3. Amendments.

(a) Exhibit A to the Securities Account Control Agreement is hereby amended by adding the following sub-accounts of the Principal Collection Account (such subaccounts, together with any replacements thereof or substitutions therefor and all sub-accounts thereunder pursuant to the terms of the Indenture, the “Non-USD Collection Accounts”) to the list of Securities Accounts in the table set forth on such Exhibit:

(b) The procedures governing the Non-USD Collection Accounts set forth in the Exhibit attached hereto shall be added as Exhibit B (as may be amended from time to time) to the Securities Account Control Agreement and shall be incorporated therein and made a part thereof.

4. Reference to and Effect of Amendment on the Securities Account Control Agreement. Upon execution of this Amendment, the Securities Account Control Agreement shall

be, and be deemed to be, modified and amended in accordance herewith and the respective rights, limitations, obligations, duties, liabilities and immunities of the Issuer, the Intermediary and the Trustee shall hereafter be determined, exercised and enforced subject in all respects to such modifications and amendments, and all the terms and conditions of this Amendment shall be deemed to be part of the terms and conditions of the Securities Account Control Agreement for any and all purposes. Except as modified and expressly amended by this Amendment, the Securities Account Control Agreement shall remain unchanged and is in all respects ratified and confirmed, and all the terms, provisions and conditions thereof shall be and remain in full force and effect. Except as expressly modified herein, the Securities Account Control Agreement shall continue in full force and effect in accordance with its terms. Original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

It is acknowledged and agreed that the Trustee or any affiliates of the Trustee involved in any such foreign exchange transactions may make a
