This INDENTURE, dated as of March 21, 2019 (the "Closing Date"), among Elmwood CLO I Ltd., an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), Elmwood CLO I LLC, a Delaware limited liability company (the "Co-Issuer" and, together with the Issuer, the "Co-Issuers"), and U.S. Bank Trust Company, National Association, as trustee (herein, together with its permitted successors in the trusts hereunder, the "Trustee").

PRELIMINARY STATEMENT

The Co-Issuers are duly authorized to execute and deliver this Indenture to provide for the Notes issuable as provided in this Indenture. Except as otherwise provided herein, all covenants and agreements made by the Co-Issuers herein are for the benefit and security of the Holders of the Secured Notes, the Trustee (in each of its capacities), the Administrator, the Collateral Administrator, the Portfolio Manager and each Hedge Counterparty (collectively the "Secured Parties"). The Co-Issuers are entering into this Indenture, and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Co-Issuers in accordance with the agreement's terms have been done.

GRANTING CLAUSE

I. The Issuer hereby Grants to the Trustee, for the benefit and security of the Secured Parties, all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising, all securities, loans and investments and, in each case as defined in the UCC, accounts, chattel paper, commercial tort claims, deposit accounts, documents, financial assets, general intangibles, goods, instruments, investment property, letter-of-credit rights and other property of any type or nature in which the Issuer has an interest, including all proceeds (as defined in the UCC) with respect to the foregoing (subject to the exclusions noted below, the "Assets" or the "Collateral"). Such Grants include, but are not limited to, the Issuer's interest in and rights under:

(a) the Collateral Obligations, Equity Securities ~~and Specified Equity Securities,~~ Restructured Obligations and Workout Instruments;

(b) each Account subject, in the case of each Hedge Counterparty Collateral Account, to the terms of the applicable Hedge Agreement and any Eligible Investments purchased with funds on deposit therein, and all income from the investment of funds therein;

(c) the equity interest in any Issuer Subsidiary and all payments and rights thereunder;

(d) each of the Transaction Documents to which it is a party;

(e) all Cash; and

(f) all proceeds with respect to the foregoing.

Such Grant and the term "Assets" shall not include (a) the U.S.\$250 transaction fee paid to the Issuer in consideration of the issuance of the Notes, (b) the U.S.\$250 attributable to the issuance and allotment of the Issuer's ordinary shares, (c) any account in the Cayman Islands maintained in respect of the funds referred to in clauses (a) and (b) above (and any amounts credited thereto or any interest thereon) and (d) the membership interests of the Co-Issuer (the assets referred to in (a) through (d), collectively, the "Excepted Property").

The above Grant is made in trust to secure the Secured Notes and the Issuer's obligations to the Secured Parties under this Indenture and each other Transaction Document. Except as set forth in the Priority of Distributions and Article XIII of this Indenture, the Secured Notes are secured equally and ratably without prejudice, priority or distinction between any Secured Note and any other Secured Note by reason of difference in time of issuance or otherwise, except as expressly provided in this Indenture. The above Grant is made to secure, in accordance with the priorities set forth in the Priority of Distributions, (i) the payment of all amounts due on the Secured Notes in accordance with their terms, (ii) the payment of all other sums payable under this Indenture and all amounts payable under each other Transaction Document, and (iii) compliance with the provisions of this Indenture and each Hedge Agreement, all as provided in this Indenture and each Transaction Document, respectively. The foregoing Grant shall, for the purpose of determining the property subject to the lien of this Indenture, be deemed to include any securities and any investments granted to the Trustee by or on behalf of the Issuer, whether or not such securities or investments satisfy the criteria set forth in the definitions of "Collateral Obligation" or "Eligible Investments," as the case may be.

II. The Trustee acknowledges such Grant, accepts the trusts hereunder in accordance with the provisions hereof, and agrees to perform its duties expressly stated herein in accordance with the provisions hereof.

ARTICLE I

DEFINITIONS

Section 1.1. Definitions. Except as otherwise specified herein or as the context may otherwise require, terms defined in Annex A hereto shall have the respective meanings set forth in Annex A for all purposes of this Indenture, and the definitions of such terms are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision. References to an agreement or other document are to it as amended, supplemented, restated and otherwise modified from time to time and to any successor document (whether or not already so stated). References to a statute, regulation or other government rule are to it as amended from time to time and, as applicable, are to corresponding provisions of successor governmental rules (whether or not already so stated). The word "or" is always used inclusively

herein (for example, the phrase "A or B" means "A or B or both," not "either A or B but not both"), unless used in an "either ... or" construction. References to a Person are references to such Person's successors and assigns (whether or not already so stated).

Section 1.2. Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations and any determination of the Weighted Average Life of any Collateral Obligation shall be made by the Portfolio Manager using the assumption that no Pledged Obligation defaults or is disposed of.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Overcollateralization Test, except as otherwise specified in the Coverage Tests and the Reinvestment Overcollateralization Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made. **The Class X-RR Notes shall not be included in the calculation of any Coverage Test or the Reinvestment Overcollateralization Test.**

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent of any payments actually received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Distribution Date.

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the

Notes or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.2(d) being greater than the actual amounts available. For purposes of the applicable determinations required by Section 10.7(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the Coverage Tests and the Collateral Quality Tests, the expected interest on Secured Notes and floating rate Collateral Obligations shall be calculated using the then current interest rates applicable thereto.

~~(e) Notwithstanding anything in this Indenture to the contrary, other than for purposes of the Investment Criteria and the Post-Reinvestment Period Criteria, a debt security (other than Margin Stock) may be acquired by the Issuer without regard as to whether it is "received in lieu of debts previously contracted" (or any similar standard) if the Permitted Securities Condition is satisfied.~~

(e) [Reserved].

(f) [Reserved].

(g) ~~(f)~~ Calculations of amounts to be distributed under the Priority of Distributions will give effect to all payments that precede (in priority of payment) or include the clause of the Priority of Distributions in which such calculation is made.

(h) ~~(g)~~ Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(i) ~~(h)~~ For purposes of calculating compliance with the Investment Criteria or the Post-Reinvestment Period Criteria (as applicable), upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of Collateral Obligations shall be deemed to have the characteristics of such Collateral Obligations until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Collateral Obligations, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.

(j) ~~(i)~~ For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(k) ~~(j)~~ For purposes of calculating the Concentration Limitations, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall be deemed to be Senior Secured Loans.

(l) ~~(k)~~ ~~Notwithstanding any other provision of this Indenture to the contrary,~~ all monetary calculations under this Indenture shall be in U.S. Dollars.

(m) ~~(+)~~ Unless otherwise specified, references to fees payable under the Priority of Distributions or calculated with respect to a period at a *per annum* rate shall be computed on the basis of a 360-day year ~~of twelve 30-day months~~ and the actual number of days within the related period on the average of the par value of the Collateral Obligations, Restructured Obligations and Workout Instruments plus the balances of Principal Collections Account and Ramp-Up Account on the first and last day of the related Collection Period. Any fees applicable to periods shorter than or longer than a calendar quarter shall be prorated to the actual number of days within such period.⁺

(n) ~~(+)~~ Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(o) ~~(+)~~ Unless otherwise specifically provided herein, all calculations or determinations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date.

(p) ~~(+)~~ Determination of the purchase price of a Collateral Obligation shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related obligor).

(q) ~~(+)~~ When used with respect to payments on the Subordinated Notes, the term "principal amount" shall mean amounts distributable to Holders of Subordinated Notes from Principal Proceeds, and the term "interest" shall mean Interest Proceeds distributable to Holders of Subordinated Notes in accordance with the Priority of Distributions.

(r) ~~(+)~~ Any references in Article XI of this Indenture to fees paid to the Portfolio Manager shall not include fees paid to the Portfolio Manager for its role in managing the Assets prior to the Closing Date.

(s) ~~(+)~~ Any future anticipated tax liabilities of an Issuer Subsidiary related to an Issuer Subsidiary Asset will be excluded from the calculation of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Tests.

(t) With respect to the calculation of the Overcollateralization Ratio Test prior to the purchase of an Uptier Priming Debt, Restructured Obligation or Workout Obligation, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation, including, for the avoidance of doubt,

⁺NTD: Elmwood to confirm.

with respect to the inability to participate in any Rolled Senior Uptier Debt (in each case, as determined in the commercially reasonable judgment of the Portfolio Manager).

(u) ~~(s)~~ Any reference to the Benchmark applicable to any Floating Rate Note as of any Measurement Date during the first Interest Accrual Period after the Closing Date shall mean the Benchmark for the relevant portion of the first Interest Accrual Period as determined on the preceding Interest Determination Date.

(v) ~~(t)~~ If an administrative agent with respect to a Collateral Obligation provides notice that withholding tax is imposed on (i) any amendment, waiver, consent or extension fees, (ii) commitment fees or ~~other~~ similar fees or (iii) any other Collateral Obligation that becomes subject to withholding tax, the calculations of the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Interest Coverage Tests (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the obligor is required to make "gross-up" payments to the Issuer or an Issuer Subsidiary that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(w) ~~(u)~~ Each of the Weighted Average Floating Spread, Minimum Fixed Coupon Test and Minimum Floating Spread Test will be calculated by the Issuer (or the Collateral Administrator on its behalf in accordance with and subject to the provisions of the Collateral Administration Agreement) in consultation with the Portfolio Manager.

(x) ~~(v)~~ At the written direction of the Portfolio Manager to the Trustee (with a copy to the Collateral Administrator), Interest Proceeds received by the Issuer on or following the Closing Date up to the first Distribution Date following the Effective Date up to an amount specified in the certification set forth in clause (i) of the definition of "Principal Financed Accrued Interest" may be deposited directly to the Collection Account as Principal Proceeds.

(y) ~~(w)~~ For purposes of determining compliance with the criteria set forth in Section 12.2, any Unscheduled Principal Payments shall be taken into consideration on and after the date such Unscheduled Principal Payments are actually received by the Issuer (and not as of the Record Date of the related payment).

(z) ~~(x)~~ All calculations and determinations required (or otherwise necessary) under this Indenture shall be made by or on behalf of the Issuer based on the information actually available to the Issuer (or the Collateral Administrator on its behalf) or, if applicable, the Portfolio Manager at the time such calculation or determination is made. Information obtained after any such calculation or determination has been made shall not affect the validity of such calculation or determination at the time it was made.

(aa) ~~(y)~~ To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and

together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(bb) ~~(z)~~ [Reserved].

Term SOFR for the first Interest Accrual Period following the Second Refinancing Date will be set on two different Interest Determination Dates and, therefore, two different rates may apply during that period. The Interest Rate with respect to any Repriceable Class may be reduced in connection with a Re-Pricing of such Class of Secured Notes, subject to the conditions described in this Indenture.

(2) On the 2023 Amendment Date, the Issuer ~~will also issue~~ issued Incentive Management Fee Certificates with a notional balance of \$1,000. Section 2.4. Additional Notes.

(a) At any time during the Reinvestment Period (or, in the case of an issuance of additional Subordinated Notes and/or Junior Mezzanine Notes, at any time), subject to the written approval of ~~(x) a Majority of the Subordinated Notes, (y) in the case of an issuance of additional Secured Notes, a Majority of the Class A Notes,~~ and ~~(z) the Portfolio Manager,~~ the Applicable Issuers may, pursuant to a supplemental indenture in accordance with Section 8.1 hereof, issue and sell Additional Notes of each Class on a *pro rata* basis with respect to each Class of Notes (other than the Class X-RR Notes) (except that a larger proportion of Subordinated Notes may be issued) and/or additional secured or unsecured notes of one or more new classes that are junior in right of payment to the Secured Notes (the "Junior Mezzanine Notes"); *provided* that, the consent of a Majority of the Subordinated Notes ~~and, if applicable, a Majority of the Class A Notes~~ shall not be required if the Portfolio Manager has determined in its sole discretion that such issuance is required for compliance with the U.S. Risk Retention Rules by the Portfolio Manager. In addition, the following conditions must be satisfied to issue Additional Notes:

(i) the Applicable Issuers shall comply with the requirements of Section 2.6, Section 3.2 and Section 8.1;

(ii) the Issuer shall provide notice of such issuance to each Rating Agency;

(iii) in the case of additional Secured Notes, unless such issuance is being effected (in the sole discretion of the Portfolio Manager) in order to permit the Portfolio Manager to comply with the U.S. Risk Retention Rules, (A) each Overcollateralization Ratio Test is maintained or improved after giving effect to such issuance, (B) each Coverage Test is satisfied after giving effect to such issuance and (C) no such issuance of Secured Notes may exceed 100% of the respective original outstanding amount of the applicable Class or Classes of Secured Notes;

(iv) the proceeds of any Additional Notes (net of fees and expenses incurred in connection with such issuance) (A) shall be treated as Principal Proceeds, used to purchase additional Collateral Obligations or (B) in the case of an issuance of additional Subordinated Notes and/or any additional Junior Mezzanine Notes, may, in the sole discretion of the Portfolio Manager (so long as a Majority of the Subordinated Notes has not objected to such use within 10 Business Days of notice thereof), be used for Permitted Uses or treated as Interest Proceeds;

(v) unless only additional Subordinated Notes and/or Junior Mezzanine Notes that are treated as equity for U.S. federal income tax purposes are being issued, Tax Advice will be delivered to the Issuer to the effect that any additional Secured Notes will have the same U.S. federal income tax ~~debt~~ characterization (and at the same comfort level) as any Outstanding Notes that are pari passu with such Additional Notes; provided, however, that the ~~opinion~~ Tax Advice described in this clause (v) will not be required with respect to any Additional Notes that bear a different securities identifier from the Notes of the same Class that are Outstanding at the time of the additional issuance;

(vi) any Additional Notes that are Secured Notes (or Junior Mezzanine Notes that are treated as debt for U.S. federal income tax purposes) will be issued in a manner that allows the Issuer to accurately provide tax information relating to any original issue discount (“OID”) that this Indenture requires the Issuer to provide to the Holders and beneficial owners of Secured Notes (including the Additional Notes) which are issued with ~~original issue discount~~ OID;

(vii) unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued, no Event of Default has occurred and is continuing; and

(viii) an Officer's certificate of the Issuer shall be delivered to the Trustee stating that the conditions of this Section 2.4(a) have been satisfied.

(b) The terms and conditions of any Additional Notes of an existing Class shall be identical to those of the initial Notes of that Class (except that the interest due on the Additional Notes that are Secured Notes shall accrue from the issue date of such Additional Notes, the prices of such Additional Notes do not have to be identical to those of the initial Notes

of that Class and the interest rate of such Additional Notes must be equal to or less than the interest rate of the applicable Class, in each case as determined by the Portfolio Manager and as between any Pari Passu Classes, the Portfolio Manager may elect which of such Pari Passu Classes are issued as Additional Notes). Interest on the Additional Notes that are Secured Notes shall be payable commencing on the first Distribution Date following the issue date of such Additional Notes (if issued prior to the applicable Record Date). The Additional Notes shall rank *pari passu* in all respects with the initial Notes of that Class and the interest rate of any Additional Notes that are Floating Rate Notes shall be a spread over the Benchmark.

(c) Except to the extent that the Portfolio Manager has determined in its sole discretion that the issuance of Additional Notes is required for compliance with the U.S. Risk Retention Rules by the Portfolio Manager, any Additional Notes of each Class issued as set forth above shall, to the extent reasonably practicable, be offered first (i) in the case of Additional Notes that are Subordinated Notes or junior in right of payment to the Secured Notes, to the Holders of the Subordinated Notes in proportion to such Holders' interests in the Subordinated Notes and (ii) in the case of Additional Notes of any existing Class of Secured Notes, to the Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class.

(d) The Co-Issuers or the Issuer may also issue Additional Notes in connection with a Refinancing of all Classes of Secured Notes, which issuance shall not be subject to the conditions set forth above, but shall be subject only to the requirements for a Refinancing set forth in Section 9.2.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

The Trustee is hereby initially appointed Registrar for the purpose of registering Notes and Incentive Management Fee Certificates and transfers of such Notes or Incentive Management Fee Certificates with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor. With respect to the ERISA Restricted Notes held as Certificated Notes or held as Global Notes acquired from Citigroup or the Issuer, as applicable, on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, the Register will include a notation identifying each Purchaser that represented that it is a Controlling Person or a Benefit Plan Investor; *provided* that, the Registrar shall make such notation based solely upon the information included in the subscription agreement or representation letter of such Purchaser, if such information was delivered with respect to Notes acquired on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, or with respect to any other acquisitions, the Transfer Certificate from such Purchaser and shall have no responsibility of any nature to confirm or obtain such information. For purposes of maintaining information in respect of Incentive Management Fee Certificateholders or the registration of any transfer of an Incentive Management Fee Certificate, the Registrar shall be entitled to receive and rely upon instructions provided by the Portfolio Manager.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the Incentive Management Fee Certificates, and the principal or face amounts and numbers of such Notes and Incentive Management Fee

Certificates. Upon request at any time the Registrar shall provide to the Issuer, the Portfolio Manager, Citigroup or any Holder a current list of Holders and Incentive Management Fee Certificateholders (and their holdings) as reflected in the Register, and at the Issuer's expense, a list of participants in DTC holding positions in the Notes.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal or face amount. At any time, the Issuer, the Portfolio Manager or Citigroup may request a list of Holders from the Trustee and the Trustee shall provide such a list of Holders to the extent such information is available to the Trustee.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal or face amount, upon surrender of the interest in Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Certificated Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which such requirements include membership in the Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any ~~tax or other governmental charge~~ Tax payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

No sale or transfer of ERISA Restricted Notes (or any interest therein) to a proposed transferee that has represented that it is, or is acting on behalf of, a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Registrar, and the Issuer will not recognize any such sale or transfer, if such sale or transfer would result in Benefit Plan Investors holding 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes being transferred, in each case as determined in accordance with the Plan Asset Regulation and this Indenture and assuming, for this purpose, that all of the representations made or deemed to be made by Holders of such Notes (or any interest therein) are true. For purposes of such calculations, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the Plan Asset Regulation and Section 3(42) of ERISA only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any ERISA Restricted Notes (or any interest therein) held by any Person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the Issuer's assets or that provides investment advice for a fee (direct or indirect) with respect to such assets or an "affiliate" (within the meaning of 29 C.F.R. 2510.3-101(f)(3)) of such a Person (a "Controlling Person") shall be excluded and treated as not being Outstanding. With respect to any ERISA Restricted Note that is purchased by, or on behalf of, a Controlling Person or a Benefit Plan Investor on the Closing Date and represented by a Global Note, if such Benefit Plan Investor or Controlling Person notifies the Trustee that all or a portion of its interest in such Global Note has been transferred under this Section 2.6 to a transferee that is not a Controlling Person or Benefit Plan Investor, such transferred interest will no longer be treated as held by a Controlling Person or Benefit Plan Investor, as applicable, for the calculation in this clause (b).

No transfer of a Note (or any interest therein) will be effective, and the Trustee and the Issuer will not recognize any transfer of a Note (or any interest therein), if the transferee's acquisition, holding or disposition of such Note (or any interest therein) would constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, church, non-U.S. or other plan, a violation of any Similar Laws); and in the case of ERISA Restricted Notes, if it is a governmental, church, non-U.S. or other plan, it is not subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to any Similar Laws.

(c) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act; except that if a Transfer Certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6. Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by Holders of the ERISA Restricted Notes (or any interest therein), shall not permit any transfer of such Notes (or any interest therein) if such transfer would result in Benefit Plan Investors holding 25% or more (or such lesser percentage determined by the Portfolio Manager and notified to the

Trustee) of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes, as determined in accordance with the Plan Asset Regulation and this Indenture.

(d) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any of its ordinary shares to U.S. Persons and the Co-Issuer shall not issue or permit the transfer of any of its membership interest to U.S. Persons.

(e) So long as a Global Note remains Outstanding and is held by or on behalf of DTC, transfers of such Global Note, in whole or in part, shall only be made in accordance with this Section 2.6(e).

(i) Subject to clauses (ii) and (iii) of this Section 2.6(e), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Notes Represented by Rule 144A Global Note or Certificated Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC or a Holder of a Certificated Note wishes at any time to exchange its interest in such Rule 144A Global Note or Certificated Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note or Certificated Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder, provided such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction, may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Trustee or the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Authorized Denomination applicable to such holder's Secured Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note or Certificated Note to be exchanged or transferred, and in the case of a transfer of Certificated Notes, such Holder's Certificated Notes properly endorsed for assignment to the transferee, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) in the case of a transfer of Certificated Notes, a Holder's Certificated Note properly endorsed for assignment to the transferee and (D) a Transfer Certificate in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Rule 144A Global Notes or the Certificated Notes including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S, then the Trustee or the Registrar shall implement the Global Note Procedures with respect to the applicable Global Note and, if applicable, cancel the Certificated Notes.

(iii) Regulation S Global Note to Rule 144A Global Note or Certificated Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an

interest in the corresponding Rule 144A Global Note or for a Certificated Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note or for a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note or for a Certificated Note. Upon receipt by the Trustee or the Registrar of (A) if the transferee is taking a beneficial interest in a Note represented by a Rule 144A Global Note, instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the Authorized Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and a Transfer Certificate in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (B) if the transferee is taking a Certificated Note, a Transfer Certificate in the form of Exhibit B3, then the Registrar shall implement the Global Note Procedures with respect to the applicable Global Note and, if the transferee is taking an interest in a Certificated Note, the Registrar will record the transfer in the Register and, upon execution by the Applicable Issuers, authenticate and deliver one or more Certificated Notes, as applicable, registered in the names specified in the instructions described above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Note transferred by the transferor), and in Authorized Denominations.

(iv) Certificated Note to Certificated Note. If a Holder of a Certificated Note wishes at any time to exchange such Certificated Note for one or more Certificated Notes or transfer such Certificated Note to a transferee who will take delivery thereof in the form of a Certificated Note, such Holder may effect such exchange or transfer in accordance with this Section 2.6(e)(iv). Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) a Transfer Certificate in the form of Exhibit B3, then the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register and, upon execution by the Applicable Issuers, authenticate and deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in Authorized Denominations.

(v) Notes Represented by Rule 144A Global Notes to Certificated Notes. If a holder of a beneficial interest in a Note represented by a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for a Certificated Note or to transfer its interest in such Rule 144A Global Note to a Person who

will take delivery thereof in the form of a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Note. Upon receipt by the Trustee or the Registrar of (A) a Transfer Certificate substantially in the form of Exhibit B3 and (B) appropriate instructions from DTC, if required, the Trustee or the Registrar will implement the Global Note Procedures with respect to the applicable Global Note and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Notes, registered in the names specified in such instructions from DTC, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Note transferred by the transferor), and in Authorized Denominations.

(vi) Certificated Notes to Rule 144A Global Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a beneficial interest in a Rule 144A Global Note or to transfer such Certificated Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for a beneficial interest in a Rule 144A Global Note. Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee; (B) a Transfer Certificate substantially in the form of Exhibit B2; (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register and will implement the Global Note Procedures with respect to the Rule 144A Global Note.

(vii) Other Exchanges. In the event that a Global Note is exchanged for Certificated Notes pursuant to Section 2.11, such Global Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are made only to Holders who are Qualified Purchasers or Knowledgeable Employees in transactions exempt from registration under the Securities Act or are to persons who are not U.S. persons who are non-U.S. residents (as determined for purposes of the Investment Company Act), and otherwise comply with Regulation S under the Securities Act, as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.

(f) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable part of Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to

ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

(g) Each purchaser (including transferees and each beneficial owner of an account on whose behalf Notes are being purchased, each, a "Purchaser") of a Certificated Note will be deemed to have represented and agreed as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(v) The Purchaser agrees that it will not offer or sell, transfer, assign, or otherwise dispose of any Notes or any interest therein except (i) pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, any applicable state securities laws and the Applicable Law of any other jurisdiction and (ii) in accordance with the provisions of this Indenture to which provisions it agrees it is subject.

the investment and operation of the Issuer's assets) to Similar Laws. The Purchaser understands that the representations made in this paragraph sub-clause (xiv) will be deemed made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein).

(xxii) The Purchaser agrees to provide the Issuer or its agents with its Holder AML Information.

(xxiii) The Purchaser is not a person with whom dealings are restricted or prohibited under any law relating to economic sanctions or anti-money laundering of the United States, the European Union, Switzerland, or any other applicable jurisdiction ("AML and Sanctions Laws"), and its purchase of Securities will not result in the violation of any AML and Sanctions Laws by any Transaction Party, whether as a result of the identity of such beneficial owner or its beneficial owners, their source of funds, or otherwise.

(h) Each Purchaser of a Rule 144A Global Note will be deemed to have represented and agreed, in addition to the representations and agreements set forth in clauses (iii) through (ix), (xi), (xii) and (xiv) through (xxiii) of Section 2.6(g) and Section 2.14, as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(ii) The Purchaser is a Qualified Purchaser acquiring such Notes as principal for its own account (or for one or more accounts, each holder of which is a Qualified Institutional Buyer and a Qualified Purchaser as to each of which accounts the Purchaser exercises sole investment discretion) for investment and not for sale in connection with any distribution thereof, the Purchaser was not formed solely for the purpose of investing in the Notes and is not a (A) partnership, (B) common trust fund, (C) special trust or (D) pension, profit sharing or other retirement trust fund or plan in which partners, beneficiaries or participants, as

The Purchaser understands and agrees that any purported transfer of Notes to a person that does not comply with the requirements of this paragraph or that would have the effect of causing either of the Co-Issuers or the pool of collateral to be required to register as an investment company under the Investment Company Act shall be null and void *ab initio*.

(iii) The Purchaser understands that interests in Rule 144A Global Notes may not at any time be held by or on behalf of a Person that is not a Qualified Institutional Buyer and a Qualified Purchaser. Before any interest in a Rule 144A Global Note may be offered, resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Regulation S Global Note or a Certificated Note, the transferor (or the transferee, as applicable) will be required to provide the Trustee with a Transfer Certificate as to compliance with the transfer restrictions set forth in Section 2.5 and Section 2.6.

(iv) With respect to the acquisition of ERISA Restricted Notes in the form of Global Notes (or any interest therein), for so long as it holds such Notes (or any interest therein), the Purchaser is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person except with respect to purchases by Benefit Plan Investors and Controlling Persons of ERISA Restricted Notes on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, as applicable. The Purchaser understands that any ERISA Restricted Notes represented by Global Notes (and any interest therein) may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors and Controlling Persons on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, as applicable. The Purchaser understands that the representations made in this paragraph (iv) will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein).

(i) Each Purchaser of a Regulation S Global Note will be deemed to have represented and agreed, in addition to the representations and agreements set forth in clauses (iii) through (ix), (xi), (xii) and (xiv) through (xxiii) of Section 2.6(g) and Section 2.14, as follows (terms not otherwise defined in this Indenture that are used in this subsection and are defined in Rule 144A or Regulation S are used as defined therein):

(i) The Purchaser is not, and will not be, a U.S. person or a U.S. resident for purposes of the Investment Company Act, and its purchase of Notes will comply with all Applicable Law in any jurisdiction in which it resides or is located and is in an Authorized Denomination. The Purchaser is aware that the sale of Notes to it is being made in reliance on the exemption from registration under the Securities Act provided by Regulation S.

(ii) The Purchaser understands that Notes offered in reliance on Regulation S may not at any time be held by or on behalf of U.S. persons. Before any interest in

a Regulation S Global Note may be offered, resold, pledged or otherwise transferred to a person who takes delivery in the form of an interest in a Rule 144A Global Note or a Certificated Note, the transferor (or the transferee, as applicable) will be required to provide the Trustee with a Transfer Certificate as to compliance with the transfer restrictions set forth in Section 2.5 and Section 2.6.

(iii) With respect to the acquisition of ERISA Restricted Notes in the form of Global Notes (or any interest therein), for so long as it holds such Notes (or any interest therein), the Purchaser is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person except with respect to purchases by Benefit Plan Investors and Controlling Persons of ERISA Restricted Notes on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, as applicable. The Purchaser understands that any ERISA Restricted Notes represented by Global Notes (and any interest therein) may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors and Controlling Persons on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, as applicable. The Purchaser understands that the representations made in this paragraph (iii) will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein).

(j) The Trustee and the Issuer shall be entitled to conclusively rely on any Transfer Certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

(k) Notwithstanding anything herein to the contrary, the Incentive Management Fee Certificates may not be transferred to any Person without the written consent of the Portfolio Manager. In addition, unless the Portfolio Manager receives legal advice from legal counsel of national reputation experienced in such matters to the effect that such transfer is being made in a transaction that is exempt from, or otherwise not subject to, the registration requirements of the Securities Act and in accordance with the Exchange Act (or any other applicable securities laws of the United States), each person acquiring an Incentive Management Fee Certificate shall be deemed to have represented and agreed as set forth in Section 2.6(g) (other than clauses (i)(ii), (x), (xi)(i), (xii) and (xiii) therein) as if such representations, restrictions and agreements were stated *mutatis mutandis* with respect to the Incentive Management Fee Certificates herein.

(l) If the purchaser or transferee of any Note (or any interest therein) is, or is acting on behalf of, a Benefit Plan Investor, it will be deemed to represent, warrant and agree that (i) none of the Transaction Parties or other persons that provide marketing services, or any of their respective affiliates, has provided any investment recommendation or investment advice on which it, or any fiduciary or other person investing the assets of the Benefit Plan Investor ("Plan Fiduciary"), has relied as a primary basis in connection with its decision to invest in the Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's

acquisition of the Notes, and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

Section 2.7. Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order (which will be deemed to have been given upon delivery to the Trustee of a Note signed by the Applicable Issuers), the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any ~~tax or other governmental charge~~ Tax that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7 to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved.

(a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Note Interest Rate and such interest shall be payable quarterly in arrears on each Distribution Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date) in accordance with the Priority of Distributions. Payment of interest on each Class of Secured Notes (and payments on the Subordinated Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Class is Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid ("Deferred Interest" with respect thereto) in accordance with the Priority of Distributions on any Distribution Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Distribution Date (i) on which funds are available for such purpose in accordance with the Priority of Distributions, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, or (iii) which is the Stated Maturity with respect to such Class of Deferred Interest Notes. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Note Interest Rate for such Class until paid as provided herein and (y) interest on the interest on any Class X-RR Notes, Class A Notes, Class A-2-R Notes or Class B Notes or, if no Class X-RR Notes, Class A Notes, Class A-2-R Notes or Class B Notes are Outstanding, the Secured Notes of the Controlling Class that is not paid when due shall accrue at the Note Interest Rate for such Class until paid as provided herein.

Distributions on the Subordinated Notes that are not available to be paid on a Distribution Date in accordance with the Priority of Distributions shall not be "due or payable" on such Distribution Date or any date thereafter.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the Distribution Date which is the Stated Maturity for such Class of Secured Notes, unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid on each Secured Note as provided in the Priority of Distributions. Notwithstanding the foregoing, except as otherwise provided in Article IX and the Priority of Distributions, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds in respect of the Subordinated Notes) (x) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to the Priority of Interest Proceeds) after each Priority Class with respect to such Class is no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on each Priority Class and other amounts in accordance with the Priority of Distributions. Any payment of principal of any Class of Secured Notes which is not paid, in accordance with the Priority of Distributions, on any Distribution Date (other than the Distribution Date which is the Stated Maturity of such Class or a Redemption Date with respect

to such Class), shall not be considered "due and payable" for purposes of Section 5.1(a) until the earliest Distribution Date on which funds are available for such purpose in accordance with the Priority of Distributions or each Priority Class with respect to such Class is no longer Outstanding.

Each Subordinated Note will mature on the Distribution Date which is the Stated Maturity for such Class and the principal amount, if any, will be due and payable on such Distribution Date unless such Subordinated Note is redeemed prior thereto. Prior to the Stated Maturity, principal shall be paid on each Subordinated Note as provided in the Priority of Distributions. Any payment of principal amounts on the Subordinated Notes (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on each Priority Class and other amounts in accordance with the Priority of Distributions.

Nonpayment of amounts on the Incentive Management Fee Certificates as a result of insufficiency of available Interest Proceeds or Principal Proceeds will not constitute an Event of Default. Payments on the Incentive Management Fee Certificates will cease to be payable and the Incentive Management Fee Certificates shall be deemed to have been redeemed and cancelled upon the earlier of (i) the date of the redemption of all of the Secured Notes and Subordinated Notes, (ii) the date of the discharge of this Indenture, (iii) the date on which Elmwood Asset Management LLC (or any Affiliate thereof) has exercised the Incentive Management Fee Option or (iv) the date that all of the Assets have been realized and no Interest Proceeds or Principal Proceeds or, where applicable, other net proceeds of enforcement of the security over the Assets remain available for distribution in accordance with the Priority of Distributions, the final Incentive Management Fee Certificateholder Amount (if any) having been paid thereon subject to and in accordance with the Priority of Distributions.

Principal payments on the Notes shall be made in accordance with the Priority of Distributions and Article IX.

(c) As a condition to payments on any Notes without the imposition of withholding tax or back-up withholding tax, the Paying Agent shall require certification acceptable to it to enable each of the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine its duties and liabilities with respect to any ~~taxes or other charges~~ Taxes that it may be required to deduct or withhold from any payment in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirement under any such law or regulation.

(d) Payments in respect of Notes shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Note; *provided* that, in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, no later than the related Record Date; and *provided further* that, if appropriate

instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Payments on the Incentive Management Fee Certificates shall be made to the related Incentive Management Fee Certificateholder in accordance with the written instructions (together with any other information reasonably requested by the Issuer, the Trustee or a Paying Agent) provided by such certificateholder to the Trustee or the applicable Paying Agent, no later than the related Record Date. Upon final payment due on the Maturity of Certificated Notes, the Holder thereof shall present and surrender such Certificated Notes at the Corporate Trust Office of the Trustee on or prior to such Maturity; *provided however* that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Notes has been acquired by a *bona fide* purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Portfolio Manager, nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note or for maintaining or reviewing any records relating to beneficial ownership interests. In the case where any final payment is to be made on any Notes (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, provide to the Holders of that Class a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$100,000 original principal amount of Secured Notes, original principal amount of Subordinated Notes and the place where Certificated Notes may be presented and surrendered for such payment.

(e) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date. Payments to Incentive Management Fee Certificateholders shall be made in the proportion that the notional amount of the related Incentive Management Fee Certificates registered in the name of each such certificateholder on the applicable Record Date bears to the aggregate notional amount of all of the Incentive Management Fee Certificateholders on such Record Date.

(f) Interest accrued with respect to each Class of Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or for the first Interest Accrual Period, the related portion thereof) *divided by* 360. Interest on any Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(g) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Distribution

Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(h) Notwithstanding any other provision of this Indenture, the obligations of each Applicable Issuer under the Notes, the Incentive Management Fee Certificates and this Indenture from time to time and at any time are limited recourse obligations of such Applicable Issuer, payable solely from the Assets available at such time in accordance with the Priority of Distributions and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Transaction Party (other than the Applicable Issuers) or any Officer, director, employee, shareholder, agent, partner, member, incorporator, Affiliate, Related Entity (solely with respect to the Portfolio Manager), successor or assign of the Applicable Issuers or any other Transaction Party for any amounts payable under the Notes, the Incentive Management Fee Certificates or (except as otherwise provided herein or in the Portfolio Management Agreement) this Indenture. It is understood that the foregoing provisions of this Section 2.8(h) shall not (x) prevent recourse to the Assets in the manner provided in this Indenture for the sums due or to become due under any security, instrument or agreement that is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation (1) evidenced by the Notes to the extent they evidence debt or (2) secured by this Indenture until such Assets have been realized and proceeds distributed in accordance with the Priority of Distributions, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this Section 2.8(h) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(i) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9. Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee shall (absent manifest error) treat as the owner of any Note or Incentive Management Fee Certificate the Person in whose name such Note or Incentive Management Fee Certificate is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such payment is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10. Cancellation.

(a) All Notes that are surrendered for payment, registration of transfer, exchange or redemption, or are deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.10, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. For the avoidance of doubt, no Holder shall be permitted to surrender any Note other than for payment, registration of transfer, exchange or redemption, in each case, in accordance with this Indenture. **No Note may be surrendered or cancelled (except for the substitution of mutilated, defaced, destroyed, lost or stolen Notes) unless all Notes belonging to classes senior to such Note have been paid in full.** For purposes of the calculation of each Overcollateralization Ratio Test, the Reinvestment Overcollateralization Test and the Event of Default Par Ratio, any Note or Notes surrendered in breach of the limitations set forth in the preceding sentence, shall be deemed to continue to be Outstanding in its or their full Aggregate Outstanding Amount immediately prior to such surrender.

Section 2.11. Depository Not Available.

(a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a Certificated Note in exchange for such interest if such exchange complies with Section 2.6 and an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Certificated Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Authorized Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall be in registered form and, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent

Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form without interest coupons.

In the event that Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by Section 2.11(a), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if Certificated Notes had been issued.

Section 2.12. Notes Beneficially Owned by Non-Permitted Holders or in Violation of ERISA Representations.

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Note to a Non-Permitted Holder shall be null and void and any such purported transfer of which the Issuer or the Co-Issuer shall have received written notice or a Trust Officer of the Trustee shall have actual knowledge may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Non-Permitted Holder shall become the beneficial owner of an interest in any Note, the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 10 days of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager (on its own or acting through an investment bank selected by the Portfolio Manager at the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and neither the Issuer nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note (or any interest therein) to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading or whose ownership otherwise causes 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes to be held by Benefit Plan Investors shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or a Trust Officer of the Trustee shall have received written notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

Section 2.13. [Reserved].

Section 2.14. Tax Treatment; Tax Certifications.

(a) Each Holder (including, for purposes of this Section 2.14, any beneficial owner of Notes) agrees to treat (i) the Issuer, ~~the Co-Issuer, and the Notes as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular as non-U.S. corporation,~~ (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Secured Notes as debt, and (v) the Subordinated Notes as equity, in each case, for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law; it being understood that the foregoing shall not prohibit a Holder of Class ~~E Notes or Class F RE-RR~~ Notes from making a protective "qualified electing fund" election and filing protective information returns with respect to an investment in such Class ~~E Notes or Class F RE-RR~~ Notes.

(b) Each Holder will timely furnish the Issuer or its agents any U.S. federal income tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request, and any documentation, agreements, certifications or other information that is reasonably requested by the Issuer or its agents in order to enable the Issuer or its agents to (A) make payments to the Holder without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. The Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(b) the failure on any Distribution Date to disburse amounts in excess of U.S.\$100,000 available in the Payment Account (other than a default in payment described in clause (a) above) in accordance with the Priority of Distributions, which failure has a material adverse effect on the Holders and, if such failure is capable of remedy, the continuation of such failure for a period of 45 days (or, if such failure can only be remedied on a Distribution Date, such failure continues until the later of the 45 day period specified above and the next Distribution Date); *provided*, if such failure results solely from an administrative error or omission by the Portfolio Manager, the Trustee any Paying Agent or the Registrar, such default continues for a period of ~~1050~~ or more ~~Business-Days~~days after the Trustee receives written notice or a Trust Officer has actual knowledge of such administrative error or omission;

(c) either of the Co-Issuers or the pool of Assets becomes an investment company required to be registered under the Investment Company Act and such requirement is not cured within 45 days of notice thereof;

(d) except as otherwise provided in this Section 5.1, a default or breach (in each case, in any material respect) in the performance of any covenant or other agreement of the Issuer or the Co-Issuer in this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or Reinvestment Overcollateralization Test is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be, in each case, correct in all material respects when the same has been made, and the continuation of such default, breach or failure for a period of 45 days after notice to the Issuer or the Co-Issuers, as applicable, and the Portfolio Manager by registered or certified mail or overnight courier, by the Trustee, the Issuer, the Co-Issuer or the Portfolio Manager or to the Issuer or Co-Issuers, as applicable, the Portfolio Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; *provided* that, any failure to effect a Refinancing, Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(e) (i) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other Applicable Law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days or (ii) the institution by the shareholders of the Issuer or the

Co-Issuer of Proceedings to have the Issuer or Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent by the shareholders of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or Co-Issuer, the shareholders of the Issuer passing a resolution to have the Issuer wound up on a voluntary basis, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar Applicable Law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action; or

(f) on any Measurement Date, the failure of the ratio of (i) the sum of (a) the Aggregate Principal Balance of the Pledged Obligations (*provided* that, the "Principal Balance" of any Defaulted Obligation shall be, for purposes of this test, its Market Value) and (b) without duplication, the amounts on deposit in the Principal Collection Account, the Permitted Use Account (to the extent such amounts have been designated as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (in each case including Eligible Investments therein) to (ii) the Aggregate Outstanding Amount of the Class A Notes (such ratio, the "Event of Default Par Ratio") to equal or exceed 102.5%.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Portfolio Manager shall notify each other (to the extent that any such other party has not already received notice with respect thereto), and the Trustee shall provide the notices of Default required under Section 6.2.

Section 5.2. Acceleration of Maturity; Rescission and Annulment. If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e)), the Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the applicable Co-Issuers and each Rating Agency, declare the principal of and accrued interest on all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section 5.1(e) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after such declaration of acceleration of maturity has been made but before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class may, by written notice to the Issuer, the Trustee and each Rating Agency, rescind and annul such declaration and its consequences if:

(a) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(i) all unpaid installments of interest and principal then due and payable on the Secured Notes (other than as a result of such acceleration);

(ii) to the extent that the payment of such interest is lawful, current interest upon any Deferred Interest at the applicable Note Interest Rates; and

(iii) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or the Collateral Administrator under the Collateral Administration Agreement and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(b) it has been determined that all Events of Default, other than the non-payment of the interest on or principal of the Secured Notes, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; *provided* that, the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal, at the applicable Note Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific

enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of Secured Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by Applicable Law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to

authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies.

(a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and (subject to its rights under this Indenture, including Section 6.1(c)(iii) hereof) shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by Applicable Law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.5 and Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided however that, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a); *provided, further*, that, the Trustee shall not deliver a Notice of Exclusive Control to the Intermediary pursuant to the Securities Account Control Agreement unless an Event of Default has occurred and the Notes have been accelerated pursuant to the terms of this Indenture.

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or

other appropriate advisor concerning the matter, which may (but need not) be Citigroup, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default under Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A Notes so delivered by such Holder (taking into account the Priority of Distributions and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties, holders of the Incentive Management Fee Certificates or the Holders or beneficial owners of the Notes may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is

commenced, the Issuer, the Co-Issuer or Issuer Subsidiary, as applicable, subject to the availability of funds as set forth in the immediately following sentence, will promptly object to the institution of any such Proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (A) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (B) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other Applicable Law). The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any Issuer Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses. Any person who acquires a beneficial interest in any Notes or the Incentive Management Fee Certificates shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Notes or the holders or the beneficial owners of the Incentive Management Fee Certificates institutes, or joins in the institution of, a Proceeding described in clause (i) above against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Distributions, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Note that does not seek to cause any such filing, with such subordination being effective until each Note held by each Holder or beneficial owners of any Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Distributions (after giving effect to such subordination). The terms set forth in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (A) from taking any action prior to the expiration of the aforementioned period in (x) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (y) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (B) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(iv) The restrictions set forth in clause (i) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and

for the Issuer, the Co-Issuer and the Portfolio Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Notes, the Portfolio Manager, the Trustee, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws.

(e) The Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, shall, subject to the availability of funds therefor, timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer, the Co-Issuer or such Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, the Co-Issuer or such Issuer Subsidiary, as the case may be, under the Bankruptcy Law or any other Applicable Law. The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any such Issuer Subsidiary (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

Section 5.5. Optional Preservation of Assets.

(a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets intact (except as otherwise permitted or required by Section 7.16(e), Section 10.8 and Section 12.1) and collect (or cause the collection of) the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Distributions and the provisions of Article X, Article XII and Article XIII unless either:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Portfolio Manager, determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the anticipated reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including Deferred Interest), and all amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Base Management Fees and amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination;

(ii) a Supermajority of each Class of Secured Notes (voting separately by Class) directs the sale and liquidation of all or any portion of the Assets; or

(iii) in the case of an Event of Default specified in clause (a) (solely in respect of the Class A Notes) or clause (f) of the definition thereof, a Majority of the Class A Notes directs the sale and liquidation of all or any portion of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Portfolio Manager and each Rating Agency. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii) or (iii) exist; *provided* that, a written notice shall be provided to each Rating Agency in the event that such retention is rescinded.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder; *provided* that, a written notice shall be provided to each Rating Agency in the event that such liquidation is rescinded.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets if prohibited by Applicable Law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, with the written consent of the Majority of the Controlling Class and with the cooperation of the Portfolio Manager, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Portfolio Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not exist. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Co-Issuers' expense and for a commercially reasonable fee) and rely on an opinion of an Independent investment banking firm of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. If a Majority of the Controlling Class has consented to the Trustee making a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after receiving such consent from a Majority of the Controlling Class (or such longer period as is necessary if the information required to make such determination has not yet been received) or at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6. Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and

enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7. Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the Post-Acceleration Priority of Proceeds, at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, then the provisions of Section 4.1(a) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8. Limitation on Suits. No Holder of a Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made a written request to the Trustee to institute Proceedings in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of the same Class subject to and in accordance with Section 13.1 and the Priority of Distributions.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the

Aggregate Outstanding Amount of the Controlling Class. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Holders of Secured Notes to Receive Principal and Interest. Subject to Section 2.8(h), Section 2.13, Section 5.13, Section 6.15 and Section 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Distributions and Section 13.1, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Notes of Junior Classes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Priority Class remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13. Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that, subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in clause (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities that the Trustee anticipates, in its reasonable and good faith judgment, ~~that~~which might be incurred in connection with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5.

Section 5.14. Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in the payment of interest on the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of each Holder of each Outstanding Class adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the S&P Rating Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Portfolio Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this

Indenture, or in any suit against the Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Portfolio Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets.

(a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Section 5.4 and Section 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Holders, and shall, upon direction of the Holders representing the requisite percentage of the Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that, the Trustee and the Portfolio Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee

may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof without representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Subordinated Notes, and the Holders of the Subordinated Notes and the Portfolio Manager shall be permitted to participate in any such public Sale to the extent permitted by Applicable Law and to the extent such Holders or the Portfolio Manager, as applicable, meet any applicable eligibility requirements with respect to such Sale.

(f) The Portfolio Manager, its Affiliates and Related Entities and any Holder of Notes shall have the right (exercisable within one day of the receipt of the related bid by the Trustee) to purchase any Collateral Obligation to be sold at any auction conducted in connection with an acceleration or other remedies exercised after an Event of Default at a price equal to the highest bid price otherwise submitted for such Collateral Obligation, in each case to the extent the related purchaser satisfies the eligibility requirements for such sale; *provided* that, (x) in the event that both (i) the Portfolio Manager or its Affiliates or Related Entities and (ii) any Holder of Notes (other than the Portfolio Manager, its Affiliates and Related Entities) exercise such right with respect to the same Collateral Obligation, such Collateral Obligation shall be sold to the applicable Holder of Notes that is not the Portfolio Manager, its Affiliate or a Related Entity and (y) in the event that two or more Holders of Notes (other than the Portfolio Manager, its Affiliates and Related Entities) exercise such right with respect to the same Collateral Obligation, such Collateral Obligation shall be sold to the Holder of Notes selected at random by the Portfolio Manager. Prior to the commencement of any such auction, the Trustee shall be required to provide a notice to the Portfolio Manager and the Holders of Notes for purposes of determining which such parties, if any, are interested in potentially exercising the rights described above. The Trustee shall have no liability for (i) any failure or delay in effecting a sale or liquidation of Collateral Obligations, or any loss of value in liquidating a Collateral Obligation in connection therewith, as a result of the exercise or non-exercise of purchase rights by any such Person as described above or (ii) selling a Collateral Obligation to any such party in accordance with the procedures described above.

Section 5.18. Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided however* that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-section shall not be construed to limit the effect of sub-section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article V, under this Indenture; and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d), (e) or (f) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of such a Default or Event of Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as set forth in this Section 6.1. The Trustee shall have no duty to determine whether any event is a Default or Event of Default described in Section 5.1(c), (d), (e) or (f).

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) The Trustee is authorized, at the request of the Portfolio Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Portfolio Manager.

(g) The Trustee shall not have any obligation to determine, verify or confirm (i) compliance with the U.S. Risk Retention Rules, the EU Retention and Due Diligence

Requirements, or the risk retention regulations of any other jurisdiction, (ii) whether the conditions to an Exchange Transaction are satisfied or (iii) whether the ~~First Refinancing Date Defaulted Obligation Designation Restriction or the First~~Second Refinancing Date Interest Transfer Restriction ~~are~~is satisfied.

(h) The Trustee shall have no liability or responsibility for (i) the selection of ~~an Alternative Reference~~a Fallback Rate (including, without limitation, whether the conditions for the designation of such rate have been satisfied ~~or whether such rate is a Benchmark Replacement or Fallback Rate) or a Benchmark Replacement Adjustment, (ii) determining whether a Benchmark Transition Event or Benchmark Replacement Date has occurred or (iii) or~~ an adjustment or modifier thereto or (ii) determining or verifying Benchmark Replacement Conforming Changes.

(i) The Trustee shall have no liability for any delay or failure in the acceptance of a Contribution requested to be made due to the related Contribution Participation Option Period not having expired or, if applicable, the inability of other Contributors to join in the contribution of property other than Cash.

(j) The Trustee shall have no obligation to determine the classification of any asset as a Subordinated Note Collateral Obligation or Transferable Margin Stock, and shall be entitled to rely upon the Portfolio Manager's identification thereof.

(k) The Trustee shall have no (i) obligation to determine the excess of the required proportion of Subordinated Notes to be issued in connection with an additional issuance or (ii) obligation to determine whether any series of reinvestments constitutes an Aggregated Reinvestment.

Section 6.2. Notice of Default. As soon as reasonably practicable (and in no event later than two Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Portfolio Manager, each Rating Agency, each Hedge Counterparty, each Paying Agent and all Holders, as their names and addresses appear on the Register, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, other paper, electronic communication or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided* that, the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or Governmental Authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; *provided further* that, the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that, the Trustee shall not be liable for the conduct of, or responsible for any misconduct or negligence on the part of, any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or a firm of nationally recognized accountants which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.9 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) to the extent permitted by Applicable Law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

(m) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(n) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control;

(o) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(p) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. (t) neither the Trustee nor the Collateral Administrator shall have any responsibility to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Portfolio Manager on behalf of the Issuer) or the terms of any agreed upon procedures in respect of such engagement; *provided however* that, the Issuer hereby directs the Trustee to execute any acknowledgment or other agreement with the Independent accountants required for the Trustee to receive any of the reports or instructions provided for herein, which acknowledgment or agreement may include (i) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders), (ii) acknowledgements with respect to the sufficiency of the agreed upon procedures to be performed by the Independent accountants and (iii) the release of the claims (on behalf of the Trustee and the Holders) and other acknowledgements of limitations of liability in favor of Independent accountants. (w) Receipt by the Trustee of any report or other information received by, or otherwise made available to, the Trustee pursuant to the terms of this Indenture, shall not be deemed to constitute either actual or constructive knowledge by the Trustee of such information, unless such report or other information is delivered to the Corporate Trust Office or is actually received by a Trust Officer and (i) the Trustee is expressly required under the terms of this Indenture or another Transaction Document to take action upon receipt of such information or the contents of any such report or (ii) the review of such report or other information is necessary to perform the Trustee's express duties under this Indenture or another Transaction Document.

(z) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary and/or sensitive information and sent by electronic mail will be encrypted. The recipient of the email communication will be required to complete a one-time registration process;

(aa) the Trustee shall not have any obligation to determine: (a) the characterization of a Collateral Obligation, Equity Security, Restructured Obligation or Workout Instrument, (b) if a Collateral Obligation, Equity Security, Restructured Obligation, Workout Obligation or Workout Security meets the criteria or eligibility

restrictions specified in the respective definition thereof or otherwise in this Indenture, or (c) if the conditions specified in the definition of "Deliver" have been complied with, ~~(d) if the Permitted Securities Condition is satisfied or (e) if the Voleker Changes are effective;~~

(bb) in the event the Bank (in its individual capacity or as Trustee) is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Authenticating Agent, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided* that, such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in any other documents to which the Bank in such capacity is a party; *provided, further*, that the foregoing shall not impose upon such Person the duties or standards of care (including a duty to act as a prudent person) of the Trustee (it being understood, for the avoidance of doubt, that this proviso shall not be construed to relieve any such Person from the applicable duties or standards of care to which such Person is expressly subject when acting in such capacity); and

(cc) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets.

Section 6.4. Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and, in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity, enforceability or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5. May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6. Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank in its individual capacity to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its individual capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement.

(a) The Issuer agrees:

(i) to pay the Bank (in each of its capacities) on each Distribution Date reasonable compensation as set forth in a separate fee schedule dated on or near the Closing Date between the Trustee and the Portfolio Manager for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank (individually and in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or any other Transaction Document (including, without limitation, costs incurred by the Bank (in any of its capacities)) in connection with the Issuer's obligation to comply with FATCA, tax withholding, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, Section 5.5, Section 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Bank's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager in writing;

(iii) to indemnify the Bank (individually and in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability, damage, fee, cost or expense (including reasonable attorney's fees and costs) incurred without negligence, willful misconduct or bad faith on their part (including a successful defense, in whole or in part, of any claim that the Bank acted with negligence, willful misconduct or bad faith), and arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated thereby, including the costs and expenses (including reasonable attorney's fees and costs) of (x) defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other transaction document related hereto, and (y) the enforcement of the Issuer's indemnification obligations hereunder; and

(iv) to pay the Bank reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Bank shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Distributions but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Bank shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Bank shall not have received amounts due it hereunder; *provided* that, nothing herein shall impair or affect the Bank's rights under Section 6.9. No direction by the Holders shall affect the right of the Bank to collect amounts owed to it under this

Indenture or any other Transaction Document. If on any date when a fee, expense or any other amount shall be payable to the Bank pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall survive the termination or assignment of this Indenture and the resignation or removal of the Bank pursuant to Section 6.9.

(c) The Trustee hereby agrees not to ~~cause the filing of a petition in bankruptcy~~ institute against, or join any other Person in instituting against the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or if longer the applicable preference period then in effect) plus one day after the payment in full of all Notes issued under this Indenture.

Section 6.8. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a long-term ~~debt~~issuer rating of at least "BBB+" by S&P), and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders and each Rating Agency not less than 60 days prior to such resignation. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; *provided* that, the Issuer shall provide prior written notice to the Rating Agencies of any such appointment; *provided further* that, the Issuer shall not appoint such successor trustee or trustees without the consent of the Portfolio Manager and a Majority of the Secured Notes of each Class voting as a single class (or, at any time when an Event of Default

shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class) unless (i) the Issuer gives ten days' prior written notice to the Holders of such appointment and (ii) written notice has not been provided to the Issuer by a Majority of the Secured Notes of any Class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the Controlling Class) objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee (at the expense of the Issuer as provided in Section 6.7) or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon 30 days' advance written notice by the Portfolio Manager or an Act of a Majority of the Controlling Class delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring Trustee (at the expense of the Issuer) as provided in Section 6.7 may, or any

Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Portfolio Manager, to the Holders and to each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture.

Section 6.10. Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.9 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located or for purposes of enforcement actions and where conflicts of interest exist, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee that satisfy the requirements of Section 6.8, jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders

themselves may have the right to do, subject to the other provisions of this Section 6.12 and to perform such other acts as may be determined by the Co-Issuers and/or the Trustee.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment. In no event shall any co-trustee be deemed to be an agent or representative of the Trustee.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent funds are available therefor under the Priority of Distributions, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee or for the appointment of any co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the

Portfolio Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such reasonable action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.8 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Section 2.4, Section 2.5, Section 2.6, Section 2.7 and Section 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense

under Section 11.1. The provisions of Section 2.9, Section 6.4 and Section 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding. If any withholding tax is imposed on the Issuer's payment under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any ~~tax~~Tax, including any tax ~~imposed pursuant to~~which may be payable with respect to FATCA, that is legally owed by the Issuer and to timely remit such amounts to the appropriate taxing authority. Such authorization shall not prevent the Trustee or such Paying Agent from contesting any such ~~tax~~Tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings). The amount of any withholding ~~tax~~Tax imposed with respect to any Holder shall be treated as ~~cash~~Cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder or beneficial owner in making such claim so long as such Holder or beneficial owner agrees to reimburse the Trustee or such Paying Agent for any reasonable out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any ~~tax~~Tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16. Representative for Holders of Secured Notes Only; Agent for each Other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the other Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of Secured Notes and agent for each other Secured Party and the Holders of the other Notes.

Section 6.17. Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States of America and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of trustee, registrar, transfer agent, custodian, calculation agent and securities intermediary under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium,

liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration with any United States federal or State of New York agency or other governmental body under any United States federal or State of New York regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18. Communication with Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, facsimile, press release, posting to the applicable Rating Agency's website, or other means then considered industry standard that is acceptable to the applicable Rating Agency in accordance with its methodology.

COVENANTS

Section 7.1. Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Distributions. The Issuer shall, to the extent legally permitted and to the extent funds are available pursuant to the Priority of Distributions, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with such Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Distributions, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other Applicable Law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to such Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and as Transfer Agent for transfers of the Notes. Notes may be surrendered for registration of transfer or exchange at the Corporate Trust Office of the Trustee or its agent designated for purposes of surrender, transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company, 1180 Avenue of the Americas, Suite

210, New York, New York 10036, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided however* that, the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; *provided further* that, no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax as a result of such appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give written notice as soon as reasonably practicable to the Trustee, the Holders, and each Rating Agency of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3. Money for Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, no later than the Business Day next preceding each Distribution Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Distribution Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; *provided* that, so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has a long-term ~~debt~~debt issuer rating of "A+=" or higher by S&P or ~~or~~ a short-term ~~debt~~debt issuer rating of "A-1=" by S&P. If such successor Paying Agent ceases to have such ratings, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust

company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders for which it acts as Paying Agent on each Distribution Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by Applicable Law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by Applicable Law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer or the Co-Issuer, as applicable, on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer or the Co-Issuer, as applicable, for payment of such amounts (but only to the extent of the amounts so paid to the Issuer or the Co-Issuer, as applicable) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not

limited to, mailing notice of such release to Holders whose Certificated Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4. Existence of Co-Issuers.

(a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by Applicable Law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; *provided however* that, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Portfolio Manager, and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change; and *provided further* that, the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives an opinion from nationally recognized U.S. tax counsel to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal income taxes on a net income basis.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored (other than with respect to the Co-Issuer for U.S. tax purposes) or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement or the declaration of trust by Walkers Fiduciary Limited, (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors to the extent they are employees), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds, (G) maintain an arm's length

relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person, (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Portfolio Manager.

Section 7.5. Protection of Assets.

(a) The Issuer, or the Portfolio Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Portfolio Manager if within the Portfolio Manager's control under the Portfolio Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Secured Parties hereunder and to:

(i) Grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets; or

(v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file or record any Financing Statement (other than the Financing Statement delivered on the Closing Date), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5; *provided* that, such appointment shall not impose upon the Trustee any of the Issuer's or the Portfolio Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets in which the debtor now or hereafter has rights" as the Assets in which the Trustee has a Grant.

The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. For the avoidance of doubt, all references in this Indenture and the Collateral Administration Agreement to (i) the right of the Trustee and the Collateral Administrator to rely upon notices, instructions and other information provided by the Portfolio Manager and (ii) protections afforded to the Trustee and the Collateral Administrator in respect of any acts or omissions of the Portfolio Manager, shall in each case also apply to the same extent in respect of the Designated Transaction Representative. (f) ~~(g)~~ Each Issuer Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents (which organizational documents shall comply with any applicable Rating Agency rating criteria). Each Issuer Subsidiary must not have any employees (other than its directors, to the extent that they are employees) and must not have any subsidiaries (other than any subsidiaries that are subject to the covenants applicable to Issuer Subsidiaries). The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of Collateral Obligations and/or other assets referred to in Section 7.16(e)(i) and Section 7.16(e)(ii) and any assets, income and proceeds received in respect thereof (collectively, "Issuer Subsidiary Assets"), subject to the same limitations on powers of the Issuer set forth in the organizational documents of the Issuer as of the Closing Date, and shall require each Issuer Subsidiary to distribute 100% of the net proceeds of any sale of such Issuer Subsidiary Assets, net of any tax or other liabilities, to the Issuer. An Issuer Subsidiary may distribute an Issuer Subsidiary Asset to the Issuer if the Issuer has received Tax Advice to the effect that such distribution will not cause the Issuer to be

treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise ~~cause the Issuer~~ to be subject to U.S. federal income tax on a net basis. No supplemental indenture pursuant to Section 8.1 or Section 8.2 hereof shall be necessary to permit the Issuer, or the Portfolio Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary. The Issuer (or the Portfolio Manager on behalf of the Issuer) shall provide to the Rating Agencies notice of the formation of any Issuer Subsidiary and of the transfer of any asset to any Issuer Subsidiary.

(g) ~~(h)~~ With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary Assets, except as expressly permitted by this Indenture and the Portfolio Management Agreement;

(iii) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than its directors, to the extent that they are employees), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.16 applicable to an Issuer Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(v) the constitutive documents of such Issuer Subsidiary shall provide that recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to the assets of such Issuer Subsidiary and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under Applicable Law;

(vi) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all ~~taxes~~ Taxes required to be paid by it;

(vii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or Proceeding by or before any arbiter or Governmental Authority against or affecting such Issuer Subsidiary;

(viii) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any

condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(ix) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by Section 7.16(e) so long as they do not violate Section 7.16(g);

(x) the Issuer shall keep in full effect the existence, rights and franchises of such Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by such Issuer Subsidiary. In addition, the Issuer and such Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in the separate existence of such Issuer Subsidiary being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary upon the sale of the final Issuer Subsidiary Asset and all other assets held therein or upon ~~the advice of counsel;~~ having received Tax Advice to the effect that the dissolution of such Issuer Subsidiary will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis;

(xi) the parties hereto agree that any reports prepared by the Trustee, the Portfolio Manager or the Collateral Administrator with respect to the Collateral Obligations shall indicate that any Issuer Subsidiary Assets are held by an Issuer Subsidiary, and shall refer directly and solely to such Issuer Subsidiary Assets, and the Trustee and the Collateral Administrator shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xii) the Issuer, the Co-Issuer, the Portfolio Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day (or any longer applicable preference period then in effect) plus one day, after the payment in full of all the Notes issued under this Indenture;

(xiii) in connection with the organization of such Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary, the Issuer Subsidiary shall establish one or more custodial and/or collateral accounts (each of which shall be Eligible Accounts), as necessary, with the Bank or the Custodian to hold the Issuer Subsidiary Assets; *provided* that, (A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding of the Issuer;

(xiv) subject to the other provisions of this Indenture, the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Principal Collection Account or the Interest Collection Account, as applicable); *provided* that, the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xv) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test, and Coverage Tests, the ownership interests of the Issuer in such Issuer Subsidiary or any property distributed to the Issuer by the Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s)). If, prior to its transfer to the Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in the Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvi) any distribution of Cash by such Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xvii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Mandatory Redemption, a redemption by reason of a Tax Event, or other prepayment in full or repayment in full of all Notes Outstanding and such notice is not capable of being rescinded, (C) the earliest Stated Maturity has occurred, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Collateral, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset held by such Issuer Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary; and

(xviii) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest", as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the

United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net basis.

(h) ~~(+)~~ Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary, if the Issuer has received Tax Advice to the effect that such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes.

(i) ~~(+)~~ Upon a Re-Pricing or a ~~Benchmark Amendment~~ designation of a Fallback Rate that results in the deemed exchange of Notes for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under Treasury Regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re-Priced Class or Notes replacing the Re-Priced Class (or any Notes subject to the ~~Benchmark Amendment, as applicable~~ or designation of a Fallback Rate) are traded on an established market, and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of the Re-Pricing or ~~Benchmark Amendment~~ designation of a Fallback Rate, as applicable.

~~(k) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of Section 7701(i) of the Code unless, based on Tax Advice, the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes; provided, that, for the avoidance of doubt, nothing in this Section 7.16(k) shall be construed to permit the Issuer to purchase real estate mortgages.—~~

(j) [Reserved].

(k) ~~(+)~~ So long as any Notes are Outstanding, the Co-Issuer shall not elect to be treated for U.S. federal income tax purposes as other than a disregarded entity.

(l) ~~(+)~~ Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Portfolio Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis ~~or income tax on a net income basis in any other jurisdiction~~. The requirements of this Section 7.16(m) shall be deemed to be satisfied if the requirements of Section 7.16(n) below are satisfied.

(m) ~~(+)~~ In furtherance and not in limitation of Section 7.16(m), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines or, in the alternative, with respect to a particular transaction, Tax Advice ~~to the effect that~~ that, under the relevant facts and circumstances with respect to such transaction, the

Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. The Issuer shall only be liable (or otherwise held accountable pursuant to Section 7.16(l) or (m)) for the failure to comply with its obligations under this Section 7.16(m) to the extent that such non-compliance causes the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis. For the avoidance of doubt, no consent of any Holder shall be required in order to comply with this Section 7.16(m) in connection with the amendment or supplement of any provision of the Tax Guidelines in accordance with the terms thereof.

(n) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of a Subordinated Note (or any Secured Note that is recharacterized as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent certified public accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

Section 7.17. Ramp-Up Period; Purchase of Additional Collateral Obligations.

(a) The Issuer shall use its commercially reasonable efforts to satisfy the Aggregate Ramp-Up Par Condition by the Effective Date.

(b) During the Ramp-Up Period (and, to the extent necessary to secure the confirmations referenced in Section 7.17(c), after the Effective Date), the Issuer shall use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation from, *first*, any Principal Proceeds on deposit in the Collection Account and *second*, any amounts on deposit in the Ramp-Up Account and (ii) to pay for accrued interest on any such Collateral Obligation from, any amounts on deposit in the Ramp-Up Account. In addition, the Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to acquire such Collateral Obligations that shall satisfy, as of the Effective Date, the Collateral Quality Test and the Overcollateralization Ratio Tests.

(c) The Issuer shall provide, or cause the Portfolio Manager or the Collateral Administrator to provide, to S&P as promptly as practicable but not later than 15 Business Days after the First Refinancing Date, a Microsoft Excel file ("Excel Default Model Input File") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied, and the Portfolio Manager shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each Collateral Obligation: CUSIP or LIN number or other identifier (if any); LoanX identifier (if any); name of obligor or issuer; coupon or spread (if applicable); legal final maturity date; principal balance; identification as a Cov-Lite Loan or otherwise; identification as to whether or not the settlement date has occurred (and if the settlement date has not yet occurred, the purchase price for such Collateral Obligation); the S&P Industry Classification; the S&P Recovery Rate; and such other information requested by S&P and reasonably available to the Portfolio Manager.

(d) [Reserved].

(e) The failure of the Issuer to satisfy the requirements of this Section 7.17 shall not constitute an Event of Default unless such failure would otherwise constitute an Event of Default under Section 5.1(d) hereof and the Issuer, or the Portfolio Manager acting on behalf of the Issuer, has acted in bad faith. At the written direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations during the Ramp-Up Period as set forth in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as set forth in Section 10.3(c).

Section 7.18. Representations Relating to Security Interests in the Assets.

(a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(iii) All Accounts constitute "securities accounts" under Article 8 of the UCC.

(iv) This Indenture creates a valid and continuing security interest (as defined in Article 1 of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer except that this Indenture will only create a security interest in those commercial tort claims, if any, and timber to be cut, if any, that are described in a notice delivered to the Trustee as contemplated by Section 7.5(d).

(v) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under Applicable Law in order to perfect the security interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties.

(b) The Co-Issuers agree to promptly provide notice to the Rating Agencies if they become aware of the breach of any of the representations and warranties contained in this Section 7.18.

Section 7.19. Acknowledgement of Portfolio Manager Standard of Care. The Co-Issuers acknowledge that they shall be responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Portfolio Manager to take certain actions on their behalf in order to comply with such covenants, the Portfolio Manager shall only be required to perform such actions in accordance with the standard of care set forth in Section 2 of the Portfolio Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of Elmwood no longer being the Portfolio Manager). The Co-Issuers further acknowledge and agree that the Portfolio Manager shall have no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Portfolio Manager has actual knowledge of such breach.

and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

(a) The Issuer shall, or shall cause its agent to request of DTC, and cooperate with DTC to ensure, that (i) DTC's security description and delivery order include a "3(c)(7) marker" and that DTC's reference directory contains an accurate description of the restrictions on the holding and transfer of the Rule 144A Global Notes due to the Issuer's reliance on the exemption to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) DTC send to its participants in connection with the initial offering of the Rule 144A Global Notes, a notice that the Issuer is relying on Section 3(c)(7) and (iii) DTC's reference directory include each class of Notes (and the applicable CUSIP numbers for the Rule 144A Global Notes) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Rule 144A Global Notes.

(b) The Issuer shall, or shall cause its agent to, (i) ensure that all CUSIP numbers identifying the Rule 144A Global Notes shall have a "fixed field" attached thereto that contains "3c7" and "144A" indicators and (ii) take steps to cause Citigroup to require that all "confirms" of trades of the Rule 144A Global Notes contain CUSIP numbers with such "fixed field" identifiers.

Section 8.2. Supplemental Indentures with Consent of Holders.

(a) With the written consent of the Portfolio Manager, a Majority of each Class of Secured Notes materially and adversely affected thereby, if any, and the consent of a Majority of the Subordinated Notes if the Subordinated Notes are materially and adversely affected thereby, the Trustee and the Co-Issuers may, subject to the requirements of Section 8.3, enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of such Class under this Indenture; *provided* that, the Issuer shall not enter into any supplemental indenture pursuant to this Section 8.2(a)(i) without the prior written consent of any Hedge Counterparty if such Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and such Hedge Counterparty notifies the Issuer and the Trustee thereof. Notwithstanding the foregoing, ~~but subject to the last paragraph of Section 8.1(a),~~ other than in connection with a Reset Amendment, no such

supplemental indenture pursuant to this ~~Section 8.2(a)~~Section 8.2(a) shall without the consent of each Holder of each Outstanding Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any ~~installment~~instalment of interest on any Secured Note, reduce the principal amount thereof or, except in a Re-Pricing or in connection with adoption of any Benchmark Amendment Replacement Conforming Changes, the rate of interest thereon or the Redemption Price or Re-Pricing Mandatory Tender Price, or change the earliest date on which any Class of Secured Notes may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Secured Notes, application of proceeds of any distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Subordinated Notes or Secured Notes or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); *provided* that, the Stated Maturity of the Subordinated Notes may be extended as set forth in Section 8.1(a)(xvii);

(ii) change the percentage of the Aggregate Outstanding Amount of Holders of each Class whose consent is required under this Indenture, including for the authorization of any such supplemental indenture, exercise of remedies under this Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) materially impair the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture; *provided* that, this clause shall not apply to any supplemental indenture (A) amending the restrictions on the sales of Collateral Obligations set forth in this Indenture which is otherwise permitted pursuant to Section 8.1 or Section 8.2 or (B) in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to Refinancing Obligations in the form of one or more loans ranking on a parity with one or more Classes of Notes also secured pursuant to the lien of this Indenture;

(v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Note Outstanding and materially and adversely affected thereby;

(vi) modify the definitions of the terms Outstanding, Class (except as permitted pursuant to Section 8.1(a)(xvii)), Controlling Class, Majority or Supermajority;

(vii) modify the definitions of the terms Priority of Distributions or Note Payment Sequence;

(viii) modify any of the provisions of this Indenture in such a manner as to directly affect the manner or procedure for the calculation of the amount of any payment of interest or principal on any Secured Note, or for determining any amount available for distribution to the Subordinated Notes or to affect the rights of the Holders of Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein; *provided* that this clause (viii) shall not apply to any amendments required to give effect to or in connection with the adoption of any Benchmark Amendment Replacement Conforming Changes;

(ix) amend any of the provisions of this Indenture relating to the institution of Proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Co-Issuers or any limited recourse or non-petition provisions; or

(x) modify the restrictions on and procedures for resales and other transfers of Notes (except as set forth in clause (vi), (xiii) or (xxxv) of Section 8.1(a)).

(b) The Trustee may conclusively rely on an Officer's certificate of the Portfolio Manager or an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion, including an Officer's certificate of the Portfolio Manager) as to whether the interests of any Class would be materially and adversely affected by the modifications set forth in any supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel or Officer's certificate; ~~*provided that if the Initial Majority Class A Noteholder provides written notice of objection to the Trustee within ten Business Days of notice of such supplemental indenture on the basis that the Initial Majority Class A Noteholder will be materially and adversely affected thereby (which objection shall include a written description of the basis for such determination), the consent of the Initial Majority Class A Noteholder shall be required prior to entering into such supplemental indenture.*~~ Such determination shall be conclusive and binding on all present and future holders of Notes. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Officer's certificate of the Portfolio Manager or an Opinion of Counsel delivered to the Trustee as set forth above or in Section 8.3 hereof.

Section 8.3. Execution of Supplemental Indentures.

(a) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.1 and Section 6.3) shall be fully protected in relying upon, an Opinion of Counsel to the effect that the execution of

such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(b) In the case of any supplemental indenture that requires the consent of Holders of a specified Class or permits Holders of a specified Class to object, not later than 15 Business Days (or five Business Days if in connection with a Reset Amendment, Refinancing, Re-Pricing or additional issuance of Notes) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding) a copy of such proposed supplemental indenture and shall request any required consent (as identified by the Issuer) from the applicable Holders to be given no later than three Business Days prior to the date indicated as the proposed execution date of such proposed supplemental indenture. In addition, notice of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2 (whether or not such supplemental indenture requires the consent of Holders of a specified Class or permits Holders of a specified Class to object) shall be posted on the Trustee's Website prior to execution thereof. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature, to complete or change dates, to correct typographical errors, to adjust formatting or to address Rating Agency criteria relating to the modifications in the proposed supplemental indenture or to implement changes that were described in a previously delivered draft of the supplemental indenture, then at the expense of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than two Business Days prior to the execution of such proposed supplemental indenture, the Trustee shall deliver to the Holders, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Secured Notes are Outstanding) a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. Notwithstanding anything to the contrary in this Indenture, notice of any supplemental indenture (including any revisions thereto) proposed to be entered into in connection with a Refinancing shall not be required to be delivered to the Holders of any Class to be redeemed pursuant to such Refinancing. Any consent given to a proposed supplemental indenture by a Holder shall be irrevocable and binding on all future Holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the required consent to any such proposed supplemental indenture is received from the applicable Holders prior to the end of the relevant notice period, the supplemental indenture may be executed prior to the end of such period. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture within the relevant notice period, on the first Business Day following such period, the Trustee shall provide consents received to the Issuer and the Portfolio Manager so that they may determine which Holders have consented to the proposed supplemental indenture and which Holders (and, to the extent such information is in the possession of the Trustee, which beneficial owners) have not consented to the proposed

supplemental indenture. Neither the Issuer nor the Trustee shall have any responsibility or liability for any failure or delay on the part of a Holder, including the beneficial owner of such Note, to provide written objection or written notice of its withdrawal of such consent in response to any notice set forth in this paragraph, including without limitation in respect of any reliance on such failure to object or withdraw a consent for purposes of any supplemental indenture. For the avoidance of doubt, the Incentive Management Fee Certificateholders shall have no right to consent to any supplemental indenture.

(c) The Trustee, at the expense of the Co-Issuers, shall deliver to the Rating Agency (so long as any Secured Notes are Outstanding) a copy of any proposed supplemental indenture prior to the execution thereof. Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Article VIII, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Portfolio Manager, and each Rating Agency a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

(d) It will not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it will be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act will approve the substance thereof.

(e) Any Class of Notes being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after such Refinancing. Any non-consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class.

(f) The Collateral Administrator shall not be bound to follow any amendment or supplement to this Indenture or Benchmark Replacement Conforming Changes unless it has received written notice of such amendment, supplement or changes and a copy of the amendment, supplement or changes from the Issuer or the Trustee (or, in respect of Benchmark Replacement Conforming Changes, the ~~Portfolio Manager~~ Designated Transaction Representative) prior to the execution thereof in accordance with the notice requirements of this Indenture (or, in respect of Benchmark Replacement Conforming Changes, prior to the effectiveness thereof ~~determined by the Portfolio Manager~~). The Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture or Benchmark Replacement Conforming Changes which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Administrator), or adversely change the economic consequences to, the Collateral Administrator, (ii) expand or restrict the Collateral Administrator's discretion or (iii) materially and adversely affect the Collateral Administrator, unless the Collateral Administrator consents in writing thereto.

(g) The Portfolio Manager will not be bound to follow any amendment or supplement to this Indenture or Benchmark Replacement Conforming Changes unless it has

consented in writing in advance thereof and unless it has received written notice of such amendment or supplement or changes and a copy of the amendment or supplement or changes from the Issuer or the Trustee (or in respect of Benchmark Replacement Conforming Changes, the ~~Portfolio Manager~~ Designated Transaction Representative) prior to the execution thereof in accordance with the notice requirements in this Article VIII (or, in respect Benchmark Replacement Conforming Changes, prior to the effectiveness thereof determined by the Portfolio Manager).

(h) Holders of Pari Passu Classes of Notes will vote together as a single Class in connection with any supplemental indenture, except that the holders of each Pari Passu Class will vote separately by Class with respect to any amendment or modification of this Indenture solely to the extent that such amendment or modification would by its terms directly affect the holders of any such Class exclusively and differently from any holders of other Pari Passu Classes (including, without limitation, any amendment that would reduce the amount of interest or principal payable on the applicable Class), as determined by the Portfolio Manager in its reasonable discretion.

(i) ~~(h)~~ Notwithstanding anything to the contrary in this Article VIII, Incentive Management Fee Certificateholders will not be required or entitled to consent to any supplemental indenture.

Section 8.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder theretofore and thereafter authenticated and delivered hereunder shall be bound thereby. For the avoidance of doubt, a supplemental indenture may be embodied in an amended and restated indenture, in which case, execution of such amended and restated indenture will constitute execution of a supplement indenture for all purposes under this Indenture.

Section 8.5. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6. Additional Provisions. Except for a supplemental indenture pursuant to Section 8.2(a)(ix), the Issuer and the Co-Issuer agree that they will not consent to or enter into any indenture supplemental hereto or any amendment to any other document related hereto that: (i) amends any provisions of this Indenture or any other agreement entered into by the Issuer or the Co-Issuer with respect to the transactions contemplated hereby relating to the institution of Proceedings for the Issuer or the Co-Issuer to be adjudicated as bankrupt or insolvent, or the consent by the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against it, or the filing with respect to the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar Applicable Law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or

to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer of any substantial part of its property, respectively; or (ii) amends any provision of this Indenture or such other document that provides that the obligations of the Co-Issuers are limited recourse obligations of the Co-Issuers payable solely from the Assets in accordance with the terms of this Indenture.

Section 8.7. Benchmark Amendments.

~~(a) Benchmark Replacement.—If the Portfolio Manager determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Alternative Reference Rate designated by the Portfolio Manager (with notice to the Issuer, the Trustee and the Calculation Agent) in accordance with the definition of "Benchmark" herein will replace the then-current Benchmark for all purposes relating to the transaction in respect of such determination on such date and all determinations on all subsequent dates. A supplemental indenture shall not be required in order to effect a Benchmark Amendment and a Benchmark Amendment will not be subject to any of the conditions to the entry into supplemental indentures set forth in this Indenture.~~

~~(b) Benchmark Replacement Conforming Changes.—In connection with the implementation of an Alternative Reference Rate, the Portfolio Manager will have the right to make Benchmark Replacement Conforming Changes from time to time and shall provide notice of such changes (and the effective date thereof) to the Issuer, the Trustee and the Collateral Administrator.~~

~~(c) Conditions; Notification.~~

~~(i) The replacement of the then-current Benchmark pursuant to clause (a) above and Benchmark Replacement Conforming Changes made pursuant to clause (b) above are referred to, individually or collectively (as the context requires), as a "Benchmark Amendment". A supplemental indenture shall not be required in order to effect a Benchmark Amendment and a Benchmark Amendment will not be subject to any of the conditions to the entry into supplemental indentures set forth in this Article VIII.~~

~~(ii) Not later than 10 Business Days prior to the adoption of any Benchmark Replacement Conforming Changes, the Issuer will deliver to the Trustee, the Holders, the Portfolio Manager, the Collateral Administrator, any Hedge Counterparty and the Rating Agency (so long as any Secured Notes are Outstanding) a copy of this Indenture conformed to reflect any Benchmark Amendment. Upon receipt of any proposed Benchmark Amendment from the Portfolio Manager, the Trustee shall promptly (and in any event within 2 Business Days) deliver such Benchmark Amendment to the Holders.~~

~~(iii) None of the Trustee, the Collateral Administrator nor the Calculation Agent shall be required to select an Alternative Reference Rate or determine whether any such rate constitutes a Benchmark Replacement, nor whether the~~

~~conditions to a Benchmark Amendment have been satisfied. The Trustee, the Collateral Administrator and the Calculation Agent shall be entitled to rely without independent investigation on notices received by them from the Portfolio Manager with respect to such matters and all related matters.~~

~~(d) Decisions and Determinations. Any determination, decision or election that may be made by the Portfolio Manager pursuant to this Section 8.7, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Portfolio Manager's sole discretion, and, notwithstanding anything to the contrary in the documentation relating to the securities, shall become effective without consent from any other party.~~

~~(e) Certain Defined Terms. As used in this Section 8.7 and in related terms:~~

~~"Alternative Reference Rate" means a replacement rate for the Benchmark that is: (1) if such Alternative Reference Rate is not the Benchmark Replacement (as determined by the Portfolio Manager with notice to the Issuer, the Trustee (who shall forward notice to the Holders of the Controlling Class and the Holders of the Subordinated Notes at the direction of the Portfolio Manager), the Collateral Administrator and the Calculation Agent), the rate proposed by the Portfolio Manager and consented to by a Majority of the Controlling Class and a Majority of the Subordinated Notes and (2) if such Alternative Reference Rate is the Benchmark Replacement (as determined by the Portfolio Manager with notice to the Issuer, the Trustee (who shall forward notice to the Holders of the Controlling Class and the Holders of the Subordinated Notes at the direction of the Portfolio Manager), the Collateral Administrator and the Calculation Agent), the rate proposed by the Portfolio Manager; *provided* that the Alternative Reference Rate for the Notes will be no less than zero. If at any time while any Notes are Outstanding, a Benchmark Transition Event and the related Benchmark Replacement Date has occurred (as determined by the Portfolio Manager) and the Portfolio Manager is unable to determine an Alternative Reference Rate in accordance with the foregoing, the Portfolio Manager shall direct (by notice to the Issuer, the Trustee and the Calculation Agent) that the Alternative Reference Rate with respect to the Notes shall equal the Fallback Rate.~~

~~"Asset Replacement Percentage" means, on any date of calculation, a fraction (expressed as a percentage) where the numerator is the outstanding principal balance of the assets that were indexed to the Benchmark Replacement for the Index Maturity as of such calculation date and the denominator is the outstanding principal balance of the assets as of such calculation date.~~

~~"Benchmark" means, initially, LIBOR; *provided* that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to LIBOR or the then current Benchmark and an Alternative Reference Rate has been adopted in accordance with the definition of "LIBOR", then "Benchmark" means the applicable Alternative Reference Rate.~~

~~Notwithstanding the foregoing, if at any time while any Floating Rate Note is outstanding, a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to then applicable Benchmark (as determined by the Portfolio Manager),~~

~~then the Portfolio Manager shall provide notice of such event to the Issuer, the Trustee and the Calculation Agent and shall cause the then applicable Benchmark to be replaced with an Alternative Reference Rate proposed by the Portfolio Manager pursuant to a Benchmark Amendment. If (1) such Alternative Reference Rate is not the Benchmark Replacement (as determined by the Portfolio Manager with notice to the Issuer, the Trustee (who shall forward notice to the Holders of the Controlling Class and the Holders of the Subordinated Notes at the direction of the Portfolio Manager) and the Calculation Agent), then the Alternative Reference Rate shall be the rate proposed by the Portfolio Manager and consented to by a Majority of the Controlling Class and a Majority of the Subordinated Notes and (2) such Alternative Reference Rate is the Benchmark Replacement (as determined by the Portfolio Manager with notice to the Issuer, the Trustee (who shall forward notice to the Holders of the Controlling Class and the Holders of the Subordinated Notes at the direction of the Portfolio Manager) and the Calculation Agent), then the Alternative Reference Rate shall be the rate proposed by the Portfolio Manager. If at any time while any Floating Rate Note is outstanding, the then applicable Benchmark ceases to exist or be reported and the Portfolio Manager is unable to determine an Alternative Reference Rate in accordance with the foregoing, the Portfolio Manager shall direct (by notice to the Issuer, the Trustee and the Calculation Agent) that "Benchmark" with respect to the Floating Rate Notes shall equal the Fallback Rate.~~

~~Notwithstanding the foregoing, if the then applicable Benchmark with respect to the Floating Rate Notes for any Interest Accrual Period as determined pursuant to the foregoing would be a rate less than zero, the then applicable Benchmark with respect to the Floating Rate Notes for such Interest Accrual Period shall be deemed to equal zero.~~

~~"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Portfolio Manager as of the Benchmark Replacement Date:~~

~~(1) the sum of: (a) Compounded SOFR and (b) the applicable Benchmark Replacement Adjustment; and~~

~~(2) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then current Benchmark for the Index Maturity and (b) the Benchmark Replacement Adjustment;~~

~~If a Benchmark Replacement is selected pursuant to clause (2) above, then on the first day the Portfolio Manager determines that a redetermination of the Benchmark Replacement on such date would result in the selection of a Benchmark Replacement under clause (1) above, then (x) the Benchmark Replacement Adjustment shall be redetermined on such date utilizing the Unadjusted Benchmark Replacement corresponding to the Benchmark Replacement under clause (1) above and (y) such redetermined Benchmark Replacement (as notified by the Portfolio Manager to the Issuer, the Trustee and the Collateral Administrator) shall become the Benchmark on each Determination Date on or after such date. If redetermination of the Benchmark Replacement on such date as described in the preceding sentence would not result in the selection of a Benchmark Replacement under clause (1), then the Benchmark shall remain the Benchmark Replacement as previously determined pursuant to clause (2) above.~~

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Portfolio Manager as of the Benchmark Replacement Date:

~~(1) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement; and~~

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption. If a Coverage Test or, during the Reinvestment Period, the Reinvestment Overcollateralization Test, is not met on any Determination Date on which such test is applicable, the Issuer shall (or, in the case of the Reinvestment Overcollateralization Test, may) apply available amounts in the Payment Account on the related Distribution Date to make payments as required pursuant to the Priority of Distributions to the extent necessary to achieve compliance with such test (a "Mandatory Redemption").

The Incentive Management Fee Certificates shall be subject to mandatory redemption in whole ~~(without payment)~~ following two Business Days' prior notice to the Trustee and the Collateral Administrator from Elmwood Asset Management LLC (or any Affiliate thereof) of its election to receive the Incentive Management Fee rather than payments be made on the Incentive Management Fee Certificates (the "Incentive Management Fee Option"). The Incentive Management Fee Option (i) may only be exercised once and upon such election the Incentive Management Fee Certificates shall be mandatorily redeemed and cancelled and payments or accruals in favor of Elmwood Asset Management LLC on the Incentive Management Fee Certificates shall be deemed to have been payments or accruals of the Incentive Management Fee, as if Elmwood Asset Management LLC had been entitled to the Incentive Management Fee from and after the Closing Date ~~(provided, that no prior Monthly Reports or Distribution Reports shall be required to be retroactively modified to address such deemed payments or accruals)~~ and (ii) may not be exercised between the Determination Date and a related Distribution Date.

Section 9.2. Optional Redemption or Redemption Following a Tax Event.

(a) The Secured Notes shall be redeemed, in whole but not in part, by the Co-Issuers (i) on any Business Day after the occurrence of a Tax Event at the written direction of (1) subject to the consent of a Majority of the Subordinated Notes, a Majority of any Affected Class or (2) a Majority of the Subordinated Notes, from the proceeds of the liquidation of the Assets or (ii) on any Business Day after the end of the Non-Call Period, at the written direction of (1) a Majority of the Subordinated Notes or the Portfolio Manager (so long as a Majority of the Subordinated Notes has not objected to such direction within 10 Business Days of notice thereof) from the proceeds of the liquidation of the Assets and/or Refinancing Proceeds or (2) the Portfolio Manager from the proceeds of the liquidation of the Assets (if the Collateral Principal Amount as of the date of such direction by the Portfolio Manager is less than 20% of the Aggregate Ramp-Up Par Amount) (any such redemption, an "Optional Redemption"). Any such written direction must be delivered, at least 14 Business Days prior to the proposed Redemption Date (or such shorter period as agreed to between the Trustee and the Portfolio Manager), to the Issuer, the Trustee and the Portfolio Manager. In the case of a direction given by the Portfolio Manager, the Issuer (or the Trustee on its behalf) shall notify the holders of the Subordinated

Notes of receipt of such direction. In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Price.

(b) In connection with any Optional Redemption of the Secured Notes, the Portfolio Manager shall (unless the Redemption Price of all of the Secured Notes shall be paid solely with Refinancing Proceeds or other funds available for such purpose) direct the sale of all or part of the Collateral Obligations and other Assets in an amount sufficient for the Disposition Proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account (including any Refinancing Proceeds, if applicable) to pay the Redemption Price of all of the Secured Notes and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and other amounts, fees and expenses payable or distributable under the Priority of Distributions (including, without limitation, any amounts due to the Hedge Counterparties or the Portfolio Manager) prior to any distributions with respect to the Subordinated Notes. If such Disposition Proceeds, any Refinancing Proceeds, if applicable, and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem the Secured Notes subject to redemption and to pay such fees and expenses, the Secured Notes will not be redeemed. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment of the Secured Notes in full, at the direction of a Majority of the Subordinated Notes or the Portfolio Manager (so long as a Majority of the Subordinated Notes has not objected to such direction within 10 Business Days of notice thereof), and the Subordinated Notes shall be redeemed in whole in the case of an Optional Redemption in connection with a Tax Event.

In connection with any Optional Redemption (other than an Optional Redemption utilizing Refinancing Proceeds), the Portfolio Manager shall have the right (but not the obligation), with the consent of a Majority of the Subordinated Notes, to purchase any Assets sold in connection therewith at Market Value. The Portfolio Manager is under no obligation to consider any holders of Notes in making its bid and the price at which the Assets are purchased by the Portfolio Manager may be at a price that is less than what would have been received from other bidders in a formal sale process and any such shortfall will be borne by the Holders of the Subordinated Notes.

The Incentive Management Fee Certificates will not be subject to redemption, but will be cancelled on the applicable Redemption Date upon the maturity and final payment on the ~~Secured Notes and Subordinated~~ Notes. The Incentive Management Fee Certificateholders shall surrender the Incentive Management Fee Certificates on the Redemption Date or the Stated Maturity Date, and upon such surrender the Trustee shall cancel the Incentive Management Fee Certificates.

(c) In connection with any Optional Redemption of the Secured Notes on or after the end of the Non-Call Period, the Issuer may, at the written direction of (a) a Majority of the Subordinated Notes or (b) the Portfolio Manager (so long as a Majority of the Subordinated

Notes has not objected to such direction within 10 Business Days of notice thereof) enter into a loan or loans or effect an issuance of replacement notes ("Refinancing Replacement Notes" and together with any such loan or loans, "Refinancing Obligations"), the terms of which Refinancing Obligations will be negotiated by the Portfolio Manager on behalf of the Issuer, from one or more financial institutions or purchasers, and the Refinancing Proceeds thereof shall be applied to pay the Redemption Price of the Secured Notes on the Redemption Date (any such redemption with Refinancing Proceeds, a "Refinancing"); *provided* that, (i) any agreements related to the Refinancing must contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d), (ii) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and a Majority of the Subordinated Notes and (iii) such Refinancing otherwise satisfies the conditions set forth in Section 9.2(d).

In connection with a Refinancing pursuant to which all Classes of Secured Notes are being refinanced, the Portfolio Manager may, in its sole discretion, subject to the consent of a Majority of the Subordinated Notes but without the consent of any other person, including any other Holder, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date (the amount so designated, "Designated Excess Par"). Notice of any such designation will be provided to the Trustee (with copies to the Rating Agencies) no later than the related Determination Date.

If the Redemption Date in connection with a Refinancing is not a Scheduled Distribution Date, Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date together with Available Redemption Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use and amounts on deposit in the Expense Reserve Account to redeem the Secured Notes being refinanced and, together with funds in the Ongoing Expense Smoothing Account, to pay any related Administrative Expenses; provided that, to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay expenses in connection with the Refinancing, such Refinancing Proceeds will be treated as Principal Proceeds or Interest Proceeds, as directed by the Portfolio Manager.

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager or the Trustee for any failure to effect a Refinancing. In the event that a Refinancing is completed, meeting the requirements specified above as certified by the Portfolio Manager, the Co-Issuers and the Trustee (as directed by the Issuer) will amend this Indenture to the extent necessary to reflect the terms of the Refinancing, and no further consent for such amendments will be required from the Holders of any Class, other than a Majority of the Subordinated Notes.

(d) Notwithstanding anything to the contrary set forth herein, the Issuer shall not sell any Collateral Obligations or obtain a Refinancing in connection with an Optional Redemption unless (i) the Refinancing Proceeds, all Disposition Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets and all other available funds in the Accounts shall be at least sufficient to redeem simultaneously the Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Price and all

accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing (other than such Administrative Expenses that the Portfolio Manager reasonably believes will be paid by the second Distribution Date following such Redemption Date with amounts available in accordance with the Priority of Distributions prior to the distributions to the Holders of Subordinated Notes) and (ii) the Disposition Proceeds, Refinancing Proceeds and other funds available for such purpose are used to the extent necessary to make such redemption.

(e) Notwithstanding anything to the contrary set forth herein, the Secured Notes shall not be redeemed pursuant to an Optional Redemption unless (i) in the case of any Optional Redemption which is funded, in whole or in part, from Disposition Proceeds from the sale of Collateral Obligations, Eligible Investments and other Assets, at least five Business Days before the scheduled Redemption Date the Portfolio Manager shall have certified to the Trustee that the Issuer has entered into a binding agreement or agreements with (x) a financial or other institution or institutions or (y) one or more special purpose entities meeting all then-current Rating Agency bankruptcy remoteness criteria to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date all or part of the Collateral Obligations and/or the Hedge Agreements, in immediately available funds, at a purchase price at least equal to an amount sufficient, together with the Eligible Investments maturing, redeemable (or puttable to the issuer thereof at par) on or prior to the scheduled Redemption Date, any payments to be received in respect of the Hedge Agreements, any Refinancing Proceeds and all other available funds in the Accounts, to pay Administrative Expenses (regardless of the Administrative Expense Cap) and all applicable amounts payable or distributable in accordance with the Priority of Distributions and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Price, or (ii) prior to entering into any Refinancing (other than a Refinancing in connection with a Partial Redemption or a Refinancing where the Redemption Date is not a Scheduled Distribution Date) or selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Trustee in an Officer's certificate upon which the Trustee can conclusively rely that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and all other available funds in the Accounts (including from the sale of Eligible Investments), (B) any Refinancing Proceeds and (C) for each Collateral Obligation, its Market Value shall exceed the sum of the aggregate Redemption Prices of the Outstanding Secured Notes to be redeemed and all applicable amounts payable or distributable (including all Administrative Expenses without regard to the Administrative Expense Cap) under the Priority of Distributions prior to any distributions with respect to the Subordinated Notes. Notwithstanding the foregoing, in the event one or more Classes of Secured Notes has consented to a delay of the Redemption Date for such Class or Classes of Secured Notes in accordance with the definition of Redemption Date, any such certification described above in respect of the expected proceeds or sufficient proceeds to be available on the related Redemption Date may address only the Classes of Secured Notes then being redeemed (and any amounts payable prior thereto under the Priority of Distributions), provided that the Portfolio Manager certifies that sufficient proceeds are expected to be received or otherwise available to redeem all of the Classes of Secured Notes in full and to pay all applicable amounts payable or distributable (including all Administrative Expenses without regard to the

Administrative Expense Cap) under the Priority of Distributions prior to any distributions with respect to the Subordinated Notes, in each case no later than the latest Redemption Date scheduled for a Class of Secured Notes.

Section 9.3. Partial Redemption.

(a) Upon written direction of (i) a Majority of the Subordinated Notes delivered to the Co-Issuers and the Trustee or (ii) the Portfolio Manager (so long as a Majority of the Subordinated Notes has not objected to such direction within 10 Business Days of notice thereof) delivered to the Issuer, the Trustee and the Holders of Subordinated Notes, in each case delivered not later than 10 Business Days prior to the proposed Partial Redemption Date (unless a shorter time period is acceptable to the Issuer, the Trustee and the Portfolio Manager), the Issuer shall redeem one or more Classes of Secured Notes following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and Available Redemption Interest Proceeds in a Partial Redemption; *provided* that, the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions set forth in the following paragraph. In the case of a direction given by the Portfolio Manager, the Issuer (or the Trustee on its behalf) shall notify the holders of the Subordinated Notes of receipt of such direction.

The Issuer shall effect a Refinancing in connection with a Partial Redemption only if:

(i) (A)(x) in the case of a Refinancing of any Class of Floating Rate Notes, (1) the spread over the Benchmark with respect to the Refinancing Obligations providing the Refinancing Proceeds to redeem any such Class of Floating Rate Notes does not exceed the spread over the Benchmark of such Class of Floating Rate Notes being redeemed or (2) the weighted average spread over the Benchmark of all the Refinancing Obligations does not exceed the weighted average spread over the Benchmark of such Classes of Floating Rate Notes being redeemed; ~~provided that if more than one Class of Secured Notes are subject to a Refinancing~~ a Class of Floating Rate Notes may be refinanced in whole or in part with a Class of Fixed Rate Notes as long as the interest rate applicable to such Fixed Rate Notes is equal to or lower than the Benchmark plus the spread applicable to such Floating Rate Notes being refinanced; provided further that if the Benchmark component of the Interest Rate with respect to the Refinancing Obligations is different than the Benchmark component of the Interest Rate of such Class of Floating Rate Notes, the spread over the Benchmark ~~or the fixed interest rate, as applicable~~, of the Refinancing Obligations may be greater than the spread over the Benchmark ~~or the fixed interest rate, as applicable~~, for such Class of Secured Notes subject to Refinancing so long as (I) the weighted average spread (based on the aggregate principal amount of each Class of Secured Notes subject to Refinancing) of the spread over the Benchmark ~~and the fixed interest rate~~ of the Refinancing Obligations shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over the Benchmark ~~and the fixed interest rate~~ with respect to all Classes of Secured Notes subject to such Refinancing and (II) the S&P Rating Condition is satisfied with respect to the Secured

Notes not subject to such Refinancing; and (y) in the case of a Refinancing of any Class of Fixed Rate Notes, the interest rate with respect to the Refinancing Obligations providing the Refinancing Proceeds to redeem any such Class of Fixed Rate Notes does not exceed the stated interest rate of such Class of Notes being redeemed; provided, that a Class of Fixed Rate Notes may be refinanced in whole or in part with a Class of Floating Rate Notes as long as the Benchmark plus the spread applicable to such Floating Rate Notes is equal to or lower than the interest rate applicable to such Fixed Rate Notes being refinanced and (B) the aggregate principal amount of the Refinancing Obligations is equal to the aggregate principal amount of the Class or Classes of Secured Notes being redeemed with the proceeds of such Refinancing Obligations; provided that, with respect to this clause (B), the aggregate principal amount of Refinancing Obligations senior in priority to any Junior Class not subject to redemption may not be greater than the corresponding aggregate principal amount of the Secured Notes senior in priority to such Junior Class that are being redeemed in connection with such Refinancing;

(ii) on such Partial Redemption Date, the sum of (A) the Refinancing Proceeds, (B) amounts on deposit in the Permitted Use Account designated for such use, (C) any amount on deposit in the Expense Reserve Account and (D) the Available Redemption Interest Proceeds will be at least equal to the amount required to pay the Redemption Price with respect to the Classes of Secured Notes to be redeemed and such amounts, together with funds in the Ongoing Expense Smoothing Account, will be sufficient to pay all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) incurred in connection with such Refinancing, including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing (other than such Administrative Expenses that the Portfolio Manager reasonably believes will be paid by the second Distribution Date following such Partial Redemption Date with amounts available in accordance with the Priority of Distributions prior to the distributions to the Holders of Subordinated Notes);

(iii) any agreements relating to the Refinancing (other than this Indenture) contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d);

(iv) the Issuer has provided notice to each Rating Agency with respect to such Partial Redemption;

(v) any Refinancing Replacement Notes created pursuant to the Partial Redemption must have the same or longer Stated Maturity as the Notes Outstanding prior to such Refinancing;

(vi) such Refinancing is effected only with Refinancing Proceeds, amounts on deposit in the Permitted Use Account designated for such use, amounts on deposit in the Expense Reserve Account and Available Redemption Interest Proceeds (and, in the case of payment of Administrative Expenses, amounts on deposit in the Ongoing Expense Smoothing Account) and not the sale of any Assets;

(vii) the Refinancing Obligations are subject to the Priority of Distributions and do not rank higher in priority pursuant to the Priority of Distributions than the corresponding Class of Secured Notes being refinanced; and

(viii) the voting rights and consent rights of the Refinancing Obligations are the same as the rights of the corresponding Class of Secured Notes being refinanced.

(b) **On any Partial Redemption Date that is not a Scheduled Distribution Date**, Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Partial Redemption Date together with Available Redemption Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use and amounts on deposit in the Expense Reserve Account to redeem the Secured Notes being refinanced and, together with funds in the Ongoing Expense Smoothing Account, any related Administrative Expenses; *provided* that, to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay expenses in connection with the Refinancing, such Refinancing Proceeds will be treated as Principal Proceeds or Interest Proceeds, as directed by the Portfolio Manager in its sole discretion.

(c) The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager or the Trustee for any failure to effect a Refinancing in connection with a Partial Redemption. In the event that a Refinancing is completed, meeting the requirements specified above as certified by the Portfolio Manager, the Co-Issuers and the Trustee (as directed by the Issuer) will amend this Indenture to the extent necessary to reflect the terms of the Refinancing, and no further consent for such amendments will be required from the Holders of any Class, other than a Majority of the Subordinated Notes.

Section 9.4. Redemption Procedures.

(a) In respect of an Optional Redemption or a Partial Redemption, upon the written direction of the Holders of the Subordinated Notes or the Portfolio Manager (as applicable) required in this Article IX (which direction must designate the date or approximate date of such Optional Redemption or Partial Redemption), a notice of any Optional Redemption or Partial Redemption shall be given by the Issuer (or the Trustee on its behalf) not later than five Business Days prior to the applicable Redemption Date to each Holder of Notes to be redeemed and each Rating Agency. Certificated Notes called for redemption must be surrendered at the office designated in the notice of redemption.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(iv) in the case of a Partial Redemption, the Classes of Secured Notes to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Redemption Date specified in the notice;

(v) the place or places where Certificated Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Certificated Notes are to be surrendered for payment of the Redemption Price, which shall be at the Corporate Trust Office or the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

The Applicable Issuers (as directed by the Portfolio Manager) will have the option to withdraw or amend (including to amend the Redemption Date (pursuant to the definition thereof) for one or more Classes of Secured Notes with the consent of the Holders of the Classes of Secured Notes as described in such definition) any such notice of redemption or postpone the applicable Redemption Date, in each case relating to a proposed Optional Redemption or Partial Redemption, as long as notice of such withdrawal or postponement has been provided to the Holders and each Rating Agency not later than the Business Day before the scheduled Redemption Date. With respect to such withdrawal or amendment, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Portfolio Manager on its behalf) and shall have no liability for any delay or failure on the part of the Issuer, the Portfolio Manager, DTC or a Holder (or beneficial owner) in taking actions necessary in connection therewith or for any delay or failure in the redemption of a Class of Secured Notes.

(c) If the Co-Issuers are otherwise unable to complete any redemption of the Notes in accordance with this Article IX, the Co-Issuers shall provide notice to the Trustee and, upon receipt by the Trustee of such notice, the Trustee shall provide notice to the Holders. Upon delivery of the foregoing notices, the redemption will be cancelled (or, if applicable, postponed) without any further action.

(d) If the Co-Issuers so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Secured Notes, (i) the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, at the Portfolio Manager's sole discretion, be reinvested in accordance with the Investment Criteria or Post-Reinvestment Period Criteria (as applicable), and (ii) a notice of such withdrawal shall be promptly delivered to each Rating Agency.

(e) Notice of redemption (including, without limitation, in respect of a delayed Redemption Date as described in the definition of Redemption Date) shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any

Notes selected for redemption shall not impair or affect the validity of the redemption of any such Notes.

(f) In the event that a scheduled redemption of the Secured Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then the Issuer (or the Portfolio Manager on its behalf) shall notify the Trustee of the occurrence of such event and, thereafter, upon notice from the Issuer to each Rating Agency and the Trustee (and upon receipt by the Trustee of such notice, notice from the Trustee to the Holders) that sufficient funds are now available to complete such redemption, such Secured Notes may be redeemed using such funds on any Business Day (as identified by the Issuer to the Trustee) prior to the first Distribution Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date. Interest on the Notes will accrue to but excluding such new Redemption Date. If such redemption does not occur prior to the first Distribution Date after the original scheduled redemption date, such redemption will be cancelled without further action. A Redemption Settlement Delay or the failure to effect a redemption on a scheduled redemption date will not be an Event of Default.

Section 9.5. Notes Payable on Redemption Date.

(a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Sections 9.2(d) and (e) in the case of an Optional Redemption and the right of the Co-Issuers and of the Holders of Subordinated Notes to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Certificated Note to be so redeemed, the Holder shall present and surrender such Certificated Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided however* that, if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Certificated Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(b) Payments on Notes so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(d).

(c) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Secured

Note remains Outstanding; *provided* that, the reason for such non-payment is not the fault of such Holder.

Section 9.6. Special Redemption. The Secured Notes shall be redeemed in part by the Co-Issuers in accordance with the Priority of Distributions on any Distribution Date during the Reinvestment Period at the direction of the Portfolio Manager, if the Portfolio Manager in its sole discretion notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 30 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and which would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Principal Collection Account that are to be invested in additional Collateral Obligations (a "Special Redemption"). On the first Distribution Date following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Collection Account representing Principal Proceeds which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, a "Special Redemption Amount") shall be applied in accordance with the Priority of Principal Proceeds. Notice of payments pursuant to this Section 9.6 shall be given by the Trustee as soon as reasonably practicable, but in any case not less than three Business Days prior to the applicable Special Redemption Date (*provided* that, such notice shall not be required in connection with a Special Redemption pursuant to clause (b) of the definition of such term if the Special Redemption Amount is not known on or prior to such date) to each Holder of Secured Notes affected thereby and to each Rating Agency.

Section 9.7. Re-Pricing of Notes.

~~(a)~~ (a) On any Business Day after the Non-Call Period, at the written direction of (b) a Majority of the Subordinated Notes ~~(with the consent of the Portfolio Manager) or~~ (c) the Portfolio Manager ~~(with the consent of~~ so long as a Majority of the Subordinated Notes has (x) not objected to such direction within 5 Business Days of notice thereof or (y) otherwise consented to such direction), the Applicable Issuers shall reduce the spread over the Benchmark (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to one or more Repriceable Classes (such reduction with respect to any such Repriceable Class, a "Re-Pricing" and any Repriceable Class to be subject to a Re-Pricing, a "Re-Priced Class"); *provided* that, the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Repriceable Class other than the interest rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary" "Remarketing Agent") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes (such written approval not to be unreasonably withheld, conditioned or delayed) and such Re-Pricing Intermediary Remarketing Agent shall assist the Issuer in effecting the Re-Pricing. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with the following paragraph, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection

with the issuance of Re-Pricing Replacement Notes, in each case at the respective Redemption Price, in accordance with this Indenture.

Each Holder, by its acceptance of an interest in Notes of a Repriceable Class, agrees that (i) its Notes ~~may~~will be subject to Mandatory Tender and transfer as set forth in subsections (b) through (d) below and agrees to cooperate with the Issuer, the ~~Re-Pricing Intermediary~~Remarketing Agent (if any) and the Trustee to effect such Mandatory Tenders and transfers and (ii) its Notes may be redeemed in a Re-Pricing Redemption.

(b) At least ~~10~~14 Business Days prior to the Business Day fixed by the Portfolio Manager and a Majority of the Subordinated Notes for any proposed Re-Pricing (the date on which such Re-Pricing occurs, the "Re-Pricing Date"), the Issuer or the ~~Re-Pricing Intermediary~~Remarketing Agent on its behalf ~~of the Issuer~~, shall deliver a notice (~~the "Proposed Re-Pricing Notice"~~) ~~through the facilities of DTC~~ (with a copy to the Portfolio Manager, the Trustee and the Rating Agency) through the facilities of DTC and, if applicable, in accordance with the immediately succeeding sentence (such notice, the "Re-Pricing, Mandatory Tender and Election to Retain Announcement") to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or ~~approximate spread range~~range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Benchmark (or, in the case of Fixed Rate Notes, the revised ~~stated~~fixed interest rate (or ~~approximate stated interest rate range, which in either case may also be expressed as a spread or spread range over the~~the range of fixed interest rates, as applicable ~~forward swaps rate~~) to be applied with respect to such Class (~~such interest rate or approximate interest rate ranges,~~ the "Re-Pricing Rate"), (ii) request each Holder of the ~~Re-Priced~~Re-Priced Class to ~~specify~~communicate through the facilities of DTC whether such Holder (~~x~~) approves the proposed Re-Pricing and (~~y~~) elects to retain the Notes of the Re-Priced Class held by such Holder (an "Election to Retain"), ~~and~~which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements"), (iii) specify the applicable ~~Re-Pricing Mandatory Tender~~Redemption Price at which Notes of any Holder of the ~~Re-Priced~~Re-Priced Class that does not ~~deliver an Election to Retain~~approve the Re-Pricing may (~~x~~) be subject to mandatory tender and transfer ~~in accordance with DTC's procedures with respect to mandatory tenders (a~~ pursuant to the immediately succeeding paragraphs (a "Mandatory Tender")) or (~~y~~) be redeemed in a Re-Pricing Redemption with Re-Pricing Proceeds and (iv) state the period for which the holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; provided, that the Issuer at the direction of the Portfolio Manager may extend the Re-Pricing Date at any time up to the Business Day prior to the scheduled Re-Pricing Date. To the extent any Certificated Notes of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain Announcement is delivered to the holders of Global Notes through the facilities of DTC, the Trustee (at the direction of the Issuer) shall make available such Re-Pricing, Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Portfolio Manager on behalf of the Issuer) to the holders of such Certificated Notes on the Trustee's website. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of

any Re-Priced Class shall not impair or affect the validity of the Re-Pricing ~~of the Notes of any other Holder~~ or give rise to any claim ~~by any other Holder~~ based upon such failure or defect. Any Holder of the Re-Priced Class that does not approve the Re-Pricing will be a “Non-Consenting Holder” and any Holder of the Re-Priced Class that does approve the Re-Pricing will be a “Consenting Holder.”

~~(c) In the event any Holder of the Re-Priced Class does not deliver an Election to Retain to DTC (in accordance with its procedures) and the Re-Pricing Intermediary (in a form and within a timeframe acceptable to the Re-Pricing Intermediary), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes of the Re-Priced Class at the Re-Pricing Mandatory Tender Price, in each case without further notice to the non-consenting Holders thereof. If DTC fails to receive a consenting Holder's Election to Retain, it may treat such Holder as a non-consenting Holder, notwithstanding that the Re-Pricing Intermediary may have been informed of such Holder's intention to consent. All Mandatory Tenders of Notes to be effected pursuant to this clause (c) shall be made at an amount equal to such Notes' *pro rata* share of the Re-Pricing Mandatory Tender Price, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. Each Holder of a Re-Pricing Eligible Note, by its acceptance of an interest in such Notes, agrees that it will tender and transfer its Notes in accordance with this Section 9.7 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any), the Portfolio Manager and the Trustee to effect such Mandatory Tender. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Portfolio Manager not later than one Business Day prior to the proposed Re-Pricing Date confirming that the Issuer (or the Re-Pricing Intermediary) expects to have sufficient funds for the Mandatory Tender and transfer of all Notes of the Re-Priced Class held by non-consenting Holders. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer of less than all Notes of a Re-Priced Class, a Re-Pricing may be effected, at the option of the Issuer (or the Portfolio Manager on the Issuer's behalf), by a Mandatory Tender and transfer of all Notes of such Re-Priced Class.~~

(c) Prior to the Issuer (or Trustee, upon Issuer Order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Portfolio Manager and the Remarketing Agent, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

(d) At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include

the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Distribution Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. The Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a Scheduled Distribution Date (or the Issuer (or the Portfolio Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a Scheduled Distribution Date), the Re-Pricing Date must be a Business Day that coincides with a Distribution Date.

(e) If the Issuer, the Portfolio Manager and the Remarketing Agent, if any, have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the Portfolio Manager or the Remarketing Agent on behalf of the Issuer, if any, shall deliver written notice thereof to the Consenting Holders of the Re-Priced Class (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders), specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such Non-Consenting Holders, and shall request each such Consenting Holder to provide written notice to the Issuer, the Trustee, the Portfolio Manager and the Remarketing Agent (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the Non-Consenting Holders (each such notice, an “Exercise Notice”) within five Business Days of receipt of such notice.

In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes held by Non-Consenting Holders to the Holders delivering Exercise Notices, sell Re-Pricing Replacement Notes to the Holders delivering Exercise Notices or conduct a Re-Pricing Redemption of Non-Consenting Holders’ Notes with Re-Pricing Proceeds, in each case without further notice to the Non-Consenting Holders thereof. Mandatory Tenders of Notes of the Re-Priced Class held by Non-Consenting Holders and sales of Re-Pricing Replacement Notes, in each case on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, will be *pro rata* (subject to the applicable minimum denomination requirements and DTC procedures) based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices.

~~(d)~~ In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Remarketing Agent on behalf of the Issuer, may cause the Mandatory Tender and transfer of such Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto or the Issuer may redeem such Notes with Re-Pricing Proceeds. Any excess Notes of the Re-Priced Class held by Non-Consenting Holders may be subject to Mandatory Tender and transferred to one or more transferees designated by the Issuer or the Remarketing Agent on behalf of the Issuer or redeemed with Re-Pricing Proceeds. All Mandatory Tenders and transfers and redemptions of Notes to be effected as ~~described~~set forth in this Section 9.7: ~~(i) will~~ shall be made at the ~~Re-Pricing Mandatory Tender~~Redemption Price with respect to such Notes, and ~~(ii) will~~shall be effected only if the related Re-Pricing is effected in accordance with the provisions ~~of this Indenture and hereof and, in the case of a Mandatory Tender,~~ in accordance with ~~DTC's procedures with respect to mandatory tenders~~the Operational Arrangements. Unless the Issuer (or the Portfolio Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by ~~consenting~~Consenting Holders for which an Election to Retain has been ~~delivered~~exercised and (ii) the Notes held by ~~non-consenting~~Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the ~~Re-Pricing Intermediary~~Remarketing Agent on behalf of the Issuer in connection with such Mandatory Tender.

(f) ~~(e)~~ The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee (at the direction of the Issuer) shall have entered into a supplemental indenture dated as of the Re-Pricing Date solely to (x) modify the spread over the Benchmark (or, in the case of any Fixed Rate Notes, the fixed interest rate) applicable to the Re-Priced Class and/or (y) extend the Non-Call Period for the Re-Priced Class;

(ii) confirmation has been received that all Notes of the Re-Priced Class held by ~~non-consenting~~Non-Consenting Holders have been subject to Mandatory Tender and transferred or redeemed pursuant to clause (c) above;

(iii) ~~each~~the Rating Agency has been notified of such Re-Pricing; ~~and~~

(iv) expenses related to the Re-Pricing will be paid from available funds, including Available Redemption Interest Proceeds, amounts on deposit in the Permitted Use Account designated for such use, amounts on deposit in the Expense Reserve Account and funds in the Ongoing Expense Smoothing Account, on the Re-Pricing Date or, if the Re-Pricing Date is not on a Distribution Date, the next Distribution Date, unless such expenses shall have been paid or shall be adequately provided for by any entity other than the Issuer. The fees of the ~~Re-Pricing Intermediary~~Remarketing Agent

payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing; and

(v) the Trustee shall have received an officer's certificate from the Issuer certifying that the conditions to such Re-Pricing have been satisfied.

The Issuer, or the Remarketing Agent on behalf of the Issuer, shall deliver written notice to the Trustee and the Portfolio Manager not later than three Business Days prior to the proposed Re-Pricing Date confirming that the Issuer (or the Remarketing Agent) expects to have sufficient funds for the purchase or the redemption of all Notes of the Re-Priced Class held by Non-Consenting Holders.

Any notice of a ~~Re-Pricing~~ Re-Pricing may be withdrawn, ~~or the scheduled Re-Pricing Date postponed (without requiring a new Proposed Re-Pricing Notice), at the written direction of~~ by the Portfolio Manager ~~on or prior to the~~ at least three Business ~~Day~~ Days prior to the scheduled ~~Re-Pricing~~ Re-Pricing Date by written notice to the Issuer and the Trustee for any reason. Any notice of Re-Pricing will be automatically withdrawn by the Issuer if there are insufficient funds to complete a related Re-Pricing Redemption. Upon receipt of such notice of withdrawal ~~or postponement~~, the Trustee (at the direction of the Issuer) shall send such notice to the Holders of ~~the Re-Priced~~ each Re-Priced Class and the Rating ~~Agencies~~ Agency.

The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee and certifying that such Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with in order to effect a Re-Pricing in accordance with this ~~Section 9.7~~ Section 9.7.

In connection with a Re-Pricing, the Non-Call Period for the Re-Priced Class may be extended at the direction of the Portfolio Manager prior to such Re-Pricing pursuant to a supplemental indenture entered into in accordance with Article VIII.

The Portfolio Manager or a Majority of the Subordinated Notes may waive any notice period requirement set forth in this ~~Section 9.7~~ Section 9.7 with respect to any notice required to be given to it.

In effecting a Re-Pricing, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Portfolio Manager on its behalf) and shall have no liability for any delay or failure on the part of the Issuer, DTC or a Holder (or beneficial owner) in taking actions necessary in connection therewith.

The Subordinated Note Principal Collection Account and the Secured Note Principal Collection Account are referred to collectively as the "Principal Collection Account," the Subordinated Note Interest Collection Account and the Secured Note Interest Collection Account are referred to collectively as the "Interest Collection Account," and the Principal Collection Account together with the Interest Collection Account are collectively referred to as the "Collection Account." The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.6(a), immediately upon receipt thereof (i) any funds in the Reserve Account deemed by the Portfolio Manager in its sole discretion to be Interest Proceeds pursuant to Section 10.3(e) and (ii) all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII) received by the Trustee. The Trustee shall deposit immediately upon receipt thereof (i) Principal Proceeds in respect of Subordinated Note Collateral Obligations or Margin Stock credited to the Subordinated Note Custodial Account into the Subordinated Note Principal Collection Account as directed by the Portfolio Manager and (ii) all other amounts remitted to the Collection Account into the Secured Note Principal Collection Account, including in addition to the deposits required pursuant to Section 10.6(a), (i) any funds in the Reserve Account deemed by the Portfolio Manager in its sole discretion to be Principal Proceeds pursuant to Section 10.3(e), (ii) all Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments) received by the Trustee, and (iii) all other funds received by the Trustee. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify or cause the Issuer to be notified and the Issuer shall use its commercially reasonable efforts to, within five Business Days of receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction to a Person which is not the Portfolio Manager or an Affiliate of the Issuer or the Portfolio Manager and deposit the proceeds thereof in the Collection Account; *provided however* that, the Issuer (i) need not sell such

(c) At any time when reinvestment is permitted pursuant to Article XII, the Trustee shall withdraw Principal Proceeds on deposit in the subaccount of the Principal Collection Account designated by the Portfolio Manager in its sole discretion (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII; *provided* that, amounts deposited in the Principal Collection Account may not be used to purchase Margin Stock or for any other purpose that would constitute the Issuer's extending "purpose credit" (as defined in Regulation U). At any time, the Portfolio Manager on behalf of the Issuer may direct the Trustee to, and the Trustee shall, withdraw Principal Proceeds on deposit in the subaccount of the Principal Collection Account designated by the Portfolio Manager and use such funds to meet funding the Issuer's requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Interest Collection Account or the Principal Collection Account on any Business Day during any Interest Accrual Period (or any portion thereof, in the case of the first Interest Accrual Period after the Second Refinancing Date) (i) together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use", any amount required to exercise a warrant or right to acquire securities or obligations held in the Assets ~~or to purchase a Specified Equity Security~~ (excluding Workout Instruments as provided under clause (iii) below), which right was received by the Issuer in connection with the insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or the obligor thereof; (ii) together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use", any amount required to exercise a right to acquire loan assets (excluding Workout Instruments as provided in clause (iii) below), which right was received by the Issuer in connection with the insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or the obligor thereof, (iii) amounts permitted to be used for the purchase of a Workout Instrument in accordance with Section 12.5 of this Indenture or (iv) any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); *provided* that the aggregate Administrative Expenses paid as described in this paragraph during any Collection Period shall not exceed the Administrative Expense Cap for the related Distribution Date; *provided further* that, (A) Principal Proceeds would be used to exercise any such warrant or right to acquire securities or obligations or loan assets pursuant to clauses (i) or (ii) above, as determined by the Portfolio Manager (w) the anticipated Sale Proceeds from the sale of the Equity Security or loan asset

received in connection with the exercise of such warrant or right will at least equal the amount of Principal Proceeds used to exercise such warrant or right, (x) the aggregate amount of Principal Proceeds used for such purposes pursuant to clauses (i) and (ii) (other than with respect to the acquisition of any Uptier Priming Debt) since the ~~First~~Second Refinancing Date shall not exceed 3.0% of the Aggregate Ramp-Up Par Amount, (y) each of the Overcollateralization Ratio Tests shall be satisfied after giving effect to such application of Principal Proceeds and (z) after application of such Principal Proceeds, the sum of (I) the Collateral Principal Amount and (II) for each Defaulted Obligation owned by the Issuer for less than three years, the S&P Collateral Value thereof will be greater than or equal to the Reinvestment Target Par Balance and (B) if Interest Proceeds would be used to exercise any such warrant or right to acquire securities or obligations or loan assets pursuant to clauses (i) or (ii) above, (x) such application will not cause a deferral of interest on any Class of Secured Notes on the next succeeding Distribution Date, as determined by the Portfolio Manager in its reasonable ~~discretion; provided further that, if Principal Proceeds would be used to acquire a Workout Security, prior to the distribution of such Principal Proceeds, the Portfolio Manager shall determine that the condition set forth in clause (z) above shall be met after~~judgment and (y) each of the Overcollateralization Ratio Tests shall be satisfied after giving effect to such application of such ~~Principal~~Interest Proceeds. In addition, the Portfolio Manager on behalf of the Issuer may direct the Trustee to withdraw funds on deposit in the Principal Collection Account representing Principal Proceeds and deposit such funds in the Revolver Funding Account to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations. Principal Proceeds will be withdrawn from the Subordinated Note Principal Collection Account pursuant to this paragraph only if the Collateral Obligation with respect to which the warrant was received by the Issuer was a Subordinated Note Collateral Obligation. Subject to the ~~First~~Second Refinancing Date Interest Transfer Restriction, no later than the ~~first~~second Determination Date after the ~~First~~Second Refinancing Date, the Portfolio Manager may direct the Trustee to transfer an amount from the Principal Collection Account on any Business Day to the Interest Collection Account as Interest Proceeds as designated by the Portfolio Manager in its sole discretion.

(e) The Portfolio Manager on behalf of the Issuer may by Issuer Order (which direction shall be deemed to have been provided upon delivery of a Distribution Report) direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer to the Payment Account as applicable, from the Collection Account, for application pursuant to the Priority of Distributions, on or not later than the Business Day preceding each Distribution Date, the amount set forth to be so transferred in the Distribution Report for such Distribution Date.

The Issuer is required to provide to the Bank, in its capacity as Trustee (i) an IRS Form W-8BEN-E no later than the date hereof, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation at such time or times required by Applicable Law or upon the reasonable request of the Trustee as may be necessary (a) to reduce or eliminate the imposition of U.S. withholding taxes and (b) to permit the Trustee to ~~fulfill~~fulfil its tax reporting obligations under Applicable Law with respect to the Accounts or any amounts

paid to the Issuer or an Issuer Subsidiary, as applicable (including an IRS Form W-8BEN-E, in the case of the Issuer and any non-U.S. Issuer Subsidiary and an IR Form W-9 in the case of any U.S. Issuer Subsidiary, or applicable successor forms). The Issuer is further required to report to the Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Trustee, shall have no liability to the Issuer or any other person in connection with any ~~tax~~-withholding tax amounts paid, or retained for payment, to a Governmental Authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E in the case of the Issuer and any non-U.S. Issuer Subsidiary and an IRS Form W-9 in the case of any U.S. Issuer Subsidiary, or such other documentation contemplated under this paragraph. (a) Payment Account. The Trustee shall, on or prior to the Closing Date, establish at the Custodian a segregated ~~trust~~-account, which shall be designated as the "Payment Account," which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in the Priority of Distributions, the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable or distributable on the Notes in accordance with their terms and the provisions of this Indenture and to pay Administrative Expenses and other amounts specified herein, each in accordance with the Priority of Distributions. with the Securities Account Control Agreement. In connection with any purchase of an additional Collateral Obligation, the Trustee shall apply amounts held in the Ramp-Up Account as provided by Section 7.17(b). Upon the occurrence of an Event of Default, the Trustee shall deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of that occurrence) into the Collection Account as Principal Proceeds. Subject to the Second Refinancing Date Interest Transfer Restriction, no later than the second Determination Date after the Second Refinancing Date, any amounts remaining in the Ramp-Up Account (excluding any proceeds that are required to settle binding commitments entered into prior to the date of transfer) will be transferred by the Trustee at the direction of the Portfolio Manager into the Collection Account as Interest Proceeds or Principal Proceeds as designated by the Portfolio Manager in its sole discretion. Any income earned on amounts deposited in the Ramp-Up Account shall be deposited in the Collection Account as Interest Proceeds.

In the event that the Portfolio Manager rescinds any election to defer any such Management Fees by delivering written notice thereof to the Issuer, the Collateral Administrator and the Trustee not later than the Determination Date immediately preceding the related Distribution Date (or such later time and date as may be consented to by the Trustee and the Collateral Administrator), such deferred Management Fees shall be payable on such Distribution Date (and, if necessary, subsequent Distribution Dates) in accordance with the Priority of Distributions. For the avoidance of doubt, (i) any Base Management Fees or Incentive Management Fees that are deferred and (ii) any Subordinated Management Fees that are deferred at the election of the Portfolio Manager shall, in each case, not accrue interest.

Section 11.2. Expense Disbursements on Dates other than Distribution Dates. Provided that, no Event of Default has occurred and is continuing, the Portfolio Manager, on behalf of the Issuer, may direct the Trustee to disburse Interest Proceeds in the Collection Account or the Expense Reserve Account, from time to time on dates other than Distribution Dates for payment of the Administrative Expenses described in clause (A) of the Priority of Interest Proceeds and payable in the same order of priority (subject to the Administrative Expense Cap); *provided* that, the Trustee shall be entitled (but not required) without liability on its part, to refrain from making any such payment of an Administrative Expense on any day other than a Distribution Date if it determines the payment of such amounts may leave insufficient funds available to pay in full each of the items payable prior thereto in the Priority of Interest Proceeds on the next succeeding Distribution Date.

Section 11.3. Contributions.

(a) At any time during or after the Reinvestment Period, (i) with the consent of the Portfolio Manager and a Majority of the Subordinated Notes, any holder of Subordinated Notes may make a contribution of ~~cash~~Cash to the Issuer, (ii) with the consent of the Portfolio Manager and a Majority of the Subordinated Notes, any holder of Subordinated Notes may make a contribution of other property to the Issuer and/or (iii) with no less than two Business Days' (or such shorter period agreed to by the Issuer and the Trustee) notice to the Issuer and the Trustee, a Majority of the Subordinated Notes, with the consent of the Portfolio Manager, may designate as a contribution to the Issuer any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed to the Subordinated Notes in accordance with the Priority of Distributions (any of the foregoing, a "Contribution"); provided, that, ~~each Contribution must~~shall be in an aggregate amount ~~equal to~~of at least ~~\$1,000,000~~500,000 (counting all Contributions made on the same day as a single Contribution for this purpose) except with respect to a Contribution expected to be applied to purchase a Workout Instrument or a Restructured Obligation; provided further that any Contribution described in clause (ii) shall (as determined by the Portfolio Manager on behalf of the Issuer) comply with the Tax Guidelines or Tax Advice to the effect that such action will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis; In connection with the making of a Contribution described above, the related holder of Subordinated Notes shall provide the Issuer, the Portfolio Manager and the Trustee with a Contribution Notice, which notice will be required to include the wiring instructions, contact

information and any other information requested by the Issuer or the Trustee as necessary for the repayment of such Contribution pursuant to the Priority of Distributions.

(b) At the direction of a Majority of the Subordinated Notes, the Trustee shall, within one Business Day of the Trustee having received written notice that the Portfolio Manager and a Majority of the Subordinated Notes has consented to such Contribution, notify the remaining Holders of the Subordinated Notes of its receipt thereof, extend to the other Holders of Subordinated Notes the opportunity to participate in the related Contribution in proportion to their then-current ownership of Subordinated Notes. Such notice shall be delivered in the form of Exhibit F hereto. **In the case of a participation in a Contribution of property as described in clause (a)(ii) above, the amount for which a Holder may elect to participate in such Contribution will be determined on the basis of the value of such property as determined by the Portfolio Manager.** Any Holder of existing Subordinated Notes that has not, within five Business Days (the "Contribution Participation Option Period") after delivery of such notice of a Contribution from the Trustee, elected to participate in such Contribution by delivery of a notice in the form of Exhibit E hereto (a "Contribution Participation Notice") in respect thereof to the Issuer (with a copy to the Portfolio Manager) and the Trustee shall be deemed to have irrevocably declined to participate in such Contribution. The Trustee shall not accept any Contribution until after the expiration of the Contribution Participation Option Period. Within one Business Day of the end of the Contribution Participation Option Period, the Trustee will provide notice, in form of Exhibit G hereto, to each Contributor of the amount of such Contribution owed by such Contributor, and such Contributor will be required to deliver funds to the Trustee (with notice to the Issuer, the Portfolio Manager and a Majority of the Subordinated Notes) to be received by the Trustee with a Contribution Notice, which notice will be required to include the wiring instructions, contact information and any other information requested by the Issuer or the Trustee as necessary for the repayment of such Contribution pursuant to the Priority of Distributions.

Contributions shall be received into the Permitted Use Account and applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use as directed by the Contributor (with the consent of a Majority of the Subordinated Notes) at the time such Contribution is made (or, if no direction is given by the Contributor, at the Portfolio Manager's reasonable discretion (so long as a Majority of the Subordinated Notes has not objected to such application within 10 Business Days of notice thereof)).

(c) Any income earned on amounts deposited in the Permitted Use Account shall be deposited in the Permitted Use Account. No Contribution or portion thereof will be permitted to be returned to the Contributor at any time (other than by operation of the Priority of Distributions). Contributions of ~~cash~~**Cash** shall be repaid to the Contributor (in accordance with the payment instructions provided to the Trustee by each Contributor) on the first Distribution Date or Distribution Dates on which funds in respect thereof are available in accordance with the Priority of Distributions, together with a specified rate of return as consented to by the Holders of 100% of the Aggregate Outstanding Amount of the Subordinated Notes and the Portfolio Manager, with notice to the Issuer, the Collateral Administrator and the Trustee delivered no later than the related Determination Date (such applicable amount inclusive of the Contribution, the "Contribution Repayment Amount"); *provided* that, for the avoidance of doubt, if a specified rate of return is not consented to by the Holders of 100% of the Aggregate Outstanding Amount

of the Subordinated Notes and the Portfolio Manager, such Contribution shall not bear a rate of return.

The repayment of any Contribution to any Holder of Subordinated Notes will not be deemed to be, or required to be reported as, a payment of principal, interest or other amount on the Subordinated Notes or otherwise.

In connection with any Contribution, the Trustee may require any information reasonably necessary for the payment of a Contribution Repayment Amount, including without limitation each applicable Contributor's name, address, tax identification number, formation documents (if applicable) and other information required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations.

For the avoidance of doubt, Holders shall not have any voting rights with respect to any Contribution Repayment Amount owed, and Contributions shall not increase the voting rights of the Notes held by any Holder.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3; *provided* that, no Event of Default has occurred and is continuing (except for sales pursuant to Section 12.1(a), (c), (d), (g), (h) or (i), unless liquidation of the Assets has begun or the Trustee has exercised any remedies of a Secured Party pursuant to Section 5.4(a)(iv) at the direction of a Majority of the Controlling Class), the Portfolio Manager on behalf of the Issuer may in writing direct the Trustee to sell and the Trustee (on behalf of the Issuer) shall sell in the manner directed by the Portfolio Manager any Collateral Obligation, Equity Security or ~~Specified Equity~~Workout Security if, as certified by the Portfolio Manager, to the best of its knowledge (which certification shall be deemed to have been given upon delivery of a direction to sell or a trade ticket to the Trustee and the Collateral Administrator by the Portfolio Manager), such sale meets the requirements of any one of paragraphs (a) through (i) of this Section 12.1. For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time during or after the Reinvestment Period without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time during or after the Reinvestment Period without restriction.

(c) Defaulted Obligations, ~~First Refinancing Date Defaulted Restructured Obligations, Restructured Loans~~ and Workout Instruments. The Portfolio Manager may direct the Trustee to sell any Defaulted Obligation, ~~First Refinancing Date Defaulted Restructured Obligation, Restructured Loan~~ or Workout Instrument at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security or Workout Security, or any Issuer Subsidiary Asset held by an Issuer Subsidiary at any time during or after the Reinvestment Period without restriction.

(e) Stated Maturity; Optional Redemption or Redemption following a Tax Event. After the Issuer has notified the Trustee of an Optional Redemption of the Secured Notes in whole (unless such Optional Redemption is funded solely with Refinancing Proceeds and other funds available for such purpose), a redemption of the Secured Notes in connection with a Tax Event, a redemption of the Subordinated Notes in accordance with Section 9.2 or otherwise in connection with the Stated Maturity, the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.2(e)) are satisfied. If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months of the sale.

(f) Discretionary Sales. The Portfolio Manager may sell any Collateral Obligation at any time (other than Credit Risk Obligations, Credit Improved Obligations, Defaulted Obligations, Equity Securities and ~~Specified Equity~~Workout Securities, each of which may be sold at any time without restriction pursuant to this Section 12.1) (each such sale, a "Discretionary Sale"), if (i) after giving effect to such Discretionary Sale, the Aggregate Principal Balance of all Discretionary Sales during the same calendar year is not greater than 25% of the Collateral Principal Amount as of the beginning of such calendar year (or, in the case of the year ~~2019~~2024, the Aggregate Ramp-Up Par Amount) and (ii) either (A) at any time (1) the sale proceeds from such Discretionary Sale are at least sufficient to maintain or increase the Adjusted Collateral Principal Amount (as measured immediately before such sale) or (2) after giving effect to such Discretionary Sale, the Principal Balance of the Collateral Obligations (excluding the Collateral Obligation being sold) and Eligible Investments constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such proposed sale) shall be greater than or equal to the Reinvestment Target Par Balance; or (B) during the Reinvestment Period, the Portfolio Manager reasonably believes it will be able to reinvest such sale proceeds in compliance with the Investment Criteria; *provided* that, in respect of any such Discretionary Sale after the Reinvestment Period, the sale proceeds shall be greater than or equal to the principal balance of the relevant Collateral Obligation which is the subject of the Discretionary Sale.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are pari passu or senior to such sold Collateral Obligations) occurring within 45 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such

Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be pari passu or senior to such sold Collateral Obligation).

(g) Mandatory Sales. The Portfolio Manager shall use commercially reasonable efforts to sell each Equity Security or Collateral Obligation that constitutes Margin Stock not later than 45 ~~days~~Business Days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Equity Security or Collateral Obligation became Margin Stock, unless, in each case, such sale is prohibited by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law; *provided* that if such Equity Security is a ~~Specified Equity~~Workout Security, this paragraph shall not apply thereto.

The Portfolio Manager, on behalf of the Issuer, (i) may, on the Closing Date or at the time of purchase (or receipt), designate certain Collateral Obligations as Subordinated Note Collateral Obligations; *provided* that the amount of Collateral Obligations so designated (measured by the Issuer's acquisition cost (including accrued interest)) shall not exceed the Subordinated Note Reinvestment Ceiling and (ii) shall not, after the Closing Date, purchase any Subordinated Note Collateral Obligations with any funds other than funds in the Subordinated Note Principal Collection Account. If a Collateral Obligation that has not been designated as a Subordinated Note Collateral Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Obligation that was not designated as a Subordinated Note Collateral Obligation (each, "Transferable Margin Stock"), the Portfolio Manager, on behalf of the Issuer, may direct the Trustee to (i) transfer one or more Subordinated Note Collateral Obligations having a value equal to or greater than such Transferable Margin Stock to the Secured Note Custodial Account, and simultaneously (ii) transfer such Transferable Margin Stock to the Subordinated Note Custodial Account; *provided* that to the extent that any Transferable Margin Stock is not transferred to the Subordinated Note Custodial Account ("Non-Transferred Margin Stock"), such Non-Transferred Margin Stock must be sold in accordance with clause (g)(y) above. The value of each transferred Collateral Obligation shall be its Market Value.

(h) Unsalable Assets. If the Assets consist exclusively of Unsalable Assets or at any time after the Reinvestment Period:

(i) at the direction and sole discretion of the Portfolio Manager, the Trustee, at the expense of the Issuer, may (A) conduct an auction of Unsalable Assets in accordance with the procedures set forth in clause (ii) below or (B) if the Portfolio Manager certifies to the Trustee that in its commercially reasonable judgment an auction of Unsalable Assets as set forth in clause (ii) below would be unduly burdensome or significantly increase costs to the Issuer and/or the Portfolio Manager, offer to deliver (at no cost) the Unsalable Asset to the Portfolio Manager; *provided* that, if the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(ii) promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders (and, for so long as any Notes rated by S&P ~~or Fitch~~ are Outstanding, S&P ~~or Fitch~~, ~~as applicable~~) of an auction,

setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Holder and offer to deliver (at no cost to the Holders or the Trustee) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee no later than the date specified in such notice, subject to Authorized Denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Portfolio Manager shall identify and the Trustee shall distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager shall select by lottery the Holder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Holders will not operate to reduce the principal amount of any Notes held by such Holders; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee shall promptly notify the Portfolio Manager and offer to deliver (at no cost to the Trustee) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(i) Notwithstanding anything contained herein to the contrary, the Issuer may cause any Issuer Subsidiary Asset or the Issuer's interest therein to be transferred to an Issuer Subsidiary in exchange for an interest in such Issuer Subsidiary.

Following the sale of any Credit Improved Obligation during the Reinvestment Period, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations within 60 Business Days of the settlement date of such Collateral Obligation.

Section 12.2. Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period or after the Reinvestment Period, the Portfolio Manager, on behalf of the Issuer, may, but shall not be required to, direct the Trustee to invest Principal Proceeds and Interest Proceeds (solely to the extent used to pay for accrued interest on such additional Collateral Obligations) in additional Collateral Obligations, and the Trustee shall invest such proceeds, if, as certified by the Portfolio Manager, to the best of its knowledge (which certification shall be deemed to have been given upon delivery of a direction to purchase or a trade-ticket to the Trustee and the Collateral Administrator by the Portfolio Manager), each of

the conditions specified in this Section 12.2 and Section 12.3 is satisfied; *provided* that, with respect to the purchase of any Collateral Obligations the settlement date for which the Portfolio Manager reasonably expects will occur after the end of the Reinvestment Period, such Collateral Obligations will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

With respect to the purchase of any Collateral Obligation the settlement date for which the Portfolio Manager reasonably expects will occur after the end of the Reinvestment Period, to the extent such Collateral Obligation would be purchased using Principal Proceeds consisting of Scheduled Distributions of principal, only that portion of such Principal Proceeds that the Portfolio Manager reasonably expects will be received prior to the end of the Reinvestment Period may be used to effect such purchase, and such Collateral Obligation will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, ~~cash~~ Cash on deposit in the Principal Collection Account as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

~~Notwithstanding anything in this Indenture to the contrary, as a condition to any purchase of an additional Collateral Obligation (as determined by the Portfolio Manager), if the balance in the Principal Collection Account after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds, is a negative amount, the absolute value of such amount may not be greater than (x) during the period from the First Refinancing Date to the first Distribution Date following the end of the Reinvestment Period, 3.0% and (y) at any time thereafter, 0%, of the Adjusted Collateral Principal Amount as of the Measurement Date immediately preceding the trade date for such purchase. In no event will the Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Account, and the Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Account.~~

Notwithstanding anything to the contrary herein, the acquisition of ~~Specified Equity Securities~~, Restructured ~~Loans~~ Obligations or Workout Instruments shall not be required to satisfy any of the Investment Criteria.

(a) Investment Criteria. On any date during the Reinvestment Period, no Collateral Obligation may be purchased unless the Portfolio Manager reasonably believes each of the following conditions are satisfied as of the date it commits on behalf of the Issuer to make such purchase or on the date of such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; *provided* that, prior

to the Effective Date, the conditions set forth in clauses (iii) through (v) below need not be satisfied (the "Investment Criteria"):

(i) such obligation is a Collateral Obligation;

(ii) such obligation is not by its terms convertible into or exchangeable for Equity Securities, or attached with a warrant to purchase Equity Securities;

(iii) each Coverage Test shall be satisfied, or if not satisfied, such Coverage Test shall be maintained or improved; *provided* that, to the extent that any Coverage Test is not satisfied, any amounts received with respect to Defaulted Obligations may not be reinvested until such Coverage Test is satisfied;

(iv) the Reinvestment Balance Criteria will be satisfied; and

(v) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved (*provided* that, the S&P CDO Monitor Test does not need to be satisfied, maintained or improved with respect to any additional Collateral Obligations purchased with Sale Proceeds from the sale or other disposition of a Credit Risk Obligation ~~or~~, Defaulted Obligation, Workout Instrument or Restructured Obligation);

provided that, (x) clauses (iii) through (v) above need not be satisfied with respect to one single reinvestment if they are satisfied on an aggregate basis in connection with an Aggregated Reinvestment and (y) clauses (i) and (iii) and the Collateral Quality Test in clause (v) above need not be satisfied with respect to any Defaulted Obligation acquired in an Exchange Transaction.

Notwithstanding anything to the contrary herein, the acquisition of Restructured Obligations or Workout Instruments will not be required to satisfy any of the Investment Criteria.

(b) Exchange Transactions; Permitted Uses. At any time during or after the Reinvestment Period, the Portfolio Manager in its sole discretion may direct the Issuer (or, if necessary, the Trustee) to enter into an Exchange Transaction or apply (i) the Supplemental Reserve Amount, (ii) as directed by the Portfolio Manager in its sole discretion, amounts in the Permitted Use Account, (iii) as determined by the Portfolio Manager, any amounts in respect of Management Fees waived by the Portfolio Manager in accordance with the Portfolio Management Agreement or (iv) Additional Junior Notes Proceeds to one or more Permitted Uses at the direction of the Portfolio Manager in its sole discretion.

(c) Investment after the Reinvestment Period. After the Reinvestment Period, Eligible Post-Reinvestment Proceeds may be reinvested in additional Collateral Obligations in accordance with the requirements set forth below (the "Post-Reinvestment Period Criteria").

After the Reinvestment Period, so long as no Event of Default has occurred and is continuing, the Portfolio Manager may, but shall not be required to, invest Principal Proceeds (i)

that are Sale Proceeds with respect to Credit Risk Obligations or (ii) that are Unscheduled Principal Payments ("Eligible Post-Reinvestment Proceeds"), in each case by the later of (a) 45 Business Days and (b) the Determination Date occurring after receipt of such Principal Proceeds; *provided* that, the Portfolio Manager may not reinvest such Principal Proceeds unless the Portfolio Manager believes, in its commercially reasonable judgment, that after giving effect to any such reinvestment:

(i) ~~(1)~~ each of the Minimum Floating Spread Test, the Weighted Average Life Test, the Weighted Average Rating Factor Test and the S&P Minimum Weighted Average Recovery Rate Test shall be satisfied or, if not satisfied, shall be maintained or improved ~~and (2) the Weighted Average Rating Factor Test shall be satisfied;~~

(ii) (1) each ~~Overcollateralization Ratio~~ Coverage Test shall be satisfied and (2) each requirement of the Concentration Limitations shall be satisfied or, if any such ~~requirement~~ Concentration Limitation was not satisfied immediately prior to such reinvestment, such requirement shall be maintained or improved;

(iii) other than in connection with an Uptier Priming Transaction, no Restricted Trading Period is then in effect;

(iv) the Stated Maturity of each additional Collateral Obligation acquired shall be equal to or earlier than the Stated Maturity of the corresponding prepaid or disposed Collateral Obligation at the time of disposition of such Collateral Obligation;

(v) unless the Effective Date Overcollateralization Test is satisfied, the Reinvestment Balance Criteria shall be satisfied;

(vi) the additional Collateral Obligations purchased shall have the same or higher S&P Ratings (as compared using S&P Weighted Average Rating Factors) as the disposed Collateral Obligations or the S&P CDO Monitor SDR shall be maintained or improved; and

(vii) each additional purchased asset is a Collateral Obligation;

provided further that, the criteria in this Section 12.2(c) need not be satisfied with respect to (i) one single reinvestment if such criteria are satisfied on an aggregate basis in connection with an Aggregated Reinvestment or (ii) any obligation acquired in an Exchange Transaction.

(d) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(e) Other than in the case of a bankruptcy, workout or restructuring of a Collateral Obligation (including the purchase of a ~~Specified Equity~~ Workout Security) or Equity Security previously received, the Portfolio Manager on behalf of the Issuer shall not accept any

Offer if the asset received pursuant thereto does not satisfy the definition of "Collateral Obligation."

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions.

(a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager, shall be effected in accordance with the requirements of Section 5 of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, *provided* that, the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee. The Portfolio Manager (on behalf of the Issuer) shall deliver to the Trustee, not later than the date fixed by the Issuer for the delivery of the related Collateral Obligation to be pledged to the Trustee, an Authorized Officer's certificate of the Issuer certifying compliance with the provisions of this Article (which certificate shall be deemed to have been provided upon delivery of an Issuer Order in respect of such acquisition).

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (provided in the case of a purchase of a Collateral Obligation, such purchase complies with the applicable requirements of the Portfolio Management Agreement (including the Tax Guidelines or in the alternative, Tax Advice ~~permitting deviations therefrom~~that, under the relevant facts and circumstances with respect to such transaction, the Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, or otherwise to be subject to U.S. federal income tax on a net basis)) (x) that has been consented to by a Supermajority of the Aggregate Outstanding Amount of each Class of Notes and (y) of which the Trustee and each Rating Agency has been notified.

Section 12.4. Restrictions on Maturity Amendments. The Issuer (or the Portfolio Manager on its behalf) may not consent to a Maturity Amendment unless, after giving effect to any relevant Aggregated Reinvestment, (i) such Maturity Amendment would not cause such Collateral Obligation to mature after the earliest Stated Maturity of the Secured Notes and (ii) either (a) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment or (b) if the Weighted Average Life Test was not satisfied prior to such Maturity Amendment, the level of compliance with the test will be maintained or improved; *provided* that clause (ii) above is not required to be satisfied if (A) either (x) such Maturity Amendment is a Credit Amendment or a Restructuring Amendment, (y) the Issuer receives the consent of a Majority of the Controlling Class to such Maturity Amendment or (z) the Portfolio Manager intends to use commercially reasonable efforts to sell the amended Collateral Obligation within 30 Business Days of the Maturity Amendment or the Restructuring Amendment becoming effective; *provided* that, if such amended Collateral Obligation has not

been sold within such 30 Business Day period, such Collateral Obligation shall be treated as a Defaulted Obligation for all purposes hereunder and (B) the Aggregate Principal Balance of Collateral Obligations that satisfy clause (ii) due to the application of clause (x) above (I) on an aggregate basis since the ~~First~~Second Refinancing Date does not exceed 10.0% of the Aggregate Ramp-Up Par Amount, and (II) held by the Issuer as of the applicable date of determination does not exceed ~~7.5~~5.0% of the Collateral Principal Amount. For the avoidance of doubt, the Issuer will not be in violation of the restrictions in this paragraph if the maturity of such Collateral Obligation is extended without meeting the requirements of clause (i) or (ii) above so long as the Issuer (or the Portfolio Manager on behalf of the Issuer) did not consent to such amendment. Notwithstanding the foregoing, the Issuer or the Portfolio Manager may vote for a Maturity Amendment with respect to a Collateral Obligation (A) that it has already sold (either in whole or in part) if the sale has not settled, at the direction of the buyer (*provided*, that if such trade fails to settle, the Issuer will only retain such Collateral Obligation after the effective date of the amendment if the requirements set forth above are satisfied) or (B) if the Portfolio Manager or the Issuer receives notice from the trustee or agent for such Collateral Obligation that lenders or debtholders, as the case may be, that constitute the required lenders or debtholders, as the case may be, for approval of such amendment, waiver or supplement have already consented (or are expected to consent) thereto, the Issuer (or the Portfolio Manager on its behalf) may consent to such Maturity Amendment if a fee, additional interest or other consideration will be paid by the obligor only to the consenting lenders.

Section 12.5. Purchases of Workout Instruments. Notwithstanding any other requirement set forth in this Indenture (other than ~~certain tax-related~~the requirements of Section 7.16(l) and (m)), Principal Proceeds or Interest Proceeds may be invested in Workout Instruments; provided that (i) if the Workout Instrument is a ~~loan~~debt obligation, such ~~loan~~debt obligation is senior or *pari passu* in right of payment to the corresponding Collateral Obligation already held by the Issuer, (ii) after giving effect to such investment, the Overcollateralization Ratio Tests will be satisfied, ~~or if not satisfied, will be maintained or improved,~~ (iii) (iii) if Principal Proceeds are used, (a) after giving effect to such investment, the Collateral Principal Amount will be at least equal to the Reinvestment Target Par Balance and (iv) (x) for each calendar year, no more than the aggregate amount of Principal Proceeds (other than Principal Proceeds applied to the acquisition of Uptier Priming Debt) applied in accordance with this paragraph may not exceed 1.0% of the Collateral Principal Amount (determined as of the first Business Day of such calendar year) may be and (y) the aggregate amount of Principal Proceeds (other than Principal Proceeds applied to the acquisition of Uptier Priming Debt) applied in accordance with this paragraph; may not exceed 5.0% of the Collateral Principal Amount measured cumulatively since the Second Refinancing Date and (iv) if Interest Proceeds are used, such application will not cause a deferral of interest on any Class of Secured Notes on the next succeeding Distribution Date, as determined by the Portfolio Manager in its reasonable judgment; provided further that, for the purposes of clause (iii) above, (x) any Defaulted Obligation shall be deemed to have a Principal Balance equal to its S&P Collateral Value and (y) solely in the case of the purchase of a Workout Obligation, the Reinvestment Target Par Balance shall be reduced by ~~\$4,000,000~~1.0% of the Aggregate Ramp-Up Par Amount. Notwithstanding anything to the contrary herein, a Workout ~~Loan~~Obligation shall be treated as a Defaulted Obligation until it subsequently satisfies the definition of "Collateral Obligation." For the avoidance of doubt and notwithstanding

anything in this Indenture to the contrary, Workout Instruments may be sold at any time without restriction, ~~and Sale Proceeds of Workout Instruments shall be treated as Principal Proceeds.~~

ARTICLE XIII

HOLDERS' RELATIONS

Section 13.1. Subordination.

(a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Junior Class agree for the benefit of the Holders of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate to the Notes of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture. On any Post-Acceleration Distribution Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to the Post-Acceleration Priority of Proceeds in full in Cash or, solely in the case of a Post-Acceleration Distribution Date, to the extent 100% of Holders of the most senior Class and a Majority of each other Class of Secured Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in the Post-Acceleration Priority of Proceeds. For the avoidance of doubt, each Class of Secured Notes shall constitute a Priority Class with respect to the Incentive Management Fee Certificates and the Incentive Management Fee Certificates shall be subordinated to the Secured Notes as set in the Priority of Distributions.

(b) On or after a Post-Acceleration Distribution Date or on the Stated Maturity, in the event that notwithstanding the provisions of this Indenture, any Holder of any Junior Class shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of each Priority Class with respect thereto shall have been paid in full in Cash or, solely in the case of a Post-Acceleration Distribution Date, to the extent a Majority of each Class of Secured Notes consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Classes in accordance with this Indenture; *provided however* that, if any such payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of a Junior Class shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided however* that, after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class.

(d) The Holders of each Class agree, for the benefit of all Holders of each Class, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of the Notes and not before one year (or if longer, the applicable preference period then in effect) plus one day has elapsed since such payment.

Section 13.2. Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. Information Regarding Holders. With respect to a Certifying Person, the Trustee will, upon request of the Portfolio Manager or the Issuer, unless such Certifying Person instructs the Trustee otherwise, share the identity of such Certifying Person with the Portfolio Manager or the Issuer, respectively. Upon the request of the Portfolio Manager or the Issuer, the Trustee will request a list from DTC of participants holding positions in the Notes and will provide such list to the Portfolio Manager or the Issuer.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Portfolio Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information

with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is *provided* that, the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(e) With respect to any vote, each Holder or proxy will be entitled to one vote for each U.S. \$1.00 principal amount of the interest in a Note as to which it is the Holder or proxy; *provided* that, no vote will be counted in respect of any Note challenged as not Outstanding and ruled by the Registrar to be not Outstanding.

(f) Notwithstanding anything herein to the contrary, a holder of a beneficial interest in a Global Note will have the right to receive access to reports on the Trustee's Website and will be entitled to exercise rights to vote, give consents and directions which holders of the related Class of Notes are entitled to give under this Indenture upon delivery of a beneficial ownership certificate in a form acceptable to the Trustee which certifies (i) that such Person is a beneficial owner of an interest in a Global Note, and (ii) the amount and Class of Notes so owned; *provided* that, nothing shall prevent the Trustee from requesting additional information and documentation with respect to any such beneficial owner; *provided further* that the Trustee shall be entitled to conclusively rely on the accuracy and the currency of each beneficial ownership certificate and shall have no liability for relying thereon.

(g) Notwithstanding any other provision of this Indenture or in any of the other Transaction Documents to the contrary, the Incentive Management Fee Certificateholders will not be entitled to make or give any vote, request, demand, authorization, direction, notice, consent, waiver or ~~other~~ similar action (whether as a Class or otherwise) and will not constitute part of any Majority or Supermajority of the Notes.

From and after the occurrence and continuance of an Event of Default, the Portfolio Manager shall continue to perform and be bound by the provisions of the Portfolio Management Agreement and this Indenture. The Trustee shall be entitled to rely and be protected in relying upon all actions and omissions to act of the Portfolio Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, or increase, impair or alter the rights and obligations of the Portfolio Manager under the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Distributions and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably specify.

(f) The Issuer hereby agrees that the Issuer shall not enter into any agreement amending, modifying or terminating the Portfolio Management Agreement except in accordance with the terms of the Portfolio Management Agreement.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1. Hedge Agreements.

(a) The Issuer may enter into Hedge Agreements negotiated by the Portfolio Manager from time to time on and after the Closing Date solely for the purpose of managing interest rate risks in connection with the Issuer's issuance of, and making payments on, the Notes. The Issuer shall promptly provide notice of entry into any Hedge Agreement to the Trustee and provide a copy of each Hedge Agreement to the Trustee and each Rating Agency. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Portfolio Manager on behalf of the Issuer) shall not enter into any Hedge Agreement unless:

(i) the ~~Global~~S&P Rating ~~Agency~~ Condition has been satisfied with respect thereto. Each Hedge Counterparty will be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the S&P Rating Condition is satisfied or credit support is provided as set forth in the Hedge Agreement; and

(ii) the Issuer has obtained a written opinion of Milbank LLP or Paul Hastings LLP or a written opinion of counsel of other nationally recognized counsel experienced in such matters that either:

(A) the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the CEA, or

(B) if the Issuer would be a commodity pool, (1) the Portfolio Manager and no other party would be the commodity pool operator and commodity trading adviser of the Issuer, and (2) with respect to the Issuer as a commodity pool, the Portfolio Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading adviser and all conditions precedent to obtaining such an exemption have been satisfied; and

~~(iii) unless the Permitted Securities Condition is satisfied, the Issuer has obtained a written opinion of counsel to the effect that the Issuer entering into such Hedge Agreement shall not, in and of itself, cause the Issuer to become a "covered fund" under the Volcker Rule; and~~

(iii) ~~(iv)~~ the written terms of such Hedge Agreement directly relate to the Collateral Obligations or the Notes and such Hedge Agreement reduces the interest rate related to the Collateral Obligations or the Notes.

For so long as the Issuer and the Portfolio Manager are subject to clause (ii)(B) above, the Issuer and the Portfolio Manager shall take all action necessary to ensure ongoing compliance with the applicable exemption from registration or registration requirement, as applicable, under the CEA. The reasonable fees, costs, charges and expenses incurred by the Issuer and the Portfolio Manager (including reasonable attorneys', accountants' and other professional fees and expenses) in connection with the requirements of clause (ii) above will be paid as Administrative Expenses.

Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(h) and Section 5.4(d). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the applicable Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI of this Indenture.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Portfolio Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Portfolio Manager under the terminated Hedge Agreement.

(c) The Issuer (or the Portfolio Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(d) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirements.

(e) The S&P Rating Condition must be satisfied prior to amendment or termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support ~~and notice of the same must be provided to Fitch by the Issuer~~. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(f) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, the Portfolio Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to

the Portfolio Manager, demanding payment by the close of business on such date (or by such time on the next succeeding Business Day if such knowledge is obtained after 11:30 a.m., New York time).

(g) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Collateral has commenced;

provided that, notwithstanding the foregoing, the Portfolio Manager (on behalf of the Issuer) may reduce the notional amount of any Hedge Agreement (and, in connection therewith, cause the Issuer to pay a termination payment in accordance with the Priority of Distributions to the Hedge Counterparty) if ~~Fitch is notified and~~ the S&P Rating Condition is obtained with respect to such reduction.

IN WITNESS WHEREOF, we have set our hands as of the day and year first written above.

For purposes of determining a Moody's Rating, if an obligor does not have a Moody's corporate family rating and any entity in such obligor's corporate family has a Moody's corporate family rating, the Moody's corporate family rating from Moody's of such entity will be deemed to be the Moody's corporate family rating of the obligor.

"Moody's Rating Factor": ~~With respect to any~~ **For each** Collateral Obligation, the number ~~(i) determined pursuant to the Moody's RiskCalc Calculation or a credit estimate from Moody's pursuant to the definition of "Moody's Default Probability Rating" or (ii) in all other cases,~~ set forth in the table below opposite the Moody's Default Probability Rating of such Collateral Obligation.

~~"Moody's RiskCalc Calculation": For the purposes of the definition of "Moody's Default Probability Rating", the calculation made as follows, as modified by any updated criteria provided to the Portfolio Manager by Moody's:~~

~~1. For purposes of this calculation, the following terms have the meanings provided below.~~

~~"EDF" means, with respect to any loan, the lowest five year expected default frequency for such loan as determined by running the current version Moody's RiskCalc in both the Financial Statement Only and the Credit Cycle Adjusted ("CCA") modes in accordance with Moody's published criteria in effect at the time.~~

~~"Pre Qualifying Conditions" means, with respect to any loan, conditions that will be satisfied if the obligor or, if applicable, the Underlying Instrument with respect to the applicable loan satisfies the following criteria:~~

~~(a) the independent accountants of such obligor shall have issued an unqualified audit opinion prepared in accordance with GAAP with respect to the most recent fiscal year financial statements, including no explanatory paragraph addressing "going concern" or other issues;~~

~~(b) the obligor's EBITDA is equal to or greater than U.S.\$5,000,000;~~

~~(c) the obligor's annual sales are equal to or greater than U.S.\$10,000,000;~~

~~(d) the obligor's book assets are equal to or greater than U.S.\$10,000,000;~~

~~(e) the obligor represents not more than 3.0% of the Aggregate Principal Balance of all Collateral Obligations that are loans;~~

~~(f) the obligor is a private company with no public rating from Moody's;~~

~~(g) for the current and prior fiscal year, such obligor's:~~

~~(i) EBIT/interest expense ratio is greater than 1.0:1.0 and 1.25:1.00 with respect to retail (adjusted for rent expense);~~

~~(ii) debt/EBITDA ratio is less than 6.0:1.0;~~

~~(h) no greater than 25% of the obligor's revenue is generated from any one customer of the obligor;~~

~~(i) the obligor is a for profit operating company in any one of the Moody's industry classification groups, shown on Schedule I, with the exception of (i) Banking, Finance, Insurance and Real Estate and (ii) Sovereign and Public Finance;~~

~~(j) none of the financial covenants of the Underlying Instrument have been waived within the preceding three months; and~~

~~(k) the Underlying Instrument (including any financial covenants contained therein) has not been modified or waived within the preceding three months except for waivers or modifications determined by the Portfolio Manager in its reasonable discretion not to relate to a decline in credit quality.~~

2. ~~The Portfolio Manager shall calculate the EDF for each of the loans to be rated pursuant to this calculation based upon the signed, unqualified, full year, audited financial statements prepared in accordance with GAAP (unless calculations based upon updated, unaudited financial statements are approved by Moody's). The Portfolio Manager shall also provide Moody's with the EDF and the information necessary to calculate such EDF. Moody's shall have the right (in its sole discretion) to (i) amend or modify any of the information utilized to calculate the EDF and recalculate the EDF based upon such revised information, in which case such EDF shall be determined using the table in paragraph 3 below in order to determine the applicable Moody's Default Probability Rating, or (ii) have a Moody's credit analyst provide a credit estimate for any loan, in which case such credit estimate provided by such credit analyst shall be the applicable Moody's Default Probability Rating.~~

3. ~~As of any date of determination, the Moody's Rating Factor for each loan that satisfies the Pre-Qualifying Conditions shall be the weaker of (i) the Portfolio Manager's internal rating or (ii) the Moody's Rating Factor based on the EDF for such loan determined in accordance with the table below:²~~

| RiskCalc-Derived EDF | Moody's Rating Factor |
|---|----------------------------------|
| Baa3.EDF and above | 1766 |
| Ba1.EDF, Ba2.EDF, Ba3.EDF, or B1.EDF | 2720 |
| B2.EDF or B3.EDF | 3490 |
| Caa.EDF | 4470 |

² ~~RiskCalc-based Moody's Rating Factors are derived from five year .edfs. To produce these .edfs, the RiskCalc model should be run in both Financial Statement Only ("FSO") mode and Credit Cycle Adjusted ("CAA") mode. In the CAA mode, the model inputs are based on current financial data and should be run for the current year, as well as for each of the previous four years (12, 24, 36, 48 months prior). The weakest .edf from these six runs will then be mapped to determine the obligor's Moody's Rating Factor.~~

4. ~~As of any date of determination, the Moody's Recovery Rate for each loan that meets the Pre Qualifying Conditions shall be the lower of (i) the Portfolio Manager's internal recovery rate or (ii) the recovery rate as determined in accordance with the table below (and the Portfolio Manager shall give the Collateral Administrator notice of such Moody's Recovery Rate):~~

| Type of Loan | Moody's Recovery Rate |
|----------------------------------|-----------------------|
| First lien, senior secured loans | 50% |
| All other loans | 25% |

~~provided that, Moody's shall have the right (in its sole discretion) to issue a recovery rate assigned by one of its credit analysts, in which case such recovery rate provided by such credit analyst shall be the applicable Moody's Recovery Rate.~~

SCHEDULE III

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all Affiliates.

(b) An "Average Par Amount" is calculated by *summing* the Issuer Par Amounts for all issuers, and *dividing by* the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer *divided by* the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups, shown on Schedule I, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group, shown on Schedule I, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided* that, if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

SCHEDULE IV

~~FITCH RATINGS~~ S&P RATINGS DEFINITIONS

~~"Fitch Rating": As of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:~~

- ~~(a) if Fitch has issued an issuer default rating or assigned a Fitch issuer default credit opinion with respect to the obligor of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such issuer default rating or assigned issuer default credit opinion (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such obligor held by the Issuer);~~
- ~~(b) if Fitch has not issued an issuer default rating or issuer default credit opinion with respect to the obligor or guarantor of such Collateral Obligation but Fitch has issued an outstanding insurer financial strength with respect to such obligor, the Fitch Rating of such Collateral Obligation will be one subcategory below such rating;~~
- ~~(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but
 - ~~(i) Fitch has issued a senior unsecured rating on one or more obligations or securities of the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will equal such rating as selected by the Portfolio Manager in its sole discretion; or~~
 - ~~(ii) Fitch has not issued a senior unsecured rating on any obligation or security of the obligor of such Collateral Obligation but Fitch has issued a senior rating, senior secured rating or a subordinated secured rating on one or more obligations or securities of the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will (x) equal such rating if such rating is "BBB-" or higher and (y) be one subcategory below such rating if such rating is "BB+" or lower, in each case, as selected by the Portfolio Manager in its sole discretion; or~~
 - ~~(iii) Fitch has not issued a senior unsecured rating or a senior rating, senior secured rating or a subordinated secured rating on any obligation or security of the obligor of such Collateral Obligation but Fitch has issued a subordinated, junior subordinated or senior subordinated rating on one or more obligations or securities of the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will be (x) one subcategory above such rating if such rating is "B+" or higher and (y) two subcategories above such rating if such rating is "B" or lower, in each case, as selected by the Portfolio Manager in its sole discretion;~~~~
- ~~(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and

- (e) ~~if a rating cannot be determined pursuant to clauses (a) through (d) then, (i) at the discretion of the Portfolio Manager, the Portfolio Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating shall then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;~~

~~(d)~~ (d) ~~the~~if an obligation of the issuer is not a DIP Collateral Obligation (other than a Non-U.S. DIP Collateral Obligation), the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the issuer of such Collateral Obligation will, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available ~~Required S&P~~Credit FAQ: Anatomy of a Credit Estimate—Information: What It Means and How We Do It in respect of such application) to S&P for a credit estimate which will be its S&P Rating; *provided* that, until the receipt from S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Portfolio Manager in its sole discretion if the Portfolio Manager certifies to the Trustee that it believes that such S&P Rating determined by the Portfolio Manager is commercially reasonable and will be at least equal to such rating; *provided further* that, if such ~~Required S&P~~Credit FAQ: Anatomy of a Credit Estimate—Information: What It Means and How We Do It is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Portfolio Manager for a period of up to 90 days after acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC" following such 90 day period; unless, during such 90 day period, the Portfolio Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; *provided, further*, that such confirmed or updated credit estimate will expire on the 12 month anniversary of such confirmation or update, unless confirmed or updated prior thereto);

~~(e)~~ (e) with respect to a DIP Collateral Obligation (other than a Non-U.S. DIP Collateral Obligation), if the S&P Rating cannot otherwise be determined pursuant to this definition, the S&P Rating of such Collateral Obligation will be "CCC";

~~(f)~~ (f) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Portfolio Manager) be "CCC"; *provided* that, (i) the Portfolio Manager expects the obligor in respect of such Collateral Obligation to continue to meet its payment obligations under such Collateral Obligation, (ii) ~~neither~~ neither such obligor is not nor any of its affiliates is currently in reorganization or bankruptcy, or similar proceedings, (iii) such obligor has not defaulted on any of its debts during the immediately preceding two year period and (iv) at any time that more than 10% of the Collateral Principal Amount consists of Collateral Obligations with S&P Ratings determined pursuant to this clause (f), the Issuer will submit all available ~~Required S&P~~Credit FAQ: Anatomy of a Credit Estimate—Information: What It Means and How We Do It in respect of such Collateral Obligations to S&P; and

~~(g)~~ (g) if it is a Current Pay Obligation, the higher of (a) such ~~obligation's~~obligation's issue rating and (b) "CCC";

provided that, ~~for purposes of the determination of the S&P Rating,~~ (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one subcategory above such assigned rating, (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one subcategory below such assigned rating and (z) any reference to the S&P rating in this definition will mean the public S&P rating and will not include any private or confidential S&P rating unless (1) the obligor and any other relevant party has provided written consent to S&P for the use of such rating and (2) such rating is subject to continuous monitoring by S&P.

~~"Required S&P Credit Estimate Information" means S&P's "Credit Estimate Information Requirements" dated April 2011 and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.~~

SCHEDULE ~~IV~~V

S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR" ~~means the:~~ The threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Obligations relative to the Aggregate Ramp-Up Par Amount as follows:

S&P CDO Monitor BDR * (OP / NP) + (NP - OP) / [NP * (1 - S&P Weighted Average Recovery Rate)], where OP = Aggregate Ramp-Up Par Amount; and NP = the sum of the Aggregate Principal Balances of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, any decrease in the Aggregate Outstanding Amount of the Highest Ranking Class and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-".

"S&P CDO Monitor BDR" ~~means the:~~ The value calculated using the formula provided in the S&P CDO Monitor Input File.

"S&P CDO Monitor Input File" ~~means a:~~ A file containing the formula relating to the Issuer's portfolio used to calculate the S&P CDO Monitor BDR, which formula is: S&P CDO Monitor BDR = C0 + (C1 * Weighted Average Floating Spread) + (C2 * S&P Weighted Average Recovery Rate), where C0 = ~~0.103990~~0.116548, C1 = ~~4.041576~~4.144306 and C2 = ~~1.047651~~0.866289. C0, C1 and C2 will not change unless S&P provides an updated S&P CDO Monitor Input File at the request of the Portfolio Manager following the ~~First~~Second Refinancing Date.

"S&P CDO Monitor SDR" ~~means the:~~ The percentage derived from the following equation: $0.247621 + (SPWARF / 9162.65) - (DRD / 16757.2) - (ODM / 7677.8) - (IDM / 2177.56) - (RDM / 34.0948) + (WAL / 27.3896)$, where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

"S&P Default Rate Dispersion" ~~means, with:~~ With respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Rating Factor for such Collateral Obligation *minus* (y) the S&P Weighted Average Rating Factor *divided by* (B) the Aggregate Principal Balance for all such Collateral Obligations.

"S&P Industry Diversity Measure" ~~means a:~~ A measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or

higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure" ~~means a:~~ A measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such Aggregate Principal Balance by the Aggregate Principal Balance of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Rating Factor" ~~means, with:~~ With respect to any Collateral Obligation, the number set forth in the table below opposite the S&P Rating of such Collateral Obligation.

"S&P Regional Diversity Measure" ~~means a:~~ A measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in Table 1 below, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" ~~means, on:~~ On any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the Aggregate Principal Balance of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor": The value calculated by the Portfolio Manager by multiplying the Principal Balance of each Collateral Obligation (with an S&P Rating of "CCC-" or higher) by the S&P Rating Factor of such Collateral Obligation (with an S&P Rating of "CCC-" or higher), then summing the total for the portfolio, and then dividing this result by the Aggregate Principal Balance of all of the Collateral Obligation (with an S&P Rating of "CCC-" or higher).

"S&P Minimum Weighted Average Recovery Rate":

Recovery Rate

* The S&P Recovery Rate shall be the applicable rate set forth above based on the initial rating assigned by S&P to the Highest Ranking Class at the time of determination.

** From S&P's published reports. If a recovery estimate is not available for a given loan with a recovery rating of "1" through "6," the lower estimate for the applicable recovery rating should be assumed.

- (i) If (x) a Collateral Obligation does not have an S&P Recovery Rating, and such Collateral Obligation is a senior unsecured loan ~~or second lien loan,~~ senior unsecured Bond or Second Lien Loan and (y) the issuer of such Collateral Obligation has issued another debt instrument that is outstanding and senior to such Collateral Obligation (a "Senior Debt Instrument") that has an S&P Recovery Rating, the S&P Recovery Rate for such Collateral Obligation shall be determined as follows:

For Collateral Obligations Domiciled in Group A

| S&P Recovery Rating of the Senior Debt Instrument | Initial Liability Rating | | | | | |
|---|--------------------------|------|-----|-------|------|---------------|

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Distributions, interest on the Aggregate Outstanding Amount of this Note on each Distribution Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Distributions.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Global Note as a result of exchanges and transfers of interests in this Global Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

The Purchaser understands that the representations made in this paragraph (xiv) will be deemed made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein).

(xxiii) It will ~~(i)~~ provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer and/or any non-U.S. Issuer Subsidiary to comply with FATCA and the ~~Cayman FATCA Legislation~~ CRS and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer and/or a non-U.S. Issuer Subsidiary ~~and (ii) update any or fines or penalties under the CRS on the Issuer, any non-U.S. Issuer Subsidiary or their directors, and will update or correct~~ such information and documentation ~~provided in clause (i) promptly upon learning that any such information and documentation previously provided has become obsolete or incorrect or is otherwise required~~ as necessary. (1) The initial Benchmark for the Floating Rate Notes is Term SOFR. [Term SOFR for the first Interest Accrual Period following the Second Refinancing Date will be set on two different Interest Determination Dates and, therefore, two different rates may apply during that period.] The Interest Rate with respect to any Repriceable Class may be reduced in connection with a Re-Pricing of such Class of Secured Notes, subject to the conditions described in this Indenture.

(2) On the 2023 Amendment Date, the Issuer issued Incentive Management Fee Certificates with a notional balance of \$1,000. Each Class of Secured Notes shall constitute a Priority Class with respect to the Incentive Management Fee Certificates. The Incentive Management Fee Certificateholders will be entitled to receive certain amounts in accordance with the Priority of Distributions on each Distribution Date on which the Incentive Management Fee Threshold has been met so long as Elmwood Asset Management LLC (or any Affiliate thereof) has not notified the Trustee and the Collateral Administrator of its exercise of the Incentive Management Fee Option.

(3) The Class X-RR Notes and the Class A-1-RR Notes will be *pari passu* with respect to payments of interest, but principal of the Class X-RR Notes will be paid from Interest Proceeds prior to payment of principal of the Class A-1-RR Notes, as set forth in the Priority of Interest Proceeds. Payments of principal on the Class X-RR Notes and the Class A-1-RR Notes will be *pari passu* pursuant to the Post-Acceleration Priority of Proceeds.

(4) Any payment to the Incentive Management Fee Certificateholders is in lieu of payment of the Incentive Management Fee due and payable hereunder and shall be made in accordance with the Priority of Distributions. Payments to Holders of the Subordinated Notes remain unchanged whether or not payments are made to the

bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and neither the Issuer nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note (or any interest therein) to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading or whose ownership otherwise causes 25% or more of the Aggregate Outstanding Amount of any Class of ERISA Restricted Notes to be held by Benefit Plan Investors shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or a Trust Officer of the Trustee shall have received written notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

Section 2.13. [Reserved].

Section 2.14. Tax Treatment; Tax Certifications.

(a) Each Holder (including, for purposes of this Section 2.14, any beneficial owner of Notes) agrees to treat (i) the Issuer as non-U.S. corporation, (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Secured Notes as debt, and (v) the Subordinated Notes as equity, in each case, for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law; it being understood that the foregoing shall not prohibit a Holder of Class E-RR Notes from making a protective "qualified electing fund" election and filing protective information returns with respect to an investment in such Class E-RR Notes.

(b) Each Holder will timely furnish the Issuer or its agents any U.S. federal income tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request, and any documentation, agreements, certifications or other information that is reasonably requested by the Issuer or its agents in order to enable the Issuer or its agents to (A) make payments to the Holder without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. The Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(b) The Issuer, or the Portfolio Manager on behalf of the Issuer, may (but shall not be obligated to) obtain and pay for an annual review of any Collateral Obligation which has an S&P Rating determined pursuant to subclause (d) of Schedule IV.

Section 7.14. Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of the Notes, the Co-Issuers (or in the case of the Issuer Only Notes, the Issuer) shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Note with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner of such Note, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15. Calculation Agent.

(a) The Issuer hereby agrees that for so long as any of the Floating Rate Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period ~~after the Second Refinancing Date~~, the relevant portion thereof) (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, the Issuer or the Portfolio Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign from its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as practicable with respect to each Interest Determination Date, but in no event later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent shall calculate the Note Interest Rate for each Class of Floating Rate Notes for the next Interest Accrual Period (or, in the case of the first Interest Accrual Period ~~after the Second Refinancing Date~~, the relevant portion thereof) and the Note Interest Amount for each Class of Floating Rate Notes (in each case, rounded to the nearest cent, with half a cent being rounded upward) on the related Distribution Date. At such time the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Portfolio Manager, Euroclear and Clearstream. The Calculation Agent shall notify the Issuer before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Note Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates

and amounts for any Interest Accrual Period (or, in the case of the first Interest Accrual Period ~~after the Second Refinancing Date~~, the relevant portion thereof) shall (in the absence of manifest error) be final and binding upon all parties.

(c) Neither the Trustee, Paying Agent nor Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of Term SOFR (or other applicable Benchmark), or to give notice to any other transaction party of the occurrence thereof, (ii) to select, identify or designate any Fallback Rate or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, (iii) to select, identify or designate any credit spread adjustments, or other modifier to any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Conforming Changes or other amendment or conforming changes are necessary or advisable, if any, in connection with the adoption of a Fallback Rate. Neither the Trustee, Paying Agent, nor Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture or other Transaction Document as a result of the unavailability of Term SOFR (or other applicable Benchmark) or the absence of a Fallback Rate, including as a result of any inability, delay, error or inaccuracy on the part of any other Transaction Party, including without limitation the Designated Transaction Representative, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture or other Transaction Document and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of Term SOFR as determined on the previous Interest Determination Date or a prior U.S. Government Securities Business Day if so required under the definition of Term SOFR. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Designated Transaction Representative, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any Fallback Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. For the avoidance of doubt, all references in this Indenture and the Collateral Administration Agreement to (i) the right of the Trustee and the Collateral Administrator to rely upon notices, instructions and other information provided by the Portfolio Manager and (ii) protections afforded to the Trustee and the Collateral Administrator in respect of any acts or omissions of the Portfolio Manager, shall in each case also apply to the same extent in respect of the Designated Transaction Representative. In connection with each Floating Rate Obligation, the Issuer (or the Portfolio Manager on its behalf) is responsible in each instance to (i) monitor the status of Term SOFR or other applicable Benchmark, (ii) determine whether a substitute index should or could be selected, (iii) determine the selection of any such substitute index, and (iv) exercise any right related to the foregoing on behalf of the Issuer or any other Person, and none of the Trustee or the Collateral Administrator shall have any responsibility or liability therefor.

Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.6(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify or cause the Issuer to be notified and the Issuer shall use its commercially reasonable efforts to, within five Business Days of receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction to a Person which is not the Portfolio Manager or an Affiliate of the Issuer or the Portfolio Manager and deposit the proceeds thereof in the Collection Account; *provided however* that, the Issuer (i) need not sell such distributions or other proceeds if it delivers an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it shall sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture and that such distribution or other proceeds were received "in lieu of debt previously contracted" for purposes of the Volcker Rule (determined upon consultation with nationally recognized counsel).

(c) At any time when reinvestment is permitted pursuant to Article XII, the Trustee shall withdraw Principal Proceeds on deposit in the subaccount of the Principal Collection Account designated by the Portfolio Manager in its sole discretion (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations, in each case in accordance with the requirements of Article XII; *provided* that, amounts deposited in the Principal Collection Account may not be used to purchase Margin Stock or for any other purpose that would constitute the Issuer's extending "purpose credit" (as defined in Regulation U). At any time, the Portfolio Manager on behalf of the Issuer may direct the Trustee to, and the Trustee shall, withdraw Principal Proceeds on deposit in the subaccount of the Principal Collection Account designated by the Portfolio Manager and use such funds to meet funding the Issuer's requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Portfolio Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Interest Collection Account or the Principal Collection Account on any Business Day during any Interest Accrual Period (or any portion thereof, in the case of the first Interest Accrual Period ~~after the Second Refinancing Date~~) (i) together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use", any amount required to exercise a warrant or right to acquire securities or obligations held in the Assets (excluding Workout Instruments as provided under clause (iii) below), which right was received by the Issuer in connection with the insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or the obligor thereof; (ii) together with amounts permitted to be used therefor in accordance with the definition of "Permitted Use", any amount required to exercise a right to acquire loan assets (excluding Workout Instruments as provided in clause (iii) below),

shall be a securities account established with U.S. Bank National Association in the name of "Elmwood CLO I Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Trustee" and shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement.

(c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, the Portfolio Manager, and each Rating Agency any information regularly maintained by the Trustee that the Co-Issuers, the Rating Agencies or the Portfolio Manager may from time to time request in writing with respect to the Pledged Obligations, the Accounts and the other Assets and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.7 or to permit the Portfolio Manager to perform its obligations under the Portfolio Management Agreement. The Trustee shall promptly forward to the Portfolio Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such security of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports, and other communications received from such issuer and Clearing Agencies with respect to such issuer.

(d) Any account established under this Indenture may include any number of subaccounts deemed necessary or advisable by the Trustee in the administration of the accounts. Without limiting the generality of the foregoing, for administrative convenience, for purposes of (i) receiving distributions of Interest Proceeds in respect of Subordinated Note Collateral Obligations and Collateral Obligations which are not Subordinated Note Obligations, funds may be deposited and maintained in a sub-account of the Interest Collection Account for each of the Subordinated Note Collateral Obligations and Collateral Obligations which are not Subordinated Note Collateral Obligations, (ii) acquiring or funding a Collateral Obligation for which portions thereof will be deposited into the Subordinated Note Custodial Account and the Secured Note Custodial Account, funds for such purpose may be transferred from one Principal Collection Account or Ramp-Up Account, as the case may be, to the other Principal Collection Account or Ramp-Up Account, respectively, so that a single wire may be sent in respect of such acquisition or funding. The Trustee shall be entitled to conclusively rely upon direction of the Portfolio Manager in respect of the identification of Subordinated Note Collateral Obligations and the deposit, transfer and withdrawal of amounts in respect thereof. The procedures set forth in this Section 10.6(d) are solely for administrative convenience and for purposes of this Indenture any distributions of Interest Proceeds in respect of Subordinated Note Collateral Obligations and Collateral Obligations which are not Subordinated Note Collateral Obligations shall be treated as if directly deposited into the Interest Collection Account.

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Distributions, interest on the Aggregate Outstanding Amount of this Note on each Distribution Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Distributions.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Global Note as a result of exchanges and transfers of interests in this Global Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Distribution Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry

the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.8(h) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Holder of this Note agrees that it will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any ~~tax or other governmental charge~~ Tax payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

The Issuer, for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer promises to pay, in accordance with the Priority of Distributions, Interest Proceeds and Principal Proceeds on each Distribution Date, in an amount equal to the Holder's pro rata share of such proceeds, if any, subject to the Priority of Distributions set forth in the Indenture.

This Note will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date. The payment of principal on this Note (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Distribution Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Distributions; and any payment of principal of this Note that is not paid, in accordance with the Priority of Distributions, on any Distribution Date, shall not be considered "due and payable" for purposes of the Indenture

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Global Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by distributions made on any Distribution Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.8(h) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, the Secured Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture. In connection with its purchase of the Specified Notes, the Purchaser has complied with all of the provisions of the Indenture relating to such transfer.

(xi) The Purchaser understands that the Specified Notes will bear the applicable legends set forth in Exhibit A to the Indenture unless the Co-Issuers determine (or in the case of the Issuer Only Notes, the Issuer determines) otherwise in accordance with Applicable Law.

Section 2510.3-101(f)(3)) of any such Person (any such Person described in this clause (ii) being referred to as a "Controlling Person"). The Purchaser acknowledges that the applicable Registrar will not register any transfer of an ERISA Restricted Note (or any interest therein) to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person if after giving effect to such proposed transfer, Persons that have represented that they are Benefit Plan Investors would own 25% or more of the Aggregate Outstanding Amount of the Class of ERISA Restricted Notes being transferred, as determined in accordance with the Plan Asset Regulation and the Indenture, assuming, for this purpose, that all of the representations made (or, in the case of Global Notes, deemed to be made) by Holders of such Notes are true. For purposes of this determination, Notes (or interests therein) held by the Portfolio Manager, the Trustee, any of their respective Affiliates and Persons that have represented that they are Controlling Persons will be disregarded and will not be treated as Outstanding.

(b) The Purchaser understands that any ERISA Restricted Notes represented by Global Notes (or any interests therein) may not at any time be held by or on behalf of Benefit Plan Investors or Controlling Persons except for purchases of ERISA Restricted Notes in the form of Global Notes by Benefit Plan Investors or Controlling Persons on the Closing Date ~~or~~, the First Refinancing Date or the Second Refinancing Date, as applicable.

(c) The Purchaser agrees to indemnify and hold harmless the Co-Issuers, the Trustee, the Initial Purchaser and the Portfolio Manager and their respective Affiliates from any cost, damage or loss incurred by

them as a result of these representations being untrue. The Purchaser understands that the representations made in this paragraph (xiii) will be deemed made on each day from the date of acquisition by the Purchaser of an ERISA Restricted Note (or any interest therein) through and including the date on which the Purchaser disposes of such ERISA Restricted Note (or any interest therein). The Purchaser agrees that if any of its representations under this paragraph (xiii) become untrue (including, without limitation, any percentage indicated in clause (a) of this subclause (xii)), it will immediately notify the Issuer and the Trustee and take any other action as may be requested by them.

(xiii) On each day the Purchaser holds such Specified Notes (or any interest therein), (i) the Purchaser's acquisition, holding and disposition of the Specified Notes (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws); and (ii) in the case of ERISA Restricted Notes, if it is a governmental, church, non-U.S. or other plan, it is not subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to Similar Laws. The Purchaser understands that the representations made in this paragraph (xiv) will be deemed made on each day from the date of its acquisition through and including the date on which it disposes of such Notes (or any interest therein).

(xiv) The Purchaser will provide notice to each person to whom it proposes to transfer any interest in the Specified Notes of the transfer restrictions and representations set forth in Sections 2.5, 2.6 and 2.14 of the Indenture, including the exhibits referenced therein.

(xv) The Purchaser understands that (A) the Issuer has the right under the Indenture to compel any Non-Permitted Holder to sell its interest in the Specified Notes or may sell such interest in the Specified Notes on behalf of such Non-Permitted Holder and (B) in the case of Repriceable Classes, the Issuer has the right to cause the Notes of any non-consenting Holder to be subject to Mandatory Tender and transfer.

(xvi) The Purchaser is not a member of the public in the Cayman Islands.

(xvii) The Purchaser agrees that the Issuer Only Notes will be limited recourse obligations of the Issuer and the Co-Issued Notes will be limited recourse obligations of the Co-Issuers, in each case payable solely from the Assets in accordance with the Priority of Distributions. The Purchaser agrees that it will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other

proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction. In addition, the Purchaser agrees to be subject to the Bankruptcy Subordination Agreement.

(xviii) The Purchaser understands that the Issuer and the Portfolio Manager, on behalf of the Issuer, may receive a list of participants holding positions in the Notes from one or more book-entry depositories. With respect to a Certifying Person, the Trustee will, upon request of the Portfolio Manager, unless such Certifying Person instructs the Trustee otherwise, share the identity of such Certifying Person with the Portfolio Manager. Upon the request of the Portfolio Manager, the Trustee will request a list from DTC of participants holding positions in the Notes and will provide such list to the Portfolio Manager.

(xix) The Purchaser acknowledges and agrees that (A) the express terms of the Transaction Documents govern the rights of the Holders to direct the commencement of a proceeding against any Person and the Transaction Documents contain limitations on the rights of the Holders to institute legal or other proceedings against any Person, (B) it will comply with the express terms of the applicable Transaction Documents if it seeks to institute any such proceeding, (C) the Transaction Documents do not impose any duty or obligation on the Issuer or the Co-Issuer or their respective directors, officers, shareholders, members or managers to institute on behalf of any Holder, or join any Holder or any other person in instituting, any such proceeding, including, without limitation, any proceeding against the Trustee, the Portfolio Manager, the Collateral Administrator or the Calculation Agent and (D) there are no implied rights under the Transaction Documents to direct the commencement of any such proceeding.

(xx) The Purchaser acknowledges receipt of the Issuer's privacy notice (which can be accessed at <https://www.walkersglobal.com/external/SPVDPNotice.pdf> and provides information on the Issuer's use of personal data in accordance with the Cayman Islands Data Protection Law, 2017 and, in respect of any EU data subjects, the EU General Data Protection Regulation) and, if applicable, agrees to promptly provide the privacy notice (or any updated version thereof as may be provided from time to time) to each individual (such as any individual directors, shareholders, beneficial owners, authorised signatories, trustees or others) whose personal data it provides to the Issuer or any of its affiliates or delegates including, but not limited to, Walkers Fiduciary Limited in its capacity as administrator.

(xxi) It agrees to treat (i) the Issuer, ~~the Co-Issuer, and the Notes as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular~~ as a non-U.S. corporation, (ii) the Co-Issuer as a disregarded entity of the Issuer, (iii) the Issuer, and not the Co-Issuer, as the issuer of the Co-Issued Notes, (iv) the Secured Notes as debt, and (v) the Subordinated Notes as equity, in each case, for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law; it being understood that the foregoing shall not prohibit a Purchaser of Class E Notes ~~or Class F-R Notes~~ from making a protective "qualified electing fund" election and filing protective information returns with respect to an investment in such Class E Notes ~~or Class F-R Notes~~.

(xxii) It will timely furnish the Issuer or its agents any U.S. federal income tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request, and any documentation, agreements, certifications or other information that is reasonably requested by the Issuer or its agents in order to enable the Issuer or its agents to (A) make payments to the Purchaser without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. It acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Purchaser or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Purchaser by the Issuer.

(xxiii) It will ~~(i)~~ provide the Issuer or its agents with any correct, complete and accurate information and documentation that may be required for the Issuer and/or any non-U.S. Issuer Subsidiary to comply with FATCA and the ~~Cayman FATCA Legislation~~ CRS and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer and/or a non-U.S. Issuer Subsidiary ~~and (ii) update any or fines or penalties under the CRS on the Issuer, any non-U.S. Issuer Subsidiary or their directors, and will update or correct~~ such information and documentation ~~provided in clause (i) promptly upon learning that any such information and documentation previously provided has become obsolete or incorrect or is otherwise required~~ as necessary. In the event the Purchaser fails to provide such information or documentation for the purposes of FATCA, or to the extent that its ownership of Notes would otherwise cause the Issuer or a non-U.S. Issuer Subsidiary to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Purchaser as compensation for any tax imposed under FATCA or any fine or penalty imposed under the CRS as a result of such failure or the ~~Holder's~~ Purchaser's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer or a non-U.S. Issuer Subsidiary as a result of such failure or the Purchaser's ownership, the Issuer will have the right to compel the Purchaser to sell its Notes and, if the Purchaser does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Purchaser as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. The Purchaser agrees that the Issuer ~~and its, the~~ Trustee or their agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer and/or any

non-U.S. Issuer Subsidiary complies with FATCA, ~~the Cayman FATCA Legislation~~ and the CRS.

(xxiv) If it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it represents that (i) either (a) it is not a bank (within the meaning of Section 881(c)(3)(A)); (b) after giving effect to its purchase of such Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury ~~regulations section~~ Regulations Section 1.881-3); (c) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business ~~in~~ within the United States and includible in its gross income; or (d) it has provided an IRS Form W-8BEN-E representing that it is eligible for the benefits of an income tax treaty that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; and (ii) it ~~is not purchasing the Note or any interest therein in order~~ has not purchased the Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Purchaser).

(xxv) If the Purchaser owns more than 50% of the aggregate value of the Subordinated Notes ~~and the Class F-R Notes~~, or if such Purchaser is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury ~~regulations section~~ Regulations Section 1.1471-5(i) (or any successor provision)), the Purchaser represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any non-U.S. Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury ~~regulations section~~ Regulations Section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury ~~regulations~~ Regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury ~~regulations section~~ Regulations Section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury ~~regulations~~ Regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury ~~regulations section~~ Regulations Section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided the Purchaser with an express waiver of this requirement.
