Section 1.2 Assumptions. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 will be applied. The provisions of this Section 1.2 are applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets securing the Secured Notes will be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating each of the Coverage Tests and the related reporting requirements, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations or Deferring Securities, unless actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, will be assumed to have Scheduled Distributions of zero, except to the extent of any payments actually received) will be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the

proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset will be assumed to be received on the applicable Due Date, and each such Scheduled Distribution will be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds will be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Notes, distributions on the Subordinated Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.8(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on the Secured Notes and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.2(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party has any obligation to make any payment hereunder as a result of the amounts calculated under this Section 1.2(d) being greater than the actual amounts available.

(e) References in Section 11.1(a) to calculations made on a "*pro forma* basis" mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the principal balance of such Current Pay Obligations as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Amount of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations and Deferring Securities will not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations are treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for First Lien Loans.

(j) At the election of the Collateral Manager in its sole discretion, compliance with the Investment Criteria may be measured by determining the aggregate effect of any series of reinvestments and/or sales (a "Trading Plan") occurring within a period of up to 10 Business Days (such period, the "Trading Plan Period") rather than considering the effect of each acquisition and disposition of Collateral Obligations individually; *provided* that (1) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Amount that exceeds 5.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (2) no Trading Plan Period may span a Determination Date, (3) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (4) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Investment Criteria will not be evaluated by giving effect to any subsequent Trading Plan without notice having been given to each Rating Agency, and (5) unless such Collateral Obligation is a DIP Collateral Obligation, no Trading Plan may result in (i) the purchase of any Collateral Obligation having a stated maturity of less than six months after the date of the purchase of such Collateral Obligation or (ii) following the end of the Reinvestment Period, the purchase of a group of Collateral Obligations if the difference between the earliest stated maturity of any Collateral Obligation in such group and the latest stated maturity of any Collateral Obligation in such group is greater than three years. The Collateral Manager shall notify the Trustee and the Collateral Administrator of the details of any Trading Plan for inclusion in the Monthly Report pursuant to Section 10.8 of this Indenture.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation may be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations will be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Principal Collection Account, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) will each be deemed to be a Floating Rate Obligation that is a First Lien Loan.

(n) For purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, will be rounded to the nearest ten-

thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise. For the avoidance of doubt, if any Concentration Limitation calculation is a value less than zero such value will be deemed to be 0% and if any Concentration Limitation calculation is a value greater than 100% such value will be deemed to be 100%.

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture are in Dollars.

(p) If withholding tax is imposed on (x) late payment fees, prepayment fees or other similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or other similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, will be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(q) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate are calculated on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and are based on the Fee Basis Amount.

(r) To the extent of any ambiguity in the interpretation of any definition, provision or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator and/or Trustee, as the case may be, be entitled to request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Trustee, as applicable, will be entitled to follow such direction, and together with the Trustee, is entitled to conclusively rely thereon without any responsibility or liability therefor. For the avoidance of doubt, the Collateral Administrator shall also be entitled to request direction from the Collateral Manager with respect to any interpretations and/or methodologies to be used relating to the benchmarks used for the Collateral Obligations and the Benchmark for the Floating Rate Notes.

(s) For purposes of calculating compliance with any tests hereunder (including the Coverage Tests, the Collateral Quality Test, the Concentration Limitations and the Target Initial Par Condition), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment will be used by the Collateral Administrator to determine whether and when such acquisition or disposition has occurred.

(t) Each asset of any Issuer Subsidiary permitted under Section 7.17 will be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes of this Indenture other than tax purposes and each reference to Assets, Collateral Obligations and Equity Securities herein will be construed accordingly.

(u) To the fullest extent permitted by applicable law and notwithstanding anything to the contrary contained in this Indenture, whenever herein the Collateral Manager is permitted or required to make a decision in its "sole discretion," "reasonable discretion" or "discretion" or under a grant of similar authority or latitude, the Collateral Manager shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Issuer, Holders or any other Person. The intent of granting authority to act in its "discretion" to the Collateral Manager is that no other express consent of another party is required to be obtained by the Collateral Manager when acting pursuant to such grant of authority under this Indenture; provided that any action taken pursuant to such grant of discretion is consistent with the legal, contractual and fiduciary duties owed by the Collateral Manager.

(v) All calculations related to Maturity Amendments, sales of Collateral Obligations and the Investment Criteria (and definitions related to sales of Collateral Obligations and the Investment Criteria) or other tests that, in each case, would otherwise be calculated cumulatively will be reset at zero on the date of any Refinancing of the Secured Notes in whole.

(w) If any Obligor of a Collateral Obligation enters into a bankruptcy, insolvency or receivership proceeding following the acquisition of such Collateral Obligation, for the period that such Obligor is subject to such proceeding, the priority of such loan shall be determined immediately prior to the time that such proceeding was initiated.

(x) With respect to any Asset, the date on which such obligation will be deemed to "mature" (or its "maturity" date) will be the earlier of (x) the stated maturity of such obligation or (y) if the Issuer has the right to require the issuer of such Asset to purchase, redeem or retire such Asset (at a price greater than or equal to par) on any one or more dates prior to its stated maturity (a "put right"), the stated maturity that corresponds to the date on which the Collateral Manager exercises such "put right," as certified to the Trustee.

(y) Notwithstanding anything in this Indenture to the contrary, a debt obligation or security may be acquired by the Issuer without regard as to whether it is "received in lieu of debts previously contracted" (or any similar standard).

(z) For purposes of the calculation of the Weighted Average Floating Spread, the Weighted Average Coupon, the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test, Collateral Obligations contributed to an Issuer Subsidiary in accordance with this Indenture will be included net of the actual taxes paid or any future anticipated taxes payable with respect thereto.

Section 1.3 Inapplicability of a Rating Condition. With respect to any event or circumstance that requires satisfaction of the S&P Rating Condition or the Fitch Rating Condition (each a "Rating Condition"), the applicable Rating Condition will be deemed inapplicable with respect to such event or circumstance if:

(a) the applicable Rating Agency has made a public statement to the effect that it will no longer review events or circumstances of the type requiring satisfaction of the Rating

Condition in this Indenture for purposes of evaluating whether to downgrade or withdraw the then-current ratings (or Initial Ratings) of obligations rated by the applicable Rating Agency;

(b) the applicable Rating Agency has communicated to the Issuer, the Collateral Manager or the Trustee that such Rating Agency will not review such event or circumstance for purposes of evaluating whether to downgrade or withdraw the then-current rating (or Initial Rating) of the Secured Notes;

(c) in connection with amendments requiring unanimous consent of all Holders of Notes, such Holders have been advised prior to consenting that the current ratings of the Secured Notes may be reduced or withdrawn as a result of such amendment; or

(d) no Class of Secured Notes rated is then Outstanding or the applicable Rating Agency is no longer rating any Class of Secured Notes.

the form of a Global Note with the approval of the Collateral Manager (in its sole discretion).

(v) ERISA Restricted Notes in the form of Global Notes may be purchased after the Closing Date by a Controlling Person so long as such prospective purchaser (1) provides a subscription agreement delivered to the Issuer with a copy to the Collateral Manager as to its status as a Controlling Person (and Benefit Plan Investor, if applicable) prior to the purchase of such ERISA Restricted Notes, (2) receives confirmation from the Issuer (or the Collateral Manager on its behalf) that such Controlling Person may complete such purchase and (3) obtains written consent of the Collateral Manager (collectively the requirements listed in (1)-(3), substantially in the form of Exhibit K hereto, the "Confirmation and Consent"). (vii) No transfer of a beneficial interest in any Class of ERISA Restricted Notes will be permitted or recognized if it would cause the 25% Limitation to be exceeded with respect to the such Class of ERISA Restricted Notes. No transfer of an interest in an ERISA Restricted Note held in the form of a Global Note to a person that is a Benefit Plan Investor or a Controlling Person will be permitted or recognized (unless such beneficial interest is exchanged for a Certificated Note in connection with such transfer) except for a Controlling Person purchasing such Notes who has provided and obtained the Confirmation and Consent.

(c) Book Entry Provisions. This Section 2.2(c) only applies to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC, and DTC may be treated by the Issuer, the Trustee, and any agent of the Issuer or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein prohibits the Issuer, the Trustee, or any agent of the Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(1) The initial Benchmark for the Floating Rate Notes shall be Term SOFR. Term SOFR will be determined for each Interest Accrual Period in accordance with the definition of Term SOFR set forth herein; provided that, with respect to the Interest Accrual Period beginning on the Closing Date, Term SOFR will be set on two different determination dates, and therefore, two different rates may apply during that period. The spread over the Benchmark of any Class of Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing of such Class of Notes, subject to the conditions set forth in Section 9.8. The Benchmark may be modified as set forth herein.

(2) The ERISA Restricted Notes, subject to certain limitations, shall be available to Benefit Plan Investors and Controlling Persons.

(3) Interest on the Class X-R Notes will be paid pari passu to interest on the Class A-1-RR Notes. On the Stated Maturity, on each Post-Acceleration Payment Date, and on each other Payment Date to the extent of payments made in accordance with the Note Payment Sequence, principal of the Class X-R Notes will be paid pari passu to principal of the Class A-1-RR Notes. At all other times, principal of the Class X-R Notes will be paid prior to principal of the Class A-1-RR Notes in accordance with the Priority of Payments.

(c) The Notes will be issued in the applicable Minimum Denominations.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes will be executed on behalf of the Issuer by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic.

Any Notes bearing the manual, facsimile or electronic signature of an individual who was at any time an Authorized Officer of the Issuer, will bind the Issuer, notwithstanding the fact that such individual has ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Trustee or the Authenticating Agent for authentication, and delivery, and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order will, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Trustee), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date will be dated as of the Closing Date. All other Notes that are authenticated and delivered after the Closing Date for any other purpose under this Indenture will be dated the date of their authentication.

Notes (or beneficial interest therein) issued upon transfer, exchange or replacement of other Notes will be issued in Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Notes (or beneficial interest) so transferred, exchanged or replaced, but will represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note will be proportionately divided among the Notes delivered in exchange therefor and will be deemed to be the original aggregate principal amount of such subsequently issued Notes.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Notes (or, in the case of an exchange of any Class of Exchangeable Secured Notes pursuant to Section 2.6(j) below, the applicable Components) so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes (or, in the case of an exchange of any Class of Exchangeable Secured Notes pursuant to Section 2.6(j) below, the applicable Components) so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note (or, in the case of an exchange of any Class of Exchangeable Secured Notes pursuant to Section 2.6(j) below, the applicable Components) shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual, facsimile or electronic signature of one of their Authorized Officers, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "Register") at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes (and beneficial interests therein), including an indication, in the case of an ERISA Restricted Note, as to whether the Holder has certified that it is a Benefit Plan Investor or a Controlling Person. The Register will record and track the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. The Trustee is hereby initially appointed "registrar" (the "Registrar") for the purpose of registering Notes and transfers of such Notes (and beneficial interests therein) in the Register. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Registrar. The entries in the Register shall be conclusive and binding for all purposes, absent manifest error.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee will have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee will have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the Placement Agent or any Holder a current list of Holders as reflected in the Register. In addition, and upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the Placement Agent or any Holder a list of Holders as set forth on the Register and will, at the Issuer's expense, provide a list of participants in DTC holding positions in the Notes.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Issuer to be maintained as provided in Section 7.2, the Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Minimum Denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Minimum Denomination and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated and delivered upon any registration of transfer or exchange of Notes will be the valid obligations of the Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange will be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge will be made to a Holder for any registration of transfer or exchange of Notes, but the Issuer, the Registrar or the Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection therewith. The Registrar or the Trustee is permitted to request such evidence reasonably satisfactory to it documenting the identity, authority and/or signatures of the transferor and transferee, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

(b) No Note (or interest therein) may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Issuer to become subject to the requirement that it register as an investment company under the Investment Company Act. No Note (or any interest therein) may be offered, sold or delivered (i) as part of the distribution by the Placement Agent at any time or (ii) otherwise until 40 days after the Closing Date within the United States or to, or for the benefit of, "U.S. persons" (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes (or interests therein) may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Note (or any interest therein) may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Note (or any interest therein) may be held at any time by or on behalf of any U.S. person. None of the Issuer, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) (i) Unless the transferee's interest is represented by a Certificated Subordinated Note or a Class E-RR Note represented by an interest in a Certificated Note, as applicable, no interest in a Subordinated Note or a Class E-RR Note may be transferred to a Benefit Plan Investor or a Controlling Person after the Closing Date, and the Trustee shall not recognize any such transfer to a Person that represents that it is a Benefit Plan Investor or a Controlling Person. Except as otherwise indicated in a subscription agreement with respect to an initial investor purchasing from the Issuer or Placement Agent on the Closing Date, each initial purchaser or subsequent transferee of an interest in a Subordinated Note in the form of a Global Note or a Class E-RR Note in the form of a Global Note or an interest therein will be deemed to have represented, warranted and agreed that: (A) for so long as it holds an interest in such Global Note, it is not, and is not acting on behalf of, a Benefit Plan Investor and is not, and is not acting on behalf of, a Controlling Person; and (B) if such Person is a governmental, church, non-U.S. or other plan, (i) it is not, and for so long as it holds an interest in such Global Note will not be, subject to any Similar Law, and (ii) its acquisition, holding and disposition of its interest in such Global Note will not constitute or result in a violation of any applicable Other Plan Law.

(ii) Each transferee of a Note that is, or is acting on behalf of or with the assets of, a Benefit Plan Investor will be deemed to represent, warrant and agree that (i) none of

the Transaction Parties, nor any of their affiliates, has provided, and none of them will provide, any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Fiduciary") in connection with its decision to invest in the Notes; and (ii) the Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(iii) No transfer of any ERISA Restricted Note (or any interest therein) will be effective, and the Trustee will not recognize any such transfer, if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of the ERISA Restricted Notes (determined separately by Class) would be held by Persons who have represented that they are Benefit Plan Investors as calculated under the Plan Asset Regulation (the "25% Limitation"). For purposes of these calculations and all other calculations required by this subsection and as set forth in the Plan Asset Regulation, (A) any ERISA Restricted Notes held by a Controlling Person, the Trustee, the Collateral Manager or any of its respective affiliates will be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person includes any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual means the power to exercise a controlling influence over the management or policies of such Person. Unless such transferee's interest is represented by a Certificated Note, transfer of an interest in a Global Subordinated Note or a Class E-RR Note represented by an interest in a Global Secured Note to a Person that is a Benefit Plan Investor or a Controlling Person will not be permitted and the Trustee shall not recognize any such transfer (except for ERISA Restricted Notes purchased on the Closing Date and Controlling Persons purchasing after the Closing Date who have provided and obtained the Confirmation and Consent).

(iv) Each purchaser or transferee of an interest in an ERISA Restricted Note from the Issuer or the initial holder thereof on the Closing Date will be required to provide the Issuer and the Trustee with a subscription agreement substantially in the form of the applicable transfer certificate.

(v) Each purchaser or subsequent transferee of any Class of Exchangeable Secured Notes or an interest therein will be required or deemed to represent, warrant and agree that (1) it is not, and is not acting on behalf of (and for so long as it holds such Note or interest therein, will not be, and will not be acting on behalf of), a Benefit Plan Investor and (2) (a) its acquisition, holding and disposition of such Notes will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code and (b) if it is a governmental, church, non-U.S. or other plan, (x) it is not, and for so long as it holds such Notes or interest therein will not be, subject to any Similar Law and (y) its acquisition, holding and disposition of such Notes will not constitute or result in a violation of any Other Plan Law.

(d) Notwithstanding anything contained herein to the contrary, the Trustee is not responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction,

ERISA, the Code or the Investment Company Act; provided, that if a certificate, investor letter or subscription agreement is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a prospective transferor or transferee, the Trustee is under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by Holders of an interest in any Class of ERISA Restricted Note shall not permit any transfer of an interest in an ERISA Restricted Note if such transfer would result in a violation of the 25% Limitation in respect of the applicable Class of ERISA Restricted Notes.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any limited liability company interests of the Issuer to U.S. Persons; provided, that this clause does not apply to issuances and transfers of Subordinated Notes.

(f) Transfers of Global Secured Notes (or interests therein) will only be made in accordance with Section 2.2(b) and this Section 2.5(f).

(i) Transfer of Rule 144A Global Secured Note to Regulation S Global Secured Note. A holder of a beneficial interest in a Rule 144A Global Secured Note deposited with DTC at any time, may exchange its interest in such Rule 144A Global Secured Note for an interest in the corresponding Regulation S Global Secured Note, or may transfer its interest in such Rule 144A Global Secured Note to a Person in the form of an interest in the corresponding Regulation S Global Secured Note, subject to Section 2.5(b) and the rules and procedures of DTC, by delivering to the Registrar (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, but not less than the Minimum Denomination applicable to such Class of Notes to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate substantially in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Secured Notes, including that the holder or the transferee, as applicable, is not a U.S. Person, and in an offshore transaction pursuant to and in accordance with Regulation S, and (D) a written certification in the form of Exhibit B8 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. Person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S. Upon receipt of the foregoing, the Registrar shall approve the instructions at DTC to reduce the principal amount of the applicable Rule 144A Global Secured Note and to increase the principal amount of the applicable Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding

Regulation S Global Secured Note equal to the reduction in the principal amount of the Rule 144A Global Secured Note.

(ii) Transfer of Regulation S Global Secured Note to Rule 144A Global Secured Note. A holder of a beneficial interest in a Regulation S Global Secured Note deposited with DTC, at any time, may exchange its interest in such Regulation S Global Secured Note for an interest in the corresponding Rule 144A Global Secured Note or may transfer its interest in such Regulation S Global Secured Note to a Person in the form of an interest in the corresponding Rule 144A Global Secured Note, subject to Section 2.5(b) and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, by delivering to the Registrar (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Rule 144A Global Secured Note in an amount equal to the beneficial interest in such Regulation S Global Secured Note to be exchanged or transferred, but not less than the Minimum Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate substantially in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Secured Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Secured Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A, in compliance with certain restrictions imposed during the Distribution Compliance Period and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B7 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a Qualified Institutional Buyer and a Qualified Purchaser. Upon receipt of the foregoing, the Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, such Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in such Regulation S Global Secured Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Secured Note equal to the reduction in the principal amount of such Regulation S Global Secured Note.

(g) Transfers of Subordinated Notes (or beneficial interest therein) will only be made in accordance with Section 2.2(b) and this Section 2.5(g).

(i) Transfer of Certificated Subordinated Notes to Certificated Subordinated Notes. Upon receipt by the Registrar of (A) a Holder's Certificated Subordinated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of Exhibit B4 attached hereto given by the Holder and (C) a representation letter substantially in the form of Exhibit B5 attached hereto and a certificate substantially in the form of Exhibit B6 attached hereto given by the transferee of such Certificated Subordinated Note, the Registrar shall (1) cancel such Certificated Subordinated Note in accordance with Section 2.9, (2) record the transfer in the Register in accordance with

Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, deliver one or more Certificated Subordinated Notes bearing the same designation as the Certificated Subordinated Notes endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Subordinated Note surrendered by the transferor), and in Minimum Denominations.

(ii) Transfer of Global Subordinated Notes to Certificated Subordinated Notes. A holder of a beneficial interest in a Global Subordinated Note deposited with DTC, at any time, may exchange its interest in such Global Subordinated Note for a Certificated Subordinated Note or may transfer its interest in such Global Subordinated Note to a Person in the form of a Certificated Subordinated Note, subject to Section 2.5(b) and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, by delivering to the Registrar (A) a certificate substantially in the form of Exhibit B4 attached hereto given by the Holder, (B) a representation letter substantially in the form of Exhibit B5 attached hereto and a certificate substantially in the form of Exhibit B6 attached hereto executed by the transferee and (C) appropriate instructions from DTC, if required. Upon receipt of the foregoing, the Registrar shall (1) approve the instructions at DTC to reduce, or cause to be reduced, the Global Subordinated Note by the aggregate principal amount of the beneficial interest in the Global Subordinated Note to be transferred or exchanged, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, deliver one or more Certificated Subordinated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Global Subordinated Note transferred by the transferor), and in Minimum Denominations.

(iii) Transfer of Certificated Subordinated Notes to Global Subordinated Notes. A Holder of a Certificated Subordinated Note, at any time, may exchange its interest in such Note for a beneficial interest in a Global Subordinated Note or may transfer such Note to a Person in the form of a beneficial interest in a Global Subordinated Note, subject to Section 2.5(b) and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, by delivering to the Registrar (A) such Holder's Certificated Subordinated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of either Exhibit B1 attached hereto, in the case of a transfer to a Regulation S Global Subordinated Note, or Exhibit B2 attached hereto, in the case of a transfer to a Rule 144A Global Subordinated Note, in either case given by the Holder of such Certificated Subordinated Note, (C) a certificate substantially in the form of either Exhibit B9 attached hereto, in the case of a Rule 144A Global Subordinated Note, or Exhibit B10 attached hereto, in the case of a Regulation S Global Subordinated Note, executed by the transferee, (D) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the applicable Global Subordinated Note in an amount equal to the Certificated Subordinated Notes to be transferred or exchanged, but not less than the Minimum Denomination applicable to the Notes to be exchanged or transferred, and (E) a written order given in accordance with DTC's procedures containing information regarding the

participant's account at DTC and/or Euroclear or Clearstream to be credited with such increase. Upon receipt of the foregoing, the Registrar shall (1) cancel such Certificated Subordinated Note, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) approve the instructions at DTC, concurrently with such recordation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the applicable Global Subordinated Note equal to the principal amount of the Certificated Subordinated Note transferred or exchanged.

(iv) Transfer of Rule 144A Global Subordinated Note to Regulation S Global Subordinated Note. A holder of a beneficial interest in a Rule 144A Global Subordinated Note deposited with DTC, at any time, may exchange its interest in such Rule 144A Global Subordinated Note for an interest in the Regulation S Global Subordinated Note, or may transfer its interest in such Rule 144A Global Subordinated Note to a Person in the form of an interest in the Regulation S Global Subordinated Note, subject to Section 2.5(b) and the rules and procedures of DTC, by delivering to the Registrar (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the Regulation S Global Subordinated Note in an amount equal to the beneficial interest in the Rule 144A Global Subordinated Note to be exchanged or transferred, but not less than the Minimum Denomination applicable to the Notes to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate substantially in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Subordinated Notes, including that the holder or the transferee, as applicable, is not a U.S. Person, and in an offshore transaction pursuant to and in accordance with Regulation S, and (D) a written certification in the form of Exhibit B10 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. Person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S. Upon receipt of the foregoing, the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Subordinated Note and to increase the principal amount of the Regulation S Global Subordinated Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Subordinated Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the Regulation S Global Subordinated Note equal to the reduction in the principal amount of the Rule 144A Global Subordinated Note.

(v) Transfer of Regulation S Global Subordinated Note to Rule 144A Global Subordinated Note. A holder of a beneficial interest in a Regulation S Global Subordinated Note deposited with DTC, at any time, may exchange its interest in such Regulation S Global Subordinated Note for an interest in the Rule 144A Global Subordinated Note or may transfer its interest in such Regulation S Global Subordinated Note to a Person in the form of an interest in the Rule 144A Global Subordinated Note, subject to Section 2.5(b) and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, by delivering to the Registrar (A) instructions from Euroclear, Clearstream and/or DTC, as

(xviii) So long as any Class of Exchangeable Secured Notes remains outstanding, such Class of Exchangeable Secured Notes may be exchanged for the Components of such Class at the request of any Holder of such Class of Exchangeable Secured Notes by written instruction in the form of Exhibit B-7 hereto to the Issuer (who shall provide notice to Fitch of any such exchange) and the Trustee. Following any such exchange, the Holders of such Class will be required to comply with all restrictions on transfer and exchange applicable to the Underlying Classes that comprise such Class of Exchangeable Secured Notes. It is understood and agreed that, as a condition to any such exchange described above, the Holders of the applicable Class of Exchangeable Secured Notes shall provide reasonable assistance to the Trustee and the Issuer to effect such exchange, including in connection with the provision of any necessary instructions or approvals to the Depository. Upon any exchange of a Class of Exchangeable Secured Notes for its Components, the Trustee shall cause the aggregate principal amount of the applicable Exchangeable Secured Note(s) represented by a Rule 144A Global Exchangeable Secured Note or a Regulation S Global Exchangeable Secured Note, as applicable, to be reduced to zero and the principal amounts of the applicable Global Notes representing the Underlying Classes to be increased (with such increases made to the applicable Rule 144A Global Secured Notes and Regulation S Global Secured Notes in proportion to the face amount of the applicable Exchangeable Secured Notes represented by Rule 144A Global Exchangeable Secured Notes and Regulation S Global Exchangeable Secured Notes). For the avoidance of doubt, Holders of the Underlying Classes may not exchange Notes of such Classes for Exchangeable Secured Notes except on a Component Substitution Date in connection with a Refinancing.

Each beneficial owner shall ensure that any personal data that the beneficial owner provides to the Issuer or its delegates is accurate and up to date, and the beneficial owner shall promptly notify the Issuer if the purchaser becomes aware that any such data is no longer accurate or up to date.

(xxii) Each Holder of Subordinated Notes acknowledges and agrees that Global Subordinated Notes may not be owned by any Holder other than the initial Holder of such Subordinated Notes on the Closing Date (or an Affiliate thereof). Each initial Holder of Global Subordinated Notes on the Closing Date represents, acknowledges and agrees that, in the event that it wishes to transfer any of its interest in such Global Subordinated Notes to any transferee other than an Affiliate of such initial Holder, it shall (i) deliver such Subordinated Notes to the Income Note Issuer for the purpose of exchanging such Subordinated Notes for Income Notes, subject to and in accordance with the provisions of the Income Note Paying Agency Agreement, and (ii) effect any such transfer in the form of Income Notes.

(xxiii) Notwithstanding anything to the contrary, the Income Note Issuer may not transfer any Subordinated Note.

(k) Each subsequent transferee of a Certificated Note will be required to make the representations and agreements set forth in the applicable Transfer Certificate.

(l) Any purported transfer of a Note not in accordance with this Section 2.5 will be null and void and will not be given effect for any purpose whatsoever.

(m) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Trustee, impose additional transfer restrictions on the Subordinated Notes to comply with the USA Patriot Act and other similar laws or regulations, including, without limitation, requiring each transferee of a Subordinated Note to make representations to the Issuer in connection with such compliance.

(n) The Registrar, the Trustee and the Issuer are entitled to conclusively rely on any transferor and transferee certificate delivered pursuant to this Section 2.5 and are entitled to presume conclusively the continuing accuracy thereof, in each case, without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Trustee shall not be required to obtain any certificate specifically required by this Section 2.5 if the Trustee is not notified of any transfer requiring such certificate to be presented by the proposed transferor or transferee.

(o) On the Closing Date, any Repack Issuer, with the consent of the Issuer, may acquire Certificated Notes; *provided*, that each holder of debt securities issued by such Repack Issuer has delivered to the Repack Issuer a representation letter making written representations, warranties and agreements substantially similar to those set forth in Section 2.5(h).

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there has been delivered to the Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Issuer shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding. If any Exchangeable Secured Note is surrendered or if any evidence is delivered regarding the destruction, loss or theft of an Exchangeable Secured Note, the Issuer shall provide notice to Fitch of such surrender or delivery (as applicable).

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Issuer, the Transfer Agent and the Trustee will be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and will be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Issuer in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note must be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Issuer may require the payment by the Holder thereof of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer and such new Note is entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) Each Class of Secured Notes will accrue interest during each Interest Accrual Period on the Aggregate Outstanding Amount thereof as of the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date) at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date. Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Secured Notes on any Payment Date, to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes of Notes is Outstanding with respect to such Class of Deferred Interest Secured Notes, shall constitute "Secured Note Deferred Interest" with respect to such Class and will not be considered "due and payable" on such Payment Date, and, although such amounts will not be added to the principal amount of the related Class, such amounts will be deferred and will bear interest at the Interest Rate applicable to such Class of Secured Notes, until the earlier of (i) the date on which such amounts are paid and (ii) the Stated Maturity of the applicable Class of Secured Notes; provided, that any such Secured Note Deferred Interest must, in any case, be paid no later than the earlier of the Redemption Date or Stated Maturity of such Class. Regardless of whether any Priority Class of Secured Notes are Outstanding with respect to any Class of Deferred Interest Secured Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Secured Notes) to pay previously accrued Secured Note Deferred Interest, such previously accrued Secured Note Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Secured Note Deferred Interest on such Payment Date will not be an Event of Default. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Senior Notes, or if no Senior Notes are Outstanding, any Class C-RR Notes, or if no Senior Notes or Class C-RR Notes are Outstanding, any Class D-1-RR Notes, or if no Senior Notes, Class C-RR Notes or Class D-1-RR Notes are Outstanding, any Class D-2-RR Notes, or if no Senior Notes, Class C-RR Notes or Class D Notes are Outstanding, any Class E-RR Notes will accrue at the Interest Rate for such Class until paid as provided herein or the Stated Maturity of such Notes. Notwithstanding anything herein to the contrary, interest payable on Notes of a Pari Passu Class will be paid together, *pro rata* based on amounts due.

Any interest on a Secured Note will cease to accrue or, in the case of a partial repayment, on such part repaid, from the date of repayment or the Stated Maturity unless payment of principal is improperly withheld or unless an Event of Default has occurred with respect to such payments of principal.

(b) The principal of each Class of Secured Notes matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Secured Note Deferred Interest thereon, which will be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes, and distributions of Principal Proceeds to the Holders of the Subordinated Notes, that are not paid

in accordance with the Priority of Payments on any Payment Date (other than the Payment Date which is the Stated Maturity of the such Class of Notes or any Redemption Date) because of insufficient funds therefor, will not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which funds are available therefor in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Section 9.1. Notwithstanding anything in the Priority of Payments or Section 9.1 to the contrary, principal payments on Notes of a Pari Passu Class will be paid together, *pro rata* based on amounts due.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) together with all applicable attachments in the case of a Person that is not a United States person within the meaning of Section 7701(a)(30) of the Code), or any other certification acceptable to it to enable the Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note, or to comply with any reporting or other requirements, under any applicable law. The Issuer is not obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Paying Agent, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; provided, that (1) in the case of a Certificated Note, the Holder thereof has provided written wiring instructions to the Paying Agent on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment will be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided, that in the absence of notice to the Issuer or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment will be made without presentation or surrender, if the Trustee and the Issuer have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. None of the Issuer, the Trustee, the Collateral Manager or any Paying Agent (or any affiliate of the foregoing) will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Class of Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other

than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Issuer, shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, provide notice to the Persons entitled thereto at their addresses appearing on the Register a notice, which will specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes or Subordinated Notes, as applicable, and the place where Notes may be presented and surrendered for such payment.

(f) Payments to Holders of the Notes of each Class will be made ratably among the Holders of the Notes of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(g) Interest accrued on each Class of Floating Rate Notes will be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to any Class of Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of a Class of Notes (or predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date are binding upon all future Holders of such Class and of any Note of such Class issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer under the Secured Notes and this Indenture are limited recourse obligations of the Issuer and the obligations of the Issuer under the Subordinated Notes are non-recourse obligations of the Issuer, payable solely from proceeds of the Collateral Obligations and the other Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer hereunder or in connection herewith after such realization will be extinguished and will not thereafter revive. No recourse may be had against any Officer, director, employee, shareholder or incorporator of the Issuer, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (i) do not (1) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (2) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized, whereupon any outstanding indebtedness or obligation shall be extinguished and not thereafter revive. It is further understood that the foregoing provisions of this paragraph (i) do not limit the right of any Person to name the Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability has been asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder, and the Holders of the Subordinated Notes are not Secured Parties.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other

Note carries the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Trustee, and any agent of the Issuer or the Trustee shall treat as the owner of any Notes the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Trustee or any agent of the Issuer or the Trustee will be affected by notice to the contrary.

Section 2.9 Cancellation. All Notes surrendered for payment, registration of transfer or exchange, or mutilated, defaced or deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except (x) for payment in full as provided herein, or (y) for registration of transfer or exchange, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen; provided, that, in the case of this clause (y), a new Note in the identical principal amount as the cancelled Note will be issued. Any such Notes will, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes will be authenticated or registered in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuer directs by an Issuer Order received prior to destruction that they be returned to it. Notwithstanding anything to the contrary herein or in this Indenture, any Note surrendered or cancelled other than in accordance with the procedures in this Indenture shall be considered Outstanding (until all Notes senior to such Note have been repaid) for purposes of the Coverage Tests. For the avoidance of doubt, except as otherwise provided hereunder, no Notes may be tendered without payment.

Section 2.10 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 will be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (i) such transfer complies with Section 2.5 of this Indenture and (ii) either (x) (A) DTC notifies the Issuer that it is unwilling or unable to continue as depository for such Global Note or (B) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Issuer within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferrable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 must be surrendered by DTC to the Trustee's Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Issuer shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Minimum Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note will, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and will be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10, the Issuer shall promptly make available to the Trustee a reasonable supply of Certificated Notes.

In the event that Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners are entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided, that the Trustee is entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate substantially in the form of Exhibit F) and/or other forms of reasonable evidence of such ownership.

Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.11 Notes Beneficially Owned by Persons in Violation of Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a U.S. Person (i) that is not (A) a Qualified Institutional Buyer and also (B) a Qualified Purchaser and (ii) that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act will be null and void and any such purported transfer of which the Issuer or the Trustee has notice may be disregarded by the Issuer and the Trustee for all purposes.

(b) If (x) any U.S. Person that is not either (i) a Qualified Institutional Buyer or (ii) solely in the case of Subordinated Notes issued as Certificated Subordinated Notes, an Institutional Accredited Investor, and in either case, a Qualified Purchaser becomes the Holder of or beneficial owner of an interest in any Note or (y) any U.S. Person becomes the beneficial owner of a Regulation S Global Note (any such person a "Non-Permitted Holder"), the Issuer shall, in its sole discretion, promptly after discovery by the Issuer that such person is a Non-Permitted Holder, or upon notice to the Issuer from the Trustee, each of whom agrees to so notify the Issuer if a Trust Officer of the Trustee obtains actual knowledge that such person is a Non-Permitted Holder, send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes or interest therein, the Issuer or the Collateral Manager acting for the Issuer has the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer or the Collateral Manager (on its own or acting through an investment banker selected by the Collateral Manager) acting on behalf of the Issuer may select the purchaser by soliciting one or more bids

from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder; provided, that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager will be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale will be remitted to the Non-Permitted Holder. The terms and conditions of any sale will be determined in the sole discretion of the Issuer, and the Issuer, the Collateral Manager and the Trustee will not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any ERISA Restricted Note to a Person who has made or is deemed to have made an ERISA-related representation or a Similar Law or Other Plan Law representation required by Section 2.5 that is subsequently shown to be false or misleading will be null and void and any such purported transfer of which the Issuer or the Trustee has notice may be disregarded by the Issuer and the Trustee for all purposes.

(d) If any Non-Permitted ERISA Holder becomes the beneficial owner of a Note, such purchase and holding will be deemed void *ab initio* and the Issuer shall, in its sole discretion, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Trustee (if a Trust Officer of the Trustee obtains actual knowledge), if it makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its Notes or interest therein, the Issuer has the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale will be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection will be determined in the sole discretion of the Issuer, and the Issuer is not liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.12 Tax Treatment and Tax Certifications. (a) Each Holder (including for purposes of this Section 2.12, any beneficial owner of an interest in the Notes) will treat the Issuer and the Notes as described in the "*Certain U.S. Federal Income Tax Considerations*" section

of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer or its agents any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents reasonably request in order to (A) permit the Issuer and its agents to make payments to the Holder without, or at a reduced rate of, deduction or withholding, (B) enable the Issuer and its agents to qualify for a reduced rate of withholding in any jurisdiction from or through which they receive payments, or (C) enable the Issuer and its agents to satisfy reporting and other obligations under the Code, Treasury Regulations, and any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with its terms or subsequent amendments, and acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back up withholding upon payments to the Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder of Secured Notes represents that, if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it:

(i) is (1) not a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of section 881(c)(3)(A) of the Code); (2) not a "10 percent shareholder" with respect to the Issuer (or, if the Issuer is treated as a disregarded entity, the sole owner of the Issuer) within the meaning of section 871(h)(3) or section 881(c)(3)(B) of the Code; and (3) not a "controlled foreign corporation" that is related to the Issuer (or, if the Issuer is treated as a disregarded entity, the sole owner of the Issuer) within the meaning of section 881(c)(3)(C) of the Code;

(ii) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with its conduct of a trade or business in the United States and includible in its gross income; or

(iii) has provided an IRS Form W 8BEN-E representing that it is eligible for the benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of payments on the Notes.

(d) Each Holder of Class E-RR Notes (including as a Component of an Exchangeable Secured Note) acknowledges and agrees that, if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it will not:

(i) be legally required to treat its income in respect of such Notes as effectively connected with the conduct of a trade or business in the United States for U.S. federal income tax purposes, or

(ii) be legally required to provide to the Issuer or its agents an IRS Form W-8ECI (or successor form) or an IRS Form W-8IMY (or successor form) to which an IRS Form W-8ECI (or successor form) is attached.

(e) Each Holder of Class E-RR Notes or Subordinated Notes (including as a Component of an Exchangeable Secured Note) hereby agrees to take any and all actions, and to furnish any and all information, requested by the Issuer in order to permit the Issuer to minimize any tax liability that would otherwise be imposed on the Issuer under Section 6225 of the Code, or any successor provision, including (if requested by the Issuer) by (i) filing amended tax returns to take into account any adjustment to the amount of any item of income, gain, loss, deduction, or credit of the Holder, or of any Person's distributive share thereof, and (ii) providing the Issuer with any information necessary for the Issuer to (x) establish the amount of any tax liability resulting from any such adjustment and (y) elect (in accordance with Section 6226 of the Code, or any successor provision) for each Holder to take any such adjustment into account directly. To the fullest extent permitted by law, each Holder of Class E-RR Notes or Subordinated Notes hereby agrees to indemnify the Issuer for the Holder's allocable share of any applicable tax liability of any type whatsoever (including any liability for penalties, additions to tax or interest) attributable to such Holder's share of the income of the Issuer or attributable to distributions to such Holder. This Section 2.12(e) shall survive the termination of any Holder's interest in its Class E-RR Notes or Subordinated Notes.

(f) Each Holder of Class E-RR Notes and Subordinated Notes represents, acknowledges, and agrees that:

(i) it will not (1) acquire or directly or indirectly sell, encumber, assign, participate, pledge, hypothecate, rehypothecate, exchange, or otherwise dispose of, suffer the creation of a lien on, or transfer or convey in any manner (each, a "**Transfer**") such Notes (or any interest therein that is described in Treasury Regulations Section 1.7704-1(a)(2)(i)(B)) on or through (x) a United States national, regional or local securities exchange, (y) a foreign securities exchange or (z) an interdealer quotation system that regularly disseminates firm buy or sell quotations by identified brokers or dealers ((x), (y) and (z), collectively, an "**Exchange**") or (2) cause any of such Notes or any interest therein to be marketed on or through an Exchange;

(ii) unless it is a Repack Issuer, it will not enter into any financial instrument payments on which are, or the value of which is, determined in whole or in part by reference to such Notes or the Issuer (including the amount of Issuer distributions on such Notes, the value of the Issuer's assets, or the result of the Issuer's operations), or any contract that otherwise is described in Treasury Regulations Section 1.7704-1(a)(2)(i)(B);

(iii) if it is, for U.S. federal income tax purposes, a partnership, grantor trust or S corporation, then less than 40% of the value of any person's interest in it will be attributable to such Notes;

(iv) no Transfer of such Notes shall be registered or effective if, as a result of such Transfer, there will be more than 90 beneficial owners collectively of the Class E-RR Notes and Subordinated Notes; and

(v) it will not Transfer all or any portion of its Notes unless: (1) the Person to which it Transfers such Notes agrees to be bound by the restrictions, conditions,

representations, warrants, and covenants set forth in this paragraph (f), and (2) such Transfer does not violate this paragraph (f).

Any Transfer made in violation of this paragraph (f) will be void and of no force or effect, and will not bind or be recognized by the Issuer or any other Person, and no Person to which such Notes are Transferred shall become a Holder unless such Person agrees to be bound by this paragraph (f). However, notwithstanding the immediately preceding sentence, a Transfer in violation of this paragraph (f) shall be permitted if the Issuer receives written advice or an opinion from Allen & Overy LLP or Weil, Gotshal & Manges LLP, or an opinion from another nationally recognized U.S. tax counsel experienced in such matters, to the effect that, the Transfer will not cause the Issuer to be treated as a "publicly traded partnership" taxable as a corporation for U.S. federal income tax purposes.

(g) Each Holder of Secured Notes (including as a Component of an Exchangeable Secured Note) for U.S. federal income tax purposes represents that it is not a member of an "expanded group" (as defined in Treasury regulations section 1.385-1(c)(4)) with respect to which a beneficial owner of Class E-RR Notes or Subordinated Notes is a "covered member" (as defined in Treasury regulations section 1.385-1(c)(2)), except to the extent that the Issuer or its agents have provided such beneficial owner with an express waiver of this representation.

(h) Each Holder of Subordinated Notes (including as a Component of an Exchangeable Secured Note), if it owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the "expanded affiliated group" of the Issuer, as applicable (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer, any Issuer Subsidiary, and the Income Note Issuer is a "registered deemed-compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer, as applicable, in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided the beneficial owner with an express waiver of this requirement.

(i) Each Holder of Subordinated Notes hereby acknowledges and agrees that:

(A) Except in the case of the Income Note Issuer, it is a "United States person" (as defined in Section 7701(a)(30) of the Code); and

(B) It shall not acquire or directly or indirectly sell, encumber, assign, participate, pledge, hypothecate, rehypothecate, exchange, or otherwise dispose of, suffer the creation of a lien on, or transfer or convey in any manner (each, a

"Transfer") Subordinated Notes (or any interest therein) to any Person if such Transfer would cause such Person to beneficially own more than 98.00% of the Subordinated Notes.

Section 2.13 Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of (i) an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes, at any time or (ii) the issuance of additional Notes to comply with the U.S. Risk Retention Rules, at any time) and subject to the conditions set forth in Section 3.2, the Issuer, with the consent of the Collateral Manager, may issue and sell additional notes of one or more new classes of notes that are fully subordinated to the existing Secured Notes (or to the most Junior Class (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Notes and the Subordinated Notes is then Outstanding) ("Junior Mezzanine Notes") and/or additional notes of one or more Classes of Secured Notes or the Subordinated Notes and use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture (including, with respect to the issuance of Subordinated Notes or Junior Mezzanine Notes, to apply proceeds of such issuance as Principal Proceeds or towards a Permitted Use in accordance with clause (viii) below); provided, that the following conditions are met:

(i) (x) the Collateral Manager consents to such issuance, and (y) such issuance is consented to by each Hedge Counterparty, if any, and a Majority of the Subordinated Notes;

(ii) in the case of additional Class A-1-RR Notes, a Majority of the Class A-1-RR Notes consents to such issuance;

(iii) in the case of additional notes of any one or more existing Classes (other than Subordinated Notes or Junior Mezzanine Notes), the aggregate principal amount of Notes of such Class issued in all additional issuances must not exceed 100% of the respective original Aggregate Outstanding Amount of the Notes of such Class; provided, that Pari Passu Classes may be issued separately or together as a single Class (in which case the original Aggregate Outstanding Amount will be equal to the sum of the original Aggregate Outstanding Amount of each Class);

(iv) in the case of additional notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes and the spread over the Benchmark, in the case of additional Floating Rate Notes, or the fixed rate of interest, in the case of additional Fixed Rate Notes, of such notes does not have to be identical to that of the initial Notes of that Class; provided, that the spread over the Benchmark, in the case of additional Floating Rate Notes, or the fixed rate of interest, in the case of additional Fixed Rate Notes, on such notes must not exceed the spread over the Benchmark or the fixed rate of interest, respectively, applicable to the initial Secured Notes of such Class);

(v) each Rating Agency has been notified of such issuance:

(vi) in the case of additional notes of any one or more existing Classes, unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued, additional notes of all Classes must be issued and such issuance of additional notes must be proportional across all Classes, provided, that the principal amount of Junior Mezzanine Notes and/or Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Junior Mezzanine Notes and/or Subordinated Notes;

(vii) additional Class X Notes shall not be issued;

(viii) the proceeds of any additional notes (net of fees and expenses incurred in connection with such issuance) will be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments; provided, that the Collateral Manager may elect to designate any portion of the proceeds from the issuance of Subordinated Notes and/or Junior Mezzanine Notes towards a Permitted Use;

(ix) unless only additional Subordinated Notes and/or Junior Mezzanine Notes are being issued, each Overcollateralization Ratio Test will be maintained or improved immediately after giving effect to the proposed additional issuance;

(x) except when only additional Subordinated Notes are being issued, an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters will be delivered to the Trustee to the effect that any additional Class A Notes, Class B Notes, Class C-RR Notes or Class D Notes will be treated, and any additional Class E-RR Notes should be treated, as indebtedness for U.S. federal income tax purposes; provided, however, that the opinion described in this clause (x) will not be required with respect to any additional Notes that bear a different securities identifier from the Notes of the same Class that were issued on the Closing Date and are Outstanding at the time of the additional issuance;

(xi) in the case of the issuance of additional Junior Mezzanine Notes only, any supplemental indenture effected to implement such additional issuance provides for the payment of accrued and unpaid interest (including any defaulted interest and any interest thereon) on such Notes pursuant to the Priority of Payments at a level subordinate to any Interest Diversion Test under this Indenture; and

(xii) additional Exchangeable Secured Notes of any Class may only be issued (x) to the extent that a Holder of such Class of Exchangeable Secured Notes elects to acquire Notes of the related Underlying Classes, (y) if the proportional representation of the Components thereof is maintained and (z) with the consent of 100% of the Exchangeable Secured Notes of any Class.

(b) Any additional notes of any Class issued pursuant to this Indenture will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class; provided that any additional Junior Mezzanine Notes issued as described above will, to the extent reasonably practicable, be offered first to the Holders of the Subordinated Notes and any existing Junior Mezzanine Notes in

such amounts as are necessary to preserve their *pro rata* holdings of the Junior Mezzanine Notes and the Subordinated Notes on a combined basis. With respect to any additional Subordinated Notes or Junior Mezzanine Notes, if any such holder declines such offer in the preceding sentences, its portion of additional Subordinated Notes or Junior Mezzanine Notes will be offered to the holders of Subordinated Notes and/or Junior Mezzanine Notes that accept such offer as are necessary to preserve the *pro rata* holdings of additional Junior Mezzanine Notes and/or Subordinated Notes, collectively, of the accepting Holders. Any such offer to an existing Holder of Subordinated Notes or existing Junior Mezzanine Notes that has not been accepted within three Business Days after delivery of such offer by or on behalf of the Issuer will be deemed a notice by such Holder that it declines to purchase additional notes.

(c) At the cost of the Issuer, the Trustee shall provide to each holder of Notes notice of any additional issuances.

Section 2.14 Issuer Purchases of Notes. (a) The Issuer, at the direction of the Collateral Manager, may use Principal Proceeds or any amounts on deposit in the Contribution Account to purchase Notes, in whole or in part, in accordance with, and subject to, the terms described in this Section 2.14. The Trustee shall cancel as described under Section 2.9 any such purchased Notes surrendered to it for cancellation or, in the case of any Global Notes, the Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Notes, and approve any instruction at DTC or its nominee, as the case may be, to conform its records.

(b) An Issuer purchase of the Notes may not occur unless each of the following conditions is satisfied:

(i) the outstanding principal amount of Secured Notes shall be purchased in the order of priority set out in the Note Payment Sequence;

(ii) each such purchase is effected only at prices at par or discounted from par;

(iii) each such purchase of Secured Notes of any Class shall be made pursuant to an offer made to all Holders of the Secured Notes of such Class and each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms;

(iv) each Interest Coverage Test will be satisfied after giving effect to such purchase;

(v) each Overcollateralization Ratio Test will be satisfied, maintained or improved;

(vi) no Event of Default has occurred and is continuing;

(vii) each such purchase is otherwise conducted in accordance with applicable law;

(viii) the consent of a Majority of the Subordinated Notes is obtained; and

(ix) S&P is notified of such purchase.

(c) Any Notes purchased by the Issuer shall be surrendered to the Trustee for cancellation in accordance with Section 2.9; provided that any Note purchased by the Issuer on a date that is later than a Record Date but prior to the related Payment Date will not be cancelled until the day following the Payment Date.

(d) In connection with any purchase of Notes pursuant to this Section 2.14, the Issuer, or the Collateral Manager on its behalf, may by Issuer Order provide direction to the Trustee to take actions it deems necessary to give effect to the other provisions of this Indenture that may be affected by such purchase of Notes; provided that no such direction may conflict with any express provision of this Indenture, including a requirement to obtain the consent of Holders or the Global Rating Agency Condition has been satisfied prior to taking any such action.

Section 2.15 Relating to the Exchangeable Secured Notes.

(a) On the Closing Date, the Issuer will issue each Class of Exchangeable Secured Notes in the maximum aggregate notional amount set forth in Section 2.3, which amount will be composed of the applicable Components. The initial principal amount of each Component is included in (and is not in addition to) the initial Aggregate Outstanding Amount of the related Underlying Class. Each Component will bear interest in the same manner as the related Underlying Class. The maximum Aggregate Outstanding Amount of each Class of Exchangeable Secured Notes shall not exceed its Aggregate Maximum Notional Amount.

(b) The payment priority of each Component of each Class of Exchangeable Secured Notes will be in accordance with the priority of the respective Underlying Class in accordance with the Priority of Payments. So long as the Exchangeable Secured Note Balance has not been reduced to zero, on each Payment Date (other than any Component Substitution Date) on which payments are made on any Underlying Class, a portion of such payments will be allocated to each applicable Class of Exchangeable Secured Notes in the proportion that the Aggregate Outstanding Amount of the related Component bears to the Aggregate Outstanding Amount of that Underlying Class as a whole (including the related Components) and deposited into the Exchangeable Secured Note Distribution Account with respect to such Class. The Exchangeable Secured Notes will not be entitled to any other payments.

(c) Payments on each Class of Exchangeable Secured Notes will be made on each Payment Date to the Holders of such Class as of the related Record Date in accordance with Section 2.8.

(d) With respect to any vote, request, demand, authorization, direction, notice, consent or waiver or similar action, any Exchangeable Secured Notes that are entitled to so act on a matter will act only with each Underlying Class except that, in connection with any supplemental indenture that affects, limits or curtails the rights of the Holders of any Class of Exchangeable Secured Notes in a materially different way than the rights of any Underlying Class, such Class of Exchangeable Secured Notes will constitute a separate Class and may vote as such in connection with any proposed supplemental indenture under Article VIII hereof and any such supplemental

indenture shall require the consent of 100% of the holders of such Class of Exchangeable Secured Notes.

(e) Each Class of Exchangeable Secured Notes will constitute a Junior Class and/or a Priority Class based on each of the Components and, for purposes of Section 13.1 and subordination generally, each Class of Exchangeable Secured Notes will not be treated as a separate Class, but each Component of a Exchangeable Secured Note will be treated as Notes of the respective Underlying Class. Each Component will constitute Secured Notes to the extent that the applicable Underlying Class constitutes Secured Notes and each Component will constitute Subordinated Notes to extent that the applicable Underlying Class constitutes Subordinated Notes.

(f) Each Class of Exchangeable Secured Notes will be redeemed, in whole or in part, upon any redemption of an applicable Underlying Class by *pro rata* allocation of the Redemption Price of each Underlying Class. If some but not all Underlying Classes with respect to any Class of Exchangeable Secured Notes have been redeemed, such Class of Exchangeable Secured Notes will be exchanged for the Notes of any remaining Underlying Classes constituting the Components thereof; provided that, in connection with any Refinancing of an Underlying Class with respect to any Class of Exchangeable Secured Notes, the beneficial owners of such Class of Exchangeable Secured Notes shall have the right, prior to any offering of the related Replacement Debt to any third party, to acquire the related Replacement Debt, pro rata based on their respective interests in such Class of Exchangeable Secured Notes, in an aggregate principal amount equal to the aggregate principal amount of the related Component Class, and, upon satisfaction of the Fitch Rating Condition, cause such Replacement Debt to become a substitute Component. Any such substitution shall be exercised by the holders of 100% of the applicable Class of Exchangeable Secured Notes by written notice to the Issuer, the Collateral Manager and the Trustee not later than five (5) Business Days after notice of the proposed Refinancing is provided to such beneficial owners. In such event, on the related Refinancing Date and upon receipt of evidence of each such beneficial owner's beneficial interest in the applicable Class of Exchangeable Secured Notes and the Replacement Debt and such other information as the Issuer or the Trustee shall reasonably require, the Trustee, upon Issuer order, shall adjust the principal amount of the applicable Global Notes representing the Replacement Debt and the Exchangeable Secured Notes as applicable to reflect such exchange (any such Refinancing Date, a "Component Substitution Date"). Upon such direction and exchange, the applicable principal amount of the Replacement Debt shall be deemed to have replaced the related Underlying Class as a Component of the applicable Class of Exchangeable Secured Notes for all purposes under this Indenture and such Component shall be subject to all of the same terms and conditions of such Class of Exchangeable Secured Notes as if it were originally a Component. In connection with such exchange, the related beneficial owner will reasonably cooperate with the Issuer and the Trustee to effect such exchange through DTC, including by providing duly completed Exchangeable Secured Note Exchange Instructions in the form of Exhibit B-7. Notice shall be provided by the Issuer to Fitch of any such redemption of the Exchangeable Secured Notes.

(g) If one or more Underlying Classes with respect to any Class of Exchangeable Secured Notes has been subject to a Re-Pricing, such Class of Exchangeable Secured Notes will be exchanged for the Notes of the Underlying Classes constituting the Components of such Exchangeable Secured Notes; provided that, if the holders of 100% of any applicable Class of Exchangeable Secured Notes consent to such Re-Pricing of each related

Underlying Class, the Re-Priced Class(es) shall, upon satisfaction of the Fitch Rating Condition, constitute the related Underlying Class(es) as a Component (or Components, as applicable) of such Class of Exchangeable Secured Notes for all purposes under this Indenture.

(h) On any Payment Date, upon written direction of any Holder of any Class of Exchangeable Secured Notes to the Trustee and the Issuer at least 10 Business Days in advance (and subject to the minimum denomination and integral multiple requirements applicable to transfers of the Underlying Classes), the portion of such Class of Exchangeable Secured Notes held by such Holder may be (i) fully exchanged for each of its Components (a "Full Exchange") or (ii) subject to satisfaction of the Fitch Rating Condition, exchanged for a combination of (x) one or more of its Components and (y) an Exchangeable Secured Note comprised of the remaining Components of such Class of Exchangeable Secured Notes (a "Partial Exchange" and, together with a Full Exchange, each, an "Exchange"), so long as notice is provided by the Issuer to Fitch of such exchange. Following any Exchange, the holders of Exchangeable Secured Notes subject to such Exchange will be required to comply with all restrictions on transfer and exchange relating to the applicable Underlying Classes received by such holders. The holders of the Exchangeable Secured Notes subject to any Exchange will be required to provide reasonable assistance to the Trustee and the Issuer to effect such Exchange, including in connection with the provision of any necessary instructions or approvals to DTC.

If at any time any Class of Exchangeable Secured Notes is comprised solely of a Component of Subordinated Notes as the result of a redemption, sale, transfer or exchange of each other Component thereof, or if the Exchangeable Secured Note Balance of any Class of Exchangeable Secured Notes is reduced to zero, such Class of Exchangeable Secured Notes shall be exchanged for its Underlying Class(es) in an amount equal to the Aggregate Outstanding Amount of the related Component(s).

Upon the exchange of any Class of Exchangeable Secured Notes (or portion thereof) for the related Underlying Classes, the Trustee will cause (a) the aggregate principal amount of the applicable Class of Exchangeable Secured Notes represented by a Rule 144A Global Exchangeable Secured Note or a Regulation S Global Exchangeable Secured Note, as applicable, to be reduced by the applicable portion represented by such Global Note of the aggregate outstanding principal amount of the Underlying Class(es) constituting the Component(s) to be exchanged and (b) the principal amounts of the applicable Global Notes representing the related Underlying Classes to be increased by the aggregate outstanding principal amount of the Underlying Class(es) represented by the Component(s) to be exchanged (with such increases made to the applicable Rule 144A Global Notes and Regulation S Global Notes in proportion to the face amount of the applicable Exchangeable Secured Notes represented by Rule 144A Global Exchangeable Secured Notes and Regulation S Global Exchangeable Secured Notes).

(i) In connection with the Optional Redemption by Refinancing of all Secured Notes Outstanding under the Original A&R Indenture on the Closing Date, each Component of the Exchangeable Notes constituting Secured Notes under the Original A&R Indenture has been exchanged for the Components of such Exchangeable Secured Notes set forth in Section 2.3 hereto as a deemed payment of the amounts of each such Component (as defined in the Original A&R Indenture) to be otherwise paid from Refinancing Proceeds, and no other amounts shall be due with respect to such Components

(as defined in the Original A&R Indenture) to Holders of such Exchangeable Secured Notes.

(a) The Collateral Manager, on behalf of the Issuer, shall use commercially reasonable efforts to deliver or cause to be delivered to a custodian appointed by the Issuer, which will be a Securities Intermediary (the "Custodian"), all Assets in accordance with the definition of "Deliver." Initially, the Custodian will be the Bank. The Custodian agrees that its "securities intermediary's jurisdiction" (within the meaning of Section 8-110(e) of the UCC) is the State of New York. Any successor custodian must be an Eligible Custodian that is a Securities Intermediary. The Trustee or the Custodian, as applicable, shall hold (i) all Collateral Obligations, Eligible Investments, Cash and other investments purchased in accordance with this Indenture and (ii) any other property of the Issuer otherwise Delivered to the Trustee or the Custodian, as applicable, by or on behalf of the Issuer, in the relevant Account, established and maintained pursuant to Article X; as to which in each case the Trustee has entered into the Account Agreement (or, in the case of a successor custodian, an agreement substantially in the form thereof) providing, inter alia, that the establishment and maintenance of such Account will be governed by a law of a jurisdiction satisfactory to the Issuer and the Trustee.

(b) Each time that the Collateral Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment or other investment, the Collateral Manager (on behalf of the Issuer) shall, if the Collateral Obligation, Eligible Investment or other investment is required to be, but has not already been, transferred to the relevant Account, use commercially reasonable efforts to cause the Collateral Obligation, Eligible Investment or other investment to be Delivered to the Custodian to be held in the Custodial Account (or in the

case of any such investment that is not a Collateral Obligation, in the Account in which the funds used to purchase the investment are held in accordance with Article X) for the benefit of the Trustee in accordance with this Indenture. The security interest of the Trustee in the funds or other property used in connection with the acquisition will, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee will nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other investment so acquired, including all interests of the Issuer in any contracts related to and proceeds of such Collateral Obligation, Eligible Investment or other investment.

(c) Notwithstanding any term hereof or elsewhere to the contrary, it is hereby expressly acknowledged that (a) interests in Collateral Obligations may be acquired and delivered by the Issuer to the Trustee or Custodian from time to time which are not evidenced by, or accompanied by delivery of, a security (as that term is defined in UCC Section 8-102) or an instrument (as that term is defined in Section 9-102(a)(4a) of the UCC), and may be evidenced solely by delivery to the Trustee or Custodian of a facsimile copy of an assignment agreement ("Loan Assignment Agreement") in favor of the Issuer as assignee, (b) any such Loan Assignment Agreement (and the registration of the related Asset on the books and records of the applicable Obligor or bank agent) will be registered in the name of the Issuer, and (c) any duty on the part of the Trustee or Custodian with respect to such Collateral Obligation (including in respect of any duty it might otherwise have to maintain a sufficient quantity of such Collateral Obligation for purposes of UCC Section 8-504) will be limited to the exercise of reasonable care by the Trustee or Custodian, as applicable, in the physical custody of any such Loan Assignment Agreement that may be delivered to it; provided, however, the Trustee and the Custodian shall be deemed to have exercised reasonable care with respect to the custody, safekeeping and physical preservation of any Collateral Obligation or Loan Assignment Agreement in its possession, under Section 9-207 of the UCC or otherwise, to the extent of any action taken in accordance with the terms of this Indenture. It is acknowledged and agreed that the Trustee and Custodian are not under a duty to examine underlying credit agreements or loan documents to determine the validity or sufficiency of any Loan Assignment Agreement (and has no responsibility for the genuineness or completeness thereof), or for the Issuer's title to any related Loan.

ARTICLE IV

(b) either (i) the Issuer has paid or caused to be paid all other sums then due and payable hereunder (including any amounts then due and payable pursuant to the Collateral Administration Agreement and the Collateral Management Agreement without regard to the Administrative Expense Cap and to any Hedge Counterparty) by the Issuer and no other amounts are scheduled to be due and payable by the Issuer or (ii) all Assets that are subject to the lien of this Indenture have been sold and the proceeds from such sales have been distributed, in each case, in accordance with this Indenture; and

(c) the Issuer has delivered to the Trustee an Officer's certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Issuer, the Trustee, the Collateral Manager and, if applicable, the Holders and any Hedge Counterparty, as the case may be, under Sections 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.6, 6.7, 7.1, 7.3, 13.1, 14.14 and 14.16 will survive.

Section 4.2 Application of Trust Money. All Cash and obligations deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Notes and this Indenture, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Subordinated Notes), either directly or through any Paying Agent, as the Trustee may determine; and such Cash and obligations will be held in a segregated account identified as being held in trust for the benefit of the Secured Parties.

Section 4.3 Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture will, upon demand of the Issuer, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priority of Payments and thereupon such Paying Agent will be released from all further liability with respect to such Monies.

ARTICLE V

REMEDIES

Section 5.1 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether such event is voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of any interest on any Senior Note, or if there are no Senior Notes Outstanding, any Class C-RR Note, or if there are no Senior Notes or Class C-RR Notes Outstanding, any Class D-1-RR Note, or if there are no Senior Notes, Class C-RR Notes or Class D-1-RR Notes Outstanding, any Class D-2-RR Note, or if there are no Senior Notes, Class C-RR Notes or Class D Notes Outstanding, any Class E-RR Note, and, in each case, the continuation of any such default for five Business Days; provided, that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined); provided, further, that if the Secured Notes are accelerated following an Event of Default (other than pursuant to this clause (a)) and such acceleration has been rescinded or annulled in accordance with Section 5.2(b), a default in payment of interest on the Class B Notes resulting from such acceleration and application of funds pursuant to Section 11.1(a)(iii) will not be an Event of Default pursuant to this clause (a) unless and until the Class B Notes are the Controlling Class;

(b) a default in the payment, when due and payable, of any principal of, or interest or Secured Note Deferred Interest on, or any Redemption Price or any Re-Pricing Sale Price in respect of, any Secured Note at its Stated Maturity or on any Redemption Date (unless, in the case of a Redemption Date, the applicable notice of redemption was withdrawn in accordance

with Article IX); provided, that, (x) in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined) and (y) in the case of a default in the payment of any principal of any Secured Note on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date with settlement scheduled to occur prior to the Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Collateral Manager, and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for 10 Business Days after such Redemption Date; provided, further, that any Refinancing that fails to occur will not constitute an Event of Default;

(c) unless the Issuer is legally required to withhold such amounts, the failure on any Payment Date to disburse amounts in excess of U.S.$250,000 available in the Payment Account (other than a default in payment described in clauses (a) and (b) above) in accordance with the Priority of Payments and continuation of such failure for a period of ten Business Days (or, if such failure can only be remedied on a Payment Date, such failure continues until the later of the ten Business Day period specified above and the next Payment Date); provided, that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined);

(d) the Issuer or the Assets becomes an investment company required to be registered under the Investment Company Act (and such requirement has not been eliminated after a period of 45 days);

(e) except as otherwise provided in this Section 5.1, a default in a material respect in the performance, or breach in a material respect, of any other covenant or other agreement of the Issuer in this Indenture or (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Coverage Test or the Interest Diversion Test is not an Event of Default and any failure to satisfy the requirements of Section 7.18 is not an Event of Default, except in either case to the extent provided in clause (f) below), or the failure of any representation or warranty of the Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in each case in all material respects when the same has been made, and the continuation of such default, breach or failure for a period of 45 days after notice to the Issuer, and the Collateral Manager by registered or certified mail or overnight courier, by the Trustee, the Issuer or the Collateral Manager or to the Issuer, the Collateral Manager and the Trustee at the

direction of the Holders of at least a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; provided that the delivery of a certificate or other report which corrects any inaccuracy contained in a previous report or certification shall be deemed to cure such inaccuracy as of the date of delivery of such updated report or certificate and any and all inaccuracies arising from continuation of such initial inaccurate report or certificate and the sale or other disposition of any asset that did not at the time of its acquisition satisfy the Investment Criteria shall cure any breach or failure arising therefrom as of the date of such failure;

(f) on any Measurement Date, failure of the percentage equivalent of a fraction (i) the numerator of which is equal to (1) the sum of (a) the Aggregate Principal Amount of the Collateral Obligations, excluding Defaulted Obligations and (b) without duplication, the amounts on deposit in the Principal Collection Account, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) *plus* (2) the aggregate Market Value of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1-RR Notes on such date, to equal or exceed 102.5%;

(g) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, respectively, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(h) the institution by the Issuer of Proceedings to have the Issuer adjudicated as bankrupt or insolvent, or the consent of the Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer, or the filing by the Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or of any substantial part of its property, respectively, or the making by the Issuer of an assignment for the benefit of creditors, or the admission by the Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer in furtherance of any such action.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Issuer, (ii) the Trustee and (iii) the Collateral Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer of the Trustee, the Trustee shall, not later than two Business Days thereafter, notify any Hedge Counterparty, the Holders (as their names appear on the Register), each Paying Agent, DTC and each Rating Agency of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(g) or (h)), the Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Issuer, each Hedge Counterparty, each Rating Agency and the Collateral Manager, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration, such principal, together with all accrued and unpaid interest thereon (including, in the case of the Deferred Interest Secured Notes, any Secured Note Deferred Interest) through the date of acceleration and other amounts payable hereunder, will become immediately due and payable. If an Event of Default specified in Section 5.1(g) or (h) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable thereunder and hereunder, will automatically become due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee, each Rating Agency and the Collateral Manager, may rescind and annul such declaration and its consequences if:

(i) The Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Notes (other than as a result of such acceleration); and

(B) all unpaid Taxes and Administrative Expenses of the Issuer and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Base Management Fees and any other amounts then payable by the Issuer hereunder prior to such Administrative Expenses and such Base Management Fees; and

(C) all amounts then due and payable to any Hedge Counterparty (other than as a result of such acceleration).

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

Subject to the second proviso in Section 5.1(a), no such rescission will affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenant that if a default occurs in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Issuer will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due

and payable on such Secured Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest is legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and (subject to its rights hereunder, including Section 6.1(c)(iv)) shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee deems most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

If Proceedings are pending relative to the Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or if a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official has been appointed for or taken possession of the Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Note is then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee has made any demand pursuant to the provisions of this Section 5.3, will be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or willful misconduct) and of the Secured Noteholders allowed in any Proceedings relative to the Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Noteholders upon the direction of a Majority of the Controlling Class, in any election of

a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Noteholders to make payments to the Trustee, and, in the event that the Trustee consents to the making of payments directly to the Secured Noteholders to pay to the Trustee such amounts as are sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or willful misconduct.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee is a party), the Trustee will be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared or have become due and payable (an "Acceleration Event") and such Acceleration Event and its consequences have not been rescinded and annulled, the Issuer agrees that the Trustee may, and (subject to its rights under this Indenture, including Section 6.1(c)(iv)) shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion (the cost of which will be payable as an Administrative Expense) of an Independent investment banking firm of national reputation with experience in structuring and distributing securities similar to the Secured Notes, which may be the Placement Agent, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes which opinion will be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, will be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers will not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, will bind the Issuer, the Trustee and the Holders of the Secured Notes, will operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and will be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Holders may, prior to the date which is one year and one day (or if longer, any applicable preference period *plus* one day) after the payment in full of all Notes and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency

at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings (other than an Approved Issuer Subsidiary Liquidation), or other Proceedings under U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 precludes, or will be deemed to estop, the Trustee, any Secured Party or any Holder (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, such Secured Party or such Holder, respectively, or (ii) from commencing against the Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

The foregoing restrictions of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of Notes to acquire such Notes and for the Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer) and the other applicable transaction documents and are an essential term of such documents. Any Holder or beneficial owner of a Note, the Collateral Manager or the Issuer may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings (other than an Approved Issuer Subsidiary Liquidation), or other proceedings under United States federal or state bankruptcy law or similar laws of any jurisdiction.

(e) In the event one or more Holders or beneficial owners of Notes cause the filing of a petition in bankruptcy against the Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Note that does not seek to cause any such filing, with such subordination being effective until all amounts with respect to each Note held by each Holder or beneficial owners of any Note that does not seek to cause any such filing are paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee is entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(e).

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact (except as otherwise expressly permitted by Sections 10.9 and 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Collateral Manager, and with notice to each Rating Agency, determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including any accrued and unpaid Secured Note Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Notes (including any amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Base Management Fees and any Hedge Payment Amounts (assuming, for this purpose, that the related Hedge Agreement has been terminated by reason of the occurrence of an "event of default" as defined thereunder by the Issuer)) and a Majority of the Controlling Class agrees with such determination; or

(ii) (A) in the case of an Event of Default specified in Sections 5.1(a) (unless such Event of Default was caused solely as a result of acceleration), (b) or (f), a Majority of the Controlling Class and (B) in all other cases, a Supermajority of each Class of the Secured Notes (voting separately by Class), or, if no Class of Secured Notes remains Outstanding, a Majority of the Subordinated Notes, directs the sale and liquidation of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Collateral Manager and the Rating Agencies. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist. The Issuer shall provide notice to the Rating Agencies of any such rescission.

(b) Nothing contained in Section 5.5(a) will be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) will be construed to require the Trustee to preserve the Assets securing the Secured Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall use reasonable efforts to obtain, with the cooperation and assistance of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In the event that the Trustee, with the cooperation and assistance of the Collateral Manager, is only able to obtain bid prices with respect to a security contained in the Assets from one nationally recognized dealer at the time making a market in such securities, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. If the Trustee is unable to obtain any bids, the condition in Section 5.5(a)(i) shall be deemed to not exist. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion or

advice of an Independent investment banking firm of national reputation or other appropriate advisors (the cost of which will be payable as an Administrative Expense).

The Trustee shall deliver to the Holders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determination required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee will be brought in its own name as trustee of an express trust, and any recovery of judgment will be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder will be applied in accordance with the provisions of Section 11.1(a) and Section 13.1. Following commencement of liquidation pursuant to Section 5.5, payments will be made only on the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) will be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Note has any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or any Note, or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class have made a written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity to the Trustee, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes has any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture,

except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee receives conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, will be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Section 2.7(i) but notwithstanding any other provision of this Indenture, the Holder of any Secured Note has the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Sections 5.4(d) and 5.8, to institute proceedings for the enforcement of any such payment, and such right will not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right will be subject to the provisions of Sections 5.4(d) and 5.8, and will not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Issuer, the Trustee and the Holder will, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder will continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, does not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default impairs any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from

time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class has the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding or for any other remedy available to the Trustee; provided, that:

(a) such direction does not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee has been provided with indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all Notes waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Class of Notes materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(c) in respect of a representation contained in Section 7.19.

In the case of any such waiver, the Issuer, the Trustee and the Holders of the Notes will be restored to their former positions and rights hereunder, respectively, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof will be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 will not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Notes on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Issuer (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 will not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but will continue unimpaired until the entire Assets have been sold or all amounts secured by the Assets have been paid. The Trustee may upon notice to the Holders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided, that the Trustee is authorized to deduct the reasonable costs, charges and expenses (including but not limited to reasonable costs and expenses of counsel) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses (including but not limited to reasonable costs and expenses of counsel) incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net

proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale will be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice of any public Sale to the Holders of the Subordinated Notes, and the Holders of the Subordinated Notes are permitted to participate in any such public Sale to the extent such Holders meet any eligibility requirements with respect to such Sale.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture will not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders will be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations will be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee is

under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form has not been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture may be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection may not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee will not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee is not liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it has reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its incidental services, including mailing of notices under Article V, under this Indenture (it being expressly acknowledged and agreed without implied limitation that the enforcement or exercise of rights and remedies under Article V and/or commencement of or participation in any legal proceeding does not constitute "incidental services");

(v) in no event will the Trustee be liable for special, punitive, indirect or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action; and

(vi) in no event shall the Trustee have any obligation to determine or verify whether the U.S. risk retention regulations in Section 15G of the Exchange Act (and the applicable rules and regulations thereunder) or the risk retention regulations of any other jurisdiction have been satisfied.

(d) For all purposes under this Indenture, the Trustee will not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(d), (e), (g) or (h) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, forward such notice to the Holders (as their names appear in the Register) and each Rating Agency.

(f) Provided that a Trust Officer of the Trustee has received from the Collateral Manager on or prior to the Closing Date a copy of Part 2 of the Collateral Manager's Form ADV, the Trustee shall on the Closing Date deliver a copy of Part 2 of the Collateral Manager's Form ADV to the Holders by posting to the Trustee's website.

(g) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of Section 6.1 and Section 6.3.

Section 6.2 Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall provide notice to the Collateral Manager, each Rating Agency, all Holders and, for so long as any Listed Notes are listed thereon and the guidelines of the exchange so require, the Cayman Islands Stock Exchange, as their names and addresses appear on the Register notice of all Defaults hereunder actually known to a Trust Officer of the Trustee, unless such Default has been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and is fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, electronic communication, note or other paper or document believed by it to be genuine and to have been signed, sent or presented by the proper party or parties; it being understood that an electronically signed document delivered via email by an individual purporting to be an Authorized Officer will be considered signed or executed by such

Authorized Officer on behalf of the applicable Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer mentioned herein will be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee (i) deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and conclusively rely upon an Officer's certificate or Issuer Order or (ii) is required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon and the Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purposes of determining and discharging its rights and duties hereunder;

(e) the Trustee is under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable fees and expenses of agents, experts and attorneys) and liabilities which might reasonably be incurred by it in compliance with such request or direction (including any actions in respect thereof);

(f) the Trustee is not bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report (including any Accountants' Report), notice, request, direction, consent, order, note, electronic communication or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, (subject to the right of the Trustee to be satisfactorily indemnified) make such further inquiry or investigation into such facts or matters as it may see fit or as it has been directed, and the Trustee is entitled, on reasonable prior notice to the Issuer and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Issuer' or the Collateral Manager's normal business hours; provided, that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder;

provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through Affiliates, agents or attorneys; provided, that the Trustee is not responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee is not liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein imposes an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or the Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee will be entitled to request and receive (and rely upon) instruction from the Issuer or a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10) (and in the absence of its receipt of timely instruction therefrom, will be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee is not liable for the actions or omissions of, or any inaccuracies in the records of, the Collateral Manager, the Issuer, any Paying Agent (other than the Trustee), DTC, Euroclear, Clearstream or any other clearing agency or depository or any other Person, and shall not be liable for its failure to perform its duties as a result of the failure of any Person to perform the duties of such Person. Without limiting the foregoing, the Trustee has no obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary are under a duty or have an obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank or one of its Affiliates is also acting in the capacity of Paying Agent, 17g-5 Information Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded

to the Trustee pursuant to this Article VI will also be afforded to the Bank or such Affiliate acting in such capacities; provided that, such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, protections, benefits, immunities and indemnities provided in the Account Agreement or any other document to which the Bank or such Affiliate in such capacity is a party; provided, further, however, that the foregoing shall not be construed to impose upon the Paying Agent, 17g-5 Information Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Trustee;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture will not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee is not required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee will not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference will, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Trustee is not responsible for delays or failures in performance resulting from acts or circumstances beyond its control (such circumstances include but are not limited to any act or provision of any present or future law or regulation or governmental authority, acts of God, strikes, lockouts, riots, acts of war, terrorism, accidents, labor disputes, disease, epidemic, pandemic, quarantine, national emergency, loss or malfunctions of utilities, computer (hardware or software) or communications services or the unavailability of the Federal Reserve Bank of New York wire or telex or other wire or communication facility);

(r) in order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering including Section 326 of the USA Patriot Act of the United States ("Applicable Law"), the Trustee is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

(s) to the extent not inconsistent herewith, the rights, protections benefits, immunities and indemnities afforded to the Trustee pursuant to this Indenture also will be afforded to the Collateral Administrator; provided that, with respect to the Collateral Administrator, such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Collateral Administration Agreement; provided, further, however, that the foregoing shall not be construed to impose upon the Collateral

Administrator any of the duties or standards of care (including, without limitation, any duties of a prudent person) of the Trustee;

(t) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates qualify as Eligible Investments hereunder;

(u) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment advisor, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(v) the Trustee has no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(w) the Trustee is entitled to conclusively rely on the Collateral Manager with respect to (i) whether or not a Collateral Obligation meets the criteria in the definition thereof and for the characterization, classification, designation or categorization of the Assets to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature, or based on information not readily available to the Trustee and (ii) whether the conditions specified in the definition of "Deliver" have been complied with;

(x) the Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance fees owing to the Collateral Manager;

(y) notwithstanding anything to the contrary herein, any and all email communications (both text and attachments) by or from the Trustee that the Trustee deems to contain confidential, proprietary, and/or sensitive information may be encrypted.

(z) neither the Calculation Agent nor the Trustee shall have any liability for any interest rate published by any publication or website that is the source for determining the interest rates of the Secured Notes, rates compiled by the CME Group Benchmark Administration Limited (CBA) or any successor thereto, or rates published by the FRB or on the Federal Reserve Bank of New York's Website, or if any of the foregoing causes for any delay, error or inaccuracy in the publication or website of any such rates, or for any subsequent correction or adjustment thereto;

(aa) unless the Trustee receives written notice of an error or omission related to financial information or disbursements provided to the Holders within 90 days following the Holders' receipt of the same, the Trustee shall have no liability in connection with such and, absent

direction by the requisite percentage of Holders entitled to direct the Trustee, no further obligation in connection thereof;

(bb) the Trustee will be under no obligation to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with the Grant by the Issuer to the Trustee of any item constituting the Assets or otherwise, or in that regard to examine any Underlying Instruments, in order to determine compliance with applicable requirements of and restrictions on transfer of a Collateral Obligation;

(cc) nothing herein or in the other Transaction Documents shall be construed to impose any liability or obligation on the part of the Trustee to monitor AML Compliance or compliance with FATCA, and the CRS by the Issuer, any Holder or any other Person;

(dd) the Trustee shall have no obligation, responsibility or liability for determining or selecting the Fallback Rate (or any components thereof) (including, without limitation, whether a Benchmark is unavailable or no longer reported);

(ee) the Trustee's services hereunder shall be conducted through its Corporate Trust Division (including, as applicable, any agents or Affiliates utilized thereby); and

(ff) the Trustee shall have no obligation to cause the Issuer to merge, consolidate, reincorporate or otherwise change its jurisdiction of organization or domicile. To the extent any such merger, consolidation, reincorporation or other change of the Issuer requires the consent or other related action of the Trustee, whether pursuant to the applicable laws of such jurisdiction, the governing documents of the Issuer or otherwise, the Trustee shall be entitled to conclusively rely upon an instruction of the Issuer (or the Collateral Manager on its behalf) as to the provision of such consent or taking of such action.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication on the Notes, will be taken as the statements of the Issuer; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee is not accountable for the use or application by the Issuer of the Notes or the proceeds thereof or any Money paid to the Issuer pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder will be held in trust to the extent required herein. The Trustee is under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank or one of its Affiliates in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (in each of its respective capacities) on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) to pay or reimburse the Bank (individually and in each of its respective capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.10, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Bank's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Bank (individually and in each of its respective capacities) and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense (including reasonable fees and costs of experts or attorneys) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this Indenture, the transactions contemplated hereby or under any of the other Transaction Documents and the enforcement of the provisions hereof or of any of the other Transaction Documents, including the Issuer's indemnity obligations, including the costs and expenses of defending themselves (including reasonable fees and costs of experts, agents or attorneys) against any claim (whether brought by or involving the Issuer or any third party) or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto, or of enforcing this Indenture or any of the other Transaction Documents and any indemnification rights hereunder; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V hereof.

(b) The Bank shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or other Transaction Documents only as provided in Section 11.1(a) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Bank shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Bank has not received amounts due it hereunder; provided, that nothing herein impairs or affect the Bank's rights under Section 6.9. No direction by the Holders will affect the right of the Bank to collect amounts owed to it under this Indenture. If on any date when a fee is payable to the Bank pursuant to this Indenture insufficient funds are available for the payment thereof, any

portion of a fee not so paid shall be deferred and payable on such later date on which a fee will be payable and sufficient funds are available therefor.

(c) The Bank hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or if longer the applicable preference period then in effect *plus* one day, after the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture.

(d) The Issuer's payment obligations to the Bank under this Section 6.7 are secured by the lien of this Indenture on the Assets and will survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Bank incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(g) or (h), the expenses are intended to constitute expenses of administration under Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There will at all times be a Trustee hereunder that will be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority that is an Eligible Institution and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity will be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee ceases to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI will become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Issuer, the Collateral Manager, the Holders of the Notes and each Rating Agency. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which will be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided, that such successor Trustee will be appointed only upon the written consent of a Majority of the Secured Notes of each Class voting as a single Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee has been appointed and an instrument of acceptance by a successor Trustee has not been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may

petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed upon 30 days' prior written notice by the Collateral Manager (solely if the Trustee defaults in the performance of any of its material duties under this Indenture or any of the Transaction Documents and has not cured such default within 60 days) or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Issuer.

(d) If at any time:

(i) the Trustee ceases to be eligible under Section 6.8 and fails to resign after written request therefor by the Issuer or by a Majority of the Controlling Class; or

(ii) the Trustee becomes incapable of acting or is adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property is appointed or any public officer takes charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuer, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee is removed or becomes incapable of acting, or if a vacancy occurs in the office of the Trustee for any reason (other than resignation), the Issuer, by Issuer Order, shall promptly appoint a successor Trustee. If the Issuer fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Issuer. If no successor Trustee has been so appointed by the Issuer or a Majority of the Controlling Class and has accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by delivering written notice of such event in the manner specified in Section 14.3 to the Collateral Manager, to each Rating Agency and to the Holders of the Notes as their names and addresses appear in the Register. Each such notice will include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuer fails to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuer.

(g) If the Bank resigns or is removed as Trustee, the Bank shall also resign or be removed as Custodian, Paying Agent, Transfer Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder must meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Issuer and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee will become effective and such successor Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuer or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee is a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, will be the successor of the Trustee hereunder, provided, that such organization or entity is otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes had been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, the Issuer and the Trustee have power to appoint one or more Persons to act as co-trustee (subject to prior notice thereof being given to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer does not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee has the power to make such appointment.

Should any written instrument from the Issuer be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer. The Issuer agrees to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes will be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, may be exercised, solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee will be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee has the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder will be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee will not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee will be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency and the Collateral Manager of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Trustee has not received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment has been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), has made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager directs. Any such action will be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the

Collateral Management Agreement, such release and/or delivered Collateral Obligation will be subject to Section 10.9 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment will not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 will be deemed to be the authentication of Notes by the Trustee.

Any organization or entity into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, consolidation or conversion to which any Authenticating Agent is a party, or any organization or entity succeeding to the corporate trust business of any Authenticating Agent, will be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 are applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding Tax is imposed on the Issuer's payments under the Notes by law or pursuant to the Issuer's agreement with a governmental authority, such Tax will reduce the amount otherwise distributable to the relevant Holder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority (but such authorization will not prevent the Trustee from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding Tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Note will be treated as Cash distributed to the relevant Holder at the

time it is withheld by the Trustee. If there is a possibility that withholding Tax is payable with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding Tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein imposes an obligation on the part of the Trustee to determine the amount of any Tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the Delivery of any Asset to the Trustee (or the Custodian on its behalf) is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee (or the Custodian on its behalf) of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Registrar, Transfer Agent and Calculation Agent under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any

default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Issuer will duly and punctually pay the principal of and interest on the Secured Notes in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

Amounts properly withheld under the Code or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under a Note will be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Issuer hereby appoints the Trustee as a Paying Agent for payments on the Notes and the Issuer hereby appoints the Trustee at its applicable Corporate Trust Office, as the Issuer’s agent where Notes may be surrendered for registration of transfer or exchange. The Issuer may at any time and from time to time appoint additional paying agents; provided, that no paying agent will be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such paying agent's activities. If at any time the Issuer fails to maintain the appointment of a paying agent, or fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its Corporate Trust Office.

The Issuer hereby appoints Corporation Services Company, ("CSC") as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby and agree that the service of any such process or demand on CSC shall be effective for all purposes upon the receipt of CSC thereof. The Issuer may at any time and from time to time vary or terminate the appointment of CSC or appoint an additional process agent; provided, that, if the appointment of CSC as process agent is terminated, the Issuer will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Issuer in respect of such Notes and this Indenture may be served. If at any time following the termination of CSC as process agent the Issuer shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer, at its address specified in Section 14.3 for notices.

The Issuer shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Issuer shall give prompt written notice to the Trustee, each Rating

Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account will be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Issuer have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Issuer have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made will be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent will be as set forth in Section 7.2. Any additional or successor Paying Agents (other than a successor Trustee who shall automatically become the Paying Agent hereunder pursuant to Section 7.2) will be appointed by Issuer Order with written notice thereof to the Trustee; provided, that so long as any Class of Notes is rated by a Rating Agency, any Paying Agent shall be an Eligible Institution. If such successor Paying Agent fails to meet the required ratings set forth above, the Issuer shall remove such Paying Agent and appoint a successor Paying Agent within 60 days of such Paying Agent failing to meet such required ratings. The Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent agrees with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will;

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums have been paid to such

Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee, with a copy to the Collateral Manager, notice of any default by the Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent will be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable will be paid to the Issuer on Issuer Order; and the Holder of such Note may thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee or such Paying Agent with respect to such trust Money will thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but is not required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Issuer. (a) The Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect its existence and rights as a company organized under the laws of the State of Delaware, and shall obtain and preserve its qualification to do business as a foreign limited liability company in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; provided, however, that the Issuer shall be entitled to change its jurisdiction of formation from the State of Delaware to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, including that such change does not affect the perfection and priority of the security interest created hereby, (ii) written notice of such change has been given by the Issuer to the

Trustee (which shall provide notice to the Holders), the Collateral Manager and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee has not received written notice from a Majority of the Controlling Class objecting to such change.

(b) (b) The Issuer shall (i) ensure that all limited liability company or other formalities regarding its existence (including, to the extent required by applicable law, holding regular board of directors', members', partners' and shareholders' or other similar meetings) are followed, (ii) conduct business in its own name, (iii) correct any known misunderstanding as to its separate existence, (iv) keep separate books and records, (v) not commingle its funds with those of any other entity and (vi) have at least one Independent Manager. The Issuer shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than any Issuer Subsidiary) and (ii) except to the extent contemplated in the Issuer LLCA, the Issuer shall not (A) have any employees (other than its managers), (B) except as contemplated by the Collateral Management Agreement, the Income Note Paying Agency Agreement or the services agreement between the Issuer and Maples Fiduciary Services (Delaware) Inc., engage in any transaction with any member that would constitute a conflict of interest or (C) make distributions other than in accordance with the terms of this Indenture and the Issuer LLCA.

(c) The Issuer and the Trustee agree, for the benefit of all Holders of each Class of Notes, not to institute against any Issuer Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, an Approved Issuer Subsidiary Liquidation), until the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

(d) [Reserved].

Section 7.5 Protection of Assets. (a) The Issuer, or the Collateral Manager on behalf of the Issuer, will cause the taking of such action by the Issuer (or by the Collateral Manager if within the Collateral Manager's control under the Collateral Management Agreement) as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets; provided, that the Collateral Manager is entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) and (iv) to determine what actions are reasonably necessary, and is fully protected in so relying on such an Opinion of Counsel, unless the Collateral Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders of the Secured Notes hereunder and to:

(i) grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Assets or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Trustee and the Holders of the Secured Notes in the Assets and of the Trustee against the claims of all Persons and parties; or

(vi) pay or cause to be paid any and all Taxes levied or assessed upon all or any part of the Assets and, if required to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax, and if reasonably able to do so, deliver or cause to be delivered an applicable IRS Form W-8 or applicable successor form and other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable taxing authority or other governmental authority as necessary to permit the Issuer to receive payments without withholding or deduction or at a reduced rate of withholding or deduction.

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation does not impose upon the Trustee, or release or diminish, the Issuer's and the Collateral Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's U.S. counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets of the Debtor now owned or hereafter acquired and wherever located" as the Assets in which the Trustee has a Grant.

(b) The Issuer shall not, except in accordance with Article V, Section 10.9(a), (b), (c) and (f) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets or amount from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets or amounts is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee has received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a "commercial tort claim" (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it must obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6 Opinions as to Assets. Within the six-month period preceding May 10, 2026 (and every five years thereafter), the Issuer shall furnish to the Trustee, and the Rating Agencies an Opinion of Counsel relating to the security interest granted by the Issuer to the Trustee, stating that, as for the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next year.

Section 7.7 Performance of Obligations. (a) The Issuer shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Issuer may, with the prior written consent of a Majority of each Class of Secured Notes (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent is required), contract with other Persons, including the Collateral Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Issuer hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Issuer will remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons will be deemed to be performance of such actions and obligations by the Issuer; and the Issuer will punctually perform, and use their best efforts to cause the Collateral Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify each Rating Agency (with a copy to the Collateral Manager and the Trustee) within 10 Business Days after any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer shall not from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable laws of other applicable jurisdiction) or assert any claim against any present or future Holder of Notes, by reason of the payment of any taxes levied or assessed upon any part of the Assets, other than pursuant to Section 7.16(b) or otherwise pursuant to this Indenture;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) other than as expressly provided herein, pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than any Issuer Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part

of the Assets, except as expressly permitted by this Indenture or the Collateral Management Agreement;

(xii) fail to maintain an Independent Manager under the Issuer LLCA;

(xiii) solicit, advertise or publish the Issuer's ability to enter into credit derivatives;

(xiv) register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company;

(xv) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (i) any tax, securities law or other filing or submission made to any governmental authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements; and

(b) [Reserved].

(c) [Reserved].

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer or the Income Note Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net basis or income tax on a net income basis in any other jurisdiction.

(e) In furtherance and not in limitation of Section 7.8(d), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines unless, with respect to a particular transaction, the Issuer and the Collateral Manager (with notice to the Trustee) shall have received an opinion or advice of Allen & Overy LLP or Weil, Gotshal & Manges LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that the Issuer's contemplated activities will not cause the Issuer or the Income Note Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net basis. The Issuer will be deemed to have complied with its obligations under Section 7.8(d) not to be engaged in a trade or business within the United States for U.S. federal income tax purposes if it complies with the Tax Guidelines or such opinion or advice, so long as the Collateral Manager does not have Knowledge that there has been a material change in U.S. federal income tax law or the formal administrative or binding judicial interpretation subsequent to the date hereof or the date of such Tax Advice that would

cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis notwithstanding compliance with the Tax Guidelines or reliance on the Tax Advice described in the previous sentence. For purposes of this Section 7.8(e), the term "Knowledge" shall mean the actual knowledge of any member of the senior management responsible for the implementation of this Indenture and the Collateral Management Agreement. The provisions set forth in the Tax Guidelines may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Collateral Management Agreement) if the Issuer, the Collateral Manager and the Trustee shall have received advice of Allen & Overy LLP or Weil, Gotshal & Manges LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that such waiver, amendment, elimination, modification or supplement will not cause the Issuer or the Income Note Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net basis. For the avoidance of doubt, in the event an opinion or advice of Allen & Overy LLP or Weil, Gotshal & Manges LLP, or an opinion of other tax counsel as described above, has been obtained in accordance with the terms hereof, no consent of any Holder or satisfaction of the Global Rating Agency Condition shall be required in order to comply with this Section 7.8(e) in connection with the waiver, amendment, elimination, modification or supplement of any provision of the Tax Guidelines contemplated by such opinion or advice of tax counsel.

(f) The Issuer shall not be party to any agreements (including Hedge Agreements) without including customary “non petition” and “limited recourse” provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(g) The Issuer shall not acquire or hold any Certificated Securities in bearer form (other than securities not required to be in registered form under Section 163(f)(2)(A) of the Code) in a manner that does not satisfy the requirements of United States Treasury Regulations Section 1.165 12(c).

Section 7.9 Statement as to Compliance. On or before June 30th in each calendar year, commencing in 2025, or immediately if there has been a Default under this Indenture and prior to the issuance of any additional notes pursuant to Section 2.13, the Issuer shall deliver to the Trustee (to be forwarded by the Trustee to the Collateral Manager, each Holder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Issuer May Consolidate, etc., Only on Certain Terms. The Issuer (the "Merging Entity") shall not consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by United States and Delaware law and unless:

(a) the Merging Entity is the surviving entity, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, is a company organized and existing under the laws of Delaware or such other jurisdiction approved by a Majority of the Controlling Class (provided, that no such approval is required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4), and (B) in any case expressly assumes, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) each Rating Agency has been notified in writing of such consolidation or merger and the Global Rating Agency Condition has been satisfied in respect of such consolidation or merger (unless deemed inapplicable in accordance with Section 1.3);

(c) if the Merging Entity is not the Successor Entity, the Successor Entity has agreed in such supplemental indenture (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity has delivered to the Trustee and each Rating Agency an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Secured Notes, (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes and (iii) such Successor Entity will not be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or

otherwise subject to U.S. federal income tax on a net basis; and in each case as to such other matters as the Trustee or any Holder may reasonably require;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity has notified each Rating Agency of such consolidation, merger, transfer or conveyance and has delivered to the Trustee and each Holder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with and that such consolidation, merger, transfer or conveyance will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis;

(g) the Merging Entity has delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, the Issuer (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock (other than the Subordinated Notes) of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" in the first paragraph of this Indenture or any successor that has theretofore become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter is released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. The Issuer shall not have any employees and shall not engage in any business or activity other than issuing, paying and redeeming the Notes and any additional notes issued pursuant to this Indenture, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, Collateral Obligations and other Assets, acquiring, holding, selling, exchanging, redeeming and pledging shares in Issuer Subsidiaries and other activities incidental thereto, including entering into the Transaction Documents to which it is (or in the case of any Hedge Agreement, to which it may become) a party. The Issuer shall not hold itself out as originating loans, lending funds, making a market in loans or other assets or selling loans or other assets to customers or as willing to enter into, assume, offset, assign or otherwise terminate positions in derivative financial instruments with customers. The Issuer may amend, or permit the amendment of, the certificate of formation of the Issuer and Issuer LLCA only upon satisfaction of the Global Rating Agency Condition.

Section 7.13 [Reserved].

(b) The Issuer shall obtain and pay for a review of any Collateral Obligation (including DIP Collateral Obligations) which has a Moody's Rating derived under clause (a)(B) of the definition thereof (x) annually and (y) following the consummation of a material amendment to such Collateral Obligation, as determined by the Collateral Manager in its reasonable business judgment.

Section 7.15 Reporting. At any time when the Issuer is not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Issuer shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A in connection with the resale of such Note. "Rule 144A Information" is such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Notes remain Outstanding there will at all times be an agent appointed (which agent does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates) to calculate the Benchmark in respect of each Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) in accordance with the definition of Benchmark (the "Calculation Agent"). The Issuer hereby appoints the Collateral Administrator as the Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager, on behalf of the Issuer, the Issuer or the Collateral Manager, on behalf of the Issuer, will promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Collateral Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of the appointment of any replacement Calculation Agent shall be sent to the Cayman Islands Stock Exchange.

(b) The Calculation Agent will be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as practicable after 6:00 a.m. New York time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the U.S. Government Securities Business Day immediately following each Interest

Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Floating Rate Notes during the related Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Floating Rate Notes and the related period. At such time, the Calculation Agent will communicate such rates and amounts to the Issuer, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

(c) None of the Trustee, the Paying Agent or the Calculation Agent have any obligation (i) to monitor, determine or verify the unavailability or cessation of any applicable Benchmark, (ii) to select, determine or designate any Benchmark or Fallback Rate, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any Fallback Rate Modifier or other modifier to any replacement or successor index, (iv) select, identify or designate the methodology or conventions for calculation of the Fallback Rate (which, for example, may include operational, administrative or technical parameters for compounding such Fallback Rate), (v) to determine whether or what Benchmark Conforming Changes are necessary or advisable, if any, in connection with any of the foregoing or (vi) to calculate any Benchmark or other successor or replacement benchmark index to the extent that it is incapable of implementing such successor or replacement benchmark index operationally.

(d) None of the Trustee, the Paying Agent or the Calculation Agent will be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Indenture as a result of the unavailability of Term SOFR (or other applicable Benchmark) and absence of a designated replacement Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Collateral Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of the Benchmark as determined on the previous Interest Determination Date or a preceding U.S. Government Securities Business Day if so required under the definition of Term SOFR or any Benchmark Conforming Changes. The Calculation Agent shall be entitled to rely upon direction provided by the Issuer or the Collateral Manager facilitating or specifying administrative procedures with respect to the calculation of any replacement Benchmark. For the avoidance of doubt, if the rate published by the Term SOFR Administrator (or successor source) is unavailable, neither the Calculation Agent nor the Trustee shall be under any duty or obligation to take any action other than the Calculation Agent's obligation to take the actions expressly set forth in herein. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Collateral Manager, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of any replacement Benchmark on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. In

connection with each Floating Rate Obligation, the Issuer (or the Collateral Manager on its behalf) is responsible in each instance to (i) monitor the status of the applicable Benchmark, (ii) determine whether a substitute index should or could be selected, (iii) determine the selection of any such substitute index, and (iv) exercise any right related to the foregoing on behalf of the Issuer or any other Person, and neither the Trustee nor the Collateral Administrator shall have any responsibility or liability therefor.

(e) Neither the Calculation Agent nor the Collateral Manager shall have any liability for any interest rate published by any publication that is the source for determining the interest rates of the Secured Notes, rates compiled by the CME Group Benchmark Administration Limited (CBA) or any successor thereto, or rates published by the FRB or on the Federal Reserve Bank of New York's Website.

Section 7.17 Certain Tax Matters.

(a) The Issuer will treat the Issuer and the Notes as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders or beneficial owners) for each taxable year of the Issuer and the Issuer Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority which the Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder or beneficial owner any information that such Holder or beneficial owner reasonably requests in order for such Holder or beneficial owner to comply with its U.S. federal, state or local tax and information return and reporting obligations, or to make and maintain an election to treat any Issuer Subsidiary as a "qualified electing fund" for U.S. federal income tax purposes and/or a "protective" election to treat the Issuer as a "qualified electing fund" for U.S. federal income tax purposes.

(c) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1446, 1471 and 1472 and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any advisor retained by it or on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax.

(d) Notwithstanding any provision herein to the contrary, the Issuer shall take any and all reasonable actions that may be necessary or appropriate to ensure that the Issuer satisfies any and all reporting, withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1446, 1471, and 1472, or any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it or any advisor retained by the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Holder.

(f) Prior to the time that:

(i) the Issuer would acquire or receive an asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis or

(ii) any Collateral Obligation is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or subject to U.S. federal tax on a net income basis,

(g) Notwithstanding Section 7.17(f), the Issuer shall not acquire any Collateral Obligation if a restructuring, workout, or modification of such Collateral Obligation is in process and if such restructuring, workout, or modification could reasonably result in the Issuer being treated as engaged in a trade or business within the United States or subject to U.S. federal income tax on a net basis.

Notice of any such separate management agreement and a copy of such agreement shall be provided to each Rating Agency. No supplemental indenture pursuant to Sections 8.1 or 8.2 hereof shall be necessary to permit the Issuer, or the Collateral Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary.

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

If, prior to its transfer to an Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (B) notice is given of any Optional Redemption, Tax Redemption, Clean-Up Call Redemption, or other prepayment in full or repayment in full of all Notes Outstanding occurs and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within five Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Collateral Manager on the Issuer's behalf shall (x) with respect to each Issuer Subsidiary, instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset and all other assets held by such Issuer Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary;

(xix) the Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution

would cause the Issuer to be treated as engaged in a trade or business in the United States for federal income tax purposes or cause the Issuer to be subject to U.S. federal tax on a net income basis; and

(xx) the Issuer shall provide, or cause to be provided, to each Rating Agency, written notice prior to the formation of an Issuer Subsidiary.

Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes, based on an opinion or written advice of Allen & Overy LLP or Weil, Gotshal & Manges LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters.

(j) Upon a Re-Pricing or the designation of a Benchmark Replacement Rate or DTR Proposed Rate, the Issuer will cause its Independent certified public accountants to comply with any requirements under Treasury Regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Notes of the Re Priced Class or Notes replacing the Re-Priced Class (or any Notes subject to the Benchmark Replacement Rate or DTR Proposed Rate, as applicable) are traded on an established market and (ii) if so traded, to determine the fair market value of such Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Notes are issued or designation of such Benchmark Replacement Rate or DTR Proposed Rate, as applicable.

(k) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received advice or an opinion from Allen & Overy LLP or Weil, Gotshal & Manges LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, to the effect that, under the relevant facts and circumstances with respect to such transaction, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal tax on a net income basis.

(l) Clover Credit Management, LLC ("Clover") will be the initial "partnership representative" (the "Partnership Representative") (or, if not eligible under the Code to be the Partnership Representative, the agent and attorney-in-fact of the Partnership Representative) and may designate the Partnership Representative from time to time with respect to any taxable year of the Issuer during which Clover holds or has held any Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative); provided, that during any other period or if Clover declines to so designate a Partnership Representative, the Issuer (after consultation with the Collateral Manager) shall designate the Partnership Representative from among any beneficial owners of Subordinated Notes (and if such designee is not eligible under the Code to be the Partnership Representative, it shall be the agent and attorney-in-fact of the Partnership Representative). The Partnership Representative (or, if applicable, its agent and attorney in fact), shall sign the Issuer's tax returns and is authorized to make tax elections on behalf of the Issuer in

its reasonable discretion, to determine the amount and characterization of any allocations or tax items described in this Indenture in its reasonable discretion, and to take all actions and do such things as required or as it shall deem appropriate under the Code, at the Issuer's sole expense, including representing the Issuer before taxing authorities and courts in tax matters affecting the Issuer and the beneficial owners of Subordinated Notes (as determined for U.S. federal income tax purposes) in their capacity as partners in the Issuer. Any action taken by the Partnership Representative in connection with audits of the Issuer under the Code will, to the extent permitted by law, be binding upon the "equity owners" (for U.S. federal income tax purposes) of the Issuer. Each such beneficial owner agrees that it will treat any Issuer item on such beneficial owner's income tax returns consistently with the treatment of the item on the Issuer's tax return and that such beneficial owner will not independently act with respect to tax audits or tax litigation affecting the Issuer, unless previously authorized to do so in writing by the Partnership Representative (or, if applicable, its agent and attorney-in-fact), which authorization may be withheld in the complete discretion of the Partnership Representative (or, if applicable, its agent and attorney in fact). The Issuer will, to the fullest extent permitted by law, reimburse and indemnify the Partnership Representative and any agent and attorney-in-fact of such Partnership Representative in connection with any expenses reasonably incurred in connection with its performance of its duties as or on behalf of the Partnership Representative. For the avoidance of doubt, any indemnity or reimbursement provided pursuant to the immediately foregoing sentence shall be treated as an Administrative Expense pursuant to the definition thereof.

(m) The Partnership Representative shall establish and maintain or cause to be established and maintained on the books and records of the Issuer an individual capital account for each Holder of Subordinated Notes (including, for purposes of this Section 7.17(m) and Section 7.17(n) through (q), any beneficial owner of Subordinated Notes (as determined for U.S. federal income tax purposes)), in accordance with Section 704(b) of the Code and Treasury Regulations section 1.704-1(b)(2)(iv).

(n) After giving effect to Section 7.17(o) and Section 7.17(p), all Issuer items of income, gain, loss and deduction shall be allocated among the Holders of Subordinated Notes in a manner such that, after the allocation, each such Holder's capital account is equal (as nearly as possible) to the amount that such Holder would receive from the Issuer if the Issuer (i) sold all of its assets for their Book Values, (ii) applied the proceeds to discharge Issuer liabilities at face amount, and (iii) distributed the remaining proceeds in accordance with the provisions of this Indenture (other than this Section 7.16), minus the sum of such Holder's share of "partnership minimum gain" (within the meaning of Treasury Regulations section 1.704-2(b)(2)) and "partner nonrecourse debt minimum gain" (within the meaning of Treasury Regulations section 1.704-2(i)(3)).

(o) (i) This Section 7.17(o)(i) incorporates by reference, as if fully set forth herein, the "minimum gain chargeback" requirement contained in Treasury Regulations section 1.704-2(f), the "partner minimum gain chargeback" requirement contained in Treasury Regulations section 1.704-2(i), and the "qualified income offset" requirement contained in Treasury Regulations section 1.704-1(b)(2)(ii)(d).

(ii) In the event that any Holder of Subordinated Notes has a deficit capital account at the end of any Issuer taxable year that is in excess of the amount such Holder is

deemed to be obligated to restore pursuant to the penultimate sentences of Treasury Regulations sections 1.704-2(g)(1) and 1.704-2(i)(5), such Holder will be allocated items of Issuer income and gain in the amount of such excess as quickly as possible. Notwithstanding the foregoing, an allocation pursuant to this Section 7.16(o)(ii) will be made only if and to the extent that such Holder would have a deficit capital account in excess of such amount after all other allocations provided for in this Section 7.16 have been tentatively made as if this Section 7.17 did not include this Section 7.16(o)(ii) or the "qualified income offset" requirement of Section 7.17(o)(i).

(iii) Nonrecourse deductions (within the meaning of Treasury Regulations section 1.704-2(b)(1)) will be specially allocated to the Holders of Subordinated Notes in the same manner as if they were not nonrecourse deductions.

(iv) No Holder of Subordinated Notes will be allocated items of loss or deduction under Section 7.17(o) or Section 7.17(q) if such allocation would cause or increase a deficit balance in such Holder's capital account as of the end of the Issuer taxable year to which such allocation relates, within the meaning of Treasury Regulations section 1.704-1(b)(2)(ii)(d).

(p) It is the intent of the Issuer that, to the extent possible, all special allocations made pursuant to Section 7.17(o) be offset either with other special allocations made pursuant to Section 7.17(o) or with special allocations made pursuant to this Section 7.17(p). Therefore, notwithstanding any other provision of this Section 7.17 (other than Section 7.17(o)), offsetting special allocations of Issuer items of income, gain, loss and deduction will be made so that, after such offsetting allocations are made, the capital account balance of each Holder of Subordinated Notes is, to the extent possible, equal to the capital account balance such Holder would have had if the special allocations made pursuant to Section 7.17(o) were not part of this Section 7.17 and all Issuer items of income, gain, loss and deduction were allocated pursuant to Section 7.17(n).

(q) For U.S. federal, state and local income tax purposes, items of Issuer income, gain, loss, and deduction will be allocated among the Holders of Subordinated Notes in accordance with the allocations of the corresponding items for capital account purposes under this Section 7.17, except that items with respect to which there is a difference between adjusted tax basis and Book Value will be allocated in accordance with Section 704(c) of the Code using a method chosen by the Partnership Representative as described in Treasury Regulations section 1.704-3.

(r) The Partnership Representative is authorized to amend the allocations described in this Section 7.17 as necessary to ensure that all allocations made pursuant to this Section 7.17 are treated as having "substantial economic effect" within the meaning of Section 704 of the Code.

(s) The Partnership Representative may, in its sole discretion, cause the Issuer to make an election under Section 754 of the Code.

(t) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as

determined for purposes of section 7701(i) of the Code unless, based on an opinion or advice from Allen & Overy LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, the ownership or such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes.

(u) Notwithstanding anything to the contrary contained herein, the parties hereto agree to treat the Incentive Management Fee as a profits interest granted in exchange for the provision of services to or for the benefit of a partnership within the meaning of Revenue Procedure 93-27, 1993-2 CB 343 and Revenue Procedure 2001-43, 2001-2 CB 191. Solely for purposes of this Section 7.17, the beneficial owner of the Incentive Management Fee shall be treated as a Holder of Subordinated Notes.

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer will use commercially reasonable efforts to purchase (or enter into commitments to purchase) Collateral Obligations such that the Target Initial Par Condition is satisfied on or before the date specified in clause (i) of the definition of "Effective Date."

(b) [Reserved].

(c) Up to (and including) the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, first, any amounts on deposit in the Ramp-Up Account, and second, any Principal Proceeds on deposit in the Collection Account, and (ii) to pay for accrued interest on any such Collateral Obligation, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy or comply with, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Test.

(d) Within 30 calendar days after the Effective Date, the Issuer shall provide, or cause the Collateral Administrator to provide, to S&P, a Microsoft Excel file ("Excel Default Model Input File") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and the Collateral Administrator shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each Collateral Obligation: CUSIP number (if any), LoanX ID (if any), name of Obligor, coupon, spread (if applicable), index rate floor (if any), legal final maturity date, average life, principal balance, identification as a Cov-Lite Loan or otherwise, settlement date, S&P Industry Classification, S&P Recovery Rate and the purchase price of assets purchased by the Issuer that have not settled as of such date.

(e) Unless clause (f) below is applicable, within 30 Business Days after the Effective Date, the Issuer (or the Collateral Manager on its behalf) shall provide, or cause the Collateral Manager to provide, the following documents: (i) to each Rating Agency, a report (that the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) identifying the Collateral Obligations; (ii) to the Rating Agencies, the Trustee and the Collateral Manager, (x) a report (that the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) stating the following information (the "Effective Date Report"): (A) the Obligor, principal balance, coupon/spread, stated maturity,

Moody's Default Probability Rating, S&P Rating, Moody's Industry Classification, Moody's Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security or a loan), by reference to such sources as shall be specified therein, (B) as of the Effective Date, the level of compliance with, and satisfaction or non-satisfaction of, (1) the Target Initial Par Condition, (2) each Overcollateralization Ratio Test, (3) the Concentration Limitations and (4) the Collateral Quality Tests (excluding the S&P CDO Monitor Test, the "Effective Date Tested Items") and (C) following the designation of an S&P CDO Monitor Formula Election Date, a calculation of the S&P CDO Monitor Test and (y) a certificate of the Issuer (such certificate, the "Effective Date Issuer Certificate"), certifying that the Issuer has received (A) an Accountants' Report (the "Accountants' Effective Date Comparison AUP Report") recalculating and confirming the following items from the Effective Date Report: the Obligor, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, Moody's Industry Classification, Moody's Rating and S&P Rating with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security or a loan), by reference to such sources as will be specified therein and (B) an Accountants' Report (the "Accountants' Effective Date Recalculation AUP Report" and together with the Accountants' Effective Date Comparison AUP Report, the "Accountants' Effective Date AUP Reports") recalculating as of the Effective Date the level of compliance with, and satisfaction or non-satisfaction of the Effective Date Tested Items; and (iii) to the Trustee and the Collateral Manager, the Accountants' Effective Date AUP Reports. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post (or cause to be posted) such Form 15-E on the 17g-5 Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer, the Trustee or the Collateral Administrator will not be provided to any other party including each Rating Agency.

Upon receipt of the Effective Date Report, the Collateral Manager shall compare the information contained in such Effective Date Report to the information contained in its records with respect to the Assets and shall, within three Business Days after receipt of such Effective Date Report, notify the Issuer, the Collateral Administrator, the Rating Agencies and the Trustee if the information contained in the Effective Date Report does not conform to the information maintained by the Trustee with respect to the Assets. In the event that any discrepancy exists, the Trustee and the Issuer, or the Collateral Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days notify the Collateral Manager who shall, on behalf of the Issuer, request that the Independent accountants selected by the Issuer pursuant to Section 10.10 perform agreed-upon procedures on the Effective Date Report, the Collateral Manager's records and the Trustee's and/or the Collateral Administrator's records to assist the Collateral Manager and the Trustee in determining the cause of such discrepancy. If such procedures reveal an error in the Effective Date Report, the Collateral Manager's records or the Trustee's and/or the Collateral Administrator's records, the Effective Date Report, the Collateral Manager's records, the Trustee's records and/or the Collateral Administrator's records, as applicable, will be revised accordingly and notice of any

error in the Effective Date Report shall be sent as soon as practicable by the Issuer to all recipients of such report.

(f) If, within 30 Business Days after the Effective Date (1) the Effective Date S&P Condition has not been satisfied and (2) (i) S&P has not been provided an Effective Date Report including a passing S&P CDO Monitor Test following the designation of an S&P CDO Monitor Formula Election Date, a calculation of the S&P CDO Monitor Test and (ii) S&P has not provided written confirmation of the initial ratings assigned by it to any Class of Secured Notes (an "S&P Ramp-Up Failure" or an "Effective Date Rating Failure"), then the Issuer (or the Collateral Manager on the Issuer's behalf) will instruct the Trustee to transfer amounts from the Interest Collection Account to the Principal Collection Account and may, prior to the first Payment Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations in an amount sufficient to satisfy the Effective Date Rating Condition; provided, that, in lieu of complying with the foregoing, the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Account to the Principal Collection Account as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to satisfy the Effective Date Rating Condition; provided, further, that amounts may not be transferred from the Interest Collection Account to the Principal Collection Account if, after giving effect to such transfer, (1) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay in the full amount of the accrued and unpaid interest on any Class of Secured Notes on such next succeeding Payment Date or (2) such transfer would result in a deferral of interest with respect to a Class of Deferred Interest Secured Notes on the next succeeding Payment Date.

If, following an Effective Date Rating Failure, the Effective Date Rating Condition is satisfied, then the Issuer shall be under no obligation to transfer (or cause the transfer of) Interest Proceeds to the Collection Account as Principal Proceeds or to effect a Special Redemption.

(g) The failure of the Issuer to satisfy the requirements of this Section 7.18 will not constitute an Event of Default unless such failure otherwise constitutes an Event of Default under Section 5.1(e) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts will be applied as described in Section 10.3(c).

(h) On or prior to the Closing Date, the Collateral Manager shall elect the Weighted Average S&P Recovery Rate that will apply on and after the Closing Date to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and if such Weighted Average S&P Recovery Rate differs from the Weighted Average S&P Recovery Rate chosen to apply as of the Closing Date, the Collateral Manager shall so notify the Trustee and the Collateral Administrator. Thereafter, at any time on written notice to the Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; provided, that, if: (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations, but the Collateral Obligations would not be in compliance with the Weighted Average S&P Recovery Rate case to

which the Collateral Manager desires to change, then such changed case will not apply or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations will be the lowest Weighted Average S&P Recovery Rate in Section 2 of Schedule 6. If the Collateral Manager does not so notify the Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate in the manner set forth above, the Weighted Average S&P Recovery Rate chosen as of the Closing Date will continue to apply.

(i) Compliance with the S&P CDO Monitor Test will be measured only during the Reinvestment Period and shall be measured by the Collateral Manager on each Measurement Date; provided, however, that on each Measurement Date after the Effective Date and after receipt by the Issuer of the S&P CDO Monitor, the Collateral Manager shall provide to the Collateral Administrator a report on the portfolio of Collateral Obligations containing such information as is reasonably necessary to permit the Collateral Administrator to calculate the Class Default Differential with respect to the Highest Ranking Class on such Measurement Date. In the event that the Collateral Manager's measurement of compliance and the Collateral Administrator's measurement of compliance show different results, the Collateral Manager and the Collateral Administrator shall cooperate promptly in order to reconcile such discrepancy.

Section 7.19 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(i) The Issuer owns the Assets free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the other than any Financing Statement relating to the security interest granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or Tax lien filings against the Issuer.

(iii) All Assets constitute Cash, accounts (as defined in Section 9-102(a)(2) of the UCC), Instruments, general intangibles (as defined in Section 9-102(a)(42) of the UCC), Uncertificated Securities, Certificated Securities or security entitlements to financial assets resulting from the crediting of financial assets to a "securities account" (as defined in Section 8-501(a) of the UCC).

(iv) Each of the Accounts constitutes a "securities account" under Section 8-501(a) of the UCC, or a deposit account over which the Trustee has control (within the meaning of Section 9-104 of the UCC).

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Trustee or the Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute Instruments.

(c) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and will have been credited to one of the Accounts, each of which is a securities account within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each Account has agreed to treat all such Security Entitlements so credited to such accounts as "financial assets" within the meaning of Section 8-102(a)(9) of the UCC; provided that the Securities Intermediary shall not be required to treat as a financial asset any asset in the nature of a general intangible (as defined in Section 9-102(a)(42) of the UCC) or to "maintain" a sufficient quantity thereof.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute Security Entitlements.

(iii) (x) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the

appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Trustee, for the benefit and security of the Secured Parties, hereunder and (y) the Issuer has delivered to the Trustee a fully executed Account Agreement pursuant to which the Custodian has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer.

(iv) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Custodian to comply with the Entitlement Order of any Person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

(d) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties will survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute general intangibles.

(e) The Issuer agrees to notify the Rating Agencies promptly if they become aware of the breach of any of the representations and warranties contained in this Section 7.19.

Section 7.20 Rule 17g-5 Compliance. (a) The Issuer shall cause to be posted on a password-protected internet website, at the same time such information is provided to each Rating Agency, all information (which shall not include any Accountants' Report) the Issuer provides or causes to be provided to each Rating Agency for the purposes of determining the initial credit rating of the Secured Notes or undertaking credit rating surveillance of the Secured Notes, in accordance with the following procedures in the case of such credit rating surveillance.

(b) To the extent that a Rating Agency makes an inquiry or initiates communications with the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee that is relevant to such Rating Agency's credit rating surveillance of the Secured Notes, all responses to such inquiries or communications from such Rating Agency shall be formulated in writing by the responding party or its representative or advisor and shall be provided to the 17g-5 Information Agent who shall promptly post such written response to the 17g-5 Website in accordance with the procedures set forth in this Section 7.20 and the Collateral Administration Agreement.

(c) To the extent that any of the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee is required to provide any information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or the Collateral Management Agreement (including pursuant to Section 10.11 hereof), the Issuer, the Collateral

(d) The Issuer, the Collateral Manager, the Collateral Administrator and the Trustee (and their respective representatives and advisors) shall be permitted (but shall not be required) to orally communicate with each Rating Agency regarding any Collateral Obligation or the Notes; provided, that such party summarizes the information provided to each Rating Agency in such communication and provides the 17g-5 Information Agent with such summary in accordance with the procedures set forth in this Section 7.20 and the Collateral Administration Agreement within one Business Day of such communication taking place. The 17g-5 Information Agent shall post such summary on the 17g-5 Website in accordance with the procedures set forth in this Section 7.20(d) and the Collateral Administration Agreement.

In the event that any information is delivered or posted in error, the 17g-5 Information Agent may remove it from the 17g-5 Website. None of the Trustee, the Collateral Manager, the Collateral Administrator and the 17g-5 Information Agent (nor any affiliate of the foregoing) shall have obtained or shall be deemed to have obtained actual knowledge of any information solely due to receipt and posting to the 17g-5 Website. Access will be provided by the Issuer to each Rating Agency, and to any NRSRO upon receipt by the Issuer of an NRSRO Certification from such NRSRO (which may be submitted electronically via the information from the 17g-5 Website).

The 17g-5 Information Agent shall not be liable for unauthorized disclosure of any information that it disseminates in accordance with this Section 7.20 and makes no representations or warranties as to the accuracy or completeness of information made available from the information from the 17g-5 Website. The 17g-5 Information Agent shall not be liable for its failure to make any information available to each Rating Agency or NRSROs unless such information was delivered to the 17g-5 Information Agent at the email address set forth in Section 7.20(b), with a subject heading of "CLOVER CLO 2018-1, LLC 17g-5 Information" and sufficient detail to indicate that such information is required to be posted on the 17g-5 Website.

(g) In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP

Report as an attachment, will be provided by the Independent accountants to the Issuer who will post (or cause to be posted) such Form 15-E on the 17g-5 Website.

Section 7.21 Collateral Manager Standard of Care. The Issuer acknowledges that it is responsible for its own compliance with the covenants set forth in this Article VII and that, to the extent the Issuer has engaged the Collateral Manager to take certain actions on their behalf in order to comply with such covenants, the Collateral Manager is only required to perform such actions in accordance with the standard of care set forth in Section 2(h) of the Collateral Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of Clover Credit Management, LLC no longer being the Collateral Manager). The Issuer further acknowledges and agrees that the Collateral Manager has no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Collateral Manager has actual knowledge of such breach.

Section 7.22 Hedge Agreement Provisions. (a) The Issuer may enter into one or more Hedge Agreements with Hedge Counterparties that satisfy the Required Hedge Counterparty Ratings for the purpose of managing interest rate risks in connection with the Issuer's issuance of, and making payments on, the Notes. The Issuer (or the Collateral Manager on behalf of the Issuer) will not enter into any Hedge Agreement unless (i) it receives the consent of a Majority of the Controlling Class, (ii) it obtains written advice of counsel (a copy of which will be provided to the Trustee) that such Hedge Agreement will not cause any person to be required to register as a "commodity pool operator" (within the meaning of the Commodity Exchange Act) with the Commodity Futures Trading Commission in connection with the Issuer and (iii) the Global Rating Agency Condition has been satisfied in respect thereof. The Issuer must notify each Rating Agency prior to the amendment of any Hedge Agreement, the termination of any Interest Rate Hedge if the Issuer would be required to make a termination payment. Each Hedge Agreement will (i) contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in this Indenture and (ii) provide that any amounts payable to the related Hedge Counterparty thereunder will be subject to the Priority of Payments.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(c) In the event of an early termination of an Interest Rate Hedge, the Collateral Manager shall use commercially reasonable efforts to cause the Issuer to enter into a replacement Interest Rate Hedge unless the Global Rating Agency Condition is satisfied (unless deemed inapplicable in accordance with Section 1.3).

(d) The Issuer, or the Collateral Manager acting on its behalf, shall, upon receiving written notice from the relevant Hedge Counterparty of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge

Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) if such Hedge Counterparty fails to satisfy certain conditions specified in such Hedge Agreement.

The Collateral Manager, on behalf of the Issuer, will give prompt notice to the Trustee and each Rating Agency of any such termination or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement will be deposited in the Hedge Counterparty Collateral Account. Notwithstanding the foregoing, the Issuer may waive such requirements under a Hedge Agreement with notice to the Trustee, subject to satisfaction of the Global Rating Agency Condition (unless deemed inapplicable in accordance with Section 1.3).

(f) Any amounts payable to the Hedge Counterparty under any Hedge Agreement are subject to the Priority of Payments and the claims of the Hedge Counterparties under any Hedge Agreement will rank equally.

(g) The Issuer, or if, and as, directed by the Collateral Manager, the Trustee, will take actions to enforce the Issuer's rights and remedies under each Hedge Agreement; provided, however, that in no instance will the Trustee be obligated to take any action in the absence of specific and adequate direction from the Collateral Manager (which will not require the Trustee to undertake discretionary decision making) or if the Trustee determines in its reasonable judgment that it is not adequately indemnified for and from associated cost, expense or liability.

Section 7.23 Contesting Insolvency Filings. So long as any Notes is Outstanding, the Issuer or any Issuer Subsidiary, as applicable, upon receipt of notice of any Bankruptcy Filing (as hereafter defined) shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or other applicable law (each of (i) and (ii), a "Bankruptcy Filing"). The costs and expenses (including, without limitation, fees and expenses of counsel to the Issuer or any Issuer Subsidiary) incurred by the Issuer or any Issuer Subsidiary in connection with their obligations described in the immediately preceding sentence ("Petition Expenses") will be payable as Administrative Expenses without regard to the cap relating to the payment of other Administrative Expenses in the Priority of Payments up to an aggregate sum of U.S.$250,000 (the "Petition Expense Amount"). Any Petition Expenses in excess of the Petition Expense Amount will be payable as Administrative Expenses subject to the Administrative Expense Cap in accordance with the Priority of Payments.

Section 7.24 [Reserved].

Section 7.25 Proceedings. Notwithstanding any other provision of this Indenture or any provision of the Notes, or of the Collateral Administration Agreement or of any other

agreement, the Issuer will be under no duty or obligation of any kind to the Holders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Trustee, the Collateral Manager, the Collateral Administrator or the Calculation Agent. Nothing in this Section 7.25 shall imply or impose any additional duties on the part of the Trustee.

Section 7.26 Maintenance of Listing. So long as any Class of Notes that is listed on the Cayman Islands Stock Exchange remains Outstanding, the Co-Issuers shall use all reasonable efforts to maintain such listing.

(b) In no case will a supplemental indenture that becomes effective on or after the Redemption Date of any Class of Notes be considered to have a material adverse effect on any holder of such Class. Any non-consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class. In addition, in the case of a partial redemption, holders of Classes not subject to such Refinancing or Optional Redemption will be deemed not to be materially and adversely affected by any terms of the supplemental indenture executed in accordance with the terms under Section 9.2 that does not change any terms of any Class not subject to such Refinancing they are holding. In each case, holders of any redeemed Classes, any non-consenting Holders of a Re-Priced Class and holders of any non-redeemed Classes in a partial redemption have no objection or consent rights to such supplemental indenture. In connection with any proposed supplemental indenture the consent to which is required from Holders of any Notes, no act of such Holders of Notes to approve the particular form of any proposed supplemental indenture is required, so long as such act or consent approves its substance.

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Notes, reduce the principal amount thereof or, other than in connection with a Re-Pricing or in connection with the change to a Fallback Rate, the rate of interest thereon or the Redemption Price with respect to any Note, or modify the definition of the term "Non-Call Period" in such a manner as to shorten such period or to change the earliest date on which the Subordinated Notes may be redeemed, change the Re-Pricing Sale Price, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Notes or application of proceeds of any Assets to the payment of distributions on the applicable Subordinated Notes or change any place where, or the coin or currency in which Subordinated Notes or Secured Notes or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided that with respect to lowering the rate of interest payable on a Class of Notes, the consent of Holders of the other Classes of Notes shall not be required; provided, further, that any supplemental indenture entered into in connection with the

execution of a Refinancing may implement a Non-Call Period for the obligations providing such Refinancing Proceeds;

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required under this Indenture, including for the authorization of any such supplemental indenture, exercise of remedies under this Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) impair or adversely affect the Assets in any material respect except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture; provided that this clause will not apply to any supplemental indenture in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to the obligations providing the Refinancing Proceeds in the form of one or more loans ranking on a parity with one or more Classes of Notes also secured pursuant to the liens of this Indenture;

(v) modify any of the provisions of this Indenture with respect to supplemental indentures, except to increase the percentage of Outstanding Secured Notes or Subordinated Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Secured Note or Subordinated Note Outstanding and affected thereby;

(vi) modify the definitions of the terms "Outstanding", "Class", "Controlling Class" (other than the name of a new Class or Classes in connection with a Refinancing or Re-Pricing), "Majority" or "Supermajority" or the percentage set forth in Section 5.5(a)(ii)(B);

(vii) modify the Priority of Payments;

(ix) modify the restrictions on and procedures for resales and other transfers of Notes (except as set forth in Section 8.1(vi));

(x) amend any of the provisions of this Indenture relating to the institution of Proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Issuer; or

(xi) modify any of the provisions of this Indenture in such a manner as to impose any liability on a Holder to any third party (other than any liabilities set forth in this Indenture on the Closing Date).

(b) In no case will a supplemental indenture, that becomes effective on or after the Redemption Date of any Class of Notes be considered to have a material adverse effect on any holder of such Class. Any non-consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class. In addition, in the case of a partial redemption, holders of Classes not subject to such Refinancing or Optional Redemption will be deemed not to be materially and adversely affected by any terms of the supplemental indenture executed in accordance with the terms under Section 9.2 that does not change any terms of any Class not subject to such Refinancing they are holding. Holders of any redeemed Classes, any non-consenting Holders of a Re-Priced Class and holders of any non-redeemed Classes in a partial redemption shall have no objection or consent rights to such supplemental indenture. In connection with any proposed supplemental indenture the consent to which is required from Holders of any Notes, no act of such Holders of Notes to approve the particular form of any proposed supplemental indenture is required, so long as such act or consent approves its substance.

Section 8.3 Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture permitted by Section 8.1 or Section 8.2 and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee is not obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) The Trustee may, but will not be obligated to, enter into any such supplemental indenture (including, without limitation, any supplemental indenture to implement any Benchmark Conforming Changes) that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. With respect to any supplemental indenture permitted by Section 8.1 or Section 8.2 the consent to which is expressly required pursuant to such Section from a Majority or a greater percentage of each Class of Notes materially and adversely affected thereby, the Trustee is entitled to conclusively rely upon an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or, solely if the Collateral Manager is Clover Credit Management, LLC or an Affiliate thereof, an Officer's certificate of the Collateral Manager, as to (i) whether or not any Class of Secured Notes would be materially and adversely affected by a supplemental indenture and (ii) whether or not the Subordinated Notes would be materially and adversely affected by a supplemental indenture. Such determination will be conclusive and binding on all present and future Holders. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts

created by this Indenture, the Trustee is entitled to receive, and (subject to Sections 6.1 and 6.3) is fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee will not be liable for any reliance made in good faith upon such an Opinion of Counsel or solely if the Collateral Manager is Clover Credit Management, LLC or an Affiliate thereof, such an Officer's certificate of the Collateral Manager delivered to the Trustee as described herein. Such determination will be conclusive and binding on all present and future holders.

(c) At the cost of the Issuer, for so long as any Notes remains Outstanding, not later than 15 Business Days prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2 (other than a supplemental indenture to be entered into pursuant to Sections 8.1(a)(x), 8.1(a)(xi) or 8.1(a)(xix)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, each Rating Agency and the Holders a notice attaching a copy of such supplemental indenture and indicating the proposed date of execution of such supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the cost of the Issuer, for so long as any Notes remains Outstanding, not later than three Business Days prior to the execution of such proposed supplemental indenture (provided, that the execution of such proposed supplemental indenture will not in any case occur earlier than the date 15 Business Days after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c)), the Trustee shall deliver to the Collateral Manager, each Rating Agency, the Collateral Administrator, each Hedge Counterparty and the Holders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture, as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one Business Day prior to the execution of such supplemental indenture. In the case of a supplemental indenture to be entered into pursuant to Sections 8.1(a)(x), 8.1(a)(xi) or 8.1(a)(xix), the foregoing notice periods will not apply and (i) in the case of an amendment pursuant to Sections 8.1(a)(x) or 8.1(a)(xi), a copy of the proposed supplemental indenture will be included in, in the case of a Re-Pricing, the notice of Re-Pricing delivered to each holder of the Re-Priced Class (with a copy to the Collateral Manager, the Collateral Administrator, the Trustee and each Rating Agency) described in the described in Section 9.8(b) and, in the case of a Refinancing, the notice of Optional Redemption given to each Hedge Counterparty, each Rating Agency and each holder of Notes to be redeemed under Section 9.4(b), and (ii) in the case of an amendment pursuant to Section 8.1(a)(xix), a copy of the proposed supplemental indenture shall be delivered three Business Days prior to the execution of such supplemental indenture. At the cost of the Issuer, the Trustee shall provide to each Rating Agency, each Hedge Counterparty and the Holders (in the manner described in Section 14.4) a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, will not in any way impair or affect the validity of any such supplemental indenture.

(d) No Act of Holders to approve the particular form of any proposed supplemental indenture is required, so long as such act or consent of any Holders to such proposed supplemental indenture approves the substance thereof.

(e) The Collateral Manager will not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of such amendment or supplement from the Issuer or the Trustee. The Issuer agrees that it will not permit to become effective any supplement or modification to this Indenture that would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Manager), or adversely change the economic consequences to, the Collateral Manager, (ii) modify the restrictions on the purchase of or Sales of Collateral Obligations, (iii) materially (as determined by the Collateral Manager in its sole discretion) expand or restrict the Collateral Manager's discretion or (iv) otherwise materially (as determined by the Collateral Manager in its sole discretion) adversely affect the Collateral Manager, and the Collateral Manager will not be bound thereby unless the Collateral Manager has consented in advance thereto in writing. No amendment to this Indenture (including, without limitation, any supplemental indenture to implement any Benchmark Conforming Changes) will be effective against the Collateral Administrator (including in its capacity as Calculation Agent) if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, reduce, eliminate or limit any right, privilege or protection of the Collateral Administrator, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(f) Notwithstanding any of the provisions described herein, the Issuer will not enter into any amendment to this Indenture that could reasonably be expected to have a material adverse effect on a Hedge Counterparty, unless such Hedge Counterparty otherwise consents in writing; provided, that the Trustee is entitled to conclusively rely upon an Officer's certificate of the Collateral Manager and an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or, solely if the Collateral Manager is Clover Credit Management, LLC or an Affiliate thereof, an Officer's certificate of the Collateral Manager (without the requirement for an Opinion of Counsel), as to whether or not such amendment could reasonably be expected to have a material adverse effect on a Hedge Counterparty.

(g) At the cost of the Issuer, the Trustee will provide to the holders of Notes, the Collateral Manager and the Rating Agencies a copy of any executed supplemental indenture after its execution. Any failure of the Trustee to supply such copy will not, however, in any way impair or affect the validity of any such supplemental indenture. In connection with any proposed supplemental indenture the consent to which is required from holders of any Class, it will not be necessary for any act of such holders to approve the particular form of any proposed supplemental indenture, but it will be sufficient if the act or consent approves its substance. In addition, for so long as any Notes are listed on the Cayman Islands Stock Exchange, the Issuer (or the Trustee on its behalf) will notify the Cayman Islands Stock Exchange of any material modification to this Indenture.

(h) For avoidance of doubt, to the extent the Issuer executes a supplemental indenture or other modification or amendment of this Indenture pursuant to Section 8.1 or Section 8.2 above and one or more other amendment provisions pursuant to this Article VIII also applies, such supplemental indenture or other modification or amendment of this Indenture will be deemed to be a supplemental indenture, modification or amendment pursuant to such clause regardless of the applicability of any other provision regarding supplemental indentures set forth in this Indenture.

(i) With respect to any supplemental indenture proposed pursuant to this Indenture that requires the consent of any Class of Notes, the consent of a Majority of the Subordinated Notes to such supplemental indenture will be required in addition to the consent of such Class or Classes of Notes prior to the execution of such supplemental indenture. Notwithstanding the foregoing, if a Majority of the Subordinated Notes has objected to any proposed supplemental indenture within 10 Business Days of the date of delivery of notice of such supplemental indenture by the Trustee because such party would be materially and adversely affected by the amendment(s) under such supplemental indenture, consent to such supplemental indenture shall be obtained from a Majority of the Subordinated Notes subsequent to such objection.

(j) Holders of Exchangeable Secured Notes shall vote in connection with any proposed supplemental indenture in accordance with Section 2.15(d).

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture will be modified in accordance therewith, and such supplemental indenture will form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder will be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement of Notes originally issued hereunder pursuant to Article II, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments on the Secured Notes in accordance with the Note Payment Sequence to the extent necessary to achieve compliance with such Coverage Tests.

Section 9.2 Optional Redemption. (a) The Secured Notes are redeemable by the Issuer in connection with an Optional Redemption on any Business Day occurring after the Non-Call Period at the written direction of a Majority of the Subordinated Notes, as follows: based upon such written direction, (i) the Secured Notes will be redeemed in whole (with respect to all Classes of Secured Notes) but not in part from Sale Proceeds, Refinancing Proceeds, Refinancing Interest Proceeds, amounts on deposit in the Contribution Account designated for such use and/or all other funds available for a redemption pursuant to the Priority of Payments; or (ii) the Secured Notes will be redeemed in part by Class from Refinancing Proceeds (together with the Refinancing Interest Proceeds available to pay the accrued interest portion of the Redemption Price and amounts on deposit in the Contribution Account designated for such use) and all other funds available for a redemption pursuant to the Priority of Payments, so long as any Class of Secured Notes to be redeemed represents not less than the entire Class of such Secured Notes. In connection with any Optional Redemption in whole or in part from Refinancing Proceeds, the Collateral Manager shall have the right (so long as the pricing date of any such Refinancing has not occurred), upon written notice to the Issuer, to delay the date of such redemption by up to 90 days from the date originally proposed by the Majority of the Subordinated Notes. In connection with any such redemption, each Class of Secured Notes will be redeemed at the applicable Redemption Price and all Secured Notes to be redeemed must be redeemed simultaneously. No redemption of all or a portion of the Secured Notes from Refinancing Proceeds will be permitted unless the Collateral Manager has consented in writing thereto.

(b) Upon receipt of a written direction of an Optional Redemption of every Class of Secured Notes, if such redemption will require the Issuer to sell any Collateral Obligations to fund the redemption, the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of Collateral Obligations and/or Eligible Investments such that the proceeds from such sale, the Refinancing Proceeds, Refinancing Interest Proceeds, amounts on deposit in the Contribution Account designated for such use and all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to pay (w) the Redemption Price of each Class of Secured Notes then Outstanding, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments, including the reasonable fees, costs, charges and expenses incurred by the Issuer, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale payable under the Priority of Payments, (y) any Hedge Payment Amounts; provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable and (z) the Management Fees, payable under the Priority of Payments (including the Specified Fee Deferral Amount, if any). The Collateral Manager, in its sole discretion, may effect the sale of Collateral Obligations through a direct sale, by participation or other arrangement. If sufficient funds will not be available to pay such Redemption Prices and fees and expenses (as described in clauses (w) to (z) above), the Secured Notes may not be redeemed on the proposed Redemption Date.

(c) The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Notes, at the written direction of the Collateral Manager (with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes.

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), each Class of Secured Notes may, on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period, be redeemed (x) in whole from Refinancing Proceeds, Refinancing Interest Proceeds, Sale Proceeds, amounts on deposit in the Contribution Account designated for such use and/or all other funds available for a redemption pursuant to the Priority of Payments or (y) in a Partial Refinancing from Refinancing Proceeds (together with the Refinancing Interest Proceeds available to pay the accrued interest portion of the Redemption Price and amounts on deposit in the Contribution Account designated for such use); provided, that (i) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager and a Majority of the Subordinated Notes and (ii) such Refinancing otherwise satisfies the conditions described below.

(e) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(d), such Refinancing will be effective only if (i) the Refinancing Proceeds, Refinancing Interest Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, amounts on deposit in the Contribution Account designated for such use and all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to redeem simultaneously the Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Prices and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including the reasonable fees, costs, charges and expenses incurred by the Issuer, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, any accrued and unpaid Base Management Fees and any Hedge Payment Amounts, (ii) the Sale Proceeds, Refinancing Proceeds, Refinancing Interest Proceeds, amounts on deposit in the Contribution Account designated for such use and all other funds available for a redemption pursuant to the Priority of Payments are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i) and (iv) the Collateral Manager has consented to such Refinancing.

(f) In the case of a Partial Refinancing pursuant to Section 9.2(d), such Partial Refinancing will be effective only if: (i) each Rating Agency has been notified of such Refinancing, (ii)(A) the Refinancing Proceeds (together with the Refinancing Interest Proceeds available to pay the accrued interest portion of the Redemption Price and amounts on deposit in the Contribution Account designated for such use) and, if redeemed on such date, all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to such Partial Refinancing and (B) the funds available for a redemption pursuant to the Priority of Payments and/or Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Partial Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i), (iv) unless the S&P Rating Condition and the Fitch Rating Condition are satisfied, the aggregate principal amount of any obligations providing the Refinancing is equal to the Aggregate Outstanding Amount of the Secured Notes being redeemed with the proceeds of such obligations provided that, the aggregate principal amount of any obligations providing the

Refinancing that are senior in priority to any Junior Class not subject to such Refinancing may not be greater than the corresponding Aggregate Outstanding Amount of the Secured Notes senior in priority to such Junior Class that are being redeemed with the proceeds of such obligations, (v) unless the S&P Rating Condition and the Fitch Rating Condition are satisfied, the stated maturity of each class of obligations providing the Refinancing is the same as or later than the corresponding Stated Maturity of each Class of Secured Notes being refinanced, (vi) the reasonable fees, costs, charges and expenses incurred in connection with such Partial Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds or paid from Interest Proceeds pursuant to Section 11.1(a)(i)(S) on such date (or if such Redemption Date is not a Payment Date, the following Payment Date), unless such expenses have been paid or will be adequately provided for by an entity other than the Issuer, (vii) the interest rate spread over the Benchmark or the fixed rate of interest, as applicable, payable in respect of the obligations providing such Partial Refinancing is less than or equal to the interest rate spread over the Benchmark or the fixed rate of interest, as applicable, payable on the corresponding proposed Class of Secured Notes to be redeemed (provided that, in the case of any Fixed Rate Notes being refinanced with replacement securities that are Floating Rate Notes (or vice versa), such comparison will be between (i) the spread over the Benchmark in the case of such Floating Rate Notes and (ii) the spread over the applicable swap rate at such point in time in the case of such Fixed Rate Notes); provided that the interest rate spread over the Benchmark or the fixed rate of interest, as applicable, for any class or classes of obligations providing such Partial Refinancing may be greater than any corresponding Class or Classes of Secured Notes subject to such Partial Refinancing if (a) the Refinancing WAS Condition is satisfied or (b) the S&P Rating Condition is satisfied with respect to any Class of Secured Notes rated by S&P that, in each case, is not subject to such Partial Refinancing and notice is provided to Fitch, (viii) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced, (ix) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Notes being refinanced (except that, at the Collateral Manager's election, a non-call period may be established for the notes issued in connection with such Partial Refinancing and/or a future Refinancing or Re-Pricing of such Class may be prohibited) and (x) the Collateral Manager and a Majority of the Subordinated Notes have consented to such Partial Refinancing.

(g) A Majority of the Subordinated Notes may elect to include, in a notice of a Refinancing pursuant to which all (but not less than all) of the Classes of Secured Notes are subject to the Refinancing, a direction to the Collateral Manager to designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date. If the Collateral Manager consents to such direction, the Collateral Manager shall make such designation by notice to the Trustee and Collateral Administrator (with copies to each Rating Agency) on or before the related Determination Date, in which case such amounts will be designated as Interest Proceeds on or before the Business Day immediately preceding the related Redemption Date.

(h) The Holders of the Subordinated Notes will not have any cause of action against any of the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager to the Trustee, the Issuer and the Trustee shall amend

this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments will be required from the Holders of Notes other than Holders of the Subordinated Notes directing the redemption. The Trustee is not obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee is entitled to conclusively rely upon an Officer's certificate and/or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel has no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds or the sufficiency of the Accountants' Report required pursuant to Section 7.18).

(i) Notwithstanding anything to the contrary in Article VIII or Article IX, with respect to any supplemental indenture which, by its terms, (x) provides for a Refinancing of all, but not less than all, Classes of the Secured Notes in whole, but not in part, and (y) is consented to by a Majority of the Subordinated Notes, notwithstanding anything to the contrary contained or implied elsewhere in this Indenture, the Collateral Manager (with its prior written consent) may, without regard to any other consent requirement specified above or elsewhere in this Indenture, cause such supplemental indenture to also (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for obligations providing the Refinancing or prohibit a future Refinancing of such obligations, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of the obligations providing the Refinancing or other financial arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity of the Secured Notes, (e) effect an extension of the Stated Maturity of the Exchangeable Secured Notes, the Subordinated Notes and the Income Notes, (f) change the reference rate used to calculate the Interest Rate on the Floating Rate Notes, (g) make any changes necessary to conform to Rating Agency methodology (including to incorporate the methodology of any rating agency that had not previously rated any Class of Secured Notes) and/or (h) make any other supplements or amendments to this Indenture that would otherwise be subject to the consent rights set forth above (a "Reset Amendment"), other than a Specified Reset Amendment.

(j) [Reserved].

(k) In the event of any Optional Redemption, the Issuer will, at least 30 days (or, with respect to any Optional Redemption undertaken with Refinancing Proceeds, 10 Business Days) (or such shorter period as the Trustee, the Collateral Manager and a Majority of the Subordinated Notes may agree) prior to the Redemption Date, notify the Trustee in writing of such Optional Redemption, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Prices.

Section 9.3 Tax Redemption. (a) The Secured Notes will be redeemed in whole but not in part (any such redemption, a "Tax Redemption") at the written direction (delivered to the Issuer, the Trustee and the Collateral Manager) of a Majority of the Subordinated Notes on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) following the occurrence and continuation of a Tax Event with respect to payments under one or more Collateral Obligations or Hedge Agreements forming part of the Assets that results or will result in the

nonpayment of 5.0% or more of Scheduled Distributions for any Collection Period. In connection with any such redemption, each Class of Secured Notes will be redeemed at the applicable Redemption Price and all Secured Notes to be redeemed must be redeemed simultaneously.

(b) [Reserved].

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Collateral Manager, the Holders, each Hedge Counterparty and each Rating Agency thereof.

If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes, each Hedge Counterparty and each Rating Agency thereof.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2, the written direction of a Majority of the Subordinated Notes shall be provided to the Issuer, the Trustee and the Collateral Manager not later than 30 days (or with respect to any Optional Redemption undertaken with Refinancing Proceeds, 10 Business Days) (or such shorter period as may be agreed to by the Trustee and Collateral Manager) prior to the Redemption Date on which such redemption is to be made (which date will be designated in such direction). In the event of any Tax Redemption pursuant to Section 9.3, the written direction of a Majority of the Subordinated Notes shall be provided to the Issuer, the Trustee and the Collateral Manager not later than 30 days prior to the Business Day on which such redemption is to be made (which date will be designated in such direction). In the event of any redemption pursuant to Section 9.2 or Section 9.3, a notice of redemption shall be given not later than seven Business Days prior to the applicable Redemption Date, to each Holder of Notes to be redeemed at such Holder's address in the Register, each Hedge Counterparty and each Rating Agency. Notes called for redemption must be surrendered at the office of any Paying Agent.

(b) All notices of redemption delivered pursuant to Section 9.4(a) will state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes to be redeemed;

(iii) which Classes of Secured Notes are being redeemed and that all of the Secured Notes to be redeemed are to be redeemed in full and that interest on such Secured Notes will cease to accrue on the Business Day specified in the notice;

(iv) the place or places where Secured Notes are to be surrendered for payment of the Redemption Prices, which will be the office or agency of the Issuer to be maintained as provided in Section 7.2;

(v) if all Classes of Secured Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the

Redemption Prices, which will be the office or agency of the Issuer to be maintained as provided in Section 7.2; and

(vi) that the redemption may be withdrawn by the Issuer on any day up to the Business Day immediately preceding the scheduled Redemption Date.

The Issuer (at the direction of the Collateral Manager) will have the option to withdraw or postpone any such notice of redemption delivered pursuant to Section 9.2 or Section 9.3 on any day up to the Business Day immediately preceding the scheduled Redemption Date, and the Trustee will deliver notice of any such withdrawal to the Holders. If such notice is of a postponement rather than a withdrawal, such notice shall include the applicable revised Redemption Date. The Issuer shall not permit any Hedge Agreements to be terminated by the Collateral Manager on its behalf in connection with an Optional Redemption until such period for withdrawal has expired. If the Issuer so withdraws any notice of an Optional Redemption or are otherwise unable to complete an Optional Redemption of the Notes, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may during the Reinvestment Period, at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria described herein. The Issuer shall provide notice to each Rating Agency of any such withdrawal.

Notice of redemption pursuant to Section 9.2 or Section 9.3 will be given by the Issuer, or upon an Issuer Order, by the Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption does not impair or affect the validity of the redemption of any other Notes.

The reasonable fees, costs, charges and expenses incurred in connection with the failure of any such redemption will be paid by the Issuer as Administrative Expenses payable in accordance with the Priority of Payments.

(c) If Sale Proceeds are being used in whole or in part to redeem the Secured Notes, in the event of any redemption pursuant to Section 9.2 or Section 9.3, no Secured Notes may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Collateral Manager has furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with (a) a financial or other institution or institutions or (b) a special purpose vehicle that satisfies all then-current bankruptcy-remoteness criteria of each Rating Agency to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with any available Refinancing Proceeds and the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, to pay (w) the Redemption Prices of the Outstanding Secured Notes, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including reasonable fees, costs, charges and expenses incurred by the Issuer, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale, payable under the Priority of Payments, (y) any Hedge Payment Amounts; (provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable) and (z) the Management Fees,

payable under the Priority of Payments (including, for the avoidance of doubt, the Specified Fee Deferral Amount, if any), or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager has certified in writing to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale or payment of Eligible Investments, (B) the Refinancing Proceeds, if any, to be applied on the Redemption Date and (C) the aggregate Market Value of the Collateral Obligations will exceed the sum of (w) the Redemption Price of each Class of Secured Notes to be redeemed, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including reasonable fees, costs, charges and expenses incurred by the Issuer, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale, payable under the Priority of Payments, (y) any Hedge Payment Amounts (provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable) and (z) the Management Fees, payable under the Priority of Payments. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(c) will include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) or payment of any Collateral Obligations and/or Eligible Investments, (2) the expected Refinancing Proceeds to be available for application on the Redemption Date and (3) all calculations required by this Section 9.4(c). Any Holder of Notes, the Collateral Manager or any of the Collateral Manager's Affiliates each have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a Tax Redemption.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, each Class of Notes to be redeemed or prepaid will, on the Redemption Date with respect to such Class, subject to Section 9.4(c) and the Issuer's right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Prices and accrued interest) all such Notes that are Secured Notes will cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed or repaid, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, that in the absence of notice to the Issuer or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment will be made without presentation or surrender, if the Trustee and the Issuer have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on each Class of Secured Notes and payments in respect of Subordinated Notes to be redeemed that are payable on or prior to the Redemption Date are payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Note called for redemption has not been paid upon surrender thereof for redemption, the principal thereof will, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided, that the reason for such non-payment is not the fault of such Holder.

Section 9.6 Special Redemption. Principal payments on the Secured Notes will be made in whole or in part by the Issuer in accordance with the Priority of Payments on any

Payment Date (i) during the Reinvestment Period, if the Collateral Manager notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager and that would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are available to be invested in additional Collateral Obligations or (ii) after the Effective Date, if the Collateral Manager notifies the Trustee at least two Business Days prior to the applicable Special Redemption Date that a redemption is required in order to satisfy the Effective Date Rating Condition pursuant to Section 7.18(f) (in each case, a "Special Redemption"). Any such notice in the case of clause (i) above will be based upon the Collateral Manager having attempted, in accordance with the standard of care set forth in the Collateral Management Agreement, to identify additional Collateral Obligations as described above. On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount (the "Special Redemption Amount") in the Collection Account representing (1) in the case of a Special Redemption described in clause (i) above, Principal Proceeds that the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations or (2) all Interest Proceeds and all other Principal Proceeds required to redeem the Secured Notes to receive the confirmation described in clause (ii) above available in accordance with the Priority of Payments, will in each case be applied in accordance with the Priority of Payments. In the case of clause (2), such amounts will be used for application in accordance with the Note Payment Sequence in an amount sufficient to satisfy the Effective Date Rating Condition, in each case, pursuant to Section 7.18(f). Notice of payments pursuant to this Section 9.6 shall be given by the Trustee (at the direction of the Issuer) not less than (x) in the case of a Special Redemption described in clause (i) above, three Business Days prior to the applicable Special Redemption Date and (y) in the case of a Special Redemption described in clause (ii) above, one Business Day prior to the applicable Special Redemption Date, to each Holder of each Class of Secured Notes affected thereby at such Holder's address in the Register and to each Rating Agency.

Section 9.7 Clean-Up Call Redemption. (a) The Collateral Manager may direct in writing (which direction will be given so as to be received by the Issuer, the Trustee (who shall forward such direction to the Holders of the Subordinated Notes) and each Rating Agency not later than 30 days prior to the proposed Redemption Date (or such shorter period as may be agreed to by the Collateral Manager and the Trustee)) that each Class of Secured Notes be redeemed by the Issuer, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Price therefor, on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period on which the Collateral Principal Amount is less than 15% of the Target Initial Par Amount; provided, that the Issuer will not effect a Clean-Up Call Redemption if a Majority of the Subordinated Notes has objected in writing to such redemption within 10 Business Days of receipt of notice of such redemption.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than the Eligible Investments referred to in clause (c) of this paragraph) by the Collateral Manager or any other Person or Persons from the Issuer, on or prior to the third Business Day immediately preceding the related Redemption Date, for a purchase price (the "Clean-Up Call Purchase Price") in Cash not less than the greater of (1) an amount equal to (a) the Redemption Price of each Class of Secured Notes, *plus* (b) the aggregate of all other amounts owing by the

Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes (including all outstanding Administrative Expenses and the Specified Fee Deferral Amount, if any), *minus* (c) the balance of the Eligible Investments in the Collection Account and (2) the prices for such Assets determined by the Collateral Manager in a commercially reasonable manner, and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum to be received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Purchase Price. The Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Collateral Manager.

(c) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to two Business Days prior to the related scheduled Redemption Date by written notice to the Trustee, each Rating Agency and the Collateral Manager only if amounts equal to the Clean-Up Call Purchase Price are not received in full in immediately available funds by the third Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed at such Holder's address in the Register not later than the second Business Day prior to the related scheduled Redemption Date.

(d) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Purchase Price will be distributed pursuant to the Priority of Payments.

Section 9.8 Re-Pricing of Notes. (a) On any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager), the Issuer may, with respect to any Re-Pricing Eligible Notes, (x) in the case of Floating Rate Notes, reduce the spread over the Benchmark or (y) in the case of any Fixed Rate Notes, reduce the fixed rate of interest (such reduction, a "Re-Pricing" and any Class of Re-Pricing Eligible Notes to be subject to a Re-Pricing, a "Re-Priced Class"); provided, that the Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.8 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Secured Notes other than the Interest Rate applicable to the applicable Re-Priced Class may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary may assist the Issuer in effecting the Re-Pricing.

(b) At least 20 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee, the Collateral Administrator, each Rating Agency and the Cayman Islands Stock Exchange (so long as any Notes are listed thereon and so long as the guidelines of such exchange so require)) to each Holder of the proposed Re-Priced Class, which notice will (i) specify the proposed Re-Pricing Date and the revised spread (or a range of spreads)

over the Benchmark or the fixed rate of interest (or range of fixed rates of interest), as applicable, to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class to consent to the proposed Re-Pricing or to specify the lowest spread or fixed rate of interest, as applicable, at which the Holder will consent to the Re-Pricing and (iii) specify the price (or the formula for calculating the price) at which Notes of any Holder of the Re-Priced Class that does not consent to the Re-Pricing may be sold and transferred or redeemed pursuant to clause (c) below, which, for purposes of such Re-Pricing, will be an amount equal to 100% of the Aggregate Outstanding Amount of such Notes, *plus* accrued and unpaid interest thereon (including Secured Note Deferred Interest and any accrued and unpaid interest thereon and any interest on any defaulted interest and, in the case of any Re-Priced Class that is not a Deferrable Class, any interest on any defaulted interest) until the Re-Pricing Date, if any, with respect to such Class (the "Re-Pricing Sale Price"); *provided*, that the Collateral Manager may, in its sole discretion, upon written notification to the Issuer, the Trustee and a Majority of the Subordinated Notes delivered not later than seven days after receipt of the relevant written direction, extend the date of such Re-Pricing to a Business Day up to 30 days after the Re-Pricing Date designated in such written direction.

(c) In the event any Holder of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date that is 10 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and shall request each such consenting Holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class in an amount held by the non-consenting Holders (each such notice delivered by a consenting Holder, an "Exercise Notice") within five Business Days of the date of such notice. In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, on the Re-Pricing Date either (1) cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices or (2) issue additional Notes with identical terms to the Notes of the Re-Priced Class (except that (A) the Interest Rate will be equal to (x) in the case of any Floating Rate Notes, the Benchmark *plus* the applicable Re-Pricing Rate and (y) in the case of any Fixed Rate Notes, the applicable Re-Pricing Rate, as applicable, (B) the CUSIP number will be different and (C) the Non-Call Period may be extended) in an aggregate principal amount not to exceed the aggregate principal amount of Notes held by non-consenting holders (such additional Notes the "Re-Pricing Replacement Notes") to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices, subject to the applicable procedures of DTC, and redeem the Notes of the non-consenting Holders with amounts received from such Holders delivering Exercise Notices. In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall on the

Re-Pricing Date either (1) cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting Holders will be sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer, or (2) issue Re-Pricing Replacement Notes to the Holders delivering Exercise Notices with respect thereto and to one or more purchasers designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer and redeem the Notes of the non-consenting Holders from amounts received from such Holders delivering Exercise Notices and such purchasers. All sales or redemptions of Notes to be effected pursuant to this paragraph (c) will be made at the Re-Pricing Sale Price with respect to such Notes, and will be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in the Notes, agrees to the sale and transfer of its Re-Pricing Eligible Notes or the redemption of its Re-Pricing Eligible Notes, in each case, in accordance with this Section 9.8 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such sales and transfers or redemptions. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders.

(d) In the event the Issuer redeems the Notes of the Re-Priced Class pursuant to paragraph (c) above, it may issue on the Re-Pricing Date additional Notes to the consenting Holders, the Holders delivering Exercise Notices and/or other purchasers, as applicable, in an amount equal to the Aggregate Outstanding Amount of the Notes such Holder has consented to re-price and/or purchase. Any additional Notes issued in connection with a Re-Pricing has terms identical to the Notes of the Re-Priced Class (except that the Interest Rate will be equal to (x) in the case of any Floating Rate Notes, the Benchmark *plus* the applicable Re-Pricing Rate and (y) in the case of any Fixed Rate Notes, the applicable Re-Pricing Rate, and in each case, the CUSIP number will be different) and will be issued in an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount of the Re-Priced Class, but will be issued under a different CUSIP number than the Notes of such Re-Priced Class. The proceeds from such additional issuance will be used to redeem the non-consenting Holders of the Re-Priced Class.

(e) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Issuer and the Trustee, with the prior written consent of a Majority of the Subordinated Notes, have entered into a supplemental indenture dated as of the Re-Pricing Date to (1) reduce the spread over the Benchmark or the fixed rate of interest, as applicable, of the Re-Priced Class (and to make changes necessary to give effect to such reduction, including, if applicable, the issuance of additional Notes under a different CUSIP number) and (2) reflect any necessary changes to be made pursuant to Section 9.8(h);

(ii) confirmation has been received that all Notes of the Re-Priced Class held by non-consenting Holders have been sold (or will be sold concurrently with such Re-Pricing) and transferred or redeemed pursuant to paragraph (c) above;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(i)(S) on such Re-Pricing Date (or the subsequent Payment Date if such Re-Pricing Date is not a Payment Date) prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or have been adequately provided for by an entity other than the Issuer with amounts on deposit in the Contribution Account designated for such use and/or will be paid pursuant to Section 11.1(a)(iv). Notwithstanding the foregoing, the fees of the Re-Pricing Intermediary payable by the Issuer will not exceed an amount consented to by a Majority of the Subordinated Notes in writing;

(v) the Issuer has provided to the Trustee an officer's certificate from the Collateral Manager to the effect that all conditions precedent to the Re-Pricing have been satisfied; and

(vi) the Collateral Manager has consented to such Re-Pricing.

(f) Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, the Collateral Manager (if applicable) and the Holders of the Subordinated Notes (if applicable) for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of the Notes and each Rating Agency.

(g) The Trustee is entitled to receive, and is fully protected in relying upon an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.8.

(h) In connection with a Re-Pricing, (x) the Non-Call Period for the Re-Priced Class may be extended at the direction of the Collateral Manager prior to such Re-Pricing and/or and/or (y) the definition of "Redemption Price" may be revised, with the written consent of the Collateral Manager, to reflect any agreed upon make-whole payments for the applicable Re-Priced Class may, without regard for any consent requirements specified in Article VIII, be adjusted to account for changes in the interest rates of any Class of Secured Notes.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and will receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall

segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account will be established and maintained by the Custodian and all Assets and Cash credited thereto shall be deposited and held with an Eligible Institution. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and if the Custodian in the same entity as the Trustee, shall cause the Custodian to comply, with all law applicable to it as a national banking association holding segregated trust assets in a fiduciary capacity.

Section 10.2 Collection Account. (a) The Trustee established at the Custodian two segregated trust accounts, each held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, one of which shall be designated the "Interest Collection Account" and the other of which shall be designated the "Principal Collection Account," each of which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.5(a), immediately upon receipt thereof or upon transfer from (i) the Interest Reserve Account or (ii) the Expense Reserve Account and all Interest Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII) received by the Trustee.

The Trustee shall from time to time deposit into the Interest Collection Account, in addition to the deposits required pursuant to Section 10.7(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or the Principal Collection Account (in the case of Designated Principal Proceeds) and the Ramp-Up Account (in the case of Designated Unused Proceeds), all Designated Principal Proceeds and/or Designated Unused Proceeds, all Interest Proceeds from Collateral Obligations, and Eligible Investments and Hedge Receipt Amounts (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account, Revolver Funding Account or any Hedge Counterparty Collateral Account all other amounts remitted to the Collection Account into the Principal Collection Account, including in addition to the deposits required pursuant to Section 10.7(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture, (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments pursuant to Section 10.7) and (iii) any amounts designated in the Closing Date Certificate. The Issuer may, but under no circumstances is required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Amounts on deposit in the Collection Account will be invested at the direction of the Collateral Manager in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.7 and earnings from all such investments will be deposited in the Interest Collection Account as Interest Proceeds.

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; provided, that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall withdraw funds on deposit in the Principal Collection Account representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and invest such funds in additional Collateral Obligations in accordance with the requirements of Article XII and such Issuer Order. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Account and deposit such funds in the Revolver Funding Account to meet funding requirements with respect to Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) any amount required to exercise a warrant held in the Assets or right to acquire securities held in the Assets to the extent permitted under Section 12.2(e) or any other right to acquire Received Obligations in accordance with the requirements of this Indenture, including but not limited to Section 12.2(e), and such Issuer Order and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of "Administrative Expenses"); provided, that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period will not exceed the Administrative Expense Cap for the related Payment Date. The Collateral Manager on behalf of any Issuer may direct the Trustee to deposit from the Principal Collection Account into the Revolver Funding Account amounts that are required to meet funding requirements with respect to Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations.

(e) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date and Redemption Date (other than in connection with a Refinancing), the amount set forth to be so transferred in the Distribution Report for such Payment Date or Redemption Date (as the case may be).

(f) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer from amounts on deposit in the Interest Collection Account to the Principal Collection Account, amounts necessary to satisfy the Effective Date Rating Condition.

(g) An aggregate amount of Principal Proceeds received by the Issuer up to an amount equal to (x) 0.40% of the Target Initial Par Amount *minus* (y) the aggregate amount of any previously designated Designated Unused Proceeds from time to time ("Designated Principal Proceeds") may be designated by the Collateral Manager (with notice to the Trustee and the Collateral Administrator) as Interest Proceeds up to the Designated Unused Proceeds Cap from time to time after the Closing Date and on or prior to the second Payment Date after the Closing Date so long as the Target Initial Par Condition, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Tests are each satisfied as of the date of each such designation on a *pro forma* basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 0.40% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Trustee shall transfer such Designated Principal Proceeds from the Principal Collection Account to the Interest Collection Account.

Section 10.3 Transaction Accounts.

(a) Payment Account. The Trustee established at the Custodian a segregated trust account which shall be held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, which shall be designated as the Payment Account, which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Notes in accordance with their terms and the provisions of this Indenture and to pay Administrative Expenses and other amounts specified herein, each in accordance with the Priority of Payments. The Issuer shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. Funds in the Payment Account shall not be invested.

(b) Custodial Account. The Trustee established at the Custodian a single, segregated trust account which shall be held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, which shall be designated as the "Custodial Account" and which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. All Collateral Obligations, Restructured Assets, equity interests in Issuer Subsidiaries and Equity Securities received by the Trustee shall be credited to the Custodial Account. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Issuer shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments.

(c) Ramp-Up Account. The Trustee established at the Custodian a single, segregated trust account held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, which shall be designated as the Ramp-Up Account and which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control

Agreement. In connection with any purchase of an additional Collateral Obligation, the Trustee will apply amounts held in the Ramp-Up Account as provided by Section 7.18(c). On the first Business Day after a Trust Officer of the Trustee has received written notice from the Collateral Manager that the Effective Date Rating Condition has been satisfied or upon the occurrence of an Event of Default, the Trustee will deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that will be used to settle binding commitments entered into prior to such date) ("Unused Proceeds") into the Principal Collection Account as Principal Proceeds; provided, that an amount of Unused Proceeds up to an amount equal to (x) 0.40% of the Target Initial Par Amount *minus* (y) the aggregate amount of any previously designated Designated Principal Proceeds ("Designated Unused Proceeds") may be designated by the Collateral Manager (with notice to the Trustee and the Collateral Administrator) as Interest Proceeds up to the Designated Unused Proceeds Cap from time to time on or prior to the second Payment Date so long as the Target Initial Par Condition, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Tests are each satisfied as of the date of each such designation on a *pro forma* basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 0.40% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Trustee shall transfer such Designated Unused Proceeds from the Ramp-Up Account to the Interest Collection Account. Any income earned on amounts deposited in the Ramp-Up Account will be deposited in the Interest Collection Account as Interest Proceeds.

(d) Expense Reserve Account. The Trustee established at the Custodian a segregated trust account which shall be held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, which shall be designated as the Expense Reserve Account, and which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Trustee to deposit to the Expense Reserve Account (i) the amount specified in Section 3.1(a)(vii) and (ii) in connection with any additional issuance of notes, the amount specified in Section 3.2(a)(x). On any Business Day from the Closing Date to and including the Determination Date relating to the first Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Issuer incurred in connection with the establishment of the Issuer, the structuring and consummation of the Offering and the issuance of the Notes and any additional issuance. By the Determination Date relating to the first Payment Date following the Closing Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection Account as Interest Proceeds. On any Business Day after the Determination Date relating to the first Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Issuer incurred in connection with any additional issuance of notes or as a deposit to the Collection Account as Principal Proceeds. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Account as Interest Proceeds as it is paid.

(e) Contribution Account. The Trustee established at the Custodian a segregated trust account which is held in the name of the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, and is designated as the Contribution Account, and which is maintained by the Issuer with the Custodian in accordance with the Account Agreement. In addition, the proceeds of an additional issuance of Subordinated Notes and/or Junior Mezzanine

Notes and any amounts in respect of any Redirected Fee may be deposited in the Contribution Account for application to a Permitted Use. At any time, any Holder of Subordinated Notes (other than a Benefit Plan Investor) (each such Holder, a "Contributor") may, upon written notice substantially in the form of Exhibit G (each such notice, a "Contribution Notice") to the Trustee and the Collateral Manager and with the consent of a Majority of the Subordinated Notes, (i) make a contribution of Cash to the Issuer or (ii) solely in the case of Holders of Subordinated Notes in the form of Certificated Subordinated Notes, designate any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Subordinated Notes in accordance with the Priority of Payments, to the Issuer (each, a "Contribution"); provided that (except for Contributions designated to a Permitted Use set forth in clauses (iv) or (v) of the definition thereof) each Contribution shall be in an amount at least equal to $500,000 (counting all Contributions made on the same day as a single Contribution for this purpose); provided, further, that no more than three Contributions (except for Contributions designated to a Permitted Use set forth in clauses (iv) or (v) of the definition thereof) (counting all Contributions made on the same day as a single Contribution for this purpose) may occur without the consent of a Majority of the Controlling Class. The Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall promptly notify the Trustee in writing of such acceptance or rejection, as the case may be. Unless otherwise indicated in a Contribution Notice, Contributions shall be repaid to the Contributor beginning on the next succeeding Payment Date (and shall continue to be paid on each subsequent Payment Date, to the extent funds are available pursuant to the Priority of Payments, until such amounts have been paid in full) in accordance with the Priority of Payments, together with a specified rate of return thereon agreed to between such Contributor and a Majority of the Subordinated Notes (as set forth in the related Contribution Notice), which rate of return will not exceed the greater of (x) 20% and (y) 100% minus the price of the Leveraged Loan Index as of the date of such Contribution (such amount, together with such rate of return, the "Contribution Repayment Amount"). Contributions will be repaid to the applicable Contributor in accordance with the Priority of Payments on any Payment Date that funds are available therefor, in each case until such amount is paid in full. Each accepted Contribution will be deposited into the Contribution Account. If a Contribution is accepted, the Collateral Manager on behalf of the Issuer may apply such Contribution to a Permitted Use at any time as directed by the Contributor at the time such Contribution is made or, if no direction is given by the Contributor, at the election of the Collateral Manager in its sole discretion. After a Contribution has been designated to a Permitted Use by the Contributor or the Collateral Manager, as applicable, it may not be re-designated to a different Permitted Use. Any income earned on amounts deposited in the Contribution Account will be deposited in the Interest Collection Account as Interest Proceeds. For the avoidance of doubt, any amounts deposited into the Contribution Account pursuant to clause (ii) above will be deemed for all purposes as having been paid to the Contributor pursuant to the Priority of Payments. The Issuer shall notify each Rating Agency upon receipt of any Contribution.

Contribution Repayment Amounts are payable to the applicable Contributor; provided that Contribution Repayment Amounts (i) will not be transferred to a Benefit Plan Investor and (ii) will not, without written notice from the Contributor to the Trustee, be transferred to any subsequent Holder of such Contributor's Subordinated Notes. From and after the date of such transfer and with such written notice from the Contributor to the Trustee, the transferee will be deemed to be a Contributor with respect to the applicable portion of the related Contribution. Each transferor of Subordinated Notes (or a beneficial interest therein) that is a Contributor and is owed a

Contribution Repayment Amount will be required to execute and deliver to the Issuer and the Trustee a certificate substantially in the form attached as Exhibit I. Notwithstanding the foregoing, the Trustee will be entitled to assume, and be fully protected in assuming, that no such transfer of an interest in a Contribution Repayment Amount (including the related Contribution) has occurred until such certificate is received by the Trustee.

Within three Business Days (provided, that any Contribution Notice received after 2:00 p.m. New York City time on any Business Day will be deemed to have been received on the following Business Day) of receipt of a Contribution Notice, the Trustee (via its website) shall provide notice of such Contribution Notice to the remaining holders of the Subordinated Notes substantially in the form of Exhibit J, and such notice will extend to the other holders of Subordinated Notes (other than Benefit Plan Investors) the opportunity to participate in the related Contribution in proportion to their then-current ownership of Subordinated Notes. Any existing holder of Subordinated Notes that has not, within seven Business Days after delivery of such Contribution Notice from the Trustee, elected to participate in such Contribution by delivery of a written notice in respect thereof, substantially in the form of Exhibit H (each such notice, a "Contribution Participation Notice") to the Issuer (with a copy to the Collateral Manager, the Collateral Administrator and the Trustee) will be deemed to have irrevocably declined to participate in such Contribution. The Collateral Manager, on behalf of the Issuer, shall not accept any Contribution until after the expiration of such seven-Business Day period. For the avoidance of doubt, all funds on deposit in the Contribution Account shall be invested in Eligible Investments.

Notwithstanding anything to the contrary contained herein (and subject to compliance with the criteria set forth in subclause (a) above), at any time during or after the Reinvestment Period, the Collateral Manager (on behalf of the Issuer) may apply the proceeds from the issuance of excess additional Subordinated Notes or Junior Mezzanine Notes to one or more Permitted Uses.

(f) Interest Reserve Account. The Trustee established at the Custodian a segregated trust account which shall be held in the Issuer, subject to the lien of the Trustee for the benefit of the Secured Parties, which shall be designated as the Interest Reserve Account, and which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. On the Closing Date, at the direction of the Collateral Manager on behalf of the Issuer, the Trustee will transfer proceeds from the offering of the Notes in an amount equal to the Interest Reserve Amount. On or before the Determination Date relating to the first Payment Date, at the direction of the Collateral Manager, the Issuer may direct that any portion then remaining of the Interest Reserve Amount be transferred to the Collection Account and included as Interest Proceeds or Principal Proceeds for the related Collection Period. On the first Payment Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager) in accordance with the Priority of Payments, and the Trustee will close the Interest Reserve Account. Amounts credited to the Interest Reserve Account will be reinvested pursuant to Section 10.7(a).

Section 10.4 The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in an amount equal to the undrawn portion of such obligation will be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Account and deposited in a single, segregated account

held in the name of the Issuer subject to the lien of the Trustee, for the benefit of the Secured Parties (the "Revolver Funding Account"); provided, that, if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "Selling Institution Collateral"), the Issuer shall deposit the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account, subject to the following sentence. Any such deposit of Selling Institution Collateral must satisfy the following requirement: either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests will not have an aggregate principal balance in excess of 5.0% of the Collateral Principal Amount and will not remain on deposit with such Selling Institution or custodian for more than 30 calendar days after such Selling Institution first fails to satisfy the rating requirements set out in the Third Party Credit Exposure Limits (and the terms of each such deposit will permit the Issuer to withdraw the Selling Institution Collateral if such Selling Institution fails at any time to satisfy the rating requirements set out in the Third Party Credit Exposure Limits); or (2) such Selling Institution Collateral shall be deposited with an Eligible Institution provided, that if such institution is downgraded such that it no longer constitutes an Eligible Institution, the Issuer will be required to use commercially reasonable efforts to replace such institution with a replacement Eligible Institution within 30 calendar days of the ratings downgrade.

Funds will be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation after the Closing Date and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager, such that the amount of funds on deposit in the Revolver Funding Account will be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets.

Upon initial purchase of any other Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested at the direction of the Collateral Manager in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.7 and earnings from all such investments will be deposited in the Interest Collection Account as Interest Proceeds.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available (at the direction of the Collateral Manager) solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided, that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under

The Issuer is further required to report to the Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Trustee, has no liability to the Issuer or any other person in connection with any tax withholding amounts paid, or retained for payment, to a governmental authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds will be invested with respect to such Accounts absent the Trustee having first received (x) instructions with respect to the investment of such funds, and (y) the forms and other documentation required by this paragraph.

(T) to the payment, on a *pro rata* basis, of any accrued and unpaid termination payments where the Hedge Counterparty is the defaulting party or sole affected party under the related Hedge Agreement;

applicable) or amounts on deposit in the Contribution Account designated for such use will be applied in the following order of priority:

(A) to the extent such proceeds will be used to pay for expenses incurred in connection with such Refinancing or Re-Pricing (as determined by the Collateral Manager), to pay any such expenses;

(B) to pay the Redemption Price or Re-Pricing Sale Price (as applicable) of the applicable Secured Notes being refinanced or re-priced in accordance with the Note Payment Sequence; and

(C) any remaining proceeds from the Refinancing or Re-Pricing to be (x) deposited in the Contribution Account and designated to any Permitted Use, as agreed upon by the Collateral Manager and a Majority of the Subordinated Notes or (y) with respect to a Refinancing in whole of the Secured Notes, designated as Interest Proceeds in accordance with clause (xi) of the definition of "Interest Proceeds".

(b) If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, subject to Section 13.1, to the extent funds are available therefor.

(c) In connection with the application of funds to pay Administrative Expenses of the Issuer, as the case may be, in accordance with Section 11.1(a)(i), Section 11.1(a)(ii) and Section 11.1(a)(iii), the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date.

(d) The Collateral Manager may, in its sole discretion, with written notice delivered to the Issuer, the Trustee and the Collateral Administrator at least two Business Days prior to a Payment Date, elect to redirect (the "Redirected Fee"), defer or waive payment of or distribution in respect of any or all of the Base Management Fee, the Subordinated Management Fee and/or the Incentive Management Fee payable or distributable in accordance with the Priority of Payments on any Payment Date. The Issuer shall promptly forward any such notice relating to a Redirected Fee (but not a waived or deferred fee) to each Rating Agency. An amount equal to the Redirected Fee for any Payment Date will be, at the sole discretion of the Collateral Manager (with notice to the Collateral Administrator) either (x) applied to a Permitted Use or (y) distributed to one or more holders of Subordinated Notes as additional return on their investment at the same priority as the applicable waived fee and subject to the availability of funds therefor at such priority level in accordance with the Priority of Payments. For the avoidance of doubt, any voluntary deferral or waiver (but not a Redirected Fee) by the Collateral Manager of the receipt of the Base Management Fee, the Subordinated Management Fee or the Incentive Management Fee shall not be considered a Redirected Fee. Accrued and unpaid Base Management Fees and Subordinated Management Fees that are deferred by operation of the Priority of Payments will bear interest at

the Benchmark (calculated in the same manner as the Benchmark in respect of the Secured Notes) *plus* 0.35% *per annum*.

(e) The Collateral Manager may, in its sole discretion, with written notice delivered to the Issuer, the Trustee and the Collateral Administrator at least two Business Days prior to any Payment Date, elect to defer payment in respect of any or all of the Subordinated Management Fee payable or distributable in accordance with the Priority of Payments on such Payment Date (each, a "Specified Fee Deferral") and the failure to pay such amounts will not be an Event of Default under this Indenture. Amounts deferred in connection with any Specified Fee Deferral will not accrue interest and the aggregate amount of all Specified Fee Deferrals (the "Specified Fee Deferral Amount") will not be paid until the occurrence of a Redemption Date with respect to all Classes of Secured Notes (other than in connection with a Refinancing). The Issuer will be required to promptly forward any such notice relating to a Specified Fee Deferral to each Rating Agency.

Section 11.2 Distributions on the Exchangeable Secured Notes.

(a) On each Payment Date, amounts on deposit in the Exchangeable Secured Note Distribution Account for each Class of Exchangeable Secured Notes shall be applied to payment on such Class in the following order (the "Exchangeable Secured Notes Priority of Payments"):

(i) to the payment of principal on such Class of Exchangeable Secured Notes until the Exchangeable Secured Note Balance of such Class of Exchangeable Secured Notes has been reduced to zero; and

(ii) all remaining amounts to the payment to the Holders of such Class of Exchangeable Secured Notes as additional distributions.

(c) If, on any Payment Date, the aggregate amount of payments to be made by the Issuer in respect of any Class of Exchangeable Secured Notes pursuant to Section 11.2(a) on such Payment Date exceeds the Exchangeable Secured Note Balance of such Class as determined immediately prior to giving effect to such payments, then (1) the Holders of Exchangeable Secured Notes of such Class will be entitled to retain the amount of such excess on such Payment Date and (2) immediately following payment of such amount, the Exchangeable Secured Notes of such Class will be fully exchanged for each of its Components in accordance with Section 2.15(g).

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and unless an Event of Default has occurred and is continuing

(except for a sale pursuant to Sections 12.1(a), (b), (c), (d), (h), (i) or (j)), the Collateral Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Trustee to sell and the Trustee shall sell on behalf of the Issuer in the manner directed by the Collateral Manager any Collateral Obligation or Equity Security (which will include the direct sale or liquidation of the equity interests of any Issuer Subsidiary or of any Issuer Subsidiary Assets) if such sale meets the requirements of any one of paragraphs (a) through (n) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Section 12.1(j)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Trustee to sell any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations and Received Obligations. The Collateral Manager may direct the Trustee to sell any Defaulted Obligation or Received Obligation at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities. The Collateral Manager may direct the Trustee to sell any Equity Security at any time without restriction, and shall (unless such Equity Security has been transferred to an Issuer Subsidiary as set forth in Section 12.1(j) below) use its commercially reasonable efforts to effect the sale of any Equity Security that constitutes Margin Stock, regardless of price, within 180 days after receipt, unless such sale is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law and not prohibited by such contractual restriction.

(e) Optional Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Section 9.2 (unless such Optional Redemption is funded solely with Refinancing Proceeds), the Collateral Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied.

(f) Unrestricted Sales. The Collateral Manager may direct the Trustee to sell any Collateral Obligation (i) prior to the Effective Date or (ii) following an Optional Redemption notice (other than in connection with a Refinancing).

(g) Discretionary Sales. The Collateral Manager may direct the Trustee to sell any Collateral Obligation (other than a Credit Risk Obligation, Credit Improved Obligation or Defaulted Obligation) (each such sale, a "Discretionary Sale") if (x) after giving effect to such sale, the Aggregate Principal Amount of all Discretionary Sales effected during the preceding 12 calendar months (or, for the first 12 calendar months after the Closing Date, during the period commencing on the Closing Date) is not greater than 30% of the sum of (A) the Aggregate Principal Amount of the Collateral Obligations *plus* (B) amounts on deposit in the Principal Collection Account, the Contribution Account (to the extent such amounts have been designated

for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account, in each case, as of the first day of such 12 calendar month period (or as of the Closing Date, as the case may be); provided, that, for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold will be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* with or senior to such sold Collateral Obligations) occurring within 20 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* with or senior to such sold Collateral Obligation); and (y) either:

(i) at any time (x) the Sale Proceeds from such Discretionary Sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (y) after giving effect to such sale, the Aggregate Principal Amount of all Collateral Obligations *plus*, without duplication, amounts on deposit in the Principal Collection Account, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account will be greater than or equal to either (1) the Reinvestment Target Par Balance or (2) the sum of such amounts immediately prior to such sale; or

(ii) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Reinvestment Period Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Amount at least equal to the Investment Criteria Adjusted Balance of such sold Collateral Obligation within 30 Business Days after such sale;

(h) [Reserved].

(i) Clean-Up Call Redemption. After the Collateral Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.7 hereof, the Collateral Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; provided, that the Sale Proceeds therefrom are used for the purposes specified in Section 9.7 hereof (and applied pursuant to the Priority of Payments).

(j) Transfers to an Issuer Subsidiary. The Collateral Manager shall effect the transfer of an asset or Collateral Obligation to an Issuer Subsidiary as required by Section 7.17. In connection with the incorporation of, or transfer of any security or obligation to, any Issuer Subsidiary, the Issuer will not be required to satisfy the Global Rating Agency Condition; provided, that prior to the incorporation of any Issuer Subsidiary, the Collateral Manager shall, on behalf of the Issuer, provide written notice thereof to each Rating Agency. The Issuer will not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) an Issuer Subsidiary Asset if (i) based on Tax Advice, to the effect that, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis and (ii) the Issuer is otherwise permitted to hold such

Issuer Subsidiary Asset directly pursuant to this Indenture. For financial accounting reporting purposes (including each Monthly Report and Distribution Report prepared under this Indenture) and the Coverage Tests and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Issuer Subsidiary Asset held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary.

(k) Tax Redemption. After a Majority of the Subordinated Notes has directed (by a written direction delivered to the Trustee) a Tax Redemption, the Issuer (or the Collateral Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(l) [Reserved].

(m) Stated Maturity. Notwithstanding the other requirements set forth in this Indenture, the Collateral Manager will no later than the Determination Date immediately prior to the earliest applicable Stated Maturity, arrange for and direct the Trustee on behalf of the Issuer to sell (and the Trustee shall sell in the manner so directed) for settlement in immediately available funds no later than two Business Days before such Stated Maturity all Assets scheduled to mature after such Stated Maturity.

(n) Restricted Assets. Notwithstanding the other requirements set forth in this Indenture, in the event that any Collateral Obligation or other Asset is required to be sold pursuant to clause (e) above (in the event of an Optional Redemption of all of the Secured Notes), clause (k) or clause (m) of this Section 12.1, the Collateral Manager may notify the Issuer and the Trustee of any such Collateral Obligation or other Asset that, pursuant to the Collateral Manager's internal policies and procedures, the Collateral Manager is restricted from transacting in (any such Asset, a "Restricted Asset"). Upon receiving any such notice of a Restricted Asset, the Issuer shall direct the Trustee to engage a broker or other third party experienced in transacting with assets similar to such Restricted Asset to sell such Restricted Asset on behalf of the Issuer and the Collateral Manager will be released from any obligations with respect to the disposition of such Restricted Asset; provided, that a Majority of the Subordinated Notes has consented to the terms of the sale of such Restricted Asset, including the selection and appointment of any such broker or third party. Neither the Collateral Manager nor the Trustee will incur any liability for any sale of any Restricted Asset consented to by the Holders of a Majority of the Subordinated Notes. The fees and expenses of any third party engaged pursuant to this Section 12.1(n) are payable as Administrative Expenses.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the end of the Reinvestment Period, subject to certain limitations described in Section 12.2(b), with respect to Principal Proceeds received from Unscheduled Principal Payments and Sale Proceeds of Credit Risk Obligations), the Collateral Manager on behalf of the Issuer may subject to the other requirements in this Indenture, but will not be required to, direct the Trustee to invest Principal Proceeds, proceeds of additional notes issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Collection Account, amounts on deposit in the Ramp-Up Account, and accrued interest received with respect to any Collateral

Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) Reinvestment Period Investment Criteria. Except as expressly provided otherwise herein, no obligation may be purchased by the Issuer during the Reinvestment Period unless each of the following conditions is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to before the end of the Reinvestment Period; provided, that the conditions set forth in clauses (iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) such obligation is a Collateral Obligation;

(ii) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Interest Coverage Test Effective Date), prior to the end of the Reinvestment Period each Coverage Test applicable on such date will be satisfied or if not satisfied, such Coverage Test will be maintained or improved;

(iii) (A) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Amount of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale or (2) the Aggregate Principal Amount or Adjusted Collateral Principal Amount of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) *plus*, without duplication, the amounts on deposit in the Principal Collection Account, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein), will be greater than or equal to either (x) the Reinvestment Target Par Balance or (y) such amounts immediately prior to such sale and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, the Aggregate Principal Amount or Adjusted Collateral Principal Amount of the Collateral Obligations *plus*, without duplication, the amounts on deposit in the Principal Collection Account, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of "Permitted Use") and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than or equal to either (x) such amount immediately prior to such sale or (y) the Reinvestment Target Par Balance;

(iv) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a

Defaulted Obligation or an Equity Security, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(v) no Event of Default has occurred and is continuing.

Prior to the end of the Reinvestment Period, the Issuer may enter into commitments to purchase Collateral Obligations that the Collateral Manager believes may settle after the end of Reinvestment Period; provided, that the Collateral Manager believes, in its commercially reasonable business judgment, that the settlement date with respect to such purchase will occur within 45 Business Days of the date of the commitment to purchase such Collateral Obligations. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Account as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred or from maturity or a prepayment of a Collateral Obligation that has been announced) to effect the settlement of such Collateral Obligations. In no event will the Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Account, and the Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Account.

(b) Post-Reinvestment Period Investment Criteria.

After the end of the Reinvestment Period (i) Principal Proceeds from scheduled amortizations and repayments of the Collateral Obligations, recoveries from defaults and sales (other than sales of Credit Risk Obligations as described below) will be distributed in accordance with the Priority of Payments and (ii) Principal Proceeds received with respect to a sale of Credit Risk Obligations and Unscheduled Principal Payments may be reinvested in accordance with the requirements set forth below.

After the end of the Reinvestment Period, the Collateral Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to sales of Credit Risk Obligations before the later of (x) 30 Business Days following receipt of such Principal Proceeds and (y) the last Business Day of the Collection Period in which such Principal Proceeds were received, in additional Collateral Obligations ("Substitute Obligations"); provided, (i) the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Credit Risk Obligation, (ii) after giving effect to the reinvestment, the Minimum Floating Spread Test, the Maximum Moody's Rating Factor Test, the Minimum Weighted Average Coupon Test, the Minimum Weighted Average S&P Recovery Rate Test, the Weighted Average Life Test and the Concentration Limitations are satisfied, or if not satisfied, are maintained or improved as compared to such test level prior to the sale of the related Credit Risk Obligation, (iii) after giving effect to the reinvestment, the Coverage Tests with respect to each Class of Secured Notes are satisfied, (iv) the S&P Rating of the Substitute Obligation is the same or higher than the applicable S&P

Rating of the Credit Risk Obligation, (v) no Event of Default has occurred and is continuing, (vi) a Restricted Trading Period is not then in effect and (vii) the Reinvestment Balance Criteria are satisfied.

After the end of the Reinvestment Period the Collateral Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to Unscheduled Principal Payments before the later of (x) 30 Business Days following receipt of such Principal Proceeds and (y) the last Business Day of the Collection Period in which such Principal Proceeds were received, in Substitute Obligations; provided, (i) the Reinvestment Balance Criteria are satisfied, (ii) the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Collateral Obligation with respect to which such Unscheduled Principal Payment was made, (iii) after giving effect to the reinvestment, the Minimum Floating Spread Test, the Maximum Moody's Rating Factor Test, the Minimum Weighted Average Coupon Test, the Minimum Weighted Average S&P Recovery Rate Test, the Weighted Average Life Test and the Concentration Limitations are satisfied, or if not satisfied, are maintained or improved as compared to such test level prior to the receipt of the Unscheduled Principal Payment, (iv) after giving effect to the reinvestment, the Coverage Tests with respect to each Class of Secured Notes are satisfied, (v) the S&P Rating of each Substitute Obligation is the same or higher than the applicable S&P Rating of the Collateral Obligation with respect to which such Unscheduled Principal Payment was made, (vi) no Event of Default has occurred and is continuing and (vii) a Restricted Trading Period is not then in effect.

(c) Contribution Account. At any time, the Collateral Manager may direct the Trustee to apply amounts on deposit in the Contribution Account (as directed by the related Contributor or, if no direction is given by the Contributor, as directed by the Collateral Manager in its sole discretion) to one or more Permitted Uses.

(d) [Reserved].

(e) Workout or Restructuring. Equity Securities or other securities may be received by the Issuer at any time in exchange for a Collateral Obligation or a portion thereof in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation. In addition, at any time, the Collateral Manager may, subject to certain conditions, direct the Trustee to apply Interest Proceeds, Principal Proceeds or amounts designated for a Permitted Use to make any payments required to acquire Loans (including DIP Collateral Obligations) or securities in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or exercise an option, warrant, right of conversion or similar right in connection with an insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation, it being understood that (x) any Received Obligation that is a Loan or Permitted Non-Loan Asset that is not subordinate to the related Exchanged Obligation, and satisfies the definition of "Collateral Obligation" (other than clauses (ii), (v), (xiv) (xv), (xvi), (xx), (xxiv) and (xxviii)) will constitute a Defaulted Obligation and (y) any other Received Obligation will constitute an "Equity Security" for all purposes under this Indenture; provided, that (i) the Received Obligation, in the Collateral Manager's reasonable judgment, is necessary or advisable to collect an increased recovery value of the related Collateral Obligation, (ii) the Aggregate Principal Amount of Received Obligations purchased using Principal Proceeds under the terms of this paragraph, measured cumulatively since the Closing

Date does not exceed 7.5% of the Collateral Principal Amount, (iii) the Aggregate Principal Amount of Received Obligations purchased using Principal Proceeds under the terms of this paragraph and held by the Issuer at such time does not exceed 3.0% of the Collateral Principal Amount, (iv) Principal Proceeds may not be used to acquire a Received Obligation unless (1) each Overcollateralization Ratio Test is satisfied after giving effect to such acquisition and (2) immediately following such application of Principal Proceeds, the sum of (A) the Collateral Principal Amount (excluding Defaulted Obligations) and (B) the lesser of the S&P Collateral Value and the Moody's Collateral Value of any Defaulted Obligations is greater than or equal to the Reinvestment Target Par Balance, (v) Interest Proceeds may not be used to acquire a Received Obligation if such use would likely result, in the Collateral Manager's reasonable discretion, in a failure to pay interest on any Class of Secured Notes on the next succeeding Payment Date and (vi) Principal Proceeds may not be used to exercise warrants held in the Assets unless the Overcollateralization Ratio with respect to the Class E-RR Notes as of the date such warrant is exercised is at least 108.93% (on a *pro forma* basis after giving effect to the exercise of such warrant). Any transaction or exchange pursuant to this Section 12.2(e) shall not constitute a sale under this Indenture or be subject to the Investment Criteria and furthermore, any transaction or exchange that meets the Investment Criteria shall not be subject to the limitations herein and the assets received will not be treated as Received Obligations.

(f) Bankruptcy Exchanges. At any time during or after the Reinvestment Period, the Collateral Manager may direct the Trustee to enter into a Bankruptcy Exchange subject to the limitations contained in the definition of "Bankruptcy Exchange", but not subject to the Investment Criteria.

(g) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X. Funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account will be invested as instructed by the Collateral Manager in accordance with the related Hedge Agreement; provided that such funds shall be invested in Cash or Eligible Investments.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations will be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), will be effected in accordance with the requirements of Section 2(o) of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, provided, that the Trustee has no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets will be Granted to the Trustee pursuant to this Indenture, such Asset or Assets will be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(ix); provided, that such requirement will be satisfied, and such statements will be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket, trade confirmation, instruction to trade or post (or

similar language) in respect thereof that is signed or delivered by an Authorized Officer of the Collateral Manager.

(c) Notwithstanding anything contained in this Article XII to the contrary and without limiting the right to make any other permitted purchases or sales, the Issuer also has the right to effect the sale of any Asset or purchase of any Collateral Obligation (x) that has been consented to by Holders evidencing (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class of Secured Notes and at least 75% of the Aggregate Outstanding Amount of the Subordinated Notes and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes and (y) of which each Rating Agency and the Trustee have been notified.

(d) Delivery of Issuer Order. Delivery of an Issuer Order, direction or a trade ticket signed by an Authorized Officer of the Collateral Manager with respect to the acquisition, sale or other disposition of an Asset will be deemed to include a certification that such acquisition, sale or other disposition complies with the terms of this Indenture.

Section 12.4 Disposition of Illiquid Assets. Notwithstanding anything in this Indenture to the contrary, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may either (a) conduct an auction on behalf of the Issuer of Illiquid Assets in accordance with the procedures described herein or (b) if the Collateral Manager certifies to the Trustee that, in its commercially reasonable judgment an auction of such Illiquid Assets pursuant to clause (a) above would be unduly burdensome or significantly increase costs to the Issuer and/or the Collateral Manager, receive, or deliver, respectively such Illiquid Assets to the Collateral Manager or any fund or account managed by the Collateral Manager or any of its affiliates. Promptly after receipt of written notice from the Collateral Manager of such auction, the Trustee shall provide notice (in such form as is prepared by the Collateral Manager) to the Holders of the Notes of an auction, which notice will (x) set forth in reasonable detail a description of each Illiquid Asset, (y) request delivery instructions in the event of a distribution in kind as further described in clause (iii) below and (z) set forth the following auction procedures: (i) any Holder or beneficial owner of a Note may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Illiquid Assets no later than the date specified in the auction notice (which will be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of a Note submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee shall deliver (at such Holder's expense) a *pro rata* portion (as determined by the Collateral Manager) of each unsold Illiquid Asset to the Holders or beneficial owners of the most senior Class of Notes that provide delivery instructions to the Trustee within the time period specified in clause (i), subject to minimum denominations (provided, that, to the extent that minimum denominations do not permit a *pro rata* distribution, the Trustee shall distribute the Illiquid Assets on a *pro rata* basis to the extent possible and the Collateral Manager shall select by lottery the Holder or beneficial owner to whom the remaining amount will be delivered and deliver written notice thereof to the Trustee; provided, further, that the Trustee shall use commercially reasonable efforts to effect delivery of such interests); and

(iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee shall promptly notify the Collateral Manager and offer to deliver (at the cost of the Issuer) the Illiquid Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee shall take such action as reasonably directed by the Collateral Manager (on behalf of the Issuer) in writing to dispose of the Illiquid Asset, which may be by donation to a charity, abandonment or other means. The Trustee has no duty, obligation or responsibility with respect to the sale of any Illiquid Asset other than to act upon the instruction of the Collateral Manager and in accordance with the provisions of this Indenture.

Section 12.5 Swapped Defaulted Obligation Transactions. Notwithstanding Section 12.2 to the contrary, prior to the end of the Reinvestment Period, a Defaulted Obligation (a "Purchased Defaulted Obligation") may be purchased with all or a portion of the Sale Proceeds of another Defaulted Obligation (an "Exchanged Defaulted Obligation") (each such exchange referred to as a "Swapped Defaulted Obligation Transaction"), if:

(i) when compared to the Exchanged Defaulted Obligation, the Purchased Defaulted Obligation (A) is issued by a different Obligor, (B) but for the fact that such debt obligation is a Defaulted Obligation, such Purchased Defaulted Obligation would otherwise qualify as a Collateral Obligation and (C) the expected recovery rate of such Purchased Defaulted Obligation, as determined by the Collateral Manager in good faith, is no less than the expected recovery rate of the Exchanged Defaulted Obligation;

(ii) the Collateral Manager has certified in writing to the Trustee (which certification shall be deemed to be provided upon delivery of an Issuer Order or trade confirmation in respect of such sale) that:

(A) at the time of the purchase, (i) the Purchased Defaulted Obligation is no less senior in right of payment *vis-à-vis* its related Obligor's outstanding indebtedness than the seniority of the Exchanged Defaulted Obligation and (ii) the S&P Rating of the Purchased Defaulted Obligation is the same or better than the S&P Rating of the Exchanged Defaulted Obligation;

(B) after giving effect to the purchase, each Overcollateralization Ratio Test is satisfied, maintained or improved;

(C) after giving effect to such purchase, the Concentration Limitations will be satisfied, then maintained or improved;

(D) the period for which the Issuer held the Exchanged Defaulted Obligation will be included for all purposes in this Indenture when determining the period for which the Issuer holds the Purchased Defaulted Obligation; and

(E) the Exchanged Defaulted Obligation was not previously a Purchased Defaulted Obligation acquired in a transaction pursuant to this Section 12.5; and

(iii) such purchase of the Purchased Defaulted Obligation will not cause the Aggregate Principal Amount of all Purchased Defaulted Obligations purchased pursuant

to a Swapped Defaulted Obligation Transaction, measured cumulatively since the Closing Date, to exceed 5.0% of the Target Initial Par Amount.

For the avoidance of doubt, Swapped Defaulted Obligation Transactions may occur by separate purchase and sale transactions. If, at any time, a Purchased Defaulted Obligation no longer satisfies the definition of Defaulted Obligation, it shall no longer be considered a Purchased Defaulted Obligation.

ARTICLE XIII

NOTEHOLDERS RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class is subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is not waived in accordance with Article V, including as a result of an Event of Default specified in Section 5.1(g) or Section 5.1(h), each Priority Class will be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class has received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto has been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution will be received and held in trust for the benefit of, and will forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided, that if any such payment or distribution is made other than in Cash, it will be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of such Junior Class of Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided, that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes will be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 affects the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer or any Issuer Subsidiary until the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the

expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect *plus* one day, following such payment in full.

(e) Notwithstanding anything in this Indenture to the contrary, this Section 13.1 is subject in all respects to Section 5.4(e).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders do not have any obligation or duty to any Person or to consider or take into account the interests of any Person and are not liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided, that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia, which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager, the Issuer stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided, that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's right to make such request or direction, the Trustee is protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action will become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" or "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent will be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, will be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes will bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) At the expense of the Issuer, the Trustee will deliver to Holders of the Subordinated Notes notification of any amendments so notified by the Income Note Paying Agent to the Trustee pursuant to Section 7.1 of the Income Note Paying Agency Agreement.

(f) For the avoidance of doubt, any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by the Income Note Issuer as a Holder of Subordinated Notes may be evidenced by a writing signed by the Income Note Paying Agent on behalf of the Income Note Issuer.

(b) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document will entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee may be provided by providing access to a website containing such information.

(d) The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email or other similar unsecured electronic methods, in each case, of an executed instruction or direction (which may be in the form of a .pdf file); provided, however, that the Bank shall have received an incumbency certificate on the Closing Date listing such person as a person designated to provide such instructions or directions, which incumbency certificate may be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank,

including without limitation the risk of the Bank acting on unauthorized instructions, and the risk of interception and misuse by third parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.4 Notices to Holders; Waiver. (a) Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event:

(i) Such notice will be sufficiently given to Holders if in writing, in the case of Global Notes, in accordance with the applicable procedures of DTC and, in the case of Certificated Notes, mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each beneficial owner affected by such event), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(ii) for so long as any Notes are listed on the Cayman Islands Stock Exchange and the listing rules of the Cayman Islands Stock Exchange so require, notices to the Holders of such Notes shall also be sent to the Cayman Islands Stock Exchange;

(iii) Such notice will be in the English language; and

(iv) Such notices will be deemed to have been given on the date of such mailing or posting.

(b) Notwithstanding clause (a) above, a Holder may give the Trustee a written notice in a form acceptable to the Trustee that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided, that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. Any notice, report or other communication delivered to the Holders of Subordinated Notes under this Indenture shall be delivered to the Income Note Issuer, with a copy to the Income Note Paying Agent.

(c) At the expense of the Issuer, the Trustee shall deliver to any Holder of Notes or any Person that has certified to the Trustee in a writing substantially in the form of Exhibit F to this Indenture that it is the owner of a beneficial interest in a Global Note, any written information reasonably available to the Trustee without undue burden or expense or written notice received by the Trustee relating to this Indenture and requested to be so delivered by a Holder or a Person that has made such certification (other than items protected by attorney-client privilege or information or documents received from Independent accountants subject to restrictions or prohibitions on disclosure pursuant to an engagement letter); provided that nothing herein shall be construed to obligate the Trustee to distribute any notice that the Trustee reasonably determines to be contrary to (i) the terms of this Indenture, (ii) its duties and obligations hereunder, (iii) applicable law or

(iv) the terms of any confidentiality or non-disclosure agreement to which the Trustee is party in connection with the performance of its duties hereunder (including, without limitation, contained in any agreement or acknowledgment governing any report, statement or certificate prepared by the Issuer's accountants).

(d) Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder affects the sufficiency of such notice with respect to other Holders. In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause, it becomes impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as will be made with the approval of the Trustee will constitute a sufficient notification to such Holders for every purpose hereunder.

(e) Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice. Waivers of notice by Holders will be filed with the Trustee but such filing will not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(f) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement, notice or other information required to be provided to Holders may be provided by posting such report, statement, notice or other information to, and providing access to the Trustee's website.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and do not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Issuer binds their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, confers to any Person, other than the parties hereto and their successors

hereunder, the Collateral Manager, the Collateral Administrator, each Hedge Counterparty and the Holders of the Notes any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 [Reserved].

Section 14.10 Governing Law. This Indenture and the Notes will be construed in accordance with, and this Indenture and the Notes and any matters arising out of or relating in any way whatsoever to this Indenture or the Notes (whether in contract, tort or otherwise), are governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("Proceedings"), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the U.S. District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE TRUSTEE AND THE HOLDERS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts; Binding Nature. This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and

shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 14.14 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer will be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.15 Confidential Information. (a) The Trustee, the Collateral Administrator, each Holder and each beneficial owner of any Note will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer in good faith to protect Confidential Information of third parties delivered to such Person; provided, that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) such Person's financial advisors, auditors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire or have transferred to it Notes in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Issuer (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) each Rating Agency; (ix) Moody's Analytics; (x) Intex Solutions Inc. and Valitana LLC (or any other similar service providers as determined by the Collateral Manager in its reasonable judgment) in accordance with Article X hereof; (xi) any other Person with the consent of the Issuer and the Collateral Manager; or (xii) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Issuer (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Issuer (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection

of the rights and remedies under the Notes or this Indenture or (E) in the Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; and provided, that delivery to Holders by the Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders is not a violation of this Section 14.15. Each Holder and beneficial owner of Notes agrees, except as set forth in clauses (vi), (vii), (ix) and (xi) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator will neither be required nor authorized to disclose to Holders or beneficial owners any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder and beneficial owner of a Note agrees that the Collateral Manager is a third-party beneficiary of this Section 14.15 and shall be entitled to rely upon and enforce such provisions of this Section 14.15 to the same extent as if it were a party hereto. Each Holder or beneficial owner of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, "Confidential Information" means information delivered to the Trustee, the Collateral Administrator or any Holder or beneficial owner of Notes by or on behalf of the Issuer or the Collateral Manager in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided, that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Issuer or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Issuer or a contractual duty to the Issuer; or (iv) is allowed to be treated as non-confidential by consent of the Issuer.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder.

Section 14.16 [Reserved].

Section 14.17 Electronic Signatures and Transmission. (a) For purposes of this Indenture, any reference to "written" or "in writing" means any form of written communication, including, without limitation, electronic signatures, and any such written communication may be transmitted by Electronic Transmission. "Electronic Transmission" means any form of communication not directly involving the physical transmission of paper, including the use of, or participation in, one or more electronic networks or databases (including one or more distributed

electronic networks or databases), that creates a record that may be retained, retrieved and reviewed by a recipient thereof and that may be directly reproduced in paper form by such a recipient through an automated process. The Trustee is authorized to accept written instructions, directions, reports, notices or other communications delivered by Electronic Transmission and shall not have any duty or obligation to verify or confirm that the Person sending instructions, directions, reports, notices or other communications or information by Electronic Transmission is, in fact, a Person authorized to give such instructions, directions, reports, notices or other communications or information on behalf of the party purporting to send such Electronic Transmission; and the Trustee shall not have any liability for any losses, liabilities, costs or expenses incurred or sustained by any party as a result of such reliance upon or compliance with such instructions, directions, reports, notices or other communications or information to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, notices, reports or other communications or information, and the risk of interception and misuse by third parties.

(b) Any requirement in this Indenture or the Notes that a document, including the Notes, is to be signed or authenticated by "manual signature" or similar language shall not be deemed to prohibit signature to be by facsimile or electronic signature and shall not be deemed to prohibit delivery thereof by Electronic Transmission.

ARTICLE XV

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, except as otherwise expressly set forth in this Indenture, the Trustee does not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority will terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby does not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor are any of the obligations contained in the Collateral Management Agreement imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Holders will cease and terminate and all the estate, right, title and interest of the Trustee in, to and

under the Collateral Management Agreement will revert to the Issuer and no further instrument or act are necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby covenants and agrees that no compensation payable to a successor Collateral Manager from payment on the Assets will be greater than that permitted to the Collateral Manager under the Collateral Management Agreement without the prior written consent of a Majority of each Class of Notes, voting separately by Class.

(g) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the standard of care set forth in the Collateral Management Agreement) of the Collateral Management Agreement.

(ii) The Collateral Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Trustee as representative of the Holders and the Collateral Manager shall agree that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Secured Parties.

(iii) The Collateral Manager shall deliver to the Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Collateral Manager to the Issuer pursuant to the Collateral Management Agreement.

(iv) The Issuer and the Collateral Manager (with notice to but without the consent of the Trustee) may amend the Collateral Management Agreement to (A) correct inconsistencies, typographical or other errors, defects or ambiguities, (B) conform the Collateral Management Agreement to the final Offering Circular with respect to the Secured Notes or to this Indenture (as it may be amended from time to time pursuant to Article VIII), (C) permanently remove any Management Fee payable to the Collateral Manager, (D) add to the covenants of the Issuer or the Collateral Manager for the benefit of the Holders of the Notes, or (E) take any action advisable, necessary or helpful (x) to prevent the Issuer or any Issuer Subsidiary from being subject to (or to otherwise minimize) withholding or other taxes, fees or assessments, (y) to reduce the risk that the Issuer or any Issuer Subsidiary may be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal, state or local income tax on a net basis or (z) to allow the Issuer or the Collateral Manager to comply

with any rule or regulation enacted or modified by any regulatory agency of the U.S. federal government, in each case without the consent of the Holders of any Notes, but with notice to each Rating Agency. Any other amendment to the Collateral Management Agreement is permitted with the consent of a Majority of the Controlling Class.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager has not received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer or any Issuer Subsidiary for the nonpayment of the fees or other amounts payable by the Issuer or such Issuer Subsidiary to the Collateral Manager under the Collateral Management Agreement or any other Transaction Document until the payment in full of all Notes (and any other debt obligations of the Issuer or such Issuer Subsidiary that have been rated upon issuance by any rating agency at the request of the Issuer or such Issuer Subsidiary, as applicable) issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period *plus* one day, following such payment. Nothing in this Section 15.1 precludes, or will be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 2(o) of the Collateral Management Agreement, if the Collateral Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Notes and any other account or portfolio for which the Collateral Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Collateral Manager will give written notice to the Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to take. The provisions of this clause (vi) do not apply to any transaction permitted by the terms of the Collateral Management Agreement.

SCHEDULE 2

MOODY'S DIVERSITY SCORE CALCULATIONS

For purposes of the Moody's Diversity Test, the Diversity Score (the "Diversity Score") is a single number that indicates collateral concentration in terms of both issuer and industry concentration. A higher Diversity Score reflects a more diverse portfolio in terms of issuer and industry concentration. The Diversity Score is calculated as follows:

(i). An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Amount of all the Collateral Obligations issued by that issuer and all affiliates.

(ii). An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(iii). An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(iv). An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's Industry Classifications and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(v). An "Industry Diversity Score" is then established for each Moody's Industry Classifications by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

SCHEDULE 3

MOODY'S RATING DEFINITIONS

MOODY'S DEFAULT PROBABILITY RATING

With respect to any Collateral Obligation (other than a DIP Collateral Obligation), as of any date of determination, the rating determined in accordance with the following methodology:

(a) if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating (or, if the Obligor itself does not have a corporate family rating by Moody's, the corporate family rating of any entity in the Obligor's corporate family);

(b) if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation, as selected by the Collateral Manager in its sole discretion;

(c) if not determined pursuant to clause (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations publicly rated by Moody's, then the Moody's rating that is one subcategory below the Moody's public rating on any such obligation, as selected by the Collateral Manager in its sole discretion;

(d) if not determined pursuant to clause (a), (b) or (c) above, but a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer or the Collateral Manager, such rating or rating estimate; and

(e) if not determined pursuant to clause (a), (b), (c) or (d) above, the Moody's Derived Rating;

provided, that any Moody's Default Probability Rating determined on the basis of an estimated rating pursuant to clause (d) above that has not been renewed by Moody's on or before the 13-month anniversary of its issuance or prior renewal will be deemed to be (x) for a period of 60 days, one subcategory below the previous estimated rating and (y) thereafter, "Caa3", in each case pending receipt of such rating; provided, further, that the Moody's Default Probability Rating with respect to any DIP Collateral Obligation will be the higher of (A) the rating assigned by clause (iii) of the definition of "Moody's Derived Rating" and (B) if such DIP Collateral Obligation is newly issued and the Collateral Manager expects a new Moody's Default Probability Rating within 90 days, the Moody's Default Probability Rating of such Collateral Obligation until such Moody's Default Probability Rating is obtained will be (1) for a period of up to 90 days after the acquisition of such Collateral Obligation, the Moody's Default Probability Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such Moody's Default Probability Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating and (2) thereafter, "Caa3".

"Moody's Rating":

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) With respect to a Collateral Obligation that (A) is publicly rated by Moody's, such public rating, or (B) is not publicly rated by Moody's but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Collateral Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation;

(b) With respect to a Collateral Obligation that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan (if not determined pursuant to clause (a) above), if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory higher than such corporate family rating;

(c) With respect to a Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if such Collateral Obligation is a Moody's Senior Secured Loan, then the Moody's rating that is two subcategories higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Collateral Manager in its sole discretion;

(d) With respect to a Collateral Obligation that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a), (b) or (c) above, if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory lower than such corporate family rating;

(e) With respect to a Collateral Obligation that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a), (b), (c) or (d) above, if the Obligor of such Collateral Obligation has one or more subordinated obligations publicly rated by Moody's, then the Moody's rating that is one subcategory higher than the public rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(f) With respect to a Collateral Obligation, if not determined pursuant to clause (a), (b), (c), (d) or (e) above, the Moody's Derived Rating; and

(g) With respect to any Collateral Obligation that is a DIP Collateral Obligation, if such Moody's Rating has been withdrawn and a new Moody's Rating has not been issued, the Moody's Rating of such Collateral Obligation will be the Moody's Rating applicable to such Collateral Obligation prior to such withdrawal for up to 12 months following such withdrawal and thereafter, "Caa3" (provided that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and the Collateral Manager expects a Moody's credit rating within 90 days, the Moody's Rating of such Collateral

Obligation until such credit rating is obtained from Moody's will be (1) for a period of up to 90 days after the acquisition of such Collateral Obligation, the Moody's Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such Moody's Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating and (2) thereafter, "Caa3");

provided that, for purposes of the determination of the Moody's Rating, if (1) the issuer or Obligor of any Collateral Obligation was a debtor under Chapter 11, during which time such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) either had an Moody's rating of "D", "LD" or "Ca" or lower from Moody's or had an Moody's rating that was withdrawn by Moody's and (2) such issuer, Obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) continues to have an Moody's rating of "D" "LD", or "Ca" or lower from Moody's (or, in the case of any withdrawal, continues to have no S&P rating), the Moody's Rating for any such obligation (including any Collateral Obligation), issuer, Obligor or Selling Institution, as applicable, shall be deemed to be "Caa3", so long as Moody's has not taken any rating action with respect thereto since the date on which the issuer, Obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11.

"Moody's Derived Rating":

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot be determined pursuant to the respective definitions thereof, such Moody's Rating and Moody's Default Probability Rating will be determined as set forth below:

(i) (A) if such Collateral Obligation is publicly rated by S&P:

Type of Collateral Obligation	**S&P Rating or Fitch Rating (Public and Monitored)**	**Collateral Obligation Rated by S&P or Fitch**	**Number of Subcategories Relative to Moody's Equivalent of S&P Rating or Fitch Rating**
Not Structured Finance Security	> "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Security	< "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Security		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P or Fitch but another security or obligation of the Obligor has a public and monitored rating by S&P or Fitch (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (i)(A) above, and the

Moody's Rating or Moody's Default Probability Rating of such Collateral Obligation will be determined by further adjusting the rating of such parallel security (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (i)(B)) by the number of rating sub-categories according to the table below:

Obligation Category of Rated Obligation	**Number of Subcategories Relative to Rated Obligation Rating**
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation............................	+1

(C) if such Collateral Obligation is not rated by S&P or Fitch but there is a public issuer credit rating of the issuer of such Collateral Obligation by S&P or Fitch as published by S&P or Fitch, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then such issuer credit rating will at the election of the Collateral Manager be determined in accordance with subclause (i)(B) (for such purposes, treating such public issuer credit rating as if it were a rating of a parallel security); or

(D) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Rating or Moody's Default Probability Rating may be determined based on a rating by S&P, Fitch or any other rating agency;

(ii) if such Collateral Obligation is not rated by Moody's, Fitch or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's, Fitch or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating for purposes of clause (f) of the definition of "Moody's Rating" and clause (e) of the definition of "Moody's Default Probability Rating" (as applicable) of such Collateral Obligation will be (1) "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate will be at least "B3" and if the Aggregate Principal Amount of Collateral Obligations determined pursuant to this clause (ii) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caa1";

(iii) with respect to any DIP Collateral Obligation, (x) the Moody's Default Probability Rating of such Collateral Obligation will be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's and (y) the Moody's Rating of such Collateral Obligation will be the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; provided, however, if such facility

rating has been withdrawn by Moody's and a new facility rating has not been issued by Moody's, the facility rating of such DIP Collateral Obligation will be the facility rating from Moody's applicable to such DIP Collateral Obligation prior to such withdrawal for up to 12 months following such withdrawal; or

(iv) if not determined pursuant to clauses (i) through (iii) above, "Caa3."

"Moody's Senior Secured Loan":

(a) A loan that:

(i) is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the Obligor of the loan;

(ii) is secured by a valid first priority perfected security interest or lien that is not a first priority in, to or on specified collateral securing the Obligor's obligations under the loan; and

(iii) the value of the collateral securing the loan at the time of purchase together with other attributes of the Obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay the loan in accordance with its terms and to repay all other loans of equal seniority secured by a first lien or security interest in the same collateral; and

(b) the loan is not:

(i) a DIP Collateral Obligation; or

(ii) a loan for which the security interest or lien (or the validity or effectiveness thereof) in substantially all of its collateral attaches, becomes effective, or otherwise "springs" into existence after the origination thereof.

"Assigned Moody's Rating": The monitored publicly available rating or the estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

SCHEDULE 6

S&P RATING DEFINITIONS AND RECOVERY RATE TABLES

"**S&P Rating**" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) with respect to a Collateral Obligation that is not a DIP Collateral Obligation (a) if there is an issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation pursuant to a form of guaranty that meets S&P's then-current guarantee criteria for use in connection with this transaction, then the S&P Rating will be such rating (regardless of whether there is a published rating by S&P on the Collateral Obligations of such issuer held by the Issuer; provided, that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Obligation will equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Obligation will be one sub-category above such rating;

(ii) with respect to any Collateral Obligation that is a DIP Collateral Obligation, the S&P Rating thereof will be the credit rating assigned to such issue by S&P, or if such DIP Collateral Obligation was assigned a point-in-time rating by S&P that was withdrawn, such withdrawn rating may be used for 12 months after the assignment of such rating (provided that if any such Collateral Obligation that is a DIP Collateral Obligation is newly issued and has no S&P Rating at the time of issuance, such Collateral Obligation shall be a Pending Rating DIP Loan);

(iii) with respect to any Current Pay Obligation, the S&P Rating of such Current Pay Obligation will be the higher of such obligation's issue rating and "CCC";

(iv) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (1) through (3) below:

(1) if an obligation of the issuer is not a DIP Collateral Obligation and is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth above except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower;

(2) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Obligation will, prior to or within 30 days after the acquisition of such Collateral Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which will be its S&P Rating; provided, that, if such Information is submitted within such 30-day period, then, pending receipt from

S&P of such estimate, such Collateral Obligation will have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; provided, further, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Obligation will have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the acquisition of such Collateral Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided, further, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Obligation will be "CCC-"; provided, further, that if the Collateral Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Obligation, the S&P Rating in respect thereof will be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; provided, further, that the S&P Rating may not be determined pursuant to this clause (2) if the Collateral Obligation is a DIP Collateral Obligation; provided, further, that such credit estimate will expire 12 months after the receipt thereof, following which such Collateral Obligation will have an S&P Rating of "CCC-" unless, during such 12-month period following the receipt of such credit estimate, the Issuer applies for renewal thereof in accordance with this Indenture, in which case such credit estimate will continue to be the S&P Rating of such Collateral Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate will be the S&P Rating of such Collateral Obligation; provided, further, that such confirmed or revised credit estimate will expire on the next succeeding 12-month anniversary of the date of the receipt thereof and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; and

(3) with respect to a Collateral Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Obligation will at the election of the Issuer (at the direction of the Collateral Manager) be "CCC-" provided, that (i) neither the issuer of such Collateral Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings, (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, (iii) all such debt securities and other obligations of the issuer that are pari passu with or senior to the Collateral Obligation are current and the Collateral Manager reasonably expects them to remain current and (iv) all Information with respect to such Collateral Obligation has previously been provided to S&P; or

(v) with respect to a DIP Collateral Obligation that has no issue rating by S&P, the S&P Rating of such DIP Collateral Obligation will be, at the election of the Issuer (at the direction of the Collateral Manager), "CCC-" or the S&P Rating determined pursuant to the definition of "Pending Rating DIP Loan";

provided, that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an Obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an Obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating; provided, further, that for purposes of the determination of the S&P Rating, if (1) the issuer or Obligor of any Collateral Obligation was a debtor under Chapter 11, during which time such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) either had an S&P rating of "SD" or "CC" or lower from S&P or had an S&P rating that was withdrawn by S&P and (2) such issuer, Obligor or Selling Institution, as applicable, is no longer a debtor under Chapter 11, then, notwithstanding the fact that such issuer, Obligor or Selling Institution, as applicable, or any of its obligations (including any Collateral Obligation) continues to have an S&P rating of "SD" or "CC" or lower from S&P (or, in the case of any withdrawal, continues to have no S&P rating), the S&P Rating for any such obligation (including any Collateral Obligation), issuer, Obligor or Selling Institution, as applicable, will be deemed to be "CCC-" for a period of up to 12 months from the date on which such issuer, Obligor or Selling Institution ceased to be a debtor under Chapter 11, so long as (x) S&P has not taken any rating action with respect thereto since the date on which the issuer, Obligor or Selling Institution, as applicable, ceased to be a debtor under Chapter 11 and (y) the Collateral Manager believes, in its reasonable business judgment, that the issuer or Obligor of such obligation will continue to make scheduled payments of interest thereon and will pay the principal thereof by maturity or as otherwise contractually due.

Section 1 S&P Recovery Rate.

(b) If (x) a Collateral Obligation does not have an S&P Recovery Rating and such Collateral Obligation is a senior unsecured debt instrument and (y) the issuer of such Collateral Obligation has issued another debt instrument that is outstanding and senior to such Collateral Obligation and has an S&P Recovery Rating (a "**Senior Debt Instrument**"), the S&P Recovery Rate for such Collateral Obligation will be determined as follows:

(iii) If a recovery rate cannot be determined using clause (i) or clause (ii) and the Collateral Obligation is secured solely or primarily by common stock, other equity interests or goodwill, then the recovery rate will be determined using the table following clause (iv) as if such Collateral Obligation were an Unsecured Loan.

(iv) If a recovery rate cannot be determined using clause (i), (ii) or (iii), the recovery rate will be determined using the following table.

* Solely for the purpose of determining the S&P Recovery Rate for such obligation, no obligation will constitute a "First Lien Loan," a "S&P Cov-Lite Loan" or a "Senior Secured Bond" unless such obligation (a) is secured by a valid first priority security interest in collateral, (b) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such obligation's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal balance of all debt senior or pari passu to such obligation and (ii) the outstanding principal balance of such obligation, which value may be derived from, among other things, the enterprise value (but may not be based solely on equity or goodwill) of the issuer of such obligation and (c) is not secured solely or primarily by common stock or other equity interests; provided that this clause (c) shall not apply to any obligation that has been issued by a parent entity that is secured solely or primarily by the common stock or other equity interests of one or more direct or indirect subsidiaries of such parent entity to the extent that the granting by any such subsidiary of a lien on its own property would violate law or regulations applicable to such subsidiary (whether the obligation secured is such Loan or any other similar type of indebtedness owing to third parties); *provided* that the terms of this footnote may be amended or revised at any time by a written agreement of the Issuer, the Collateral Manager and the Trustee (without the consent of any holder of any Note), subject to satisfaction of the S&P Rating Condition, in order to conform to S&P then current criteria for such obligations.

** First Lien Last Out Loans and Second Lien Loans with, in the aggregate, an aggregate principal balance in excess of 15% of the Collateral Principal Amount will use the "Subordinated Loans" Priority Category for the purpose of determining their S&P Recovery Rate.

S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test, the following terms have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR" means, with respect to the Highest Ranking Class, the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

BDR * (OP / NP) + (NP - OP) /(NP * (1 – WARR)), where

Term	Meaning
BDR	S&P CDO Monitor BDR
OP	Target Initial Par Amount
NP	the sum of the Aggregate Principal Amounts of the Collateral Obligations with an S&P Rating of "CCC-" or higher, any decrease in the Aggregate Outstanding Amount of the Highest Ranking Class, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-"; provided that such calculation will be made excluding amounts that can be reclassified as Interest Proceeds, as Designated Principal Proceeds or Designated Unused Proceeds
WARR	S&P Weighted Average Recovery Rate

"S&P CDO Monitor BDR" means the value calculated using the following formula relating to the Issuer's portfolio:

S&P CDO Monitor BDR = C0 + (C1 * Weighted Average Floating Spread) + (C2 * S&P Weighted Average Recovery Rate), where C0 = 0.128274, C1 = 4.008573 and C2 = 0.922394. C0, C1 and C2 will not change unless S&P provides an updated S&P CDO Monitor Input File at the request of the Collateral Manager following the Closing Date.

"S&P CDO Monitor Input File" means a file containing the formula relating to the Issuer's portfolio used to calculate the S&P CDO Monitor BDR.

"S&P CDO Monitor SDR" means the percentage derived from the following equation:

0.247621 + (SPWARF/9162.65) – (DRD/16757.2) – (ODM/7677.8) – (IDM/2177.56) – (RDM/34.0948) + (WAL/27.3896), where

Term	Meaning
SPWARF	S&P Weighted Average Rating Factor
DRD	S&P Default Rate Dispersion
ODM	S&P Obligor Diversity Measure
IDM	S&P Industry Diversity Measure
RDM	S&P Regional Diversity Measure
WAL	S&P Weighted Average Life

"S&P Default Rate Dispersion" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Global Ratings' Rating Factor *minus* (y) the S&P Weighted Average Rating Factor *divided by* (B) the Aggregate Principal Amount for all such Collateral Obligations.

"S&P Effective Date Adjustments" means, in connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date if an S&P CDO Monitor Formula Election Date has occurred, the following adjustment shall apply: (i) in calculating the Weighted Average Floating Spread, the Aggregate Funded Spread will be calculated without giving effect to the proviso of the definition thereof and (ii) such calculation will be made excluding amounts that can be reclassified as Interest Proceeds, as Designated Principal Proceeds or Designated Unused Proceeds.

"S&P Global Ratings' Rating Factor" means, with respect to each Collateral Obligation, the rating factor determined by the S&P Rating set forth in the below table:

S&P Rating	S&P Global Ratings' rating factor
AAA	13.51
AA+	26.75
AA	46.36
AA-	63.90
A+	99.50
A	146.35
A-	199.83
BBB+	271.01
BBB	361.17
BBB-	540.42
BB+	784.92
BB	1,233.63
BB-	1,565.44
B+	1,982.00
B	2,859.50
B-	3,610.11
CCC+	4,641.40
CCC	5,293.00
CCC-	5,751.10
CC	10,000.00
SD	10,000.00
D	10,000.00

"S&P Industry Diversity Measure" means a measure calculated by determining the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure" means a measure calculated by determining the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such Aggregate Principal Amount by the Aggregate Principal Amount of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Regional Diversity Measure" means a measure calculated by determining the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region categorization (see "CDO Evaluator 7.2 Parameters Required to Calculate S&P Global Ratings Portfolio Benchmarks," published March 27, 2017, or such other published table by S&P that the Collateral Manager provides to the Collateral Administrator) then dividing each of these amounts by the Aggregate Principal Amount of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the Aggregate Principal Amount of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the principal balance of each such Collateral Obligation and (y) the S&P Global Ratings' Rating Factor divided by (ii) the Aggregate Principal Amount for all such Collateral Obligations.

"S&P Weighted Average Recovery Rate" means, as of any date of determination, with respect to the Initial Rating of the Highest Ranking Class, the number, expressed as a percentage, obtained by:

(i) summing the products obtained by multiplying:

(A) the Principal Balance of each Collateral Obligation (excluding Defaulted Obligations), by

(B) its corresponding S&P Recovery Rate;

(ii) dividing such sum by the Aggregate Principal Amount of all Collateral Obligations (excluding Defaulted Obligations), and

(iii) rounding to the nearest tenth of a percent.

SCHEDULE 8

FITCH RATING DEFINITIONS

FITCH RATING DEFINITIONS

"Fitch Rating" means the Fitch Rating of any Collateral Obligation, which will be determined as follows:

(a) if Fitch has issued a public long-term issuer default rating ("LT IDR") or a long-term issuer default credit opinion ("LT IDCO") with respect to the issuer of such Collateral Obligation, then the Fitch Rating will be such LT IDR or LT IDCO;

(b) if Fitch has not issued a LT IDR or LT IDCO but Fitch has issued an outstanding insurer financial strength rating ("IFS Rating") with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but has outstanding corporate issuer ratings, then the Fitch Rating will be calculated using the Fitch IDR Equivalency Table below;

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and

(i) Moody's has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(ii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(iii) Moody's has not issued a publicly available corporate family rating or long-term issuer rating for the issuer of such Collateral Obligation but Moody's has issued a publicly available outstanding insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody's rating;

(iv) Moody's has not issued a publicly available corporate family rating, long-term issuer rating or insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch

Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below;

(v) S&P has issued a publicly available issuer credit rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;

(vi) S&P has not issued a publicly available issuer credit rating for the issuer of such Collateral Obligation but S&P has issued an outstanding public insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;

(vii) S&P has not issued a publicly available issuer credit rating or publicly available outstanding insurance financial strength rating for the issuer of such Collateral Obligation but has issued outstanding public corporate issue ratings for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be calculated using the Fitch IDR Equivalency Table below; and

(viii) both Moody's and S&P provide a public rating of the issuer of such Collateral Obligation or a public corporate issue rating of such issuer, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d).

(e) if a rating cannot be determined pursuant to clauses (a) through (d) then, at the discretion of the Collateral Manager, (i) the Collateral Manager on behalf of the Issuer may apply to Fitch for a Fitch credit opinion, and the issuer default rating provided in connection with such rating will then be the Fitch Rating, or (ii) the Issuer may assign a Fitch Rating of "CCC" or lower to such Collateral Obligation which is not in default;

provided, that after the Closing Date, if any rating described above is on rating watch negative, the rating will be adjusted down by one sub-category, but no lower than "CCC-"; provided further that the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com. For the avoidance of doubt, the Fitch Rating takes into account adjustments for assets that are on rating watch negative prior to determining the issue rating and/or in the determination of the lower of the Moody's and S&P public ratings.

The Issuer, for value received, hereby promises to pay to the registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or lesser principal amount shown on the books and records of

the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer promises to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Global Note as a result of exchanges and transfers of interests in this Global Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes), if applicable, effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Minimum Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

This Note may be executed or authenticated in any number of counterparts, each of which so executed or authenticated shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed or authenticated counterpart of this Note by electronic means (including email, Portable Document Format (PDF) File or facsimile) will be effective as delivery of a manually executed or authenticated counterpart of this Note.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Issuer has caused this Note to be duly executed as of the date first set forth above.

The Issuer promises to pay, in accordance with the Priority of Payments, Interest Proceeds and Principal Proceeds on each Payment Date, in an amount equal to the Holder's pro rata share of such proceeds, if any, subject to the Priority of Payments set forth in the Indenture.

This Note will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date. The payment of principal on this Note (x) may only occur after the Secured Notes are no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Payments; and any payment of principal of this Note that is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" for purposes of the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by distributions made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Minimum Denominations set forth in the Note Details.

the discovery (who agrees to notify the Issuer of such discovery, if any), send notice to us demanding that we transfer our interest to a person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within 10 days after the date of such notice;

31.
