Section 1.2. Assumptions as to Underlying Assets

In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligations, or any payments on any other assets included in the Collateral, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied:

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of or borrower with respect to such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(b) For each Due Period, the Scheduled Distribution on any Pledged Obligation (other than (i) a Defaulted Obligation to the extent required to be treated as Principal Proceeds hereunder, (ii) any security that in accordance with its terms is making payments due thereon entirely "in kind" in lieu of Cash or (iii) other Collateral which is expressly assigned a Principal Balance of zero hereunder, in each case, which shall be assumed to have a Scheduled Distribution of zero) shall be the minimum amount (including (w) coupon payments, (x) accrued interest, (y) scheduled Principal Payments, if any, by way of sinking fund payments which are assumed to be on a *pro rata* basis or other scheduled amortization of principal, return of principal, and redemption premium, if any, and (z) the Cash-pay interest portion of any Partial PIK Security or any Underlying Asset excluded from the definition of Partial PIK Security by the proviso thereof) assuming that any index applicable to any payments on a Pledged Obligation that is subject to change is not changed that, if paid as scheduled, will be available in the Collection Account at the end of the Due Period net of withholding or similar taxes to be withheld from such payments (but taking into account gross-up payments in respect of such taxes).

(c) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited into the Collection Account and, except as otherwise specified, to earn interest at the greater of (i) zero percent and (ii) the Benchmark minus 0.25% per annum. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture.

(d) All calculations and measurements required to be made and all reports that are to be prepared pursuant to this Indenture with respect to the Pledged Obligations shall be made on the basis of the trade confirmation date after the Issuer makes a binding commitment to purchase or sell an asset (the "**trade date**"), not the settlement date. The following will apply:

(i) if the Issuer has previously entered into a binding commitment to acquire an asset, the Issuer shall not be required to comply with any of the Portfolio Criteria on the settlement date of such acquisition if the Issuer complied with the Portfolio Criteria on the date on which the Issuer entered into such binding commitment; and

(ii) for purposes of determining the Net Collateral Principal Balance as of any date, assets for which the Issuer (or the Asset Manager on behalf of the Issuer) has entered into a binding commitment with respect to the acquisition or disposition of such asset on or before any date of determination shall be included in the calculation of the Aggregate Principal Balance of the Underlying Assets (and, for the avoidance of doubt, the purchase price of such assets will be deducted from the calculation of the Net Collateral Principal Balance).

(e) If the Issuer has entered into a binding commitment to purchase an Underlying Asset during the Reinvestment Period but such purchase has not settled prior to the end of the Reinvestment Period, such Underlying Asset will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Portfolio Criteria, as long as not later than the Business Day immediately preceding the end of the Reinvestment Period, the Asset Manager shall deliver to the Trustee a schedule of Underlying Assets purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Account, any scheduled or unscheduled principal proceeds that will be received by the Issuer from Underlying Assets with respect to which the borrower has already delivered an irrevocable notice of repayment or which are required by the terms of the applicable Underlying Instruments, as well as any Principal Proceeds that will be received by the Issuer from the sale of Underlying Assets for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Underlying Assets.

(f) For purposes of calculating the Coverage Tests, the Reinvestment Overcollateralization Test and the Effective Date Overcollateralization Test:

(i) Except as provided in clause (ii) below, the principal amount of the applicable Class of Notes required to be paid to cause any Coverage Test, the Reinvestment Overcollateralization Test or the Effective Date Overcollateralization Test to be satisfied will be the amount that, if it had been paid in reduction of the principal amount of each Class of Notes being tested on the immediately preceding Payment Date, would have caused such test to be satisfied for the current Determination Date.

(ii) Subject to available Interest Proceeds and Principal Proceeds, the principal amount of any Class of Notes subject to mandatory redemption on any Payment Date because any Overcollateralization Test is not satisfied as of the related Determination Date will be the amount that, if it were applied to make payments (including Deferred Interest, if any) on such Class of Notes in accordance with the Note Payment Sequence on that Payment Date, would cause such test to be satisfied for the current Determination Date. These amounts will be determined by (a) calculating the amount of Interest Proceeds required for such payments in accordance with the Priority of Interest Payments assuming that any such amount applied to pay

principal would reduce the denominator of any Overcollateralization Ratio (but would not change the numerator); and (b) then calculating the amount of Principal Proceeds required for such payments in accordance with the Priority of Principal Payments (i) during the Reinvestment Period, assuming that such amount would reduce both the numerator and the denominator of any Overcollateralization Ratio and (ii) after the Reinvestment Period, assuming that (x) such amount would reduce both the numerator and the denominator of any Overcollateralization Ratio and (y) any Principal Proceeds that the Asset Manager has not designated for reinvestment have been applied in accordance with the Note Payment Sequence. For this purpose, calculation of the required amount of (a) Interest Proceeds will give effect to any principal payments to be made on the Secured Notes pursuant to a more senior priority level of the Priority of Interest Payments on that Payment Date and (b) Principal Proceeds will give effect to (i) Interest Proceeds that will be used to make principal payments on the Secured Notes in accordance with the Priority of Payments on that Payment Date and (ii) Principal Proceeds to be applied pursuant to a more senior priority level of the Priority of Principal Payments on that Payment Date.

(iii) During the Reinvestment Period only, subject to available Interest Proceeds, the amount of Interest Proceeds available for the purchase of additional Underlying Assets or for investment in Eligible Investments pending the purchase of additional Underlying Assets because the Reinvestment Overcollateralization Test is not satisfied as of the related Determination Date shall be the amount that, if it were applied to the purchase of additional Underlying Assets or Eligible Investment pending the purchase of additional Underlying Assets would cause such test to be met for the current Determination Date. This amount shall be determined by calculating the amount of Interest Proceeds required for such purchase assuming that any such amount would increase the numerator of the Overcollateralization Ratio with respect to the Class E Notes for purposes of the Reinvestment Overcollateralization Test (but would not change the denominator).

(g) For purposes of determining whether Unscheduled Principal Payments and Disposition Proceeds of Credit Risk Obligations are available for reinvestment on any Payment Date after the Reinvestment Period under the Priority of Principal Payments, Principal Proceeds of all other types will be deemed to be distributed prior to the distribution of Unscheduled Principal Payments and Disposition Proceeds of Credit Risk Obligations on such Payment Date.

(h) In connection with all calculations required to be made pursuant to the definition of Effective Spread and the calculation of the Interest Coverage Ratio, only Cash distributions will be considered.

(i) References in Section 11.1 to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(j) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Tests. For the purposes of calculating compliance with clause (ix) of the Eligibility Criteria, Defaulted Obligations shall not be considered to have a Moody's Rating of "Caal" or

below or an S&P Rating of "CCC+" or below. For purposes of determining the percentage of the Maximum Investment Amount of any component of the Eligibility Criteria, Defaulted Obligations will be treated as having a Principal Balance of zero.

(k) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(l) To the extent there is, in the reasonable determination of an Authorized Officer of the Collateral Administrator, any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein (including with respect to the Term SOFR Rate or any other Benchmark), the Collateral Administrator shall request direction from the Asset Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(m) For purposes of all calculations under this Indenture, assets held by any Tax Subsidiary will be treated as Underlying Assets, Restructured Obligations or Equity Securities owned by the Issuer, as the case may be.

(n) Any future anticipated tax liabilities of a Tax Subsidiary related to an Underlying Asset held at such Tax Subsidiary will be excluded from the calculation of the Weighted Average Spread and Weighted Average Coupon (which exclusion, for the avoidance of doubt, may result in such Tax Subsidiary having a negative interest rate spread or negative interest rate coupon, as applicable, for purposes of such calculation), and the Interest Coverage Ratio.

(o) For purposes of calculating compliance with the Portfolio Criteria, solely at the discretion of the Asset Manager, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of any Underlying Asset shall be deemed to have the characteristics of such Underlying Asset until reinvested in an additional Underlying Asset. Such calculations shall be based upon the principal amount of such Underlying Asset, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligation or Credit Risk Obligation.

(p) Unless otherwise specified, any reference to a fee payable under Section 11.1 to an amount calculated with respect to a period at a per annum rate shall be computed on the basis of a 360 day year of twelve 30 day months prorated for the related Due Period. Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and shall be based on the Maximum Investment Amount (but including the par amount of any PIK Security, Partial PIK security, Defaulted Obligation, Equity Security and Restructured Obligation) measured as of the first day of the Due Period relating to each Payment Date.

(q) For the avoidance of doubt, all calculations related to Maturity Amendments, sales of Underlying Assets, Eligibility Criteria, the Portfolio Criteria (and definitions related to sales of Underlying Assets and the Portfolio Criteria), and other tests that would be calculated cumulatively will be reset at zero on the date of any Refinancing of all Classes of Secured Notes (other than the Class F-R Notes) in whole.

(r) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Collateral may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Asset Manager on which the Trustee may rely.

Section 1.3. Rules of Construction

All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated Articles, Sections, Subsections and other subdivisions of this Indenture as originally executed.

(a) The words "**herein**," "**hereof**," "**hereunder**," and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section, Subsection or other subdivision.

(b) The term "**including**" shall mean "including without limitation."

(c) The word "**or**" is always used inclusively herein (for example, the phrase "**A or B**" means "A or B or both," not "either A or B but not both"), unless used in an "**either or**" construction.

(d) The definitions of terms in Section 1.1 are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms.

(e) For the avoidance of doubt, any reference to the term "rating" shall not refer to the definition of S&P Rating or Moody's Rating, and the terms "S&P Rating" and "Moody's Rating" (and the provisions thereof) shall only apply where such terms are expressly used.

(f) When used with respect to payments on the Subordinated Notes, the term "**principal amount**" shall mean amounts distributable to Holders of the Subordinated Notes from Principal Proceeds, and the term "**interest**" shall mean Interest Proceeds distributable to Holders of the Subordinated Notes in accordance with the Priority of Payments.

(g) Except as otherwise specified herein or as the context may otherwise require: (i) references to an agreement or other document are to it as amended, supplemented, restated and otherwise modified from time to time and to any successor document (whether or not already so stated); (ii) references to a statute, regulation or other government rule are to it as amended from time to time and, as applicable, are to corresponding provisions of successor

governmental rules (whether or not already so stated); and (iii) references to a Person are references to such Person's successors and assigns (whether or not already so stated).

(h) Any reference to "execute", "executed", "sign", "signed", "signature" or other like term hereunder shall include execution by electronic signature (including, without limitation, any .pdf file, .jpeg file, or any other electronic or image file, or any "electronic signature" as defined under the U.S. Electronic Signatures in Global and National Commerce Act or the New York Electronic Signatures and Records Act, which includes any electronic signature provided using Orbit, Adobe Fill & Sign, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee), except to the extent the Trustee requests otherwise. Any such electronic signatures shall be valid, effective and legally binding as if such electronic signatures were handwritten signatures and shall be deemed to have been duly and validly delivered for all purposes hereunder.

(i) The Class X-R Notes shall not be included in the calculation of any Interest Coverage Test, any Overcollateralization Test, the Effective Date Overcollateralization Test or the Reinvestment Overcollateralization Test.

ARTICLE 2

The Applicable Issuer may assign one or more CUSIPs or similar identifying numbers to all or a portion of any Class of Notes for administrative convenience, in connection with a Re-Pricing pursuant to Section 9.6, to achieve FATCA Compliance (as provided in Section 2.12(c)), or in connection with the implementation of the Bankruptcy Subordination Agreement.

Section 2.2. Forms of Securities and Certificate of Authentication

(a) The form of the Notes, including the Certificate of Authentication, shall be as set forth in the applicable Exhibit A.

(b) Except for Definitive Securities, Notes offered and sold to purchasers that are not "U.S. persons" (as defined in Regulation S) in offshore transactions in reliance on Regulation S will be issued as Regulation S Global Securities, in each case substantially in the form of the applicable Exhibit A and deposited with the Trustee as custodian for, and registered

in the name of, DTC or its nominee for credit to the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(c) Each Class of Notes sold to persons that are QIB/QPs (except to the extent that any such QIB/QP elects to acquire a Definitive Security, as provided below) shall initially be represented by one or more Rule 144A Global Securities which shall be substantially in the form of the applicable Exhibit A and deposited with the Trustee as custodian for, and registered in the name of, DTC or its nominee, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. Any Notes sold to persons that are IAI/QPs shall be issued in one or more Definitive Securities, which shall be substantially in the form of the applicable Exhibit A and registered in the name of the beneficial owner or a nominee thereof, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided.

(d) No ~~ERISA-Restricted~~Issuer Only Note in the form of a Global Security may be sold either to a Controlling Person or to a Benefit Plan Investor (other than a Benefit Plan Investor or a Controlling Person purchasing an ~~ERISA-Restricted~~Issuer Only Note in the form of a Global Security on the Closing Date or First Refinancing Date, as applicable, or an affiliate transferee thereof).

(e) This Section 2.2(e) will apply only to Global Securities deposited with or on behalf of the Depository.

(i) The Issuers shall execute and the Trustee shall, in accordance with this Section 2.2(e), authenticate and deliver initially one or more Global Securities per Class, as applicable, that (i) shall be registered in the name of the Depository for such Global Security or Global Securities or the nominee of such Depository and (ii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee, as custodian for the Depository.

(ii) The aggregate principal amount of the Global Securities of a Class may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter provided.

(iii) Agent Members shall have no rights under this Indenture with respect to any Global Security held on their behalf by the Depository or under the Global Security, and the Depository may be treated by the Issuers, the Trustee, and any agent of the Issuers or the Trustee as the absolute owner of such Global Security for all purposes whatsoever (except to the extent otherwise provided herein). Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the Trustee, or any agent of the Issuers or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Security.

(f) Except as provided in Section 2.2(e), Section 2.5 and Section 2.10 hereof, owners of beneficial interests in Global Securities shall not be entitled to receive physical delivery of Definitive Securities.

Section 2.3. Authorized Amount; Note Interest Rate; Stated Maturity; Denominations

(1) The Note Interest Rate of a Class of Floating Rate Notes will be equal to the Benchmark plus the spread specified above for such Class. The Term SOFR Rate will be calculated by reference to rates with a tenor of three-month, except as provided in the definition of Designated Maturity. The Benchmark with respect to the period from the First Refinancing Date to the July 2024 Payment Date, will be determined by interpolating linearly between the rate for the next shorter period of time for which rates are available and the rate for the next longer period of time for which rates are available. The spread over the Benchmark (or the fixed interest rate) applicable to any Re-Pricing Eligible Class may be reduced in connection with a Re-Pricing of such Class, subject to the conditions described in Section 9.6.

(2) Interest on, and principal of, the Class X-R Notes and the Class A-1-R Notes will be pro rata and pari passu. However, principal of the Class X-R Notes (and not the Class A-1-R Notes) will be paid from Interest Proceeds during the Reinvestment Period and is expected to be paid in full on the April 2029 Payment Date.

(b) Interest accrued with respect to each Class of Floating Rate Notes shall be computed on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest accrued with respect to any Class of Fixed Rate Notes shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

(c) The Securities (or any beneficial interest therein if a Global Security) shall be issuable only in Authorized Denominations.

Section 2.4. **Execution, Authentication, Delivery and Dating**

The Notes shall be executed on behalf of the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer, by one of the Authorized Officers of the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer. The signature of such Authorized Officer on the Notes may be manual, electronic or facsimile.

Notes bearing the manual, electronic or facsimile signatures of individuals who were at any time of execution the Authorized Officers of the Applicable Issuer shall bind the Applicable Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Applicable Issuer may deliver Notes executed by the Applicable Issuer to the Trustee or the Authenticating Agent for authentication, and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original aggregate principal amount of the Notes so transferred, exchanged or replaced, but shall represent only the current outstanding principal amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article 2, the original principal amount of such Note

shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual or facsimile signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5. **Registration, Registration of Transfer and Exchange**

(a) The Issuer shall cause to be kept the Notes Register in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed as agent of the Issuer to act as Note Registrar for the purpose of registering and recording in the Notes Register the Notes and transfers of such Notes as herein provided (the "**Note Registrar**"). Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Note Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Registrar, and the Trustee shall have the right to inspect the Notes Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders of Notes and the principal amounts and registration numbers of such Notes. Upon request at any time the Note Registrar will provide to the Issuer, the Asset Manager or the Placement Agent a current list of Holders as reflected in the Notes Register.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office designated by the Trustee, the surrendered Notes shall be cancelled and destroyed by the Trustee in accordance with its standard policy and the Issuer (and solely in the case of the Co-Issued Notes, the Co-Issuer) shall execute, and the Trustee or the Authenticating Agent, as the case may be, shall authenticate and deliver in the name of the designated transferee or transferees, one or more new Notes of any Authorized Denomination and of a like aggregate principal amount.

The Issuer, the Co-Issuer or the Asset Manager, as applicable, shall notify the Trustee in writing of any Note beneficially owned by or pledged to the Issuer, the Co-Issuer or the Asset Manager or any of their respective Affiliates promptly upon its knowledge of the acquisition thereof or the creation of such pledge.

At the option of a Holder, Notes may be exchanged for Notes of like terms, in any Authorized Denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency, and in the case of Definitive Securities, at the office designated by the Trustee. Whenever any Note is surrendered for exchange, the

Applicable Issuers shall execute and the Trustee shall authenticate and deliver the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt or rights to payment, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Any Note and the rights to payments evidenced thereby may be assigned or otherwise transferred in whole or in part pursuant to the terms of this Section 2.5 only by the registration of such assignment and transfer of such Note on the Notes Register (and each Note shall so expressly provide). Any assignment or transfer of all or part of Definitive Security shall be registered on the Notes Register only upon presentment or surrender for registration of transfer or exchange of the Note duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar, the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer, duly executed by the Holder thereof or his attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("**STAMP**") or such other "signature guarantee program" as may be determined by the Note Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for the registration of any transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) The Issuer, the Co-Issuer or the Trustee, as applicable, shall not be required (i) to issue, register the transfer of or exchange any Note during a period beginning at the opening of business 15 days before any selection of Notes to be redeemed and ending at the close of business on the day of the mailing of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Note so selected for redemption.

(c) No Note may be sold or transferred (including by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt from the registration requirements under applicable state securities laws and will not cause either of the Issuers or the pool of Collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

No sale or transfer of an interest in any ~~ERISA-Restricted~~Issuer Only Notes to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Note Registrar, and the Issuer will not recognize any such sale or transfer, if such sale or transfer would result in (i) except in the case of a Benefit Plan Investor or a Controlling Person purchasing an ~~ERISA-Restricted~~Issuer Only Note in the form of a Global Security on the Closing Date or the First Refinancing Date, as

applicable, or an affiliate transferee thereof, a Benefit Plan Investor or a Controlling Person holding an interest in any ~~ERISA-Restricted~~Issuer Only Notes in the form of a Global Security or (ii) Benefit Plan Investors holding 25% or more of the Aggregate Outstanding Amount of the ~~ERISA-Restricted~~Issuer Only Notes, as applicable, determined in accordance with the Plan Asset Regulation and this Indenture and assuming, for this purpose, that all of the representations made or, in the case of Global Securities (other than ~~ERISA-Restricted~~Issuer Only Notes in the form of a Global Security purchased by a Benefit Plan Investor or Controlling Persons on the Closing Date or the First Refinancing Date, as applicable, or an affiliate transferee thereof) deemed to be made, by Holders of such Notes are true. For purposes of such calculations, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the significant participation test in accordance with the Plan Asset Regulation only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any interests in an ~~ERISA-Restricted~~Issuer Only Note held by any Person (other than a Benefit Plan Investor) that has discretionary authority or control with respect to the assets of the Issuers or that provides investment advice for a fee (direct or indirect) with respect to such assets or an "affiliate" (within the meaning of the Plan Asset Regulation) of such a Person (a "**Controlling Person**") shall be excluded and treated as not being Outstanding.

No transfer of a beneficial interest in a Note will be effective, and the Trustee and the Issuer will not recognize any such transfer, if the transferee's acquisition, holding and disposition of such interest would constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws).

(d) Upon final payment due on the Maturity of a Definitive Security, the Holder thereof shall present and surrender such Definitive Security at the office designated by the Trustee on or prior to such Maturity; *provided that*, if there is delivered to the Issuer, the Co-Issuer and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuer, the Co-Issuer or the Trustee that the applicable Definitive Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(e) So long as a Global Security remains Outstanding, transfers of a Global Security, in whole or in part, shall only be made in accordance with Section 2.2, Section 2.4 and this Section 2.5(e).

(i) Subject to clauses (ii), (iii) and (iv) of this Section 2.5(e) transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to nominees of the Depository or to a successor of the Depository or such successor's nominee.

(ii) **Rule 144A Global Security to Regulation S Global Security.** If a holder of a beneficial interest in a Rule 144A Global Security wishes at any time to exchange its interest in such Rule 144A Global Security for an interest in a Regulation S Global Security of the same Class, or to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of an interest in a Regulation S Global Security of the

same Class, such holder may, subject to the rules and procedures of the Depository, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the Regulation S Global Security. Upon receipt by the Trustee, as Note Registrar, of:

(A) instructions given in accordance with the Depository's procedures from an Agent Member directing the Trustee, as Note Registrar, to cause to be credited a beneficial interest in a Regulation S Global Security of the same Class in an amount equal to the beneficial interest in such Rule 144A Global Security, in an Authorized Denomination, to be exchanged or transferred;

(B) a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository and, in the case of an exchange or transfer pursuant to and in accordance with Regulation S, the Euroclear or Clearstream account to be credited with such increase; and

(xi) It understands that, subject to certain exceptions set forth in this Indenture, all information delivered to it by or on behalf of the Issuers in connection with and relating to the transactions contemplated by this Indenture (including, without limitation, the information contained in the reports made available to such holder on the Trustee's website) is confidential. (xvi) It agrees (A) except as prohibited by applicable law, to obtain and provide the Issuer and the Trustee (including their agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents or representatives, as applicable) to enable the Issuer or any non-U.S. Tax Subsidiary to achieve FATCA Compliance or to comply with the CRS or similar requirements in other jurisdictions (the obligations undertaken pursuant to this clause (A), the "**Holder Reporting Obligations**"), (B) that the Issuer and/or the Trustee or their agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to enable the Issuer or any non-U.S. Tax Subsidiary to achieve FATCA Compliance and compliance with CRS, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with its Holder Reporting Obligations or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in Section 2.11(b) of this Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this clause (3), to deposit payments on such Notes into a Tax Reserve Account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax

Any amounts deposited into a Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes.

(xvii) In the case of Subordinated Notes, it agrees to provide the Issuer and the Trustee (A) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in such Notes and (B) any additional information that the Issuer, the Trustee or their agents request in connection with any IRS Form 1099 reporting requirements, and to update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. (xxiv) It, by acceptance of a Note or an interest in a Note, agrees or is deemed to agree to indemnify the Issuer, the Asset Manager, their agents and their authorized representatives, the Trustee and the Paying Agent for any loss suffered as a result of such Purchaser's noncompliance with (i) FATCA or the Cayman FATCA Legislation or (ii) any request for information or documentation made by the Issuer, the Asset Manager, the Trustee or their agents that may be required for the Issuer and any non-U.S. Subsidiary to achieve FATCA Compliance.

(xxv) The Purchaser represents and warrants that all personal data provided to the Issuer or its delegates (including, without limitation, the Administrator) by or on behalf of the Purchaser has been and will be provided in accordance with applicable laws and regulations, including, without limitation, those relating to privacy or the use of personal data. The Purchaser shall ensure that any personal data that the Purchaser provides to the Issuer or its delegates (including, without limitation, the Administrator) is accurate and up to date, and the Purchaser shall promptly notify the Issuer if the Purchaser becomes aware that any such data is no longer accurate or up to date. The Purchaser acknowledges that the Issuer and/or its delegates may transfer and/or process personal data provided by the Purchaser outside of the Cayman Islands and the Purchaser hereby consents to such transfer and/or processing and further represents that it is duly authorised to provide this consent on behalf of any individual whose personal data is provided by the Purchaser. The Purchaser acknowledges receipt of the Issuer's privacy notice set out in the Offering Memorandum (the "**Privacy Notice**"). The Purchaser shall promptly provide the Privacy Notice to (i) each individual whose personal data the Purchaser has provided or will provide to the Issuer or any of its delegates in connection with the Purchaser's investment in the Notes (such as a directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents) and (ii) any other individual connected to the Purchaser as may be requested by the Issuer or any of its delegates. The Purchaser shall also promptly provide to any such individual, on request by the Issuer or any of its delegates, any updated versions of the Privacy Notice and the privacy notice (or other data protection disclosures) of any third party to which the Issuer or any of its delegates has directly or indirectly provided that individual's personal data.

Section 2.6. **Mutilated, Destroyed, Lost or Stolen Securities**

If (i) any mutilated Note is surrendered to a Transfer Agent, or (ii) there shall be delivered to the Applicable Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and there is delivered to the

Applicable Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them and any agent of any of them harmless, then, in the absence of notice to the Applicable Issuer, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuer shall execute and, upon Issuer Request (which Issuer Request shall be deemed to have been provided upon the delivery of an executed Note to the Trustee), the Trustee shall authenticate and deliver, in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same tenor and principal amount, and bearing a number not contemporaneously Outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuer, the Trustee and the Transfer Agent in connection therewith.

In case any such destroyed, lost or stolen Note has become due and payable, the Applicable Issuer in its discretion may, instead of issuing a new Note, pay such Note without requiring surrender thereof.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuer, the Trustee or a Transfer Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuer and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.7. Payment of Principal, Interest and Other Distributions; Principal and Interest Rights Preserved

(a) The Secured Notes shall accrue interest on the outstanding principal amount thereof. Interest on the Secured Notes shall be due and payable in arrears on each Payment Date immediately following the related Interest Accrual Period; *provided that* payments of interest on each Class will be subordinated on each Payment Date to payments of interest on each Higher Ranking Class in accordance with the Priority of Payments. Any interest on Notes of a Deferrable Class that is not available to be paid on a Payment Date in accordance with the Priority of Payments shall become "Deferred Interest" with respect to such Deferrable Class and shall be added to the principal amount of such Deferrable Class. Deferred Interest shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such

interest shall not be an Event of Default) until the Stated Maturity (or, if earlier, the Payment Date on which such interest is available to be paid pursuant to the Priority of Payments). Deferred Interest and Defaulted Interest will bear interest at the applicable Note Interest Rate until paid to the extent lawful and enforceable. Interest will cease to accrue on each Class of Secured Notes, or in the case of a partial repayment, on such repaid part, from the date of repayment or Stated Maturity unless payment of principal is improperly withheld or unless an Event of Default occurs with respect to such payments of principal.

Subordinated Notes will receive distributions of Interest Proceeds on each Payment Date in accordance with the Priority of Interest Payments, which amounts will be due and payable on such Payment Date. Any interest on the Subordinated Notes that is not available to be paid on a Payment Date in accordance with the Priority of Payments shall not be payable on such Payment Date or any date and shall not be considered "due and payable" for purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default).

(b) The principal of each Class of Secured Notes shall be due and payable on the Stated Maturity thereof unless the unpaid principal of such Class becomes due and payable at an earlier date by declaration of acceleration, Redemption or otherwise; *provided that* (1) unless otherwise provided herein, the payment of principal on any Class of Notes (x) may only occur after each Higher Ranking Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of principal due and payable on each Higher Ranking Class and other amounts, in each case, in accordance with the Priority of Payments; and (2) any payment of principal that is not paid on any Class of Notes in accordance with the Priority of Payments on any Payment Date shall not be considered "due and payable" for purposes of Section 5.1(b) until the Stated Maturity (or, if earlier, the Payment Date on which such funds are available for such payments in accordance with the Priority of Payments).

(c) Principal Proceeds will be due and payable on the Subordinated Notes on the Stated Maturity in accordance with the Priority of Payments. Any payment of principal of the Subordinated Notes that is not paid, in accordance with the Priority of Payments, on any Payment Date prior to the Stated Maturity, shall not be considered "due and payable" for purposes of Section 5.1(b) until the Stated Maturity.

As a condition to the payment of principal of and interest on any Note, the Applicable Issuer shall require certification acceptable to each of them (including the delivery of a properly completed and executed IRS Form W-9 (or applicable successor form) in the case of a Person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form, together with any attachments thereto) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) to enable the Applicable Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Note under any present or future law or regulation of the United States (or political subdivision thereof or taxing authority therein) or to comply with any reporting or other requirements under any such law or regulation.

Should any Holder of a Class of Notes fail for any reason to obtain and provide the Issuer and the Trustee with accurate or complete information or documentation described in the paragraph above or to the extent necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents, as applicable) to achieve FATCA Compliance, or to update or correct such information or documentation, the Issuer shall have the right to withhold on passthru payments, principal and any other amounts payable in respect of such Class of Notes.

(d) Payments due on any Payment Date on the Notes shall be payable by the Paying Agent by Dollar check drawn on a bank in the United States of America or by wire transfer in immediately available funds. In the case of a check, such check shall be mailed to the Person entitled thereto at the address that appears in the Notes Register and, in the case of a wire transfer, such wire transfer shall be sent in accordance with written instructions provided by such Person. Upon final payment due on the Maturity of a Note represented by a Definitive Security, the Holder thereof shall present and surrender such Note at the office designated by the Trustee upon payment at or prior to such Maturity; *provided that*, if there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. In the case where any final payment of principal, interest or other payments is to be made on any Note (other than at the Stated Maturity thereof) the Issuers or, upon Issuer Request, the Trustee, in the name and at the expense of the Issuer shall, not more than 30 nor less than three days prior to the date on which such payment is to be made, provide notice to Holders of Definitive Securities of the date on which such payment will be made and the place where such Notes may be presented and surrendered for such payment.

(e) Subject to the provisions of Section 2.7(a) and (b) hereof, the Holders as of the Regular Record Date in respect of a Payment Date shall be entitled to the interest accrued and payable in accordance with the Priority of Payments and principal payable in accordance with the Priority of Payments on such Payment Date. All such payments that are mailed or wired and returned to the Corporate Trust Office of the Trustee or at the office of any Paying Agent shall be held for payment as herein provided by the Trustee in trust for such Holder.

(f) Payments on any Note that are payable and punctually paid or duly provided for on any Payment Date shall be paid to the Person in whose name that Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such payment. Payments of principal to Holders of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(g) Subject to Section 2.7(a) hereof, following any Payment Date giving rise to any Defaulted Interest with respect to the Notes, the Trustee shall make payment of such Defaulted Interest and any accrued and unpaid interest thereon on such date that is not more than five Business Days after sufficient funds are available therefor in the Collection Account (a "**Special Payment Date**"). The special record date (a "**Special Record Date**") for the payment

of such Defaulted Interest shall be three Business Days prior to the Special Payment Date as fixed by the Trustee. The Trustee shall notify the Issuers and the applicable Noteholders of such Special Payment Date and the Special Record Date at least two Business Days prior to the Special Payment Date. Defaulted Interest shall be paid on such Special Payment Date *pro rata* based on the Aggregate Outstanding Amount to the Holders of the applicable Notes as of the close of business on such Special Record Date in accordance with the priorities set forth in the Priority of Interest Payments.

Notwithstanding the foregoing, payment of any Defaulted Interest may be made in any other lawful manner in accordance with the priorities set forth in the Priority of Interest Payments if notice of such payment is given by the Trustee to the Issuers and the Holders entitled to receive such Defaulted Interest, and such manner of payment shall be deemed practicable by the Trustee.

(h) All reductions in the principal amount of a Class of Notes (or one or more predecessor Notes) effected by payments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Class of Notes and of any Notes issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Class of Notes.

(i) Notwithstanding any other provision of this Indenture, the obligations under this Indenture and the Notes are limited recourse obligations of the Issuers in the case of the Co-Issued Notes and the Issuer in the case of the Issuer Only Notes payable solely from the Collateral in accordance with the terms of this Indenture. Once the Collateral has been realized and applied in accordance with the Priority of Payments or otherwise as required hereunder, any outstanding obligations of and any claims against, the Applicable Issuer under the Notes and this Indenture shall be extinguished and shall not thereafter revive. No recourse shall be had for the payment of any amount owing in respect of the Notes or this Indenture against any officer, director, employee, administrator, partner, shareholder, member, manager or incorporator of the Issuers or any successors or assigns thereof for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this clause (i) shall not (x) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral, or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture, until such Collateral has been realized and proceeds distributed in accordance with the Priority of Payments, whereupon any outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this clause (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any action or suit or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person.

(j) Subject to the foregoing provisions of this Section 2.7, each Class of Notes continued or delivered under this Indenture and upon registration of transfer of or in

exchange for or in lieu of any other Class of Notes shall carry the rights of unpaid interest, principal and other payments that were carried by such other Class of Notes.

(k) Notwithstanding any of the foregoing provisions with respect to payments of principal of and interest on the Secured Notes and payments on the Subordinated Notes, if any Notes have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of principal of and interest on such Secured Notes and payments on such Subordinated Notes shall be made in accordance with Section 5.7.

(l) Subject to Article 5 and Section 13.1, on each Payment Date, available Interest Proceeds and Principal Proceeds shall be paid to Holders of the Subordinated Notes in accordance with the Priority of Payments.

Section 2.8. Persons Deemed Owners

The Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee shall treat the Person in whose name any Class of Notes is registered in the Notes Register on the applicable Record Date as the owner of such Class for the purpose of receiving payments of principal, interest or other payments on such Class and on any other date for all other purposes whatsoever (whether or not such Class is overdue), and none of the Issuers, the Trustee or any agent of the Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.9. Cancellation

(a) All Notes delivered for cancellation or surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall, if surrendered to any Person (including the Issuer) other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard policy unless the Issuer shall direct by an Issuer Order prior to cancellation that they be returned to the Issuer. The Issuer shall provide notice to the Rating Agency of any cancelled Notes.

(b) Any Repurchased Notes (including beneficial interests in Global Securities) delivered to the Trustee for cancellation and any Surrendered Notes (including beneficial interests in Global Securities) surrendered to the Trustee for cancellation will be promptly cancelled by the Trustee; however, such Notes will be deemed to be Outstanding to the extent provided in clause (b) of the definition of Outstanding.

Section 2.10. Global Securities

(a) Subject to Section 2.5(e), a Global Security deposited with the Depository pursuant to Section 2.2 shall be transferred to the beneficial owners thereof only if such transfer complies with Section 2.5 of this Indenture and the Depository notifies the Issuers that it is

unwilling or unable to continue as Depository for such Global Security or if at any time such Depository ceases to be a Clearing Agency and a successor depository is not appointed by the Issuers within 90 days of such notice.

(b) Any Global Security that is transferable to the beneficial owners thereof pursuant to this Section 2.10 shall be surrendered by the Depository to the Trustee, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate original principal amount of the Notes, as applicable, of authorized denominations. Any portion of a Rule 144A Global Security or a Regulation S Global Security transferred pursuant to this Section 2.10 shall be executed, authenticated and delivered only in Authorized Denominations.

(c) Subject to the provisions of Section 2.10(b) above, the registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) Upon receipt of notice from the Depository of the occurrence of either of the events specified in Section 2.10(a), the Issuer shall use its commercially reasonable efforts to make arrangements with the Depository for the exchange of interests in the Global Securities for individual Definitive Securities and cause the requested individual Definitive Securities to be executed and delivered to the Note Registrar in sufficient quantities and authenticated by or on behalf of the Trustee for delivery to Holders.

Pending the preparation of certificates for such Class of Notes, pursuant to this Section 2.10, the Issuers may execute, and upon Issuer Order the Trustee shall authenticate and deliver, temporary certificates for such Class of Notes, that are printed, photocopied or otherwise reproduced, in any Authorized Denomination, substantially of the tenor of the definitive certificates in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officers executing such temporary certificates may determine, as conclusively evidenced by their execution of such certificates.

If temporary certificates for a Class of Notes are issued, the Issuers shall cause such Notes to be prepared without unreasonable delay. The definitive certificates shall be printed, lithographed or engraved, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable securities exchange, all as determined by the Officers executing such definitive certificates. After the preparation of definitive certificates, the temporary certificates shall be exchangeable for definitive certificates upon surrender of the temporary certificates at the office designated by the Trustee without charge to the Holder. Upon surrender for cancellation of any one or more temporary certificates, the Issuers shall execute, and the Trustee shall authenticate and deliver, in exchange therefor the same aggregate original principal amount of definitive certificates of authorized denominations. Until so exchanged, the temporary certificates shall in all respects be entitled to the same benefits under this Indenture as definitive certificates.

Persons exchanging interests in a Global Security for individual Definitive Securities shall be required to provide to the Trustee, through the Depository, (i) written instructions and other information required by the Issuer and the Trustee to complete, execute and deliver such individual Definitive Securities, (ii) in the case of an exchange of an interest in a Rule 144A Global Security, such certification as to QIB, QP and/or Institutional Accredited Investor status as the Issuer and the Trustee shall require and (iii) in the case of an exchange of an interest in a Regulation S Global Security, such certification as the Issuer shall require. In all cases, individual Definitive Securities delivered in exchange for any Global Security or beneficial interests therein will be registered in the names, and issued in any Authorized Denominations, requested by the Depository.

Neither the Trustee nor the Note Registrar shall be liable for any delay in the delivery of directions from the Depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the owners in whose names such Definitive Securities shall be registered or as to delivery instructions for such Definitive Securities.

Section 2.11. **Non-Permitted Holders; Compulsory Sales**

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Global Security or Definitive Security to a Non-Permitted Holder of a Note shall be null and void *ab initio* and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice shall be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Non-Permitted Holder becomes the beneficial owner of any Global Security or Definitive Security, the Issuer shall, promptly after becoming aware that such Person is a Non-Permitted Holder, send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder that is otherwise authorized to be a Holder of such Notes within 30 days of the date of such notice. If such Non-Permitted Holder fails to transfer its Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Asset Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder; *provided that* the Issuer or the Asset Manager may select a purchaser by any other means determined by the Issuer in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Asset Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale, shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Asset Manager or the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion. If any Non-Permitted Tax Holder becomes the beneficial

owner of any Global Security or Definitive Security, the Issuer shall have the right, to (x) compel such Holder to sell its interest in such Note, (y) sell such interest on such Holder's behalf, and/or (z) assign to such Note or Notes a separate CUSIP or CUSIPs. Moreover, the Holder of each Note (including any beneficial owner), by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Asset Manager and the Trustee to effect such transfers.

(c) If (i) a Holder of a Note fails for any reason to comply with the Holder AML Obligations, (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.12. **Additional Notes**

(a) At any time during the Reinvestment Period with respect to the Secured Notes and at any time, with respect to the Subordinated Notes, pursuant to a supplemental indenture in accordance with Article 8 and subject to Section 3.3, the Asset Manager, in its sole discretion, may direct the Applicable Issuer to issue Additional Notes under this Indenture, with respect to any one or more existing Classes (**other than the Class X-R Notes**) and (x) use the proceeds to purchase Underlying Assets, enter into Hedge Agreements and pay expenses related to such issuance and (y) in the case of an additional issuance of Subordinated Notes, apply all or a portion of the net proceeds from such additional issuance to any Permitted Use (as directed by a Majority of the Subordinated Notes at the time of such additional issuance); *provided that* the following conditions are met (as certified by the Issuer or the Asset Manager on its behalf):

(i) the Rating Agency shall have been notified of such additional issuance;

(ii) the issuance of such Additional Notes is approved by a Majority of the Subordinated Notes and, solely in the case of an issuance of additional Class **A-1-R** Notes, a Majority of the Class **A-1-R** Notes;

(iii) in the case of any Secured Notes, the issuance of such Additional Notes does not exceed 100% of the original issue amount of each applicable Class;

(iv) the terms of such Additional Notes are identical to the terms of the previously issued Notes of the Class of which such Additional Notes are a part, except for (i) the terms related to the issuance price, (ii) the spread over the Benchmark or the fixed interest rate (which, in each case, will be lower or equal to the interest rate of the respective Class as of the date of the issuance of such Additional Notes), (iii) the date on which interest begins to accrue and (iv) the first Payment Date;

(v) except in the case of an additional issuance of Subordinated Notes only, the issuance of such Additional Notes shall be on a *pro rata* basis across all Classes of Secured Notes (based upon the Aggregate Outstanding Amount of each Class of Notes immediately prior to the issuance of such Additional Notes), except that a proportionately higher amount of Subordinated Notes may be issued;

(vi) unless only additional Subordinated Notes are being issued, Tax Advice is delivered to the Trustee providing that, for U.S. federal income tax purposes, any Additional Notes that are Co-Issued Notes will be treated, and any additional Class E Notes should be treated, as indebtedness for U.S. federal income tax purposes; *provided, however*, that the Tax Advice described above will not be required with respect to any additional Notes that bear a different securities identifier from the Notes of the same Class that were issued on the Closing Date or the First Refinancing Date, as applicable, and are Outstanding at the time of the additional issuance;

(vii) in the case of the Secured Notes, such issuance is accomplished in a manner that allows the Independent accountants of the Issuer to accurately provide the tax information relating to original issue discount that this Indenture requires to be provided to the Holders and beneficial owners of Secured Notes (including the Additional Notes);

(viii) the expenses incurred in connection with the issuance of such Additional Notes have been paid or shall be adequately provided for as Administrative Expenses;

(ix) each Holder of a Class of previously issued Notes of which Additional Notes are a part is given at least seven days prior notice of the issuance of such Additional Notes and offered an opportunity to purchase Additional Notes such that its proportional ownership of such Class of Additional Notes prior to the issuance of such Additional Notes is maintained following issuance of such Additional Notes; *provided* without limitation to the foregoing, if the Asset Manager delivers a Manager Change in Law Notice, the Asset Manager or one of its Affiliates will have the right to acquire Additional Notes of each Class of which Additional Notes are being issued in an amount at least equal to the Springing Retention Interest; and

(x) unless only additional Subordinated Notes are being issued, each Coverage Test will be maintained or improved after the issuance of Additional Notes.

Notwithstanding the foregoing, if the Asset Manager delivers a Manager Change in Law Notice, the conditions set forth in this Section 2.12(a) shall not apply with respect to the issuance of any Additional Notes representing the Springing Retention Interest; *provided* that any Additional Notes issued pursuant to this clause shall either be issued (x) solely in the form of additional Subordinated Notes, (y) as a specific percentage of each Class of Notes, such percentage to be the same for all Classes or (z) as a specific percentage of each Class of Secured Notes, such percentage to be the same for all Classes of Secured Notes and a greater percentage of Subordinated Notes.

Subject to the right of the Asset Manager or one of its Affiliates to acquire Additional Notes of each Class of which Additional Notes are being issued in an amount at least

equal to the Springing Retention Interest upon the delivery of a Manager Change in Law Notice, any Additional Notes of any Class issued as described above will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class.

(b) At any time pursuant to a supplemental indenture in accordance with Article 8, the Issuer may, at the direction or with the prior written consent of the Asset Manager and consent of a Majority of the Subordinated Notes, issue Additional Notes under this Indenture of one or more new classes that will be subordinate in right of payment of principal and interest to all existing Classes (other than the Subordinated Notes) ("**Junior Mezzanine Notes**") and apply the net proceeds from such additional issuance to any Permitted Use (as directed by a Majority of the Subordinated Notes at the time of such additional issuance, unless designated as Interest Proceeds pursuant to the definition thereof); *provided that* (i) the Issuer issues an authentication order for such Junior Mezzanine Notes; (ii) if such Junior Mezzanine Notes are rated by any Rating Agency, such rating has been assigned; (iii) the expenses in connection with the issuance of such Junior Mezzanine Notes have been paid or adequately provided for as Administrative Expenses; and (iv) each Holder of Subordinated Notes is given at least 7 days prior notice of the issuance of such Junior Mezzanine Notes and offered an opportunity to purchase Additional Notes such that its proportional ownership of such Additional Notes is no less than its proportional interest of Subordinated Notes prior to the additional issuance of such Junior Mezzanine Notes; *provided* without limitation to the foregoing, if the Asset Manager delivers a Manager Change in Law Notice, the Asset Manager or one of its Affiliates will have the right to acquire Junior Mezzanine Notes of each Class of which Junior Mezzanine Notes are being issued in an amount at least equal to the Springing Retention Interest. For the avoidance of doubt, any additional issuance of Junior Mezzanine Notes pursuant to this clause (b) is not subject to Section 2.12(a) or Section 3.3.

Notwithstanding the foregoing, if the Asset Manager delivers a Manager Change in Law Notice, the conditions set forth in this Section 2.12(b) shall not apply with respect to the issuance of any Additional Notes representing the Springing Retention Interest.

(c) The Issuer or Issuers may, with the prior written consent of the Asset Manager, at any time pursuant to a supplemental indenture in accordance with Article 8, issue Replacement Notes in connection with a Re-Pricing or in connection with a Refinancing for the Class or Classes being refinanced. In addition, the Issuer or Issuers may issue Additional Notes in connection with a Refinancing of all Classes of Secured Notes in whole, which issuance shall not be subject to Section 2.12(a) or Section 3.3, but shall be subject only to the requirements for such Refinancing set forth in Article 9.

(d) At any time, pursuant to a supplemental indenture in accordance with Article 8, the Issuer may, at the direction or with the prior written consent of the Asset Manager, issue a subordinated funding note evidencing the right to receive payments that would otherwise be payable as the Subordinated Asset Management Fee and/or the Incentive Asset Management Fee.

(e) Any issuance of Additional Notes pursuant to Section 2.12(a) through (c) that constitute Notes shall be subject to the terms of this Indenture as if such Additional Notes had been issued on the date hereof. In connection with the issuance of any Additional Notes of an existing Class, the Issuer shall, to the extent required by the rules thereof, provide any stock exchange then listing such Class with a listing circular or an offering circular supplement relating to such Additional Notes.

(f) Notice and execution copies of the supplemental indenture related to each issuance of Additional Notes will be provided as required under Article 8.

Section 2.13. No Gross Up

The Applicable Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges, including under FATCA.

ARTICLE 3

CONDITIONS PRECEDENT; CERTAIN PROVISIONS RELATING TO COLLATERAL

Section 3.1. General Provisions

The Securities to be issued on the Closing Date may be executed by the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer, and delivered to the Trustee for authentication and thereupon the same shall be authenticated and delivered by the Trustee upon Issuer Request, upon compliance with Section 3.2 and upon receipt by the Trustee of the following:

(a) an Officer's Certificate of the Issuer: (A) evidencing the authorization by the Issuer of the execution and delivery of the Transaction Documents to which it is a party and the execution, authentication and delivery of the Notes; and (B) certifying that (1) the attached copy of the Resolution of the Issuer is a true and complete copy thereof, (2) such resolutions have not been rescinded and are in full force and effect on and as of the Closing Date and (3) the Officers authorized to execute and deliver such documents hold the positions and have the signatures indicated thereon; and

(c) if any Class A-1-R Notes are Outstanding, the failure of the Event of Default Par Ratio to be at least 102.5% on any Measurement Date;

(d) any of the Issuer, the Co-Issuer or the pool of Collateral becomes an investment company required to be registered under the Investment Company Act (and such status continues for 45 days);

(e) a default in any material respect in the performance, or breach in any material respect, of any other covenant, representation, warranty or other agreement of the Issuer or the Co-Issuer under this Indenture (it being understood that a failure of any Portfolio Criteria or the Reinvestment Overcollateralization Test shall not be a default or breach) or in any certificate or writing delivered by the Issuer or the Co-Issuer pursuant to this Indenture, or any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or writing delivered by the Issuer or the Co-Issuer pursuant hereto fails to be correct in any respect when made, which default, breach or failure has a material adverse effect on the Holders of Notes and continues for a period of 30 or more days after notice thereof shall have been given to the Issuer and the Asset Manager by the Trustee or to the Trustee (who shall forward it to the Issuer and the Asset Manager), by the Holders of a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default";

(f) the occurrence of a Bankruptcy Event; or

(g) the failure on any Payment Date to disburse amounts available in the Payment Account in excess of U.S.\$25,000 in accordance with the Priority of Payments in respect of the Secured Notes, which failure has a material adverse effect on the Holders, and the continuation of such failure for a period of 10 days (or, if such failure can only be remedied on a Payment Date, such failure continues until the later of the 10 day period specified above and the next Payment Date), or, in the case of a failure to disburse due to an administrative error or omission by the Trustee, Collateral Administrator or any Paying Agent, such failure continues for ten Business Days after a Trust Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission.

If at any time the sum of (i) Eligible Investments, and (ii) amounts reasonably expected to be received by the Issuer in Cash during the current Due Period (as certified by the Asset Manager in its reasonable judgment) is less than the Dissolution Expenses, then notwithstanding any other provision of this Indenture, the Issuer (or the Trustee on its behalf) shall no longer be required to obtain annual opinions under Section 7.8 or accountants reports under Section 10.5 and Section 10.7, and failure to obtain such opinions or reports shall not constitute a Default or Event of Default under clause (e) above.

Upon the occurrence of or receipt of written notice or actual knowledge of the occurrence of an Event of Default, each of (i) the Issuers, (ii) the Trustee and (iii) the Asset Manager shall notify each other in writing, which may be by facsimile or electronic mail, and the Trustee on behalf of the Issuers shall promptly notify any Hedge Counterparty, the Noteholders, each Paying Agent and each Rating Agency in writing pursuant to Section 6.2 hereof.

Section 5.2. Acceleration of Maturity; Rescission and Annulment

(a) If an Event of Default occurs and is continuing (other than a Bankruptcy Event), (i) the Trustee may, and at the direction of a Majority of the Controlling Class will, by written notice to the Issuer (with a copy of such notice to each Rating Agency), or (ii) a Majority of the Controlling Class, by written notice to the Issuer, the Asset Manager and the Trustee (and the Trustee shall in turn provide notice to the Holders of all Notes then Outstanding and each Rating Agency), may declare the principal of all of the Notes to be immediately due and payable, and upon any such declaration, such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period will terminate. If a Bankruptcy Event occurs, all unpaid principal, together with any accrued and unpaid interest thereon, of all of the Notes, and other amounts payable hereunder, shall automatically become due and payable, without any declaration or other act on the part of the Trustee or any Holder of Notes.

(b) At any time after such a declaration of acceleration of Maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article 5, a Majority of the Controlling Class, by written notice to the Issuers, the Trustee and each Rating Agency, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay, and shall pay:

(A) all overdue installments of interest on and principal of the Secured Notes then due (other than amounts due solely as a result of such acceleration);

(B) to the extent that payment of such interest is lawful, interest on any Deferred Interest and Defaulted Interest at the applicable Note Interest Rate;

(C) all unpaid taxes and Administrative Expenses and sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel; and

(ii) the Trustee has determined that all Events of Default, other than the nonpayment of the interest on or principal of Notes that have become due solely by such acceleration, have been cured and a Majority of the Secured Notes of each Class (voting separately) by written notice to the Trustee has agreed with such determination or a Majority of the Controlling Class has waived such Event of Default as provided in Section 5.14.

Notice of any such rescission and annulment will be provided to Fitch.

The Notes may be accelerated pursuant to the first paragraph of this Section 5.2, notwithstanding any previous rescission and annulment of a declaration of acceleration pursuant to this paragraph.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee

If an Event of Default has occurred and is continuing and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, or at any time on or after the Stated Maturity of the Notes, the Trustee may in its discretion after written notice to the Holders of Notes, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Holders of Notes by such appropriate Proceedings, in its own name and as trustee of an express trust, as the Trustee shall deem most effective (if no direction by a Majority of the Controlling Class is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law. Unless the Stated Maturity has occurred, this Section 5.3 shall be subject to Section 5.5.

If there are any pending Proceedings relative to the Issuer, the Co-Issuer or any other obligor of the Notes under the Bankruptcy Code, the bankruptcy or insolvency laws of the Cayman Islands or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or Trustee in bankruptcy or reorganization, liquidator, sequestrator or similar

official shall have been appointed for or taken possession of the Issuer or its respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal, interest or payments owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee) and of the Holders of Notes allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor of the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of Notes in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or a Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders of Notes and of the Trustee on their behalf; and any Trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of Notes, to pay to the Trustee such amounts as shall be sufficient to provide reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of Notes.

Section 5.4. Remedies

(a) Subject to Section 5.5 hereof, if an Event of Default shall have occurred and be continuing, and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuers agree that the Trustee may (and shall, subject to Section 5.13, upon direction by a Majority of the Controlling Class), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral monies adjudged due;

(ii) sell all or a portion of the Collateral or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and

(v) to the extent not inconsistent with clauses (i) through (iv) above, exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.4 unless any of the conditions specified in Section 5.5(a) is met.

The Trustee is entitled to obtain (at the expense of the Issuer) and rely upon an opinion of an Independent investment banking firm of national reputation as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the Proceeds and other amounts receivable with respect to the Collateral, to make the required payments of principal and interest on any Class of Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) hereof shall have occurred and be continuing the Trustee may, and at the request of the Holders of not less than 25% of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(e), and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Secured Party may bid for and purchase the Collateral or any

part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale may, in paying the purchase money, deliver to the Trustee any of the Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on such Notes so delivered (taking into account the Class of such Notes and the Priority of Payments). If the amounts payable on such Notes shall be less than the amount due thereon, such Notes shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment of such amount.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, the receipt of the Trustee, or of the officer making a sale under judicial proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase money, and such purchaser or purchasers shall not have any obligation with respect to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall bind the Issuers, the Trustee and the Secured Parties, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of (w) the Trustee, in its own capacity, or on behalf of any Holder of Notes, (x) the Holders of Notes and each holder of a beneficial interest therein, (y) the Asset Manager or (z) any other Secured Parties, may, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law or U.S. federal or state bankruptcy or similar laws of other jurisdictions. Nothing in this Section 5.4(d) shall preclude, or be deemed to estop, the Trustee (1) from taking any action prior to the expiration of the aforementioned one year and one day (or longer) period in (A) any case or proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee or its Affiliates, or (2) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation proceeding.

(i) Notwithstanding anything to the contrary in this Article 5 or elsewhere in this Indenture, if any Proceeding described in Section 5.4(d)(i) is commenced against the Issuer, the Co-Issuer or any Tax Subsidiary, then the Issuer, the Co-Issuer or such Tax Subsidiary, as applicable, subject to the availability of funds as described in the immediately following sentence, will promptly object to the institution of any such proceeding against it and take all necessary or advisable steps to cause the dismissal of any such proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other

appropriate pleading objecting to (x) the institution of any proceeding to have the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (y) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any Tax Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action will be paid as Administrative Expenses.

(ii) In the event one or more Holders or beneficial owners of Secured Notes causes the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary in violation of the prohibition described above (each, a "**Filing Holder**"), any claim that any such Filing Holder has against the Issuers (including under all Secured Notes of any Class held by it) or any Tax Subsidiary or with respect to any Collateral (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder or beneficial owner of any Secured Note that is not a Filing Holder (and each other secured creditor of the Issuer), with such subordination being effective until each Secured Note held by each Holder or beneficial owner that is not a Filing Holder (and each claim of each other secured creditor of the Issuer) is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "**Bankruptcy Subordination Agreement**" and any Class of Secured Notes of any Holder or beneficial owner who becomes subject to such subordination is referred to herein as a "**Bankruptcy Subordinated Class.**" The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code. The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the Bankruptcy Subordination Agreement. In order to give effect to the Bankruptcy Subordination Agreement, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class of Secured Notes held by each Filing Holder.

(iii) Any Holder or beneficial owner of Notes, any Tax Subsidiary or either Issuer may seek and obtain specific performance (including injunctive relief) of the restrictions in this Section 5.4(d), including in any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5. **Optional Preservation of Collateral**

(a) Notwithstanding Section 5.4, if an Event of Default shall have occurred and be continuing, the Trustee shall not liquidate or sell the Collateral (*provided that* Credit Risk Obligations with respect to which at least one criterion in clause (a), (b) or (c) of the definition of Credit Risk Obligation applies, Defaulted Obligations, Margin Stock, Equity Securities, Unsaleable Assets and Tax Assets may continue to be sold by the Issuer pursuant to Section 12.1(h)), shall collect and cause the collection of the proceeds thereof and shall make and apply all payments and deposits and maintain all accounts hereunder in accordance with the provisions

of Article 10, Article 11, Article 12 and Article 13 and at all times subject to Section 13.1 unless the Notes have been accelerated and either:

(i) the Trustee determines that the anticipated proceeds of a sale or liquidation of the Collateral (after deducting the expenses of such sale or liquidation) would be sufficient to pay in full the sum of (A) the principal and accrued interest with respect to all the Outstanding Secured Notes, and (B)(1) all Administrative Expenses and (2) all other items senior in right of payment to the distributions on the Subordinated Notes under clause (~~xiv~~xv) of the Subordination Priority of Payments, and a Majority of the Controlling Class agrees with such determination (the "**Proceeds Requirement**");

(ii) in the case of any Event of Default other than a Class A-1 Default or an Event of Default described in clause (c) of the definition thereof, a Supermajority of the Holders of each Class (voting separately) directs the sale or liquidation of the Collateral;

(iii) solely for so long as any Class A-1-R Notes are Outstanding, in the case of an Event of Default described in either clause (a) or (b) of the definition thereof that was caused by the failure to pay interest on or (as applicable) principal of the Class A-1-R Notes (a "**Class A-1 Default**") or an Event of Default described in clause (c) of the definition thereof (in each case, without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default, unless such Event of Default occurred solely as a result of acceleration), a Majority of the Class A-1-R Notes directs the sale or liquidation of the Collateral; or

(iv) if any Event of Default occurs when no Secured Notes are then Outstanding, a Majority of the Subordinated Notes directs the sale or liquidation of the Collateral.

(b) Regardless of whether the conditions set forth in Section 5.5(a)(i), (ii), (iii) or (iv) have been satisfied, (i) the Asset Manager may direct the Trustee to (and the Trustee shall) complete the acquisition or sale of assets that are the subject of a binding commitment entered into by the Issuer prior to such Event of Default (including a commitment with respect to which the principal amount has not yet been allocated) and to accept any Offer or tender offer made to all holders of any Underlying Asset at a price equal to or greater than its par amount plus accrued interest and (ii) the Issuer shall continue to hold funds on deposit in the Variable Funding Account to the extent required to meet the Issuer's obligations with respect to the aggregate unfunded portion of any Revolving Credit Facility or Delayed-Draw Loan.

(c) The Trustee shall give written notice of its determination to liquidate or sell the Collateral to the Issuer with a copy to the Co-Issuer and each Rating Agency. So long as such Event of Default is continuing, any such determination may be made at any time when the conditions specified in Section 5.5(a)(i), (ii), (iii) or (iv) exist.

(d) If any of the conditions set forth in Section 5.5(a) are satisfied, the Trustee shall sell the Collateral in accordance with Section 5.17 hereof. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to

require the Trustee to preserve the Collateral if prohibited by applicable law or if the Trustee is directed to liquidate the Collateral pursuant to Section 5.5(a)(ii), (iii) or (iv).

(e) In determining whether the condition specified in Section 5.5(a)(i) is satisfied, the Trustee, in consultation with the Asset Manager, shall obtain bid prices with respect to each Pledged Obligation from at least two nationally recognized dealers as specified by the Asset Manager in writing, that at the time makes a market in such Pledged Obligation (or if there is only one such dealer or market maker, or failing that, bidder, then the Trustee shall obtain a bid price from that dealer, market maker or bidder, or if there are no nationally recognized dealers, then the Trustee shall obtain quotes from a pricing source) and shall compute (in consultation with the Asset Manager) the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Pledged Obligation. In addition, in determining issues relating to whether the condition specified in Section 5.5(a)(i) is satisfied, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation.

(f) The Trustee shall make the determinations required by Section 5.5(a)(i) only at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Collateral pursuant to Section 5.5(a) and the obligation to make any such determination will be subject to Section 6.3(c). In the case of each calculation made by the Trustee pursuant to Section 5.5(a)(i), the Trustee shall obtain a report (an "**Accountants' Report**") of an Independent certified public accountant of national reputation re-computing the computations of the Trustee and determining their conformity to the requirements of this Indenture. In determining whether the Holders of the requisite Aggregate Outstanding Amount of any of the Notes have given any direction or notice pursuant to Section 5.5(a), a Holder of any Class of Notes that is also a Holder of any other Class of Notes shall be counted as a Holder of each such Class of Notes for all purposes. The Trustee shall promptly deliver to the Holders of the Securities a report stating the results of any determination made pursuant to Section 5.5(a)(i), which, for the avoidance of doubt, shall not include a copy of the Accountants' Report.

Section 5.6. Trustee May Enforce Claims Without Possession of Securities

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust, and any recovery or judgment, subject to the payment of the reasonable expenses, disbursements in compensation of the Trustee, each predecessor Trustee and its agents and attorneys in counsel, shall be applied as set forth in Section 5.7 hereof.

Section 5.7. Application of Money Collected

(a) If any Event of Default has occurred and acceleration has not occurred, payments will be made on each Payment Date in accordance with the Priority of Interest Payments and Priority of Principal Payments.

(b) Upon receipt of a direction to liquidate pursuant to this Article 5, the Trustee shall suspend all payments pursuant to this Indenture until the Liquidation Payment

Date. The application of any money collected by the Trustee (net of expenses incurred in connection with such sale, including reasonable fees and expenses of its attorneys and agents) pursuant to this Article 5 and any funds that may then be held or thereafter received by the Trustee shall be applied on the Liquidation Payment Date, in accordance with the Subordination Priority of Payments.

(c) If any Event of Default has occurred and has not been cured or waived and acceleration has occurred, but the Trustee has not received a direction to liquidate pursuant to this Article 5, payments will be made on each Payment Date in accordance with the Subordination Priority of Payments.

Section 5.8. **Limitation on Suits**

No Holder of any Notes shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) except as otherwise provided in Section 5.9, the Holders of at least 25% of the Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as the Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee indemnity in accordance with Section 6.3(e) against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Secured Notes of each Class (voting separately);

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Notes of the same Class, subject to and in accordance with Section 11.1 and Section 13.1. In addition, any action taken by any one or more Holders of Notes shall be subject to the restrictions of Section 5.4(d).

If direction from less than a Majority of the Secured Notes of any Class is required under this Section 5.8 and the Trustee shall receive conflicting or inconsistent requests

and indemnity from two or more groups of Holders of the Secured Notes of such Class, each representing less than a Majority of the Secured Notes of such Class, the Trustee shall take the action requested by the Holders of the largest percentage in Aggregate Outstanding Amount of the Secured Notes of such Class, notwithstanding any other provisions of this Indenture.

Section 5.9. Unconditional Rights of Noteholders to Receive Principal and Interest

(a) Notwithstanding any provision in this Indenture other than Section 2.7(h) and Section 2.7(i), the Holder of each Class of Secured Notes shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Notes as such principal and interest becomes due and payable hereunder, in accordance with the Priority of Payments, and subject to the provisions of Section 5.4(d) and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(b) Holders of Notes of a Lower Ranking Class shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Higher Ranking Class remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder. For so long as any Higher Ranking Class is Outstanding, no Lower Ranking Class shall be entitled to any payment on a claim against the Issuer unless there are sufficient funds to make payments on such Class in accordance with the Priority of Payments.

Section 5.10. Restoration of Rights and Remedies

If the Trustee or any Holder of Notes has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder of Notes, then and in every such case the Issuers, the Trustee and the Holder of Notes shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders of Notes shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders of Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing by law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy

conferred by this Article 5 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.13. **Control by Noteholders**

A Majority of the Controlling Class shall have the right to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust, right, remedy or power conferred on the Trustee; *provided that*:

- (a) such direction shall not be in conflict with any rule of law or with this Indenture;
- (b) the Trustee may take any other action deemed proper by it that is not inconsistent with such direction; *provided that*, subject to Section 6.1, it need not take any action that it determines might involve it in liability;
- (c) the Trustee shall have been provided with indemnity satisfactory to it; and
- (d) any direction to the Trustee to undertake a sale of the Collateral shall be by the Holders of Notes secured thereby representing the percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.4 or Section 5.5, as applicable.

Section 5.14. **Waiver of Past Defaults**

(a) Prior to the time a judgment or decree for payment of the money due has been obtained by the Trustee as provided in this Article 5, a Majority of the Controlling Class by notice to the Trustee may on behalf of the Holders of all the Notes waive any past Default or Event of Default and its consequences, except a Default or Event of Default: (i) constituting a default under Section 5.1(a) or Section 5.1(b), which can be waived solely by 100% of each Class affected thereby; or (ii) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the consent of each Holder of each Class of Notes materially adversely affected thereby.

In the case of any such waiver, the Issuers, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give notice of any such waiver to the Asset Manager and to the Rating Agency.

Upon any such waiver, such Default or Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto except in accordance with clause (b) below.

(b) Any waiver pursuant to Section 5.14(a) above shall only apply to past Defaults or Events of Default unless the Holders providing such waiver expressly specify that such waiver shall apply to future occurrences of Defaults or Events of Default of the same type until a specific date or until a Majority of the Controlling Class have notified the Trustee that such waiver of future occurrences of such Defaults or Events of Default has been revoked, and until such specific date or such revocation, each subsequent Default or Events of Default shall be deemed waived upon its occurrence.

Section 5.15. Undertaking for Costs

All parties to this Indenture agree, and each Holder of any Notes by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder of Notes, or group of Holders of Notes, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Secured Notes of each Class (voting separately), or to any suit instituted by any Holder of Notes for the enforcement of the payment of the principal of or interest or distribution on any Senior Notes, or after the Senior Notes have been paid in full, any Notes of the Controlling Class, on or after the Stated Maturity applicable to such Class of Notes (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws

The Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17. Sale of Collateral

(a) The power to effect any sale of any portion of the Collateral pursuant to Section 5.4 and Section 5.5 shall not be exhausted by any one or more sales as to any portion of such Collateral remaining unsold, but shall continue unimpaired until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. The Trustee may, and shall upon direction of a Majority of the Controlling Class, from time to time postpone any sale by public announcement made at the time and place of such sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any sale; *provided that* the Trustee shall be authorized to deduct the reasonable costs, charges and expenses

(including the fees and expenses of its attorneys and agents) incurred by it in connection with such sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a public sale thereof. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of Unregistered Securities, the Asset Manager may seek an Opinion of Counsel or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no-action position from the SEC or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Collateral in connection with a sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to take all action necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any monies.

(e) Prior to the Trustee soliciting any bids in respect of a liquidation of the Collateral as described above, a Majority of the Subordinated Notes will have the right, by giving notice to the Trustee within two Business Days after the Trustee has notified such Holders of the intention to sell and liquidate the Collateral, to submit a Firm Bid to purchase all of the Underlying Assets at the Current Market Value of such Underlying Assets, and the Trustee shall accept such Firm Bid, to the extent not in conflict with applicable law and subject to applicable eligibility requirements with respect to the Underlying Assets; *provided* that (i) the Trustee will not effect any sale pursuant to this paragraph unless the Proceeds Requirement would be satisfied after giving effect to the sales pursuant to this paragraph and (ii) Current Market Value will be determined, solely for the purpose of this paragraph, by reading each reference in the definition thereof to an "average bid price" or "bid" as a reference to a "midpoint price" and without taking into consideration clause (b) of the definition thereof.

Section 5.18. Action on the Securities

The Trustee's right to seek and recover judgment on the Securities or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders of the Securities shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of the Issuer.

ARTICLE 6

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided that* in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly notify the party delivering the same if such certificate or opinion does not conform. Other than in the case of a form provided by a Holder, if a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders of the Securities.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class (or as permitted under this Indenture by the Asset Manager or the Issuer, including pursuant to Section 5.5(b), Section 7.9 and Section 10.6 hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of clause (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuers or the Asset Manager and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class or any other required Classes, as applicable, relating to the time, method

and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it unless such risk or liability relates to its ordinary services to be performed under this Indenture.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c) (other than on a Determination Date or Report Determination Date) or Sections 5.1(d) through (f) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by a Trust Officer of the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Collateral or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

(f) The Trustee shall be permitted to act in accordance with any proxy granted to a third party by a Noteholder of record in connection with any action under the Notes or the Transaction Documents or any vote on or consent to any waiver, amendment, modification or other actions (including any Act of Noteholders) with respect to the Notes or the Transaction Documents to the extent of the Notes held by such Noteholder upon receipt of instructions from such third party accompanied by evidence of such proxy in a form reasonably satisfactory to the Trustee. Any reference to a vote by a Noteholder hereunder shall not be deemed to require a Noteholder to vote all its interests in the Notes consistently, but rather a Noteholder may vote such proportion of its Notes (or not vote such proportion) as it may determine. In such instance, a Noteholder shall inform the Trustee the proportion of the Notes in the vote assigned thereto.

(g) The Trustee shall upon reasonable (but in no case fewer than five Business Day's) prior written notice to the Trustee, permit any representative of a Holder of Notes, during the Trustee's normal business hours, subject to a confidentiality agreement to (i) examine all books of account, records, reports and other papers of the Trustee relating to the Notes, (ii) make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and (iii) discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's officers and employees responsible for carrying out the Trustee's duties with respect to the Notes.

(h) The Trustee will forward to Holders any written request from the Asset Manager to such Holders for information identified by the Asset Manager or its Affiliates as required in connection with the Asset Manager's or its Affiliates' compliance with applicable law, rule or regulation, including any such information identified by the Asset Manager as required to complete a Form ADV, Form PF or any other form required by the SEC or any information required to comply with any requirement of the Dodd-Frank Wall Street Reform and Consumer Protection Act applicable to the Asset Manager or its Affiliates.

(i) The Trustee shall, subject to any confidentiality provisions set forth in the Transaction Documents, provide to the Issuer and the Asset Manager upon reasonable request all reasonably available information in the possession of the Trustee and specifically requested by the Issuer or the Asset Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Asset Manager (or its parent or Affiliates) to comply with regulatory requirements with respect to itself, including, in the case of the Issuer, FATCA, the Cayman FATCA Legislation and the Cayman AML Regulations. The Trustee shall have no liability for any such disclosure or the accuracy thereof.

Section 6.2. Notice of Event of Default

Promptly (and in no event later than two Business Days) after the occurrence of any Event of Default known to the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Rating Agency, the Asset Manager, the Issuer, the Co-Issuer and the Holders and each Certifying Person, notice of all Events of Default hereunder known to the Trustee (unless such Event of Default shall have been cured or waived) and notice of acceleration. Notwithstanding the foregoing, the Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium or interest) if the Trustee determines that withholding notice is in the interest of the Holders.

Section 6.3. Certain Rights of Trustee

Except as otherwise provided in Section 6.1:

(a) the Trustee may rely conclusively and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper, electronic communication or document (including the Payment Date Report) reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties. Any electronically signed document delivered via electronic mail or other transmission method from a person purporting to be an Authorized Officer shall be considered signed or executed by such Authorized Officer on behalf of the applicable Person. (c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or Issuer Order or (ii) be required to determine the value of any Collateral or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against all costs, expenses (including reasonable fees and expenses of agents, experts and attorneys) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper, electronic communication or documents, but the Trustee, in its discretion, may and, upon the written direction of a Majority of the Controlling Class, shall make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled to receive copies of the books and records of the Asset Manager relating to the Notes, the Collateral, and on reasonable prior notice to the Issuers, to examine the books and records relating to the Notes, the Collateral and the premises of the Issuers personally or by agent or attorney during the Issuers' normal business hours; *provided that* (1) the Trustee shall, and shall cause its agents, to hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or administrative authority and (ii) except to the extent that the Trustee in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; and (2) the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors retained by the Trustee in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided that* the Trustee shall not be responsible for any actions or omissions on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably and, after the occurrence and during the continuance of an Event of

Default, subject to Section 6.1(b), prudently believes to be authorized or within its rights or powers hereunder;

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(j) the Trustee shall not be responsible or liable for any inaccuracies in the records of the Asset Manager, any Clearing Agency, DTC, Euroclear, Clearstream or any other Securities Intermediary, transfer agents, calculation agent, paying agent (other than the Bank in its individual or other capacities hereunder), or for the actions or omissions of any such Person hereunder or under any document executed in connection herewith;

(k) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by a Trust Officer of the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

(m) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Asset Manager (unless and except to the extent otherwise expressly set forth herein);

(n) the Trustee shall be under no obligation to (i) confirm or verify whether the conditions to the Delivery of Collateral have been satisfied or to determine whether or not an Underlying Asset is eligible for purchase hereunder or meets the criteria in the definition hereof or (ii) evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with the Grant by the Issuer to the Trustee of any item constituting the Collateral or otherwise, or in that regard to examine any Underlying Instruments, in order to determine compliance with applicable requirements of and restrictions on transfer of an Underlying Asset;

(o) the Trustee shall not be liable for the actions or omissions of the Asset Manager; and without limiting the foregoing, nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, calculate, evaluate or verify any report, certificate or information received from the Issuer or the Asset Manager (unless and except to the extent otherwise expressly set forth herein, and provided that nothing in this clause (o) supersedes or modifies the responsibilities and duties of the Collateral Administrator under the Collateral Administration Agreement), including, without limitation, with respect to the determination of the Term SOFR Rate, any ~~Alternative Reference Rate~~ Benchmark Replacement, or other Benchmark or replacement rate;

(s) in the event that the Bank is also acting in the capacity of Paying Agent, Collateral Administrator, Transfer Agent, custodian, Calculation Agent, Note Registrar or Securities Intermediary, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Article 6 shall also be afforded to the Bank acting in such capacities; *provided* that the foregoing shall not be construed to impose upon the Paying Agent, Collateral Administrator, Transfer Agent, custodian, Calculation Agent, Note Registrar or Securities Intermediary any of the duties or standards of care (including without limitation any duties of a prudent person) of the Trustee;

(t) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), of the Collateral or of the Notes. The Trustee shall not be accountable for the use or application by the Applicable Issuer of the Notes or the Proceeds thereof or any money paid to the Issuers pursuant to the provisions hereof.

Section 6.5. May Hold Notes, Etc.

(a) The Trustee, any Paying Agent, Note Registrar or any other agent of the Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and, may otherwise deal with the Issuers or any of their Affiliates, with the same rights it would have if it were not Trustee, Paying Agent, Note Registrar or such other agent.

(b) The Trustee and its Affiliates may for their own account invest in obligations or securities that would be appropriate for inclusion in the Issuer's assets as Underlying Assets, and the Trustee in making such investments has no duty to act in a way that is favorable to the Issuer or the Holders of Notes. The Trustee's Affiliates currently serve, and may in the future serve, as investment advisor for other issuers of collateralized debt obligations.

Section 6.7. **Compensation and Reimbursement**

(a) The Issuer agrees:

(i) to pay each of the Trustee and the Bank in each of its capacities under the Transaction Documents on each Payment Date in accordance with the Priority of Payments reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a Trustee of an express trust as separately agreed between the Issuer and the Trustee) as set forth in the fee letter between the Trustee and the Asset Manager dated on or prior to the Closing Date (the "**Fee Letter**") as the same may be amended or otherwise modified from time to time;

(ii) except as otherwise expressly provided herein, to reimburse the Trustee (subject to any written agreement between the Issuer and the Trustee) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee or the Bank in such other capacity in accordance with any provision of this Indenture, relating to the maintenance and administration of the Collateral or in the enforcement of any provisions hereof (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, Section 5.5, Section 10.5 or Section 10.7, except (a) any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith and (b) any securities transaction charges that have been waived due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments as specified by the Asset Manager);

(iii) to indemnify the Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated hereby, including the costs and expenses of defending themselves (including reasonable fees and costs of experts, agents and attorneys) against any claim or liability in connection with the exercise or

performance of any of its powers or duties hereunder and under any other Transaction Document, whether brought by or involving the Issuer or any third party, or in the enforcement of the Transaction Documents and any indemnification rights thereunder; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 hereof or in respect of the exercise or enforcement of remedies pursuant to Article 5.

(b) The Issuer may remit payment for such fees and expenses to the Trustee or, in the absence thereof, the Trustee may from time to time deduct payment of its fees and expenses hereunder pursuant to the Priority of Payments.

(c) Without limiting Section 5.4 hereof, the Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary on its own behalf or on behalf of the Secured Parties until at least one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all of the Notes.

(d) The amounts payable to the Trustee on any Payment Date are subject to the Priority of Payments, and the Trustee shall have a lien ranking senior to that of the Holders upon all property and funds held or collected as part of the Collateral to secure payment of amounts payable to the Trustee under this Section 6.7; *provided that* (1) the Trustee shall not institute any Proceeding for the enforcement of such lien except in connection with an action pursuant to Section 5.3 hereof for the enforcement of the lien of this Indenture for the benefit of the Secured Parties; and (2) the Trustee may only enforce such a lien in conjunction with the enforcement of the rights of Holders in the manner set forth in Section 5.4 hereof.

(e) The Issuer's obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and/or the resignation or removal of the Trustee.

Fees applicable to periods shorter or longer than a calendar quarterly period will be prorated based on the number of days within such period. The Trustee shall apply amounts pursuant to Section 5.7 and the Priority of Payments only to the extent that the payment thereof will not result in an Event of Default and the failure to pay such amounts to the Trustee will not, by itself, constitute an Event of Default. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it. No direction by a Majority of the Controlling Class shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

If, on any date when an amount shall be payable to the Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of such amount not so paid shall be deferred and payable, together with compensatory interest thereon (at a rate not to exceed the federal funds rate), on such later date on which such amount shall be payable and sufficient funds are available therefor.

Section 6.8. **Corporate Trustee Required; Eligibility**

There shall at all times be a Trustee hereunder that is an Eligible Institution. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.9. **Resignation and Removal; Appointment of Successor**

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by providing not less than 30 days' notice to the Issuers, the Asset Manager, the Holders of the Notes and each Rating Agency.

(c) The Trustee may be removed at any time upon 30 days prior notice by Act of a Majority of the Notes voting together as a single class, or may be removed at any time when an Event of Default shall have occurred and be continuing, by Act of a Majority of the Controlling Class, delivered to the Trustee and to the Issuers.

(d) If at any time:

(i) the Trustee shall cease to be an Eligible Institution and shall fail to resign after written request therefor by the Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) Upon (i) receiving any notice of resignation of the Trustee, (ii) any determination that the Trustee be removed, or (iii) any vacancy in the position of Trustee, then the Issuers shall promptly appoint a successor Trustee or Trustees by written instrument, in duplicate, executed by an Authorized Officer of the Issuer or Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees; *provided that* such successor Trustee shall be appointed only upon the written consent of a Majority of the Controlling Class and be an Eligible Institution. If the Issuers shall fail to

appoint a successor Trustee within 30 days after such notice of resignation, determination of removal or the occurrence of a vacancy, a successor Trustee may be appointed by Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, determination of removal or the occurrence of a vacancy, then the Trustee to be replaced, or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee. Notwithstanding the foregoing, at any time that an Event of Default shall have occurred and be continuing, a Majority of the Controlling Class shall have in lieu of the Issuers' rights to appoint a successor Trustee, such rights to be exercised by notice delivered to the Issuer and the retiring Trustee. Any successor Trustee shall, forthwith upon its acceptance of such appointment in accordance with Section 6.10, become the successor Trustee and supersede any successor Trustee.

(f) The Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to each Rating Agency and the Holders of Notes. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuers fail to mail any such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuers. The rights of the Trustee to compensation and reimbursement (including indemnification, subject to the terms of the Fee Letter) under Section 6.7 with respect to the period during which it served as trustee shall survive the resignation or removal of the Trustee and the appointment of a successor.

Section 6.10. Acceptance of Appointment by Successor

Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuers or a Majority of the Controlling Class or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee

Any entity or organization into which the Trustee may be merged or converted or with which it may be consolidated, or any entity or organization resulting from any merger, conversion or consolidation to which the Trustee (which for purposes of this Section 6.11 shall

be deemed to be the Trustee) shall be a party, or any entity or organization succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder (provided such entity or organization shall be otherwise qualified and eligible under this Article 6) without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. **Co-Trustee**

(a) At any time or times, the Issuers and the Trustee (which for purposes of this Section 6.12 shall be deemed to be the Trustee) shall have power to appoint one or more Persons to act as co-trustee, jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 herein and to make such claims and enforce such rights of action on behalf of the Noteholders as such Noteholders themselves may have the right to do, subject to the other provisions of this Section. Any co-trustee appointed pursuant to this Section 6.12(a) shall be subject to the eligibility and other requirements set forth in Section 6.8 of this Indenture.

(b) The Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so or, in the case that an Event of Default has occurred and is continuing, the Trustee shall have power to make such appointment.

(c) Should any written instrument from the Issuers be required by any co-trustee so appointed for more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuers. The Issuers agree to pay as Administrative Expenses for any reasonable fees and expenses in connection with such appointment.

(d) The Trustee shall deliver notice to each Rating Agency of any co-trustee appointed under this Section 6.12.

(e) Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(i) the Notes shall be authenticated and delivered by, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by, the Trustee;

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly in the case of the appointment of a co-trustee, except to the extent that

under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12.

(iv) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee or any other co-trustee hereunder;

(v) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(vi) any Act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds

In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Asset Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Trustee has received notice from the Asset Manager that it is taking action in respect of such payment, the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Asset Manager shall direct in writing; *provided that* any expenses incurred or to be incurred in taking such action shall be deemed not to be performance of ordinary services for purposes of clause (iv) of Section 6.1(c). Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Asset Manager requests a release of a Pledged Obligation in connection with any such action under the Asset Management Agreement, such release shall be subject to Section 10.6 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Collateral.

Section 6.14. **Representations and Warranties of the Trustee**

The Trustee represents and warrants that: (a) the Trustee is a national banking association with trust powers under the laws of the United States of America, with corporate power and authority to execute, deliver and perform its obligations under this Indenture, and is duly eligible and qualified to act as Trustee under this Indenture; (b) this Indenture has been duly authorized, executed and delivered by the Trustee and constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought; and (c) neither the execution or delivery by the Trustee of this Indenture nor performance by the Trustee of its obligations under this Indenture requires the consent or approval of, the giving of notice to or the registration or filing with, any governmental authority or agency under any existing law of the United States of America governing the banking or trust powers of the Trustee.

Section 6.15. **Authenticating Agents**

Upon the request of the Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuances, transfers and exchanges under Sections 2.4, 2.5 and 2.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by those Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.15 shall be deemed to be the authentication of Notes by the Trustee.

Any entity or organization into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any entity or organization resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any entity or organization succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuers. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuers if the resigning or terminated Authenticating Agent was originally appointed at the request of the Issuer or Co-Issuer.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating

thereto and the Trustee shall be entitled to be reimbursed for such payments, subject to Section 6.7. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.16. Representative for Noteholders Only; Agent for all other Secured Parties

With respect to the security interests created hereunder, the pledge of any item of Collateral to the Trustee is to the Trustee as representative of the Noteholders and agent for each of the other Secured Parties; in furtherance of the foregoing, the possession by the Trustee of any item of Collateral, the endorsement to or registration in the name of the Issuer subject to the lien of the Trustee of any item of Collateral (including as entitlement holder of the Accounts) are all undertaken by the Trustee in its capacity as representative of the Noteholders and agent for each of the other Secured Parties. The Trustee shall have no fiduciary duties to any of the other Secured Parties, including, but not limited to, the Asset Manager; *provided that* the foregoing shall not limit any of the express obligations of the Trustee under this Indenture.

Section 6.17. Withholding

If any withholding tax is imposed on the Issuer's payments under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax, including pursuant to FATCA (but such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.17. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out of pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

ARTICLE 7

COVENANTS

Section 7.1. Payments on the Notes

The Issuers shall duly and punctually pay the principal of and interest on the Secured Notes and the Issuer shall make distributions on the Subordinated Notes in accordance with the terms of the Notes and this Indenture. Amounts properly withheld under the Code by any Person from a payment to any Holder of Notes of interest and/or principal and/or payments

shall be considered as having been paid by the Applicable Issuer to such Holder for all purposes of this Indenture.

The Issuers hereby provide notice to each Holder that the failure of such Holder to provide the Issuer and the Trustee with appropriate tax certifications and information or documentation necessary for the Issuer's FATCA Compliance may result in amounts being withheld from payments to such Holder under this Indenture (*provided* that amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Applicable Issuer as provided in the preceding sentence).

Section 7.2. Compliance With Laws

The Issuers shall comply in all material respects with applicable laws, rules, regulations, writs, judgments, injunctions, decrees, awards and orders with respect to them, their business and their properties and the Issuers shall comply in all respects with Regulation U, T or X as promulgated by the Board of Governors of the Federal Reserve System.

Upon written request, the Trustee and the Note Registrar shall provide to the Issuer, the Asset Manager or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee or the Note Registrar, as the case may be, and may be necessary for FATCA Compliance, subject in all cases to confidentiality provisions.

Section 7.3. Maintenance of Books and Records

The Issuers shall maintain and implement administrative and operating procedures reasonably necessary in the performance of their obligations hereunder and the Issuer shall keep and maintain or cause the Administrator to keep or maintain at all times, or cause to be kept and maintained at all times in the Cayman Islands, all documents, books, records, accounts and other information as are required under the laws of the Cayman Islands.

Section 7.4. Maintenance of Office or Agency

The Issuers hereby appoint the Trustee as a Paying Agent for the payment of principal, interest and any other payments on the Notes. Notes may be surrendered for registration of transfer or exchange to the Trustee, if by hand or overnight delivery, to U.S. Bank [Trust Company](#), National Association, Global Corporate Trust Services, EP-MN-WS2N, 111 Fillmore Avenue East, St. Paul, Minnesota 55107, Attention: Bondholder Services—EP-MN-WS2N, Ref: Ares LXI CLO Ltd., or such other address designated by the Trustee. The Trustee shall always maintain an office or agency in the United States where Notes may be presented or surrendered for transfer and exchange.

The Issuer may at any time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided that* (1) the Issuer shall maintain in the United States an office or agency where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served and subject to any laws or regulations applicable thereto; and (2) the Issuer shall not appoint any Paying Agent in a

jurisdiction which subjects payments on the Notes to withholding tax. The Issuers shall at all times maintain a Notes Register. The Issuers shall give prompt written notice to the Trustee, the Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

The Issuers shall maintain a Process Agent at all times. If at any time the Issuers fail to maintain any such required office or agency in the United States, or fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuers. For the avoidance of doubt, notices to the Issuers under the Transaction Documents shall be delivered in accordance with Section 14.3.

Section 7.5. Money for Security Payments to be Held in Trust

(a) All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer and, in the case of the Co-Issued Notes, the Co-Issuer.

(b) When the Issuers shall have a Paying Agent that is not also the Note Registrar, they shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Regular Record Date and Special Record Date, a list, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

(c) Whenever the Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day preceding each Payment Date, Redemption Date or Special Payment Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuers shall promptly notify the Trustee of its action or failure so to act. Any moneys deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article 10.

(d) The initial Paying Agents shall be as set forth in Section 7.4. Any additional or successor Paying Agents (other than a successor Trustee who shall automatically become the Paying Agent hereunder) shall be appointed by Issuer Order with written notice thereof to the Trustee. So long as the Notes of any Class are rated by a Rating Agency, with respect to any Paying Agent, ~~either (x) such Paying Agent, for so long as S&P is a Rating Agency, is an Eligible Institution or (y) Rating Agency Confirmation shall have been obtained~~ has a long-term debt rating of "A+" or higher by S&P or a short-term debt rating of "A-1" by S&P and (y) if such Paying Agent is rated by Fitch, such Paying Agent has a long-term debt rating of "A" or higher by Fitch or a short-term debt rating of "F1" by Fitch. If any Paying Agent ceases to have the ratings required by the preceding sentence, the Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a

depository institution or trust company subject to supervision and examination by federal, state or national banking authorities. The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.5, that such Paying Agent shall:

(i) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date, Redemption Date and Special Payment Date among such Holders in the proportion specified in the applicable report or statement in accordance herewith, in each case to the extent permitted by applicable law;

(ii) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(iii) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of the Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment; and

(iv) if such Paying Agent is not the Trustee, at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

(e) The Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

(f) Any money deposited with a Paying Agent and not previously returned that remains unclaimed for 20 Business Days shall be returned to the Trustee. Except as otherwise required by applicable law, any money deposited with the Trustee or any Paying Agent in trust for the payment of the principal of or interest or distribution on any Notes and remaining unclaimed for two years after such principal, interest or distribution has become due and payable shall be paid to the Issuer; and the Holder of such Notes shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts, and all liability of the Trustee or such Paying Agent with respect to such trust money (but only to the extent of the amounts so paid to the Issuers) shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuers, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in

monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

(g) In the absence of a written request from the Issuer to return unclaimed funds to the Issuer, the Trustee shall from time to time following the final Payment Date with respect to the Securities deliver all unclaimed funds to the Issuer or as directed by applicable escheat authorities in accordance with the customary practices and procedures of the Trustee. Any unclaimed funds held by the Trustee pursuant to this Section 7.5(g) shall be held uninvested and without any liability for interest.

Section 7.6. **Existence of Issuers**

(a) Each of the Issuer and Co-Issuer shall take all reasonable steps to maintain its identity as a separate legal entity from that of its shareholders or members, as applicable. Each of the Issuer and the Co-Issuer shall keep its principal place of business in the same city, state and country indicated in the address specified in Section 14.3 unless Rating Agency Confirmation has been obtained. Each of the Issuer and the Co-Issuer shall keep separate books and records and shall not commingle its respective funds with those of any other Person. The Issuer and the Co-Issuer shall keep in full force and effect their rights and franchises as a company incorporated under the laws of the Cayman Islands and a limited liability company formed under the laws of the State of Delaware, respectively, shall comply with the provisions of their respective Organizational Documents, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Collateral; *provided that*, subject to Cayman Islands law, the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer and approved by a Majority of the Subordinated Notes, so long as (i)(A) such change is not disadvantageous in any material respect to the Issuer or Holders of the Notes or (B) such change is being made in connection with a supplemental indenture pursuant to Section 8.1(xxxiii), (ii) written notice of such change shall have been given by the Issuers to the Trustee, the Holders and the Rating Agency at least 30 Business Days prior to such change of jurisdiction, and (iii) on or prior to the 15th Business Day following such notice, the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) Each of the Issuer and the Co-Issuer shall (i) ensure that all corporate (or, in the case of the Co-Issuer, limited liability company) or other formalities regarding its existence (including, to the extent required by applicable law, holding regular board of directors', partners', members', managers' and shareholders' or other similar meetings) are followed, (ii) conduct business in its own name, (iii) correct any known misunderstanding as to its separate existence, (iv) maintain separate financial statements (if any), (v) maintain an arm's-length relationship with any Affiliates, (vi) maintain adequate capital in light of its contemplated business operations and (vii) not commingle its funds with those of any other entity. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency

proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Tax Subsidiaries and any subsidiaries necessitated by a change of jurisdiction pursuant to clause (a) above subject to Rating Agency Confirmation), (ii) the Co-Issuer shall not have any subsidiaries and (iii) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, managers and officers), (B) engage in any transaction with any shareholder, member or partner that would constitute a conflict of interest (provided that this Indenture, the Administration Agreement, the Registered Office Terms, the Collateral Administration Agreement and the Asset Management Agreement shall not be deemed to be such a transaction that would constitute a conflict of interest) or (C) pay dividends or make distributions to its owners other than in accordance with the provisions of this Indenture.

(c) The Issuer will at all times have at least one "independent director" and the Co-Issuer will have at least one independent manager, which for this purpose, means a duly appointed member of the board of directors of the Issuer or manager of the Co-Issuer, who should not have been, at the time of such appointment or at any time in the preceding five years, (i) a direct or indirect legal or beneficial owner in such entity or any of its Affiliates (excluding *de minimis* ownership interests), (ii) a creditor, supplier, employee, officer, family member, manager or contractor of such entity or its Affiliates or (iii) a person who controls (whether directly, indirectly, or otherwise) such entity or its Affiliates or any creditor, supplier, employee, officer, director, manager or contractor of such entity or its Affiliates.

Section 7.7. **Protection of Collateral**

(a) The Issuer (or the Asset Manager on its behalf) shall cause the taking of such action as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Collateral. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Secured Parties hereunder and to:

- (i) Grant more effectively all or any portion of the Collateral;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Collateral;
- (v) preserve and defend title to the Collateral and the rights therein of the Secured Parties against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Collateral and use its best efforts to minimize taxes and any other costs arising in connection with its activities.

The Issuer shall make an entry of the security interests granted under this Indenture in its register of mortgages and charges maintained at the Issuer's registered office in the Cayman Islands.

The Issuer authorizes its U.S. counsel to file a Financing Statement in the appropriate jurisdiction in connection with the Grant pursuant to this Indenture that names the Issuer as "Debtor" and the Trustee on behalf of the Secured Parties as "Secured Party" and that identifies "all assets in which the Issuer now or hereafter has rights" as the collateral Granted to the Trustee. The Issuer further appoints the Trustee as its agent and attorney-in-fact for the purpose of preparing and filing any other Financing Statement, continuation statement or other instrument as may be required pursuant to this Section 7.7(a); *provided* that such appointment shall not impose upon the Trustee, or release or diminish, any of the Issuer's obligations under this Section 7.7(a).

(b) The Trustee shall not, except in accordance with Section 10.6, 12.2 or 12.3, permit the removal of any portion of the Collateral or transfer any such Collateral from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.4 with respect to any Collateral, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Collateral is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.8 (or, if no such Opinion of Counsel has yet been delivered pursuant to Section 7.8, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(c)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute Collateral and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.8. **Opinions as to Collateral**

For so long as any Secured Notes are Outstanding, on or before the anniversary of the Closing Date in every fifth calendar year, commencing in 2026, the Issuer shall furnish to the Trustee, the Asset Manager and each Rating Agency an Opinion of Counsel relating to the security interest granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Collateral remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

Section 7.9. **Performance of Obligations**

(a) The Issuers may contract with other Persons, including the Asset Manager and the Collateral Administrator, for the performance of actions and obligations to be performed by the Issuers hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral of the nature set forth in the Asset Management Agreement by the Asset Manager and the Collateral Administration Agreement by the Collateral Administrator. Notwithstanding any such arrangement, the Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuers; and the Issuers shall punctually perform, and use their best efforts to cause the Asset Manager or such other Person to perform, all of their obligations and agreements contained in the Asset Management Agreement or such other agreement.

If any such consolidation, merger, conveyance or transfer occurs, the Person named as the "Issuer" or the "Co-Issuer" herein or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes (or with respect to the Co-Issuer on all the Co-Issued Notes) and from its obligations under this Indenture.

Section 7.14. No Other Business

From the Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Securities pursuant to this Indenture, and acquiring, owning, holding, selling, redeeming, pledging, contracting for the management of and otherwise dealing, solely for its own account, with Underlying Assets and other Collateral in connection therewith, and such other activities which are necessary, required or advisable to accomplish the foregoing; *provided that* the Issuer shall be permitted to enter into any additional agreements not expressly prohibited by Section 7.10 and to enter into any amendment, modification, or waiver of existing agreements or such additional agreements, as otherwise provided in this Indenture including in Article 8. Each of the Issuer and Co-Issuer will provide prior written notice to each Rating Agency of any proposed amendment to its Organizational Documents. Neither the Issuer nor the Co-Issuer shall permit the amendment of its Organizational Documents, if such amendment would result in the rating of any Class of Secured Notes being reduced or withdrawn without the consent of a Supermajority of the Holders of each Class of Notes materially and adversely affected, and shall not otherwise amend its Organizational Documents, without the consent of a Majority of any one or more Classes of Notes unless (i) the Issuer determines that such amendment would not, upon or after becoming effective, materially adversely affect the rights or interests of such Class or Classes, (ii) the Issuer gives ten days' prior written notice to the Holders of such amendment, (iii) with respect to any such Class, a Majority of such Class do not provide written notice to the Issuer that, notwithstanding the determination of the Issuer, the Persons providing notice have reasonably determined that such amendment would, upon or after

becoming effective, materially adversely affect such Class (the failure of any such Majority to provide such notice to the Issuer within ten days of receipt of notice of such amendment from the Issuer being conclusively deemed to constitute hereunder consent to and approval of such amendment) and (iv) Rating Agency Confirmation is obtained.

Section 7.15. Compliance with Asset Management Agreement

The Issuer agrees to perform (or cause the Asset Manager to perform) all actions required to be performed by it, and to refrain from performing any actions prohibited under, the Asset Management Agreement (including the Operating Guidelines, as such Operating Guidelines may be modified, amended or supplemented in accordance with the terms thereof). The Issuer also agrees to take all actions as may be necessary to ensure that all of the Issuer's representations and warranties made pursuant to the Asset Management Agreement are true and correct as of the date thereof and continue to be true and correct for so long as any Notes are Outstanding. The Issuer further agrees not to authorize or otherwise to permit the Asset Manager to act in contravention of the representations, warranties and agreements of the Asset Manager under the Asset Management Agreement.

Section 7.16. Notice of Rating Changes

Section 7.17. Reporting

Section 7.18. Calculation Agent

(a) The Issuers hereby agree that for so long as any of the Floating Rate Notes remain Outstanding there will at all times be a calculation agent appointed to calculate the Benchmark in respect of each Interest Accrual Period (the "**Calculation Agent**"). The Calculation Agent may be removed by the Issuers at any time. The Calculation Agent may not resign its duties without a successor having been duly appointed. The Issuers hereby appoint the Collateral Administrator as the initial Calculation Agent for purposes of determining the

Benchmark for each Interest Accrual Period, and the Collateral Administrator hereby accepts such appointment.

(b) (i) The Calculation Agent appointed by the Issuers must be the Collateral Administrator or a leading bank that does not control, is not controlled by and is not under common control with, either of the Issuers or any of their respective Affiliates. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuers, or if the Calculation Agent fails to determine any of the information, as described in subsection (ii) below, in respect of any Interest Accrual Period, the Issuers shall promptly appoint another leading bank meeting the qualifications set forth above to act as Calculation Agent.

(ii) The Calculation Agent shall be required to agree that, as soon as practicable after 6:00 a.m., New York City time, on each Benchmark Determination Date, but in no event later than 5:00 p.m., New York City time, on such Benchmark Determination Date, the Calculation Agent shall calculate the interest rate applicable to each Class of Floating Rate Notes for the following Interest Accrual Period, and shall as soon as practicable communicate such rates and the amount of interest payable on the next Payment Date in respect of each Class of Notes, with a principal amount of U.S.\$100,000 (rounded to the nearest cent, with half a cent being rounded upwards), to the Issuers, the Trustee, the Asset Manager, Euroclear, Clearstream and each Paying Agent.

(iii) The Calculation Agent shall notify the Issuers before 5:00 p.m. (New York City time) on each Benchmark Determination Date that either: (i) it has determined or is in the process of determining each of the Note Interest Rates of the Floating Rate Notes and each of the Note Interest Amounts or (ii) it has not determined and is not in the process of determining each of the Note Interest Rates of the Floating Rate Notes and each of the Note Interest Amounts, together with its reasons therefor.

(c) In connection with the adoption of any ~~Alternative Reference Rate~~ Benchmark Replacement, the Asset Manager will specify qualifications for the Calculation Agent and procedures for the calculation and reporting of the ~~Alternative Reference Rate~~ Benchmark Replacement, which may replace those in Section 7.18(b).

(d) The establishment of the Benchmark on each Benchmark Determination Date by the Calculation Agent and its calculation of the Note Interest Rate applicable to each Class of Floating Rate Notes for the related Interest Accrual Periods will (in the absence of manifest error) be final and binding on the Issuers, the Trustee, the Paying Agents, the Asset Manager and all Holders. The Calculation Agent shall not be held liable for any loss, liability or expense incurred without gross negligence, willful misconduct or bad faith on its part arising out of or in connection with the performance of its obligations hereunder.

(e) None of the Trustee, the Paying Agent, the Collateral Administrator or the Calculation Agent shall be under any obligation to (i) monitor, determine or verify the unavailability or cessation of the Term SOFR Rate (or any other applicable Benchmark), or whether or when there has occurred, or to give notice to any other Transaction Party of the occurrence of, any Benchmark Transition Event or Benchmark Replacement Date, (ii) select, determine, identify or designate any alternative reference rate index (including any ~~Alternative~~

~~Reference Rate~~, Benchmark Replacement or Fallback Rate), or other Benchmark or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine, identify or designate any Reference Rate Modifier, Benchmark Replacement Adjustment, or other modifier to any replacement or successor index, or (iv) to determine whether or what Benchmark Replacement Conforming Changes or other changes, administrative procedures or modifications to the Indenture may be necessary or advisable in respect of the determination and implementation of any alternative reference rate index (including any ~~Alternative Reference Rate~~, Benchmark Replacement or Fallback Rate), if any, in connection with any of the foregoing, or, with respect to each Floating Rate Underlying Asset, neither the Trustee nor the Collateral Administrator shall have any responsibility or liability to (w) monitor the status of the Term SOFR Rate or other applicable reference rate, (x) determine whether a substitute index or reference rate should or could be selected, (y) determine the selection of any such substitute reference rate, and (z) exercise any right related to the foregoing on behalf of the Issuer, the Holders or any other Person.

(f) None of the Trustee, the Paying Agent, the Collateral Administrator or the Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in the Indenture as a result of the unavailability of the Term SOFR Rate (or other applicable Benchmark) and absence of a designated replacement Benchmark or ~~Alternative Reference Rate~~ **Benchmark Replacement**, including as a result of any inability, delay, error or inaccuracy on the part of any other Transaction Party, including without limitation the Asset Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of the Indenture and reasonably required for the performance of such duties. The Collateral Administrator and the Calculation Agent shall be entitled to rely upon (i) any designation or determination of any alternative reference rate index (including any ~~Alternative Reference Rate~~, Benchmark Replacement or Fallback Rate), or other Benchmark or other successor or replacement benchmark index by the Asset Manager and (ii) direction provided by the Issuer or the Asset Manager facilitating or specifying administrative procedures with respect to the calculation of any ~~Alternative Reference Rate~~ **Benchmark Replacement**. Neither the Trustee nor the Calculation Agent shall have any obligation to calculate any alternative reference rate index (including any ~~Alternative Reference Rate~~, Benchmark Replacement or Fallback Rate), or other Benchmark or other successor or replacement benchmark index to the extent it is incapable of implementing operationally. With respect of any Benchmark Determination Date, the Calculation Agent shall have no liability for the application of the Benchmark as determined on the previous Benchmark Determination Date if so required under the definition of Term SOFR Rate under this Indenture.

(g) None of the Trustee, the Paying Agent, the Collateral Administrator or the Calculation Agent shall have any liability for any interest rate published by any publication that is the source for determining the interest rates of the Floating Rate Notes, including but not limited to the Bloomberg Financial Markets Commodities News (or any successor source), or for any rates compiled by the Loan Syndications and Trading Association or the Alternative Reference Rates Committee (or any successor organization), or for any rates published on any publicly available source, or in any of the foregoing cases for any delay, error or inaccuracy in the publication of any such rates, or for any subsequent correction or adjustment thereto.

Section 7.19. Certain Tax Matters

(a) The Issuers and each Holder and each beneficial owner of a Secured Note, by acceptance of its Secured Note, or its interest in a Secured Note, shall be deemed to have agreed to treat, and shall treat, such Secured Note as debt ~~of the Issuer~~ for U.S. federal income tax purposes, and shall be deemed to acknowledge that the Issuers will treat such Note as debt ~~of the Issuer~~ for U.S. federal income tax purposes; *provided, however*, that the foregoing shall not prohibit (i) a Holder or beneficial owner from making a "protective QEF election" or filing protective information returns with respect to an investment in the Class ~~E-R Notes or the Class F-R~~ Notes or (ii) the Issuer from providing the information necessary for such Holder or beneficial owner to make any such election.

(b) The Issuer and each Holder and each beneficial owner of a Subordinated Note, by acceptance of its Subordinated Note or its interest therein shall be deemed to have agreed to treat, and shall treat, such Subordinated Note as equity ~~in the Issuer~~ for U.S. federal income tax purposes. Upon written request, the Issuer shall (or shall cause its Independent accountants to) provide to any Holder or beneficial owner of Subordinated Notes (provided such information is available to it) (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain for U.S. federal income tax purposes and (ii) a "PFIC Annual Information Statement" as described in Treasury Regulations Section 1.1295-1 (or any successor IRS release or Treasury Regulation), including all representations and statements required by such statement, and will take any other reasonable steps necessary to facilitate such election by, and any reporting requirements of, a Holder or beneficial owner of Subordinated Notes. Furthermore, the Issuer will provide, upon request and at the expense of a Holder or beneficial owner of Class ~~E-R Notes or Class F-R~~ Notes that has made a protective "qualified electing fund" election, the information provided in clauses (i) and (ii) of this Section 7.19(b). Upon request by the Independent accountants, the Note Registrar shall provide to the Independent accountants information contained in the Notes Register and requested by the Independent accountants to comply with this Section 7.19(b).

(c) The Issuer has not elected and will not elect to be treated other than as a non-U.S. corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local income or franchise tax purposes.

(d) The Issuer and the Co-Issuer shall file, or cause to be filed, and the Issuer shall cause each Tax Subsidiary to prepare and file, any tax returns, including information tax returns, required by any governmental authority; *provided, however*, that, except with respect to a Tax Subsidiary, the Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof that, in each case, is based on the Issuer having a trade or business in the United States or any state thereof unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) Upon the reasonable written request of the Issuer or the Asset Manager, the Trustee and the Note Registrar shall provide to the Issuer, the Asset Manager or any agent

thereof information regarding the Holders of the Securities and payments on the Securities that is reasonably available to the Trustee or the Note Registrar, as the case may be, by reason of its acting in such capacity and as may be necessary (as determined by the Issuer or the Asset Manager) to achieve FATCA Compliance (in each case, other than privileged or confidential information or information restricted from disclosure by applicable law). Neither the Trustee nor the Note Registrar will have any liability for any disclosure under this Section 7.19(e) or, subject to Section 6.1(c), for the accuracy thereof.

(f) The Issuer will provide, upon written request of a Holder or beneficial owner of Subordinated Notes (or any other Class of Notes that is ~~treated~~recharacterized as equity in the Issuer), any information reasonably available to it that such Holder or beneficial owner reasonably requests to assist such Holder or beneficial owner with regard to any filing requirements the Holder or beneficial owner may have as a result of the controlled foreign corporation rules under the Code.

(g) The Issuer shall not (i) become the owner of any asset (A) the gain from the disposition of which would be subject to U.S. federal income or withholding tax under Section 897 or Section 1445, respectively, of the Code or (B) if the acquisition, ownership or disposition of such asset would cause the Issuer to be treated as being engaged in a trade or business within the United States for U.S. federal income tax purposes or (ii) engage in any activity that would cause the Issuer to be subject to U.S. federal income tax on a net basis or income tax on a net basis in any other jurisdiction. In furtherance of the prior sentence, the Issuer shall at all times comply with the Operating Guidelines or, in the alternative, Tax Advice to the effect that, taking into account the relevant facts and circumstances with respect to such transaction, the Issuer's failure to comply with one or more of such Operating Guidelines "will" not cause the Issuer to be being engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis.

(h) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Tax Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Tax Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471, and 1472, and any other provision of the Code or other applicable law. Upon written request, the Trustee, the Paying Agent and the Registrar shall provide to the Issuer, the Asset Manager, or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee, the Paying Agent or the Registrar, as the case may be, and may be necessary to achieve FATCA Compliance. (l) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder or beneficial owner of a Subordinated Note (or any other Note that is required to be treated as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder or beneficial owner under the Code as soon as practicable after such request.

Section 7.20. Purchase of Notes; Surrender of Notes

(a) Notwithstanding anything contained in this Indenture to the contrary, if approved by the Asset Manager, during the Reinvestment Period the Issuer shall acquire Notes (or beneficial interests in such Notes) of the Class designated by a Contributor with Contributions designated for such purpose through a tender offer, in the open market or in

The Issuer shall from time to time request, or cause its agent to request, all third-party vendors to include on screens maintained by such vendors appropriate legends regarding restrictions on the Global Securities under Section 3(c)(7) of the Investment Company Act and Rule 144A.

Section 7.22. Maintenance of Listing

Section 9.1. **Optional Redemption or Redemption Following a Tax Event**

(a) The Applicable Issuer will redeem each Class of Secured Notes (in whole but not in part) on any Business Day at their applicable Redemption Price (i) upon receipt by the Trustee, the Asset Manager and the Issuer of written direction (an "**Optional Redemption Direction**") by (A) (1) a Majority of any Affected Class or (2) a Majority of the Subordinated Notes, in either case, on or after the occurrence of a Tax Event (during or after the Non-Call Period) or (B) a Majority of the Subordinated Notes after the Non-Call Period, or (ii) at the direction of the Asset Manager at any time when the Asset Manager has determined that the Aggregate Principal Balance of the Underlying Assets is less than 10.0% of the Effective Date Target Par Amount, in each case such notice to be received by the Trustee, the Asset Manager and the Issuer at least 20 days (or such lesser time as shall be acceptable to the Asset Manager and the Trustee) prior to the scheduled Redemption Date (any such redemption of the Notes in accordance with this Section 9.1(a) of this Indenture, an "**Optional Redemption**"); *provided* that the Issuer may not sell (and the Trustee shall not be required to release) any Underlying Asset, unless, as determined pursuant to the procedures set forth in Section 9.1(b), there will be sufficient funds available in the Accounts to pay the Total Redemption Amount in accordance with the Priority of Payments.

On any Business Day on or after the Secured Notes have been redeemed or paid in full, the Subordinated Notes will be redeemed (in whole but not in part) at their applicable Redemption Price at the written direction of a Majority of the Subordinated Notes to the Issuer (with a copy to the Trustee and the Asset Manager) at least 10 Business Days before the designated Redemption Date. If the Subordinated Notes are not being redeemed on the Redemption Date for the Secured Notes, the Asset Manager shall direct the liquidation of only

that portion of the Collateral as may be necessary to provide sufficient funds, together with other available funds of the Issuer, to redeem the Secured Notes.

(b) The Secured Notes shall not be redeemed pursuant to Section 9.1(a) unless:

(i) at least two Business Days before the scheduled Redemption Date, the Asset Manager shall have furnished to the Trustee evidence in form reasonably satisfactory to the Trustee (which may be an Officer's Certificate of the Asset Manager), that:

(A) the Issuer, at the direction of the Asset Manager, has entered into a binding agreement or agreements (including a confirmation of sale or trade ticket) with a financial institution or institutions to purchase or guarantee the purchase of the obligations, not later than the scheduled Redemption Date, in immediately available funds, all or part of the Underlying Assets at a purchase price that, together with all other available amounts and any amounts on deposit in the Contribution Account designated for such use, will at least equal the Total Redemption Amount; or

(B) the Issuer, at the direction of the Asset Manager, has entered into a binding agreement with another CLO or similar transaction managed by the Asset Manager (or an Affiliate or agent thereof) that has priced but not yet closed to purchase, not later than the Business Day immediately preceding the scheduled Redemption Date, in immediately available funds, all or part of the Underlying Assets, provided that the net proceeds or any pre-closing financing available to such CLO or similar transaction for the purchase of Underlying Assets from the Issuer, together with all other available amounts and any amounts on deposit in the Contribution Account designated for such use, will at least equal the Total Redemption Amount; or

(ii) at least five Business Days prior to the scheduled Redemption Date and prior to selling any Underlying Assets and/or Eligible Investments, the Asset Manager shall have certified to the Trustee and to each Rating Agency that the expected proceeds from such sale together with any other amounts available to be used for such Optional Redemption will be delivered to the Trustee not later than the scheduled Redemption Date, in immediately available funds, and will equal or exceed the Total Redemption Amount. Such certificate will set forth in reasonable detail the basis for the determination of the Asset Manager.

~~(e) [reserved]~~

(c) On any Business Day after the Non-Call Period, one or more Classes of Secured Notes may be redeemed (in whole but not in part) from Refinancing Proceeds at their applicable Redemption Price if a Majority of the Subordinated Notes directs the Issuer and Co-Issuer, if applicable, to redeem such Class or Classes of the Secured Notes through the issuance by the Issuer and the Co-Issuer, if applicable, of replacement securities ("**Replacement Notes**") to new or existing investors or obtaining a loan from one or more financial institutions or other lenders (a refinancing provided pursuant to such issuance of Replacement Notes or loan, a "**Refinancing**"), as determined by the Asset Manager in its sole discretion. The terms and timing of such Refinancing and any financial institutions acting as lenders thereunder or initial

purchasers thereof will be negotiated by the Asset Manager on behalf of the Issuer and must in all cases be acceptable to the Asset Manager and such Refinancing otherwise satisfies the conditions described below and the relevant agreements contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i) and Section 5.4(d). Without limitation to the foregoing, if the Asset Manager delivers a Manager Change in Law Notice, the Asset Manager or one of its Affiliates will have the right to acquire Replacement Notes of each Class in an amount at least equal to the Springing Retention Interest.

In the case of a Refinancing of all Outstanding Secured Notes, the proceeds from the Refinancing (the "**Refinancing Proceeds**"), together with any other amounts available for distribution on the related Redemption Date (including any previously established reserve), Available Interest Proceeds and any amounts on deposit in the Contribution Account designated for such use, shall be at least equal to the Total Redemption Amount; *provided* that, to the extent that there are insufficient funds available to pay any portion of any expenses and fees on the date of any such Refinancing, such portion shall be paid on the next succeeding Payment Date. In the case that one or more but not every Outstanding Class of Secured Notes is being refinanced, the Refinancing Proceeds together with the Available Interest Proceeds shall be at least sufficient to redeem the applicable Class or Classes of Secured Notes being refinanced at the applicable Redemption Price. The expenses and fees of the Issuers, the Trustee and the Asset Manager related to a Refinancing will be treated as Administrative Expenses and may be held in reserve on any Business Day prior to the date of any such Refinancing in order to pay such expenses on the date of any such Refinancing; *provided* that, to the extent that there are insufficient funds available to pay any portion of such expenses and fees on the date of any such Refinancing, such portion shall be paid on the next succeeding Payment Date. The Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied (together with the Available Interest Proceeds), pursuant to Section 11.1(f), on the Refinancing Redemption Date to redeem the Secured Notes that are being refinanced and (to the extent funds are available therefor) pay expenses and fees relating to such Refinancing without regard to the Priority of Payments (other than the Priority of Redemption Proceeds); *provided that*, to the extent that any Refinancing Proceeds remain after payment of the respective Redemption Prices of each redeemed Class of Secured Notes and related expenses, such Refinancing Proceeds will be treated as Interest Proceeds.

In the case that one or more but not every Outstanding Class of Secured Notes is being refinanced (a "**Partial Redemption**" and the date thereof, the "**Partial Redemption Date**"), the Issuer shall obtain a Refinancing only if the Asset Manager determines and certifies to the Trustee that:

(i) the spread over the Benchmark or the fixed interest rate, as applicable, of each class of obligations providing the Refinancing will not be greater than the spread over the Benchmark or the fixed interest rate, as applicable, of the Secured Notes of the corresponding Class being refinanced by such new class of obligations and the weighted average of the spread over the Benchmark and the fixed rates payable in respect of all of the Replacement Notes is less than or equal to the weighted average of the spread over the Benchmark and the fixed rate payable on all of the Classes of Secured Notes being refinanced (determined based on the respective spreads over the Benchmark or the fixed interest rate, as applicable, of such

Classes of Secured Notes); *provided that* (x) any Class of Fixed Rate Notes may be refinanced with obligations that bear interest at a floating rate (i.e., at a stated spread over the Benchmark) so long as the floating rate of the obligations comprising the Refinancing is less than the applicable Note Interest Rate with respect to such Class of Fixed Rate Notes on the date of such Refinancing and (y) any Class of Floating Rate Notes may be refinanced with obligations that bear interest at a fixed rate so long as the fixed rate of the obligations comprising the Refinancing is less than the applicable Benchmark plus the relevant spread with respect to such Class of Secured Notes on the date of such Refinancing, and in each case under clauses (x) and (y) above, Rating Agency Confirmation is obtained with respect to the Secured Notes not subject to such Refinancing; *provided*, further that, if more than one Class of Secured Notes are subject to a Refinancing, the spread over the Benchmark or the fixed interest rate, as applicable, of the obligations providing the Refinancing for a Class of Secured Notes may be greater than the spread over the Benchmark or the fixed interest rate, as applicable, for such Class of Secured Notes subject to Refinancing so long as (i) the weighted average (based on the aggregate principal amount of each Class of Secured Notes subject to Refinancing) of the spread over the Benchmark and the fixed interest rate of the obligations comprising the Refinancing shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over the Benchmark and the fixed interest rate with respect to all Classes of Secured Notes subject to such Refinancing and (ii) the Issuer has received Rating Agency Confirmation; *provided further* that if the Benchmark component of the Note Interest Rate with respect to the obligations providing the Refinancing is different than the Benchmark component of the Note Interest Rate of such Class of Floating Rate Notes, the spread over the Benchmark of the obligations providing the Refinancing may be greater than the spread over the Benchmark for such Class of Floating Rate Notes subject to Refinancing so long as the Note Interest Rate of the obligations providing the Refinancing shall be less than the Note Interest Rate of such Class of Floating Rate Notes as of the ~~Partial Refinancing Date~~refinancing date;

(ii) the principal balance of each Class of Replacement Notes shall be equal to the Aggregate Outstanding Amount of the corresponding Class of Secured Notes being refinanced;

(iii) the Stated Maturity of the Replacement Notes is the same as the Stated Maturity of the Secured Notes being refinanced;

(iv) the obligations under the Replacement Notes do not rank higher in priority pursuant to the Priority of Payments than the Class of Notes being refinanced;

(v) the voting rights, consent rights and redemption rights of the Replacement Notes are materially the same as the rights of the corresponding Class of Notes that is being refinanced; *provided* that, for the avoidance of doubt, the agreements relating to the Refinancing may (a) establish a non-call period for the Replacement Notes and/or (b) prohibit a future Refinancing and/or Re-Pricing of such Replacement Notes; ~~and~~

(vi) if the Asset Manager has delivered a Manager Change in Law Notice, the price of each Class of any Springing Retention Interest is not greater than the price at which the corresponding Class of Replacement Notes is sold to any other investor-; and

(vii) the Overcollateralization Ratio of any Class of Notes not being Refinanced shall not be lower than the Overcollateralization Ratio of such Class of Notes immediately prior to the Refinancing.

The Holders of the Subordinated Notes will not have any cause of action against any of the Issuers, the Asset Manager or the Trustee for any failure to obtain a Refinancing. In the event that a Refinancing is obtained meeting the criteria specified above, the Issuers and the Trustee will amend this Indenture to the extent necessary to reflect the terms of the Refinancing as provided in this Section 9.1.

If a Refinancing of all Classes of Outstanding Secured Notes **(other than the Class F-R Notes)** occurs, the Asset Manager may agree to designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "**Designated Excess Par**"), and the Asset Manager shall direct the Trustee to apply such Designated Excess Par on such Redemption Date as Interest Proceeds in accordance with the Priority of Payments.

(d) The Asset Manager shall set the Redemption Date and the Redemption Record Date and give notice thereof to the Issuer and the Trustee prior to the date by which the Issuer is required to deliver the notice pursuant to Section 9.2. Installments of interest and principal due on or prior to a Redemption Date which shall not have been paid or duly provided for shall be payable to the Holders of the Secured Notes as of the relevant Redemption Record Date. Upon receipt of the direction of the Holders of the applicable percentage (if any) of Subordinated Notes with respect to the redemption of the Secured Notes pursuant to Section 9.1(a), the Issuers shall deliver an Issuer Order to the Trustee directing the Trustee to make the payment to the Paying Agent of the applicable Redemption Price of all of the Secured Notes to be redeemed. The Issuer shall deposit, or cause to be deposited, the funds required for an Optional Redemption in the Payment Account on or before the Business Day prior to the Redemption Date.

(e) In connection therewith, the Issuer shall not permit any Hedge Agreement to be terminated until the period for withdrawal of Redemption in Section 9.3 has expired and any Hedge Agreement may be terminated subsequent to the date on which such notice of redemption may no longer be withdrawn.

Section 9.2. Issuer Notice of Redemption

In the event of any Redemption of Notes pursuant to Section 9.1, the Issuer shall, at least 10 days (but not more than 60 days) prior to the Redemption Date (unless each of the Trustee and the Asset Manager shall agree to a shorter notice period) notify the Trustee, the Asset Manager and each Rating Agency of such proposed Redemption Date, the Redemption Record Date, the principal amount of Secured Notes to be redeemed on such Redemption Date and the Redemption Price of such Secured Notes in accordance with Section 9.1. Following receipt of such notice, if a sale of Underlying Assets and/or Eligible Investments shall be made pursuant to Section 9.1(b) in connection with such redemption, the Asset Manager shall review the Underlying Assets and direct the Trustee in writing to sell any Underlying Asset subject to

the procedures set forth in Section 9.1(b), and the Trustee shall sell such Underlying Assets in the manner directed in writing by the Asset Manager.

Section 9.3. **Notice of Redemption; Withdrawal of Notice**

(a) Notice of Redemption of any Class of Notes shall be given by the Trustee on behalf of and at the expense of the Issuers not less than 10 days prior to the applicable Redemption Date (as to which the Trustee shall have been notified in writing) to each Rating Agency, each Hedge Counterparty and each Holder of Notes to be redeemed.

(b) All notices of Redemption shall state:

(i) the applicable Redemption Date and Record Date with respect thereto (which shall be a date after the date on which such notice is given);

(ii) the Redemption Price for each Class of Notes being redeemed;

(iii) a statement that all of the Notes of the relevant Class are being redeemed and that interest on any Class of Secured Notes being redeemed shall cease to accrue on the date specified in the notice;

(iv) the place or places where any Definitive Securities being redeemed are to be surrendered upon payment of the Redemption Price; and

(v) the latest possible date upon which the Issuer is entitled to rescind any of the transactions necessary or desirable to effectuate the Redemption in accordance with the terms hereof.

(c) Subject to Section 9.1(c), the Issuer shall have the option to withdraw a notice of and cancel a Redemption or Refinancing on or before the Business Day prior to the proposed Redemption Date or Partial Redemption Date, as the case may be, by written notice to the Trustee. A Majority of the Subordinated Notes will have the option to direct the Issuer to withdraw the notice of and cancel a Redemption or Refinancing on or before the Business Day prior to the proposed Redemption Date or Partial Redemption Date, as the case may be, by written notice to the Issuer, the Trustee and the Asset Manager. Disposition Proceeds related to a cancelled Redemption may be reinvested in accordance with Section 12.2(g).

Notice of any such withdrawal will be forwarded by the Trustee to each Holder of Notes to be redeemed and to each Rating Agency not later than the scheduled Redemption Date.

(d) Any failure to give notice of Redemption, or any defect therein, to any Holder of Notes selected for Redemption shall not impair or affect the validity of the Redemption of any other Notes.

Section 9.4. Notes Payable on Redemption Date

(a) Notice of Redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless a default is made in the payment of the Redemption Price) any Class of Secured Notes redeemed shall cease to bear interest. Upon final payment on a Definitive Security to be redeemed, the Holder shall present and surrender such Definitive Security at the place specified in the notice of redemption on or prior to such Redemption Date; *provided that* if there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Definitive Security, then, in the absence of notice to the Issuers or the Trustee that the applicable Definitive Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(b) If any Secured Notes called for Optional Redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period that any such Notes remain Outstanding.

Section 9.5. Mandatory Redemptions; Special Amortization

(a) So long as any Secured Notes remain Outstanding, if any of the Coverage Tests are not satisfied as of the related Determination Date, Interest Proceeds and, to the extent Interest Proceeds are insufficient for such purpose, Principal Proceeds will be applied on the related Payment Date and each Payment Date thereafter to pay principal on Secured Notes in accordance with the Note Payment Sequence to the extent necessary to achieve compliance with such Coverage Test or, if not satisfied, until the applicable Classes are paid in full.

(b) If an Effective Date Ratings Confirmation Failure occurs, the Issuer, at the direction of the Asset Manager acting in its discretion, may apply Principal Proceeds (which may include Unused Proceeds and Interest Proceeds re-designated as Principal Proceeds for this purpose in accordance with Section 10.3(b)) to pay principal of the Secured Notes in accordance with the Note Payment Sequence.

(c) During the Reinvestment Period, one or more Classes of Notes may be amortized in whole or in part in accordance with the Priority of Payments by the Issuer (**"Special Amortization"**) on any Payment Date if, at any time during the related Due Period, the Asset Manager has been unable, for a period of at least 30 consecutive Business Days, to identify Underlying Assets that it determines would be appropriate for purchase in accordance with the Portfolio Criteria in sufficient amounts to permit the investment of all or a portion of available Principal Proceeds and the Asset Manager elects, in its sole discretion, to direct the Trustee to apply the Special Amortization Amount for payment of principal of the Secured Notes in accordance with the Priority of Payments. The Asset Manager will notify the Trustee (and the Trustee shall notify the Holders of the Controlling Class [and Fitch](#)) and the Issuer no later than the Determination Date related to such Payment Date of its election to effect a Special Amortization and the Special Amortization Amount. On the applicable Payment Date the Special Amortization Amount will be applied for payment of the Secured Notes in accordance

with the Priority of Payments. The Asset Manager may withdraw any notice of a Special Amortization on or prior to the related Determination Date.

Section 9.6. **Optional Re-Pricing**

(a) On any Business Day after the Non-Call Period, at the direction of a Majority of the Subordinated Notes and with the consent of the Asset Manager, the Issuer (or the Asset Manager on its behalf) shall be required to reduce the spread over the Benchmark (or the fixed interest rate) applicable to any Re-Pricing Eligible Class (such reduction with respect to such Class, a "**Re-Pricing**" and any such Re-Pricing Eligible Class that is re-priced, a "**Re-Priced Class**"); *provided* that the Issuer shall not effect any Re-Pricing unless (i) each condition specified below is satisfied; and (ii) each Outstanding Note of a Re-Priced Class will be subject to the related Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") to assist the Issuer in effecting the Re-Pricing; such Re-Pricing Intermediary must be approved by the Asset Manager. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with the following paragraph, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection with the issuance of replacement securities ("**Re-Pricing Replacement Notes**"), in each case at the respective Redemption Price, in accordance with this Indenture.

At least 30 days prior to the date selected by a Majority of the Subordinated Notes for any Re-Pricing (the "**Re-Pricing Date**"), the Issuer shall deliver a notice (the "**Re-Pricing Notice**") in writing (with a copy to the Asset Manager and each Rating Agency then rating the Re-Priced Class), to the Trustee (who will forward such notice to each Holder of the Re-Priced Class through the facilities of DTC and, if applicable, in accordance with the immediately succeeding sentence) (such notice, the "**Re-Pricing, Mandatory Tender and Election to Retain Announcement**"), which notice shall: (i) specify the proposed Re-Pricing Date and the revised spread (or range of spreads from which a single spread will be chosen prior to the Re-Pricing Date) over the Benchmark (or revised fixed rate) to be applied with respect to such Class (such spread or the fixed interest rate, as applicable, the "**Re-Pricing Rate**"), (ii) request each holder of the Re-Priced Class to (a) communicate through the facilities of DTC whether such holder (x) approves the proposed Re-Pricing and (y) elects to retain the Notes of the Re-Priced Class held by such Holder (an "**Election to Retain**"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "**Operational Arrangements**") (any such Holder, a "**Consenting Holder**"), or (b) provide a proposed Re-Pricing Rate at which it would consent to such Re-Pricing that is within the range provided, if any, in clause (i) above (such proposal, a "**Holder Proposed Re-Pricing Rate**"); (iii) request that each Consenting Holder of the Re-Priced Class deliver a response in writing to the Issuer, or to the Re-Pricing Intermediary on behalf of the Issuer, which response (the "**Holder Purchase Request**") shall indicate the aggregate principal amount of the Re-Priced Class that such holder is willing to purchase (or retain) at such Re-Pricing Rate (including within any range provided) specified in such Re-Pricing Notice; (iv) state that any holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain (each, a "**Non-Consenting Holder**") will either be (a) subject to mandatory tender and transfer in

accordance with the Operational Arrangements (a "**Mandatory Tender**") or (b) redeemed at the applicable Redemption Price with the proceeds of an issuance of Re-Pricing Replacement Notes; and (v) state the period for which the holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of publication of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; *provided* that the Issuer at the direction of the Asset Manager (with the written consent of a Majority of the Subordinated Notes) may extend the Re-Pricing Date or determine the Re-Pricing Rate taking into consideration any Holder Proposed Re-Pricing Rates at any time up to two Business Days prior to the Re-Pricing Date (upon notice to each holder of the proposed Re-Priced Class, with a copy to the Asset Manager, the Trustee and each Rating Agency). To the extent any Definitive Securities of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain Announcement is delivered to the holders of Global Securities through the facilities of DTC, the Trustee (at the direction of the Issuer) shall make available such Re-Pricing, Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Asset Manager on behalf of the Issuer) to the holders of such Definitive Securities on the Trustee's website. Failure to give a notice of Re-Pricing, or any defect therein, to any holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(b) Prior to the Issuer (or Trustee, upon Issuer Order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain through the facilities of DTC, the Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Asset Manager and the Re-Pricing Intermediary, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. Subject to the standard of care set forth in this Indenture, the Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain

Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Asset Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

If the Issuer, the Asset Manager and the Re-Pricing Intermediary, if any, have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the Asset Manager or the Re-Pricing Intermediary on behalf of the Issuer, if any, shall deliver written notice thereof at least five Business Days prior to the Re-Pricing Date to the Holders or beneficial owners of the Re-Priced Class who delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is equal to or less than the Re-Pricing Rate as determined by the Asset Manager (such request, an "**Accepted Purchase Request**") (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders) specifying the aggregate outstanding amount of the Notes of the Re-Priced Class that such Consenting Holder has offered to purchase at the Re-Pricing Rate and the Aggregate Outstanding Amount of the Notes that will be sold to such Consenting Holder. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will cause the Mandatory Tender and transfer of Notes of any Non-Consenting Holders, without further notice to such Non-Consenting Holders, on the Re-Pricing Date to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All Mandatory Tenders and transfers of Notes to be effected pursuant to this paragraph will be made at the Redemption Price with respect to such Notes, and will be effected only if the related Re-Pricing is effected in accordance with the provisions of this Indenture and in the Operational Arrangements.

In the event that the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) receives Accepted Purchase Requests with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Notes or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests with respect thereto, *pro rata* (subject to the applicable minimum denominations) based on the Aggregate Outstanding Amount of the Notes of such Consenting Holders who indicated an interest in purchasing pursuant to their Holder Purchase Requests. In the event that the Issuer receives Accepted Purchase Requests with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Notes of the Re-Priced Class or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to such

Non-Consenting Holders, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests with respect thereto, and any excess Notes of the Re-Priced Class held by Non-Consenting Holders shall be sold to one or more purchasers designated by the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or redeemed with proceeds from the sale of Re-Pricing Replacement Notes ("**Re-Pricing Proceeds**"). All sales of Non-Consenting Holders' Notes or Re-Pricing Replacement Notes to be effectuated pursuant to this paragraph shall be made at the applicable Redemption Price, and shall be effectuated only if the related Re-Pricing is effectuated in accordance with this Indenture. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Asset Manager not later than one Business Day prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by Non-Consenting Holders (the "**Re-Pricing Confirmation Notice**"). Unless the Issuer (or the Asset Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer in connection with such Mandatory Tender.

(c) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Issuers and the Trustee have, with the consent of a Majority of the Subordinated Notes, entered into a supplemental indenture dated as of the Re-Pricing Date, solely to modify the spread over the Benchmark or the fixed interest rate, as applicable, with respect to the Re-Priced Class or convert such Class of Floating Rate Notes to Fixed Rate Notes of the same Class, as applicable, and to reflect any necessary changes to the definitions of "Non-Call Period" or "Redemption Price";

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been subject to Mandatory Tender and transferred (and, if applicable, redeemed with Re-Pricing Replacement Notes) pursuant to the provisions above;

(iii) each Rating Agency has been notified of such Re-Pricing; *provided* that, in the case of (x) an increase in the spread over the Benchmark with respect to any Re-Priced Class, Rating Agency Confirmation shall be obtained with respect to each Class of Secured Notes subordinate to such Re-Priced Class and (y) any Re-Priced Class being converted from Floating Rate Notes to Fixed Rate Notes or from Fixed Rate Notes to Floating Rate Notes, Rating Agency Confirmation shall be obtained with respect to each Class of Secured Notes; and

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing (including in connection with the related supplemental indenture) do not exceed the Available Interest Proceeds and amounts on deposit in the Contribution Account designated for such use,

unless such expenses have been paid or will be adequately provided for by an entity other than the Issuer.

(d) Failure to give a notice of a Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class will not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. The holder of each Secured Note of a Re-Pricing Eligible Class, by its acceptance of an interest in the Secured Notes, agrees (i) that its Secured Notes may be subject to Mandatory Tender and transfer in accordance with this Indenture and to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effectuate such Mandatory Tenders and transfers and (ii) in the event that such holder (x) does not consent to a proposed Re-Pricing or to a Mandatory Tender of its interest and (y) does not otherwise cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee, in each case to effectuate such Mandatory Tenders and transfers within the time period described herein, then such holder will be deemed to consent to such Re-Pricing. Any notice of a Re-Pricing may be withdrawn (x) by a Majority of the Subordinated Notes or (y) by the Asset Manager upon the delivery of a Manager Change in Law Notice, on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee and, if provided by a Majority of the Subordinated Notes, the Asset Manager for any reason. Upon receipt of such notice of withdrawal, the Trustee will send such notice to the Holders of Notes and each Rating Agency. The Trustee shall have no liability for providing such reports, documents and other data files to Intex Solutions, Inc. by granting access to its internet website, including for granting such access or for use of such reports, documents and other data files by Intex Solutions, Inc. or its subscribers.

(f) In the event the Trustee receives instructions from the Issuer or Asset Manager to effect a securities transaction as contemplated in 12 CFR 12.1, the Issuer acknowledges that upon its written request and at no additional cost, it has the right to receive the notification from the Trustee after the completion of such transaction as contemplated in 12

(d) The Trustee shall deposit any proceeds received by it from the disposition of a Pledged Obligation in the Collection Account, unless such proceeds are simultaneously applied to the purchase of Underlying Assets or Eligible Investments.

No shares in the Issuer will be issued to, or other rights against the Issuer created in favor of, a Contributor, except the right to receive the Contribution Repayment Amount. For the avoidance of doubt, Contribution Repayment Amounts may only be paid pursuant to the Priority of Payments.

(d) Upon its receipt of a Contribution Notice, the Trustee shall, within one Business Day (*provided*, that any notice of Contribution received by the Trustee after 2:00 p.m. New York City time on any Business Day shall be deemed to have been received on the following Business Day) notify the remaining holders of the Subordinated Notes in the form attached as Exhibit H hereto, and such notice shall extend to the other holders of Subordinated Notes the opportunity to participate in the related Contribution in proportion to their then current ownership of Subordinated Notes. Any Holder of existing Subordinated Notes that has not, within seven Business Days after delivery of such notice of Contribution from the Trustee, elected to participate in such Contribution by delivery of a Contribution Participation Notice in respect thereof to the Issuer (with a copy to the Asset Manager) and the Trustee shall be deemed to have irrevocably declined to participate in such Contribution. The Trustee shall not accept any Contribution until after the expiration of such seven Business Day period.

ARTICLE 12

SALE OF UNDERLYING ASSETS; SUBSTITUTION

Section 12.1. Sales of Underlying Assets and Eligible Investments

(a) So long as (A) no Event of Default has occurred and is continuing (other than as provided below) and (B) the Asset Manager determines that each of the conditions applicable to such sale set forth in this Article 12 has been satisfied, the Issuer (or the Asset Manager on behalf of the Issuer acting pursuant to the Asset Management Agreement) may direct the Trustee at any time to sell, and the Trustee shall sell in the manner directed by the Asset Manager (on behalf of the Issuer) in writing:

- (i) any Defaulted Obligation;
- (ii) any Workout Obligation or Restructured Obligation;

(iii) any Equity Security or security or other interest received by the Issuer in a Restructuring;

(iv) any Credit Risk Obligation; and

(v) any Credit Improved Obligation; *provided* that during the Reinvestment Period the Asset Manager shall use its commercially reasonable efforts to purchase (on behalf of the Issuer) one or more additional Underlying Assets, subject to the Portfolio Criteria, within 45 Business Days after the settlement date on which such Credit Improved Obligation is sold.

For the purposes of any such sale, a direction by the Asset Manager to the Issuer and/or the Trustee to sell an Underlying Asset pursuant to this Indenture shall be deemed to be a certification by the Asset Manager, and may be relied upon by the Issuer and the Trustee as evidence of such certification, that each of the conditions applicable to such sale set forth in this Indenture has been satisfied.

Without limiting the foregoing, during the Reinvestment Period provided a Restricted Trading Period is not in effect, the Issuer (or the Asset Manager on behalf of the Issuer acting pursuant to the Asset Management Agreement) may direct the Trustee in writing to sell, in the manner described above, any Underlying Asset that is not a Defaulted Obligation, a Credit Risk Obligation or a Credit Improved Obligation if the Aggregate Principal Balance of all such sales during the same calendar year is not greater than 25% of the Maximum Investment Amount as of the first Business Day of such calendar year (or, in the case of the year 2021, as of the Closing Date); *provided that* (1) the Asset Manager shall use its commercially reasonable efforts to purchase (on behalf of the Issuer), within 45 Business Days after the settlement date on which such Underlying Asset is sold, one or more additional Underlying Assets having an Aggregate Principal Balance at least equal to the Aggregate Principal Balance of the Underlying Asset that was sold; and (2) for the purpose of determining the percentage of Underlying Assets sold during any such period, the amount of any Underlying Assets sold shall be reduced to the extent of any purchases of Underlying Assets of the same obligor (which are *pari passu* or senior to such sold Underlying Asset) occurring within 20 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Underlying Asset was sold with the intention of purchasing an Underlying Asset of the same obligor (which would be *pari passu* or senior to such sold Underlying Asset).

(b) The Asset Manager, on behalf of the Issuer, shall sell:

(i) each Equity Security received in exchange for a Defaulted Obligation as soon as commercially practicable, but in any event within three years after the related Underlying Asset became a Defaulted Obligation (or within one year of such later date as such Equity Security may first be sold in accordance with its terms);

(ii) each Pledged Obligation that constitutes Margin Stock and is not a Subordinated Note Underlying Asset not later than 45 days after the later of (x) the date of the

Issuer's purchase thereof or (y) the date such Pledged Obligation became Margin Stock, except as described below; and

(iii) at any time that the Issuer holds Margin Stock with an aggregate Current Market Value in excess of 10.0% of the Maximum Investment Amount, Margin Stock with a Current Market Value at least equal to such excess.

The Asset Manager, on behalf of the Issuer, (i) may, on the Closing Date or at the time of purchase (or receipt), designate certain Underlying Assets as Subordinated Note Underlying Assets *provided that* the amount of Underlying Assets so designated (measured by the Issuer's acquisition cost (including accrued interest)) shall not exceed the Subordinated Note Reinvestment Ceiling and (ii) shall not, after the Closing Date, purchase any Subordinated Note Underlying Assets with any funds other than funds in the Subordinated Note Unused Proceeds Account or the Subordinated Note Principal Collection Account. The Trustee shall segregate on its books and records all Subordinated Note Underlying Assets. If an Underlying Asset that has not been designated as a Subordinated Note Underlying Asset becomes Margin Stock or Margin Stock is received by the Issuer in respect of an Underlying Asset that was not designated as a Subordinated Note Underlying Asset (each, "**Transferable Margin Stock**"), the Asset Manager, on behalf of the Issuer, may direct the Trustee to (i) transfer one or more non-Margin Stock Subordinated Note Underlying Assets having a value equal to or greater than such Transferable Margin Stock to the Secured Note Collateral Account, and simultaneously (ii) transfer such Transferable Margin Stock to the Subordinated Note Collateral Account and such Transferable Margin Stock shall thereafter be designated a Subordinated Note Underlying Asset; *provided that* to the extent that any Transferable Margin Stock is not transferred to the Subordinated Note Collateral Account, such Transferable Margin Stock must be sold within 45 days of receipt. For purposes of this Section 12.1(b), the value of each transferred Underlying Asset shall be its Current Market Value.

(c) In the event of a Redemption of the Notes, the Asset Manager shall, on behalf of the Issuer, direct the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Asset Manager (on behalf of the Issuer), any Underlying Asset without regard to the limitations set forth in clauses (a) and (b) of this Section 12.1 but subject to Article 9 to the extent required to fund such Redemption.

(d) Notwithstanding clauses (a) and (b) of this Section 12.1, within 90 days of the Stated Maturity, the Asset Manager shall sell all Underlying Assets to the extent necessary such that no Underlying Assets shall be held by the Issuer on or after Stated Maturity. The settlement dates for any such sales of Underlying Assets shall be no later the Business Day immediately preceding the Stated Maturity.

(e) Notwithstanding the restrictions of Section 12.1(a) and (b), if on any date of determination the Aggregate Principal Balance of the Underlying Assets is less than U.S.\$10,000,000, the Asset Manager may direct the Trustee, at the expense of the Issuer, to sell (and the Trustee shall sell in the manner specified) the Underlying Assets without regard to such restrictions.

(f) After the Reinvestment Period (without regard to whether an Event of Default has occurred and is continuing) but subject to Section 6.1(c)(iv):

(i) notwithstanding the restrictions of Section 12.1(a) through (c) (and, with respect to clause (x) in this subclause 12.1(f)(i) only, Section 5.5), the Trustee, at the expense of the Issuer (x) if an Event of Default has occurred and is continuing and the Notes have been declared due and payable (and such declaration and its consequences have not been rescinded and annulled), the Trustee, may, and will at the direction of a Majority of the Controlling Class or (y) at any other time, at the direction and with the assistance of the Asset Manager, will, conduct an auction of Unsaleable Assets in accordance with the procedures described in clause (ii) below;

(ii) promptly after receipt of such direction, the Trustee will provide notice (in such form as is prepared by the Asset Manager) to the Holders (and, for so long as any Notes rated by Fitch are Outstanding, to Fitch, and for so long as any Notes rated by S&P are Outstanding, S&P) of an auction, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures:

(A) any Holder of Notes may submit a written bid to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee will provide notice thereof to each Holder and offer to deliver (at no cost to the Holder) a *pro rata* portion of each unsold Unsaleable Asset to the Holders of the Highest Ranking Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Trustee will distribute the Unsaleable Assets on a *pro rata* basis to the extent possible and the Trustee will select by lottery the Holder to whom the remaining amount will be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee will promptly notify the Asset Manager and offer to deliver (at no cost to the Asset Manager) the Unsaleable Asset to the Asset Manager. If the Asset Manager declines such offer, the Trustee will take such action as directed by the Asset Manager (on behalf of the Issuer) to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means.

(g) Any trade confirmation provided to the Trustee by the Asset Manager will be deemed to be an Issuer Order stating that the applicable conditions specified in this Section 12.1 are satisfied with respect to such sale.

(h) If an Event of Default shall have occurred and be continuing, the Asset Manager may, on behalf of the Issuer, direct the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Asset Manager (on behalf of the Issuer), any Credit Risk Obligations with respect to which at least one criterion in clause (a), (b) or (c) of the definition of Credit Risk Obligation applies, Defaulted Obligations, Margin Stock, Unsaleable Assets, Equity Securities and Tax Assets without regard to the limitations set forth in clause (a) of this Section 12.1.

Section 12.2. Portfolio Criteria and Trading Restrictions

(a) During the Reinvestment Period, subject to Sections 12.1(a) and 12.2(j), the Asset Manager may instruct the Trustee by Issuer Order and certification as to satisfaction of the Eligibility Criteria to invest Principal Proceeds and to the extent of accrued interest, Interest Proceeds in Underlying Assets. Following the Reinvestment Period, the Asset Manager may continue to instruct the Trustee by Issuer Order and certification as to satisfaction of the Eligibility Criteria to reinvest Unscheduled Principal Payments and the Disposition Proceeds of Credit Risk Obligations in Underlying Assets and, in the case of assets that are the subject of binding commitments entered into prior to the end of the Reinvestment Period, to apply Principal Proceeds for the purchase of such Underlying Assets. In addition, at any time during or after the Reinvestment Period, at the direction of the Asset Manager, the Issuer may direct the Trustee to pay from amounts on deposit in the Interest Collection Account any amount required to exercise a warrant held in the Collateral to the extent that, after giving effect thereto, there are sufficient funds available in the Interest Collection Account to pay the Interest Distribution Amount with respect to each Class of Secured Notes in full in accordance with the Priority of Payments on the immediately following Payment Date. Coverage Tests shall be calculated prior to such proposed reinvestment.

(b) Notwithstanding anything to the contrary in this Indenture (other than Section 7.19), at any time, the Asset Manager may direct the Trustee to apply a Contribution designated as Principal Proceeds by the Contributor to the purchase of securities resulting from the exercise of an option, warrant, right of conversion or similar right in accordance with the documents governing any Equity Security without regard to the Portfolio Criteria and to make any payments required in the connection with a Restructuring of an Underlying Asset.

(c) After the Effective Date, any investment in Underlying Assets may only be made subject to the following Portfolio Criteria, measured as of the date the Asset Manager commits on behalf of the Issuer to make such investment:

(i) Reinvestment Period Criteria. No obligation may be purchased by the Issuer during the Reinvestment Period unless each of the following conditions (the "**Reinvestment Period Criteria**") is satisfied on a *pro forma* basis as of the date the Asset Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Asset Manager after giving effect to the settlement of such purchase and all other sales (or other dispositions) or purchases previously or simultaneously committed to; *provided* that, except for clause (A) below, such conditions need only be satisfied with respect to purchases of Underlying Assets occurring on or after the Effective Date:

- (A) such obligation is an Underlying Asset;
- (B) each applicable Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved;
- (C) either (1) each requirement or test, as the case may be, of the Eligibility Criteria and the Collateral Quality Test (other than the S&P CDO Monitor Test) will be satisfied or (2) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to such investment;
- (D) except in the case of purchases made with Disposition Proceeds of Defaulted Obligations and Credit Risk Obligations, either (1) the S&P CDO Monitor Test will be satisfied or (2) if the S&P CDO Monitor Test was not satisfied immediately prior to such investment, the S&P CDO Monitor Test will be maintained or improved after giving effect to such investment; and
- (E)
 - (1) Disposition Proceeds of Defaulted Obligations and Credit Risk Obligations may be reinvested in Underlying Assets only if (i) the Coverage Tests are satisfied after giving effect to such reinvestment and (ii) the Underlying Assets purchased with such Disposition Proceeds have an Aggregate Principal Balance at least equal to the Disposition Proceeds received from the sale of such Defaulted Obligations or Credit Risk Obligations (excluding Disposition Proceeds that constitute Interest Proceeds); and
 - (2) Disposition Proceeds of Credit Improved Obligations may be reinvested in Underlying Assets only if (i) the Coverage Tests are satisfied after giving effect to such reinvestment and (ii) the Underlying Assets purchased with such Disposition Proceeds have an Aggregate Principal Balance at least equal to the Aggregate Principal Balance of the Credit Improved Obligations that were sold.

(ii) Post-Reinvestment Period Criteria. No obligation may be purchased by the Issuer after the Reinvestment Period unless each of the following conditions (the "**Post-Reinvestment Period Criteria**") is satisfied on a *pro forma* basis as of the date the Asset Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Asset Manager after giving effect to the settlement of such purchase and all other sales (or other dispositions) or purchases previously or simultaneously committed to:

- (A) such obligation is an Underlying Asset;
- (B) each Coverage Test will be satisfied after giving effect to such reinvestment;

(C) either (1) each requirement or test, as the case may be, of the Eligibility Criteria and the Collateral Quality Test (other than the S&P CDO Monitor Test) will be satisfied after giving effect to such reinvestment or (2) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test will be maintained or improved after giving effect to such reinvestment;

(D) the Underlying Asset Maturity of the purchased Underlying Asset is no later than the Underlying Asset Maturity of the Underlying Asset that was prepaid or the Credit Risk Obligation that was sold;

(E) the S&P Rating of the purchased Underlying Asset is no lower than the S&P Rating of the Underlying Asset that was prepaid or the Credit Risk Obligation that was sold;

(F) unless the Effective Date Overcollateralization Test is satisfied after giving effect to such reinvestment:

(1) Disposition Proceeds of Credit Risk Obligations may be reinvested in Underlying Assets only if the Underlying Assets purchased with such Disposition Proceeds have an Aggregate Principal Balance at least equal to the Disposition Proceeds received from the sale of such Credit Risk Obligations (excluding Disposition Proceeds that constitute Interest Proceeds); and

(2) Unscheduled Principal Payments may be reinvested in Underlying Assets only if the Underlying Assets purchased with such Unscheduled Principal Payments have an Aggregate Principal Balance at least equal to the amount of such Unscheduled Principal Payments;

(G) no Event of Default has occurred and is continuing;

(H) a Restricted Trading Period is not in effect; and

(I) such Unscheduled Principal Payments and Disposition Proceeds of Credit Risk Obligations are reinvested on or prior to the later of (1) the 30th Business Day following receipt of such amounts and (2) the last Business Day of the Due Period during which such amounts were received.

The foregoing requirements with respect to any Collateral Quality Test and/or Coverage Test need not be satisfied with respect to any Underlying Asset acquired in a Bankruptcy Exchange.

At any time during or after the Reinvestment Period, the Asset Manager may direct the Trustee to apply amounts on deposit in the Contribution Account (as directed by the related Contributor (or, in the case of an additional issuance of Junior Mezzanine Notes and/or Subordinated Notes, as directed by a Majority of the Subordinated Notes) or, if no direction is

given by the related Contributor or a Majority of the Subordinated Notes, as applicable, by the Asset Manager at its reasonable discretion) to one or more Permitted Uses.

(d) For purposes of calculating compliance with the Portfolio Criteria, any such criteria need not be satisfied with respect to the purchase of an Underlying Asset that is subject to a Trading Plan if such criteria are satisfied on an aggregate basis for such purchase and all other purchases subject to the same Trading Plan.

(e) If the Issuer has entered into a binding commitment to purchase an Underlying Asset during the Reinvestment Period but such purchase has not settled prior to the end of the Reinvestment Period, such Underlying Asset will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Portfolio Criteria, as long as not later than the Business Day immediately preceding the end of the Reinvestment Period, the Asset Manager shall deliver to the Trustee a schedule of Underlying Assets purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Account, any scheduled or unscheduled principal proceeds that will be received by the Issuer from Underlying Assets with respect to which the obligor has already delivered an irrevocable notice of repayment or which are required by the terms of the applicable Underlying Instruments, as well as any Principal Proceeds that will be received by the Issuer from the sale of Underlying Assets for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Underlying Assets.

(f) If an Optional Redemption has been cancelled pursuant to Section 9.3 (including after the Reinvestment Period), any Disposition Proceeds that have been received by the Issuer in anticipation of such Optional Redemption may be applied to the purchase of Underlying Assets subject to this Section 12.2; *provided that* the restrictions regarding the type of Principal Proceeds that may be reinvested after the Reinvestment Period and the restrictions set forth in the immediately preceding clause (e) will not apply to the reinvestment of such Disposition Proceeds.

(g) In calculating the Coverage Tests and the Collateral Quality Tests in connection with the reinvestment of Disposition Proceeds of Credit Risk Obligations and Defaulted Obligations, the level of compliance with each Coverage Test and each Collateral Quality Test immediately following the sale of such Credit Risk Obligation or Defaulted Obligation will be compared with the level of compliance with such Coverage Test and Collateral Quality Test immediately following the reinvestment of the related Disposition Proceeds.

(h) Notwithstanding anything in this Section 12.2 to the contrary, the Issuer shall not purchase or otherwise acquire (whether in exchange for an Underlying Asset or otherwise) (i) any asset the ownership of which would otherwise cause the Issuer to be subject to income tax on a net basis in any jurisdiction, or (ii) any asset that constitutes a "United States real property interest" (as such term is defined in the Code), including certain interests in a

"United States real property holding corporation" (as such term is defined in the Code) ~~unless it is held in a Tax Subsidiary.~~

(i) Notwithstanding anything in this Section 12.2 to the contrary, if an Event of Default has occurred and is continuing, no Underlying Asset may be acquired by the Issuer, except that the Asset Manager, on behalf of the Issuer, may direct the Trustee (i) to complete the acquisition of assets that are the subject of a binding commitment entered into by the Issuer prior to such Event of Default, including a commitment with respect to which the principal amount has not yet been allocated, and (ii) to accept any Offer or tender offer made to all holders of any Underlying Asset at a price equal to or greater than its par amount plus accrued interest.

(j) Notwithstanding anything in this Section 12.2 to the contrary, and solely for purposes of measuring the level of compliance with the Eligibility Criteria, Principal Proceeds will be considered Floating Rate Underlying Assets that pay interest at least quarterly, that are also Senior Secured Loans and are issued by obligors organized in the United States.

(k) Without regard to the Portfolio Criteria, the Asset Manager, on behalf of the Issuer, may consent to solicitations by issuers of an Underlying Asset to a Maturity Amendment if (i) the Underlying Asset Maturity would be extended to a date not later than the Stated Maturity of the Notes; *provided* that this clause (i) shall not be applicable to Maturity Amendments resulting in Long-Dated Obligations so long as the Aggregate Principal Balance of all such Long-Dated Obligations (whether or not then owned by the Issuer) that are amended without satisfying clause (i), measured cumulatively from the ~~Closing~~First Refinancing Date, does not exceed ~~2.0~~1.5% of the Effective Date Target Par Amount after giving effect to such Maturity Amendment, and (ii) either (x) the Weighted Average Life Test will be satisfied or (y) if the Weighted Average Life Test was not satisfied immediately prior to such Maturity Amendment, the level of compliance with the test will be maintained or improved after giving effect to such Maturity Amendment and after giving effect to any Trading Plan; *provided that* Underlying Assets that are subject to Maturity Amendments that fall under clause (ii)(y) (a) at any time from the ~~Closing~~First Refinancing Date (whether or not still held by the Issuer at the time of determination) in the aggregate shall not exceed 10.0% of the Effective Date Target Par Amount and (b) owned by the Issuer at any time shall not exceed 7.5% of the Maximum Investment Amount. However, the Issuer will not be in violation of the restriction in the preceding sentence with respect to any Maturity Amendment that is effected in violation of clause (ii) above so long as the Issuer (or the Asset Manager on behalf of the Issuer) has either (A) refused to consent to such Maturity Amendment or (B) provided its consent in connection with the Restructuring of such Underlying Asset as a result of the financial distress, or an actual or imminent bankruptcy or insolvency, of the related obligor; *provided that* (x) Underlying Assets that are subject to Maturity Amendments that fall under clause (B) above at any time from the ~~Closing~~First Refinancing Date (whether or not still held by the Issuer at the time of determination) in the aggregate shall not exceed 10.0% of the Effective Date Target Par Amount and (y) the Asset Manager shall use its best efforts to sell any Underlying Asset that has been subject to a Maturity Amendment under clause (A) above within 20 Business Days of the effectiveness of such Maturity Amendment. In addition, for purposes of the calculation of the Maximum Investment Amount, each Long-Dated Obligation and each Underlying Asset that is the subject of a Maturity Amendment after the end of the Reinvestment Period that

has not been sold by the Issuer within 60 days after the effective date of the related maturity extension will have a Principal Balance of zero.

(l) The Asset Manager shall not purchase any additional Underlying Assets if the balance in the Principal Collection Account (after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds (including, without limitation, any prepayment of an Underlying Asset (x) for which there has been a publicly announced transaction which would lead to a prepayment (as determined by the Asset Manager) or (y) for which the prepayment date has been established and of which lenders have been notified by the obligor or the administrative agent or paying agent in respect of such Underlying Asset)) is a negative amount and the absolute value of such amount is greater than ~~3.0~~2.0% of the Reinvestment Target Par Balance as of the Measurement Date immediately preceding the trade date for such purchase; *provided that during the Reinvestment Period, the absolute value of such amount is greater than 2.0*% of the Reinvestment Target Par Balance as of the Measurement Date immediately preceding the trade date for such purchase.

(m) Any trade confirmation provided to the Trustee by the Asset Manager will be deemed to be an Issuer Order stating that the applicable conditions specified in this Section 12.2 are satisfied with respect to such purchase.

Section 12.3. Tax Subsidiaries

(a) The Issuer may from time to time, as directed by the Asset Manager, form one or more wholly owned, domestic or foreign, subsidiaries (each, a "**Tax Subsidiary**"), subject to the following purposes and criteria:

(i) the Issuer shall only form a Tax Subsidiary for the purpose of acquiring, holding, realizing and/or disposing of Tax Assets (A) to prevent the Issuer from becoming subject to withholding or other taxes, fees or assessments, (B) to prevent the Issuer from being treated as being engaged or deemed to be engaged in a trade or business within the United States or otherwise being subject to U.S. federal, state or local income or franchise tax on a net basis, or (C) in connection with a foreclosure, workout or restructuring of an Underlying Asset, if the related Tax Subsidiary would be subject to lower taxes, fees or assessments than the Issuer would be subject to; *provided that* no non-U.S. Tax Subsidiary may be formed for the purpose of holding, realizing and/or disposing of, or actually hold, real property or a controlling interest in an entity that owns real property and no Tax Subsidiary may form its own one or more wholly owned, domestic or foreign, subsidiaries;

(ii) each Tax Subsidiary shall agree (or be deemed to agree) to be subject to and bound by each obligation or covenant of the Issuer under any Transaction Document to which the Issuer is a party or by which the Issuer is bound with the same effect as if such Tax Subsidiary had been named as the Issuer thereunder except that a Tax Subsidiary will not be subject to or bound by any obligation that it not become engaged in a trade or business

within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal net income tax;

(iii) each Tax Subsidiary shall agree (or be deemed to agree) not to cause the Issuer to default in the performance of, or breach, any covenant, representation or warranty of the Issuer under any Transaction Documents to which the Issuer is a party or by which the Issuer is bound;

(iv) each Tax Subsidiary shall only enter into a custody agreement with an Eligible Institution;

(v) the organizational documents for each Tax Subsidiary shall not permit it to incur any indebtedness;

(vi) subject to applicable law, the organizational documents for each Tax Subsidiary shall require the related Tax Subsidiary to use its best efforts to distribute 100% of any distributions on, and proceeds of, any Tax Asset held by such Tax Subsidiary, net of any taxes, fees or assessments, to the Issuer as holder of the equity interest in such Tax Subsidiary within six months of receipt of such distributions and/or proceeds, unless prevented by applicable law (in which case such Tax Subsidiary shall use its best efforts to make such distribution as soon as possible when allowed by applicable law);

(vii) the organizational documents for each Tax Subsidiary shall require that the related Tax Subsidiary have, at all times, at least one independent director duly appointed to, and serving on, its board of directors (or in the case of a limited liability company, independent manager);

(viii) each Tax Subsidiary is at all times treated as a corporation for U.S. federal, state and local income and franchise tax purposes;

(ix) the organizational documents for each Tax Subsidiary will be substantially in the form of Exhibit D or Exhibit E unless notice of any substantial difference from the applicable exhibit is provided to each Rating Agency;

(x) the Issuer will give prior written notice to each Rating Agency prior to any amendment of the organizational documents of any Tax Subsidiary;

(xi) each Tax Subsidiary will file any tax returns required by applicable law;

(xii) each Tax Subsidiary will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such Tax Subsidiary's constituent documents;

(xiii) each Tax Subsidiary will distribute (including by way of interest payment) 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer;

(xiv) each Tax Subsidiary must meet the then-current general criteria of the Rating Agency for bankruptcy remote entities; and

(xv) the Issuer shall provide prior notice to each Rating Agency of the formation of any Tax Subsidiary and of the transfer of any Equity Security to a Tax Subsidiary.

(b) Notwithstanding that the Issuer owns an equity interest in a Tax Subsidiary for tax and accounting purposes, for all other purposes hereunder and under the other Transaction Documents, including but not limited to reporting and calculations (including Overcollateralization Tests), the Tax Asset will be deemed to be an Equity Security or Underlying Asset, as applicable, as long as it is held by a Tax Subsidiary. Any distributions of Cash by the Tax Subsidiary to the Issuer will be categorized as either Interest Proceeds or Principal Proceeds in accordance with the provisions of this Indenture (as directed by the Asset Manager to the Trustee in writing) governing Cash received by the Issuer in respect of a Defaulted Obligation. Tax Assets must be disposed of by the relevant Tax Subsidiary prior to the Stated Maturity.

(c) The Issuer (or the Asset Manager on behalf of the Issuer) will sell or otherwise dispose of or transfer to a Tax Subsidiary the ownership, as determined for U.S. federal income tax purposes, of any Underlying Asset or portion thereof with respect to which the Issuer will receive a Tax Asset (or with respect to which the Issuer determines it may be or may become a Tax Asset) prior to the receipt of such Tax Asset (without regard to whether an Event of Default has occurred and is continuing). The Issuer will not be required to continue to hold in a Tax Subsidiary (and may instead hold directly) a security that ceases to be considered a Tax Asset if the Issuer obtains Tax Advice to the effect that holding such asset directly would not cause the Issuer to be (i) subject to withholding or other taxes, fees or assessments, (ii) treated as **being** engaged in a trade or business within the United States or otherwise being subject to U.S. federal income tax on a net basis or (iii) subject to higher taxes, fees or assessments than the Tax Subsidiary would be subject to.

(d) The transfer of a Tax Asset from the Issuer to a Tax Subsidiary, or from a Tax Subsidiary to the Issuer or another Tax Subsidiary, will not be considered a sale, purchase or other disposition of such Tax Asset under Article 12. A Tax Subsidiary, or the Asset Manager on its behalf, may sell a Tax Asset at any time (without regard to whether an Event of Default has occurred and is continuing) and must use commercially reasonable efforts to sell or otherwise dispose of a Tax Asset it owns within three years of the date that it receives such Tax Asset. The Trustee, with the assistance of the Asset Manager and documentation and information provided to it by the Asset Manager, will provide prompt written notice to the Rating Agency of the formation of a Tax Subsidiary.

(e) The Issuer shall not exercise any voting rights with respect to the equity interest of a Tax Subsidiary seeking any institution of any action to have such Tax Subsidiary adjudicated as bankrupt or insolvent, any consent to the institution of bankruptcy or insolvency

proceedings against it, any request or consent to the entry of any order for relief or the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official for it or for any substantial part of its property, any liquidation, winding up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, any making of any general assignment for the benefit of creditors, or any admission in writing that it is unable to pay its debts generally as they become due prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all of the Notes.

(f) The Issuer (or the Asset Manager on its behalf) may take or may direct the Trustee (upon written direction and certification such direction is permitted under this Section 12.3) to take any action necessary or reasonable to enable a Tax Subsidiary to engage in any lawful act or activity and to exercise any powers permitted under the laws of the jurisdiction of its formation that are related to or incidental to and necessary, convenient or advisable to accomplish any of the provisions set forth in this Section 12.3. For the avoidance of doubt, the Trustee shall be entitled to the benefit of every provision of this Indenture relating to the conduct of or affecting the liability of or affording protection to the Trustee with respect to any action taken hereunder.

(g) The Trustee shall have no obligation or duty to determine whether an entity or subsidiary meets the criteria of a Tax Subsidiary as defined herein and for such purposes, the Trustee shall be entitled to rely conclusively on an Issuer Order (which may be executed by an Authorized Officer of the Asset Manager) to the effect that the Tax Subsidiary requirements have been met.

(h) The Asset Manager shall manage any Tax Subsidiary and the Tax Assets held by any Tax Subsidiary in a manner consistent with the terms, conditions and limitations of the Asset Management Agreement, *mutatis mutandis*; *provided that* the Asset Manager shall be entitled to the benefit of every provision of the Asset Management Agreement relating to the conduct of or affecting the liability of or affording protection to the Asset Manager.

Section 12.4. **Workout Obligations.**

ARTICLE 13

NOTEHOLDERS' RELATIONS

Section 13.1. Subordination

(a) Notwithstanding anything in this Indenture or the Notes to the contrary, but subject to the Bankruptcy Subordination Agreement, the Issuers and each Lower Ranking Class agree for the benefit of each Higher Ranking Class that the rights of such Lower Ranking Class to payment by the Issuers (other than payments in respect of Repurchased Notes or distribution of any Unsaleable Assets pursuant to Section 12.1(f)) and in and to the Collateral, including to any payment from the Proceeds of Collateral (the "**Subordinate Interests**"), shall be subordinate and junior to each Higher Ranking Class, to the extent and in the manner set forth in this Indenture including as set forth in Section 11.1 and this Section 13.1. If any Event of Default has occurred and has not been cured or waived and acceleration occurs in accordance with Article 5, Interest Proceeds and Principal Proceeds will be applied to pay both principal of and interest on each Higher Ranking Class in full before any further payment or distribution is made on account of the Subordinate Interests in accordance with the Subordination Priority of Payments.

(b) If notwithstanding the provisions of this Indenture, any Holder of any Subordinate Interests shall have received any payment or distribution in respect of such Subordinate Interests contrary to the provisions of this Indenture, then, unless and until each Higher Ranking Class shall have been paid in full in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the Higher Ranking Class in accordance with this Indenture.

(c) The Issuer and all the Holders of Notes agree that they will not demand, accept, or receive any payment or distribution in respect of Subordinate Interests in violation of the provisions of this Indenture (including this Section 13.1); *provided that*, after all Higher Ranking Classes have been paid in full, the Holders of Subordinate Interests shall be fully

subrogated to the rights of the Holders of such Higher Ranking Classes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of Subordinate Interests.

(d) By its acceptance of an interest in the Notes, each Holder and beneficial owner of any Note acknowledges and agrees to the restrictions set forth in Section 5.4(d), including the Bankruptcy Subordination Agreement.

Section 13.2. **Standard of Conduct**

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, subject to the terms and conditions of this Indenture, including Section 5.9, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuers, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. **Right to List of Holders and Documents**

(a) The Asset Manager will have the right to obtain a complete list of Holders (and, subject to confidentiality requirements, Certifying Persons) at any time upon five Business Days' prior written notice to the Trustee.

(b) Any Holder or Certifying Person shall have the right, but only after the occurrence and during the continuance of a Default or an Event of Default and upon five Business Days' prior written notice to the Trustee, to obtain a complete list of Holders (and, subject to confidentiality requirements, Certifying Persons); *provided that* each Holder or Certifying Person agrees by acceptance of such list that the list shall be used for no purpose other than the exercise of its rights under this Indenture. At any other time and at the expense of the Holder or Certifying Person so requesting, a Holder may request that the Trustee forward a notice to the Holders and Certifying Persons on its behalf. To extent a beneficial owner provides a notice including its contact information to the Trustee for posting on the Trustee's website, the Trustee shall post such notice. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status.

(c) The Placement Agent will have the right to obtain a complete list of Holders (and, subject to confidentiality requirements, Certifying Persons) at any time upon five Business Days' prior written notice to the Trustee.

(d) Upon the request of any Holder or Certifying Person, the Trustee shall provide an electronic copy of this Indenture, the Asset Management Agreement, the Collateral Administration Agreement, any outstanding Hedge Agreements, any agreements referenced as a

supplement to this Indenture and any agreements referenced as an amendment or waiver to each Transaction Document that is in the possession of, or reasonably available to, the Trustee.

Section 13.4. Proceedings

Each purchaser, beneficial owner and subsequent transferee of a Note will be deemed by its purchase to acknowledge and agree as follows: (i)(a) the express terms of this Indenture govern the rights of the Holders to direct the commencement of a Proceeding against any Person, (b) this Indenture contains limitations on the rights of the Holders to direct the commencement of any such Proceeding, and (c) each Holder shall comply with such express terms if it seeks to direct the commencement of any such Proceeding; (ii) there are no implied rights under this Indenture to direct the commencement of any such Proceeding; and (iii) notwithstanding any provision of this Indenture, or any provision of the Notes, or of the Collateral Administration Agreement or of any other agreement, the Issuers, whether jointly or severally, shall be under no duty or obligation of any kind to the Holders, or any of them, to institute any legal or other proceedings of any kind, against any Person or entity, including, without limitation, the Trustee, the Asset Manager, the Collateral Administrator or the Calculation Agent.

ARTICLE 14

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to the Trustee

Any certificate of an Authorized Officer of the Issuer or the Co-Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuer or the Co-Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate of, or representations by, the Issuer, the Co-Issuer, the Asset Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Asset Manager or such other Person, unless such Authorized Officer of the Issuer or the Co-Issuer or such counsel knows that the certificate or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate of, or representations by, an Authorized Officer of the Issuer or the Co-Issuer or the Asset Manager, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or representations with respect to such matters are erroneous.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with

such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured email, facsimile transmission or other similar unsecured electronic methods, *provided that* any Person providing such instructions or directions shall provide to the Trustee an incumbency certificate listing authorized Persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Trustee email or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's reasonable understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 14.2. **Acts of Holders**

(a) Any Notice provided by this Indenture to be given or taken by Holders of Notes may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing, and, except as herein otherwise expressly provided, such Notice shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) constitute the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee reasonably deems sufficient.

(c) The Aggregate Outstanding Amount of Notes held by any Person, and the date of its holding the same, shall be proved by the Notes Register.

(d) Any Notice by the Holder of any Notes shall bind the Holder (and any transferee or assignee thereof) of such Notes and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Asset Manager or the Issuers in reliance thereon, whether or not notation of such action is made upon such Notes.

(e) If required by applicable banking laws, a Holder of a Note that is subject to the Bank Holding Company Act of 1956, as amended, may upon notice to the Trustee, elect to forfeit the voting or consent rights specified in such notice of all or any portion of any Note

owned by such Holder (the "**Electing Holder**"). With respect to any matter as to which Holders may vote or consent and as to which any Electing Holder has forfeited the right to consent in respect of any Note owned by it (the "**Elected Note**"), such Elected Note shall not be included in determining whether such matter has been approved, consented to or adopted. Any such election may be rescinded in whole or in part at any time if such Electing Holder determines that such rescission is consistent with applicable banking laws.

(B) to S&P, (i) with respect to surveillance, at CDO_Surveillance@spglobal.com, (ii) with respect to credit estimates or other specified events, at creditestimates@spglobal.com, (iii) with respect to an Effective Date Ratings Confirmation or confirmation of S&P's initial rating of the Notes, at CDOEffectiveDatePortfolios@spglobal.com or (iv) with respect to the S&P CDO Monitor, at CDOMonitor@spglobal.com.

Notwithstanding the foregoing, the Issuer may provide from time to time for Notices to the Rating Agency to be posted to the NRSRO Website by the Asset Manager or the Placement Agent in lieu of the Collateral Administrator.

(b) Each of the parties hereto agrees that it will not communicate information relating to this Indenture, the Notes or the transactions contemplated hereby to a Rating Agency orally unless such communication is recorded and immediately posted to the NRSRO Website. The provisions set forth in clause (a) and this clause (b) constitute the "Rule 17g-5 Procedures."

(c) The Trustee:

(i) will have no obligation to engage in or respond to any oral communications for the purpose of undertaking credit rating surveillance of the Secured Notes with any Rating Agency or any of their respective officers, directors or employees;

(ii) will not be responsible for maintaining the NRSRO Website, posting any Notices or other communications to the NRSRO Website or ensuring that the NRSRO Website complies with the requirements of this Indenture, Rule 17g-5, or any other law or regulation;

(iii) makes no representation in respect of the content of the NRSRO Website or compliance by NRSRO Website with this Indenture, Rule 17g-5, or any other law or regulation and the maintenance by the Trustee of the website described in Section 14.5 shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any related law or regulation;

(iv) will not be responsible or liable for the dissemination of any identification numbers or passwords for the NRSRO Website; and

(v) will not be liable for the use of the information posted on the NRSRO Website, whether by the Issuers, the Rating Agency or any other Person that may gain access to the NRSRO Website or the information posted thereon (to the extent it was not prepared by the Trustee and the Trustee had no obligation to prepare or deliver such information).

Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.4 shall not constitute a Default or Event of Default.

Section 14.5. **Notices to Holders; Waiver**

(a) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(i) such notice shall be sufficiently given to Holders if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Notes Register (or in the case of Global Securities, emailed to the Depository for delivery in accordance with the customary practices of the Depository), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice or, if no date is specified, as soon as practicable; and

(ii) such notice shall be in the English language,

provided that a Holder may provide a written request to the Trustee to provide all notices to it by electronic mail and stating the electronic mail address for such purpose.

In addition, for so long as any Listed Notes are Outstanding and the guidelines of the Cayman Islands Stock Exchange so require, documents delivered to Holders of such Listed Notes will be provided to the Cayman Islands Stock Exchange.

(b) Notices provided pursuant to this Section 14.5 shall be deemed to have been given on the date of such mailing or delivery by email to the Depository.

(c) The Trustee shall deliver to any Holder of Notes or Certifying Person any information or notice requested to be so delivered by a Holder or Certifying Person that is reasonably available to the Trustee and all related costs will be borne by the requesting Holder or Certifying Person.

(d) The Trustee shall deliver to any Holder of Notes or Certifying Person, subject to confidentiality provisions, any holder information identified on the Notes Register requested to be so delivered by a Holder or Certifying Person and all related costs will be borne by the Issuer as Administrative Expenses.

(e) Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. If because of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

(f) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(g) Notwithstanding the foregoing, in the case of Global Securities, there may be substituted for such mailing of a document the delivery of the relevant document to the Depository, Euroclear and Clearstream for communication by them to the beneficial holders of interests in the relevant Global Security. A copy of any such notice, upon written request therefor, shall be sent to any Certifying Person.

(h) Notwithstanding the foregoing, any documents (including reports, notices or executed supplemental indentures) required to be provided by the Trustee to Holders may be provided by providing notice of, and access to, the Trustee's website containing such document for so long as the Trustee customarily maintains websites for noteholder communications and the posting of any such notice to the Trustee's website will constitute notice to the Holders for all purposes hereunder.

Section 14.6. Effect of Headings and Table of Contents

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.7. Successors and Assigns

All covenants and agreements in this Indenture by the Issuers and the Trustee shall bind their respective successors and assigns, whether so expressed or not.

Section 14.8. Severability

If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.9. Benefits of Indenture

Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person other than the parties hereto and their successors hereunder any benefit or any legal or equitable right, remedy or claim under this Indenture, except that (i) the Asset Manager shall be an express third party beneficiary of this Indenture and (ii) each Holder shall be an express third party beneficiary for purposes of the right of specific performance described Section 5.4(d)(iv).

Section 14.10. Governing Law

This Indenture and the Notes shall be construed in accordance with, and this Indenture and the Notes and any matters arising out of or relating in any way whatsoever to this Indenture or the Notes (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11. Submission to Jurisdiction

With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("**Proceedings**"), each party, to the fullest extent permitted by applicable law, irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough

of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

The Issuers consent to the service of any and all process in any action or proceeding by the mailing or delivery of copies of such process to the office of the Issuers' Process Agent set forth in Section 7.4. The Issuers and the Trustee agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.12. Counterparts

This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "**Signature Law**"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings. Delivery of an executed counterpart signature page of this Indenture by e-mail (PDF), facsimile or other electronic means shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.13. Waiver of Jury Trial

EACH OF THE ISSUER, THE CO-ISSUER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing

waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.14. **Liability of Issuers**

Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, the Issuers or otherwise, neither of the Issuers shall have any liability whatsoever to the other of the Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Issuers. In particular, neither of the Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Issuers or any Tax Subsidiary or shall have any claim in respect of any assets of the other of the Issuers.

Section 14.15. **De-Listing of the Notes**

If, in the sole judgment of the Asset Manager, the maintenance of the listing of any Class of Notes on any exchange on which the Notes are then listed is unduly onerous or burdensome to the Issuer or the Noteholders, the Issuer shall cause the Notes to be de-listed from such exchange and, if the Asset Manager so directs, cause the Notes to be listed on another exchange, as identified by the Asset Manager.

Section 14.16. **Liability Regarding Replacement of the Benchmark**

In connection with the replacement of the Benchmark, the Asset Manager will not be liable for actions taken or omitted to be taken by it in good faith and without fraud, gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable order), willful misconduct or breach of this Indenture. The Issuers, subject to the foregoing, will waive and release any and all claims, and the Holders of Notes shall be deemed to have waived and released any and all claims, with respect to any action taken or omitted to be taken by the Asset Manager in good faith and without fraud, gross negligence (as determined by a court of competent jurisdiction in a final, non-appealable order), willful misconduct or breach of this Indenture with respect to ~~an Alternative Reference Rate~~ a Benchmark Replacement, including, without limitation, determinations as to the occurrence of a Benchmark Replacement Date or a Benchmark Transition Event, the selection of ~~an Alternative Reference Rate~~ a Benchmark Replacement, and the determination of the applicable Benchmark Replacement Adjustment.

ARTICLE 15

ASSIGNMENT OF ASSET MANAGEMENT AGREEMENT

Section 15.1. **Assignment of Asset Management Agreement**

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Secured Obligations and the performance and observance of the provisions hereof, hereby assigns, transfers, conveys and sets over to the Trustee, for the benefit of the

Secured Parties, all of the Issuer's right, title and interest (but none of its obligations) in, to and under the Asset Management Agreement, including the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder or in connection therewith; *provided that* the Trustee hereby grants the Issuer a license to exercise all of the Issuer's rights pursuant to the Asset Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture), which license shall be and is hereby deemed to be automatically revoked upon the occurrence of an Event of Default hereunder until such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Asset Management Agreement, nor shall any of the obligations contained in the Asset Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Secured Notes and the release of the Collateral from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Asset Management Agreement shall revert to the Issuer automatically and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that it has not executed any other assignment of the Asset Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may specify.

ARTICLE 16

HEDGE AGREEMENT

Section 16.1. Hedge Agreements.

(a) The Issuer will not enter into Hedge Agreements on the Closing Date but may enter into Hedge Agreements from time to time after the Closing Date solely for the purpose of managing interest rate and other risks in connection with the Issuer's issuance of, and making payments on, the Notes, with the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes ~~and~~, Rating Agency Confirmation and satisfaction of the Fitch Counterparty Ratings; *provided that*, the Issuer shall not enter into any Hedge Agreement unless it receives a certification from the Asset Manager that (1) the written terms of the derivative directly relate to the Underlying Assets and the Notes and (2) such derivative reduces the interest rate and/or foreign exchange risks related to the Underlying Assets and the Notes.

The Issuer will promptly provide notice of entry into any Hedge Agreement to the Trustee and each Rating Agency.

(b) Each Hedge Agreement will contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.7(i) and Section 5.4(d). Each Hedge Counterparty (or its respective Hedge Guarantor) will be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless Rating Agency Confirmation is obtained. Payments with respect to Hedge Agreements will be subject to Article 11.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Asset Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Asset Manager under the terminated Hedge Agreement.

(d) The Trustee shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement and (ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirement.

(f) The Issuer will give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(g) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, the Trustee will make a demand on the Hedge Counterparty, or the related Hedge Guarantor, if any, with a copy to the Asset Manager, demanding payment by the close of business on such date (or by such time on the next succeeding Business Day if such knowledge is obtained after 11:30 a.m., New York time).

(h) Each Hedge Agreement will provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Collateral has commenced.

(i) If the Issuer enters into a Hedge Agreement (or transaction thereunder), the Issuer will comply with all applicable requirements of the Commodity Exchange Act.

(j) Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Asset Manager on behalf of the Issuer) will not enter into any Hedge Agreement or any amendment of any Hedge Agreement unless the following conditions have been satisfied: (A) except as a Majority of the Controlling Class and a Majority of the Subordinated Notes will otherwise specify in a notice to the Issuer, the Issuer receives confirmation from the Asset Manager that it has received the advice of its external counsel to the effect that either: (1) the Issuer entering into such Hedge Agreement would fall within the scope of the exclusion from commodity pool regulation set forth in CFTC Letter No. 12-45 (Interpretation and No-Action) dated December 7, 2012 issued by the Division of Swap Dealer and Intermediary Oversight of the Commodity Futures Trading Commission; (2) the Issuer entering into such Hedge Agreement would otherwise not cause the Issuer to be considered a "commodity pool" as defined in Section 1a(10) of the Commodity Exchange Act, as amended; or (3) if the Issuer would be a commodity pool, that (a) the Asset Manager, and no other party, would be the "commodity pool operator" and "commodity trading advisor"; and (b) with respect to the Issuer as the commodity pool, the Asset Manager is either (x) eligible for an exemption from registration as a commodity pool operator and commodity trading advisor and all conditions precedent to obtaining such an exemption have been satisfied or (y) has registered, prior to or as of entering into such Hedge Agreement, as a commodity pool operator and commodity trading advisor and is in compliance with all applicable laws and regulations applicable to commodity pool operators and commodity trading advisors; and (B) the Asset Manager agrees in writing that for so long as the Issuer is a commodity pool, the Asset Manager will take all actions necessary to ensure ongoing compliance with, as the case may be, either (x) the applicable exemption from registration as a commodity pool operator and commodity trading advisor with respect to the Issuer or (y) the applicable registration requirements as a commodity pool operator and commodity trading advisor with respect to the Issuer, and will in each case take any other actions required as a commodity pool operator and commodity trading advisor with respect to the Issuer.

Schedule C - 1

SCHEDULE D MOODY'S RATING DEFINITIONS

"Assigned Moody's Rating" means the monitored publicly available rating, the monitored estimated rating or the unpublished monitored rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised; *provided that* (i) the Issuer (or the Asset Manager on its behalf) shall request an annual review of any Underlying Asset for which the Issuer has obtained a credit estimate from Moody's and (ii) so long as the Issuer (or the Asset Manager on its behalf) applies for a new estimated rating, or renewal of a rating estimate, in a timely manner and provides the information required to obtain such estimate or renewal, as applicable, then pending receipt of such estimate or renewal, as applicable, (A) in the case of a request for a new estimated rating, (i) for a period of 90 days, such debt obligation will have an Assigned Moody's Rating of "B3" for purposes of this definition if the Asset Manager certifies to the Trustee that the Asset Manager believes that such estimated rating will be at least "B3" and (ii) thereafter, in the Asset Manager's sole discretion either (1) such debt obligation will be deemed not to have an Assigned Moody's Rating or (2) such debt obligation will have an Assigned Moody's Rating of "Caa3", (B) in the case of an annual request for a renewal of a rating estimate, the Issuer for a period of 30 days after the later of (x) the application for such renewal or (y) 12 months, as long as such rating estimate or a renewal therefor has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Assigned Moody's Rating is being determined, will continue using the previous estimated rating assigned by Moody's with respect to such debt obligation until such time as Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation; *provided that* if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Assigned Moody's Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Assigned Moody's Rating will be deemed to be "Caa3"; and (C) in the case of a request for a renewal of a rating estimate following a material deterioration in the creditworthiness of the obligor or a specified amendment, the Issuer will continue using the previous estimated rating assigned by Moody's until such time as (x) Moody's renews such estimated rating or assigns a new estimated rating for such debt obligation or (y) the criteria specified in clause (A) in connection with an annual request for a renewal of a rating estimate becomes applicable in respect of such debt obligation; *provided that* the Asset Manager (on behalf of the Issuer) will use commercially reasonable efforts to notify Moody's if the Asset Manager becomes aware of any material change that the Asset Manager reasonably believes could have a material adverse effect on the credit of such Underlying Asset.

"CFR" means, with respect to an obligor of an Underlying Asset, if it has a corporate family rating by Moody's, then such corporate family rating; *provided*, if it does not have a corporate family rating by Moody's but any entity in its corporate family does have a corporate family rating, then the CFR is such corporate family rating.

"Moody's Default Probability Rating" means, with respect to any Underlying Asset, as of any date of determination, the rating as determined in accordance with the following, in the following order of priority (*provided that*, with respect to the Underlying Assets generally, if at

any time Moody's or any successor to it ceases to provide rating services, references to rating categories of Moody's shall be deemed instead to be references to the equivalent categories of any other nationally recognized investment rating agency selected by the Issuer (with written notice to the Trustee and the Collateral Administrator), as of the most recent date on which such other rating agency and Moody's published ratings for the type of security in respect of which such alternative rating agency is used):

(a) with respect to an Underlying Asset, if the obligor of such Underlying Asset has a CFR, then such CFR;

(b) if the preceding clause does not apply and the obligor thereunder has one or more senior unsecured obligations with an Assigned Moody's Rating (other than any estimated rating), then such rating on any such obligation as selected by the Asset Manager in its sole discretion;

(c) if the preceding clauses do not apply and the obligor thereunder has one or more senior secured obligations with an Assigned Moody's Rating (other than any estimated rating), then one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Asset Manager in its sole discretion;

(d) if the preceding clauses do not apply and a rating estimate has been assigned by Moody's to such Underlying Asset upon the request of the Issuer or the Asset Manager (or an Affiliate), then such rating estimate as long as such rating estimate or a renewal therefor has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; *provided that* if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(e) with respect to a DIP Loan, the rating that is one rating subcategory below its Assigned Moody's Rating;

(f) if the preceding clauses do not apply, at the election of the Asset Manager, the Moody's Derived Rating; and

(g) if the preceding clauses do not apply, the Underlying Asset will be deemed to have a Moody's Default Probability Rating of "Caa3".

Notwithstanding the foregoing, for purposes of the Moody's Default Probability Rating used for purposes of determining the Moody's Rating Factor of an Underlying Asset, if the Moody's rating or ratings used to determine the Moody's Default Probability Rating are on watch for downgrade or upgrade by Moody's, such rating or ratings will be adjusted down one subcategory (if on "credit watch negative") or up one subcategory (if on watch for upgrade), in each case without duplication of any adjustments made pursuant to the last sentence of the definition of Moody's Derived Rating.

"**Moody's Derived Rating**" means, with respect to an Underlying Asset whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined in accordance with the following, in the following order of priority:

(a) (i) if such Underlying Asset has a rating by S&P (and is not a DIP Loan), then by adjusting such S&P Rating by the number of rating subcategories pursuant to the table below:

<u>Type of Underlying Asset</u>	<u>S&P Rating (Public and Monitored)</u>	<u>Underlying Asset Rated by S&P</u>	<u>Number of Subcategories Relative to Moody's Equivalent of S&P Rating</u>
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation in a Loan	-1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation in a Loan	-2
Not Structured Finance Obligation		Loan or Participation in a Loan	-2

(ii) if the preceding subclause (i) does not apply (and such Underlying Asset is not a DIP Loan), and another security or obligation of the obligor has a public and monitored rating by S&P (a "**parallel security**"), then the rating of such parallel security will, at the election of the Asset Manager, be determined in accordance with the table set forth in subclause (a)(i) above, and the Moody's Derived Rating for purposes of clauses (a)(iv) and (b)(v) of the definition of Moody's Rating and clause (f) of the definition of Moody's Default Probability Rating (as applicable) of such Underlying Asset in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (a)(ii)):

<u>Obligation Category of Rated Obligation</u>	<u>Rating of Rated Obligation</u>	<u>Number of Subcategories Relative to Rated Obligation Rating</u>
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

or

(iii) if such Underlying Asset is a DIP Loan, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided, that the Aggregate Principal Balance of the Underlying Assets that may have a Moody's Derived Rating that is derived from an S&P Rating as set forth in subclauses (i) or (ii) of this clause (a) may not exceed 10% of the Maximum Investment Amount; or

(b) if the preceding clause (a) does not apply and neither such Underlying Asset nor any other security or obligation of the obligor thereunder is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Asset Manager or such obligor to assign a rating or rating estimate and a recovery rate to such Underlying Asset but such rating or rating estimate has not been received (or has been received prior to receipt of a related recovery rate from Moody's requested at or about the same time), then, pending receipt of such estimate (or receipt of such recovery rate), the Moody's Derived Rating of such Underlying Asset for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (x) "B3" if the Asset Manager certifies to the Trustee and the Collateral Administrator that the Asset Manager believes that such estimate is expected to be at least "B3" and if the Aggregate Principal Balance of Underlying Assets whose Moody's Derived Rating is determined pursuant to this subclause (x) of this clause (b) does not exceed 5% of the Maximum Investment Amount (unless such estimated rating has been received but the recovery rate by Moody's has been requested but not received, in which case such percent limitation shall not apply) or (y) otherwise, "Caa3".

For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation will be treated as having been upgraded or downgraded by one rating subcategory, as the case may be.

"Moody's Rating" means, with respect to any Underlying Asset, as of any date of determination, the rating determined as follows:

- (a) with respect to a Senior Secured Loan:
 - (i) if it has an Assigned Moody's Rating (other than any estimated rating), such Assigned Moody's Rating;
 - (ii) if the preceding clause does not apply and the obligor thereunder has a CFR, then one subcategory higher than such CFR;
 - (iii) if the preceding clauses do not apply and the obligor thereunder has one or more senior unsecured obligations with an Assigned Moody's Rating (other than any estimated rating), then two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Asset Manager in its sole discretion;
 - (iv) if the preceding clauses do not apply, at the election of the Asset Manager, the Moody's Derived Rating; and
 - (v) if the preceding clauses do not apply, the Underlying Asset will be deemed to have a Moody's Rating of "Caa3"; and

(b) with respect to an Underlying Asset other than a Senior Secured Loan:

(i) if it has an Assigned Moody's Rating (other than any estimated rating), such Assigned Moody's Rating;

(ii) if the preceding clause does not apply and the obligor thereunder has one or more senior unsecured obligations with an Assigned Moody's Rating (other than any estimated rating), then the Assigned Moody's Rating on any such obligation as selected by the Asset Manager in its sole discretion;

(iii) if the preceding clauses do not apply and the obligor thereunder has a CFR, then one subcategory lower than such CFR;

(iv) if the preceding clauses do not apply and the obligor thereunder has one or more subordinated debt obligations with an Assigned Moody's Rating (other than any estimated rating), then one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Asset Manager in its sole discretion;

(v) if the preceding clauses do not apply, at the election of the Asset Manager, the Moody's Derived Rating; and

(vi) if the preceding clauses do not apply, the Underlying Asset will be deemed to have a Moody's Rating of "Caa3."

"**Moody's Rating Factor**" means, with respect to any Underlying Asset, the number set forth in the table below opposite the Moody's Default Probability Rating of such Underlying Asset:

Moody's Default Probability Rating	Moody's Rating Factor	Moody's Default Probability Rating	Moody's Rating Factor
"Aaa"	1	"Ba1"	940

SCHEDULE E
S&P RATING DEFINITIONS/ RECOVERY RATES

"Information": S&P's "Credit [FAQ: Anatomy Of A Credit Estimate](#) ~~Information Requirements" dated April 2011~~: [What It Means And How We Do It" dated January 14, 2021](#) and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

"S&P Assigned Recovery Rating": With respect to any obligation, the recovery rating assigned by ~~Standard and Poor's~~ [S&P](#).

"S&P Rating": With respect to any Underlying Asset, the rating of S&P determined as follows:

(a) if there is a public S&P long-term issuer credit rating of the issuer or of a guarantor of such Underlying Asset that unconditionally and irrevocably guarantees in writing the timely payment of principal and interest on such Underlying Asset (which form of guarantee shall comply with S&P then current criteria on guarantees), then the S&P Rating shall be such long-term issuer credit rating of the issuer or guarantor, as applicable;

(b) if there is no issuer credit rating of the issuer of such Underlying Asset or any guarantor who unconditionally and irrevocably guarantees such Underlying Asset and if no other security or obligation of the issuer is rated by S&P or Moody's, then the Issuer (or the Asset Manager on behalf of the Issuer) may apply to S&P for a corporate credit estimate, which shall be its S&P Rating; *provided that* (1) pending receipt of such estimate, such Underlying Asset shall have an S&P Rating equal to the S&P Rating that the Asset Manager believes to be commercially reasonable for such Underlying Asset; (2) if the Asset Manager does not provide S&P with the Information required by S&P to provide such credit estimate within thirty (30) days after acquisition of such Underlying Asset, such Underlying Asset will, ninety (90) days after the date of acquisition of such Underlying Asset (unless S&P grants an extension of such period in its sole discretion), have an S&P Rating of "CCC-" pursuant to this clause (b) unless and until a credit estimate is provided by S&P; and (3) with respect to any Underlying Asset for which S&P has provided a corporate credit estimate, the Asset Manager (on behalf of the Issuer) will (x) request that S&P confirm or update such estimate annually (and pending receipt of such confirmation or new estimate, the Underlying Asset will have the prior estimate) and (y) use commercially reasonable efforts to notify S&P if the Asset Manager becomes aware of any material change that the Asset Manager reasonably believes could have a material adverse effect on the credit of such Underlying Asset, including any nonpayment of interest or principal, maturity extension or other modification to the amortization schedule of such Underlying Asset, rescheduling or other change in principal amount or interest rate in any part of the capital structure, material breach of any representation or warranty, any breach of covenant(s), the likelihood (more than 50%) of a breach of covenant(s) occurring in the next six months, material financial underperformance (more than 20% off base case) either at the operating profit or cash flow level, any restructuring of debt (including proposed debt), the occurrence of significant transactions (sale or acquisitions of assets), changes in payment terms (that is, the addition of payment-in-kind terms, changes in maturity dates, and changes in spreads or coupon rates), or

release of any obligor or guarantor of obligations if such release would have a material effect on such Underlying Asset;

(c) with respect to any Underlying Asset that is a Current Pay Obligation, its S&P Rating will be the greater of its issue rating and "CCC";

(d) if there is no issuer credit rating of the issuer or any guarantor who unconditionally and irrevocably guarantees such Underlying Asset but such Underlying Asset is rated by S&P, then the S&P Rating of such Underlying Asset shall be determined as follows:

(i) if such Underlying Asset is a senior secured obligation of the issuer, then the S&P Rating of such Underlying Asset shall be one subcategory below such rating; (ii) if such Underlying Asset is a senior unsecured obligation of the issuer, then the S&P Rating of such Underlying Asset shall equal such rating; and (iii) if such Underlying Asset is a subordinated obligation of the issuer, then the S&P Rating of such Underlying Asset shall be one subcategory above such rating;

(e) if there is no issuer credit rating of the issuer of such Underlying Asset or any guarantor who unconditionally and irrevocably guarantees such Underlying Asset and such Underlying Asset is not rated by S&P, but any other security or obligation of the issuer is rated by S&P and neither the Issuer nor the Asset Manager obtains an S&P Rating for such Underlying Asset pursuant to clause (b) above, then the S&P Rating of such Underlying Asset shall be determined as follows: (i) if there is a rating on a senior secured obligation of the issuer, then the S&P Rating of such Underlying Asset shall be one subcategory below such rating if such Underlying Asset is a senior secured or senior unsecured obligation of the issuer; (ii) if there is a rating on a senior unsecured obligation of the issuer, then the S&P Rating of such Underlying Asset shall equal such rating if such Underlying Asset is a senior secured or senior unsecured obligation of the issuer; and (iii) if there is a rating on a subordinated obligation of the issuer, and if such Underlying Asset is a senior secured or senior unsecured obligation of the issuer, then the S&P Rating of such Underlying Asset shall be one subcategory above such rating;

(f) if there is no issuer credit rating of the issuer of such Underlying Asset or any guarantor who unconditionally and irrevocably guarantees such Underlying Asset and such Underlying Asset is not rated by S&P, and no other security or obligation of the issuer is rated by S&P and neither the Issuer nor the Asset Manager obtains an S&P Rating for such Underlying Asset pursuant to subclause (b) above, then if (x) neither the issuer nor any of its Affiliates is subject to reorganization or bankruptcy proceedings, (y) the Asset Manager reasonably believes that the relevant obligor will remain current on its payment obligations with respect to such Underlying Asset and (z) no debt security or obligation of the issuer has been in default during the past two years, the S&P Rating of such Underlying Asset will be "CCC-" unless the Issuer or the Asset Manager on behalf of the Issuer determines the S&P Rating for such Underlying Asset in the manner described in clause (h)(i) below; *provided that* (1) the Issuer, the Asset Manager (on behalf of the Issuer) or the issuer of such Underlying Asset shall use commercially reasonable efforts to submit all available Information in respect of such Underlying Asset to S&P prior to or within 30 days after the election of the Issuer (at the direction of the Asset Manager), and (2) the Asset Manager (on behalf of the Issuer) shall use commercially reasonable efforts to notify S&P if the Asset Manager becomes aware of any material change that the Asset Manager

reasonably believes could have a material adverse effect on the credit of such Underlying Asset, including any nonpayment of interest or principal, maturity extension or other modification to the amortization schedule of such Underlying Asset, rescheduling or other change in principal amount or interest rate in any part of the capital structure, material breach of any representation or warranty, any breach of covenant(s), the likelihood (more than 50%) of a breach of covenant(s) occurring in the next six months, material financial underperformance (more than 20% off base case) either at the operating profit or cash flow level, any restructuring of debt (including proposed debt), the occurrence of significant transactions (sale or acquisitions of assets), changes in payment terms (that is, the addition of payment-in-kind terms, changes in maturity dates, and changes in spreads or coupon rates), or release of any obligor or guarantor of obligations if such release would have a material effect on such Underlying Asset;

(g) if there is no issuer credit rating of the issuer of such Underlying Asset or any guarantor who unconditionally and irrevocably guarantees such Underlying Asset and such Underlying Asset is not rated by S&P, and no other security or obligation of the issuer is rated by S&P and neither the Issuer nor the Asset Manager obtains an S&P Rating for such Underlying Asset pursuant to clause (b) above, then if a debt security or obligation of the issuer has been in default during the past two years, the S&P Rating of such Underlying Asset will be "D" unless the Issuer or the Asset Manager on behalf of the Issuer determines the S&P Rating for such Underlying Asset in the manner described in clause (h)(i) below;

(h) if there is no issuer credit rating published by S&P for such issuer or any guarantor who unconditionally and irrevocably guarantees such Underlying Asset and such Underlying Asset is not rated by S&P, and no other security or obligation of the issuer is rated by S&P and neither the Issuer nor the Asset Manager obtains an S&P Rating for such Underlying Asset pursuant to clause (b) above, then the S&P Rating of such Underlying Asset may be determined using any of the methods provided below:

(i) if such Underlying Asset is publicly rated by Moody's, then the S&P Rating of such Underlying Asset will be (A) one subcategory below the S&P equivalent of the public rating assigned by Moody's if such Underlying Asset is rated "Baa3" or higher by Moody's and (B) two subcategories below the S&P equivalent of the public rating assigned by Moody's if such Underlying Asset is rated "Ba1" or lower by Moody's; *provided that* (x) no Synthetic Security may be deemed to have an S&P Rating based on a Moody's Rating and (y) the Aggregate Principal Balance of Underlying Assets that may be deemed to have an S&P Rating based on a rating assigned by Moody's as provided in this subclause (i) may not exceed 10% of the Maximum Investment Amount; or

(ii) with respect to any Underlying Asset that is a DIP Loan, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Loan was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating; provided that if any such Underlying Asset that is a DIP Loan is newly issued and the Asset Manager expects a S&P credit rating within 90 days, the S&P Rating of such Underlying Asset shall be "CCC-" until such credit rating is obtained from S&P; provided that the Asset Manager (on behalf of the Issuer) shall use commercially reasonable efforts to notify S&P if the

Asset Manager becomes aware of any material change that the Asset Manager reasonably believes could have a material adverse effect on the credit of such Underlying Asset, including any nonpayment of interest or principal, maturity extension or other modification to the amortization schedule of such Underlying Asset, rescheduling or other change in principal amount or interest rate in any part of the capital structure, material breach of any representation or warranty, any breach of covenant(s), the likelihood (more than 50%) of a breach of covenant(s) occurring in the next six months, material financial underperformance (more than 20% off base case) either at the operating profit or cash flow level, any restructuring of debt (including proposed debt), the occurrence of significant transactions (sale or acquisitions of assets), changes in payment terms (that is, the addition of payment-in-kind terms, changes in maturity dates, and changes in spreads or coupon rates), or release of any obligor or guarantor of obligations if such release would have a material effect on such Underlying Asset.

Notwithstanding the foregoing, if the S&P rating or ratings used to determine the S&P Rating above are on watch for downgrade or upgrade by S&P, the S&P Rating will be determined by adjusting such S&P rating or ratings down one subcategory (if on watch for downgrade) or up one subcategory (if on watch for upgrade).

"S&P Recovery Rate": With respect to an Underlying Asset, the recovery rate determined in accordance with the Asset Assigned Recovery Rate Method using the initial rating of the Highest Ranking S&P Class (based on the rating assigned by S&P on the ~~Closing Date~~); ~~provided that any other recovery rate proposed by the Asset Manager and consented to in writing by S&P may be utilized on a case-by-case basis~~ First Refinancing Date). The "Asset Assigned Recovery Rate Method" means determining the S&P Recovery Rate as follows:

(a) the relevant Underlying Asset has an S&P Assigned Recovery Rating, in which case the S&P Recovery Rate with respect to the Highest Ranking S&P Class of Notes Outstanding will be determined based on Table 1-;

(b) the relevant Underlying Asset is a senior unsecured asset or unsecured asset and does not have an S&P Assigned Recovery Rating, but the relevant obligor has a senior asset with a current S&P Assigned Recovery Rating, in which case the S&P Recovery Rate with respect to the Highest Ranking S&P Class of Notes Outstanding rated by S&P will be determined based on Table 2 and 3-; or

(c) the relevant Underlying Asset does not have an S&P Assigned Recovery Rating and the relevant obligor does not have a senior asset with a current S&P Assigned Recovery Rating, in which case the S&P Recovery Rate with respect to the Highest Ranking S&P Class of Notes Outstanding will be determined based on Table 4.

~~(d) each Synthetic Security will have the S&P Recovery Rate assigned by S&P on a case-by-case basis.~~

** Solely for the purpose of determining the S&P Recovery Rate for such obligation, no obligation will constitute a "Senior ~~secured~~ Secured Loan" that is a "Cov-Lite Loan" or a "Senior Secured Bond" unless such obligation (a) is secured by a valid first priority security interest in collateral, (b) by its terms is not subordinated to another obligation of the issuer, (c) is not secured solely or primarily by common stock or other equity interests; *provided that* (i) this clause (c) shall not apply to any obligation that has been issued by a parent entity that is secured solely or primarily by the common stock or other equity interests of one or more of its direct or indirect subsidiaries if, in the Asset Manager's reasonable judgment, the granting by any such subsidiary of a security interest in its own property would violate any law or regulation applicable to such subsidiary or would otherwise be prohibited by contract and (ii) ~~for any obligation to which this clause (c) would not apply as a result of the operation of clause (i) of this proviso, the S&P Recovery Rate will be determined by S&P on a case by case basis by S&P if there is no assigned S&P Recovery Rate for such obligation~~ and (d) in the Asset Manager's commercially reasonable judgment (with such determination being made in good faith by the Asset Manager at the time of such obligation's purchase and based upon information reasonably available to the Asset Manager at such time and without any requirement of additional investigation beyond the Asset Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the Aggregate Principal Balance of all debt senior or pari passu to such obligations and (ii) the outstanding principal balance of such obligation, which value may be derived from, among other things, the enterprise value of the issuer of such obligation (*provided that* the terms of this footnote may be amended or revised at any time by a written agreement of the Issuer and the Asset Manager with written notice to the Trustee and the Collateral Administrator (without the consent of any Holder of any Notes), subject to satisfaction of the S&P Rating Condition, in order to conform to S&P then-current criteria for such obligations).

*** Solely for the purpose of determining the S&P Recovery Rate for such loan, the Aggregate Principal Balance of all Second Lien Loans that, in the aggregate, represent up to 15% of the Maximum Investment Amount will have the S&P Recovery Rate specified for Second Lien Loans in the table above and the Aggregate Principal Balance of all Second Lien Loans in excess of 15% of the Maximum Investment Amount will have the S&P Recovery Rate specified for subordinated loans in the table above.

**** As determined by S&P on a case by case basis.

***** For purposes of determining the S&P Recovery Rate of any loan the value of which is primarily derived from equity of the issuer thereof, such loan shall have either (i) the

S&P Recovery Rate specified for senior unsecured loans or (ii) the S&P Recovery Rate determined by S&P on a case by case basis.

SCHEDULE I
S&P NON-MODEL VERSION CDO MONITOR DEFINITIONS

If so elected by the Asset Manager by written notice to the Issuer, the Collateral Administrator, the Trustee and S&P, the S&P CDO Monitor Test shall be defined as follows:

The "**S&P CDO Monitor Test**" will be satisfied on any date of determination on or after the Effective Date and during the Reinvestment Period if, after giving effect to the purchase of any additional Underlying Asset, the S&P CDO Monitor Adjusted BDR is equal to or greater than the S&P CDO Monitor SDR. If prior to the purchase of any additional Underlying Asset, the difference between the S&P CDO Monitor Adjusted BDR and the S&P CDO Monitor SDR is negative, the S&P CDO Monitor Test will be considered to be maintained or improved if, after giving effect to such purchase, such difference is no more negative or becomes less negative.

As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

"**S&P CDO Monitor Adjusted BDR**" means the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the principal balance of the Underlying Assets relative to the Effective Date Target Par Amount using the following formula (or such other published formula by S&P that the Asset Manager provides to the Collateral Administrator):

$$\text{S\&P CDO Monitor BDR} * (\text{OP} / \text{NP}) + (\text{NP} - \text{OP}) / (\text{NP} * (1 - \text{Weighted Average S\&P Recovery Rate}))$$
, where OP = Effective Date Target Par Amount; NP = the sum of the aggregate principal balance of the Underlying Assets with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Current Market Value of each obligation with an S&P Rating below "CCC-".

"**S&P CDO Monitor BDR**" means the value calculated using the following formula (or such other published formula by S&P that the Asset Manager provides to the Collateral Administrator) relating to the Issuer's portfolio: $C0 + (C1 * \text{Weighted Average Spread}) + (C2 * \text{Weighted Average S\&P Recovery Rate})$, where $C0 = 0.1434580.141132$, $C1 = 4.1258483.990832$, and $C2 = 0.9206240.873732$; *provided*, that C0, C1 and C2 will not change unless S&P provides updated transaction specific coefficients at the request of the Asset Manager.

"**S&P CDO Monitor SDR**" means the percentage derived from the following formula (or such other published formula by S&P that the Asset Manager provides to the Collateral Administrator): $0.247621 \text{ plus } (\text{SPWARF} \text{ divided by } 9162.65) \text{ minus } (\text{DRD} \text{ divided by } 16757.2) \text{ minus } (\text{ODM} \text{ divided by } 7677.8) \text{ minus } (\text{IDM} \text{ divided by } 2177.56) \text{ minus } (\text{RDM} \text{ divided by } 34.0948) \text{ plus } (\text{WAL} \text{ divided by } 27.3896)$, where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

"**S&P Default Rate Dispersion**" means, with respect to all Underlying Assets with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the principal balance of each such

Underlying Asset and (ii) the absolute value of (x) the S&P Rating Factor minus (y) the S&P Weighted Average Rating Factor divided by (B) the aggregate principal balance for all such Underlying Assets.

"S&P Effective Date Adjustments" means, in connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date if the Asset Manager has elected to use the definitions in this Schedule I, the following adjustments shall apply: (i) in calculating the Weighted Average Spread, the Effective Spread will be calculated without regard to clause (iii) of the proviso to the definition thereof and (ii) in calculating the S&P CDO Monitor Adjusted BDR, Principal Proceeds on deposit in the Unused Proceeds Account or the Principal Collection Account permitted to be designated as Interest Proceeds prior to the second Payment Date will be excluded.

"S&P Industry Diversity Measure" means a measure calculated by determining the aggregate principal balance of the Underlying Assets (with an S&P Rating of "CCC-" or higher) within each S&P Sub-Industry Classification in the portfolio, then dividing each of these amounts by the aggregate principal balance of the Underlying Assets (with an S&P Rating of "CCC-" or higher) from all the S&P Sub-Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure" means a measure calculated by determining the aggregate principal balance of the Underlying Assets (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such aggregate principal balance by the aggregate principal balance of Underlying Assets (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Rating Factor" means, for each Underlying Asset, a number set forth to the right of the applicable S&P Rating below (or as published by S&P from time to time as determined by the Asset Manager), which table may be adjusted from time to time by S&P:

S&P Rating	S&P Rating Factor	S&P Rating	S&P Rating Factor
AAA	13.51	BB+	784.92
AA+	26.75	BB	1233.63
AA	46.36	BB-	1565.44
AA-	63.90	B+	1982.00
A+	99.50	B	2859.50
A	146.35	B-	3610.11
A-	199.83	CCC+	4641.40
BBB+	271.01	CCC	5293.00
BBB	361.17	CCC-	5751.10
BBB-	540.42	CC, D or SD	10,000

"S&P Regional Diversity Measure" means a measure calculated by determining the aggregate principal balance of the Underlying Assets (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in Table 1 below, then dividing each of these amounts by the

aggregate principal balance of the Underlying Assets (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"**S&P Weighted Average Life**" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Underlying Asset (with an S&P Rating of "CCC-" or higher), multiplying each Underlying Asset's principal balance by its number of years, summing the results of all Underlying Assets in the portfolio, and dividing such amount by the aggregate principal balance of all Underlying Assets (with an S&P Rating of "CCC-" or higher).

"**S&P Weighted Average Rating Factor**" means, with respect to all Underlying Assets with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Underlying Asset and (ii) the S&P Rating Factor for such Underlying Asset divided by (B) the aggregate principal balance for all such Underlying Assets.
