(e) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations shall be treated as having a Principal Balance equal to zero.

(g) If the Issuer (or the Portfolio Manager on behalf of the Issuer) is notified by the administrative agent or other withholding agent or otherwise for the syndicate of lenders in respect of any Revolving Collateral Obligation or Delayed Drawdown Collateral Obligation (or any other Asset held by the Issuer) that any amounts associated therewith are subject to withholding tax imposed by any jurisdiction, the Portfolio Manager shall so notify the Collateral Administrator and thereafter the applicable Collateral Quality Test, the Coverage Tests and the Interest Diversion Test shall be calculated on a net basis after taking into account such withholding, unless the related obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instruments with respect thereto.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations shall not be included in the calculation of the Collateral Quality Test.

(i) For the purposes of calculating compliance with each of the Concentration Limitations all calculations shall be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(j) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(k) Any reference in this Indenture to an amount of the Collateral Trustee's or the Collateral Administrator's fees calculated with respect to a period at a *per annum* rate shall be computed on the basis of a 360-day year and the actual number of days elapsed in such year and shall be based on the Fee Basis Amount as of the first day of the related Interest Accrual Period.

(l) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall be entitled to request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Collateral

Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(m) For purposes of calculating compliance with any tests and the making of any determination and the preparation of any reports under this Indenture, the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used to determine whether and when such acquisition or disposition has occurred.

(n) For all purposes when determining the Concentration Limitations, the Collateral Quality Test, the Coverage Tests and the Interest Diversion Test (but excluding for purposes of the calculation of the Aggregate Funded Spread), the principal balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation shall include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(o) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the principal balance of such Current Pay Obligation as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation shall be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a pro forma basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(p) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(q) The equity interest in any Issuer Subsidiary permitted under this Indenture and each asset of any such Issuer Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security or Loss Mitigation Obligation if acquired and held by the Issuer, an Equity Security or Loss Mitigation Obligation, as applicable) for all purposes of this Indenture and each reference to Assets, Collateral Obligations, Loss Mitigation Obligations and Equity Securities herein shall be construed accordingly.

(r) Any future anticipated tax liabilities of an Issuer Subsidiary related to an Issuer Subsidiary Asset held by such Issuer Subsidiary shall be excluded from the calculation of the Weighted Average Floating Spread (which exclusion, for the avoidance of doubt, may result in such Issuer Subsidiary Asset having a negative interest rate spread for purposes of such calculation), the Weighted Average Coupon and the Interest Coverage Ratio with respect to any specified Class or Classes of Secured Debt.

(s) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of the Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or

document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Issuer on which the Collateral Trustee may rely.

(t) All calculations related to Maturity Amendments, the Investment Criteria, Specified Equity Securities and Loss Mitigation Obligations (and definitions related to Maturity Amendments, the Investment Criteria, Specified Equity Securities and Loss Mitigation Obligations), and all other tests that otherwise would be calculated cumulatively will be reset at zero on the date of any Refinancing of all Classes of Secured Debt. For the avoidance of doubt, the Internal Rate of Return will not be reset at zero on the date of any Refinancing.

(u) With respect to the calculation of the Overcollateralization Ratio Tests prior to the purchase of Uptier Priming Debt, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation, including, for the avoidance of doubt, with respect to the inability to participate in any Rolled Senior Uptier Debt (in each case, as determined in the commercially reasonable judgment of the Portfolio Manager).

(v) For purposes of determining the total potential indebtedness of any Obligor of a Drop Down Asset, such total potential indebtedness of the Obligor thereof shall be deemed to include the total potential indebtedness of the Obligor of the related Subject Asset.

ARTICLE II

THE DEBT

Section 2.1 Forms Generally. The Notes and the Collateral Trustee's or Authenticating Agent's certificate of authentication thereon (the "**Certificate of Authentication**") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuers executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note. It is the express intent of the parties hereto that the Notes shall be "Securities" as defined under and governed by Article 8 of the UCC.

Section 2.2 Forms of Notes. (a) The forms of the Notes, including the forms of Certificated Notes and Global Notes shall be as set forth in the applicable part of Exhibit A hereto.

(b) Secured Debt.

(i) Except as set forth in clause (iii) below, each Note sold to a Person that is not a U.S. person in an offshore transaction in reliance on Regulation S shall be issued initially in the form of one permanent Regulation S Global Note per Class and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Collateral Trustee as custodian for, and registered in the name of a nominee of, DTC for

the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided.

(ii) Except as set forth in clause (iii) below, each Note sold to a Person that is a QIB/QP shall be issued initially in the form of one permanent Rule 144A Global Note per Class and shall be deposited on behalf of the subscribers for such Notes represented thereby with the Collateral Trustee as custodian for, and registered in the name of a nominee of, DTC, duly executed by the Applicable Issuers and authenticated by the Collateral Trustee as hereinafter provided.

(iii) Each Note (1) sold to persons that are not U.S. persons in offshore transactions in reliance on Regulation S or (2) sold to persons that are QIB/QPs that, in either case, elect at the time of the acquisition, purported acquisition or proposed acquisition to have their Notes issued in the form of a Certificated Note shall be issued in the form of a Certificated Note. In addition, Subordinated Notes sold on the Original Closing Date to Institutional Accredited Investors that are also Qualified Purchasers or entities that are owned (or beneficially owned) exclusively by Qualified Purchasers and/or Knowledgeable Employees with respect to the Issuer who have received the consent of the Issuer and the Initial Purchaser to such entity's acquisition of Subordinated Notes (any such entity, a "**Permitted IAI**") shall be issued in the form of a Certificated Note.

(iv) Notwithstanding anything to the contrary set forth herein, each Class E-RR Note and Class F-RR Note sold or transferred to Benefit Plan Investors or Controlling Persons after the 2024 Closing Date shall be issued or transferred only in the form of a Certificated Note.

(v) [Reserved.]

(vi) The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Collateral Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(c) Book Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, shall be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Collateral Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Collateral Trustee, and any agent of the Applicable Issuer or the Collateral Trustee as the absolute owner of such Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Collateral Trustee, or any agent of the Applicable Issuer or the Collateral Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC

and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

Section 2.3 Authorized Amount; Stated Maturity; Denominations. The aggregate principal amount of Secured Debt that may be authenticated and delivered under this Indenture is limited to U.S.\$399,600,000 aggregate principal amount of Notes (except for (i) Deferred Interest with respect to the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes and the Class F-RR Notes, (ii) Debt authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, Section 2.6 or Section 8.6 of this Indenture or (iii) additional debt issued or incurred, as applicable, in accordance with Sections 2.14 and 3.2).

(1) As of the 2024 Closing Date.

(2) The initial Benchmark will be the Term SOFR Rate. The Term SOFR Rate shall be calculated as set forth in the definition of "Term SOFR Rate". The Benchmark on the Floating Rate Debt may be changed to the Fallback Rate in accordance with the definition of "Benchmark" and

certain other conditions specified in this Indenture. The spread over the Benchmark (or fixed rate of interest, as the case may be) of any Class of Secured Debt may be reduced in connection with a Re-Pricing of such Class of Debt, subject to the conditions described under Section 9.9.

- (3) The Retention Holder will purchase (or otherwise acquire) an amount equal to at least 5% of the Aggregate Outstanding Amount of each Class of Offered Securities and such Notes will be retained by the Retention Holder to satisfy its risk retention obligations pursuant to the US Retention Agreement and the Retention Undertaking Letter.
- (4) Principal of the Class X-RR Notes is payable during the Reinvestment Period pursuant to the Priority of Payments and is consequently payable prior to the principal of the Class A-IRR Notes.
- (5) The Subordinated Notes are listed on the Cayman Islands Stock Exchange.
- (6) On the Original Closing Date, the Issuer also issued the Subordinated Notes with a principal balance of \$31,000,000.
- (7) The Class X-RR Notes, the Class A-IRR Notes, the Class A-JRR Notes, the Class B-RR Notes, the Class C-RR Notes, the Class D-IRR Notes, the Class D-JRR Notes, the Class E-RR Notes, the Class F-RR Notes (collectively, the "**Secured Debt**" or the "**Offered Securities**") are referred to in the Offering Circular using the respective term set forth in the heading "*Class Designation*" in the table above.

Each Class of Notes shall be issued in Minimum Denominations of U.S.\$100,000 and integral multiples of U.S.\$1.00 in excess thereof. The Notes shall only be transferred or resold in compliance with the terms of this Indenture.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Collateral Trustee or the Authenticating Agent for authentication and the Collateral Trustee or the Authenticating Agent, upon Issuer Order (which shall be deemed to be provided upon delivery of an executed Note to the Collateral Trustee or Authenticating Agent), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Collateral Trustee or the Authenticating Agent upon Issuer Order on the 2024 Closing Date shall be dated as of the 2024 Closing Date. All other Notes that are authenticated after the 2024 Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in authorized denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication,

substantially in the form provided for herein, executed by the Collateral Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "**Register**") at the office of the Collateral Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes (including the names and addresses of the Holders and the principal or face amount (and stated interest) due to each Holder) and the registration of transfers of Notes. The Collateral Trustee is hereby initially appointed registrar (the "**Registrar**") for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. The entries in the Register shall be conclusive, absent manifest error, and the Holders, the Issuer, any Paying Agent, and the Collateral Trustee shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Holder for all purposes of this Indenture. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Registrar.

If a Person other than the Collateral Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Collateral Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Collateral Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Collateral Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any Holder a current list of Holders (and their holdings) as reflected in the Register. In addition and upon written request at any time, the Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any Holder any information the Registrar actually possesses regarding the nature and identity of any beneficial owner of any Note (and its holdings).

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Collateral Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Collateral Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Secured Debt (other than the Class E-RR Notes and the Class F-RR Notes), the Co-Issuer, evidencing the same debt

(to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with (if required by the Registrar) signature guarantee by an eligible guarantor institution meeting the requirements of the Registrar (which requirements may include membership or participation in the Securities Transfer Agents Medallion Program ("**STAMP**") or such other "signature guarantee program" acceptable to the Registrar in addition to, or in substitution for, STAMP).

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Collateral Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Collateral Trustee or the Registrar shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and shall not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) No transfer of any Class E-RR Note, Class F-RR Note or Subordinated Note (or any interest therein) shall be effective, and the Collateral Trustee shall not recognize any such transfer, if after giving effect to such transfer 25% or more of the total value of any such Class, respectively, represented by the Aggregate Outstanding Amount thereof would be held by Persons who have represented that they are, or are acting on behalf of, Benefit Plan Investors. For purposes of calculating the 25% Limitation, any Notes of the Issuer held by a Person (other than a Benefit Plan Investor) who is a Controlling Person shall be disregarded and not treated as Outstanding. The Issuer and the Collateral Trustee shall be entitled to rely exclusively upon the information set forth in the face of the transfer certificates received pursuant to the terms of this Section 2.5 and only Notes that a Trust Officer of the Collateral Trustee actually knows to be so held shall be so disregarded. In addition, no Class E-RR Notes, Class F-RR Notes or Subordinated Notes in the form of Global Notes (other than Class E-RR Notes, Class F-RR Notes and Subordinated Notes purchased from the Issuer or the Initial Purchaser as part of the initial offering) may be held by or transferred to a Benefit Plan Investor or Controlling Person, and each beneficial owner of a Class E-RR Note, a Class F-RR Note or a Subordinated Note acquiring its interest therein in the initial offering shall provide to the Issuer a written certification in the form of Exhibit B-5 attached hereto.

(d) Notwithstanding anything contained herein to the contrary, except as provided in Section 2.5(c), the Collateral Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code, the Investment Company Act, or the terms hereof; *provided* that if a certificate is specifically required by the terms of this

Section 2.5 to be provided to the Collateral Trustee by a purchaser or by a prospective transferor or transferee, the Collateral Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

(e) For so long as any of the Debt is Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons.

(f) Transfers of Global Secured Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(f).

(i) Rule 144A Global Secured Note to Regulation S Global Secured Note. In the case of the Secured Notes, if a Holder of a beneficial interest in a Rule 144A Global Secured Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Secured Note for an interest in the corresponding Regulation S Global Secured Note, or to transfer its interest in such Rule 144A Global Secured Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Secured Note, such Holder (*provided* that such Holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Secured Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Secured Note, but not less than the Minimum Denomination applicable to such Holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate in the form of Exhibit B-1 attached hereto given by the Holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Secured Notes, including that the Holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S and (D) a written certification in the form of Exhibit B-2 or Exhibit B-4, as applicable, attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Secured Note and to increase the principal amount of the Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Secured Note equal to the reduction in the principal amount of the Rule 144A Global Secured Note.

(ii) Regulation S Global Secured Note to Rule 144A Global Secured Note. If a Holder of a beneficial interest in a Regulation S Global Secured Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Secured Note for an interest in the corresponding Rule 144A Global Secured Note or to transfer its interest in such Regulation S Global Secured Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Secured Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Secured Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Secured Note in an amount equal to the beneficial interest in such Regulation S Global Secured Note, but not less than the Minimum Denomination applicable to such Holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate in the form of Exhibit B-3 attached hereto given by the Holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Secured Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Secured Note is a Qualified Institutional Buyer and either (x) a Qualified Purchaser or (y) an entity owned exclusively by Qualified Purchasers, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B-2 or Exhibit B-4, as applicable, attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a Qualified Institutional Buyer and either (x) a Qualified Purchaser or (y) an entity owned exclusively by Qualified Purchasers, then the Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Secured Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Secured Note equal to the reduction in the principal amount of the Regulation S Global Secured Note.

(iii) Global Secured Note to Certificated Secured Note. Subject to Section 2.11(a), if a Holder of a beneficial interest in a Global Secured Note deposited with DTC wishes at any time to transfer its interest in such Global Secured Note to a Person who wishes to take delivery thereof in the form of a corresponding Certificated Secured Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, transfer, or cause the transfer of, such interest for a Certificated Secured Note. Upon receipt by the Registrar of (A) a certificate substantially in the forms of Exhibit B-2 or Exhibit B4 (as applicable) attached hereto executed by the transferee with respect to the Secured Notes other than the Class E-RR Notes and the Class F-RR Notes and, with respect to Class E-RR Notes and

the Class F-RR Notes, a certificate substantially in the form of Exhibit B-5 and (B) appropriate instructions from DTC, if required, the Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Global Secured Note by the aggregate principal amount of the beneficial interest in the Global Secured Note to be transferred, record the transfer in the Register in accordance with Section 2.5(a) and upon execution by the Applicable Issuers and authentication and delivery by the Collateral Trustee, one or more corresponding Certificated Secured Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in such Global Secured Note transferred by the transferor), and in authorized denominations.

(g) Transfers of Certificated Secured Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(g).

(i) Certificated Secured Notes to Global Secured Notes. Each Person who becomes an owner of a Certificated Note on the 2024 Closing Date shall be required to provide the Initial Purchaser and the Issuer, as applicable, with a subscription agreement containing representations substantially similar to those set forth in Exhibit B-2 and Exhibit B-4 hereto (and, in the case of the Class E-RR Notes, the Class F-RR Notes and the Subordinated Notes, Exhibit B-5), as applicable, as well as other agreements and indemnities (except as may be expressly agreed in writing between such Person and the Issuer or the Initial Purchaser, as applicable).

(n) The Registrar, the Collateral Trustee and the Issuer shall be entitled to conclusively rely on the information set forth on the face of any transferor and transferee certificate delivered pursuant to this Section 2.5 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation. Notwithstanding anything in this Indenture to the contrary, the Collateral Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Collateral Trustee has not been notified in writing or a Trust Officer does not have actual knowledge of any transfer requiring such certificate to be presented by the proposed transferor or transferee.

(o) For the avoidance of doubt, notwithstanding anything in this Indenture to the contrary, the Initial Purchaser may hold a position in a Regulation S Global Secured Note prior to the distribution of the applicable Notes represented by such position.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Collateral Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Collateral Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Collateral Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon Issuer Order, which shall be deemed to have been provided upon delivery to the Collateral Trustee for execution of a Note signed by the Applicable Issuers, the Collateral Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously Outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Collateral Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Collateral Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Collateral Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Debt of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period with respect to the Secured Debt (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Debt (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) shall be subordinated to the payment of interest on each related Priority Class as provided in Section 11.1. So long as any Priority Class is Outstanding with respect to the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes or the Class F-RR Notes, as applicable, any payment of interest due on the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes or the Class F-RR Notes, as applicable, which, in each case, is not available to be paid in accordance with the Priority of Payment on any Payment Date (such unpaid interest with respect to each such Class, as applicable (the "**Deferred Interest**")) shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (A) the Payment Date on which funds are available to pay such Deferred Interest in accordance with the Priority of Payments and (B) (i) the Redemption Date with respect to such Class of Notes and (ii) the Stated Maturity of such Class of Secured Debt. Deferred Interest on the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes and the Class F-RR Notes shall be added to the principal balance of the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes and the Class F-RR Notes, respectively, and shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments. Regardless of whether any Priority Class is Outstanding with respect to the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes or the Class F-RR Notes, to the extent that funds are not available on any Payment Date (other than, in the case of the Class C-RR Notes, the Class D-1RR Notes, the Class D-JRR Notes, the Class E-RR Notes or the Class F-RR Notes, the Redemption Date with respect to, or Stated Maturity of, such Class of Secured Debt) to pay previously accrued Deferred Interest, such previously accrued Deferred Interest shall not be due and payable on such Payment Date and any failure to pay such previously accrued Deferred Interest on such Payment Date shall not be an Event of Default.

Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class X-RR Notes, Class A-1RR Notes, Class A-JRR Notes or Class B-RR Notes or, if no Class X-RR Notes, Class A-1RR Notes, Class A-JRR Notes or Class B-RR Notes are Outstanding, any Class C-RR Notes or, if no Class C-RR Notes are Outstanding, any Class D-1RR Notes or, if no Class D-1RR Notes are Outstanding, any Class D-JRR Notes shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of the Secured Debt of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Debt becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Debt (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur in accordance with the Priority of Payments. Payments of principal on any Class of Secured Debt, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class of Debt or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Article IX.

(d) As a condition to the payment of any amounts on any Debt without the imposition of withholding or back-up withholding tax, any Paying Agent (including the Collateral Trustee serving in such capacity) shall require certification acceptable to it to enable it to determine its duties and liabilities, or such certification as the Issuer, the Co-Issuer or any Paying Agent shall request to enable such party to determine its duties and liabilities, with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Debt under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders of beneficial owners of the Debt as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Debt. Nothing herein shall be construed to obligate the Paying Agent to determine the duties or liabilities of the Issuer or the Co-Issuer or any other paying agent with respect to any tax certification or withholding requirements, or any tax certification or withholding requirements of any jurisdiction, political subdivision or taxing authority outside the United States.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Collateral Trustee in Dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to

the Holder or its nominee with respect to a Certificated Note; *provided* that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Collateral Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Collateral Trustee or at the office of any Paying Agent on or prior to such Maturity; *provided* that if the Collateral Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Collateral Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Collateral Trustee, the Portfolio Manager nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Collateral Trustee, in the name and at the expense of the Applicable Issuers shall prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$1,000 original principal amount of Secured Debt, original principal amount of Subordinated Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Debt of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Secured Debt of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Secured Debt of such Class on such Record Date. Payments to the Holders of the Subordinated Notes of each Class from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes of such Class on such Record Date.

(g) Interest accrued with respect to the Floating Rate Debt shall be calculated on the basis of the actual number of days elapsed in the applicable Notional Accrual Period or Interest Accrual Period divided by 360. Interest accrued with respect to any Fixed Rate Debt shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of Debt (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Debt and of any Debt issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Debt.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Debt and this Indenture are limited recourse obligations of the Applicable Issuers payable solely from the Assets in accordance with the Priority of Payments and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, manager, member, employee, shareholder, authorized person, organizer or incorporator of the Co-Issuers, the Portfolio Manager or their respective Affiliates, successors or assigns for any amounts payable under the Debt or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (a) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (b) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Debt or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Collateral Trustee, and any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Collateral Trustee or any agent of the Issuer, the Co-Issuer or the Collateral Trustee shall be affected by notice to the contrary.

Section 2.9 Surrendered Notes; Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall be promptly cancelled by the Collateral Trustee and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Notes held by the Collateral Trustee shall be destroyed or held by the Collateral Trustee in accordance with its standard retention policy unless the Applicable Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it. No Note may be surrendered (including in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein, or for registration of transfer, exchange or redemption, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen.

Section 2.10 Issuer Purchases of Secured Debt. Notwithstanding anything to the contrary in this Indenture, the Portfolio Manager, on behalf of the Issuer, may conduct purchases

of the Secured Debt during the Reinvestment Period, in whole or in part, in accordance with, and subject to, the terms and conditions set forth below. Notwithstanding the provisions of this Indenture described under Section 10.2 or Section 10.3(g), Principal Proceeds in the Collection Account and amounts designated for such purpose from the Permitted Use Account in accordance with the definition of "Permitted Use" may be disbursed for purchases of Secured Debt in accordance with the provisions described in this Section 2.10. The Collateral Trustee shall (i) in the case of Certificated Secured Notes, cancel as described under Section 2.9 any such purchased Notes surrendered to it for cancellation or (ii) in the case of any Global Secured Notes, decrease the Aggregate Outstanding Amount of such Global Secured Notes in its records by the full par amount of the purchased Secured Notes, and instruct DTC or its nominee, as the case may be, to conform its records.

No purchases of the Secured Debt may occur unless each of the following conditions is satisfied:

(a) (i) subject to subclause (ii) below, such purchases shall occur in sequential order of priority beginning with the Class A-1RR Notes and the Class X-RR Notes, *pro rata* based on Aggregate Outstanding Amounts;

(ii) (A) each such purchase of any Class is made pursuant to an offer made to all Holders of the Debt of such Class, by notice to such Holders, which notice specifies the purchase price (as a percentage of par) at which such purchase shall be effected, the maximum amount of Principal Proceeds and/or funds from the Permitted Use Account that shall be used to effect such purchase and the length of the period during which such offer shall be open for acceptance, (B) each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms, and (C) if the Aggregate Outstanding Amount of the relevant Class held by Holders who accept such offer exceeds the amount of Principal Proceeds and/or funds from the Permitted Use Account specified in such offer, a portion of such Secured Debt of each accepting Holder shall be purchased *pro rata* based on the respective principal amount held by each such Holder;

(iii) each such purchase is effected only at prices equal to or discounted from par;

(iv) each such purchase occurs during the Reinvestment Period and shall be effected with Principal Proceeds and/or amounts designated for such purpose from the Permitted Use Account in accordance with the definition of "Permitted Use";

(v) no Event of Default has occurred and be continuing;

(vi) any Certificated Secured Notes to be purchased shall be surrendered to the Collateral Trustee for cancellation;

(vii) each Coverage Test is (A) satisfied immediately prior to each such purchase, and (B) maintained or improved immediately after giving effect to such purchase;

- (viii) a Majority of the Subordinated Notes has consented;
 - (ix) each such purchase shall otherwise be conducted in accordance with applicable law; and
 - (x) with respect to each such purchase, notice has been provided to the Rating Agency; and
- (b) the Collateral Trustee has received an Officer's certificate of the Portfolio Manager to the effect that the conditions in the foregoing subsection (a) have been satisfied.

The Issuer reserves the right to cancel any offer to purchase Secured Debt prior to finalizing such offer.

Section 2.11 DTC Ceases to Be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) any of (x) (i) DTC notifies the Applicable Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event, or (y) an Event of Default has occurred and is continuing and such transfer is requested by any beneficial owner of an interest in such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Collateral Trustee's office located in the applicable Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Collateral Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in authorized denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of subsection (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of any of the events specified in subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Collateral Trustee a reasonable supply of Certificated Notes.

If Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.11, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the

Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Collateral Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate in the form of Exhibit C) and/or other forms of reasonable evidence of such ownership. In addition, the beneficial owners of interest in Global Notes may provide (and the Collateral Trustee may receive and rely on) consents to the Collateral Trustee that the Holders of a Global Note would be entitled to provide in accordance with this Indenture (but only to the extent of such beneficial owner's interest in the Global Note, as applicable).

Neither the Collateral Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.12 Non-Permitted Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Notes to a U.S. person that is not a QIB/QP shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Collateral Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes. In addition, the acquisition of Notes by a Non-Permitted ERISA Holder shall be null and void *ab initio*.

(b) If (x) any U.S. person (other than a Permitted IAI, with respect to Subordinated Notes in the form of Certificated Notes) that is (1) not a QIB/QP (or a corporation, partnership, limited liability company or other entity (other than a trust, except as otherwise agreed to by the Issuer), each shareholder, partner, member or other equity owner of which is a Qualified Purchaser) or (2) a Permitted IAI shall become the Holder or beneficial owner of an interest in a Note, (y) any Holder of Notes shall fail to comply with its Holder Reporting Obligations or (z) any Holder of Notes is a Non-Permitted Tax Holder (any such Person described in clauses (x), (y) or (z) above, a "**Non-Permitted Holder**"), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall (but with respect to clause (y), may), promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Collateral Trustee (or upon notice to the Issuer from the Collateral Trustee if a Trust Officer of the Collateral Trustee obtains actual knowledge or the Co-Issuer to the Issuer, if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days (or, in the case of a Non-Permitted Tax Holder, 10 days) after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer or the Portfolio Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder; *provided* that the Portfolio Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Portfolio Manager shall be entitled to bid in any such sale.

However, the Issuer or the Portfolio Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Trustee or the Portfolio Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note (or any interest therein) to a Person who has made an ERISA-related representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation shall be null and void and any such purported transfer may be disregarded by the Issuer, the Co-Issuer and the Collateral Trustee for all purposes.

(d) If any Person shall become the beneficial owner of any Note (or any interest therein) who has made or is deemed to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, Similar Law or Other Plan Law representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such Person a "**Non-Permitted ERISA Holder**"), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer (or upon notice to the Issuer from the Collateral Trustee if a Trust Officer of the Collateral Trustee obtains actual knowledge or the Co-Issuer to the Issuer if it makes the discovery), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer such Note (or its interest therein) to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Note (or its interest therein), the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Non-Permitted ERISA Holder's Note (or its interest therein) to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Note (or interest therein) to the highest such bidder. However, the Issuer may select a purchaser by other means determined by it in its sole discretion. The Holder of each Note (or interest therein), the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of the Note (or any interest therein), agrees to cooperate with the Issuer and the Collateral Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Trustee or the Portfolio Manager shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.13 Taxes. (a) Each Holder (including, for purposes of this Section 2.13, any beneficial owner of an interest in a Note) agrees or will be deemed to have represented and agreed to treat the Issuer, the Co-Issuer, and the Notes as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law, it being understood that this paragraph shall not prevent a holder of Class E-RR Notes or Class F-RR Notes, as applicable, from making a protective "qualified electing fund" election or protective information returns.

(b) Each Holder will timely furnish the Issuer, the Co-Issuer, the Collateral Trustee, or any agent of the Issuer any tax forms or certifications (such as an applicable IRS Form W-8 with appropriate attachments, IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents may reasonably request (A) to permit the Issuer or its agents to make payments to it without, or at a reduced rate of, deduction or withholding, (B) to enable the Issuer or its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) to enable the Issuer or its agents to satisfy reporting and other obligations under the Code and Treasury regulations and under any other applicable laws, and shall update or replace such documentation, agreements, information, or certifications as appropriate or in accordance with their terms or subsequent amendments thereto. It acknowledges that the failure to provide, update or replace any such documentation, agreements, information, or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder. Amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld pursuant to applicable tax laws will be treated as having been paid to the Holder by the Issuer.

(c) Each purchaser, beneficial owner and subsequent transferee agrees (A) to obtain and provide the Issuer and the Collateral Trustee (including their agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Collateral Trustee or their agents or representatives, as applicable) to achieve FATCA Compliance, for the Issuer to comply with the Cayman FATCA Legislation and the CRS or for the Issuer to achieve AML Compliance (the obligations undertaken pursuant to this clause (A), the "**Holder Reporting Obligations**"), (B) that the Issuer or its agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to achieve FATCA Compliance, for the Issuer to comply with the Cayman FATCA Legislation and the CRS and for the Issuer to achieve AML Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with its Holder Reporting Obligations or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in Section 2.12(b) and/or (3) assign to such Notes a separate CUSIP or CUSIPs, and, in the case of this subclause (3), to deposit payments on such Notes into a tax reserve account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder

or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA); *provided*, that any unallocated amounts remaining in a tax reserve account will be released to the applicable Holder (a) on the date of final payment for the Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Collateral Trustee that it no longer holds an interest in any Notes. Any amounts deposited into a tax reserve account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Each purchaser, beneficial owner and subsequent transferee agrees to indemnify the Issuer, the Portfolio Manager, the Collateral Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from its failure to comply with its Holder Reporting Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(d) With respect to any period during which any Holder of Subordinated Notes owns more than 50% of the Subordinated Notes by value, or during which any Holder of the Subordinated Notes is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i)), such Holder must represent that it will (i) cause any member of such expanded affiliated group (assuming that the Issuer and any Issuer Subsidiary are "participating FFIs" within the meaning of Treasury regulations section 1.1471-4(e)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder to be either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e), and (ii) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this provision.

(e) Each Holder of Class E-RR Notes, Class F-RR Notes or Subordinated Notes, if it is not a United States person (as defined in Section 7701(a)(30) of the Code), by acceptance of its Note shall be deemed to represent that it either: (A) is not a bank (within the meaning of Section 881 of the Code) or an affiliate of a bank; (B) if a bank (within the meaning of Section 881 of the Code), after giving effect to its purchase of the Class E-RR Notes, Class F-RR Notes or Subordinated Notes (as applicable), (x) will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3) and (y) has not purchased the Notes in whole or in part to avoid any U.S. federal income tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the purchaser, beneficial owner or subsequent transferee); (C) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States; or (D) has provided an IRS Form W-8BEN-E representing that it is a person that is eligible for benefits under an income tax treaty with the United States that

eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States.

(f) No purchaser, beneficial owner or subsequent transferee of a Subordinated Note shall treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

Section 2.14 Additional Issuance. (a) At any time during the Reinvestment Period (or, with respect to an issuance of Junior Mezzanine Notes and/or Subordinated Notes, at any time), the Co-Issuers or the Issuer, as applicable, may issue and sell or borrow additional debt of any one or more new classes of debt that are subordinated to the existing Secured Debt (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of debt issued or incurred pursuant to this Indenture other than the Secured Debt and the Subordinated Notes is then Outstanding) ("**Junior Mezzanine Notes**") and/or additional debt of each of the existing Classes (subject, in the case of additional debt of an existing Class of Secured Debt, to clause (v) below); *provided* that the following conditions are met:

(i) the Portfolio Manager consents to such issuance and such issuance is consented to by a Majority of the Subordinated Notes;

(ii) in the case of additional debt of any one or more existing Classes (other than the Subordinated Notes and Junior Mezzanine Notes) or any additional debt that will be paid *pari passu* with one or more existing Classes (other than the Subordinated Notes and Junior Mezzanine Notes), such issuance is consented to by a Majority of the Controlling Class;

(d) except as otherwise provided in this Section 5.1, a default in the performance by, or breach of any covenant of, the Issuer or the Co-Issuer under this Indenture (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test or Coverage Test or the Interest Diversion Test is not an Event of Default and any failure to satisfy other covenants or agreements for which a specific remedy has been provided under this Indenture is not an Event of Default, except in either case to the extent provided in clause (g) below, and any failure to provide notice to any Rating Agency of certain events, as specified hereto, affecting Collateral Obligations for which the applicable rating is based on a credit estimate is not an Event of Default), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection with this Indenture, to be correct in each case in all material respects when the same shall have been made, which breach, default or failure has a material adverse effect on one or more Classes of Debt and the continuation of such default, breach or failure for a period of 45 days after notice to the Issuer or the Co-Issuer, as applicable, and the Portfolio Manager by registered or certified mail or overnight courier, by the Collateral Trustee, the Issuer, the Co-Issuer or the Portfolio Manager, or to the Issuer or the Co-Issuer, as applicable, the Portfolio Manager and the Collateral Trustee at the direction of a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(e) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, respectively, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days;

(f) the institution by the Issuer or the Co-Issuer of Proceedings to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent of the Issuer or the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or the Co-Issuer, as the case may be, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of

creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due; or

(g) on any Measurement Date after the Effective Date, failure of the percentage equivalent of a fraction, (i) the numerator of which is equal to (1) the sum of (A) the Aggregate Principal Balance of the Collateral Obligations (other than Defaulted Obligations) and (B) without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds *plus* (2) the aggregate Market Value of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1RR Notes, to equal or exceed 102.5%.

Upon obtaining knowledge of the occurrence of an Event of Default (in the case of (x) the Portfolio Manager, by a Responsible Officer and (y) the Collateral Trustee, by a Trust Officer), each of (i) the Co-Issuers, (ii) the Collateral Trustee and (iii) the Portfolio Manager shall notify each other. Upon the occurrence of an Event of Default known to a Trust Officer of the Collateral Trustee, the Collateral Trustee shall, not later than three Business Days thereafter, notify the Debtholders (as their names appear on the Register), each Paying Agent, the Portfolio Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall notify the Rating Agency) of such Event of Default in writing (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(e) or (f)), the Collateral Trustee may, and shall, upon the written direction of a Majority of the Controlling Class, by notice to the Co-Issuer, the Issuer (subject to Section 14.3(c), which notice the Issuer shall provide to the Rating Agency then rating a Class of Secured Debt) and the Portfolio Manager, declare the principal of and accrued interest on all the Secured Debt to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Debt, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Collateral Trustee or any Debtholder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer and the Collateral Trustee (who shall forward such notice to the Rating Agency), may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Collateral Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Debt (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rate; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Collateral Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Portfolio Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Portfolio Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Debt that has become due solely by such acceleration, have (A) been cured, or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Collateral Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Debt, the Applicable Issuers shall, upon demand of the Collateral Trustee, pay to the Collateral Trustee, for the benefit of the Holder of such Secured Debt, the whole amount, if any, then due and payable on such Secured Debt for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Collateral Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Collateral Trustee, in its own name and as trustee of an express trust, may, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Debt and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Collateral Trustee may in its discretion, and shall, subject to the terms of this Indenture (including Section 6.3(e)) upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Collateral Trustee shall deem most effectual (if no such direction is received by the Collateral Trustee) or as the Collateral Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Collateral Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Debt under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Collateral Trustee, regardless of whether the principal of any Secured Debt shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Collateral Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Debt upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Collateral Trustee (including any claim for reasonable compensation to the Collateral Trustee and each predecessor Collateral Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee, except as a result of negligence or bad faith) and of the Secured Debtholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Debt or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Debtholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Debtholders and of the Collateral Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Debtholders to make payments to the Collateral Trustee, and, if the Collateral Trustee shall consent to the making of payments directly to the Secured Debtholders, to pay to the Collateral Trustee such amounts as shall be sufficient to cover reasonable compensation to the Collateral Trustee, each predecessor Collateral Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Collateral Trustee and each predecessor Collateral Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Collateral Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Debtholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Debt or any Holder thereof, or to authorize the Collateral Trustee to vote in respect of the claim of any Secured Debtholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Collateral Trustee on behalf of the Holders of the Secured Debt (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Collateral Trustee shall be a party), the Collateral Trustee shall be held to represent all the Holders of the Secured Debt.

Notwithstanding anything in this Section 5.3 to the contrary, the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default has occurred and is continuing, and the Secured Debt has been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Collateral Trustee may, and shall, subject to the terms of this Indenture (including Section 6.3(e)), upon written direction of a Majority of the Controlling Class and notice by the Issuer to the Rating Agency, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Debt or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Collateral Trustee and the Holders of the Secured Debt hereunder (including exercising all rights of the Collateral Trustee under the Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Collateral Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Collateral Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Secured Debt, which may be the Initial Purchaser or other appropriate adviser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal

of and interest on the Secured Debt which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Collateral Trustee may, and at the direction of the Holders or beneficial owners of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, subject to the terms of this Indenture (including Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability. Any Holder bidding at such sale may, in payment of the purchase price, deliver to the Collateral Trustee for surrender and cancellation any of the Notes owned by such Holder in lieu of cash equal to the amount which would, upon distribution of the net proceeds of such sale, be payable on the Notes so delivered by such Holder (taking into account the Class of such Notes, the Priority of Payments and Article XIII).

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Collateral Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Collateral Trustee and the Holders of the Secured Debt, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) (i) Notwithstanding any other provision of this Indenture, none of the Collateral Trustee, the Secured Parties or the Holders or beneficial owners of the Debt may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Debt, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article V, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer or any Issuer Subsidiary, the Issuer or the Co-Issuer, as applicable, subject to the availability of funds as described in the immediately following sentence, shall promptly object to the institution of any such proceeding against it and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without limiting the generality of the foregoing, to timely file an answer and any other appropriate

pleading objecting to (x) the institution of any Proceeding to have the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (y) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Co-Issuer or the Issuer (including reasonable attorney's fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses. Any person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Secured Debt institutes, or joins in the institution of, a proceeding described in clause (i) above against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) shall be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Debt that does not seek to cause any such filing, with such subordination being effective until each Secured Debt held by each Holder or beneficial owners of any Secured Debt that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "**Bankruptcy Subordination Agreement.**" The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Collateral Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(d)(ii).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Collateral Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Trustee, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation Proceeding.

(iv) The agreements described in clauses (i) and (ii) of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of the Debt to acquire such Debt and for the Issuer, the Co-Issuer and the Portfolio Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of Debt, any Issuer Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any

bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Collateral Trustee shall retain the Assets securing the Secured Debt intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Debt in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Collateral Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the anticipated reasonable expenses of such sale or liquidation) would be sufficient to (A) discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Debt for principal and interest (including accrued and unpaid Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Debt (including amounts due and owing or reasonably anticipated to be due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), any due and unpaid Portfolio Management Fees and amounts payable to any Hedge Counterparty pursuant to an early termination (or partial early termination) of such Hedge Agreement as a result of a Priority Termination Event), and (B) pay an additional amount equal to 5% of the aggregate of the amounts set forth in clause (A), and a Majority of the Controlling Class agrees with such determination;

(ii) in the case of an Event of Default specified in Section 5.1(a), Section 5.1(e), Section 5.1(f), or Section 5.1(g) a Majority of the Class A-1RR Notes directs the sale and liquidation of the Assets (without regard to whether another Event of Default has occurred prior, contemporaneously or subsequent to such Event of Default);

(iii) in the case of an Event of Default specified in Section 5.1(b), Section 5.1(c), or Section 5.1(d), a Supermajority of all Classes of Secured Debt (voting separately by Class) directs the sale and liquidation of the Assets; or

(iv) if only Subordinated Notes are then Outstanding, a Majority of the Subordinated Notes directs the sale and liquidation of the Assets.

So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii), (iii) or (iv) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to sell the Assets securing the Secured Debt if the conditions set forth in clause (i), (ii), (iii) or (iv) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Collateral Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee shall use reasonable efforts to obtain, with the cooperation of the Portfolio Manager, bid prices with respect to each Loan, Equity Security or other asset contained in the Assets from two nationally recognized dealers (as specified by the Portfolio Manager in writing) at the time making a market therein and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such Loan, Equity Security or other asset. In the event that the Collateral Trustee, with the cooperation of the Portfolio Manager, is only able to obtain bid prices with respect to a Loan, Equity Security or other asset contained in the Assets from one nationally recognized dealer at the time making a market therein, the Collateral Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Collateral Trustee may retain and rely on an opinion of an Independent investment banking firm, or other appropriate adviser, of national reputation (the cost of which shall be payable as an Administrative Expense).

The Collateral Trustee shall deliver to the Debtholders and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Collateral Trustee shall make the determinations required by Section 5.5(a)(i) at the written request of a Supermajority of the Controlling Class at any time during which the Collateral Trustee retains the Assets pursuant to Section 5.5(a)(i); *provided* that any such request made more frequently than once in any 90-day period shall be at the expense of such requesting party or parties.

Section 5.6 Collateral Trustee May Enforce Claims without Possession of the Debt. All rights of action and claims under this Indenture or under any of the Secured Debt may be prosecuted and enforced by the Collateral Trustee without the possession of any of the Secured Debt or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Collateral Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Collateral Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Collateral Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iv), at the date or dates fixed by the Collateral Trustee. Upon the final distribution of all proceeds of the Assets effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder or beneficial owner of any Debt shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Debt, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder or beneficial owner has previously given to the Collateral Trustee written notice of an Event of Default;

(b) the Holders or beneficial owners of not less than 25% of the then Aggregate Outstanding Amount of the Debt of the Controlling Class shall have made written request to the Collateral Trustee to institute Proceedings in respect of such Event of Default in its own name as Collateral Trustee hereunder and such Holder or Holders or beneficial owners have provided the Collateral Trustee indemnity reasonably satisfactory to the Collateral Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Collateral Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Collateral Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders or beneficial owners of Debt shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders or beneficial owners of Debt of the same Class or to obtain or to seek to obtain priority or preference over any other Holders or beneficial owners of the Debt of the same Class or to enforce any right under this Indenture or the Notes, except in the manner herein or therein provided and for the equal and ratable benefit of all the Holders or beneficial owners of Debt of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Collateral Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders or beneficial owners of the Controlling Class, each representing less than a Majority of the Controlling Class, the Collateral Trustee shall act in accordance with the request specified by the group of Holders or beneficial owners with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Collateral Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Debtholders to Receive Principal and Interest. (a) Subject to Section 2.7(i), but notwithstanding any other provision of this Indenture, the Holder of any Secured Debt shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Debt, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Debt ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Debt ranking senior to such Secured Debt remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Collateral Trustee or any Debtholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined

adversely to the Collateral Trustee or to such Debtholder, then and in every such case the Co-Issuers, the Collateral Trustee and the Debtholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Collateral Trustee and the Debtholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Collateral Trustee or to the Debtholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Collateral Trustee or any Holder of Secured Debt to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Collateral Trustee or to the Holders of the Secured Debt may be exercised from time to time, and as often as may be deemed expedient, by the Collateral Trustee or by the Holders of the Secured Debt.

Section 5.13 Control by Majority of Controlling Class. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee or to direct the Collateral Trustee in exercising any trust or power conferred upon the Collateral Trustee under this Indenture; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Collateral Trustee may take any other action deemed proper by the Collateral Trustee that is not inconsistent with such direction; *provided* that subject to Section 6.1, the Collateral Trustee need not take any action that it determines might involve it in liability or expense (unless the Collateral Trustee has received the indemnity as set forth in (c) below);

(c) the Collateral Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Collateral Trustee to undertake a Sale of the Assets shall be by the Holders or beneficial owners of Debt representing the requisite percentage of the Aggregate Outstanding Amount of Debt and Class(es) thereof, as applicable, specified in Section 5.4 and/or Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Collateral Trustee, as provided in this

Article V, a Majority of the Controlling Class may on behalf of the Holders and beneficial owners of all the Debt waive any past Default or Event of Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Debt (which may be waived only with the consent of the Holder or beneficial owner of such Secured Debt);

(b) in the payment of interest on any Secured Debt (which may be waived only with the consent of the Holder or beneficial owner of such Secured Debt); or

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder or beneficial owner of each Outstanding Debt materially and adversely affected thereby (which may be waived only with the consent of each such Holder or beneficial owner).

In the case of any such waiver, the Co-Issuers, the Collateral Trustee and the Holders of the Debt shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereto. The Collateral Trustee shall promptly give written notice of any such waiver to the Portfolio Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to the Rating Agency then providing a rating on any Class of Secured Debt) and each Holder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder and beneficial owner of any Debt by such Holder's or beneficial owner's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Collateral Trustee for any action taken, or omitted by it as Collateral Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Collateral Trustee, to any suit instituted by any Debtholder, or group of Debtholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Debtholder for the enforcement of the payment of the principal of or interest on any Debt on or after the applicable Stated Maturity (or, in the case of any redemption whose failure to pay would constitute an Event of Default, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Collateral

Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Collateral Trustee may upon notice to the Debtholders and the Portfolio Manager, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Collateral Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Collateral Trustee shall be authorized to deduct the reasonable costs, charges and expenses (including costs and expenses of its attorneys and agents) incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 or other applicable terms hereof.

(b) The Collateral Trustee and the Portfolio Manager (and/or any of its affiliates) may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and the Collateral Trustee may pay all or part of the purchase price by crediting against amounts owing on the Secured Debt in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses (including the reasonable costs and expenses of its attorneys and agents) incurred by the Collateral Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof or other applicable terms hereof. The Secured Debt need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Collateral Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("**Unregistered Securities**"), the Collateral Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Collateral Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof, without recourse, representation or warranty. In addition, the Collateral Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Collateral Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

Section 5.18 Action on the Debt. The Collateral Trustee's right to seek and recover judgment on the Debt or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the

lien of this Indenture nor any rights or remedies of the Collateral Trustee or the Debtholders shall be impaired by the recovery of any judgment by the Collateral Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE COLLATERAL TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Collateral Trustee:

(i) the Collateral Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Collateral Trustee; and

(ii) in the absence of bad faith on its part, the Collateral Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Collateral Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Collateral Trustee, the Collateral Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Portfolio Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Collateral Trustee within 15 days after such notice from the Collateral Trustee, the Collateral Trustee shall so notify the Debtholders.

(b) In case an Event of Default known to the Collateral Trustee has occurred and is continuing, the Collateral Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Collateral Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection (c) shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Collateral Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Collateral Trustee was negligent in ascertaining the pertinent facts;

(iii) the Collateral Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required or permitted by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Collateral Trustee, or exercising any trust or power conferred upon the Collateral Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Collateral Trustee to expend or risk its own funds or otherwise incur any financial or other liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it; and

(v) in no event shall the Collateral Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Collateral Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Collateral Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d), (e), (f) or (g) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Collateral Trustee at the Corporate Trust Office, and such notice references the Debt generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Collateral Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Collateral Trustee is deemed to have notice as described in this Section 6.1.

(e) Not later than one Business Day after the Collateral Trustee receives (i) written notice of assignment pursuant to Section 13 of the Portfolio Management Agreement or (ii) written notice of resignation from the Portfolio Manager pursuant to Section 12 of the Portfolio Management Agreement, the Collateral Trustee shall forward a copy of such notice to the Debtholders (as their names appear in the Register). In no event shall the Collateral Trustee be deemed to have notice or knowledge of or otherwise be required to determine whether any event or circumstance exists that would give rise to "Cause" (as defined under the Portfolio Management Agreement) for the termination of the Portfolio Manager.

(f) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Collateral Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3.

(g) For all purposes under this Indenture, the Collateral Trustee shall not be deemed to have notice or knowledge of any Tax Event unless it receives written notice of the occurrence of a Tax Event from the Portfolio Manager.

(h) The Collateral Trustee shall not have any obligation to determine, verify or confirm the compliance by the Issuer, the Retention Holder or any other Person with the EU Retention and EU Transparency Requirements, the Retention Undertaking Letter or the US Risk Retention Rules or the risk retention rules of any other jurisdiction. The Collateral Trustee is hereby authorized and directed to provide its acknowledgement to the Retention Undertaking Letter.

(i) The Collateral Trustee shall have no obligation, liability or responsibility for the selection or verification of any Benchmark Transition Event, Fallback Rate or Designated Reference Rate (including, without limitation, whether the conditions for the designation of such Benchmark Transition Event, Fallback Rate or Designated Reference Rate have been satisfied).

(j) The Collateral Trustee shall not have any obligation to confirm the compliance by the Issuer, the Portfolio Manager or any other Person with the Tax Guidelines or the Advisory Committee Guidelines.

(k) The Collateral Trustee shall have no liability or responsibility for monitoring or verifying AML Compliance or compliance with FATCA for the Issuer, any Holder or any other Person.

Section 6.2 Notice of Event of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Event of Default actually known to a Trust Officer of the Collateral Trustee or after any declaration of acceleration has been made or delivered to the Collateral Trustee pursuant to Section 5.2, the Collateral Trustee shall transmit by mail or email to the Portfolio Manager, the Issuer (and, subject to Section 14.3(c), the Issuer shall provide such notice to the Rating Agency then providing a rating on any Class of Secured Debt), to the Cayman Islands Stock Exchange (for so long as any Class of Notes is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require) and all Holders, as their names and addresses appear on the Register, notice of all Events of Defaults hereunder known to the Collateral Trustee, unless such Event of Default shall have been cured or waived. In addition, prior to the commencement of liquidation of Assets pursuant to Section 5.5, the Issuer shall provide notice of such liquidation to the Rating Agency then providing a rating on any Class of Secured Debt.

Section 6.3 Certain Rights of Collateral Trustee. Except as otherwise provided in Section 6.1:

(a) the Collateral Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, electronic communication, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties; it being understood that an electronically signed document delivered via email by an individual purporting to be an Authorized Officer will be considered signed or executed by such Authorized Officer on behalf of the applicable Person. The Collateral Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Collateral Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Collateral Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Collateral Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Collateral Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon and the Collateral Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purposes of determining and discharging its rights and duties hereunder;

(e) the Collateral Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Collateral Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable fees and expenses of agents, experts and attorneys) and liabilities which might reasonably be incurred by it in complying with such request or direction (including any actions in respect thereof);

(f) the Collateral Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, electronic communication or other paper or document, but the Collateral Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class shall (subject to the right hereunder to be reasonably satisfactorily indemnified for associated expense and liability), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Collateral Trustee shall be entitled, on reasonable prior written notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Debt and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided* that the Collateral Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Collateral Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided, further*, that the Collateral Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Collateral Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Collateral Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed or attorney appointed, with due care by it hereunder;

(h) the Collateral Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder, including actions or omissions to act at the direction of the Portfolio Manager;

(i) nothing herein shall be construed to impose an obligation on the part of the Collateral Trustee to monitor, recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer, the Collateral Administrator or the Portfolio Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Collateral Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("**GAAP**"), the Collateral Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Collateral Trustee shall, upon reasonable (but no less than three Business Days') prior written notice, permit any representative of a Holder of Debt, during the Collateral Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Collateral Trustee (other than items protected by attorney-client privilege) relating to the Debt, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Collateral Trustee by such Holder) and to discuss the Collateral Trustee's actions, as such actions relate to the Collateral Trustee's duties with respect to the Debt, with the Collateral Trustee's Officers and employees responsible for carrying out the Collateral Trustee's duties with respect to the Notes.

(l) the Collateral Trustee shall not be liable for the actions or omissions of, or any inaccuracies in the records of, the Portfolio Manager, the Issuer, the Co-Issuer, the Collateral Administrator, any Paying Agent (other than the Collateral Trustee), DTC, Euroclear, Clearstream, or any other clearing agency or depository and without limiting the foregoing, the Collateral Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or of the Portfolio Management Agreement or by the Collateral Administrator with the terms hereof or of the Collateral Administration Agreement, or to verify or independently determine the accuracy of information received by the Collateral Trustee from the Portfolio Manager or the Collateral Administrator (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(m) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to

the contrary, none of the Collateral Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Collateral Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(n) in the event the Bank or any Affiliate of the Bank is also acting in the capacity of Paying Agent, Information Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Article VI shall also be afforded to the Bank and its Affiliate acting in such capacities; *provided* that such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of, any rights, protections, benefits, immunities and indemnities provided in the Account Control Agreement or any other documents to which the Bank (or any such Affiliate) in such capacity is a party (provided that the foregoing shall not be construed to impose upon the Bank (or any such Affiliate) the duties or standard of care (including, without limitation, any prudent person standard) of the Collateral Trustee when acting in the foregoing capacities);

(o) any permissive right of the Collateral Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(p) the Collateral Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(q) the Collateral Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Collateral Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Collateral Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Collateral Trustee is deemed to have knowledge in accordance with this paragraph;

(r) the Collateral Trustee shall not be responsible for delays or failures in performance resulting from acts or circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(s) in making or disposing of any investment permitted by this Indenture, the Collateral Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Collateral Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(t) the Collateral Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Collateral Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(u) the Collateral Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(v) the Collateral Trustee is entitled to conclusively rely on the Portfolio Manager with respect to whether or not a Collateral Obligation meets the criteria in the definition thereof and for the characterization, classification, designation or categorization of the Assets to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature, or based on information not readily available to the Collateral Trustee;

(w) the Collateral Trustee is authorized, at the request of the Portfolio Manager, to accept directions or otherwise enter into agreements regarding the remittance fees owing to the Portfolio Manager;

(x) neither the Collateral Trustee nor the Collateral Administrator shall be responsible for determining: (i) if a Collateral Obligation meets the criteria or eligibility restrictions imposed by this Indenture, (ii) whether the conditions specified in the definition of "Delivered" have been complied with, or (iii) independently, the characteristics of any Collateral Obligation;

(y) to the extent not inconsistent herewith, the rights, protections, benefits, immunities and indemnities afforded to the Collateral Trustee pursuant to this Indenture shall also be afforded to the Collateral Administrator; *provided*, that, with respect to the Collateral Administrator, such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, protections, benefits, immunities and indemnities provided in the Collateral Administration Agreement; *provided, further*, that the foregoing shall not be construed to impose upon the Collateral Administrator the duties or standard of care (including, without limitation, any prudent person standard) of the Collateral Trustee;

(z) if, within 90 days after delivery of financial information (including by posting to the Collateral Trustee's website) or the making of disbursements, the Collateral Trustee receives written notice of an error or omission related thereto (a copy of which written notice the Collateral Trustee shall promptly provide to the Portfolio Manager and the Issuer), and within five Business Days after its receipt of a copy of such written notice the Portfolio Manager, on behalf of the Issuer, confirms such error or omission, then the Collateral Trustee agrees to use reasonable efforts to correct such error or omission. The Collateral Trustee shall have no liability for such error or omission and, absent direction by the requisite percentage of Holders entitled to direct the

Collateral Trustee in the exercise of remedies hereunder, shall not be required to take any action in connection therewith;

(aa) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Collateral Trustee that the Collateral Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by email shall be encrypted. The recipient of the email communication shall be required to complete a one-time registration process;

(bb) [reserved]; and

(cc) in order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the finding of terrorist activities and money laundering ("**Applicable Law**"), the Collateral Trustee is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Collateral Trustee. Accordingly, each of the parties agrees to provide to the Collateral Trustee upon its request from time to time such identifying information and documentation as may be available for such party or its agents in order to enable the Collateral Trustee to comply with Applicable Law. In accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Accounts or other Bank facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use it to process or facilitate payments for prohibited internet gambling transactions.

Section 6.4 Not Responsible for Recitals or Issuance of Debt. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Collateral Trustee assumes no responsibility for their correctness. The Collateral Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Collateral Trustee's obligations hereunder), the Assets or the Debt. The Collateral Trustee shall not be accountable for the use or application by the Co-Issuers of the Debt or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Debt. The Collateral Trustee, any Paying Agent, the Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Debt and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Collateral Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Collateral Trustee hereunder shall be held in trust to the extent required herein. The Collateral Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Collateral Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (individually and in each of its capacities) on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder and under the Transaction Documents (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank (individually and in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Collateral Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.6, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Collateral Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager;

(iii) to indemnify the Bank (individually and in each of its capacities) and its officers, directors, employees and agents for, and to hold them harmless against, any loss, claim, liability or expense (including reasonable attorneys' fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with acting or serving as Collateral Trustee or any other capacity under this Indenture or any other Transaction Document, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the administration, exercise or performance of any of their powers or duties hereunder, under each other Transaction Document and under any other agreement or instrument related hereto; and

(iv) to pay the Collateral Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection or enforcement action taken pursuant to Section 6.13 or Article V, respectively.

(b) The Bank shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture or in any of the Transaction Documents to which it is a party only as provided in Sections 11.1(a)(i), (ii), (iii) and (iv) (or such other manner in which Administrative Expenses are permitted to be paid under this Indenture) but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Collateral Trustee shall continue to serve as Collateral Trustee under this Indenture notwithstanding the fact that the Collateral Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Collateral Trustee's rights under Section 6.9. No direction by the Debtholders shall affect the right of the Bank to collect amounts owed to it under this Indenture. If on any date when a fee or an expense shall be payable to the Bank insufficient funds are available for the payment thereof, any portion of a fee or an expense not so paid shall be deferred and payable

on such later date on which a fee or an expense shall be payable and sufficient funds are available therefor.

(c) The Collateral Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Collateral Trustee of any amounts provided by this Section 6.7 until at least one year, or if longer the applicable preference period then in effect, and one day after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Bank under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Bank. When the Bank as Collateral Trustee incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(e) or (f), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Collateral Trustee Required; Eligibility. There shall at all times be a Collateral Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a CR Assessment of at least "A2 (cr)" by Moody's (or, if such institution does not have a CR Assessment, either has (x) a long-term senior unsecured debt rating of at least "A2" from Moody's or (y) a short-term rating of "P-1" from Moody's). If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Collateral Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Collateral Trustee and no appointment of a successor Collateral Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Collateral Trustee under Section 6.10.

(b) The Collateral Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers (and, subject to Section 14.3(c), the Issuer shall provide notice to the Rating Agency), the Portfolio Manager and the Holders of the Debt. Upon receiving such notice of resignation, the Co-Issuers shall use commercially reasonable efforts to promptly appoint a successor Collateral Trustee or collateral trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one copy of which shall be delivered to the Collateral Trustee so resigning and one copy to the successor Collateral Trustee or Collateral Trustees, together with a copy to each Holder and the Portfolio Manager; *provided* that such successor Collateral Trustee shall be appointed only upon the written consent of a Majority of the Secured Debt of each Class (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a

Majority of the Controlling Class. If no successor Collateral Trustee shall have been appointed and an instrument of acceptance by a successor Collateral Trustee shall not have been delivered to the Collateral Trustee within 30 days after the giving of such notice of resignation, the resigning Collateral Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee satisfying the requirements of Section 6.8.

(c) The Collateral Trustee may be removed at any time by Act of a Majority of each Class of Debt (voting separately by Class) or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class, delivered to the Collateral Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Collateral Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Collateral Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Collateral Trustee or of its property shall be appointed or any public officer shall take charge or control of the Collateral Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Collateral Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Collateral Trustee and the appointment of a successor Collateral Trustee.

(e) If the Collateral Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Collateral Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall use commercially reasonable efforts to appoint a successor Collateral Trustee within 30 days after such removal or incapability or the occurrence of such vacancy. If the Co-Issuers shall fail to appoint a successor Collateral Trustee within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Collateral Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Collateral Trustee. The successor Collateral Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Collateral Trustee and supersede any successor Collateral Trustee proposed by the Co-Issuers. If no successor Collateral Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Collateral Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Collateral Trustee and each appointment of a successor Collateral Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Portfolio Manager,

subject to Section 14.3(c) the Rating Agency and to the Holders of the Debt as their names and addresses appear in the Register. Each notice shall include the name of the successor Collateral Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within 10 days after acceptance of appointment by the successor Collateral Trustee, the successor Collateral Trustee shall cause, subject to Section 14.3(c), such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Collateral Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture.

Section 6.10 Acceptance of Appointment by Successor. Every successor Collateral Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Collateral Trustee an instrument accepting such appointment and making representations and warranties set forth in Section 6.17. Upon delivery of the required instruments, the resignation or removal of the retiring Collateral Trustee shall become effective and such successor Collateral Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Collateral Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Debt or the successor Collateral Trustee, such retiring Collateral Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Collateral Trustee all the rights, powers and trusts of the retiring Collateral Trustee. The retiring Collateral Trustee shall forthwith duly assign, transfer and deliver to such successor Collateral Trustee all property and Money held by such retiring Collateral Trustee hereunder. Upon request of any such successor Collateral Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Collateral Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Collateral Trustee. Any organization or entity into which the Collateral Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Collateral Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Collateral Trustee, shall be the successor of the Collateral Trustee hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Collateral Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Collateral Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Collateral Trustee had itself authenticated such Notes.

Section 6.12 Co-Collateral Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Collateral Trustee shall have power to appoint one or more Persons to act as co-collateral trustee (subject to such Person satisfying the eligibility requirements set forth in Section 6.8 and providing prior notice to the Rating Agency), jointly with the Collateral Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such

other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Collateral Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-collateral trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Collateral Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-collateral trustee so appointed, more fully confirming to such co-collateral trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay, to the extent funds are available therefor under Section 11.1(a)(i)(A), for any reasonable fees and expenses in connection with such appointment.

Every co-collateral trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Collateral Trustee hereunder, shall be exercised solely by the Collateral Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Collateral Trustee in respect of any property covered by the appointment of a co-collateral trustee shall be conferred or imposed upon and exercised or performed by the Collateral Trustee or by the Collateral Trustee and such co-collateral trustee jointly as shall be provided in the instrument appointing such co-collateral trustee;

(c) the Collateral Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-collateral trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Collateral Trustee shall have the power to accept the resignation of, or remove, any such co-collateral trustee without the concurrence of the Co-Issuers. A successor to any co-collateral trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-collateral trustee hereunder shall be personally liable by reason of any act or omission of the Collateral Trustee hereunder;

(e) the Collateral Trustee shall not be liable by reason of any act or omission of a co-collateral trustee; and

(f) any Act of Holders delivered to the Collateral Trustee shall be deemed to have been delivered to each co-collateral trustee.

Subject to Section 14.3(c), the Issuer shall notify the Rating Agency of the appointment of a co-collateral trustee hereunder.

Section 6.13 Certain Duties of Collateral Trustee Related to Delayed Payment of Proceeds. If the Collateral Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Collateral Trustee shall promptly notify the Portfolio Manager (on behalf of the Issuer) in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Collateral Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Collateral Trustee in accordance with Section 10.2(a), the Collateral Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Portfolio Manager, request the issuer of such Asset, the collateral trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. If such payment is not made within such time period, the Collateral Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Portfolio Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. If the Issuer or the Portfolio Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Collateral Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Collateral Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Collateral Trustee shall, and if the Collateral Trustee so chooses the Collateral Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Collateral Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Collateral Trustee and the Issuer. The Collateral Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such

Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Collateral Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Collateral Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed by applicable law on the Issuer's payments (or allocations of income) under the Debt, such tax shall reduce the amount otherwise distributable to the relevant Holder. The Collateral Trustee and any other Paying Agent are hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any such tax that is legally owed or required to be withheld by the Issuer, including in connection with FATCA (but such authorization shall not prevent the Collateral Trustee or any such other Paying Agent from contesting any such tax in appropriate Proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such Proceedings), and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Debt shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Collateral Trustee or any other Paying Agent. If there is a reasonable possibility that withholding is required by applicable law, including in connection with FATCA, with respect to a distribution, the Paying Agent or the Collateral Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding tax, the Collateral Trustee or such other Paying Agent shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Collateral Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Collateral Trustee or any other Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Debtholders Only; Agent for Each Other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any item of Asset to the Collateral Trustee is to the Collateral Trustee as representative of the Secured Debtholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Collateral Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account), the endorsement to or registration in the name of the Collateral Trustee of any Asset are all undertaken by the Collateral Trustee in its capacity as representative of the Secured Debtholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association, and has the power to conduct its business and affairs as a collateral trustee, paying agent, registrar, transfer agent, and calculation agent.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Collateral Trustee, Paying Agent, Registrar, Transfer Agent and Calculation Agent under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly authorized, executed and delivered by the Bank and constitute the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a Proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Collateral Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) shall violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Secured Debt, in accordance with the terms of such Secured Debt and this Indenture pursuant to the Priority of Payments. The Issuer shall, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Subordinated Notes, in accordance with the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Debt or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Debt or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment under the Notes shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Collateral Trustee as a Paying Agent for payments on the Debt and the Co-Issuers hereby appoint the Collateral Trustee as Transfer Agent at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers hereby appoint Corporation Service Company (the "**Process Agent**"), as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; *provided* that (x) the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Debt and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented for payment; and (y) no Paying Agent shall be appointed in a jurisdiction which subjects payments on the Debt to withholding tax in excess of any withholding tax imposed on such payments immediately before the appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Collateral Trustee, the Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Collateral Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Notes may be presented and surrendered for payment to the applicable Corporate Trust Office, and notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address for notices specified in Section 14.3.

Section 7.3 Money for Debt Payments to be Held in Trust. All payments of amounts due and payable with respect to any Debt that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Collateral Trustee or a Paying Agent with respect to payments on the Debt.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Collateral Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Collateral Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Collateral Trustee) the Applicable Issuers shall promptly notify the Collateral Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Collateral Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Collateral Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Collateral Trustee; *provided* that so long as the Debt of any Class is rated by any Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has (i) a CR Assessment of at least "Baa3(cr)" and "P-3(cr)" by Moody's (or, if such institution does not have a CR Assessment, either has (x) a long-term senior unsecured debt rating of at least "Baa3" from Moody's or (y) a short-term rating of "P-3" from Moody's). If such successor Paying Agent ceases to have the minimum ratings described in the clauses (i) and (ii) of the immediately preceding sentence, the Co-Issuers shall remove such Paying Agent within 30 Business Days of the Co-Issuers receiving notice thereof and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Collateral Trustee to execute and deliver to the Collateral Trustee an instrument in which such Paying Agent shall agree with the Collateral Trustee and if the Collateral Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Debt for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Debt in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Collateral Trustee, immediately resign as a Paying Agent and forthwith pay to the Collateral Trustee all sums held by it in trust for the payment of Debt if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Collateral Trustee, immediately give the Collateral Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Debt) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Collateral Trustee, during the continuance of any such default, upon the written request of the Collateral Trustee, forthwith pay to the Collateral Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Collateral Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Collateral Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Collateral Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Collateral Trustee or any Paying Agent in trust for any payment on any Debt and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Debt shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Collateral Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Collateral Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Debt has been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations or companies, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Debt, or any of the Assets; *provided* that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer at the direction of a Majority of the Subordinated Notes so long as (i) the Issuer has received a legal opinion (upon which the Collateral Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given to the Collateral Trustee and, subject to Section 14.3(c), the Rating Agency by the Issuer, which notice shall be promptly forwarded by the Collateral Trustee to the Holders and the Portfolio Manager and (iii) on or prior to the 15th Business Day following receipt of such notice, the Collateral Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors' and shareholders', or other similar, meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency Proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer and any Issuer Subsidiary; (ii) the Co-Issuer shall not have any subsidiaries; and (iii) except to the extent contemplated in the Administration Agreement or the amended and restated declaration of trust dated the Original Closing Date (x) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors or managers to the extent they are employees) (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles and (y) the Issuer and Co-Issuer shall (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its own name, (E) maintain separate financial statements, (F) pay its own liabilities out of its own funds, (G) maintain an arm's length relationship with its Affiliates, (H) use separate stationery, invoices and checks, (I) hold itself out as a separate Person, (J) correct any known misunderstanding regarding its separate identity and (K) have at least one director that is Independent of the Portfolio Manager.

(c) The Issuer shall provide Moody's and Fitch with prior written notice of the formation of any Issuer Subsidiary and of the transfer of any asset to any Issuer Subsidiary.

Section 7.5 Protection of Assets. (a) The Portfolio Manager on behalf of the Issuer shall cause the taking of such action within the Portfolio Manager's control as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Collateral Trustee in the Assets; *provided* that the Portfolio Manager shall be entitled to rely on any Opinion of Counsel delivered pursuant to Section 7.6 and any Opinion of Counsel with respect to the same subject matter delivered pursuant to Section 3.1(a)(iii) to determine what actions are reasonably necessary, and shall be fully protected in so relying on such an Opinion of Counsel, unless the Portfolio Manager has actual knowledge that the procedures described in any such Opinion of Counsel are no longer adequate to maintain such perfection and priority. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or as the Issuer determines to be advisable or desirable to secure the rights and remedies of the Holders of the Secured Debt hereunder and to:

- (i) Grant more effectively all or any portion of the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Assets or other instruments or property included in the Assets;
- (v) preserve and defend title to the Assets and the rights therein of the Collateral Trustee and the Holders of the Secured Debt in the Assets against the claims of all Persons and parties; or
- (vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Collateral Trustee as its agent and attorney in fact to prepare and file and hereby authorizes the filing of any Financing Statement, continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5. Such designation shall not impose upon the Collateral Trustee, or release or diminish, the Issuer's and the Portfolio Manager's obligations under this Section 7.5. The Issuer further authorizes and shall cause the Issuer's United States counsel to file without the Issuer's signature a Financing Statement that names the Issuer as debtor and the Collateral Trustee, on behalf of the Secured Parties, as secured party and that describes "all personal property of the Debtor now owned or hereafter acquired, other than Excepted Property" (and that defines "Excepted Property" in accordance with its definition herein) as the Assets in which the Collateral Trustee has a Grant.

(b) The Collateral Trustee shall not, except in accordance with Sections 5.5, Section 10.7(a), (b) and (c) or Section 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Collateral Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the 2024 Closing Date pursuant to Section 3.1(a)(iii)) unless the Collateral Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

Section 7.6 Opinions as to Assets. On or before August 7th, in 2025 (and each five-year anniversary thereof), the Issuer shall furnish to the Collateral Trustee and Moody's an Opinion of Counsel relating to the security interest granted by the Issuer to the Collateral Trustee, to the effect that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and is perfected and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness and perfection of such lien over the next 5 years.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Issuer shall notify the Rating Agency within 10 Business Days after it has received notice from any Debtholder, the Collateral Trustee or the Portfolio Manager of any material breach of any Transaction Document, following any applicable cure period for such breach.

(iii) (A) incur or assume or guarantee any indebtedness, other than the Debt, this Indenture and the transactions contemplated hereby or (B) (1) issue or co-issue, as applicable, any additional Class of securities except in accordance with Section 2.14, Section 3.2 or a Refinancing pursuant to Section 9.2 or (2) issue or co-issue, as applicable, any additional ordinary shares;

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(c) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for Underlying Instruments and any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its best efforts to ensure that the Portfolio Manager acting on the Issuer's behalf does not, acquire any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net basis or income tax on a net income basis in any other jurisdiction. The

requirements of this Section 7.8(d) insofar as they relate to U.S. federal income tax will be deemed to be satisfied if the Tax Guidelines have been complied with, so long as there has not been a change in law or any published guidance from the IRS that is relevant to a proposed action that the Portfolio Manager has actual knowledge at the time of such action, when considered in light of the other activities of the Issuer, would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes, or, to the extent it deviates from the Tax Guidelines, the Issuer and the Portfolio Manager receive an opinion or written advice from Allen Overy Shearman Sterling US LLP or Paul Hastings LLP, or a written opinion of other nationally recognized U.S. tax counsel experienced in such matters, that, taking into account the relevant facts and circumstances and the Issuer's other activities, the Issuer's acquisition, entry into, ownership, enforcement or disposition of the asset will not cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject the Issuer to U.S. federal income tax on a net income basis; *provided* that neither the Portfolio Manager nor any officer or employee of the Portfolio Manager will be required to independently investigate the tax impact of an action in order to satisfy the "actual knowledge" element of this Section 7.8(d).

(e) In furtherance and not in limitation of Section 7.8(d), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines unless, with respect to a particular transaction, the Issuer, the Portfolio Manager and the Collateral Trustee have received an opinion or advice of Allen Overy Shearman Sterling US LLP or Paul Hastings LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net income basis. The Tax Guidelines may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Portfolio Management Agreement) if the Issuer, the Portfolio Manager and the Collateral Trustee have received advice of Allen Overy Shearman Sterling US LLP or Paul Hastings LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that such waiver, amendment, elimination, modification or supplement, as applicable to the Issuer's contemplated activities, will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise be subject to U.S. federal income tax on a net income basis. For the avoidance of doubt, in the event advice of Allen Overy Shearman Sterling US LLP or Paul Hastings LLP, or an opinion of other tax counsel as described above, has been obtained in accordance with the terms hereof, no consent of any Holder shall be required in order to comply with this Section 7.8(e) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines contemplated by such advice or opinion of tax counsel.

Section 7.9 Statement as to Compliance. On or before August 7th, in each year commencing in 2025, or immediately if there has been a Default under this Indenture and prior to the issuance of any additional debt pursuant to Section 2.14, the Issuer, subject to Section 14.3(c), shall deliver to the Rating Agency, the Collateral Trustee, the Portfolio Manager and the Administrator (to be forwarded by the Collateral Trustee or the Administrator, as applicable, to each Debtholder making a written request therefor) an Officer's certificate of the Issuer that,

having made reasonable inquiries of the Portfolio Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers may Consolidate, etc. Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "**Merging Entity**") shall consolidate or merge with or into any other Person or transfer or, except as otherwise permitted under this Indenture, convey all or substantially all of its assets to any Person, unless permitted by the Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "**Successor Entity**") (A) if the Merging Entity is the Issuer, shall be a company organized and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class *provided* that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Collateral Trustee and each Holder, the due and punctual payment of the principal of and interest on all Debt and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Moody's Rating Condition shall have been satisfied with respect to such consolidation or merger;

(c) if the Merging Entity is not the Successor Entity, the Successor Entity shall have agreed with the Collateral Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the Successor Entity, the Successor Entity shall have delivered to the Collateral Trustee, the Portfolio Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have delivered to the Rating Agency) an Officer's certificate and an Opinion of Counsel each stating that such Person is duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject

only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture and any other Permitted Lien, to the Assets securing all of the Debt and (ii) the Collateral Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Debt; and in each case as to such other matters as the Collateral Trustee or any Debtholder may reasonably require; *provided* that nothing in this clause (ii) shall imply or impose a duty on the Collateral Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have notified the Portfolio Manager and the Issuer (and, subject to Section 14.3(c), the Issuer shall have notified the Rating Agency) of such consolidation, merger, transfer or conveyance and shall have delivered to the Collateral Trustee an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions precedent in this Article VII relating to such transaction have been complied with;

(g) the Merging Entity shall have delivered to the Collateral Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) shall be required to register as an investment company under the Investment Company Act;

(h) after giving effect to such transaction, the outstanding stock of the Merging Entity (or, if applicable, the Successor Entity) shall not be beneficially owned within the meaning of the Investment Company Act by any U.S. person; and

(i) the fees, costs and expenses of the Collateral Trustee (including any reasonable legal fees and expenses) associated with the matters addressed in this Section 7.10 shall have been paid by the Merging Entity (or, if applicable, the Successor Entity) or otherwise provided for to the satisfaction of the Collateral Trustee.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Debt and from its obligations under this Indenture.

Section 7.12 No Other Business. The Issuer shall not have any employees (other than its directors to the extent they are employees) and shall not engage in any business or activity other than issuing or co-issuing, as applicable, selling, paying and redeeming the Debt and any additional securities issued or co-issued, as applicable, pursuant to this Indenture, acquiring, holding, selling, exchanging, redeeming and pledging, solely for its own account, the Assets and other incidental activities, including entering into the Transaction Documents to which it is a party and establishing and owning any Issuer Subsidiary. The Issuer shall not hold itself out as originating loans, lending funds, making a market in loans or other assets or selling loans or other assets to customers or as willing to enter into, assume, offset, assign or otherwise terminate positions in derivative financial instruments with customers. The Issuer shall not loan any Collateral Obligation to a securities lending counterparty pursuant to a securities lending agreement. The Co-Issuer shall not engage in any business or activity other than co-issuing and selling the Class X-RR Notes, the Class A-1RR Notes, the Class A-JRR Notes, the Class B-RR Notes, the Class C-RR Notes, the Class D-1RR Notes and the Class D-JRR Notes and any additional rated notes co-issued pursuant to this Indenture and other incidental activities. The Issuer and the Co-Issuer may amend, or permit the amendment of, their Memorandum and Articles or certificate of formation and limited liability company agreement, respectively, only if such amendment would satisfy the Moody's Rating Condition.

Section 7.13 [Reserved]

Section 7.14 Annual Rating Review. (a) So long as any of the Secured Debt of any Class remain Outstanding, on or before August 7th in each year commencing in 2025, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Debt from the Rating Agency, as applicable. The Applicable Issuers shall promptly notify the Collateral Trustee and the Portfolio Manager in writing (and the Collateral Trustee shall promptly provide the Holders with a copy of such notice) if at any time the then-current rating of any such Class of Secured Debt has been, or is known shall be, changed or withdrawn.

The Issuer shall obtain and pay for an annual review of (i) any Collateral Obligation which has a Moody's Rating derived as set forth in clause (iii) of the definition of "Moody's Derived Rating" in Schedule 5, (ii) any Collateral Obligation that has a Moody's Rating based on a rating estimate from Moody's and (iii) any DIP Collateral Obligation. The Issuer shall obtain and pay for a review by Moody's of a Collateral Obligation upon the occurrence of a material amendment to the terms thereof. In addition, with respect to any Collateral Obligation receiving a LT IDCO from Fitch, the Issuer shall (i) annually and (ii) following the consummation of a material amendment to any Collateral Obligation obtain (and pay for) from Fitch written confirmation of, or an update to, the LT IDCO with respect to such Collateral Obligation; *provided*, that if (a) Fitch makes a public announcement or informs the Issuer, the Portfolio Manager, the Collateral Trustee or the Collateral Administrator that (x) it believes that such confirmation is not required with respect to such action or (y) its practice or policy is to not give such confirmations or (b) Fitch no longer constitutes a Rating Agency under this Indenture, the foregoing requirement to receive confirmation or an update from Fitch shall be deemed to have been satisfied.

Section 7.15 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-

2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Collateral Trustee for delivery upon an Issuer Order to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.16 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Floating Rate Debt remains Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer, the Portfolio Manager or their respective Affiliates) to calculate the Term SOFR Rate in respect of each Interest Accrual Period and Notional Accrual Period, as the case may be, in accordance with the terms of the definition of the Term SOFR Rate (the "**Calculation Agent**"). The Issuer hereby appoints the Collateral Administrator as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Portfolio Manager, on behalf of the Issuer, the Issuer or the Portfolio Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Portfolio Manager or its Affiliates. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed. For so long as any Class of Notes is listed on the Cayman Islands Stock Exchange and the guidelines of such exchange so require, notice of the appointment of any replacement calculation agent shall be sent by the Issuer to the Cayman Islands Stock Exchange.

(b) The Calculation Agent shall be required to agree (and the Collateral Trustee, as Calculation Agent does hereby agree that, as soon as possible on each Interest Determination Date, but not later than 5:00 p.m. New York time on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent shall calculate the Interest Rate applicable to each Class of Floating Rate Debt during the related Interest Accrual Period or Notional Accrual Period, as the case may be, and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Floating Rate Debt in respect of the related Interest Accrual Period or Notional Accrual Period, as the case may be. At such time, the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Collateral Trustee, each Paying Agent, the Portfolio Manager, the Collateral Administrator, Euroclear and Clearstream. The Calculation Agent shall also specify to the Portfolio Manager (on behalf of the Co-Issuers) and the Collateral Administrator the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Portfolio Manager (on behalf of the Co-Issuers) and the Collateral Administrator before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period and any Notional Accrual Period shall (in the absence of manifest error) be final and binding upon all parties.

(c) Neither the Collateral Trustee nor the Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of the Term SOFR Rate (or other applicable Benchmark), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any Benchmark Transition Event or Benchmark Replacement Date, (ii) to select, determine or designate the Fallback Rate, or other successor or replacement benchmark index, or determine whether any conditions to the designation of such a rate have been satisfied, or (iii) to determine whether or what Benchmark Replacement Conforming Changes are necessary or advisable, if any, in connection with any of the foregoing. Neither the Collateral Trustee nor the Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties set forth in the Transaction Documents as a result of the unavailability of the Term SOFR Rate (or other applicable Benchmark) and absence of a designated replacement Benchmark, including as a result of any inability, delay, error or inaccuracy on the part of any other transaction party, including without limitation the Portfolio Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of the Transaction Documents and reasonably required for the performance of such duties. The Calculation Agent shall, in respect of any Interest Determination Date, have no liability for the application of the Term SOFR Rate as determined on the previous Interest Determination Date if so required under the definition of the Term SOFR Rate. The Calculation Agent shall be entitled to rely upon direction provided by the Issuer or the Portfolio Manager facilitating or specifying administrative procedures with respect to any replacement Benchmark. For the avoidance of doubt, if the rate published by the Term SOFR Administrator (or successor source) is unavailable, neither the Calculation Agent or Collateral Trustee shall be under any duty or obligation to take any action other than the Calculation Agent's obligations to the the actions expressly set forth herein. If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Portfolio Manager, including without limitation in respect of facilitating or specifying administrative procedures with respect to the calculation of the Fallback Rate, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction. In connection with each Floating Rate Obligation, the Collateral Trustee shall have no obligation to (i) monitor the status of the applicable Benchmark, (ii) determine whether a substitute index should or could be selected, (iii) determine the selection of any such substitution index and (iv) exercise any right related to the foregoing on behalf of the Issuer or any other Person, and none of the Collateral Trustee, the Collateral Administrator or the Calculation Agent shall have any responsibility or liability therefor.

(d) Notwithstanding the foregoing provisions of this Section 7.16, from and after the first Interest Accrual Period to begin after the execution and effectiveness of the adoption of the Fallback Rate, "Term SOFR Rate" with respect to the Floating Rate Debt will be calculated by reference to the Fallback Rate.

Section 7.17 Certain Tax Matters. (a) The Co-Issuers agree to treat the Co-Issuers and the Notes as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and to take no

action inconsistent with such treatment unless required by law. For purposes of this Section 7.17, references to a Holder include any beneficial owner of an interest in a Note.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders) for each taxable year of the Issuer, the Co-Issuer and the Issuer Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority that the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder any information that such Holder reasonably requests in order for such Holder to (i) comply with its federal, state, or local tax and information returns and reporting obligations, (ii) make and maintain a "qualified electing fund" ("**QEF**") election (as defined in the Code) with respect to the Issuer and any Issuer Subsidiary, (iii) file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer and any Issuer Subsidiary (such information to be provided at such Holder's expense), or (iv) comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such Holder's expense); *provided* that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States unless it has obtained an opinion or advice from Allen Overy Shearman Sterling US LLP or Paul Hastings LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters prior to such filing to the effect that, under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer will take, and will cause any Issuer Subsidiary to take, any and all reasonable actions (including appointing any agent or representative to perform the due diligence, withholding or reporting obligations of the Issuer or such Issuer Subsidiary) that it determines, based on the advice of tax counsel, may be necessary and appropriate to ensure that the Issuer or such Issuer Subsidiary satisfies any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471, 1472 and any other provision of the Code or other applicable law and to achieve compliance with FATCA so that no withholding tax is imposed under FATCA on payments to or for the benefit of the Issuer or such Issuer Subsidiary. Without limiting the generality of the foregoing, (i) the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by it, or by the Collateral Trustee on its behalf, determines is required to be withheld from any amounts otherwise distributable to any Holder, (ii) if reasonably able to do so, the Issuer and any Issuer Subsidiary shall deliver or cause to be delivered an applicable IRS Form W-8 or successor applicable form and other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable taxing authority or other governmental authority, and shall enter into any agreement with an applicable taxing authority or other governmental authority, as it determines, based on the advice of tax counsel, is necessary to permit the Issuer or such Issuer Subsidiary to receive payments without withholding or deduction or at a reduced rate of withholding or deduction, and shall otherwise pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets, and (iii) the Issuer shall obtain a Global Intermediary Identification Number from the IRS and comply with any requirements necessary to

establish and maintain its status as a "reporting Model 1 FFI" within the meaning of Treasury regulations section 1.1471-1(b)(114).

The Collateral Trustee, the Registrar and the Paying Agent shall, at the cost of the Issuer, provide to the Issuer and the Portfolio Manager upon request all reasonably available information in the possession of the Collateral Trustee, the Registrar and the Paying Agent, as the case may be, by reason of its acting in such capacity hereunder, with respect to the Notes (including the identity and contact information for any Holder of Notes), and any payments on the Notes or the Assets (other than privileged or confidential information or information restricted from disclosure by applicable law) and if specifically requested by the Issuer or the Portfolio Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Portfolio Manager (or its parent or Affiliates) to comply with regulatory requirements, including, for the avoidance of doubt, FATCA. The Collateral Trustee shall provide to the Issuer and the Portfolio Manager upon request a list of Holders (including beneficial owners who have provided the Collateral Trustee with a beneficial holder certificate for any purpose). The Collateral Trustee shall obtain and provide to the Issuer and the Portfolio Manager upon request a list of Agent Members holding positions in the Notes at the cost of the Issuer as an Administrative Expense to the extent funds are available to pay such expense. In connection with making the disclosure pursuant to this paragraph, the Collateral Trustee, Registrar and Paying Agent shall have no liability for any such disclosure or the accuracy thereof.

(d) Upon the Collateral Trustee's receipt of a written request of a Holder or written request of a Person certifying that it is an owner of a beneficial interest in Debt, delivered in accordance with the notice procedures of Section 14.3, for the information described in United States Treasury regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder or beneficial owner, the Collateral Trustee shall forward such request to the Issuer and the Issuer shall cause its Independent accountants to provide promptly to the Collateral Trustee and such requesting Holder or owner of a beneficial interest in such Debt all of such information. Any additional issuance of the additional notes shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate original issue discount income to holders of the additional notes.

(e) Prior to the time that:

(A) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that would cause the Issuer to be treated as engaged in a trade or business in the United States or otherwise be subject to U.S. federal income tax on a net income basis; or

(B) any Collateral Obligation is modified in such a manner that would cause the Issuer to be treated as engaged in a trade or business in the United States or otherwise be subject to U.S. federal income tax on a net income basis;

the Issuer will either (x) organize one or more wholly-owned special purpose vehicles of the Issuer that are treated as corporations for U.S. federal income tax purposes (each, an "**Issuer Subsidiary**"), and contribute the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring, or modification to an Issuer Subsidiary, (y) contribute the

right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring or modification to an existing Issuer Subsidiary, or (z) sell the right to receive such asset, or the Collateral Obligation that is the subject of the workout, restructuring or modification, unless in each case the Issuer has received written advice of Allen Overy Shearman Sterling US LLP or Paul Hastings LLP or the opinion of another nationally recognized tax counsel experienced in such matters to the effect that the acquisition, receipt, ownership, and disposition of such Collateral Obligation or asset, or that the modification of such Collateral Obligation, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis.

(f) [Reserved].

(g) Each Issuer Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents, which organizational documents comply with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of Collateral Obligations referred to in clauses (A) and (B) of Section 7.17(e), and any assets, income and proceeds received in respect thereof (collectively, "**Issuer Subsidiary Assets**"), and shall require the Issuer Subsidiary to distribute 100% of the proceeds from such assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer on or before the earliest Stated Maturity of the Secured Debt or at such earlier time designated at the sole discretion of the Portfolio Manager. At the request of the Portfolio Manager, the Issuer will cause any Issuer Subsidiary to enter into a separate management agreement with the Portfolio Manager which agreement shall be substantially in the form of the Portfolio Management Agreement. Notice of any such separate management agreement and a copy of such agreement shall be provided to the Rating Agency. No supplemental indenture shall be necessary to permit the Issuer, or the Portfolio Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary. For the avoidance of doubt, any Issuer Subsidiary may distribute an Issuer Subsidiary Asset to the Issuer if the Issuer has received advice of Allen Overy Shearman Sterling US LLP or Paul Hastings LLP or the opinion of other nationally recognized tax counsel experienced in such matters to the effect that such distribution does not otherwise violate this Indenture and the acquisition, ownership, and disposition of such asset by the Issuer will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net income basis.

(h) With respect to any Issuer Subsidiary:

(A) the Issuer shall not allow such Issuer Subsidiary to (i) purchase any assets, or (ii) acquire title to real property or a controlling interest in any entity that owns real property;

(B) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of

such Issuer Subsidiary Assets, except as expressly permitted by this Indenture or the Portfolio Management Agreement;

(C) the Issuer Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. federal income tax purposes;

(D) the Issuer shall ensure that such Issuer Subsidiary shall not (i) have any employees (other than its directors), (ii) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.17 applicable to an Issuer Subsidiary), or (iii) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(E) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(F) the constitutive documents of such Issuer Subsidiary shall (i) provide that recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to the Issuer Subsidiary Assets and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (ii) contain the limitations on powers set forth in the organizational documents of the Issuer as of the 2024 Closing Date;

(G) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(H) the Issuer shall notify the Collateral Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Issuer Subsidiary;

(I) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(J) the Issuer shall be permitted to contribute to an Issuer Subsidiary from time to time any Collateral Obligation that is expected to be converted into, or to distribute, an asset described in Section 7.17(e)(A) or Section 7.17(e)(B), and to take any actions and enter into any agreements, including any transfer with respect to the Collateral Obligation, to effect the transfer of asset to an Issuer Subsidiary;

(K) the Issuer shall keep in full effect the existence, rights and franchises of each Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each

jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by the related Issuer Subsidiary. In addition, the Issuer and each Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary upon the sale of the final Issuer Subsidiary Asset and all other assets held therein or upon the advice of counsel;

(L) with respect to any Issuer Subsidiary, the parties hereto agree that any reports prepared by the Collateral Trustee, the Portfolio Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Issuer Subsidiary Assets and related assets are held by the Issuer Subsidiary, shall refer directly and solely to the related Issuer Subsidiary Assets, and neither the Collateral Administrator nor the Collateral Trustee shall be obligated to refer to the equity interest in such Issuer Subsidiary;

(M) the Issuer, the Co-Issuer, the Portfolio Manager and the Collateral Trustee shall not cause the filing of a petition in bankruptcy against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day, or any longer applicable preference period then in effect *plus* one day, after the payment in full of all the Offered Securities issued under this Indenture;

(N) in connection with the organization of any Issuer Subsidiary and the contribution of any assets to such Issuer Subsidiary pursuant to this Section 7.17, such Issuer Subsidiary shall (I) establish one or more custodial and/or collateral accounts, as necessary, to hold the Issuer Subsidiary Assets and any proceeds thereof pursuant to an account control agreement, which accounts shall be subject to the same requirements as in Section 10.1; *provided, however*, that an Issuer Subsidiary Asset or any other asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset; and (II) enter into a security agreement between such Issuer Subsidiary and the Issuer and any ancillary agreements (including any control agreements) pursuant to which such Issuer Subsidiary grants a perfected, first-priority continuing security interest in all of its property to the Issuer;

(O) the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Portfolio Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Interest Collection Subaccount or the Principal Collection Subaccount, as applicable, as determined in accordance with subclause (P) below); *provided* that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any

related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(P) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, the Collateral Quality Test, the Coverage Tests and Section 5.1(g) or for purposes of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in an Issuer Subsidiary or any property distributed to the Issuer by an Issuer Subsidiary (other than Cash) shall be treated as a continuation of its ownership of the Issuer Subsidiary Asset that was transferred to such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset or of any asset received in consideration of such Issuer Subsidiary Asset(s)). If, prior to its transfer to an Issuer Subsidiary, an Issuer Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(Q) any distribution of Cash by an Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(R) if (i) any Event of Default occurs, the Debt has been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Collateral Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (ii) notice is given of any mandatory redemption, auction call redemption, Optional Redemption, Tax Redemption or clean-up call or other prepayment in full or repayment in full of all Debt Outstanding occurs, (iii) the earliest Stated Maturity has occurred, or (iv) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Portfolio Manager on the Issuer's behalf shall (x) instruct each Issuer Subsidiary to sell each Issuer Subsidiary Asset and all other assets held by such Issuer Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary;

(S) (i) the Issuer shall not dispose of an interest in such Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and (ii) an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal income tax on a net income basis; and

(T) the Issuer shall provide, or cause to be provided, to the Rating Agency, written notice prior to the formation of an Issuer Subsidiary.

(i) [Reserved].

(j) None of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of section 7701(i) of the Code unless, based on an opinion or advice from Allen Overy Shearman Sterling US LLP or Paul Hastings LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, the ownership or such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes.

(k) The Issuer has not elected and will not elect to be treated as other than a corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or a disregarded entity for U.S. federal, state or local income tax purposes.

(l) If the Issuer has purchased an interest and the Issuer is aware that such interest is a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of a Subordinated Note (or any other Debt that is required to be treated as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

Each contribution by the Issuer to an Issuer Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in the relevant asset to the Issuer Subsidiary, if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes based on an opinion or advice of Allen Overy Shearman Sterling US LLP or Paul Hastings LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters.

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer shall use commercially reasonable efforts to purchase, on or before the Effective Date, Collateral Obligations such that the Target Portfolio Par Condition is satisfied.

(b) On behalf of the Issuer, the Portfolio Manager will direct the Collateral Trustee to, from time to time during the period from the 2024 Closing Date to and including the first Determination Date, use funds on deposit in the Ramp-Up Account to purchase additional Collateral Obligations. The Issuer shall use commercially reasonable efforts to acquire such Collateral Obligations that shall satisfy, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and each Overcollateralization Ratio Test.

(c) [Reserved].

(d) [Reserved].

(e) [Reserved].

(f) The failure of the Issuer to satisfy the requirements of this Section 7.18 shall not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Portfolio Manager acting on behalf of the Issuer, has acted in bad faith. Of the proceeds of the issuance of the Notes which are not applied to pay for the purchase of Collateral Obligations purchased by the Issuer on or before the 2024 Closing Date (including, without limitation, repayment of any amounts borrowed by the Issuer in connection with the purchase of Collateral Obligations prior to the 2024 Closing Date) or to pay other applicable fees and expenses, funds shall be deposited in the Ramp-Up Account on the 2024 Closing Date in the amount specified in writing to the Collateral Trustee by the Issuer. At the direction of the Issuer (or the Portfolio Manager on behalf of the Issuer), the Collateral Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the 2024 Closing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c), and the Issuer, or the Portfolio Manager on behalf of the Issuer, shall notify Moody's and Fitch of any amounts transferred to the Interest Collection Subaccount from the Ramp-Up Account on the Effective Date.

(g) Asset Quality Matrix. On or prior to the Effective Date, the Portfolio Manager shall elect the "row/column combination" of the Asset Quality Matrix that shall on and after the Effective Date apply to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Moody's Floating Spread Test, and if such "row/column combination" differs from the "row/column combination" chosen to apply as of the 2024 Closing Date, the Portfolio Manager shall so notify the Collateral Trustee and the Collateral Administrator by providing written notice in the form of Exhibit E. Thereafter, at any time on written notice of three Business Days to the Collateral Trustee, the Collateral Administrator and the Rating Agency, the Portfolio Manager may elect a different "row/column combination" to apply to the Collateral Obligations (or may elect, at any time after the Effective Date, in lieu of selecting a "row/column combination" of the Asset Quality Matrix, to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points); *provided* that if: (i) the Collateral Obligations are currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Asset Quality Matrix case to which the Portfolio Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with the Asset Quality Matrix case then applicable to the Collateral Obligations or would not be in compliance with any other Asset Quality Matrix case, the Collateral Obligations are not further out of compliance with the Asset Quality Matrix to which the Portfolio Manager desires to change; *provided* that if subsequent to such election the Collateral Obligations comply with any Asset Quality Matrix case, the Portfolio Manager shall elect a "row/column combination" that corresponds to a Asset Quality Matrix case in which the Collateral Obligations are in compliance. If the Portfolio Manager does not notify the Collateral Trustee, the Collateral Administrator and the Rating Agency that it shall alter the "row/column combination" of the Asset Quality Matrix case chosen on the Effective Date in the manner set forth above, the "row/column

combination" of the Asset Quality Matrix chosen on or prior to the Effective Date shall continue to apply.

Section 7.19 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the 2024 Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder):

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Collateral Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the 2024 Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused or shall have caused, within 10 days after the 2024 Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Collateral Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or

mortgage note that constitutes or evidences the Instruments have been delivered to the Collateral Trustee or the Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Collateral Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Collateral Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

(c) The Issuer hereby represents and warrants that, as of the 2024 Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and shall have been credited to one of the Accounts which are securities accounts within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each such Account has agreed to treat all assets credited to such Accounts as "financial assets" within the meaning of Section 8-102(a)(9) the UCC.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

(iii) (x) The Issuer has caused or shall have caused, within 10 days after the 2024 Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder and (y) the Issuer has delivered to the Collateral Trustee a fully executed Account Control Agreement pursuant to which the Issuer has taken all steps necessary to cause the Custodian to identify in its records the Collateral Trustee as the person having a security entitlement against the Custodian in each of the Accounts.

(iv) The Issuer has caused and shall cause all Cash to be credited to one of the Accounts that is a deposit account as defined in Section 9-102(a)(29) of the UCC.

(v) The Accounts are not in the name of any person other than the Collateral Trustee. The Issuer has not consented to the Custodian to comply with the entitlement order of any Person other than the Collateral Trustee (and the Issuer (or the Portfolio Manager on behalf of the Issuer) prior to a notice of exclusive control being provided by the Collateral Trustee).

(d) The Issuer hereby represents and warrants that, as of the 2024 Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Collateral Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused or shall have caused, within 10 days after the 2024 Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets granted to the Collateral Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or shall receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Collateral Trustee of its interest and rights in the Assets.

The Co-Issuers agree to notify the Portfolio Manager and the Rating Agency promptly if they become aware of the breach of any of the representations and warranties contained in this Section 7.19.

Section 7.20 Rule 17g-5 Compliance. (a) To enable the Rating Agency to comply with their obligations under Rule 17g-5 promulgated under the Exchange Act ("**Rule 17g-5**"), the Issuer shall cause to be posted on a password-protected internet website initially located at APEXC20191@email.structuredfn.com and <https://sso.netroadshow.com> (such website, or such other website address as the Issuer may provide to the Collateral Trustee, the Collateral Administrator, the Portfolio Manager and the Rating Agency, the "**17g-5 Website**"), at the same time such information is provided to the Rating Agency, all information the Issuer provides to the Rating Agency for the purposes of determining the Initial Rating of the Secured Debt or undertaking credit rating surveillance of the Secured Debt (the "**17g-5 Information**").

(b) The Issuer hereby appoints the Collateral Administrator, pursuant to the terms of the Collateral Administration Agreement as its agent (in such capacity, the "**Information Agent**") to post to the 17g-5 Website any information that the Information Agent receives from the Co-Issuers, the Collateral Trustee, the Collateral Administrator or the Portfolio Manager (or their respective representatives or advisers) that is designated as information to be so posted.

(c) To the extent that any of the Issuer, the Co-Issuer, the Portfolio Manager, the Collateral Administrator or the Collateral Trustee is required to provide any information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or the Portfolio Management Agreement or the Collateral Administration Agreement (as applicable), the Issuer, the Co-Issuer, the Portfolio Manager, the Collateral Administrator or the Collateral Trustee, as applicable (or their respective representatives or advisers), shall provide such information or communication to the Information Agent by email at (i) apexclo1917g5@usbank.com, with the subject line specifically referring to "17g-5 Information" and "Apex Credit CLO 2019 Ltd.", or such other email address or subject line specified by the Information Agent in writing to the Issuer, the Portfolio Manager, Collateral Trustee and Collateral Administrator. Each email sent to the Information Agent pursuant to this Indenture failing to be sent to such email address or which does not contain a subject line conforming to the requirements of this Section 7.20 shall be deemed incomplete and the Information Agent shall have no obligations with respect thereto.

(d) Additionally, to the extent that (x) any Rating Agency makes an inquiry or initiates communications with the Issuer, the Co-Issuer, the Portfolio Manager, the Collateral Administrator or the Collateral Trustee or (y) any such party initiates communication with any Rating Agency that, in either case, is relevant to such Rating Agency's credit rating surveillance of the Secured Debt, (i) all written responses to such inquiries or communications shall be provided to the Information Agent who shall promptly post such written response to the 17g-5 Website, and (ii) any such oral communications with any Rating Agency shall be either (a) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for posting to the 17g-5 Website or (b) summarized in writing and the summary to be promptly delivered to the Information Agent for posting to the 17g-5 Website, and the Information Agent shall promptly post such information to the 17g-5 Website. (e) All 17g-5 Information shall be forwarded by email (to the extent such items are received by the Information Agent for such purpose) by the Information Agent to the 17g-5 Website. 17g-5 Information shall be posted by the Information Agent on the same Business Day of receipt provided that such 17g-5 Information is received by 12:00 p.m. (Eastern time) or, if received after 12:00 p.m. (Eastern time) on a Business Day (or at any time on a day that is not a Business Day), on the next Business Day. In the event that any 17g-5 Information is delivered or posted in error, the Information Agent may remove it from 17g-5 Website, and shall so remove promptly when instructed to do so by the Person that delivered such information to the Information Agent. None of the Collateral Trustee, the Portfolio Manager, the Collateral Administrator or the Information Agent shall have obtained or shall be deemed to have obtained actual knowledge of any 17g-5 Information solely due to receipt and posting to the 17g-5 Website. Access shall be provided by the Information Agent to the Issuer, the Portfolio Manager, the Rating Agency, and to any NRSRO upon receipt by the Information Agent of an NRSRO Certification from such NRSRO (which may be submitted electronically via the 17g-5 Website).

(f) In connection with providing access to the 17g-5 Website, the Information Agent may require registration and the acceptance of a disclaimer. The Information Agent shall not be liable for unauthorized disclosure or use of any information that it makes available on the 17g-5 Website (whether by the Co-Issuers, the Portfolio Manager, any Rating Agency, an NRSRO or any other third party that may gain access to the 17g-5 Website) and makes no representations or warranties as to the accuracy or completeness of information made available on the 17g-5

In no event shall the Information Agent be responsible for creating or maintaining the 17g-5 Website. The Information Agent shall have no liability for any failure, error, malfunction, delay, or other circumstances beyond the reasonable control of the Information Agent, associated with the 17g-5 Website. The Information Agent shall not be responsible for and shall not be in default hereunder, or incur any liability for any act or omission, failure, error, malfunction or delays in carrying out any of its duties which results from (i) the Issuer's, Portfolio Manager's or any other party's failure to deliver all or a portion of the 17g-5 Information to the Information Agent; (ii) defects in the 17g-5 Information supplied by the Issuer, the Portfolio Manager or any other party to the Information Agent; (iii) the Information Agent acting in accordance with 17g-5 Information prepared or supplied by any party; (iv) the failure or malfunction of the 17g-5 Website; or (v) any other circumstances beyond the reasonable control of the Information Agent. For the avoidance of doubt, neither the Collateral Trustee, the Collateral Administrator nor the Information Agent shall have no responsibility with respect to the 17g-5 Website or compliance by the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(g) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 7.20 shall not constitute a Default or an Event of Default.

(ix) to accommodate the settlement of the Notes in book-entry form through the facilities of DTC or otherwise;

(x) to make such other non-material administrative changes as the Co-Issuers deem appropriate and that do not materially and adversely affect the interests of the Holders of any Class of Debt as evidenced by an Opinion of Counsel delivered to the Collateral Trustee (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an Officer of the Portfolio Manager;

(xi) to take any action necessary, advisable, or helpful to prevent the Issuer or any Issuer Subsidiary from being subject to (or to otherwise minimize) withholding or other taxes, fees or assessments, including by complying with FATCA or similar provisions of non-U.S. law, or to reduce the risk that the Issuer may be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to prevent the Issuer from being subject to U.S. federal, state or local tax on a net income or entity level basis;

(xii) to prevent either of the Co-Issuers or the pool of Assets from becoming an investment company or being required to register as an investment company under the Investment Company Act;

(xv) with the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes, to amend, modify, enter into or accommodate the execution of any Hedge Agreement upon terms satisfactory to the Portfolio Manager; *provided* that any amendment to or modification of Section 16.1(i) of this Indenture would not materially and adversely affect the Initial Purchaser or any of its respective banking entity affiliates, as evidenced by an Opinion of Counsel or an Officer's certificate of the Portfolio Manager;

(xvi) to amend the name of the Issuer or the Co-Issuer;

(xvii) to modify any provision to facilitate an exchange of one obligation for another obligation of the same Obligor that has substantially identical terms except transfer restrictions, including to effect any serial designation relating to the exchange, so long as such modification would not permit the Issuer to own obligations that do not satisfy the definition of "Collateral Obligation";

(xviii) to modify the representations of the Issuer as to Assets in this Indenture in order to conform to applicable laws;

(xix) to amend, modify or otherwise accommodate changes to this Indenture to comply with any rule or regulation (or any interpretation thereof) (in consultation with legal counsel of national reputation experienced in such matters) enacted or implemented by regulatory agencies of the United States federal government or state or foreign government after the 2024 Closing Date that are applicable to the Debt;

(xxii) subject to the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes and the satisfaction of the Moody's Rating Condition, to modify or amend any component of the Asset Quality Matrix or the Recovery Rate Modifier Matrix;

(xxiii) to correct or supplement any inconsistent or defective provisions in this Indenture or to cure any ambiguity or omission in this Indenture; or

(xxiv) to make such changes as shall be necessary or advisable in the reasonable judgment of the Portfolio Manager (to the extent not made pursuant to Section 8.4(j)) to facilitate a change to the Fallback Rate in accordance with the definition of "Benchmark";

provided that, for the avoidance of doubt, Reset Amendments are not subject to any consent requirements that would otherwise apply to supplemental indentures described above or elsewhere in this Indenture.

Section 8.2 Supplemental Indentures with Consent of Holders of Debt. The Collateral Trustee and the Co-Issuers may execute one or more supplemental indentures to add provisions to, or change in any manner or eliminate any provisions of, this Indenture or modify in any manner the rights of the Holders or beneficial owners of the Debt of any Class under this Indenture with the written consent of (1) the Portfolio Manager, (2) a Majority of each Class of Secured Debt materially and adversely affected thereby, if any (voting separately by class) and (3) a Majority of any Class of Subordinated Notes if any such Class of Subordinated Notes is materially and adversely affected thereby; *provided* that notwithstanding the foregoing,

(A) without the express consent of each Holder or beneficial owner of each Outstanding Notes of each Class materially and adversely affected thereby, no such supplemental indenture described above may:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Debt, reduce the principal amount thereof or the rate of interest thereon (except in a Re-Pricing) or the Redemption Price with respect to any Debt or the price at which the Notes of a non-consenting Holder will be purchased in connection with a Re-Pricing, or change the earliest date on which Debt of any Class may be redeemed, prepaid or re-priced, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on the Secured Debt or distributions on the Subordinated Notes or change any place where, or the coin or currency in which, Debt or the principal thereof or interest or any distribution thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of Debt of each Class whose consent is required for the authorization of any such supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences provided for in this Indenture;

(iii) materially impair or materially and adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Debt of the security afforded by the lien of this Indenture;

(v) reduce the percentage of the Aggregate Outstanding Amount of Holders or beneficial owner of any Class of Secured Debt whose consent is required to request the Collateral Trustee to preserve the Assets or rescind the Collateral Trustee's election to preserve the Assets pursuant to Section 5.5 or to sell or liquidate the Assets pursuant to Section 5.4 or 5.5;

(vi) modify any of the provisions of (x) this Section 8.2, except to increase the percentage of Outstanding Debt the consent of the Holders or beneficial owners of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Holder or beneficial owner of the Debt Outstanding and affected thereby or (y) Section 8.1 or Section 8.4;

(vii) modify the definition of the terms "Outstanding," "Class," "Controlling Class," "Majority," "Supermajority," "Redemption Price," or "Non-Call Period" or the Priority of Payments set forth in Section 11.1(a); or

(viii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest or principal on any Debt or the price at which the Debt of a non-consenting Holder will be purchased in connection with a Re-Pricing, or to affect the rights of the Holders of any Debt to the benefit of any provisions for the redemption (or prepayment) of such Debt contained herein; *provided*, that this Indenture may be amended without consent of the Holders pursuant to Section 8.1(xxiv);

provided that, with respect to any supplemental indenture which, by its terms, (x) provides for a Refinancing of all Classes of the Secured Debt in whole, but not in part, and (y) is consented to (and/or directed) by both the Portfolio Manager and a Majority of the Subordinated Notes, notwithstanding anything to the contrary contained or implied elsewhere in this Indenture, the Portfolio Manager may, without regard to any other consent requirement specified above or elsewhere in this Indenture, cause such supplemental indenture to also (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for the obligations or loans issued to replace such Secured Debt or prohibit a future refinancing of such replacement securities, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of such obligations or loans that is later than the

Section 8.3 Supplemental Indentures with the Consent of the Controlling Class. Notwithstanding any other provision under Section 8.1 or Section 8.2, with the consent of a Majority of the Controlling Class (but without the consent of the Holders of any other Class of Debt, except as specified in clause (i) below) and the Portfolio Manager, the Collateral Trustee and the Co-Issuers may enter into one or more supplemental indentures:

(i) to modify the definition of "Collateral Obligation" or the definition of "Credit Improved Obligation", "Credit Risk Obligation", "Collateral Quality Test", "Investment Criteria" or "Concentration Limitations", or, in each case, any of the definitions related thereto; *provided* that any such modification shall require the consent from a Majority of the Class B-RR Notes, a Majority of the Class C-RR Notes and a Majority of the Subordinated Notes; *provided, further*, that any supplemental indenture pursuant to this clause (i) that is being executed in connection with a Refinancing of fewer than all classes of Offered Securities shall require the consent of a Majority of the most senior Class of Notes not subject to such Refinancing;

(ii) to conform to ratings criteria and other guidelines (including any alternative methodology published by the Rating Agency) relating to collateral debt obligations in general published by the Rating Agency;

(iii) to modify the terms of this Indenture in order that it may be consistent with the requirements of the Rating Agency, including to address any change in the rating methodology employed by either Rating Agency;

(iv) to amend, modify or otherwise accommodate changes to this Indenture relating to the administrative procedures necessary to satisfy the Global Rating Agency Condition or any component thereof; or

(v) to evidence any waiver by any Rating Agency as to any requirement in this Indenture that such Rating Agency confirm (or to evidence any other elimination of any requirement in this Indenture that any Rating Agency confirm) that an action or inaction by the Issuer or any other Person shall not result in a reduction or withdrawal of its then-current rating of any Class of Secured Debt as a condition to such action or inaction.

Section 8.4 Execution of Supplemental Indentures. (a) For so long as any Class of Notes is listed on the Cayman Islands Stock Exchange, the Issuer shall notify the Cayman Islands Stock Exchange of any material modification to this Indenture.

(b) With respect to any supplemental indenture permitted by this Article VIII that expressly requires a determination as to whether any Class of Debt would be materially and adversely affected thereby, the Collateral Trustee shall be entitled to receive, and may conclusively rely upon, an Opinion of Counsel (which may be supported as to factual (including financial and

capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) or an Officer's certificate of the Portfolio Manager (as applicable) as to whether or not any Class of Debt would be materially and adversely affected by any such supplemental indenture; *provided* that, if a Majority of the Subordinated Notes has provided notice to the Collateral Trustee at least four Business Days prior to the execution of such supplemental indenture that such Class would be materially and adversely affected thereby, the Collateral Trustee will not enter into such supplemental indenture without the consent of a Majority of such Class. In addition, in executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Collateral Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and an Opinion of Counsel or an Officer's certificate of the Portfolio Manager stating that all conditions precedent thereto have been satisfied. The Collateral Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel or such an Officer's certificate of the Portfolio Manager. Such determination shall, in each case, be conclusive and binding on all present and future Holders and beneficial owners.

(c) At the cost of the Co-Issuers, for so long as any Debt shall remain Outstanding, not later than 10 Business Days (or 5 Business Days if in connection with a Refinancing or a Re-Pricing) prior to the execution of any proposed supplemental indenture, the Collateral Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, each Hedge Counterparty and the Affected Debtholders a copy of such supplemental indenture or a description of the changes to be made by such supplemental indenture (which notice may be provided via posting on the Collateral Trustee's internet website for purposes of delivery such notice to each Holder of Notes). Following such delivery by the Collateral Trustee, if any changes are made to such supplemental indenture other than (i) to correct typographical errors or to adjust formatting, (ii) to make changes described to Affected Debtholders in a previously delivered version of such proposed supplemental indenture, (iii) to implement the requirements of any rating agency rating any refinancing obligations issued pursuant to such proposed supplemental indenture or (iv) to make a modification to a Re-Pricing as contemplated by Section 9.9, then, at the cost of the Co-Issuers, for so long as any Debt shall remain Outstanding, not later than three Business Days prior to the execution of such proposed supplemental indenture (provided that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 10 Business Days or 5 Business Days, as the case may be, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.4(c)), the Collateral Trustee shall deliver to the Portfolio Manager, the Collateral Administrator and the Affected Debtholders a copy of such supplemental indenture as revised, indicating the nature of the changes that were made (which notice may be provided via posting on the Collateral Trustee's internet website for purposes of delivery such notice to each Holder of Debt). At the cost of the Issuer, for so long as any Class of Secured Debt shall remain Outstanding and such Class is rated by either Rating Agency, the Issuer shall provide to each such Rating Agency a copy of any proposed supplemental indenture at least 10 Business Days (or 5 Business Days if in connection with a Refinancing or a Re-Pricing) prior to the execution thereof by the Collateral Trustee and, as soon as practicable after the execution of any such supplemental indenture, provide to such Rating Agency a copy of the executed supplemental indenture. Upon delivery of any proposed supplemental indenture in connection

with which the Issuer expressly request the consent of any Holders of Debt, if a Holder has not affirmatively objected to such request for consent within 9 Business Days after request therefor, such Holder will be deemed to have irrevocably consented to such supplemental indenture. At the cost of the Co-Issuers, the Collateral Trustee shall provide to the Affected Debtholders (in the manner described in Section 14.4) a copy of the executed supplemental indenture after its execution (which notice may be provided via posting on the Collateral Trustee's internet website for purposes of delivery such notice to each Holder of Notes). Any failure of the Collateral Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(d) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(e) The Portfolio Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has consented thereto in accordance with this Article VIII. The Issuer shall not permit to become effective any supplemental indenture that modifies the obligations or liabilities, or any rights or privileges, of the Portfolio Manager or affects the amount or basis of calculation or priority of any fees payable to the Portfolio Manager unless the Portfolio Manager has been given prior written notice of such amendment and unless the Portfolio Manager has expressly consented thereto in writing.

(f) The Collateral Trustee shall join in the execution of any supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Collateral Trustee shall not be obligated to enter into any such supplemental indenture or other amendment to this Indenture which affects the Collateral Trustee's (or, if the Collateral Trustee is also the Collateral Administrator, the Collateral Administrator's) own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(g) No amendment or supplement to this Indenture shall be effective against the Collateral Administrator if such amendment or supplement would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(h) The Issuer shall not enter into any amendment or supplement to this Indenture that would reduce or eliminate any express right of the Retention Holder under this Indenture without the prior written consent of the Retention Holder.

(i) [Reserved.]

(j) If the Portfolio Manager determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Fallback Rate determined by the Portfolio Manager will replace the then-current Benchmark for all purposes relating to the Notes in respect

of such determination on such date and all determinations on all subsequent dates. A supplemental indenture shall not be required in order to adopt the Fallback Rate.

In connection with the implementation of the Fallback Rate, the Portfolio Manager will have the right to make Benchmark Replacement Conforming Changes from time to time. A supplemental indenture shall not be required in order to effectuate any Benchmark Replacement Conforming Changes, but a supplemental indenture may be adopted in accordance with Section 8.1(xxiv) in order to memorialize the Fallback Rate (and its related Benchmark Replacement Conforming Changes) if determined by the Portfolio Manager (in its sole discretion) to be desirable.

Any determination, decision or election that may be made by the Portfolio Manager pursuant to this Section 8.4(j) including any determination with respect to a tenor, rate or adjustment of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error, may be made in the Portfolio Manager's sole discretion, and, notwithstanding anything to the contrary in the documentation relating to the securities, shall become effective without consent from any other party. The Portfolio Manager shall provide notice of the Fallback Rate or any Benchmark Replacement Conforming Changes to the Rating Agency.

Section 8.5 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder or beneficial owner of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.6 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Collateral Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Collateral Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF DEBT

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account to make payments on the Secured Debt pursuant to the Priority of Payments.

Section 9.2 Optional Redemption. (a) The Secured Debt shall be redeemable by the Applicable Issuers (x) in whole (with respect to all Classes of Secured Debt) but not in part on any Business Day after the end of the Non-Call Period from Sale Proceeds and/or Refinancing

Proceeds (together with amounts available in the Collection Account and the Payment Account) if directed in writing by a Majority of the Subordinated Notes (and, solely in the case of a redemption from Refinancing Proceeds, with the consent of the Portfolio Manager) or the Portfolio Manager (with the consent of a Majority of the Subordinated Notes) or (y) in part by Class from Refinancing Proceeds and Partial Refinancing Interest Proceeds (in the case of a Partial Redemption) on any Business Day after the end of the Non-Call Period if directed in writing by the Portfolio Manager (with the consent of a Majority of the Subordinated Notes), as long as the Secured Debt of each Class to be redeemed represent not less than the entire Class of such Secured Debt. In connection with any such redemption, the Secured Debt to be redeemed shall be redeemed at the applicable Redemption Price and the Person or Persons entitled to give the above described written direction must provide the above described written direction to the Issuer, the Collateral Trustee and the Portfolio Manager not later than 20 days (or such shorter period of time as the Collateral Trustee and the Portfolio Manager find reasonably acceptable) prior to the date on which such redemption is to be made; *provided* that all Secured Debt to be redeemed or prepaid must be redeemed or prepaid simultaneously.

(b) The Subordinated Notes may be redeemed at their Redemption Price, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Debt and payment in full of all amounts then due and owing of the Co-Issuers, at the direction of a Majority of the Subordinated Notes (which direction may be given in connection with a direction to redeem the Secured Debt or at any time after the Secured Debt has been redeemed or repaid in full) or the Portfolio Manager.

(c) The Secured Debt may be redeemed in whole from Refinancing Proceeds and/or Sale Proceeds or in part by Class from Refinancing Proceeds (in each case together with amounts available in the Collection Account and the Payment Account) as provided in Section 9.2(a); *provided* that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Portfolio Manager and a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below. Prior to effecting any Refinancing, the Issuer shall, in relation to such Refinancing, provide notice to the Rating Agency. Notwithstanding anything to the contrary herein, for the purposes of any Refinancing, each Pari Passu Class will constitute a separate class.

(d) In the case of a Refinancing upon a redemption or prepayment of the Secured Debt in whole but not in part pursuant to Section 9.2(a), such Refinancing shall be effective only if the Portfolio Manager certifies to the Issuer and the Collateral Trustee that (i) the Refinancing Proceeds, all Sale Proceeds, if any, from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein, and all other amounts available in the Collection Account and the Payment Account shall be at least sufficient to redeem or prepay simultaneously the Outstanding Secured Debt at the Redemption Price thereof and to pay all amounts (including all Administrative Expenses (other than expenses that the Portfolio Manager informs the Collateral Trustee will be paid solely as Administrative Expenses payable in accordance with the Priority of Payments on succeeding Payment Dates) then due and payable regardless of the Administrative Expense Cap) pursuant to the Priority of Payments on the Redemption Date prior to any distributions with respect to the Subordinated Notes, (ii) the Refinancing Proceeds, the Sale Proceeds, if any, and other available amounts in the Collection

Account and the Payment Account are used (to the extent necessary) to make such redemption or prepayment, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i) and (iv) if such Refinancing would potentially result (in the commercially reasonable judgment of the Retention Holder) in non-compliance (including if the Retention Holder would be required to acquire additional obligations of the Issuer) by the Retention Holder with the Retention Undertaking Letter or the US Risk Retention Rules applicable to it, the Retention Holder has consented to such Refinancing.

(e) In the case of a Refinancing upon a redemption or prepayment of the Secured Debt in part by Class pursuant to Section 9.2(a), such Refinancing shall be effective only if the Portfolio Manager certifies to the Issuer and the Collateral Trustee that (i) notice is provided to the Rating Agency in advance of such Refinancing becoming effective, (ii) the Refinancing Proceeds and the Partial Refinancing Interest Proceeds (and, for the avoidance of doubt, if the applicable Partial Redemption Date otherwise falls on a Payment Date, after giving effect to the application of Interest Proceeds and Principal Proceeds in accordance with the relevant Priority of Payments on such Payment Date) shall be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Debt subject to Refinancing, (iii) the Refinancing Proceeds and the Partial Refinancing Interest Proceeds are used (to the extent necessary) to make such redemption or prepayment, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i), (v) the stated maturity of each class of obligations providing the Refinancing is no earlier than the earliest Stated Maturity of each Class of Secured Debt being refinanced, (vi) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or shall be adequately provided for from the Refinancing Proceeds and the Partial Refinancing Interest Proceeds (except for expenses that the Portfolio Manager informs the Collateral Trustee shall be paid solely as Administrative Expenses payable in accordance with the Priority of Payments on succeeding Payment Dates), (vii) either: (1) the interest rate of each class of obligations providing the Refinancing shall not be greater than the Interest Rate of the corresponding Class of Secured Debt subject to such Refinancing and (A) if such Secured Debt has a floating Interest Rate then the corresponding class of obligations providing the Refinancing will have a floating interest rate and (B) if such Secured Debt has a fixed Interest Rate then the corresponding class of obligations providing the Refinancing will have a fixed interest rate, or (2) if either (x) the Interest Rate payable on the applicable class of Secured Debt subject to such Refinancing is a floating interest rate and the interest rate payable on the corresponding class of obligations providing the Refinancing for such Class is a fixed interest rate; (y) the Interest Rate payable on the applicable class of Secured Debt subject to such Refinancing is a fixed interest rate and the interest rate payable on the corresponding class of obligations providing the Refinancing for such Class is a floating interest rate or (z) the interest rate of the corresponding class of obligations providing the Refinancing with respect to the Class of Secured Debt subject to such Refinancing will be greater than the Interest Rate for such Class of Secured Debt subject to such Refinancing and both the interest rate payable on such Class of Secured Debt and the corresponding class of obligations providing the Refinancing with respect to such Class are either (A) floating interest rates or (B) fixed interest rates, as applicable, then the weighted average, as determined by the Portfolio Manager (based on the aggregate principal amount of each Class of Secured Debt subject to such Refinancing) of the spread over the Benchmark and/or the

fixed interest rate, as applicable, of all classes of obligations providing such Refinancing shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over the Benchmark and/or the fixed interest rate, as applicable, with respect to all Classes of Secured Debt subject to such Refinancing; (viii) each class of obligations providing the Refinancing is subject to the Priority of Payments and does not rank higher in priority pursuant to the Priority of Payments than the corresponding Class of Secured Debt being refinanced, (ix) the voting rights, consent rights, redemption rights and all other rights of each class of obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Debt being refinanced (except that, at the Issuer's election, the non-call period with respect to any class of obligations providing the Refinancing may be extended as it applies to a subsequent Refinancing in part by Class or a Re-Pricing or any class of obligations providing the Refinancing may not be subject to a subsequent Refinancing in part by Class or a Re-Pricing), (x) the Refinancing is approved by a Majority of Subordinated Notes, (xi) the principal amount of the obligations of a given class providing the Refinancing is equal to the outstanding principal amount of the corresponding Class of Secured Debt being refinanced and (xii) the Issuer has received an opinion or advice from Allen Overy Shearman Sterling US LLP or Paul Hastings LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that such Refinancing will not (A) result in a deemed exchange for U.S. federal income tax purposes of any other Outstanding Class of Notes not subject to a Refinancing or (B) cause the Issuer to be treated as engaged in a trade of business in the United States for U.S. federal income tax purposes or otherwise to become subject to U.S. federal income tax with respect to its net income.

(f) The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Collateral Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Portfolio Manager, the Issuer and the Collateral Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Debt other than a Majority of the Subordinated Notes.

(g) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least 15 days prior to the Redemption Date (or such shorter period of time as the Collateral Trustee and the Portfolio Manager find reasonably acceptable), notify the Collateral Trustee and the Portfolio Manager in writing of such Redemption Date, the applicable Record Date, the principal amount of Secured Debt to be redeemed on such Redemption Date and the applicable Redemption Price; *provided* that failure to effect any Optional Redemption which is withdrawn by the Co-Issuers in accordance with this Indenture or with respect to which a Refinancing fails to occur will not constitute an Event of Default.

(h) In connection with a Refinancing of all Classes of Secured Debt, a Majority of the Subordinated Notes and the Portfolio Manager may agree to designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "**Designated Excess Par**"), and direct the Collateral Trustee to apply such Designated Excess Par on such Redemption Date as Interest Proceeds in accordance with the Priority of Payments.

Section 9.3 Tax Redemption. (a) The Debt shall be redeemed in whole but not in part on any Business Day (any such redemption, a "**Tax Redemption**") at their applicable Redemption Prices at the written direction (delivered to the Collateral Trustee and the Portfolio Manager not later than 30 days (or such shorter period of time as the Collateral Trustee and the Portfolio Manager find reasonably acceptable) prior to the Business Day on which such redemption is to be made) of (x) a Majority of any Affected Class (voting separately by Class) or (y) a Majority of the Subordinated Notes, in either case, following the occurrence and during the continuation of a Tax Event.

(b) Upon its receipt of such written direction directing a Tax Redemption, the Collateral Trustee shall promptly notify the Portfolio Manager, the Holders and the Issuer (which shall notify the Rating Agency) thereof.

(c) If an Officer of the Portfolio Manager obtains actual knowledge of the occurrence of a Tax Event, the Portfolio Manager shall promptly notify the Issuer (which shall notify the Rating Agency), the Collateral Administrator, and the Collateral Trustee thereof, and upon receipt of such notice the Collateral Trustee (on behalf of the Issuer) shall promptly notify the Holders of the Notes.

Section 9.4 Redemption Procedures. (a) Upon receipt of written notice of a redemption pursuant to Section 9.2 or 9.3, the Collateral Trustee (on behalf of the Issuer) shall deliver a notice (which notice may be provided via posting on the Collateral Trustee's internet website for purposes of delivering such notice to each Holder of Debt) of (i) an Optional Redemption not later than 20 Business Days prior to the applicable Redemption Date or (ii) a Tax Redemption not later than 10 days prior to the applicable Redemption Date to each Holder of Debt at such Holder's address in the Register, and to the Rating Agency then rating a Class of Secured Debt. Notes called for redemption must be surrendered at the office of any Paying Agent. In addition, so long as any Class of Debt is listed on the Cayman Islands Stock Exchange and so long as the guidelines of such exchange so require, the notice of redemption to the Holders of such Debt shall also be sent to the Cayman Islands Stock Exchange.

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Secured Debt to be redeemed and, if applicable, the estimated Redemption Price of the Subordinated Notes;

(iii) all of the Secured Debt that are to be redeemed are to be redeemed in full and that interest on such Secured Debt shall cease to accrue on the Payment Date specified in the notice;

(iv) the place or places where the Secured Debt to be redeemed are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(v) if all Secured Debt are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall, with respect to the Notes, be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2.

(c) The Co-Issuers shall have the option to withdraw any notice of Optional Redemption or Tax Redemption by written notice to the Collateral Trustee and the Portfolio Manager (x) in the case of an Optional Redemption effected in whole but not in part with Sale Proceeds, on any day up to and including the second Business Day prior to the scheduled Redemption Date, only if the Portfolio Manager has notified the Co-Issuers that it is unable to deliver such evidence or certifications in a form satisfactory to the Collateral Trustee and (y) in the case of an Optional Redemption effected in whole or in part with Refinancing Proceeds, up to and including the second Business Day prior to the scheduled Redemption Date only if the Portfolio Manager has notified the Co-Issuers and the Collateral Trustee that it is unable to obtain the applicable Refinancing on behalf of the Issuer. The failure to effect any Optional Redemption or Tax Redemption (x) which is so withdrawn in accordance with this Indenture or, (y) in the case of an Optional Redemption to be effected with the proceeds of a Refinancing or Sale Proceeds, which fails, shall not constitute an Event of Default.

(d) Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers or, upon an Issuer Order, by the Collateral Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Debt selected for redemption shall not impair or affect the validity of the redemption of any other Debt.

(e) Upon receipt of a notice of redemption of the Secured Debt from Sale Proceeds pursuant to Section 9.2 (unless such Optional Redemption is being effected solely through a Refinancing) or Section 9.3, the Portfolio Manager in its sole discretion shall direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets in accordance with clause (f) below such that the proceeds from such sale and all other funds available for such purpose in the Collection Account and the Payment Account shall be at least sufficient to pay the Redemption Prices of the Outstanding Secured Debt and all amounts due and payable pursuant to the Priority of Payments on the related Redemption Date prior to any distributions with respect to the Subordinated Notes. If such proceeds of such sale and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem or prepay all Secured Debt then required to be redeemed or prepaid and to pay such fees and expenses, the Secured Debt may not be redeemed or prepaid. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(f) Unless Refinancing Proceeds and/or Partial Refinancing Interest Proceeds (in the case of a Partial Redemption) are being used to redeem or prepay the Secured Debt in whole or in part, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Debt may be optionally redeemed or prepaid unless (i) at least five Business Days before the scheduled

Redemption Date the Portfolio Manager shall have furnished to the Collateral Trustee evidence, in a form reasonably satisfactory to the Collateral Trustee (which may, at the Collateral Trustee's option, be in the form of an Officer's certificate of the Portfolio Manager in form reasonably acceptable to the Collateral Trustee), that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets and/or the Hedge Agreements at a purchase price at least sufficient, together with the proceeds from Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, any payments to be received in respect of any Hedge Agreements and all amounts available in the Collection Account and the Payment Account, to pay the Redemption Amount, (ii) at least five Business Days prior to the scheduled Redemption Date, prior to selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify in writing to the Collateral Trustee that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and expected proceeds from the sale of Eligible Investments (such sale to be completed at least two Business Days prior to the scheduled Redemption Date), together with the proceeds from Eligible Investments maturing, redeemable or putable to the issuer thereof at par two Business Days prior to the related Redemption Date, (B) for each Collateral Obligation, the product of its Principal Balance and its Market Value (expressed as a percentage of the par amount of such Collateral Obligation), and (C) without duplication, all available amounts in the Collection Account and the Payment Account shall equal or exceed the Redemption Amount and, at least the Business Day prior to the scheduled Redemption Date the Portfolio Manager shall certify in writing to the Collateral Trustee that all proceeds have been collected and are equal to or exceed the Redemption Amount, or (iii) at least five Business Days before the scheduled Redemption Date, the Portfolio Manager has furnished to the Collateral Trustee evidence in form reasonably satisfactory to the Collateral Trustee (which may, at the Collateral Trustee's option, be in the form of an Officer's certificate of the Portfolio Manager, in form reasonably satisfactory to the Collateral Trustee) that the Portfolio Manager (or an Affiliate or agent thereof) has priced but not yet closed another collateralized loan obligation transaction or similar transaction (provided such transaction has closed two Business Days prior to the scheduled Redemption Date), the net proceeds of which shall at least equal, in each case, an amount sufficient, together with (x) the proceeds from Eligible Investments maturing, redeemable or putable to the issuer thereof at par two Business Days prior to the scheduled Redemption Date, (y) without duplication, any available amounts in the Collection Account and the Payment Account and (z) without duplication, the aggregate amount of the expected proceeds from the sale of the Assets and Eligible Investments not later than two Business Days immediately preceding the scheduled Redemption Date, to pay the Redemption Amount and, at least the Business Day prior to the scheduled Redemption Date the Portfolio Manager shall certify in writing to the Collateral Trustee that the transaction and sales provided for in this subclause (iii) have been completed and that all proceeds have been collected and are equal to or exceed the Redemption Amount. Any certification delivered by the Portfolio Manager pursuant to this Section 9.4(f) shall include (1) the prices of, and expected or collected proceeds (as applicable) from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.4(f). Any Holder or beneficial owner of Debt, the Portfolio Manager or any of the Portfolio Manager's Affiliates or

accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or Tax Redemption.

(g) In the event that a scheduled redemption of the Secured Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then, upon notice from the Issuer to the Collateral Trustee that sufficient funds are now available to complete such redemption, such Secured Debt may be redeemed using such funds on any Business Day prior to the first Payment Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date. Interest on the Notes will accrue to but excluding such new Redemption Date. If such redemption does not occur prior to the first Payment Date after the original scheduled redemption date, such redemption will be cancelled without further action.

Section 9.5 Debt Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Debt to be redeemed shall, on the Redemption Date, subject to Section 9.4(f) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(c) or the failure of any Refinancing to occur, become due and payable at the Redemption Prices with respect thereto, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices) all Secured Debt shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date. Payments of interest and principal on Secured Debt so to be redeemed which are payable on any Payment Date on or prior to the Redemption Date shall be payable to the Holders of such Secured Debt, or one or more predecessor Secured Debt, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(e).

(b) If any Secured Debt called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Debt remains Outstanding; *provided* that the reason for such non-payment is not the fault of such Debtholder.

(c) Notwithstanding anything to the contrary set forth herein, the proceeds from a Refinancing related to a redemption in part by Class and a Non-Payment Date Refinancing shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date to redeem or prepay the Classes of Secured Debt subject to such redemption by Refinancing at the Redemption Price for such Classes of Secured Debt and to pay any fees, costs, charges and expenses incurred in connection with such Refinancing that are being paid from such proceeds; *provided*, that to the extent such Refinancing Proceeds are not applied to redeem or

prepay such Classes of Secured Debt or to pay such other amounts, such Refinancing Proceeds shall be treated as Principal Proceeds or Interest Proceeds, at the direction of the Portfolio Manager. In addition, (i) on each Partial Redemption Date, unless an Enforcement Event has occurred and is continuing, Refinancing Proceeds and Partial Refinancing Interest Proceeds will be applied in accordance with the Priority of Redemption Proceeds to redeem or prepay the Secured Debt being refinanced and to pay any Administrative Expenses in connection therewith and (ii) on each Non-Payment Date Refinancing, unless an Enforcement Event has occurred and is continuing, Refinancing Proceeds will be applied in accordance with the Priority of Redemption Proceeds to redeem the Secured Debt being refinanced and to pay any Administrative Expenses in connection therewith.

(d) In connection with a Non-Payment Date Refinancing, a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) may direct the Co-Issuers, the Collateral Trustee, the Portfolio Manager and the other Transaction Parties to disregard all provisions in this Indenture related to a Non-Payment Date Refinancing on such Non-Payment Date Refinancing Date and such provisions shall have no effect on such Non-Payment Date Refinancing Date.

Section 9.6 Special Redemption. Principal payments on the Secured Debt shall be made in part in accordance with the Priority of Payments on any Payment Date during the Reinvestment Period, if the Portfolio Manager at its sole discretion notifies the Collateral Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account or in the Permitted Use Account that are to be invested in additional Collateral Obligations (a "**Special Redemption**"). On the first Payment Date following the Collection Period in which such notice is given (a "**Special Redemption Date**"), the amount in the Collection Account representing Principal Proceeds (including funds in the Permitted Use Account transferred to the Collection Account) which the Portfolio Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, the "**Special Redemption Amount**") shall be applied in accordance with the Priority of Payments. Notice of payments pursuant to this Section 9.6 shall be given by the Collateral Trustee not less than three Business Days prior to the applicable Special Redemption Date by email transmission or first class mail, postage prepaid, to each Holder of Secured Debt affected thereby at such Holder's email address or mailing address in the Register and, subject to Section 14.3(c), to the Rating Agency.

Section 9.7 [Reserved].

Section 9.8 Clean-Up Call Redemption. (a) At the written direction of the Portfolio Manager (which direction shall be given so as to be received by the Issuer, the Collateral Trustee and the Rating Agency not later than 30 days prior to the proposed Redemption Date) with the consent of a Majority of the Subordinated Notes, the Secured Debt shall be subject to redemption by the Issuer, in whole but not in part (a "**Clean-Up Call Redemption**"), at the Redemption Price therefor, on any Business Day after the Non-Call Period on which the Collateral

Principal Amount is less than 20% of the Target Portfolio Par; *provided* that, the consent of a Majority of the Subordinated Notes is not required if the Collateral Principal Amount is less than or equal to 10% of the Target Portfolio Par.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than the Eligible Investments referred to in clause (d) of this sentence) by the Portfolio Manager or any other Person from the Issuer, on or prior to the fifth Business Day immediately preceding the related Redemption Date, for a purchase price in Cash (the "**Clean-Up Call Redemption Price**") at least equal to the greater of (1) the sum of (a) the Aggregate Outstanding Amount of the Secured Debt, *plus* (b) all unpaid interest on the Secured Debt accrued to the date of such redemption, *plus* (c) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes (including, for the avoidance of doubt, all outstanding Administrative Expenses), *minus* (d) the balance of the Eligible Investments in the Collection Account and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Collateral Trustee from the Portfolio Manager, prior to such purchase, of certification from the Portfolio Manager that the sum so received satisfies clause (i). Upon receipt by the Collateral Trustee of the certification referred to in the preceding sentence, the Collateral Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Portfolio Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Collateral Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Portfolio Manager.

(c) Upon receipt from the Portfolio Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date and the Record Date for any redemption pursuant to this Section 9.8 and give written notice thereof to the Collateral Trustee, the Collateral Administrator, the Portfolio Manager and the Rating Agency not later than 15 Business Days (or such shorter period of time as the Collateral Trustee and the Portfolio Manager may reasonably find acceptable) prior to the proposed Redemption Date.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to the fourth Business Day prior to the related scheduled Redemption Date by written notice to the Collateral Trustee, the Rating Agency and the Portfolio Manager only if amounts equal to the Clean-Up Call Redemption Price are not received in full in immediately available funds by the fifth Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Collateral Trustee at the expense of the Issuer to each Holder of Debt to be redeemed or prepaid at such Holder's address in the Note Register, by overnight courier guaranteeing next day delivery not later than the third Business Day prior to the related scheduled Redemption Date.

(e) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Payments.

Section 9.9 Optional Re-Pricing

(a) On any Business Day after the Non-Call Period, a Majority of the Subordinated Notes (with the consent of the Portfolio Manager) or the Portfolio Manager (with the consent of a Majority of the Subordinated Notes) may direct the Co-Issuers to reduce the spread over the Benchmark with respect to any Re-priceable Class of Secured Debt, and/or the interest rate with respect to any Class of Fixed Rate Debt, in accordance with the procedures described below (any such reduction, a "**Re-Pricing**" and any Re-priceable Class of Secured Debt to be subject to a Re-Pricing, a "**Re-Priced Class**"); *provided* that the Co-Issuers shall not effect any Re-Pricing unless each condition specified below is satisfied with respect thereto. No terms of any Secured Debt other than the Interest Rate applicable to such Secured Debt may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes or the Portfolio Manager (as applicable) and such Re-Pricing Intermediary may assist the Issuer in effecting the Re-Pricing.

(b) At least 20 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes or the Portfolio Manager (as applicable) for any proposed Re-Pricing (the "**Re-Pricing Date**"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Portfolio Manager, the Collateral Trustee, the Collateral Administrator and the Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall:

(i) specify the proposed Re-Pricing Date and for the Floating Rate Debt, the revised spread (or a range of spreads) over the Benchmark and/or the Interest Rate to be applied with respect to such Class (each, a "**Re-Pricing Rate**"),

(ii) request that each Holder of the Re-Priced Class to consent to the terms of the proposed Re-Pricing or to specify the lowest spread (for Floating Rate Debt) or interest rate (for Fixed Rate Debt) at which the Holder will consent to Re-Pricing, and

(iii) specify the price (or the formula for calculating the price) at which Notes of any Holder of the Re-Priced Class that does not consent to the Re-Pricing pursuant to Section 9.9(c) may be sold and transferred, which, for purposes of such Re-Pricing, will be an amount equal to 100% of the Aggregate Outstanding Amount of such Notes, *plus* accrued and unpaid interest thereon (including Deferred Interest and interest on any accrued and unpaid Deferred Interest, with respect to such Notes) (the "**Re-Pricing Sale Price**").

(c) In the event any Holders of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date which is 10 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and shall request each such consenting Holder to provide written notice to the Issuer, the Collateral Trustee, the Portfolio Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the

Notes of the Re-Priced Class in an amount held by the non-consenting Holders (each such notice delivered by a consenting Holder, an "**Exercise Notice**") within five Business Days of the date of such notice.

(d) In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, on the Re-Pricing Date, cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices (subject to reasonable adjustment, as determined by the Re-Pricing Intermediary, to comply with the applicable minimum denomination requirements and the applicable procedures of DTC).

(e) In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, will, on the Re-Pricing Date, cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting Holders will be sold to one or more transferees designated by the Co-Issuers or the Issuer, as applicable, or the Re-Pricing Intermediary on behalf of the Co-Issuers or the Issuer, as applicable.

(f) All sales of Notes to be effected pursuant to this Section 9.9 shall be made at the Re-Pricing Sale Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions of this Indenture or with such modifications permitted by this Indenture. The Holder of each Note, by its acceptance of an interest in the Notes, agrees to the sale and transfer of its Notes in accordance with this Section 9.9 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Collateral Trustee to effect such sales and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Collateral Trustee and the Portfolio Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by consenting Holders or non-consenting Holders.

(g) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Collateral Trustee have entered into a supplemental indenture dated as of the Re-Pricing Date solely to reduce the interest rate of the Re-Priced Class (and to make changes necessary to give effect to such reduction);

(ii) confirmation has been received that all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred pursuant to the provisions above;

(iii) the Rating Agency has been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Collateral Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds that shall be available after taking into account all amounts required to be paid under the Priority of Payments on the subsequent Payment Date prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or shall be adequately provided for by an entity other than the Issuer. Notwithstanding the foregoing, the fees of the Re-Pricing Intermediary payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing;

(v) all accrued and unpaid interest (including, to the extent applicable, Deferred Interest and interest accrued and unpaid Deferred Interest) on each Note subject to such Re-Pricing must be paid in full on such Re-Pricing Date in accordance with the Priority of Payments;

(vi) the Issuer has provided to the Collateral Trustee an Officer's certificate from the Portfolio Manager to the effect that all conditions precedent to the Re-Pricing have been satisfied; and

(vii) such Re-Pricing does not violate the laws, rules and regulations of the State of New York or the United States of America, each as applicable to the Issuer.

(h) Notice of a Re-Pricing shall be given by the Collateral Trustee not less than three Business Days prior to the proposed Re-Pricing Date to each Holder of Notes of the Re-Priced Class (with a copy to the Portfolio Manager) specifying the applicable Re-Pricing Date and Re-Pricing Rate. Notice of Re-Pricing shall be given by the Collateral Trustee in the name of and at the expense of the Issuer. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(i) Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Portfolio Manager (as applicable) on or prior to the fourth Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Collateral Trustee, the Collateral Administrator, the Portfolio Manager (if applicable) and the Holders of the Subordinated Notes (if applicable) for any reason. Upon receipt of such notice of withdrawal, the Collateral Trustee shall send such notice to the Holders of Debt and the Rating Agency.

Such institution shall have a combined capital and surplus of at least U.S.\$200,000,000. All cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Account Control Agreement, the Collateral Trustee has established two segregated securities accounts, one of which is designated the "Interest Collection Subaccount" and one of which is designated the "Principal Collection Subaccount" (and which together shall comprise the Collection Account), each held in the name of "Apex Credit CLO 2019 Ltd., subject to the lien of U.S. Bank Trust Company, National Association, as Collateral Trustee." Any amounts received with respect to the Assets shall be identified by the Portfolio Manager as Interest Proceeds or Principal Proceeds in accordance with the terms hereof and be deposited into the Interest Collection Subaccount or the Principal Collection Subaccount, as applicable. Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, collectively the "**Institutional Collateral**"), the Issuer shall deposit the Institutional Collateral with such Selling Institution rather than in the Revolver Funding Account (and the Issuer, or the Portfolio Manager on its behalf, shall notify and direct the Collateral Trustee in connection therewith), subject to the following sentence. Any such deposit of Institutional Collateral shall satisfy the following requirement, as determined by the Portfolio Manager: such Institutional Collateral shall be deposited with a custodian meeting the requirements therefore as set out in Section 3.3(a) hereof.

Upon initial purchase of any such obligations, funds deposited in the Revolver Funding Account in respect of any Delayed Drawdown Collateral Obligation, Delayed Funding Loss Mitigation Obligation or Revolving Collateral Obligation shall be treated as part of the purchase price therefor. Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation or Delayed Funding Loss Mitigation Obligation as directed by the Portfolio Manager on behalf of the Issuer. In the event of any shortfall in the Revolver Funding Account, the Portfolio Manager (on behalf of the Issuer) may direct the Collateral Trustee to, and the Collateral Trustee thereafter shall, transfer funds in an amount equal to such shortfall from the Principal Collection Subaccount to the Revolver Funding Account.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) shall be available at the direction of the Portfolio Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations, Delayed Funding Loss Mitigation Obligations and Revolving Collateral Obligations; *provided*, that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations, Delayed Funding Loss Mitigation Obligations and Revolving Collateral Obligations that are included in the Assets may be transferred by the Collateral Trustee (at the written direction of the Portfolio Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

Section 10.5 Reinvestment of Funds in Accounts; Reports by Collateral Trustee.
(a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall at all times direct the Collateral Trustee to, and, upon receipt

If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Collateral Trustee shall seek instructions from the Portfolio Manager within three Business Days after transfer of any funds to such accounts. If the Collateral Trustee does not thereafter receive written instructions from the Portfolio Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Directed Investment. If after the occurrence of an Event of Default, the Issuer shall not have given such investment directions to the Collateral Trustee for three consecutive days, the Collateral Trustee shall invest and reinvest such Monies as fully as practicable in the Standby Directed Investment unless and until contrary investment instructions as provided in the preceding sentence are received or the Collateral Trustee receives a written instruction from the Issuer, or the Portfolio Manager on behalf of the Issuer, changing the Standby Directed Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Subaccount, any gain realized from such investments shall be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Subaccount. The Collateral Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment, provided that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof.

(b) The Collateral Trustee agrees to give the Issuer immediate notice if any Trust Officer has actual knowledge that any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(c) The Collateral Trustee shall supply, in a timely fashion, to the Co-Issuers (and the Issuer shall supply to the Rating Agency), the Portfolio Manager and the Collateral Administrator any information regularly maintained by the Collateral Trustee that the Co-Issuers, the Rating Agency then rating any Class of Secured Debt, the Portfolio Manager or the Collateral Administrator may from time to time reasonably request with respect to the Assets and the Accounts and provide any other requested information reasonably available to the Collateral Trustee by reason of its acting as Collateral Trustee hereunder and required to be provided by Section 10.6 or to permit the Portfolio Manager to perform its obligations under the Portfolio Management Agreement or the Issuer's obligations hereunder that have been delegated to the Portfolio Manager. The Collateral Trustee shall promptly forward to the Portfolio Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and

notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

Nothing in this Section 10.5 shall be construed to impose upon the Collateral Trustee any duty to prepare any report or statement required under Section 10.6 or to calculate or compute information required to be set forth in any such report or statement other than information regularly maintained by the Collateral Trustee by reason of its acting as Collateral Trustee hereunder.

(d) As promptly as possible following the delivery of each Monthly Report and Distribution Report to the Collateral Trustee pursuant to Section 10.6(a) or (b), as applicable, the Portfolio Manager on behalf of the Issuer shall cause a copy of such report (or portions thereof) to be delivered to Intex Solutions, Inc., or any other valuation provider deemed necessary by the Portfolio Manager.

Section 10.11 Investment Company Act Procedures. For so long as any Debt is Outstanding, the Issuer shall do the following:

(a) Notification. Each Monthly Report sent or caused to be sent by the Issuer to the Holders shall include a notice to the following effect:

"The Investment Company Act of 1940, as amended (the "**1940 Act**"), requires that all holders of the outstanding securities of the Co-Issuers that are U.S. persons (as defined in Regulation S) be "qualified purchasers" ("**Qualified Purchasers**") as defined in Section 2(a)(51)(A) of the 1940 Act and related rules. Under the rules, each Co-Issuer must have a "reasonable belief" that all holders of its outstanding securities that are "U.S. persons" (as defined in Regulation S), including transferees, are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Consequently, all sales and resales of the Notes in the United States or to "U.S. persons" (as defined in Regulation S) must be made solely to purchasers that are Qualified Purchasers or entities owned exclusively by Qualified Purchasers. Each purchaser of a Note in the United States who is a "U.S. person" (as defined in Regulation S) (other than a Permitted IAI, with respect to Subordinated Notes in the form of Certificated Notes) (such Note, a "**Restricted Note**") shall be deemed (or required, as the case may be) to represent at the time of purchase that: (i) the purchaser is a Qualified Purchaser or an entity owned exclusively by Qualified Purchasers who is also a qualified institutional buyer as defined in Rule 144A under the Securities Act ("**QIB**"); (ii) the purchaser is acting for its own account or the account of another Qualified Purchaser and QIB; (iii) the purchaser is not formed for the purpose of investing in either Co-Issuer; (iv) the purchaser, and each account for which it is purchasing, shall hold and transfer at least the Minimum Denominations of the Notes specified herein; (v) the purchaser understands that the Issuer may receive a list of participants holding positions in securities from one or more book-entry

depositories; and (vi) the purchaser shall provide written notice of the foregoing, and of any applicable restrictions on transfer, to any subsequent transferees. The Restricted Securities may only be transferred to a transferee who is both (I) a (x) Qualified Purchaser or (y) entity owned exclusively by Qualified Purchasers and (II) a QIB, and all subsequent transferees are deemed to have made representations (i) through (vi) above.

The Issuer directs that the recipient of this notice, and any recipient of a copy of this notice, provide a copy to any Person having an interest in this Note as indicated on the books of DTC or on the books of a participant in DTC or on the books of an indirect participant for which such participant in DTC acts as agent.

This Indenture provides that if, notwithstanding the restrictions on transfer contained therein, the Co-Issuers determine that any "U.S. person" (as defined in Regulation S) (other than a Permitted IAI, with respect to Subordinated Notes in the form of Certificated Notes) who is a Holder or beneficial owner of an interest in a Restricted Note is determined not to have been a QIB/QP at the time of acquisition of such Restricted Note or beneficial interest therein, the Issuer may require, by notice to such Holder or beneficial owner, that such Holder or beneficial owner sell all of its right, title and interest to such Restricted Note (or any interest therein) to a Person that is either (A) not a "U.S. person" (as defined in Regulation S) or (B) both (x) a (I) Qualified Purchaser or (II) entity owned exclusively by Qualified Purchasers and (y) a QIB, with such sale to be effected within 30 days after notice of such sale requirement is given. If such Holder or beneficial owner fails to effect the transfer required within such 30-day period, the Issuer (or the Portfolio Manager acting on behalf of the Issuer), without further notice to such Holder or beneficial owner, shall and is hereby irrevocably authorized by such Holder or beneficial owner, to cause its Restricted Note or beneficial interest therein to be transferred in a commercially reasonable sale (conducted by the Portfolio Manager in accordance with Article 9 of the UCC as in effect in the State of New York as applied to securities that are sold on a recognized market or that may decline speedily in value) to a Person that certifies to the Collateral Trustee, the Co-Issuers and the Portfolio Manager, in connection with such transfer, that such Person meets the qualifications set forth in clause (A) or (B) above and pending such transfer, no further payments shall be made in respect of such Restricted Note or beneficial interest therein held by such Holder or beneficial owner."

(b) DTC Actions. The Issuer shall direct DTC to take the following steps in connection with the Global Notes:

(i) The Issuer shall direct DTC to include the marker "3c7" in the DTC 20-character security descriptor and the 48-character additional descriptor for the Global Notes in order to indicate that sales are limited to Qualified Purchasers.

(ii) The Issuer shall direct DTC to cause each physical deliver order ticket that is delivered by DTC to purchasers to contain the 20-character security descriptor. The Issuer shall direct DTC to cause each deliver order ticket that is delivered by DTC to purchasers in electronic form to contain a "3c7" indicator and a related user manual for participants. Such user manual shall contain a description of the relevant restrictions imposed by Section 3(c)(7) of the Investment Company Act.

(iii) On or prior to the 2024 Closing Date, the Issuer shall instruct DTC to send a Section 3(c)(7) Notice to all DTC participants in connection with the offering of the Global Notes.

satisfied on a *pro forma* basis after giving effect to all payments pursuant to this clause (U) shall be deposited into the Principal Collection Subaccount and applied as Principal Proceeds;

(V) if with respect to any Payment Date following the 2024 Closing Date, the Refinancing Target Par Condition has not been satisfied on any date of determination on or prior to such Payment Date, amounts available for distribution pursuant to this clause (V) shall be deposited into the Collection Account as Principal Proceeds to be used for the acquisition of additional Collateral Obligations and/or Eligible Investments pending purchase of additional Collateral Obligations, in each case in amounts necessary to satisfy the Refinancing Target Par Condition;

(X) to the payment of (1) *first*, (in the same manner and order of priority stated therein) any Administrative Expenses not paid pursuant to clause (A)(2) above due to the limitation contained therein and (2) *second*, any amounts due to any Hedge Counterparty under any Hedge Agreement not otherwise paid pursuant to clause (C) above;

(Y) to the payment to each Contributor, *pro rata* based on the aggregate amount of Contribution Repayment Amounts owing on such Payment Date, the aggregate amount of such Contribution Repayment Amounts owing to each such Contributor until all such amounts have been paid in full;

(AA) (1) 80% of the remaining Interest Proceeds to the Holders of the Subordinated Notes and (2) 20% of the remaining Interest Proceeds to the Portfolio Manager in respect of the Incentive Management Fee.

(ii) On each Payment Date and Redemption Date (other than a Partial Redemption Date that does not otherwise fall on a Payment Date and a Non-Payment Date Refinancing Date), unless an Enforcement Event has occurred and is continuing, Principal Proceeds on deposit in the Collection Account that are received on or before the related Determination Date (or if such Determination Date is not a Business Day, the next succeeding Business Day) and that are transferred to the Payment Account (which shall not include (i) amounts required to meet funding requirements with respect to Delayed Drawdown Collateral Obligations, Delayed Funding Loss Mitigation Obligations and Revolving Collateral Obligations that are deposited in the Revolver Funding Account or (ii) Principal Proceeds that have previously been reinvested in Collateral Obligations or that the Portfolio Manager has committed to invest in specified Collateral Obligations during the next Interest Accrual Period in accordance with Section 12.2) shall be applied in the following order of priority:

(A) to pay the amounts referred to in clauses (A) through (T) of Section 11.1(a)(i) (and in the same manner and order of priority stated therein), but only to the extent not paid in full thereunder; *provided*, that payments under (i) clause (H) and clause (I) of Section 11.1(a)(i) shall be made only to the extent the Class C-RR Notes are the Controlling Class at such time; (ii) clause (K) and clause (L) of Section 11.1(a)(i) shall be made only to the extent the Class D-1RR Notes are the Controlling Class at such time, (iii) clause (M) and clause (N) of Section 11.1(a)(i) shall be made only to the extent the Class D-JRR Notes are the Controlling Class at such time, (iv) clause (P) and clause (Q) of Section 11.1(a)(i) shall be made only to the extent the Class E-RR Notes are the Controlling Class at such time and (v) clause (S) and clause (T) of Section 11.1(a)(i) shall be made only to the extent the Class F-RR Notes are the Controlling Class at such time;

In determining the amount of any payment required to satisfy any Coverage Test or the Interest Diversion Test, for purposes of the priorities set forth in Sections 11.1(a)(i) and (ii) above, the Aggregate Outstanding Amount of the Secured Debt shall give effect to the application of Principal Proceeds to be used on the applicable Payment Date to repay principal of the Secured Debt, and the application of Interest Proceeds on such Payment Date pursuant to all prior clauses in the priorities set forth in Sections 11.1(a)(i) above.

(B) to pay any Administrative Expenses related to the Refinancing; and

(C) any remaining amounts, to the Collection Account as Principal Proceeds or Interest Proceeds, at the direction of the Portfolio Manager.

(d) The Portfolio Manager may, in its sole discretion (but shall not be obligated to), elect to irrevocably waive payment of any or all of any Portfolio Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Collateral Trustee no later than the Determination Date immediately prior to such Payment Date in accordance with the terms of Section 8(b) of the Portfolio Management Agreement. Any such Portfolio Management Fee, if expressly waived permanently, shall not thereafter become due and payable and any claim of the Portfolio Manager therein shall be extinguished. Any other waived or deferred Subordinated Management Fees shall, upon election by the Portfolio Manager, be payable without any interest thereon on subsequent Payment Dates in accordance with the Priority of Payments to the extent so directed by the Portfolio Manager in a notice delivered to the Collateral Trustee no later than the related Determination Date.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 (regardless of any provision in this Article XII that purports to be without restriction), the Portfolio Manager on behalf of the Issuer may (except as otherwise specified in this Section 12.1) direct the Collateral Trustee to sell, and the Collateral Trustee shall sell on behalf of the Issuer in the manner so directed by the Portfolio Manager, any Collateral Obligation, Defaulted Obligation, Loss Mitigation Obligation or Equity Security if, as certified by the Portfolio Manager (on which certificate the Collateral Trustee may rely and provided that such certification shall be deemed to have been given upon delivery to the Collateral Trustee of a trade ticket executed by the Portfolio Manager on behalf of the Issuer), such sale meets the requirements of any one of clauses (a) through (i) of this Section 12.1 (provided that if an Event of Default has occurred and is continuing, the Portfolio Manager may not direct the Collateral Trustee to sell any Collateral Obligation pursuant to Sections 12.1(b) or (g)). For purposes of this Section 12.1, the

Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Collateral Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Collateral Trustee to sell any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations and Loss Mitigation Obligations. The Portfolio Manager may direct the Collateral Trustee to sell any (i) Defaulted Obligation, (ii) Loss Mitigation Obligation or (iii) any asset held by any Issuer Subsidiary at any time without restriction. With respect to each Defaulted Obligation that has not been sold or terminated within three years after the date on which such obligation becomes a Defaulted Obligation (or, in the case of a Specified Defaulted Obligation, was designated as a "Specified Defaulted Obligation"), the Market Value and Principal Balance of such Defaulted Obligation will be deemed to be zero.

(d) Equity Securities and Specified Equity Securities. The Portfolio Manager may direct the Collateral Trustee to sell any Equity Security or Specified Equity Security at any time without restriction.

(e) Optional Redemption. After a Majority of the Subordinated Notes has notified the Collateral Trustee and the Portfolio Manager of an Optional Redemption of the Secured Debt in accordance with Section 9.2(a), the Portfolio Manager shall direct the Collateral Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. After a Majority of an Affected Class or a Majority of the Subordinated Notes has directed (by a written direction delivered to the Collateral Trustee) a Tax Redemption, the Issuer (or the Portfolio Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(f)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. The Portfolio Manager may direct the Collateral Trustee to sell any Collateral Obligation at any time (other than if an Event of Default has occurred and is continuing) if:

(i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the 2024 Closing Date, during the period commencing on the 2024 Closing Date) is not greater than 25% of the

Adjusted Collateral Principal Amount as of the first day of such 12 calendar month period (or as of the 2024 Closing Date, as the case may be); and

(ii) either: (A) during the Reinvestment Period, the Portfolio Manager reasonably believes prior to such sale that it shall be able to enter one or more binding commitments to reinvest all or a portion of the proceeds of such sale in one or more additional Collateral Obligations with an Aggregate Principal Balance at least equal to the Aggregate Principal Balance of such Collateral Obligation within 20 Business Days after the settlement of such sale in accordance with the Investment Criteria; or (B) at any time, either (1) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (2) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale) *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, shall be greater than (or equal to) the Reinvestment Target Par Balance.

For purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same Obligor (which are *pari passu* or senior to such sold Collateral Obligations) occurring within 20 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same Obligor (which would be *pari passu* or senior to such sold Collateral Obligation).

(h) Bankruptcy Exchanges. Notwithstanding anything to the contrary contained herein, the Portfolio Manager may direct the Collateral Trustee to acquire, dispose of or exchange and the Collateral Trustee shall acquire, dispose of or exchange in the manner directed by the Portfolio Manager any Collateral Obligation in connection with a Bankruptcy Exchange at any time subject only to the conditions set forth in the definition of "Bankruptcy Exchange".

(i) Clean-Up Call Redemption. After the Portfolio Manager has notified the Issuer and the Collateral Trustee of a Clean-Up Call Redemption in accordance with Section 9.8, the Portfolio Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this section by directing the Collateral Trustee to effect such sale; *provided* that the Sale Proceeds therefrom are used for the purposes specified in Section 9.8 (and applied pursuant to the Priority of Payments).

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period, the Portfolio Manager on behalf of the Issuer may, subject to the other requirements in this Indenture, direct the Collateral Trustee to invest Principal Proceeds, proceeds of additional notes issued pursuant to Sections 2.14 and 3.2, amounts on deposit in the Ramp-Up Account, the Permitted Use Account and Principal Financed Accrued Interest, and the Collateral Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction; *provided*, that for the avoidance of doubt, with respect to any Collateral Obligations for which the trade date has occurred during the Reinvestment Period but which settle after such date, the

purchase of such Collateral Obligations shall be treated as a purchase made during the Reinvestment Period for purposes of this Section 12.2.

(a) (1) Investment during the Reinvestment Period. No obligation may be purchased by the Issuer unless each of the following conditions is satisfied as of the date the Portfolio Manager commits on behalf of the Issuer to make such purchase, in each case as determined by the Portfolio Manager after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; *provided* that the conditions set forth in clauses (iii), (iv), (v) and (vi) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) Such commitment to purchase occurs during the Reinvestment Period;

(ii) such obligation is a Collateral Obligation;

(iii) if the commitment to make such purchase occurs on or after the Effective Date (or in the case of the Interest Coverage Tests, on or after the Determination Date occurring immediately preceding the second Payment Date) following the 2024 Closing Date, each Coverage Test shall be satisfied, or if not satisfied, such Coverage Test shall be maintained or improved;

(iv) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (x) the Investment Criteria Adjusted Balance of all additional Collateral Obligations purchased with the proceeds from such sale shall at least equal the Sale Proceeds from such sale, (y) after giving effect to such purchase, the Adjusted Collateral Principal Amount shall be maintained or increased (when compared to the Adjusted Collateral Principal Amount immediately prior to such sale) or (z) after giving effect to such purchase, the Aggregate Principal Balance of all Collateral Obligations (excluding (i) the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale and (ii) Defaulted Obligations) *plus* the lower of the Moody's Collateral Value and the Fitch Collateral Value of each Defaulted Obligation *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, shall be greater than (or equal to) the Reinvestment Target Par Balance;

(v) either (I) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Tests shall be satisfied or (II) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test shall be maintained or improved after giving effect to the investment; and

(vi) with respect to the use of Sale Proceeds of Credit Improved Obligations and Collateral Obligations sold in accordance with Section 12.1(g), either (x) the Aggregate Principal Balance of all Collateral Obligations purchased with such Sale Proceeds shall be greater than or equal to the Aggregate Principal Balance of the disposed Collateral Obligations or (y) after giving effect to such reinvestment of such Sale Proceeds, the

Aggregate Principal Balance of all Collateral Obligations (excluding (i) the Collateral Obligation being sold but including, without duplication, the anticipated cash proceeds of such sale and (ii) Defaulted Obligations) *plus* the lower of the Moody's Collateral Value and the Fitch Collateral Value of each Defaulted Obligation *plus*, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, shall be greater than (or equal to) the Reinvestment Target Par Balance.

(2) Investment after the Reinvestment Period. Except as otherwise provided in this Section 12.2(a)(2), after the Reinvestment Period, the Portfolio Manager, on behalf of the Issuer, may not enter into commitments to purchase additional Collateral Obligations and Principal Proceeds may not be invested in additional Collateral Obligations, except that (1) Principal Proceeds may be used to settle a Collateral Obligation with respect to which the trade date occurred prior to the end of the Reinvestment Period and (2) Principal Proceeds received with respect to Credit Risk Obligations and Unscheduled Principal Payments may be reinvested in accordance with this Section 12.2(a)(2); *provided*, that (x) Principal Proceeds received with respect to Credit Risk Obligations and Unscheduled Principal Payments must be reinvested prior to the later of (A) thirty (30) days after receipt thereof and (B) the last day of the Collection Period in which such Principal Proceeds or Unscheduled Principal Payments were received and (y) such reinvestment is subject to the requirement that the Portfolio Manager reasonably believes, in accordance with its obligations under the Portfolio Management Agreement, that after giving effect to any such reinvestment, that each of the following conditions shall be satisfied:

- (i) such obligation is a Collateral Obligation;
- (ii) each of the Coverage Tests shall be satisfied after giving effect to such reinvestment;
- (iii) other than in connection with an Uptier Priming Transaction, the Restricted Trading Period is not then in effect;
- (iv) each additional Collateral Obligation purchased shall have the same or earlier maturity than the Collateral Obligation(s) which produced the Principal Proceeds used for such acquisition;
- (v) each additional Collateral Obligation purchased shall have the same or higher Moody's Rating than the Collateral Obligation(s) which produced the Principal Proceeds used for such acquisition;
- (vi) (A) in the case of the reinvestment of Principal Proceeds from the sale of Credit Risk Obligations, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations shall at least equal the related Sale Proceeds or (2) (a) the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased, but excluding the Collateral Obligation(s) being sold and any Defaulted Obligations) and Eligible Investments on deposit in the Principal Collection Account and the Ramp-Up Account *plus* (b) the lower of the Moody's Collateral Value and the Fitch

Collateral Value of all Defaulted Obligations, in each case constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale) (x) is maintained or increased or (y) will be greater than or equal to the Reinvestment Target Par Balance; and (B) in the case of the reinvestment of Unscheduled Principal Payments, the Aggregate Principal Balance of the Collateral Obligations (including the Collateral Obligation(s) being purchased, but excluding the Collateral Obligation(s) being sold and any Defaulted Obligations) and Eligible Investments on deposit in the Principal Collection Account and the Ramp-Up Account *plus* (b) the lower of the Moody's Collateral Value and the Fitch Collateral Value of all Defaulted Obligations, in each case constituting Principal Proceeds (including, without duplication, the anticipated net proceeds of such sale or prepayment) either (x) is maintained or increased or (y) will be greater than or equal to the Reinvestment Target Par Balance;

(vii) (A) each requirement of the Concentration Limitations (other than clauses (v) and (vi) thereof) will be satisfied or, if any such requirement was not satisfied immediately prior to such investment, the level of compliance with such requirement will be maintained or improved and (B) clauses (v) and (vi) of the Concentration Limitations will be satisfied;

(viii) such reinvestment would not cause the Retention Holder to breach its obligations under the Retention Undertaking Letter;

(ix) (A) each applicable Collateral Quality Test (other than the Maximum Moody's Rating Factor Test) will be satisfied or, if not satisfied, compliance with such Collateral Quality Test will be maintained or improved and (B) the Maximum Moody's Rating Factor Test will be satisfied; and

(x) to the Portfolio Manager's knowledge, no Event of Default has occurred that is continuing at the time of such purchase.

Notwithstanding anything in this Indenture to the contrary, as a condition to any purchase of an additional Collateral Obligation after the Reinvestment Period, if the balance in the Principal Collection Subaccount after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds, is a negative amount, the absolute value of such amount may not be greater than 4.0% of Target Portfolio Par as of the Measurement Date immediately preceding the trade date for such purchase.

(b) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Portfolio Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Portfolio Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "**Trading Plan**") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the 10 Business Days following the date of determination of such compliance (such period, the "**Trading Plan Period**"); *provided*, that (A) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal

Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (B) no Trading Plan Period may include a Determination Date, (C) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (D) no Trading Plan may result in the averaging of the purchase price of a Collateral Obligation or Collateral Obligations purchased at separate times for purposes of determining whether any particular Collateral Obligation is a Discount Obligation, (E) so long as the Investment Criteria are satisfied upon the expiry of the related Trading Plan Period, the failure of all of the terms and assumptions specified in such Trading Plan to be satisfied shall not be deemed to constitute a failure of such Trading Plan and (F) the difference between the earliest stated maturity and the longest stated maturity of any two Collateral Obligations included in such Trading Plan shall be less than or equal to three (3) years; *provided* that the Issuer (or the Portfolio Manager on its behalf) shall provide prompt written notice to Moody's and Fitch upon the failure of the Investment Criteria to be satisfied upon the expiry of the related Trading Plan.

(c) Maturity Amendments. The Issuer (or the Portfolio Manager on the Issuer's behalf) may vote in favor of a Maturity Amendment only if, as determined by the Portfolio Manager, each of the following clauses (A) and (B) are satisfied: (A) either (i) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment or (ii) if the Weighted Average Life Test was not satisfied immediately prior to giving effect to such Maturity Amendment, the level of compliance with the Weighted Average Life Test will be maintained or improved after giving effect to such Maturity Amendment; and (B) after giving effect to such Maturity Amendment, the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Debt; *provided* that clauses (A) and (B) are not required to be satisfied with respect to any Credit Amendment so long as the Aggregate Principal Balance (based on Principal Balances as of the time of each such Credit Amendment) of all Collateral Obligations (whether or not then owned by the Issuer) with respect to which the Issuer (or the Portfolio Manager on the Issuer's behalf) has consented to Credit Amendments without satisfying clauses (A) or (B), (x) then-held by the Issuer, does not exceed 4.0% of the Collateral Principal Amount and (y) measured cumulatively from the 2024 Closing Date, does not exceed 8.0% of the Target Portfolio Par. Notwithstanding the above, (i) (1) the Issuer (or the Portfolio Manager on the Issuer's behalf) may vote in favor of any Maturity Amendment without regard to clauses (A) or (B) above, so long as the Portfolio Manager will use its commercially reasonable efforts to sell such Collateral Obligation (each, a "**Specified Unsold Obligation**") within 30 days after the effective date of such Maturity Amendment and reasonably believes that any such sale will be completed prior to the end of such 30 day period and (2) any Specified Unsold Obligation with respect to which a trade date in respect of its sale has not occurred within 30 days following the effective date of the related Maturity Amendment shall be deemed to be a Defaulted Obligation and (ii) the Issuer will not be in violation of the restrictions in this paragraph if the maturity date of a Collateral Obligation is extended without meeting the requirements of clauses (A) or (B) above so long as the Issuer (or the Portfolio Manager on behalf of the Issuer) did not consent (or fail to object, in the case of an objection right) to such Maturity Amendment.

The Issuer (or the Portfolio Manager on its behalf) will use commercially reasonable efforts to affirmatively object to a Maturity Amendment that a Responsible Officer of the Portfolio Manager has actual notice of, if (i) such affirmative objection is necessary, in the Portfolio

Manager's sole discretion, to avoid a lack of response from being deemed consent to such proposed exchange, acquisition or amendment and (ii) such proposed exchange, acquisition or amendment (A) would extend the maturity of the Collateral Obligation and (B) would not otherwise be permitted under the immediately preceding paragraph; provided that if the Issuer or the Portfolio Manager has not objected to or otherwise has not voted in favor of a Maturity Amendment which would contravene the requirements of this paragraph, but (other than in respect of any Maturity Amendment effected by way of a scheme of arrangement or similar process) the stated maturity date of such Collateral Obligation has been extended, (A) the Issuer or the Portfolio Manager acting on its behalf shall use reasonable efforts to sell such Collateral Obligation within 60 days of the date of such Maturity Amendment effective date and (B) the Principal Balance of any such Collateral Obligation that the Issuer (or the Portfolio Manager on its behalf) has not sold within such 60 day period shall be zero.

(d) Certifications by Portfolio Manager. (i) Not later than the Subsequent Delivery Date for any Collateral Obligation purchased in accordance with this Section 12.2, the Portfolio Manager shall deliver by email or other electronic transmission (of a .pdf or similar file) to the Collateral Trustee and the Collateral Administrator an Officer's certificate of the Portfolio Manager certifying that such purchase complies with this Section 12.2 and Section 12.3 (on which the Collateral Trustee and the Collateral Administrator may rely and provided that such certification shall be deemed to have been given upon delivery to the Collateral Trustee of a trade ticket executed by the Portfolio Manager on behalf of the Issuer) and (ii) not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Collateral Trustee and the Collateral Administrator a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Collateral Trustee and the Collateral Administrator (which certification shall be deemed to be made upon delivery of the related schedule) that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount, any Scheduled Distributions of Principal Proceeds, as well as any Principal Proceeds that shall be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations (which certification shall be deemed to be made upon delivery of the related schedule).

(e) Unsaleable Assets. Notwithstanding the other requirements set forth in this Indenture, on any Business Day after the Reinvestment Period, the Portfolio Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Unsaleable Assets in accordance with the procedures described in this Section 12.2(e). Promptly after receipt of written notice from the Portfolio Manager of such auction, the Collateral Trustee shall provide notice (in such form as is prepared by the Portfolio Manager) to the Holders of an auction, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Debt may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Debt submits such a bid within the time period specified under clause (i) above, unless the

Portfolio Manager determines that delivery in-kind is not legally or commercially practicable and provides written notice thereof to the Collateral Trustee, the Collateral Trustee shall provide notice thereof to each Holder and offer to deliver (at such Holder's expense) a *pro rata* portion (as determined by the Portfolio Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class that provide delivery instructions to the Collateral Trustee on or before the date specified in such notice, subject to Minimum Denominations; *provided* that, to the extent that Minimum Denominations do not permit a *pro rata* distribution, the Collateral Trustee shall distribute the Unsaleable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager shall select by lottery the Holder or beneficial owner to whom the remaining amount shall be delivered and deliver written notice thereof to the Collateral Trustee; *provided, further*, that the Collateral Trustee shall use commercially reasonable efforts to effect delivery of such interests; and (iv) if no such Holder or beneficial owner provides delivery instructions to the Collateral Trustee, the Collateral Trustee shall promptly notify the Portfolio Manager and offer to deliver (at the cost of the Portfolio Manager) the Unsaleable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Collateral Trustee shall take such action as directed by the Portfolio Manager (on behalf of the Issuer) in writing to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means. The Collateral Trustee's sole obligation with respect to any Unsaleable Assets shall be to act at the direction of the Portfolio Manager as set forth in this Section 12.2(e).

The Portfolio Manager must sell or effect the transfer to an Issuer Subsidiary of (i) any security or other consideration that is subject to an offer, workout, amendment, supplement, or exchange if the new or modified security will not comply with the Tax Guidelines, in each case, prior to the receipt of such new or modified security or (ii) any Collateral Obligation or other asset if the ownership of such asset would cause the Issuer to violate or continue to violate the Tax Guidelines (whether or not received in an Offer), in each case, prior to the time such asset would cause such violation or, if discovered during such violation, upon discovery; *provided* that, in each case, with respect to a transfer to an Issuer Subsidiary, the Issuer Subsidiary's acquisition, ownership and disposition of such security or obligation would not cause any income or gain with respect to such security or obligation to be treated as income or gain of the Issuer that is effectively connected with the conduct of a trade or business of the Issuer within the United States for U.S. federal income tax purposes (other than as a result of a change in law after the acquisition of such security or obligation).

(f) Notwithstanding anything else to the contrary herein, the Issuer may purchase a Loss Mitigation Obligation or Specified Equity Security at any time (i) using funds on deposit in the Permitted Use Account, (ii) from Interest Proceeds or (iii) in the case of Loss Mitigation Obligations, Principal Proceeds, and, in each such case, such purchase of any Loss Mitigation Obligation or Specified Equity Security will not be required to meet the Investment Criteria (or the definition of "Collateral Obligation"); *provided*, that, (i) the Portfolio Manager shall not direct a withdrawal of Principal Proceeds in an amount that would cause any Overcollateralization Ratio Test to not be satisfied after giving effect to such withdrawal, (ii) after giving effect to the purchase of any such Loss Mitigation Obligation (excluding Uptier Priming Debt) with Principal Proceeds, the Aggregate Principal Balance of the Collateral Obligations (excluding the Principal Balance of any Defaulted Obligations and including the lower of the Moody's Collateral Value and the Fitch Collateral Value of any Defaulted Obligations) *plus* the

Aggregate Principal Balance of all Eligible Investments on deposit in the Principal Collection Account and the Ramp-Up Account, is greater than or equal to the Reinvestment Target Par Balance and (iii) the Issuer shall not acquire any Loss Mitigation Obligation or Specified Equity Security unless, as determined by the Portfolio Manager, both prior to and after giving effect to such acquisition, (A) in the case of Loss Mitigation Obligations only, (1) the aggregate outstanding principal balance of all Loss Mitigation Obligations and Specified Equity Securities then held by the Issuer does not exceed 3.0% of the Target Portfolio Par and (2) the cumulative aggregate outstanding principal balance of all Loss Mitigation Obligations acquired by the Issuer since the 2024 Closing Date does not exceed 6.0% of the Target Portfolio Par, and (B) in the case of both Loss Mitigation Obligations and Specified Equity Securities purchased with Interest Proceeds, such payment would not (in the reasonable determination of the Portfolio Manager) result in insufficient Interest Proceeds being available for the payment in full of interest due on any Class of Secured Debt on the immediately following Payment Date.

(g) Post-Reinvestment Period Settlement Reporting. With respect to the purchase of any Collateral Obligation, the settlement date for which the Portfolio Manager reasonably expects will occur after the end of the Reinvestment Period, such Collateral Obligation may only be purchased with (x) scheduled distributions of Principal Proceeds that the Portfolio Manager reasonably expects will be received prior to the end of the Reinvestment Period and (y) Sale Proceeds received by the Issuer after the end of the Reinvestment Period in settlement of a sale or disposition with a trade date prior to the end of the Reinvestment Period. In each case, the related Collateral Obligation will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria. Not later than the Business Day immediately following the end of the Reinvestment Period, the Portfolio Manager will deliver to the Collateral Trustee and the Collateral Administrator a schedule of Collateral Obligations (including their Principal Balances) purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Portfolio Manager (or with an account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 5 of the Portfolio Management Agreement; *provided* that, for the avoidance of doubt, it is hereby acknowledged the Collateral Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Collateral Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Collateral Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(viii) as of such Subsequent Delivery Date; *provided* that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery (including by facsimile or

electronic transmission) to the Collateral Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Portfolio Manager.

(c) Notwithstanding anything contained in this Article XII or Article V to the contrary (except for any liquidation of Assets due to an Event of Default and the acceleration of the maturity of the Secured Debt, which liquidation shall be subject to Article V), the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation not otherwise then permitted to be sold or acquired by the Portfolio Manager under this Indenture (i) that has been consented to by holders of Debt evidencing at least (x) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, 75% of the Aggregate Outstanding Amount of each Class of Debt and (y) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Debt and (ii) of which the Rating Agency and the Collateral Trustee has been notified.

Section 12.4 The Advisory Committee. (a) The Issuer shall have the power and authority to form an Advisory Committee. The Advisory Committee will have the functions contemplated in this Indenture (including the Advisory Committee Guidelines) and the Portfolio Management Agreement, including having the power to approve Restricted Transactions (as defined in the Advisory Committee Guidelines) in accordance with the Advisory Committee Guidelines.

(b) Each Holder of any Debt, by its acceptance thereof, shall be deemed to have approved each consent and other action taken by the members of the Advisory Committee to the extent contemplated in this Indenture (including the Advisory Committee Guidelines) and the Portfolio Management Agreement.

ARTICLE XIII

DEBTHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Debt to the contrary notwithstanding, the Holders of each Class of Debt that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Debt of each such Priority Class to the extent and in the manner set forth in this Indenture.

(b) If any Holder of Debt of any Junior Class shall have received any payment or distribution in respect of such Debt contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Collateral Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; *provided* that if any such payment or distribution is made other than in Cash, it shall be held by the Collateral Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Debt of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class of Debt shall not demand, accept, or receive any payment or distribution in respect of such Debt in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Debt.

(d) The Holders of each Class of Debt and beneficial owners of each Class of Debt agree, for the benefit of all Holders of each Class of Debt and beneficial owners of each Class of Debt, to the provisions of Section 5.4(d).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder or beneficial owner under this Indenture, each Holder and each beneficial owner of Secured Debt or Subordinated Notes (a) does not owe any duty of care to any Person and is not obligated to act in a fiduciary or advisory capacity to any Person (including, but not limited to, any other Holder or beneficial owner of Secured Debt or Subordinated Notes, the Issuer, the Collateral Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Portfolio Manager); (b) shall only consider the interests of itself and/or its affiliates; and (c) shall not be prohibited from engaging in activities that compete or conflict with those of any Person (including, but not limited to, any Holder or beneficial owner of Secured Debt or Subordinated Notes, the Issuer, the Collateral Trustee, any holder of ordinary shares of the Issuer, the Co-Issuer or the Portfolio Manager), nor shall any such restrictions apply to any affiliates of any Holder or beneficial owner.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Collateral Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm, one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager or Opinion of Counsel may be

based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person (on which the Collateral Trustee shall also be entitled to rely), stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person, unless such Officer of the Issuer, the Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Portfolio Manager or the Issuer, stating that the information with respect to such matters is in the possession of the Portfolio Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Collateral Trustee at the request or direction of the Applicable Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Applicable Issuer's right to make such request or direction, the Collateral Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Collateral Trustee agrees to accept and act upon instructions, certifications or directions or similar communications pursuant to this Indenture sent by unsecured email or other similar unsecured electronic methods. If such person elects to give the Collateral Trustee facsimile instructions (or instructions by a similar electronic method) and the Collateral Trustee in its discretion elects to act upon such instructions, the Collateral Trustee's reasonable understanding of such instructions shall be deemed controlling. The Collateral Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Collateral Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders or beneficial owners of Debt may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders or such beneficial owners in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Collateral Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the

"Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Collateral Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Collateral Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Debt shall bind the Holder (and any transferee thereof) of such and of every Debt issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Collateral Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Debt.

(b) If any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Collateral Trustee and any other Person or entity, the Collateral Trustee's receipt of such notice or document shall entitle the Collateral Trustee to assume that such notice or document was delivered to such other Person or entity unless otherwise expressly specified herein.

(c) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Debtholders or other documents provided or permitted by this Indenture to be sent to the Rating Agency shall be sent by the Portfolio Manager on behalf of the Issuer and, if pursuant to the terms of this Indenture, the Collateral Trustee is to send such request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Debtholders or other documents provided or permitted by this Indenture to the Rating Agency, it shall instead be sent to the Portfolio Manager first for dissemination to the Rating Agency.

(d) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be

provided by the Issuer or the Collateral Trustee may be provided by providing access to a password-protected website containing such information.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid (or, in the case of Holders of Global Notes, emailed to DTC), to each Holder affected by such event, at the address of such Holder as it appears in the Register not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) such notice shall be in the English language; and

(c) for so long as any Notes are listed on the Cayman Islands Stock Exchange and the guidelines of the Cayman Islands Stock Exchange so require, notices to the Holders of such Notes shall also be sent to the Cayman Islands Stock Exchange.

Such notices shall be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Collateral Trustee a written notice that it is requesting that notices to it be given by email and stating the email address for such transmission. Thereafter, the Collateral Trustee shall give notices to such Holder by email, as so requested; *provided* that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above. In lieu of the foregoing, notices for Holders may also be posted to the Collateral Trustee's password-protected internet website.

Subject to the requirements of Section 14.15, the Collateral Trustee shall make available to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Debt (by Aggregate Outstanding Amount), at the expense of the Issuer; *provided* that the Collateral Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Collateral Trustee may have hereunder, (iii) applicable law or (iv) the terms of any confidentiality or non-disclosure agreement to which the Collateral Trustee is party in connection with the performance of its duties hereunder (including, without limitation, contained in any agreement or acknowledgment governing any report, statement or certificate prepared by the Issuer's accountants). The Collateral Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Debtholder status.

Neither the failure to provide any notice, nor any defect in any notice so made available, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Collateral Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Collateral Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Debt, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Debt, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), shall continue in full force and effect, and such unenforceability, invalidity, or illegality shall not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Debt, as the case may be, so long as this Indenture or the Debt, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Debt, as the case may be, shall not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Debt, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Collateral Administrator, the Holders of the Debt and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture; *provided* that the Initial Purchaser shall be an express third-party beneficiary of clause (xv) of Section 8.1, the second sentence of Section 8.4(c) and Section 16.1(i).

Section 14.9 Legal Holidays. If the date of any Payment Date, Redemption Date or Stated Maturity shall not be a Business Day, then notwithstanding any other provision of the Debt or this Indenture, payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date, Redemption Date or Stated Maturity date.

Section 14.10 Governing Law. THIS INDENTURE AND THE NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND THIS INDENTURE AND THE DEBT AND ANY MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS INDENTURE OR THE DEBT (WHETHER IN CONTRACT, TORT OR OTHERWISE), SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or Proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture, each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any suit, action or Proceedings brought in any such court, waives any claim that such suit, action or Proceedings has been brought in an inconvenient forum and further waives the right to object, with respect to such suit, action or Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing suit, action or Proceedings in any other jurisdiction, nor shall the bringing of suit, action or Proceedings in any one or more jurisdictions preclude the bringing of suit, action or Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE DEBT OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) and the Debt may be executed and delivered in counterparts (including by facsimile transmission), each of which shall be deemed an original, and all of which together constitute one and the same instrument. This Agreement shall become binding when one or more counterparts hereof, individually or taken together, shall bear the signatures of all of the parties reflected hereon as the signatories. Any signature (including, without limitation, any electronic signature (including any symbol or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record)) hereto or to any other certificate, agreement or document related to the transactions contemplated by this Agreement, and any contract formation or record-keeping, in each case, through electronic means, including, without limitation, through e-mail or portable document format, shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, supplement, restatement, extension or renewal of this Agreement. Any requirement in this Indenture or the Notes that a document, including the Notes, is to be signed or authenticated by "manual signature" or similar language shall not be deemed to prohibit signature to be by facsimile or electronic signature and shall not be deemed to prohibit delivery thereof by electronic transmission.

Section 14.14 Acts of Issuer. Any report, information, communication, request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture

to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

The Issuer agrees to coordinate with the Portfolio Manager with respect to any communication to a Rating Agency and to comply with the provisions of this Section 14.14 and Section 14.17, unless otherwise agreed to in writing by the Portfolio Manager.

Section 14.15 Confidential Information. (a) The Collateral Trustee, the Collateral Administrator and each Holder and beneficial owner of Debt shall maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) or such Holder or beneficial owner in good faith to protect Confidential Information of third parties delivered to such Person; *provided* that such Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Debt; (ii) such Person's legal advisers, financial advisers and other professional advisers who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any other Holder, or any of the other parties to this Indenture, the Portfolio Management Agreement or the Collateral Administration Agreement; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire Debt in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Debt or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) Moody's and Fitch (subject to Section 14.17); (ix) any other Person with the consent of the Co-Issuers and the Portfolio Manager; or (x) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law) or (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Debt or this Indenture or (E) in the Collateral Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related

thereto; *provided further* that delivery to Holders or beneficial owners by the Collateral Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders or beneficial owners shall not be a violation of this Section 14.15. Each Holder and beneficial owner of Notes agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Debt or administering its investment in the Notes; and that the Collateral Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders or beneficial owners of Notes any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder or beneficial owner, such Holder or beneficial owner agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder and each beneficial owner of Debt, by its acceptance of its interest in such Debt, shall be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, "**Confidential Information**" means information delivered to the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner of Debt by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that such term does not include information that: (i) was publicly known or otherwise known to the Collateral Trustee, the Collateral Administrator or such Holder or beneficial owner prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Collateral Trustee, the Collateral Administrator, any Holder or beneficial owner or any person acting on behalf of the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner; (iii) otherwise is known or becomes known to the Collateral Trustee, the Collateral Administrator or any Holder or beneficial owner other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Collateral Trustee, the Collateral Administrator or a Holder or beneficial owner, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers and the Portfolio Manager.

(c) Notwithstanding the foregoing, the Collateral Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority, and the Collateral Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder or under the Collateral Administration Agreement. In addition, the Collateral Trustee, the Collateral Administrator, the Holders and beneficial owners of the Debt (and each of their respective employees, representatives or other agents) may disclose to any and all Persons, without limitation of any kind, the U.S. federal, state and local income tax treatment of the Co-Issuers, the Notes, and the transactions contemplated by this Indenture and all materials of any kind (including opinions or other tax analyses) relating to such U.S. federal, state, and local tax treatment and that may be relevant to understanding such U.S. federal, state, and local tax treatment.

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-

Issuers under this Indenture, the Debt, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any suit, action or Proceeding, in respect of this Indenture, the Debt, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or shall have any claim in respect to any assets of the other of the Co-Issuers.

Section 14.17 Communications with the Rating Agency. (a) If the Issuer shall receive any written or oral communication from any Rating Agency (or any of its respective officers, directors or employees) with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt, the Issuer agrees to refrain from communicating with such Rating Agency and to promptly (and, in any event, within one Business Day) notify the Portfolio Manager of such communication. The Issuer agrees that in no event shall it engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt with any Rating Agency (or any of its respective officers, directors or employees) without the participation of the Portfolio Manager, unless otherwise agreed to in writing by the Portfolio Manager. The Collateral Trustee agrees that in no event shall a Trust Officer engage in any oral or written communication with respect to the transactions contemplated hereby or under the Transaction Documents or in any way relating to the Debt with any Rating Agency without the prior written consent (which may be in the form of email correspondence) or participation of the Portfolio Manager, unless otherwise agreed to in writing by the Portfolio Manager; *provided* that nothing in this Section 14.17 shall prohibit the Collateral Trustee from making available on its internet website the Monthly Reports, Distribution Reports and other notices or documentation relating to the Debt or this Indenture.

Section 14.18 [Reserved].

Section 14.19 Contributions. (a) Subject to the prior written consent of the Portfolio Manager and certain conditions described in this Indenture (i) any Holder of Subordinated Notes, by delivery of a written notice to the Issuer, the Collateral Trustee, the Collateral Administrator and the Portfolio Manager in the form of Exhibit D, may make a voluntary contribution of cash (each, a "**Cash Contribution**") and (ii) any Holder of Subordinated Notes issued in the form of Certificated Notes may, with notice to the Collateral Trustee and the Collateral Administrator delivered at least three Business Days prior to the related Payment Date by delivery of a written notice in the form of Exhibit D, designate as a contribution to the Issuer any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed to such Holder in accordance with the Priority of Payments (each, a "**Reinvestment Contribution**" and, together with Cash Contributions, "**Contributions**"); *provided*, that (x) each Cure Contribution shall be in an aggregate amount equal to at least \$1,000,000 (counting all Cure Contributions made on the same day as one Cure Contribution for this purpose) and (y) no more than three Cure Contributions (counting all Cure Contributions made on the same day as one Cure Contribution for this purpose) may be made without the consent of a Majority of the Controlling Class.

(b) The Portfolio Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion (notice of which determination shall be provided to the Issuer

and the Collateral Trustee). Contributions shall be repaid to the applicable Contributor (in accordance with the payment instructions provided to the Collateral Trustee by each Contributor) on the first Payment Date or Payment Dates on which funds in respect thereof are available in accordance with the Priority of Payments (such applicable amount inclusive of the Contribution, the "**Contribution Repayment Amount**"); *provided*, that such Contributor may irrevocably waive all or a portion of the applicable Contribution Repayment Amount.

(c) No Contribution or portion thereof will be returned to the Contributor at any time other than by operation of the Priority of Payments.

(d) Each Contribution will be deposited into the Permitted Use Account and applied by the Portfolio Manager on behalf of the Issuer to a Permitted Use (including for use to repurchase Notes or for the purchase or acquisition of additional Collateral Obligations during the Reinvestment Period for the account of the Issuer, or for the purchase or acquisition of Loss Mitigation Obligations or Specified Equity Securities) as designated by the related Contributor (or, in the absence of such designation, as designated by the Portfolio Manager (in its sole discretion)). For the avoidance of doubt, any amounts deposited into the Permitted Use Account pursuant to a Reinvestment Contribution will be deemed for all purposes as having been paid to such Holder of the Subordinated Notes pursuant to the Priority of Payments on such Payment Date (except for purposes of payment of the Contribution Repayment Amount on subsequent Payment Dates).

ARTICLE XV

ASSIGNMENT OF PORTFOLIO MANAGEMENT AGREEMENT

Section 15.1 Assignment of Portfolio Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided* that notwithstanding anything herein to the contrary, the Collateral Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Portfolio Management Agreement, nor shall any of the obligations contained in the Portfolio Management Agreement be imposed on the Collateral Trustee.

(c) Upon the retirement of the Debt, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Collateral Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Collateral Trustee in, to and under the Portfolio Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Portfolio Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Portfolio Manager in the Portfolio Management Agreement, to the following:

(i) The Portfolio Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Portfolio Manager subject to the terms (including the standard of care set forth in the Portfolio Management Agreement) of the Portfolio Management Agreement.

(ii) The Portfolio Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Portfolio Management Agreement to the Collateral Trustee as representative of the Debtholders and the Portfolio Manager shall agree that all of the representations, covenants and agreements made by the Portfolio Manager in the Portfolio Management Agreement are also for the benefit of the Collateral Trustee.

(iii) The Portfolio Manager shall deliver to the Collateral Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Portfolio Manager to the Issuer pursuant to the Portfolio Management Agreement.

(iv) Neither the Issuer nor the Portfolio Manager will enter into any agreement amending, modifying or terminating the Portfolio Management Agreement (other than an amendment to (x) correct inconsistencies, typographical or other errors, defects or ambiguities, (y) conform the Portfolio Management Agreement to the final Offering Circular with respect to the Debt or to this Indenture (as it may be amended from time to time pursuant to Article VIII) or (z) with the consent of a Majority of the Subordinated Notes, permanently or temporarily remove any Portfolio Management Fee payable to the Portfolio Manager) or selecting or consenting to a successor manager unless (A) a Majority of the Controlling Class does not object to such amendment, modification or waiver within 10 Business Days after the Issuer provides notice thereof, provided that, notwithstanding this clause (A), if the effect of such amendment is to modify any provisions of the Portfolio Management Agreement with respect to the rights of the Controlling Class to consent to

any action thereunder, neither the Issuer nor the Portfolio Manager will enter into any such agreement to amend, modify or terminate the Portfolio Management Agreement without the written consent of a Majority of the Controlling Class, and (B) if such amendment or modification (i) would increase one or more of the prescribed percentages that are used to determine one or more of the Portfolio Management Fees (as contemplated by the definitions thereof) and would have a material adverse effect on the rights of the holders of the Subordinated Notes or (ii) would otherwise have a material adverse effect on the rights of the holders of the Subordinated Notes, then a Majority of the Subordinated Notes does not object to such amendment or modification within 10 Business Days after the Issuer provides notice thereof; provided in each case that, subject to the conditions to appointment of a successor manager, the Portfolio Management Agreement may be amended or replaced to evidence or effect such succession.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Portfolio Management Agreement), the Portfolio Manager shall continue to serve as Portfolio Manager under the Portfolio Management Agreement notwithstanding that the Portfolio Manager shall not have received amounts due it under the Portfolio Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Portfolio Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary for the nonpayment of the fees or other amounts payable by the Issuer to the Portfolio Manager under the Portfolio Management Agreement until the payment in full of all Secured Debt (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Portfolio Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Portfolio Manager, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section 5 of the Portfolio Management Agreement, if the Portfolio Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Note and any other account or portfolio for which the Portfolio Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Portfolio Manager will give written notice to the Collateral Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to take. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Portfolio Management Agreement.

(g) Upon a Trust Officer of the Collateral Trustee receiving written notice from the Portfolio Manager that an event constituting "Cause" as defined in the Portfolio Management

Agreement has occurred, the Collateral Trustee shall, not later than one Business Day thereafter, notify the Debtholders (as their names appear in the Register) and the Rating Agency.

ARTICLE XVI

HEDGE AGREEMENTS

Section 16.1 Hedge Agreements. (a) Subject to the terms of this Section 16.1, the Issuer (or the Portfolio Manager on behalf of the Issuer) may enter into Hedge Agreements, with the consent of a Majority of the Controlling Class, from time to time on and after the 2024 Closing Date solely for the purpose of managing interest rate and other risks in connection with the Issuer's issuance of, and making payments on, the Debt. The Issuer (or the Portfolio Manager on behalf of the Issuer) shall promptly provide written notice of entry into any Hedge Agreement to the Collateral Trustee and the Collateral Administrator. Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Portfolio Manager on behalf of the Issuer) shall not enter into any Hedge Agreement, or any modification of an existing Hedge Agreement, unless the Global Rating Agency Condition has been satisfied with respect thereto. The Issuer shall provide a copy of each Hedge Agreement to the Rating Agency and the Collateral Trustee.

(b) Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 13.1(d) and Section 2.7(i). Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless the Global Rating Agency Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI.

(c) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), notwithstanding any term hereof to the contrary, (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Portfolio Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Portfolio Manager under the terminated Hedge Agreement.

(d) The Issuer (or the Portfolio Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value (when added to any collateral then held by or on behalf of the Issuer pursuant to such credit support annex) under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement shall, at a minimum, (i) include requirements for collateralization by or replacement of the Hedge Counterparty (including timing requirements) that satisfy Rating Agency criteria in effect at the time of execution of the Hedge Agreement;

(ii) permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) for failure to satisfy such requirement; and (iii) require that the written terms of any derivative directly relate to the Collateral Obligations and the Debt and such derivative reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Debt.

(f) The Issuer shall give prompt notice to the Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty credit support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(g) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, promptly after becoming aware thereof the Portfolio Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Collateral Trustee, demanding payment thereunder.

(h) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets has commenced.

(i) The Issuer shall not be permitted to enter into or amend any Hedge Agreement without the consent of a Majority of the Controlling Class and unless (i) either (A) it obtains an opinion of Allen Overy Shearman Sterling US LLP, Paul Hastings LLP or an opinion of nationally recognized counsel experienced in such matters that the Issuer entering into such Hedge Agreement shall not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the CEA, or (B) the Issuer shall be operated such that the Portfolio Manager and/or such other relevant party to the transaction, as applicable, shall be eligible for an exemption from registration as a "commodity pool operator" and a "commodity trading advisor" under the CEA and all conditions precedent to obtaining such an exemption have been satisfied, (ii) the Issuer receives an opinion of Allen Overy Shearman Sterling US LLP, Paul Hastings LLP or an opinion of nationally recognized counsel experienced in such matters approved by the Initial Purchaser that either (A) the Issuer entering into such Hedge Agreement shall not, in and of itself, cause the Issuer to become a "hedge fund or private equity fund" as defined for the purposes of Section 13 of the Bank Holding Company Act, as amended, or (B) if the Issuer were to become a "hedge fund or private equity fund," then an exemption would apply enabling a banking entity to sponsor or acquire an ownership interest in the Issuer, and to engage in covered transactions with the Issuer, notwithstanding the general prohibitions of such Section 13, (iii) the written terms of the Hedge Agreement directly relate to the Collateral Obligations and the Notes, and (iv) such Hedge Agreement reduces the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Debt.

SCHEDULE 4

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

- (a) An "**Issuer Par Amount**" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.
- (b) An "**Average Par Amount**" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.
- (c) An "**Equivalent Unit Score**" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.
- (d) An "**Aggregate Industry Equivalent Unit Score**" is then calculated for each of the Moody's industry classification groups, shown on Schedule 2, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.
- (e) An "**Industry Diversity Score**" is then established for each Moody's industry classification group, shown on Schedule 2, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided* that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

SCHEDULE 5

MOODY'S RATING DEFINITIONS

1. Defined Terms. The following terms shall be used in this Schedule 5 with the meanings provided below.

"**Assigned Moody's Rating**" means, with respect to any obligation (or facility), (i) if such obligation (or facility) has a monitored publicly available rating by Moody's, such public rating or (ii) if such obligation (or facility) is not publicly rated by Moody's but a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Portfolio Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation (or facility), in each case that addresses the full amount of the principal and interest promised.

"**CFR**" means, with respect to the obligor of any Collateral Obligation, the corporate family rating (or credit estimate) assigned to such obligor by Moody's; *provided* that if the Obligor of any Collateral Obligation does not have a corporate family rating (or credit estimate) by Moody's but another entity in such obligor's corporate family does have a corporate family rating (or credit estimate) by Moody's, then corporate family rating (or credit estimate) of such other entity shall be the CFR for the obligor of such Collateral Obligation.

MOODY'S DEFAULT PROBABILITY RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

- (a) if the obligor of such Collateral Obligation has a CFR, then such CFR;
- (b) if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation as selected by the Portfolio Manager in its sole discretion;
- (c) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;
- (d) if not determined pursuant to any of clauses (a) through (c) above, if a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Portfolio Manager or an Affiliate of the Portfolio Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation so long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which a Moody's Default Probability Rating is determined;
- (e) if not determined pursuant to any of clauses (a) through (d) above and at the election of the Portfolio Manager, the Moody's Derived Rating; and

- (f) if not determined pursuant to clauses (a) through (e) above, "Caa3";

provided that notwithstanding the methodology above, if a Collateral Obligation is a DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the Moody's Derived Rating set forth in clause (i) of the definition thereof.

MOODY'S RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

- (a) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;
- (b) other than with respect to a DIP Collateral Obligation, if such Collateral Obligation is a Senior Secured Loan and if not determined pursuant to clause (a) above, if the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory higher than such CFR;
- (c) other than with respect to a DIP Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such senior unsecured obligation (or, if such Collateral Obligation is a Senior Secured Loan, the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such senior unsecured obligation) as selected by the Portfolio Manager in its sole discretion;
- (d) other than with respect to a DIP Collateral Obligation, if such Collateral Obligation is not a Senior Secured Loan and if not determined pursuant to clause (a) or (c) above, if the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;
- (e) other than with respect to a DIP Collateral Obligation, if such Collateral Obligation is not a Senior Secured Loan and if not determined pursuant to clause (a), (c) or (d) above, if the obligor of such Collateral Obligation has one or more subordinated obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Portfolio Manager in its sole discretion;
- (f) if not determined pursuant to clauses (a) through (e) above, at the election of the Portfolio Manager, the Moody's Derived Rating; and
- (g) if not determined pursuant to clauses (a) through (f) above, "Caa3".

For purposes of the definitions of "Moody's Default Probability Rating," "Moody's Derived Rating" and "Moody's Rating," any credit estimate assigned by Moody's shall expire one year from the date such estimate was issued; *provided* that, for purposes of any calculation under this Indenture, if Moody's fails to renew for any reason a credit estimate for a previously acquired Collateral Obligation thereunder on or before such one-year anniversary (which may be extended at Moody's option to the extent the annual audited financial statements for the related obligor have not yet been received), after the Issuer or the Portfolio Manager on the Issuer's behalf has submitted to Moody's all information that Moody's required to be provided for such renewal, (1) for a period of 90 days, the previous credit estimate

assigned by Moody's shall be downgraded by one notch and (2) thereafter, the Collateral Obligation shall be deemed to have a Moody's rating of "Caa3"; *provided* that, with respect to any Select Uptier Priming Debt that is newly issued and the Portfolio Manager expects a Moody's facility rating within 90 days, the Moody's Rating or the Fitch Rating, as applicable, of such Collateral Obligation will be (1) as determined by the Portfolio Manager for a period of up to 90 days after acquisition of such Select Uptier Priming Debt if the Portfolio Manager believes, based on information available to it at the time, such anticipated rating from Moody's or Fitch, as applicable, will be at least equal to the rating assigned by the Portfolio Manager; *provided*, that such rating determined pursuant to this clause (1) shall be no higher than "B2" and (2) "Caa3" following such 90 day period, unless, during such 90 day period, the Portfolio Manager has requested the extension of such period by email to CDOMonitoring@moodys.com and Moody's, in its sole discretion, has granted such request; *provided, further*, that if a Moody's facility rating is assigned to such Collateral Obligation at any time during such 90 day period (or such extension period, if applicable), such Moody's facility rating shall apply.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating cannot be determined pursuant to clause (a), (b), (c), (d) or (e) of the definition thereof or whose Moody's Default Probability Rating cannot be determined pursuant to clause (a), (b), (c) or (d) of the definition thereof, the Moody's Derived Rating for purposes of clause (f) of the definition of Moody's Rating or clause (d) of the definition of Moody's Default Probability Rating will be determined as set forth below:

- (i) With respect to any DIP Collateral Obligation, one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's.
- (ii) If not determined pursuant to clause (i) above,
 - (A) and if such Collateral Obligation has a public and monitored rating by S&P, pursuant to the table below:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

- (B) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will, at the election of the Portfolio Manager, be determined in accordance with the table set forth in subclause (ii)(A) above, and the Moody's Derived Rating for the purposes of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (ii)(B));

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

or

- (C) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;
- (iii) if not determined pursuant to clause (i) or (ii) above and such Collateral Obligation is not rated by Moody's and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's, and if the Issuer, the Portfolio Manager or the issuer of such Collateral Obligation requests that Moody's assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such rating and rating estimate, the Moody's Derived Rating for purposes of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be (x) "B3" if the Portfolio Manager certifies to the Collateral Trustee and the Collateral Administrator that the Portfolio Manager believes that such estimate shall be at least "B3"; *provided* that the Aggregate Principal Balance of Collateral Obligations with a Moody's Derived Rating determined pursuant to this clause (x) shall not exceed 5% of the Collateral Principal Amount or (y) otherwise, "Caa1";

SCHEDULE 6

FITCH RATING DEFINITIONS

"Fitch Rating" means, as of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:

- (a) if Fitch has issued a long-term issuer default rating or assigned a long-term issuer default credit opinion with respect to the Obligor of such Collateral Obligation, then the Fitch Rating will be such issuer default rating (regardless of whether there is a published rating by Fitch on the Collateral Obligations or such Obligor held by the Issuer) or assigned credit opinion;
- (b) if Fitch has not issued a long-term issuer default rating or a long-term issuer default credit opinion with respect to the Obligor or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term insurer financial strength rating with respect to such Obligor, the Fitch Rating of such Collateral Obligation will be one sub-category below such rating;
- (c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but
 - (i) Fitch has issued a senior unsecured rating on any obligation or security of the Obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will equal such rating; or
 - (ii) Fitch has not issued a senior unsecured rating on any obligation or security of the Obligor of such Collateral Obligation but Fitch has issued a senior secured rating or a subordinated secured rating on any obligation or security of the Obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will (x) equal such rating if such rating is "BBB-" or higher and (y) be one sub-category below such rating if such rating is "BB+" or lower; or
 - (iii) Fitch has not issued a senior unsecured rating or a senior secured rating or a subordinated secured rating on any obligation or security of the Obligor of such Collateral Obligation but Fitch has issued a junior subordinated or senior subordinated rating on any obligation or security of the Obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will be (x) one sub-category above such rating if such rating is "B+" or higher and (y) two sub-categories above such rating if such rating is "B" or lower;
- (d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and
 - (i) Moody's has issued a publicly available corporate family rating for the Obligor of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;
 - (ii) Moody's has not issued a publicly available corporate family rating for the Obligor of such Collateral Obligation but has issued a publicly available long-term issuer rating for such Obligor, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;
 - (iii) Moody's has not issued a publicly available corporate family rating for the Obligor of such Collateral Obligation, but Moody's has issued a publicly available outstanding insurance financial strength rating for such Obligor, then, subject to subclause (viii)

below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such Moody's rating;

- (iv) Moody's has not issued a publicly available corporate family rating, long-term issuer rating or insurance financial strength rating for the Obligor of such Collateral Obligation but has issued publicly available outstanding corporate issue ratings for such Obligor, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be (x) if such corporate issue rating relates to senior unsecured obligations of such Obligor, the Fitch equivalent of the Moody's rating for such issue, or if there is no such corporate issue ratings relating to senior unsecured obligations of the Obligor then (y) if such corporate issue rating relates to senior secured or subordinated secured obligations of the Obligor, (1) one sub-category below the Fitch equivalent of such Moody's rating if such obligations are rated "Ba1" or above or "Ca" by Moody's or (2) two sub-categories below the Fitch equivalent of such Moody's rating if such obligations are rated "Ba2" or below but above "Ca" by Moody's, or if there is no such publicly available corporate issue ratings relating to senior unsecured, senior secured or subordinated secured obligations of the Obligor then (z) if such corporate issue rating relates to junior subordinated or senior subordinated obligations of such Obligor, (1) one sub-category above the Fitch equivalent of such Moody's rating if such obligations are rated "B1" or above by Moody's or (2) two sub-categories above the Fitch equivalent of such Moody's rating if such obligations are rated "B2" or below by Moody's;
- (v) S&P has issued a publicly available issuer credit rating for the Obligor of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such S&P rating;
- (vi) S&P has not issued a publicly available issuer credit rating for the Obligor of such Collateral Obligation, but S&P has issued a publicly available outstanding insurance financial strength rating for such Obligor, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one sub-category below the Fitch equivalent of such S&P rating;
- (vii) S&P has not issued a publicly available issuer credit rating or insurance financial strength rating for the Obligor of such Collateral Obligation but has issued publicly available outstanding corporate issue ratings for such Obligor, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be (x) if such corporate issue rating relates to senior unsecured obligations of such Obligor, the Fitch equivalent of the S&P rating for such issue, or if there is no such corporate issue ratings relating to senior unsecured obligations of the Obligor then (y) if such corporate issue rating relates to senior secured or subordinated secured obligations of such Obligor, (1) the Fitch equivalent of such S&P rating if such obligations are rated "BBB-" or above by S&P or (2) one sub-category below the Fitch equivalent of such S&P rating if such obligations are rated "BB+" or below by S&P, or if there is no such publicly available corporate issue rating relating to senior unsecured, senior secured or subordinated secured obligations of the Obligor then (z) if such corporate issue rating relates to junior subordinated or senior subordinated obligations of such Obligor, (1) one sub-category above the Fitch equivalent of such S&P rating if such obligations are rated "B+" or above by S&P or (2) two sub-categories above the Fitch equivalent of such S&P rating if such obligations are rated "B" or below by S&P;

- (viii) both Moody's and S&P provide a public rating of the Obligor of such Collateral Obligation or a corporate issue of such Obligor, then the Fitch Rating will be the lowest of the Fitch Ratings determined pursuant to any of the subclauses of this clause (d); and
- (e) (x) if a rating cannot be determined pursuant to clauses (a) through (c) and (y)(1) if a rating cannot be determined pursuant to clause (d) or (2) the Portfolio Manager makes a commercially reasonable determination that the rating determined pursuant to clause (d) does not reflect the appropriate rating applicable to such Collateral Obligation, then, (i) at the discretion of the Portfolio Manager, the Fitch Rating may be based on a credit opinion provided by Fitch and in connection therewith, the Issuer, the Portfolio Manager on behalf of the Issuer or the Obligor of such Collateral Obligation will, prior to or within thirty (30) days after the acquisition of such Collateral Obligation, apply to Fitch for a credit opinion, which shall be the Fitch Rating of such Collateral Obligation; *provided*, that until the receipt from Fitch of such credit opinion, such Collateral Obligation will have a Fitch Rating of (x) no higher than "B-" if the Portfolio Manager certifies to the Collateral Trustee that it believes that the credit opinion will be at least equal to such rating, or (y) otherwise, a rating no higher than "B-" specified as applicable thereto by Fitch pending receipt of such credit opinion; *provided, further*, that such credit opinion shall expire 12 months after the acquisition of such credit opinion, following which such Collateral Obligation shall have a Fitch Rating of "CCC" unless, during such 12-month period, the Issuer applies for renewal thereof in accordance with Section 7.13(b), in which case such credit opinion will continue to be the Fitch Rating of such Collateral Obligation until Fitch has confirmed or revised such credit opinion, upon which such confirmed or revised credit opinion will be the Fitch Rating of such Collateral Obligation; or (ii) the Issuer may assign a Fitch Rating of "CCC" to such Collateral Obligation, which is not in default;

provided, that if any rating described above is (i) at least "CCC-" and on rating watch negative or negative credit watch, the rating will be the Fitch Rating as determined above adjusted down by one sub-category (but in any event, not below "CCC-"), or (ii) on outlook negative, the rating will not be adjusted; *provided, further*, that the Fitch Rating may be updated by Fitch from time to time as indicated in the "CLOs and Corporate CDOs Rating Criteria" report issued by Fitch and available at www.fitchratings.com. For the avoidance of doubt, the Fitch Rating takes into account adjustment for

assets that are on rating watch negative or negative credit watch prior to determining the rating or in the determination of the lower of the Moody's and S&P public ratings.

Fitch Issuer Default Rating (IDR) Equivalency Table from Corporate Ratings

The following steps are used to calculate the Fitch IDR equivalent ratings:

(1) Public Fitch Long Term Issuer Default Rating (LT IDR) or Long Term Issuer Default Credit Opinion (LT IDCO).

(2) If Fitch has not issued a LT IDR or LT IDCO, but has an outstanding Insurer Financial Strength Rating (IFSR), the Fitch IDR Equivalency Rating is one rating notch lower.

(3) If Fitch has not issued a LT IDR, LT IDCO or IFSR, but has outstanding corporate issue ratings, then the Fitch IDR equivalency Rating is calculated using the Fitch IDR Equivalency Table.

(4) If Fitch does not rate the issuer (LT IDR, LT IDCO, IFSR) or any associated issuance, then it determines a Moody's and S&P equivalent to Fitch's LT IDR pursuant to steps 5 and 6.

(5) (a) A public Moody's-issued Corporate Family Rating (CFR) is equivalent in terms of definition to the Fitch LT IDR. If Moody's has not issued a CFR, but has a public LT issuer rating, then this is equivalent to the Fitch LT IDR.

(b) If Moody's has not issued a CFR or LT issuer rating, but has a public insurance financial strength rating, then the Fitch IDR Equivalency Rating is one rating notch lower.

(c) If Moody's has not issued a CFR, LT issuer rating or insurance financial strength rating, but has public corporate issue ratings, the Fitch IDR Equivalency Rating is calculated using the Fitch IDR Equivalency Table.

(6) (a) A public S&P-issued Issuer Credit Rating (ICR) is equivalent in terms of definition to the Fitch LT IDR.

(b) If S&P has not issued an ICR, but has an outstanding insurance financial strength rating, the Fitch IDR Equivalency Rating is one rating notch lower.

(c) If S&P has not issued an ICR or insurance financial strength rating, but has public corporate issue ratings, the Fitch IDR Equivalency Rating is calculated using the Fitch IDR Equivalency Table.

(7) If both Moody's and S&P provide a public rating on the issuer or an issue, the lower of the two Fitch IDR Equivalency Ratings will be used: otherwise the sole public Fitch IDR Equivalency Rating calculated from Moody's or S&P will be applied *provided*, that if any rating described above is on Rating Watch Negative, the rating will be adjusted down by one rating notch before the Fitch IDR Equivalency Rating is determined.

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promise to pay to the registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Collateral Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture. The obligations of the Co-Issuers under this Note and the Indenture are limited recourse obligations of the Co-Issuers payable solely from the Assets in accordance with the Indenture, and following realization of the Assets in accordance with the Indenture, all claims of Noteholders shall be extinguished and shall not thereafter revive.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears.

If the Note Details indicate that this Note is floating rate, interest shall be computed on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. If the Note Details indicate that this Note is fixed rate, interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture. The interest so payable on any Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest, which shall be the last Business Day of the calendar month prior to such Payment Date.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment or Stated Maturity unless payment of principal is improperly withheld or unless a default is otherwise made with respect to such payments. The principal of this Note shall be payable on the first Payment Date on which funds are permitted to be used for such purpose in accordance with the Priority of Payments. The principal of each Note shall be payable no later than the Stated Maturity unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise.

If the Note Details indicate that interest on this Note is deferrable, any interest on this that is not paid when due by operation of the Priority of Payments will be deferred. Any interest so deferred will be added to the principal balance of the Class to which this Note belongs, and thereafter, interest will accrue on the aggregate outstanding principal amount of such Class of Notes, as so increased.

Unless the certificate of authentication hereon has been executed by the Collateral Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, this Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

This Note is duly authorized and issued under the Indenture. Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Co-Issuer, the Collateral Trustee and the Holders of the Notes and the terms upon which the Notes are, and are to be, authenticated and delivered.

Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

This Global Secured Note is subject to mandatory exchange for Certificated Notes of the same Class under the limited circumstances set forth in the Indenture. Upon redemption, exchange of or increase in any principal amount represented by this Global Secured Note, this Global Secured Note shall be endorsed on Schedule A hereto to reflect the reduction of or increase in the principal amount evidenced hereby.

If this is a Certificated Secured Note as identified in the Note Details, this Note may be transferred to a transferee acquiring Certificated Secured Notes of the same Class, to a transferee taking an interest in a Rule 144A Global Secured Note of the same Class or to a transferee taking an interest in a Regulation S Global Secured Note of the same Class, subject to and in accordance with the restrictions set forth in the Indenture.

This Note shall be issued in the minimum denominations set forth in the Note Details.

Title to Notes shall pass by registration in the Register kept by the Registrar, which initially is the Collateral Trustee, acting through its Corporate Trust Office.

and (v) will hold and transfer at least the minimum denomination of the Specified Securities and provide notice of the relevant transfer restrictions to subsequent transferees.

4. It will provide notice to each Person to whom it proposes to transfer any interest in the Specified Securities of the transfer restrictions and representations set forth in Article II of the Indenture, including the exhibits referenced therein.
5. It represents, warrants and agrees that (a) if it is, or is acting on behalf of, a Benefit Plan Investor, as defined in Section 3(42) of the United States Employee Retirement Income Security Act of 1974, as amended (“ERISA”), its acquisition, holding and disposition of such Specified Securities (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the United States Internal Revenue Code of 1986, as amended (the “Code”) and other matters, and (b) if it is a governmental, church, non-U.S. or other plan that is subject to any federal, state, local or non-U.S. laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code (“Other Plan Law”), its acquisition, holding and disposition of such Specified Securities (or interests therein) do not and will not constitute or result in a violation of Other Plan Law.
6. It represents, warrants and agrees that, if it is, or is acting on behalf of, a Benefit Plan Investor, (i) none of the Issuer, the Co-Issuer, the Portfolio Manager, the Retention Holder, the Collateral Trustee, the Collateral Administrator, the Administrator, the Initial Purchaser or any financial intermediaries or other persons that provide marketing services, or any of their respective affiliates, has provided, and none will provide, any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor or to any fiduciary or other person investing the assets of the Benefit Plan Investor (“Plan Fiduciary”) in connection with its decision to invest in, hold or dispose of the Specified Securities, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor’s acquisition of the Specified Securities, and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Specified Securities.
7. It is (x) (check if applicable) a United States person within the meaning of Section 7701(a)(30) of the Code, and a properly completed and signed Internal Revenue Service Form W-9 (or applicable successor form) is attached hereto or (y) (check if applicable) not a United States person within the meaning of Section 7701(a)(30), and a properly completed and signed applicable Internal Revenue Service Form W-8 (or applicable successor form) is attached hereto.
8. It agrees to treat the Issuer, the Co-Issuer, and the Notes as described in the “Certain U.S. Federal Income Tax Considerations” section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.
9. It will timely furnish the Issuer, the Co-Issuer, the Collateral Trustee, or any agent of the Issuer any tax forms or certifications (such as an applicable IRS Form W-8 with appropriate attachments, IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents may reasonably request (A) to permit the Issuer or its agents to make payments to it without, or at a reduced rate of, deduction or withholding, (B) to enable the Issuer or its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) to enable the Issuer or its agents to satisfy reporting and other obligations under the Code and Treasury regulations and under any other applicable laws, and shall update or replace such documentation, agreements, information, or certifications as appropriate or in accordance with their terms or subsequent amendments thereto. It acknowledges that the failure to provide, update or replace any such documentation, agreements, information, or certifications may result in the imposition of withholding or back-up withholding upon payments to it. Amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld pursuant to applicable tax laws will be treated as having been paid to it by the Issuer.
10. It agrees (A) to obtain and provide the Issuer (including its agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful

(in the sole determination of the Issuer or its agents or representatives, as applicable) to achieve FATCA Compliance, for the Issuer to comply with the Cayman FATCA Legislation and the CRS or for the Issuer to achieve AML Compliance (the obligations undertaken pursuant to this clause (A), the "**Holder Reporting Obligations**"), (B) that the Issuer or its agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to achieve FATCA Compliance, for the Issuer to comply with the Cayman FATCA Legislation and the CRS and for the Issuer to achieve AML Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with its Holder Reporting Obligations or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in Section 2.12(b) of the Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs, and, in the case of this subclause (3), to deposit payments on such Notes into a tax reserve account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA); provided that any unallocated amounts remaining in a tax reserve account will be released to the applicable Holder (a) on the date of final payment for the Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Collateral Trustee that it no longer holds an interest in any Notes. Any amounts deposited into a tax reserve account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under the Indenture as if such amounts had been paid directly to the Holder of such Notes. Each purchaser, beneficial owner and subsequent transferee agrees to indemnify the Issuer, the Portfolio Manager, the Collateral Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from its failure to comply with its Holder Reporting Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

15. To the extent required by the Issuer, as determined by the Issuer or the Portfolio Manager on behalf of the Issuer, the Issuer may, upon notice to the Collateral Trustee, impose additional transfer restrictions on the Specified Securities to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of Specified Securities to make representations to the Issuer in connection with such compliance.
16. It understands that the Co-Issuers, the Collateral Trustee and the Initial Purchaser and their respective counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

17. It will not, at any time, offer to buy or offer to sell the Specified Securities by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

If it is a natural person, it has all requisite legal capacity to acquire and hold the Specified Securities and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by it in connection with this subscription for Specified Securities. Such execution, delivery and compliance by it does not conflict with, or constitute a default under, any instruments governing it, any applicable law, regulation or order, or any material agreement to which it is a party or by which it is bound. This Representation Letter has been duly executed by it and constitutes a valid and legally binding agreement of it, enforceable against it in accordance with its terms.
19. It is not a member of the public in the Cayman Islands.
20. It acknowledges receipt of the Issuer's privacy notice (set forth in the Offering Circular under the heading "Cayman Islands Data Protection Act") which provides information on the Issuer's use of personal data in accordance with the Cayman Islands Data Protection Act (As Revised) and, if applicable, agrees to promptly provide the privacy notice (or any updated version thereof as may be provided from time to time) to each individual (such as any individual directors, shareholders, beneficial owners, authorized signatories, trustees or others) whose personal data it provides to the Issuer or any of its affiliates or delegates including, but not limited to, Appleby Global Services (Cayman) Limited in its capacity as Administrator.

6. In addition to the rights of the Issuer described above, any acquisition of Specified Securities by a Non-Permitted Holder or by a Non-Permitted ERISA Holder shall be void *ab initio*.
9. 10. It agrees to treat the Issuer and the Notes as described in the “Certain U.S. Federal Income Tax Considerations” section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

11. It will timely furnish the Issuer, the Co-Issuer, the Collateral Trustee, or any agent of the Issuer any tax forms or certifications (such as an applicable IRS Form W-8 with appropriate attachments, IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents may reasonably request (A) to permit the Issuer or its agents to make payments to it without, or at a reduced rate of, deduction or withholding, (B) to enable the Issuer or its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) to enable the Issuer or its agents to satisfy reporting and other obligations under the Code and Treasury regulations and under any other applicable laws, and shall update or replace such documentation, agreements, information, or certifications as appropriate or in accordance with their terms or subsequent amendments thereto. It acknowledges that the failure to provide, update or replace any such documentation, agreements, information, or certifications may result in the imposition of withholding or back-up withholding upon payments to it. Amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld pursuant to applicable tax laws will be treated as having been paid to it by the Issuer.
12. It agrees (A) to obtain and provide the Issuer (including its agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or its agents or representatives, as applicable) to achieve FATCA Compliance or that is required under Cayman FATCA Legislation and the CRS (as amended from time to time) or for the Issuer to achieve AML Compliance (the obligations undertaken pursuant to this clause (A), the "**Holder Reporting Obligations**"), (B) that the Issuer or its agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to achieve FATCA Compliance, for the Issuer to comply with the Cayman FATCA Legislation and for the Issuer to achieve AML Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with its Holder Reporting Obligations or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in Section 2.12(b) of the Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs, and, in the case of this subclause (3), to deposit payments on such Notes into a tax reserve account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA); provided that any unallocated amounts remaining in a tax reserve account will be released to the applicable Holder (a) on the date of final payment for the Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Collateral Trustee that it no longer holds an interest in any Notes. Any amounts deposited into a tax reserve account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under the Indenture as if such amounts had been paid directly to the Holder of such Notes. Each purchaser, beneficial owner and subsequent transferee agrees to indemnify the Issuer, the Portfolio Manager, the Collateral Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from its failure to comply with its Holder Reporting Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes
13. It agrees that it shall not institute against, or join any other Person in instituting against the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation proceedings or other proceedings under Cayman Islands, U.S. Federal or state bankruptcy laws or any other similar laws until at least one year and one day after payment in full of the Notes, or, if longer, the applicable preference period then in effect plus one day following such payment in full.
14. To the extent required by the Issuer, as determined by the Issuer or the Portfolio Manager on behalf of the Issuer, the Issuer may, upon notice to the Collateral Trustee, impose additional transfer restrictions on the Specified Securities to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including,

without limitation, requiring each transferee of Specified Securities to make representations to the Issuer in connection with such compliance.

15. It understands that the Issuer, the Collateral Trustee and the Initial Purchaser and their respective counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.
16. It understands that an investment in the Specified Securities involves certain risks, including the risk of loss of all or a substantial part of its investment. Due to the structure of the transaction, the Specified Securities will rank behind all senior creditors (secured or unsecured and whether known or unknown) of the Issuer, including without limitation, the holders of any senior Class of Debt and any Hedge Counterparties. It has had access to such financial and other information concerning the Transaction Parties, the Specified Securities, the initial portfolio of Collateral Obligations and the Assets as it deemed necessary or appropriate in order to make an informed investment decision with respect to its purchase of the Specified Securities, including an opportunity to ask questions of and request information from each Transaction Party.
17. It will not, at any time, offer to buy or offer to sell the Specified Securities by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.
18. If it is not a natural person, it has the power and authority to enter into this Representation Letter and each other document required to be executed and delivered by or on behalf of it in connection with this purchase or transfer of Specified Securities, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby, and the person signing this Representation Letter on behalf of it has been duly authorized to execute and deliver this Representation Letter and each other document required to be executed and delivered by it in connection with this subscription for Specified Securities. If it is a natural person, it has all requisite legal capacity to acquire and hold the Specified Securities and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by it in connection with this subscription for Specified Securities. Such execution, delivery and compliance by it does not conflict with, or constitute a default under, any instruments governing it, any applicable law, regulation or order, or any material agreement to which it is a party or by which it is bound. This Representation Letter has been duly executed by it and constitutes a valid and legally binding agreement of it, enforceable against it in accordance with its terms.
19. If it owns more than 50% of the Subordinated Notes of each Class or Reinvesting Holder Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5 (or any successor provision)), it represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any Issuer Subsidiary is a "participating FFI" within the meaning of Treasury regulations section 1.1471-1(b)(91) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-1 (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "registered deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-1 (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.
20. Each Holder of a Class E-RR Note, a Class F-RR Note or Subordinated Note, if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), by acceptance of its Note shall be deemed to represent that it either:
 - (i) is not a bank (within the meaning of section 881 of the Code) or an affiliate of a bank;

- (ii) if a bank (within the meaning of Section 881 of the Code), after giving effect to this purchase of the Class E-RR Notes, Class F-RR Notes or Subordinated Notes (as applicable), (x) will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3) and (y) has not purchased the Notes in whole or in part to avoid any U.S. federal income tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the purchaser, beneficial owner or subsequent transferee);
 - (iii) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States, or
 - (iv) has provided an IRS Form W-8BEN-E representing that it is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States.
21. No purchaser, beneficial owner or subsequent transferee of a Subordinated Note shall treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.
22. It is not a member of the public in the Cayman Islands.
23. It acknowledges receipt of the Issuer's privacy notice (set forth in the Offering Circular under the heading "Cayman Islands Data Protection Act") which provides information on the Issuer's use of personal data in accordance with the Cayman Islands Data Protection Act (As Revised) and, if applicable, agrees to promptly provide the privacy notice (or any updated version thereof as may be provided from time to time) to each individual (such as any individual directors, shareholders, beneficial owners, authorized signatories, trustees or others) whose personal data it provides to the Issuer or any of its affiliates or delegates including, but not limited to, Appleby Global Services (Cayman) Limited in its capacity as Administrator.
24. It understands and agrees that the Specified Securities are a medium for investment and are governed by Article 8 of the Uniform Commercial Code as in effect in the State of New York.
25. It has accurately completed and executed an "entity self-certification form" or "individual self-certification form" (as applicable) (in the forms published by the Cayman Islands Department for International Tax Cooperation, which forms can be obtained at <https://www.ditc.ky/crs/crs-legislation-resources/> or in such other form as is acceptable to the Issuer), and will update any information contained therein in the event that any such information becomes incorrect.
26. It will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary.

FORM OF ERISA CERTIFICATE

This Benefit Plan Investor Certificate (this "**Certificate**") is being provided in connection with the acquisition of:

- Class E-RR Notes
- Class F-RR Notes
- Subordinated Notes

The Class of Notes indicated above are referred to herein as the "**Specified Securities**".

The purpose of this Benefit Plan Investor Certificate (this "**Certificate**") is, among other things, to (i) endeavor to ensure that less than 25% of the total value of the Class of Notes to which the Specified Securities belong, issued by Apex Credit CLO 2019 Ltd. (the "**Issuer**") is held by "Benefit Plan Investors" as contemplated and defined under Section 3(42) of the United States Employee Retirement Income Security Act of 1974, as amended ("**ERISA**") and the U.S. Department of Labor's regulations set forth at 29 C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA (the "**Plan Asset Regulations**") so that the Issuer will not be subject to the U.S. federal employee benefits provisions contained in Section 406 of ERISA or Section 4975 of the United States Internal Revenue Code of 1986, as amended (the "**Code**") and other matters, (ii) obtain from you certain representations and agreements and (iii) provide you with certain related information with respect to your acquisition, holding or disposition of the Specified Securities (or any interest therein). **By signing this Certificate, you agree to be bound by its terms.**

Please be aware that the information contained in this Certificate is not intended to constitute advice and the examples given below are not intended to be, and are not, comprehensive. You should contact your own counsel if you have any questions in completing this Certificate. Capitalized terms not defined in this Certificate shall have the meanings ascribed to them in the final Offering Circular of the Issuer or the Indenture, as applicable.

Please review the information in this Certificate and check the box(es) that are applicable to you, although you must check at least one box.

By checking a box, you are representing and warranting as to your status for so long as you hold a Note or interest therein. If a box is not checked, you are representing and agreeing that the applicable Section does not, and will not, apply to you.

PROSPECTIVE PURCHASERS SHOULD NOTE THAT, EXCEPT FOR PURCHASES FROM THE ISSUER OR THE INITIAL PURCHASER ON THE 2024 CLOSING DATE OR ORIGINAL CLOSING DATE, AS APPLICABLE, THE SPECIFIED SECURITIES IN THE FORM OF GLOBAL NOTES MAY NOT BE ACQUIRED BY A BENEFIT PLAN INVESTOR OR A CONTROLLING PERSON.

1. **Employee Benefit Plans Subject to ERISA or Section 4975 of the Code.** We, or the entity on whose behalf we are acting, are an "employee benefit plan" within the meaning of Section 3(3) of ERISA that is subject to the fiduciary responsibility provisions of Title I of ERISA or a "plan" within the meaning of Section 4975(e)(1) of the Code that is subject to Section 4975 of the Code.

Examples: (i) tax qualified retirement plans such as pension, profit sharing and section 401(k) plans, (ii) welfare benefit plans such as accident, life and medical plans, (iii) individual retirement accounts or "IRAs" and "Keogh" plans and (iv) certain tax-qualified educational and savings trusts.

2. **Entity Holding Plan Assets by Reason of Plan Asset Regulations.** We, or the entity on whose behalf we are acting, are an entity or fund whose underlying assets include "plan assets" by reason of a Benefit Plan Investor's investment in such entity.

Examples: (i) an insurance company separate account, (ii) a bank collective trust fund and (iii) a hedge fund or other private investment vehicle where 25% or more of the total value of any class of its equity is held by Benefit Plan Investors.

If you check Box 2, please indicate the maximum percentage of the entity or fund that will constitute "plan assets" for purposes of Title I of ERISA or Section 4975 of the Code: ____%.

AN ENTITY OR FUND THAT CANNOT PROVIDE THE FOREGOING PERCENTAGE HEREBY ACKNOWLEDGES THAT FOR PURPOSES OF DETERMINING WHETHER BENEFIT PLAN INVESTORS OWN LESS THAN 25% OF THE TOTAL VALUE OF THE SPECIFIED SECURITIES ISSUED BY THE ISSUER, 100% OF THE ASSETS OF THE ENTITY OR FUND WILL BE TREATED AS "PLAN ASSETS."

ERISA and the regulations promulgated thereunder are technical. Accordingly, if you have any question regarding whether you may be an entity described in this Section 2, you should consult with your counsel.

3. **Insurance Company General Account.** We, or the entity on whose behalf we are acting, are an insurance company purchasing the Specified Securities (or interests therein) with funds from our or their general account (*i.e.*, the insurance company's corporate investment portfolio), whose assets, in whole or in part, constitute "plan assets" for purposes of the Plan Asset Regulations.

If you check Box 3, please indicate the maximum percentage of the insurance company general account that will constitute "plan assets" for purposes of conducting the 25% test under the Plan Asset Regulations: ____%. IF YOU DO NOT INCLUDE ANY PERCENTAGE IN THE BLANK SPACE, YOU WILL BE COUNTED AS IF YOU FILLED IN 100% IN THE BLANK SPACE.

4. **None of Sections (1) Through (3) Above Apply.** We, or the entity on whose behalf we are acting, are a person that does not fall into any of the categories described in Sections (1) through (3) above.

5. **No Prohibited Transaction.** If we checked any of the boxes in Sections (1) through (3) above, we represent, warrant and agree that our acquisition, holding and disposition of the Specified Securities (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.
6. **Not Subject to Similar Law and No Violation of Other Plan Law.** If we are a governmental, church, non-U.S. or other plan, we represent, warrant and agree that (a) we are not, and for so long as we hold the Specified Securities or any interest therein we will not be, subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interests therein) by virtue of its interest and thereby subject the Issuer or the Portfolio Manager (or other persons responsible for the investment and operation of the Issuer's assets) to federal, state, local or non-U.S. laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code, and (b) our acquisition, holding and disposition of the Specified Securities (or interests therein) do not and will not constitute or result in a violation of any federal, state, local or non-U.S. law or regulation that is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code.
7. **Controlling Person.** We are, or we are acting on behalf of any of: (i) any person that has discretionary authority or control with respect to the assets of the Issuer, (ii) any person who provides investment advice for a fee (direct or indirect) with respect to such assets or (iii) any "affiliate" of any of the above persons. "Affiliate" shall have the meaning set forth in the Plan Asset Regulations. Any of the persons described in the first sentence of this Section 7 (other than a Benefit Plan Investor) is referred to in this Certificate as a "Controlling Person."

Note: We understand that, for purposes of determining whether Benefit Plan Investors hold less than 25% of the total value of the Specified Securities represented by the Aggregate Outstanding Amount thereof, the value of any Specified Securities held by Controlling Persons (other than Benefit Plan Investors) are required to be disregarded.

8. **Plan Fiduciary.** If we are, or are acting on behalf of, a Benefit Plan Investor, we represent, warrant and agree that (i) none of the Issuer, the Co-Issuer, the Portfolio Manager, the Retention Holder, the Collateral Trustee, the Collateral Administrator, the Administrator, the Initial Purchaser or any financial intermediaries or other persons that provide marketing services, or any of their respective affiliates, has provided, and none will provide, any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA to us or to any fiduciary or other person investing our assets ("**Plan Fiduciary**"), in connection with our or its decision to invest in, hold or dispose of the Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to us or the Plan Fiduciary in connection with our acquisition of the Notes, and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

9. **Compelled Disposition.** We acknowledge and agree that:
- (i) if any representation that we made hereunder is subsequently shown to be false or misleading or our beneficial ownership otherwise causes a violation of the 25% Limitation (in any such case we become a Non-Permitted ERISA Holder), the Issuer (or the Portfolio Manager on behalf of the Issuer) shall, promptly after such discovery (or upon notice from the Collateral Trustee (if a Trust Officer obtains actual knowledge) or the Co-Issuer if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to us demanding that we transfer our Specified Securities (or our interests therein) to a Person that is not a Non-Permitted ERISA Holder within 10 days after the date of such notice;
 - (ii) if we fail to transfer our Specified Securities (or our interests therein), the Issuer shall have the right, without further notice to us, to sell our Specified Securities or our interests in the Specified Securities, to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose;
 - (iii) the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling our Specified Securities (or our interests therein) to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion;
 - (iv) by our acceptance of the Specified Securities (or interests therein), we agree to cooperate with the Issuer and the Collateral Trustee to effect such transfers;
 - (v) the proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to us; and
 - (vi) the terms and conditions of any sale under this sub-section shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Trustee or the Portfolio Manager shall be liable to us as a result of any such sale or the exercise of such discretion.
10. **Required Notification.** We hereby agree that we will inform the Issuer and the Collateral Trustee of any proposed transfer by us of all or a specified portion of the Specified Securities (or interests therein).
11. **Continuing Representation; Reliance.** We acknowledge and agree that the representations, warranties, acknowledgments and agreements contained in this Certificate shall be deemed made on each day from the date we make such representations, warranties, acknowledgments and agreements through and including the date on which we dispose of the Specified Securities (or our interests therein). We understand and agree that the information supplied in this Certificate will be used and relied upon by the Issuer and the Collateral Trustee to determine that Benefit Plan Investors own or hold less than 25% of the total value of the Specified Securities upon any subsequent transfer of the Specified Securities in accordance with the Indenture.

12. **Further Acknowledgement and Agreement.** We acknowledge and agree that (i) all of the representations, warranties and assurances contained in this Certificate are for the benefit of the Issuer, the Collateral Trustee, the Initial Purchaser and the Portfolio Manager as third party beneficiaries hereof, (ii) copies of this Certificate and any information contained herein may be provided to the Issuer, the Collateral Trustee, the Initial Purchaser, the Portfolio Manager, affiliates of any of the foregoing parties and to each of the foregoing parties' respective counsel for purposes of making the determinations described above and (iii) any acquisition or transfer of the Specified Securities (or any interest therein) by us that is not in accordance with the provisions of this Certificate shall be null and void from the beginning, and of no legal effect.

13. **Future Transfer Requirements.**

Transferee Letter and its Delivery. We acknowledge and agree that we may not transfer any Specified Securities in the form of Certificated Notes to any person unless the Issuer and the Collateral Trustee have received a certificate substantially in the form of this Certificate. Any attempt to transfer in violation of this section will be null and void from the beginning, and of no legal effect.

[ROW/COLUMN COMBINATION]

ADVISORY COMMITTEE GUIDELINES

1. General.

The Advisory Committee will have the functions contemplated in the Indenture, the Portfolio Management Agreement and in the Advisory Committee Member Agreements entered into in connection with the appointments of the Advisory Committee members to the Advisory Committee, including having the power (upon request and if so decided by the Advisory Committee members) to approve (i) the purchase of any Collateral Obligation (A) with respect to which the Portfolio Manager and/or an Affiliate acted as an underwriter, originator, structurer or placement agent or (B) from the related issuer of which the Portfolio Manager or Affiliate, as applicable, received any compensation in consideration of such actions or services described in clause (A) and (ii) the purchase or sale of any Collateral Obligation in a transaction that requires notice to the Issuer and the consent of the Issuer pursuant to Section 206(3) of the Advisers Act (each such transaction, a “Restricted Transaction”).

2. Composition of the Advisory Committee.

The Advisory Committee must be comprised of at least one Person (which may be an individual or an entity). No Advisory Committee member may be an Affiliate of the Portfolio Manager.

3. Requisite Experience.

Each member of the Advisory Committee must at the time of appointment and at all relevant times thereafter have experience as a sophisticated investor, including, without limitation, in fixed income investing (directly and/or through investment vehicles) and/or substantial financial and commercial experience and knowledge in and of the loan market and related investment arenas, such that the relevant Advisory Committee member believes that it is capable of determining whether or not to participate in Advisory Committee decisions on the basis of the provisions described herein (the “Requisite Experience”). Such person need not be a professional loan investor or loan originator. The Portfolio Manager and the Issuer will have the right to accept a representation and warranty from an Advisory Committee member regarding its Requisite Experience, in the absence of actual knowledge by a responsible officer of the Portfolio Manager to the contrary.

4. Appointment of Initial Members of the Advisory Committee.

The initial Advisory Committee member will be appointed by the Portfolio Manager.

5. Removal of Members of the Advisory Committee; Replacement of Members of the Advisory Committee.

Additional Advisory Committee members may be recommended and proposed by the Portfolio Manager at any time; provided that (i) each such additional Advisory Committee member must have the Requisite Experience and (ii) the addition of any additional Advisory Committee member must be approved by at least a Majority of the Subordinated Notes.

A Majority of the Subordinated Notes will have the right to appoint or remove an Advisory Committee member. If an Advisory Committee member is removed, dies or resigns, a replacement Advisory Committee member may be proposed by the Portfolio Manager and appointed by a Majority of the Subordinated Notes.

The Issuer will have the right to remove any Advisory Committee member for “Cause,” but such removal will be subject to the appointment of a successor Advisory Committee member.

For purposes of these Advisory Committee Guidelines, “Cause” shall be deemed to have occurred only upon the happening of any of the following events:

- (a) the occurrence of any act constituting a willful breach, fraud or criminal felony offense in respect of the Advisory Committee member’s activity in the performance of its obligations under these Advisory Committee Guidelines or the Advisory Committee Member Agreement;
- (b) the indictment of the Advisory Committee member (or any officer or director thereof who has direct supervisory responsibility for the Advisory Committee member’s activities in the performance of its obligations under these Advisory Committee Guidelines or the Advisory Committee Member Agreement) for fraud, false statements or omissions, wrongful taking of property, bribery, forgery, counterfeiting or extortion;
- (c) the Advisory Committee member’s failure to substantially perform its duties hereunder and/or under its Advisory Committee Member Agreement with the Issuer in respect of its service on the Advisory Committee;
- (d) any of the Advisory Committee member’s representations and warranties set forth in the Advisory Committee Member Agreement becomes untrue in any material respect; or
- (e) the Advisory Committee member fails to respond to a notice provided by the Portfolio Manager with respect to a Restricted Transaction within five Business Days after such notice or if the Advisory Committee member is not available to consider a Restricted Transaction within five Business Days after such notice.

6. Term; Resignation of Members of the Advisory Committee.

Each member of the Advisory Committee will serve until he or she resigns, dies or is removed. Each member of the Advisory Committee will have the right to resign at any time, and such resignation will not be subject to the appointment of a replacement member.

7. Approval Process.

If the Portfolio Manager wants the Issuer to consider a Restricted Transaction, the Portfolio Manager shall give notice of the proposed Restricted Transaction to the members of the Advisory Committee. The notice shall contain the request by the Portfolio Manager for the Advisory Committee’s consent to the Restricted Transaction. The notice shall be accompanied by:

- an investment memorandum and
- an underwriting analysis.

The “investment memorandum” and “underwriting analysis” means for this purpose (a) a reasonably detailed description of the proposed investment, the obligor thereof and related information, (b) information about the identity of any affiliated entity involved in the proposed investment and the capacity in which it will be acting and (c) such other information as the Portfolio Manager believes supports its judgment that the investment is appropriate to be purchased or sold by the Issuer, as the case may be (collectively, the “Restricted Trade Information Package”). The notice shall contain the Portfolio Manager’s offer to provide additional information as reasonably requested by the Advisory Committee.

So long as all requisite items of the Restricted Trade Information Package have been delivered, the Advisory Committee shall be entitled to determine on such basis that the proposed Restricted Transaction is being conducted on an arms’ length basis for fair market value and may, subject to the following sentence, provide consent to the Portfolio Manager for the proposed Restricted Transaction. Notwithstanding the foregoing sentence, the Advisory Committee may refuse to consent to any Restricted Transaction if (A) the Advisory Committee has actual knowledge or has received a notice that any aspect of the Restricted Trade Information Package is false or (B) such Restricted Transaction would cause the Issuer, the Board of Directors, the Advisory Committee or the Portfolio Manager to violate any law, statute or regulation (or fiduciary obligations required thereunder) to which the Issuer, the Board of Directors, the Advisory Committee or the Portfolio Manager is subject. With respect to issues of illegality, the Advisory Committee shall be entitled to seek legal advice, the cost of which will be an Administrative Expense. Members of the Advisory Committee shall not incur any liability for adhering to the foregoing procedures in respect of Restricted Transactions or for any determinations made in respect thereof.

So long as the Issuer is relying on the Advisory Committee to approve a Restricted Transaction, if at any time the Advisory Committee does not have at least one member with Requisite Experience, the Issuer will not engage in any such Restricted Transaction.

8. Unanimous Written Consent.

Regardless of the composition of the Advisory Committee, each Restricted Transaction must be approved in writing by each member of the Advisory Committee. The members of the Advisory Committee are under no obligation to consent to a Restricted Transaction. If all of the members of the Advisory Committee approve a Restricted Transaction in writing, the Issuer will effect it at the option of the Portfolio Manager (subject to any other applicable restriction in the Indenture or the Portfolio Management Agreement). If the members of the Advisory Committee notify the Portfolio Manager that the Advisory Committee will not approve the Restricted Transaction, the Issuer will not effect the Restricted Transaction.

9. Compensation; Indemnification.

Each member of the Advisory Committee will receive arm’s length compensation by the Issuer, subject to the Priority of Payments, for serving on the Advisory Committee as determined by the

Issuer to be a reasonable amount commensurate with the responsibilities of such Advisory Committee member, based upon available information for comparable service providers.

Pursuant to the applicable Advisory Committee Member Agreement, each member of the Advisory Committee will be entitled to indemnification from the Issuer, subject to the Priority of Payments, and broad exculpation provisions, i.e., each member shall have no liability except for such member's willful misconduct, fraud or gross negligence.

10. Notices, Consents, Approvals, etc.

All notices, consents, approvals, requests, demands or other communications required or permitted hereunder or under the Advisory Committee Member Agreement shall be in writing and deemed to have been properly given when sent by telecopy or electronic mail or other electronic means, addressed to the applicable party at the address set forth in the applicable Advisory Committee Member Agreement.
