Section 1.3 Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture and Security Agreement with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 (Assumptions as to Assets) shall be applied. The provisions of this Section 1.3 (Assumptions as to Assets) shall be applicable to any determination or calculation that is covered by this Section 1.3 (Assumptions as to Assets), whether or not reference is specifically made to this Section 1.3 (Assumptions as to Assets), unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (including Current Pay Obligations and DIP Collateral Obligations but excluding Defaulted Obligations, which, except as otherwise provided herein, shall be assumed to have Scheduled Distributions of zero, except to the extent any payments have actually been received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, anticipated to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment

pursuant to Section 12.2 (*Purchase of Additional Collateral Obligations*)) that, if paid as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to a Collateral Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Debt or other amounts payable pursuant to this Indenture and Security Agreement or the Credit Agreement. For purposes of the applicable determinations required by Section 10.7(b)(iii) (*Accountings*), Article XII and the definition of “Interest Coverage Ratio”, the expected interest on the Secured Debt and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto.

(e) References in Section 11.1(a) (*Disbursements of Monies from Payment Account*) to calculations made on a “*pro forma* basis” shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) If a Collateral Obligation (or portion thereof) included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of “Defaulted Obligation”, then one or more Current Pay Obligations, or a portion thereof, shall be deemed Defaulted Obligations, determined in increasing order from the Current Pay Obligation with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the outstanding Principal Balance of such Current Pay Obligation as of the date of determination) until the remaining Current Pay Obligations (and any remaining portions thereof) shall satisfy the percentage limitation in such proviso. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(g) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test. For the purposes of calculating compliance with clause (iv) of the Concentration Limitations, Defaulted Obligations shall not be considered to have either an S&P Rating of “CCC+” or below or a Fitch Rating of “CCC+” or below (only, in the case of Fitch, for so long as any Class A Debt remains Outstanding). For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance of zero.

(h) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Collateral Agent and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or

other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(i) For the purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(j) Notwithstanding any other provision of this Indenture and Security Agreement to the contrary, all monetary calculations under this Indenture and Security Agreement shall be in Dollars.

(k) Any reference in this Indenture and Security Agreement to an amount of the Trustee's, the Collateral Agent's, the Loan Agent's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year and the actual number of days elapsed for the related Interest Accrual Period and shall be based on the aggregate principal amount of the Assets outstanding (including Eligible Investments and Defaulted Obligations) at the beginning of each Interest Accrual Period.

(l) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture and Security Agreement or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Collateral Agent and the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(m) For purposes of calculating compliance with any tests under this Indenture and Security Agreement, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(n) For purposes of calculating the Overcollateralization Ratio Tests, assets held by any ETB Subsidiary that constitute Equity Securities will be treated as Equity Securities owned by the Issuer. For purposes of calculating the Interest Coverage Tests, the Minimum Floating Spread Test and the Minimum Weighted Average Coupon Test and other financial accounting reporting purposes, Collateral Obligations contributed to, and other assets held by, an ETB Subsidiary shall be included net of the actual taxes paid or any future anticipated taxes for the applicable period for such tests (as determined by the Collateral Manager in its reasonable discretion) payable with respect thereto, as provided to the Collateral Administrator by the Collateral Manager.

(o) If the Issuer (or the Collateral Manager on behalf of the Issuer) is notified by the administrative agent or other withholding agent or otherwise for the syndicate of lenders in respect of (x) any amendment, waiver, consent or extension fees or (y) commitment fees or other similar fees in respect of Revolving Collateral Obligation or Delayed Drawdown Collateral Obligation that any amounts associated therewith are subject to withholding tax imposed by any jurisdiction, the applicable Collateral Quality Test, the Coverage Tests and the Reinvestment Overcollateralization Test shall be calculated thereafter net of the full amount of such withholding tax unless the related Obligor is required to make “gross-up” payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instruments with respect thereto.

(p) For all purposes (including calculation of the Coverage Tests and the Reinvestment Overcollateralization Test but excluding the calculation of the Aggregate Funded Spread), the Principal Balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced, withdrawn or expired.

(q) For purposes of calculating the sale proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(r) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(s) Any direction or Issuer Order required under this Indenture and Security Agreement relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to trade or similar instrument or document or other written instruction (including by e-mail or other electronic communication or file transfer protocol) from the Collateral Manager on which the Collateral Agent may rely.

(t) Any proceeds received in connection with any Purchased Workout Loan or Equity Security shall be allocated as follows, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator:

(1) if any Principal Proceeds were used to acquire such Purchased Workout Loan or Equity Security, then (I) *first*, as Principal Proceeds to the Collection Account until (as determined by the Collateral Manager with notice to the Trustee and the Collateral Administrator) the aggregate amount of all collections in respect of such Purchased Workout Loan or Equity Security and the related Collateral Obligation (measured from the time immediately prior to the workout or restructuring of such Collateral Obligation) equals the sum of (x) the greater of (i) the Principal Proceeds used to acquire such Purchased Workout Loan or Equity Security and (ii) the Adjusted Collateral Principal Amount associated with the related Purchased Workout Loan or Equity Security (measured at the time immediately prior to the receipt of such proceeds) *plus* (y)

the Principal Balance of the related Collateral Obligation (measured at the time immediately prior to the workout or restructuring of such Collateral Obligation), and (II) *second*, as Interest Proceeds to the Collection Account; or

(2) if only Interest Proceeds or Contributions were used to acquire such Purchased Workout Loan or Equity Security then (I) *first*, as Principal Proceeds to the Collection Account until (as determined by the Collateral Manager with notice to the Trustee and the Collateral Administrator) the aggregate amount of all collections in respect of such Purchased Workout Loan or Equity Security and the related Collateral Obligation (measured from the time immediately prior to the workout or restructuring of such Collateral Obligation) is equal to the greater of (i) 70% of the Principal Balance of the related Collateral Obligation (measured at the time immediately prior to the workout or restructuring of such Collateral Obligation) and (ii) the Adjusted Collateral Principal Amount associated with the related Purchased Workout Loan or Equity Security (measured at the time immediately prior to the receipt of such proceeds), and (II) *second*, as Interest Proceeds to the Collection Account or to the Contribution Account for application to a Permitted Use as directed by the Collateral Manager in its sole discretion, respectively based on the proceeds used as the source of such acquisition.

(u) Notwithstanding anything herein to the contrary, (x) a Qualified Workout Loan shall be treated as a Defaulted Obligation (except with respect to the definition of Adjusted Collateral Principal Amount only for any Qualified Workout Loan that is a Principal Proceeds Workout Loan) and (y) a Non-Qualified Workout Loan and an Equity Security shall be treated as an Equity Security, in each case, unless and until such Workout Loan or Equity Security, as applicable, meets the definition of “Collateral Obligation” on the date of acquisition or subsequently meets the definition of “Collateral Obligation” (as tested on such date and without giving effect to any carve-outs for Workout Loans or Equity Securities therein (if any)), in each case as notified by the Collateral Manager to the Trustee and the Collateral Administrator. After such Workout Loan or Equity Security meets the definition of “Collateral Obligation,” it may be treated, at the election of the Collateral Manager, as a Collateral Obligation and subsequent to such election shall no longer be treated as a Defaulted Obligation or Equity Security, respectively, for all purposes of this Indenture and Security Agreement.

(v) With respect to any Revolving/Delayed Draw Purchased Workout Loan, such Revolving/Delayed Draw Purchased Workout Loan shall be treated as a Revolving Collateral Obligation and/or Delayed Drawdown Obligation for purposes of Section 10.4 (*The Revolver Funding Account*) only and deposits shall be made in the Revolver Funding Account using proceeds in accordance with Section 10.2(h) (*The Collection Account*). If funds deposited in the Revolver Funding Account in respect of a Revolving/Delayed Draw Purchased Workout Loan are withdrawn in accordance with Section 10.4 (*The Revolver Funding Account*) then proceeds received in connection with such amounts shall be applied in accordance with Section 1.3(t) (*Collateral Assumptions*).

(w) References to (i) the “redemption” of Debt shall be understood to refer, in the case of the Class A Loans, to the repayment of the Class A Loans by the Co-Issuers and (ii) the “issuance” of Debt or to the “execution,” “authentication” and/or “delivery” of Debt shall be

understood to refer, in the case of Class A Loans, to the incurrence of Class A Loans by the Co-Issuers pursuant to the Credit Agreement.

(ii) Agent Members shall have no rights under this Indenture and Security Agreement with respect to any Global Secured Notes or Global Subordinated Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

1. The Class A Loans are secured by, but not issued under, this Indenture and Security Agreement and are included in the table above for purposes of setting forth their characteristics and are relevant to the terms hereof. The Class A Loans will be incurred pursuant to the Credit Agreement. At the election of a Class A Lender, all or a portion of the outstanding principal amount of the Class A Loans held by such Class A Lender may be converted into Class A Notes, in which case the Aggregate Outstanding Amount of the Class A Notes will be increased by the amount of the Class A Loans so converted. Upon the conversion of any Class A Loans, the Class A Loans will be deemed to have been repaid in an amount equal to the Class A Loans converted into Class A Notes.
2. As of the Refinancing Date.
3. The Outstanding principal amount of the Class A Notes may be increased by up to \$290,000,000 upon the exercise of a Conversion Option and a conversion of the Class A Loans into Class A Notes as described in Section 2.5(n) (*Conversion of the Class A Loans*) of this Indenture and Security Agreement.
4. Except with respect to the first Payment Date following the Refinancing Date, the Benchmark shall be calculated by reference to three-month Benchmark, in accordance with the definition of the Benchmark set forth in this Indenture and Security Agreement. See the definition of the Benchmark and Designated Maturity for the calculation of the Benchmark with respect to the first Payment Date following the Refinancing Date.

(c) Authorized Denominations. The Secured Notes shall be issued in minimum denominations of U.S.\$250,000 and integral multiples of U.S.\$1.00 in excess thereof, and the Subordinated Notes shall be issued in minimum denominations of U.S.\$250,000 and integral multiples of U.S.\$1.00 in excess thereof (each, an “Authorized Denomination”). Notes shall only be transferred or resold in compliance with the terms of this Indenture and Security Agreement.

Section 2.4 Execution, Authentication, Delivery and Dating. (a) The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, electronic, scanned or facsimile.

(b) Notes bearing the manual, electronic, scanned or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture and Security Agreement, the Issuer and the Co-Issuer may deliver Certificated Notes or Global Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication, and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in respect of a transfer of Certificated Notes or Global Notes hereunder, shall have been deemed to have been provided upon the Issuer’s delivery of an executed Note to the Trustee), shall authenticate and deliver such Notes as provided in this Indenture and Security Agreement and not otherwise.

(d) With respect to the transfer or delivery of any Uncertificated Note, upon Issuer Order the Trustee shall direct the Registrar to record the ownership of such Note in the Register.

(e) Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Refinancing Date shall be dated as of the Refinancing Date. All other Notes that are authenticated after the Refinancing Date for any other purpose under this Indenture and Security Agreement shall be dated the date of their authentication.

(f) Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article II, the initial principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

(g) No Note shall be entitled to any benefit under this Indenture and Security Agreement or be valid or obligatory for any purpose, unless (other than in the case of any Uncertificated Security) there appears on such Note a Certificate of Authentication, substantially

in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual or electronic signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

(h) With respect to the transfer and exchange of any Uncertificated Notes, whenever this Indenture and Security Agreement requires or refers to “authentication and delivery” of Notes or requires the Trustee to “authenticate and deliver Notes”, the Trustee shall be entitled to request an Issuer Order for direction, to make an interpretation of this Indenture and Security Agreement that is consistent with the requirements for other Notes or to take such actions and direct the Register in accordance with its normal practice for the transfer and recordation of Uncertificated Notes.

Section 2.5 Registration, Registration of Transfer and Exchange.

(a) Register, Appointment of Registrar, Registration of Notes.

(i) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the “Register”) at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee has been appointed registrar (the “Registrar”) for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any update to the Register, if the Issuer has appointed a Paying Agent other than the Trustee, the Trustee shall cause the Registrar to provide a copy of such Register to the Issuer so that the Issuer may comply with Section 7.3 (*Money for Debt Payments*). Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar. Ownership of the Class A Loans shall be determined by reference to the Loan Register maintained by the Loan Agent in accordance with the Credit Agreement.

(ii) If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request by the Issuer or the Collateral Manager at any time, the Registrar shall provide to the requesting person (1) a current list of Holders (and their holdings) as reflected in the Register and (2) any information the Registrar actually possesses regarding the nature and identity of any beneficial owner of any Note (and its holdings) who has provided a Note Owner Certificate unless such beneficial owner instructs the Trustee otherwise, to the extent such disclosure is not prohibited by federal law or any other law applicable to the Trustee.

(iii) Subject to this Section 2.5 (Registration, Registration of Transfer and Exchange), upon surrender for registration of transfer of any Notes at the office or agency of the Issuers to be maintained as provided in Section 7.2 (Maintenance of Office or Agency), the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal or face amount.

(iv) Subject to this Section 2.5 (Registration, Registration of Transfer and Exchange), at the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive in accordance with this Section 2.5 (Registration, Registration of Transfer and Exchange).

(v) All Notes issued and authenticated and/or recorded in the Register upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture and Security Agreement as the Notes surrendered upon such registration of transfer or exchange.

(vi) Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

(vii) No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Issuers, the Registrar or the Trustee may require payment of a sum sufficient to cover any transfer, tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) Exemption from Registration under Securities Act, State Securities Laws, Investment Company Act. No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) Restrictions on Transfers of ERISA Prohibited Notes. No ERISA Prohibited Notes may be held by or transferred to a Benefit Plan Investor. The Trustee shall be entitled to rely exclusively upon the information set forth in the face of the transfer certificates received pursuant to the terms of this Section 2.5 (Registration, Registration of Transfer and Exchange) and only Notes that a Bank Officer of the Trustee actually knows to be so held shall be so disregarded.

(d) Transfers and Exchanges of Notes. Transfers and exchanges of Notes shall only be made in accordance with Section 2.2(b) (Forms of Notes) and this Section 2.5(d) (Registration, Registration of Transfer and Exchange).

(i) Rule 144A Global Note to Regulation S Global Note. If a beneficial owner of a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (provided that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note in the Authorized Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, and (C) a certificate in the form of Exhibit B-1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Regulation S Global Notes, including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(ii) Regulation S Global Note to Rule 144A Global Note. If a beneficial owner of a Regulation S Global Note deposited with DTC is entitled to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note to a

Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, in the Authorized Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, and (B) a certificate in the form of Exhibit B-3 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Purchaser and a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged, and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iii) Global Note to Non-Clearing Agency Note. If either (x) the Applicable Issuers agree and a holder of a beneficial interest in a Global Note desires, or (y) if pursuant to Section 2.10(a) (DTC Ceases to be Depository), a holder of a beneficial interest in a Global Note deposited with DTC is entitled at any time to exchange its interest in such Global Note for a Non-Clearing Agency Note or to transfer its interest in such Global Note to a Person who wishes to take delivery thereof in the form of a corresponding Non-Clearing Agency Note, then such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a corresponding Non-Clearing Agency Note, which may be delivered as either a Certificated Note or as an Uncertificated Note. Upon receipt by the Registrar of (A) a certificate substantially in the form of Exhibit B-2, in the case of Secured Notes, or Exhibit B-4, in the case of Subordinated Notes, and, in the case of ERISA Prohibited Notes only, Exhibit B-5 attached hereto, executed by the holder or transferee, as applicable, including in the case of a transfer that the transferee is either (1) a Qualified Purchaser and a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction or (2) the transferee is not a U.S. person and is acquiring such

interest in an offshore transaction and (B) appropriate instructions from DTC, if required, the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, the Global Note by the aggregate principal amount of the beneficial interest in the Global Note to be exchanged or transferred, record the exchange or transfer in the Register in accordance with Section 2.5(a) (*Registration, Registration of Transfer and Exchange*) and upon either (1) in the case of a requested Certificated Note, execution by the Issuer and authentication and delivery by the Trustee one or more corresponding Certificated Notes registered in the names specified in the instructions described in clause (B) above or (2) in the case of a requested Uncertificated Note, a Confirmation of Registration, in each case in principal amounts designated by the holder or the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in such Global Note exchanged by such holder or transferred by the transferor), and in Authorized Denominations.

(iv) Non-Clearing Agency Note to Regulation S Global Note. If a Holder of a Non-Clearing Agency Note (other than a Class E Note) wishes at any time to exchange its interest in such Non-Clearing Agency Note or to transfer such Non-Clearing Agency Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a corresponding Regulation S Global Note, such holder may, subject to Section 2.5(e) (*Registration, Registration of Transfer and Exchange*), the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Non-Clearing Agency Note for a beneficial interest in a Regulation S Global Note. Upon receipt by the Registrar of (A) either (1) in the case of an exchange or transfer of a Certificated Note, a Holder's Certificated Note properly endorsed for cancellation by such Holder or for assignment to the transferee or (2) in the case of a transfer or exchange of an Uncertificated Note, such documentation as the Registrar may request, (B) a certificate in the form of Exhibit B-1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Regulation S Global Notes, including that the Holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S, and (C) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC to be credited with such increase, the Registrar shall cancel such Non-Clearing Agency Note in accordance with Section 2.9 (*Cancellation*), record the transfer in the Register in accordance with Section 2.5(a) (*Registration, Registration of Transfer and Exchange*) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the Regulation S Global Note equal to the principal amount of the Non-Clearing Agency Note transferred or exchanged.

(v) Non-Clearing Agency Note to Rule 144A Global Note. If a Holder of a Non-Clearing Agency Note (other than a Class E Note) wishes at any time to exchange its interest in such Non-Clearing Agency Note or to transfer such Non-Clearing Agency Note to a Person who wishes to take delivery thereof in the form of

a beneficial interest in a corresponding Rule 144A Global Note, such holder (provided that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction), subject to Section 2.5(e) (*Registration, Registration of Transfer and Exchange*), the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Non-Clearing Agency Note for a beneficial interest in a corresponding Global Note. No Class A Notes may be converted into Class A Loans.

(ii) The Co-Issuers, the Collateral Manager, and any Converting Lender will be required to provide reasonable assistance to the Trustee, the Collateral Agent and the Loan Agent in connection with such conversion, including, but not limited to, providing instructions to DTC.

(a) If (i) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers may execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated,

defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

(b) If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

(c) In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

(d) Upon the issuance of any new Note under this Section 2.6 (*Mutilated, Defaced, Destroyed, Lost or Stolen Note*), the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

(e) Every new Note issued pursuant to this Section 2.6 (*Mutilated, Defaced, Destroyed, Lost or Stolen Note*) in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6 (*Mutilated, Defaced, Destroyed, Lost or Stolen Note*), to all the benefits of this Indenture and Security Agreement equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

(f) The provisions of this Section 2.6 (*Mutilated, Defaced, Destroyed, Lost or Stolen Note*) are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such Payment Date, and for the avoidance of doubt, without giving effect to the proviso to the definition of “Interest Accrual Period” addressing Fixed Rate Notes), except as otherwise set forth below. Payment of interest on each Class of Secured Debt (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1 (*Disbursements of Monies from Payment Account*) and Section 13.1 (*Subordination*). So long as any Priority Class is Outstanding with respect to a Deferrable Class, any payment of interest due on any such Deferrable Class which is not available to be paid (“Deferred Interest”) in accordance with the

Priority of Payments on any Payment Date shall not be considered “due and payable” for the purposes of Section 5.1(a) (*Events of Default*) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Debt and (iii) the Stated Maturity of such Class of Debt. Deferred Interest on any Deferrable Class shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (i) which is the Redemption Date with respect to such Class of Debt and (ii) which is the Stated Maturity of such Class of Debt. Regardless of whether any Priority Class is Outstanding with respect a Deferrable Class, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Debt) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest will not be due and payable on such Payment Date, but will be deferred and added to the principal balance of such Class for all purposes (including, for purposes of the Overcollateralization Ratio Test), and any failure to pay such previously accrued Deferred Interest on such Payment Date will not be an Event of Default. Interest will cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A Debt or Class B Note or, if there is no Class A Debt or Class B Notes Outstanding, any Class C Notes, or if no Class C Notes are Outstanding, any Class D Notes, or if no Class D Notes are Outstanding, any Class E Notes shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the applicable Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Debt or any Redemption Date), because of insufficient funds therefor shall not be considered “due and payable” for purposes of Section 5.1(a) (*Events of Default*) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Debt will be made in accordance with the Priority of Payments and Article IX.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a United States person within the meaning of

Section 7701(a)(30) of the Code) or other certification (including, with respect to FATCA, waivers of foreign law confidentiality) acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of Jersey, the United States, any other jurisdiction or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required under FATCA to determine if the Issuer is subject to withholding or payments by the Issuer are subject to withholding. The Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Collateral Agent in Dollars to DTC or its designee with respect to a Global Secured Note and to the Holder or its nominee with respect to a Non-Clearing Agency Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Secured Note, and to the Holder or its nominee with respect to a Non-Clearing Agency Note; provided that (1) in the case of a Non-Clearing Agency Note, the Holder thereof shall have provided written wiring instructions to the Collateral Agent on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Except with respect to any Uncertificated Note, upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Issuers, the Trustee, the Collateral Agent, the Loan Agent, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Secured Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$1,000 initial principal amount of Secured Debt and Subordinated

Notes and the place where such Notes may be presented and surrendered for such payment. All payments on the Class A Loans shall be made by the Collateral Agent or the applicable Paying Agent to the Loan Agent for disbursement in accordance with the Credit Agreement.

(f) Payments of principal to Holders of the Secured Debt of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Debt of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds (other than the Antares Holders Distribution Amounts, if any) shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to any Floating Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest on the Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months. Interest accrued with respect to the Class A Loans shall be calculated in accordance with the Credit Agreement.

(h) All reductions in the principal amount of a Note (or one or more predecessor Debt) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture and Security Agreement or the Credit Agreement, the obligations of the Applicable Issuers under the Debt and this Indenture and Security Agreement and the Credit Agreement are from time to time and at any time limited recourse obligations of the Applicable Issuers payable solely from the Assets available at such time and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture and Security Agreement, all obligations of and any remaining claims against the Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, authorized person or incorporator of the Issuers, the Collateral Manager or any Affiliates of the foregoing Person, successors or assigns for any amounts payable under the Debt or this Indenture and Security Agreement. It is understood that the foregoing provisions of this clause (i) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Debt or secured by this Indenture and Security Agreement until such Assets have been realized. It is further understood that the foregoing provisions of this clause (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Debt or this Indenture and Security Agreement or the Credit Agreement, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7 (*Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved*), each Note delivered under this Indenture and Security Agreement and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, the Collateral Agent, the Loan Agent, and any agent of the Issuer, the Co-Issuer, the Trustee, the Collateral Agent or the Loan Agent shall treat as the owner of Debt the Person in whose name such Debt is registered on the Register or the Loan Register, as applicable, on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Debt and on any other date for all other purposes whatsoever (whether or not such Debt is overdue), and none of the Issuer, the Co-Issuer, the Trustee, the Collateral Agent, the Loan Agent or any agent of the Issuer, the Co-Issuer, the Trustee, the Collateral Agent or the Loan Agent shall be affected by notice to the contrary.

Section 2.9 Cancellation. (a) All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly canceled by the Trustee and may not be reissued or resold. Except as provided in Section 2.9(b) (*Cancellation*), no Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein, or for registration of transfer, exchange or redemption in accordance with Article IX hereof (in the case of a Special Redemption or a mandatory redemption, only to the extent that such Special Redemption or mandatory redemption results in payment in full of the applicable Class of Notes), or for replacement in connection with any Note deemed lost or stolen. Any Notes surrendered for cancellation as permitted by this Section 2.9 (*Cancellation*) shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9 (*Cancellation*), except as expressly permitted by this Indenture and Security Agreement. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Applicable Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

(b) In addition to a cancellation pursuant to Section 2.9(a) (*Cancellation*), the Issuer may (x) apply any amount on deposit in the Financing Expense Account, as set forth in Section 10.3(f) (*Transaction Accounts*) to acquire Secured Debt (or beneficial interests therein), (y) in accordance with the Debt Payment Sequence, apply any amount on deposit in the Principal Collection Subaccount, as set forth in Section 10.2(a) (*Collection Account*) to acquire Secured Debt (or beneficial interests therein) in sequential order of priority and/or (z) apply any amount on deposit in the Contribution Account, as set forth in Section 10.3(g) (*Transaction Accounts*) to acquire Secured Debt (or beneficial interests therein), in each case, in accordance with applicable law (any such Secured Debt, “Repurchased Debt”). In addition, the following additional requirements shall apply to the acquisition of Repurchased Debt from Principal Proceeds on deposit in the Principal Collection Subaccount pursuant to Section 2.9 (b)(y) (*Cancellation*):

(i) any offer for such purchase must be extended to all Holders of Secured Debt of such Class (provided that no such Holder shall be obligated to accept any such offer);

(ii) no Event of Default has occurred and is continuing on the date of such offer or such acquisition;

(iii) each Coverage Test is satisfied both immediately before and immediately after giving effect to such acquisition,

(iv) to the extent that Sale Proceeds are used to consummate the acquisition by the Issuer of any such Repurchased Debt, each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests (except the S&P CDO Monitor Test) will be satisfied, maintained or improved after giving effect to such acquisition of Repurchased Debt;

(v) the purchase price of such Repurchased Debt must be at a discount from par; and

(vi) the Issuer (or the Collateral Manager on its behalf) has certified to the Trustee, the Loan Agent and the Collateral Agent that the conditions to such repurchase are satisfied.

Any such Repurchased Debt will be (i) in the case of Notes, delivered (at the direction of the Issuer (or the Collateral Manager on its behalf)) to the Trustee for cancellation and (ii) in the case of Class A Loans, deemed to be paid in full under the Credit Agreement. The Issuer will provide notice following its acquisition of any Repurchased Debt to each Rating Agency for so long as such Rating Agency is then rating a Class of Secured Debt. All Repurchased Debt will be promptly canceled by the Trustee, the Collateral Agent or the Loan Agent, as applicable, at the direction of the Issuer (or the Collateral Manager on its behalf) and may not be reissued or resold; provided that Repurchased Debt will continue to be treated as Outstanding under this Indenture and Security Agreement or the Credit Agreement, as applicable, solely for purposes of calculating any Coverage Test and the Coverage Ratio Event of Default and the Reinvestment Overcollateralization Test until all Debt of the applicable Class and each Class that is senior in right of payment thereto in the Debt Payment Sequence has been retired or redeemed, having an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount as of the date of repurchase, reduced proportionately with, and to the extent of, any payments of principal on Debt of the same Class thereafter.

Section 2.10 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 (Forms of Notes) shall be transferred in the form of a corresponding Non-Clearing Agency Note to the beneficial owners thereof if (A) such transfer complies with Section 2.5 (Registration, Registration of Transfer and Exchange) of this Indenture and Security Agreement and (B) any of (x) (i) DTC notifies the Applicable Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Issuers within 90 days after such event or (y) an Event of Default has occurred

and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Non-Clearing Agency Note to the beneficial owner thereof pursuant to this Section 2.10 (*DTC Ceases to be Depository*) shall be surrendered by DTC to the Trustee's office located in the Borough of Manhattan, The City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall (1) in the case of a requested Certificated Note, execute and the Trustee shall authenticate and deliver, one or more corresponding Certificated Notes, registered in accordance with the instructions of DTC or (2) in the case of a requested Uncertificated Note, Confirmation of Registration registered in accordance with the instructions of DTC, in each case in principal amounts designated by DTC (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in such Global Note exchanged), and in Authorized Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5 (*Registration, Registration of Transfer and Exchange*), bear the legends set forth in the applicable Exhibit A and all Non-Clearing Agency Notes shall be subject to the transfer restrictions referred to herein and in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10 (*DTC Ceases to be Depository*), the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture and Security Agreement or the Notes.

(d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10 (*DTC Ceases to be Depository*), the Applicable Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

(e) If Non-Clearing Agency Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10 (*DTC Ceases to be Depository*), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with this Indenture and Security Agreement (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Non-Clearing Agency Notes had been issued; provided that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership.

(f) Neither the Trustee, the Collateral Agent nor the Registrar shall be liable for any delay in the delivery of directions from DTC or any successor depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Non-Clearing Agency Notes shall be registered or as to delivery instructions for any Certificated Notes.

Section 2.11 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture and Security Agreement, any transfer of a beneficial interest

in any Note to (x) a U.S. person that is not a both (A) either (1) a Qualified Institutional Buyer or (2) with the written consent of the Applicable Issuers and solely in the case of Non-Clearing Agency Notes, an Accredited Investor (that, in the case of an Individual Accredited Investor, is also a Knowledgeable Employee) and (B) (1) a Qualified Purchaser or (2) solely in the case of Non-Clearing Agency Notes, a Knowledgeable Employee with respect to the Issuer or the Collateral Manager, (y) a non-U.S. person (as defined in Regulation S) or (z) a Non-Permitted AML Holder, shall be null and void *ab initio* and any such purported transfer of which the Issuer, the Co-Issuer, the Trustee or the Collateral Agent shall have notice may be disregarded by the Issuer, the Co-Issuer, the Trustee and the Collateral Agent for all purposes.

(b) If a Person becomes a Holder or a beneficial owner in violation of paragraph (a) of this Section 2.11 (*Non-Permitted Holders*) (any such person a “Non-Permitted Holder”) of an interest in any Subordinated Note, the acquisition of Notes by such holder shall be null and void *ab initio*. The Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer, the Trustee or the Collateral Agent (and notice by the Trustee or the Collateral Agent (if a Bank Officer of the Trustee or the Collateral Agent, as applicable, obtains actual knowledge) or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; provided that the Collateral Manager, its affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder and beneficial owner of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder and beneficial owner to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Collateral Manager, the Trustee and the Collateral Agent to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee, the Collateral Agent or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) If a Holder or beneficial owner of Notes fails for any reason to provide to the Issuer, the Trustee and any of their authorized agents with the Holder FATCA Information, or to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents, as applicable) to achieve FATCA Compliance, or such information or documentation is not accurate or complete or if such Holder’s or beneficial owner’s direct or indirect acquisition or holding of an interest in any

Note would cause the Issuer to be unable to achieve FATCA Compliance, the Issuer shall have the right, in addition to withholding on “passthru payments” (as defined in the Code), to (x) compel such Holder or beneficial owner to sell its interest in such Note within 30 days of notice from the Issuer (or the Collateral Manager on behalf of the Issuer) of its failure to comply with the foregoing requirement, (y) sell such interest on such Holder’s or beneficial owner’s behalf, and/or (z) assign to such Note a separate CUSIP number or numbers. Any such sale shall be conducted in accordance with the procedures set forth in Section 2.11(b) (*Non-Permitted Holders*).

(d) [Reserved].

(e) Notwithstanding anything to the contrary elsewhere in this Indenture and Security Agreement, any transfer of a beneficial interest in any Subordinated Note to a Person who has made an ERISA-related representation required by Section 2.5 (*Registration, Registration of Transfer and Exchange*) that is subsequently shown to be false or misleading shall be null and void *ab initio* and any such purported transfer of which the Issuer, the Co-Issuer, the Trustee or the Collateral Agent shall have notice may be disregarded by the Issuer, the Co-Issuer, the Trustee or the Collateral Agent for all purposes.

(f) If any Person shall become the Holder or beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Similar Law or Other Plan Law representation required by Section 2.5 (*Registration, Registration of Transfer and Exchange*) that is subsequently shown to be false or misleading or whose ownership or beneficial ownership otherwise causes a violation of the 25% Limitation (any such person a “Non-Permitted ERISA Holder”), the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Trustee or the Collateral Agent (if a Bank Officer of the Trustee or the Collateral Agent, as applicable, obtains actual knowledge) or the Co-Issuer to the Issuer, if either of them makes the discovery and who, in each case, agree to notify the Issuer of such discovery, send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Notes held by such Person or its interest in such Notes to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes, as applicable, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder. However, the Issuer may select the purchaser by any method it determines in its sole discretion. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer, the Trustee and the Collateral Agent to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Trustee, the

Collateral Agent, the Loan Agent or the Collateral Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(g) If a Holder of a Note shall fail for any reason to (i) comply with the Holder AML Obligations, (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note, or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Jersey AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.12 Treatment and Tax Certification. (a) The Issuer, the Co-Issuer, the Trustee and the Collateral Agent agree, and each Holder and each beneficial owner of a Secured Debt, by acceptance of such Secured Debt or an interest in such Secured Debt shall be deemed to have agreed, to treat, and shall treat, the Secured Debt as debt for United States federal and, to the extent permitted by law, state and local income and franchise tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority, it being understood that this shall not prevent a Holder or beneficial owner of Class E Notes from making a protective "qualified electing fund" election or filing protective information returns. The Issuer will also treat the Secured Debt as debt for legal, accounting and rating purposes.

(b) The Issuer, the Co-Issuer, the Trustee and the Collateral Agent agree, and each Holder and each beneficial owner of a Subordinated Note, by acceptance of such Subordinated Note or an interest in such Subordinated Note shall be deemed to have agreed, to treat, and shall treat, the Subordinated Notes as equity in the Issuer for United States federal and, to the extent permitted by law, state and local income and franchise tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority.

(c) Each Holder and beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to understand and acknowledge that failure to provide the Issuer (or its authorized agent), the Collateral Agent or any Paying Agent with the properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a United States person) or the failure to provide the Holder FATCA Information may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.

(d) Each Holder and beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to understand and acknowledge that the Issuer, the Trustee and the Collateral Agent may require certification or information acceptable to it (i) to permit the Issuer, the Trustee or the Collateral Agent to make payments to it without, or at a reduced rate of, withholding, (ii) to enable the Issuer, the Trustee and the Collateral Agent to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer

receives payments on its assets and (iii) to permit the Issuer or the Trustee to comply with any reporting requirements under applicable law (including any cost basis reporting obligations), and such Holder or beneficial owner agrees to provide any such certification that is requested by the Issuer.

been repaid in full; provided that, upon the final distribution of all proceeds of any liquidation of the Collateral Obligations, the Equity Securities and the Eligible Investments effected under this Indenture and Security Agreement, the foregoing requirement shall be deemed satisfied for the purposes of discharging this Indenture and Security Agreement following certification from the Collateral Manager that it has determined in its discretion that the Issuer's affairs have been wound up.

In connection with delivery by each of the Issuers of the Officer's certificate referred to above, the Collateral Agent will confirm to the Issuers that (i) to its knowledge, there are no Collateral Obligations that remain subject to the lien of this Indenture and Security Agreement and (ii) to its knowledge, all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture and Security Agreement (including the Priority of Payments) or have otherwise been irrevocably deposited in trust with the Collateral Agent for such purpose.

In connection with such discharge, the Collateral Agent shall notify the Trustee and the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders) (i) there are no pledged Collateral Obligations that remain subject to the lien of this Indenture and Security Agreement, (ii) all proceeds thereof have been distributed in accordance with the terms of this Indenture and Security Agreement (including the Priority of Payments) or are otherwise held in trust by the Collateral Agent for such purpose or as reserves and (iii) this Indenture and Security Agreement has been discharged. Upon the discharge of this Indenture and Security Agreement, the Collateral Agent shall provide such information to the Issuer or the Administrator as may be reasonably required by the Issuer or the Administrator in order for the liquidation of the Issuer to be completed.

Section 4.2 Application of Trust Money. All Cash and obligations deposited with the Collateral Agent pursuant to Section 4.1 (*Satisfaction and Discharge of Indenture and Security Agreement*) shall be held in trust and applied by it in accordance with the provisions of the Debt, the Credit Agreement and this Indenture and Security Agreement or to the winding up of the Issuer and the Co-Issuer, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Subordinated Notes), either directly or through any Paying Agent, as the Collateral Agent may determine; and such Cash and obligations shall be held in a segregated account identified as being held in trust for the benefit of the Secured Parties. The Trustee may release amounts held by the Issuer as reserves to pay expenses of winding up of the Issuer and the Co-Issuer at any time.

Section 4.3 Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture and Security Agreement with respect to the Notes, all Monies then held by any Paying Agent other than the Collateral Agent under the provisions of this Indenture and Security Agreement shall, upon demand of the Issuers, be paid to the Collateral Agent to be held and applied pursuant to Section 7.3 (*Money for Debt Payments*) hereof and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Issuers, (ii) the by the Collateral Agent, the Issuer, the Co-Issuer or the Collateral Manager and (iii) a Responsible Officer of the Collateral Manager shall notify each other. Upon

the occurrence of an Event of Default known to a Bank Officer of the Collateral Agent, the Collateral Agent, the Issuer, the Co-Issuer or the Collateral Manager, the Collateral Agent, the Issuer, the Co-Issuer or the Collateral Manager shall, not later than three Business Days thereafter, notify the Holders (as their names appear on the Register), the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders), each Paying Agent, the Collateral Agent, the Collateral Manager and the Issuer (and, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), the Issuer shall notify each Rating Agency and any Active Exchange) of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14 (*Waiver of Past Defaults*)).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f) (*Events of Default*), the Collateral Agent may, and shall, upon the written direction of a Supermajority of the Controlling Class, by notice to the Co-Issuer, the Issuer (subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), which notice the Issuer shall provide to each Rating Agency) and a Responsible Officer of the Collateral Manager, declare the principal of all the Secured Debt to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) (*Events of Default*) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Collateral Agent or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Collateral Agent as hereinafter provided in this Article V, a Supermajority of the Controlling Class by written notice to the Issuer and the Collateral Agent (with a copy to the Trustee and the Loan Agent), may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Collateral Agent a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Debt (other than any principal amounts due to the occurrence of an acceleration); and

(B) to the extent then due (other than as a result of the occurrence of an acceleration), all unpaid taxes and Administrative Expenses that have been invoiced as due and payable of the Issuers and other sums paid or advanced by the Trustee, the Collateral Agent, the Loan Agent hereunder or under the Credit Agreement or by the Collateral Administrator under the Collateral Administration Agreement or

hereunder, accrued and unpaid Collateral Management Fees and any other amounts then payable by the Issuers hereunder prior to such Administrative Expenses and such Collateral Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt that has become due solely by such acceleration, have either (A) been cured or (B) been waived as provided in Section 5.14 (*Waiver of Past Defaults*).

No such rescission shall affect any subsequent Default or Event of Default or impair any right consequent thereon. Notice of any such rescission pursuant to this Section 5.2(b) (*Acceleration of Maturity; Rescission and Annulment*) shall be provided by the Trustee to each Rating Agency so long such Rating Agency is then rating a Class of Secured Debt.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Collateral Agent. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Applicable Issuers will, upon demand of the Collateral Agent, pay to the Collateral Agent, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Agent and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Collateral Agent, in its own name and as collateral agent for the Secured Parties, may, and shall, subject to the terms of this Indenture and Security Agreement (including Section 6.3(e) (*Certain Rights of Trustee*)) upon direction of a Supermajority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other Obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Collateral Agent may in its discretion, and shall, subject to the terms of this Indenture and Security Agreement (including Section 6.3(e) (*Certain Rights of Trustee*)) upon written direction of a Supermajority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Collateral Agent shall deem most effectual (if no such direction is received by the Collateral Agent) or as the Collateral Agent may be directed by a Supermajority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture and Security Agreement or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Agent by this Indenture and Security Agreement or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other Obligor upon the Secured Debt under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other Obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other Obligor upon the Secured Debt, or the creditors or property of the Issuer, the Co-Issuer or such other Obligor, the Collateral Agent, regardless of whether the principal of any Secured Debt shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Collateral Agent shall have made any demand pursuant to the provisions of this Section 5.3 (*Collection of Indebtedness and Suits for Enforcement by Collateral Agent*), shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt upon direction by a Supermajority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Agent (including any claim for reasonable compensation to the Collateral Agent and each predecessor Collateral Agent, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Agent and each predecessor Collateral Agent, except as a result of negligence or bad faith) and of the Secured Debtholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other Obligor upon the Secured Debt or to the creditors or property of the Issuer, the Co-Issuer or such other Obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Debtholders upon the direction of a Supermajority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Collateral Agent on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Debtholders to make payments to the Collateral Agent, and, if the Collateral Agent shall consent to the making of payments directly to the Secured Debtholders to pay to the Collateral Agent, the Trustee and the Loan Agent such amounts as shall be sufficient to cover reasonable compensation to the Collateral Agent, each predecessor Collateral Agent, Trustee and Loan Agent, and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Collateral Agent, the Trustee and the Loan Agent, and each predecessor Collateral Agent, Trustee and Loan Agent except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Collateral Agent to authorize or consent to or vote for or accept or adopt on behalf of any Secured Debtholders, any

plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or any Holder thereof, or to authorize the Collateral Agent to vote in respect of the claim of any Secured Debtholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Collateral Agent on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture and Security Agreement to which the Collateral Agent shall be a party), the Collateral Agent shall be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 (*Collection of Indebtedness and Suits for Enforcement by Collateral Agent*) to the contrary, the Collateral Agent may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 (*Collection of Indebtedness and Suits for Enforcement by Collateral Agent*) except according to the provisions specified in Section 5.5(a) (*Optional Preservation of Assets*).

Section 5.4 Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Debt has been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuers agree that the Collateral Agent may, and shall, subject to the terms of this Indenture and Security Agreement (including Section 6.3(e) (*Certain Rights of Trustee*)), upon written direction of a Supermajority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture and Security Agreement and/or the Credit Agreement, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 (*Sale of Assets*) hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture and Security Agreement with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Collateral Agent and the Holders of the Secured Debt hereunder (including exercising all rights of the Collateral Agent under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Collateral Agent may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 (Remedies) except according to the provisions of Section 5.5(a) (Optional Preservation of Assets).

The Collateral Agent may, but need not, may obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Debt, which may be the Broker Dealer(s), as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 (Remedies) and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Debt which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) (Events of Default) hereof shall have occurred and be continuing the Collateral Agent may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, subject to the terms of this Indenture and Security Agreement (including Section 6.3(e) (Certain Rights of Trustee)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability. Any Holder at such sale may, in payment of the purchase price, deliver to the Trustee for cancellation any of the Debt in lieu of cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Debt so delivered by such Holder (taking into account the Class of such Debt, the Priority of Payments and Article XIII).

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Collateral Agent, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Issuers, the Trustee, the Collateral Agent, the Loan Agent and the Holders of the Secured Debt, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture and Security Agreement or the Credit Agreement, none of the Trustee, the Collateral Agent, the Loan Agent, the Secured Parties or the Holders (including beneficial owners thereof)

may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Debt, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any ETB Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding-up, moratorium or liquidation Proceedings, or other Proceedings under Jersey, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer or the Co-Issuer, the Issuer or the Co-Issuer, as applicable, subject to the availability of funds as described in the immediately following sentence and the requirements of any applicable laws, shall promptly object to the institution of any such proceeding against it and take all necessary or advisable steps to cause the dismissal of any such proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer or the Co-Issuer, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer or the Issuer (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Each Holder and any person who acquired a beneficial interest in a Debt shall be deemed to have accepted and agreed to the restrictions set forth in this subsection (d).

(ii) In the event one or more Holders or beneficial owners of Debt cause the filing of a petition in bankruptcy against the Issuer in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Debt that does not seek to cause any such filing, with such subordination being effective until each Secured Debt held by each Holder or beneficial owners of any Secured Debt that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). In connection therewith, the Issuer shall be entitled to direct the Trustee (and the Trustee shall be entitled to conclusively rely upon such direction) to segregate payments and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such Holder(s). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement". The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code. The Collateral Agent shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii) (*Remedies*).

(iii) Nothing in this Section 5.4 (Remedies) shall preclude, or be deemed to stop, the Collateral Agent (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any ETB Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Agent, or (ii) from commencing against the Issuer, the Co-Issuer or any ETB Subsidiary or any of their respective properties any legal action which is not a bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(iv) The parties hereto agree that the restrictions and the Bankruptcy Subordination Agreement provisions described in clause (ii) of this Section 5.4(d) (Remedies) are a material inducement for each Holder and beneficial owner of the Debt to acquire such Debt and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture and Security Agreement (in the case of the Issuer and the Co-Issuer), the Credit Agreement and the other applicable Transaction Documents and are an essential term of this Indenture and Security Agreement and the Credit Agreement. Any Holder or beneficial owner of Debt, any ETB Subsidiary or either of the Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, winding-up, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Jersey law, United States federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Collateral Agent shall retain the Assets intact (subject to clause (d) below), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Collateral Agent, pursuant to Section 5.5(c) (Optional Preservation of Assets), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Debt (including any amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any amounts payable to any Hedge Counterparty pursuant to an early termination (or partial early termination) of the related Hedge Agreement as a result of a Priority Termination Event and any due and unpaid Collateral Management Fees) and a Supermajority of the Controlling Class agrees with such determination;

(ii) if the Class A Debt is Outstanding and an Event of Default specified in clauses (a), (e), (f) or (g) of Section 5.1 (*Events of Default*) has occurred and is continuing (without regard to whether another Event of Default has occurred prior,

contemporaneously or subsequent to such Event of Default), the Holders of a Supermajority of the Class A Debt direct the sale and liquidation of the Assets; provided that this clause (ii) shall not apply in the case of an Event of Default pursuant to clause (a)(i) of the definition of “Event of Default” relating to the failure to pay interest on any Secured Debt (other than the Class A Debt) while the Class A Debt is the Controlling Class that arises solely from the application of monies in accordance with the order of priorities set forth in Section 11.1(a)(iv) (*Disbursements of Monies from Payment Account*) due to the acceleration of the Secured Debt resulting from an Event of Default arising pursuant to clauses (b), (c) or (d) of the definition of “Event of Default”; or

(iii) in the case of an Event of Default other than an Event of Default specified in Section 5.5(a)(ii) (*Optional Preservation of Assets*), the Holders of a Supermajority of the Aggregate Outstanding Amount of each Class of Secured Notes (each voting separately by Class) direct the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) (*Optional Preservation of Assets*) may be rescinded at any time when the conditions specified in clause (i), (ii) or (iii) exist. Notice of any such sale and liquidation pursuant to this Section 5.5(a) (*Optional Preservation of Assets*) shall be provided by the Collateral Agent to each Rating Agency so long such Rating Agency is then rating a Class of Secured Debt.

(b) Nothing contained in Section 5.5(a) (*Optional Preservation of Assets*) shall be construed to require the Collateral Agent to sell the Assets securing the Secured Debt if the conditions set forth in clause (i), (ii) or (iii) of Section 5.5(a) (*Optional Preservation of Assets*) are not satisfied. Nothing contained in Section 5.5(a) (*Optional Preservation of Assets*) shall be construed to require the Collateral Agent to preserve the Assets securing the Debt if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) (*Optional Preservation of Assets*) exists, the Collateral Agent shall use reasonable efforts to obtain, with the cooperation of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In the event that the Collateral Agent, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to a security contained in the Assets from one nationally recognized dealer at the time making a market in such securities, the Collateral Agent shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) (*Optional Preservation of Assets*) exists, the Collateral Agent may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Collateral Agent shall deliver to the Trustee (who shall forward to the Holders), the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders), and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) (Optional Preservation of Assets) no later than 10 days after such determination is made. The Collateral Agent shall make the determinations required by Section 5.5(a)(i) (Optional Preservation of Assets) within 30 days after the request of a Supermajority of the Controlling Class at any time during which the Collateral Agent retains the Assets pursuant to Section 5.5(a)(i) (Optional Preservation of Assets).

(d) Unsalable Assets may continue to be sold by the Issuer pursuant to and in accordance with Section 12.1(k) (Sales of Collateral Obligations) while an Event of Default has occurred and is continuing and the Collateral Agent shall have no additional obligations with respect to such Unsalable Assets as a result of an Event of Default.

Section 5.6 Collateral Agent May Enforce Claims Without Possession of Instruments Evidencing Debt. All rights of action and claims under this Indenture and Security Agreement, the Credit Agreement or under any of the Secured Debt (including a Secured Debt that is a Non-Clearing Agency Note) may be prosecuted and enforced by the Collateral Agent without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Collateral Agent shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 (Application of Money Collected) hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Collateral Agent with respect to the Debt pursuant to this Article V and any Money that may then be held or thereafter received by the Collateral Agent with respect to the Debt hereunder shall be applied, subject to Section 13.1 (Subordination) and in accordance with the provisions of Section 11.1(a)(iv) (Disbursements of Monies from Payment Account), on each Payment Date or on such date or dates fixed by the Collateral Agent. Upon the final distribution of all proceeds of any liquidation of the Collateral Obligations, Equity Securities and the Eligible Investments effected hereunder, the provisions of Section 4.1(a) and (b) (Satisfaction and Discharge of Indenture and Security Agreement) shall be deemed satisfied for the purposes of discharging this Indenture and Security Agreement pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Debt shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Indenture and Security Agreement or the Credit Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Collateral Agent, the Issuer and the Collateral Manager written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Debt of the Controlling Class shall have made written request to the Collateral Agent to institute Proceedings in respect of such Event of Default in its own name as Collateral Agent hereunder and such Holder or Holders have provided the Collateral Agent indemnity reasonably satisfactory to the Collateral Agent against the

costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Collateral Agent, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Collateral Agent during such 30-day period by a Supermajority of the Controlling Class; it being understood and intended that no one or more Holders of Debt shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture and Security Agreement to affect, disturb or prejudice the rights of any other Holders of Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Debt of the same Class or to enforce any right under this Indenture and Security Agreement or the Credit Agreement, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Debt of the same Class subject to and in accordance with Section 13.1 (Subordination) and the Priority of Payments.

In the event the Collateral Agent shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 (Limitation on Suits) from two or more groups of Holders of the Controlling Class, each representing less than a Supermajority of the Controlling Class, the Collateral Agent shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture and Security Agreement. If all such groups represent the same percentage, the Collateral Agent, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Debtholders to Receive Principal and Interest. Subject to Section 2.7(i) (Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved) but notwithstanding any other provision of this Indenture and Security Agreement or the Credit Agreement, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1 (Subordination), as the case may be, and, subject to the provisions of Section 5.4(d) (Remedies) and Section 5.8 (Limitation on Suits), to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Debt still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) (Remedies) and Section 5.8 (Limitation on Suits), and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Collateral Agent or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and Security Agreement or the Credit Agreement and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Collateral Agent or to such

Holder, then and in every such case the Issuers, the Collateral Agent and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Collateral Agent and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Collateral Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Collateral Agent or any Holder of Secured Debt to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Collateral Agent or to the Holders of the Secured Debt may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Agent or by the Holders of the Secured Debt.

Section 5.13 Control by Supermajority of Controlling Class. A Supermajority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Collateral Agent or exercising any trust or power conferred upon the Collateral Agent under this Indenture and Security Agreement; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture and Security Agreement or the Credit Agreement;

(b) the Collateral Agent may take any other action deemed proper by the Collateral Agent that is not inconsistent with such direction; provided that subject to Section 6.1 (*Certain Duties and Responsibilities*), the Collateral Agent need not take any action that it determines might involve it in liability or expense (unless the Collateral Agent and the Trustee have received the indemnity as set forth in clause (c) below);

(c) the Collateral Agent and the Trustee shall have been provided with indemnity reasonably satisfactory to them; and

(d) notwithstanding the foregoing, any direction to the Collateral Agent to undertake a Sale of the Assets shall be by the Holders of Debt representing the requisite percentage of the Aggregate Outstanding Amount of Debt specified in Section 5.4 (*Remedies*) and/or Section 5.5 (*Optional Preservation of Assets*).

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Collateral Agent, as provided in this Article

V, a Supermajority of the Controlling Class may on behalf of the Holders of all the Debt waive any past Default or Event of Default and its consequences, except any Event of Default or occurrence described below that will require the additional consent of:

- (a) in the case of failure to pay principal of any Secured Debt, the consent of the Holder of such Secured Debt;
- (b) in the case of a failure to pay interest to the Controlling Class, the consent of 100% of the Holders of the Controlling Class; or
- (c) in respect of a covenant or provision hereof that under Section 8.2 (*Supplemental Indentures With Consent of Holders of Debt*) cannot be modified or amended without the waiver or consent of the Holder of each such Outstanding Debt materially and adversely affected thereby (which may be waived only with the consent of the Holder of each such Outstanding Debt).

In the case of any such waiver, the Issuers, the Collateral Agent and the Holders of the Debt shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Collateral Agent shall promptly give written notice of any such waiver to a Responsible Officer of the Collateral Manager, the Trustee, the Loan Agent, the Issuer (and, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), the Issuer shall provide such notice to each Rating Agency) and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture and Security Agreement.

Section 5.15 Undertaking for Costs. All parties to this Indenture and Security Agreement agree, and each Holder of any Debt by such Holder's acceptance thereof or its entry into the Credit Agreement, shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture and Security Agreement, or in any suit against the Collateral Agent or the Trustee for any action taken, or omitted by it as Collateral Agent or Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 (*Undertaking for Costs*) shall not apply to any suit instituted by the Collateral Agent, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 15% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Debt on or after the applicable Stated Maturity (or, in the case of redemption or prepayment, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any

valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture and Security Agreement; and the Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Collateral Agent, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets.(a) The Collateral Agent's power to effect any sale (a "Sale") of any portion of the Assets pursuant to Section 5.4 (Remedies) and Section 5.5 (Optional Preservation of Assets) shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Collateral Agent may upon notice to the Trustee (who shall forward such notice to the Holders), the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders) and a Responsible Officer of the Collateral Manager, and shall, upon direction of a Supermajority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Collateral Agent hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Collateral Agent shall be authorized to deduct the reasonable costs, charges and expenses (including but not limited to costs and expenses of counsel) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 (Compensation and Reimbursement) or other applicable terms hereof.

(b) The Collateral Agent, the Collateral Manager, any Affiliate of the Collateral Manager and one or more funds or accounts managed by the Collateral Manager or Affiliates of the Collateral Manager may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and the Collateral Agent may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses (including but not limited to costs and expenses of counsel) incurred by the Collateral Agent in connection with such Sale notwithstanding the provisions of Section 6.7 (Compensation and Reimbursement) hereof or other applicable terms hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Debt. The Collateral Agent may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture and Security Agreement.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Collateral Agent may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Supermajority of the Controlling Class, seek a no action position from the United States Securities and Exchange Commission or any other relevant U.S. federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Collateral Agent shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Collateral Agent is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Collateral Agent's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Collateral Agent shall provide notice of any public Sale to the Holders of the Subordinated Notes and the Collateral Manager at least 10 days prior to such public Sale, and the Collateral Manager, its Affiliates and the Holders of the Subordinated Notes shall be permitted to participate in any such public Sale to the extent permitted by applicable law and such Holders, the Collateral Manager or its Affiliates, as the case may be, meet any applicable eligibility requirements with respect to such Sale.

Section 5.18 Action on the Debt. The Collateral Agent's right to seek and recover judgment on the Debt or under this Indenture and Security Agreement shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture and Security Agreement. Neither the lien of this Indenture and Security Agreement nor any rights or remedies of the Collateral Agent or the Holders shall be impaired by the recovery of any judgment by the Collateral Agent against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE AND THE COLLATERAL AGENT

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and Security Agreement, and no implied covenants or obligations shall be read into this Indenture and Security Agreement against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture and Security Agreement; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and Security Agreement and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or

opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture and Security Agreement, exercise such of the rights and powers vested in it by this Indenture and Security Agreement, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture and Security Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1 (*Certain Duties and Responsibilities*);

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Bank Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Collateral Manager in accordance with this Indenture and Security Agreement and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture and Security Agreement;

The Trustee shall not be accountable for the use or application by the Issuers of the Debt or the proceeds thereof or any Money paid to the Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Debt. The Trustee, the Collateral Agent, the Loan Agent, any Paying Agent, Registrar or any other agent of the Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Issuers or any of their Affiliates with the same rights it would have if it were not the Trustee, Collateral Agent, Loan Agent, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture and Security Agreement or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4 (Remedies), Section 5.5 (Optional Preservation of Assets), Section 6.3(c) (Certain Rights of Trustee) or Section 10.9 (Reports by Independent Accountants), except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorney's fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or performance of its duties hereunder, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 (Certain Duties of Trustee Related to Delayed Payment of Proceeds) or Article V, respectively.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 (Compensation and Reimbursement) and any other amounts payable to it under this Indenture and Security Agreement or in any of the Transaction Documents to which the Trustee is a party only as provided in Section 11.1(a)(i), (ii) and (iii) (Disbursements of Monies from Payment Account) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9 (Resignation and Removal; Appointment of Successor), the Trustee shall continue to serve as Trustee under this Indenture and Security Agreement notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9 (Resignation and Removal; Appointment of Successor). No direction by the Holders shall affect the right of the Trustee to collect amounts owed to it under this Indenture and Security Agreement. If on any date when a fee or an expense shall be payable to the Trustee pursuant to this Indenture and Security Agreement insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 (Compensation and Reimbursement) until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Debt issued under this Indenture and Security Agreement and incurred under the Credit Agreement.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 (Compensation and Reimbursement) shall be secured by the lien of this Indenture and Security Agreement payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and Security Agreement and the resignation or removal of the Trustee.

Section 6.8 Corporate Trustee and Collateral Agent Required; Eligibility. There shall at all times be a Trustee and a Collateral Agent hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a long-term issuer rating of at least "BBB+" by S&P, a short-term issuer rating of at least "F1" by Fitch and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8 (Corporate Trustee and Collateral Agent Required; Eligibility), the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee or the Collateral Agent shall cease to be eligible in accordance with the provisions of this Section 6.8 (Corporate Trustee and Collateral Agent Required; Eligibility), it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10 (Acceptance of Appointment by Successor).

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Collateral Agent, the Loan Agent, the Issuers (and, subject to Section 14.3(c) (Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency), the Issuer shall provide notice to each Rating Agency), the Collateral Manager and the Holders of the Debt. Upon receiving such notice of resignation, the Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 (Corporate Trustee and Collateral Agent Required; Eligibility) by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided that such successor Trustee shall be appointed only upon an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others

similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*).

(c) The Trustee may be removed at any time upon 30 days written notice to the Trustee by Act of a Majority of each Class of Secured Debt (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Issuers. If, at any time, the Bank shall resign or be removed as loan agent under the Credit Agreement, such resignation or removal shall not be deemed to be a resignation or removal of the Trustee as trustee hereunder.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) and shall fail to resign after written request therefor by the Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a) (*Resignation and Removal; Appointment of Successor*)), (A) the Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15 (*Undertaking for Costs*), any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Issuers, by Issuer Order, may appoint a successor Trustee. If the Issuers shall fail to appoint a successor Trustee within 60 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Issuers. If no successor Trustee shall have been so appointed by the Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15 (*Undertaking for Costs*), the Trustee or any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by written notice of such event to the Collateral Agent, the Loan Agent and the Collateral Manager, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), each Rating Agency and to the Holders of the Debt as

their names and addresses appear in the Register or a Loan Register, as applicable. Each notice shall include the name of the successor Trustee and the address of its Corporate Office. If the Issuers fail to so notify within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), such notice to be given at the expense of the Issuers.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) and shall execute, acknowledge and deliver to the Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuers or a Majority of any Class of Secured Debt or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, the Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (only if the requirements set forth in Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) relating to trustee eligibility are not satisfied, subject to satisfaction of the Global Rating Agency Condition), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 (*Collateral Agent May Enforce Claims Without Possession of Instruments Evidencing Debt*) herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12 (*Co-Trustees*).

The Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuers. The Issuers agree to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A) (*Disbursements of Monies from Payment Account*), for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12 (*Co-Trustees*), and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12 (*Co-Trustees*);

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of the Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), the Issuer shall notify each Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Collateral Agent Related to Delayed Payment of Proceeds. If the Collateral Agent shall not have received a payment with respect to any Asset on its Due Date, (a) the Collateral Agent shall promptly notify the Issuer and the Collateral Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Collateral Agent or (y) the Issuer, in its discretion, shall have made provision for such payment satisfactory to the Collateral Agent, the Collateral Agent shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the Obligor on such Asset, the agent under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Collateral Agent, subject to the provisions of clause (iv) of Section 6.18(b) (Certain Duties and Responsibilities of the Collateral Agent), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture and Security Agreement. If the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.8 (Release of Securities) and Article XII of this Indenture and Security Agreement, as the case may be. Notwithstanding any other provision hereof, the Collateral Agent shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Collateral Agent in accordance with this Section 6.13 (Certain Duties of Collateral Agent Related to Delayed Payment of Proceeds) and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Section 2.4 (Execution, Authentication, Delivery and Dating), Section 2.5 (Registration, Registration of Transfer and Exchange), Section 2.6 (Mutilated, Defaced, Destroyed, Lost or Stolen Note) and Section 8.5 (Reference in Notes to Supplemental Indentures), as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture and Security Agreement, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 (Authenticating Agents) shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Section 2.8 (*Persons Deemed Owners*), Section 6.4 (*Not Responsible for Recitals or Issuance of Notes*) and Section 6.5 (*May Hold Debt*) shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Notes, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Collateral Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer (but such authorization shall not prevent the Collateral Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings) or may be withheld because of a failure by a Holder or beneficial owner to provide, update or correct the Holder FATCA Information and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Debt shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Collateral Agent. If there is a possibility that withholding tax is payable with respect to a distribution, the Paying Agent or the Collateral Agent may, in its sole discretion, withhold such amounts in accordance with this Section 6.15 (*Withholding*). If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Collateral Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Collateral Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Collateral Agent or the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Debt.

Section 6.16 Representative for Secured Debtholders Only; Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any item of Asset to the Collateral Agent is to the Collateral Agent as representative of the Secured Debtholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Collateral Agent of any Asset, the endorsement to or registration in the name of the Collateral Agent of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Collateral Agent in its capacity as representative of the Secured Debtholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, collateral agent, loan agent, paying agent, registrar, transfer agent and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Collateral Agent, Loan Agent, Paying Agent, Registrar, Transfer Agent and Calculation Agent under this Indenture and Security Agreement and the Credit Agreement. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture and Security Agreement and the Credit Agreement, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture and Security Agreement has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture and Security Agreement and the Credit Agreement, nor the consummation of the transactions contemplated by this Indenture and Security Agreement or the Credit Agreement will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound that could or could reasonably be expected to have a material adverse effect on the Bank's ability to perform its obligation under this Indenture and Security Agreement.

Section 6.18 The Collateral Agent.

(a) General. Each of the Holders by acceptance of the Notes hereby designates and appoints the Collateral Agent as its agent under this Indenture and Security Agreement and the Securities Account Control Agreement and each of the Holders by acceptance of the Debt hereby irrevocably authorizes the Collateral Agent to take such action on its behalf under the provisions of this Indenture and Security Agreement and the Securities Account Control Agreement, and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Indenture and Security Agreement, together with such powers as are reasonably incidental thereto. The Collateral Agent shall not have or be deemed to have any fiduciary relationship with the Trustee, any Holder or any Issuer, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture and Security Agreement or otherwise exist against the Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Indenture

and Security Agreement with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

The Collateral Agent is authorized and directed to (i) enter into this Indenture and Security Agreement, the Securities Account Control Agreement and the Credit Agreement, (ii) bind the Holders of Notes and the Class A Lenders on the terms as set forth in this Indenture and Security Agreement, the Securities Account Control Agreement and the Credit Agreement and (iii) perform and observe its obligations under this Indenture and Security Agreement, the Securities Account Control Agreement and the Credit Agreement.

The Collateral Agent is each Secured Party's agent for the purpose of perfecting the Secured Party's security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code (or other personal property security legislation) can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Issuers, the Trustee shall notify the Collateral Agent thereof, and, promptly upon the Collateral Agent's request therefor shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

(b) Certain Duties and Responsibilities of the Collateral Agent.

(i) Except during the continuance of an Event of Default known to the Collateral Agent:

(A) the Collateral Agent undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and Security Agreement, and no implied covenants or obligations shall be read into this Indenture and Security Agreement against the Collateral Agent; and

(B) in the absence of bad faith on its part, the Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Collateral Agent and conforming to the requirements of this Indenture and Security Agreement; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Collateral Agent, the Collateral Agent shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and Security Agreement and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Collateral Agent within 15 days after such notice from the Collateral Agent, the Collateral Agent shall so notify the Holders.

(ii) In case an Event of Default known to the Collateral Agent has occurred and is continuing, the Collateral Agent shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture and Security Agreement, exercise such of the rights and powers vested in it by this Indenture and Security Agreement, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(iii) No provision of this Indenture and Security Agreement shall be construed to relieve the Collateral Agent from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(A) this subsection shall not be construed to limit the effect of subsection (b)(i) of this Section 6.18 (*The Collateral Agent*);

(B) the Collateral Agent shall not be liable for any error of judgment made in good faith by a Bank Officer, unless it shall be proven that the Collateral Agent was negligent in ascertaining the pertinent facts;

(C) the Collateral Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Collateral Manager in accordance with this Indenture and Security Agreement and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Collateral Agent, or exercising any trust or power conferred upon the Collateral Agent, under this Indenture and Security Agreement;

(D) no provision of this Indenture and Security Agreement shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it; and

(E) in no event shall the Collateral Agent be liable for special, indirect, punitive or consequential loss or damage (including to lost profits) even if the Collateral Agent has been advised of the likelihood of such damages and regardless of such action.

(iv) For all purposes under this Indenture and Security Agreement, the Collateral Agent shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d), (e), (f), (g) or (h) (*Events of Default*) unless a Bank Officer assigned to and working in the Corporate Office has actual

knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Collateral Agent at the Corporate Office, and such notice references the Debt generally, the Issuer, the Co-Issuer, the Assets or this Indenture and Security Agreement. For purposes of determining the Collateral Agent's responsibility and liability hereunder, whenever reference is made in this Indenture and Security Agreement to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Collateral Agent is deemed to have notice as described in this Section 6.18(b) (*Certain Duties and Responsibilities of the Collateral Agent*).

(v) Whether or not therein expressly so provided, every provision of this Indenture and Security Agreement relating to the conduct or affecting the liability of or affording protection to the Collateral Agent shall be subject to the provisions of this Section 6.18(b) (*Certain Duties and Responsibilities of the Collateral Agent*).

(vi) The Collateral Agent shall not have any obligation to (i) confirm the compliance by the Issuer or the Retention Holder with the Risk Retention Requirements, including without limitation in connection with any additional issuance, Re-Pricing or Refinancing or (ii) determine AML Compliance.

(vii) The Collateral Agent is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager.

(viii) The Collateral Agent shall have no obligation to determine or verify whether (i) any requirement for a Contribution is satisfied, (ii) the Initial Majority Class A Holder Condition is satisfied, (iii) any Collateral Obligation is an Antares Collateral Obligation, or whether any Repurchase and Substitution Limit or Substitute Collateral Obligations Qualification Conditions are satisfied in respect of any purchase or substitution thereof, (iv) whether a Tax Event has occurred, (v) the Workout Payment Condition is satisfied or whether a Workout Loan that is a Qualified Workout Loan or (vi) any Holder (or beneficial owner) has complied with the Holder AML Obligations.

(ix) In connection with its execution and delivery of the Credit Agreement, and the performance of duties thereunder, the Collateral Agent shall be entitled to all rights, benefits, protections, immunities and indemnities provided to it under this Indenture, *mutatis mutandis*.

(c) Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to an Officer of the Collateral Agent or after any declaration of acceleration has been made or delivered to the Collateral Agent pursuant to Section 5.2 (*Acceleration of Maturity; Rescission and Annulment*), the Collateral Agent shall transmit by mail or e-mail to a Responsible Officer of the Collateral Manager, the Issuer (and, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), the Issuer shall provide such notice to each Rating Agency), and all Holders, as their names and addresses

appear on the Register, and any Active Exchange, notice of all Event of Defaults hereunder known to the Collateral Agent, unless such Event of Default shall have been cured or waived.

(d) Certain Rights of Collateral Agent. Except as otherwise provided in Section 6.18(b) (*Certain Duties and Responsibilities of the Collateral Agent*):

(i) the Collateral Agent may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, electronic communication, note or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(ii) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(v) the Collateral Agent shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture and Security Agreement at the request or direction of any of the Holders pursuant to this Indenture and Security Agreement, unless such Holders shall have provided to the Collateral Agent security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in complying with such request or direction;

(viii) the Collateral Agent shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Collateral Manager;

(xii) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a “securities intermediary” as defined in the UCC) to the contrary, none of the Collateral Agent, the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Collateral Agent of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(xiii) in the event the Bank, or its Affiliates, is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Trustee, Loan Agent Custodian, Calculation Agent, Securities Intermediary or as a financial reporting agent, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Agent pursuant to this Article VI (*The Trustee and the Collateral Agent*) shall also be afforded to the Bank and such Affiliates acting in such capacities; provided, that the foregoing shall not be construed to impose upon such Person the duties or standard of care (including any prudent person standard) of the Collateral Agent; provided, further, that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Credit Agreement, the Securities Account Control Agreement or any other documents to which the Bank in such capacity is a party;

(xv) the Collateral Agent shall not be required to give any bond or surety in respect of the execution of this Indenture and Security Agreement or otherwise;

(xvi) the Collateral Agent shall not be deemed to have notice or knowledge of any matter unless a Bank Officer assigned to and working in the Corporate Office has actual knowledge thereof or unless written notice thereof is received by the Collateral Agent at the Corporate Office and such notice references the Debt generally, the Issuer, the Co-Issuer or this Indenture and Security Agreement;

(xvii) the Collateral Agent shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communication services);

(xviii) to help fight the funding of terrorism and money laundering activities, the Collateral Agent will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Collateral Agent. The Collateral Agent may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(xix) to the extent not inconsistent herewith, the rights, protections, immunities and indemnities afforded to the Collateral Agent pursuant to this Indenture and Security Agreement also shall be afforded to the Bank in each of its capacities; provided, that the foregoing shall not be construed to impose upon such Person the duties or standard of care (including any prudent Person standard) of the Collateral Agent;

(xx) in making or disposing of any investment permitted by this Indenture and Security Agreement, the Collateral Agent is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Collateral Agent or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(xxiii) the Collateral Agent shall not be responsible for (a) monitoring or verifying whether any Applicable Risk Retention Requirement or other requirements of the Securitisation Regulations, the U.S. Risk Retention Rules or the retention rules or regulations of other jurisdictions have been met or (b) determining (i) if a Collateral Obligation, Equity Security, Eligible Investment or Workout Loan meets the criteria or eligibility restrictions specified in the definition thereof or otherwise imposed by this Indenture and Security Agreement or (ii) whether the conditions specified in the definition of "Deliver," "Delivered" or "Delivery" have been complied with;

(xxiv) unless the Collateral Agent receives written notice of an error or omission related to financial information or disbursements provided to the Holders within 90 days following the Holders' receipt of the same, the Collateral Agent shall have no liability in

connection with such and, absent direction by the requisite percentage of Holders entitled to direct the Collateral Agent, no further obligation in connection thereof;

(xxv) the Collateral Agent will be under no obligation to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with the Grant by the Issuer to the Collateral Agent of any item constituting the Collateral or otherwise, or in that regard to examine any Underlying Instruments, in order to determine compliance with applicable requirements of and restrictions on transfer of a Collateral Obligation;

(xxvii) if, within 90 days after delivery of financial information (including by posting to the Collateral Agent's Website) or the making of disbursements, the Collateral Agent receives written notice of an error or omission related thereto (a copy of which written notice the Collateral Agent shall promptly provide to the Collateral Manager and the Issuer), and within five Business Days after its receipt of a copy of such written notice the Collateral Manager, on behalf of the Issuer, confirms such error or omission, then the Collateral Agent agrees to use reasonable efforts to correct such error or omission. If the v is not so notified within such 90-day period and no Bank Officer of the Collateral Agent has actual knowledge within such 90-day period of such error or omission, the Collateral Agent shall have no liability for such error or omission and, absent direction by the requisite percentage of Holders entitled to direct the Collateral Agent in the exercise of remedies hereunder, shall not be required to take any action in connection therewith.

The Collateral Agent or any other agent of the Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Issuers or any of their Affiliates with the same rights it would have if it were not Collateral Agent. The recitals contained herein and in the Notes shall be taken as the statements of the Applicable Issuers; and the Collateral Agent assumes no responsibility for their correctness. The Collateral Agent makes no representation as to the validity or sufficiency of this Indenture and Security Agreement or the Credit Agreement (except as may be made with respect to the validity of the Collateral Agent's obligations hereunder), the Assets or the Debt. The Collateral Agent shall not be accountable for the use or application by the Issuers of the Debt or the proceeds thereof or any Money paid to the Issuers pursuant to the provisions hereof.

(f) Compensation and Reimbursement. The Issuer agrees:

(i) to pay the Collateral Agent on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder;

(ii) except as otherwise expressly provided herein, to reimburse the Collateral Agent in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Collateral Agent in accordance with any provision of this Indenture and Security Agreement or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Collateral Agent pursuant to Section 5.4 (Remedies), Section 5.5 (Optional Preservation of the Assets), Section 6.18(d) (Certain Rights of the Collateral Agent) or Section 10.9 (Reports by Independent Accountants), except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Collateral Agent's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Collateral Agent and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable attorney's fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or performance of its duties hereunder, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Collateral Agent reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 (Certain Duties of Collateral Agent Related to Delayed Payment of Proceeds) or Article V (Remedies), respectively.

The Collateral Agent shall receive amounts pursuant to this Section 6.18(f) (Compensation and Reimbursement) and any other amounts payable to it under this Indenture and Security Agreement or in any of the Transaction Documents to which the Collateral Agent is a party only as provided in Section 11.1(a)(i), (ii) and (iii) (Disbursements of Monies from Payment Account) but only to the extent that funds are available for the payment thereof. Subject to Section 6.18(g) (Resignation and Removal; Appointment of Successor), the Collateral Agent shall continue to serve as Collateral Agent under this Indenture and Security Agreement notwithstanding the fact that the Collateral Agent shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Collateral Agent's rights under Section 6.18(g) (Resignation and Removal; Appointment of Successor). No direction by the Holders shall affect the right of the Collateral Agent to collect amounts owed to it under this Indenture and Security Agreement. If on any date when a fee or an expense shall be payable to the Collateral Agent pursuant to this Indenture and Security Agreement insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

The Collateral Agent hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Collateral Agent of any amounts provided by this Section 6.18(f) (*Compensation and Reimbursement*) until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Debt issued under this Indenture and Security Agreement and incurred under the Credit Agreement.

The Issuer's payment obligations to the Collateral Agent under this Section 6.18(f) (*Compensation and Reimbursement*) shall be secured by the lien of this Indenture and Security Agreement payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and Security Agreement and the resignation or removal of the Collateral Agent.

(g) Resignation and Removal; Appointment of Successor. (i) No resignation or removal of the Collateral Agent and no appointment of a successor Collateral Agent pursuant to this Article VI (*The Trustee and the Collateral Agent*) shall become effective until the acceptance of appointment by the successor Collateral Agent under Section 6.18(h) (*Acceptance of Appointment by Successor*).

(i) The Collateral Agent may resign at any time by giving not less than 30 days' written notice thereof to the Trustee, the Loan Agent, the Issuers (and, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), the Issuer shall provide notice to each Rating Agency then rating a Class of Secured Debt), the Collateral Manager and the Holders of the Debt. Upon receiving such notice of resignation, the Issuers shall promptly appoint a successor collateral agent satisfying the requirements of Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Collateral Agent so resigning and one copy to the successor Collateral Agent, together with a copy to each Holder and the Collateral Manager; provided that such successor Collateral Agent shall be appointed only upon an Act of a Majority of the Controlling Class. If no successor Collateral Agent shall have been appointed and an instrument of acceptance by a successor Collateral Agent shall not have been delivered to the Collateral Agent within 30 days after the giving of such notice of resignation, the resigning Collateral Agent or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Collateral Agent satisfying the requirements of Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*).

(ii) The Collateral Agent may be removed upon 30 days written notice to the Collateral Agent at any time by Act of a Majority of each Class of Secured Debt (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Collateral Agent and to the Issuers. If, at any time, the Bank shall resign or be removed as loan agent under the Credit Agreement, such resignation or removal shall not be deemed to be a resignation or removal of the Trustee as trustee hereunder.

(iii) If at any time:

(A) the Collateral Agent shall cease to be eligible under Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) and shall fail to resign after written request therefor by the Issuers or by any Holder; or

(B) the Collateral Agent shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Collateral Agent or of its property shall be appointed or any public officer shall take charge or control of the Collateral Agent or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.18(g)(iv) (*Resignation and Removal; Appointment of Successor*), (A) the Issuers, by Issuer Order, may remove the Collateral Agent, or (B) subject to Section 5.15 (*Undertaking for Costs*), any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Collateral Agent and the appointment of a successor Collateral Agent.

(iv) If the Collateral Agent shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Collateral Agent for any reason (other than resignation), the Issuers, by Issuer Order, may appoint a successor Collateral Agent. If the Issuers shall fail to appoint a successor Collateral Agent within 60 days after such removal or incapability or the occurrence of such vacancy, a successor Collateral Agent may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Collateral Agent. The successor Collateral Agent so appointed shall, forthwith upon its acceptance of such appointment, become the successor Collateral Agent and supersede any successor Collateral Agent proposed by the Issuers. If no successor Collateral Agent shall have been so appointed by the Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15 (*Undertaking for Costs*), any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Collateral Agent.

(v) The Issuers shall give prompt notice of each resignation and each removal of the Collateral Agent and each appointment of a successor Collateral Agent by written notice of such event to the Trustee, the Loan Agent and the Collateral Manager, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), each Rating Agency and to the Holders of the Debt as their names and addresses appear in the Register or a Loan Register, as applicable. Each notice shall include the name of the successor Collateral Agent and the address of its Corporate Office. If the Issuers fail to so notify within ten days after acceptance of appointment by the successor Collateral Agent, the successor Collateral Agent shall cause, subject to Section 14.3(c) (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge*

Counterparty and each Rating Agency), such notice to be given at the expense of the Issuers.

(h) Acceptance of Appointment by Successor. Every successor Collateral Agent appointed hereunder shall meet the requirements of Section 6.8 (*Corporate Trustee and Collateral Agent Required; Eligibility*) and shall execute, acknowledge and deliver to the Issuers and the retiring Collateral Agent an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Collateral Agent shall become effective and such successor Collateral Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Collateral Agent; but, on request of the Issuers or a Majority of any Class of Secured Debt or the successor Collateral Agent, such retiring Collateral Agent shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Collateral Agent all the rights, powers and trusts of the retiring Collateral Agent, and shall duly assign, transfer and deliver to such successor Collateral Agent all property and Money held by such retiring Collateral Agent hereunder. Upon request of any such successor Collateral Agent, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Collateral Agent all such rights, powers and trusts.

(i) Merger, Conversion, Consolidation or Succession to Business of the Collateral Agent. Any organization or entity into which the Collateral Agent may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Collateral Agent shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Collateral Agent, shall be the successor of the Collateral Agent hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article VI (*The Trustee and the Collateral Agent*), without the execution or filing of any paper or any further act on the part of any of the parties hereto.

Section 6.19 Communications with Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Collateral Agent hereunder shall be sufficient in each case when such communication or confirmation is received by the Collateral Agent, including by electronic message, facsimile, press release, posting to the applicable Rating Agency's website, or other means then considered industry standard.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers will duly and punctually pay the principal of and interest on the Secured Debt, in accordance with the terms of such Secured Debt and this Indenture and Security Agreement and the Credit Agreement pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions

on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture and Security Agreement and the Credit Agreement.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Debt or this Indenture and Security Agreement or the Credit Agreement. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Debt or this Indenture and Security Agreement or the Credit Agreement.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture and Security Agreement and the Credit Agreement.

Section 7.2 Maintenance of Office or Agency. The Issuers hereby appoint the Collateral Agent as a Paying Agent for payments on the Notes and the Issuers hereby appoint the Trustee as Transfer Agent at its applicable Corporate Office, as the Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Issuers hereby appoint Corporation Service Company (the "Process Agent"), as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture and Security Agreement or the transactions contemplated hereby.

The Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided that (x) the Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Issuers in respect of such Notes and this Indenture and Security Agreement may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented for payment; and (y) no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such Paying Agent's activities. The Issuers shall give prompt written notice to the Trustee, the Collateral Agent, the Loan Agent, each Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee, the Collateral Agent and the Loan Agent with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Issuers, and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office, and the Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Money for Debt Payments. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Collateral Agent or a Paying Agent (and, in the case of Class A Loans, the Loan Agent) with respect to payments on the Debt.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual instruments evidencing Debt held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Collateral Agent, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Collateral Agent to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Collateral Agent) the Applicable Issuers shall promptly notify the Collateral Agent of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Collateral Agent) in excess of an amount sufficient to pay the amounts then becoming due on the Debt with respect to which such deposit was made shall be paid over by such Paying Agent to the Collateral Agent for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2 (Maintenance of Office or Agency). Any additional or successor Paying Agents (other than a successor Trustee who shall automatically become the Paying Agent hereunder pursuant to Section 7.2 (Maintenance of Office or Agency)) shall be appointed by Issuer Order with written notice thereof to the Trustee, the Collateral Agent and the Loan Agent; provided that so long as the Debt of any Class is rated by a Rating Agency, with respect to any additional or successor Paying Agent, either (i) such Paying Agent is rated at least “A-1” and “A” by S&P (or at least “A+” by S&P if such institution has no short-term issuer rating) or (ii) the Global Rating Agency Condition is satisfied. If such successor Paying Agent ceases to be rated at least “A-1” and “A” by S&P (or at least “A+” by S&P if such institution has no short-term issuer rating), the Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state banking authorities. The Issuers shall cause each Paying Agent other than the Collateral Agent to execute and deliver to the Collateral Agent an instrument in which such Paying Agent shall agree with the Collateral Agent and if the Collateral Agent acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3 (Money for Debt Payments), that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Debt for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Debt in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Collateral Agent, immediately resign as a Paying Agent and forthwith pay to the Collateral Agent all sums held by it in trust for the payment of Debt if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Collateral Agent, immediately give the Collateral Agent notice of any default by the Issuer or the Co-Issuer (or any other Obligor upon the Debt) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Collateral Agent, during the continuance of any such default, upon the written request of the Collateral Agent, forthwith pay to the Collateral Agent all sums so held in trust by such Paying Agent.

The Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture and Security Agreement or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Collateral Agent all sums held in trust by the Issuers or such Paying Agent, such sums to be held by the Collateral Agent upon the same trusts as those upon which such sums were held by the Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Collateral Agent, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Collateral Agent or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Debt shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Collateral Agent or such Paying Agent with respect to such trust Money shall thereupon cease. The Collateral Agent or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, providing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Issuers. (a) Subject to Section 7.10 (*Issuers May Consolidate, etc., Only on Certain Terms*), the Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of Jersey and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations or exempted companies, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture and Security Agreement, the Credit Agreement, the Debt, or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of incorporation from Jersey to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received an Opinion of Counsel (upon which the Trustee, the

On or before June 30th in 2028, and each two year anniversary thereafter, the Issuer shall furnish to the Collateral Agent and each Rating Agency an Opinion of Counsel relating to the security interest granted by the Issuer to the Collateral Agent, stating that, as of the date of such opinion, the lien and security interest created by this Indenture and Security Agreement with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next two years.

Section 7.7 Performance of Obligations. (v) subject to the incurrence of Permitted Liens, (A) permit the validity or effectiveness of this Indenture and Security Agreement or any Grant hereunder to be impaired, or permit the lien of this Indenture and Security Agreement to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture and Security Agreement or the Debt, in each case except as may be contemplated by the Transaction Documents, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture and Security Agreement) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, in each case as permitted by the Transaction Documents or (C) take any action that would permit the lien in each case as permitted by the Transaction Documents of this Indenture and Security Agreement not to constitute a valid security interest in the Assets prior to all other security interests granted by the Issuer, in each case except as permitted by the Transaction Documents;

(vi) amend the Collateral Management Agreement except pursuant to the terms thereof;

(vii) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

Section 7.9 Statement as to Compliance. On or before December 31st in each calendar year commencing in 2024, and prior to the issuance or incurrence of any additional debt pursuant to Section 2.13 (Additional Issuance), the Issuer, subject to Section 14.3(c) (Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency), shall deliver to each Rating Agency, the Trustee, the Collateral Agent, the Loan Agent and the Collateral Manager (to be forwarded by the Trustee to each Holder making a written request therefor) an Officer’s certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Debt remain Outstanding there will at all times be an agent appointed (which shall not control, be controlled or under common control with the Issuer, the Collateral Manager or their respective Affiliates, and is not a fund or account managed by the Collateral Manager or Affiliates of the Collateral Manager) to calculate the Benchmark in respect of each Interest Accrual Period in accordance with the terms of the definition of Benchmark (the “Calculation Agent”). Pursuant to the Collateral Administration Agreement, the Issuer has appointed the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, or if the Calculation Agent fails to determine any of the information required to be published on the Active Exchange via the office specified from time to time by such Active Exchange for announcements (the “Companies Announcement Office”), as described in subsection (b), in respect of any Interest Accrual Period, the Issuer or the Collateral Manager, on behalf of the Issuer, may appoint promptly a replacement Calculation Agent which shall not control, be controlled by or under common control with (x) the Issuer or its Affiliates, (y) the Collateral Manager or its Affiliates or (z) funds or accounts managed by the Collateral Manager or Affiliates of the Collateral Manager. (b) The Calculation Agent shall be required to agree that, as soon as possible after 11:00 a.m. New York time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Debt during the related Interest Accrual Period and the Debt Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Floating Rate Debt and the related Interest Accrual Period. At such time, the Calculation Agent will communicate such rates and amounts to the Issuers, the Trustee, the Collateral Agent, the Loan Agent, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent will also specify to the Issuers the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Issuers before 5:00 p.m. New York time on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Debt Interest Amount together with its reasons therefor. The Calculation Agent’s determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

(c) Neither the Trustee, the Collateral Agent, the Loan Agent, the Paying Agent nor Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of the Term SOFR Rate (or other applicable Benchmark), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any Benchmark Transition Event or Benchmark Replacement Date, (ii) to select, determine or designate any Benchmark Replacement or Fallback Rate, or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any Benchmark Replacement Adjustment, or other modifier to any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Conforming Changes are necessary or advisable, if any, in connection with any of the foregoing. Neither the Trustee, Collateral Agent, Loan Agent, Paying Agent, nor Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture and Security Agreement or other Transaction Document as a result of the unavailability of the Term SOFR Rate (or other applicable Benchmark) and absence of a designated Benchmark Replacement or Fallback Rate, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Designated Transaction Representative, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and Security Agreement or other Transaction Document and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of Term SOFR Rate as determined on the previous Interest Determination Date or on a previous U.S. Government Securities Business Day if so required hereunder. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Designated Transaction Representative, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any Benchmark Replacement or Fallback Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. For the avoidance of doubt, all references in this Indenture and Security Agreement and the Collateral Administration Agreement to (i) the right of the Trustee and the Collateral Administrator to rely upon notices, instructions and other information provided by the Collateral Manager and (ii) protections afforded to the Trustee and the Collateral Administrator in respect of any acts or omissions of the Collateral Manager, shall in each case also apply to the same extent in respect of the Designated Transaction Representative.

(d) The Trustee and the Calculation Agent shall not have any liability for any publications received from the Term SOFR Administrator.

Section 7.17 Certain Tax Matters. (a) For U.S. federal income tax purposes (and, to the extent permitted by law, state and local income and franchise tax purposes), the Issuer shall treat the Secured Debt as debt of the Issuer and the Subordinated Notes as equity in the Issuer.

(b) The Issuer will not elect to be treated as other than a corporation for U.S. federal, state or local income or franchise tax purposes and shall take any action or make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local income or franchise tax purposes. The Issuer (or the Collateral Manager acting on behalf of the Issuer) will take such commercially reasonable actions, consistent with law and its obligations under this Indenture and Security Agreement, as are necessary to achieve FATCA Compliance, including hiring agents, advisors or representatives to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA, and any other action that the Issuer would be permitted to take under this Indenture and Security Agreement in furtherance of FATCA Compliance.

(c) The Issuer will treat each purchase of Collateral Obligations as a “purchase” for tax accounting and reporting purposes.

(d) The Issuer and the Co-Issuer shall file, or cause to be filed, any tax returns, including information tax returns, required by any governmental authority; provided, however, that except with respect to (i) any information reporting or tax return required by or with respect to FATCA, (ii) any income or franchise tax return with respect to any ETB Subsidiary, or (iii) a return required by a tax imposed under Section 881 of the Code, the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof, unless it shall have obtained an Opinion of Counsel prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) If the Issuer has purchased an interest and the Issuer is aware that such interest is a “reportable transaction” within the meaning of Section 6011 of the Code, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by a Holder of a Subordinated Note under the Code as soon as practicable after such request.

(f) Upon the Issuer’s receipt of a written request of a Holder of, or of a Person certifying that it is an owner of a beneficial interest in, Secured Debt for the information described in Treasury Regulation Section 1.1275-3(b)(1)(i) that is applicable to such Debt, the Issuer will cause its Independent certified public accountants to provide promptly to the Trustee, the Collateral Agent, the Loan Agent and such requesting Holder or owner of a beneficial interest in such Debt all of such information. Any issuance or incurrence of additional Debt shall be accomplished in a manner that will allow the Independent certified public accountants of the Issuer to accurately calculate original issue discount income to holders of the additional Debt.

(g) The Issuer shall take, and shall cause any ETB Subsidiary to take, all reasonable actions consistent with applicable law and its obligations under this Indenture and Security Agreement to ensure that the Issuer or such ETB Subsidiary satisfies any and all withholding and tax payment obligations under the Code, FATCA, or other applicable law. If required to prevent (or minimize) the withholding and imposition of United States income tax on payments made to the Issuer, the Issuer shall deliver or cause to be delivered an applicable IRS Form W-8 (or applicable successor form) certifying as to the non-United States person status of the Issuer to each issuer or Obligor of or counterparty with respect to an Asset at the time such

Asset is purchased or entered into by the Issuer and thereafter prior to the obsolescence or expiration of such form.

(h) Upon the Issuer's receipt of a written request of a Holder of, or of a Person certifying that it is an owner of a beneficial interest in, a Note, the Issuer shall (to the extent reasonably available) timely provide to such Holder or beneficial owner of a Note any information that such Person reasonably requests in order to (i) comply with its federal, state, or local tax and information returns and reporting obligations or (ii) in the case of a Holder or beneficial owner of a Class E Note, file a protective statement preserving such Person's ability to make a retroactive "qualified electing fund" election with respect to the Issuer.

(i) Upon the Issuer's receipt of a written request of a Holder of, or of a Person certifying that it is an owner of a beneficial interest in, a Subordinated Note (or any other Note that is required to be recharacterized as equity for U.S. federal income tax purposes), the Issuer shall provide, or cause the Independent accountants to provide, within 90 days after the end of the Issuer's tax year, to such Holder or beneficial owner of the Subordinated Notes, (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) with respect to such Subordinated Note is required to obtain from the Issuer for U.S. federal income tax purposes, (ii) a PFIC Annual Information Statement, including all representations and statements required by such statement, and the Issuer will take or cause the accountants to take any other reasonable steps to facilitate such election by a Holder or beneficial owner of a Subordinated Note, and (iii) information about distributions from or dispositions of Equity Securities issued by any entity that is not a United States person. The Trustee and the Collateral Agent will promptly provide the Independent accountants with any information requested in writing by such Independent accountants that is in possession of the Trustee or the Collateral Agent and that is necessary to prepare the PFIC Annual Information Statement.

(j) Upon the Issuer's receipt of a written request of a Holder of, or of a Person certifying that it is an owner of a beneficial interest in, a Subordinated Note (or any other Note that is required to be recharacterized as equity for U.S. federal income tax purposes), the Issuer will provide, or cause its Independent accountants to provide, to such Holder or beneficial owner of a Subordinated Note, any information that such Holder or beneficial owner reasonably requests to assist such Holder or beneficial owner with regard to filing requirements that such Holder or beneficial owner is required to satisfy as a result of the controlled foreign corporation rules under the Code, including but not limited to, (i) any Holder's or beneficial owner's share of subpart F income, (ii) an IRS Form 5471 (or successor form) containing such information as a U.S. shareholder of the Issuer may require and any such other information that any Holder or beneficial owner may reasonably request to assist such Holder or beneficial owner with the filing requirements the Holder or beneficial owner may have under the Code as a result of owning Subordinated Notes and (iii) the Issuer's calculation of its earnings and profits as determined for U.S. federal income tax purposes of Section 1248 of the Code.

(k) It is the intention of the parties hereto and, by its acceptance of a Note, each holder of a Note (and any holder of an interest therein) shall be deemed to have agreed not to treat any income generated by such Note as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

(1) The Issuer shall use commercially reasonable efforts to qualify as, and comply with any obligations or requirements imposed on, a “participating FFI” or a “deemed-compliant FFI” within the meaning of the Treasury Regulations. (b) With respect to any supplemental indenture permitted by Section 8.1 (Supplemental Indenture and Security Agreements Without Consent of Holders of Debt) or Section 8.2 (Supplemental Indenture and Security Agreements With Consent of Holders of Debt) the consent to which is expressly required pursuant to such Section from all or a Majority of Holders of each Class materially and adversely affected thereby, or that requires a determination as to whether such supplemental indenture would materially and adversely affect any Class of Notes the Trustee and the Collateral Agent shall be entitled to receive and conclusively rely upon an Officer’s certificate of the Collateral Manager (as applicable) as to whether or not the rights of the Holders of any Class of Debt would be materially and adversely affected by any supplemental indenture described above and any such determination shall be conclusive and binding upon all present and future Holders of all Notes of such Class; provided, that if a Majority of the Holders of the Class A Debt have provided written notice to the Trustee and the Collateral Agent at least one Business Day prior to the proposed date of execution of such supplemental indenture that the Class A Debt would be materially and adversely affected thereby, the Trustee and the Collateral Agent will not be entitled to rely on an Officer’s certificate of the Collateral Manager as to whether or not the Holders of the Class A Debt would be materially and adversely affected by such supplemental indenture and shall not enter into such supplemental indenture without the consent of a Majority of the Class A Debt. Such Officer’s certificate of the Collateral Manager may certify that a Class is deemed not materially and adversely affected as permitted in Section 8.3(c) (Execution of Supplemental Indenture and Security Agreements; Waivers). In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture and Security Agreement, the Trustee and the Collateral Agent shall be entitled to receive, and (subject to Section 6.1 (Certain Duties and Responsibilities) and Section 6.3 (Certain Rights of Trustee)) shall be fully protected in relying upon, an Opinion of Counsel or Officer’s certificate of the Collateral Manager stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and Security Agreement and that all conditions precedent thereto have been satisfied. The Trustee and the Collateral Agent shall not be liable for any reliance made in good faith upon such an Opinion of Counsel or Officer’s

certificate of the Collateral Manager. Such determination, in each such case, shall be conclusive and binding on all present and future Holders.

(c) At the cost of the Issuers, for so long as any Debt shall remain Outstanding, not later than five Business Days (or 30 days in the case of any amendment where the Issuer is relying on the lack of notification from Holders set forth below) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 (*Supplemental Indenture and Security Agreements Without Consent of Holders of Debt*) or Section 8.2 (*Supplemental Indenture and Security Agreements With Consent of Holders of Debt*), the Collateral Agent shall deliver to the Trustee, Collateral Manager, the Collateral Administrator, each Hedge Counterparty and the Holders a copy of such proposed supplemental indenture; provided, that for any party entitled to receive notice hereunder, this provision shall be deemed satisfied (1) upon the written waiver of such party to receipt of such notice and (2) in the case of the Holders, the simultaneous payment in full of the Debt held by such Holders pursuant to the proposed supplemental indenture. Following such delivery by the Collateral Agent, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the cost of the Issuers, for so long as any Debt remain outstanding, not later than the Business Day prior to the execution of such proposed supplemental indenture (provided that the execution of such supplemental indenture shall not in any case occur earlier than the date set forth in the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this paragraph and the five Business Day time period shall be calculated from the date of such initial distribution), the Collateral Agent shall deliver to the Trustee, the Loan Agent, Collateral Manager, the Collateral Administrator, each Hedge Counterparty and the holders a copy of such proposed supplemental indenture; provided, that for any party entitled to receive notice hereunder, this provision shall be deemed satisfied (1) upon the written waiver of such party to receipt of such notice and (2) in the case of the holders, the simultaneous payment in full of the Debt held by such holders pursuant to the proposed supplemental indenture. If, prior to the delivery by the Collateral Agent of such supplemental indenture as revised, any holder has provided its written consent to the supplemental indenture as initially distributed, such holder will be deemed to have consented in writing to the supplemental indenture as revised unless such holder has provided written notice of its withdrawal of such consent to the Collateral Agent and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. Unless the Collateral Agent and the Issuers are notified (within 30 days after notice by the Issuer to the Holders of a proposed supplemental indenture) by a Majority of any Class from whom consent is not being requested that the Holders of such Class giving such notice believe that they will be materially and adversely affected by the proposed supplemental indenture, the interests of such Class will be deemed for all purposes hereunder to not be materially and adversely affected by such proposed supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders of Debt. The Issuer may conclude and certify to the effect that any Class of Debt will not be materially and adversely affected by any supplemental indenture on the basis of information it deems relevant, including any such notification. At the cost of the Issuer, for so long as any Class of Secured Debt shall remain Outstanding and such Class is rated by a Rating Agency, the Issuer shall provide to such Rating Agency a copy of any proposed supplemental indenture at least five Business Days prior to the execution thereof by the Collateral Agent; provided that this provision shall be deemed satisfied upon the simultaneous rating by a Rating

Agency of any new notes issued by the Issuer pursuant to the proposed supplemental indenture or upon the payment in full of the Debt rated by any such Rating Agency. At the cost of the Issuers, the Collateral Agent shall provide to the Holders of the affected Classes (in the manner described in Section 14.4 (*Notices to Holders; Waiver*)) and each Rating Agency affected a copy of the executed supplemental indenture after its execution. Any failure of the Collateral Agent to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(d) For any required notification of any Person (including the Holders) of a proposed supplemental indenture, including pursuant to Section 8.3(c) (*Execution of Supplemental Indenture and Security Agreements; Waivers*), it shall not be necessary to deliver the particular form of the supplemental indenture, so long as the proposed supplemental indenture sufficiently identifies in all material respects the substance of the final executed supplemental indenture. It shall not be necessary for any Act of the Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(e) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture and Security Agreement unless it has consented thereto in accordance with this Article VIII. Neither the Trustee nor the Collateral Agent shall be obligated to enter into any supplemental indenture which affects the Trustee's or the Collateral Agent's (or, for so long as the Trustee is also the Collateral Administrator, the Collateral Administrator's) own rights, duties, liabilities or immunities under this Indenture and Security Agreement or otherwise, except to the extent required by law. The Issuer agrees that it shall not permit any amendment, modification, supplement or waiver to this Indenture and Security Agreement or other Transaction Document that adversely affects the obligations of the Collateral Administrator or the Loan Agent or adversely affects or otherwise modifies the compensation of the Collateral Administrator or the Loan Agent to become effective unless the Collateral Administrator or the Loan Agent, as the case may be, has been given prior written notice of such amendment, modification, supplement or waiver and has consented thereto.

(f) With respect to any supplemental indenture is permitted by Section 8.1 (*Supplemental Indenture and Security Agreements Without Consent of Holders of Debt*) or Section 8.2 (*Supplemental Indenture and Security Agreements With Consent of Holders of Debt*) and, if applicable, the consent of the required Holders of any Class have been obtained, the Issuers, the Collateral Agent and the Trustee may execute a waiver or similar agreement instead of execution of a supplemental indenture, in each case so long as the substance of such waiver or agreement would otherwise meet the requirements for execution of supplemental indenture.

(g) Any consent given by Holders of a Class of Debt pursuant to this Section 8.3 (*Execution of Supplemental Indenture and Security Agreements; Waivers*) shall be binding upon all future Holders of Debt.

Section 8.4 Effect of Supplemental Indenture and Security Agreements. Upon the execution of any supplemental indenture under this Article VIII, this Indenture and Security Agreement shall be modified in accordance therewith, and such supplemental indenture shall

form a part of this Indenture and Security Agreement for all purposes; and every Holder of Debt theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indenture and Security Agreements. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF DEBT

Section 9.1 Mandatory Redemption. Except as noted below, if a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Debt pursuant to the Priority of Payments (a “Mandatory Redemption”). With respect to the Reinvestment Overcollateralization Test, during the Reinvestment Period such test will be used to determine whether certain Interest Proceeds will be transferred to the Collection Account as Principal Proceeds (including for the purchase of additional Collateral Obligations) in lieu of subsequent distributions under the Priority of Payments.

Section 9.2 Optional Redemption. (a) The Secured Debt shall be redeemed (or prepaid in the case of the Class A Loans in accordance with the Credit Agreement) by the Applicable Issuers at the written direction of a Majority of the Subordinated Notes and with the consent of the Collateral Manager, as follows: based upon such written direction, (i) the Secured Debt shall be redeemed (and the Class A Loans shall be payable in accordance with the Credit Agreement) in whole (with respect to all Classes of Secured Debt) but not in part on any Business Day after the end of the Non-Call Period for all Classes from Sale Proceeds and/or Refinancing Proceeds or (ii) the Secured Debt shall be redeemed (and the Class A Loans shall be prepaid in accordance with the Credit Agreement) in part by Class on any Business Day after the end of the Non-Call Period for such Class from Refinancing Proceeds (so long as the Debt of any Class of Secured Debt to be redeemed represent not less than the entire Class of such Secured Debt). In connection with any such redemption or prepayment (each such redemption or prepayment, an “Optional Redemption”), the Secured Debt shall be redeemed (and the Class A Loans to be prepaid shall be prepaid in accordance with the Credit Agreement) at the applicable Redemption Prices and a Majority of the Subordinated Notes must provide the above described written direction to the Issuer and the Trustee not later than 14 Business Days (or such shorter period of time as the Collateral Manager finds reasonably acceptable, but not later than six Business Days prior to the proposed Redemption Date) prior to the Redemption Date on which such redemption is to be made; provided that all Secured Debt to be redeemed or prepaid, as applicable, must be redeemed or prepaid, as applicable, simultaneously.

(b) The Subordinated Notes may be redeemed by the Issuer, in whole but not in part, on any Business Day on or after the date on which all of the Secured Debt have been redeemed or repaid, from the proceeds of the Assets remaining after giving effect to redemption or repayment of the Secured Debt and payment in full of all expenses of the Issuers, at the direction of a Majority of the Subordinated Notes with the consent of the Collateral Manager (which direction may be given in connection with a direction to redeem the Secured Debt or at any time after the Secured Debt have been redeemed or repaid in full) or at the direction of the Collateral Manager. The Redemption Price payable to each Holder of the Subordinated Notes will be its proportionate share of the proceeds of the Assets remaining after the payments described in Section 9.2(a) (*Optional Redemption*).

(c) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments to provide for an Optional Redemption pursuant to Section 9.2(a)(i) (*Optional Redemption*) and in the case of the Class A Loans, in accordance with the Credit Agreement, the Secured Debt may be redeemed or prepaid, as applicable, in whole from Refinancing Proceeds and Sale Proceeds or in part by Class from Refinancing Proceeds and other amounts available as provided in Section 9.2(a)(ii) (*Optional Redemption*); provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below.

(d) (i) In the case of a Refinancing upon a redemption or prepayment, as applicable, of the Secured Debt in whole but not in part, any such Refinancing will be effective only if (1) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other available funds will be at least sufficient to redeem or prepay, as applicable, simultaneously the Secured Debt, in whole but not in part, and at least equal to the Required Redemption Amount, (2) the Sale Proceeds, Refinancing Proceeds and other available funds are used (to the extent necessary) to make such redemption or prepayment, as applicable, and (3) the agreements relating to the Refinancing contain limited recourse and non-petition provisions substantially equivalent to those contained in Section 5.4(d) (*Remedies*) and Section 2.7(i) (*Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved*).

(ii) In the case of a Refinancing upon a redemption or prepayment, as applicable, of the Secured Debt in part by Class, such Refinancing will be effective only if: (1) the Refinancing Proceeds, the Partial Redemption Interest Proceeds and all other available funds will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Debt subject to Refinancing, (2) the Refinancing Proceeds, the Partial Redemption Interest Proceeds, and any such other available funds are used (to the extent necessary) to make such redemption or prepayment, (3) the agreements relating to the Refinancing contain limited recourse and non-petition provisions substantially equivalent to those contained in Section 5.4(d) (*Remedies*) and Section 2.7(i) (*Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved*), (4) the

aggregate principal amount of any secured obligations providing the Refinancing for a Class is equal to the Aggregate Outstanding Amount of the Secured Debt of such Class being redeemed or prepaid with the proceeds of such secured obligations (except to the extent of any other available funds received by the Issuer for the purposes of effecting a Refinancing), (5) the stated maturity of each class of obligations providing the Refinancing is the same (or later so long as no Notes junior to the class of obligation providing the Refinancing have an earlier stated maturity) as the corresponding Stated Maturity of each Class of Secured Debt being refinanced, (6) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds (or from amounts available by the application of Section 11.1(a)(i)(S) (*Disbursements of Monies from Payment Account*), Section 11.1(a)(iii)(B) (*Disbursements of Monies from Payment Account*), amounts available in the Financing Expense Account or from the proceeds of the additional issuance of Subordinated Notes), (7) either (x) the spread over the Benchmark and/or fixed interest rate, as applicable, of any obligations providing the Refinancing will not be greater than the spread over the Benchmark and/or fixed interest rate, as applicable, of the Secured Debt subject to such Refinancing (allowing Fixed Rate Notes to be refinanced as Floating Rate Debt and/or Floating Rate Debt to be refinanced as Fixed Rate Notes so long as the Global Rating Agency Condition has been satisfied with respect to any Secured Debt that were not the subject of such Refinancing) or (y) the Global Rating Agency Condition is satisfied with respect to any Secured Debt that were not the subject of such Refinancing and the weighted average spread over the Benchmark of any Floating Rate Debt and weighted average fixed interest rate of any Fixed Rate Notes (if any) issued in connection with such Refinancing does not exceed the weighted average spread over the Benchmark of the Class (or Classes, as applicable) of Secured Debt being refinanced and the weighted average fixed interest rate of Secured Debt being refinanced, (8) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Debt being refinanced, (9) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Debt being refinanced (except that, at the Issuer's election, the Non-Call Period with respect to the obligations providing the refinancing may be extended as it applies to a subsequent Refinancing in part by Class or Re-Pricing) and (10) an Officer's certificate of the Issuer (or the Collateral Manager on its behalf) has been delivered to the Collateral Agent and the Trustee certifying that all conditions precedent to such Refinancing have been satisfied. In determining whether the fixed interest rate on a Fixed Rate Note is less than the Benchmark plus the spread of a Floating Rate Debt and/or whether the Benchmark plus the spread of a Floating Rate Debt is less than the fixed interest rate of a Fixed Rate Note, the Issuer (or the Collateral Manager on its behalf) will make such determination by reference to the Benchmark plus the applicable spread as of the Redemption Date.

(iii) In connection with a Refinancing in part by Class and in accordance with and subject to the provisions of Article VIII (other than with respect to any notice

provision included therein), the Trustee and the Issuers may enter into one or more supplemental indentures to reflect any necessary changes to this Indenture and Security Agreement (including to modify this Indenture and Security Agreement to set forth the new Class or Classes of replacement loans or securities in this Indenture and Security Agreement and to reflect applicable changes to the definition of “Non-Call Period” or “Redemption Price” for such new Class or Classes of replacement loans or securities, pursuant to a supplemental indenture entered into under Section 8.2(d) (*Supplemental Indenture and Security Agreements With Consent of Holders of Debt*)), at the direction of the Collateral Manager with the prior approval of a Majority of the Subordinated Notes, with notice to S&P, and without further notice to or consent of the Holder of any Note and without further notice to any Rating Agency (other than S&P). In no case will a supplemental indenture that becomes effective on or after the Redemption Date of any Class of Notes be considered to have a material adverse effect on any Holder of such Class (provided that, the redemption of such Class is effected on such Redemption Date), and no Holder of such Class shall have an objection right or consent right to such supplemental indenture on the basis of a material and adverse effect.

(iv) In connection with a Refinancing in whole of each Class of Secured Debt, the Issuers and the Trustee may, enter into a supplemental indenture to reflect the terms of and/or facilitate the Refinancing and to make other supplements or amendments to this Indenture and Security Agreement, with the consent of the Collateral Manager and a Majority of the Subordinated Notes.

(v) In connection with a Refinancing in whole of each Class of Secured Debt (or, in the case of the Class A Loans, prepay) and so long as the Initial Majority Class A Holder Condition is satisfied in connection with such Refinancing (as evidenced by an Officer’s certificate of the Collateral Manager to the Trustee), the Collateral Manager, on behalf of the Issuer, may designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for distribution on the Redemption Date. Notice of any such designation shall be provided to the Trustee, the Collateral Agent, the Loan Agent and Collateral Administrator (with copies to the Rating Agencies) on or before the Business Day prior to the applicable Redemption Date.

(e) None of the Holders or beneficial owners of the Subordinated Notes will have any cause of action against any of the Issuers, the Collateral Manager, the Collateral Administrator, the Trustee, the Collateral Agent or the Loan Agent or any of their respective Affiliates for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Issuer, the Trustee and the Collateral Agent (in the case of the Trustee and the Collateral Agent, at the direction of the Issuer) shall amend this Indenture and Security Agreement (which amendment shall be prepared by or on behalf of the Issuer) to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Debt other than Holders or beneficial owners of the Subordinated Notes directing the redemption.

(f) In the event of any redemption or prepayment, as applicable, pursuant to this Section 9.2 (Optional Redemption), the Issuer shall, at least six Business Days prior to the Redemption Date, notify the Collateral Agent, the Trustee and the Loan Agent in writing of such Redemption Date, the applicable Record Date, the principal amount of Debt to be redeemed or prepaid on such Redemption Date and the applicable Redemption Prices.

Section 9.3 Tax Redemption. (a) The Debt shall be redeemed (or prepaid in the case of the Class A Loans in accordance with the Credit Agreement) in whole but not in part (any such redemption, a “Tax Redemption”) at their applicable Redemption Prices (except as provided in subsection (b) below) at the written direction (delivered to the Issuer, the Trustee, the Collateral Agent and the Loan Agent) of (x) a Majority of any Affected Class or (y) a Majority of the Subordinated Notes following the occurrence and continuation of a Tax Event, provided that if the Tax Event that has occurred is with respect to any tax arising under or as a result of FATCA, then Holders that have not provided, updated or corrected the Holder FATCA Information (to the extent that the failure to provide, update or correct the Holder FATCA Information was a cause of the Tax Event) shall not be considered in determining whether either (1) a Majority of an Affected Class, under (x), or (2) a Majority of the Subordinated Notes, under (y), has directed a redemption or prepayment of the Debt.

(b) In connection with any Tax Redemption, Holders of 100% of the Aggregate Outstanding Amount of any Class of Secured Debt by notifying the Collateral Agent in writing prior to the Redemption Date may elect to receive less than 100% of the Redemption Price that would otherwise be payable to the Holders of such Class of Secured Debt.

(c) Upon its receipt of such written direction directing a Tax Redemption, the Collateral Agent shall promptly notify the Collateral Manager, the Holders and the Issuer (which shall notify each Rating Agency) thereof.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2 (Optional Redemption) or Section 9.3 (Tax Redemption) (and in the case of the Class A Loans, the Credit Agreement), the written direction required thereby shall be provided to the Issuer (or its authorized agent), the Trustee, the Collateral Agent, the Loan Agent and the Collateral Manager not later than 14 Business Days (or such shorter period of time as the Collateral Manager find reasonably acceptable) prior to the Redemption Date on which such redemption is to be made (which date shall be designated in such notice). In the event of any redemption pursuant to Section 9.2 (Optional Redemption) or Section 9.3 (Tax Redemption) (and in the case of the Class A Loans, the Credit Agreement), a notice of redemption shall be given (1) not later than five Business Days prior to the applicable Redemption Date, to each Holder of Debt, at such Holder’s address in the Register (or, in the case of any Holder of Debt, in accordance with any other procedures for notice specified in writing by such Holder of Notes and agreed to by the Applicable Issuers) and (2) in accordance with Section 14.3 (Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency) to each Rating Agency prior to the applicable Redemption Date. In addition, notice of redemption pursuant to Section 9.2 (Optional Redemption) or Section 9.3 (Tax Redemption) shall also be given to the Holders thereof by publication on any Active Exchange via the Companies Announcement Office.

(b) All notices of redemption delivered pursuant to Section 9.4(a) (*Redemption Procedures*) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Secured Debt to be redeemed or prepaid and a reasonable estimate of the Redemption Prices of all or any portion of the Subordinated Notes to be redeemed;

(iii) that all of the Secured Debt that is to be redeemed or prepaid is to be redeemed or prepaid in full and that interest on such Secured Debt shall cease to accrue on the Redemption Date specified in the notice;

(iv) the place or places where Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Issuers to be maintained as provided in Section 7.2 (*Maintenance of Office or Agency*); and

(v) whether the Subordinated Notes are to be redeemed in full or in part on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Issuers to be maintained as provided in Section 7.2 (*Maintenance of Office or Agency*).

(c) The Issuers or the Collateral Manager may, by written notice to the Trustee, the Collateral Agent, the Loan Agent, the Collateral Manager (if applicable) and each Rating Agency, withdraw any such notice of redemption delivered pursuant to Section 9.2 (*Optional Redemption*) or Section 9.3 (*Tax Redemption*) on any day up to 10:00 a.m. (EST) on the Business Day prior to such Redemption Date. In the case of a Refinancing, such withdrawal may be limited to less than all Classes for which the required written directions were provided to the Issuer (and no new written directions shall be required following such partial withdrawal). Any failure to effect any redemption pursuant to Section 9.2 (*Optional Redemption*) or Section 9.3 (*Tax Redemption*) which is withdrawn by the Issuers in accordance with the foregoing or with respect to which a Refinancing fails to occur shall not constitute an Event of Default. At least three Business Days (or such shorter period of time as the Collateral Manager find reasonably acceptable) before any scheduled Redemption Date, the Issuer (or the Collateral Manager on behalf of the Issuer) may, by written notice to the Trustee (who shall forward such notice to the holders of Notes and each Rating Agency), elect to postpone such scheduled Redemption Date by up to 15 Business Days.

(d) Notice of redemption pursuant to Section 9.2 (*Optional Redemption*) or Section 9.3 (*Tax Redemption*) shall be given by the Issuers or, upon an Issuer Order, by the Collateral Agent in the name and at the expense of the Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Debt selected for redemption or prepayment shall not impair or affect the validity of the redemption or prepayment of any other Debt.

(e) Upon receipt of a notice of redemption or prepayment of the Secured Debt pursuant to Section 9.2(a) (*Optional Redemption*) (unless such Optional Redemption is being effected solely through a Refinancing) or Section 9.3 (*Tax Redemption*), the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets in an amount sufficient that the proceeds from such sale and all other funds available for such purpose will be at least equal to the Required Redemption Amount. If such proceeds of such sale and all other funds available for such purpose are not at least equal to the Required Redemption Amount, then the Secured Debt may not be redeemed or prepaid, as applicable. The Collateral Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(f) Other than with respect to a Refinancing of Secured Debt made solely with Refinancing Proceeds, in the event of any redemption pursuant to Section 9.2 (*Optional Redemption*) or Section 9.3 (*Tax Redemption*), no Secured Debt may be optionally redeemed or prepaid, as applicable unless (i) at least three Business Days before the scheduled Redemption Date (or such shorter period of time as the Collateral Manager find reasonably acceptable) the Collateral Manager has certified to the Trustee, the Collateral Agent and the Loan Agent that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) were rated, or guaranteed by a Person whose short-term unsecured debt obligations were rated, at least “A-1” by S&P on the applicable trade date or trade dates to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets and/or the Hedge Agreements at a purchase price at least sufficient, together with the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, together with any Refinancing Proceeds, to have available cash at least equal to the Required Redemption Amount, (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Collateral Agent that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible Investments, (B) all Refinancing Proceeds and (C) for each Collateral Obligation, its Market Value, shall equal or exceed the Required Redemption Amount or (iii) at least one Business Day before the scheduled Redemption Date, the Collateral Manager has certified to the Collateral Agent that the Collateral Manager (or an Affiliate or agent thereof) has priced but not yet closed another collateralized loan obligation transaction or similar transaction, the net proceeds of which will at least equal, in each case, an amount sufficient, together with the proceeds from the Eligible Investments (maturing on or prior to the scheduled Redemption Date) and without duplication any cash to be applied to such redemption and (without duplication) the aggregate amount of the expected proceeds from the sale of the Assets and Eligible Investments not later than the Business Day immediately preceding the scheduled Redemption Date to pay the Required Redemption Amount. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(f) (*Redemption Procedures*) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.4(f) (*Redemption Procedures*). Any holder of Debt, the Collateral Manager or any of the

Collateral Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

(g) In connection with a Refinancing in whole of each Class of Secured Debt, any Refinancing Proceeds shall not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related date of such Refinancing pursuant to this Indenture and Security Agreement to redeem the Secured Debt being refinanced without regard to the Priority of Payments; provided that, to the extent that the Secured Debt to be refinanced are redeemed in full and any Refinancing Proceeds are not applied to so redeem the Secured Debt being refinanced, such Refinancing Proceeds shall be treated as either Interest Proceeds or Principal Proceeds as determined by the Collateral Manager, subject to the written consent of a Majority of the Subordinated Notes. In connection with a Partial Refinancing, unless an Enforcement Event has occurred and is continuing, Refinancing Proceeds and Partial Redemption Interest Proceeds shall be applied in accordance with Section 11.1(a)(iii) (*Disbursements of Monies from Payment Account*).

Section 9.5 Debt Payable on Redemption Date. (a) Notice of redemption or prepayment, as applicable pursuant to Section 9.4 (*Redemption Procedures*) having been given as aforesaid, the Secured Debt shall, on the Redemption Date, subject to Section 9.4(f) (*Redemption Procedures*) and the Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(c) (*Redemption Procedures*), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Secured Debt shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed or prepaid, the Holder shall present and surrender such Note at the place specified in the notice of redemption or prepayment, as applicable, on or prior to such Redemption Date; provided that if there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Debt so to be redeemed or prepaid which are payable on or prior to the Redemption Date shall be payable to the Holders of such Secured Debt, or one or more predecessor Debt, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e) (*Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved*).

(b) If any Secured Debt called for redemption or prepayment shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Debt remains Outstanding; provided that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Special Redemption. Principal payments on the Secured Debt shall be made in part in accordance with the Priority of Payments on any Payment Date during the Reinvestment Period, if the Collateral Manager at its sole discretion notifies the Collateral Agent at least five Business Days prior to the applicable Special Redemption Date that it has

been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a “Special Redemption”). The Collateral Manager has no obligation to cause a Special Redemption to occur, however, regardless of any inability or failure to reinvest in additional Collateral Obligations for any period of time.

On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a “Special Redemption Date”), the amount in the Collection Account representing Principal Proceeds (such amount, the “Special Redemption Amount”), will be applied as described in the Priority of Payments in accordance with the Debt Payment Sequence.

Notice of payments pursuant to this Section 9.6 (*Special Redemption*) shall be given by the Collateral Agent not less than three Business Days prior to the applicable Special Redemption Date in accordance with Section 14.4 (*Notice to Holders; Waivers*) to each Holder of Secured Debt affected thereby at such Holder’s address in the Register and, and the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders) and, as specified in Section 14.3 (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), to each Rating Agency. In addition, notice of Special Redemption to the Holders of any Listed Notes shall also be given by publication on any Active Exchange via the Companies Announcement Office.

Section 9.7 Clean-up Call Redemption. (a) The Debt may be redeemed or prepaid, as applicable, at the option of the Applicable Issuer(s) acting at the direction of the Collateral Manager (which direction shall (x) be given so as to be received by the Issuer and the Collateral Agent not later than 10 days prior to the proposed Clean-up Call Redemption Date and (y) include the Clean-up Call Redemption Date and the Redemption Prices of the Secured Debt to be redeemed or prepaid, as applicable, and, in the case of the Subordinated Notes, an estimate of the Redemption Price), in whole but not in part (a “Clean-up Call Redemption”), at the applicable Redemption Price, on any Business Day selected by the Collateral Manager (such Business Day, the “Clean-up Call Redemption Date”) which occurs on or after the Payment Date on which the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments is less than or equal to 15% of the Target Initial Par Amount. In such event a notice of redemption shall be given not later than five Business Days prior to the applicable Clean-up Call Redemption Date, to each Holder of Debt, at such Holder’s address in the Register and, as specified in Section 14.3 (*Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*), and to each Rating Agency. A Clean-up Call Redemption may not occur unless, on or prior to the fourth Business Day immediately preceding the Clean-up Call Redemption Date, the Issuer has proceeds from the sale of Assets and amounts in the Accounts available for such purposes at least equal to the Required Redemption Amount.

(b) All notices of redemption delivered pursuant to Section 9.7(a) (*Clean-up Call Redemption*) shall state:

(i) the Clean-up Call Redemption Date;

(ii) the Redemption Prices of the Notes and, in the case of the Subordinated Notes, an estimate of the Redemption Price to be redeemed or prepaid, as applicable; and

(iii) that all of the Secured Debt is to be redeemed or prepaid, as applicable, in full and that interest on the Secured Debt shall cease to accrue on the Business Day specified in the notice.

Notice of redemption shall be given by the Issuers or, upon an Issuer Order, by the Collateral Agent in the name and at the expense of the Issuers. Failure to give notice of redemption or prepayment, as applicable, or any defect therein, to any Holder shall not impair or affect the validity of the redemption of any debt. In addition, notice of Clean-up Call Redemption shall also be given by any Active Exchange in the name and at the expense of the Issuers, to Holders of Notes by publication by an announcement to the Companies Announcement Office of such Active Exchange.

(c) Any Clean-up Call Redemption is subject to (i) the purchase of the Assets by any Person(s) from the Issuer for a purchase price in Cash, deposited with the Issuer on or prior to the Business Day immediately preceding the Clean-up Call Redemption Date, at least equal to the Required Redemption Amount (less the amount of other funds that are available to pay the Redemption Prices of the Notes) and (ii) in connection with the purchase of Asset(s) described in clause (i), the receipt by the Collateral Agent from the Collateral Manager, prior to such purchase, of a certification from the Collateral Manager that it expects to receive a sum sufficient to satisfy the requirements of clause (i). Upon receipt by the Collateral Agent of the certification referred to in the preceding sentence, the Collateral Agent (pursuant to written direction from the Collateral Manager on behalf of the Issuer) and the Collateral Manager, acting on behalf of the Issuer, shall take all commercially reasonable actions necessary to sell, assign and transfer the Assets to such Person(s) (which may be the Collateral Manager or any of its affiliates) upon payment in immediately available funds of the purchase price for such Assets. The Issuer shall deposit, or cause to be deposited, the funds required for a Clean-up Call Redemption in the Payment Account on or prior to the Clean-up Call Redemption Date. The Collateral Agent shall deposit such payment into the Collection Account.

(d) Any notice of a Clean-up Call Redemption may be withdrawn by the Issuer (or the Collateral Manager on its behalf) up to the Business Day prior to the scheduled Clean-up Call Redemption Date by written notice to the Trustee, the Collateral Agent, the Loan Agent, the Rating Agencies and (if applicable) the Collateral Manager only if amounts at least equal to the Required Redemption Amount (including any other funds available to pay the Redemption Prices of the Notes) are not received in full in immediately available funds by the Business Day immediately preceding the Clean-up Call Redemption Date. Notice of any such withdrawal of a notice of Clean-up Call Redemption shall be given by the Collateral Agent at the expense of the Issuer to each Holder of Notes at such Holder's address in the Note Register and

the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders), by overnight courier guaranteeing next day delivery not later than the scheduled Clean-up Call Redemption Date. The Trustee shall also arrange for notice of such withdrawal to be delivered to any Active Exchange.

(e) On the Clean-up Call Redemption Date, the Redemption Prices for the Notes shall be distributed pursuant to the Priority of Payments.

(f) Notice of redemption or prepayment, as applicable, pursuant to this Section 9.7 (Clean-up Call Redemption) having been given as aforesaid, the Debt to be redeemed or prepaid, as applicable, shall, on the Clean-up Call Redemption Date, subject to Section 9.7(c) (Clean-up Call Redemption) and the Issuers' right to withdraw any notice of redemption pursuant to Section 9.7(d) (Clean-up Call Redemption), become due and payable at the Redemption Prices therein specified, and from and after the Clean-up Call Redemption Date (unless the Issuer shall default in the payment of the Redemption Price) all the Secured Debt shall cease to bear interest on the Clean-up Call Redemption Date. Upon final payment on any Debt to be so redeemed or prepaid, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Clean-up Call Redemption Date; provided, however, that if there is delivered to the Issuers, the Trustee and the Collateral Agent such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuers, the Trustee or the Collateral Agent that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender.

If any Secured Debt called for redemption or prepayment, as applicable, pursuant to Section 9.7 (Clean-up Call Redemption) shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Clean-up Call Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Secured Debt remains Outstanding; provided that the reason for such non-payment is not the fault of the Holder of such Secured Debt.

Section 9.8 Optional Re-Pricing. (a) On any Business Day after the Non-Call Period for any Class of Re-Pricing Eligible Debt, at the direction of a Majority of the Subordinated Notes with the consent of the Collateral Manager, the Issuer shall reduce the spread over the Benchmark and/or fixed interest rate applicable with respect to such Class of Re-Pricing Eligible Debt (such reduction with respect to any Class of Debt, a "Re-Pricing" and any such Class of Secured Debt to be subject to a Re-Pricing, a "Re-Priced Class"). In connection with any Re-Pricing, the Collateral Manager on behalf of the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing. Each Holder of Re-Pricing Eligible Debt, by its acceptance of an interest in such Notes, agrees to cooperate with the Issuer, the Collateral Manager, the Re-Pricing Intermediary (if any) and the Trustee in connection with any Re-Pricing and acknowledges that its Re-Pricing Eligible Debt may be sold or redeemed with or without such Holder's consent and that the sole alternative to any such Re-Pricing or redemption is to commit to sell its interest in the Notes of the Re-Priced Class. In connection with a Re-Pricing, the Issuer

may issue Re-Pricing Replacement Debt, the proceeds of which shall be used to redeem non-consenting Holders in accordance with Section 9.8(c) (*Optional Re-Pricing*).

(b) At least 15 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the “Re-Pricing Date”), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice (the “Re-Pricing Notice”) in writing (with a copy to the Collateral Manager, the Trustee, the Collateral Agent, the Loan Agent and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall:

(i) specify the proposed Re-Pricing Date and the revised spread over the Benchmark and/or fixed interest rate (or range of spreads and/or fixed interest rates) to be applied with respect to such Class (the “Re-Pricing Rate”),

(ii) request each Holder of the Re-Priced Class approve the proposed Re-Pricing and indicate which Re-Pricing Rate (or range thereof) they have approved, and

(iii) specify the price (which, for purposes of such Re-Pricing, shall be the Redemption Price of such Debt) at which Secured Debt of any Holder of the Re-Priced Class who does not approve the Re-Pricing may be (x) sold and transferred pursuant to Section 9.8(c) (*Optional Re-Pricing*) or (y) redeemed with Re-Pricing Proceeds and all funds available for such purpose.

(c) In the event any Holders of the Re-Priced Class do not deliver written consent to the proposed Re-Pricing on or before the date that is 20 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Re-Pricing Eligible Debt of the Re-Priced Class held by such non-consenting Holders (such notice, the “Non-Consent Notice”), and shall request each such consenting Holder provide written notice to the Issuer, Collateral Agent, the Loan Agent, the Collateral Manager and the Re-Pricing Intermediary if such Holder would like to (A) purchase all or any portion of the Debt of the Re-Priced Class held by the non-consenting Holders (such purchase and sale, a “Re-Pricing Transfer”) and/or (B) purchase Re-Pricing Replacement Notes with respect thereto at the price specified in the Re-Pricing Notice or Non-Consent Notice, as applicable, and (C) in each case, the Aggregate Outstanding Amount of such Debt and/or Re-Pricing Replacement Notes that it would agree to acquire (each such notice, an “Exercise Notice”) within five Business Days after receipt of the Non-Consent Notice. In the event the Issuer shall receive Exercise Notices with respect to Debt of the Re-Priced Class in an amount greater than or equal to the Aggregate Outstanding Amount of the Re-Pricing Eligible Debt of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may effect Re-Pricing Transfers of such Re-Pricing Eligible Debt or issue Re-Pricing Replacement Debt, as applicable, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, pro rata (subject to the applicable Authorized Denomination requirements) based on the Aggregate Outstanding Amount of the Re-Pricing Eligible Debt such Holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event the Issuer

shall receive Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Re-Pricing Eligible Debt of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall conduct a Re-Pricing Transfer of such Re-Pricing Eligible Debt or issue Re-Pricing Replacement Notes, as applicable, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date. Any excess Re-Pricing Eligible Debt of the Re-Priced Class held by a non-consenting Holder after giving effect to the Exercise Notices, Re-Pricing Replacement Notes and issuance of Re-Pricing Replacement Notes shall be sold to a transferee designated by the Re-Pricing Intermediary or by the Collateral Manager on behalf of the Issuer. All Re-Pricing Transfers and sales of Re-Pricing Replacement Notes to be effected pursuant to this clause (c) shall be made at the Redemption Price with respect to such Re-Pricing Eligible Debt, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof.

(d) The Issuer shall not effect any proposed Re-Pricing unless: (i) the Issuers, the Trustee and the Collateral Agent shall have entered into a supplemental indenture (prepared by or on behalf of the Issuer) pursuant to Section 8.2(c) (*Supplemental Indenture and Security Agreements With Consent of Holders of Debt*) dated as of the Re-Pricing Date to modify the spread over the Benchmark and/or fixed interest rate applicable to the Re-Priced Class and/or, in the case of the issuance of Re-Pricing Replacement Notes, to issue such Re-Pricing Replacement Notes and to reflect any necessary changes to the definitions of “Non-Call Period” or “Redemption Price” of the Re-Priced Class to be made pursuant to Section 9.8(f) (*Optional Re-Pricing*); (ii) the Re-Pricing Intermediary or the Collateral Manager (on behalf of the Issuer) confirms in writing that all Re-Pricing Eligible Debt of the Re-Priced Class held by non-consenting Holders have been sold and transferred or redeemed on the same day; (iii) each Rating Agency shall have been notified of such Re-Pricing in accordance with Section 14.3 (*Notices, etc., to Trustee, the Issuers, the Collateral Manager, the Brokers Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency*); (iv) all due and payable expenses of the Issuer, the Trustee and the Collateral Agent (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing have been paid or shall be adequately provided for (including by application of Section 11.1(a)(i)(S) (*Disbursements of Monies from Payment Account*), Section 11.1(a)(iii)(B) (*Disbursements of Monies from Payment Account*) from amounts available in the Financing Expense Account or from the proceeds of the additional issuance of Subordinated Notes) or shall be adequately provided for by an entity other than the Issuer; and (v) the Issuer (or the Collateral Manager on its behalf) has certified to the Trustee, the Collateral Agent and the Loan Agent that the conditions to such Re-Pricing have been satisfied.

(e) If notice has been received by the Collateral Agent pursuant to this Indenture and Security Agreement, notice of a Re-Pricing shall be provided by the Collateral Agent (at the direction of the Issuer) not less than three Business Days prior to the proposed Re-Pricing Date, to each Holder of Re-Pricing Eligible Debt of the Re-Priced Class at the address in the Register (with a copy to the Collateral Manager, the Trustee, the Collateral Agent, the Loan Agent and each Rating Agency), specifying the applicable Re-Pricing Date and Re-Pricing Rate. Notice of Re-Pricing shall be given by the Collateral Agent at the expense and direction of the Issuer. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim

based upon such failure or defect. Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, the Collateral Agent, the Loan Agent, and the Collateral Manager (if applicable) and the Re-Pricing Intermediary for any reason. Upon receipt of such notice of withdrawal, the Collateral Agent (at the direction of the Issuer) shall send such notice to the Holders of Re-Pricing Eligible Debt, the Loan Agent, if the Class A Loans are Outstanding (who shall forward to the Class A Lenders) and each Rating Agency.

(f) In connection with a Re-Pricing (x) the Non-Call Period for the Re-Priced Class may be extended or imposed from such Re-Pricing Date at the direction of the Collateral Manager with the approval of a Majority of the Subordinated Notes prior to such Re-Pricing and/or (y) the definition of “Redemption Price” may be revised, pursuant to a supplemental indenture entered into under Section 8.2(c) (*Supplemental Indenture and Security Agreements With Consent of Holders of Debt*), to reflect any agreed upon make-whole payments for the applicable Re-Priced Class at the direction of the Collateral Manager with the approval of a Majority of the Subordinated Notes.

(g) The Issuer will direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing, and the Trustee will have the authority to take such actions as may be directed by the Issuer or the Collateral Manager to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by non-consenting Holders and Holders consenting to the Re-Pricing and otherwise take the actions contemplated by this Section 9.8 (*Optional Re-Pricing*).

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Collateral Agent may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Collateral Agent pursuant to this Indenture and Security Agreement, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Collateral Agent shall segregate and hold all such Money and property received by it in trust for the Secured Parties and shall apply it as provided in this Indenture and Security Agreement. Each Account shall be established and maintained with an institution that is authorized under the laws of the United States or of any state thereof to exercise corporate trust powers, has a combined capital and surplus of at least U.S.\$200,000,000, is subject to supervision or examination by federal or state banking authority, (a) has a short-term issuer rating of at least “A-1” and a long-term issuer rating of at least “A” by S&P (or a long-term issuer rating of at least “A+” by S&P if such institution has no short-term issuer rating) and (b) has a long-term issuer rating of at least “A” or a short-term issuer rating of at least “F1” by Fitch (an institution meeting the criteria in clauses (a) and (b), an “Eligible Institution”), provided that if any such institution is downgraded such that it no longer constitutes an Eligible Institution hereunder, the Issuer shall use commercially reasonable efforts to replace such

institution with a replacement Eligible Institution within 30 calendar days of the ratings downgrade. The Trustee is hereby authorized to close any Accounts (as defined in the Original Indenture) not referenced below and to deposit any remaining funds therein to an Account at the direction of the Collateral Manager.

Section 10.2 Collection Account. (a) In accordance with this Indenture and Security Agreement and the Securities Account Control Agreement, the Collateral Agent has established at the Custodian two non-interest bearing segregated accounts, one of which will be designated the “Interest Collection Subaccount” and one of which will be designated the “Principal Collection Subaccount” (and which together will comprise the Collection Account), each held in the name of the Collateral Agent, in trust for the benefit of the Secured Parties, and each of which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Collateral Agent shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.6(a) (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*), immediately upon receipt thereof or upon transfer from the Payment Account, all Interest Proceeds. The Collateral Agent shall deposit immediately upon receipt thereof or upon transfer from the Revolver Funding Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.6(a) (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and Security Agreement and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII).

(b) The Collateral Agent, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Collateral Manager, and the Issuer (or the Collateral Manager on behalf of the Issuer) shall use its commercially reasonable efforts to sell such distribution or other proceeds for Cash in an arm’s length transaction and deposit the proceeds thereof in the Collection Account; provided that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer’s certificate to the Collateral Agent certifying that such distributions or other proceeds constitute Collateral Obligations, Eligible Investments, Defaulted Obligations or Equity Securities or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer’s certificate to the Collateral Agent certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture and Security Agreement.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may direct the Collateral Agent to, and upon receipt of such direction the Collateral Agent shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and reinvest) such funds in additional Collateral Obligations in accordance with the requirements of Article XII and such direction. At any time, the Collateral Manager on behalf of the Issuer may direct the Collateral Agent to, and upon receipt of such direction the Collateral Agent shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal

Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations. At any time, the Collateral Manager on behalf of the Issuer may direct the Collateral Agent to, and upon receipt of such direction the Collateral Agent shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds to repurchase Secured Debt in accordance with the requirements of Section 2.9(b) (*Cancellation*) and such direction.

(d) The Collateral Manager on behalf of the Issuer may direct the Collateral Agent to pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and will be paid in the same order of priority set forth in Section 11.1(a)(i)(A) (*Disbursements of Monies from Payment Account*)); provided that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) (*Collection Account*) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date; provided further that the Collateral Agent shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense pursuant to this Section 10.2 (*Collection Account*) on any day other than a Payment Date if, in its reasonable determination, the payment of such amount is likely to leave insufficient funds available to pay in full each of the items described in Section 11.1(a)(i)(A) (*Disbursements of Monies from Payment Account*) as reasonably anticipated to be or become due and payable on the next Payment Date, taking into account the Administrative Expense Cap. In addition, the Issuer may use Interest Proceeds, Contributions or use Principal Proceeds on deposit in the Collection Account to acquire an Equity Security or a Workout Loan, in each case, in accordance with Section 12.2(e) (*Equity Securities*) or Section 12.2(f) (*Acquisitions of Workout Loans*).

(e) The Collateral Agent shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a) (*Disbursements of Monies from Payment Account*), on the Business Day immediately preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.

(f) The Collateral Manager on behalf of the Issuer may direct the Collateral Agent to, and upon receipt of such direction the Collateral Agent shall, transfer from amounts on deposit in the Interest Collection Subaccount to the Principal Collection Subaccount, any amount as directed by the Collateral Manager, provided that such transfer is not reasonably expected to cause any Notes to defer interest payments thereon.

(g) In connection with a Refinancing in whole of each Class of Secured Debt and so long as the Initial Majority Class A Holder Condition is satisfied in connection with such Refinancing (as evidenced by an officer's certificate of the Collateral Manager to the Collateral Agent), the Collateral Manager, on behalf of the Issuer, may designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for distribution on the Redemption Date. Notice of any such designation will be provided to the Collateral Agent (with copies to the Rating Agencies) on or before the Business Day prior to the applicable Redemption Date. Upon receipt of such notice, the Collateral Agent shall transfer the amount set forth in such notice from the Principal Collection Account to the Interest Collection Account, for distribution on the Redemption Date.

(h) The Collateral Manager on behalf of the Issuer may apply Interest Proceeds or Principal Proceeds on deposit in the Collection Account to acquire a Workout Loan or Equity Security in accordance with Sections 12.2(e) (Equity Securities) and 12.2(f) (Acquisition of Workout Loans). Any such application of Interest Proceeds or Principal Proceeds may include a deposit into the Revolver Funding Account in accordance with Sections 1.3(x) (Collateral Assumptions) and 10.4 (The Revolver Funding Account).

Section 10.3 Transaction Accounts. (a) Payment Account. In accordance with this Indenture and Security Agreement and the Securities Account Control Agreement, the Collateral Agent has established at the Custodian a single, segregated non-interest bearing account in the name of the Collateral Agent, in trust for the benefit of the Secured Parties, which shall be designated as the Payment Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in Section 11.1(a) (Disbursements of Monies from Payment Account), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Debt in accordance with their terms and the provisions of this Indenture and Security Agreement and, upon Issuer Order, to pay Administrative Expenses, Collateral Management Fees and other amounts specified herein, each in accordance with the Priority of Payments. Amounts in the Collection Account will be invested in Eligible Investments that will mature on or before the Business Day prior to the next Payment Date (or, if such Eligible Investments are offered by the Collateral Agent or its Affiliates in their capacity as a banking institution, on such Payment Date). Amounts in the Payment Account shall remain uninvested. The Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with this Indenture and Security Agreement and the Securities Account Control Agreement.

(b) Custodial Account. In accordance with this Indenture and Security Agreement and the Securities Account Control Agreement, the Collateral Agent has established at the Custodian a single, segregated non-interest bearing account held in the name of the Collateral Agent, in trust for the benefit of the Secured Parties, which shall be designated as the Custodial Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. All Collateral Obligations shall be credited to the Custodial Account. All Cash in the Custodial Account shall remain uninvested and the only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture and Security Agreement. The Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and Security Agreement and the Securities Account Control Agreement. Cash amounts credited to the Custodial Account shall be transferred to the Collection Account upon receipt thereof.

(c) Ramp-Up Account. The Collateral Agent has established at the Custodian two non-interest-bearing segregated accounts, one of which will be designated the “Interest Ramp-Up Subaccount” and one of which will be designated the “Principal Ramp-Up Subaccount”, each held in the name of the Trustee, in trust for the benefit of the Secured Parties and together comprising the “Ramp-Up Account”, each of which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Trustee to deposit the amounts specified in the Deposit Order in the Interest Ramp-Up

Subaccount and the Principal Ramp-Up Subaccount, as applicable, on the Refinancing Date. On behalf of the Issuer, the Collateral Manager may direct the Trustee to, at any time and from time to time, purchase additional Collateral Obligations (using amounts in the Interest Ramp-Up Subaccount or the Principal Ramp-Up Subaccount (at the discretion of the Collateral Manager)) and invest in Eligible Investments pursuant to Section 10.6 (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*) any amounts not used to purchase such additional Collateral Obligations. At the discretion of the Collateral Manager, funds in the Interest Ramp-Up Subaccount may be designated by written notice as either Interest Proceeds or Principal Proceeds by the Collateral Manager to the Trustee and shall be transferred from the Interest Ramp-Up Subaccount to the Interest Collection Subaccount or Principal Collection Subaccount (as the case may be) of the Collection Account. On any date or dates on or after the Effective Date and prior to the Determination Date preceding the first Payment Date following the Refinancing Date, at the discretion of the Collateral Manager, (i) funds in the Principal Ramp-Up Subaccount may be designated by written notice as either Interest Proceeds or Principal Proceeds by the Collateral Manager to the Trustee and shall be transferred from the Principal Ramp-Up Subaccount to the Interest Collection Subaccount or Principal Collection Subaccount (as the case may be) of the Collection Account and (ii) funds in the Principal Collection Subaccount may be designated by written notice as Interest Proceeds by the Collateral Manager to the Trustee and shall be transferred from the Principal Collection Subaccount to the Interest Collection Subaccount of the Collection Account; provided, that, with respect to clauses (i) and (ii), (x) no more than 0.5% of the Target Initial Par Amount may be designated as Interest Proceeds, (y) funds may only be designated if, after giving effect to such designation, the Target Initial Par Condition, each Overcollateralization Ratio Test, each Concentration Limitation and the Collateral Quality Test are satisfied and (z) the designation referred to in clauses (i) and (ii) may only occur once. Unless otherwise transferred pursuant to the foregoing, on the earlier of the Determination Date preceding the first Payment Date following the Refinancing Date or the occurrence of an Event of Default (and excluding any proceeds that will be used to settle binding commitments entered into prior to that date), the Trustee will deposit any remaining amounts in the Principal Ramp-Up Subaccount into the Principal Collection Subaccount as Principal Proceeds and any remaining amounts in the Interest Ramp-Up Subaccount into the Interest Collection Subaccount as Interest Proceeds or (at the discretion and direction of the Collateral Manager) the Principal Collection Subaccount as Principal Proceeds. Upon the transfer of any remaining amounts as set forth in the previous sentence, the Trustee shall close the Ramp-Up Account. Any income earned on amounts deposited in the Ramp-Up Account will be deposited in the Interest Collection Subaccount as Interest Proceeds.

(d) [RESERVED].

(e) Hedge Counterparty Collateral Accounts. If and to the extent that any Hedge Agreement requires the Hedge Counterparty to post collateral with respect to such Hedge Agreement, the Issuer shall (at the direction of the Collateral Manager), on or prior to the date such Hedge Agreement is entered into, direct the Collateral Agent to establish at the Custodian a segregated, non-interest bearing account held in the name of the Collateral Agent, in trust for the benefit of the Secured Parties, which will be designated as a "Hedge Counterparty Collateral Account", and shall be maintained with the Custodian in accordance with a securities account control agreement, upon terms determined by the Collateral Manager and acceptable to the

Collateral Agent and Bank as securities intermediary or depository bank (in each case, solely with regard to their respective duties, liabilities and protections thereunder), and in accordance with the related Hedge Agreement, as determined by the Collateral Manager. The Collateral Agent (as directed by the Collateral Manager on behalf of the Issuer) will deposit into each Hedge Counterparty Collateral Account all collateral received by it from the related Hedge Counterparty for posting to such account and all other funds and property received by it from or on behalf of the related Hedge Counterparty and identified or instructed by the Collateral Manager to be deposited into the Hedge Counterparty Collateral Account in accordance with the terms of the related Hedge Agreement. The only permitted withdrawals from or application of funds or property on deposit in the Hedge Counterparty Collateral Account will be in accordance with the written instructions of the Collateral Manager. As directed by the Issuer (or the Collateral Manager on behalf of the Issuer) in writing, in accordance with the applicable Hedge Agreement, amounts on deposit in a Hedge Counterparty Collateral Account shall be invested in Eligible Investments pursuant to Section 10.6 (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*). Income received on amounts or collateral on deposit in each Hedge Counterparty Collateral Account shall be applied, as directed by the Collateral Manager, to the payment of any periodic amounts owed by the Hedge Counterparty to the Issuer on the date any such amounts are due. After application of any such amounts, any income then contained in such Hedge Counterparty Collateral Account shall be withdrawn from such account and paid to the related Hedge Counterparty in accordance with the applicable Hedge Agreement as directed by the Collateral Manager on behalf of the Issuer.

(f) Financing Expense Account. In accordance with this Indenture and Security Agreement and the Securities Account Control Agreement, the Collateral Agent has established at the Custodian a single, segregated non-interest bearing account held in the name of the Collateral Agent, in trust for the benefit of the Secured Parties, which shall be designated as the “Financing Expense Account”, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. Amounts in the Financing Expense Account will be invested in Eligible Investments that will mature on or before the Business Day prior to the next Payment Date (or, if such Eligible Investments are offered by the Collateral Agent or its Affiliates in their capacity as a banking institution, on such Payment Date) at the direction of the Collateral Manager pursuant to Section 10.6 (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*). Any income earned on amounts deposited in the Financing Expense Account will be deposited in the Financing Expense Account as it is received or, at the discretion of the Collateral Manager, the Interest Collection Subaccount as Interest Proceeds. At the direction of the Collateral Manager, the Issuer will from time to time on any Payment Date deposit in the Financing Expense Account, Interest Proceeds on deposit in the Collection Account available for such purpose in accordance with the Priority of Payments. On the Determination Date with respect to any Payment Date on which an amount is standing to the credit of the Financing Expense Account, the Collateral Manager may direct the Collateral Agent to withdraw all or any portion of such amount from the Financing Expense Account for application as Interest Proceeds or to be treated as Partial Redemption Interest Proceeds. In addition, on any day on which an amount is standing to the credit of the Financing Expense Account, the Collateral Manager may direct the Collateral Agent to withdraw all or any portion of such amount from the Financing Expense Account to pay the expenses of a Re-Pricing or a Refinancing, to repurchase Secured

Debt as described in Section 2.9(b) (Cancellation), to be treated as Partial Redemption Interest Proceeds or, during the Reinvestment Period only, to purchase additional Collateral Obligations.

(g) Contribution Account. In accordance with this Indenture and Security Agreement and the Securities Account Control Agreement, the Collateral Agent has established at the Custodian a segregated non-interest bearing account held in the name of the Collateral Agent, in trust for the benefit of the Secured Parties, which shall be designated as the “Contribution Account” and which shall be held by the Custodian in accordance with the Securities Account Control Agreement. At any time during or after the Reinvestment Period, any Holder or beneficial owner of Debt may, upon written notice to the Trustee, the Collateral Agent, the Loan Agent and the Collateral Manager, (i) make a contribution of Cash, Eligible Investments or Collateral Obligations to the Issuer or (ii) solely in the case of holders of Subordinated Notes which are Non-Clearing Agency Notes, by notice given in accordance with this Indenture and Security Agreement at least 10 Business Days prior to a Payment Date, designate any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Subordinated Notes in accordance with the Priority of Payments as a contribution to the Issuer (each, a “Contribution” and each such Holder, a “Contributor”); provided that (x) the Contribution and Additional Issuance Condition will be satisfied after giving effect to such Contribution, and (y) each such Contribution (excluding (i) a Contribution that will be used solely for purposes of clause (v) of the definition of Permitted Use or (ii) a Contribution made during the first Interest Accrual Period following the Refinancing Date only that will be used solely for purposes of clause (i) of the definition of “Permitted Use”) shall be equal to at least 8% of the amount of the Aggregate Outstanding Amount of the Subordinated Notes. The Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall notify the Collateral Agent in writing of any such acceptance. Each accepted Contribution and Sale Proceeds received in connection with the sale of any Workout Loan or Equity Security will be allocated to the Contribution Account (if Contributions were used to acquire such Workout Loan or Equity Security as specified in Section 1.3(t) (Assumptions as to Assets)). If a Contribution is accepted, the Collateral Manager on behalf of the Issuer will apply such Contribution to a Permitted Use as directed by the Contributor at the time such Contribution is made (or, if no direction is given by the Contributor, at the direction of the Collateral Manager in its sole discretion); provided that any Contribution that has been designated as Principal Proceeds either by the Contributor or the Collateral Manager may not be re-classified for another Permitted Use after such designation. No Contribution or portion thereof shall be returned to the Contributor at any time (other than by operation of the Priority of Payments) and no shares in the Issuer shall be issued or other rights against the Issuer shall be credited in favor of the Contributor as a result of such Contribution. For administrative convenience, any Contributions or transfers of cash, Eligible Investments or Collateral Obligations made through one or more affiliates of the Retention Holder may instead be made directly into the Issuer, bypassing such affiliate. In the case of any such payment made to the Issuer in the form of a combination of cash and Collateral Obligations, the cash portion of such payment shall be an amount equal to the total payment required to be made to the Issuer reduced by an amount equal to the fair market value as determined by the Collateral Manager as of the date of contribution of the Collateral Obligations and Eligible Investments contributed in a Contribution or transferred to the Issuer in respect of such payment. Amounts in the Contribution Account shall be invested at the direction of the Issuer (or the Collateral Manager

on behalf of the Issuer) in Eligible Investments with stated maturities no later than the Business Day prior to the next Payment Date (or, if such Eligible Investments are offered by the Collateral Agent or its Affiliates in their capacity as a banking institution, on such Payment Date) pursuant to Section 10.6 (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*). Any income earned on amounts deposited in the Contribution Account will be deposited in the Interest Collection Subaccount as Interest Proceeds. Amounts in the Revolver Funding Account will be invested in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.6 (*Reinvestment of Funds in Accounts; Reports by Collateral Agent*) and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds.

Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager on behalf of the Issuer. In the event of any shortfall in the Revolver Funding Account, the Collateral Manager (on behalf of the Issuer) may direct the Collateral Agent to, and the Collateral Agent thereafter shall, transfer funds in an amount equal to such shortfall from the Principal Collection Subaccount to the Revolver Funding Account.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available at the direction of the Collateral Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided that any excess of (A) the Balance of the Revolver Funding Account over (B) the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets may be

The Collateral Agent shall immediately upon receipt deposit in the Excluded Collateral Obligation Reserve Account an amount equal to the withholding tax due and payable in respect of fees received in relation to an Excluded Collateral Obligation; provided that the Collateral Agent has first received an Issuer Order setting out the amount of such deposit. Such amounts shall be deposited directly into the Excluded Collateral Obligation Reserve Account and shall not be initially deposited into the Collection Account. Amounts withdrawn from the Excluded Collateral Obligation Reserve Account pursuant to clauses (ii), (iv) or (v) of this Section 10.5 (The Excluded Collateral Obligation Reserve Account) will be deposited into the Interest Collection Subaccount as Interest Proceeds. If after the occurrence of an Event of Default, the Issuer shall not have given such investment directions to the Collateral Agent for three consecutive days, the Collateral Agent shall invest and reinvest such Monies as fully as practicable in the Standby Directed Investment unless and until contrary investment instructions as provided in the preceding sentence are received or the Collateral Agent receives a written instruction from the Issuer, or the Collateral Manager on behalf of the Issuer, changing the Standby Directed Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Subaccount, any gain realized from such investments shall be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Subaccount. The Collateral Agent shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment, provided that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof.

(b) The Collateral Agent agrees to give the Issuer and the Collateral Manager immediate notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

If any IRS form or other documentation previously delivered becomes inaccurate in any respect, the Issuer shall timely provide to the Collateral Agent accurately updated and complete versions of such IRS forms or other documentation. The Bank, both in its individual capacity and in its capacity as Collateral Agent, shall have no liability to the Issuer or any other person in connection with any tax withholding amounts paid or withheld from the Accounts pursuant to applicable law arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-9, an appropriate IRS Form W-8 or such other documentation contemplated under this paragraph. No funds shall be required to be invested by the Collateral Agent with respect to such Accounts absent the Collateral Agent having first received (i) the requisite written investment direction with respect to the investment of such funds, and (ii) the IRS forms and other documentation required by this paragraph.

Unless the Debt has been accelerated following an Event of Default (or if the Debt has been accelerated, with the consent of a Majority of the Controlling Class), the Collateral Manager may direct (x) the Collateral Agent to accept or participate in or decline or refuse to participate in such Offer and, in the case of acceptance or participation, to release from the lien of this Indenture and Security Agreement such Collateral Obligation in accordance with the terms of the Offer against receipt of payment therefor, or (y) the Issuer or the Collateral Agent to agree to or otherwise act with respect to such consent,

waiver, amendment, modification or action; provided that in the absence of any such direction, the Collateral Agent shall not respond or react to such Offer or request.

(d) As provided in Section 10.2(a) (*Collection Account*), the Collateral Agent shall deposit any proceeds received by it from the disposition of an Asset in the applicable subaccount of the Collection Account, unless simultaneously applied to the purchase of additional Collateral Obligations or Eligible Investments as permitted under and in accordance with the requirements of this Article X and Article XII.

(a) On or prior to the Refinancing Date, the Issuer shall appoint one or more firms of Independent certified public accountants of recognized international reputation for purposes of recalculation and delivering the reports or certificates of such accountants required by this Indenture and Security Agreement, which may be the firm of Independent certified public accountants that performs accounting services for the Issuer or the Collateral Manager. The Issuer may remove any firm of Independent certified public accountants at any time without the consent of any Holder of Debt. Upon any resignation by such firm or removal of such firm by the Issuer, the Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly appoint by Issuer Order delivered to the Collateral Agent a successor thereto that shall also be a firm of Independent certified public accountants of recognized international reputation, which may be a firm of Independent certified public accountants that performs accounting services for the Issuer or the Collateral Manager. To the extent a beneficial owner or Holder of Debt requests the yield to maturity in respect of the relevant Debt in order to determine any “original issue discount” in respect thereof, the Collateral Agent may request that the firm of Independent certified public accountants appointed by the Issuer calculate such yield to maturity. The Collateral Agent shall have no responsibility to calculate the yield to maturity nor to verify the accuracy of such Independent certified public accountants’ calculation. If the firm of Independent certified public accountants fails to calculate such yield to maturity, the Collateral Agent shall have no responsibility to provide such information to the beneficial owner or Holder of a Debt.

(c) Upon the written request of the Collateral Agent, or any Holder or beneficial owner of a Subordinated Note, the Collateral Manager on behalf of the Issuer shall cause the firm of Independent certified public accountants appointed pursuant to Section 10.9(a) (Reports by Independent Accountants) to provide any Holder or beneficial owner of Subordinated Notes with all of the information required to be provided by the Issuer pursuant to Section 7.17 (Certain Tax Matters) or assist the Issuer in the preparation thereof.

(d) Neither the Collateral Agent, the Trustee nor the Collateral Administrator shall have any responsibility to the Issuer or the Secured Parties hereunder to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Collateral Manager on behalf of the Issuer); provided, however, that the Collateral Agent is hereby directed by the Issuer to execute any acknowledgment or other agreement with the Independent accountants required for the Collateral Agent to receive any of the reports or instructions provided for herein, which acknowledgment or agreement may include, among other things, (i) acknowledgment of the responsibility for the sufficiency of the procedures to be performed by the Independent accountants for its purposes, (ii) releases by the Collateral Agent (on behalf of itself and the Holders and beneficial owners) of claims against the Independent accountants and acknowledgment of other limitations of liability in favor of the Independent accountants, and (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders). It is understood and agreed that the Collateral Agent will deliver such letter of agreement in conclusive reliance on the foregoing direction of the Issuer, and the Collateral Agent shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity or correctness of such procedures. The Collateral Agent shall not be required to make any such agreements that adversely affect the Bank in its individual capacity.

The Collateral Agent shall have the right to open such subaccounts of any such account as it deems necessary or appropriate for convenience of administration.

Section 10.12 Section 3(c)(7) Procedures. For so long as any Debt is Outstanding, the Issuer shall do the following:

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the Holders will include a notice to the following effect:

“The Investment Company Act of 1940, as amended (the “1940 Act”), and this Indenture and Security Agreement require that all holders of the outstanding securities of the Issuers that are U.S. persons (as defined in Regulation S) be “Qualified Purchasers” (“Qualified Purchasers”) as defined in Section 2(a)(51)(A) of the 1940 Act and related rules or “knowledgeable employees” (as defined in Rule 3c-5(a)(4) promulgated under the 1940 Act) with respect to the Issuer or the Collateral Manager (“Knowledgeable Employees”). Under the rules, each Co-Issuer must have a “reasonable belief” that all holders of its outstanding securities that are “U.S. persons” (as defined in Regulation S), including transferees, are Qualified Purchasers or Knowledgeable Employees. Consequently, all sales and resales of the Notes in the United States or to “U.S. persons” (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers or Knowledgeable Employees. Each purchaser of a Secured Note in the United States who is a “U.S. person” (as defined in Regulation S) (such Note, a “Restricted Note”) will be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser or a Knowledgeable Employee, in each case that is either (x) an accredited investor (“AI”) within the meaning of Rule 501 under the Securities Act of 1933, as amended (the “Securities Act”) purchasing with the written

consent of the Applicable Issuers (that, in the case of an AI identified in Rule 501(a)(4), (5) or (6) of the Securities Act, is also a Knowledgeable Employee) or (y) a qualified institutional buyer as defined in Rule 144A under the Securities Act (“QIB”); (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser and QIB/AI; (iii) either the purchaser is not formed for the purpose of investing in either Co-Issuer or the purchaser is an entity owned exclusively by Qualified Purchasers and/or Knowledgeable Employees; (iv) the purchaser, and each account for which it is purchasing, will hold and transfer at least the Authorized Denominations of the Notes specified in this Indenture and Security Agreement; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry depositories; and (vi) the purchaser will provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Notes may only be transferred to eligible purchasers described above and all subsequent transferees are deemed to have made representations (i) through (vi) above.”

“The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.”

“The Indenture and Security Agreement provides that if, notwithstanding the restrictions on transfer contained therein, the Issuers determine that any Holder of, or beneficial owner of an interest in a Restricted Note is a “U.S. person” (as defined in Regulation S) who is determined not to have been both (1) a Qualified Purchaser or Knowledgeable Employee and (2) either (x) an AI purchasing with the written consent of the Applicable Issuer or (y) a QIB, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Note, as applicable (or any interest therein), to a Person that is either (a) not a “U.S. person” (as defined in Regulation S) or (b) a (1) Qualified Purchaser or Knowledgeable Employee who is (2) either (x) an AI purchasing with the written consent of the Applicable Issuer or (y) a QIB, with such sale to be effected within 30 days after notice of such sale requirement is given. If such Holder or beneficial owner fails to effect the transfer required within such 30-day period, (i) the Issuer or the Collateral Manager acting for the Issuer, without further notice so such Holder, shall and is hereby irrevocably authorized by such Holder or beneficial owner, to cause its Restricted Note, or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Collateral Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Collateral Agent, the Issuers and the Collateral Manager, in connection with such transfer, that such Person meets the qualifications set forth above and (ii) pending such transfer, no further payments will be made in respect of such Restricted Note or beneficial interest therein held by such Holder or beneficial owner.”

(b) DTC Actions. The Issuer will direct DTC to take the following steps in connection with the Global Notes:

(i) The Issuer will direct DTC to include the marker “3c7” in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer will direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer will direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a “3c7” indicator and a related user manual for participants. Such user manual will contain a description of the relevant restrictions imposed by Section 3(c)(7).

(iii) On or prior to the Refinancing Date, the Issuer will instruct DTC to send a Section 3(c)(7) notice to all DTC participants in connection with the offering of the Global Notes.

(iv) In addition to the obligations of the Registrar set forth in Section 2.5 (*Registration, Registration of Transfer and Exchange*), the Issuer will from time to time (upon the request of the Trustee) make a request to DTC to deliver to the Issuer a list of all DTC participants holding an interest in the Global Notes.

(v) The Issuer will cause each CUSIP number obtained for a Global Note to have a fixed field containing “3c7” and “144A” indicators, as applicable, attached to such CUSIP number.

(c) Bloomberg Screens, etc. The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) under the Investment Company Act restrictions on the Global Notes. Without limiting the foregoing, the Issuer will request that each third-party vendor include the following legends on each screen containing information about the Notes:

(i) Bloomberg.

(A) “Iss’d Under 144A/3c7”, to be stated in the “Note Box” on the bottom of the “Security Display” page describing the Global Notes;

(B) a flashing red indicator stating “See Other Available Information” located on the “Security Display” page;

(C) a link to an “Additional Security Information” page on such indicator stating that the Global Notes are being offered in reliance on the exception from registration under Rule 144A of the Securities Act to persons that are both (i) “qualified institutional buyers” as defined in Rule 144A under the Securities Act and (ii) “qualified purchasers” as defined under Section 2(a)(51) of the Investment Company Act of 1940, as amended; and

(D) a statement on the “Disclaimer” page for the Global Notes that the Notes will not be and have not been registered under the Securities Act, as amended, that the Issuer has not been registered under the Investment Company Act of 1940, as amended, and that the Global Notes

may only be offered or sold in accordance with Section 3(c)(7) of the Investment Company Act of 1940, as amended.

(ii) Reuters.

(A) a “144A – 3c7” notation included in the security name field at the top of the Reuters Instrument Code screen;

(B) a “144A3c7Disclaimer” indicator appearing on the right side of the Reuters Instrument Code screen; and

(C) a link from such “144A3c7Disclaimer” indicator to a disclaimer screen containing the following language: “These Notes may be sold or transferred only to Persons who are both (i) “qualified institutional buyers”, as defined in Rule 144A under the Securities Act, and (ii) “qualified purchasers”, as defined under Section 3(c)(7) under the U.S. Investment Company Act of 1940”.

(a) Credit Risk Obligations. The Collateral Manager may direct the Collateral Agent to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Collateral Agent to sell any Credit Improved Obligation either:

(i) at any time (A) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Credit Improved Obligation or (B) after giving effect to such sale, the Adjusted Collateral Principal Amount (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) will be equal to or greater than the Reinvestment Target Par Balance; or

(ii) solely during the Reinvestment Period, if (A) the Collateral Manager reasonably believes prior to such sale that it will be able to enter into binding

commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 30 days after such sale or (B) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations and Eligible Investments (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) will be equal to or greater than the Reinvestment Target Par Balance.

(c) Defaulted Obligations. The Collateral Manager may direct the Collateral Agent to sell any Defaulted Obligation at any time without restriction.

The Collateral Manager shall use its commercially reasonable efforts to effect the sale of any asset held by any ETB Subsidiary, regardless of price:

(i) within three years after receipt, if such Equity Security is (A) received upon the conversion of a Defaulted Obligation, or (B) received in an exchange initiated by the Obligor to avoid bankruptcy; and

(ii) within 45 days after receipt if such Equity Security constitutes Margin Stock, unless such sale is prohibited by applicable law or would breach any contractual restriction on the sale of such Equity Security, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law or by contract.

(e) Optional Redemption; Clean-up Call Redemption. After the Issuer has notified the Collateral Agent of an Optional Redemption of the Debt in accordance with Section 9.2 (Optional Redemption) or a Clean-up Call Redemption in accordance with Section 9.7 (Clean-up Call Redemption), the Collateral Manager shall direct the Collateral Agent to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii) (Redemption Procedures), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Aggregate Outstanding Amount of the Subordinated Notes has directed (by a written direction delivered to the Collateral Agent) a Tax Redemption, the Collateral Manager shall direct the Collateral Agent to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii) (Redemption Procedures) or Section 9.7(c)(ii) (Clean-up Call Redemption), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. During the Reinvestment Period, the Collateral Manager may direct the Collateral Agent to sell any Collateral Obligation at any time other than during a Restricted Trading Period if (i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) (*Discretionary Sales*) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Refinancing Date, during the period commencing on the Refinancing Date) is not greater than 25% of the Collateral Principal Amount as of the first day of such 12 calendar month period (or, as of the Refinancing Date, as the case may be); provided that, for the purpose of determining the percentage of Collateral Obligations sold pursuant to this clause (g)(i) during any such period, the amount of Collateral Obligations sold shall be reduced to the extent of any purchases of (or irrevocable commitments to purchase) Collateral Obligations of the same obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 20 Business Days of such sale, so long as any such sale pursuant to this clause (g) of a Collateral Obligation was entered into with the intention of purchasing such Collateral Obligations of the same obligor; and (ii) either:

(A) the Collateral Manager reasonably believes prior to such sale that it will be able to enter into binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 30 days after such sale; or

(B) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations and Eligible Investments (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) will be equal to or greater than the Reinvestment Target Par Balance.

(h) Consent of Controlling Class. The Collateral Manager may direct the Collateral Agent to sell any Collateral Obligation at any time with the consent of a Majority of the Controlling Class.

(i) Other Assets, Offers and Exchanges. The Collateral Manager may direct the Collateral Agent to sell any asset which is not a Collateral Obligation, Eligible Investment, Defaulted Obligation or Equity Security at any time without restriction. The Collateral Manager may also direct the Collateral Agent to transfer or dispose of any asset which is the subject of an offer or an exchange, in each case pursuant to the applicable offer or exchange and in accordance with Section 10.8(c) (*Release of Securities*) and Section 12.3(e) (*Conditions Applicable to All Sale and Purchase Transactions*). In addition, the Collateral Manager may direct the Collateral Agent to acquire, dispose of or exchange and the Collateral Agent will acquire, dispose of or exchange in the manner directed by the Collateral Manager any Exchanged Obligation or Received Obligation in connection with a Distressed Exchange at any time.

(j) Maturity. On or prior to the date that is one Business Day prior to the latest Stated Maturity of the Secured Debt, the Collateral Manager shall use commercially reasonable efforts to sell all (x) Collateral Obligations to the extent necessary such that no

Collateral Obligations shall be held by the Issuer on or after such date and (y) all Equity Security or other assets held by any ETB Subsidiary or the Issuer to the extent necessary such that no such assets will be held by an ETB Subsidiary or the Issuer on or after such date. The settlement date for any such sales of Collateral Obligations shall be no later than one Business Day prior to the Stated Maturity of the Secured Debt.

(k) Unsalable Assets. After the Reinvestment Period (without regard to whether an Event of Default has occurred and is continuing):

(i) notwithstanding the restrictions of this Section 12.1 (*Sales of Collateral Obligations*) or Section 12.3 (*Conditions Applicable to All Sale and Purchase Transactions*), from time to time at the direction and with the assistance of the Collateral Manager, the Collateral Agent, at the expense of the Issuer and upon receipt of the certificate described in the definition of “Unsalable Asset”, will conduct an auction of one or more Unsalable Assets in accordance with the procedures described in clause (ii).

(ii) promptly after receipt of such direction, the Collateral Agent will provide notice (in such form as is prepared by the Collateral Manager) to the Holders of the Debt regarding an auction, setting forth in reasonable detail a description of each such Unsalable Asset and the following auction procedures:

(A) any Holder of Debt that has provided a certificate in the form of Exhibit C may submit a written bid to purchase one or more such Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Collateral Agent at the direction of the Collateral Manager will provide notice thereof to each Holder and offer to deliver (at the cost of the Issuer) a pro rata portion of each unsold Unsalable Asset to the Holders of the most senior ranking Class of Debt that provide delivery instructions to the Collateral Agent on or before the date specified in such notice, subject to the Authorized Denominations. To the extent that Authorized Denominations do not permit a pro rata distribution, the Collateral Agent at the direction of the Collateral Manager will distribute the Unsalable Assets on a pro rata basis to the extent possible and the Collateral Agent at the direction of the Collateral Manager will select by lottery the Holder to whom the remaining amount will be delivered. The Issuer (or the Collateral Manager on its behalf) and the Collateral Agent (at the direction of the Collateral Manager) shall use commercially reasonable efforts to effect delivery of such interests; and

(D) if no such Holder provides delivery instructions to the Collateral Agent, the Collateral Agent will promptly notify the Collateral Manager and offer to deliver (at the cost of the Issuer) the Unsalable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Collateral Agent will take such action as directed by the Collateral Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means; provided that, with respect to disposal of the Unsalable Asset by donation to a charity, such donation may only be made if there is no cost to donate.

(l) Workout Loans. The Collateral Manager may direct the Collateral Agent to sell any Workout Loan at any time without restriction.

(m) Optional Purchase of any Antares Collateral Obligation or Substitution. The Collateral Manager may effect the sale of an Antares Collateral Obligation to the Retention Holder and the substitution by the Retention Holder of an Antares Collateral Obligation for another Antares Collateral Obligation, in each case, pursuant to Section 12.4 (Optional Purchase of any Antares Collateral Obligation or Substitution).

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period, the Collateral Manager on behalf of the Issuer pursuant to an Issuer Order may subject to the other requirements in this Indenture and Security Agreement direct the Collateral Agent to invest Principal Proceeds, proceeds of additional debt issued or incurred pursuant to Section 2.13 (Additional Issuance) and Section 3.2 (Conditions to Additional Issuance), amounts on deposit in the Ramp-Up Account, and the Collateral Agent shall invest such Principal Proceeds and other amounts in accordance with such direction. After the Reinvestment Period, the Collateral Manager shall not direct the Collateral Agent to invest any amounts on behalf of the Issuer; provided that (x) in accordance with Section 12.2(d) (Purchase of Additional Collateral Obligations), Cash on deposit in any Account (other than the Payment Account) may be invested in Eligible Investments following the Reinvestment Period and (y) the Collateral Manager may commit to purchase a Collateral Obligation during a Collection Period that occurs (in whole or in part) during the Reinvestment Period which settles during a succeeding Collection Period that occurs (in whole or in part) following the Reinvestment Period.

(a) Investment Criteria. The Issuer may not commit to purchase any obligation during the Reinvestment Period unless each of the following conditions (the "Investment Criteria") is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Collateral Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; provided that the conditions set forth in clauses (ii), (iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) such obligation is a Collateral Obligation;

(ii) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Determination

Date occurring immediately prior to the first Payment Date following the Refinancing Date), each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved;

(iii) (A) in the case of an additional Collateral Obligation purchased with the Sale Proceeds of a Credit Risk Obligation or a Defaulted Obligation, any of (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (3) the Aggregate Principal Balance of all Collateral Obligations (excluding any Defaulted Obligations) plus, without duplication, the S&P Collateral Value of all Defaulted Obligations (in each case, excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Collection Account, the Ramp-Up Account and the Contribution Account (including Eligible Investments therein) representing Principal Proceeds will be greater than or equal to the Reinvestment Target Par Balance and (B) in the case of any other purchase of additional Collateral Obligations purchased with the Sale Proceeds of a Collateral Obligation, any of (1) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (2) the Aggregate Principal Balance of all Collateral Obligations (excluding any Defaulted Obligations) plus, without duplication, the S&P Collateral Value of all Defaulted Obligations (in each case, excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Collection Account, the Ramp-Up Account and the Contribution Account (including Eligible Investments therein) representing Principal Proceeds will be greater than or equal to the Reinvestment Target Par Balance;

(iv) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(v) the date on which the Issuer (or the Collateral Manager on its behalf) commits to purchase such Collateral Obligation occurs during the Reinvestment Period.

(b) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a “Trading Plan”) may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the 10 Business Days following the date of determination of such compliance (such period, the “Trading Plan Period”); provided that (1) with respect to Discount Obligations, no such calculation or evaluation may be made using the weighted average price of any Collateral Obligation or any group of Collateral Obligations, (2) no day during any Trading Plan Period relating to a Trading Plan may be a Determination Date, (3) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (4) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (5) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Investment Criteria shall not at any time thereafter be evaluated by giving effect to a Trading Plan, unless the Global Rating Agency Condition is satisfied with respect to a subsequent Trading Plan, (6) no Trading Plan may result in the purchase of a group of Collateral Obligations if the difference between the shortest Average Life of any Collateral Obligation in such group and the longest Average Life of any Collateral Obligation in such group is greater than three (3) years and (7) no Trading Plan may result in the purchase of Collateral Obligations with an Average Life of less than six (6) months. The Issuer (or the Collateral Manager on the Issuer’s behalf) shall provide notice to each Rating Agency of any “failed” Trading Plan. The Collateral Manager will provide notice to the Collateral Agent as soon as reasonably practicable following the execution of a Trading Plan and the Collateral Agent will post such notice on its website.

(c) Certification by Collateral Manager. Upon delivery by the Collateral Manager of an Issuer Order under this Section 12.2 (Purchase of Additional Collateral Obligations) (or other written instruction of an Authorized Officer of the Collateral Manager), the Collateral Manager shall be deemed to have confirmed to the Collateral Agent and the Collateral Administrator that the purchase directed by such Issuer Order or other written instruction complies with this Section 12.2 (Purchase of Additional Collateral Obligations) and Section 12.3 (Conditions Applicable to All Sale and Purchase Transactions).

(d) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(e) Equity Securities. Equity Securities may be received by the Issuer at any time in exchange for a Collateral Obligation or a portion thereof in connection with an insolvency, bankruptcy, winding-up, reorganization, debt restructuring or workout of the Obligor thereof. In addition, at any time the Collateral Manager may direct the Collateral Agent in writing to exercise an option, warrant, right of conversion, pre-emptive right, rights offering, credit bid or similar right or pay for the acquisition of an Equity Security (except as set forth in Section 7.4(b) (Existence of Issuers)) which is not eligible for acquisition by the Issuer hereunder

in connection with an insolvency, bankruptcy, winding-up, reorganization, debt restructuring or workout of the Obligor of such Collateral Obligation, so long as such Equity Security is issued by the same Obligor as the Collateral Obligation, as applicable (or an affiliate of or successor to such Obligor or an entity that succeeds to substantially all of the assets of such Obligor or a significant portion of such assets); provided, that (w) if using Interest Proceeds, the Issuer shall only effect such payment if, after giving effect to such acquisition, there would be sufficient proceeds pursuant to the Priority of Payments to pay in full all amounts due and payable through and including Section 11.1(a)(i)(O) (*Disbursements of Monies from Payment Account*), (x) if using Principal Proceeds, the Issuer shall only make such payment if either (i)(A) the Workout Payment Condition is satisfied and (B) after giving effect to the acquisition of such Equity Security, the Collateral Principal Amount plus the S&P Collateral Value of any Defaulted Obligations will be greater than or equal to the Reinvestment Target Par Balance or (ii) such payment consists solely of Contributions, in each case as determined by the Collateral Manager, (y) as determined by the Collateral Manager, both prior to and after giving effect to such acquisition, each of the Overcollateralization Ratio Tests is satisfied and (z) the Collateral Manager believes in its commercially reasonable judgment that the acquisition of such Equity Security or other security or exercise of the related warrant or similar right will result in a better overall recovery to the Issuer compared to not electing to do so. Further, the Issuer will not exercise any warrant or exercise any other similar right received in connection with a workout or a restructuring of a Collateral Obligation that requires a payment that results in receipt of an Equity Security or any other securities unless the Collateral Manager on the Issuer's behalf certifies to the Collateral Agent that exercising the warrant or other similar right is necessary for the Issuer to realize the value of the workout or restructuring. Any such exchange shall not constitute a sale hereunder or be subject to the Investment Criteria.

(f) Acquisitions of Workout Loans. During (and, in the case of Contributions and Interest Proceeds, after) the Reinvestment Period the Issuer may use Contributions, Interest Proceeds or Principal Proceeds on deposit in the Collection Account to acquire a Workout Loan; provided that (1) Interest Proceeds may only be used to acquire a Workout Loan if the Collateral Manager certifies to the Collateral Agent (which certification shall be deemed to be provided upon delivery of the related acquisition instruction) that the Collateral Manager believes that such acquisition will not render insufficient the available Interest Proceeds remaining on the next Payment Date to pay in full all amounts due and payable through and including Section 11.1(a)(i)(O) (*Disbursements of Monies from Payment Account*), (2) if Principal Proceeds are used to acquire a Workout Loan, (x) such Workout Loan must rank senior to or pari passu with the Collateral Obligation subject to the applicable workout or restructuring and (y) after giving effect to such acquisition (i) Principal Proceeds used to acquire Workout Loans or Equity Securities that are held by the Issuer on such date of determination may not exceed 5.0% of the Collateral Principal Amount and (ii) Principal Proceeds used to acquire Workout Loans or Equity Securities at any time since the Refinancing Date shall not exceed 10.0% of the Target Initial Par Amount; (3) if such Workout Loan is a Second Lien Loan, the Workout Payment Condition is satisfied with respect to such Workout Loan; (4) in the case of any Non-Qualified Workout Loan and after giving effect to such acquisition, the Collateral Principal Amount plus the S&P Collateral Value of any Defaulted Obligations will be greater than or equal to the Reinvestment Target Par Balance; (5) the Collateral Manager believes in its commercially reasonable judgment that the acquisition of such Workout Loan will result in a better overall

recovery to the Issuer compared to not electing to do so; (6) as determined by the Collateral Manager, both prior to and after giving effect to such acquisition, each of the Overcollateralization Ratio Tests is satisfied; and (7) the acquisition of such Workout Loan will not result in the Issuer breaching its covenant under Section 7.8(e) (*Negative Covenants*). Any such acquisition of a Workout Loan shall not be subject to the Investment Criteria.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions.

(a) Arm's Length Transactions. Any transaction effected under this Article XII or in connection with the acquisition, disposition or substitution of a Collateral Obligation shall be conducted on an arm's length basis and in accordance with the Tax Restrictions and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 3(e) of the Collateral Management Agreement and, otherwise, on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated; provided that an aggregate amount (measured cumulatively from the Original Closing Date) of Collateral Obligations not exceeding 15% of the Net Purchased Loan Balance may be sold or otherwise transferred to the Retention Holder or any other Antares Entity that has sold Collateral Obligations to the Issuer pursuant to this Indenture and Security Agreement at a price greater than the value determined pursuant to requirements of Section 3(e) of the Collateral Management Agreement, but no greater than the Transfer Deposit Amount of any such Collateral Obligation (and to the extent such price exceeds the fair market value of any such Collateral Obligation, such excess shall be deemed to be a capital contribution from the Retention Holder or the applicable Antares Entity, to the Issuer). The Issuer will not acquire any Collateral Obligation from an Affiliate of the Collateral Manager unless (i) such transfer is from the Retention Holder, Antares Assetco, Antares Vesta, Antares Venus and ACFS or another Affiliate pursuant to the 2019-1 CLO Master Purchase Agreement or a transfer agreement on substantially the same terms as the 2019-1 CLO Master Purchase Agreement, (ii) such transfer is from an Affiliate of the Collateral Manager that is a bankruptcy-remote special purpose vehicle or (iii) such transfer is made at purchase price equal to the fair value of the applicable Collateral Obligation determined in accordance with the Section 3(e) of the Collateral Management Agreement and other terms that the Collateral Manager determines, based upon advice of counsel, would not adversely impact the non-consolidation or true sale treatment referenced in the Opinions of Counsel delivered by White & Case LLP on the Original Closing Date. The Issuer shall use reasonable efforts to give each Rating Agency prior notice of any acquisition of a Collateral Obligation from an Affiliate of the Collateral Manager that is not pursuant to the 2019-1 CLO Master Purchase Agreement; provided that no notice shall be required to a Rating Agency for any acquisition from an Affiliate if (1) such transfer is from an Affiliate of the Collateral Manager that is a bankruptcy-remote special purpose vehicle whose securities are rated by any such Rating Agency; (2) such acquisition is pursuant to a transfer agreement on substantially the same terms as the 2019-1 CLO Master Purchase Agreement, a form of which has been reviewed by any such Rating Agency; or (3) the acquisition is consistent with factual assumptions of a true sale Opinion of Counsel that has been reviewed by any such Rating Agency. The Collateral Agent shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Grant of Security Interest. Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Collateral Agent pursuant to this Indenture and Security Agreement, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets.

(c) Consent by Controlling Class. Notwithstanding anything contained in this Article XII or Article V to the contrary, the Issuer shall have the right to effect any purchase of any Collateral Obligation (provided that in the case of a purchase of a Collateral Obligation such purchase complies with the applicable requirements of the Tax Restrictions) that has been consented to in writing by with respect to purchases during the Reinvestment Period, Holders of Debt evidencing at least 75% of the Aggregate Outstanding Amount of the Controlling Class and of which each Rating Agency and the Collateral Agent has been notified.

(d) Outstanding Trades Limitation. Notwithstanding anything else in this Indenture and Security Agreement to the contrary, as a condition to any purchase of an additional Collateral Obligation, if the Balance in the Principal Collection Subaccount after giving effect to all expected debits and credits in connection with such purchase, all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled and all expected payments and repayments with respect to the Assets is a negative amount, the absolute value of such amount may not be greater than 5.0% of the Adjusted Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase. If the Issuer (or the Collateral Manager on its behalf) enters into a committed purchase for an additional Collateral Obligation during one Interest Accrual Period that will settle after such Interest Accrual Period, the Collateral Manager will use commercially reasonable efforts to settle such additional Collateral Obligation during the immediately succeeding Interest Accrual Period. Following the conclusion of the Reinvestment Period, the Collateral Manager, on behalf of the Issuer, shall provide to the Collateral Agent an Officer's certificate identifying each committed purchase for an additional Collateral Obligation entered into during the Reinvestment Period that will settle after the Reinvestment Period and certifying that the Collateral Manager expects that there will be sufficient funds available to the Issuer to settle each such trade from (i) amounts on deposit in the Principal Collection Subaccount as of the close of business on the last day of the Reinvestment Period plus (ii) proceeds to be received after the end of the Reinvestment Period from sales that occurred (on a trade date basis) prior to the end of the Reinvestment Period.

(e) Maturity Amendments. The Issuer (or the Collateral Manager on the Issuer's behalf) shall be authorized to consent to any amendment, waiver or other modification to any Collateral Obligation, including any amendment, waiver or modification that would extend the stated maturity date thereof (a "Maturity Amendment"); provided, that neither the Issuer nor the Collateral Manager on the Issuer's behalf may agree to any Maturity Amendment (other than a Workout Loan) unless, as determined by the Collateral Manager after giving effect to any Trading Plan then in effect, (a) the Weighted Average Life Test will be satisfied, or if not satisfied, will be maintained or improved after giving effect to such Maturity Amendment and (b) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Notes; provided further that clause (a) in the preceding proviso shall not apply if the Issuer (or the Collateral Manager on the

Issuer's behalf) either (i) did not consent to such Maturity Amendment or (ii) provided its consent in connection with the workout or restructuring of such Collateral Obligation as a result of the financial distress, or an actual or imminent bankruptcy or insolvency, of the related Obligor; provided, further, that the aggregate outstanding principal balance of all Collateral Obligations that have been subject to Maturity Amendments and are not required to comply with clause (a) in the second preceding proviso as a result of clause (ii) in the preceding proviso at any time from the Refinancing Date to such date will not exceed 10.0% of the Target Initial Par Amount.

(f) Restrictions After Enforcement Event.

(i) The Collateral Manager, on behalf of the Issuer, may not consent to an amendment or exchange of a Collateral Obligation described in Section 12.3(e) (Conditions Applicable to All Sale and Purchase Transactions) if an Enforcement Event has occurred, unless such amendment or exchange is consented to by a Majority of the Controlling Class.

(ii) Upon the direction to commence any liquidation of the Assets following an Enforcement Event, liquidation of the Assets will be effected as described under Section 5.5 (Optional Preservation of Assets). In such an event, neither the Collateral Manager nor the Issuer will have the right to direct the sale of any Assets.

Section 12.4 Optional Purchase of any Antares Collateral Obligation or Substitution.

(a) Pursuant to the 2019-1 CLO Master Purchase Agreement and subject to the Tax Restrictions and the limitations set forth below, the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer will have the right but not the obligation to purchase any Antares Collateral Obligations or substitute (in each case with the consent of the Collateral Manager, so long as Antares Capital Advisers is the Collateral Manager, and the consent of any other party determined to be required in accordance with the Collateral Manager's policies) another Antares Collateral Obligation for, any:

(i) Antares Collateral Obligation that becomes a Defaulted Obligation;

(ii) Antares Collateral Obligation that has a Material Covenant Default;

(iii) Antares Collateral Obligation that becomes subject to a proposed Specified Amendment; or

(iv) Antares Collateral Obligation that becomes a Credit Risk Obligation (each of the above, a "Substitution Event");

provided that the Collateral Agent shall have no responsibility to oversee compliance with this paragraph by the other parties.

(b) At all times, (i) the aggregate principal balance of all substituted Antares Collateral Obligations (each such Antares Collateral Obligation purchased at the direction of the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer, a “Substitute Collateral Obligation”) owned by the Issuer at any time since the Original Closing Date plus (ii) the aggregate principal balance related to all Antares Collateral Obligations that have been purchased by the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer pursuant to its right of optional purchase or substitution since the Original Closing Date and not subsequently applied to purchase a Substitute Collateral Obligation may not exceed an amount equal to (x) 20% of the Net Purchased Loan Balance in the aggregate and (y) 10% of the Net Purchased Loan Balance in the case of Defaulted Obligations or Credit Risk Obligations purchased following a determination by the Collateral Manager that such Antares Collateral Obligation would with the passage of time become a Defaulted Obligation; provided that clause (ii) above shall not include (A) the principal balance related to any Antares Collateral Obligation that is purchased by the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer in connection with a proposed Specified Amendment to such Collateral Obligation so long as (x) the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer determines that such purchase is, in its commercially reasonable business judgment, necessary or advisable in connection with the restructuring of such Antares Collateral Obligation and such restructuring is expected to result in a Specified Amendment to such Antares Collateral Obligation and (y) the Collateral Manager determines that the Collateral Manager either would not be permitted to or would not elect to enter into such Specified Amendment pursuant to the Collateral Manager Standard or any provision of this Indenture and Security Agreement or the Collateral Management Agreement or (B) the purchase price of any Collateral Obligations or, for the avoidance of doubt, any Equity Securities sold by the Issuer to the Retention Holder, Antares Assetco, Antares Vesta, Antares Venus and ACFS as described in Section 12.2(e) (*Purchase of Additional Collateral Obligations*). The foregoing provisions in this paragraph are the “Repurchase and Substitution Limit”.

(c) The substitution of any Substitute Collateral Obligation will be subject to the satisfaction of the “Substitute Collateral Obligations Qualification Conditions” as of the related Cut-Off Date for each such Collateral Obligation (after giving effect to such substitution), which conditions are:

(i) each Coverage Test, Collateral Quality Test and Concentration Limitation remains satisfied or, if not in compliance at the time of substitution, any such Coverage Test, Collateral Quality Test or Concentration Limitation is maintained or improved;

(ii) the principal balance of such Substitute Collateral Obligation (or, if more than one Substitute Collateral Obligation will be added in replacement of a Collateral Obligation or Collateral Obligations, the aggregate principal balance of such Substitute Collateral Obligations) equals or exceeds the principal balance of the Collateral Obligation being substituted for and the Net Exposure Amount, if any, with respect thereto shall have been deposited in the Revolver Funding Account;

(iii) the Market Value of such Substitute Collateral Obligation (or, if more than one Substitute Collateral Obligation will be added in replacement of an Antares Collateral Obligation or Antares Collateral Obligations, the aggregate Market Value of such Substitute Collateral Obligations) equals or exceeds the Market Value of the Antares Collateral Obligation being substituted;

(iv) (x) if any of the Antares Collateral Obligations being substituted for are Second Lien Loans, the aggregate principal balance of all Substitute Collateral Obligations that are Second Lien Loans equals or is less than the principal balance of the Antares Collateral Obligations being substituted that are Second Lien Loans and (y) if none of the Antares Collateral Obligations being substituted are Second Lien Loans, no Substitute Collateral Obligation is a Second Lien Loan;

(v) (x) the Fitch Rating of each Substitute Collateral Obligation is equal to or higher than the Fitch Rating of the Antares Collateral Obligation being substituted for and (y) the S&P Rating of each Substitute Collateral Obligation is equal to or higher than the S&P Rating of the Antares Collateral Obligation being substituted for;

(vi) solely after the Reinvestment Period, the stated maturity date of each Substitute Collateral Obligation is the same or earlier than the stated maturity date of the Antares Collateral Obligation being substituted for; and

(vii) the Senior Note Condition is satisfied.

(d) To the extent any cash or other property received by the Issuer from the Retention Holder or the applicable Antares Entity in connection with a Substitution Event as described herein exceeds the fair market value of the replaced Antares Collateral Obligation, such excess shall be deemed a capital contribution from the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer, to the Issuer.

(e) Prior to any substitution of an Antares Collateral Obligation to the Issuer, the Collateral Manager must provide written notice thereof to the Rating Agency.

(f) In addition to the right to substitute for any Antares Collateral Obligations that become subject to a Substitution Event, the Retention Holder or any other Antares Entity that sells Collateral Obligations to the Issuer shall have the right, but not the obligation, to purchase from the Issuer any such Antares Collateral Obligation subject to the Repurchase and Substitution Limit. In the event of such a purchase at the option of the Retention Holder or the applicable Antares Entity that does not result in the delivery of a Substitute Collateral Obligation, the Retention Holder or the applicable Antares Entity shall deposit in the Collection Account an amount not less than the Transfer Deposit Amount for such Antares Collateral Obligation (or applicable portion thereof) as of the date of such repurchase (with the amount of the Transfer Deposit Amount representing the outstanding principal balance of the repurchased Collateral Obligation being deposited into the Principal Collection Subaccount and the amount of the Transfer Deposit Amount representing accrued interest being deposited into the Interest Collection Subaccount, regardless of whether such amounts are deemed to be purchase price or

capital contributions). The Issuer and, at the written direction of the Issuer, the Collateral Agent, shall execute and deliver such instruments, consents or other documents and perform all acts reasonably requested by the Retention Holder, the applicable Antares Entity or the Collateral Manager in order to effect the transfer and release of any of the Issuer's interests in the Antares Collateral Obligations (together with the Assets related thereto) that are being purchased or repurchased and the release thereof from the lien of this Indenture and Security Agreement. Upon delivery by the Collateral Manager of an Issuer Order under this Section 12.4 (*Optional Purchase of any Antares Collateral Obligation or Substitution*) (or other written instruction of an Authorized Officer of the Collateral Manager), the Collateral Manager shall be deemed to have confirmed to the Collateral Agent that such purchase or substitution by the Retention Holder directed by such Issuer Order or other written instruction complies with this Section 12.4 (*Optional Purchase of any Antares Collateral Obligation or Substitution*).

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture and Security Agreement, the Credit Agreement or the Debt to the contrary notwithstanding, the Holders and beneficial owners of each Class of Debt that constitute a Junior Class agree for the benefit of the Holders and beneficial owners of the Debt of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Debt of each such Priority Class to the extent and in the manner set forth in this Indenture and Security Agreement.

(b) If any Holder or beneficial owner of Debt of any Junior Class shall have received any payment or distribution in respect of such Debt contrary to the provisions of this Indenture and Security Agreement, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture and Security Agreement, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Collateral Agent, which shall pay and deliver the same to the Holders and beneficial owners of the applicable Priority Class(es) in accordance with this Indenture and Security Agreement; provided that if any such payment or distribution is made other than in Cash, it shall be held by the Collateral Agent as part of the Assets and subject in all respects to the provisions of this Indenture and Security Agreement, including this Section 13.1 (*Subordination*).

(c) Each Holder and beneficial owner of Debt of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder and beneficial owner of Junior Class Debt shall not demand, accept, or receive any payment or distribution in respect of such Debt in violation of the provisions of this Indenture and Security Agreement including, without limitation, this Section 13.1 (*Subordination*); provided that after a Priority Class has been paid in full, the Holders and beneficial owner of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders and beneficial owners of such Priority Class. Nothing in this Section 13.1 (*Subordination*) shall affect the obligation of the Issuer to pay Holders or beneficial owner of any Junior Class of Debt.

(d) By its acceptance of an interest in the Debt, each Holder and beneficial owner of Debt acknowledges and agrees to the provisions of Section 5.4(d) (Remedies).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder or beneficial owner under this Indenture and Security Agreement, no Holder or beneficial owner (a) owes any duty of care to any Person or is obligated to act in a fiduciary or advisory capacity to any Person (including, but not limited to, any other Holder or beneficial owner of Secured Debt or Subordinated Notes, the Issuer, the Trustee, the Collateral Agent, the Loan Agent, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager); (b) shall be required to consider the interests of any Person other than itself and/or its Affiliates; and (c) will be prohibited from engaging in activities that compete or conflict with those of any Person (including, but not limited to, any Holder or beneficial owner of Secured Debt or Subordinated Notes, the Issuer, the Trustee, the Collateral Agent, the Loan Agent, any holder of ordinary shares of the Issuer, the Co-Issuer or the Collateral Manager).

Section 13.3 Holder AML Obligations. Each purchaser and subsequent transferee of a Note, by its acceptance of an interest in such notes, agrees to comply with the Holder AML Obligations.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Collateral Agent. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel experienced with such matters, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, the Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Trustee, the Collateral Agent and the Loan Agent shall also be entitled to conclusively rely), unless such Officer of the Issuer, the Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, one or more Persons familiar with the factual matters, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

The Bank, in all of its capacities, shall be entitled to accept and act upon instructions or directions pursuant to this Indenture and Security Agreement or any document executed in connection herewith sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; provided however, that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing authorized persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture and Security Agreement, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture and Security Agreement it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee or the Collateral Agent at the request or direction of the Applicable Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Applicable Issuer's right to make such request or direction, the Trustee or the Collateral Agent shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d) (*Certain Duties and Responsibilities*).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture and Security Agreement to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee or the Collateral Agent, as applicable, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and Security Agreement and conclusive in favor of

the Trustee, the Collateral Agent, the Loan Agent and the Issuers, if made in the manner provided in this Section 14.2 (Acts of Holders).

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee or the Collateral Agent, as applicable, deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Debt held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Debt shall bind the Holder (and any transferee thereof) of such and of all Debt issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Collateral Agent, the Loan Agent or the Issuer in reliance thereon, whether or not notation of such action is made upon such Debt.

(e) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Collateral Agent's Website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Debt are entitled to give under this Indenture and Security Agreement upon delivery of a beneficial ownership certificate in a form acceptable to the Trustee and the Collateral Agent, as applicable, which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, and (ii) the amount and Class of Debt so owned; provided that, nothing shall prevent the Trustee or the Collateral Agent, as applicable, from requesting additional information and documentation with respect to any such beneficial owner; provided further that the Trustee and the Collateral Agent shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

Section 14.3 Notices, etc., to the Trustee, the Collateral Agent, the Loan Agent, the Issuers, the Collateral Manager, the Broker-Dealer(s), the Collateral Administrator, the Paying Agent, each Hedge Counterparty and each Rating Agency. express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture and Security Agreement or the Debt, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture and Security Agreement. Nothing in this Indenture and Security Agreement or in the Debt, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, the Holders of the Debt and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture and Security Agreement. Nothing in this Indenture and Security Agreement precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 WAIVER OF JURY TRIAL. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS, THE TRUSTEE, THE COLLATERAL AGENT AND THE LOAN AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE AND SECURITY AGREEMENT, THE DEBT OR THE TRANSACTIONS CONTEMPLATED HEREBY. This Indenture and Security Agreement may be executed and delivered in counterparts, each of which will be deemed an original, and all of which together constitute one and the same instrument. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. The parties hereto shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture and Security Agreement to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Collateral Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section 14.14 (Acts of Issuer) and Section 14.16 (Communications with Rating Agencies), unless otherwise agreed to in writing by the Collateral Manager.

In particular, none of the Parties shall be entitled to petition or take any other steps for the winding-up or bankruptcy of the other of any other Party or shall have any claim in respect to any assets of any other Party.

Section 14.16 Communications with Rating Agencies. If the Issuer shall receive any written or oral communication from any Rating Agency (or any of their respective officers, directors or employees) with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt, the Issuer agrees to refrain from communicating with such Rating Agency and to promptly (and, in any event, within one Business Day) notify the Collateral Manager of such communication. The Issuer agrees that in no event shall it engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt with any Rating Agency (or any of their respective officers, directors or employees) without the participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager. The Collateral Agent agrees that in no event shall a Bank Officer engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt with any Rating Agency without the prior written consent (which may be in the form of e-mail correspondence) or participation of the Collateral Manager, unless otherwise agreed to in writing by the Collateral Manager; provided that nothing in this Section 14.16 (Communications with Rating Agencies) shall prohibit the Collateral Agent from making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Debt or this Indenture and Security Agreement.

At all times while any Secured Debt is rated by any Rating Agency or any other NRSRO, the Issuers shall engage a third-party to post 17g-5 Information to the 17g-5 Website. The Issuer has engaged the Collateral Administrator (in such capacity, the “Information Agent”), to post 17g-5 Information it receives from the Issuer, the Trustee, the Collateral Agent, the Loan Agent or the Collateral Manager to the 17g-5 Website in accordance with the Collateral Administration Agreement.

(b) To the extent any of the Issuers, the Collateral Agent or the Collateral Manager are engaged in oral communications with any Rating Agency, for the purposes of determining the Initial Ratings of the Secured Debt or undertaking credit rating surveillance of the Secured Debt, the party communicating with such Rating Agency shall cause such oral communication to either be (x) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for Posting or (y) summarized in writing and the summary to be promptly delivered to the Information Agent for Posting.

(c) Notwithstanding the requirements herein, the Collateral Agent shall have no obligation to engage in or respond to any oral communications, for the purposes of determining the Initial Rating of the Debt or undertaking credit rating surveillance of the Secured Debt, with any Rating Agency or any of their respective officers, directors or employees.

(d) Notwithstanding anything to the contrary in this Indenture and Security Agreement, a breach of this Section 14.17 (*17g-5 Information*) shall not constitute a Default or Event of Default.

(e) The Collateral Agent will not be responsible for maintaining the 17g-5 Website, posting any 17g-5 Information to the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of this Indenture and Security Agreement, Rule 17g-5 or any other law or regulation. In no event will the Collateral Agent be deemed to make any representation in respect of the content of the 17g-5 Website or compliance of the 17g-5 Website with this Indenture and Security Agreement, Rule 17g-5 or any other law or regulation.

(f) The Collateral Agent will not be responsible or liable for the dissemination of any identification numbers or passwords for the 17g-5 Website, including by the Issuers, the Rating Agencies, the NRSROs, any of their agents or any other party. The Collateral Agent will not be liable for the use of any information posted on the 17g-5 Website, whether by the Issuers, the Rating Agencies, the NRSROs or any other third party that may gain access to the 17g-5 Information posted thereon.

(g) The maintenance by the Collateral Agent of the Collateral Agent's Website will not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) With the consent of a Majority of the Controlling Class, the Issuer (or the Collateral Manager on behalf of the Issuer) may enter into Hedge Agreements from time to time on or after the Original Closing Date solely for the purpose of managing interest rate risks in connection with the Issuer's issuance of, and making payments on, the Debt. The Issuer may not enter into a Hedge Agreement unless (1) either (x) it obtains an Opinion of Counsel that such Hedge Agreement would not cause the Issuer or Collateral Manager to be required to register with the CFTC or that the Issuer and Collateral Manager would be eligible for an exemption to the requirement to register with the CFTC or (y) the Collateral Manager has registered or will register as a commodity pool operator and will comply with the requirements of the CFTC relating thereto and (2) such Hedge Agreement complies with any mandatory clearing or posting and/or collecting of initial or variation margin that, in each case, the Collateral Manager determines applies to such Hedge Agreement. The Issuer (or the Collateral Manager on behalf of the Issuer) shall promptly provide written notice of entry into any Hedge Agreement to the Collateral Agent and the Collateral Administrator. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that

the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole “defaulting party” or “affected party” (each as defined in the Hedge Agreements), notwithstanding any term hereof to the contrary, (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(d) The Issuer (or the Collateral Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty credit support. (a) By using one of the methods provided below:

(i) if such Collateral Obligation is rated by S&P, then the Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined, at the election of the Collateral Manager, in accordance with the methodology set forth in the following table below:

Not Structured Finance Obligation	≤ “BB+”	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(ii) if such Collateral Obligation is not rated by S&P but another security or obligation of the Obligor has a public and monitored rating by S&P (a “parallel security”), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (a)(i) above, and the Moody’s Derived Rating for purposes of the definitions of Moody’s Rating and Moody’s Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody’s at the rating determined pursuant to this subclause (a)(ii)):

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2

Each S&P CDO Monitor shall be chosen by the Collateral Manager and associated with either (x) an S&P Weighted Average Recovery Rate, a Weighted Average Life and an S&P Weighted Average Floating Spread (in each case from the applicable table in Section 2 of Schedule 2(B)) or (y) an S&P Weighted Average Recovery Rate, a Weighted Average Life and an S&P Weighted Average Floating Spread confirmed by S&P; provided that as of any Measurement Date, (i) the S&P Weighted Average Recovery Rate for

After the Effective Date, S&P will provide the Collateral Manager and the Collateral Administrator with the S&P Class Break-even Default Rates for each S&P CDO Monitor determined by the Collateral Manager (with notice to the Collateral Administrator) pursuant to the definition of “S&P CDO Monitor.”

“S&P Class Default Differential”: With respect to the most junior Class of Notes with an Initial Rating of AAA(sf) by S&P, the rate calculated by subtracting the S&P Class Scenario Default Rate for such Class of Notes at such time from the S&P Class Break-even Default Rate for such Class of Notes at such time.

“S&P Class Scenario Default Rate”: With respect to the most junior Class of Notes with an Initial Rating of AAA(sf) by S&P, an estimate of the cumulative default rate for the Current Portfolio or the Proposed Portfolio, as applicable, consistent with S&P’s initial rating of such Class of Notes, determined by the Collateral Manager (which determination shall be made solely by application of the S&P CDO Monitor at such time).

D. S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test during an S&P CDO Monitor Formula Election Period, the following terms shall have the meanings set forth below:

“S&P CDO Monitor Adjusted BDR”: The threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

S&P CDO Monitor BDR * (OP / NP) + (NP - OP) / (NP * (1 - S&P Weighted Average Recovery Rate)), where OP = Target Initial Par Amount; NP = the sum of the Aggregate Principal Balances of the Collateral Obligations with an S&P Rating of “CCC-” or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below “CCC-”.

“S&P CDO Monitor BDR”: The value calculated using the following formula relating to the Issuer’s portfolio: $C0 + (C1 * \text{Weighted Average Floating Spread}) + (C2 * \text{S\&P Weighted Average Recovery Rate})$, where: C0= 0.036632, C1= 3.100268 and C2= 1.238752.

“S&P CDO Monitor SDR”: The percentage derived from the following equation: $0.247621 + (\text{S\&P WARF} / 9162.65) - (\text{DRD} / 16757.2) - (\text{ODM} / 7677.8) - (\text{IDM} / 2177.56) - (\text{RDM} / 34.0948) + (\text{WAL} / 27.3896)$, where S&P WARF is the Weighted Average S&P Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

“S&P Default Rate”: With respect to all Collateral Obligations with an S&P Rating of “CCC-” or higher, the default rate determined in accordance with Table 1 below using such Collateral Obligation’s S&P Rating and the number of years to maturity (determined using linear interpolation if the number of years to maturity is not an integer).

“S&P Default Rate Dispersion”: With respect to all Collateral Obligations with an S&P Rating of “CCC-” or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Rating Factor for such Collateral Obligation *minus* (y) the Weighted Average S&P Rating Factor *divided by* (B) the Aggregate Principal Balance for all such Collateral Obligations.

“S&P Effective Date Adjustments”: In connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date if an S&P CDO Monitor Formula Election Date has occurred, the following adjustments shall apply: (i) in calculating the Weighted Average Floating Spread, the Aggregate Funded Spread will be calculated without regard to the proviso set forth in the definition thereof and (ii) in calculating the S&P CDO Monitor Adjusted BDR, any reference to Principal Proceeds will exclude Principal Proceeds on deposit in the Ramp-Up Account prior to the first Payment Date following the Refinancing Date.

“S&P Industry Diversity Measure”: A measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

“S&P Obligor Diversity Measure”: A measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) from each Obligor and its Affiliates, then dividing each such Aggregate Principal Balance by the Aggregate Principal Balance of Collateral Obligations (with an S&P Rating of “CCC-” or higher) from all the Obligors in the portfolio, then squaring the result for each Obligor, then taking the reciprocal of the sum of these squares.

“S&P Regional Diversity Measure”: A measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) within each S&P region set forth in Table 2 below, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

“S&P Weighted Average Floating Spread”: The value chosen by the Collateral Manager under the column heading “S&P Minimum Floating Spread” in Table 2 of Section 2 of this Schedule 2.

“S&P Weighted Average Life”: On any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of “CCC-” or higher), multiplying each Collateral Obligation’s Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the Aggregate Principal Balance of all Collateral Obligations (with an S&P Rating of “CCC-” or higher).

“S&P Weighted Average Recovery Rate Test”: The test that will be satisfied on any date of determination if the S&P Weighted Average Recovery Rate for the Controlling Class then Outstanding rated by S&P equals or exceeds the value chosen by the Collateral Manager

under the column heading “S&P Weighted Average Recovery Rate” in Table 1 of Section 2 of Part B of Schedule 2.

“Weighted Average S&P Rating Factor”: The number (rounded up to the nearest whole number) determined by:

(a) summing the products of (i) the principal balance of each Collateral Obligation that has an S&P Rating of at least “CCC-” *multiplied by* (ii) the S&P Rating Factor of such Collateral Obligation (as described below); and

(b) *dividing* such sum by the principal balance of all such Collateral Obligations.

For purposes of the foregoing, the “S&P Rating Factor” relating to any Collateral Obligation is the number set forth in the table below opposite the S&P Rating of such Collateral Obligation

It understands that the Issuer and the Trustee may require certification or information acceptable to it (i) to permit the Issuer or the Trustee to make payments to it without, or at a reduced rate of, withholding, (ii) to enable the Issuer or the Trustee to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (iii) to permit the Issuer or the Trustee to comply with any reporting requirements under applicable law (including any cost basis reporting

obligations). It agrees to provide any such certification that is requested by the Issuer. Such beneficial owner of a Note, by acceptance of such Note or an interest in such Note, shall be deemed to understand and acknowledge that failure to provide the Issuer (or its authorized agent), the Trustee or any Paying Agent with the properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a United States person) or the failure to provide the Holder FATCA Information may result in withholding from payments in respect of such Note, including U.S. federal withholding or back-up withholding.

12. If it is not a “United States person” (as defined in Section 7701(a)(30) of the Code), it will make, or by acquiring such Debt or an interest therein will be deemed to make, a representation to the effect that (A) either (i) it is not a bank (or an entity affiliated with a bank) extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code), (ii) it has provided an IRS Form W-8BEN or W-BEN-E representing that it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States or (iii) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it on the Debt are effectively connected with the conduct of a trade or business within the United States and (B) it is not purchasing the Debt in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan within the meaning of U.S. Treasury regulations section 1.881-3.
13. It agrees to (i) provide the Issuer, the Trustee, the Collateral Agent and any of their authorized agents with the Holder FATCA Information and to update or correct such information or certification, as may be necessary or helpful (in the sole determination of the Issuer, the Trustee, the Collateral Agent or their authorized agents, as applicable) to achieve FATCA Compliance and (ii) permit the Issuer, the Collateral Manager, the Trustee, the Collateral Agent (on behalf of the Issuer) and any of their authorized agents to (w) share the information obtained pursuant to (i) with the IRS, the relevant Jersey authority and any other relevant taxing authority, (x) compel or effect the sale of Debt held by such holder, beneficial owner or subsequent transferee if it fails to comply with the foregoing requirements or if its direct or indirect acquisition or holding of an interest in any Debt would cause the Issuer or any ETB Subsidiary to be unable to achieve FATCA Compliance, (y) assign such Debt a separate CUSIP number or numbers (if applicable) and (z) make other amendments to the Indenture and Security Agreement to enable the Issuer and any ETB Subsidiary to achieve FATCA Compliance (including providing for remedies against, or imposing penalties upon, any holder or beneficial owner who fails to provide, update or correct the Holder FATCA Information or whose direct or indirect acquisition, holding or transfer of an interest in any Debt would cause the Issuer or any ETB Subsidiary to be unable to achieve FATCA Compliance).
14. [Reserved].
15. If it fails for any reason to (i) comply with the Holder AML Obligations, (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise

reasonably determines that such beneficial owner's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant beneficial owner to sell its interest in such Note, or (y) sell such interest on such beneficial owner's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Jersey AML Regulations unless the Issuer reasonably determines the beneficial owner's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

16. It agrees to indemnify the Issuer, the Trustee, any Paying Agent, any other authorized agent of the Issuer acting on behalf of the Issuer in connection with the Issuer's obligations under FATCA (including any activities undertaken to avoid the imposition of withholding tax under FATCA) and each of the other holders and beneficial owners from any and all damages, costs and expenses (including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by it to provide, correct or update the Holder FATCA Information. This indemnification will continue with respect to any period during which the beneficial owner held Debt, notwithstanding the beneficial owner ceasing to be a beneficial owner of the Debt.
17. It represents, warrants and agrees that with respect to any period during which such beneficial owner owns more than 50% of the Subordinated Notes or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations Section 1.1471-5 (i)), it will be required to covenant that it will (i) confirm that any member of such expanded affiliated group (provided that, for purposes of this paragraph 17, it shall be assumed that the Issuer is a "registered deemed-compliant FFI" within the meaning of Treasury Regulations Section 1.1471-1(b) (111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder to be either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations Section 1.1471-4(e), and (ii) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury Regulations promulgated thereunder is not either a "participating FFI," a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury Regulations Section 1.1471-4(e), in each case except to the extent that the Issuer or its agents have provided it with an express waiver of this provision.
18. It represents, warrants and agrees not to treat any income generated by such Note as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.
19. It has read the information under the heading "*Risk Factors*" set forth in the CLO 2019-1 Offering Circular and acknowledges and agrees that it has consented to the conflicts of interests set forth therein (including, but not limited to, those described under "*Risk Factors—Relating to the Collateral Manager and the Retention Holder*" and "*Risk Factors—Relating to Certain Conflicts of Interest—The Issuer will be subject to various*

conflicts of interest involving the Antares Entities, including the Collateral Manager, the Retention Holder, Antares Assetco, Antares Vesta, Antares Venus and ACFS, and certain investors” and the subheadings thereunder).

20. It represents, warrants and agrees that no transfer of any ERISA Prohibited Notes (or any interest therein) will be effective, and no such transfer will be recognized, if it may result in any ERISA Prohibited Notes being held by Benefit Plan Investors. *See “Certain ERISA and Related Considerations”.*
21. It understands that to the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon notice to the Trustee, impose additional transfer restrictions on the Subordinated Notes to comply with the USA PATRIOT Act and other similar laws or regulations, including, without limitation, requiring each transferee of a Subordinated Note, as applicable, to make representations to the Issuer in connection with such compliance.
22. It will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary.
23. It represents and warrants that all personal data provided to the Issuer or its delegates (including, without limitation, the Administrator) by or on behalf of the purchaser has been and will be provided in accordance with applicable laws and regulations, including, without limitation, those relating to privacy or the use of personal data. The beneficial owner shall ensure that any personal data that the purchaser provides to the Issuer or its delegates (including, without limitation, the Administrator) is accurate and up to date, and such beneficial owner shall promptly notify the Issuer if it becomes aware that any such data is no longer accurate or up to date.
24. It acknowledges that the Issuer and/or its delegates may transfer and/or process personal data provided by the beneficial owner outside of Jersey and the beneficial owner hereby consents to such transfer and/or processing and further represents that it is duly authorized to provide this consent on behalf of any individual whose personal data is provided by such beneficial owner.
25. It acknowledges receipt of the Issuer’s privacy notice set forth in the CLO 2019-1 Offering Circular (the “**Privacy Notice**”). Such beneficial owner shall promptly provide the Privacy Notice to (i) each individual whose personal data such beneficial owner has provided or will provide to the Issuer or any of its delegates in connection with its investment in the Notes (such as a directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents) and (ii) any other individual connected to such beneficial owner as may be requested by the Issuer or any of its delegates. 7. It will provide notice to each Person to whom it proposes to transfer any interest in the Offered Securities of the transfer restrictions and representations set forth in the Indenture and Security Agreement.

It agrees to provide any such certification that is requested by the Issuer. 11. If it is not a “United States person” (as defined in Section 7701(a)(30) of the Code), it will make, or by acquiring such Debt or an interest therein will be deemed to make, a

representation to the effect that (A) either (i) it is not a bank (or an entity affiliated with a bank) extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code), (ii) it has provided an IRS Form W-8BEN or W-BEN-E representing that it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States or (iii) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it on the Debt are effectively connected with the conduct of a trade or business within the United States and (B) it is not purchasing the Debt in order to reduce its U.S. federal income tax liability pursuant to a tax avoidance plan within the meaning of U.S. Treasury regulations section 1.881-3.

13. [Reserved].
14. If it fails for any reason to (i) comply with the Holder AML Obligations, (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such beneficial owner's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant beneficial owner to sell its interest in such Note, or (y) sell such interest on such beneficial owner's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Jersey AML Regulations unless the Issuer reasonably determines the beneficial owner's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

ERISA and the regulations promulgated thereunder are technical. Accordingly, if you have any question regarding whether you may be an entity described in this Section 2, you should consult with your counsel.

The Class E Notes and the Subordinated Notes are ERISA Prohibited Notes. If you check this box, you may not purchase Class E Notes or Subordinated Notes.

3. **Insurance Company General Account.** We, or the entity on whose behalf we are acting, are an insurance company purchasing the Class E Notes or the Subordinated Notes with funds from our or their general account (*i.e.*, the insurance company’s corporate investment portfolio), whose assets, in whole or in part, constitute “plan assets” under Section 401(a) of ERISA.

If you check Box 3, please indicate the maximum percentage of the insurance company general account that will constitute “plan assets” under Section 401(a) of ERISA for purposes of conducting the 25% test under Department of Labor Regulation 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA: ____%. IF YOU DO NOT INCLUDE ANY PERCENTAGE IN THE BLANK SPACE, YOU WILL BE COUNTED AS IF YOU FILLED IN 100% IN THE BLANK SPACE.

4. **None of Sections (1) Through (3) Above Apply.** We, or the entity on whose behalf we are acting, are a person that does not fall into any of the categories described in Sections (1) through (3) above. If, after the date hereof, any of the categories described in Sections (1) through (3) above would apply, we will promptly notify the Issuer and the Trustee of such change.

5. **No Prohibited Transaction.** If we checked any of the boxes in Sections (1) through (3) above, we represent, warrant and agree that our acquisition, holding and disposition of the Class E Notes or the Subordinated Notes do not and will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.
6. **Not Subject to Similar Law and No Violation of Other Plan Law.** If we are a governmental, church, non-U.S. or other plan, we represent, warrant and agree that (a) we are not subject to any federal, state, local, non-U.S. or other law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Collateral Manager (or other persons responsible for the investment and operation of the Issuer's assets) to laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code, and (b) our acquisition, holding and disposition of the Class E Notes or the Subordinated Notes do not and will not constitute or result in a non-exempt violation of any law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code.
7. Reserved.
8. **Compelled Disposition.** We acknowledge and agree that:
 - (i) if any representation that we made hereunder is subsequently shown to be false or misleading or our beneficial ownership otherwise causes a violation of the 25% Limitation, the Issuer (or the Collateral Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Trustee or the Collateral Agent (if a Bank Officer of the Trustee or the Collateral Agent, as applicable, obtains actual knowledge) or the Co-Issuer to the Issuer, if either of them makes the discovery and who, in each case, agree to notify the Issuer of such discovery, send notice to us demanding that we transfer all or any portion of our interest to a person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice;
 - (ii) if we fail to transfer our ERISA Prohibited Notes, the Issuer shall have the right, without further notice to us, to sell our ERISA Prohibited Notes or our interest in the ERISA Prohibited Notes, as applicable, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose;
 - (iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the ERISA Prohibited Notes and sell such securities to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion;

- (iv) by our acceptance of an interest in the ERISA Prohibited Notes, we agree to cooperate with the Issuer, the Trustee and the Collateral Agent to effect such transfers;
 - (v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and
 - (vi) the terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and each of the Issuer, the Co-Issuer, the Trustee, the Collateral Agent, the Loan Agent or the Collateral Manager shall not be liable to us as a result of any such sale or the exercise of such discretion.
9. **Required Notification and Agreement.** We hereby agree that we (a) will inform the Trustee of any proposed transfer by us of all or a specified portion of the Class E Notes or the Subordinated Notes and (b) will not initiate any such transfer to a Benefit Plan Investor.
10. **Continuing Representation; Reliance.** We acknowledge and agree that the representations, warranties and agreements contained in this Certificate shall be deemed made on each day from the date we make such representations, warranties and agreements through and including the date on which we dispose of our interests in the Class E Notes or the Subordinated Notes. We understand and agree that the information supplied in this Certificate will be used and relied upon by the Issuer and the Trustee to determine that Benefit Plan Investors do not own or hold any of the Class E Notes or the Subordinated Notes upon any subsequent transfer of the Class E Notes or the Subordinated Notes in accordance with the Amended and Restated Indenture and Security Agreement.
11. **Further Acknowledgement and Agreement.** We acknowledge and agree that (i) all of the representations, warranties, agreements and assurances contained in this Certificate are for the benefit of the Issuer, the Trustee, the Initial Purchaser and the Collateral Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer, the Trustee, the Initial Purchaser, the Collateral Manager, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of the Class E Notes or the Subordinated Notes by us that is not in accordance with the provisions of this Certificate shall be null and void from the beginning, and of no legal effect.
12. **Future Transfer Requirements.**
