This INDENTURE, dated as of November 3, 2020 (the "Closing Date"), among Silver Rock CLO I, Ltd., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), Silver Rock CLO I, LLC, a Delaware limited liability company (the "Co-Issuer" and, together with the Issuer, the "Co-Issuers"), and U.S. Bank Trust Company, National Association (as successor in interest to U.S. Bank National Association), as trustee (herein, together with its permitted successors in the trusts hereunder, the "Trustee").

PRELIMINARY STATEMENT

The Co-Issuers are duly authorized to execute and deliver this Indenture to provide for the Notes issuable as provided in this Indenture. Except as otherwise provided herein, all covenants and agreements made by the Co-Issuers herein are for the benefit and security of the Holders of the Secured Notes, the Trustee, the Administrator, the Collateral Administrator, the Collateral Manager, the Bank in each of its other capacities under the Transaction Documents and each Hedge Counterparty (collectively the "Secured Parties"). The Co-Issuers are entering into this Indenture, and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Co-Issuers in accordance with the agreement's terms have been done.

GRANTING CLAUSE

I. Subject to the priorities and the exclusions, if any, specified below in this Granting Clause, the Issuer hereby Grants to the Trustee, for the benefit and security of the Secured Parties to the extent of such Secured Party's interest hereunder, including under the Priority of Payments, all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising, all securities, loans and investments and, in each case as defined in the UCC, accounts, chattel paper, commercial tort claims, deposit accounts, documents, financial assets, general intangibles, goods, instruments, investment property, letter-of-credit rights and other supporting obligations, and other property of any type or nature in which the Issuer has an interest, including all proceeds (as defined in the UCC) with respect to the foregoing (subject to the exclusions noted below, the "Assets" or the "Collateral"). Such Grants include, but are not limited to:

(a) the Collateral Obligations, Restructured Obligations and Equity Securities and all payments thereon or with respect thereto;

(b) each Account (subject, in the case of each Hedge Counterparty Collateral Account, to the terms of the applicable Hedge Agreement), including any Eligible Investments purchased with funds on deposit therein, and all income from the investment of funds therein;

(c) the Issuer's ownership interest in any Issuer Subsidiary (and any assets held by any Issuer Subsidiary);

(d) the Collateral Management Agreement, any Hedge Agreement, the Collateral Administration Agreement and the Administration Agreement;

(e) all Cash or Money; and

(f) all proceeds with respect to the foregoing.

Such Grant and the term "Assets" shall not include (a) any Margin Stock and (b) (i) the U.S.\$250 transaction fee paid to the Issuer in consideration of the issuance of the Notes, (ii) the U.S.\$250 attributable to the issuance and allotment of the Issuer's ordinary shares, (iii) any account in the Cayman Islands maintained in respect of the funds referred to in clauses (b)(i) and (b)(ii) above (and any amounts credited thereto or any interest thereon), (iv) the membership interests of the Co-Issuer and (v) any Tax Reserve Account and any funds deposited in or credited to any such account (the assets referred to in (a) and (b)(i) through (b)(iv), collectively, the "Excepted Property").

Such Grants are made in trust to secure the Secured Notes equally and ratably without prejudice, priority or distinction between any Secured Note and any other Secured Note by reason of difference of time of issuance or otherwise, except as expressly provided in this Indenture, and to secure, in accordance with the priorities set forth in the Priority of Payments, (A) the payment of all amounts due on the Secured Notes in accordance with their terms, (B) the payment of all other sums payable under any Transaction Document to any Secured Party and (C) compliance with the provisions of this Indenture, all as provided in this Indenture. The foregoing Grant shall, for the purpose of determining the property subject to the lien of this Indenture, be deemed to include any securities and any investments granted to the Trustee by or on behalf of the Issuer, whether or not such securities or investments satisfy the criteria set forth in the definitions of "Collateral Obligation" or "Eligible Investments," as the case may be.

II. The Trustee acknowledges such Grant, accepts the trusts hereunder in accordance with the provisions hereof, and agrees to perform its duties expressly stated herein in accordance with the provisions hereof.

ARTICLE I

DEFINITIONS

Section 1.1 Definitions. Except as otherwise specified herein or as the context may otherwise require, terms defined in Annex A hereto shall have the respective meanings set forth in Annex A for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision. References to an agreement or other document are to it as amended, supplemented,

restated and otherwise modified from time to time and to any successor document (whether or not already so stated). References to a statute, regulation or other government rule are to it as amended from time to time and, as applicable, are to corresponding provisions of successor governmental rules (whether or not already so stated). The word "or" is always used inclusively herein (for example, the phrase "A or B" means "A or B or both," not "either A or B but not both"), unless used in an "either ... or" construction. References to a Person are references to such Person's successors and assigns (whether or not already so stated).

Section 1.2 Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations shall be made on the basis of information as to the terms of each such Pledged Obligation and upon reports of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations and any determination of the Weighted Average Life of any Collateral Obligation shall be made by the Collateral Manager using the assumption that no Pledged Obligation defaults or is disposed of.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) With respect to the calculation of the Reinvestment Overcollateralization Test prior to the purchase of Uptier Priming Debt, a Restructured Obligation or a Workout Obligation, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation, including, for the avoidance of doubt, with respect to the inability to participate in any Rolled Senior Uptier Debt (in each case, as determined in the commercially reasonable judgment of the Collateral Manager).

(d) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent of any payments actually received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the

Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(e) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.2(d) being greater than the actual amounts available. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the Coverage Tests and the Collateral Quality Tests, the expected interest on Secured Notes and Floating Rate Obligations shall be calculated using the then current interest rates applicable thereto.

(f) For purposes of determining the issuance size of any Drop Down Asset, the total potential indebtedness of the obligor thereof shall be deemed to include the total potential indebtedness of the obligor of the related Subject Asset.

(g) Calculations of amounts to be distributed under the Priority of Payments will give effect to all payments that precede (in priority of payment) or include the clause of the Priority of Payments in which such calculation is made.

(h) Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating compliance with the Investment Criteria or the Post-Reinvestment Period Criteria (as applicable), upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of Collateral Obligations shall be deemed to have the characteristics of such Collateral Obligations until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Collateral Obligations, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.

(j) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(k) For purposes of calculating the Concentration Limitations, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(l) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(m) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and shall be based on the aggregate outstanding principal balance of the Collateral Obligations plus the aggregate outstanding principal balance of Eligible Investments representing Principal Proceeds as of the first day of the Collection Period.

(n) Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(o) Unless otherwise specifically provided herein, all calculations or determinations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date. For the avoidance of doubt, with respect to any commitment to purchase a Collateral Obligation that is intended to settle upon the termination of a Collateral Obligation of the same obligor currently owned by the Issuer, the trade date of such Collateral Obligation shall be deemed to be the date of termination of the Collateral Obligation of the same obligor currently owned by the Issuer for the purposes of calculating the Concentration Limitations and the Collateral Quality Tests.

(p) Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related obligor).

(q) When used with respect to payments on the Subordinated Notes, the term "principal amount" shall mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds, and the term "interest" shall mean Interest Proceeds distributable to Holders of Subordinated Notes in accordance with the Priority of Payments.

(r) Any references in Article XI of this Indenture to fees paid to the Collateral Manager shall not include fees paid to the Collateral Manager for its role in managing the Assets prior to the Closing Date.

(s) Any future anticipated tax liabilities of an Issuer Subsidiary related to an Issuer Subsidiary Asset will be excluded from the calculation of the Weighted Average Floating Spread, the Minimum Weighted Average Coupon Test and the Interest Coverage Tests.

(t) Any reference to the Benchmark applicable to any Floating Rate Note as of any Measurement Date during the first Interest Accrual Period shall mean the Benchmark for the relevant portion of the first Interest Accrual Period as determined on the preceding Interest Determination Date.

(u) If an administrative agent with respect to a Collateral Obligation provides notice that withholding tax is imposed on (i) any amendment, waiver, consent or extension fees, (ii) commitment fees or similar fees or (iii) any other Collateral Obligation that becomes subject to withholding tax, the calculations of the Weighted Average Floating Spread, the Minimum Weighted Average Coupon Test and the Interest Coverage Tests (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the obligor is required to make "gross-up" payments to the Issuer or an Issuer Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(v) Each of the Weighted Average Floating Spread and Minimum Floating Spread Test will be calculated by the Issuer (or the Collateral Administrator on its behalf in accordance with and subject to the provisions of the Collateral Administration Agreement) in consultation with the Collateral Manager.

(w) At the written direction of the Collateral Manager to the Trustee (with a copy to the Collateral Administrator), Interest Proceeds received by the Issuer following the Closing Date up to the first Payment Date following the Effective Date up to an amount specified in the certification set forth in clause (i) of the definition of "Principal Financed Accrued Interest" may be deposited directly to the Collection Account as Principal Proceeds.

(x) For purposes of determining compliance with the criteria set forth in Section 12.2, any Unscheduled Principal Payments shall be taken into consideration on and after the date such Unscheduled Principal Payments are actually received by the Issuer (and not as of the Record Date of the related payment).

(y) All calculations and determinations required (or otherwise necessary) under this Indenture shall be made by or on behalf of the Issuer based on the information actually available to the Issuer (or the Collateral Administrator on its behalf) or, if applicable, the Collateral Manager at the time such calculation or determination is made. Information obtained after any such calculation or determination has been made shall not affect the validity of such calculation or determination at the time it was made.

(z) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(aa) For purposes of calculating the Reinvestment Target Par Balance, any proceeds of an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes designated as Interest Proceeds will be excluded.

(bb) All calculations related to Maturity Amendments (and definitions related to Maturity Amendments and Section 12.4 that would otherwise be calculated cumulatively) and the Investment Criteria and the Post-Reinvestment Period Criteria (and definitions related to the Investment Criteria, the Post-Reinvestment Period Criteria and Section 12.2 that would otherwise be calculated cumulatively) will be reset at zero on the date of any Refinancing of the Secured Notes in whole. For the avoidance of doubt, the Incentive Management Fee Threshold will not be reset at zero on the date of any Refinancing.

(cc) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(dd) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Collateral Manager on which the Trustee may rely for all purposes herein.

(ee) Notwithstanding anything to the contrary in this Indenture, except as otherwise expressly provided in this Indenture, a Workout Obligation shall be treated as a Defaulted Obligation including, but not limited to, for the purposes of calculation of the Collateral Quality Test, Concentration Limitations, Adjusted Collateral Principal Amount and Collateral Interest Amount unless and until it subsequently meets the definition of "Collateral Obligation" (as determined on such date and without giving effect to the previously utilized carve-outs for Workout Obligations set forth therein with respect thereto) and shall otherwise be considered a Collateral Obligation.

(ff) The Class X-R Notes will not be included in the calculation of any Interest Coverage Test, any Overcollateralization Test or the Reinvestment Overcollateralization Test.

(gg) Notwithstanding anything to the contrary in this Indenture, except as otherwise expressly provided in this Indenture, all Assets (other than a Collateral Obligation and/or any Assets acquired pursuant to Sections 12.2(b) and (c) and designated as a Defaulted Obligation pursuant to the terms therein) acquired in connection with a workout, restructuring or bankruptcy or similar process shall have a Principal Balance of zero.

ARTICLE II

THE NOTES

Section 2.1 Forms Generally. The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuers executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

Global Notes and Certificated Notes may have the same identifying numbers (e.g., CUSIP). As an administrative convenience or in connection with a Re-Pricing of Notes, a Refinancing, an issuance of Additional Notes, compliance with FATCA or giving effect to the Bankruptcy Subordination Agreement, the Applicable Issuers or the Issuer's agent may obtain a separate CUSIP or separate CUSIPs (or similar identifying numbers) for all or a portion of any Class.

Section 2.2 Forms of Notes. (a) The forms of the Notes, including the forms of Certificated Notes, Regulation S Global Notes and Rule 144A Global Notes, will be as set forth in the applicable Exhibit A.

(i) Except as provided below, each Class of Notes issued to persons who are not U.S. persons in offshore transactions in reliance on Regulation S (except to the extent that any such person requests to receive a Certificated Note) shall be represented by one or more Regulation S Global Notes and deposited with the Trustee as custodian for, and registered in the name of, DTC or its nominee for credit to the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(ii) Except as provided below, each Class of Notes issued to persons that are QIB/QPs (except to the extent that any such QIB/QP requests to receive a Certificated Note) shall initially be represented by one or more Rule 144A Global Notes and deposited with the Trustee as custodian for, and registered in the name of, DTC or its nominee, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(b) Book Entry Provisions. This Section 2.2(b) shall apply only to Global Notes deposited with or on behalf of DTC.

Agent Members and owners of beneficial interests in Global Notes shall have no rights under this Indenture with respect to any Global Notes held by the Trustee, as custodian for DTC and DTC may be treated by the Co-Issuers, the Trustee, and any agent of the Co-Issuers or

the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Co-Issuers, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(c) Certificated Notes. Except as provided in Section 2.6 or Section 2.11, owners of beneficial interests in Global Notes shall not be entitled to receive physical delivery of Certificated Notes.

Section 2.3 Authorized Amount; Stated Maturity; Denominations. (a) The aggregate principal amount of the Secured Notes and the Subordinated Notes that may be authenticated and delivered under this Indenture is limited to (x) prior to the First Refinancing Date, U.S.\$347,550,000 aggregate principal amount of Notes and (y) on and after the First Refinancing Date, U.S.\$351,295,000 aggregate principal amount of Notes, except for Deferred Interest with respect to the Deferred Interest Notes and Additional Notes issued pursuant to Section 2.4.

(b) Prior to the First Refinancing Date, such Notes shall be divided into the Classes, having the designations, original principal amounts and other characteristics as follows:

- (1) Each Class of Notes is referred to in this Indenture using the respective term set forth in the row titled "Designation" in the table above. The Subordinated Notes described above are referred to herein as the "Subordinated Notes." The Class A Notes and the Class B Notes are referred to as the "Senior Notes". The Senior Notes, the Class C Notes and the Class D Notes are referred to as the "Co-Issued Notes." The Class E Notes and the Subordinated Notes are referred to as the "Issuer Only Notes" and, collectively with the Co-Issued Notes, the "Notes." The Senior Notes, the Class C Notes, the Class D Notes and the Class E Notes are sometimes referred to as the "Secured Notes." The Issuer Only Notes are sometimes referred to as the "ERISA Restricted Notes." Certificated Notes will be issued on the Closing Date to initial investors who request Certificated Notes. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.
- (2) The Note Interest Rate of a Class of Floating Rate Notes will be equal to the Benchmark plus the spread specified above for such Class. The Benchmark may be modified as provided in the definition thereof. The Benchmark for the first Interest Accrual Period will be set on two different Interest Determination Dates and, therefore, two different rates will apply during that period. Interest for such Interest Accrual Period will be the sum of (a) interest accrued at the indicated Note Interest Rate from the Closing Date through the First Interest Determination End Date and (b) the interest accrued at the indicated Note Interest Rate from the First Interest Determination End Date to the end of the Interest Accrual Period. The Note Interest Rate with respect to any Repriceable Class may be reduced in connection with a Re-Pricing of such Class of Secured Notes, subject to the conditions set forth in [Section 9.7](#).

On and after the First Refinancing Date, such Notes shall be divided into the Classes, having the designations, original principal amounts and other characteristics as follows:

- Each Class of Notes is referred to in this Indenture using the respective term set forth in the row titled "Designation" in the table above. The Subordinated Notes described above are referred to herein as the "Subordinated Notes." The Class A-R Notes and the Class B-R Notes are referred to as the "Senior Notes". The Class E-R Notes and the Subordinated Notes are referred to as the "Issuer Only Notes" and, collectively with the Co-Issued Notes, the "Notes." The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.
- The Note Interest Rate of a Class of Floating Rate Notes will be equal to the Benchmark plus the spread specified above for such Class. The initial Benchmark for the Floating Rate Notes is Term SOFR. Term SOFR shall be calculated by reference to a three-month tenor except as otherwise set forth in the definition of "Index Maturity". The Note Interest Rate with respect to any Repriceable Class may be reduced in connection with a Re-Pricing of such Class of Secured Notes, subject to the conditions set forth in Section 9.7.
- The Class X-R Notes and the Class A-R Notes are pari passu in right of payment except that, in accordance with the Priority of Payments, principal of the Class X-R Notes is payable in circumstances in which principal of the Class A-R Notes is not payable.

Section 2.4 Additional Notes. (a) At any time, subject to the written approval of a Majority of the Subordinated Notes and the Collateral Manager, the Applicable Issuers may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof, issue and sell Additional Notes of each Class (other than the Class X-R Notes) on a *pro rata* basis with respect to each Class of Notes (except that (i) a larger proportion of Subordinated Notes and/or Junior Mezzanine Notes may be issued and (ii) in connection with a Refinancing pursuant to which all Secured Notes are being refinanced, a larger proportion of one or more Classes of Secured Notes may be issued) and/or additional secured or unsecured notes of one or more new classes that are junior in right of payment to the Secured Notes (the "Junior Mezzanine Notes"); provided that the consent of a Majority of the Subordinated Notes shall not be required if the Collateral Manager has determined in its sole discretion that such issuance is required for compliance with the U.S. Risk Retention Rules (if the U.S. Risk Retention Rules apply to this transaction) by the Collateral Manager and/or the Sponsor. In addition, the following conditions must be satisfied to issue Additional Notes:

(i) the Applicable Issuers shall comply with the requirements of Section 2.6, Section 3.2 and Section 8.1;

(ii) the Issuer shall provide notice of such issuance to each Rating Agency;

(iii) in the case of additional Secured Notes, unless such issuance is being effected (in the sole discretion of the Collateral Manager) in order to permit the Collateral Manager and/or the Sponsor to comply with any applicable law, including the U.S. Risk Retention Rules, (a) the issuance date is during the Reinvestment Period, (b) each Overcollateralization Test is maintained or improved after giving effect to such issuance and (c) unless the S&P Rating Condition is satisfied, no such issuance of Secured Notes may exceed 100% of the respective original outstanding amount of the applicable Class or Classes of Secured Notes;

(iv) the proceeds of any Additional Notes (net of fees and expenses incurred in connection with such issuance) (a) shall be treated as Principal Proceeds, used to purchase additional Collateral Obligations, (b) Additional Junior Notes Proceeds and the excess of the *pro rata* issuance amount in the case of an issuance of additional Subordinated Notes and/or any additional Junior Mezzanine Notes, may, in the sole discretion of the Collateral Manager, be applied to the purchase of Specified Equity Securities, used for Permitted Uses or treated as Interest Proceeds;

(v) unless only additional Subordinated Notes or additional Junior Mezzanine Notes are being issued, Tax Advice will be delivered to the Issuer to the effect that any additional Secured Notes will have the same U.S. federal income tax characterization (and at the same comfort level) as any Secured Notes Outstanding at the time of the additional issuance that are *pari passu* with such Additional Notes as described in the Offering Circular; provided, however, that, such Tax Advice will not be required with respect to any Additional Notes that bear a different securities identifier from the Notes of the same Class that are Outstanding at the time of the additional issuance;

(vi) the Additional Notes that are Secured Notes will be issued in a manner that allows the Issuer to accurately provide the tax information relating to original issue discount that this Indenture requires to be provided to the Holders and beneficial owners of Secured Notes (including the Additional Notes that are Secured Notes); and

(vii) an Officer's certificate of the Issuer shall be delivered to the Trustee stating that the conditions of this Section 2.4(a) have been satisfied.

(b) The terms and conditions of any Additional Notes of an existing Class shall be identical to those of the initial Notes of that Class (except that the interest due on the Additional Notes that are Secured Notes shall accrue from the issue date of such Additional Notes, the prices of such Additional Notes do not have to be identical to those of the initial Notes of that Class and, other than with respect to additional Subordinated Notes, the interest rate of such Additional Notes must be equal to or less than the interest rate of the applicable Class, in each case, as determined by the Collateral Manager and as between any *Pari Passu* Classes, the Collateral Manager may elect which of such *Pari Passu* Classes are issued as Additional Notes).

Interest on the Additional Notes that are Secured Notes shall be payable commencing on the first Payment Date following the issue date of such Additional Notes (if issued prior to the applicable Record Date). The Additional Notes shall rank *pari passu* in all respects with the initial Notes of that Class and the interest rate of any Additional Notes that are Floating Rate Notes shall be a spread over the Benchmark.

(c) Except to the extent that the Collateral Manager has determined in its sole discretion that the issuance of Additional Notes is required for compliance with any applicable law, including the U.S. Risk Retention Rules, by the Collateral Manager and/or the Sponsor, any Additional Notes of each Class issued as set forth above shall, to the extent reasonably practicable, be offered first (i) in the case of Additional Notes that are Subordinated Notes or junior in right of payment to the Secured Notes, to the Holders of the Subordinated Notes in proportion to such Holders' interests in the Subordinated Notes and (ii) in the case of Additional Notes of any existing Class of Secured Notes, to the Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class.

(d) The Co-Issuers or the Issuer, as applicable, may also issue Additional Notes in connection with a Refinancing of all Classes of Secured Notes, which issuance shall not be subject to the conditions set forth above, but shall be subject only to the requirements for a Refinancing set forth in Section 9.2.

Section 2.5 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, electronic (as contemplated by Section 14.12) or facsimile.

Notes bearing the manual, electronic or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Trustee), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of

the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause to be kept a register (the "Register") at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "Registrar" for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor. With respect to the ERISA Restricted Notes held as Certificated Notes or held as Global Notes acquired from Citigroup or the Issuer, as applicable, on the Closing Date or the First Refinancing Date, as applicable, the Register will include a notation identifying each Purchaser that represented that it is a Controlling Person or a Benefit Plan Investor; provided that the Registrar shall make such notation based solely upon the information included in the Transfer Certificate from such Purchaser and shall have no responsibility of any nature to confirm or obtain such information.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon request at any time the Registrar shall provide to the Issuer, the Collateral Manager, Citigroup, the Refinancing Placement Agent or any Holder a current list of Holders (and their holdings) as reflected in the Register, and at the Issuer's expense, a list of participants in DTC holding positions in the Notes.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal or face amount. At any time, the Issuer, the Collateral Manager, the Initial Majority Subordinated Noteholder, Citigroup, or the Refinancing Placement Agent may request a list of Holders from the Trustee and the Trustee shall provide such a list of Holders to the extent such information is available to the Trustee.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal or face amount, upon surrender of the interest in Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Certificated Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or its attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which such requirements include membership in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) No Note may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser or the Refinancing Placement Agent at any time or (ii) otherwise until 40 days after the Closing Date within the United States to, or for the benefit of, "U.S. persons" (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes may be sold or resold, as the case may be, in offshore transactions to non "U.S. persons" (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Note may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Note may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(d) (i) No transfer of an interest in any ERISA Restricted Note to a proposed transferee will be effective, and the Trustee, the Registrar, and the Applicable Issuer will not recognize any such transfer, if such transfer would result in Benefit Plan Investors owning or holding the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes in excess of the 25% Threshold, assuming for this purpose, that all the representations made (or, in the case of Global Notes, deemed to be made) by Holders of such Notes are true. For purposes of determining whether the 25% Threshold has been exceeded, (x) the investment by a Plan Asset Entity shall be treated as plan assets only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any ERISA Restricted Note held by a Controlling Person shall be excluded and treated as not being Outstanding. With respect to any interest in an ERISA Restricted Note that is purchased by a Controlling Person on the Closing Date or the First Refinancing Date, as applicable, and represented by a Global Note, if such Controlling Person notifies the Trustee that all or a portion of its interest in such Global Note has been transferred under this Section 2.6 to a transferee that is not a Controlling Person, such transferred interest will no longer be excluded for the calculation of this clause (d)(i).

(ii) No acquisition or transfer of a beneficial interest in a Note will be effective, and the Trustee and the Applicable Issuer will not recognize any such acquisition or transfer, if the acquisition, holding and disposition of such interest would constitute or result: (i) in the case of a Benefit Plan Investor, in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (ii) in the case of a governmental, church, non-U.S. or other plan which is subject to any Similar Law, in a non-exempt violation of any Similar Law or (iii) in the case of ERISA Restricted Notes, if it is any such plan subject to Similar Law, in the occurrence of a Similar Law Look-Through.

(e) Notwithstanding anything contained herein to the contrary, the Trustee will not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; *provided* that if a Transfer Certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding anything in this Indenture to the contrary, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.6 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferee or transferor. Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by Holders of an interest in an ERISA Restricted Note, shall not recognize any transfer of an interest in an ERISA Restricted Note if such transfer would result in Benefit Plan Investors owning or holding an interest in excess of the 25% Threshold for any Class of ERISA Restricted Notes, assuming, for this purpose, that all the representations made (or, in the case of Global Notes, deemed to be made) by holders of such Notes are true.

(f) So long as a Global Note remains Outstanding and is held by or on behalf of DTC, transfers of such Global Note, in whole or in part, shall only be made in accordance with this Section 2.6(f).

(i) Subject to clauses (ii) and (iii) of this Section 2.6(f), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Notes Represented by Rule 144A Global Note or Certificated Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC or a Holder of a Certificated Note wishes at any time to exchange its interest in such Rule 144A Global Note or Certificated Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note or Certificated Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder, provided such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction, may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Authorized Denomination applicable to such holder's Secured Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note or Certificated Note to be exchanged or transferred, and in the case of a transfer of Certificated Notes, such Holder's Certificated Notes properly endorsed for assignment to the transferee, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) in the case of a transfer of Certificated Notes, a Holder's Certificated Note properly endorsed for assignment to the transferee and (D) a Transfer Certificate in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Rule 144A Global Notes or the Certificated Notes including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S, then the Registrar shall implement the Global Note Procedures with respect to the applicable Global Note and, if applicable, cancel the Certificated Notes.

(iii) Regulation S Global Note to Rule 144A Global Note or Certificated Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or for a Certificated Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note or for a Certificated Note, such holder may, subject to the immediately succeeding sentence

and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note or for a Certificated Note. Upon receipt by the Registrar of (A) if the transferee is taking a beneficial interest in a Note represented by a Rule 144A Global Note, instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the Authorized Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and a Transfer Certificate in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (B) if the transferee is taking a Certificated Note, a Transfer Certificate in the form of Exhibit B3, then the Registrar shall implement the Global Note Procedures with respect to the applicable Global Note and, if the transferee is taking an interest in a Certificated Note, the Registrar will record the transfer in the Register and, upon execution by the Applicable Issuers, authenticate and deliver one or more Certificated Notes, as applicable, registered in the names specified in the instructions described above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Note transferred by the transferor), and in Authorized Denominations.

(iv) Certificated Note to Certificated Note. If a Holder of a Certificated Note wishes at any time to exchange such Certificated Note for one or more Certificated Notes or transfer such Certificated Note to a transferee who will take delivery thereof in the form of a Certificated Note, such Holder may effect such exchange or transfer in accordance with this Section 2.6(f)(iv). Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) a Transfer Certificate in the form of Exhibit B3, then the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register and, upon execution by the Applicable Issuers, authenticate and deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in Authorized Denominations.

(v) Notes Represented by Rule 144A Global Notes to Certificated Notes. If a holder of a beneficial interest in a Note represented by a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for a Certificated Note or to transfer its interest in such Rule 144A Global Note to a

Person who will take delivery thereof in the form of a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Note. Upon receipt by the Registrar of (A) a Transfer Certificate substantially in the form of Exhibit B3 and (B) appropriate instructions from DTC, if required, the Registrar will implement the Global Note Procedures with respect to the applicable Global Note and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Notes, registered in the names specified in such instructions from DTC, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Note transferred by the transferor), and in Authorized Denominations.

(vi) Certificated Notes to Rule 144A Global Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a beneficial interest in a Rule 144A Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for a beneficial interest in a Rule 144A Global Note. Upon receipt by the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee; (B) a Transfer Certificate substantially in the form of Exhibit B2; (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register and will implement the Global Note Procedures with respect to the Rule 144A Global Note.

(vii) Other Exchanges. In the event that a Global Note is exchanged for Certificated Notes pursuant to Section 2.11, such Global Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are made only to Holders who are Qualified Purchasers in transactions exempt from registration under the Securities Act or are to persons who are not U.S. persons who are non-U.S. residents (as determined for purposes of the Investment Company Act), and otherwise comply with Regulation S under the Securities Act, as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.

(viii) Such beneficial owner understands, represents and agrees as provided in Section 2.14 of this Indenture.

(g) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable part of Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear

such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

(h) Each Purchaser of a Certificated Note will be required or deemed to have represented and agreed as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

The Purchaser understands and agrees that any purported transfer of Notes to a Purchaser that does not comply with the requirements of this paragraph or that would have the effect of causing either of the Co-Issuers or the pool of collateral to be required to register as an investment company under the Investment Company Act will be null and void ab initio.

(iii) The Purchaser has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in Notes, and the Purchaser is able to bear the economic risk of its investment.

(iv) The Purchaser understands that the Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, the Notes have not been and will not be registered under the Securities Act, and, if in the future the Purchaser decides to offer, resell, pledge or otherwise transfer any interest in the Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the legend on such Notes and the terms of this Indenture. The Purchaser acknowledges that no representation is made by any Transaction Party or any of their respective Affiliates as to the availability of any exemption under the Securities Act or any other securities laws for resale of the Notes.

(v) The Purchaser agrees that it will not offer or sell, transfer, assign, or otherwise dispose of any Notes or any interest therein except (i) pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, any applicable state securities laws and the Applicable Law of any other jurisdiction and (ii) in accordance with the provisions of this Indenture to which provisions it agrees it is subject.

(vi) The Purchaser is not purchasing Notes with a view to the resale, distribution or other disposition thereof in violation of the Securities Act.

(vii) The Purchaser understands that an investment in Notes involves certain risks, including the risk of loss of all or a substantial part of its investment. The Purchaser has had access to such financial and other information concerning any Transaction Party, the Notes and the Assets as it deemed necessary or appropriate in order to make an informed investment decision with respect to its purchase of Notes, including an opportunity to ask questions of and request information from the Co-Issuers and the Collateral Manager.

(viii) In connection with its purchase of Notes (i) none of the Transaction Parties or any of their respective Affiliates is acting as a fiduciary or financial or investment adviser for the Purchaser; (ii) the Purchaser is not relying (for purposes of

making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Transaction Parties or any of their respective Affiliates; (iii) none of the Transaction Parties or any of their respective Affiliates has given to the Purchaser (directly or indirectly through any other Person) any assurance, guarantee or representation whatsoever as to the expected or projected success, profitability, return, performance, result, effect, consequence or benefit (including legal, regulatory, tax, financial, accounting or otherwise) of the Notes or of this Indenture or the documentation for such Notes; (iv) the Purchaser has consulted with its own legal, regulatory, tax, business, independent investment, financial, and accounting advisers to the extent it has deemed necessary, and it has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the documentation for the Notes) based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by the Transaction Parties or any of their respective Affiliates; (v) the Purchaser has determined that the rates, prices or amounts and other terms of the purchase and sale of such Notes reflect those in the relevant market for similar transactions; (vi) the Purchaser is purchasing such Notes with a full understanding of all of the terms, conditions and risks thereof (economic and otherwise), and it is capable of assuming and willing to assume (financially and otherwise) those risks; (vii) the Purchaser understands that the Notes are illiquid and it is prepared to hold the Notes until their maturity; and (viii) the Purchaser is a sophisticated investor (provided that none of the representations under sub-clauses (i) through (iv) is made with respect to the Collateral Manager by any Affiliate of the Collateral Manager or any account for which the Collateral Manager or its Affiliates act as investment adviser).

(ix) The Purchaser will not, at any time, offer to buy or offer to sell Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(x) The Purchaser understands and agrees that before any interest in a Note may be offered, resold, pledged or otherwise transferred, the transferee (or the transferor, as applicable) will be required to provide the Issuer and the Registrar with a Transfer Certificate and such other certificates or information as they may reasonably require as to compliance with the applicable transfer restrictions. Each Transfer Certificate with respect to an ERISA Restricted Note will include an indemnity for the benefit of the Co-Issuers, the Trustee, Registrar, Citigroup, the Refinancing Placement Agent and the Collateral Manager and their respective Affiliates for breaches of the representations, warranties or agreements made in the Transfer Certificate.

(xi) The Purchaser understands and agrees that (i) no transfer may be made that would result in any person or entity holding beneficial ownership of any Notes in less than an Authorized Denomination and (ii) no transfer of Notes that would have the effect of requiring either of the Co-Issuers or the pool of collateral to register as an investment company under the Investment Company Act will be permitted. In

connection with its purchase of Notes, the Purchaser has complied with all of the provisions of this Indenture relating to such transfer.

(xii) The Purchaser agrees that it will provide the Issuer any certifications, documents or information relating to taxes or the Tax Account Reporting Rules as required under this Indenture (including Sections 2.8).

(xiii) The Purchaser understands that the Notes will bear the applicable legends set forth in Exhibit A unless the Co-Issuers determine (or in the case of the Issuer Only Notes, the Issuer determines) otherwise in accordance with Applicable Law.

(xiv)

(A) In respect of the purchase of an interest in any ERISA Restricted Notes, the Purchaser will represent in writing whether or not, for so long as it holds an interest therein, (i) the funds that the Purchaser is using or will use to purchase its interest in such Notes (and, if applicable, what percentage thereof) are assets of a Benefit Plan Investor and (ii) the Purchaser is a Controlling Person. The Purchaser acknowledges that the Registrar will not register any transfer of an interest in an ERISA Restricted Note to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person if after giving effect to such proposed acquisition, the Aggregate Outstanding Amount of the Class of ERISA Restricted Note being acquired by Benefit Plan Investors will exceed the 25% Threshold, assuming, for this purpose, that all the representations made (or, in the case of Global Notes, deemed to be made) by Holders of such Notes are true.

(B) The Purchaser understands that interests in any ERISA Restricted Notes represented by Global Notes may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors or Controlling Persons on the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer.

(C) The Purchaser agrees to indemnify and hold harmless the Co-Issuers, the Trustee, Citigroup, the Refinancing Placement Agent and the Collateral Manager and their respective Affiliates from any cost, damage or loss incurred by them as a result of these representations being untrue. The Purchaser understands that the representations made in this paragraph (xiv) will be deemed made on each day from the date of acquisition by the Purchaser of an interest in an ERISA Restricted Note through and including the date on which the Purchaser disposes of such interest. The Purchaser agrees that if any of its representations under this paragraph (xiv) become untrue (including, without limitation, any percentage referred to in (xiv)(A)), it will immediately notify the Issuer and the Trustee and take any other action as may be requested by them.

(xv) On each day the Purchaser holds such Notes, the Purchaser's acquisition, holding and disposition of the Notes will not constitute or result: (i) in the case of a Benefit Plan Investor, in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (ii) in the case of a governmental, church, non-U.S. or other plan which is subject to any Similar Law, in a non-exempt violation of any Similar Law or (iii) in the case of ERISA Restricted Notes, if it is any such plan subject to Similar Law, in the occurrence of a Similar Law Look-Through. The Purchaser understands that the representations made in this paragraph (xv) will be deemed made on each day from the date of its acquisition through and including the date it disposes of its interests in such Notes.

(xvi) Further, if the Purchaser is a Benefit Plan Investor, then the Purchaser represents, warrants and agrees that (i) none of the Transaction Parties, nor any of their affiliates, has provided any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA and regulations thereunder, on which the Purchaser, or any fiduciary or other person investing the assets of the Benefit Plan Investor ("Plan Fiduciary"), have relied as a primary basis in connection with its decision to invest in the Notes; and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(xvii) The Purchaser will provide notice to each person to whom it proposes to transfer any interest in Notes of the transfer restrictions and representations set forth in Sections 2.5 and 2.6 of this Indenture including the exhibits referenced therein.

(xviii) The Purchaser understands and agrees that the Issuer has the right under this Indenture to compel any Non-Permitted Holder to sell its interest in the Notes or may sell such interest in the Notes on behalf of such Non-Permitted Holder and it will reasonably cooperate with the Issuer and the Trustee to effect such sale, including by providing the appropriate Transfer Certificate and in the case of a Global Note by providing appropriate instructions through DTC.

(xix) The Purchaser is not a member of the public in the Cayman Islands.

(xx) The Purchaser understands that the Issuer is subject to anti-money laundering legislation in the Cayman Islands and that, accordingly, the Issuer may require a detailed verification of the identity of the Purchaser or any proposed transferee thereof and the source of the payment used by the Purchaser or transferee for purchasing such Notes. Each Purchaser or transferee will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as necessary (the "Holder AML Obligations").

(xxi) The Purchaser agrees that the Issuer Only Notes will be limited recourse obligations of the Issuer and the Co-Issued Notes will be limited recourse obligations of the Co-Issuers, in each case payable solely from the Assets in accordance with the Priority of Payments. The Purchaser agrees that it will not, prior to the date which is one

year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding-up or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction. In addition, the Purchaser agrees to be subject to the Bankruptcy Subordination Agreement.

(xxii) The Purchaser understands that the Issuer and the Collateral Manager, on behalf of the Issuer, may receive a list of participants holding positions in the Notes from one or more book entry depositories. With respect to a Certifying Person, the Trustee will, upon request of the Collateral Manager, unless such Certifying Person instructs the Trustee otherwise, share the identity of such Certifying Person with the Collateral Manager. Upon the request of the Collateral Manager, the Trustee will request a list from DTC of participants holding positions in the Notes and will provide such list to the Collateral Manager.

(xxiii) The Purchaser acknowledges and agrees that (A) the express terms of the Transaction Documents govern the rights of the Holders to direct the commencement of a Proceeding against any Person and the Transaction Documents contain limitations on the rights of the Holders to institute legal or other Proceedings against any Person, (B) it will comply with the express terms of the applicable Transaction Documents if it seeks to institute any such Proceeding, (C) the Transaction Documents do not impose any duty or obligation on the Issuer or the Co-Issuer or their respective directors, officers, shareholders, members or managers to institute on behalf of any Holder, or join any Holder or any other person in instituting, any such Proceeding, including, without limitation, any Proceeding against the Trustee, the Collateral Manager, the Collateral Administrator or the Calculation Agent and (D) there are no implied rights under the Transaction Documents to direct the commencement of any such Proceeding.

(xxiv) The Purchaser understands, represents and agrees as provided in Section 2.14 of this Indenture.

(xxv) The Purchaser acknowledges receipt of the Issuer's privacy notice (which can be accessed at <https://www.walkersglobal.com/external/SPVDPNotice.pdf> and provides information on the Issuer's use of personal data in accordance with the Cayman Islands Data Protection Act (as amended) and, in respect of any EU data subjects, the EU General Data Protection Regulation) and, if applicable, agrees to promptly provide the privacy notice (or any updated version thereof as may be provided from time to time) to each individual (such as any individual directors, shareholders, beneficial owners, authorised signatories, trustees or others) whose personal data the Purchaser provides to the Issuer or any of its affiliates or delegates including, but not limited to, Walkers Fiduciary Limited in its capacity as administrator.

(i) [Reserved].

(j) [Reserved].

(k) Each Purchaser of a Rule 144A Global Note will be deemed to have represented and agreed, in addition to the representations and agreements set forth in Section 2.6(h), as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(i) The Purchaser is (A) a Qualified Institutional Buyer that is not a broker-dealer that owns and invests on a discretionary basis less than \$25 million in securities of issuers that are not affiliated persons of the dealer and is not a plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A or a trust fund referred to in paragraph (a)(1)(i)(F) of Rule 144A that holds the assets of such plan, if investment decisions with respect to the plan are made by beneficiaries of the plan, (B) aware that the sale of Notes to it is being made in reliance on the exemption from registration provided by Rule 144A, (C) acquiring such Notes for its own account or for one or more accounts, each holder of which is a Qualified Institutional Buyer and as to each of which accounts the Purchaser exercises sole investment discretion and (D) acquiring such Notes in an Authorized Denomination.

(ii) The Purchaser is a Qualified Purchaser and a Qualified Institutional Buyer acquiring such Notes as principal for its own account (or for one or more accounts, each holder of which is a Qualified Institutional Buyer and a Qualified Purchaser as to each of which accounts the Purchaser exercises sole investment discretion) for investment and not for sale in connection with any distribution thereof, the Purchaser was not formed solely for the purpose of investing in the Notes and is not a (A) partnership, (B) common trust fund, (C) special trust or (D) pension, profit sharing or other retirement trust fund or plan in which partners, beneficiaries or participants, as applicable, may designate the particular investments to be made, and the Purchaser agrees that it will not hold such Notes for the benefit of any other Person and will be the sole beneficial owner thereof for all purposes and that except as expressly provided herein, it will not sell participation interests in such Notes or enter into any other arrangement pursuant to which any other person will be entitled to a beneficial interest in the distributions on such Notes and further that such Notes purchased directly or indirectly by it constitute an investment of no more than 40% of the Purchaser's assets. The Purchaser understands and agrees that any purported transfer of Notes to a person that does not comply with the requirements of this paragraph or that would have the effect of causing either of the Co-Issuers or the pool of collateral to be required to register as an investment company under the Investment Company Act shall be null and void *ab initio*.

(iii) The Purchaser understands that interests in Rule 144A Global Notes may not at any time be held by or on behalf of a Person that is not a Qualified Institutional Buyer and a Qualified Purchaser. Before any interest in a Rule 144A Global Note may be offered, resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Regulation S Global Note or a Certificated Note, the transferor (or the transferee, as applicable) will be required to provide the Registrar with a Transfer Certificate as to compliance with the transfer restrictions set forth in Section 2.5 and Section 2.6.

(iv) With respect to the purchase of ERISA Restricted Notes in the form of Global Notes, for so long as it holds a beneficial interest in such Notes, the Purchaser is not a Benefit Plan Investor or a Controlling Person except with respect to purchases by Benefit Plan Investors and Controlling Persons of ERISA Restricted Notes on the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer. The Purchaser understands that interests in any ERISA Restricted Notes represented by Global Notes may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors and Controlling Persons from the Initial Purchaser or the Issuer on the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer. The Purchaser understands that the representations made in this paragraph (iv) will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes.

(l) Each Purchaser of a Regulations S Global Note will be deemed to have represented and agreed, in addition to the representations and agreements set forth in Section 2.6(h), as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(i) The Purchaser is not, and will not be, a U.S. person or a U.S. resident for purposes of the Investment Company Act, and its purchase of Notes will comply with all Applicable Law in any jurisdiction in which it resides or is located and is in an Authorized Denomination. The Purchaser is aware that the sale of Notes to it is being made in reliance on the exemption from registration under the Securities Act provided by Regulation S.

(ii) The Purchaser understands that Notes offered in reliance on Regulation S may not at any time be held by or on behalf of U.S. persons. Before any interest in a Regulation S Global Note may be offered, resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Rule 144A Global Note or a Certificated Note, the transferor (or the transferee, as applicable) will be required to provide the Registrar with a Transfer Certificate as to compliance with the transfer restrictions set forth in Section 2.5 and Section 2.6.

(iii) With respect to the purchase of ERISA Restricted Notes in the form of Global Notes, for so long as it holds a beneficial interest in such Notes, the Purchaser is not a Benefit Plan Investor or Controlling Person except with respect to purchases of ERISA Restricted Notes by Benefit Plan Investors and Controlling Persons on the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer. The Purchaser understands that interests in any ERISA Restricted Notes represented by Global Notes may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors and Controlling Persons from the Initial Purchaser or the Issuer on the Closing Date or the First Refinancing Date, as applicable, with the consent of the Issuer. The Purchaser understands that the representations made

in this paragraph (iii) will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes.

(m) The Trustee and the Issuer shall be entitled to conclusively rely on any Transfer Certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be required by them to hold each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which will be deemed to have been given upon delivery to the Trustee of a Note signed by the Applicable Issuers), the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7 to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Note Interest Rate and such interest shall be payable quarterly in arrears on each Payment Date (or pursuant to Section 11.1(g), on the Interim Payment Date) on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date) in accordance with the Priority of Payments. Except as expressly provided in Article IX of the Priority of Payments, payment of interest on each Class of Secured Notes (and payments on the Subordinated Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid ("Deferred Interest" with respect thereto) in accordance with the Priority of Payments on any Payment Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Payment Date (i) on which funds are available for such purpose in accordance with the Priority of Payments, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes or (iii) which is the Stated Maturity with respect to such Class of Deferred Interest Notes. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall not be considered "due and payable" (and the failure to pay such interest shall not be an Event of Default) hereunder and shall accrue at the Note Interest Rate for such Class until paid as provided herein and (y) interest on the interest on any Senior Notes or, if no Senior Notes are Outstanding, the Secured Notes of the Controlling Class that is not paid when due shall accrue at the Note Interest Rate for such Class until paid as provided herein.

Distributions on the Subordinated Notes that are not available to be paid on a Payment Date in accordance with the Priority of Payments shall not be "due or payable" on such Payment Date or any date thereafter.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the Payment Date which is the Stated Maturity for such Class of Secured Notes, unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid on each Secured Note as provided in the Priority of Payments. Notwithstanding the foregoing, except as otherwise provided in Article IX and the Priority of Payments, the payment of principal of each Class of Secured Notes (and payments of principal amounts on the Subordinated Notes) (x) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to the Priority of Interest Proceeds) after each Priority Class with respect to such Class is no longer Outstanding and (y) is

subordinated to the payment on each Payment Date of the principal and interest due and payable on each Priority Class and other amounts in accordance with the Priority of Payments. Any payment of principal of any Class of Secured Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class or a Redemption Date with respect to such Class), shall not be considered "due and payable" for purposes of Section 5.1(a) until the earliest Payment Date on which funds are available for such purpose in accordance with the Priority of Payments or each Priority Class with respect to such Class is no longer Outstanding.

Each Subordinated Note will mature on the Payment Date which is the Stated Maturity for such Class and the principal amount, if any, will be due and payable on such Payment Date unless such Subordinated Note is redeemed prior thereto. Prior to the Stated Maturity, principal shall be paid on each Subordinated Note as provided in the Priority of Payments. Any payment of principal amounts on the Subordinated Notes (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Priority Class and other amounts in accordance with the Priority of Payments.

Principal payments on the Notes shall be made in accordance with the Priority of Payments and Article IX.

(c) As a condition to payments on any Notes without the imposition of withholding tax or back-up withholding tax, the Paying Agent shall require certification acceptable to it to enable each of the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine its duties and liabilities with respect to any taxes or other charges that it may be required to deduct or withhold from any payment in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirement under any such law or regulation.

(d) Payments in respect of Notes shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Note; provided that, in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, no later than the related Record Date; and provided, further, that, if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of Certificated Notes, the Holder thereof shall present and surrender such Certificated Notes at the Corporate Trust Office of the Trustee on or prior to such Maturity; provided, however, that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Notes has been acquired by a *bona fide* purchaser, such final payment shall be made without

presentation or surrender. None of the Co-Issuers, the Trustee, the Collateral Manager, or any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note or for maintaining or reviewing any records relating to beneficial ownership interests. In the case where any final payment is to be made on any Notes (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, provide to the Holders of that Class a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$1,000 original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where Certificated Notes may be presented and surrendered for such payment.

(e) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(f) Interest accrued with respect to each Class of Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or for the first Interest Accrual Period, the related portion thereof) *divided by* 360. Interest accrued with respect to any Fixed Rate Note shall be calculated on the basis of a 360-day year consisting of twelve 30-day months; *provided* that if a redemption occurs on a Business Day that would not otherwise be a Payment Date, interest on such Fixed Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(g) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(h) Notwithstanding any other provision of this Indenture, the obligations of each Applicable Issuer under the Notes and this Indenture from time to time and at any time are limited recourse obligations of such Applicable Issuer, payable solely from the Assets available at such time in accordance with the Priority of Payments and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Transaction Party (other than the Applicable Issuers) or any Officer, director, employee, shareholder, agent, partner, member, incorporator, Affiliate, Related Entity (solely with respect to the Collateral Manager), successor or assign of the Applicable Issuers or any other

Transaction Party for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this Section 2.8(h) shall not (x) prevent recourse to the Assets in the manner provided in this Indenture for the sums due or to become due under any security, instrument or agreement that is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation (1) evidenced by the Notes to the extent they evidence debt or (2) secured by this Indenture until such Assets have been realized and proceeds distributed in accordance with the Priority of Payments, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this Section 2.8(h) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(i) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee shall (absent manifest error) treat as the owner of any Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such payment is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10 Purchase and Surrender of Notes; Cancellation. (a) During the Reinvestment Period, the Issuer may apply (w) all or a portion of the Supplemental Reserve Amount (at the direction of the Collateral Manager), (x) Contributions accepted and received into the Contribution Account (at the direction of the Collateral Manager in its sole discretion (on behalf of the Issuer)), (y) as determined by the Collateral Manager, amounts in respect of Management Fees waived by the Collateral Manager in accordance with the Collateral Management Agreement or (z) Additional Junior Notes Proceeds, in order to acquire Secured Notes or beneficial interests therein of the Class designated by the Collateral Manager (in its sole discretion) through a tender offer, in the open market or in privately negotiated transactions (in each case, subject to Applicable Law) (any such Secured Notes, the "Repurchased Notes"). The Issuer shall prepare a written notice of the intended acquisition by the Issuer of any targeted Repurchased Notes and shall direct the Trustee to deliver (on behalf of the Issuer) such written notice to the Rating Agencies and the Holders of the related Class of targeted Repurchased Notes at least seven Business Days' prior to the Issuer's acquisition of any Repurchased Notes. Any Repurchased Notes shall be submitted to the Trustee for cancellation.

The Issuer shall provide notice to the Co-Issuer and to the Trustee of any Surrendered Notes tendered to it and the Trustee shall provide notice to the Applicable Issuers of any Surrendered Notes tendered to it. Any such Surrendered Notes shall be submitted to the Trustee for cancellation. The Trustee shall provide notice to each Rating Agency of all such cancelled Surrendered Notes, any Repurchased Notes and Notes surrendered for payment.

(b) All Repurchased Notes, Surrendered Notes and Notes that are surrendered for payment, registration of transfer, exchange or redemption, or are deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold; provided that Repurchased Notes and Surrendered Notes shall continue to be treated as Outstanding to the extent provided in the definition of "Outstanding." Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.10, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

(c) An Issuer purchase of the Notes may not occur unless it has determined that (i) such purchases of Notes will occur in the sequential order of priority set out in the Note Payment Sequence, beginning with the highest Priority Class and (ii) each Coverage Test is satisfied immediately prior to each such purchase and will be satisfied after giving effect to each such purchase.

(d) In connection with any purchase of Notes pursuant to this Section 2.10, the Issuer, or the Collateral Manager on its behalf, may by Issuer Order provide direction to the Trustee to take actions it deems necessary to give effect to the other provisions of this Indenture that may be affected by such purchase of Notes; provided that no such direction may conflict with any express provision of this Indenture.

Section 2.11 Depository Not Available. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a Certificated Note in exchange for such interest if such exchange complies with Section 2.6 and an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Certificated Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Authorized Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall be in registered form and, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent

Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form without interest coupons.

In the event that Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by Section 2.11(a), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if Certificated Notes had been issued.

Section 2.12 Notes Beneficially Owned by Non-Permitted Holders or in Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Note to a Non-Permitted Holder shall be null and void and any such purported transfer of which the Issuer or the Co-Issuer shall have received written notice or a Trust Officer of the Trustee shall have actual knowledge may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Non-Permitted Holder shall become the beneficial owner of an interest in any Note, the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 10 days of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager (on its own or acting through an investment bank selected by the Collateral Manager at the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and neither the Issuer nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made or is deemed to have made

a representation regarding Section 406 of ERISA, Section 4975 of the Code, applicable Similar Law or the occurrence of a Similar Law Look-Through required by Section 2.6 that is subsequently shown to be false or misleading or that breaches the 25% Threshold shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or a Trust Officer of the Trustee shall have received written notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) In the case of a Non-Permitted AML Holder, the Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines that such Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.13 [Reserved].

Section 2.14 Tax Treatment; Tax Certifications.

(a) Each Holder (including, for purposes of this Section 2.14, any beneficial owner of Notes) will treat (i) the Issuer as a corporation, (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Secured Notes as debt and (v) the Subordinated Notes as equity, in each case, for all U.S. federal and, to the extent permitted by Applicable Law, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law, it being understood that this paragraph shall not prevent a Holder of Class E Notes from making a protective "qualified electing fund" election and filing protective information returns.

(b) Each Holder will timely furnish the Issuer or its agents any properly completed and signed tax forms or certifications (including, without limitation, an IRS Form W-9, an applicable IRS Form W-8 (together with appropriate attachments), or any successors to such IRS forms) that the Issuer or its agents may reasonably request to enable the Issuer or its agents to (A) make payments to it without, or at a reduced rate of, deduction or withholding, (B) qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) satisfy reporting and other obligations under the Code and Treasury Regulations or under any other applicable law (including the Tax Account Reporting Rules), and shall update or replace such tax forms and certifications as appropriate or in accordance with their terms or subsequent amendments thereto. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to such Holder, or to the Issuer. Amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld pursuant to applicable tax laws will be treated as having been paid to a Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be necessary or helpful to enable the Issuer and any Issuer Subsidiary to achieve Tax Account Reporting Rules Compliance and shall update or replace such information or documentation as necessary ("Holder Reporting Obligations"). In the event such Holder fails to provide or update such information or

documentation, or to the extent that its ownership of Notes would otherwise prevent the Issuer and any Issuer Subsidiary from achieving Tax Account Reporting Rules Compliance, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the relevant Holder as compensation for any amounts withheld from payments to or for the benefit of the Issuer as a result of such failure or such ownership, and (B) to the extent Notes are held by a Non-Permitted Tax Holder, the Issuer will have the right to compel such Holder to sell its Notes and, if such Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in accordance with the procedures in Section 2.12(b), and to remit the net proceeds of such sale (taking into account, in addition to other related costs and charges, any taxes incurred by the Issuer in connection with such sale) to such Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion, and to deposit payments on such Notes into a Tax Reserve Account, which amounts shall be released from such Tax Reserve Account as provided in Section 10.3(i). Subject to Section 10.3(i), any amounts deposited into a Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Each Holder agrees that the Issuer, the Trustee or their agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer and any Issuer Subsidiary achieve Tax Account Reporting Rules Compliance.

(d) Each Holder agrees to provide the Issuer (or its agents) (A) any information as is necessary (in the sole determination of the Issuer or its agents) for the Issuer to comply with U.S. tax information reporting requirements relating to its adjusted basis in the Notes, and (B) any additional information that the Issuer or its agents request in connection with any 1099 reporting requirements, and to update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. It acknowledges that the Issuer and its agents may provide such information and any other information concerning its investment in the Notes to the IRS.

(e) In the case of a Holder of Class E Notes or Subordinated Notes that is not a U.S. Tax Person, it represents, acknowledges, and agrees that it (A)(i) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (ii) after giving effect to its purchase of such Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3); (iii) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business within the United States and includible in its gross income; or (iv) has provided an IRS Form W-8BEN-E representing that it is eligible for the benefits of an income tax treaty that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; and (B) it has not purchased such Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Holder).

(f) Each Holder of Subordinated Notes, if it owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations section 1.1471-5(i) (or any successor provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that the Issuer and any non-U.S. Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury Regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(g) Each Holder of Subordinated Notes agrees to not treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance or other similar business for purposes of Section 954(h) or (i)(2) of the Code.

(iv) Cayman Counsel Opinion. An opinion of Cayman Islands counsel to the Issuer dated the Additional Notes Closing Date, in form and substance satisfactory to the Issuer.

(v) Officers' Certificates of Co-Issuers Regarding Indenture. An Officer's certificate of each Co-Issuer stating that the Applicable Issuer is not in default under this Indenture and that the issuance of the Additional Notes applied for by it shall not result in a default or a breach of any of the terms, conditions or provisions of, or constitute a default under, its organizational documents, any indenture or other agreement or instrument to which it is a party or by which it is bound, or any order of any court or administrative agency entered in any Proceeding to which it is a party or by which it may be bound or to which it may be subject; that all conditions precedent provided in this Indenture and the supplemental indenture pursuant to Section 8.1 relating to the authentication and delivery of the Additional Notes applied for have been complied with and that the authentication and delivery of the Additional Notes is authorized or permitted under this Indenture and the supplemental indenture entered into in connection with such Additional Notes; and that all expenses due or accrued with respect to the Offering of the Additional Notes or relating to actions taken on or in connection with the Additional Notes Closing Date have been paid or reserved. The Officer's certificate of the Issuer shall also state that all of its representations and warranties contained herein are true and correct as of the Additional Notes Closing Date.

(vi) Other Documents. Such other documents as the Trustee may reasonably require with reasonable prior notice; provided that nothing in this clause (vi) shall imply or impose a duty on the Trustee to so require any other documents.

Section 3.3 Delivery of Collateral Obligations and Eligible Investments.

(a) The Issuer shall, or shall cause the Collateral Manager to, Deliver or cause to be Delivered all Assets. Initially, the Intermediary shall be U.S. Bank National Association. (b) Each time that the Collateral Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment, or other investments, the Collateral Manager (on behalf of the Issuer) shall, if the Collateral Obligation or Eligible Investment, or other investment is required to be, but has not already been, transferred to the relevant Account, use commercially reasonable efforts to cause the Collateral Obligation, Eligible Investment, or other investment to be Delivered. The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment, or other investment so acquired, including all interests of the Issuer in to any contracts related to and proceeds of the Collateral Obligations, Eligible Investments, or other investments.

(c) The Issuer (or the Collateral Manager on behalf of the Issuer) shall cause any other Assets acquired by the Issuer to be Delivered.

ARTICLE IV

This Indenture shall be discharged and shall cease to be of further effect except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, defaced, destroyed, lost or stolen Notes, (iii) rights of Holders to receive payments of principal thereof and interest thereon, (iv) the rights, protections, indemnities and immunities of the Trustee and the specific obligations set forth below hereunder, (v) the rights, obligations and immunities of the Collateral Manager hereunder and under the Collateral Management Agreement, (vi) the rights, protections, indemnities and immunities of the Collateral Administrator hereunder and under the Collateral Administration Agreement and (vii) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture) when:

(a) either:

(i) all Notes theretofore authenticated and delivered to Holders, other than (A) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7 and (B) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3, have been delivered to the Trustee for cancellation; or

(ii) all Notes not theretofore delivered to the Trustee for cancellation (A) have become due and payable, or (B) shall become due and payable at their Stated Maturity within one year, or (C) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the

Applicable Issuers pursuant to Section 9.4 and either (1) the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, Cash or non-callable direct obligations of the United States of America; *provided* that the obligations are entitled to the full faith and credit of the United States of America or are debt obligations which are rated "AAA" by S&P, in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Notes which have become due and payable), or to the respective Stated Maturity or the respective Redemption Date, as the case may be, and shall have Granted to the Trustee a valid perfected security interest in such Eligible Investment that is of first priority or free of any adverse claim, as applicable or (2) in the event all of the Assets are liquidated following the satisfaction of the conditions specified in Section 5.5(a), the Issuer shall have paid or caused to be paid all proceeds of such liquidation of the Assets in accordance with the Priority of Payments; or

(iii) (1) there are no Pledged Obligations that remain subject to the lien of this Indenture, (2) all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture (including the Priority of Payments) or have otherwise been irrevocably deposited in trust with the Trustee for such purpose and (3) all Hedge Agreements have been terminated and any related termination payment has been paid; and

(b) (i) the Co-Issuers have delivered to the Trustee an Officer's certificate stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with, any Hedge Agreement and any related termination payment has been paid and (ii) the Trustee has received an Opinion of Counsel (which may rely on information provided by the Trustee confirming that the Trustee is no longer holding any Cash or other Assets on behalf of the Issuer and all Accounts have been closed) to the effect that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been satisfied.

(c) In connection with delivery by each of the Co-Issuers of the Officer's certificates referred to in clause (b), the Trustee or the Collateral Manager, as applicable, will provide such information that the Co-Issuers may reasonably require in order for the Co-Issuers to determine that (i) there are no Pledged Obligations that remain subject to the lien of this Indenture, (ii) all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture (including the Priority of Payments) or have otherwise been irrevocably deposited in trust with the Trustee for such purpose and (iii) all Hedge Agreements have been terminated and any related termination payment has been paid.

(d) Upon the discharge of this Indenture, the Trustee shall provide such certifications to the Issuer or the Administrator as may be reasonably required by the Issuer or the Administrator in order for the liquidation of the Issuer to be completed.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Collateral Manager and, if applicable, the Holders, as the case may be, under Section 2.8, Section 4.2, Section 5.4(d), Section 5.9, Section 5.18,

Section 6.1, Section 6.3, Section 6.6, Section 6.7, Section 7.1, Section 7.3, Section 13.1 and Section 14.15 shall survive.

Section 4.2 Application of Trust Money. All Monies deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Notes and this Indenture, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Subordinated Notes), either directly or through any Paying Agent; and such Money shall be held in a segregated securities account identified as being held in trust for the benefit of the Secured Parties and satisfying the requirements in Section 10.6(b).

Section 4.3 Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Section 4.4 Limitation on Obligation to Incur Administrative Expenses. If at any time after the Secured Notes are no longer Outstanding and (i) the sum of (A) Eligible Investments, (B) cash and (C) amounts reasonably expected to be received by the Issuer in cash during the current Collection Period (as certified by the Collateral Manager in its reasonable judgment) is less than (ii) the sum of (A) an amount not to exceed the greater of (x) U.S.\$250,000 and (y) the amount (if any) reasonably certified by the Collateral Manager or the Issuer, including but not limited to fees and expenses incurred by the Trustee and reported to the Collateral Manager, as the sum of expenses reasonably likely to be incurred in connection with the discharge of this Indenture, the liquidation of the Assets and the dissolution of the Co-Issuers and (B) any accrued and unpaid Administrative Expenses, then notwithstanding any other provision of this Indenture, the Issuer shall no longer be required to incur Administrative Expenses as otherwise required by this Indenture with respect to services to be provided by any Person or entity other than the Trustee, the Collateral Administrator (or any other capacity in which the Bank or an Affiliate of the Bank is acting pursuant to the Transaction Documents), the Administrator and their Affiliates, including for Opinions of Counsel in connection with supplemental indentures pursuant to Article VIII, annual opinions under Section 7.6, services of legal advisors and accountants under Section 7.16 and 10.9 and fees of the Rating Agencies under Section 7.13 and failure to pay such amounts or provide or obtain such opinions, reports or services shall not constitute a default or an Event of Default hereunder, and the Trustee shall have no liability for any failure to obtain or receive any of the foregoing opinions, reports or services. The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee under this Indenture to refrain from taking action in the absence of its receipt of any such opinion, report or service which it reasonably determines is necessary for its own protection.

ARTICLE V

REMEDIES

Section 5.1 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Senior Notes, or, if there are no Senior Notes Outstanding, the Secured Notes of the Controlling Class and the continuation of any such default for seven Business Days, or (ii) any principal, interest, or Deferred Interest on, or any Redemption Price in respect of, any Secured Note at its Stated Maturity or any Redemption Date; provided that (x) in the case of a default in payment resulting solely from an administrative error or omission by the Trustee, the Collateral Manager, any Paying Agent or the Registrar, such default continues for a period of seven or more Business Days after the Trustee receives written notice or a Trust Officer has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined) and (y) in the case of any default on any Redemption Date, only to the extent that such default continues for a period of 10 or more Business Days; provided that any failure to effect a Refinancing, Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(b) unless otherwise required or permitted by applicable law, the failure on any Payment Date to disburse amounts in excess of U.S.\$500,000 available in the Payment Account (other than a default in payment described in clause (a) above) in accordance with the Priority of Payments, which failure has a material adverse effect on the Holders and, if such failure is capable of remedy, the continuation of such failure for a period of 30 days (or, if such failure can only be remedied on a Payment Date, such failure continues until the later of the 30 day period specified above and the next Payment Date); provided, if such failure results solely from an administrative error or omission by the Collateral Manager, the Trustee any Paying Agent or the Registrar, such default continues for a period of 10 or more Business Days after the Trustee receives written notice or a Trust Officer has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined);

(c) either of the Co-Issuers or the pool of Assets becomes an investment company required to be registered under the Investment Company Act and such requirement is not cured within 45 days of notice thereof;

(d) except as otherwise provided in this Section 5.1, a default or breach (in each case, in any material respect) in the performance of any covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Reinvestment Overcollateralization Test is not an Event of Default and any

failure to satisfy the Effective Date Rating Condition is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be, in each case, correct in all material respects when the same has been made, and the continuation of such default, breach or failure for a period of 30 days after notice to the Issuer or the Co-Issuers, as applicable, and the Collateral Manager by registered or certified mail or overnight courier, by the Trustee, the Issuer, the Co-Issuer or the Collateral Manager or to the Issuer or Co-Issuers, as applicable, the Collateral Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; provided that any failure to effect a Refinancing, Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(e) (i) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other Applicable Law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days or (ii) the institution by the shareholders of the Issuer or the Co-Issuer of Proceedings to have the Issuer or Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent by the shareholders of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar Applicable Law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action, and, in connection therewith, the related petition, order for relief, or appointment shall not be dismissed or remains unstayed and in effect for a period of 60 consecutive days; or

(f) on any Measurement Date, the failure of the ratio of (i) the sum of (a) the Aggregate Principal Balance of the Pledged Obligations (provided that the "Principal Balance" of any Defaulted Obligation shall be, for purposes of this test, its Market Value) and (b) without duplication, the amounts on deposit in the Principal Collection Account, the Supplemental Reserve Account, the Contribution Account (solely with respect to amounts on deposit in the Contribution Account, to the extent such amounts have been designated as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (in each case including Eligible Investments therein) to (ii) the Aggregate Outstanding Amount of the Class A Notes (such ratio, the "Event of Default Par Ratio") to equal or exceed 102.5%.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Collateral Manager shall notify each other (to the

extent that any such other party has not already received notice with respect thereto), and the Trustee shall provide the notices of Default required under Section 6.2.

Section 5.2 Acceleration of Maturity; Rescission and Annulment. If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e)), the Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the applicable Co-Issuers, the Initial Majority Subordinated Noteholder and each Rating Agency, declare the principal of and accrued interest on all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section 5.1(e) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

Any Hedge Agreement in effect upon such acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; provided that the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

At any time after such acceleration of maturity has occurred but before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class may, by written notice to the Issuer, the Trustee and each Rating Agency, rescind and annul such declaration and its consequences if:

(a) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(i) all unpaid installments of interest and principal then due and payable on the Secured Notes (other than as a result of such acceleration);

(ii) to the extent that the payment of such interest is lawful, current interest upon any Deferred Interest at the applicable Note Interest Rates; and

(iii) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or the Collateral Administrator under the Collateral Administration Agreement and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(b) it has been determined that all Events of Default, other than the non-payment of the interest on or principal of the Secured Notes, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination, or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

The Trustee will provide notice of such rescission to the Collateral Manager, each Holder and each Rating Agency within three Business Days after the Trustee receives written notice thereof from the Controlling Class.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Applicable Issuers covenant that if an Event of Default shall occur (and be continuing) in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers shall, upon demand of the Trustee made at the written direction of a Majority of the Controlling Class, subject to Section 5.4, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal, at the applicable Note Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Subject to the conditions set forth in Section 5.4, if the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

Subject to the conditions set forth in Section 5.4, if an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence, wilful misconduct or bad faith) and of the Holders of Secured Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by Applicable Law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence, wilful misconduct or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and (subject to its rights under this Indenture, including Section 6.1(c)(iii) hereof) shall,

upon written direction of a Majority of the Controlling Class, to the extent permitted by Applicable Law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.5 and Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a).

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be Citigroup or the Refinancing Placement Agent, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default under Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase price, deliver to the Trustee for cancellation any of

the Class A Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A Notes so delivered by such Holder (taking into account the Priority of Payments and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase price, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (1) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Holders or beneficial owners of the Notes may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced, the Issuer, the Co-Issuer or Issuer Subsidiary, as applicable, subject to the availability of funds for such purpose, will promptly object to the institution of any such Proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (A) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (B) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other Applicable Law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer, the Issuer or any Issuer Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Any person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(i) In the event one or more Holders or beneficial owners of Notes institutes, or joins in the institution of, a Proceeding described in clause (i) above against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof)

shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Note that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder or beneficial owners of any Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms set forth in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(ii) Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Trustee (A) from taking any action prior to the expiration of the aforementioned period in (x) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (y) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (B) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, winding-up or liquidation Proceeding.

(iii) The restrictions set forth in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, the Collateral Manager, the Trustee, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding-up or liquidation proceedings, or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets intact (except as otherwise permitted or required by Section 7.16(e), Section 10.8 and Section 12.1) and collect (or cause the collection of) the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Collateral Manager, determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the anticipated reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest

(including Deferred Interest), and all amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Management Fees and amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination; or

(ii) a Majority of each Class of Secured Notes (voting separately by Class) directs the sale and liquidation of all or any portion of the Assets; provided that, notwithstanding the foregoing, solely in the case of an Event of Default pursuant to Sections 5.1(a), (d), (e) or (f) (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default), for so long as any Class A Notes remain Outstanding, a Majority of the Class A Notes directs the sale and liquidation of the Assets; provided further that, if no Secured Notes are then Outstanding, the Majority of the Subordinated Notes directs, subject to the provisions of this Indenture, the sale and liquidation of all or any portion of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Collateral Manager and each Rating Agency. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) above exist.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets if prohibited by Applicable Law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, with the written consent of the Majority of the Controlling Class and with the cooperation of the Collateral Manager, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Collateral Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not exist. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee may apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Co-Issuers' expense and for a

commercially reasonable fee) and rely on an opinion of an Independent investment banking firm of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. If a Majority of the Controlling Class has consented to the Trustee making a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after receiving such consent from a Majority of the Controlling Class (or such longer period as is necessary if the information required to make such determination has not yet been received) or at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the Post-Acceleration Priority of Proceeds, at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, then the provisions of Section 4.1(a) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of a Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Holders of Secured Notes to Receive Principal and Interest. Subject to Section 2.8(h), Section 2.13, Section 5.13, Section 6.15 and Section 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Section 5.4 and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Notes of Junior Classes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Priority Class remains Outstanding, which right shall be subject to the provisions of Section 5.4 and Section 5.8 and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that, subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in clause (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that the Trustee anticipates, in its reasonable and good faith judgment, that might be incurred in connection with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of each Holder of each Outstanding Class adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the S&P Rating Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Collateral Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Collateral Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Section 5.4 and Section 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Holders, and shall, upon direction of the Holders representing the requisite percentage of the

Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee and the Collateral Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof without representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

At least 10 Business Days prior to the public sale of any item of Collateral in connection with an exercise of remedies described above, the Trustee shall notify the Collateral Manager and the Initial Majority Subordinated Noteholder of its intent to sell such item of Collateral in accordance with this Indenture. On or before the fifth Business Day after the delivery of such notice and prior to the Trustee soliciting any bid in respect of such a sale of any item of Collateral, each of the Collateral Manager and the Initial Majority Subordinated Noteholder will have the right to submit (on its behalf or on behalf of one or more affiliates or funds or accounts managed by it or by such party) and a firm bid to purchase such Collateral at or above the mid-price of the Market Value of such Collateral as determined by the Collateral Manager; provided that, Market Value shall be determined, solely for the purpose of this paragraph, without taking into consideration clauses (c) or (d) of the definition of the term "Market Value" (the "Directed Purchase Option"). If both the Collateral Manager and the Initial Majority Subordinated Noteholder each submit firm bids in accordance with the foregoing sentence, the subject item of Collateral shall be sold to the highest firm bid or, if the firm bids are identical,

the item of Collateral shall be split evenly between those Persons submitting such bids. It shall be a condition to any such sale of a Collateral Obligation pursuant to this paragraph that (i)(x) the Collateral Manager shall have provided a written certification to the Issuer and the Trustee of its determination of the Market Value (as described above) on behalf of itself of such Collateral Obligation and/or (y) the Initial Majority Subordinated Noteholder shall have determined the Market Value (as described above) on behalf of itself of such Collateral Obligation and (ii) either (x) the Aggregate Outstanding Amount of the Secured Notes *plus* any accrued and unpaid interest on the Secured Notes *plus* any applicable amounts payable or distributable (including all Administrative Expenses without regard to the Administrative Expense Cap) under the Priority of Payments prior to payment of principal with respect to the Secured Notes are paid in full or (y) a Majority of the Controlling Class approve the exercise of the Directed Purchase Option.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class

if required or permitted by the terms hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-section shall not be construed to limit the effect of sub-section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article V, under this Indenture;

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action; and

(vi) in connection with the acceptance of a Contribution, the Trustee shall be entitled to rely upon the information provided in the related Contribution Notice provided by the related Contributor. The Trustee shall be entitled to rely upon the Collateral Manager's direction as to the application of any Contribution to a Permitted Use.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d) or (e) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of such a Default or Event of Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an

Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as set forth in this Section 6.1. The Trustee shall have no duty to determine whether any event is a Default or Event of Default described in Section 5.1(c), (d) or (e).

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

Section 6.2 Notice of Default. As soon as reasonably practicable (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Collateral Manager, each Rating Agency, each Hedge Counterparty, each Paying Agent and all Holders, as their names and addresses appear on the Register, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9), investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders

pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction (including any actions in respect thereof);

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class, the Initial Majority Subordinated Noteholder or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or Governmental Authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be liable for the conduct of, or responsible for any misconduct or negligence on the part of, any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate, certify (other than as to receipt), verify or independently determine the accuracy of any report, certificate or information received from the Issuer, Collateral Manager or other Person and the Trustee shall not be liable in any manner whatsoever for any errors, inaccuracies or incorrect information resulting from the use of such information, including in connection with the preparation or distribution of any reports;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or a firm of nationally recognized accountants which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of, or inaccuracies in the records of, the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream or any clearing agencies or depositories, and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Intermediary or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) to the extent permitted by Applicable Law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(n) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

(o) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(p) the Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions or utilities, communications or computer (software or hardware) services, it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to maintain performance and, if necessary, resume performance as soon as practicable under the circumstances;

(q) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(r) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as

investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(s) to help fight the funding of terrorism and money laundering activities, the Trustee shall have the right to obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee, including each of the parties hereto, and such parties shall be required to provide such information. Such information shall include any information the Trustee reasonably deems necessary or appropriate to identify and verify each such entity's identity, including, without limitation, each such party's name, address, tax identification number, organizational documents, certificate of good standing, license to do business and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering circular, or other identifying documents to be provided;

(t) the Trustee shall not be liable for the actions or omissions of the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee), any Authenticating Agent (other than the Trustee) or any other Person and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager or such other Person with the terms hereof or the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by it from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Collateral;

(u) the Collateral Administrator shall have the same rights, privileges and indemnities afforded to the Trustee in this Article VI; provided that such rights, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement;

(v) neither the Trustee nor the Collateral Administrator shall have any responsibility to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Collateral Manager on behalf of the Issuer) or the terms of any agreed upon procedures in respect of such engagement; provided, however, that the Issuer hereby directs the Trustee to execute any acknowledgment or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgment or agreement may include (i) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders), (ii) acknowledgments with respect to the sufficiency of the agreed upon procedures to be performed by the Independent accountants and (iii) the release of the claims (on behalf of the Trustee and the Holders) and other acknowledgments of limitations of liability in favor of Independent accountants. In respect of any accountants appointed hereunder, the Trustee shall not be liable for any claims, liabilities or expenses relating to such accountants' engagement or any report issued in connection with such engagement, and dissemination of any such report is subject to the consent of the accountants (except in accordance with Section 10.9).

Notwithstanding the foregoing, in no event shall the Trustee be required to execute any agreement in respect of the Independent accountants that the Trustee determines adversely affects it;

(w) the Trustee shall not be under any obligation to take any action in the performance of its duties hereunder that would be in violation of Applicable Law;

(x) to the extent there is, in the reasonable determination of the Collateral Administrator or the Trustee, any ambiguity in the interpretation of any definition, provision or term contained in this Indenture or to the extent the Collateral Administrator or the Trustee reasonably determines that more than one methodology can be used to make any of the determinations or calculations set forth in the Transaction Documents, the Collateral Administrator and/or the Trustee, as the case may be, shall be entitled to request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Trustee, as applicable, shall be entitled to follow such direction and (in the absence of bad faith on its part or manifest error in the direction) conclusively rely thereon without any responsibility or liability therefor;

(y) Receipt by the Trustee of any report or other information received by, or otherwise made available to, the Trustee pursuant to the terms of this Indenture, shall not be deemed to constitute either actual or constructive knowledge by the Trustee of such information, unless such report or other information is delivered to the Corporate Trust Office or is actually received by a Trust Officer and (i) the Trustee is expressly required under the terms of this Indenture or another Transaction Document to take action upon receipt of such information or the contents of any such report or (ii) the review of such report or other information is necessary to perform the Trustee's express duties under this Indenture or another Transaction Document;

(z) the Trustee shall not have any duty or responsibility in respect of any recording, filing, or depositing of this Indenture or any other agreement or instrument, monitoring or filing any Financing Statement or continuation statement evidencing a security interest, the maintenance of any such recording, filing or depositing or to any re-recording, re-filing or re-depositing of any thereof, or otherwise monitoring the perfection, continuation of perfection or the sufficiency or validity of any security interest in or related to the Assets;

(aa) in accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Accounts or other U.S. Bank National Association facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use them to process or facilitate payments for prohibited internet gambling transactions;

(bb) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary and/or sensitive information and sent by electronic mail will be encrypted. The recipient of the email communication will be required to complete a one-time registration process;

(cc) the Trustee shall not have any obligation to determine: (a) the characterization of a Collateral Obligation, (b) if a Collateral Obligation meets the criteria specified in the definition thereof or (c) if the conditions specified in the definition of "Deliver" have been complied with;

(dd) in the event the Bank (in its individual capacity or as Trustee) or any Affiliate of the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Intermediary, Authenticating Agent, Calculation Agent, or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank or such Affiliate acting in such capacities (provided that the foregoing shall not be construed to impose upon such Person the duties or standard of care (including any prudent person standard) of the Trustee); provided, further, however that the Collateral Administrator (including in its capacity as Calculation Agent) and the Securities Intermediary shall be held to the standard of conduct set forth in the Collateral Administration Agreement and the Account Agreement, respectively, and the foregoing shall not be construed to impose upon the Collateral Administrator (including in its capacity as Calculation Agent) or the Securities Intermediary any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Trustee; provided further that such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in any other documents to which the Bank or such Affiliate in such capacity is a party; provided, further, that, in the event the Trustee resigns or is removed pursuant to Section 6.9 or any other provision of this Indenture, the rights, protections, benefits, immunities and indemnities afforded to the Trustee hereunder shall no longer be afforded to the Bank, in its individual capacity or in any other capacity under any other Transaction Document;

(ee) the Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager;

(ff) the Trustee shall have no duty to monitor or verify compliance with U.S. Risk Retention Rules (if the U.S. Risk Retention Rules apply to this transaction);

(gg) the Trustee shall have no obligation to monitor, confirm or verify AML Compliance or Holder AML Obligations; and

(hh) the Trustee shall be under no liability for any negative interest accrued or applied in respect of any funds received by it or maintained in an Account hereunder.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity, enforceability or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank in its individual capacity to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its individual capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (in each of its capacities) on each Payment Date reasonable compensation as set forth in a separate fee schedule dated prior to the Closing Date between the Trustee and the Collateral Manager for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank (individually and in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or any other Transaction Document (including, without limitation, costs incurred by the Bank (in any of its capacities)) in connection with the Issuer's obligation to comply with the Tax Account Reporting Rules, tax withholding, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, Section 5.5, Section 6.3(c), Section 10.7 or any other term of this Indenture (except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Bank's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager in writing;

(iii) to indemnify the Bank (individually and in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability, damage, fee, cost or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part (including a successful defense, in whole or in part, of any claim that the Bank acted with negligence, willful misconduct or bad faith), and arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated thereby, including the costs and expenses (including reasonable attorney's fees and costs) of (x) defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other transaction document

related hereto, and (y) the enforcement of the Issuer's indemnification obligations hereunder; and

(iv) to pay the Bank reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Bank shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Payments but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Bank shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Bank shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Bank's rights under Section 6.9. No direction by the Holders shall affect the right of the Bank to collect amounts owed to it under this Indenture or any other Transaction Document. If on any date when a fee, expense or any other amount shall be payable to the Bank pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall be secured by the lien of this Indenture and shall survive the termination or assignment of this Indenture and the resignation or removal of the Bank pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or if longer the applicable preference period then in effect) plus one day after the payment in full of all Notes issued under this Indenture. When the Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e), the expenses are intended to constitute expenses of administration under the Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having (i) a short-term issuer rating of at least "A-2" or a long-term issuer rating of at least "BBB+" by S&P and (ii) an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this

Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Collateral Manager, the Holders and each Rating Agency not less than 60 days prior to such resignation. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided that the Issuer shall provide prior written notice to the Rating Agencies of any such appointment; provided, further, that the Issuer shall not appoint such successor trustee or trustees without the consent of the Collateral Manager and a Majority of the Secured Notes of each Class voting as a single class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class) unless (i) the Issuer gives ten days' prior written notice to the Holders of such appointment and (ii) a Majority of the Secured Notes (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the Controlling Class) do not provide written notice to the Issuer objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee (at the expense of the Issuer as provided in Section 6.7) or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon 30 days' advance written notice by an Act of a Majority of each Class of Notes voting separately by Class or the Collateral Manager and the Initial Majority Subordinated Noteholder acting jointly or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class with the prior consent of the Initial Majority Subordinated Noteholder by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class (with the prior consent of the Initial Majority Subordinated Noteholder) and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring Trustee (at the expense of the Issuer) as provided in Section 6.7 may, or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Collateral Manager, to the Holders and to each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank and its Affiliates in all capacities under this Indenture and any other Transaction Document.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.9 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located or for purposes of enforcement actions and where conflicts of interest exist, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee that satisfy the requirements of Section 6.8, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12 and to perform such other acts as may be determined by the Co-Issuers and/or the Trustee.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment. In no event shall any co-trustee be deemed to be an agent or representative of the Trustee.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent funds are available therefor under the Priority of Payments, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be

conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee or for the appointment of any co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing (which may be electronically) and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Collateral Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes

in connection with issuance, transfers and exchanges under Section 2.4, Section 2.5, Section 2.6, Section 2.7 and Section 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense under Section 11.1. The provisions of Section 2.9, Section 6.4 and Section 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed by law on the Issuer's payments under the Notes to any Holder (including amounts withheld pursuant to FATCA), such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax, including pursuant to FATCA, and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any reasonable out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes. The Issuer shall not be obligated to pay any additional amounts

to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Notes.

Section 6.16 Representative for Holders of Secured Notes Only; Agent for Each Other Secured Party and the Holders of Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the other Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the other Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a limited purpose national banking association with trust powers under the laws of the United States of America and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of trustee, registrar, transfer agent, and calculation agent under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration with any United States federal or State of New York agency or other governmental body under any United States federal or State of New York regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18 Communication with the Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, facsimile, press

release, posting to the applicable Rating Agency's website, or other means then considered industry standard that is acceptable to the applicable Rating Agency in accordance with its methodology.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer shall, to the extent legally permitted and to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other Applicable Law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to such Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and as Transfer Agent for transfers of the Notes. Notes may be surrendered for registration of transfer or exchange at the Corporate Trust Office of the Trustee or its agent designated for purposes of surrender, transfer or exchange. The Co-Issuers hereby appoint CT Corporation, 111 Eighth Avenue, New York, New York 10011, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; provided, further, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax as a result of such appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give written notice as soon as reasonably practicable to the Trustee, the Holders, and each Rating Agency of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Money for Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, no later than the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; *provided* that so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has a long-term debt rating of "A+" or higher by S&P or a short-term debt rating of "A-1" by S&P. In the event that such successor Paying Agent ceases to have the required ratings specified above, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent which has such required debt ratings. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by Applicable Law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to

such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by Applicable Law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer or the Co-Issuer, as applicable, on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer or the Co-Issuer, as applicable, for payment of such amounts (but only to the extent of the amounts so paid to the Issuer or the Co-Issuer, as applicable) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Certificated Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by Applicable Law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; provided, however, that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the

Issuer at the direction of the Initial Majority Subordinated Noteholder so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Collateral Manager, and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings to the extent required by Applicable Law) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the declaration of trust by Walkers Fiduciary Limited, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

Section 7.5 Protection of Assets. (a) The Issuer, or the Collateral Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Collateral Manager if within the Collateral Manager's control under the Collateral Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Secured Parties hereunder and to:

(i) Grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file or record any Financing Statement (other than the Financing Statement delivered on the Closing Date), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5; provided that such appointment shall not impose upon the Trustee any of the Issuer's or the Collateral Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets in which the debtor now or hereafter has rights" as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Article V and Section 10.6, Section 12.1 and Section 12.3, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

(c) The Issuer will make an entry with respect to the security interests granted under this Indenture in the Issuer's register of mortgages and charges maintained at the Issuer's registered office in the Cayman Islands.

(d) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within

the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute Collateral and the description thereof will be deemed to be incorporated into the reference to commercial tort claim or to goods in Granting Clause I. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6 Opinions as to Assets. No later than the 90th day that precedes the fifth anniversary of the Closing Date (and no later than the 90th day that precedes every subsequent fifth anniversary of the Closing Date so long as any Secured Notes are Outstanding), the Issuer shall furnish to the Trustee and S&P an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, in the opinion of such counsel, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five-year period.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of pricing amendments, ordinary course waivers/amendments, and enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Secured Notes (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Collateral Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Collateral Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

Section 7.8 Negative Covenants. (a) The Issuer shall not and, with respect to clauses (i), (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer shall not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld in accordance with the Code or any Applicable Law of the Cayman Islands or other applicable jurisdiction) or assert any claim against any present or future Holder, by reason of the payment of any taxes levied or assessed upon any part of the Assets, other than as set forth in this Indenture;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes (to the extent they evidence debt), Refinancing Obligations and this Indenture and the transactions contemplated hereby, or (B) (1) issue any additional class of securities (except as provided herein) or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) so long as any Class issued by it is Outstanding, dissolve or liquidate in whole or in part, except as permitted hereunder or required by Applicable Law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by this Indenture or the Collateral Management Agreement;

(xii) elect to be classified for U.S. federal income tax purposes as other than a foreign corporation;

(xiii) solicit, advertise or publish the Issuer's ability to enter into credit derivatives;

(xiv) register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company;

(xv) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (i) any tax, securities law or other filing or submission made to any Governmental Authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements; and

(xvi) hold itself out to the public as a bank, insurance company or finance company.

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(c) So long as any Notes are Outstanding, the Co-Issuer shall not elect to be classified for U.S. federal income tax purposes as other than a disregarded entity.

(d) The Issuer and the Co-Issuer shall not be party to any agreements (including Hedge Agreements) without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(e) The Co-Issuer shall not fail to maintain an independent manager under its limited liability company agreement.

(f) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity, or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or to be

otherwise to be subject to U.S. federal income tax on a net basis; provided, however, the Issuer shall not be considered to have violated its obligations under this Section 7.8(f) if it complies with its obligations under Section 7.8(g).

(g) In furtherance and not in limitation of Section 7.8(f), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines or, in the alternative, Tax Advice to the effect that the action, when considered in light of the other activities of the Issuer, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis. For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.8(g) in connection with the amendment or modification of any provision of the Tax Guidelines in accordance with the terms of the Collateral Management Agreement.

(h) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any of its ordinary shares to U.S. Persons and the Co-Issuer shall not issue or permit the transfer of any of its membership interest to U.S. Persons.

Section 7.9 Statement as to Compliance. The Issuer shall deliver to the Trustee, the Collateral Manager and the Administrator (to be forwarded, at the cost of the Issuer, by the Trustee to each Holder making a written request therefor and each Rating Agency) (a) no later than December 31 in each calendar year, commencing in 2021 and (b) immediately if there has been a Default under this Indenture, an Officer's certificate of the Issuer, having made reasonable inquiries of the Collateral Manager and to the best of the knowledge, information and belief of the Issuer, which certificate shall (i) either (1) certify that as of a date not more than five days prior to the date of such certificate, there did not exist nor has there existed at any time since the date of the last such certificate (or the Closing Date, if no such certificate has been delivered), any Default or (2) specify any Default during such period and the nature and status thereof, including actions undertaken to remedy the same, and (ii) either (1) certify that the Issuer has complied with all of its obligations under this Indenture or (2) specify those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc., Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person (other than in a liquidation of Collateral contemplated under this Indenture), unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company incorporated and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class and the Initial Majority Subordinated Noteholder; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall

expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Trustee shall have received notice of such consolidation or merger and shall have distributed copies of such notice to each Rating Agency as soon as reasonably practicable and in any case no less than five days prior to such merger or consolidation, and the Trustee shall have received written confirmation from each Rating Agency that its ratings issued with respect to the Secured Notes then rated by such Rating Agency shall not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee, and each Rating Agency, an Officer's certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets; and in each case as to such other matters as any Holder may reasonably require;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have delivered notice to each Rating Agency, and the Merging Entity shall have delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions in this Article VII relating to such transaction have been complied with and that such transaction will

not result in the Merging Entity or Successor Entity being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise becoming subject to U.S. federal income tax on a net basis; and

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act.

Neither the Issuer nor the Co-Issuer shall effect a division into two or more entities pursuant to Section 18-217 of the Limited Liability Company Act of the State of Delaware or any similar provision under the law of the Cayman Islands or any other jurisdiction.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. From and after the Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and acquiring, owning, holding, selling, lending, exchanging, redeeming, pledging, contracting for the management of and otherwise dealing with Collateral Obligations and the other Assets in connection therewith and entering into the applicable Transaction Documents and any other agreements specifically contemplated by this Indenture. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith or ancillary thereto. The Issuer and the Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer and the Certificate of Formation and limited liability company agreement of the Co-Issuer, respectively only upon satisfaction of the S&P Rating Condition.

Section 7.13 Rating Review. (a) So long as any of the Secured Notes remain Outstanding, the Applicable Issuers shall obtain and pay for the ongoing review of the rating of each such Class of Secured Notes from each Rating Agency, as applicable. The Applicable Issuers shall promptly notify the Trustee and the Collateral Manager in writing if at any time the rating of any such Class of Secured Notes has been, or is known shall be, changed or withdrawn.

(b) With respect to any Collateral Obligation which has a Moody's Rating derived as set forth in clause (i)(A) of the definition of the term "Moody's Rating," the Issuer shall obtain and pay for an annual review of each such Collateral Obligation. With respect to any Collateral Obligation with a credit estimate from S&P, any DIP Collateral Obligation or any Collateral Obligation with an S&P Rating determined to be "CCC-" under clause (iii) of the definition of S&P Rating, the Issuer will promptly notify S&P of any Specified Events. With respect to any such Collateral Obligation owned both by the Issuer and any other collateralized loan obligation issuer for which the Collateral Manager or an affiliate is collateral manager (or any similar fund managed by an affiliate of the Collateral Manager), the costs associated with the annual review of such Collateral Obligation may be allocated between the Issuer and such other issuers and funds managed by the Collateral Manager or an affiliate of the Collateral Manager in any manner determined in a reasonable manner by the Collateral Manager (including in consultation with such affiliate or affiliates).

Section 7.14 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or Certifying Person of the Notes, the Co-Issuers (or in the case of the Class E Notes and the Subordinated Notes, the Issuer) shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or Certifying Person, to a prospective purchaser of such Note designated by such Holder or Certifying Person, or to the Trustee for delivery upon Issuer Order to such Holder or Certifying Person or a prospective purchaser designated by such Holder or Certifying Person, as the case may be, in order to permit compliance by such Holder or Certifying Person of such Note with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or Certifying Person of such Note, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15 Calculation Agent. (a) The Issuer hereby agrees that for so long as any of the Floating Rate Notes remain Outstanding there shall at all times be an agent appointed (which does not control and is not controlled or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign from its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, on each Interest Determination Date, but in no event later than 5:00 p.m. New York time on such Interest Determination Date,

the Calculation Agent shall calculate the Note Interest Rate for each Class of Floating Rate Notes for the next Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) and the Note Interest Amount for each Class of Floating Rate Notes (in each case, rounded to the nearest cent, with half a cent being rounded upward) on the related Payment Date. At such time the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent shall notify the Issuer before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Note Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) shall (in the absence of manifest error) be final and binding upon all parties.

(c) None of the Trustee, a Paying Agent or the Calculation Agent shall be under any obligation to (i) to monitor, determine or verify the unavailability or cessation of Term SOFR (or other applicable Benchmark), or to give notice to any other party of the occurrence of such unavailability or cessation, (ii) to identify, select or determine any Fallback Rate or other successor or replacement benchmark index (or any modifier with respect thereto), or determine whether any conditions to the designation of such a rate or modifier have been satisfied or (iii) determine whether any Benchmark Replacement Conforming Changes, supplemental indenture or other conforming changes to the Indenture are necessary in connection with the adoption of a Fallback Rate. None of the Trustee, a Paying Agent or the Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture or other Transaction Document as a result of the unavailability of Term SOFR (or other applicable Benchmark) and absence of a Fallback Rate, including as a result of any inability, delay, error or inaccuracy on the part of any other Person in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture or other Transaction Document and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of Term SOFR as determined on the previous Interest Determination Date or on a prior U.S. Government Securities Business Day if so required under the definition of Term SOFR. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Collateral Manager, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any Fallback Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction.

Section 7.16 Certain Tax Matters. (a) The Issuer and the Co-Issuer will treat (i) the Issuer as a corporation, (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Secured Notes as debt and (v) the Subordinated Notes as equity, in each case, for all U.S. federal, and, to the extent permitted by Applicable Law, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law, it being understood that this paragraph shall not prevent the Issuer from providing the information described in Section 7.16(b) to a

Holder (including, for purposes of this Section 7.16, any Certifying Person or beneficial owner) of Class E Notes.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer and Holders) for each taxable year of the Issuer, the Co-Issuer and the Issuer Subsidiary the U.S. federal, state and local income tax returns and reports as required under the Code or applicable state or local law, or any tax returns or information tax returns required by any Governmental Authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder of a Note any information (to the extent such information is reasonably available to the Issuer) that such Holder reasonably requests in order for such Holder to (i) comply with its U.S. federal, state, or local tax return filing and information reporting obligations, (ii) with respect to the Subordinated Notes (or any Class of Secured Notes that is recharacterized as equity of the Issuer), make and maintain a "qualified electing fund" ("QEF") election (as defined in the Code) with respect to the Issuer and any Issuer Subsidiary, including a "PFIC Annual Information Statement" as described in Treasury Regulations Section 1.1295-1 (or any successor Treasury Regulation), including all representations and statements required by such statement (such information to be provided at the Issuer's expense), (iii) with respect to the Class E Notes, file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer or any non-U.S. Issuer Subsidiary (such information to be provided at such Holder's expense), or (iv) with respect to the Subordinated Notes (or any Class of Secured Notes that is recharacterized as equity of the Issuer), comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such Holder's expense); provided that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state thereof on the basis that it is engaged in a trade or business in the United States for U.S. federal income tax purposes or to be otherwise subject to U.S. federal income tax on a net basis unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer (or an agent acting on its behalf) shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471 and 1472, and any other provision of the Code or other Applicable Law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any advisor retained by the Issuer or the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each non-U.S. Issuer Subsidiary to, cause to be delivered a properly completed and executed IRS Form W-8BEN-E (or applicable successor form) or in the case of a U.S. Issuer Subsidiary, a properly completed and executed IRS Form W-9, and/or any other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as

necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax.

Upon written request, the Trustee, the Paying Agent, and the Registrar shall provide to the Issuer, the Collateral Manager, or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee, the Paying Agent or the Registrar, as the case may be, and may be necessary to enable the Issuer to achieve Tax Account Reporting Rules Compliance. The Issuer (or an agent acting on its behalf) will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary to enable the Issuer to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to Tax Account Reporting Rules, and any other action that the Issuer would be permitted to take under this Indenture necessary to enable the Issuer to achieve Tax Account Reporting Rules Compliance.

(d) Upon the Trustee's receipt of a request of a Holder of a Secured Note, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury Regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Trustee, and the Trustee shall promptly deliver to such requesting Holder, all of such information.

(e) Prior to the time that:

(i) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation, or

(ii) any Collateral Obligation is modified in a manner,

that, in each case, could cause the Issuer to violate the Tax Guidelines, the Issuer shall either (x) organize a directly or indirectly wholly-owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (an "Issuer Subsidiary") and contribute to the Issuer Subsidiary the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, (y) contribute to an existing Issuer Subsidiary the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, or (z) sell the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification, in each case unless the Issuer receives Tax Advice to the effect that the acquisition, ownership, and disposition of such asset or Collateral Obligation, or the workout, restructuring, or modification of such Collateral Obligation (as the case may be), will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be otherwise subject to U.S. federal income tax on a net basis. The Issuer will not be required to transfer such asset to, or continue to hold such asset in, an Issuer Subsidiary (and may instead hold such asset directly) if the Collateral Manager has received Tax Advice to the effect that the Issuer can retain such asset in the Issuer, or transfer such asset from the Issuer Subsidiary to the Issuer, and in each case hold it directly without causing the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes. The Issuer shall

contribute (as soon as practicable) any asset to an Issuer Subsidiary upon discovery that it was acquired in breach of the Tax Guidelines, unless the Issuer receives Tax Advice to the effect that the ownership or disposition of such asset will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

(f) Each Issuer Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents complying with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of assets referred to in clauses (i) and (ii) of Section 7.16(e), and any assets, income and proceeds received in respect thereof (collectively, "Issuer Subsidiary Assets"), and shall require the Issuer Subsidiary to distribute 100% of the proceeds from such assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer, subject to Section 7.16(i), on or before the Stated Maturity of the Secured Notes or at such earlier time designated at the sole discretion of the Collateral Manager. At the request of the Collateral Manager, the Issuer will cause any Issuer Subsidiary to enter into a separate management agreement with the Collateral Manager which agreement shall be substantially in the form of the Collateral Management Agreement. Notice of the formation of any Issuer Subsidiary and of any such separate management agreement and a copy of such agreement shall be provided to each of the Rating Agencies. No supplemental indenture pursuant to Sections 8.1 or 8.2 hereof shall be necessary to permit the Issuer, or the Collateral Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary.

(g) With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(iii) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than its directors, to the extent such directors are deemed to be employees), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.16 applicable to an Issuer Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(v) the constitutive documents of such Issuer Subsidiary shall provide that (A) recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to its Issuer Subsidiary Assets and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under Applicable Law and (B) it will be subject to the limitations on powers set forth in the organizational documents of the Issuer;

(vi) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all Taxes required to be paid by it;

(vii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or Proceeding by or before any arbiter or Governmental Authority against or affecting such Issuer Subsidiary;

(viii) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(ix) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by Section 7.16(e) so long as they do not violate Section 7.16(g);

(x) the Issuer shall keep in full effect the existence, rights and franchises of such Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by the related Issuer Subsidiary. In addition, the Issuer and such Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in the separate existence of such Issuer Subsidiary being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary upon the sale of the final Issuer Subsidiary Asset held therein or upon having received Tax Advice to the effect that, under the relevant facts and circumstances with respect to such dissolution, the dissolution of such Issuer Subsidiary will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be otherwise subject to U.S. federal tax on a net income basis;

(xi) with respect to any Issuer Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Collateral Manager or the Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Issuer Subsidiary Assets are held by the Issuer Subsidiary, and shall refer directly and solely to such Issuer Subsidiary Assets, and the Trustee and the Collateral Administrator shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xii) the Issuer, the Co-Issuer, the Collateral Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day (or any longer applicable preference period then in effect) plus one day, after the payment in full of all the Notes issued under this Indenture;

(xiii) in connection with the organization of such Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary pursuant to Section 7.16(e), the Issuer Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, with the Bank or the Securities Intermediary to hold the Issuer Subsidiary Assets; provided that (A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xiv) subject to the other provisions of this Indenture, the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Collateral Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Principal Collection Account or the Interest Collection Account, as applicable as determined in accordance with subclause (xvi)); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xv) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test, and Coverage Tests, or for the purpose of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in such Issuer Subsidiary or any property distributed to the Issuer by the Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s) or of any asset received in consideration of such Issuer Subsidiary Asset(s)). If, prior to its transfer to the Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in the Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvi) any distribution of Cash by such Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer; and

(xvii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Mandatory Redemption, a redemption by reason of a Tax Event, or other prepayment in full or repayment in full of all Notes Outstanding and such notice is not capable of being rescinded, (C) the Stated Maturity of the Notes has occurred, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Collateral, however described, the Issuer or the Collateral Manager on the Issuer's behalf shall (x) with respect to each Issuer Subsidiary, instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary;

(xviii) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to otherwise cause the Issuer to be subject to U.S. federal tax on a net income basis;

(xix) the Issuer shall provide, or cause to be provided, to each Rating Agency, written notice prior to the formation of an Issuer Subsidiary; and

(xx) the Issuer Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. federal income tax purposes.

(h) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary, if the Issuer has received Tax Advice to the effect that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes.

(i) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received Tax Advice to the effect that, under the relevant facts and circumstances with respect to such transaction, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be otherwise subject to U.S. federal income tax on a net basis.

(j) Upon a Re-Pricing or in connection with the adoption of a Fallback Rate that causes Notes to be deemed reissued for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under Treasury regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Priced Class or Notes replacing the Re-Priced Class or Notes subject to

such Fallback Rate are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of the Re-Pricing or adoption of a Fallback Rate, as applicable.

(k) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of Subordinated Notes (or any Class of Secured Notes that is recharacterized as equity in the Issuer for U.S. federal income tax purposes) requests in writing the information about any such transactions in which the Issuer has participated or will participate, the Issuer (or the Collateral Manager acting on behalf of the Issuer) shall provide such information it has reasonably available as soon as practicable after such request.

Section 7.17 Ramp-Up Period; Purchase of Additional Collateral Obligations.

(a) The Issuer shall use its commercially reasonable efforts to satisfy the Aggregate Ramp-Up Par Condition by the Effective Date.

(b) During the Ramp-Up Period, the Issuer shall use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, *first*, any amounts on deposit in the Ramp-Up Account, and *second*, any Principal Proceeds on deposit in the Collection Account and (ii) to pay for accrued interest on any such Collateral Obligation, any amounts on deposit in the Ramp-Up Account . The Issuer shall use its commercially reasonable efforts to acquire such Collateral Obligations that will satisfy, as of the end of the Ramp-Up Period, the Effective Date Tested Items.

(c) Within forty (40) Business Days after the Ramp-Up Period (but in any event, prior to the first Determination Date), the Issuer shall provide, or cause to be provided, the following documents (the "Effective Date Requirements"): (i) to each Rating Agency, a report prepared by the Collateral Administrator in accordance with and subject to the terms of the Collateral Administration Agreement and determined as of the last day of the Ramp-Up Period, containing (A) the information required in a Monthly Report and (B) the level of compliance with, and satisfaction or non-satisfaction of the Aggregate Ramp-Up Par Condition (such report, the "Effective Date Report") and a report identifying the Collateral Obligations, (ii) to S&P, the Excel Default Model Input File, which provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and (iii) to the Trustee, an Accountants' Report (A) comparing the issuer, Principal Balance, coupon/spread, Stated Maturity, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the end of the Ramp-Up Period and the information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein (such accountants' report, the "Effective Date Comparison Report"), (B) recalculating as of the end of the Ramp-Up Period (1) the Aggregate Ramp-Up Par Condition, (2) each Overcollateralization Test, (3) the Concentration Limitations and (4) the Collateral Quality Test (excluding the S&P CDO Monitor Test) (the calculations in this clause (B), the "Effective Date Tested Items") and (C) specifying the procedures undertaken by such accountants to review data and computations relating thereto (items (B) and (C) of this clause together the "Effective Date Recalculation Report"). For the avoidance of doubt, the Effective Date Report will not include or refer to any Accountants' Report, except that, in accordance with SEC Release No. 34-72936, Form 15-E, only in its

complete and unedited form which includes the Effective Date Comparison Report as an attachment, will be provided by the Independent accountants to the Issuer, which will post such Form 15-E, except for the redaction of any sensitive information, on the 17g-5 Website. Except as specified in the preceding sentence, copies of the Effective Date Recalculation Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party (other than the Collateral Manager), including the Rating Agencies, or posted on the 17g-5 Website.

(d) If, on or before the first Determination Date, the Effective Date Rating Condition has not been satisfied (an "S&P Rating Confirmation Failure"), the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or applying Interest Proceeds as Principal Proceeds to the purchase of Collateral Obligations sufficient to enable the Issuer to satisfy the Effective Date Rating Condition. The Issuer shall notify each Rating Agency if an S&P Rating Confirmation Failure occurs.

(e) The failure of the Issuer to satisfy the requirements of this Section 7.17 will not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith.

(f) Compliance with the S&P CDO Monitor Test shall be measured only during the Reinvestment Period and shall be measured by the Collateral Manager on each Measurement Date; provided, however, that on each Measurement Date after the Effective Date and after receipt by the Issuer of the S&P CDO Monitor, the Collateral Manager shall provide to the Collateral Administrator a report on the portfolio of Collateral Obligations containing such information as shall be reasonably necessary to permit the Collateral Administrator to calculate, in accordance with the Collateral Administration Agreement, the Class Default Differential with respect to the Highest Ranking Class on such Measurement Date. In the event that the Collateral Manager's measurement of compliance and the Collateral Administrator's measurement of compliance show different results, the Collateral Manager and the Collateral Administrator shall cooperate promptly in order to reconcile such discrepancy.

Section 7.18 Representations Relating to Security Interests in the Assets.

(a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(i) The Issuer has good and marketable title to such Asset free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any

Financing Statement relating to the security interest granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer except that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(d).

(v) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under Applicable Law in order to perfect the security interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) All Assets with respect to which a security entitlement may be created by a Securities Intermediary have been credited to one or more Accounts.

(ix) (A) The Issuer has delivered to the Trustee a fully executed Account Agreement pursuant to which the Intermediary has agreed to comply with all Entitlement Orders originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Intermediary to identify in its records the Trustee as the person having a security entitlement against the Intermediary in each of the Accounts.

(x) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Intermediary's complying with the Entitlement Order of any Person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

(xi) The Issuer has not assigned, pledged, sold, granted a security interest in or otherwise encumbered or conveyed any interest in the Assets (or, if any such interest has been assigned, pledged or otherwise encumbered, it has been released prior to the Closing Date or is being released on the Closing Date) other than interests granted pursuant to this Indenture or as otherwise permitted by this Indenture.

(b) The Co-Issuers agree to promptly provide notice to the Rating Agencies (with a copy to the Collateral Manager) if they become aware of the breach of any of the representations and warranties contained in this Section 7.18.

Section 7.19 [Reserved].

Section 7.20 Maintenance of Listing. So long as any Listed Notes remain Outstanding, the Issuer shall use reasonable efforts to maintain the listing of such Notes on the Cayman Islands Stock Exchange.

Section 7.21 Section 3(c)(7) Procedures. In addition to the notices required to be given under Section 10.6, the Issuer shall take the following actions to ensure compliance with the requirements of Section 3(c)(7) of the Investment Company Act (provided that such procedures and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

(a) The Issuer shall, or shall cause its agent to request of DTC, and cooperate with DTC to ensure, that (i) DTC's security description and delivery order include a "3(c)(7) marker" and that DTC's reference directory contains an accurate description of the restrictions on the holding and transfer of the Rule 144A Global Notes due to the Issuer's reliance on the exemption to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) DTC send to its participants in connection with the initial offering of the Rule 144A Global Notes, a notice that the Issuer is relying on Section 3(c)(7) and (iii) DTC's reference directory include each class of Notes (and the applicable CUSIP numbers for the Rule 144A Global Notes) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Rule 144A Global Notes.

(c) The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding restrictions on the Global Notes under Section 3(c)(7) of the Investment Company Act and Rule 144A.

The Co-Issuers may, without regard to the provisions of Section 8.2 or any paragraphs in this Section 8.1 requiring consent of any party, enter into a supplemental indenture to reflect the terms of a Refinancing upon a redemption of the Secured Notes in whole but not in part, including to make any supplements or amendments to this Indenture that would otherwise be subject to the provisions of Section 8.2, if (i) such supplemental indenture is effective on or after the date of such Refinancing and (ii) the Collateral Manager and a Majority of the Subordinated Notes have consented to the execution of such supplemental indenture (any such supplemental indenture, a "Reset Amendment").

(b) A supplemental indenture entered into for any purpose other than the purposes provided for in this Section 8.1 shall require the consent of the Holders if applicable pursuant to Section 8.2.

Section 8.2 Supplemental Indentures with Consent of Holders. (a) With the written consent of the Collateral Manager, a Majority of each Class of Secured Notes materially and adversely affected thereby, if any, and the consent of a Majority of the Subordinated Notes if the Subordinated Notes are materially and adversely affected thereby, the Trustee and the Co-Issuers may, subject to the requirements of Section 8.3, enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of such Class under this Indenture; provided that the Issuer shall not enter into any supplemental indenture pursuant to this Section 8.2(a)(i) without the prior written consent of any Hedge Counterparty if such Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and such Hedge Counterparty notifies the Issuer and the Trustee thereof. Notwithstanding the foregoing, without the consent of each Holder of each Outstanding Class materially and adversely affected thereby, no such supplemental indenture pursuant to this Section 8.2(a) (other than a Reset Amendment) shall:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Note, reduce the principal amount thereof or, except in a Re-Pricing or in connection with the adoption of any Benchmark Replacement Conforming Changes, the rate of interest thereon or the Redemption Price, or change the earliest date on which any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Secured Notes, application of proceeds of any distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Subordinated Notes or Secured Notes or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided that the Stated Maturity of the Subordinated Notes may be extended in connection with a Reset Amendment; provided further that, in connection with a Refinancing of all Classes of Secured Notes in full, with the consent of a Majority of the Subordinated Notes and the Collateral Manager, the terms relating to the Subordinated Notes may be changed without the consent of each holder of a Subordinated Note;

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required under this Indenture, including for the authorization of any such supplemental indenture, exercise of remedies under this Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) materially impair the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture; provided that this clause shall not apply to any supplemental indenture (A) amending the restrictions on the sales of Collateral Obligations set forth in this Indenture which is otherwise permitted pursuant to Section 8.1 or Section 8.2 or (B) in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to Refinancing Obligations in the form of one or more loans ranking on a parity with one or more Classes of Notes also secured pursuant to the lien of this Indenture;

(v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note Outstanding and materially and adversely affected thereby;

(vi) modify the definitions of the terms Outstanding, Class (except as otherwise expressly permitted by this Indenture), Controlling Class, Majority or Supermajority;

(vii) modify the definitions of the terms Priority of Payments or Note Payment Sequence;

(viii) modify any of the provisions of this Indenture in such a manner as to directly affect the manner or procedure for the calculation of the amount of any payment of interest or principal on any Secured Note, or for determining any amount available for distribution to the Subordinated Notes or to affect the rights of the Holders of Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein; provided that this clause (viii) shall not apply to any amendments required to give effect to or in connection with the adoption of any Benchmark Replacement Conforming Changes;

(ix) amend any of the provisions of this Indenture relating to the institution of Proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Co-Issuers or any limited recourse or non-petition provisions; or

(x) modify the restrictions on and procedures for resales and other transfers of Notes (except as set forth in Section 8.1(a)).

The foregoing consent requirements in this Section 8.2(a) shall not apply with respect to any supplemental indenture entered into pursuant to Section 8.1.

(b) The Trustee may conclusively rely on an Officer's certificate of the Collateral Manager or an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary

or advisable in the judgment of counsel delivering the opinion, including an Officer's certificate of the Collateral Manager) as to whether the interests of any Class would be materially and adversely affected by the modifications set forth in any supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Officer's certificate or Opinion of Counsel. Such determination by the Collateral Manager shall be conclusive and binding on all present and future holders of Notes. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Officer's certificate of the Collateral Manager or an Opinion of Counsel delivered to the Trustee as set forth in Section 8.3 hereof. Notwithstanding the foregoing sentence, if a Majority of the Controlling Class provides written notice to the Issuer and the Trustee within 10 Business Days of the date of delivery of notice of such supplemental indenture by the Trustee that such Class will be materially adversely affected by such supplemental indenture (which notice shall (i) set forth the basis (in reasonable detail) on which such Holder or Holders have determined they are materially and adversely affected thereby and (ii) provide evidence of such Holder's identity), then the consent of a Majority of the Controlling Class will be required to execute such supplemental indenture.

Section 8.3 Execution of Supplemental Indentures. (a) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.1 and Section 6.3) shall be fully protected in relying upon, an Opinion of Counsel to the effect that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(b) Not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Collateral Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders to be given no later than three Business Days prior to the date indicated as the proposed execution date of the proposed supplemental indenture, except that in the case of a Reset Amendment or a supplemental indenture to be entered into pursuant to Sections 8.1(a)(viii) or 8.1(a)(xvii), the foregoing notice period shall not apply and a copy of the proposed supplemental indenture shall be included in, in the case of an additional issuance, the notice of such additional issuance provided for by Section 3.2, in the case of a Re-Pricing, the notice of such Re-Pricing provided for by Section 9.7(b) and, in the case of a Refinancing, the notice of Optional Redemption provided for by Section 9.4(a). Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the expense of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than two Business Days prior to the execution of such proposed supplemental indenture, the Trustee shall deliver to the Holders, the Collateral Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding) a copy of such

supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. Notwithstanding anything to the contrary in this Indenture, notice of any supplemental indenture (including any revisions thereto) proposed to be entered into in connection with a Refinancing shall not be required to be delivered to the Holders of any Class to be redeemed pursuant to such Refinancing.

Any consent given to a proposed supplemental indenture by a Holder shall be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the required consent to any such proposed supplemental indenture is received from the applicable Holders prior to the end of the relevant notice period, the supplemental indenture may be executed prior to the end of such period. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture within the relevant notice period, on the first Business Day following such period, the Trustee shall provide consents received to the Issuer and the Collateral Manager so that they may determine which Holders have consented to the proposed supplemental indenture and which Holders (and, to the extent such information is in the possession of the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture. To the extent the Co-Issuers execute a supplemental indenture or other modification or amendment of this Indenture solely for the purpose of conforming this Indenture to the Offering Circular pursuant to Section 8.1(a)(ix) (a "Conforming Modification") and one or more other amendment provisions set forth herein also applies, such other amendment provision shall be deemed not to be applicable to such Conforming Modification.

(c) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Article VIII, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Collateral Manager, and each Rating Agency a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

(d) It will not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it will be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act will approve the substance thereof.

(e) Any Class of Notes being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after, such Refinancing and no notice of supplemental indenture proposed to be entered into in connection with such Refinancing shall be required to be delivered to Holders of any such Class of Notes. Any non-Consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately

after the Re-Pricing Date with respect to such Class and, notwithstanding anything to the contrary herein, the consent of the Holders of such Class shall not be required to execute such supplemental indenture.

(f) The Collateral Administrator shall not be bound to follow any amendment or supplement to this Indenture unless (i) it has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements of this Indenture and (ii) if any amendment or supplement to this Indenture which would (a) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Administrator), or materially and adversely change the economic consequences to, the Collateral Administrator, (b) expand or restrict the Collateral Administrator's discretion or (c) adversely affect the Collateral Administrator, the Collateral Administrator consents in writing thereto.

(g) The Collateral Manager will not be bound to follow any amendment or supplement to this Indenture unless it has consented in writing in advance thereof (which consent may be withheld or granted in its sole discretion) and unless it has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements herein.

(h) The Collateral Manager does not warrant, nor accept responsibility, nor shall the Collateral Manager have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Term SOFR" or "Benchmark" or "Fallback Rate" or with respect to any rate that is an alternative or replacement for or successor to any of such rate; provided that nothing in this paragraph shall be deemed to limit the obligations of the Collateral Manager to perform actions expressly required to be performed by it pursuant to this Indenture in connection with the selection of an alternative or replacement reference rate for the Floating Rate Notes.

(i) With respect to any supplemental indenture proposed pursuant to this Indenture that requires the consent of any Class of Notes, the consent of the Initial Majority Subordinated Noteholder to such supplemental indenture will be required in addition to the consent of such Class or Classes of Notes prior to the execution of such supplemental indenture. Notwithstanding the foregoing, with respect to any proposed supplemental indenture with respect to which the consent of the Initial Majority Subordinated Noteholder or a Majority of the Subordinated Notes is not required, if the Initial Majority Subordinated Noteholder has objected to any such proposed supplemental indenture within 10 Business Days of the date of delivery of notice of such supplemental indenture by the Trustee because such party would be materially and adversely affected by the amendment(s) under such supplemental indenture, consent to such supplemental indenture shall be obtained from the Initial Majority Subordinated Noteholder subsequent to such objection.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes;

and every Holder theretofore and thereafter authenticated and delivered hereunder shall be bound thereby. For the avoidance of doubt, a supplemental indenture may be embodied in an amended and restated indenture, in which case, execution of such amended and restated indenture will constitute execution of a supplemental indenture for all purposes under this Indenture.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6 Additional Provisions. Except for a supplemental indenture pursuant to Section 8.2(a)(ix), the Issuer and the Co-Issuer agree that they will not consent to or enter into any indenture supplemental hereto or any amendment to any other document related hereto that: (i) amends any provisions of this Indenture or any other agreement entered into by the Issuer or the Co-Issuer with respect to the transactions contemplated hereby relating to the institution of Proceedings for the Issuer or the Co-Issuer to be adjudicated as bankrupt or insolvent, or the consent by the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against it, or the filing with respect to the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar Applicable Law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer of any substantial part of its property, respectively; or (ii) amends any provision of this Indenture or such other document that provides that the obligations of the Co-Issuers are limited recourse obligations of the Co-Issuers payable solely from the Assets in accordance with the terms of this Indenture.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test or, during the Reinvestment Period, the Reinvestment Overcollateralization Test, is not met on any Determination Date on which such test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Payment Date to make payments as required pursuant to the Priority of Payments to the extent necessary to achieve compliance with such test (a "Mandatory Redemption").

Section 9.2 Optional Redemption or Redemption Following a Tax Event.
(a) The Secured Notes shall be redeemed, in whole but not in part, by the Issuer or the Co-Issuers, as applicable, (i) on any Business Day after the occurrence of a Tax Event at the written direction of (1) a Majority of any Affected Class or (2) a Majority of the Subordinated Notes from the proceeds of the liquidation of the Assets or (ii) on any Business Day after the end of the Non-Call Period, at the written direction of (1) a Majority of the Subordinated Notes (with

the consent of the Collateral Manager) from the proceeds of the liquidation of the Assets and/or Refinancing Proceeds or (2) the Collateral Manager (unless a Majority of the Subordinated Notes has objected within five Business Days of the date of delivery of such direction) from the proceeds of the liquidation of the Assets if the Collateral Principal Amount as of the date of such direction by the Collateral Manager is less than 20% of the Aggregate Ramp-Up Par Amount (any such redemption, an "Optional Redemption"). Any such written direction must be delivered, at least 14 Business Days prior to the proposed Redemption Date (or such shorter period as agreed to between the Trustee and the Collateral Manager), to the Issuer, the Trustee and the Collateral Manager (and, in the case of an Optional Redemption pursuant to clause (2) above, the Holders of the Subordinated Notes). In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Price.

(b) In connection with any Optional Redemption of the Secured Notes, the Collateral Manager shall (unless the Redemption Price of all of the Secured Notes shall be paid solely with Refinancing Proceeds and other funds available for such purpose) direct the sale of all or part of the Collateral Obligations and other Assets in an amount sufficient for the Sale Proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account (including any Refinancing Proceeds, if applicable) to pay the Redemption Price of all of the Secured Notes and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable under the Priority of Payments (including, without limitation, any amounts due to the Hedge Counterparties or the Collateral Manager) prior to any distributions with respect to the Subordinated Notes; provided that, if the Secured Notes are redeemed on a day that is not a Payment Date, the Management Fees payable under the Priority of Payments will be prorated for the period from (but excluding) the prior Payment Date to (and including) the relevant Redemption Date. If such Sale Proceeds and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem the Secured Notes subject to redemption and to pay such fees and expenses, the Secured Notes will not be redeemed. The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment of the Secured Notes in full, at the direction of a Majority of the Subordinated Notes or the Collateral Manager, and the Subordinated Notes will be redeemed in whole in the case of an Optional Redemption in connection with a Tax Event.

(c) In connection with any Optional Redemption of all Classes of Secured Notes on or after the end of the Non-Call Period, the Issuer may, at the written direction of (a) a Majority of the Subordinated Notes with the consent of the Collateral Manager or (b) the Collateral Manager with the consent of a Majority of the Subordinated Notes enter into a loan or loans or effect an issuance of replacement notes (along with any replacement notes issued in connection with a Partial Redemption, "Refinancing Replacement Notes" and together with any such loan or loans along with any loan or loans entered into in connection with a Partial Redemption, "Refinancing Obligations"), the terms of which Refinancing Obligations will be negotiated by the Collateral Manager on behalf of the Issuer, from one or more financial

institutions or purchasers, and the Refinancing Proceeds thereof shall be applied to pay the Redemption Price of the Secured Notes on the Redemption Date (any such redemption with Refinancing Proceeds, along with any Partial Redemption, a "Refinancing"); provided that, in connection with a Refinancing of all Classes of Secured Notes (i) any agreements related to the Refinancing must contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d) and Section 2.8(h), (ii) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager, (iii) such Refinancing otherwise satisfies the conditions set forth in Section 9.2(d) and (iv) the terms of any such Refinancing must be acceptable to a Majority of the Subordinated Notes. In the case of a direction given by the Collateral Manager, the Issuer (or the Trustee on its behalf) shall notify the holders of the Subordinated Notes of receipt of such direction. Any direction for a Refinancing by a Majority of the Subordinated Notes will be deemed to be ineffective if the Collateral Manager certifies in writing to the Co-Issuers that, in the commercially reasonable judgment of the Collateral Manager, based on then-current market conditions, it will not be able to negotiate acceptable terms of such Refinancing that permit satisfaction of the conditions set forth in Section 9.2(d).

In connection with a Refinancing pursuant to which at least the Class A Notes, the Class B Notes and the Class C Notes are being refinanced, the Collateral Manager may in its sole discretion, without the consent of any person, including any Holder, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date (the amount so designated, "Designated Excess Par").

With the written consent of the Collateral Manager and a Majority of the Subordinated Notes, the Co-Issuers may, in connection with a Refinancing of all Outstanding Secured Notes, enter into a supplemental indenture to effect a Reset Amendment, which may include an extension of the Stated Maturity of the Subordinated Notes.

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager or the Trustee for any failure to effect a Refinancing. In the event that a Refinancing is completed, meeting the requirements specified above as certified by the Collateral Manager, the Co-Issuers and the Trustee (as directed by the Issuer) shall amend this Indenture pursuant to Article VIII to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of any Class, other than a Majority of the Subordinated Notes, if the Subordinated Notes are materially and adversely affected.

(d) Notwithstanding anything to the contrary set forth herein, the Issuer shall not sell any Collateral Obligations or obtain a Refinancing in connection with an Optional Redemption unless (i) the Refinancing Proceeds, Available Redemption Interest Proceeds, all Sale Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets and all other available funds in the Accounts shall be at least sufficient to redeem simultaneously the Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Price and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing (other than such Administrative Expenses

that the Collateral Manager reasonably believes will be paid by the second Payment Date following such Redemption Date with amounts available in accordance with the Priority of Payments prior to the distributions to the Holders of Subordinated Notes) and (ii) the Sale Proceeds, Refinancing Proceeds, Available Redemption Interest Proceeds and other funds available for such purpose are used to the extent necessary to make such redemption.

(e) Notwithstanding anything to the contrary set forth herein, the Secured Notes shall not be redeemed pursuant to an Optional Redemption which is funded, in whole or in part, from Sale Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets, unless at least three Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence that (A) the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions, or one or more special purpose entities meeting all then-current Rating Agency bankruptcy remoteness criteria, to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date all or part of the Collateral Obligations and/or the Hedge Agreements, in immediately available funds, at a purchase price at least equal to an amount sufficient, together with the Eligible Investments maturing, redeemable (or puttable to the issuer thereof at par) on or prior to the scheduled Redemption Date, any payments to be received in respect of the Hedge Agreements, any Refinancing Proceeds, Available Redemption Interest Proceeds and all other available funds in the Accounts, to pay Administrative Expenses (regardless of the Administrative Expense Cap) and all applicable amounts payable or distributable in accordance with the Priority of Payments and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Price or (B) the Collateral Manager (or its Affiliate or agent) has entered into a commitment (with the consent of a Majority of the Subordinated Notes) with a CLO transaction that has priced but not yet closed or a similar transaction (which may be funded with the proceeds of a warehouse facility or proceeds of the offering) to purchase Collateral Obligations at a purchase price at least equal to an amount sufficient, together with the Eligible Investments maturing, redeemable or puttable to the issuer thereof at par on or prior to the scheduled Redemption Date, any payments to be received in respect of the Hedge Agreement and all other available funds in the Accounts, to pay Administrative Expenses (regardless of the Administrative Expense Cap) and all applicable amounts payable or distributable in accordance with the Priority of Payments and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Price.

Section 9.3 Partial Redemption. (a) Upon written direction of (i) a Majority of the Subordinated Notes delivered to the Co-Issuers and the Trustee, and with the consent of the Collateral Manager, or (ii) the Collateral Manager with the consent of a Majority of the Subordinated Notes delivered to the Issuer, the Trustee and the Holders of Subordinated Notes, in each case delivered not later than 14 Business Days prior to the proposed Refinancing Redemption Date (unless a shorter time period is acceptable to the Issuer, the Trustee and the Collateral Manager), the Issuer shall redeem one or more Classes of Secured Notes following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and Available Redemption Interest Proceeds in a Partial Redemption; provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager and such Refinancing otherwise satisfies the conditions set forth in the following paragraph. In the case

of a direction given by the Collateral Manager, the Issuer (or the Trustee on its behalf) shall notify the holders of the Subordinated Notes of receipt of such direction. Any such direction of a Majority of the Subordinated Notes shall be deemed to be ineffective if the Collateral Manager certifies in writing to the Co-Issuers that, in the commercially reasonable judgment of the Collateral Manager, based on then-current market conditions, it will not be able to negotiate acceptable terms of such Refinancing that permit satisfaction of the conditions set forth in Section 9.3(b).

(b) The Issuer shall effect a Refinancing in connection with a Partial Redemption only if:

(i) (A) in the case of a Refinancing of any Class of Floating Rate Notes, (1) the spread over the Benchmark with respect to the Refinancing Obligations providing the Refinancing Proceeds to redeem any such Class of Floating Rate Notes does not exceed the spread over the Benchmark of such Class of Floating Rate Notes being redeemed, (2) if the Refinancing Obligations providing the Refinancing Proceeds to redeem any such Class of Floating Rate Notes bear interest at a fixed rate, the interest rate of such Refinancing Obligations does not exceed the spread over the Benchmark of such Class of Floating Rate Notes being redeemed plus the Benchmark as of the Redemption Date and (3) the weighted average spread over the Benchmark of all the Refinancing Obligations does not exceed the weighted average spread over the Benchmark of such Classes of Floating Rate Notes being redeemed (provided that, if more than one Class of Secured Notes are subject to a Refinancing, the spread over the Benchmark or the fixed interest rate, as applicable, of the Refinancing Obligations may be greater than the spread over the Benchmark or the fixed interest rate, as applicable, for such Class of Secured Notes subject to Refinancing so long as (I) the weighted average spread (based on the aggregate principal amount of each Class of Secured Notes subject to Refinancing) of the spread over the Benchmark and the fixed interest rate of the Refinancing Obligations shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over the Benchmark and the fixed interest rate with respect to all Classes of Secured Notes subject to such Refinancing and (II) the S&P Rating Condition is satisfied with respect to the Secured Notes not subject to such Refinancing), (B) with respect to any Partial Redemption by Refinancing of a Class of Fixed Rate Notes, (1) if the obligations providing the Refinancing Proceeds to redeem any such Class of Fixed Rate Notes bear interest at a fixed rate, the interest rate with respect to such obligations does not exceed the Note Interest Rate of such Class of Fixed Rate Notes being redeemed or (2) if the obligations providing the Refinancing Proceeds to redeem any such Class of Fixed Rate Notes bear interest at a floating rate, the floating rate of the obligations comprising the Refinancing is less than the applicable interest rate with respect to such Class of Fixed Rate Notes on the date of such Refinancing and (C) the aggregate principal amount of the Refinancing Obligations is equal to the principal amount of the Secured Notes being redeemed with the proceeds of such Refinancing Obligations;

(ii) on such Refinancing Redemption Date, the sum of (A) the Refinancing Proceeds, (B) amounts on deposit in the Contribution Account designated for such use, (C) any amounts on deposit in the Supplemental Reserve Account and Expense Reserve

Account and (D) the Available Redemption Interest Proceeds will be at least equal to the amount required to pay the Redemption Price with respect to the Classes of Secured Notes to be redeemed and such amounts will be sufficient to pay all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) incurred in connection with such Refinancing, including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing (other than such Administrative Expenses that the Collateral Manager reasonably believes will be paid by the second Payment Date following such Refinancing Redemption Date with amounts available in accordance with the Priority of Payments prior to the distributions to the Holders of Subordinated Notes);

(iii) any agreements relating to the Refinancing (other than this Indenture) contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d) and Section 2.8(h);

(iv) the Issuer has provided notice to each Rating Agency with respect to such Partial Redemption;

(v) any Refinancing Replacement Notes created pursuant to the Partial Redemption must have the same or longer Maturity as the Notes Outstanding prior to such Refinancing;

(vi) such Refinancing is effected only with Refinancing Proceeds, amounts on deposit in the Contribution Account designated for such use, amounts on deposit in the Supplemental Reserve Account and Expense Reserve Account and Available Redemption Interest Proceeds and not the sale of any Assets;

(vii) the Refinancing Obligations are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the corresponding Class of Secured Notes being refinanced;

(viii) if the Class B Notes are not subject to such Refinancing, compliance with each Overcollateralization Test shall be maintained or improved after giving effect to such Refinancing; and

(ix) the Collateral Manager has consented to such Partial Redemption and certified that the conditions in this clause (b) to such Refinancing have been satisfied (provided that, none of the Collateral Manager, any of its Affiliates or Related Entities nor any Sponsor will be under any obligation to purchase any obligations of the Issuer or the Co-Issuer in connection with any such Partial Redemption).

(c) [Reserved].

(d) The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager or the Trustee for any failure to effect a Refinancing in connection with a Partial Redemption. In the event that a Refinancing is completed, meeting the requirements specified above as certified by the Collateral Manager, the

Co-Issuers and the Trustee (as directed by the Issuer) will amend the Indenture to the extent necessary to reflect the terms of the Refinancing.

(e) If a Refinancing is obtained meeting the requirements specified above in clause (b) as certified by the Collateral Manager, the Issuer and, at the direction of the Collateral Manager, the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders or beneficial owners of the Notes.

Section 9.4 Redemption Procedures. (a) In respect of an Optional Redemption or a Partial Redemption, upon the written direction of the Holders of the Subordinated Notes or the Collateral Manager (as applicable) required in this Article IX (which direction must designate the date of such Optional Redemption or Partial Redemption), a notice of any Optional Redemption or Partial Redemption shall be given by the Issuer (or the Trustee at the direction of the Issuer) not later than three Business Days prior to the applicable Redemption Date to each Holder of Notes to be redeemed and each Rating Agency. Certificated Notes called for redemption must be surrendered at the office designated in the notice of redemption.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(iv) in the case of a Partial Redemption, the Classes of Secured Notes to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(v) the place or places where Certificated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Certificated Notes are to be surrendered for payment of the Redemption Price, which shall be at the Corporate Trust Office or the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

The Applicable Issuers (as directed by the Collateral Manager or a Majority of the Subordinated Notes) shall have the option to withdraw any such notice of redemption relating to a proposed Optional Redemption or Partial Redemption up to and including the Business Day before the scheduled Redemption Date.

(c) If the Co-Issuers are otherwise unable to complete any redemption in accordance with this Article IX, the Co-Issuers shall provide notice to the Trustee and, upon receipt by the Trustee of such notice, the Trustee shall provide notice to the Holders. Upon delivery of the foregoing notices, the redemption shall be cancelled without any further action.

(d) If the Co-Issuers so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Secured Notes, (i) the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria or the Post-Reinvestment Period Criteria (as applicable), and (ii) a notice of such withdrawal shall be promptly delivered to each Rating Agency.

(e) Notice of redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Notes selected for redemption shall not impair or affect the validity of the redemption of any such Notes.

(f) In the event that a scheduled redemption of the Secured Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Collateral Manager and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then, upon notice from the Issuer to each Rating Agency and the Trustee (and upon receipt by the Trustee of such notice, notice from the Trustee to the Holders) that sufficient funds are now available to complete such redemption, such Secured Notes may be redeemed using such funds on any Business Day selected by the Issuer (notice of which shall be provided by the Issuer or the Collateral Manager, on behalf of the Issuer, to the Trustee no less than four Business Days in advance) prior to the first Payment Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date (and interest shall accrue to such new scheduled redemption date). Interest on the Notes will accrue to but excluding such new Redemption Date. If such redemption does not occur prior to the first Payment Date after the original scheduled redemption date, such redemption will be cancelled without further action. A Redemption Settlement Delay or the failure to effect a redemption on a scheduled redemption date will not be an Event of Default.

(g) Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but shall be applied pursuant to Section 11.1(a)(iv) directly on the related Refinancing Redemption Date together with Available Redemption Interest Proceeds, amounts on deposit in the Contribution Account designated for such use and amounts on deposit in the Supplemental Reserve Account and Expense Reserve Account to redeem the Secured Notes being refinanced and to pay any related Administrative Expenses; provided that, to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay expenses in connection with the Refinancing, such Refinancing Proceeds will be treated as

Principal Proceeds or Interest Proceeds, as directed by the Collateral Manager in its sole discretion.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Sections 9.2(d) and (e) in the case of an Optional Redemption and the right of the Co-Issuers and of the Holders of Subordinated Notes to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Certificated Note to be so redeemed, the Holder shall present and surrender such Certificated Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, however, that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Certificated Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(b) Payments on Notes so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(d).

(c) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Secured Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Special Redemption. Principal payments will be made on the Secured Notes in accordance with the Priority of Payments on any Payment Date (A) during the Reinvestment Period, if the Collateral Manager at its discretion notifies the Trustee that it has been unable, for a period of at least 20 consecutive Business Days (or such shorter period consented to by a Majority of the Subordinated Notes), to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Principal Collection Account that are to be invested in additional Collateral Obligations or (B) upon the occurrence of an S&P Rating Confirmation Failure, if the Collateral Manager has notified the Trustee that it has determined that a Special Redemption is required herein in order to satisfy the Effective Date Rating Condition (in either case, a "Special Redemption").

On the first Payment Date following the Collection Period in which such notice is given (and, in the case of clause (B) above, any subsequent Payment Date) (a "Special Redemption Date"), the amount in the Principal Collection Account representing Principal Proceeds which (1) the Collateral Manager has determined

cannot be reinvested in additional Collateral Obligations or (2) must be applied to pay principal of Secured Notes in order to satisfy the Effective Date Rating Condition (such amount, a "Special Redemption Amount"), as the case may be, will be available to be applied in accordance with the Priority of Payments.

Section 9.7 Re-Pricing of Notes. (a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes (delivered to the Issuer and the Trustee not later than 20 Business Days prior to the Re-Pricing Date, or such shorter period as agreed by the Issuer and the Trustee) with the consent of the Collateral Manager, the Applicable Issuers shall reduce the spread over the Benchmark (or, in the case of the Fixed Rate Notes, the interest rate) applicable to one or more Repriceable Classes or amend the interest rate applicable to any Repriceable Classes to a fixed stated interest rate, in each case as specified in such direction (such change in the interest rate with respect to any such Repriceable Class, a "Re-Pricing" and any Repriceable Class to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto; provided further that, with respect to any Re-Pricing of Floating Rate Notes to a fixed stated interest rate, the proposed Re-Pricing Rate may not be greater than the sum of the spread over the Benchmark with respect to such Class of Secured Notes prior to the Re-Pricing plus the Benchmark as of the date of the related Proposed Re-Pricing Notice (as defined below). For the avoidance of doubt, no terms of any Repriceable Class other than the interest rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes (such written approval not to be unreasonably withheld, conditioned or delayed) and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

(b) At least 15 Business Days prior to the Business Day fixed by the Collateral Manager and a Majority of the Subordinated Notes for any proposed Re-Pricing in the notice referenced in the immediately preceding paragraph (the date on which such Re-Pricing occurs, the "Re-Pricing Date"), the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) shall send a notice in writing (through the facilities of DTC, in the case of Holders of Global Notes) to each Holder of the proposed Re-Priced Class (with a copy to the Collateral Manager, the Trustee and the Rating Agencies), which notice (the "Proposed Re-Pricing Notice") shall (i) specify the proposed Re-Pricing Date and the revised Note Interest Rate to be applied with respect to such Class, expressed as a spread (or approximate spread range) over the Benchmark or a stated interest rate (or approximate stated interest rate range), which in either case may also be expressed as a spread or spread range over the applicable forward swaps rate (the "Re-Pricing Rate"), (ii) request that each Holder of the Re-Priced Class that consents to the proposed Re-Pricing (and to its being effected on the proposed Re-Pricing Date) and elects to retain the Notes of the Re-Priced Class held by such Holder to send to DTC (in the case of the Holders of Global Notes and in accordance with DTC's procedures with respect to mandatory tenders) and the Re-Pricing Intermediary an election (in the form attached to such Proposed Re-Pricing Notice) to retain such Notes (an "Election to Retain" and each such Holder so delivering an Election to Retain, a "Consenting Holder"), (iii) specify the applicable Re-Pricing Mandatory Tender Price at which Notes of any Holder of the Re-Priced Class that does not deliver an Election to Retain may be subject, (iv) state that the Notes of non-Consenting Holders

will be subject to a mandatory tender and transfer (in the case of any Global Notes, in accordance with DTC's procedures with respect to mandatory tenders) (a "Mandatory Tender") and (v) state the period for which a Holder of Notes of the Re-Priced Class can provide an Election to Retain indicating its consent to the proposed Re-Pricing, which period shall not be less than five Business Days from the date of publication by DTC of the Proposed Re-Pricing Notice. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing of the Notes of any other Holder or give rise to any claim by any other Holder based upon such failure or defect. The Issuer may cause any non-Consenting Holder of any Certificated Notes of a Re-Priced Class to sell such Certificated Notes directly to another Person on the applicable Re-Pricing Date at the applicable Re-Pricing Mandatory Tender Price.

(c) In the event any Holder of the Re-Priced Class does not deliver to DTC (in the case of the Holders of Global Notes and in accordance with DTC's procedures with respect to mandatory tenders), the Trustee, the Issuer and the Re-Pricing Intermediary an Election to Retain indicating its consent to the proposed Re-Pricing (within the timeframe specified in the Proposed Re-Pricing Notice or such longer timeframe acceptable to the Re-Pricing Intermediary), the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) shall deliver written notice thereof (a "Purchase Request") to the Consenting Holders of the Re-Priced Class (with a copy to the Trustee and the Collateral Manager), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all non-Consenting Holders, and will request that each Consenting Holder provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the non-Consenting Holders or Re-Pricing Replacement Notes issued by the Issuer or Co-Issuers (each such notice, an "Exercise Notice") within five Business Days of the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) sending the Purchase Request.

At least two Business Days prior to the date of publication by DTC of the Proposed Re-Pricing Notice, the Issuer will cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice will be sent by e-mail to DTC at putbonds@dtcc.com). Such notice will include the following information: (i) the security description (including the interest rate, minimum denomination and stated maturity date) and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer will also provide to the Trustee and DTC any additional information as required by any update to the operational arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. The Trustee will not be liable for the content or information contained in the Proposed Re-Pricing Notice or in the notice to DTC regarding the proposed Re-Pricing and for any failure or delay to effect a Re-Pricing due to the operational arrangements (or modifications or supplements thereto) published by DTC. If DTC informs the Issuer and the Trustee that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Collateral Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing

Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date shall be a Business Day that coincides with a Payment Date.

In the event any Holder of the Re-Priced Class does not deliver to DTC (in the case of the Holders of Global Notes and in accordance with DTC's procedures), the Trustee, the Issuer and the Re-Pricing Intermediary an Election to Retain indicating its consent to the proposed Re-Pricing Date (within the timeframe specified in the Proposed Re-Pricing Notice or such longer timeframe acceptable to the Re-Pricing Intermediary), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes (through DTC with respect to any Global Notes or directly to another Person with respect to any Certificated Notes) of the Re-Priced Class at the Re-Pricing Mandatory Tender Price, in each case without further notice to the non-Consenting Holders of such Class. If DTC does not receive a Consenting Holder's Election to Retain with respect to any Global Notes, it may treat such Holder as a non-Consenting Holder, notwithstanding that the Re-Pricing Intermediary, the Trustee or the Issuer may have been informed of such Holder's intention to consent. All Mandatory Tenders of Notes to be effected pursuant to this paragraph shall be made at an amount equal to such Notes' Re-Pricing Mandatory Tender Price, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions of the Indenture. Each Holder of Notes of a Repriceable Class, by its acceptance of an interest in such Notes, agrees that it will tender and transfer its Notes in accordance with this paragraph and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any), the Collateral Manager and the Trustee to effect such Mandatory Tender. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than one Business Day prior to the proposed Re-Pricing Date confirming that the Issuer (or the Re-Pricing Intermediary) expects to have sufficient funds for the Mandatory Tender and transfer of all Notes of the Re-Priced Class held by non-Consenting Holders. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer of less than all Notes of a Re-Priced Class, a Re-Pricing may be effected, at the option of the Issuer (or the Collateral Manager on the Issuer's behalf), by a Mandatory Tender and transfer of all Notes of such Re-Priced Class.

All Mandatory Tenders of Notes to be effected: (i) will be made at the Re-Pricing Mandatory Tender Price with respect to such Notes and (ii) will be effected only if the related Re-Pricing is effected in accordance with the provisions of the Indenture and, in the case of any Global Notes, in accordance with DTC's procedures with respect to mandatory tenders. Unless the Issuer (or the Collateral Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been delivered and (ii) the Notes held by non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer in connection with such Mandatory Tender.

- (d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date solely to (x) modify the Note Interest Rate applicable to the Re-Priced Class in accordance with the foregoing provisions and/or (y) extend the Non-Call Period for the Re-Priced Class;

(ii) confirmation has been received that all Notes of the Re-Priced Class held by non-Consenting Holders have been subject to Mandatory Tender and transferred pursuant to clause (c) above;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) the Collateral Manager has consented to such Re-Pricing (provided that, none of the Collateral Manager, any of its Affiliates or Related Entities or any Sponsor will be under any obligation to purchase any obligations of the Issuer or the Co-Issuer in connection with such Re-Pricing); and

(v) expenses related to the Re-Pricing will be paid from available funds, including Available Redemption Interest Proceeds, amounts on deposit in the Contribution Account designated for such use, amounts on deposit in the Supplemental Reserve Account and Expense Reserve Account, on the Re-Pricing Date or, if the Re-Pricing Date is not on a Payment Date, the next Payment Date, unless such expenses shall have been paid or shall be adequately provided for by any entity other than the Issuer. The fees of the Re-Pricing Intermediary payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing.

Any notice of a Re-Pricing may be withdrawn, or the scheduled Re-Pricing Date postponed (without requiring a new Proposed Re-Pricing Notice, if the revised Re-Pricing Date is provided in the notice of postponement) by the Collateral Manager or a Majority of the Subordinated Notes on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer and the Trustee for any reason. Upon receipt of such notice of withdrawal or postponement, the Trustee shall send such notice to the Holders of the Re-Priced Class and each Rating Agency. It will not be an Event of Default if the Issuer is unable to effect a Re-Pricing or postpones a Re-Pricing.

The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee and, shall be entitled to receive, and shall be fully protected in relying upon an Officer's certificate of the Issuer stating that all conditions precedent to such Re-Pricing have been complied with. The Trustee shall have no liability for any failure or delay on the part of the Issuer, DTC or any Holder (or beneficial owner) of Notes in taking actions necessary in connection therewith.

In connection with a Re-Pricing, the Non-Call Period for the Re-Priced Class may be extended at the direction of the Collateral Manager prior to such Re-Pricing pursuant to a supplemental indenture entered into in accordance with Article VIII.

The Collateral Manager or a Majority of the Subordinated Notes may waive any notice period requirement set forth in this Section 9.7 with respect to any notice required to be given to it.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms and conditions of such Pledged Obligations. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture.

Section 10.2 Collection Accounts. (a) The Trustee shall, on or prior to the Closing Date, establish at the Intermediary two segregated securities accounts, one of which shall be designated the "Interest Collection Account" and the other of which shall be designated the "Principal Collection Account." The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof (i) any funds in the Reserve Account deemed by the Collateral Manager in its sole discretion to be Interest Proceeds pursuant to Section 10.3(e) and (ii) all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII) received by the Trustee. The Trustee shall deposit immediately upon receipt thereof all other amounts remitted to the Collection Account into the Principal Collection Account, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds in the Reserve Account deemed by the Collateral Manager in its sole discretion to be Principal Proceeds pursuant to Section 10.3(e), (ii) all Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments) received by the Trustee, and (iii) all other funds received by the Trustee not otherwise expressly provided for deposit in another Account; *provided* that all Principal Proceeds from the disposition or prepayment of Subordinated Notes Collateral Obligations (other than Margin Stock that is not Transferable Margin Stock) credited to the Subordinated Notes Custodial Account (which are not simultaneously reinvested) shall be deposited in a sub-account of the Principal Collection Account designated as the "Subordinated Notes Principal Collection Account" and all other Principal Proceeds (including Principal Proceeds from the sale of Margin Stock that is not Transferable Margin Stock) shall be deposited in a sub-account of the Principal Collection Account designated as the "Secured Notes Principal Collection Account". Amounts transferred from the Supplemental Reserve Account to the Collection Account may, at the direction of the Collateral Manager, be transferred to the Subordinated Notes Principal Collection Account or Secured Notes Principal Collection Account in the Collateral Manager's discretion. The Issuer may, but under no circumstances shall be required to, deposit from time to time such Monies in the Collection Account as it deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as

part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify or cause the Issuer to be notified and the Issuer shall use its commercially reasonable efforts to, within five Business Days of receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction to a Person which is not the Collateral Manager or an Affiliate of the Issuer or the Collateral Manager and deposit the proceeds thereof in the Collection Account; provided, however, that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it shall sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Trustee shall withdraw Principal Proceeds on deposit in the Principal Collection Account as directed by the Collateral Manager in its sole discretion (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII; provided that amounts deposited in the Principal Collection Account may not be used to purchase Margin Stock or for any other purpose that would constitute the Issuer's extending "purpose credit" (as defined in Regulation U). At any time, the Collateral Manager on behalf of the Issuer in its sole discretion may direct the Trustee to, and the Trustee shall, withdraw Principal Proceeds on deposit in the Principal Collection Account and use such funds to meet funding the Issuer's requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) any amount required to exercise a warrant held in the Assets or right to acquire securities in accordance with the requirements of Article XII and such Issuer Order and (ii) from Interest Proceeds only, Administrative Expenses pursuant to Section 11.2 and amounts designated as Available Redemption Interest Proceeds in connection with a Refinancing or a Re-Pricing.

(e) The Collateral Manager on behalf of the Issuer may by Issuer Order (which direction shall be deemed to have been provided upon delivery of a Distribution Report) direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer to the Payment Account as applicable, from the Collection Account, for application pursuant to the Priority of Payments, on or not later than the Business Day preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.

(f) The Trustee shall transfer from amounts on deposit in the Interest Collection Account on any Business Day during any Interest Accrual Period to the Principal Collection Account, amounts necessary for application pursuant to Section 7.17(d).

(g) For all U.S. federal tax reporting purposes, all income earned on the funds invested and allocable to the Accounts (to the extent not legally or beneficially owned by an Issuer Subsidiary) is legally and beneficially owned by the Issuer. The Issuer is required to provide to the Bank, in its capacity as Trustee (i) an IRS Form W-8BEN-E no later than the date hereof, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation at such time or times required by Applicable Law or upon the reasonable request of the Trustee as may be necessary (a) to reduce or eliminate the imposition of U.S. withholding taxes and (b) to permit the Trustee to fulfill its tax reporting obligations under Applicable Law with respect to the Accounts or any amounts paid to the Issuer. The Issuer is further required to report to the Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Trustee, shall have no liability to the Issuer or any other person in connection with any tax withholding amounts paid, or retained for payment, to a Governmental Authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E (or applicable successor form) or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds shall be invested with respect to such Accounts absent the Trustee having first received (x) instructions with respect to the investment of such funds, and (y) the forms and other documentation required by this paragraph.

(h) Subject to the Interest Transfer Restriction, no later than the first Determination Date, amounts in the Principal Collection Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of transfer) will, at the direction of the Collateral Manager, be transferred by the Trustee into the Interest Collection Account as Interest Proceeds as designated by the Collateral Manager in its sole discretion.

(i) The Collateral Manager on behalf of the Issuer may direct the Trustee to apply Interest Proceeds and/or Principal Proceeds (i) to the purchase of securities resulting from the exercise of an option, warrant, right of conversion or similar right in accordance with the documents governing any Asset without regard to the Investment Criteria, (ii) to make any payments required in the connection with a workout or restructuring of a Collateral Obligation or (iii) to acquire Workout Obligations, Restructured Obligations or Specified Equity Securities, in each case, with respect to the foregoing clauses (i), (ii) and (iii), in accordance with Sections 12.2(b) and, with respect to Workout Obligations, 12.2(c).

Section 10.3 Certain Transaction Accounts.

(a) Payment Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a segregated securities account which shall be designated as the "Payment Account." Except as provided in the Priority of Payments, the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable or distributable on the Notes in accordance

with their terms and the provisions of this Indenture and to pay Administrative Expenses and other amounts specified herein, each in accordance with the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. Funds in the Payment Account shall not be invested.

(b) Custodial Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a segregated securities account designated as the "Secured Notes Custodial Account" and a separate segregated securities account designated as the "Subordinated Notes Custodial Account" (together with the Secured Notes Custodial Account, the "Custodial Account"). All Subordinated Notes Collateral Obligations (as identified to the Trustee by the Collateral Manager) shall be credited to the Subordinated Notes Custodial Account. At the discretion of the Collateral Manager, funds in the Subordinated Notes Custodial Account may on any Business Day be applied for the reinvestment in additional Collateral Obligations or Subordinated Notes Collateral Obligations in accordance with the terms of this Indenture. All Collateral Obligations, equity interests in Issuer Subsidiaries and Equity Securities that are not Subordinated Notes Collateral Obligations received by the Trustee will be credited to the Secured Notes Custodial Account. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Co-Issuers will not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with the terms hereof. Amounts in the Custodial Account shall not be invested.

If a Collateral Obligation that has not been designated as a Subordinated Notes Collateral Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a Subordinated Notes Collateral Obligation (each, "Transferable Margin Stock"), then the Collateral Manager, on behalf of the Issuer, shall direct the Trustee to (x) transfer one or more non-Margin Stock Subordinated Notes Collateral Obligations having a value equal to or greater than such Transferable Margin Stock to the Secured Notes Custodial Account, and simultaneously (y) transfer such Transferable Margin Stock to the Subordinated Notes Custodial Account and such Transferable Margin Stock shall thereafter be designated a Subordinated Notes Collateral Obligation. The value of each transferred asset for purposes of this transfer shall be its Market Value. At any time that the Issuer holds Margin Stock with an aggregate Market Value in excess of 10% of the Collateral Principal Amount or the Issuer is unable to satisfy the requirement above to designate Transferable Margin Stock as a Subordinated Notes Collateral Obligation, the Collateral Manager will use commercially reasonable efforts to sell Margin Stock with an aggregate Market Value at least equal to such excess or such Transferable Margin Stock, as applicable.

(c) Ramp-Up Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a single, segregated securities account which shall be designated as the "Ramp-Up Account." The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate to the Ramp-Up Account as Principal Proceeds. In connection with any purchase of an additional Collateral Obligation, the Trustee shall apply amounts held in the Ramp-Up Account as provided by Section 7.17(b). Upon the occurrence of an Event of Default, the Trustee shall deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of that occurrence) into the Collection Account as Principal Proceeds. Subject to the Interest Transfer

Restriction, no later than the first Determination Date, any amounts remaining in the Ramp-Up Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of transfer) will, at the direction of the Collateral Manager, be transferred by the Trustee into the Collection Account as Interest Proceeds or Principal Proceeds as designated by the Collateral Manager in its sole discretion. Any income earned on amounts deposited in the Ramp-Up Account shall be deposited in the Interest Collection Account as Interest Proceeds.

(d) Expense Reserve Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a segregated securities account which shall be designated as the "Expense Reserve Account." The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate to the Expense Reserve Account as Interest Proceeds on the Closing Date. The Trustee shall apply funds from the Expense Reserve Account, in the amounts and as directed by the Collateral Manager, to pay (i) amounts due in respect of actions taken no later than the Closing Date, (ii) subject to the Administrative Expense Cap, Administrative Expenses in the order of priority contained in the definition thereof and (iii) Administrative Expenses in connection with a Refinancing. Any income earned on amounts on deposit in the Expense Reserve Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid. By the Interest Coverage Tests Effective Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) shall be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion).

(e) Reserve Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a segregated securities account which shall be designated as the "Reserve Account." The Issuer hereby directs the Trustee to deposit the amount specified in the Closing Date Certificate to the Reserve Account on the Closing Date. On any date prior to the Determination Date relating to the first Payment Date, the Issuer, at the direction of the Collateral Manager, may direct that all or any portion of the funds in the Reserve Account be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion), as long as, after giving effect to such deposits, the Collateral Manager determines that the Issuer shall have sufficient funds in the Collection Account to pay any amounts on the Secured Notes (and all amounts senior in right of payment thereto) pursuant to the Priority of Interest Proceeds on the first Payment Date. Any income earned on amounts deposited in the Reserve Account shall be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(f) Supplemental Reserve Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a single, segregated securities account which shall be designated as the "Supplemental Reserve Account" (the "Supplemental Reserve Account."). On each Payment Date during or after the Reinvestment Period, at the direction of the Collateral Manager with the written consent of a Majority of the Subordinated Notes, the amount available for such purpose under the Priority of Interest Proceeds (if any) shall be deposited by the Trustee into the Supplemental Reserve Account (such amount, the "Supplemental Reserve Amount."). In addition, all Restructured Obligation Proceeds and all Specified Equity Security Proceeds shall be deposited in the Supplemental Reserve Account at the direction of the Collateral Manager. Amounts on deposit in the Supplemental Reserve Account may be applied by the Issuer to a Permitted Use at the direction of the Collateral Manager in its sole discretion. Any income

earned on amounts deposited in the Supplemental Reserve Account shall be deposited in the Interest Collection Account as Interest Proceeds.

(g) Contribution Account. The Trustee shall, on or prior to the Closing Date, establish at the Intermediary a single, segregated securities account which shall be designated as the "Contribution Account" (the "Contribution Account"). At any time, and from time to time, during or after the Reinvestment Period, with the consent of a Majority of the Subordinated Notes, (i) any Holder of Subordinated Notes in the form of Certificated Notes may make a voluntary contribution of Cash (each, a "Cash Contribution") to the Issuer, and (ii) with notice to the Trustee delivered at least five Business Days prior to the related Payment Date, any Holder of Subordinated Notes in the form of Certificated Notes may designate as a contribution to the Issuer any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed to such Holder of Subordinated Notes in accordance with the Priority of Payments (each, a "Reinvestment Contribution" and, together with Cash Contributions and Cure Contributions, "Contributions" and each, a "Contribution") provided that (1) once any Contribution has been designated as Principal Proceeds, it cannot thereafter be designated as Interest Proceeds and (2) once any Contribution has been designated as Interest Proceeds, it cannot thereafter be designated as Principal Proceeds. The Collateral Manager, on behalf of the Issuer, may accept or reject any Reinvestment Contribution or Cash Contribution in its sole discretion. No Contribution or portion thereof will be returned to the Contributor at any time other than (to the extent, if any, that a Contributor receives distributions in its capacity as Holder of Subordinated Notes) by operation of the Priority of Payments. Each accepted Contribution (other than a Cure Contribution) shall be deposited into the Contribution Account and the Collateral Manager (on behalf of the Issuer) shall instruct the Trustee to provide notice (substantially in the form attached hereto as Exhibit D) of any Cash Contribution or Reinvestment Contribution to the Holders of the Subordinated Notes. Each accepted Cash Contribution or Reinvestment Contribution shall be applied by the Collateral Manager on behalf of the Issuer to a Permitted Use as directed by the Contributor in the Contribution Notice at the time such Contribution is made (or, if no such direction is given, at the reasonable discretion of the Collateral Manager). For the avoidance of doubt, any amounts deposited into the Contribution Account pursuant to a Reinvestment Contribution by a Holder of Subordinated Notes will be deemed for all purposes as having been paid to such Holder of Subordinated Notes pursuant to the Priority of Payments. The proceeds of any Reinvestment Contribution may be separately tracked to allow for distribution of proceeds as set forth in the Priority of Payments; provided that such proceeds will constitute Assets for all purposes. Any income earned on amounts deposited in the Contribution Account shall be deposited in the Interest Collection Account for application as Interest Proceeds.

Additionally, at any time during the Reinvestment Period, subject to consent from a Majority of the Subordinated Notes, any Holder of a Certificated Note or beneficial owner of an interest in a Global Note may make a cash contribution to the Issuer that will be used (with the consent of such Contributor) as Principal Proceeds or Interest Proceeds (i) to cause a failing Coverage Test to be satisfied or (ii) with respect to any Coverage Test that is reasonably expected to fail to be satisfied on the next Payment Date, to cause such Coverage Test to continue to be satisfied (a "Cure Contribution"). In connection with each proposed Cure Contribution, the related Contributor shall deliver a Contribution Notice to the Issuer, the Paying Agent, the Trustee and the Collateral Manager. Each accepted Cure Contribution will be

deposited into the Contribution Account and applied by the Collateral Manager on behalf of the Issuer as directed by the Collateral Manager (on behalf of the Issuer) with the consent of the applicable Contributor. To the extent that a Contributor makes a Cure Contribution, such Contributions will be repaid to the Contributor on the Payment Date specified in the Contributor's Contribution Notice (and each successive Payment Date until paid in full) in accordance with the Priority of Payments together with a specified rate of return as specified in the Contributor's Contribution Notice, as such rate of return may be agreed to between such Contributor, a Majority of the Subordinated Notes (unless such Contributor is the Holder of a Majority of the Subordinated Notes) and the Collateral Manager, in each case as identified in the related Contribution Notice. Contribution Repayment Amounts will only be paid pursuant to the Priority of Payments. As a condition to the repayment of a Contribution, each Contributor shall be required to provide to the Trustee any information reasonably requested by it for purposes of effecting such payment, including wire instructions and contact information. Within two Business Days of receipt of a Contribution Notice, the Trustee shall notify the holders of the Subordinated Notes of such Contribution by forwarding such Contribution Notice to such holders.

(h) [Reserved].

(i) Tax Reserve Account. The Issuer may establish a Tax Reserve Account to deposit payments on a Non-Permitted Tax Holder's Notes. Each Tax Reserve Account shall be an Eligible Account established in the name of the Issuer. The Issuer may direct the Trustee (or other Paying Agent) to deposit payments on a Non-Permitted Tax Holder's Notes into the Tax Reserve Account established in respect of such Non-Permitted Tax Holder. Amounts deposited into the Tax Reserve Account shall, upon Issuer Order, be either (i) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (ii) released to pay costs related to such noncompliance (including Taxes, fines and penalties imposed under the Tax Account Reporting Rules); *provided* that any amounts remaining in a Tax Reserve Account shall, upon Issuer Order, be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. Amounts deposited in a Tax Reserve Account shall remain uninvested and shall not be released except as provided in this Section 10.3(i). For the avoidance of doubt, any amounts released to a Holder as described in clause (i) above shall be released to such Holder as of the Record Date for the Payment Date in which the related amounts were deposited into the Tax Reserve Account. In connection with the establishment of a Tax Reserve Account in respect of a Non-Permitted Tax Holder, the Issuer shall assign, or cause to be assigned, to such Note a separate CUSIP or CUSIPs. Each Non-Permitted Tax Holder shall reasonably cooperate with the Issuer to effect the foregoing and, by acceptance of an interest in Notes, agrees to the requirements of this Section 10.3(i).

Section 10.4 The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in the amounts described below shall be withdrawn from the Ramp-Up Account or from the Collection Account (as directed by the Collateral Manager) and deposited by the Trustee in a single, segregated securities account (the "Revolver Funding Account"). Upon initial purchase, funds

deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation shall be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account shall be invested in overnight funds that are Eligible Investments selected by the Collateral Manager and earnings from all such investments shall be deposited in the Interest Collection Account as Interest Proceeds.

With respect to any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, upon the notification from the Collateral Manager of the purchase of any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, the Trustee shall deposit funds in the Revolver Funding Account as directed by the Collateral Manager such that the sum of the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the sum of the unfunded funding obligations under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. In addition, the Trustee shall deposit funds in the Revolver Funding Account upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager on behalf of the Issuer.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations at the direction of the Collateral Manager. Upon (a) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (b) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation (the occurrence of which the Collateral Manager shall notify the Trustee) any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded amounts of all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations included in the Assets shall be transferred by the Trustee (at the direction of the Collateral Manager) as Principal Proceeds to the Principal Collection Account.

On the date any Workout Obligation is acquired, to the extent such Workout Obligation has any unfunded component, the Issuer shall, or the Collateral Manager on behalf of the Issuer may by Issuer Order, direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw amounts on deposit in the Principal Collection Account representing Principal Proceeds to the extent of any unfunded or undrawn funds with respect to such Workout Obligation, and reserve such funds to be deposited in the Revolver Funding Account to meet funding requirements on future advances of such Workout Obligation.

Section 10.5 Hedge Counterparty Collateral Account. If and to the extent that any Hedge Agreement requires the Hedge Counterparty to post collateral with respect to such Hedge Agreement, the Issuer shall (at the direction of the Collateral Manager), on or prior to the date such Hedge Agreement is entered into, direct the Trustee to establish a segregated securities account which shall be designated as a Hedge Counterparty Collateral Account (each, a "Hedge Counterparty Collateral Account"). The Trustee (as directed by the Collateral Manager on behalf of the Issuer) shall deposit into each Hedge Counterparty Collateral Account all collateral required to be posted by a Hedge Counterparty and all other funds and property required by the

terms of any Hedge Agreement to be deposited into the Hedge Counterparty Collateral Account, in accordance with the terms of the related Hedge Agreement. The only permitted withdrawals from or application of funds or property on deposit in the Hedge Counterparty Collateral Account shall be in accordance with the written instructions of the Collateral Manager.

Section 10.6 Reinvestment of Funds in Accounts; Reports by Trustee. (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in the Collection Account, the Ramp-Up Account, the Revolver Funding Account, the Expense Reserve Account, the Reserve Account, the Supplemental Reserve Account, the Contribution Account and the Hedge Counterparty Collateral Account as so directed in Eligible Investments having Stated Maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Collateral Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in an investment vehicle (which shall be an Eligible Investment) designated as such by the Collateral Manager to the Trustee in writing no later than the Closing Date (or, if no such designation is made by the Collateral Manager, in cash), (such investment, until and as it may be changed from time to time as hereinafter provided, the "Standby Directed Investment"), until investment instruction as provided in the preceding sentence is received by the Trustee; or, if the Trustee from time to time receives a standing written instruction from the Collateral Manager expressly stating that it is changing the "Standby Directed Investment" under this Section 10.6(a), the Standby Directed Investment may thereby be changed to an Eligible Investment of the type described in clause (ii) of the definition of "Eligible Investments" maturing no later than the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein) as designated in such instruction. If at a time when an Event of Default has occurred and is continuing, the Issuer shall not have given such investment directions to the Trustee for three consecutive days, the Trustee shall invest and reinvest such Monies as fully as practicable in Eligible Investments of the type described in clause (ii) of the definition of Eligible Investments maturing not later than the earlier of (i) 30 days after the date of such investment (unless putable at par to the issuer thereof) or (ii) the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein). Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Account, any gain realized from such investments shall be credited to the Principal Collection Account upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Account. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment; provided that the foregoing shall not relieve the Bank of its obligations under any security or obligation issued by the Bank or any Affiliate thereof.

(b) The Trustee agrees to give the Issuer prompt notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. All Accounts

shall remain at all times Eligible Accounts. Each Account (including any subaccount) shall be a securities account established with U.S. Bank National Association in the name of "Silver Rock CLO I, Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee" and shall be maintained by the Issuer with the Intermediary in accordance with the Account Agreement.

(c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, the Collateral Manager, and each Rating Agency any information regularly maintained by the Trustee that the Co-Issuers, the Rating Agencies or the Collateral Manager may from time to time request in writing with respect to the Pledged Obligations, the Accounts and the other Assets and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.7 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement. The Trustee shall promptly forward to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such security of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports, and other communications received from such issuer and Clearing Agencies with respect to such issuer.

Section 10.7 Accountings.

(a) Monthly. Not later than the 28th day of each calendar month (or if such day is not a Business Day, the next succeeding Business Day), in which the Secured Notes are Outstanding, excluding each month in which a Payment Date occurs, commencing in January 2021 (or, on and after the First Refinancing Date, commencing in December 2023), the Issuer shall compile and make available (or cause to be compiled and made available) (including, at the election of the Issuer, via appropriate electronic means acceptable to each recipient) to each Rating Agency, the Trustee, the Collateral Manager, Bloomberg LP, the CLO Information Service, Citigroup and the Refinancing Placement Agent and to any Holder and, upon request, any Certifying Person, a monthly report (each a "Monthly Report") determined as of the day that is eight Business Days prior to the day on which such Monthly Report is required to be made available *provided*, that to the extent an Interim Payment Date has occurred during the applicable reporting period for a Monthly Report, such Monthly Report shall be prepared as if the distributions made on such Interim Payment Date did not occur. In addition, on each Interim Payment Date, the Issuer (or the Collateral Administrator on its behalf) will make available to the Rating Agencies, the Trustee, the Collateral Manager, the Placement Agent and, upon written request therefor as provided in this Indenture, to any holder or beneficial owner of Notes, a distribution report which identifies the distributions being made on such Interim Payment Date. The Monthly Report shall contain the following information with respect to the Notes, the Collateral Obligations and Eligible Investments included in the Assets (based, in part, on information provided by the Collateral Manager):

(i) Aggregate Principal Balance of Collateral Obligations and Eligible Investments representing Principal Proceeds (including the identity and type of each Eligible Investment, as applicable).

- (ii) Adjusted Collateral Principal Amount of Collateral Obligations.
- (iii) Collateral Principal Amount of Collateral Obligations.
- (iv) A list of Collateral Obligations, including, with respect to each such Collateral Obligation, the following detailed information:
 - (A) The obligor thereon (including the issuer ticker, if any);
 - (B) If available, the CUSIP, Bloomberg Loan ID, LoanX ID and security identifier thereof;

deferred at the election of the Collateral Manager in respect of such Payment Date pursuant to the terms of the Collateral Management Agreement);

(E) to pay each Contributor of the applicable Contribution Repayment Amount in respect of any Contributions made by such Contributor and not previously paid, on a *pro rata* basis in accordance with the ratio of the amount of such Contributions made by such Contributor and not previously paid pursuant to this clause (E) to the aggregate amount of Contributions made by all Contributors and not previously paid pursuant to this clause (E);

(F) to the Holders of the Subordinated Notes until the Incentive Management Fee Threshold has been satisfied;

(G) to the payment to the Collateral Manager of 20% of any remaining Interest Proceeds and Principal Proceeds (after giving effect to the payments under clauses (A) through (F) above) as the Incentive Management Fee (less any portion thereof waived or deferred at the election of the Collateral Manager in respect of such Payment Date) in respect of such Payment Date; and

(H) any remaining Interest Proceeds and Principal Proceeds to the Holders of the Subordinated Notes.

(iv) On any Refinancing Redemption Date, Refinancing Proceeds or Available Redemption Interest Proceeds, as applicable, will be distributed (after the application of Interest Proceeds under the Priority of Interest Proceeds if such Refinancing Redemption Date is also a Payment Date) in the following order of priority:

(A) to pay the Redemption Price, in accordance with the Note Payment Sequence, of each Class of Secured Notes being redeemed, without duplication of any payments received by any such Class pursuant to other clauses of the Priority of Payments,

(B) to pay Administrative Expenses (without regard to the Administrative Expense Cap) related to the Refinancing, and/or

(C) any remaining amounts to the Collection Account as Principal Proceeds or Interest Proceeds, as directed by the Collateral Manager in its sole discretion.

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under the Priority of Payments to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with the Priority of Payments, the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which will be deemed to have been given in the Distribution Report in

respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date.

(d) In the event that the Hedge Counterparty defaults in the payment of its obligations to the Issuer under any Hedge Agreement on the date on which any payment is due thereunder, the Trustee shall make a demand on such Hedge Counterparty, or any guarantor, if applicable, demanding payment by 12:30 p.m., New York time, on such date. The Trustee shall give notice as soon as reasonably practicable to the Holders, the Collateral Manager and each Rating Agency if such Hedge Counterparty continues to fail to perform its obligations for two Business Days following a demand made by the Trustee on such Hedge Counterparty, and shall take such action with respect to such continuing failure as may be directed to be taken pursuant to Section 5.13.

(e) The Collateral Manager may, in its sole discretion (but shall not be obligated to), elect to defer or irrevocably waive payment of any accrued and unpaid Base Management Fee, Subordinated Management Fee or Incentive Management Fee payable to the Collateral Manager on any Payment Date to a future Payment Date; provided that no deferred Base Management Fee that the Collateral Manager has elected to subsequently receive may be paid on a Payment Date on which the payment of such deferred amount would cause the deferral or non-payment of interest on any Class of Secured Notes. Any such election shall be made by the Collateral Manager delivering written notice thereof to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (or such later time and date as may be consented to by the Trustee and the Collateral Administrator). Any election to defer or irrevocably waive the Management Fee may also take the form of written standing instructions to the Issuer, the Collateral Administrator and the Trustee; provided that such standing instructions may be rescinded by written notice delivered to the Issuer, the Collateral Administrator and the Trustee by the Collateral Manager at any time except during the period between a Determination Date and Payment Date (except as may be consented to by the Trustee and the Collateral Administrator). In the event that the Collateral Manager rescinds any election to defer any such Management Fees by delivering written notice thereof to the Issuer, the Collateral Administrator and the Trustee not later than the Determination Date immediately preceding the related Payment Date (or such later time and date as may be consented to by the Trustee and the Collateral Administrator), such deferred Management Fees shall be payable on such Payment Date (and, if necessary, subsequent Payment Dates) in accordance with the Priority of Payments. If on any Payment Date there are insufficient funds in accordance with the Priority of Payments to pay the Base Management Fee or Subordinated Management Fee in full, then a portion of the Base Management Fee or Subordinated Management Fee equal to the shortfall will be deferred and will be payable on such later Payment Date on which funds are available therefor in accordance with the Priority of Payments. Any accrued and unpaid Subordinated Management Fee that is deferred by operation of the Priority of Payments or at the election of the Collateral Manager and any Incentive Management Fee that is deferred at the election of the Collateral Manager shall bear interest at the Note Interest Rate for the Class E Notes, payable in accordance with the Priority of Payments.

(f) Notwithstanding the foregoing, in connection with the payment of the Management Fees under the Priority of Interest Proceeds, the Priority of Principal Proceeds and

the Post-Acceleration Priority of Proceeds, if the Collateral Manager resigns or is replaced as collateral manager during the Reinvestment Period, (i) the Base Management Fee and the Subordinated Management Fee shall be prorated for any partial period elapsing from the last Payment Date on which such resigning or removed Collateral Manager received such Management Fees to the effective date of such resignation or removal, (ii) any unpaid deferred Base Management Fees or deferred Subordinated Management Fees shall be determined as of the effective date of such resignation or removal and, in each case, shall be due and payable on each Payment Date following the effective date of such resignation or removal in accordance with the Priority of Payments until paid in full and (iii) the Incentive Management Fee that is due and payable will be payable to the former Collateral Manager and the successor Collateral Manager based upon the former Collateral Manager's reasonable determination of each collateral manager's proportional participation and engagement in providing services to the Issuer in connection with the management of the Issuer's portfolio and carrying out the duties and obligations set forth in the Collateral Management Agreement. The Incentive Management Fee, as well as the Subordinated Management Fee and Base Management Fee, shall be paid in accordance with Section 8 of the Collateral Management Agreement.

(g) Notwithstanding any other provision in this Indenture, and subject to the requirements of this Section 11.1(g), the Issuer (or the Collateral Manager on its behalf) may direct the Trustee to, on the 20th day of any calendar month after the Reinvestment Period in which a Payment Date does not occur (or, if such day is not a Business Day, then the next succeeding Business Day) (such date, the "Interim Payment Date"), (x) apply Principal Proceeds on deposit in the Collection Account (other than any Eligible Post-Reinvestment Proceeds that the Collateral Manager expects, in its commercially reasonable judgement, to invest in additional Collateral Obligations in accordance with the applicable Investment Criteria) that are received on or before the related Interim Determination Date and that are transferred to the Payment Account (which will not include amounts required to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are deposited in the Revolver Funding Account) in accordance with the Note Payment Sequence (for which purpose the clauses relating to payment of accrued and unpaid interest in the definition of Note Payment Sequence shall be disregarded) and (y) if any Class of Secured Notes will have an Aggregate Outstanding Amount equal to zero following any payments made pursuant to the foregoing clause (x), apply Interest Proceeds on deposit in the Collection Account that are received on or before the related Interim Determination Date and that are transferred to the Payment Account, to pay all accrued and unpaid interest (including any Deferred Interest) on such Class of Secured Notes; *provided*, that no Interim Payment Date may occur (i) if the Class B Notes are Outstanding, (ii) if the principal of the Secured Notes has been declared to be or has otherwise become immediately due and payable pursuant to Section 5.2 and such declaration has not been rescinded or annulled, (iii) if there would be insufficient Interest Proceeds to pay any amounts due under clause (y) above, (iv) unless the Issuer (or the Collateral Manager on its behalf) has provided at least nine Business Days' notice of such Interim Payment Date to the Rating Agencies and the Trustee (which notice the Trustee shall forward to the Holders of the Notes); *provided further*, that any such notice may be withdrawn by the Issuer (or the Collateral Manager on its behalf) by providing notice to the Trustee at least one Business Day before such Interim Payment Date (which notice the Trustee shall forward to the Holders of the Notes), (v) unless the Trustee has received sufficient information in order to make the payments required on such Interim Payment Date and (vi) unless, in the reasonable determination of the Issuer (or the

Collateral Manager on its behalf), sufficient funds will be available on the next Payment Date to pay all amounts that will be due and payable on such Payment Date pursuant to clause (A) through (E) of Section 11.1(a)(i) (or, if the Class C Notes, the Class D Notes or the Class E Notes are the Controlling Class on such Payment Date, pursuant to clauses (A) through (H), (K) or (N), as applicable). For the avoidance of doubt, (i) following any such Interim Payment Date, interest will accrue on each Class of Secured Notes for the remainder of the applicable Interest Accrual Period based on the Aggregate Outstanding Amount of such Class as reduced as a result of any payments of principal made on such Interim Payment Date, (ii) no Distribution Report shall be required in respect of an Interim Payment Date and (iii) no modification of the contents of a Monthly Report shall be required to reflect an Interim Payment Date to the extent that such Interim Payment Date occurs between the Monthly Report Determination Date and the due date of such Monthly Report.

Section 11.2 Expense Disbursements on Dates Other than Payment Dates.

Provided that no Event of Default has occurred and is continuing, the Collateral Manager, on behalf of the Issuer, may direct (which may be in the form of an email to the Trustee from an Authorized Officer of the Collateral Manager) the Trustee to disburse Interest Proceeds in the Collection Account or the Expense Reserve Account, from time to time on dates other than Payment Dates for payment of the Administrative Expenses described in clause (A) of the Priority of Interest Proceeds and payable in the same order of priority (subject to the Administrative Expense Cap); provided that the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense on any day other than a Payment Date if it determines the payment of such amounts may leave insufficient funds available to pay in full each of the items payable prior thereto in the Priority of Interest Proceeds on the next succeeding Payment Date.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3; provided that no Event of Default has occurred and is continuing (except for sales pursuant to Section 12.1(a), (c), (d), (g), (h), (k) or (l), unless liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Supermajority of the Controlling Class), the Collateral Manager on behalf of the Issuer may direct the Trustee in writing to sell and the Trustee (on behalf of the Issuer) shall sell in the manner directed by the Collateral Manager any Collateral Obligation, Equity Security, Restructured Obligation, Workout Obligation or Specified Equity Security if, as certified by the Collateral Manager, to the best of its knowledge (which certification shall be deemed to have been given upon delivery of a direction to sell or a trade-ticket to the Trustee and the Collateral Administrator by the Collateral Manager), such sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Reinvestment Period without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(c) Defaulted Obligations. The Collateral Manager may direct the Trustee to sell any Defaulted Obligation at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities. The Collateral Manager may direct the Trustee to sell any Equity Security, Specified Equity Security or any Issuer Subsidiary Asset at any time during or after the Reinvestment Period without restriction.

(e) Stated Maturity; Optional Redemption or Redemption following a Tax Event. After the Issuer has notified the Trustee of an Optional Redemption of the Secured Notes in whole (unless such Optional Redemption is funded solely with Refinancing Proceeds and other funds available for such purpose other than Sale Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets that were sold in contemplation of a redemption by liquidation), a redemption of the Secured Notes in connection with a Tax Event, a redemption of the Subordinated Notes in accordance with Section 9.2 or otherwise in connection with the Stated Maturity of the Notes, the Collateral Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.2(e)) are satisfied. If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 45 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* or senior to such sold Collateral Obligation).

(f) Discretionary Sales. The Collateral Manager may sell any Collateral Obligation at any time other than during a Restricted Trading Period (other than Credit Risk Obligations, Credit Improved Obligations, Defaulted Obligations, Restructured Obligations, Workout Obligations and Equity Securities, each of which may be sold at any time without restriction pursuant to and in accordance with this Section 12.1) (each such sale, a "Discretionary Sale"), if (A) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to this Section 12.1(f) during the same calendar year is not greater than 30% of the Collateral Principal Amount, and (B) either (i) at any time (a) the

Sale Proceeds from such Discretionary Sale are at least sufficient to maintain or increase the Adjusted Collateral Principal Amount (as measured immediately before such sale) or (b) after giving effect to such Discretionary Sale, the Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such proposed sale) shall be greater than or equal to the Adjusted Target Par Balance; or (ii) during the Reinvestment Period, the Collateral Manager reasonably believes it will be able to reinvest such Sale Proceeds in compliance with the Investment Criteria within 45 Business Days; provided that, (1) in respect of any such Discretionary Sale after the Reinvestment Period, the Sale Proceeds shall be greater than or equal to the Principal Balance of the relevant Collateral Obligation which is the subject of the Discretionary Sale and (2) for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of Collateral Obligations so sold shall be reduced to the extent of any purchases of (or irrevocable commitments to purchase) Collateral Obligations of the same obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 45 Business Days after such sale, so long as any such sale of a Collateral Obligation was entered into with the intention of purchasing such Collateral Obligation of the same obligor.

(g) Mandatory Sales. The Collateral Manager shall use commercially reasonable efforts to sell each Equity Security or Collateral Obligation that constitutes Margin Stock not later than 45 days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Equity Security or Collateral Obligation became Margin Stock, in each case, unless such sale is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold as soon as permitted by applicable law and not prohibited by such contractual restriction; *provided*, that if such Equity Security (i) is a Specified Equity Security, or (ii) is Margin Stock and is held in the Subordinated Notes Custodial Account and the Issuer is in compliance with the limitations set forth in Section 10.3(b) with respect to the retention of Margin Stock, the foregoing sale requirement shall not apply to such Equity Security.

(h) Unsalable Assets. If the Assets consist exclusively of Unsalable Assets or at any time after the Reinvestment Period:

(i) at the direction and sole discretion of the Collateral Manager, the Trustee, at the expense of the Issuer, may, after providing the Initial Majority Subordinated Noteholder with an opportunity to purchase such asset at a negotiated price, (A) conduct an auction of Unsalable Assets in accordance with the procedures set forth in clause (ii) below or (B) if the Collateral Manager certifies to the Trustee that in its commercially reasonable judgment an auction of Unsalable Assets as set forth in clause (ii) below would be unduly burdensome or significantly increase costs to the Issuer and/or the Collateral Manager, offer to deliver (at no cost) the Unsalable Asset to the Collateral Manager; provided that, if the Collateral Manager declines such offer, the Trustee shall take such action as directed by the Collateral Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(ii) promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Collateral Manager) to the Holders (and, for so long as any Notes rated by S&P are Outstanding, S&P) of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Holders or the Trustee) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee no later than the date specified in such notice, subject to Authorized Denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Collateral Manager shall identify and the Trustee shall distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Collateral Manager shall select by lottery the Holder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders will not operate to reduce the principal amount of any Notes held by such Holders; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Collateral Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee shall take such action as directed by the Collateral Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(i) [Reserved].

(j) Notwithstanding anything contained herein to the contrary, the Issuer may cause any Issuer Subsidiary Asset or the Issuer's interest therein to be transferred to an Issuer Subsidiary in exchange for an interest in such Issuer Subsidiary.

(k) Restructured Obligations and Workout Obligations. The Collateral Manager may direct the Trustee to sell or otherwise dispose of any Restructured Obligations or Workout Obligations at any time without restriction.

(l) Consent of Controlling Class and Subordinated Notes. Notwithstanding anything to the contrary contained herein and without limiting the right to make permitted sales or other dispositions, the Collateral Manager may direct the Trustee to sell any Collateral Obligation at any time with the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during or after the Reinvestment Period, the Collateral Manager, on behalf of the Issuer, may, but shall not be required to, direct the Trustee to invest Principal Proceeds (and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations) in additional Collateral Obligations, and the Trustee shall invest such proceeds, if, as certified by the Collateral Manager, to the best of its knowledge (which certification shall be deemed to have been given upon delivery of a direction to purchase or a trade-ticket to the Trustee and the Collateral Administrator by the Collateral Manager), each of the conditions specified in this Section 12.2 and Section 12.3 is satisfied; provided that, with respect to the purchase of any Collateral Obligations the settlement date for which the Collateral Manager reasonably expects will occur after the end of the Reinvestment Period, such Collateral Obligations will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

With respect to the purchase of any Collateral Obligation the settlement date for which the Collateral Manager reasonably expects will occur after the end of the Reinvestment Period, to the extent such Collateral Obligation would be purchased using Principal Proceeds consisting of Scheduled Distributions of principal, only that portion of such Principal Proceeds that the Collateral Manager reasonably expects will be received prior to the end of the Reinvestment Period may be used to effect such purchase, and such Collateral Obligation will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Account as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

(a) Investment Criteria. On any date during the Reinvestment Period, no Collateral Obligation may be purchased unless the Collateral Manager reasonably believes each of the following conditions are satisfied as of the date it commits on behalf of the Issuer to make such purchase or on the date of such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; provided that, prior to the Effective Date, the conditions set forth in clauses (iii) through (v) below need not be satisfied (the "Investment Criteria"):

- (i) such obligation is a Collateral Obligation;
- (ii) such obligation is not by its terms convertible into or exchangeable for Equity Securities, or attached with a warrant to purchase Equity Securities;
- (iii) each Coverage Test shall be satisfied, or if not satisfied, such Coverage Test shall be maintained or improved;
- (iv) the Reinvestment Balance Criteria shall be satisfied; and
- (v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved;

provided that clauses (iii) through (v) above need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in connection with an Aggregated Reinvestment.

(b) Except as otherwise provided herein, at any time, the Collateral Manager may direct the Trustee to apply Interest Proceeds (as long as, after giving effect thereto, the Collateral Manager determines that the Issuer shall have sufficient funds in the Collection Account to pay any amounts on the Secured Notes (and all amounts senior in right of payment thereto) pursuant to the Priority of Interest Proceeds on the immediately following Payment Date), Principal Proceeds (as long as (i) the Aggregate Principal Balance of all Collateral Obligations (for which purpose the Principal Balance of any Defaulted Obligation will be its S&P Collateral Value) plus Eligible Investments constituting Principal Proceeds is at least equal to the Reinvestment Target Par Balance, (ii) the amount of Principal Proceeds applied pursuant to this paragraph may not exceed, cumulatively since the First Refinancing Date, 7.5% of the Aggregate Ramp-up Par Amount, and (iii) if applied to the acquisition of any Workout Obligation, in compliance with the conditions set forth in the immediately following paragraph) or any amounts in the Supplemental Reserve Account or the Contribution Account permitted to be used therefor in accordance with the definition of "Permitted Use" (i) to the purchase of securities resulting from the exercise of an option, warrant, right of conversion or similar right in accordance with the documents governing any Asset without regard to the Investment Criteria, (ii) to make any payments required in connection with a workout or restructuring of a Collateral Obligation or (iii) to acquire Restructured Obligations, Workout Obligations or Specified Equity Securities. Notwithstanding anything to the contrary herein, the acquisition of Restructured Obligations, Workout Obligations and Specified Equity Securities will not be required to satisfy any of the Investment Criteria.

(c) Notwithstanding any other requirement set forth herein (other than the requirements of Section 7.8(f) and (g)), Principal Proceeds may be invested in Workout Obligations; provided that (i) the Overcollateralization Tests will be satisfied and (ii) the Aggregate Principal Balance of all Collateral Obligations (for which purpose the Principal Balance of any Defaulted Obligation will be its S&P Collateral Value) plus Eligible Investments constituting Principal Proceeds is at least equal to the Reinvestment Target Par Balance;

provided further that, for the purposes of clause (ii) above, the Reinvestment Target Par Balance shall be reduced by \$5,000,000. Notwithstanding anything to the contrary herein, a Workout Obligation shall be treated as a Defaulted Obligation unless and until it subsequently meets the definition of "Collateral Obligation" (as tested on such date and without giving effect to any carveouts for Workout Obligations therein). For the avoidance of doubt, Sale Proceeds of Workout Obligations shall be treated as Principal Proceeds until all requirements set forth in the proviso under the definition of "Interest Proceeds" are satisfied.

(d) Distressed Exchanges; Permitted Uses. At any time during or after the Reinvestment Period, the Collateral Manager in its sole discretion may direct the Trustee to enter into a Distressed Exchange (provided that an exchange of a Defaulted Obligation may only occur during the Reinvestment Period) or apply (i) the Supplemental Reserve Amount, (ii) amounts in the Contribution Account, (iii) any amounts in respect of Management Fees waived by the Collateral Manager in accordance with the Collateral Management Agreement or (iv) Additional Junior Notes Proceeds to one or more Permitted Uses.

(e) Investment after the Reinvestment Period. After the Reinvestment Period, Eligible Post-Reinvestment Proceeds may be reinvested in additional Collateral Obligations in accordance with the requirements set forth below (the "Post-Reinvestment Period Criteria").

After the Reinvestment Period, so long as no Event of Default has occurred and is continuing, the Collateral Manager may, but shall not be required to, invest Principal Proceeds (i) received with respect to a Distressed Exchange, (ii) that are Sale Proceeds with respect to Credit Risk Obligations or (iii) that are Unscheduled Principal Payments ("Eligible Post-Reinvestment Proceeds"), in each case by the later of (a) 45 calendar days and (b) the Determination Date occurring after receipt of such Principal Proceeds; provided that the Collateral Manager may not reinvest such Principal Proceeds (i) if received in connection with the disposition of a Defaulted Obligation and (ii) unless the Collateral Manager reasonably believes that after giving effect to any such reinvestment:

(i) each of the Collateral Quality Tests (other than the S&P CDO Monitor Test, the Moody's Maximum Rating Factor Test and the Weighted Average Life Test) shall be satisfied or, if not satisfied, shall be maintained or improved;

(ii) (1) each Overcollateralization Test shall be satisfied, (2) each requirement of the Concentration Limitations (other than clauses (xi) and (xii) of the definition thereof) shall be satisfied or, if any such requirement was not satisfied immediately prior to such reinvestment, such requirement shall be maintained or improved and (3) with respect to clauses (xi) and (xii) of the Concentration Limitations, either (x) if each such requirement was satisfied as of the last day of the Reinvestment Period, compliance with such requirement will be satisfied, or if not satisfied, maintained or improved or (y) if any such requirement was not satisfied as of the last day of the Reinvestment Period, such requirement will be satisfied;

(iii) other than in connection with an Uptier Priming Transaction, no Restricted Trading Period is then in effect;

(iv) the stated maturity of each additional Collateral Obligation acquired shall be equal to or earlier than the stated maturity of the corresponding prepaid or disposed Collateral Obligation at the time of disposition of such Collateral Obligation;

(v) the Reinvestment Balance Criteria shall be satisfied;

(vi) the additional Collateral Obligations purchased shall have the same or higher S&P Rating as the Collateral Obligation that produced the Eligible Post-Reinvestment Proceeds;

(vii) each additional purchased asset is a Collateral Obligation;

(viii) the Moody's Maximum Rating Factor Test shall be satisfied; and

(ix) with respect to the Weighted Average Life Test, either (1) if any such test was satisfied as of the last day of the Reinvestment Period, compliance with such test will be satisfied, or if not satisfied, such test will be maintained or improved or (2) if any such test was not satisfied as of the last day of the Reinvestment Period, such test will be satisfied;

provided, further, that the criteria in this Section 12.2(e) (other than clauses (iv) and (vi)) need not be satisfied with respect to (i) one single reinvestment if such criteria are satisfied on an aggregate basis in connection with an Aggregated Reinvestment or (ii) any obligation acquired in a Distressed Exchange.

(f) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(g) Other than in the case of a bankruptcy, workout or restructuring of a Collateral Obligation or Equity Security previously received, the Collateral Manager on behalf of the Issuer shall not accept any Offer if the asset received pursuant thereto does not satisfy the definition of "Collateral Obligation."

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions.

(a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations during the Ramp-Up Period shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager or any special purpose company to which the Collateral Manager or its Affiliates provides investment advisory services, shall be effected in accordance with the requirements of Section 5 of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated or were not a special purpose company to which the Collateral Manager or its Affiliates provides investment advisory services, provided that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged

Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee. The Collateral Manager (on behalf of the Issuer) shall deliver to the Trustee, not later than the date fixed by the Issuer for the delivery of the related Collateral Obligation to be pledged to the Trustee, an Authorized Officer's certificate of the Issuer certifying compliance with the provisions of this Article; provided that such requirement shall be satisfied and such statements deemed to have been made by the Issuer by the delivery to the Trustee of a trade confirmation in respect thereof from the Collateral Manager.

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (provided that such transaction complies with the applicable requirements of the Collateral Management Agreement (including the Tax Guidelines or, alternatively, Tax Advice to the effect that such transaction will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or to be otherwise subject to U.S. federal income tax on a net basis)) (x) that has been consented to by a Supermajority of the Aggregate Outstanding Amount of each Class of Notes and (y) of which the Trustee and each Rating Agency has been notified.

(d) The Collateral Manager shall not purchase any additional Collateral Obligation if the balance in the Principal Collection Account (after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds (including, without limitation, any prepayment of a Collateral Obligation (x) for which there has been a publicly announced transaction which would lead to a prepayment (as determined by the Collateral Manager) or (y) for which the prepayment date has been established and of which lenders have been notified by the obligor or the administrative agent or paying agent in respect of such Collateral Obligation)) is a negative amount and the absolute value of such amount is 3.0% or greater of the Aggregate Ramp-up Par Amount as of the Measurement Date immediately preceding the trade date for such purchase.

Section 12.4 Restrictions on Maturity Amendments. (a) The Issuer (or the Collateral Manager on behalf of the Issuer) may not consent to a Maturity Amendment of a Collateral Obligation (other than with respect to a Collateral Obligation that is Uptier Priming Debt) and (b) if the Collateral Manager has actual knowledge of a proposed Maturity Amendment by the related obligor, the Collateral Manager shall use commercially reasonable efforts to not permit the Issuer to be deemed to have consented to such Maturity Amendment in accordance with the terms of the related Underlying Instrument, unless, after giving effect to any relevant Aggregated Reinvestment, (i) after giving effect to such Maturity Amendment, the maturity of the new Collateral Obligation is not later than the earliest Stated Maturity of the Notes and (ii) either (a) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment or (b) if the Weighted Average Life Test was not satisfied prior to giving effect to such Maturity Amendment, the level of compliance with the test will be maintained or improved after giving effect to such Maturity Amendment; provided that (I) clause (i) is not required to be satisfied if the Aggregate Principal Balance of Collateral Obligations that do not satisfy clause (i) (x) then held by the Issuer, does not exceed 2.0% of the Aggregate Ramp-Up Par Amount or (y) measured cumulatively from the First Refinancing Date

onward, does not exceed 7.5% of the Aggregate Ramp-Up Par Amount and (II) clause (ii) is not required to be satisfied if (A) either (x) the Issuer (or the Collateral Manager on behalf of the Issuer) did not consent to such Maturity Amendment, (y) such Maturity Amendment is being executed in connection with the restructuring of such Collateral Obligation as a result of an actual or imminent bankruptcy or insolvency of the related obligor or (z) the Issuer receives the consent of a Majority of the Controlling Class to such Maturity Amendment or (B) the Aggregate Principal Balance of Collateral Obligations that do not satisfy clause (ii) for any reason other than as set forth in clauses (II)(A)(x) or (II)(A)(z) of this proviso (i) then held by the Issuer, does not exceed 5.0% of the Aggregate Ramp-Up Par Amount and (ii) measured cumulatively from the First Refinancing Date onward, does not exceed 10.0% of the Aggregate Ramp-Up Par Amount.

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Junior Class agree for the benefit of the Holders of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate to the Notes of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture. On any Post-Acceleration Payment Date or on the Stated Maturity of the Notes, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to the Post-Acceleration Priority of Proceeds in full in Cash or, solely in the case of a Post-Acceleration Payment Date, to the extent 100% of Holders of the most senior Class and a Majority of each other Class of Secured Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in the Post-Acceleration Priority of Proceeds.

(b) On or after a Post-Acceleration Payment Date or on the Stated Maturity of the Notes, in the event that notwithstanding the provisions of this Indenture, any Holder of any Junior Class shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of each Priority Class with respect thereto shall have been paid in full in Cash or, solely in the case of a Post-Acceleration Payment Date, to the extent a Majority of each Class of Secured Notes consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes in accordance with this Indenture; provided, however, that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of a Junior Class shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided, however, that, after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders

of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class.

(d) The Holders of each Class agree, for the benefit of all Holders of each Class, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of the Notes and not before one year (or if longer, the applicable preference period then in effect) plus one day has elapsed since such payment.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3 Information Regarding Holders. With respect to a Certifying Person, the Trustee will, upon request of the Collateral Manager or the Issuer, unless such Certifying Person instructs the Trustee otherwise, share the identity of such Certifying Person with the Collateral Manager or the Issuer, respectively. Upon the request of the Collateral Manager or the Issuer, the Trustee will request a list from DTC of participants holding positions in the Notes and will provide such list to the Collateral Manager or the Issuer.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person,

unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of its holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(e) With respect to any vote, each Holder or proxy will be entitled to one vote for each U.S. \$1.00 principal amount of the interest in a Note as to which it is the Holder or

proxy; provided that no vote will be counted in respect of any Note challenged as not Outstanding and ruled by the Registrar to be not Outstanding.

Section 14.3 Notices Other than to Holders. (a) Any request, demand, authorization, direction, order, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties indicated below shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by email (of a .pdf or similar file) in legible form at the following address (or at any other address provided in writing by the relevant party):

(c) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to the Trustee's Website containing such information.

(e) The Bank (in each of its capacities) shall be entitled to accept and act upon instructions or directions pursuant to this Indenture or any documents executed in connection herewith sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods; provided, however, that any person providing such instructions or directions shall provide to the Bank an incumbency certificate listing persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email (or .pdf or similar files) or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or other expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register or, as applicable, in accordance with the procedures at DTC, as soon as reasonably practicable but in any case not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing or provision to DTC.

In addition, for so long as any Listed Notes are Outstanding and the guidelines of the Cayman Islands Stock Exchange so require, documents delivered to Holders of such Listed Notes will be provided to the Cayman Islands Stock Exchange.

In lieu of the foregoing, any documents (including reports, notices, or supplemental indentures) required to be provided by the Trustee to Holders may be delivered by providing notice of, and access to, the Trustee's Website containing such documents (notice of which is hereby provided pursuant to Section 10.7(h)).

The Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer.

Upon the request of any Holder or any Certifying Person that it is the owner of a beneficial interest in a Global Note (including any documentation that the Trustee may request in order to verify ownership), the Trustee shall deliver to such Holder or Person a copy of the Register and any related information reasonably available to the Trustee, and all related costs will be borne by the requesting Holder or Person.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. Except to the extent prohibited by Applicable Law, in case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Holders of the Notes, the Collateral Administrator and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Delivery of an executed counterpart signature page of this Indenture by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. Each party agrees that this Indenture and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Indenture or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility. Any document electronically signed in a manner consistent with the foregoing provisions shall be valid so long as it is delivered by an Authorized Officer of the executing Person or by any person reasonably understood to be acting on behalf of such Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

(ii) To the extent that any of the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee is required to provide any information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or the Collateral Management Agreement, the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee, as applicable (or their respective representatives or advisors), shall provide such information or communication to the Information Agent for posting to the 17g-5 Website.

The Information Agent shall post such summary on the 17g-5 Website in accordance with the procedures set forth in the Collateral Administration Agreement.

(iv) In connection with providing access to the 17g-5 Website, the Information Agent may require registration and the acceptance of a disclaimer. The Information Agent shall not be liable for unauthorized disclosure of any information that it disseminates in accordance with this Indenture and makes no representations or warranties as to the accuracy or completeness of information made available on the 17g-5 Website. The Information Agent shall not be liable for its failure to make any information available to a Rating Agency or NRSROs unless such information was delivered to the Information Agent at the email address set forth in the Collateral

Administration Agreement, with a subject heading of "Silver Rock CLO I, Ltd." and sufficient detail to indicate that such information is required to be posted on the 17g-5 Website.

(v) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.16 shall not constitute a Default or Event of Default.

(vi) The Trustee shall have no obligation to engage in or respond to any oral communications with respect to the transactions contemplated hereby, any transaction documents relating hereto or in any way relating to the Notes or for the purposes of determining the initial credit rating of the Secured Notes or undertaking credit rating surveillance of the Secured Notes with any Rating Agency or any of its respective officers, directors or employees.

(vii) The Trustee will not be responsible for maintaining the 17g-5 Website, posting any information to the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of this Indenture, Rule 17g-5 or any other law or regulation. In no event shall the Trustee be deemed to make any representation in respect of the content of the 17g-5 Website or compliance by the 17g-5 Website with this Indenture, Rule 17g-5 or any other law or regulation.

(viii) The Information Agent and the Trustee shall not be responsible or liable for the dissemination of any identification numbers or passwords for the 17g-5 Website, including by the Co-Issuers, the Rating Agencies, an NRSRO, any of their respective agents or any other party. Additionally, neither the Information Agent nor the Trustee shall be liable for the use of the information posted on the 17g-5 Website, whether by the Co-Issuers, the Rating Agencies, an NRSRO or any other third party that may gain access to the 17g-5 Website or the information posted thereon.

(ix) Notwithstanding anything therein to the contrary, the maintenance by the Trustee of the Trustee's Website described in Article 10 shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

Section 14.17 S&P Rating Condition. (a) Notwithstanding the terms of the Collateral Management Agreement, any Hedge Agreement or other provisions of this Indenture, if any action under the Collateral Management Agreement, any Hedge Agreement or this Indenture requires satisfaction of the S&P Rating Condition as a condition precedent to such action, if the party (the "Requesting Party") required to obtain satisfaction of the S&P Rating Condition has made a request to S&P for satisfaction of the S&P Rating Condition and, within 10 Business Days of the request for satisfaction of the S&P Rating Condition being posted to the 17g-5 Website, S&P has not replied to such request or has responded in a manner that indicates that S&P is neither reviewing such request nor waiving the requirement for satisfaction of the S&P Rating Condition, then such Requesting Party shall be required to confirm that S&P has received the request, and, if it has, promptly (but in no event later than one Business Day thereafter) request satisfaction of the S&P Rating Condition again. The parties hereto

acknowledge and agree that the S&P Rating Condition may be inapplicable pursuant to the terms of the respective definition thereof.

(b) Any request for satisfaction of the S&P Rating Condition made by the Issuer (or the Collateral Manager on behalf of the Issuer), Co-Issuer or Trustee, as applicable, pursuant to this Indenture, shall be made in writing, which writing shall contain a cover page indicating the nature of the request for satisfaction of the S&P Rating Condition, and shall contain all back-up material necessary for S&P to process such request. Such written request for satisfaction of the S&P Rating Condition shall be provided in electronic format to the Information Agent for posting on the 17g-5 Website in accordance with Section 14.16 and after receiving actual knowledge of such posting (which may be in the form of an automatic email notification of posting delivered by the 17g-5 Website to such party), the Issuer, Co-Issuer or Trustee, as applicable, shall send the request for satisfaction of the S&P Rating Condition to S&P in accordance with the delivery instructions set forth in Section 14.3(b).

Section 14.18 Waiver of Jury Trial. THE TRUSTEE, HOLDERS (BY THEIR ACCEPTANCE OF NOTES) AND EACH OF THE CO-ISSUERS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS INDENTURE, THE NOTES OR ANY OTHER RELATED DOCUMENTS, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN), OR ACTIONS OF THE TRUSTEE, HOLDERS OR EITHER OF THE CO-ISSUERS. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE TRUSTEE AND THE CO-ISSUERS TO ENTER INTO THIS INDENTURE.

Section 14.19 Escheat. In the absence of a written request from the Co-Issuers to return unclaimed funds to the Co-Issuers, the Trustee may from time to time following the final Payment Date with respect to the Notes deliver all unclaimed funds to or as directed by applicable escheat authorities, as determined by the Trustee in its sole discretion, in accordance with the customary practices and procedures of the Trustee. Any unclaimed funds held by the Trustee pursuant to this Section 14.19 shall be held uninvested and without any liability for interest.

Section 14.20 Legal Holidays. If the date of any Payment Date, Redemption Date or Stated Maturity of the Notes shall not be a Business Day, then notwithstanding any other provision of the Notes or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity of the Notes.

ARTICLE XV

ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the Granting Clause contained herein includes all

of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, that, except as otherwise expressly set forth in this Indenture, the Trustee shall not have the authority to exercise any of the rights set forth in clauses (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived. From and after the occurrence and continuance of an Event of Default, the Collateral Manager shall continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture. The Trustee shall be entitled to rely and be protected in relying upon all actions and omissions to act of the Collateral Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, or increase, impair or alter the rights and obligations of the Collateral Manager under the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably specify.

(f) The Issuer hereby agrees that the Issuer shall not enter into any agreement amending, modifying or terminating the Collateral Management Agreement except in accordance with the terms of the Collateral Management Agreement.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) With the consent of a Majority of the Subordinated Notes, the Issuer may enter into Hedge Agreements negotiated by the Collateral Manager from time to time on and after the Closing Date solely for the purpose of managing interest rate and foreign exchange risks in connection with the Issuer's issuance of, and making payments on, the Notes. The Issuer shall promptly provide notice of entry into any Hedge Agreement to the Trustee and provide a copy of each Hedge Agreement to the Trustee and each Rating Agency. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Collateral Manager on behalf of the Issuer) shall not enter into any Hedge Agreement unless:

- (i) the S&P Rating Condition has been satisfied with respect thereto; and
- (ii) the Issuer has obtained a written opinion of Milbank LLP or a written opinion of counsel of other nationally recognized counsel experienced in such matters that either:
 - (A) the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the CEA, or
 - (B) if the Issuer would be a commodity pool, (1) the Collateral Manager and no other party would be the commodity pool operator and commodity trading adviser of the Issuer, and (2) with respect to the Issuer as a commodity pool, the Collateral Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading adviser and all conditions precedent to obtaining such an exemption have been satisfied; and
- (iii) the written terms of such Hedge Agreement directly relate to the Collateral Obligations and the Notes and such Hedge Agreement reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Notes.

For so long as the Issuer and the Collateral Manager are subject to clause (ii)(B) above, the Issuer and the Collateral Manager shall take all action necessary to ensure ongoing compliance with the applicable exemption from registration or registration requirement, as applicable, under the CEA. The reasonable fees, costs, charges and expenses incurred by the Issuer and the Collateral Manager (including reasonable attorneys', accountants' and other professional fees and expenses) in connection with the requirements of clause (ii) above will be paid as Administrative Expenses.

Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless

the applicable Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgment by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI of this Indenture.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the applicable Hedge Agreements or such other applicable term of similar import, as the context may require), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(c) The Issuer (or the Collateral Manager on behalf of the Issuer) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(d) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirements.

(e) The S&P Rating Condition must be satisfied prior to amendment or termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(f) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, the Collateral Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Collateral Manager, demanding payment by the close of business on such date (or by such time on the next succeeding Business Day if such knowledge is obtained after 11:30 a.m., New York time).

(g) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Collateral has commenced;

provided that, notwithstanding the foregoing, the Collateral Manager (on behalf of the Issuer) may reduce the notional amount of any Hedge Agreement (and, in connection therewith, cause the Issuer to pay a termination payment in accordance with the Priority of Payments to the Hedge Counterparty) if the S&P Rating Condition is obtained with respect to such reduction.

SCHEDULE 3

MOODY'S DIVERSITY SCORE CALCULATION

The Moody's Diversity Score is calculated as follows:

(a) An *Issuer Par Amount* is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all Affiliates.

(b) An *Average Par Amount* is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An *Equivalent Unit Score* is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An *Aggregate Industry Equivalent Unit Score* is then calculated for each of the Moody's Industry Classifications, shown on Schedule 2, and is equal to the sum of the Equivalent Unit Scores for each issuer in such Moody's Industry Classification.

(e) An *Industry Diversity Score* is then established for each Moody's Industry Classification, shown on Schedule 2, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

SCHEDULE 4

MOODY'S RATING DEFINITIONS

"Assigned Moody's Rating" means the monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; *provided* that, so long as the Issuer (or the Collateral Manager on its behalf) applies for a new estimated rating, or renewal of an estimated rating, in a timely manner and provides the information required to obtain such estimate or renewal, as applicable, then pending receipt of such estimate or renewal, as applicable, (A) in the case of a request for a new estimated rating, (i) for a period of 90 days, such debt obligation will have an Assigned Moody's Rating of "B3" for purposes of this definition if the Collateral Manager certifies to the Trustee that the Collateral Manager believes that such estimated rating will be at least "B3" and (ii) thereafter, such debt obligation will have an Assigned Moody's Rating of "Caa3," (B) in the case of an annual request for a renewal of an estimated rating, (i) the Issuer for a period of 30 days after 12 months from the previous applicable credit estimate, will continue using the previous estimated rating assigned by Moody's with respect to such debt obligation until such time as Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation, (ii) after the expiration of such period as described in clause (i), for a period of 60 days thereafter, such prior estimated rating assigned by Moody's will be adjusted down one subcategory until such time as Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation and (iii) at all times after the expiration of such 60-day period, but before Moody's renews such estimated rating or assigns a new estimated rating, such debt obligation will be deemed to have an Assigned Moody's Rating of "Caa3" and (C) in the case of a request for a renewal of an estimated rating following a material deterioration in the creditworthiness of the Obligor or a material documentary change in respect of such debt obligation, the Issuer will continue using the previous estimated rating assigned by Moody's until such time as (x) Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation or (y) the criteria specified in clause (A) in connection with an annual request for a renewal of an estimated rating becomes applicable in respect of such debt obligation; *provided further* that, in the case of any Collateral Obligation that is the subject of a credit estimate by Moody's, the Issuer will, (a) on a quarterly basis, notify Moody's of (1) any Specified Amendment or (2) any documentary change which, in each case, is known to the Issuer or the Collateral Manager to have occurred during the related calendar quarter and deemed to be material by the Collateral Manager with respect to such Collateral Obligation and (b) in respect of any Collateral Obligation with respect to which notice has been given to Moody's pursuant to the foregoing clause (a), apply for a renewal of an estimated rating for such Collateral Obligation from Moody's promptly following the giving of such notice.

"CFR" means, with respect to an obligor of a Collateral Obligation, if such obligor has a corporate family rating by Moody's, then such corporate family rating; provided that, if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

"Moody's Default Probability Rating" means:

1. If the obligor of such Collateral Obligation has a CFR, then such CFR;
2. If not determined pursuant to clause (1) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;
3. If not determined pursuant to clauses (1) or (2) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion;
4. If not determined pursuant to clauses (1), (2) or (3) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided, that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3"; provided that the Issuer will, on a quarterly basis, notify Moody's of any material documentary change (that is known to the Issuer or the Collateral Manager to have occurred during the related calendar quarter and deemed to be material by the Collateral Manager) with respect to any such Collateral Obligation;
5. If such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (1) in the definition thereof;
6. If not determined pursuant to any of clauses (1) through (5) above and at the election of the Collateral Manager, the Moody's Derived Rating; and
7. If not determined pursuant to any of clauses (1) through (6) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

"Moody's Derived Rating" means, with respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating thereof, the rating as determined (at the election of the Collateral Manager) in the manner set forth below:

1. With respect to any DIP Collateral Obligation, (x) the Moody's Default Probability Rating of such Collateral Obligation shall be the rating that is the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's and (y) the Moody's Rating of such Collateral Obligation shall be the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; *provided, however*, if such facility rating has been withdrawn by Moody's and a new facility rating has not been issued by Moody's, or if no such facility rating exists or is available, then such DIP Collateral Obligation will be deemed to have a Moody's Rating of "B2".

2. If not determined pursuant to clause (1) above, then by using any one of the methods provided below (at the election of the Collateral Manager):

(A) if such Collateral Obligation is publicly rated by S&P or otherwise has an S&P Rating, pursuant to the table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	"BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	"BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (2)(A) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (2)(B)):

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation	+1

(C) if such Collateral Obligation is not rated by S&P but there is a public issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or of the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then such issuer credit rating will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (2)(A) above;

(D) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided that the aggregate principal balance of the Collateral Obligations that may have a Moody's Rating derived from an S&P Rating as set forth in sub-clauses (A) or (B) of this clause (2) may not exceed 10.0% of the Collateral Principal Amount.

3. If not determined pursuant to clauses (1) or (2) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B2" or higher if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B2" or higher and if the aggregate principal balance of Collateral Obligations determined pursuant to this clause (3) and clause (2) above does not exceed 5% of the Collateral Principal Amount or (ii) otherwise, "Caa1".

4. If not determined pursuant to clause (1) through (3) above, if the obligor of such Collateral Obligation is a U.S. obligor and if such Collateral Obligation is a senior secured obligation of the obligor and (i) neither the obligor nor any of its affiliates is subject to reorganization or bankruptcy proceedings, (ii) no debt securities or obligations of the obligor are in default, (iii) neither the obligor nor any of its affiliates have defaulted on any debt during the past two years, (iv) the obligor has been in existence for the past five years, (v) the obligor is current on any cumulative dividends, (vi) the fixed-charge ratio for the obligor exceeds 125% for each of the past two fiscal years and for the most recent quarter, (vii) the obligor had a net profit before tax in the past fiscal year and the most recent quarter and (viii) the annual financial statements of the obligor are unqualified and certified by a firm of independent accountants of national reputation, and quarterly statements are unaudited but signed by a corporate officer, "Caa1".

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(ii) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating (x) but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion or (y) with respect to any Collateral Obligation that is a DIP Collateral Obligation that was assigned a point-in-time rating by Moody's in the prior 13 months that was withdrawn, such withdrawn rating;

SCHEDULE 5

S&P RATINGS DEFINITIONS AND RECOVERY RATE TABLES

"**S&P Rating**" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) with respect to a Collateral Obligation that is not a DIP Collateral Obligation (a) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that meets S&P's then-current guarantee criteria for use in connection with this transaction, then the S&P Rating will be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer; *provided*, that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation will equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one sub-category above such rating;

(ii) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating (*provided* that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued without a rating and the Collateral Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Obligation will be (1) as determined by the Collateral Manager in its commercially reasonable judgment for a period of up to 90 days after acquisition of such DIP Collateral Obligation and (2) "CCC-" following such 90 day period; unless during such 90 day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided that if an S&P Rating is assigned to such Collateral Obligation at any time during such 90 day period (or such extension period, if applicable), such S&P Rating shall apply);

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (a) through (c) below:

(a) if an obligation of the issuer (other than a DIP Collateral Obligation) is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower;

(b) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation will, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which will be its S&P Rating; *provided*, that, if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; *provided further*, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided further*, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Obligation will be "CCC-"; *provided further*, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof will be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; *provided further*, that the S&P Rating may not be determined pursuant to this clause (b) if the Collateral Obligation is a DIP Collateral Obligation; *provided further*, that such credit estimate will expire 12 months after the receipt thereof, following which such Collateral Obligation will have an S&P Rating of "CCC-" unless, during such 12-month period following the receipt of such credit estimate, the Issuer applies for renewal thereof in accordance with Section 7.13(b), in which case such credit estimate will continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate will be the S&P Rating of such Collateral Obligation; *provided further*, that such confirmed or revised credit estimate will expire on the next succeeding 12-month anniversary of the date of the receipt thereof and (when renewed annually in accordance with Section 7.13(b)) on each 12-month anniversary thereafter; and

(c) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC-"; *provided*, that (i) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings, (ii) the issuer is current on all payment obligations in respect of any debt security or other obligation of the issuer outstanding at such time of determination, (iii) all such debt securities and other obligations of the issuer that are pari passu with or senior to the Collateral Obligation are current and the Collateral Manager reasonably expects them to remain current and (iv) all Information with respect to such Collateral Obligation has previously been provided to S&P; or

(iv)(a) subject to clause (ii) above, with respect to a DIP Collateral Obligation that has no issue rating by S&P, the S&P Rating of such DIP Collateral Obligation will be, at the election of the Issuer (at the direction of the Collateral Manager), "CCC-" and (b) with respect to a Current

Pay Obligation that has no issue rating by S&P or is rated less than "CCC" by S&P, as applicable, will be, at the election of the Issuer (at the direction of the Collateral Manager), "CCC" or the S&P Rating determined pursuant to clause (iii)(b) above;

provided, that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating.

If (x) a Collateral Obligation does not have an S&P Recovery Rating and such Collateral Obligation is a senior unsecured debt instrument and (y) the issuer of such Collateral Obligation has issued another debt instrument that is outstanding and senior to such Collateral Obligation and has an S&P Recovery Rating (a "**Senior Debt Instrument**"), the S&P Recovery Rate for such Collateral Obligation will be determined as follows:

S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test, the following terms have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR" means, with respect to the Highest Ranking Class, the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Obligations relative to the Aggregate Ramp-up Par Amount as follows:

$BDR * (OP / NP) + (NP - OP) / [(NP * (1 - WARR))]$, where

Term	Meaning
BDR	S&P CDO Monitor BDR
OP	Aggregate Ramp-up Par Amount
NP	the sum of the Aggregate Principal Balance of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-"
WARR	S&P Weighted Average Recovery Rate

"S&P CDO Monitor BDR" means the value calculated using the following formula relating to the Issuer's portfolio:

S&P CDO Monitor BDR = $C0 + (C1 * \text{Weighted Average Floating Spread}) + (C2 * \text{S\&P Weighted Average Recovery Rate})$, where $C0 = \text{€}0.097843$, $C1 = \text{€}3.776607$ and $C2 = \text{€}0.901260$. $C0$, $C1$ and $C2$ will not change unless S&P provides an updated S&P CDO Monitor Input File (which may be via email) following the First Refinancing Date.

"S&P CDO Monitor Input File" means a file containing the formula relating to the Issuer's portfolio used to calculate the S&P CDO Monitor BDR.

"S&P CDO Monitor SDR" means the percentage derived from the following equation:

$0.247621 + (SPWARF/9162.65) - (DRD/16757.2) - (ODM/7677.8) - (IDM/2177.56) - (RDM/34.0948) + (WAL/27.3896)$, where

Term	Meaning
SPWARF	S&P Weighted Average Rating Factor
DRD	S&P Default Rate Dispersion
ODM	S&P Obligor Diversity Measure
IDM	S&P Industry Diversity Measure
RDM	S&P Regional Diversity Measure

Term	Meaning
WAL	S&P Weighted Average Life

"S&P Default Rate Dispersion" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Global Ratings' Rating Factor minus (y) the S&P Weighted Average Rating Factor divided by (B) the Aggregate Principal Balance for all such Collateral Obligations.

"S&P Effective Date Adjustments" means, in connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date, the following adjustments: (i) in calculating the Weighted Average Floating Spread, (x) the Aggregate Excess Funded Spread shall be excluded, (y) clause (ii)(A) of the definition of Weighted Average Floating Spread shall be disregarded and (z) any specified "floor" rate shall be disregarded for purposes of calculating the Aggregate Funded Spread and (ii) in calculating the S&P CDO Monitor Adjusted BDR, the Collateral Principal Amount will exclude Principal Proceeds on deposit in the Ramp-Up Account or the Collection Account permitted to be designated as Interest Proceeds.

"S&P Global Ratings' Rating Factor" means, with respect to each Collateral Obligation, the rating factor determined by the S&P Rating set forth in the below table:

S&P Rating	S&P Global Ratings' rating factor
AAA	13.51
AA+	26.75
AA	46.36
AA-	63.90
A+	99.50
A	146.35
A-	199.83
BBB+	271.01
BBB	361.17
BBB-	540.42
BB+	784.92
BB	1,233.63
BB-	1,565.44
B+	1,982.00
B	2,859.50

B-	3,610.11
CCC+	4,641.40
CCC	5,293.00
CCC-	5,751.10
CC	10,000.00
SD	10,000.00
D	10,000.00

"S&P Industry Diversity Measure" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Issue Rating" means, with respect to a Collateral Obligation that (i) is publicly rated by S&P, such public rating or (ii) is not publicly rated by S&P, the applicable S&P Rating.

"S&P Obligor Diversity Measure" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such Aggregate Principal Balance by the Aggregate Principal Balance of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Regional Diversity Measure" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in Table 1 below, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the Aggregate Principal Balance of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the principal balance of each such Collateral Obligation and (y) the S&P Global Ratings' Rating Factor divided by (ii) the Aggregate Principal Balance for all such Collateral Obligations.

"S&P Weighted Average Recovery Rate" means, as of any date of determination, with respect to the Highest Ranking Class, the number, expressed as a percentage, obtained by:

- (i) summing the products obtained by multiplying:
 - (A) the Principal Balance of each Collateral Obligation (excluding Defaulted Obligations), by
 - (B) its corresponding S&P Recovery Rate;
- (ii) dividing such sum by the Aggregate Principal Balance of all Collateral Obligations (excluding Defaulted Obligations), and
- (iii) rounding to the nearest tenth of a percent.
