## CONDITIONS

### 1 STATUS OF THE NOTES

- 1.1 The Notes are issued and transferable in accordance with the provisions of the Instrument in minimum amounts of £100 and integral multiples of £100 above such minimum amount.
- 1.2 The Notes constitute direct, general and unconditional obligations of the Company which rank pari passu among themselves.
- 1.3 The obligations of the Company in respect of the Notes rank at least pari passu with all other future unsecured obligations of the Company, except for those obligations as may be preferred by law.

### 2 INTEREST

- 2.1 Subject to Condition 2.12 below, interest on the Notes is payable in arrears on each of 10 February, 10 May, 10 August and 10 November, in each year and the Maturity Date (or such other period as may be agreed between the Company and the Noteholders) or, if such day is not a business day, on the prior business day (each an '**Interest Payment Date**'). The first Interest Payment Date in respect of a Note is the first Interest Payment Date to occur following the date of issuance of that Note unless otherwise agreed between the Company and the Noteholders.
- 2.2 Each Interest Period for a Note shall start on its date of issuance or (if already made) on the last day of its preceding Interest Period and end on the next Interest Payment Date.
- 2.3 The rate of interest on each Note for any day during an Interest Period is the percentage rate per annum which is the aggregate of the applicable:
  - (a) Margin; and
  - (b) the Compounded Reference Rate for that day.
- 2.4 If any day during an Interest Period for Note is not an RFR Banking Day, the rate of interest on that Note for that day will be the rate applicable to the immediately preceding RFR Banking Day.
- 2.5 Any interest accruing in respect of a Note will accrue from day to day and the amount of any such interest is calculated:
  - (a) on the basis of the actual number of days elapsed and a year of 365 day; and
  - (b) subject to Condition 2.6 below, without rounding.
- 2.6 The aggregate amount of any accrued interest which is, or becomes, payable by the Company in respect of a Note shall be rounded to 2 decimal places.
- 2.7 An amount determined in accordance with Condition 2.3 shall be distributed to each Noteholder on a pro rata basis to the relevant Notes (or series of Notes) outstanding to that Noteholder.

- 2.8 As soon as reasonably practicable after determination of the amount payable in accordance with Condition 2.3, the Company shall notify each relevant Noteholder of such amount.
- 2.9 Interest ceases to accrue on a Note as from the due date for redemption of that Note. However, if payment of principal on a Note is withheld or refused in breach of the provisions of the Instrument, interest continues to accrue in accordance with Condition 2.
- 2.10 The Company shall pay each interest payment to the Noteholders on the Register at the close of business on the day before an Interest Payment Date.
- 2.11 At the Company's option interest:
- (a) may be paid in cash or, subject to Condition 5.4 below, in assets other than cash; or
  - (b) prior to the Maturity Date, the Company may elect that it shall not pay any amount of interest and that any such amount shall instead be rolled up and remain outstanding as an amount of interest payable under a Note, provided that interest shall accrue on any such amount of rolled up and outstanding amount of interest in accordance with Condition 2.3. The non-payment of any amount of interest on any Interest Payment Date is conclusive evidence of such an election by the Company.
- 2.12 In the event the Company elects (or is deemed to have elected) not to make a payment of an amount of interest pursuant to Condition 2.11(b) above, the Company may:
- (a) create and issue further Notes to the applicable Noteholder equivalent to the amount of interest rolled up and remaining outstanding so as to form a single series with such Note and such further Notes shall be expressed to be supplemental to that Note; or
  - (b) in its discretion, in respect of all or part of any cash which it would have otherwise have applied in payment of interest:
    - (i) hold such cash in one or more interest bearing suspense or impersonal accounts with such financial institution and for so long as it shall think fit pending the application of such cash from time to time; or
    - (ii) invest such cash or apply such cash, in each case, in such manner and for such purpose as it shall deem appropriate.

### 3 REDEMPTION

- 3.1 Unless previously redeemed, the Company shall redeem the Notes on the 15th anniversary of the date of the Instrument (the '**Maturity Date**') at par together with accrued interest up to but excluding that date.
- 3.2 Subject to the other conditions in this Condition 3 below, at all times, the Company may (by giving the Noteholders not less than 2 business days' notice) redeem all or some of the outstanding Notes (or any series of outstanding Notes) in amounts or in integral multiples of £100 (or such other amount as may be agreed between the Company and the Noteholders) at par together with interest accrued (after deduction) and unpaid up to but excluding the date specified as the redemption date in the notice.

- 3.3 The Company shall have the right to (a) redeem any further Notes issued to the Noteholders pursuant to Condition 2.12 above at any time in amounts or in integral multiples of £100 (or such other amount as may be agreed between the Company and the Noteholders) at par together with interest accrued (after deduction of tax) and unpaid up to but excluding the date specified as the redemption date or (b) pay any interest accrued and unpaid on the principal balance of any Note at any time, in each case, in whole or in part and, unless otherwise agreed between the Company and the Noteholders, without penalty or premium.
- 3.4 The Company shall cancel any Note redeemed and may not reissue or resell that Note and the Company shall make an appropriate entry to reflect the redemption in the Register.
- 3.5 A redemption made in accordance with this Condition shall be made pari passu and on a pro rata basis among the Noteholders of the Notes (or series of Notes) to be redeemed.
- 3.6 The Company shall upon receiving written notice from a Noteholder following the occurrence of any of the following events and at any time while such event remains unremedied, redeem the Notes at par together with interest accrued (after deduction of tax) and unpaid up to but excluding specified as the date of redemption date in the notice:
- (a) subject to Condition 2.11(b) and Condition 2.12 above the failure by the Company to pay:
    - (i) any principal amounts payable on the Note within 30 days of the due date for payment; or
    - (ii) any other amount, including interest, payable on each Note on the Maturity Date;
  - (b) the passing by the Company of an effective resolution for its winding up or the making by a court of competent jurisdiction of an order for the winding up of the Company or the appointment of a liquidator or the dissolution of the Company or the taking of analogous steps in the relevant jurisdiction;
  - (c) the appointment of an administrator the making of an administration order in relation to the Company or the appointment of a receiver over, or the taking possession of or sale by an encumbrancer of, the whole or any substantial part of the Company's assets in each case when such person has not been paid out or such person's claim has not been discharged within 30 business days of the claim being made; or
  - (d) the making by the Company of an arrangement or composition with its creditors generally or the making by the Company of an application to a court of competent jurisdiction for protection of its creditors generally.
- 3.7 The Company shall notify the Noteholders promptly if it becomes aware of a fact or circumstance which has caused any of the events listed in Condition 3.6 to occur.
