in writing

(including by email) and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Portfolio Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Portfolio Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents

Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer (with a copy to the Portfolio Manager). The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers (with a copy to the Portfolio Manager). Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers (with a copy to the Portfolio Manager).

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding

If any withholding tax is imposed on the Issuer's payments under the Notes by law or pursuant to the Issuer's agreement with a governmental authority, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings. The amount of any withholding tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Note shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee. If there is a possibility that withholding is required by applicable law with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16. Representative for Holders Only; Agent for each other Secured Party

With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders and agent for each other Secured Party.

Section 6.17. Representations and Warranties of the Bank

The Bank hereby represents and warrants as follows:

- (a) Organization. The Bank has been duly organized and is validly existing as a limited purpose national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent, and Securities Intermediary.
- (b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent, Calculation Agent and Intermediary. The Bank has taken all necessary

corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

- (c) Eligibility. The Bank is eligible under Sections 6.8(a) and 6.8(b) to serve as Trustee.
- (d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII COVENANTS

Section 7.1. Payment of Principal and Interest

The Applicable Issuers will duly and punctually pay the principal of and interest on the Rated Notes in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the terms of the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law (including FATCA) or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency

The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers

may at any time and from time to time appoint additional paying agents; *provided* that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such Paying Agent's activities or its location. If at any time the Co-Issuers shall fail to maintain the appointment of a paying agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its main office.

The Co-Issuers hereby appoint Corporate Creations Network Inc., 99 Hudson Street, 5th Floor, New York, NY 10013, as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby (the "Process Agent"). The Co-Issuers may at any time and from time to time vary or terminate the appointment of such Process Agent or appoint an additional Process Agent; *provided* that the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

Section 7.3. Money for Note Payments to be Held in Trust

All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar and/or the Trustee, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee, with a copy to the Portfolio Manager, of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee, with a copy to the Portfolio Manager; *provided* that so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has (x) a long-term issuer credit rating of "A+" or higher by S&P or a short-term issuer credit rating of "A-1" or higher by S&P and (y) a long-term debt rating of "A+" or higher by Fitch or a short-term debt rating of "F1" or higher by Fitch. If such successor Paying Agent ceases to satisfy each of clauses (x) and (y) above, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

- (a) allocate all sums received for payment to the Holders of the Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;
- (b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;
- (c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;
- (d) if such Paying Agent is not the Trustee, immediately give the Trustee, with a copy to the Portfolio Manager, notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

- (e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment.

Section 7.4. Existence of Co-Issuers

- (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; *provided* that (x) the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Trustee by the Issuer, which notice shall be forwarded by the Trustee to the Holders, the Portfolio Manager and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change; and (y) the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives a legal opinion from nationally recognized U.S. tax counsel to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal income taxes, or state or local income taxes on a net income basis in any state or locality where (i) the Portfolio Manager has operations, offices, or employees or (ii) such action is

taken, or any material other taxes to which the Issuer, or such holder, would not otherwise be subject.

- (b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors', shareholders' and members', or other similar, meetings to the extent required by applicable law) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored (other than for U.S. federal income tax purposes with respect to the Co-Issuer) or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Blocker Subsidiaries), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the Issuer's amended and restated declaration of trust by MaplesFS Limited, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles, the Registered Office Terms or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person (other than for U.S. federal income tax purposes with respect to the Co-Issuer) and (J) correct any known misunderstanding regarding its separate identity.
- (c) With respect to any Blocker Subsidiary:
- (i) the Issuer shall not permit such Blocker Subsidiary to incur any indebtedness (other than the guarantee and grant of security interest in favor of the Trustee described in clause (vii) below);
- (ii) the constitutive documents of such Blocker Subsidiary shall provide that (A) recourse with respect to the costs, expenses or other liabilities of such Blocker Subsidiary shall be solely to the assets of such Blocker Subsidiary and no creditor of such Blocker Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law, (B) the activities and business purposes of such Blocker Subsidiary shall be limited to holding Ineligible Obligations and activities reasonably incidental thereto (including holding interests in other Blocker Subsidiaries), (C) such Blocker Subsidiary will not incur any indebtedness (other than the guarantee and grant of security interest in favor of the Trustee described in clause (vii) below), (D) such Blocker Subsidiary will not create, incur, assume or permit to exist any lien (other

than a lien arising by operation of law), charge or other encumbrance on any of its assets, or, except as otherwise expressly permitted by the terms of this Indenture, sell, transfer, exchange or otherwise dispose of any of its assets, or assign or sell any income or revenues or rights in respect thereof, (E) such Blocker Subsidiary will be subject to the limitations on powers set forth in the organizational documents of the Issuer, (F) if such Blocker Subsidiary is a foreign corporation for U.S. federal income tax purposes, such Blocker Subsidiary shall file a U.S. federal income tax return reporting all effectively connected income, if any, arising as a result of owning the permitted assets of such Blocker Subsidiary, and if such Blocker Subsidiary is a U.S. corporation for U.S. federal income tax purposes, such Blocker Subsidiary shall file all appropriate tax returns, (G) after paying Taxes and expenses payable by such Blocker Subsidiary or setting aside adequate reserves for the payment of such Taxes and expenses, such Blocker Subsidiary will distribute 100% of the Cash proceeds of the assets acquired by it to the Issuer (net of such Taxes, expenses and reserves), (H) such Blocker Subsidiary will not form or own any subsidiary or any interest in any other entity other than interests in another Blocker Subsidiary or Ineligible Obligations and (I) such Blocker Subsidiary will not acquire or hold title to any real property or a controlling interest in any entity that owns real property;

- (iii) the constitutive documents of such Blocker Subsidiary shall provide that such Blocker Subsidiary will (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds; *provided* that the Issuer may pay expenses of such Blocker Subsidiary to the extent that collections on the assets held by such Blocker Subsidiary are insufficient for such purpose, (G) observe all corporate formalities and other formalities in its by-laws and its certificate of incorporation, (H) maintain an arm's length relationship with its Affiliates, (I) not have any employees, (J) not guarantee or become obligated for the debts of any other Person (other than the Issuer) or hold out its credit as being available to satisfy the obligations of others (other than the Issuer), (K) not acquire obligations or Notes of the Issuer, (L) allocate fairly and reasonably any overhead for shared office space, (M) use separate stationery, invoices and checks, (N) not pledge its assets for the benefit of any other Person (other than the Trustee) or make any loans or advance to any Person, (O) hold itself out as a separate Person, (P) correct any known misunderstanding regarding its separate identity and (Q) maintain adequate capital in light of its contemplated business operations;
- (iv) the constitutive documents of such Blocker Subsidiary shall provide that the business of such Blocker Subsidiary shall be managed by or under the direction of a board of at least one director and that at least one such director shall be a person who is not at the time of appointment and for the five years prior thereto has not been (A) a direct or indirect legal or beneficial owner of the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates (excluding *de minimis* ownership), (B) a creditor, supplier, officer, manager, or contractor of the

Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates or (C) a person who controls (whether directly, indirectly or otherwise) the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates or any creditor, supplier, officer, manager or contractor of the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates;

- (v) the constitutive documents of such Blocker Subsidiary shall provide that, so long as the Blocker Subsidiary is owned directly or indirectly by the Issuer, upon the occurrence of any voluntary or involuntary dissolution, liquidation or winding-up of the Issuer or the Co-Issuer, (x) the Issuer shall sell or otherwise dispose of all of its equity interests in such Blocker Subsidiary within a reasonable time or (y) such Blocker Subsidiary shall (A) sell or otherwise dispose of all of its property or, to the extent such Blocker Subsidiary is unable to sell or otherwise dispose of such property within a reasonable time, distribute such property in kind to the Issuer, (B) make provision for the filing of a tax return and any action required in connection with winding-up such Blocker Subsidiary, (C) liquidate and (D) distribute the proceeds of liquidation to the Issuer;
 - (vi) to the extent payable by the Issuer, with respect to any Blocker Subsidiary, any expenses related to such Blocker Subsidiary will be considered Administrative Expenses pursuant to subclause (v) of clause *third* of the definition thereof and will be payable as Administrative Expenses pursuant to Section 11.1(a);
 - (vii) the Issuer shall cause each Blocker Subsidiary (x) to give a guarantee in favor of the Trustee pursuant to which such Blocker Subsidiary absolutely and unconditionally guarantees, to the Trustee for the benefit of the Secured Parties, the obligations secured by this Indenture, including the payment of all amounts due on the Rated Notes in accordance with their terms (subject to limited recourse provisions equivalent (*mutatis mutandis*) to those contained herein), and (y) to enter into a security agreement between such Blocker Subsidiary and the Trustee pursuant to which such Blocker Subsidiary grants a perfected, first-priority continuing security interest in all of its property to secure its obligations under such guarantee; and
 - (viii) unless the Permitted Securities Condition has been satisfied, the Issuer shall not form a Blocker Subsidiary if the ownership of such Blocker Subsidiary by the Issuer would, in the sole reasonable determination of the Portfolio Manager, cause the Issuer to be a "covered fund" under the Volcker Rule at a time when Notes held by Section 13 Banking Entities constitute an "ownership interest" under the Volcker Rule.
- (d) Notwithstanding any other provision of this Indenture, the Co-Issuers and the Trustee agree, for the benefit of all Holders of each Class of Notes, not to institute against any Blocker Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, a winding-up or liquidation of a Blocker Subsidiary that no longer holds any assets),

until the payment in full of all Notes and the expiration of a period equal to one year (or, if longer, the applicable preference period then in effect) *plus* one day, following such payment in full.

Section 7.5. Protection of Assets

- (a) The Issuer (or the Portfolio Manager on its behalf) will cause the taking of such action within the Portfolio Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; *provided* that the Issuer (or the Portfolio Manager on its behalf) shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Issuer (or the Portfolio Manager on its behalf) has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Rated Notes hereunder and to:
- (i) Grant more effectively all or any portion of the Assets;
 - (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
 - (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
 - (iv) enforce any of the Assets or other instruments or property included in the Assets;
 - (v) preserve and defend title to the Assets and the rights therein of the Trustee and the Holders of the Rated Notes in the Assets against the claims of all Persons and parties; or
 - (vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer will register the security interest granted under this Indenture in its register of mortgages and charges maintained at its registered office in the Cayman Islands.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose

upon the Trustee, or release or diminish, the Issuer's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement on the Closing Date that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets" of the Issuer as the Assets in which the Trustee has a Grant.

- (b) The Trustee shall not, except in accordance with this Indenture, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

Section 7.6. Opinions as to Assets

So long as the Rated Notes are Outstanding, on or before December 18 in each calendar year, commencing in 2021, the Issuer shall furnish to the Trustee and each Rating Agency an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next year.

Section 7.7. Performance of Obligations

- (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.
- (b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Rated Notes (except in the case of the Portfolio Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Portfolio Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Portfolio Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be

performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Portfolio Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

- (c) The Issuer shall notify each Rating Agency (with a copy to the Portfolio Manager) within 10 Business Days after any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8. Negative Covenants

- (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi) through (xi) and (xiii) below, the Co-Issuer will not, in each case from and after the Closing Date:
 - (i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;
 - (ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld or deducted in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction or pursuant to the Issuer's agreement with any governmental authority);
 - (iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby, or (B) (1) issue any additional class of notes except in accordance with Section 2.13 and 3.2 or (2) issue any additional shares;
 - (iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes except as may be permitted hereby or by the Portfolio Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;
 - (v) amend the Portfolio Management Agreement except pursuant to the terms thereof;

- (vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;
 - (vii) other than as otherwise expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;
 - (viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the Co-Issuer and Blocker Subsidiaries);
 - (ix) conduct business under any name other than its own;
 - (x) have any employees (other than directors to the extent they are employees);
 - (xi) fail to maintain an independent manager under the Co-Issuer's limited liability company operating agreement;
 - (xii) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Portfolio Management Agreement;
 - (xiii) (A) in the case of the Issuer, transfer its membership interest in the Co-Issuer so long as any Rated Notes are Outstanding or (B) in the case of the Co-Issuer, permit the transfer of any of its membership interests so long as any Rated Notes are Outstanding; and
 - (xiv) subject to Section 8.2(e), enter into any hedge agreement.
- (b) The Co-Issuer will not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and will keep all of its assets in Cash.
 - (c) Neither the Issuer nor the Co-Issuer will be party to any agreements under which it has a future payment obligation without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.
 - (d) The Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying each Rating Agency (with a copy to the Portfolio Manager).
 - (e) The Issuer shall not amend its declaration of trust and the Co-Issuer shall not amend its limited liability company agreement, without in each case providing prior written notice to S&P.

- (f) The Issuer may not acquire any of the Notes (including any Notes surrendered or abandoned) other than pursuant to and in accordance with Section 2.14. This Section 7.8(f) shall not be deemed to limit an optional, special or mandatory redemption pursuant to the terms of this Indenture.

Section 7.9. Statement as to Compliance

On or before December 31 in each calendar year commencing in 2021, or immediately if there has been a Default under this Indenture and prior to the issuance of any additional notes pursuant to Section 2.13, the Issuer shall deliver to the Trustee and the Administrator (to be forwarded by the Trustee or the Administrator, as applicable, to the Portfolio Manager, each Holder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Portfolio Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10. Co-Issuers May Consolidate, Etc., Only on Certain Terms

Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

- (a) the Merging Entity shall be the surviving entity, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (i) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class (*provided* that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and (ii) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Rated Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;
- (b) each Rating Agency shall have been notified in writing of such consolidation and the S&P Rating Condition shall have been satisfied;
- (c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any

of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

- (d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Notes, (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Rated Notes and (iii) such Successor Entity will not be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or be subject to U.S. federal net income tax; and in each case as to such other matters as the Trustee or any Holder may reasonably require; *provided* that nothing in this clause (d) shall imply or impose a duty on the Trustee to require such other documents;
- (e) immediately after giving effect to such transaction, no Default, Event of Default or Enforcement Event has occurred and is continuing;
- (f) the Merging Entity shall have notified the Portfolio Manager of such consolidation, merger, transfer or conveyance and shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that such consolidation, merger, transfer or conveyance will not cause the Issuer to be subject to U.S. federal net income tax and will not, for any purpose, cause any Class of Rated Notes to be deemed retired and reissued or otherwise exchanged for U.S. federal income tax purposes;
- (g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable,

the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

- (h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person.

Section 7.11. Successor Substituted

Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12. No Other Business

So long as any of the Notes remain Outstanding, except as expressly permitted under this Indenture, the Issuer will not incur any other indebtedness for borrowed moneys or, *inter alia*, declare any dividends, have any subsidiaries other than the Co-Issuer and any Blocker Subsidiaries, have any employees (other than directors to the extent they are employees), purchase, own, lease, or otherwise acquire any real property (including office premises or like facilities), consolidate or merge with any other person or convey or transfer its properties or assets substantially as an entity to any person (otherwise than as contemplated in the Transaction Documents) or issue any shares (other than such ordinary shares of the Issuer as shall be in issue on the Closing Date or as contemplated in the Transaction Documents). The Issuer shall not engage in any business or activity other than issuing, repaying and redeeming the Notes and any additional notes issued pursuant to this Indenture, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations and Eligible Investments, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, shares in Blocker Subsidiaries and other activities incidental thereto, including entering into the Purchase Agreement and the Transaction Documents to which it is a party. The Issuer shall not hold itself out as originating loans, lending funds, making a market in loans or other assets or selling loans or other assets to customers or as willing to enter into, assume, offset, assign or otherwise terminate positions in derivative financial instruments with customers. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16. Calculation Agent

- (a) The Issuer hereby agrees that for so long as any Rated Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the Benchmark Rate in respect of each Interest Accrual Period (or, for the first Interest Accrual Period, the related portion thereof) ~~in accordance with the terms of Exhibit C hereto~~ (the "Calculation Agent"); *provided* that the Benchmark Rate shall never be less than 0%. The Issuer hereby appoints the Collateral Administrator as the Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or

- (b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as possible ~~after 11:00 a.m. London time on each Interest Determination Date, but in no event later than 11:00 a.m.~~8:00 a.m. New York time on the ~~London Banking Day immediately following each~~ Interest Determination Date, the Calculation Agent shall calculate the Interest Rate applicable to each Class of Rated Notes during the related Interest Accrual Period (or portion thereof, in the case of the first Interest Accrual Period) and the Note Interest Amount applicable to each Class of Rated Notes (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Rated Notes and the related Interest Accrual Period. At such time, the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, the Collateral Administrator, Euroclear and Clearstream. The Calculation Agent shall also specify to the Portfolio Manager (on behalf of the Co-Issuers) and the Collateral Administrator the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Portfolio Manager (on behalf of the Co-Issuers) and the Collateral Administrator before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount, together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or portion thereof) shall (in the absence of manifest error) be final and binding upon all parties. Until such time, if any, as the Benchmark Rate is changed in accordance with the provisions of this Indenture to a reference rate other than LIBORTerm SOFR, the Benchmark Rate shall be calculated in accordance with the definition of LIBORTerm SOFR. The Collateral Administrator, in its capacity as Calculation Agent, will have no (i) responsibility or liability for the selection or determination of a Benchmark Rate, any Benchmark Replacement Rate Adjustment or any other alternate reference rate as a successor or replacement reference rate to LIBORTerm SOFR and if Compounded SOFR is the alternate reference rate, have no obligation to determine the methodology, conventions or administrative procedures for the calculation of such rate, and in each case will be entitled to rely upon any designation of such rate made by the Portfolio Manager pursuant to this Indenture and (ii) liability for any failure or delay in performing its duties under the Collateral Administration Agreement as a result of the unavailability of a "LIBORTerm SOFR" rate as described in the definition thereof.

Section 7.17. Certain Tax Matters

- (a) The Issuer, the Co-Issuer (to the extent applicable) and the Trustee agree to treat the Rated Notes as debt and to treat the Subordinated Notes as equity for U.S. federal, state and local income or franchise tax purposes, except as otherwise required by

applicable law; *provided*, that the Issuer may provide the information described in Section 7.17(b) to a Holder (including for purposes of Section 7.17, any beneficial owner) of Class E Notes or Class F Notes.

- (b) No later than July 31 of each calendar year, the Issuer shall (or shall cause its Independent certified public accountants to) provide (to the extent reasonably available) to each Holder of Subordinated Notes (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain from the Issuer or any Blocker Subsidiary, if applicable, for U.S. federal income tax purposes and (ii) a "PFIC Annual Information Statement" as described in Treasury Regulation section 1.1295-1 (or any successor Treasury Regulation), including all representations and statements required by such statement, and will take any other reasonable steps necessary to facilitate such election by, and any reporting requirements of, the owner of a beneficial interest in Subordinated Notes. Furthermore, the Issuer will provide, upon request of a Holder of Class E Notes or Class F Notes making a protective "qualified electing fund" election, the information provided in clauses (i) and (ii) of this Section 7.17(b). Upon request by the Independent certified public accountants, the Registrar shall provide to the Independent certified public accountants information contained in the Register and requested by the Independent certified public accountants to comply with this Section 7.17(b).
- (c) The Issuer has not elected and will not elect to be treated other than as a foreign corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for such purposes.
- (d) The Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority; *provided* that the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States unless it shall have obtained written advice of Hunton Andrews Kurth LLP or Milbank LLP or a written opinion of other nationally recognized tax counsel prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.
- (e) If required to prevent the withholding and imposition of U.S. income tax on payments made to the Issuer, the Issuer shall deliver or cause to be delivered an IRS Form W-8BEN-E or applicable successor form certifying as to the non-U.S. Person status of the Issuer to each issuer or obligor of or counterparty with respect to an Asset at the time such Asset is purchased or entered into by the Issuer and thereafter prior to the obsolescence or expiration of such form.
- (f) The Issuer will provide to the extent reasonably available, upon request and at the expense of a Holder of Subordinated Notes (or a Holder of any Rated Note recharacterized as equity in the Issuer for U.S. federal income tax purposes), any information that such Holder reasonably requests to assist such Holder with regard to

any filing requirements the Holder may have as a result of the controlled foreign corporation rules under the Code.

- (g) The Issuer shall not (i) become the owner (other than indirectly through a Blocker Subsidiary) of any Ineligible Obligation described in clause (b) of the definition of "Ineligible Obligation" or (ii) engage in any activity that would cause the Issuer to be subject to U.S. federal income tax on a net income basis.
- (h) The Portfolio Manager may effect the transfer to a Blocker Subsidiary of an Ineligible Obligation and, with respect to an Ineligible Obligation described in clause (b) of the definition of "Ineligible Obligation," the Portfolio Manager shall effect such transfer prior to the receipt of such Ineligible Obligation (unless such Ineligible Obligation is sold or disposed of as described in Section 12.1(i)(ii)). In connection with the incorporation of, or transfer of any security or obligation to, any Blocker Subsidiary, the Issuer shall not be required to satisfy the Global Rating Agency Condition; *provided* that prior to the incorporation of any Blocker Subsidiary and prior to the transfer of any Assets to any Blocker Subsidiary, the Portfolio Manager will, on behalf of the Issuer, provide written notice thereof to each Rating Agency. The Issuer shall not be required to continue to hold in a Blocker Subsidiary (and may instead hold directly) a security that ceases to be considered an Ineligible Obligation, as determined by the Portfolio Manager based on written advice of Hunton Andrews Kurth LLP or Milbank LLP or a "will" written opinion of other nationally recognized tax counsel to the effect that the Issuer can transfer such security or obligation from the Blocker Subsidiary to the Issuer and can hold such security or obligation directly without causing the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes. For financial accounting reporting purposes (including each Monthly Report and Distribution Report) and the Coverage Tests and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Ineligible Obligation held by a Blocker Subsidiary rather than its interest in that Blocker Subsidiary. The Issuer shall not dispose of any interest in a Blocker Subsidiary and no Blocker Subsidiary shall make a distribution to the Issuer if such disposition or distribution (as the case may be) could (i) cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or (ii) give rise to income or gain that is treated as effectively connected with the conduct of a trade or business of the Issuer within the United States for U.S. federal income tax purposes.
- (i) The Issuer (i) may hire advisors (including legal advisors and an accounting firm) or other Persons experienced in such matters to assist the Issuer and any non-U.S. Blocker Subsidiary in achieving Tax Account Reporting Rules Compliance and (ii) will take all reasonable actions consistent with the law and its obligations under this Indenture to ensure that the Issuer and any non-U.S. Blocker Subsidiary satisfy any and all withholding and tax payment obligations under Code sections 1441, 1442, 1445, 1471, and 1472 or any other provision of the Code or other applicable law, including achieving Tax Account Reporting Rules Compliance. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it or any advisor

retained by the Issuer or the Trustee on its behalf determines is legally required to be withheld from any amounts otherwise distributable to any Holder.

- (j) The Co-Issuer has not elected and will not elect to be treated as other than a disregarded entity for U.S. federal, state or local tax purposes.
- (k) In connection with a DTR Proposed Amendment that causes Floating Rate Notes to be deemed reissued for U.S. federal income tax purposes, the Issuer will cause its Independent certified public accountants to assist the Issuer in complying with any requirements under Treasury Regulation section 1.1273-2(f)(9) (or any successor provision), including, (i) determining whether Floating Rate Notes subject to such DTR Proposed Amendment are traded on an established market, (ii) if so traded, to cause its Independent certified public accountants to determine the fair market value of such Floating Rate Notes, and (iii) to make available such fair market value determination to Holders of Floating Rate Notes subject to the DTR Proposed Amendment in a commercially reasonable fashion, including by electronic publication, within 90 days after the effective date of such DTR Proposed Amendment.
- (l) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of Subordinated Notes (or any Class of Rated Notes that is recharacterized as equity in the Issuer for U.S. federal income tax purposes) requests in writing the information about any such transactions in which the Issuer has participated or will participate, the Issuer (or the Portfolio Manager acting on behalf of the Issuer) shall provide such information it has reasonably available as soon as practicable after such request.

Section 7.18. Effective Date; Purchase of Additional Collateral Obligations

- (a) The Issuer will use commercially reasonable efforts to purchase (or enter into commitments to purchase), on or before the Effective Date, Collateral Obligations, such that the Target Initial Par Condition is satisfied.

In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy or comply with, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and each Overcollateralization Ratio Test.
- (c) Within 30 Business Days after the Effective Date, the Issuer shall provide, or cause the Portfolio Manager or the Collateral Administrator to provide, to S&P, an S&P Excel Default Model Input File.

In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Effective Date Accountants' Comparison AUP Report as an attachment, shall be provided by the Independent Accountants to the Issuer who shall post such Form 15-E on the 17g-5 Website. If any discrepancy exists, the Trustee and the Issuer, or the Portfolio Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days of its initial notice to the Issuer, Collateral Administrator, Rating Agencies and the Portfolio Manager of the discrepancy notify the Portfolio Manager who shall, on behalf of the Issuer, request that the Independent accountants selected by the Issuer pursuant to Section 10.9 perform agreed-upon procedures on the Effective Date Report

and the Trustee's records to determine the cause of such discrepancy. If such procedures reveals an error in the Effective Date Report or the Trustee's records, the Effective Date Report or the Trustee's records shall be revised accordingly and notice of any error in the Effective Date Report shall be sent as soon as practicable by the Issuer to all recipients of such report.

- (e) On the 30th calendar day following the Effective Date there will occur an "S&P Rating Confirmation Failure" unless within such time, either (x) S&P (which must receive the Effective Date Report described in Section 7.18(d) to provide written confirmation (which may take the form of a press release or other written communication) of its Initial Rating) provides written confirmation of its Initial Rating or (y) the S&P CDO Monitor Test is satisfied. If an S&P Rating Confirmation Failure occurs, then the Issuer (or the Portfolio Manager on the Issuer's behalf) shall provide notice to Fitch and may designate Interest Proceeds as Principal Proceeds for the purchase of additional Collateral Obligations until such time as (x) S&P has provided written confirmation (which may take the form of a press release or other written confirmation) of its Initial Rating or (y) the S&P CDO Monitor Test is satisfied; *provided* that, in lieu of the foregoing, the Issuer (or the Portfolio Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption or designating Interest Proceeds as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Portfolio Manager on the Issuer's behalf) to (i) obtain written confirmation (which may take the form of a press release or other written confirmation) from S&P of its Initial Rating (and provide notice to Fitch of such written confirmation) or (ii) satisfy the S&P CDO Monitor Test.

- (ix) to take any action necessary or advisable (including modifying the restrictions on and procedures for resales and other transfers of Notes to enable the Issuer and any non-U.S. Blocker Subsidiary to achieve Tax Account Reporting Rules Compliance or to reflect any changes in the Tax Account Reporting Rules, or other applicable law or regulation (or the interpretation thereof)) to prevent the Issuer and any Blocker Subsidiary from becoming subject to (or to otherwise minimize) withholding or other taxes, fees or assessments or to reduce the risk of the Issuer being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise being subject to U.S. federal, state or local income tax on a net basis;
- (x) at any time during the Reinvestment Period (or after the Reinvestment Period, in the case of clause (C) below), to facilitate the issuance by the Co-Issuers in accordance with Sections 2.13, 3.2, 9.1 and 9.2 (for which any required consent has been obtained) of (A) additional notes of any one or more new classes that are fully subordinated to the existing Rated Notes (or to the most junior class of notes of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Rated Notes and the Subordinated Notes is then Outstanding); (B) additional notes of any one or more existing Classes; or (C) replacement notes in connection with a Refinancing; *provided* that any modifications facilitating the issuance of any additional notes or replacement notes in connection with a Refinancing (other than modifications determined by the Portfolio Manager to be necessary for such issuance of additional notes or replacement notes not to be subject to (or to comply with) any U.S. Risk Retention Rules, which shall not require the consent

of any Holder), which modifications may include the establishment of a non-call period and prohibition of future refinancings, shall not require the consent of any Holder other than a Majority of the Subordinated Notes;

- (xvi) to modify provisions of this Indenture relating to the creation, perfection and preservation of the security interest of the Trustee in Assets to conform with applicable law;
- (xvii) to make any modification or amendment determined by the Issuer or the Portfolio Manager (in consultation with legal counsel of national reputation experienced in such matters) as necessary or advisable (A) for any Class of Rated Notes to not be considered an "ownership interest" as defined for purposes of the Volcker Rule or (B) for the Issuer to not otherwise be considered a "covered fund" as defined for purposes of the Volcker Rule, in each case so long as, if it amends or deletes the defined terms "Collateral Obligation," "Equity Security," "Eligible Investment," "Participation Interest" and "Volcker Rule" such modification or amendment is approved in writing by a supermajority (at least 66 2/3% based on the Aggregate Outstanding Amount of Notes held by the Section 13 Banking Entities) of the Section 13 Banking Entities (voting as a single class); *provided* that such consent under this clause (B) shall only be required if, as a result of and only from and after the effectiveness of the amendment implemented by such supplemental indenture, such supplemental indenture would (a) cause the Issuer to constitute a

"covered fund" under the Volcker Rule at a time when Notes held by Section 13 Banking Entities constitute an "ownership interest" under the Volcker Rule (but only if, but for such amendment, the Issuer would not otherwise be a "covered fund") or (b) cause the ownership of any Class of Rated Notes held by a Section 13 Banking Entity to be considered an "ownership interest" as defined for purposes of the Volcker Rule (but only if, but for such amendment, such ownership interest would not otherwise be an "ownership interest" under the Volcker Rule); *provided, further* that a Majority of the Controlling Class has consented to such supplemental indenture;

- (xix) to accommodate an assignment by the Portfolio Manager, pursuant to the provisions of the Portfolio Management Agreement, of all of its rights and obligations under the Portfolio Management Agreement; *provided* that if such assignment is to a non-Affiliate of the Portfolio Manager, a Majority of the Controlling Class has consented to such supplemental indenture;
- (xx) in connection with the transition to any Benchmark Replacement Rate, to make any Benchmark Replacement Rate Conforming Changes proposed by the Designated Transaction Representative in connection therewith (for the avoidance of doubt, this clause (xx) shall not be the basis for a change to the Benchmark Rate itself);
- (xxi) notwithstanding anything to the contrary in this Indenture, in connection with a Refinancing of all Classes of Rated Notes, with the consent of a Majority of the Subordinated Notes and the Portfolio Manager but without any other consents that would otherwise be required under any other provision of this Indenture, to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of any Class under this Indenture; *provided* that any modifications to the rights and benefits of the Subordinated Notes shall apply to all Outstanding Subordinated Notes in the same manner;
- (xxii) upon the occurrence of a Depository Event or if an Event of Default has occurred and is continuing and the holder of a Global Note deposited with DTC has so requested, to make such changes as will be necessary or advisable to allow for the transfer of Global Notes to Certificated Notes;
- (xxiii) with the consent of the Portfolio Manager, to modify or amend any components of the S&P CDO Monitor BDR, the S&P CDO Monitor SDR or any component of

- (c) The Portfolio Manager does not warrant with respect to, nor accept responsibility, nor shall the Portfolio Manager have any liability with respect to the administration, submission or any other matter related to the replacement rates in the definition of "Benchmark Rate," "Benchmark Replacement Rate Adjustment," "LIBOR," and/or any related terms, or with respect to any rate that is an alternative or replacement for or successor to any of such rate (including, without limitation, any Fallback Rate) or the effect of any of the foregoing, or of any matters described or related to Benchmark Replacement Rate Conforming Changes or any supplemental indenture pursuant to clause (a)(xx) immediately above; *provided, that* nothing in this paragraph shall be deemed to limit the obligations of the Portfolio Manager to perform actions expressly required to be performed by it pursuant to this Indenture in connection with the selection of an alternative or replacement reference rate for the Floating Rate Notes.

Section 8.2. Supplemental Indentures With Consent of Holders

- (a) With the consent of a Majority of the Notes of each Class (including the Class F Notes at all times) materially and adversely affected thereby, if any, the Trustee and the Co-Issuers may execute one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of any Class under this Indenture; *provided that* notwithstanding anything in this Indenture to the contrary, except for any changes to this Indenture that are permitted under Section

8.1(a)(xxi) above, no such supplemental indenture shall, without the consent of each Holder of each Outstanding Note of each Class materially and adversely affected thereby:

- (i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Rated Note, reduce the principal amount thereof, reduce the rate of interest thereon (other than in connection with a Refinancing or, for the avoidance of doubt, in accordance with the Portfolio Manager's selection of a Benchmark Replacement Rate, Section 8.1(a)(xxiv) or the Portfolio Manager's implementation of Benchmark Replacement Rate Conforming Changes pursuant to Section 8.1(a)(xx)), or reduce the Redemption Price with respect to any Note, or change the earliest date on which Notes of any Class may be redeemed to an earlier date, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Rated Notes or distributions on the Subordinated Notes (other than, following a redemption in full of the Rated Notes, an amendment to permit distributions to holders of Subordinated Notes on dates other than Payment Dates) or change any place where, or the coin or currency in which, Notes or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); *provided* that with respect to lowering the rate of interest payable on a Class of Notes, the consent of Holders of the other Classes of Notes shall not be required;
- (ii) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for in this Indenture;
- (iii) materially impair or materially adversely affect the Assets except as otherwise permitted in this Indenture;
- (iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Rated Note of the security afforded by the lien of this Indenture;
- (v) reduce or increase the percentage of the Aggregate Outstanding Amount of Holders of any Class of Rated Notes whose consent is required to request the Trustee to preserve the Assets or rescind the Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5;
- (vi) modify any of the provisions of this Indenture with respect to entering into supplemental indentures, except to increase the percentage of Outstanding Notes

the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note Outstanding and materially and adversely affected thereby;

- (vii) modify the definition of the term "Controlling Class," the definition of the term "Class," the definition of the term "Notes," the definition of the term "Class A-1 Notes," the definition of the term "Majority," the definition of the term "Supermajority," the definition of the term "Outstanding" or the Priority of Payments set forth in Section 11.1(a); or
 - (viii) modify any of the provisions of this Indenture in such a manner as to affect the rights of the Holders of any Rated Notes or the Subordinated Notes to the benefit of any provisions for the redemption of such Rated Notes or such Subordinated Notes contained herein.
- (b) With the consent of the Portfolio Manager, a Majority of the Controlling Class and a Majority of each Class materially and adversely affected thereby, the Trustee and the Co-Issuers may execute one or more indentures supplemental hereto to modify (i) the definition of the term "Concentration Limitations," (ii) the Collateral Quality Test or the definitions related thereto or (iii) any of the Investment Criteria.
 - (c) With the consent of the Portfolio Manager and each holder of a Subordinated Note, regardless of whether such Class would be materially and adversely affected thereby, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the Subordinated Management Fee.
 - (d) With the consent of the Portfolio Manager and each holder of a Subordinated Note, regardless of whether such Class would be materially and adversely affected thereby, the Trustee and the Co-Issuers may execute one or more indentures supplemental hereto to modify the Incentive Management Fee.
 - (e) If any supplemental indenture permits the Issuer to enter into a Synthetic Obligation or other hedge agreement, swap or derivative transaction (each, a "hedge agreement"), the Co-Issuers and the Trustee shall not enter into such supplemental indenture without the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes; *provided* that the supplemental indenture shall require that, before entering into any such hedge agreement, the following additional conditions are satisfied: (A) the Issuer receives a written Opinion of Counsel that either (1) the Issuer entering into such hedge agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the Commodity Exchange Act, as amended or (2) if the Issuer would be a commodity pool, (a) that the Portfolio Manager, and no other party, would be the "commodity pool operator" and "commodity trading advisor;" and (b) with respect to the Issuer as the commodity pool, the Portfolio Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading advisor and all conditions precedent to obtaining such an exemption have been satisfied; (B) the Portfolio Manager agrees in writing (or the supplemental indenture

requires) that for so long as the Issuer is a commodity pool it will take all action necessary to ensure ongoing compliance with the applicable exemption from registration as a commodity pool operator and commodity trading advisor with respect to the Issuer, and any other actions required as a commodity pool operator and commodity trading advisor with respect to the Issuer; (C) until the Permitted Securities Condition has been satisfied, the Issuer receives advice of legal counsel of nationally recognized standing in the United States experienced in such matters that the Issuer entering into such hedge agreement will not, in and of itself, cause the Issuer to become a "covered fund" as defined for the purposes of the Volcker Rule at a time when Notes held by Section 13 Banking Entities constitute an "ownership interest" under the Volcker Rule; (D) the Issuer has confirmed satisfaction of the S&P Rating Condition, the counterparty to such hedge agreement satisfies the Fitch Eligible Counterparty Ratings and the Issuer has provided notice to Fitch at least 15 Business Days prior to entering into such hedge agreement; and (E) unless and until the Issuer elects not to rely on the exclusion from registration under the Investment Company Act provided by Rule 3a-7, the Issuer receives a written Opinion of Counsel that the acquisition of or entering into such hedge agreement will not eliminate the Issuer's ability to rely on Rule 3a-7. The Portfolio Manager (on behalf of the Issuer) will not enter into any hedge agreement unless such hedge agreement is an interest rate or foreign exchange derivative and the terms of such derivative relate to the Loans held by the Issuer and reduce the interest rate or foreign exchange risks related to the Loans held by the Issuer.

- (f) With the consent of the Portfolio Manager and a Majority of each Class of Rated Notes, the Trustee and the Co-Issuers may execute one or more supplemental indentures to modify the Coverage Tests; *provided* that such consent of a Majority of any Class of Rated Notes will not be required if such Class is being refinanced in connection with any Refinancing.
- (g) The Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion, including an Officer's Certificate of the Portfolio Manager) as to whether the interests of any Class would be materially and adversely affected by the modifications set forth in any supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in Section 8.3(b) hereof.

Section 8.3. Execution of Supplemental Indentures

- (a) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental

indenture (including, without limitation, a DTR Proposed Amendment or any modification or related changes in connection with any Benchmark Replacement Rate or Fallback Rate) which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

- (b) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee will be entitled to receive, and (subject to Sections 6.1 and 6.3) will be fully protected in relying in good faith upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been complied with; *provided* that if such Opinion of Counsel relies upon a written certification as to whether one or more Classes are materially adversely affected by such supplemental indenture, the Trustee shall also be entitled to rely on such written certification.
- (c) At the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than 10 Business Days (or in the case of a supplemental indenture effecting a Refinancing, five Business Days) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee will provide to the Portfolio Manager, the Collateral Administrator, the Rating Agencies and the Holders a notice attaching a copy of such supplemental indenture. Any consent given to a proposed supplemental indenture by the Holder of any Note shall be irrevocable and binding on all future holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the required consent to a proposed supplemental indenture is received from the applicable Holders prior to the end of the applicable notice period, the supplemental indenture may be executed prior to the end of such period. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture within 10 Business Days (or five Business Days if the supplemental indenture is in connection with a Refinancing) from the date of delivery of such notice, on the first Business Day following such period, the Trustee shall provide all such consents (and any other applicable responses from the Holders) received to the Issuer and the Portfolio Manager so that they may determine which Holders have consented to the proposed supplemental indenture and which Holders (and, to the extent such information is available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture.
- (d) At the cost of the Co-Issuers, the Trustee will provide to the Portfolio Manager, the Collateral Administrator, the Holders and the Rating Agencies a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish, mail or deliver such notice, or any defect therein, will not in any way impair or affect the validity of any such supplemental indenture.
- (e) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any

Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

- (f) The Portfolio Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of such amendment or supplement from the Issuer or the Trustee. The Issuer agrees that it shall not permit to become effective any amendment, supplement or modification to this Indenture that would, as reasonably determined by the Portfolio Manager, (i) increase the duties or liabilities of, reduce or eliminate any protection, right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Portfolio Manager), or adversely change the economic consequences to, the Portfolio Manager; (ii) modify the Investment Criteria, Collateral Quality Test, Coverage Tests or the restrictions on the Sales of Collateral Obligations; or (iii) materially expand or restrict the Portfolio Manager's discretion without the prior written consent of the Portfolio Manager, and the Portfolio Manager shall not be bound thereby unless the Portfolio Manager shall have consented in advance thereto in writing, such consent not to be unreasonably withheld or delayed. The Trustee will not be obligated to enter into any amendment or supplement (including, without limitation, a DTR Proposed Amendment or any modifications or related changes in connection with any Benchmark Replacement Rate) that, as determined by the Trustee, adversely affects its duties, obligations, liabilities or protections under this Indenture. No amendment to this Indenture (including, without limitation, a DTR Proposed Amendment or any modifications or related changes in connection with a Benchmark Replacement Rate) will be effective against the Collateral Administrator or the Calculation Agent if such amendment would adversely affect the Collateral Administrator or the Calculation Agent, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator or the Calculation Agent, unless the Collateral Administrator or the Calculation Agent otherwise consents in writing. No amendment or supplement to this Indenture shall amend or modify this Section 8.3(f) without the Portfolio Manager's prior written consent in its sole and absolute discretion.
- (g) Any Class of Notes being refinanced pursuant to a Refinancing in accordance with this Indenture shall be deemed not to be materially and adversely affected by terms of the supplemental indenture related to such Refinancing or that become effective on the refinancing date.
- (h) For the avoidance of doubt, no Holder of any Class of Notes being refinanced pursuant to a Refinancing in accordance with this Indenture shall have any objection or consent rights with respect to any terms of the supplemental indenture related to such Refinancing or that otherwise become effective on the refinancing date.

Section 8.4. Effect of Supplemental Indentures

Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this

Indenture for all purposes; and every Holder theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Indentures

Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption

If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Quarterly Payment Date to make payments in accordance with the Note Payment Sequence to the extent necessary to achieve compliance with such Coverage Test, as applicable.

Section 9.2. Optional Redemption

(a) ___ On any Business Day after the Non-Call Period, at the written direction of the Holders of a Majority of the Subordinated Notes and with the consent of the Portfolio Manager, (i) the Rated Notes shall be redeemed by the Applicable Issuers in whole (with respect to all Classes of Rated Notes) but not in part from Sale Proceeds and/or Refinancing Proceeds and all other funds available for such purpose in the Collection Account and the Payment Account; or (ii) the Rated Notes shall be redeemed by the Applicable Issuers in part by Class from Refinancing Proceeds, Partial Redemption Interest Proceeds and all other available proceeds from a Contribution (so long as any Class of Rated Notes to be redeemed represents not less than the entire Class of such Rated Notes). In connection with any such redemption (each such redemption, an "Optional Redemption"), the Rated Notes shall be redeemed at the applicable Redemption Prices. To effect an Optional Redemption, the above described written direction must be provided to the Applicable Issuer and the Trustee (with a copy to the Portfolio Manager) not later than 30 calendar days prior to the Business Day on which such redemption is to be made, or such shorter period as the Trustee and the Portfolio Manager may agree; *provided* that all Rated Notes to be redeemed must be redeemed simultaneously.

(b) ___ Upon receipt of a notice of an Optional Redemption of the Rated Notes in whole but not in part pursuant to Section 9.2(a)(i) (subject to Sections 9.2(d) and 9.2(e) with respect to a redemption from proceeds that include Refinancing Proceeds), the

Portfolio Manager shall direct the sale (and the manner thereof), acting in accordance with the standard of care set forth in the Portfolio Management Agreement to maximize the proceeds of such sale, of all or part of the Collateral Obligations and other Assets in an amount sufficient that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account will be at least sufficient to pay the Redemption Prices of the Rated Notes to be redeemed (or such lesser amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), all amounts senior in right of payment to the Rated Notes (including any accrued and unpaid Base Management Fee) and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) payable under the Priority of Payments (collectively, the "Required Redemption Amount"). If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be at least equal to the Required Redemption Amount, the Rated Notes may not be redeemed. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(c)___The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption in full of the Rated Notes, at the direction of (x) a Majority of the Subordinated Notes (with a copy to the Portfolio Manager) or (y) the Portfolio Manager (in all cases, which direction may be given in connection with a direction to redeem the Rated Notes or at any time after the Rated Notes have been redeemed in full). Upon the occurrence of such an Optional Redemption of the Subordinated Notes (other than the occurrence of an Optional Redemption resulting from a Tax Event), the Portfolio Manager, in its sole discretion, or any of its Affiliates may instead purchase at the applicable Redemption Price (as determined by the Portfolio Manager), in whole or in part, the Subordinated Notes to be redeemed by the Issuer in lieu of effecting such redemption on the Issuer's behalf.

(d)___In addition to (or in lieu of) a sale of Assets in the manner provided in Section 9.2(b), the Rated Notes may, on any Business Day after the Non-Call Period, be redeemed in whole from Refinancing Proceeds and Sale Proceeds or in part by Class from Refinancing Proceeds, Partial Redemption Interest Proceeds and all other available proceeds from a Contribution as provided in Section 9.2(a)(ii); *provided* that the terms of such Refinancing must be acceptable to the Portfolio Manager and a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below. For the avoidance of doubt, any Class of Rated Notes may be redeemed from Refinancing Proceeds resulting from a loan obtained by the Issuer.

(e)___In the case of a Refinancing upon a redemption of the Rated Notes in whole but not in part pursuant to Section 9.2(a)(i), such Refinancing will be effective only if: (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem simultaneously the Rated Notes, in whole but not in part, and to pay the other amounts included in the

Required Redemption Amount, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee, the Portfolio Manager and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, (ii) the Sale Proceeds, Refinancing Proceeds and other available funds are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i), Section 5.4(d) and Section 13.1(d) and (iv) the Portfolio Manager has consented to such Refinancing. The Portfolio Manager, in connection with a Refinancing pursuant to which all Rated Notes are being refinanced, may designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date. Notice of any such designation will be provided to the Trustee (with copies to the Rating Agencies) on or before the related Determination Date.

(f)____ In the case of a Refinancing upon a redemption of the Rated Notes in part by Class pursuant to Section 9.2(d), such Refinancing will be effective only if (i) the Global Rating Agency Condition has been satisfied with respect to any remaining Rated Notes that were not the subject of the Refinancing, (ii) the Refinancing Proceeds together with any Available Interest Proceeds and any Partial Redemption Interest Proceeds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Rated Notes subject to Refinancing, (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i), Section 5.4(d) and Section 13.1(d), (v) for each Class of Rated Notes being refinanced, the aggregate principal amount of any obligations providing the Refinancing is equal to the Aggregate Outstanding Amount of the Class of Rated Notes being redeemed with the proceeds of such obligations, (vi) the stated maturity of each class of obligations providing the Refinancing is no earlier than the corresponding Stated Maturity of each Class of Rated Notes being refinanced, (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds, Partial Redemption Interest Proceeds and all other available proceeds from a Contribution (except for expenses owed to persons that the Portfolio Manager informs the Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments), (viii) the spread over the Benchmark Rate or the fixed interest rate, as applicable, of each class of obligations providing the Refinancing will not be greater than the spread over the Benchmark Rate or the fixed interest rate, as applicable, of the Rated Notes of the corresponding Class being refinanced by such new class of obligations and the weighted average of the spread over the Benchmark Rate and the fixed rates payable in respect of all of the obligations providing the Refinancing is less than or equal to the weighted average of the spread over the Benchmark Rate and the fixed rate payable on all of the Classes of Rated Notes being refinanced (determined based on the respective spreads over the Benchmark Rate or the fixed interest rate, as applicable, of such Classes of Rated Notes); *provided* that (x) any Class of Notes that bears a fixed rate may be refinanced with obligations that bear interest at a floating rate (i.e., at a stated spread over the Benchmark Rate) so long as the Benchmark Rate plus the relevant spread with respect to such obligations comprising the Refinancing of such Class is less than the applicable Interest Rate with respect to such Class of Notes that bear a fixed rate on the date of such Refinancing and (y) any Class of Notes that bears a floating rate may be refinanced with obligations that bear interest at a fixed rate so long as the fixed rate of the obligations comprising the Refinancing of such Class is less than the Benchmark Rate plus the relevant spread with respect to such Class of Rated Notes on the date of such Refinancing, (ix) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Rated Notes being refinanced, (x) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Rated Notes being refinanced except that, the earliest date on which the obligations providing the Refinancing may be redeemed at the option of the Issuer may be different from the earliest date on which the Rated Notes redeemed in connection with such Refinancing were subject to redemption

at the option of the Issuer, (xi) an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters has been delivered to the Trustee to the effect that any obligations providing the refinancing will have the same U.S. federal income tax debt characterization (and at the same comfort level) as the corresponding Class of Notes for which they are providing the refinancing and that the Refinancing will not alter the U.S. federal income tax characterization, as in effect immediately before the time of issuance of the obligations providing the refinancing, of each Class of Notes that will remain Outstanding after such Refinancing and (xii) the Portfolio Manager has consented to such Refinancing.

(g)___Notwithstanding anything herein to the contrary, any Refinancing Proceeds from a Refinancing upon a redemption of the Rated Notes in part by Class pursuant to Section 9.2(d) will not constitute Interest Proceeds or Principal Proceeds, but shall be applied directly on the related Partial Redemption Date together with Partial Redemption Interest Proceeds and all other available proceeds from a Contribution to redeem the corresponding Class of Rated Notes being refinanced without regard to the Priority of Payments; *provided, that* to the extent such proceeds are not applied to redeem the corresponding Class of Rated Notes being refinanced or to pay related Administrative Expenses, such Refinancing Proceeds will be treated as Principal Proceeds.

(h)___Notwithstanding anything herein to the contrary, if a Refinancing is obtained meeting the requirements specified above as certified by the Portfolio Manager, the Issuer and, at the direction of the Portfolio Manager, the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of any Class of Notes other than a Majority of the Subordinated Notes directing the redemption; *provided* that if such Refinancing is in part by Class and the Class A-1 Notes are not being redeemed in connection with such Refinancing, any amendments other than those necessary to effect changes to the Non-Call Period and the interest rates on refinanced classes will be subject to the conditions for such amendment set forth in Article VIII. The Trustee shall be entitled to conclusively rely upon an Officer's certificate and, as to matters of law, an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds). In connection with a Refinancing upon a redemption of Rated Notes in whole or in part, any Refinancing Proceeds that remain after paying the applicable Redemption Prices and related Administrative Expenses will be transferred to the Collection Account as Principal Proceeds; *provided* that in connection with a redemption upon a Refinancing in whole of the Rated Notes the Portfolio Manager may designate any such remaining Refinancing Proceeds as Interest Proceeds for use on or after the Redemption Date.

(i)____ For the avoidance of doubt, the Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing.

Section 9.3. Tax Redemption

- (a) The Notes shall be redeemed on any Business Day in whole but not in part (any such redemption, a "Tax Redemption") at the applicable Redemption Prices from Sale Proceeds and all other funds available for such purpose in the Collection Account and the Payment Account at the written direction (delivered to the Trustee, with a copy to the Portfolio Manager) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes, in either case following the occurrence and continuation of a Tax Event.
- (b) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Holders and each Rating Agency thereof.
- (c) If an Officer of the Portfolio Manager obtains actual knowledge of the occurrence of a Tax Event, the Portfolio Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders, each Rating Agency and the Cayman Islands Stock Exchange (for so long as there are any Listed Notes and so long as the guidelines of the Cayman Islands Stock Exchange so require) thereof.

Section 9.4. Redemption Procedures

- (a) In the event of any Optional Redemption pursuant to Section 9.2, the written direction of the Holders of the required percentage of the Subordinated Notes and/or the Portfolio Manager shall be provided to the Issuer and the Trustee (with a copy to the Portfolio Manager in the case of direction of Holders of Subordinated Notes) not later than 30 calendar days (or such shorter period as the Trustee and the Portfolio Manager may agree) prior to the Business Day on which such redemption is to be made (which date shall be designated in such notice) and the Co-Issuers shall, at least 20 calendar days prior to the Redemption Date (or such shorter period as the Trustee and the Portfolio Manager may agree), notify the Trustee in writing (and the Trustee in turn shall, in the name and at the expense of the Co-Issuers, notify the Holders and each Rating Agency, with a copy to the Portfolio Manager, at least 10 Business Days prior to the Redemption Date) of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Prices. Notice of a Tax Redemption pursuant to Section 9.3 shall be provided not later than five Business Days prior to the applicable Redemption Date to each Holder at such Holder's address in the Register and each Rating Agency. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of the Cayman Islands Stock Exchange so require, notice of Optional Redemption or Tax Redemption to the Holders of such Notes shall also be

given by the Issuer in the name and at the expense of the Co-Issuers, to the Holders by notice to the Cayman Islands Stock Exchange.

- (b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:
- (i) the applicable Redemption Date;
 - (ii) the Redemption Prices of the Notes to be redeemed;
 - (iii) that all of the Rated Notes to be redeemed are to be redeemed in full and that interest on such Rated Notes shall cease to accrue on the Redemption Date specified in the notice;
 - (iv) the place or places where Rated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and
 - (v) if all Rated Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.

The Co-Issuers may, and, if directed by a Majority of the Subordinated Notes or the Portfolio Manager, as applicable, shall, withdraw any notice of an Optional Redemption delivered pursuant to Section 9.2 (or any notice of a Tax Redemption delivered pursuant to Section 9.3, if the Portfolio Manager believes that the proceeds of the Assets will be insufficient to pay, together with other required amounts, the Redemption Price of any Class of Rated Notes, and Holders of such Class have not elected to receive the lesser amount that will be available), following good faith efforts by the Issuer and the Portfolio Manager to facilitate such redemption on any day up to one Business Day before the proposed Redemption Date. Any withdrawal of such notice of an Optional Redemption will be made by written notice to the Trustee (with a copy to the Portfolio Manager). If the Co-Issuers so withdraw any notice of an Optional Redemption or Tax Redemption or are otherwise unable to complete a redemption of the Notes pursuant to Section 9.2 or 9.3, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may be reinvested in accordance with the Investment Criteria during the Reinvestment Period at the Portfolio Manager's sole discretion (on behalf of the Issuer). The Trustee will provide notice, in the name and at the expense of the Co-Issuers, to the Holders, the Portfolio Manager and each Rating Agency of the withdrawal of any notice of redemption. In addition, so long as any Notes are listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of such withdrawal will be given by the Issuer in the name and at the expense of the Co-Issuers, to the Holders by notice to the Cayman Islands Stock Exchange. Notwithstanding the foregoing, in the event that a scheduled Refinancing upon a redemption of the Rated Notes in whole fails to settle, such redemption will be

deemed to be revoked and no payments will be due to any Holder on account of such redemption.

Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

- (c) Unless Refinancing Proceeds are being used to redeem the Rated Notes in whole or in part, in the event of any Optional Redemption or Tax Redemption pursuant to Section 9.2 or 9.3, no Rated Notes may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Portfolio Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee, that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with (a) a financial or other institution or institutions whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a person other than such institution) are rated, or guaranteed by a Person whose short-term unsecured debt obligations are rated, at least "A" by S&P and at least "F1" by Fitch or (b) a special purpose entity that satisfies all then-current bankruptcy remoteness criteria of the Rating Agencies to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, Scheduled Distributions from the Assets expected to be received on or prior to the scheduled Redemption Date and all other funds available for such purpose in the Collection Account and the Payment Account, to pay all Administrative Expenses (regardless of the Administrative Expense Cap) payable in accordance with the Priority of Payments and redeem all of the Rated Notes on the scheduled Redemption Date at the applicable Redemption Prices (or in the case of any Class of Rated Notes, such lesser amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), (ii) at least five Business Days before the scheduled Redemption Date, the Issuer shall have received proceeds of disposition of all or part of the Assets that, together with Scheduled Distributions from the Assets expected to be received on or prior to the scheduled Redemption Date and all other funds available for such purpose in the Collection Account and the Payment Account, are at least sufficient to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and any accrued and unpaid Base Management Fee and Subordinated Management Fee payable in accordance with the Priority of Payments and redeem all of the Rated Notes on the scheduled Redemption Date at the applicable Redemption Prices (or in the case of any Class of Rated Notes, such lesser amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class), or (iii) prior to selling any Collateral Obligations and/or Eligible Investments,

the Portfolio Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible Investments, (B) expected proceeds from the sale of the Collateral Obligations and (C) Scheduled Distributions from the Assets expected to be received on or prior to the scheduled Redemption Date and all other funds available for such purpose in the Collection Account and the Payment Account shall exceed the sum of (x) the aggregate Redemption Prices (or in the case of any Class of Rated Notes, such other amount that the Holders of such Class have elected to receive, where Holders of such Class have elected to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class) of the outstanding Rated Notes and (y) all Administrative Expenses (regardless of the Administrative Expense Cap) payable under the Priority of Payments. Any certification delivered by the Portfolio Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations required by this Section 9.4(c). Any Holder, the Portfolio Manager or any of the Portfolio Manager's Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a Tax Redemption.

- (d) In connection with an Optional Redemption of the Subordinated Notes after the Rated Notes have been redeemed in full, if any Collateral Obligations or other Assets have not been sold or settled prior to the Redemption Date, the Portfolio Manager shall continue to direct the sale or settlement of such Collateral Obligations or other Assets on or after the Redemption Date. The proceeds received from any such sale or settlement after the Redemption Date may be distributed to the Holders of the Subordinated Notes in accordance with the Priority of Payments as such proceeds become available for distribution, including on dates other than Payment Dates.

Section 9.5. Notes Payable on Redemption Date

- (a) Notice of redemption pursuant to Section 9.4 or Section 9.7 having been given as set forth therein, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(c) and Section 9.7(b), as applicable, and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b) and 9.7(c), as applicable, become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes that are Rated Notes shall cease to bear interest on the Redemption Date. Holders of Certificated Notes, upon final payment on a Note to be so redeemed, shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on Rated Notes and payments in respect of Subordinated Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the

Holders, or holders of one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

- (b) If any Rated Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; *provided* that the reason for such non-payment is not the fault of such Holder.

Section 9.6. Special Redemption

The Rated Notes shall be redeemed in part by the Co-Issuers or the Issuer, as applicable, on any Quarterly Payment Date (i) in connection with the Effective Date, if the Portfolio Manager notifies the Trustee that a redemption is required pursuant to Section 7.18 in order to remedy an S&P Rating Confirmation Failure pursuant to Section 7.18(e) or (ii) during the Reinvestment Period, if the Portfolio Manager notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager, in its sole discretion, and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (in each case a "Special Redemption"). Any such notice in the case of clause (ii) above shall be based upon the Portfolio Manager having attempted, in accordance with the standard of care set forth in the Portfolio Management Agreement, to identify additional Collateral Obligations as described above. On the first Quarterly Payment Date (and all subsequent Quarterly Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing (1) in the case of a Special Redemption to remedy an S&P Rating Confirmation Failure, all Interest Proceeds and all other Principal Proceeds available in accordance with the Priority of Payments (other than Interest Proceeds and/or Principal Proceeds that the Portfolio Manager has chosen to apply to the purchase of additional Collateral Obligations), or (2) in the case of any other Special Redemption during the Reinvestment Period, Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations, will in each case be applied in accordance with the Priority of Payments. Notice of redemption pursuant to this Section 9.6 shall be given by the Trustee not less than (x) in the case of a Special Redemption described in clause (i) above, one Business Day prior to the applicable Special Redemption Date and (y) in the case of a Special Redemption described in clause (ii) above, three Business Days prior to the applicable Special Redemption Date in each case to each holder of Rated Notes and to each Rating Agency (with a copy to the Portfolio Manager). In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the Holders of such Notes shall also be given by the Issuer in the name and at the expense of the Co-Issuers, to the Cayman Islands Stock Exchange.

Section 9.7. Clean-Up Call Redemption

- (a) At the written direction of the Portfolio Manager to the Issuer and the Trustee, with copies to the Rating Agencies, at least 20 Business Days prior to the proposed Redemption Date, the Rated Notes shall be subject to redemption by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Prices therefor, on any Business Day after the Non-Call Period on which the Collateral Principal Amount is less than 15% of the Target Initial Par Amount. Upon receipt from the Portfolio Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date and the Record Date and give written notice thereof to the Trustee, the Collateral Administrator, the Portfolio Manager and the Rating Agencies not later than 15 Business Days prior to the Redemption Date (and the Trustee in turn shall, in the name and at the expense of the Co-Issuers, notify the Holders of the Redemption Date, the applicable Record Date, that the Rated Notes shall be redeemed in full, and the Redemption Prices to be paid, at least 10 Business Days prior to the Redemption Date). In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and so long as the guidelines of the Cayman Islands Stock Exchange so require, notice of Clean-Up Call Redemption to the Holders of such Notes shall also be given by the Issuer in the name and at the expense of the Co-Issuers, to the Cayman Islands Stock Exchange.
- (b) A Clean-Up Call Redemption may not occur unless (i) on or before the fifth Business Day immediately preceding the related Redemption Date, the Portfolio Manager or any other Person purchases the Assets of the Issuer (other than the Eligible Investments referred to in clause (A)(4) below) for a price in Cash (the "Clean-Up Call Redemption Price") at least equal to the greater of (A) the sum of (1) the Aggregate Outstanding Amount of the Rated Notes, plus (2) all unpaid interest on the Rated Notes accrued to the date of such redemption (including any shortfall amounts, if any), plus (3) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes (including, for the avoidance of doubt, all outstanding Administrative Expenses), minus (4) the balance of the Eligible Investments in the Collection Account; and (B) the Market Value of such Assets being purchased and (ii) the Portfolio Manager certifies in writing to the Trustee prior to the sale of the Assets that subclause (i) shall be satisfied upon such purchase. Upon receipt by the Trustee of the certification from the Portfolio Manager described in subclause (ii), the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Portfolio Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Trustee shall deposit such payment into the Collection Account in accordance with the instructions of the Portfolio Manager.
- (c) Any notice of a Clean-Up Call Redemption delivered pursuant to Section 9.7(a) may be withdrawn by the Issuer on any day up to and including the second Business Day prior to the related scheduled Redemption Date by written notice to the Trustee, the Rating Agencies and the Portfolio Manager only if amounts at least equal to the

Clean-Up Call Redemption Price are not received in full in immediately available funds by the fifth Business Day immediately preceding such Redemption Date.

- (d) The Trustee will give notice of any such withdrawal of a Clean-Up Call Redemption, at the expense of the Issuer, to each Holder of Notes that were to be redeemed at such Holder's address in the Register not later than one Business Day prior to the related scheduled Redemption Date. So long as any Notes are listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of such withdrawal will be given by the Issuer in the name and at the expense of the Co-Issuers, to the Cayman Islands Stock Exchange.
- (e) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Payments.

ARTICLE X ACCOUNTS, ACCOUNTING AND RELEASES

Section 10.1. Collection of Money

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders and shall apply it as provided in this Indenture. Each Account (and each account of a Blocker Subsidiary) established under this Indenture shall be established and maintained (a) with a federal or state chartered depository institution or trust company or (b) in segregated trust accounts with the corporate trust department of a federal or state-chartered deposit institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b), in each case that (1) has a long-term issuer credit rating of at least "A" by S&P and a short-term issuer credit rating of at least "A-1" by S&P (or at least "A+" by S&P if such institution has no short-term issuer credit rating) and if such institution's rating falls below a long-term issuer credit rating of "A" by S&P and a short-term issuer credit rating of "A-1" by S&P (or below "A+" by S&P if such institution has no short-term issuer credit rating), the Issuer shall use commercially reasonable efforts to move the assets held in such Account within 30 calendar days after such event to another institution that has a long-term issuer credit rating of at least "A" by S&P and a short-term issuer credit rating of at least "A-1" by S&P (or at least "A+" by S&P if such institution has no short-term issuer credit rating) and (2) satisfies the Fitch Eligible Counterparty Ratings and if such institution fails to satisfy the Fitch Eligible Counterparty Ratings at any time, the assets held in such account shall be moved no later than 30 calendar days after such event to another institution that satisfies the Fitch Eligible Counterparty Ratings. Such institution shall have a combined capital and surplus of at least U.S.\$200,000,000. Other than as set forth in this Indenture, all Cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Intermediary to comply, with all law applicable to it as

a national bank with trust powers holding segregated trust assets in a fiduciary capacity; *provided* that the foregoing shall not be construed to prevent the Trustee or Intermediary from investing the Assets of the Issuer in Eligible Investments described in clause (b) of the definition thereof that are obligations of the Bank. The accounts established by the Trustee pursuant to this Article X may include any number of sub-accounts deemed necessary for convenience in administering the Assets.

Section 10.2. Collection Account

- (a) In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single non-interest bearing segregated trust account, held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Collection Account" and which shall be maintained with the Intermediary in accordance with the Account Agreement. The Trustee shall immediately upon receipt, or upon transfer from the Expense Reserve Account or Revolver Funding Account deposit into the Collection Account, all funds and property received by the Trustee and (x) designated for deposit in the Collection Account or (y) not designated under this Indenture for deposit in any other Account, including all proceeds received from the disposition of any Assets (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Sections 10.2(d) and 10.2(f), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).
- (b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer (with a copy to the Portfolio Manager) and the Issuer shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; *provided* that subject to the requirements of Section 12.1, the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

- (c) At any time when reinvestment is permitted pursuant to Article XII, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Collection Account representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation, or to the extent permitted by Section 7.18(e)) and reinvest (or invest, in the case of funds referred to in Section 7.18) such funds in additional Collateral Obligations or exercise a warrant held in the Assets, in each case in accordance with the requirements of Article XII and such Issuer Order; *provided*, that Principal Proceeds up to the Excess Par Amount (as long as the Overcollateralization Ratio Tests will be satisfied) and Interest Proceeds without limitation (as long as sufficient Interest Proceeds will remain on the next Payment Date to pay interest due and payable on the Rated Notes) may be used to exercise a warrant. At any time during the Reinvestment Period, and subject to Section 2.14, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, (i) withdraw funds on deposit in the Collection Account representing Principal Proceeds for purchases of Notes in accordance with the provisions of Section 2.14 and (ii) withdraw funds on deposit in the Collection Account representing Interest Proceeds to pay accrued interest through the date of such purchase in accordance with the provisions of Section 2.14. At any time, the Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Collection Account representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements with respect to Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.
- (d) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) from Principal Proceeds up to the Excess Par Amount (as long as the Overcollateralization Ratio Tests will be satisfied) and from Interest Proceeds without limitation (as long as sufficient Interest Proceeds will remain on the next Payment Date to pay interest due and payable on the Rated Notes), any amount required to exercise a warrant or right to acquire securities or Restructured Loans held in the Assets in accordance with the requirements of Article XII and such Issuer Order, and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); *provided*, that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date; *provided further* that if any amounts are used to exercise a warrant or right, any obligation received in connection therewith that meets the definition of "Restructured Loan" and any other asset including any Equity Securities received in connection therewith shall be sold promptly if required pursuant to Section 12.1(e). The Trustee shall not be obligated to make such payment if, in the reasonable determination of the Trustee, such payment would leave insufficient funds, taking into account the Administrative Expense Cap, for payments

anticipated to be or become due or payable on the next Payment Date that are given a higher priority in the definition of Administrative Expenses.

- (e) The Trustee shall transfer to the Payment Account (other than any Exchanged Equity Security Excess Proceeds that will be distributed on a later Payment Date), from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.
- (f) Subject to the requirements in Section 10.6(a), amounts received in the Collection Account during a Collection Period shall be invested in Eligible Investments with stated maturities not later than the earlier of (A) the date that is 60 days after the date of delivery thereof and (B) the Business Day immediately preceding the Payment Date immediately following the date of delivery thereof. All proceeds from the Eligible Investments shall be retained in the Collection Account unless used to purchase additional Collateral Obligations in accordance with the Investment Criteria, or used as otherwise permitted under this Indenture.
- (g) An aggregate amount of Principal Proceeds received by the Issuer up to an amount equal to (x) 1.0% of the Target Initial Par Amount minus (y) the aggregate amount of any previously identified Designated Unused Proceeds from time to time ("Designated Principal Proceeds") may be designated by the Portfolio Manager as Interest Proceeds from time to time on any Business Day after the Effective Date and on or prior to the second Payment Date so long as (i) no Event of Default has occurred and is continuing, (ii) no S&P Rating Confirmation Failure has occurred and is continuing, (iii) the Target Initial Par Balance will exceed the Target Initial Par Amount after giving effect to such withdrawal and transfer, (iv) the Collateral Quality Tests will be satisfied after giving effect to such withdrawal and transfer and (v) each Overcollateralization Ratio Test will be satisfied after giving effect to such withdrawal and transfer as of the date of each such designation on a pro forma basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 1.0% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Trustee will designate such Designated Principal Proceeds as Interest Proceeds in the Collection Account.
- (h) Notwithstanding anything to the contrary herein, (i) except in connection with the exercise of any warrant or other similar right under Article XII, no Principal Proceeds may be used to acquire any asset other than a Collateral Obligation, a Restructured Loan or a Workout Loan and (ii) no Interest Proceeds may be withdrawn from the Collection Account to acquire any assets in connection with a workout, restructuring or bankruptcy or similar process if there will be insufficient Interest Proceeds to pay interest due and payable on the Rated Notes on the next Payment Date (as determined on a *pro forma* basis by the Portfolio Manager) solely due to the withdrawal of such Interest Proceeds from the Collection Account.

Section 10.3. Transaction Accounts

- (a) Payment Account. In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing trust account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Payment Account" which shall be maintained with the Intermediary in accordance with the Account Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Rated Notes and distributions on the Subordinated Notes in accordance with their terms and the provisions of this Indenture and, upon Issuer Order, to pay Administrative Expenses, Management Fees and other amounts specified herein, each in accordance with the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with this Indenture and the Priority of Payments. Amounts in the Payment Account shall remain uninvested.
- (b) Custodial Account. In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing trust account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Custodial Account" which shall be maintained with the Intermediary in accordance with the Account Agreement. All Collateral Obligations, Equity Securities and equity interests in Blocker Subsidiaries shall be credited to the Custodial Account as provided herein. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Trustee agrees to give the Co-Issuers, with a copy to the Portfolio Manager, immediate notice if an Authorized Officer of the Trustee receives written notice or has actual knowledge that the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments. Amounts in the Custodial Account shall remain uninvested.
- (c) Ramp-Up Account. The Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing trust account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Ramp-Up Account" which shall be maintained with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit the amount specified in Section 3.1(a)(xii)(A) to the Ramp-Up Account as Principal Proceeds. In connection with any purchase of an additional Collateral Obligation, the Trustee will apply amounts held in the Ramp-Up Account as provided by Section 7.18(b). On the first Business Day after a Bank Officer of the Trustee has received written notice from the Portfolio Manager making reference to the account transfer required by this Section 10.3(c) and stating that no S&P Rating Confirmation Failure has occurred, or upon the occurrence of an Event of Default, the Trustee will

deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that will be used to settle binding commitments entered into prior to such date) ("Unused Proceeds") into the Collection Account as Principal Proceeds; *provided, however*, that, on any Business Day after the notice specified above to and including the second Payment Date, the Portfolio Manager may designate an amount of Unused Proceeds up to (x) 1.0% of the Target Initial Par Amount *minus* (y) the aggregate amount of any previously identified Designated Principal Proceeds ("Designated Unused Proceeds") as Interest Proceeds (but only if no Event of Default has occurred and is continuing, the Target Initial Par Balance will exceed the Target Initial Par Amount after giving effect to such withdrawal and transfer, the Collateral Quality Tests will be satisfied after giving effect to such withdrawal and transfer and each Overcollateralization Ratio Test will be satisfied after giving effect to such withdrawal and transfer) and, upon the Portfolio Manager's direction, such designated amount will be withdrawn from the Ramp-Up Account and deposited into the Collection Account as Interest Proceeds. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 1.0% of the Target Initial Par Amount. The Issuer shall provide the Target Initial Par Balance as of such date immediately following such deposit into the Collection Account on the next Monthly Report. Any income earned on amounts deposited in the Ramp-Up Account will be deposited in the Collection Account as Interest Proceeds.

- (d) Expense Reserve Account. In accordance with this Indenture and the Account Agreement, the Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing trust account held in the name of the Trustee, for the benefit of the Secured Parties, which shall be designated as the "Expense Reserve Account" which shall be maintained with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit to the Expense Reserve Account (i) the amount specified in Section 3.1(a)(xii)(B) and (ii) in connection with any additional issuance of notes, the amount specified in Section 3.2(a)(viii). On any Business Day from the Closing Date to and including the Determination Date relating to the second Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Portfolio Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Notes and any additional issuance. By the Determination Date relating to the second Payment Date following the Closing Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Portfolio Manager in its sole discretion). On any Business Day after the Determination Date relating to the second Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account (except as provided in the next sentence), as directed by the Portfolio Manager, to pay expenses of the Co-Issuers incurred in connection with any additional issuance of notes or as a deposit to the Collection Account as Principal Proceeds. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Collection Account as Interest Proceeds as it is paid.

- (e) Interest Reserve Account. The Trustee shall, prior to the Closing Date, establish at the Intermediary a single, segregated non-interest bearing trust account held in the name of the Trustee for the benefit of the Secured Parties which shall be designated as the "Interest Reserve Account" which shall be maintained with the Intermediary in accordance with the Account Agreement. On the Closing Date, the Issuer hereby directs the Trustee to deposit the Interest Reserve Amount into the Interest Reserve Account. On or before the Determination Date in the second Collection Period, at the direction of the Portfolio Manager, the Issuer may direct that any portion of the then remaining Interest Reserve Amount be transferred to the Collection Account and included as Interest Proceeds or Principal Proceeds for such Collection Period. On the Payment Date relating to the second Collection Period, all amounts on deposit in the Interest Reserve Account shall be transferred to the Payment Account and applied as Interest Proceeds or Principal Proceeds (as directed by the Portfolio Manager) in accordance with the Priority of Payments, and the Trustee shall close the Interest Reserve Account. Amounts credited to the Interest Reserve Account shall be reinvested pursuant to Section 10.6(a). Any income earned on amounts deposited in the Interest Reserve Account will be deposited in the Interest Reserve Account.
- (f) Contribution Account. The Trustee shall, on or prior to the Closing Date, establish a segregated, non-interest bearing trust account held in the name of the Trustee for the benefit of the Secured Parties, which shall be designated as the "Contribution Account." At any time during or after the Reinvestment Period, any Holder of Subordinated Notes may, with the prior written consent of the Portfolio Manager, make a contribution of Cash (each, a "Contribution" and each such Holder, a "Contributor") to the Issuer; *provided* that (i) the amount of each Contribution must be equal to or greater than \$1,000,000 and (ii) after the Issuer has received three Contributions, a Majority of the Controlling Class has consented to such Contribution. Each accepted Contribution shall be received into the Contribution Account and applied by the Portfolio Manager, on behalf of the Issuer, to a Permitted Use as directed by the Contributor at the time such Contribution is made or, if no direction is given by the Contributor, at the Portfolio Manager's reasonable discretion. For the avoidance of doubt, once a Contribution has been designated for a particular Permitted Use it cannot be re-designated for a different Permitted Use. Contributions shall be repaid to the applicable Contributor (in accordance with the payment instructions provided to the Trustee by each Contributor) beginning on the first Payment Date on which funds in respect thereof are available in accordance with the Priority of Payments (the "Contribution Repayment Amount"). Any income earned on amounts deposited in the Contribution Account shall be deposited in the Collection Account as Interest Proceeds. For the avoidance of doubt, no securities or shares will be issued to represent Contributions and Holders shall not have any voting rights with respect to any Contribution Repayment Amount owed and Contributions shall not increase the voting rights of the Notes held by any Holder. Additionally, at any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer may direct the payment from amounts on deposit in the Contribution Account to exercise any warrant or other similar right received in connection with a workout, restructuring, or similar procedure in respect of a Collateral Obligation; *provided* that any obligation received in connection therewith that meets the definition of "Restructured Loan" and

any other asset including any Equity Security received in connection therewith will be sold promptly if required pursuant to the mandatory sale requirements set forth under Article XII.

Section 10.4. The Revolver Funding Account

The Trustee shall, prior to the Closing Date, establish at the Intermediary, a single, segregated non-interest bearing trust account held in the name of the Trustee for the benefit of the Secured Parties which shall be designated as the "Revolver Funding Account" which shall be maintained with the Intermediary in accordance with the Account Agreement. The Issuer hereby directs the Trustee to deposit the amount specified in Section 3.1(a)(xii)(D) to the Revolver Funding Account to be reserved for unfunded funding obligations under any Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations purchased on or before the Closing Date. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, Principal Proceeds in an amount equal to the undrawn portion of such obligation shall be withdrawn first from the Ramp-Up Account and, if necessary, from the Collection Account, as directed by the Portfolio Manager, and deposited by the Trustee pursuant to such direction in the Revolver Funding Account; *provided, that* if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "Selling Institution Collateral"), the Portfolio Manager on behalf of the Issuer shall direct the Trustee to (and pursuant to such direction the Trustee shall) deposit such funds in the amount of the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account, subject to the following sentence. Any such deposit of Selling Institution Collateral shall satisfy the following requirement (as determined and directed by the Portfolio Manager): either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests shall not have an Aggregate Principal Balance in excess of 5.0% of the Collateral Principal Amount and shall not remain on deposit with such Selling Institution or custodian for more than 30 calendar days after such Selling Institution first fails to satisfy (x) the rating requirements set out in the S&P Counterparty Criteria and the requirements of clause (a) and clause (b)(1) of Section 10.1 or (y) the Fitch Eligible Counterparty Ratings (and the terms of each such deposit shall permit the Issuer to withdraw the Selling Institution Collateral if such Selling Institution fails at any time to satisfy the rating requirements set out in the S&P Counterparty Criteria or fails to satisfy the Fitch Eligible Counterparty Ratings); or (2) such Selling Institution Collateral shall be deposited with an Eligible Custodian.

Upon initial purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation shall be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account shall be invested in overnight funds that are Eligible Investments selected by the Portfolio Manager pursuant to Section 10.6 and earnings from all such investments shall be deposited in the Collection Account as Interest Proceeds.

Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Portfolio Manager, such that the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets, as determined by the Portfolio Manager.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; *provided*, that any excess of (i) the amounts on deposit in the Revolver Funding Account over (ii) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (A) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, (B) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (C) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation) may be transferred by the Trustee (at the written direction of the Portfolio Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Collection Account.

Section 10.5. [RESERVED]

Section 10.6. Reinvestment of Funds in Accounts; Reports by Trustee

If at a time when no Event of Default has occurred and is continuing (regardless of any acceleration of the Maturity of the Rated Notes), the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Portfolio Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Portfolio Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Direct Investment. If at a time when an Event of Default has occurred and is continuing, the Issuer shall not have given such investment directions to the Trustee for three consecutive days, the Trustee shall invest and reinvest such Monies as fully as practicable in the Standby

Direct Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be credited to the Collection Account upon receipt as Interest Proceeds, any gain realized from such investments shall be credited to the Collection Account upon receipt as Principal Proceeds, and any loss resulting from such investments shall be charged to the Collection Account as a reduction in Principal Proceeds. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; *provided* that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof. Except as expressly provided herein, the Trustee shall not otherwise be under any duty to invest (or pay interest on) amounts held hereunder from time to time. Notwithstanding anything to the contrary in this clause (a), if an Eligible Investment is issued by the Bank, such Eligible Investment may mature on the relevant Payment Date. For the avoidance of doubt, the stated maturity of each Eligible Investment must also be in compliance with the definition thereof (including any requirement in the definition of "Eligible Investment" that the stated maturity of an Eligible Investment be shorter than required pursuant to this Section 10.6(a)).

- (b) The Trustee agrees to give the Issuer, with a copy to the Portfolio Manager, immediate notice if any Bank Officer has actual knowledge that any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.
- (c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, each Rating Agency and the Portfolio Manager any information regularly maintained by the Trustee that the Co-Issuers, the Rating Agencies or the Portfolio Manager may from time to time reasonably request with respect to the Assets, the Accounts and the other Assets and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.7 or to permit the Portfolio Manager to perform its obligations under the Portfolio Management Agreement or the Issuer's obligations hereunder that have been delegated to the Portfolio Manager. The Trustee shall promptly forward to the Portfolio Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.
- (d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in this Article X, any credit, withdrawal, transfer or other application of funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

- (e) Any account established under this Indenture may include (and shall be deemed to include) any number of subaccounts deemed necessary or advisable by the Trustee in the administration of the accounts.

 - (V) *first*, to the payment of (in the same manner and order of priority stated in the definition thereof) any Administrative Expenses not paid pursuant to clause (A)(2) above due to the limitation contained therein and *second*, any Deferred Base Management Fee not paid pursuant to clause (B) above due to the limitations contained therein;

- (b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.
- (c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report

in respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date; *provided* that such direction and designation by Issuer Order shall not be necessary for, and shall be subject to, the payment of amounts pursuant to, and in the priority stated in, the definition of Administrative Expenses.

- (d) The Portfolio Manager may, in its sole discretion, elect to defer payment of all or a portion of the Base Management Fee or the Subordinated Management Fee on any Payment Date by providing notice to the Trustee and the Issuer of such election on or before the Determination Date preceding such Payment Date which notice shall specify the amount to be deferred. On any Payment Date following a Payment Date on which the Portfolio Manager has elected to defer all or a portion of the Base Management Fee or the Subordinated Management Fee, the Portfolio Manager may elect to receive all or a portion of the applicable Deferred Management Fee that has otherwise not been paid to the Portfolio Manager by providing notice to the Trustee of such election on or before the related Determination Date, which notice shall specify the amount of such Deferred Management Fee that the Portfolio Manager elects to receive on such Payment Date. Accrued and unpaid Base Management Fees or Subordinated Management Fees deferred at the election of the Portfolio Manager shall be deferred without interest. If the distributions to be made pursuant to this Section 11.1 on any Payment Date would cause the Aggregate Principal Balance of the remaining Collateral Obligations immediately following such Payment Date (excluding Defaulted Obligations, Equity Securities and Illiquid Assets) to be less than the amount of Dissolution Expenses (as determined by the Trustee based on such certification by the Portfolio Manager), the Trustee will provide written notice thereof to the Issuer and the Administrator at least five Business Days before such Payment Date.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations

Subject to the satisfaction of the conditions specified in Section 12.3 and, notwithstanding any acceleration of the Maturity of the Rated Notes, unless the Trustee has commenced exercising remedies pursuant to Section 5.4, the Portfolio Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Trustee to sell or otherwise dispose of, and the Trustee shall sell or otherwise dispose of, on behalf of the Issuer in

the manner directed by the Portfolio Manager pursuant to this Section 12.1, any Collateral Obligation, Restructured Loan, Workout Loan or Equity Security (which shall include the direct sale or liquidation of the equity interests of any Blocker Subsidiary or assets held by a Blocker Subsidiary), if, as certified by the Portfolio Manager (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale or disposition), such sale or other disposition meets the requirements of any one of Sections 12.1(a) through (j) (subject in each case to any applicable requirement of disposition under Section 12.1(i)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale or other disposition.

- (a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell or otherwise dispose of any Credit Risk Obligation at any time without restriction.
- (b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell or otherwise dispose of any Credit Improved Obligation at any time without restriction.
- (c) Defaulted Obligations. The Portfolio Manager may direct the Trustee to sell or otherwise dispose of any Defaulted Obligation at any time without restriction. The Portfolio Manager may direct the Trustee to consummate a Bankruptcy Exchange at any time without restriction so long as the conditions set forth in the definition thereof are satisfied. With respect to each Defaulted Obligation that has not been disposed of within three years after becoming a Defaulted Obligation, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.
- (d) Restructured Loans. The Portfolio Manager may direct the Trustee to sell any Restructured Loan at any time without restriction.
- (e) Equity Securities. The Portfolio Manager (i) may direct the Trustee to sell or otherwise dispose of any Equity Security at any time without restriction, (ii) shall direct the Trustee to sell or otherwise dispose of any Equity Security within 45 days after receipt if such Equity Security constitutes Margin Stock or within three years of receipt in all other cases unless such sale or other disposition is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold as soon as such sale or other disposition is permitted by applicable law and not prohibited by such contractual restriction and (iii) unless the Permitted Securities Condition has been satisfied, with respect to any Equity Security that is acquired by the Issuer as a result of the exercise of a warrant or similar right, shall direct the Issuer to promptly sell or otherwise dispose of such Equity Security.
- (f) Optional Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Section 9.2, the Portfolio Manager shall direct the Trustee to sell or otherwise dispose of (which disposition may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied. If any such disposition is made through

participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the disposition.

- (g) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Trustee) a Tax Redemption and all of the requirements of Article IX are satisfied, the Issuer (or the Portfolio Manager on its behalf) shall direct the Trustee to sell or otherwise dispose of (which disposition may be through participation or other arrangement) all or a portion of the Collateral Obligations. If any such disposition is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the disposition.
- (h) Discretionary Sales. The Portfolio Manager may direct the Trustee to sell or otherwise dispose of any Collateral Obligation at any time other than during a Restricted Trading Period if: (i) after giving effect to such disposition, the Aggregate Principal Balance of all Collateral Obligations disposed of as described in this Section 12.1(h) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Closing Date, during the period commencing on the Closing Date) is not greater than 25% of the Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the Closing Date, as the case may be); *provided*, that if the Issuer sells a Collateral Obligation with the intention of purchasing another obligation of the same obligor that would be *pari passu* or senior to such sold Collateral Obligation, and within 20 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) does in fact make such purchase, the Principal Balance of the sold Collateral Obligation will be excluded from any determination of whether the 25% limit has been met; and (ii) either:
- (A) at any time (I) the proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such sold Collateral Obligation or (II) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligations being disposed of but including, without duplication, the anticipated net proceeds of such disposition) *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds will be greater than the Reinvestment Target Par Balance; or
 - (B) during the Reinvestment Period, the Portfolio Manager reasonably believes prior to such sale that it will be able to enter into binding commitments to reinvest all or a portion of the proceeds of such disposition in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of the Collateral Obligation sold within 30 Business Days of such sale.

(i) Mandatory Sales.

- (i) The Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale or other disposition (regardless of price) of any Collateral Obligation that (A) no longer meets the criteria described in clauses (vii) and (xix) of the definition of Collateral Obligation, as soon as reasonably practicable after the failure of such Collateral Obligation to meet either such criteria and (B) no longer meets the criteria described in clause (vi) of the definition of Collateral Obligation (unless such disposition is prohibited by applicable law or an applicable contractual restriction) within 45 days after the failure of such Collateral Obligation to meet such criteria.
- (ii) The Issuer shall not become the owner (other than indirectly through a Blocker Subsidiary) of any Ineligible Obligation described in clause (b) of the definition of "Ineligible Obligation." The Issuer shall sell or otherwise dispose of an Asset with respect to which it will receive an Ineligible Obligation described in clause (b) of the definition of "Ineligible Obligation" as soon as reasonably practicable (but prior to receipt of such Ineligible Obligation), unless it transfers such Asset to a Blocker Subsidiary pursuant to Section 7.17(h).

(j) Unrestricted Sales. If the Aggregate Principal Balance of the Collateral Obligations is less than U.S.\$10,000,000, the Portfolio Manager may direct the Trustee to sell the Collateral Obligations without regard to the foregoing limitations.

(k) Clean-Up Call Redemption. Notwithstanding the restrictions of Section 12.1(a), after the Portfolio Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption, the Portfolio Manager may at any time direct the Trustee to sell (and upon receipt of the certification from the Portfolio Manager required by Section 9.7(b) the Trustee shall sell in the manner specified) for settlement in immediately available funds any Collateral Obligation; *provided* that the Sale Proceeds therefrom are used for the purposes specified in Section 9.7 (and applied pursuant to the Priority of Payments).

(l) Stated Maturity. Notwithstanding the restrictions of Section 12.1, the Portfolio Manager shall, no later than the Determination Date for the Stated Maturity, on behalf of the Issuer, direct the Trustee to sell (and the Trustee shall sell in the manner specified) for settlement in immediately available funds any Collateral Obligations, Restructured Loans and Workout Loans that are Long-Dated Obligations and cause the liquidation of all assets held at each Blocker Subsidiary and distribution of any proceeds thereof to the Issuer.

(m) Covered Fund. The Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale or other disposition of any Asset (including, but not limited to, Eligible Investments and Collateral Obligations (other than any Loan)) in a prompt manner if the Issuer's continued ownership of such Asset would, in the sole reasonable judgment of the Portfolio Manager, cause the Issuer to

be a "covered fund" under the Volcker Rule at a time when Notes held by Section 13 Banking Entities constitute an "ownership interest" under the Volcker Rule.

Section 12.2. Purchase of Additional Collateral Obligations

On any date during the Reinvestment Period, the Portfolio Manager on behalf of the Issuer may, subject to the other requirements in this Indenture and certain limitations specified in Section 12.2(a), but will not be required to, direct the Trustee to invest Principal Proceeds, proceeds of additional notes issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Ramp-Up Account and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction. After the Reinvestment Period, unless an Event of Default has occurred and is continuing, the Portfolio Manager, on behalf of the Issuer, may, subject to the other requirements in this Indenture, but will not be required to, direct the Trustee to invest Eligible Reinvestment Amounts in Substitute Obligations.

- (a) Investment Criteria. No obligation may be purchased by the Issuer unless the following conditions (the "Investment Criteria") are satisfied on a *pro forma* basis as of the date the Portfolio Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Portfolio Manager after giving effect to the settlement of such purchase and all other sales (or other dispositions) or purchases previously or simultaneously committed to; *provided* that the conditions set forth in clauses (x)(C) and (D) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(x) During the Reinvestment Period:

- (A) such obligation is a Collateral Obligation;
- (B) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Determination Date occurring immediately prior to the second Payment Date), (A) each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved and (B) if any Coverage Test is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation shall not be reinvested in additional Collateral Obligations;
- (C) (1) in the case of an additional Collateral Obligation purchased with the proceeds from the sale or other disposition of a Credit Risk Obligation or a Defaulted Obligation, either (a) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such disposition will at least equal the Sale Proceeds from such disposition, (b) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such

disposition), or (c) the Aggregate Principal Balance of all Collateral Obligations (other than Defaulted Obligations) (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated Cash proceeds, if any, of such disposition that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, *plus* the S&P Collateral Value of all Defaulted Obligations will be equal to or greater than the Reinvestment Target Par Balance and (2) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale or other disposition of a Collateral Obligation, either (a) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such disposition) or (b) the Aggregate Principal Balance of all Collateral Obligations (other than Defaulted Obligations) (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated Cash proceeds, if any, of such disposition that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, *plus* the S&P Collateral Value of all Defaulted Obligations will be equal to or greater than the Reinvestment Target Par Balance; and

- (D) other than in the case of a Bankruptcy Exchange, either (1) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test will be satisfied or (2) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment, except, in the case of each of clause (1) and (2), where an additional Collateral Obligation is purchased with Sale Proceeds of a Credit Risk Obligation, Defaulted Obligation, Restructured Loan or Workout Loan, the S&P CDO Monitor Test will not apply.

During the Reinvestment Period, following the sale or other disposition of any Credit Improved Obligation or any discretionary sale or other discretionary disposition of a Collateral Obligation, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations within 30 Business Days after such disposition; *provided* that any such purchase must comply with the requirements of this Section 12.2.

- (y) After the Reinvestment Period, Substitute Obligations may be acquired with Eligible Reinvestment Amounts if:

(A) the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the aggregate amount of the Eligible Reinvestment Amounts applied to such purchase;

(B) the stated maturity of each Substitute Obligation is not later than the stated maturity of the related Prepaid Obligation or Credit Risk Obligation, as applicable;

(C) each test of the Collateral Quality Test (other than the Weighted Average Life Test, the Maximum Moody's Rating Factor Test and the S&P CDO Monitor Test), after giving effect to the reinvestment, either (i) are satisfied, or (ii) if not satisfied, the level of compliance with such tests will be improved or maintained when compared to the level of compliance immediately before the sale or prepayment related to the Eligible Reinvestment Amounts applied to such purchase;

(D) the Concentration Limitations are satisfied after giving effect to the reinvestment, or if any of the Concentration Limitations are not satisfied, the level of compliance will be maintained or improved;

(E) each Coverage Test is satisfied after giving effect to the investment in the Substitute Obligations;

(F) a Restricted Trading Period is not then in effect;

(G) such Substitute Obligations have the same or higher S&P Ratings and Fitch Ratings as compared with the Collateral Obligations related to such Eligible Reinvestment Amounts;

(H) as of the last day of the Reinvestment Period, (a) the Weighted Average Life Test was satisfied and, after giving effect to the reinvestment, will be satisfied (or if not satisfied, maintained or improved after giving effect to the reinvestment) or (b) if the Weighted Average Life Test was not satisfied as of the last day of the Reinvestment Period, such test will be satisfied after giving effect to the reinvestment;

(I) after giving effect to the reinvestment, the Maximum Moody's Rating Factor Test is satisfied; and

(J) such Substitute Obligations have a Moody's Rating of Caa3 or higher and an S&P Rating of CCC- or higher.

After the Reinvestment Period, the Portfolio Manager must purchase additional Substitute Obligations within the later to occur of (i) 30 Business Days after the receipt of the proceeds from the related disposition and (ii) the first Payment Date to occur after the receipt of proceeds from the related disposition or such proceeds may not be reinvested after the Reinvestment Period. Any such purchases must comply with the criteria set forth in clause (y) above.

Except as described in clause (y) above, after the Reinvestment Period, the Portfolio Manager shall not direct the Trustee to invest any amounts on behalf of the Issuer unless

(x) consent thereto has been obtained from Holders of Notes evidencing 100% of the Aggregate Outstanding Amount of each Class of Notes and (y) each Rating Agency and the Trustee have been notified of such investment.

- (b) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.
- (c) End of Reinvestment Period. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred, each of which shall be treated as a purchase made during the Reinvestment Period for purposes of this Section 12.2 and the Issuer shall not be limited to making such purchases with Eligible Reinvestment Amounts; *provided that* the Portfolio Manager shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, Cash on deposit in the Collection Account as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations. The Portfolio Manager agrees to use commercially reasonable efforts to settle the purchase of any Collateral Obligation no later than 30 Business Days after the trade date of such Collateral Obligation.
- (d) Maturity Amendment. At any time, the Issuer (or the Portfolio Manager on the Issuer's behalf) may vote in favor of a Maturity Amendment only if the Portfolio Manager determines that (i) after giving effect to such Maturity Amendment, the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Rated Notes and (ii) after giving effect to any relevant Trading Plan, during and after the Reinvestment Period, either (x) the Weighted Average Life Test will be satisfied immediately after giving effect to such Maturity Amendment or (y) if the Weighted Average Life Test is not satisfied immediately prior to giving effect to such Maturity Amendment, the level of compliance with the test will be maintained or improved immediately after giving effect to such Maturity Amendment (after giving effect to any relevant Trading Plan); *provided that* (A) the Aggregate Principal Balance of Collateral Obligations amended pursuant to clause (ii)(y) currently owned by the Issuer will not exceed 10% of the Collateral Principal Amount immediately after giving effect to such amendment and (B) the Aggregate Principal Balance of Collateral Obligations amended pursuant to clause (ii)(y), measured cumulatively from the Closing Date onward, will not exceed 10% of the Target Initial Par Amount after giving effect to such Maturity Amendment. The Issuer or the Portfolio Manager may vote for a Maturity Amendment with respect to a Collateral Obligation that it has already sold (either in whole or in part) if the sale has not settled, at the direction of the buyer (provided, that if such trade fails to settle, the Issuer will only retain such Collateral Obligation after the effective date of the amendment if the requirements set forth above are satisfied).

- (e) Subject to clause (f) immediately below, (i) the Issuer's acquisition of securities or other assets received in connection with a workout or restructuring of a Collateral Obligation "in lieu of debts previously contracted" with respect to such Collateral Obligation previously held by the Issuer in compliance with the terms of this Indenture will not be prohibited by any of the requirements in the definition of "Collateral Obligation" that might otherwise prohibit the acquisition of a Collateral Obligation because such Collateral Obligation is a security or other asset that is not a loan, so long as, as determined by the Portfolio Manager in good faith, the receipt and holding of such assets by the Issuer would not cause the Issuer to fail to comply with the "loan securitization exclusion" under the Volcker Rule unless the Permitted Securities Condition is satisfied and (ii) the Issuer will be permitted to withdraw amounts from the Collection Account in connection with the exercise of any warrant or other similar right received in connection with a workout or a restructuring of a Collateral Obligation to the extent set forth in Section 10.2.
- (f) Equity Securities. The Issuer will not exercise any warrant or other similar right received in connection with a workout or a restructuring of a Collateral Obligation that requires a payment that results in receipt of an Equity Security unless the Portfolio Manager on the Issuer's behalf certifies to the Trustee that (i) in its reasonable business judgment, exercising the warrant or other similar right is necessary for the Issuer to realize the value of the workout or restructuring of such Collateral Obligation, (ii) in its reasonable business judgment, the anticipated Sale Proceeds from the sale of the Equity Security received in connection with the exercise of such warrant will at least equal the proceeds used to exercise such warrant, (iii) such Equity Security will be sold prior to the Issuer's receipt of such Equity Security unless, until the Permitted Securities Condition is satisfied, such Equity Security constitutes a security received "in lieu of a debt previously contracted" with respect to such Collateral Obligation for purposes of the "loan securitization exclusion" under the Volcker Rule and (iv) solely Interest Proceeds (as long as sufficient Interest Proceeds will remain on the next Payment Date to pay interest due and payable on the Rated Notes) or Contributions shall be used. Such certification will be deemed to have been made by the delivery to the Trustee of an issuer order or trade confirmation related to the exercise of the warrant or other similar right. Subject to the foregoing requirements in this paragraph, the Issuer may make a payment (including with Interest Proceeds or Contributions) in order to exercise any warrant or other similar right received in connection with a workout, a restructuring or a similar procedure in respect of a Collateral Obligation that results in receipt of a Specified Equity Security.
- (g) Restructured Loans. The Portfolio Manager on behalf of the Issuer may direct the Trustee to withdraw (i) Principal Proceeds up to the Excess Par Amount (as long as the Overcollateralization Ratio Tests will be satisfied) and (ii) Interest Proceeds without limitation (as long as sufficient Interest Proceeds will remain on the next Payment Date to pay interest due and payable on the Rated Notes) from the Collection Account on any Business Day during any Interest Accrual Period to acquire Restructured Loans. Additionally, at any time during or after the Reinvestment Period, at the direction of the Portfolio Manager, the Issuer may direct the payment from amounts on deposit in the Contribution Account to acquire any Restructured

Loan. Notwithstanding anything to the contrary herein, (x) the acquisition of Restructured Loans will not be required to satisfy any of the Investment Criteria and (y) Restructured Loans shall not be considered to be Collateral Obligations.

- (h) Purchases of Workout Loans. Notwithstanding any other requirement set forth herein, Principal Proceeds may be invested in Workout Loans; *provided* that (i) such loan is senior or *pari passu* in right of payment to the corresponding Collateral Obligation already held by the Issuer, (ii) the Overcollateralization Ratio Tests will be satisfied, (iii) the Aggregate Principal Balance of all of the Collateral Obligations and Eligible Investments constituting Principal Proceeds *plus*, without duplication, the amounts on deposit in the Collection Account and the Contribution Account (to the extent such amounts in the Contribution Account have been designated as Principal Proceeds pursuant to the definition of "Permitted Use") and, prior to the first Payment Date following the Effective Date, the Unused Proceeds (including Eligible Investments therein) representing Principal Proceeds is at least equal to the Reinvestment Target Par Balance, (iv) for each calendar year, up to 1.0% of the Collateral Principal Amount (determined as of the first Business Day of such calendar year) may be applied to invest in Workout Loans and (v) the aggregate amount of Principal Proceeds applied to purchase Workout Loans, measured cumulatively from the Closing Date onward, may not exceed 5.0% of the Target Initial Par Amount; *provided further* that, for the purposes of clause (iii) above, any Defaulted Obligation shall be deemed to have a Principal Balance equal to its S&P Collateral Value. Notwithstanding anything to the contrary herein, if a Workout Loan does not meet the definition of "Collateral Obligation", it shall be treated as a Defaulted Obligation until it subsequently meets the definition of "Collateral Obligation" unless such Workout Loan is a Long-Dated Obligation, in which case it shall have an Adjusted Collateral Principal Amount equal to zero. For the avoidance of doubt, Sale Proceeds of Workout Loans and Restructured Loans shall be treated as Principal Proceeds.
- (i) Notwithstanding anything in this Indenture to the contrary, as a condition to any purchase of an additional Collateral Obligation, if the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds, after giving effect to all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled, is a negative amount, the absolute value of such amount may not be greater than 5.0% of the Adjusted Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase.

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions

- (a) Any transaction effected under this Article XII or Section 10.6 will be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager (or with an account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of the Portfolio Management Agreement on terms no less favorable to the Issuer than

would be the case if such Person were not so Affiliated; *provided* that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

- (b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Assets Granted to the Trustee pursuant to this Indenture and will be Delivered. The Trustee shall also receive, not later than the settlement date, an Issuer Order certifying compliance with the provisions of this Article XII; *provided* that such requirement shall be satisfied and such statements deemed to have been made by the Issuer by the delivery to the Trustee of a trade ticket in respect thereof.
- (c) Notwithstanding anything contained in this Article XII to the contrary and without limiting the right to make any other permitted purchases, sales or other dispositions (except as may be limited by the Portfolio Acquisition and Disposition Requirements), the Issuer shall have the right to effect the sale or other disposition of any Asset or purchase of any Collateral Obligation (*provided, that* such transaction complies with the applicable tax requirements set forth in this Indenture) (x) that has been consented to by Holders evidencing with respect to purchases during the Reinvestment Period and sales or other dispositions during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class of Notes and (y) of which each Rating Agency and the Trustee (with a copy to the Portfolio Manager) has been notified.
- (d) The Issuer will not acquire (whether by purchase or substitution) or dispose of a Collateral Obligation, Restructured Loan or Workout Loan unless the following conditions (the "Portfolio Acquisition and Disposition Requirements") are satisfied in connection with such acquisition or disposition: (a) such Collateral Obligation, Restructured Loan or Workout Loan, if being acquired by the Issuer, is an Eligible Asset; (b) such Collateral Obligation, Restructured Loan or Workout Loan is being acquired or disposed of in accordance with the terms and conditions set forth herein; (c) the acquisition or disposition of such Collateral Obligation, Restructured Loan or Workout Loan does not result in a reduction or withdrawal of the then-current rating issued by any Rating Agency on any Class of Rated Notes then Outstanding; and (d) such Collateral Obligation, Restructured Loan or Workout Loan is not being acquired or disposed of for the primary purpose of recognizing gains or decreasing losses resulting from market value changes; *provided* that at any time, the Issuer (or the Portfolio Manager on its behalf) may elect not to rely on Rule 3a-7 for its exclusion from registration under the Investment Company Act by written notice thereof to the Trustee in which case, at all times thereafter, there will be no Portfolio Acquisition and Disposition Requirements, and all references to such requirements in this Indenture and the other Transaction Documents shall no longer be in effect.

ARTICLE XIII
HOLDERS' RELATIONS

Section 13.1. Subordination

- (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture. If an Enforcement Event has occurred and is continuing in accordance with Article V, including as a result of an Event of Default specified in Section 5.1(e) or (f), each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).
- (b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; *provided* that if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.
- (c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that until a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class to receive payments or distributions until all amounts due and payable on the Notes shall be paid in full. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.
- (d) In the event one or more Holders or beneficial owners of Notes causes a Bankruptcy Filing against the Issuer, the Co-Issuer or any Blocker Subsidiary in violation of the prohibition described in this Indenture (including prior to the expiration of the period specified in Section 5.4(d)), each such Holder or beneficial owner will be deemed to acknowledge and agree that (A) any claim that such Holder(s) or beneficial owner has against the Issuer, Co-Issuer or any Blocker Subsidiary (including under all Notes of any Class held by such Holder(s)) or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully

subordinate in right of payment to the claims of each Holder and beneficial owner of any Note (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder or beneficial owners of any Note (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination) (B) it will promptly return or cause all amounts received by it following the filing of such petition to be returned to the Issuer, Co-Issuer or Blocker Subsidiary, as applicable, and (C) it will take all necessary action to give effect to this agreement. The foregoing agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the foregoing. The Issuer may obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such Holder(s).

Section 13.2. Standard of Conduct

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer, the

Co-Issuer or the Portfolio Manager), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person (on which the Trustee shall also be entitled to rely), unless such Officer of the Issuer, the Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Portfolio Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default, Event of Default or Enforcement Event is a condition precedent to the taking of any action by the Trustee at the request or direction of either of the Co-Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to such Issuer's or Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default, Event of Default or Enforcement Event as provided in Section 6.1(d).

Section 14.2. Acts of Holders

- (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" or the "Act" of a specified percentage of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.
- (b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.
- (c) The principal amount and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

- (d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 14.3. Notices, etc., to Certain Parties

- (a) Except as otherwise expressly provided herein, any request, demand, authorization, direction, notice, consent or waiver or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by facsimile or email in legible form at the following address (or at any other address provided in writing by the relevant party):

If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risk arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to such Person a commercially reasonable degree of protection in light of its particular needs and circumstances.
- (c) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.
- (d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to the Cayman Islands Stock Exchange) may be provided by providing access to the Trustee's Website containing such information.

Section 14.4. Notices to Holders; Waiver

- (a) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

- (i) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each Holder affected by such event and posted to the Trustee's Website as provided in Section 14.4(g)), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and
- (ii) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

In addition, for so long as any Listed Notes are Outstanding and the guidelines of the Cayman Islands Stock Exchange so require, documents delivered to Holders of such Listed Notes will be provided to the Cayman Islands Stock Exchange.

- (b) Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by email or by facsimile transmissions and stating the email address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by email or facsimile transmission, as so requested; *provided* that if such notice also requests that notices be given by mail or posting to the Trustee's Website, then such notice shall also be given by mail in accordance with clause (a) above or posting to the Trustee's Website in accordance with clause (g) below, as applicable.
- (c) Subject to the Trustee's rights under Section 6.3(d), the Trustee will deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer; *provided* that nothing herein shall be construed to obligate the Trustee to distribute any notice that the Trustee reasonably determines to be contrary to the terms of this Indenture or its duties and obligations hereunder or applicable law. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Holder status. For the avoidance of doubt, such information shall not include any Effective Date Accountants' AUP Reports or any other Accountants' Report.
- (d) Neither the failure to provide any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.
- (e) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event,

and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

- (f) The Trustee shall provide to the Issuer and the Portfolio Manager upon request any information with respect to the identity of and contact information for any Holder that it has within its possession or may obtain without unreasonable effort or expense and, subject to Section 6.1(c), the Trustee shall have no liability for any such disclosure or the accuracy thereof.
- (g) Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified in this Section 14.4 will be provided by providing access to the Trustee's Website containing such information or document (unless such requirement is waived pursuant to Section 14.4(e)).

Section 14.5. Effect of Headings and Table of Contents

The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6. Successors and Assigns

All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7. Severability

If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8. Benefits of Indenture

Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Collateral Administrator, the Holders and (to the extent provided herein) the Administrator (solely in its

capacity as such) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9. Legal Holidays

In the event that the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date, as the case may be, and except as provided in the definition of Interest Accrual Period, no interest shall accrue on such payment for the period from and after any such nominal date.

Section 14.11. Submission to Jurisdiction

With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), to the fullest extent permitted by applicable law, each party irrevocably: (i) submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York or, if such court does not have jurisdiction, any court of the State of New York located in New York County in any action or Proceeding arising out of or relating to this Indenture; *provided*, that each party hereto consents to the jurisdiction of the courts of Minnesota for any Proceeding brought by the Trustee under the Minnesota trust instruction procedure statute, (ii) agrees that all claims in respect of such action or Proceeding may be heard and determined in any such courts and (iii) agrees not to bring any action or Proceeding arising out of or relating to this Indenture in any other court. Each party hereto waives any defense of inconvenient forum to the maintenance of any action or Proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. Each party agrees that a final, non-appealable judgment in any action or Proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by applicable law.

Section 14.12. WAIVER OF JURY TRIAL

EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and

(ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13. Counterparts

This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart of this Indenture by email (PDF) or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.14. Acts of Issuer

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

Section 14.15. Confidential Information

- (a) The Trustee, the Collateral Administrator and each Holder will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer, the Trustee and the Collateral Administrator) or such Holder (as the case may be) in good faith to protect Confidential Information of third parties delivered to such Person; *provided* that such Person may deliver or disclose Confidential Information: (i) with the prior written consent of the Portfolio Manager, (ii) as required by law, regulation, court order or the rules, regulations or request or order of any governmental, judiciary, regulatory or self-regulating organization, body or official having jurisdiction over such Person, (iii) to its Affiliates, members, partners, officers, directors and employees and to its attorneys, accountants and other professional advisers in conjunction with the transactions described herein, (iv) such information as may be necessary or desirable in order for such Person to prepare, publish and distribute to any Person any information relating to the investment performance of the Assets in the aggregate, or (v) in connection with the exercise or enforcement of such Person's rights hereunder or in any dispute or proceeding related hereto, including defense by the Trustee or Collateral Administrator of any claim of liability that may be brought or charged against it. Notwithstanding the foregoing, delivery to any Person (including Holders) by the Trustee or the Collateral Administrator of any report, notice, document or other information required or expressly permitted by the terms of this Indenture or any of the other Transaction Documents to be provided to such Person or Persons, and delivery to Holders of copies of this Indenture or any of the other Transaction Documents, shall not be a violation of this Section 14.15. Each Holder agrees, except as set forth in clause (ii) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information

by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

- (b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.
- (c) Notwithstanding the foregoing, (i) each of the Trustee and the Collateral Administrator may disclose Confidential Information (x) to each Rating Agency and (y) as and to the extent it may reasonably deem necessary for the performance of its duties hereunder (including the exercise of remedies pursuant to Article V), including on a confidential basis to its agents, attorneys and auditors in connection with the performance of its duties hereunder and the Trustee will provide, upon request, copies of this Indenture, the Portfolio Management Agreement, Monthly Reports and Distribution Reports to a prospective purchaser of an interest in Notes, (ii) the Trustee and any Holder may provide copies of this Indenture, the Portfolio Management Agreement, any Monthly Report and any Distribution Report to any prospective purchaser of Notes, and (iii) the Issuer may provide copies of any Monthly Report and any Distribution Report to the CLO Information Service pursuant to and in accordance with Section 10.7.
- (d) Notwithstanding anything to the contrary contained herein, each recipient may disclose to any and all persons, without limitation of any kind, the U.S. federal, state and local tax treatment of the Notes and the Issuer, any fact that may be relevant to understanding the U.S. federal, state and local tax treatment of the Notes and the Issuer, and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state and local tax treatment and that may be relevant to understanding such U.S. federal, state and local tax treatment.

Section 14.16. Liability of Co-Issuers

Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or

otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers or any Blocker Subsidiary. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding-up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect of any assets of the other of the Co-Issuers.

ARTICLE XV
ASSIGNMENT OF PORTFOLIO MANAGEMENT AGREEMENT

Section 15.1. Assignment of Portfolio Management Agreement

- (a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Secured Obligations and the performance and observance of the provisions hereof, hereby assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties, all of the Issuer's right, title and interest in, to and under the Portfolio Management Agreement, including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided, however*, that the Issuer may exercise any of its rights under the Portfolio Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture), so long as an Event of Default has not occurred and is not continuing. From and after the occurrence and continuance of an Event of Default, the Portfolio Manager will continue to perform and be bound by the provisions of the Portfolio Management Agreement and this Indenture. The Trustee will be entitled to rely and be protected in relying upon all actions and omissions to act of the Portfolio Manager thereafter as fully as if no Event of Default had occurred.
- (b) The assignment made hereby is executed as collateral security, and the execution and delivery hereof shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee. Upon the retirement of the Notes and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee shall cease and terminate and all of the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.
- (c) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Portfolio Manager in the Portfolio Management Agreement, to the following:

- (i) The Portfolio Manager consents to the provisions of this assignment and agrees to perform any provisions of this Indenture applicable to the Portfolio Manager subject to the terms of the Portfolio Management Agreement.
- (ii) The Portfolio Manager acknowledges that the Issuer is assigning all of its right, title and interest (but none of its obligations) in, to and under the Portfolio Management Agreement to the Trustee as collateral for the benefit of the Secured Parties.

Diversity Score Calculation

The Diversity Score is calculated as follows:

- (a) An "**Issuer Par Amount**" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.
- (b) An "**Average Par Amount**" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.
- (c) An "**Equivalent Unit Score**" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer *divided by* the Average Par Amount.
- (d) An "**Aggregate Industry Equivalent Unit Score**" is then calculated for each Moody's Industry Classification group and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.
- (e) An "**Industry Diversity Score**" is then established for each Moody's Industry Classification group, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided* that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

Schedule 4

Moody's Rating Definitions

"Moody's Default Probability Rating":

With respect to a Collateral Obligation:

- (a) if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating;
- (b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such senior unsecured obligation;
- (c) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior secured obligations publicly rated by Moody's, then the Moody's rating that is one subcategory lower than the Moody's public rating on any such senior secured obligation;
- (d) if not determined pursuant to clause (a), (b) or (c) above, if a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an affiliate of the Portfolio Manager within the last 15 months, such rating or, in the case of a rating estimate, the applicable rating estimate for such Collateral Obligation; *provided* that (i) if such rating or rating estimate has been issued or provided by Moody's for a period longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating or rating estimate and (ii) if such rating or rating estimate has been issued or provided by Moody's for a period longer than 15 months, the Moody's Default Probability Rating will be "Caa3;" and
- (e) if not determined pursuant to clause (a), (b), (c) or (d) above, the Moody's Derived Rating.

"Moody's Derived Rating":

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot be determined pursuant to clause (b)(i), (b)(ii), (b)(iii), (c)(i), (c)(ii) or (c)(iii) of the definition of Moody's Rating or (a), (b), (c) or (d) of the definition of Moody's Default Probability Rating, the Moody's Derived Rating for purposes of clause (b)(iv) or (c)(iv) of the definition of Moody's Rating or clause (e) of the definition of Moody's Default Probability Rating (as applicable) shall be determined as set forth below:

- (a) With respect to any DIP Collateral Obligation, one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's.
- (b) If not determined pursuant to clause (a) above, then by using any one of the methods provided below:

(i) (A) pursuant to the table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	\geq "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	\leq "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "**parallel security**"), then the rating of such parallel security will at the election of the Portfolio Manager be determined in accordance with the table set forth in subclause (b)(i)(A) above, and the Moody's Derived Rating for purposes of clauses (b)(iv) or (c)(iv) of the definition of Moody's Rating or clause (e) of the definition of Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (b)(i)(B));

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	\geq B2	-1
Senior secured obligation	$<$ B2	-2
Subordinated obligation	\geq B3	+1
Subordinated obligation	$<$ B3	0

(C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency; or

(ii) if such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Portfolio Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating for purposes of clauses (b)(iv) or (c)(iv) of the definition of Moody's Rating or clause

(e) of the definition of Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be (1) "B3" if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate will be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (ii) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caal."

"Moody's Rating": With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

- (a) If a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager, or an affiliate of the Portfolio Manager pursuant to the proviso in clause (d) of Moody's Default Probability Rating, then such rating.
- (b) With respect to a Collateral Obligation that is a Senior Secured Loan:
 - (i) if such Collateral Obligation is publicly rated by Moody's, such public rating;
 - (ii) if not determined pursuant to clause (b)(i) above, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory higher than such corporate family rating;
 - (iii) if not determined pursuant to clause (b)(i) or (b)(ii) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating that is two subcategories higher than the Moody's public rating on any such senior unsecured obligation; or
 - (iv) if not determined pursuant to clause (b)(i), (b)(ii) or (b)(iii) above, the Moody's Derived Rating.
- (c) With respect to a Collateral Obligation that is not a Senior Secured Loan:
 - (i) if such Collateral Obligation is publicly rated by Moody's, such public rating;

 - (iii) if not determined pursuant to clause (c)(i) or (c)(ii) above, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory lower than such corporate family rating; or

- (iv) if not determined pursuant to clause (c)(i), (c)(ii) or (c)(iii) above, the Moody's Derived Rating.

Schedule 5

FITCH RATING DEFINITION

"Fitch Rating": The Fitch Rating of any Collateral Obligation shall be determined as follows:

(a) if Fitch has issued a long-term issuer default rating ("LT IDR") or a long-term issuer default credit opinion ("LT IDCO") with respect to the issuer of such Collateral Obligation, then the Fitch Rating will be such LT IDR or LT IDCO (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such issuer held by the Issuer);

(b) if Fitch has not issued a LT IDR or LT IDCO with respect to the issuer of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating ("IFSR") with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issue ratings, then the Fitch Rating will be calculated using the Fitch IDR Equivalency Table below;

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c)
and

(i) Moody's has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(ii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(iii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but Moody's has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody's rating;

(iv) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the

Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below;

(v) S&P has issued a publicly available issuer credit rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;

(vi) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but S&P has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;

(vii) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below; and

(viii) both Moody's and S&P provide a public rating of the issuer of such Collateral Obligation or a public corporate issue rating of such issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d); otherwise the sole public Fitch Rating issued by Moody's or S&P will be applied; and

(e) if a rating cannot be determined pursuant to clauses (a) through (d) then, at the discretion of the Portfolio Manager, (i) the Portfolio Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating will then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;

provided, that, if any rating described above is on rating watch negative or negative credit watch, the rating will be adjusted down by one sub-category; *provided, further* that the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com.

Schedule 8

S&P FORMULA CDO MONITOR DEFINITIONS

As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR": The threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the outstanding Principal Balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

$$\text{S\&P CDO Monitor BDR} * (\text{OP} / \text{NP}) + (\text{NP} - \text{OP}) / [\text{NP} * (1 - \text{S\&P Weighted Average Recovery Rate})]$$
, where OP = Target Initial Par Amount; NP = the sum of the aggregate outstanding Principal Balances of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-".

"S&P CDO Monitor BDR": The value calculated using the following formula relating to the Issuer's portfolio: $C0 + (C1 * \text{Weighted Average Floating Spread}) + (C2 * \text{S\&P Weighted Average Recovery Rate})$, where: $C0=0.093750$, $C1=4.256334$ and $C2=0.977932$.

"S&P CDO Monitor SDR": The percentage derived from the following equation: $0.247621 + (\text{SPWARF}/9162.65) - (\text{DRD}/16757.2) - (\text{ODM}/7677.8) - (\text{IDM}/2177.56) - (\text{RDM}/34.0948) + (\text{WAL}/27.3896)$, where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

"S&P Default Rate Dispersion": With respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the outstanding Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Rating Factor *minus* (y) the S&P Weighted Average Rating Factor *divided by* (B) the aggregate outstanding Principal Balance for all such Collateral Obligations.

"S&P Effective Date Adjustments": In connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date the following adjustments apply: (i) in calculating the Weighted Average Floating Spread, the Aggregate Funded Spread will be calculated without giving effect to the proviso of the definition thereof and (ii) such calculation will be made without including any Principal Proceeds that may be designated as Designated Principal Proceeds or Designated Unused Proceeds.

"S&P Industry Diversity Measure": A measure calculated by determining the aggregate outstanding Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the aggregate outstanding Principal Balance of the Collateral Obligations (with

an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure": A measure calculated by determining the aggregate outstanding Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such aggregate outstanding Principal Balance by the aggregate outstanding Principal Balance of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the Obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Rating Factor": With respect to each Collateral Obligation, the rating factor determined in accordance with Table 1 below using such Collateral Obligation's S&P Rating.

"S&P Regional Diversity Measure": A measure calculated by determining the aggregate outstanding Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in Table 2 below, then dividing each of these amounts by the aggregate outstanding Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life": On any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's outstanding Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the aggregate outstanding Principal Balance of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor": With respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the Principal Balance of each such Collateral Obligation and (y) the S&P Rating Factor divided by (ii) the Aggregate Principal Balance for all such Collateral Obligations.

Schedule 9

S&P RATING DEFINITIONS

"Information" means S&P's "Credit Estimate Information Requirements" dated April 2011 and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

"S&P Publication": The 2011 S&P Credit Estimates Publication and related Credit FAQ: What Are Credit Estimates and How Do They Differ From Ratings?, dated as of April 6, 2011.

"S&P Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) (a) with respect to any Collateral Obligation that is not a DIP Collateral Obligation, if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty meeting the then-current S&P guaranty criteria, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer, *provided* that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if such private ratings are not point-in-time ratings and the obligor has consented to the use of such ratings) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation shall be one sub-category above such rating;

(ii) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating, unless the Portfolio Manager is aware that certain Specified Amendments or Specified DIP Amendments have occurred; *provided*, that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Portfolio Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation shall be "CCC-" until such credit rating is obtained from S&P;

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (a) through (c) below:

(a) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's, then the S&P Rating will be determined in accordance with

the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower; *provided that* the S&P Rating may be determined in accordance with this clause (a) for no more than 15% of the Aggregate Principal Balance of Collateral Obligations;

(b) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation shall, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; *provided that*, if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Obligation shall have an S&P Rating as determined by the Portfolio Manager in its sole discretion if the Portfolio Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Portfolio Manager is commercially reasonable and will be at least equal to such rating; *provided, further*, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation shall have (1) the S&P Rating as determined by the Portfolio Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Portfolio Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided, further*, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Obligation shall be "CCC-"; *provided, further*, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; *provided, further*, that such credit estimate shall expire 12 months after the acquisition of such Collateral Obligation, following which such Collateral Obligation shall have an S&P Rating of "CCC-" unless, during such 12-month period, the Issuer applies for renewal thereof in accordance with this Indenture, in which case such credit estimate shall continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Obligation; *provided, further*, that such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of the acquisition of such Collateral Obligation and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; or

(c) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Portfolio Manager) be "CCC-"; *provided that* (i) neither the issuer of such

Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings, (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, (iii) all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Obligation are current and the Portfolio Manager reasonably expects them to remain current and (iv) the Portfolio Manager submits all Information in respect of such Collateral Obligation to S&P prior to, or within 30 days of, such election;

(iv) with respect to a DIP Collateral Obligation, if the S&P Rating cannot otherwise be determined pursuant to this definition, the S&P Rating of such Collateral Obligation shall be "CCC-"; or

(v) with respect to a Current Pay Obligation that is rated "D" or "SD" by S&P, the S&P Rating of such Current Pay Obligation shall be "CCC-";

provided that for purposes of the determination of the S&P Rating in all cases, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating; *provided, further*, that the Issuer, upon notice from the Portfolio Manager, will promptly notify S&P of any material event with respect to any Collateral Obligation with an S&P Rating determined in accordance with clause (iii)(b) or (iii)(c) above if the Portfolio Manager determines that such event is a material event as described in the S&P Publication.
