PRELIMINARY STATEMENT

The Issuers are duly authorized to execute and deliver this Indenture to provide for the Securities issuable as provided in this Indenture. All covenants and agreements made by the Issuers herein are for the benefit and security of the Secured Parties. The Issuers are entering into this Indenture, and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Issuers and the Trustee in accordance with the terms of this Indenture have been done.

GRANTING CLAUSES

To secure the Secured Obligations, the Issuer hereby Grants to the Trustee for the benefit and security of the Secured Parties, all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising:

(a) all Collateral Debt Obligations, Equity Securities, Workout Loans and Restructured Loans, including any part thereof which consists of general intangibles or supporting obligations (each, as defined in the UCC) relating thereto, which are delivered or credited to the Trustee, or for which a Security Entitlement is delivered or credited to the Trustee, or which are credited to one or more of the Issuer Accounts, in each case on or after the Closing Date, and all payments made or to be made thereon or with respect thereto;

(b) the Administration Agreement, the Registered Office Agreement, the AML Services Agreement, the Auction Service Provider Agreement, the Collateral Management Agreement and the Collateral Administration Agreement;

(c) the Issuer Accounts and any other deposit accounts or securities accounts of the Issuer, Eligible Investments purchased with funds on deposit therein, and all funds or Financial Assets now or hereafter deposited therein or credited thereto and income from the investment of funds therein, including any part thereof which consists of general intangibles or supporting obligations (each, as defined in the UCC) relating thereto;

(f) to the extent not otherwise covered above, all Collateral Debt Obligations and other securities, instruments, investment property, financial and other assets, property, accounts,

documents, goods (including inventory and equipment), general intangibles, money, chattel paper, documents, deposit accounts, securities accounts, commodity accounts, commodity contracts and agreements of any nature in which the Issuer has an interest (except for money in the Issuer's bank account in the Cayman Islands), including any part thereof which consists of general intangibles or supporting obligations (each, as defined in the UCC) relating thereto;

(g) the Issuer's equity interest in any Tax Subsidiary and the Issuer's rights under any agreement with any Tax Subsidiary; and

Additionally, and for the avoidance of doubt, any Warehouse Accrued Interest shall not constitute Collateral or be considered to be an asset of the Issuer for any purpose hereunder.

These Grants are not intended to and do not transfer any liability under the Collateral, which liabilities shall remain the sole obligation of the Issuer. These Grants are made, however, in trust, to secure the Secured Obligations, equally and ratably without prejudice, priority or distinction between the Secured Obligations by reason of difference in time of issuance or incurrence or otherwise except as expressly provided in this Indenture (including Section 2.7, Article XI and Article XIII) and to secure (i) the payment of all amounts due on the Secured Obligations, in accordance with their terms and (ii) compliance with the provisions of this Indenture and each related document, all as provided herein and therein.

"Winning Bid Margin": The meaning specified in Section 9.9(a)(v).

"Withholding Tax Obligation": A Collateral Debt Obligation (a) that requires the issuer or agent of the issuer to withhold amounts for purposes of paying tax or taxes (other than withholding taxes (i) with respect to commitment fees associated with Collateral Debt Obligations constituting Revolving Credit Facilities or Delayed Funding Term Loans, (ii) with respect to similar fees (including, without limitation, fees on letters of credit constituting a part of a Revolving Credit Facility), (iii) imposed under FATCA or (iv) with respect to other items of income (other than interest) received by the Issuer) and (b) the Reference Instrument with respect thereto does not contain a "gross-up" provision which would compensate the Issuer for the full amount of any such withholding tax on an after-tax basis.

"Workout Loan": A Loan acquired by the Issuer resulting from, or received in connection with, an insolvency, bankruptcy, reorganization, debt restructuring or workout of a Collateral Debt Obligation included in the Collateral which does not satisfy the Reinvestment Criteria at the time of acquisition that (i) in the Collateral Manager's reasonable commercial judgment exercised in accordance with the Collateral Management Agreement, is necessary or advisable to collect an increased recovery value of the related Collateral Debt Obligation and (ii) is designated as a "Workout Loan" by the Collateral Manager ; provided that (a) a Workout Loan shall be required to satisfy the definition of "Collateral Debt Obligation" other than clauses (ii), (vi), (vii), (viii), (ix), (xi)(B), (xi)(E), (xi)(F), (xi)(I), (xvii) and (xviii) thereof and (b) such Workout Loan shall be senior or pari passu in right of payment to the corresponding Collateral Debt Obligation already held by the Issuer. "Zero-Coupon Security": A security that, at the time of determination, does not make periodic payments of interest; provided, however, that a Zero-Coupon Security shall not include a security that is a Step-Up Coupon Obligation.

Section 1.2 Assumptions as to Collateral Debt Obligations.

(a) In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligations, or any payments on any other assets included in the Collateral, and with respect to the income that can be earned on

Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account or the Subordinated Notes Collection Account, the provisions set forth in this Section 1.2 shall be applied.

(b) All calculations with respect to Scheduled Distributions on the Pledged Obligations shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of or borrower with respect to such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(c) For each Due Period, the Scheduled Distribution on any Pledged Obligation (other than (i) a Defaulted Obligation, Restructured Loan or Workout Loan to the extent required to be treated as Principal Proceeds hereunder, (ii) any security that in accordance with its terms is making payments due thereon "in kind" in lieu of Cash to the extent such payments are not made in Cash or (iii) other Collateral which is expressly assigned a Principal Balance of zero hereunder, in each case, which shall be assumed to have a Scheduled Distribution of zero) shall be the minimum amount, including coupon payments, accrued interest, scheduled Principal Payments, if any, by way of sinking fund payments which are assumed to be on a *pro rata* basis or other scheduled amortization of principal, return of principal, and redemption premium, if any, assuming that any index applicable to any payments on a Pledged Obligation that is subject to change is not changed, that, if paid as scheduled, will be available in the Collection Account or the Subordinated Notes Collection Account at the end of the Due Period net of withholding or similar taxes to be withheld from such payments (but taking into account gross-up payments in respect of such taxes).

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account or the Subordinated Notes Collection Account and, except as otherwise specified, to earn interest at the greater of (i) zero percent and (ii) the Benchmark *minus* 0.25% per annum. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account or the Subordinated Notes Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture.

(e) In connection with the calculation of the Aggregate Principal Balance of the Collateral Debt Obligations, the Principal Balance of any Collateral Debt Obligations described in clause (v) of the definition of Principal Balance shall, for the purposes of Section 6.7(d) hereof and of Section 8 of the Collateral Management Agreement, equal the outstanding principal amount of such Collateral Debt Obligations.

(f) For the avoidance of doubt, fees paid by an obligor that the Collateral Manager reasonably considers to be the effective equivalent of interest shall be treated as interest for purposes hereof.

(g) Amounts received by the Issuer from any Tax Subsidiary shall be allocated as Interest Proceeds or Principal Proceeds in the same manner as if the underlying asset were owned by the Issuer directly.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Tests. Margin Stock will not be included in the calculation of the Overcollateralization Tests, the Interest Reinvestment Test or the Collateral Quality Tests.

(i) For purposes of calculating the Weighted Average Spread and the Weighted Average Fixed Rate Coupon, the spread or coupon for (i) a Step-Up Coupon Obligation shall be its spread or coupon, as applicable, as of the related Measurement Date and (ii) a Step-Down Security shall the lowest permissible spread or coupon pursuant to the underlying documentation of the underlying obligor of such Step-Down Security.

(j) For reporting and calculation purposes (including each Monthly Report and Valuation Report), Coverage Tests, Collateral Quality Tests, Reinvestment Criteria and any other requirements related to the acquisition of Collateral Debt Obligations (but, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own a Permitted Equity Security, Workout Loan, Restructured Loan or Collateral Debt Obligation held by a Tax Subsidiary rather than its interest in that Tax Subsidiary; provided, that any future anticipated tax liabilities of the Tax Subsidiary related to a Permitted Equity Security, Workout Loan, Restructured Loan or Collateral Debt Obligation held by a Tax Subsidiary shall be subtracted from amounts otherwise payable on such Permitted Equity Security, Workout Loan, Restructured Loan or Collateral Debt Obligation for purposes of such reporting (including each Monthly Report and Valuation Report), Coverage Tests, the Interest Reinvestment Test, Collateral Quality Tests, Reinvestment Criteria and other requirements related to acquisitions of Collateral Debt Obligations.

(k) If the Issuer (or the Collateral Manager on behalf of the Issuer) is notified by the administrative agent or other withholding agent or otherwise for the syndicate of lenders in respect of any Collateral Debt Obligation, Permitted Equity Security, Workout Loan or Restructured Loan (with a copy of such notice being sent to the Collateral Administrator) that any amounts associated therewith are subject to withholding tax imposed by any jurisdiction, the applicable Collateral Quality Test, the Coverage Tests and the Interest Reinvestment Test shall be calculated thereafter net of the full amount of such withholding tax unless the related obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Reference Instruments with respect thereto.

(l) For purposes of determining whether any base rate is being used by a substantial portion of the Principal Balance of the quarterly pay Floating Rate Collateral Debt Obligations in connection with the determination of a Benchmark Replacement, Defaulted Obligations and Deferring Interest Obligations will be treated as having a Principal Balance equal to zero.

(m) The Class X Notes will not be included in the calculation of any Coverage Test or the Interest Reinvestment Test.

(n) References to calculations and determinations made to the extent such Class of Notes is the "Controlling Class" shall mean such calculations and determinations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation or determination is made.

The words "herein," "hereof," "hereunder," and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section, Subsection or other subdivision. (c) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator or the Trustee may request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator and the Trustee shall follow such direction (if any such direction is provided by the Collateral Manager), and the Collateral Administrator and the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

The Securities (or any beneficial interest therein if a Global Security) shall be issuable in denominations of $100,000 and integral multiples of $1.00 in excess thereof; provided, that any such Security in excess of the applicable minimum denomination may, after the issuance thereof, cease or fail to be an integral multiple of $1.00 in excess thereof as a result of the repayment of principal pursuant to Section 11.1.

Section 2.4 Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Issuer and, in the case of the Priority Notes, the Co-Issuer, by one of the Authorized Officers of the Issuer and, in the case of the Priority Notes, the Co-Issuer. The signature of such Authorized Officer on the Securities may be manual, electronic or facsimile.

Securities bearing the manual, electronic or facsimile signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of issuance of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer (and the Co-Issuer, as applicable) may deliver Securities executed by the Issuer (and the Co-Issuer, as applicable) to the Trustee or the Authenticating Agent for authentication, and the

Trustee or the Authenticating Agent, upon delivery of such executed Securities, shall authenticate and deliver such Securities as provided in this Indenture and not otherwise.

Each Security authenticated and delivered by the Trustee or the Authenticating Agent to or upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Securities that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Securities issued upon transfer, exchange or replacement of other Securities shall be issued in authorized denominations reflecting the original aggregate principal amount of the Securities so transferred, exchanged or replaced, but shall represent only the current outstanding principal amount of the Securities so transferred, exchanged or replaced. In the event that any Security is divided into more than one Security in accordance with this Article II, the original principal amount of such Security shall be proportionately divided among the Securities delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Securities.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange.

(a) The Issuer shall cause to be kept the Securities Register in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Securities and the registration of transfers of Securities. The Trustee is hereby initially appointed as agent of the Issuer to act as "Securities Registrar" for the purpose of registering and recording in the Securities Register the Securities and transfers of such Securities as herein provided. Upon any resignation or removal of the Securities Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Securities Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Securities Registrar and of the location, and any change in the location, of the Securities Registrar, and the Trustee shall have the right to inspect the Securities Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Securities Registrar by an Officer thereof as to the names and addresses of the Holders of the Securities and the principal amounts of such Securities.

Subject to this Section 2.5, upon surrender for registration of transfer of any Securities at the office or agency of the Issuers to be maintained as provided in Section 7.4, the surrendered Securities shall be cancelled and destroyed by the Trustee in accordance with its standard policy and the Issuer (and solely in the case of the Priority Notes, the Co-Issuer) shall execute, and the Trustee or the Authenticating Agent, as the case may be, shall authenticate and deliver in the

name of the designated transferee or transferees, one or more new Securities of any authorized denomination and of a like aggregate principal amount.

The Issuer or the Collateral Manager, as applicable, shall notify the Trustee in writing of any Security beneficially owned by or pledged to the Issuer, the Co-Issuer or the Collateral Manager or any of their respective Affiliates promptly upon its knowledge of the acquisition thereof or the creation of such pledge.

At the option of the Holder, Securities may be exchanged for Securities of like terms, in any authorized denominations and of like aggregate principal amount, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Security is surrendered for exchange, the Issuer (and solely in the case of the Priority Notes, the Co-Issuer) shall execute and the Trustee shall authenticate and deliver the Securities that the Holder making the exchange is entitled to receive.

All Securities issued and authenticated upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer and, in the case of the Priority Notes, the Co-Issuer, evidencing the same debt or rights to payment, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Any Security and the rights to payments evidenced thereby may be assigned or otherwise transferred in whole or in part pursuant to the terms of this Section 2.5 only by the registration of such assignment and transfer of such Security on the Securities Register (and each Security shall so expressly provide). Any assignment or transfer of all or part of such Security shall be registered on the Securities Register only upon presentment or surrender for registration of transfer or exchange of the Security duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Securities Registrar, the Issuer and, in the case of the Priority Notes, the Co-Issuer, duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any exchange of Securities, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any exchange of Securities. Each of the Securities Registrar and the Trustee shall be entitled to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and its transferee, with, if requested, such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Securities Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Securities Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

The Issuer, the Co-Issuer or the Trustee, as applicable, shall not be required (i) to issue, register the transfer of or exchange any Security during a period beginning at the opening of business 15 days before any selection of Securities to be redeemed and ending at the close of business on the day of the provision of the relevant notice of redemption, or (ii) to register the transfer of or exchange any Security so selected for redemption.

(b) No Security may be sold or transferred (including by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt under applicable state securities laws.

In the case of Notes of any AMR Class, each Holder acknowledges and agrees that such Notes are subject to mandatory tender on each AMR Settlement Date in connection with an Applicable Margin Reset set forth in this Indenture.

A proposed transfer shall not be permitted, and the Trustee shall not register any such proposed transfer, of a Class E Note or a Subordinated Note to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person to the extent that such proposed transfer would result in Persons that have represented that they are Benefit Plan Investors owning 25% or more of the Aggregate Outstanding Amount of any Class of Outstanding ERISA Restricted Securities immediately after such proposed transfer (determined in accordance with this Indenture and disregarding any Outstanding ERISA Restricted Securities held by any Controlling Person which shall not be treated as Outstanding). Any such proposed transfer shall be null and void *ab initio* and shall not be given effect for any purpose hereunder.

No Security may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Closing Date or the First Refinancing Date, as applicable, within the United States or to, or for the benefit of, "U.S. persons" (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Securities may be sold or resold, as the case may be, in offshore transactions to non-"U.S. persons" (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Security may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Security may be held at any time by or on behalf of any U.S. person. None of the Issuers, the Trustee or any other Person may register the Securities under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) For so long as any of the Securities are Outstanding, the Issuer shall not transfer any of the Issuer's ordinary shares and the Co-Issuer shall not transfer any shares of the Co-Issuer to U.S. Persons, and shall not transfer any such shares to any Person other than a Person which is a resident of the Cayman Islands if (i) such transfer is disadvantageous in any material respect to the Holders, (ii) the Issuer fails to give written notice of such transfer to the Trustee, the Holders and the Rating Agency at least 20 Business Days prior to such transfer, and (iii) on or prior to the 15th Business Day following receipt of such notice by the Controlling Class, the Trustee shall have received written notice from a Majority of the Controlling Class objecting to such transfer.

(d) Upon final payment due on the Maturity of a Security, the Holder thereof shall present and surrender such Security at the designated office of the Trustee as set forth in Section 7.4 or at the office of any Paying Agent (outside the United States if then required by applicable

law in the case of a definitive Security issued in exchange for a beneficial interest in a Regulation S Global Security pursuant to Section 2.10) on or prior to such Maturity.

(e) Transfers of Global Securities. Notwithstanding any provision to the contrary herein, (x) so long as a Global Security remains Outstanding and is held by or on behalf of the Depository, transfers of a Global Security, in whole or in part, shall only be made in accordance with Section 2.2(c) and this Section 2.5(e) and (y) so long as a Certificated Security remains Outstanding, transfers and exchanges of a Certificated Security, in whole or in part, shall only be made in accordance with this Section 2.5(e).

(i) Subject to clauses (ii), (iii) and (vii) of this Section 2.5(e), transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to nominees of the Depository or to a successor of the Depository or such successor's nominee.

(ii) Rule 144A Global Securities To Regulation S Global Securities. If a holder of a beneficial interest in a Rule 144A Global Security deposited with the Depository wishes at any time to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Security, such holder, provided such Person is not a U.S. Person or a U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act), may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream or the Depository, as the case may be, exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in the Regulation S Global Security. Upon receipt by the Trustee (as Securities Registrar in the case of clauses (A) and (B)), of:

(A) instructions given in accordance with the Depository's procedures from an Agent Member directing the Trustee to cause to be credited a beneficial interest in the Regulation S Global Security in an amount equal to the beneficial interest in the Rule 144A Global Security to be exchanged or transferred but not less than the minimum denomination applicable to the Class of Securities;

(B) a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository and, in the case of a transfer or exchange pursuant to and in accordance with Regulation S, the Euroclear and Clearstream account to be credited with such increase; and

(C) a transferor certificate substantially in the form of Exhibit H attached hereto given by the transferor of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Securities, including in accordance with Rule 903 or 904 of Regulation S, and in the case of ERISA Restricted Securities, that the proposed transferee is not a Benefit Plan Investor or a Controlling Person unless the transferee is the Collateral Manager or an Affiliate thereof and has received the written consent of the Issuer;

the Trustee, as Securities Registrar, shall instruct the Depository to reduce the principal amount of the Rule 144A Global Security and to increase the principal amount of the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Rule 144A Global Security to be exchanged or transferred, and to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Regulation S Global Security equal to the reduction in the principal amount of the Rule 144A Global Security.

(iii) Regulation S Global Security to Rule 144A Global Security. If a holder of a beneficial interest in a Regulation S Global Security deposited with the Depository wishes at any time to exchange its interest in such Regulation S Global Security for an interest in the corresponding Rule 144A Global Security or to transfer its interest in such Regulation S Global Security to a U.S. Person or a U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act) who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear and Clearstream or the Depository, as the case may be, cause the exchange or transfer of such interest for an equivalent beneficial interest in the Rule 144A Global Security. Upon receipt by the Trustee, (as Securities Registrar in the case of clause (A)), of:

(A) instructions from Euroclear and Clearstream or the Depository, as the case may be, directing the Trustee, as Securities Registrar, to cause to be credited a beneficial interest in the Rule 144A Global Security equal to the beneficial interest in the Regulation S Global Security to be exchanged or transferred but not less than the minimum denomination applicable to the Class of Securities held through the Rule 144A Global Security, such instructions to contain information regarding the participant account with the Depository to be credited with such increase; and

(B) a certificate substantially in the form of Exhibit I attached hereto given by the transferor of such beneficial interest and stating that, in the case of a transfer, the Person transferring such interest in the Regulation S Global Security reasonably believes that the Person acquiring such interest in the Rule 144A Global Security is a QIB and in the case of ERISA Restricted Securities, is not a Benefit Plan Investor or Controlling Person, unless the transferee is the Collateral Manager or an Affiliate thereof and has received the written consent of the Issuer, and is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and that such Person is a Qualified Purchaser, or that, in the case of an exchange, the holder is a QIB/QP and in the case of ERISA Restricted Securities, is not a Benefit Plan Investor or Controlling Person unless the transferee is the Collateral Manager or an Affiliate thereof and has received the written consent of the Issuer;

then Euroclear or Clearstream or the Trustee, as Securities Registrar, as the case may be, shall instruct the Depository to reduce the Regulation S Global Security by the aggregate principal amount of the beneficial interest in the Regulation S Global Security to be transferred or exchanged, and the Trustee, as Securities Registrar, shall instruct the Depository, concurrently

with such reduction, to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Security equal to the reduction in the principal amount of the Regulation S Global Security.

(iv) Other Exchanges. In the event that a Global Security is exchanged for Securities in definitive registered form without interest coupons, pursuant to Section 2.10 hereof, such Securities may be exchanged for one another only in accordance with such procedures and restrictions as are substantially consistent with the provisions above (including certification requirements intended to insure that such transfers comply with Rule 144A or another exemption from registration requirements of the Securities Act and comply with Section 3(c)(7) under the Investment Company Act, or are to non-U.S. Persons and non-U.S. residents (as determined for purposes of the Investment Company Act and the Securities Act), or otherwise comply with Regulation S, as the case may be) and as may be from time to time adopted by the Issuers and the Trustee.

(v) Transfer of Interests in the Global Securities. Notwithstanding anything herein to the contrary, transfers of interests in a Global Security representing Securities may be made (a) by book-entry transfer of beneficial interests within the relevant Clearing Agency or (b)(i) in the case of transfers of interests in a Rule 144A Global Security, in accordance with Section 2.5(e)(ii) hereof or (ii) in the case of transfers of interests in a Regulation S Global Security, in accordance with Section 2.5(e)(iii) hereof; provided, that, in the case of any such transfer of interests pursuant to clause (a) or (b) above, such transfer is made in accordance with subsection (vi) below, and provided, further, that transfers or exchanges of any interests in the Class E Notes or Subordinated Notes for beneficial interests in Regulation S Global Securities or Rule 144A Global Securities representing Class E Notes or Subordinated Notes are made in accordance with Section 2.2(c) and Section 2.5(e)(vii)(A) and (B).

(vi) Restrictions on Transfers.

(A) Transfers of interests in a Regulation S Global Security to a U.S. Person or a U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act), shall be made by delivery of an interest in a Rule 144A Global Security and shall be limited to transfers made pursuant to the provisions of Section 2.5(e)(iii) and, in the case of a Regulation S Global Security representing a Class E Note or Subordinated Note, shall be made by delivery of an interest in a Rule 144A Global Security or a Certificated Security and shall be limited to transfers made pursuant to the provisions of Section 2.5(e)(iii) and Section 2.5(e)(vii). Beneficial interests in a Regulation S Global Security may only be held through Euroclear and Clearstream.

(B) Any transfer of an interest in a Global Security or a Certificated Security, in each case, representing Securities transferred to a U.S. Person or a U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act) that is not a Qualified Purchaser, shall be null and void and shall not be given effect for any purpose hereunder.

(C) No interest in a Class E Note or Subordinated Note may be purchased or held by or on behalf of, or transferred to, any Benefit Plan Investor or Controlling Person, and any such transfer shall be null and void *ab initio* and shall not be given effect for any purpose hereunder, if such transfer would result in 25% or more of the Aggregate Outstanding Amount of any such Class of Securities being held by Benefit Plan Investors, assuming, for this purpose, that all of the representations made (and, in the case of Global Securities, deemed to be made) by Holders of such Securities are true. For purposes of such calculation, any Class E Notes or Subordinated Notes held by any Controlling Person shall be disregarded and treated as not being Outstanding.

No transfer of a beneficial interest in a Security will be effective, and the Trustee and the Issuer will not recognize any such transfer, if the transferee's acquisition, holding and disposition of such interest would result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, foreign, church or other plan not subject to ERISA or Section 4975 of the Code, a violation of any federal, state, local or non-U.S. law that are substantially similar to Section 406 of ERISA or Section 4975 of the Code).

(vii) Transfers involving Certificated Securities.

(A) Regulation S Global Security to Certificated Security. Subject to Sections 2.5(b) and 2.5(e)(vi) above, if a holder of a beneficial interest in a Regulation S Global Security representing Class E Notes or Subordinated Notes and deposited with the Depository wishes at any time to transfer its interest in such Regulation S Global Security to (i) in the case of the Subordinated Notes only, either (A) a U.S. Person who is an Institutional Accredited Investor (but not a QIB) who is also a Qualified Purchaser or (B) an Electing Certificated Subordinated Noteholder or (ii) a QIB/QP or a Person who is not a U.S. Person or U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act), in each case under this clause (ii) that is a Benefit Plan Investor or a Controlling Person, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear and Clearstream or the Depository, as the case may be, cause the transfer and exchange of such interest for a corresponding Certificated Security. Upon receipt by (i) the Trustee, as Securities Registrar, of instructions from Euroclear and Clearstream or the Depository, as the case may be, directing the Trustee, as Securities Registrar, to cause the issuance of a Certificated Security equal to the beneficial interest in the Regulation S Global Security to be transferred but not less than the minimum denomination applicable to such Security, (ii) the Trustee of a transferee certificate setting forth the representations and warranties in this Section 2.5 and substantially in the form of Exhibit J attached hereto certifying to the matters covered by the forms of such certificates, and (iii) the Trustee, with respect to an Institutional Accredited Investor, of an opinion of counsel reasonably satisfactory to the Issuer as to the status of such transferee, then Euroclear or Clearstream or the Trustee, as Securities Registrar, as the case may be, shall instruct the

Depository to reduce the Regulation S Global Security by the aggregate amount of the beneficial interest in the Regulation S Global Security to be transferred, and the Issuer shall execute and provide to the Trustee, and the Trustee shall authenticate and deliver, a Certificated Security representing the Class E Note or the Subordinated Note intended to be transferred to such transferee.

(B) Rule 144A Global Security to Certificated Security. Subject to Sections 2.5(b) and 2.5(e)(vi) above, if a holder of a beneficial interest in a Rule 144A Global Security representing Class E Notes or Subordinated Notes and deposited with the Depository wishes at any time to transfer its interest in such Rule 144A Global Security to (i) in the case of the Subordinated Notes only, either (A) a U.S. Person who is an Institutional Accredited Investor (but not a QIB) who is also a Qualified Purchaser or (B) an Electing Certificated Subordinated Noteholder or (ii) a Person who is a QIB/QP or a Person who is not a U.S. Person or U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act), in either case under this clause (ii) that is a Benefit Plan Investor or a Controlling Person, such holder may, subject to the immediately succeeding sentence and the rules and procedures of the Depository, cause the transfer and exchange of such interest for a corresponding Certificated Security. Upon receipt by (i) the Trustee, as Securities Registrar, of instructions from the Depository directing the Trustee, as Securities Registrar, to cause the issuance of a Certificated Security equal to the beneficial interest in the Rule 144A Global Security to be transferred but not less than the minimum denomination applicable to such Security, (ii) the Trustee of a transferee certificate setting forth the representations and warranties in this Section 2.5 and substantially in the form of Exhibit J attached hereto certifying to the matters covered by the forms of such certificates and (iii) the Trustee, with respect to an Institutional Accredited Investor, of an opinion of counsel reasonably satisfactory to the Issuer as to the status of such transferee, then the Trustee, as Securities Registrar, as the case may be, shall instruct the Depository to reduce the Rule 144A Global Security by the aggregate amount of the beneficial interest in the Rule 144A Global Security to be transferred, and the Issuer shall execute and provide to the Trustee, and the Trustee shall authenticate and deliver, a Certificated Security representing the Class E Note, or the Subordinated Note intended to be transferred to such transferee.

(C) Certificated Security to Certificated Security. Subject to Sections 2.5(b) and 2.5(e)(vi), if a holder of a Certificated Security representing Class E Notes or Subordinated Notes wishes at any time to transfer such Certificated Security to (i) in the case of the Subordinated Notes only, either (A) a U.S. Person who is an Institutional Accredited Investor (but not a QIB) who is also a Qualified Purchaser or (B) an Electing Certificated Subordinated Noteholder or (ii) a QIB/QP or a Person who is not a U.S. Person or U.S. resident (as determined for purposes of the Investment Company Act and the Securities Act), in either case under this clause (ii) who is a Benefit Plan Investor or a Controlling Person, such holder may, subject to the immediately succeeding sentence, cause the transfer of such Certificated Security. Upon receipt by the Trustee of a transferee certificate

setting forth the representations and warranties in this Section 2.5 and substantially in the form of Exhibit J attached hereto certifying to the matters covered by the forms of such certificates, and, with respect to an Institutional Accredited Investor, an opinion of counsel reasonably satisfactory to the Issuer as to the status of such transferee, and the surrender to the Trustee of the Certificated Security to be so transferred, the Trustee shall cancel such Certificated Security, and the Issuer shall execute and provide to the Trustee, and the Trustee shall authenticate and deliver, a Certificated Security representing the Class E Note or the Subordinated Note intended to be transferred to such transferee, in not less than the minimum denomination applicable to such Security (and, in the event of a partial transfer, the Issuer shall execute and provide to the Trustee, and the Trustee shall authenticate and deliver, a Certificated Security representing the remaining balance to the transferring Holder; provided, that such transfer shall not be permitted if such remaining balance is less than the minimum denomination applicable to such Security).

(D) Certificated Security to Regulation S Global Security. If a holder of a Certificated Security representing Class E Notes or Subordinated Notes wishes at any time to transfer such Certificated Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Security, such holder (provided such Person is not a U.S. Person), may, subject to the immediately succeeding sentence and the rules and procedures of the Depository, exchange or transfer or cause the exchange or transfer of such Certificated Securities for an equivalent beneficial interest in the Regulation S Global Securities. Upon the surrender to the Trustee of the Certificated Securities to be so transferred or exchanged and receipt by the Trustee of (1) instructions directing the Trustee to cause to be credited a beneficial interest in the Regulation S Global Security in an amount equal to the principal amount of Certificated Securities to be exchanged or transferred but not less than the minimum denominations applicable to such Regulation S Global Securities, (2) a written order given in accordance with Euroclear's or Clearstream's or the Depository's, as the case may be, procedures containing the Euroclear and Clearstream account to be credited with such increase and (3) a certificate substantially in the form of Exhibit H attached hereto given by the transferor of such Certificated Securities stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Regulation S Global Securities, including in accordance with Rule 903 or 904 of Regulation S, and that the transferee is not, and is not acting on behalf of, a Person who is or at any time while such Securities are held will be, a Benefit Plan Investor or Controlling Person (unless the transferee is the Collateral Manager or an Affiliate thereof and has received the written consent of the Issuer), the Trustee shall cancel such Certificated Securities, instruct Euroclear or Clearstream or the Depository, as the case may be, to increase the principal amount of the Regulation S Global Securities by the principal amount of the Certificated Securities to be exchanged or transferred, and credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Regulation S Global Security equal to the principal amount of Certificated Securities transferred or

exchanged (and, in the event of a partial transfer, the Issuer shall execute and provide to the Trustee, and the Trustee shall authenticate and deliver, a Certificated Security representing the remaining balance to the transferring holder; provided, that such transfer shall not be permitted if such remaining balance is less than the minimum denomination applicable to such Security).

(E) Certificated Security to Rule 144A Global Security. If a holder of a Certificated Security representing Class E Notes or Subordinated Notes wishes at any time to transfer such Certificated Security to a Person who is a QIB/QP who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Security, such holder, may, subject to the immediately succeeding sentence and the rules and procedures of the Depository, exchange or transfer or cause the exchange or transfer of such Certificated Securities for an equivalent beneficial interest in the Rule 144A Global Securities. Upon the surrender to the Trustee of the Certificated Securities to be so transferred or exchanged and receipt by the Trustee of (1) instructions directing the Trustee to cause to be credited a beneficial interest in the Rule 144A Global Security in an amount equal to the principal amount of Certificated Securities to be exchanged or transferred but not less than the minimum denominations applicable to such Rule 144A Global Securities, (2) a written order given in accordance with the Depository's procedures containing the account to be credited with such increase and (3) a certificate substantially in the form of Exhibit I attached hereto given by the transferor of such Certificated Securities stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Securities and that the transferee is not, and is not acting on behalf of, a Person who is or at any time while such Securities are held will be, a Benefit Plan Investor or a Controlling Person (unless the transferee is the Collateral Manager or an Affiliate thereof and has received the written consent of the Issuer), the Trustee shall cancel such Certificated Securities, instruct the Depository to increase the principal amount of the Rule 144A Global Securities by the principal amount of the Certificated Securities to be exchanged or transferred, and credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Rule 144A Global Security equal to the principal amount of Certificated Securities transferred or exchanged (and, in the event of a partial transfer, the Issuer shall execute and provide to the Trustee, and the Trustee shall authenticate and deliver, a Certificated Security representing the remaining balance to the transferring holder; provided, that such transfer shall not be permitted if such remaining balance is less than the minimum denomination applicable to such Security).

(f) Each initial investor in the Class E Notes or the Subordinated Notes on the Closing Date will be required to provide the Initial Purchaser with a subscription agreement in which such investor will be required to certify, among other matters, as to its status under the Securities Act, the Investment Company Act and ERISA. Each holder of a beneficial interest in a Global Security shall be deemed to make the applicable representations or deemed

representations and agreements with the Issuer set forth on Annex I hereto (or as otherwise agreed to by the Issuer).

(g) Each Holder and subsequent transferee of Certificated Securities agrees to provide the Holder AML Information to enable the Issuer to achieve AML Compliance.

(h) Notwithstanding a request made to remove the Rule 144A Securities Legend or Regulation S Legend or any legend pursuant to Section 4(a)(1) of the Securities Act from any of the Securities, such Securities shall bear the applicable legend, and the applicable legend shall not be removed unless there is delivered to the Issuer and the Trustee such satisfactory evidence, which may include an Opinion of Counsel, as may be reasonably required by the Issuer and the Trustee to the effect that neither the applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Regulation S or Section 4(a)(1) of the Securities Act, as applicable, and the Investment Company Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Issuer, shall authenticate and deliver such Securities that do not bear such legend.

(i) Any certificate furnished to the Trustee pursuant to this Section 2.5 may be relied on conclusively by the Trustee in determining whether the provisions of this Indenture have been complied with. Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Securities Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act, applicable state securities laws, the rules of any depositary, ERISA, the Code or the Investment Company Act; provided, that if a certificate is specifically required by the express terms of this Section 2.5 to be delivered to the Trustee or the Securities Registrar by a purchaser or transferee of a Security, the Trustee or the Securities Registrar, as the case may be, shall be under a duty to receive and examine the same to determine whether such certificate substantially complies on its face with the express terms of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms.

(j) Any purported transfer of a Security of the Issuer or the Co-Issuer not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose hereunder.

(k) Nothing in this Section 2.5 shall be construed to limit any contractual restrictions on transfers of Securities or interests therein that may apply to any Person.

Section 2.6 Mutilated, Destroyed, Lost or Stolen Securities.

If (i) any mutilated Security is surrendered to a Transfer Agent, or if there shall be delivered to the Issuer, the Co-Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Security, and (ii) there is delivered to the Issuer, the Co-Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them and any agent of any of them harmless, then, in the absence of notice to the Issuer, the Co-Issuer, the Trustee or such Transfer Agent that such Security has been acquired by a Protected Purchaser, the Issuer and the Co-Issuer shall execute and, upon Issuer Request, the Trustee shall authenticate and deliver, in

lieu of any such mutilated, destroyed, lost or stolen Security, a new Security of same tenor and principal amount, and bearing a number not contemporaneously outstanding.

If, after delivery of such new Security, a Protected Purchaser of the predecessor Security presents for payment, transfer or exchange such predecessor Security, the Issuer, the Co-Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Security from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Co-Issuer, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, destroyed, lost or stolen Security has become due and payable, the Issuer and the Co-Issuer in their discretion may, instead of issuing a new Security, pay such Security without requiring surrender thereof except that any mutilated Security shall be surrendered.

Upon the issuance of any new Security under this Section 2.6, the Issuer, the Co-Issuer, the Trustee or a Transfer Agent may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and its counsel) connected therewith.

Every new Security issued pursuant to this Section 2.6 in lieu of any mutilated, destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Issuer, and in the case of the Priority Notes, the Co-Issuer, and such new Security shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Securities duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 2.7 Payment of Principal, Interest and/or Distributions; Principal and Interest Rights Preserved.

(a) The Securities shall accrue interest on the outstanding principal amount thereof. Interest on the Securities shall be due and payable in arrears on each Payment Date immediately following the related Interest Accrual Period; provided, however, that

(i) payment of interest on the Class A-1 Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Class X Notes (including Defaulted Interest, if any), interest on Defaulted Interest, the Class X Principal Amortization Amount, any Unpaid Class X Principal Amortization Amount and other amounts in accordance with the Priority of Payments;

(iv) payment of interest on the Class B-2 Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Senior Notes (including Defaulted Interest, if any) and the Class B-1 Notes (including Defaulted Interest, if any), interest on Defaulted Interest, the Class X Principal Amortization Amount, any Unpaid Class X Principal Amortization Amount and other amounts in accordance with the Priority of Payments;

(~~iv~~v) payment of interest on the Class C Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Senior Notes (including Defaulted Interest, if any) and the Class B Notes (including Defaulted Interest, if any), interest on Defaulted Interest, the Class X Principal Amortization Amount, any Unpaid Class X Principal Amortization Amount and other amounts in accordance with the Priority of Payments, and on any Payment Date on which any Senior Note or Class B Note is Outstanding, payments of interest in respect of the Class C Notes shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such amount shall not be considered an Event of Default);

(~~v~~vi) payment of interest on the Class D Notes is subordinated to the payment on each Payment Date of the interest due and payable on the Senior Notes (including Defaulted Interest, if any), the Class B Notes (including Defaulted Interest, if any), the Class C Notes (including Defaulted Interest and Class C Deferred Interest, if any), interest on Defaulted Interest and Class C Deferred Interest, the Class X Principal Amortization Amount, any Unpaid Class X Principal Amortization Amount and other amounts in accordance with the Priority of Payments, and on any Payment Date on which any Senior Note, Class B Note or Class C Note is Outstanding, payments of interest in respect of the Class D Notes shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such amount shall not be considered an Event of Default); and

(iii) the payment of principal of the Class B-2 Notes may only occur on or after the date that the principal of the Senior Notes and the Class B-1 Notes have been paid in full, and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Senior Notes and the Class B-1 Notes and other amounts in accordance with the Priority of Payments (and the failure to pay such principal amount of the Class B-2 Notes other than on the Stated Maturity thereof shall not be considered an Event of Default);

(c) As a condition to the payment of principal of and interest on any Security, the Issuer and the Co-Issuer shall require certification acceptable to each of them (including, without

limitation, the delivery of a properly completed and executed Internal Revenue Service Form W-9 (or applicable successor form) in the case of a Person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or the applicable Internal Revenue Service Form W-8 (or applicable successor form) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Security under any present or future law or regulation of the United States or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation.

(d) Interest, principal and/or payments due on any Payment Date on the Securities shall be payable by the Paying Agent by Dollar check drawn on a bank in the United States of America or by wire transfer in immediately available funds. In the case of a check, such check shall be mailed to the Person entitled thereto at his address as it appears on the Securities Register (or the Initial Purchaser, as applicable) and, in the case of a wire transfer, such wire transfer shall be sent in accordance with written instructions provided by such Person. Upon final payment due on the Maturity of a Security, the Holder thereof shall present and surrender such Security at the designated office of the Trustee as set forth in Section 7.4 or at the office of any Paying Agent (outside of the United States if then required by applicable law in the case of a definitive Security issued in exchange for a beneficial interest in the Regulation S Global Security) on or prior to such Maturity; provided, however, that if there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Issuers or the Trustee that the applicable Security has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. In the case where any final payment of principal, interest and/or payments is to be made on any Security (other than at the Stated Maturity thereof) the Issuers or, upon Issuer Request, the Trustee, in the name and at the expense of the Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, provided to the Persons entitled thereto at their addresses appearing on the Securities Register, a notice which shall state the date on which such payment will be made, the amount of such payment per $100,000 initial principal amount of Securities and shall specify the place where such Securities may be presented and surrendered for such payment.

(e) Subject to the provisions of Sections 2.7(a) and (b) hereof, the Holders of Securities as of the Regular Record Date in respect of a Payment Date shall be entitled to the interest accrued and payable in accordance with the Priority of Payments and principal payable in accordance with the Priority of Payments on such Payment Date. All such payments that are mailed or wired and returned to the Corporate Trust Office of the Trustee or at the office of any Paying Agent shall be held for payment as herein provided at the office or agency of the Issuers to be maintained as provided in Section 7.4.

(f) Interest or payments on any Security which is payable, and is punctually paid or duly provided for, on any Payment Date shall be paid to the Person in whose name that Security (or one or more predecessor Securities) is registered at the close of business on the Regular Record Date or, if applicable, Redemption Record Date, for such interest. Payments of principal

to Holders of Securities of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Securities of such Class registered in the name of each such Holder on such Regular Record Date or Redemption Record Date bears to the Aggregate Outstanding Amount of all Securities of such Class on such Regular Record Date or Redemption Record Date.

(g) (i) Subject to Section 2.7(a) hereof, following any Payment Date giving rise to any Defaulted Interest with respect to the Securities, the Trustee shall make payment of such Defaulted Interest and any accrued and unpaid interest thereon on such date which is not more than 3 Business Days after sufficient funds are available therefor in the Collection Account or the Subordinated Notes Collection Account (a "Special Payment Date"). The special record date (a "Special Record Date") for the payment of such Defaulted Interest shall be one Business Day prior to the Special Payment Date as fixed by the Trustee. The Trustee shall notify the Issuers and the applicable Noteholders of such Special Payment Date and the Special Record Date at least 2 Business Days prior to the Special Payment Date. Defaulted Interest shall be paid on such Special Payment Date *pro rata* based on the principal amount Outstanding to the Holders of the applicable Securities as of the close of business on such Special Record Date in accordance with the priorities set forth in Section 11.1(a)(A) hereof.

(ii) Notwithstanding the foregoing, payment of any Defaulted Interest may be made in any other lawful manner in accordance with the priorities set forth in Section 11.1(a)(A) hereof if notice of such payment is given by the Trustee to the Issuers and the Noteholders, and such manner of payment shall be deemed practicable by the Trustee.

(h) Interest accrued with respect to each Class of Floating Rate Notes shall be computed on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to each Class of Fixed Rate Notes (if any) will be computed on the basis of months of 30 days elapsed in the applicable Interest Accrual Period *divided* by 360.

(i) All reductions in the principal amount of a Security (or one or more predecessor Securities) effected by payments of installments of principal made on any Payment Date, Redemption Date or Special Payment Date shall be binding upon all future Holders of such Security and of any Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Security.

(j) The obligations of the Issuer and the Co-Issuer under this Indenture and the Securities (or, in the case of the Co-Issuer, the Priority Notes) are limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer, payable solely from the Collateral in accordance with the terms of this Indenture. Once the Collateral has been realized and applied in accordance with the Priority of Payments, any outstanding obligations of and any claims against, the Issuers under the Securities and this Indenture shall be extinguished and shall not thereafter revive. No recourse shall be had for the payment of any amount owing in respect of the Securities or this Indenture against any officer, director, employee, administrator, shareholder or incorporator of the Issuers or any successors or assigns thereof for any amounts payable under the Securities or this Indenture. It is understood that the foregoing provisions of this clause (j) shall not (x) prevent recourse to the Collateral for the sums due or to become due under any

security, instrument or agreement which is part of the Collateral, or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by this Indenture, and the same shall continue until such Collateral has been realized and the proceeds applied in accordance with the Priority of Payments whereupon any outstanding indebtedness or obligation shall be discharged. It is further understood that the foregoing provisions of this clause (j) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any action or suit or in the exercise of any other remedy under the Securities or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(k) Subject to the foregoing provisions of this Section 2.7, each Security delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights of unpaid interest, principal and/or payments that were carried by such other Security.

(l) Notwithstanding any of the foregoing provisions with respect to payments of principal of and interest on the Notes and payments to the Holders of the Subordinated Notes, if any Securities have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of principal of and interest on such Notes and payments to the Holders of the Subordinated Notes shall be made in accordance with Section 5.7.

(m) On each Payment Date and the Stated Maturity of the Subordinated Notes, the Holders of the Subordinated Notes shall be entitled to receive all payments provided to be paid to the Holders of the Subordinated Notes under and subject to this Indenture (including the Priority of Payments).

Section 2.8 Persons Deemed Owners.

The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuers or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security on the Securities Register on the applicable Regular Record Date, Redemption Record Date or Special Record Date for the purpose of receiving payments of principal, interest and/or payments on such Security and on any other date for all other purposes whatsoever (whether or not such Security is overdue), and neither the Issuers nor the Trustee nor any agent of the Issuers or the Trustee shall be affected by notice to the contrary; provided, however, that the Depository, or its nominee, shall be deemed the owner of the Global Securities, and owners of beneficial interests in Global Securities shall not be considered the owners of any Security for the purpose of receiving notices.

Section 2.9 Cancellation.

All Repurchased Notes and Securities surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen, shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it and shall not be reissued or resold. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard policy unless the Issuer and the Co-Issuer shall direct by an Issuer Order prior to cancellation that they be returned to the Issuer. No Security may be surrendered (including, without limitation, any surrender in connection with any abandonment, donation, gift or contribution) except for payment, registration of transfer, exchange or redemption (including upon redemption or Refinancing without payment in full of all amounts due thereon as expressly permitted hereunder and repurchases pursuant to Re-Pricings as permitted hereunder) or for replacement in connection with any Security lost or stolen.

Section 2.10 Global Securities; Temporary Notes.

(a) Subject to Section 2.5(e)(vii), a Global Security deposited with the Depository pursuant to Section 2.2 shall be transferred to the beneficial owners thereof only if such transfer complies with Section 2.5 of this Indenture and either (i) the Depository notifies the Issuers that it is unwilling or unable to continue as Depository for such Global Security or if at any time such Depository ceases to be a Clearing Agency and a successor depository is not appointed by the Issuers within 90 days of such notice, or (ii) as a result of any amendment to or change in, the laws or regulations of the Cayman Islands or of any authority therein or thereof having power to tax or in the interpretation or administration of such laws or regulations which become effective on or after the Closing Date, the Issuer becomes aware (and gives written notice to the Trustee) that it is or shall be required to make any deduction or withholding from any payment in respect of the Securities which would not be required if the Securities were in definitive form.

(b) Any Global Security that is transferable to the beneficial owners thereof pursuant to this Section 2.10 shall be surrendered by the Depository to the agent as provided in Section 7.4, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of the Securities, as applicable, of authorized denominations. Any portion of a Rule 144A Global Security, or a Regulation S Global Security transferred pursuant to this Section 2.10 shall be executed, authenticated and delivered only in denominations of $100,000, and in any integral multiple of $1.00 in excess thereof and registered in such names as the Depository shall direct. Any Security delivered by the Trustee or its agent in exchange for an interest in a Rule 144A Global Security shall, except as otherwise provided by Section 2.5(g), bear the Rule 144A Securities Legend set forth in the applicable Exhibit. Any Security delivered in exchange for an interest in a Regulation S Global Security shall, except as otherwise provided by Section 2.5(f), bear the Regulation S Legend set forth in the applicable Exhibit.

(c) Subject to the provisions of Section 2.10(b) above, the registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

(d) Upon receipt of notice from the Depository of the occurrence of either of the events specified in paragraph (a) of this Section 2.10, the Issuer shall use its commercially reasonable efforts to make arrangements with the Depository for the exchange of interests in the Global Securities for individual definitive Securities and cause the requested individual definitive Securities to be executed and delivered to the Securities Registrar in sufficient quantities and authenticated by or on behalf of the Trustee for delivery to Holders.

Pending the preparation of certificates for such Class of Securities, pursuant to this Section 2.10, the Issuers may execute and the Trustee, upon receipt of such executed certificates, shall authenticate and deliver, temporary certificates for such Class of Securities, that are printed, lithographed, typewritten, mimeographed or otherwise reproduced, in any authorized denomination, substantially of the tenor of the definitive certificates in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officers executing such temporary certificates may determine, as conclusively evidenced by their execution of such certificates.

If temporary certificates for a Class of Securities are issued, the Issuers shall cause such Securities to be prepared without unreasonable delay. The definitive certificates shall be printed, lithographed or engraved, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable securities exchange, all as determined by the Officers executing such definitive certificates. After the preparation of definitive certificates, the temporary certificates shall be exchangeable for definitive certificates upon surrender of the temporary certificates at the office or agency maintained by the Issuers for such purpose, without charge to the Holder. Upon surrender for cancellation of any one or more temporary certificates, the Issuers shall execute, and the Trustee shall authenticate and deliver, in exchange therefor, the same aggregate principal amount of definitive certificates of authorized denominations. Until so

exchanged, the temporary certificates shall in all respects be entitled to the same benefits under this Indenture as definitive certificates.

Persons exchanging interests in a Global Security for individual definitive Securities shall be required to provide to the Trustee, through the Depository, (i) written instructions and other information required by the Issuer and the Trustee to complete, execute and deliver such individual definitive Securities, (ii) in the case of an exchange of an interest in a Rule 144A Global Security, such certification as to QIB status pursuant to Rule 144A (or, in the case of the Subordinated Notes, as to Institutional Accredited Investor status) and that such Person is a Qualified Purchaser pursuant to Section 3(c)(7) under the Investment Company Act as the Issuer and the Trustee shall require and (iii) in the case of an exchange of an interest in a Regulation S Global Security, such certification as the Issuer shall require. In all cases, individual definitive Securities delivered in exchange for any Global Security or beneficial interests therein will be registered in the names, and issued in any approved denominations, requested by the Depository.

Section 2.11 Additional Issuances of Securities.

(a) During the Reinvestment Period, the Issuers, in the case of the Priority Notes, and the Issuer, in the case of the Class E Notes and the Subordinated Notes, may issue and sell additional Securities of any one or more existing Classes (other than the Class X Notes) at any time and use the proceeds to purchase Collateral Debt Obligations; provided, that the following conditions are met:

(iv) the terms of the Securities issued are identical to the terms of previously issued Securities of the Class of which such Securities are a part except for the terms related to the interest rate of the Securities and interest on such Securities shall accrue from the date of issue; provided that the spread over the Benchmark (or in the case of the Fixed Rate Notes (if any), the stated rate of interest) for such additional Securities may not exceed the spread over the Benchmark (or in the case of the Fixed Rate Notes (if any), the stated rate of interest) applicable to the previously issued Securities of such Class;

(v) the Rating Agency shall be notified in writing of such additional issuance;

(vi) an Opinion of Counsel must be delivered to the Issuer and the Trustee providing that, for U.S. federal income tax purposes, such issuance will not result in the Issuer being treated as engaged in a trade or business within the United States;

(vii) after giving effect to such issuance, each of the Class B Overcollateralization Ratio, the Class C Overcollateralization Ratio, the Class D Overcollateralization Ratio and the Class E Overcollateralization Ratio will be at least equal to the Class B Overcollateralization Ratio, the Class C Overcollateralization Ratio, the Class D Overcollateralization Ratio and the Class E Overcollateralization Ratio, respectively, immediately prior to such issuance;

(ix) the expenses in connection with such additional issuance have been paid out of the gross proceeds of the issuance of such additional Securities or shall be adequately provided for. Notwithstanding anything to the contrary in the foregoing, the Issuer will, at the direction of the Majority of the Subordinated Notes, with the written consent of the Collateral Manager, issue and sell additional Subordinated Notes at stated face amount and use the proceeds of such issuance to purchase Collateral Debt Obligations or otherwise treat such proceeds as Principal Proceeds; provided, that the terms of the additional Subordinated Notes issued are identical to the terms of the previously issued Subordinated Notes (other than the issue date). Such additional Subordinated Notes will be offered first to existing Holders of Subordinated Notes on a *pro rata* basis based on such Holders' existing Subordinated Notes, who will have 10 days to determine whether to purchase such additional Subordinated Notes prior to such Subordinated Notes being offered for sale to other Persons.

(b) Any additional Securities issued pursuant to this Section 2.11 shall be subject to the terms of this Indenture as if such Securities had been issued on the date hereof and shall be subject to the requirements of Section 3.3.

(c) Notwithstanding any other provision hereof (including Article VII), the Issuer may enter into additional Hedge Agreements in connection with any additional issuance pursuant to this Section 2.11.

(d) The proceeds of any additional issuance of Securities pursuant to this Section 2.11 that are not used on the date of such issuance shall be deposited into the Unused Proceeds Account or the Subordinated Notes Unused Proceeds Account, as applicable.

Section 2.12 Tax Purposes.

(a) (A) The holder and each beneficial owner of a Priority Note, by acquiring such Priority Note or an interest therein, agrees to treat such Priority Note as debt of the Issuer for U.S. federal income tax purposes and, to the extent permitted by law, state and local income tax and franchise tax purposes, (B) the holder and each beneficial owner of a Class E Note, by

acceptance of its Class E Note, or its interest in a Class E Note, agrees to treat the Class E Note as debt of the Issuer for U.S. federal income tax purposes and, to the extent permitted by law, state and local income tax and franchise tax purposes; provided, that the holder and each beneficial owner of a Class E Note may make a "protective" qualified electing fund election in respect of the Issuer, and (C) the holder and each beneficial owner of a Subordinated Note, by acquiring such Subordinated Note or an interest therein, agrees to treat such Subordinated Note as equity in the Issuer for U.S. federal income tax and, to the extent permitted by law, state and local income and franchise tax purposes.

(e) Each holder of a Security or direct or indirect interest therein, by acceptance of such Security or such an interest in such Security, agrees or is deemed to agree to provide to the Issuer and its agents the Holder FATCA Information and such information, documentation or certification requested by the Issuer or its agents within a reasonable time period after such request and to update or replace any Holder FATCA Information and any information, documentation or certification that (i) will permit the Issuer to make payments to it without, or at a reduced rate of, withholding, (ii) will enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets, and (iii) will enable the Issuer to achieve FATCA Compliance. Each holder of a Security or direct or indirect interest therein, by acceptance of such Security or such an interest in such Security, agrees or is deemed to agree that the Issuer and/or the Trustee and/or their agents (A) may (1) provide such information and documentation and any other information concerning its

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Global Security or Certificated Security (i) in violation of clause (xxxiv) of Annex I, (ii) to a U.S. Person (or any account for whom such Person is acquiring such Security or beneficial interest) that is not both (x) a QIB (or, in the case of Subordinated Notes only, an Institutional Accredited Investor) and (y) a Qualified Purchaser or (iii) in the case of any Class E Notes or Subordinated Notes, to any Person for which deemed representations or representations made by such Person in the ERISA section in any representation letter or Transfer Certificate required to be delivered by such Person are untrue, or any Benefit Plan Investor or Controlling Person becomes the beneficial owner of any beneficial interest in a Class E Note or a Subordinated Note and as a result the assets of the Issuer are deemed "plan assets" under the Plan Asset Regulations (in each case, the transferee of such transfer being referred to herein as a "Non-Permitted Holder"), in each case, shall be null and void *ab initio* and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice shall be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Non-Permitted Holder shall become the beneficial owner of any Global Security or Certificated Security, the Issuer shall, promptly after discovery that such Person is a

Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice (or such shorter time as the Issuer may deem necessary in order to avoid the assets of the Issuer being deemed to be "plan assets" under the Plan Asset Regulations). If such Non-Permitted Holder fails to transfer its Securities, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Securities or interest in such Securities to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Securities, and selling such Securities to the highest such bidder. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by the Issuer in its sole discretion. The Holder of each Security, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Securities, agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection (b) shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Collateral Manager or the Trustee shall be liable to any Person having an interest in the Securities sold as a result of any such sale or the exercise of such discretion.

(c) If a Holder of Securities fails for any reason to provide and update to the Issuer and the Trustee information or documentation, Holder FATCA Information, or to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents, as applicable) to achieve FATCA Compliance, or such information or documentation is not accurate or complete or otherwise prevents the Issuer from qualifying as, or complying with any obligations or requirements imposed on, a "Participating FFI" within the meaning of Treasury Regulations Section 1.1471-1(b)(91) or a "deemed-compliant FFI" within the meaning of Treasury Regulations Section 1.1471-5(f), the Issuer shall have the right, (i) to withhold and compel such Holder to sell its interest in such Security, (ii) sell such Security on such Holder's behalf, and/or (iii) assign to a Security a separate CUSIP or CUSIPs. Any such sale shall be conducted in accordance with the procedures set forth in clause (b), assuming for this purpose that such Noteholder is a Non-Permitted Noteholder. The Issuer and the Trustee agree that information (including the identity of any Noteholder) supplied under this section for purposes of FATCA Compliance is intended for the Issuer's use for purposes of satisfying FATCA requirements and the Issuer agrees, to the extent permitted by applicable law, it will take reasonable steps to treat such information in a confidential manner, except that the Issuer may disclose such information (i) to its Affiliates, officers, directors, agents and advisors, (ii) to the extent reasonably necessary or advisable in connection with tax matters, including achieving FATCA Compliance, (iii) to any Person with the consent of the applicable Noteholder, or (iv) as otherwise required by law, court order or the advice of its advisors.

(d) If any Holder of Securities (i) becomes a Non-Permitted AML Holder, (ii) its Holder AML Information is not accurate or complete, or (iii) the Issuer otherwise reasonably

determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel such Holder to sell its interest in such Security or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Security would result in a materially adverse effect on the Issuer.

Section 2.15 Purchase of Notes by Issuer.

(a) The Issuer may at any time, at the direction of the Collateral Manager with the consent of a Majority of the Subordinated Notes, use Principal Proceeds and/or Contributions designated for such purpose to purchase the Notes, in whole or in part. Any Notes so repurchased by the Issuer (the "Repurchased Notes") shall be cancelled by the Trustee in accordance with Section 2.9 and the instruments representing such Notes shall be delivered to the Trustee for cancellation or, in the case of any Global Securities, the Trustee shall, decrease the Aggregate Outstanding Amount of such Global Securities in its records by the full par amount of the purchased Notes, and instruct DTC or its nominee, as the case may be, to conform its records. The Issuer may only purchase Notes in the order of priority set out in the Note Payment Sequence and at prices not in excess of par. The Issuer may only effect such purchase if (i) no Event of Default has occurred and is continuing, (ii) each Coverage Test is satisfied both immediately prior to, and immediately after giving effect to, the proposed purchase, and (iii) a Majority of Subordinated Notes consent to such purchase.

(b) In connection with any purchase of the Notes described in this Section 2.15, the Issuer, or the Collateral Manager on its behalf, may direct the Trustee to take actions the Issuer (or the Collateral Manager on its behalf) deems necessary to give effect to the provisions hereof that may be affected by such purchase of the Notes and the Trustee may conclusively rely on such written direction and shall have no liability in acting in accordance therewith; provided that no such direction may conflict with any express provision of this Indenture, including any provision requiring the consent of the Holders prior to taking any such action.

(c) In order to purchase Notes of any Class, the Issuer must provide notice to all Holders of the Notes of such Class and to each Rating Agency of the Issuer's offer to purchase such Notes specifying (i) the purchase price (as a percentage of par), which must be a discount from par, (ii) the maximum amount of Principal Proceeds that will be used to effect such purchases, and (iii) the length of the period during which the offer will be open for acceptance. In connection with any such purchase by the Issuer, the Issuer shall pay accrued interest through the date of such purchase from Interest Proceeds. Each Holder will have the right (but not the obligation) to accept the Issuer's purchase offer. If the principal balance of the Notes of the relevant Class held by Holders that accept the Issuer's purchase offer exceeds the Principal Proceeds available to effect such purchase, the Issuer will purchase a portion of each accepting Holder's Notes on a *pro rata* basis based on the principal amount of Notes of such Class held by that Holder. Upon receipt of an Officer's Certificate of the Issuer to the effect that the conditions for the repurchase of Notes are satisfied upon which the Trustee may conclusively rely, the Trustee shall disburse available Interest Proceeds and Principal Proceeds in the Collection Account and/or the Contribution Account on the purchase date pursuant to an Issuer

Order, which identifies that such disbursement is for the purchase of Notes pursuant to and in accordance with this Section 2.15.

If the Effective Date Condition has not been satisfied, the Issuer shall request such written confirmation from S&P.

For the avoidance of doubt, the Effective Date Report shall not include or refer to the Effective Date Accountants' AUP Reports and, the Issuer and the Collateral Manager shall not disclose to any Person (including a Holder) any information, documents or reports provided to it by such firm of Independent accountants, other than as required by a court of competent jurisdiction or as otherwise required by applicable legal or regulatory process. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Effective Date Accountants' Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15-E, except for the redaction of any sensitive information, on the 17g-5 website. Copies of the Effective Date Accountants' Recalculation AUP Report or any other agreed-upon procedures report provided by

the Independent accountants to the Issuer or Collateral Manager will not be provided to any other party including S&P.

(h) Effective Date Rating Failure. If, by the Determination Date relating to the first Payment Date, the Effective Date Ratings Confirmation has not been obtained (an "Effective Date Rating Failure"), then the Collateral Manager, on behalf of the Issuer, shall notify S&P of an Effective Date Rating Failure and instruct the Trustee in writing prior to the related Determination Date to transfer amounts from the Interest Collection Account to the Principal Collection Account (and with such funds the Issuer shall purchase additional Collateral Debt Obligations or make payments on the Notes) in an amount sufficient to obtain Effective Date Ratings Confirmation (provided that the amount of such transfer would not result in an inability to pay interest with respect to the Class A Notes or the Class B Notes); provided that, in the alternative, the Collateral Manager on behalf of the Issuer may take such other action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection to the Principal Collection Account as Principal Proceeds (for use in a Special Redemption), sufficient to obtain Effective Date Ratings Confirmation.

Notwithstanding the foregoing, if an Effective Date Rating Failure occurs and the Collateral Manager reasonably believes that it will obtain Effective Date Ratings Confirmation without the use of Interest Proceeds to acquire additional Collateral Debt Obligations or to effect a Special Redemption, the Collateral Manager may elect to retain some or all of the Interest Proceeds otherwise available for such purposes in the Interest Collection Account for distribution as Interest Proceeds on the second Payment Date.

(i) Hedge Agreements. (A) The Issuer may enter into one or more Hedge Agreements from time to time in order to manage and hedge interest rate mismatch risks in connection with the Issuer's issuance of, and making of payments on, the Notes and ownership and disposition of the Collateral Debt Obligations, at the direction of the Collateral Manager, with counterparties which satisfy the then-current Rating Agency criteria for hedge counterparties, subject in all cases to (i) satisfaction of the S&P Rating Condition and (ii) the delivery of an opinion of counsel in substantially the form typically delivered for similar hedge agreements. Each Hedge Agreement may be terminated in accordance with its terms, whether or not the Securities have been paid in full or redeemed prior to such termination, upon the earlier to occur of (i) certain events of bankruptcy, insolvency, conservatorship, receivership or reorganization of the Issuer or the related Hedge Counterparty, (ii) failure on the part of the Issuer or the related Hedge Counterparty to make any payment under the Hedge Agreement within the applicable grace period, (iii) a change in law making it illegal for either the Issuer or the related Hedge Counterparty to be a party to, or perform an obligation under, the Hedge Agreement and (iv) any misrepresentation by the related Hedge Counterparty. A termination of a Hedge Agreement does not constitute an Event of Default. On or after the Closing Date, the Issuer may assign or transfer all or a portion of any Hedge Agreement; provided, however, that the S&P Rating Condition has been satisfied. The proceeds from any such sale shall be treated as Principal Proceeds. The Issuer may not sell or terminate any portion of any Hedge Agreement during the Initial Investment Period. Each Hedge Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

The Issuer may not modify any Hedge Agreement without satisfying the S&P Rating Condition. A Hedge Counterparty may assign its obligations under a Hedge Agreement (with the consent of the Issuer) to any institution; provided, however, that the S&P Rating Condition has been satisfied.

(B) The Issuer may not enter into any Hedge Agreement unless it has received written advice of counsel (which may be via email) that (a) the Issuer should not be a "commodity pool" and the Collateral Manager should be able to continue to operate the Issuer as if it were not registered as a "commodity pool operator" (or, if not registered at the relevant time, should not be required to register as a "commodity pool operator") solely due to the Issuer's entry into such Hedge Agreement (in each case as defined in the U.S. Commodity Exchange Act, as amended) and (b) entering into the Hedge Agreement should not, in and of itself, cause the Issuer to fail to meet the conditions for reliance on the loan securitization exemption under the Volcker Rule.

(C) Each Hedge Agreement shall, at a minimum, permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) if, for so long as any Notes rated by S&P are Outstanding, the related Hedge Counterparty shall fail to satisfy the counterparty and supporting party criteria specified in such Hedge Agreement.

Section 3.6 Representations Regarding Collateral.

The Issuer, as of the date hereof (and, as of the date of each purchase of a Collateral Debt Obligation), represents and warrants the following:

(a) This Indenture creates a valid and continuing security interest (as defined in the applicable Uniform Commercial Code) in the Collateral Debt Obligations and other items constituting the Collateral in favor of the Trustee, for the benefit of the Secured Parties, which security interest is prior to all other liens (except as expressly permitted hereunder), and is enforceable as such as against creditors of and purchasers from the Issuer.

(b) The Issuer owns the beneficial title to the Collateral and any Margin Stock free and clear of any liens, claims or encumbrances of any other Person, except as expressly permitted hereunder and for those which are being released on the Closing Date or on the date of purchase by the Issuer, as applicable.

(c) The Collateral is comprised of the following types of collateral: (i) any of the types of collateral covered by Article 8 of the applicable Uniform Commercial Code and (ii) any (u) "instruments", (v) "chattel paper", (w) "accounts", (x) "securities accounts" and "security entitlements" (or such Collateral has been credited therein), (y) "general intangibles" and (z) "deposit accounts", in each case as defined under the applicable Uniform Commercial Code.

(d) Each of the Issuer Accounts, and all subaccounts thereof, constitutes securities accounts within the meaning of the applicable Uniform Commercial Code.

(e) All of the Collateral Debt Obligations and Eligible Investments that constitute security entitlements have been and will have been credited to one of the Issuer Accounts. The Issuer Accounts Securities Intermediary for each of the Issuer Accounts has agreed that New

York is the applicable jurisdiction and to treat all assets credited to the Issuer Accounts as "financial assets", as defined under the applicable Uniform Commercial Code.

(f) Other than the security interest granted to the Trustee pursuant to this Indenture, security interests which are being released on the Closing Date or on the date of purchase by the Issuer, or as otherwise not prohibited hereunder, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral covering the Collateral other than any financing statement relating to the security interest granted to the Trustee hereunder, as otherwise not prohibited hereunder, or that has been, or will be as of the Closing Date, terminated (other than the financing statement filed against the Issuer related to the Warehouse Master Participation Agreement, which the Issuer will cause, within 10 days, to be filed a financing statement amendment terminating such financing statement). The Issuer is not aware of any judgment or tax lien filings against it.

(g) The Issuer has caused or will have caused, within 10 days, the filing of all appropriate financing statements in the proper filing office in the appropriate U.S. jurisdictions under applicable law in order to perfect the security interest in the Collateral granted to the Trustee hereunder which constitutes chattel paper, instruments, accounts or general intangibles under the applicable Uniform Commercial Code, if any.

(h) The Trustee or the Issuer Accounts Securities Intermediary has in its possession all copies of the Collateral in the form of leases that constitute chattel paper and which evidence the Collateral. The leases that constitute or evidence the Collateral do not have any marks or notations indicating that they are pledged, assigned or otherwise conveyed to any Person other than the Trustee. The authoritative copy of any chattel paper that constitutes or evidences the Collateral has been communicated to the Trustee and has no marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than the Trustee.

(i) The Issuer has not communicated an authoritative copy of any chattel paper that constitutes or evidences the Collateral to any Person other than the Trustee.

(j) [Reserved].

(k) The Issuer has received or will receive all consents and approvals required by the terms of the underlying documentation relating to the Collateral to the transfer to the Trustee of its interest and rights in the Collateral hereunder.

(l) The Issuer has delivered to the Trustee fully executed agreements pursuant to which the Issuer Accounts Securities Intermediary has agreed to comply with all instructions originated by the Trustee relating to the Issuer Accounts and any deposit accounts of the Issuer maintained with the Issuer Accounts Securities Intermediary (if any) without further consent by the Issuer.

(m) None of the Issuer Accounts or any deposit account of the Issuer is in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Issuer

Accounts Securities Intermediary of any of the Issuer Accounts or any deposit accounts of the Issuer complying with entitlement orders or instructions of any Person other than the Trustee.

(n) The representations in this Section 3.6 (i) shall not be subject to waiver unless the S&P Rating Condition is satisfied and (ii) shall survive until all obligations under the Securities under this Indenture have been fully paid.

(o) The Issuer shall deliver written notice to S&P of any breach of any of the representations under this Section 3.6.

ARTICLE IV

SATISFACTION AND DISCHARGE

Section 4.1 Satisfaction and Discharge of Indenture.

This Indenture shall cease to be of further effect with respect to the Securities except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen Securities, (iii) rights of Holders to receive payments of principal thereof and interest and/or payments thereon as provided herein, (iv) the rights and immunities of the Trustee hereunder and the obligations of the Trustee under this Article IV, (v) the rights, obligations and immunities of the Collateral Manager hereunder and under the Collateral Management Agreement, (vi) the rights and immunities of the Collateral Administrator under the Collateral Administration Agreement and (vii) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them, and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

(a) either

(i) all Securities theretofore authenticated and delivered (other than (A) Securities which have been mutilated, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.6 and (B) Securities for whose payment money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust as provided in Section 7.5) have been delivered to the Trustee for cancellation;

(ii) all Securities not theretofore delivered to the Trustee for cancellation (A) have become due and payable, or (B) will become due and payable at their Stated Maturity within one year, or (C) are to be called for redemption within one year pursuant to Section 9.1 under an arrangement satisfactory to the Trustee and there has been given notice of redemption by the Issuer and the Co-Issuer pursuant to Section 9.3 and, in the case of (A), (B) or (C) the Issuer or the Co-Issuer has irrevocably deposited or caused to be deposited with the Trustee in an account which account shall be maintained for the benefit of the Holders, in trust for such purpose, Cash or non-callable direct obligations of the United States of America; provided, that (x) the obligations are Eligible Investments, in an amount sufficient, as recalculated in an Accountants' Report by a firm of certified public accountants which are nationally recognized, to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal, interest and/or payments to the date of such deposit (in the case of Securities which have become due and payable), or to the Stated Maturity or the Redemption Date, as the case may be and shall have Granted to the Trustee a valid perfected security interest in such Eligible Investment that is of first priority, free of any adverse claim or legal equivalent thereof, as applicable, and shall have furnished an

Opinion of Counsel with respect thereto and (y) the obligations constitute all of the Eligible Investments owned by the Issuer on behalf of the Issuer; provided, however, that this subsection (ii) shall not apply if an election to act in accordance with the provisions of Section 5.5(a) shall have been made and not rescinded; or

(iii) the Issuer has delivered to the Trustee an Officer's Certificate stating that (A) there are no Collateral Debt Obligations, Eligible Investments or Equity Securities that remain subject to the lien of this Indenture and (B) all funds on deposit in the Issuer Accounts have been distributed in accordance with the terms of this Indenture (including, without limitation, the Priority of Payments) or have otherwise been irrevocably deposited in trust with the Trustee for such purpose;

(b) the Issuers have paid or caused to be paid all other sums payable hereunder and under the Collateral Management Agreement by the Issuers, except after the Securities are redeemed or retired in full; and

(c) the Issuers have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel stating that all conditions precedent relating to the satisfaction and discharge of this Indenture have been complied with. Counsel delivering such Opinion of Counsel may rely on an Officer's Certificate of the Collateral Manager or the Issuer that to the best of such Person's knowledge, all proceeds that are realizable have been distributed and all of the Securities have been tendered.

In connection with delivery by each of the Issuers of the Officer's Certificate referred to above, the Trustee shall confirm to the Issuers that (i) to the actual knowledge of a Trust Officer of the Trustee, no Collateral Debt Obligations, Eligible Investments or Equity Securities are held by the Trustee, (ii) to the actual knowledge of a Trust Officer of the Trustee, all Securities theretofore authenticated and delivered (other than (A) Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.6 and (B) Securities for whose payment money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust as provided in Section 7.5) have been delivered to the Trustee for cancellation and (iii) to the actual knowledge of a Trust Officer of the Trustee, no funds remain on deposit in the Issuer Accounts.

Upon the discharge of this Indenture, the Trustee shall provide information relating to the Issuer Accounts and the Collateral to the Issuer or the Administrator as may be reasonably required by the Issuer or the Administrator in order for the liquidation of the Issuer to be completed.

Notwithstanding the satisfaction and discharge of this Indenture, the rights, immunities and obligations (if any) of the Issuers, the Trustee and, if applicable, the Holders, as the case may be, under Sections 2.5, 2.6, 2.7, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.4, 6.6, 6.7, 7.1 and 7.5, and Article XIII and Article XIV hereof shall survive the satisfaction and discharge of this Indenture.

Section 4.2 Application of Trust Money.

All monies deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Securities and this Indenture, including the

Priority of Payments, to the payment of the principal, interest and/or payments, and either directly or through any Paying Agent, as the Trustee may determine, to the Person entitled thereto of the principal, interest and/or payments for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required herein or required by law.

Section 4.3 Repayment of Monies Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture with respect to the Securities, all monies then held by any Paying Agent (other than the Trustee) under the provisions of this Indenture shall, upon demand of the Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.5 hereof and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such monies.

ARTICLE V

REMEDIES

Section 5.1 Event of Default.

"Event of Default" means any of the following events:

(a) a default in the payment, when due and payable, of any interest on any Senior Notes, or, after the payment in full of the Senior Notes, on any Controlling Class and a continuation of such default for a period of (i) five Business Days or (ii) in the case of a default in payment due solely to an administrative error or omission by the Trustee, any Paying Agent or the Securities Registrar, seven Business Days after such party receives written notice or has actual knowledge of such error or omission;

(b) a default in the payment of principal on any Note at its Stated Maturity or Redemption Date, or in the case of a default in payment due solely to an administrative error or omission by the Trustee, any Paying Agent or the Securities Registrar, a continuation of such default for a period of seven Business Days after such party receives written notice or has actual knowledge of such error or omission; provided, that the failure to effect any Optional Redemption, Applicable Margin Reset or Refinancing for which notice is withdrawn in accordance with this Indenture or with respect to which a Refinancing fails or an Incomplete Reset occurs, will not constitute an Event of Default;

(c) a failure on any Payment Date to disburse amounts available in the Payment Account in accordance with the Priority of Payments and continuation of such failure for a period of five Business Days, unless such failure results solely from an administrative error or omission or due to another non-credit related reason (as determined by the Collateral Manager in its sole discretion);

(d) on the most recent Measurement Date after the Initial Investment Period, the failure to maintain an Event of Default Par Ratio at least equal to 102.5%;

(e) a circumstance in which either of the Issuers or the pool of Collateral becomes an investment company required to be registered under the Investment Company Act, and such status continues for 45 days;

(f) a default, in a material respect, in the performance, or breach, in a material respect, of any covenant, representation, warranty or other agreement of the Issuers in this Indenture (provided, that a failure to satisfy a Collateral Quality Test, a Coverage Test, the Interest Reinvestment Test or a Concentration Limitation does not constitute a default or breach) or in any certificate delivered pursuant hereto or if any representation or warranty of the Issuers in this Indenture or in any certificate delivered pursuant hereto or in connection herewith proves to be incorrect in any material respect when made, and continuance of such default or breach for a period of 30 days after either of the Issuers has actual knowledge thereof or notice thereof shall have been given to the Issuers and the Collateral Manager by the Trustee or to the Issuers, the Collateral Manager and the Trustee by the Holders of at least a Majority of the Aggregate Outstanding Amount of the Controlling Class in accordance with Section 14.3, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(g) the entry of a decree or order by a court having competent jurisdiction adjudging either of the Issuers as bankrupt or insolvent or granting an order for relief or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of either of the Issuers under the Bankruptcy Code, the bankruptcy or insolvency laws of the Cayman Islands or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of either of the Issuers or of any substantial part of its property, or ordering the winding up or liquidation of its affairs; or an involuntary case or Proceeding shall be commenced against either of the Issuers seeking any of the foregoing and such case or Proceeding shall continue in effect and unstayed or undismissed for a period of 60 consecutive days; or

(h) the institution by either of the Issuers of Proceedings to be adjudicated as bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency Proceedings against it, or the filing by either of the Issuers of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Code, the bankruptcy and insolvency laws of the Cayman Islands or any other applicable law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, Trustee or sequestrator (or other similar official) of either of the Issuers or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing in a judicial, regulatory or administrative proceeding or filing of its inability to pay its debts generally as they become due, or the taking of any action by either of the Issuers in furtherance of any such action.

Upon the occurrence of an Event of Default, the Issuers shall promptly notify the Trustee, the Collateral Manager, each Hedge Counterparty, the Holders of the Securities, each Paying Agent, the Depository and the Rating Agency in writing.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(g) or 5.1(h)), (i) the Trustee (acting at the direction of not less than a

Majority of the Controlling Class) by written notice to the Issuer or (ii) the Holders of not less than a Majority of the Controlling Class by written notice to the Issuers and the Trustee (and the Trustee shall in turn provide notice to the Holders of all Securities then Outstanding), may declare the principal of all the Securities to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(g) or (h) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Securities, and other amounts payable hereunder, shall automatically become due and payable, without any declaration or other act on the part of the Trustee or any Holder of Securities.

(b) At any time after such a declaration of acceleration of Maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class, by written notice to the Issuers and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay, and shall pay:

(A) all overdue installments of interest on and principal of the Notes then due (other than amounts due solely as a result of such acceleration);

(B) to the extent that payment of such interest is lawful, interest upon any Deferred Interest and Defaulted Interest at the applicable Interest Rates;

(C) all unpaid taxes and Administrative Expenses and other sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel;

(D) all amounts then due and payable to any Hedge Counterparty; and

(ii) it has been determined that all Events of Default, other than the non-payment of the interest on or principal of Securities that have become due solely by such acceleration, have been cured and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination or has waived such Events of Default as provided in Section 5.14.

At any time after such a declaration of acceleration of Maturity has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter provided in this Article V, the Trustee shall rescind and annul such declaration and its consequences if the Trustee is required to preserve the Collateral in accordance with the provisions of Section 5.5 with respect to the Event of Default that gave rise to such declaration; provided, however, that if such preservation of the Collateral is rescinded pursuant to Section 5.5, the Securities may be accelerated pursuant to the first paragraph of this Section 5.2, notwithstanding any previous rescission and annulment of a declaration of acceleration pursuant to this paragraph.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

(c) Any Hedge Agreement existing at the time of an acceleration pursuant to paragraph (a) may not be terminated unless and until liquidation of the Collateral has commenced or any annulment or rescission of such acceleration pursuant to paragraph (b) is no longer possible.

(d) Notwithstanding anything in this Section 5.2 to the contrary, the Securities will not be subject to acceleration by a Majority of the Controlling Class solely as a result of the failure to pay any interest due on (i) either the Class B-1 Notes or the Class B-2 Notes, (ii) the Class C Notes, (iii) the Class D Notes or (iv) the Class E Notes, unless such Class constitutes the Controlling Class at such time.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

If an Event of Default has occurred and is continuing and the Securities have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, or at any time on or after the Stated Maturity of the Securities, the Trustee may in its discretion after written notice to the Holders of Securities, and shall upon written direction of a Majority of the Controlling Class proceed to protect and enforce its rights and the rights of the Holders of the Securities by such appropriate Proceedings, in its own name and as trustee of an express trust, as the Trustee shall deem most effective (if no direction by a Majority of the Controlling Class is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Securities under the Bankruptcy Code, the bankruptcy or insolvency laws of the Cayman Islands or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Securities, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Securities shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, subject to the direction of a Majority of the Controlling Class, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal, interest and/or payments owing and unpaid in respect of each of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee

(including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee) and of the Holders of Securities allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Securities or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Securities in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or a Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders of the Securities and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Securities to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of the Securities, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Securities (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Securities.

Section 5.4 Remedies.

(a) If an Event of Default shall have occurred and be continuing, and the Securities have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuers agree that the Trustee may (and, subject to the terms of this Indenture, including Section 6.3(e), shall, upon written direction by a Majority of the Controlling Class), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Securities or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral monies adjudged due;

(ii) sell all or a portion of the Collateral or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and

(v) to the extent not inconsistent with clauses (i) through (iv), exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.4 unless either of the conditions specified in Section 5.5(a) is met.

The Trustee is entitled to obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be an Administrative Expense) as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the Proceeds and other amounts receivable with respect to the Collateral, to make the required payments of principal and interest on any Class of Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(f) hereof shall have occurred and be continuing the Trustee may, and at the written request of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, subject to the terms of this Indenture (including Section 6.3(e)), institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(f), and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Secured Party may bid for and purchase the Collateral or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale may, in paying the purchase money, turn in any of the Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on such Notes so turned in by such Holder (taking into account the Class of such Notes, the Priority of Payments and Article XIII). Said Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, the receipt of the Trustee, or of the officer making a sale under judicial proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or

their purchase money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall bind the Issuers, the Trustee and the Secured Parties, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of (i) the Trustee, in its own capacity, or on behalf of any Holder of a Security, (ii) the Holders of the Securities, (iii) the Collateral Manager or (iv) any other Secured Parties, may, prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Securities, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer, or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under federal or state bankruptcy or similar laws (including Cayman Islands law). Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Collateral Manager or the Trustee (i) from taking any action (not inconsistent with the foregoing) prior to the expiration of the aforementioned one year (or longer) plus one day period in (A) any case or proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee, the Collateral Manager or any of their Affiliates, or (ii) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(e) The Issuer, the Co-Issuer or any Tax Subsidiary, as applicable, shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding against the Issuer, the Co-Issuer or such Tax Subsidiary to have the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition against the Issuer, the Co-Issuer or such Tax Subsidiary, as the case may be, under the Bankruptcy Code or any other applicable law; provided that such obligations will be subject to the availability of funds therefor under the Priority of Payments. The reasonable fees, costs, charges and expenses incurred by the Issuer, the Co-Issuer or any Tax Subsidiary (including reasonable attorneys' fees and expenses) in connection with taking any such action (the "Petition Expenses") shall be paid as Administrative Expenses.

Section 5.5 Optional Preservation of Collateral.

(a) If an Event of Default shall have occurred and be continuing and an acceleration has been declared and is continuing, the Trustee shall retain the Collateral intact (provided, however, that Defaulted Obligations, Credit Risk Obligations, Permitted Equity Securities, Workout Loans, Restructured Loans, Margin Stock, Unsaleable Assets and Withholding Tax Obligations (without giving effect to the carve out of fees in the parenthetical of the definition thereof) may continue to be sold pursuant to Section 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts

hereunder in accordance with the provisions of Article X, Article XI, Article XII and Article XIII unless:

(i) the Trustee, in consultation with the Collateral Manager, determines (solely based on information available to it and pursuant to Section 5.5(c)) that the anticipated proceeds of a sale or liquidation of the Collateral (after deducting the estimated expenses of such sale or liquidation) would be sufficient to pay in full the sum of (A) the principal and accrued interest with respect to all the Outstanding Notes, and (B)(1) all Administrative Expenses; (2) any Hedge Payment Amounts; and (3) items up to and including (X) clause (xxiv) of Section 11.1(a)(A) and (Y) clause (v) of Section 11.1(a)(B), and (C) except with respect to any sale or liquidation resulting from an Event of Default set forth in Section 5.1(a), (b) or (d), 1% of the sum of the amounts described in clauses (A) and (B) above, and in any case a Majority of the Controlling Class agrees with such determination; or

(ii) (x) in the case of any sale or liquidation resulting from (1) an Event of Default set forth in Section 5.1(a) due to a failure to pay interest on the Class A-1 Notes, (2) an Event of Default set forth in Section 5.1(b) due to a failure to pay principal on the Class A-1 Notes or (3) an Event of Default set forth in Section 5.1(d), a Majority of the Class A-1 Notes (voting together as a single Class), (y) in the case of any sale or liquidation resulting from an Event of Default set forth in Section 5.1(a) due to a failure to pay interest on the Class A-2 Notes, both (1) a Majority of the Class A-1 Notes (so long as any Class A-1 Notes are Outstanding (voting together as a single Class)) and (2) a Majority of the Class A-2 Notes (so long as any Class A-2 Notes are Outstanding) (with the Class A-1 Notes and the Class A-2 Notes voting separately by Class) or (z) in any other instance, a Majority of each Class of Notes (voting separately), in each case, subject to the terms and conditions set forth below, direct the sale and liquidation of the Collateral;

provided, however, that the Collateral Manager may direct the Trustee to accept an Offer in accordance with the terms of this Indenture (including compliance with the loan securitization exemption under the Volcker Rule); provided, further, that the Issuer shall continue to hold funds on deposit in the Revolving Credit Facility Reserve Account to the extent required to meet the Issuer's obligations with respect to the Aggregate Unfunded Amount on any Revolving Credit Facility or Delayed Funding Term Loan. The Trustee shall give written notice of its determination not to retain the Collateral to the Issuer with a copy to the Co-Issuer and the Rating Agency. So long as such Event of Default is continuing, any such determination may be made at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Collateral if prohibited by applicable law or if the Trustee is directed to liquidate the Collateral pursuant to Section 5.5(a)(ii).

(c) In determining whether the condition specified in Section 5.5(a)(i) is satisfied, the Trustee shall obtain bid prices with respect to each security and debt obligation contained in the

Collateral from two nationally recognized dealers (or in the event that there is only one such dealer or market maker, or failing that, bidder, then the Trustee shall obtain a bid price from that dealer or market maker or bidder, as applicable), as specified by the Collateral Manager in writing, at the time making a market in such securities and debt obligations and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security and debt obligation. In addition, in determining issues relating to whether the condition specified in Section 5.5(a)(i) is satisfied, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation.

(d) The Trustee shall promptly deliver to the Holders of the Securities a report stating the results of any determination required pursuant to Section 5.5(a)(i). Subject to Section 6.3(c)(ii), the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default (or such longer period as necessary to receive the required bids and accountant's letter) and at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Collateral pursuant to Section 5.5(a)(i). In the case of each calculation made by the Trustee pursuant to Section 5.5(a)(i), the Trustee shall be entitled to obtain a letter of an Independent certified public accountant of national reputation recalculating in an Accountants' Report the computations of the Trustee and agreeing with their conformity to the requirements of this Indenture. In determining whether the Holders of the requisite Aggregate Outstanding Amount of any of the Securities have given any direction or notice pursuant to Section 5.5(a), a Holder of any Class of Securities that is also a Holder of any other Class of Securities shall be counted as a Holder of each such Class of Securities for all purposes.

(e) Collateral may not be sold or liquidated pursuant to Section 5.5(a)(i) after the last date on which such sale or liquidation is permitted under Section 5.5(a) with respect to a determination made pursuant to Section 5.5(a)(i) (such last permitted date being determined based upon the anticipated proceeds of such sale or liquidation, as described in Section 5.5(a)(i)), unless a new determination is made in accordance with such Section 5.5(a)(i) and the Collateral is sold or liquidated prior to the last sale date permitted in accordance with such new determination.

(f) Prior to the sale of any Collateral Debt Obligation in connection with Section 5.5(c), the Trustee shall offer the Collateral Manager or an Affiliate thereof the right to purchase such Collateral Debt Obligation at a price equal to the highest bid price received by the Trustee (or if only one bid price is received, such bid price).

Section 5.6 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as Trustee of an express trust, and any recovery or judgment, subject to the payment of the reasonable expenses, disbursements in compensation of the Trustee, each predecessor Trustee and its agents and attorneys in counsel, shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected.

The application of any money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) pursuant to this Article V and any money that may then be held or thereafter received by the Trustee hereunder shall be applied subject to, and in accordance with, Section 11.1(a)(C) on the date or dates fixed by the Trustee.

Section 5.8 Limitation on Suits.

No Holder of any Securities shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or the Securities, or for the appointment of a receiver or trustee, or for any other remedy hereunder or under the Securities, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) except as otherwise provided in Section 5.9, the Holders of at least 25% of the Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as the Trustee hereunder;

(c) such Holder or Holders have provided to the Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(d) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture or the Securities to affect, disturb or prejudice the rights of any other Holders of Securities of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Securities of the same Class or to enforce any right under this Indenture or the Securities, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Securities of the same Class, subject to and in accordance with Section 13.1 and the Priority of Payments. In addition, any action taken by any one or more Holders of Securities shall be subject to the restrictions of Section 5.4(d) hereof.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity pursuant to this Section 5.8 from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall take the action requested by the Holders of the largest percentage in Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture.

Section 5.9 Unconditional Rights of Noteholders to Receive Principal and Interest.

(a) Notwithstanding any other provision in this Indenture (except for Sections 2.7(j) and 13.3), the Holder of any Class X Note or Class A-1 Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Class X Note or Class A-1 Note as such principal and interest becomes due and payable and, subject to the provisions of Section 5.4(d) and Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

(b) Notwithstanding any other provision in this Indenture (except for Sections 2.7(j) 13.1 and 13.3), the Holder of any Class A-2 Note, Class B-1 Note, Class B-2 Note, Class C Note, Class D Note or Class E Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Class A-2 Note, Class B-1 Note, Class B-2 Note, Class C Note, Class D Note or Class E Note, as the case may be, as such principal and interest become due and payable in accordance with the Priority of Payments. Holders of Class A-2 Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class X Note or Class A-1 Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d), Section 5.8 and Section 13.3, and shall not be impaired without the consent of any such Holder. Holders of Class B-1 Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Senior Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d), Section 5.8 and Section 13.3, and shall not be impaired without the consent of any such Holder. Holders of Class B-2 Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Senior Note or Class B-1 Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d), Section 5.8 and Section 13.3, and shall not be impaired without the consent of any such Holder. Holders of Class C Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Senior Note or Class B Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d), Section 5.8 and Section 13.3, and shall not be impaired without the consent of any such Holder. Holders of Class D Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Senior Note, Class B ~~Notes~~Note or Class C Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d), Section 5.8 and Section 13.3, and shall not be impaired without the consent of any such Holder. Holders of Class E Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Priority Notes remain Outstanding, which right shall be subject to the provisions of Section 5.4(d), Section 5.8 and Section 13.3, and shall not be impaired without the consent of any such Holder. For so long as any of the Senior Notes are Outstanding, the Class B Notes shall not constitute a claim against the Issuer unless there are sufficient funds to make payments on the Class B Notes in accordance with the Priority of Payments. For so long as the Senior Notes or the Class B Notes are Outstanding, the Class C Notes shall not constitute a claim against the Issuer unless there are sufficient funds to make payments on the Class C Notes in accordance with the Priority of Payments. For so long as the Senior Notes, the Class B Notes or the Class C Notes are Outstanding, the Class D Notes shall not constitute a claim against the Issuer unless there are sufficient funds to make payments on the Class D Notes in accordance with the Priority of Payments. For so long as the Priority Notes are Outstanding, the Class E Notes shall not constitute a claim against the Issuer unless there are

sufficient funds to make payments on the Class E Notes in accordance with the Priority of Payments. For so long as any of the Notes are Outstanding, the Subordinated Notes shall not constitute a claim against the Issuer unless there are sufficient funds to make payments on the Subordinated Notes in accordance with the Priority of Payments.

Section 5.10 Restoration of Rights and Remedies.

If the Trustee or any Holder of a Security has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder of Securities, then and in every such case the Issuers, the Trustee and the Holder of Securities shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holders of Securities shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders of the Securities is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing by law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.13 Control by Noteholders.

The Majority of the Controlling Class shall have the right to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust, right, remedy or power conferred on the Trustee; provided, that:

(a) such written direction shall not be in conflict with any rule of law or with this Indenture;

(b) the Trustee may take any other action deemed proper by it that is not inconsistent with such direction; provided, however, that, subject to Section 6.1, it need not take any action that it determines might involve it in liability;

(c) the Trustee shall have been provided with indemnity satisfactory to it; and

(d) any direction to the Trustee to undertake a sale of the Collateral shall be by the Holders of Notes secured thereby representing the percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.4 or 5.5, as applicable.

Section 5.14 Waiver of Past Defaults.

Prior to the time a judgment or decree for payment of the money due has been obtained by the Trustee as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Securities waive any past Default and its consequences, except a Default:

(a) constituting a Payment Default; or

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the consent of the Holder of each Security materially adversely affected thereby.

In the case of any such waiver, the Issuers, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give notice of any such waiver to the Collateral Manager and to the Rating Agency.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder of Securities, or group of Holders of Securities, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder of Securities for the enforcement of the payment of the principal of or interest and/or distribution on any Senior Note (or after the Senior Notes have been paid in full, any Class B-1 Note, or after the Senior Notes and the Class B-1 Notes have been paid in full, any Class B-2 Note, or after the Senior Notes and the Class B Notes have been paid in full, any Class C Note, or after the Senior Notes, the Class B Notes and the Class C Notes have been paid in full, any Class D Note, or after the Priority Notes have been paid in full, any Class E Note, or after the Notes have been paid in full, the Subordinated Notes) on or after the Stated Maturity expressed in such Security (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws.

The Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17 Sale of Collateral.

(a) The power to effect any sale of any portion of the Collateral pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more sales as to any portion of such Collateral remaining unsold, but shall continue unimpaired (subject to Section 5.5(e) in the case of sales pursuant to Section 5.5) until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. The Trustee may, subject to the consent of a Majority of the Controlling Class, and shall, upon direction of the Majority of the Controlling Class, from time to time postpone any sale by public announcement made at the time and place of such sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any sale; provided, that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a public sale thereof. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of Unregistered Securities, the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no-action position from the SEC or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate Instrument of conveyance transferring its interest in any portion of the Collateral in connection with a sale thereof, without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to take all action necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any monies.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Securities or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders of the Securities shall be impaired by the recovery of any judgment by the Trustee against the Issuers or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of the Issuers.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders of the Securities.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of written directions, if any, from a Majority of the Controlling Class (or as permitted under this Indenture by the Collateral Manager or the Issuer, including, without limitation, pursuant to Sections 10.6 and 7.9 hereof), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuers or the Collateral Manager and/or a Majority (or such other percentage as may be required or permitted by the terms hereof) of the Controlling Class or any other required or permitted Classes, as applicable, relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to incidental costs in connection with its ordinary services to be performed under this Indenture, including providing notices under Article V.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any matter (including any Event of Default described in Section 5.1(e), 5.1(f), 5.1(g) or 5.1(h), or any Default described in Section 5.1(f), 5.1(g) or 5.1(h)), unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office, and such notice references the Securities generally, the Issuer, the Co-Issuer, the Collateral or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3 hereof.

(f) In no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(g) The rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Bank and the Collateral Administrator acting in each of their respective capacities under this Indenture or other related Transaction Documents; provided that such rights, protections, benefits, immunities and indemnities shall be in addition to, and not in limitation of any rights, protections, benefits, immunities and indemnities provided in any such Transaction Document.

(h) The Trustee agrees (at the cost of the Issuer) to provide to the Collateral Manager all information reasonably available to it by reason of its acting as Trustee hereunder that is reasonably requested by the Collateral Manager in connection with regulatory matters (other than privileged information or information subject to binding confidentiality restrictions), including any information that is necessary or advisable (as determined by the Collateral Manager) in order for the Collateral Manager (or its parent or Affiliates) to complete its Form ADV, to file its reports on Form PF, to comply with any requirement of the Dodd–Frank Wall Street Reform and Consumer Protection Act or the Bank Holding Act, as amended from time to time, to establish an exemption from registration as a commodity pool operator under the Commodity Exchange Act (or to allow the issuer to be operated as if it were exempt), to comply with know-your-customer or anti-money laundering laws and regulations of any jurisdiction, or to comply with any other laws or regulations applicable to the Collateral Manager from time to time.

(i) The Trustee has no obligation to monitor or verify compliance with the Cayman AML Regulations.

(j) The Trustee shall have no responsibility or liability for determining or verifying Benchmark Replacement as a successor or replacement benchmark to the Benchmark (including, without limitation, whether the conditions to the designation of such Benchmark Replacement are satisfied) and shall be entitled to rely upon any designation of such a rate by the Collateral Manager.

(k) The Trustee is authorized, at the request of the Collateral Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Collateral Manager.

(l) The Calculation Agent and the Trustee shall have no (i) responsibility or liability for designating or selecting an alternate or replacement reference rate (including any modifier thereto) as a successor or replacement benchmark to any Benchmark (including whether the conditions to the designation of such rate or the adoption of Benchmark Replacement or any Benchmark Replacement Conforming Changes have been satisfied) and shall be entitled to rely upon any designation of such a rate (and any modifier) and Benchmark Replacement Conforming Changes by the Collateral Manager, (ii) obligation to determine or select any methodology or conventions for calculation of a Benchmark Replacement (which, for example, may include operational, administrative or technical parameters for compounding such Benchmark Replacement), or (iii) liability for any failure or delay in performing their duties under this Indenture or other Transaction Document as a result of the unavailability of any Benchmark or any other reference rate described herein, including as a result of any inability, delay, error or inaccuracy on the part of any other Person, including without limitation the Collateral Manager, in providing reasonable prior written notice of a Benchmark Replacement, any Benchmark Replacement Conforming Changes or any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties.

(m) The Trustee is not responsible for monitoring or determining if the Permitted Debt Securities Condition has been satisfied.

Section 6.2 Notice of Default.

Promptly (and in no event later than 3 Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Rating Agency, for so long as any Notes are Outstanding and rated by the Rating Agency, to the Collateral Manager and to all Holders of Securities, as their names and addresses appear on the Securities Register, notice of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived. Notwithstanding the foregoing, the Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium or interest) if the Trustee determines that withholding notice is in the interest of the Holders.

Section 6.3 Certain Rights of Trustee.

Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report (including, without limitation, an accountant's report), notice, request, direction, consent, order, electronic communication, note or other paper or document (including, without limitation, the Valuation Report) reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate or (ii) be required to determine the value of any Collateral or funds hereunder or the cashflows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may, but need not be, the Independent accountants appointed by the Issuer pursuant to Section 10.7), investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the written request or written direction of any of the

Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against all costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or documents, but the Trustee, in its discretion, may and, upon the written direction of a Majority of the Controlling Class, shall, subject to the terms of this Indenture (including Section 6.3(e)), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled to receive copies of the books and records of the Collateral Manager relating to the Securities, the Collateral, and on reasonable prior notice to the Issuers, to examine the books and records relating to the Securities, the Collateral and the premises of the Issuers personally or by agent or attorney during the Issuers' normal business hours; provided, that the Trustee shall, and shall cause its agents, to hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, governmental or administrative authority and (ii) except to the extent that the Trustee in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors retained by the Trustee in connection with the performance of its responsibilities hereunder and the Trustee may make available to (i) Intex Solutions, Inc. and to their subscribers, (ii) Bloomberg, (iii) Clarity Solutions Group LLC DBA KANERAI, (iv) Creditflux Ltd. and (v) KopenTech Capital Markets LLC and its successors and permitted assigns the information specified in Section 10.5(e), the Final Offering Circular, this Indenture and the confirmations to any Hedge Agreement;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, nominees, custodians or attorneys; provided, that the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, nominee, custodian or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(j) the Trustee shall not be responsible or liable for any inaccuracies in the records of the Collateral Manager, the Issuer, the Co-Issuer, the Depository, any Clearing Agency, Euroclear, Clearstream, any other Paying Agent or any other Securities Intermediary (other than the Bank in its capacity as Trustee), or for the actions or omissions of any such Person hereunder or under any document executed in connection herewith;

(k) in order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT ACT of the United States ("Applicable Law"), the Trustee is required to obtain,

verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law. In accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Issuer Accounts or other facilities of the Bank in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Issuer Accounts may use them to knowingly process or facilitate payments for prohibited internet gambling transactions;

(l) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, monitor, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or the Collateral Manager (or from any selling institution, agent bank, trustee or similar source);

(m) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or a firm of nationally recognized accountants (which may, but need not, be the Independent accountants appointed by the Issuer pursuant to Section 10.7), (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(n) the Trustee shall not be liable for the actions or omissions of the Collateral Manager, the Collateral Administrator, the Issuer, the Co-Issuer, the Depository, the Auction Service Provider, any Paying Agent (other than the Trustee) and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement;

(o) without limiting any other obligations hereunder, neither the Trustee nor the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Collateral, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Reference Instrument for any Collateral Debt Obligation, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Collateral;

(p) the Trustee shall not be responsible for delays or failures in performance resulting from acts or circumstances beyond its control (such circumstances include, but are not limited to, acts of God, pandemics, epidemics, strikes, lockouts, riots, acts of war or loss of utilities, computer (hardware or software) or communications service); provided that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance under this Indenture as soon as commercially reasonably practicable after the cessation of such act or circumstance;

(q) the Trustee shall have no duty to (i) see to any recording, filing or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any recording, re-filing or re-depositing of any thereof, or (ii) maintain any insurance;

(r) unless the Trustee receives written notice of an error or omission related to financial information or disbursements provided to Holders within 90 days of Holders' receipt thereof, the Trustee shall have no liability in connection therewith and absent direction by the requisite percentage of Holders entitled to direct the Trustee, no further obligations in connection therewith;

(s) the Trustee shall be entitled to conclusively rely on any determination made by the Collateral Manager with respect to whether or not a Collateral Debt Obligation is eligible for purchase hereunder and meets the criteria in the definition thereof and for the characterization, classification, designation or categorization of the Collateral Debt Obligations; and

(t) the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or the power granted hereunder.

Section 6.4 Not Responsible for Recitals or Issuance of Notes.

The recitals contained herein and in the Securities, other than the Certificate of Authentication thereon with respect to the Trustee, shall be taken as the statements of the Issuer and the Co-Issuer, as applicable, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), of the Collateral or of the Securities. The Trustee shall not be accountable for the use or application by the Issuer of the Securities or by the Co-Issuer of the Priority Notes or the Proceeds thereof or any money paid to the Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes, Etc.

(a) The Trustee, any Paying Agent, Securities Registrar or any other agent of the Issuers, in its individual or any other capacity, may become the owner or pledgee of Securities and, may otherwise deal with the Issuers or any of their Affiliates, with the same rights it would have if it were not Trustee, Paying Agent, Securities Registrar or such other agent.

(b) The Trustee and its Affiliates may for their own account invest in obligations or securities that would be appropriate for inclusion in the Issuer's assets as Collateral Debt Obligations, and the Trustee in making such investments has no duty to act in a way that is favorable to the Issuer or the Holders of the Securities.

(c) The Trustee and its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment advisor, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible

Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation shall not be an amount that is reimbursable or payable pursuant to this Indenture.

(d) In making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder.

Section 6.6 Money Held in Trust.

Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed upon in writing with the Issuer and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement.

(a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation for all services rendered by it hereunder as agreed in writing from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a Trustee of an express trust);

(ii) to reimburse the Trustee (except as otherwise provided by any written agreement between the Issuer and the Trustee) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture, the Collateral Administration Agreement or any account agreement relating to the maintenance and administration of the Collateral or in the enforcement of any provisions hereof (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c), 10.5 or 10.7, except (a) any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith and (b) any securities transaction charges to the extent they have been waived due to the Bank's or the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments as specified by the Collateral Manager);

(iii) to indemnify the Trustee and the Bank (individually and in each of its capacities) and their respective officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated hereby, including the costs and expenses (including reasonable attorneys' fees and expenses) of defending themselves against any claim or liability in connection with the exercise or performance

of any of its powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee and the Bank reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof.

(b) The Issuer may remit payment for such fees and expenses pursuant to this Section 6.7 and any other amount payable to it under this Indenture to the Trustee and the Bank or, in the absence thereof, the Trustee and the Bank may from time to time deduct payment of its fees and expenses hereunder from moneys on deposit in the Payment Account for the Securities to the extent funds are available therefor under Section 11.1.

(c) Without limiting Section 5.4 hereof, the Trustee hereby agrees not to cause the filing of a petition in bankruptcy against the Issuers or any Tax Subsidiary for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all of the Securities.

(d) The amounts payable to the Trustee on any Payment Date under Section 11.1(a)(A)(ii) shall not exceed the maximum amount calculated pursuant to Section 11.1(a)(A)(ii), and the Trustee shall have a lien ranking senior to that of the Holders upon all property and funds held or collected as part of the Collateral to secure payment of amounts payable to the Trustee under this Section 6.7 not to exceed such amount with respect to any Payment Date; and provided, however, that the Trustee shall not institute any Proceeding for the enforcement of such lien except in connection with an action pursuant to Section 5.3 hereof for the enforcement of the lien of this Indenture for the benefit of the Secured Parties; provided, further, that the Trustee may only enforce such a lien in conjunction with the enforcement of the rights of Holders in the manner set forth in Section 5.4 hereof.

Fees applicable to periods shorter or longer than a calendar quarterly period shall be prorated based on the number of days within such period. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder. No direction by a Majority of the Controlling Class shall affect the right of the Trustee to collect amounts owed to it under this Indenture.

If, on any date when a fee or expense shall be payable to the Trustee or the Bank pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable, together with compensatory interest thereon (at a rate not to exceed the federal funds rate), on such later date on which a fee shall be payable and sufficient funds are available therefor.

The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the termination of this Indenture and the resignation and removal of the Trustee.

Section 6.8 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder which shall be a corporation or association organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least $200,000,000 and having an office within the United States with a long-term issuer credit rating of at least "BBB-" by S&P or a short-term issuer credit rating of at least "A-2" by S&P (or such lower rating which satisfies the S&P Rating Condition). If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving 30 days written notice thereof to the Issuers, the Holders of the Securities and the Rating Agency.

(c) The Trustee may be removed upon 30 days written notice (i) at any time by Act of a Majority of the Securities voting together as a single class or (ii) at any time when an Event of Default shall have occurred and be continuing, by Act of a Majority of the Controlling Class, delivered to the Trustee and to the Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuers or by a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) Upon (i) receiving any notice of resignation of the Trustee, (ii) any determination that the Trustee be removed, or (iii) any vacancy in the position of Trustee, then the Issuers shall promptly appoint a successor Trustee or Trustees by written instrument, in duplicate, executed by an Authorized Officer of the Issuer or Co-Issuer, one copy of which shall be delivered to the

Trustee so resigning and one copy to the successor Trustee or Trustees; provided, that such successor Trustee shall be appointed only upon the written consent of a Majority of the Controlling Class and shall satisfy the eligibility requirements set forth in Section 6.8. If the Issuers shall fail to appoint a successor Trustee within 15 days after such notice of resignation, determination of removal or the occurrence of a vacancy, a successor Trustee may be appointed by Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, determination of removal or the occurrence of a vacancy, then the Trustee to be replaced, or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee. Notwithstanding the foregoing, at any time that an Event of Default shall have occurred and be continuing, a Majority of the Controlling Class shall have in lieu of the Issuers the Issuers' rights to appoint a successor Trustee, such rights to be exercised by notice delivered to the Issuer and the retiring Trustee. Any successor Trustee shall, forthwith upon its acceptance of such appointment in accordance with Section 6.10, become the successor Trustee and supersede any successor Trustee.

(f) The Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Rating Agency and to the Holders of the Securities as their names and addresses appear in the Securities Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Issuers fail to mail any such notice within 10 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Issuers.

Section 6.10 Acceptance of Appointment by Successor.

Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Issuers or a Majority of the Controlling Class or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee, the Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee.

Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger,

conversion or consolidation to which the Trustee (which for purposes of this Section 6.11 shall be deemed to be the Trustee) shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Securities have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.12 Co-Trustee.

At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, the Issuers and the Trustee (which for purposes of this Section 6.12 shall be deemed to be the Trustee) shall have power to appoint one or more Persons to act as co-Trustee (subject to such Person satisfying the eligibility requirements set forth in Section 6.8 and providing prior notice to the Rating Agency), jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.4 herein and to make such claims and enforce such rights of action on behalf of the Noteholders as such Noteholders themselves may have the right to do, subject to the other provisions of this Section.

The Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-Trustee. If the Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee or, in case an Event of Default has occurred and is continuing, a Majority of the Controlling Class shall have power to make such appointment.

Should any written instrument from the Issuers be required by any co-Trustee so appointed for more fully confirming to such co-Trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuers. The Issuers agree to pay (but only from and to the extent of the Collateral), to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

The Trustee shall deliver notice to S&P of any co-Trustee appointed under this Section 6.12.

Every co-Trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(i) the Securities shall be authenticated and delivered by, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by, the Trustee;

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-Trustee shall be conferred or imposed upon and exercised or performed by the Trustee

or by the Trustee and such co-Trustee jointly in the case of the appointment of a co-Trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-Trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-Trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-Trustee without the concurrence of the Issuers. A successor to any co-Trustee so resigned or removed may be appointed in the manner provided in this Section 6.12.

(iv) no co-Trustee hereunder shall be personally liable by reason of any act or omission of the Trustee or any other co-Trustee hereunder;

(v) the Trustee shall not be liable by reason of any act or omission of a co-Trustee; and

(vi) any Act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-Trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds.

In the event that in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing (which may be by electronic mail) and (b) unless within 3 Business Days (or the end of the applicable grace period for such payment, if longer), after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Reference Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than 3 Business Days after the date of such request. In the event that such payment is not made within such time period, or any other default occurs in the making of any payment or performance in connection with any Collateral, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall reasonably direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of a Pledged Obligation in connection with any such action under the Collateral Management Agreement, such release shall be subject to Section 10.6 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation received after the Due Date thereof to the extent the Issuer previously

made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Collateral.

Section 6.14 Representations and Warranties of the Trustee.

The Trustee represents and warrants that: (a) the Trustee is a limited purpose national banking association with trust powers, duly and validly existing under the laws of the State of New York, with corporate power and authority to execute, deliver and perform its obligations under this Indenture, and is duly eligible and qualified to act as Trustee under this Indenture; (b) this Indenture has been duly authorized, executed and delivered by the Trustee and constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought; and (c) the Trustee has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture.

Section 6.15 Authenticating Agents.

Upon the request of the Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Securities in connection with issuances, transfers and exchanges under Sections 2.4, 2.5 and 2.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by those Sections to authenticate such Securities. For all purposes of this Indenture, the authentication of Securities by an Authenticating Agent pursuant to this Section 6.15 shall be deemed to be the authentication of Securities by the Trustee.

Any entity or organization into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any entity or organization succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuers. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuers if the resigning or terminated Authenticating Agent was originally appointed at the request of the Issuer or Co-Issuer.

The Trustee agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto and

the Trustee shall be entitled to be reimbursed for such payments, subject to Section 6.7. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.16 Representative for Noteholders Only; Agent for all other Secured Parties.

With respect to the security interests created hereunder, the pledge of any item of Collateral to the Trustee is to the Trustee as representative of the Noteholders and agent for each of the other Secured Parties; in furtherance of the foregoing, the possession by the Trustee of any item of Collateral, the endorsement to or registration in the name of the Trustee of any item of Collateral (including as entitlement holder of the Issuer Accounts) are all undertaken by the Trustee in its capacity as representative of the Noteholders and agent for each of the other Secured Parties. The Trustee shall have no fiduciary duties to each of the other Secured Parties, including, but not limited to, each Hedge Counterparty and the Collateral Manager; provided, that the foregoing shall not limit any of the express obligations of the Trustee under this Indenture.

Section 6.17 Withholding.

If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Securities to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed by the Issuer (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee has not received documentation from such Holder showing an exemption from withholding, the Trustee shall withhold such amounts in accordance with this Section 6.17. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee for any out of pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Securities.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal, Interest and Other Payments.

The Issuers or, in the case of the Class E Notes and the Subordinated Notes, the Issuer, shall duly and punctually pay the principal of and interest on the Notes and the payments on the Subordinated Notes in accordance with the terms of the Securities and this Indenture. Amounts properly withheld under the Code by any Person from a payment to any Holder of Securities of

interest and/or principal and/or payments shall be considered as having been paid by the Issuers to such Holder for all purposes of this Indenture.

The Trustee hereby provides notice to each Holder that the failure of such Holder to provide the Trustee with appropriate tax certifications may result in amounts being withheld from payments to such Holder under this Indenture (provided, that amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Issuers or, in the case of the Class E Notes and the Subordinated Notes, the Issuer, as provided in the preceding sentence).

Section 7.2 Compliance With Laws.

The Issuers shall comply in all material respects with applicable laws, rules, regulations, writs, judgments, injunctions, decrees, awards and orders with respect to them, their business and their properties and the Issuers shall comply in all respects with Regulation U, T or X as promulgated by the Board of Governors of the Federal Reserve System.

Section 7.3 Maintenance of Books and Records.

The Issuers shall maintain and implement administrative and operating procedures reasonably necessary in the performance of their obligations hereunder and the Issuer shall keep and maintain or cause the Administrator to keep or maintain at all times, or cause to be kept and maintained at all times in the Cayman Islands, all documents, books, records, accounts and other information as are required under the laws of the Cayman Islands.

Section 7.4 Maintenance of Office or Agency.

The Issuers hereby appoint the Trustee as a Paying Agent for the payment of principal, interest and/or payments on the Securities. Securities may be surrendered for registration of transfer or exchange at the office designated by the Trustee at its Corporate Trust Office for such purpose. The Trustee shall always maintain an office or agency in the United States, where Securities may be presented or surrendered for transfer and exchange.

Each of the Issuer and the Co-Issuer hereby appoints CT Corporation, with an office currently located at 28 Liberty Street, New York, New York 10005, as its agent to receive on its behalf and on behalf of itself and its property identified under the name of the Issuer or the Co-Issuer, as applicable, service of copies of summons and complaints and any other process that may be served in any such action or proceeding.

The Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided, however, that the Issuer shall maintain in the United States, an office or agency where notices and demands to or upon the Issuer in respect of the Securities and this Indenture may be served and subject to any laws or regulations applicable thereto; provided, further, that the Issuer shall not appoint any Paying Agent in a jurisdiction which subjects payments on the Securities to withholding tax. The Issuers shall at all times maintain a Securities Register. The Issuers shall give prompt written notice to the Trustee, the Rating Agency and the Holders of the appointment

or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuer shall fail to maintain any such required office or agency in the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Issuer, and Securities may be presented and surrendered for payment to the appropriate Paying Agent at its designated office and the Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.5 Money for Note Payments to be Held in Trust.

All payments of amounts due and payable with respect to any Securities that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer and, in the case of the Priority Notes, the Co-Issuer.

When the Issuers shall have a Paying Agent that is not also the Securities Registrar, they shall furnish, or cause the Securities Registrar to furnish, no later than:

(a) the 5th calendar day after each Regular Record Date; and

(b) the 5th calendar day after each Special Record Date applicable to a Special Payment Date;

a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Securities held by each such Holder.

Whenever the Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day preceding each Payment Date, Redemption Date or Special Payment Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuers shall promptly notify the Trustee of its action or failure so to act. Any moneys deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Securities with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agents shall be as set forth in Section 7.4. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided, however, that so long as the Notes are rated by S&P, any Paying Agent must be a federal or state chartered depository institution with a combined capital and surplus of at least $200,000,000 and having an office within the United States with a long-term issuer credit rating of at least "BBB-" by S&P or a short-term issuer credit rating of at least "A-2" by S&P (or such lower rating which satisfies the S&P Rating Condition), and if such institution's issuer

credit rating falls below "BBB-" by S&P and such institution's short-term issuer credit rating falls below "A-2" by S&P (or such lower rating which satisfies the S&P Rating Condition), such Paying Agent shall be removed within 30 calendar days and replaced by the Issuer with a successor Paying Agent satisfying the rating requirements set forth above. The Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.5, that such Paying Agent shall:

(A) allocate all sums received for payment to the Holders of Securities for which it acts as Paying Agent on each Payment Date, Redemption Date and Special Payment Date among such Holders in the proportion specified in the applicable report or statement in accordance herewith, in each case to the extent permitted by applicable law;

(B) hold all sums held by it for the payment of amounts due with respect to the Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(C) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Securities if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment; and

(D) if such Paying Agent is not the Trustee, at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with a Paying Agent and not previously returned that remains unclaimed for 20 Business Days shall be returned to the Trustee. Except as otherwise required by applicable law, any money deposited with the Trustee or any Paying Agent in trust for the payment of the principal of or interest or distribution on any Security and remaining unclaimed for 2 years after such principal or interest or distribution has become due and payable shall be paid to the Issuers on Issuer Request; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Issuer or the Co-Issuer for payment of such amounts, and all liability of the Trustee or such Paying Agent with respect to such trust money (but only to the extent of the amounts so paid to the Issuers) shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuers, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to

Holders whose Securities have been called but have not been surrendered for redemption or whose right to or interest in monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.6 Existence of Issuers.

(a) Each of the Issuer and the Co-Issuer shall take all reasonable steps to maintain its identity as a separate legal entity from that of its shareholders. Each of the Issuer and the Co-Issuer shall keep its principal place of business at the address specified in Section 14.3. Each of the Issuer and the Co-Issuer shall keep separate books and records and shall not commingle its respective funds with those of any other Person. The Issuer and the Co-Issuer shall keep in full force and effect their rights and franchises or existence, as applicable, as a company incorporated under the laws of the Cayman Islands and a corporation incorporated under the laws of the State of Delaware, respectively, shall comply with the provisions of their respective organizational documents, and shall obtain and preserve their qualification to do business as foreign corporations, as applicable, in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Securities or any of the Collateral; provided, however, that, subject to Cayman Islands law, the Issuer shall be entitled to change its jurisdiction of registration from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer and approved by a Majority of the Subordinated Notes, so long as (i) such change is not disadvantageous in any material respect to the Issuer or Holders of Securities, (ii) written notice of such change shall have been given by the Issuers to the Trustee, the Holders and each of the Rating Agency at least 30 Business Days prior to such change of jurisdiction, (iii) on or prior to the 15th Business Day following receipt of such notice by the Controlling Class, the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change and (iv) the S&P Rating Condition is satisfied.

(b) Each of the Issuer and the Co-Issuer shall (i) ensure that all corporate or other formalities regarding its existence (including, to the extent required by applicable law, holding regular board of directors' and shareholders', or other similar, meetings) are followed, (ii) conduct business in its own name, (iii) correct any known misunderstanding as to its separate existence, (iv) not commingle its funds with those of any other Person, (v) maintain its accounts separate from those of any other Person, (vi) maintain an arm's length relationship with its Affiliates (other than the Issuer, the Co-Issuer and any Tax Subsidiary), (vii) maintain separate financial statements from those of any other Person, (vii) pay its liabilities out of its own funds and (viii) use separate stationery, invoices and checks. None of the Issuer or the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding.

(c) Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and Tax Subsidiaries); *provided* that any Tax Subsidiary (A) will be wholly owned by the Issuer, (B) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such subsidiary's constituent documents, (C) will not have any subsidiaries, (D) will not have any employees (other than directors (who may also serve as officers thereof) to the extent they are

employees) and will not conduct business under any name other than its own, (E) will not incur or guarantee any indebtedness (except indebtedness with respect to which the Issuer is sole creditor) and will not hold itself out as being liable for the debts of any other Person, (F) will include in its constituent documents a limitation on its business such that it may only engage in the acquisition of assets from the Issuer (or on behalf of the Issuer) as permitted under this Indenture and the disposition of such assets and the proceeds thereof to the Issuer (and activities ancillary thereto), (G) will promptly distribute 100% of the proceeds of the assets acquired by it (net of applicable taxes and expenses payable by such subsidiary) to the Issuer (and, for the avoidance doubt, the Issuer shall be entitled to use the proceeds permitted under this Indenture to fund such Tax Subsidiary, if applicable), (H) will be required at all times to have at least one independent director meeting the requirements for an "Independent Director" as set forth in such Tax Subsidiary's organizational documents and complying with S&P's then current rating criteria at the time of its formation, (I) will not directly purchase real property or any ownership interest in real property unless the S&P Rating Condition has been satisfied, (J) will be a corporation for U.S. federal income tax purposes and (K) will not conduct business other than under its own name, (ii) the Co-Issuer shall not have any subsidiaries, and (iii) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors (who may also serve as officers thereof)), (B) engage in any transaction with any shareholder that would constitute a conflict of interest (provided, that the Registered Office Agreement, the Administration Agreement, the Collateral Administration Agreement and the Collateral Management Agreement shall not be deemed to be such a transaction that would constitute a conflict of interest) or (C) pay dividends or make distributions other than in accordance with the provisions of this Indenture. The Issuer (or the Collateral Manager on behalf of the Issuer) shall provide to the Rating Agency prior notice of the formation of any Tax Subsidiary and of the transfer of any asset to any Tax Subsidiary.

Section 7.7 Protection of Collateral.

(a) The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such financing statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Secured Parties hereunder and to:

(i) Grant more effectively all or any portion of the Collateral;

(ii) maintain or preserve the lien (and the priority thereof) of this Indenture or to carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;

(iv) enforce any of the Pledged Obligations or other instruments or property included in the Collateral;

(v) preserve and defend title to the Collateral and the rights therein of the Trustee and the Secured Parties in the Collateral against the claims of all Persons and parties; or

(vi) pay any and all taxes levied or assessed upon all or any part of the Collateral and use its best efforts to minimize taxes and any other costs arising in connection with its activities.

The Issuer hereby designates the Trustee as its agent and attorney-in-fact to file any financing statement, continuation statement or other instrument required pursuant to this Section 7.7; provided, that such designation shall not impose upon the Trustee any of the Issuer's obligations under this Section 7.7(a). The Issuer shall cause to be filed financing statements and continuation statements (it being understood that the Issuer shall be entitled to rely upon an Opinion of Counsel (which opinion shall also be addressed to the Trustee), including, without limitation, an Opinion of Counsel delivered in accordance with Sections 3.1(c) and 7.8, as to the need to file such financing statements and continuation statements, the dates by which such filings are required to be made and the jurisdictions in which such filings are required to be made).

(b) The Trustee shall not (i) except in accordance with Section 10.6(b), (c) or (d), as applicable, remove any portion of the Collateral that consists of Cash or is evidenced by an instrument, certificate or other writing (A) from the jurisdiction in which it was held at the date the most recent Opinion of Counsel was delivered pursuant to Section 7.8 hereof (or from the jurisdiction in which it was held as described in the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(c), if no Opinion of Counsel has yet been delivered pursuant to Section 7.8 hereof) or (B) from the possession of the Person who held it on such date or (ii) cause or permit ownership or the pledge of any portion of the Collateral that consists of book-entry securities to be recorded on the books of a Person (A) located in a different jurisdiction from the jurisdiction in which such ownership or pledge was recorded at such date or (B) other than the Person on whose books such ownership or pledge was recorded at such date, unless the Trustee shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property shall continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall (i) pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Collateral, and (ii) if required to prevent the withholding or imposition of U.S. federal income tax, deliver or cause to be delivered a United States Internal Revenue Service Form W-8IMY or successor applicable form, to each issuer, counterparty or paying agent with respect to (as applicable) an item included in the Collateral, at the time such item included in the Collateral, is purchased or entered into and thereafter prior to the expiration or obsolescence of such form.

Section 7.8 Opinions as to Collateral.

Within the six month period preceding the fifth anniversary of the Closing Date (and every five years thereafter), the Issuer shall furnish to the Trustee an Opinion of Counsel stating that in the opinion of such counsel as of the date of such opinion under the District of Columbia

UCC, the UCC financing statement(s) filed in connection with the lien and security interests created by this Indenture shall remain effective and that no further action (other than as specified in such opinion) shall be required to maintain the continued effectiveness of such lien over the next five years. The Issuer shall deliver, or cause to be delivered, a copy of such Opinion of Counsel to S&P promptly following the Issuer's delivery of such Opinion of Counsel to the Trustee.

Section 7.9 Performance of Obligations.

(a) (i) If (I) an Event of Default or (II) a Default that, with notice or the lapse of time or both would become an Event of Default as defined in clauses (a), (b), (c), (g) or (h) of Section 5.1 shall, in either case, have occurred and be continuing, subject to Section 6.1(d) hereof, the Issuer shall promptly give written notice to the Trustee stating that (x) an Event of Default or Default has occurred and is continuing and (y) unless and until a Majority of the Controlling Class otherwise object to the Trustee in writing, the Issuers and the Collateral Manager, on behalf of the Issuers, shall retain all rights provided them under this Indenture to release any Person from any of such Person's covenants or obligations under any Reference Instrument.

(ii) If the Trustee shall receive written objection from a Majority of the Controlling Class as provided for in clause (i), the Trustee shall so notify the Issuers and the Collateral Manager, and upon receipt of such notice the Issuers shall not take any action, and shall use their best efforts not to permit any action to be taken by the Collateral Manager, that would release any Person from any of such Person's covenants or obligations under any Reference Instrument.

(iii) Except as otherwise provided for herein, the right of the Issuers and the Collateral Manager, on behalf of the Issuers, to release any Person from any of such Person's covenants or obligations under any Reference Instrument, shall remain unimpaired upon the occurrence of an Event of Default or Default.

(b) The Issuers may contract with other Persons, including the Collateral Manager and the Collateral Administrator, for the performance of actions and obligations to be performed by the Issuers hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral of the nature set forth in the Collateral Management Agreement by the Collateral Manager and the Collateral Administration Agreement by the Collateral Administrator. Notwithstanding any such arrangement, the Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuers; and the Issuers shall punctually perform, and use their best efforts to cause the Collateral Manager or such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement or such other agreement.

(c) The Issuers agree to comply in all material respects with all requirements applicable to them set forth in any Opinion of Counsel obtained pursuant to any provision of this Indenture including satisfaction of any event identified in any Opinion of Counsel as a prerequisite for the obtaining or maintaining by the Trustee of a perfected security interest in any

Collateral Debt Obligation, Substitute Collateral Debt Obligation, Eligible Investment or other Collateral that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable.

Section 7.10 Negative Covenants.

(a) The Issuer shall not:

(i) sell, transfer, assign, participate, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (by security interest, lien (statutory or otherwise), preference, priority or other security agreement or preferential arrangement of any kind or nature whatsoever or otherwise) (or permit such to occur or suffer such to exist), any part of the Collateral or any Margin Stock, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(v) make or incur any capital expenditures, except as reasonably required to perform its functions in accordance with the terms of this Indenture;

Section 7.12 Issuers May Consolidate, Etc., Only on Certain Terms.

(a) The Issuer shall not consolidate or merge with or into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person, unless permitted by Cayman Islands law and unless:

(i) the Issuer shall be the surviving entity, or the Person (if other than the Issuer) formed by such consolidation or into which the Issuer is merged or to which the properties and assets of the Issuer are transferred shall be a company formed and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; provided, that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of formation pursuant to Section 7.6, and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on, and all other payments in respect of, all Securities and the performance of every covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein;

(ii) the Rating Agency shall have been notified in writing of such consolidation or merger and the S&P Rating Condition shall be satisfied;

(iii) if the Issuer is not the surviving entity, the Person formed by such consolidation or into which the Issuer is merged or to which the properties and assets of the Issuer are transferred substantially as an entirety shall have agreed with the Trustee (A) to observe the same legal requirements for the recognition of such formed or surviving entity as a legal entity separate and apart from any of its Affiliates as are applicable to the Issuer with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or convey or transfer the Collateral or its assets substantially as an entirety to any other Person except in accordance with the provisions of this Section 7.12;

(iv) if the Issuer is not the surviving entity, the Person formed by such consolidation or into which the Issuer is merged or to which the properties and assets of the Issuer are transferred substantially as an entirety shall have delivered to the Trustee and the Rating Agency an Officer's Certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in paragraph (i) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is valid, legal and binding on such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); that, immediately following the event which causes such Person to become the successor to the Issuer, (A) such Person has good title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Collateral, (B) the Trustee continues to have a valid perfected security interest in the Collateral that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable, and (C) such other matters as the Trustee may reasonably require;

(v) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(vi) the Issuer shall have notified the Rating Agency of such consolidation, merger, conveyance or transfer and shall have delivered to the Trustee for transmission to each Holder an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger, conveyance or transfer and such supplemental indenture comply with this Article VII and that all conditions in this Article VII provided for relating to such transaction have been complied with and that no adverse tax consequences (relative to the tax consequences of not effecting the transaction) shall result therefrom to the Issuer or the Holders of the Securities;

(vii) after giving effect to such transaction, neither of the Issuers nor the pool of Collateral will be required to register as an investment company under the Investment Company Act; and

(viii) after giving effect to such transaction, the outstanding shares of the Co-Issuer will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

(b) The Co-Issuer shall not consolidate or merge with or into any other Person or convey or transfer its properties and assets substantially as an entirety to any Person unless:

(i) the Co-Issuer shall be the surviving corporation, or the Person (if other than the Co-Issuer) formed by such consolidation or into which the Co-Issuer is merged

or to which the properties and assets of the Co-Issuer are transferred, shall be a limited purpose corporation organized and existing under the laws of the State of Delaware or such other jurisdiction approved by a Majority of the Controlling Class, and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, the due and punctual payment of the principal of and interest on all Priority Notes and the performance of every covenant of this Indenture on the part of the Co-Issuer to be performed or observed, all as provided herein;

(ii) the Rating Agency shall have been notified of such consolidation or merger and the S&P Rating Condition shall be satisfied with respect to such transaction;

(iii) if the Co-Issuer is not the surviving corporation, the Person formed by such consolidation or into which the Co-Issuer is merged or to which the properties and assets of the Co-Issuer are transferred substantially as an entirety shall have agreed with the Trustee (A) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Co-Issuer with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or convey or transfer its assets substantially as an entirety to any other Person except in accordance with the provisions of this Section 7.12;

(iv) if the Co-Issuer is not the surviving corporation, the Person formed by such consolidation or into which the Co-Issuer is merged or to which the properties and assets of the Co-Issuer are transferred substantially as an entirety shall have delivered to the Trustee and the Rating Agency an Officer's Certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in paragraph (i) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is valid, legal and binding on such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law); and such other matters as the Trustee may reasonably require;

(v) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(vi) the Co-Issuer shall have notified the Rating Agency of such consolidation, merger, conveyance or transfer and shall have delivered to the Trustee and each Holder of a Priority Note, an Officer's Certificate and an Opinion of Counsel each stating that such consolidation, merger, conveyance or transfer and such supplemental indenture comply with this Article VII and that all conditions in this Article VII provided for relating to

such transaction have been complied with and that no adverse tax consequences will result therefrom to the Co-Issuer or the Holders of the Notes;

(vii) after giving effect to such transaction, neither of the Issuers will be required to register as an investment company under the Investment Company Act; and

(viii) after giving effect to such transaction, the outstanding shares of the Co-Issuer will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.13 Successor Substituted.

Upon any consolidation or merger, or conveyance or transfer of the properties and assets of the Issuer or the Co-Issuer substantially as an entirety, in accordance with Section 7.12 hereof, the Person formed by or surviving such consolidation or merger (if other than the Issuer or the Co-Issuer, as applicable), or, the Person to which such consolidation, merger, conveyance or transfer is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Co-Issuer, as the case may be, under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, conveyance or transfer, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Securities (or with respect to the Co-Issuer on all the Priority Notes) and from its obligations under this Indenture.

Section 7.14 No Other Business.

The Issuer shall not engage in any business or activity other than issuing and selling the Securities pursuant to this Indenture, entering into Hedge Agreements, and acquiring, owning, holding, selling, pledging, contracting for the management of and otherwise dealing with Collateral Debt Obligations and other Collateral in connection therewith (including, without limitation, establishing and maintaining any Tax Subsidiary) and such other activities which are necessary, required, related, incidental or advisable to accomplish the foregoing; provided, however, that the Issuer shall be permitted to enter into any additional agreements not expressly prohibited by Section 7.10(a) and to enter into any amendment, modification, or waiver of existing agreements or such additional agreements, in each case without the consent of any one or more Classes of Holders; provided, that the Issuer believes that such amendment, modification or waiver would not, upon or after becoming effective, materially adversely affect the rights or interest of such Class or Classes of Holders. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Priority Notes pursuant to this Indenture and such other activities which are necessary, required or advisable to accomplish the foregoing. The Issuer shall not permit the amendment of its Memorandum and Articles of Association and the Co-Issuer shall not amend its Certificate of Incorporation and By-laws, if such amendment would result in the rating of any Class of Notes being reduced or withdrawn without the consent of a Supermajority of the Holders of such Notes, and shall not otherwise amend its Memorandum and Articles of Association or Certificate of Incorporation and By-laws,

respectively, without the consent of any one or more Classes of Noteholders unless (i) the Issuer determines that such amendment would not, upon or after becoming effective, materially adversely affect the rights or interests of such Class or Classes of Noteholders, (ii) the Issuer gives 10 days' prior written notice to the Holders of such amendment, (iii) with respect to any such Class of Securities, a Majority of such Class do not provide written notice to the Issuer that, notwithstanding the determination of the Issuer, the Persons providing notice have reasonably determined that such amendment would, upon or after becoming effective, adversely affect such Class (the failure of any such Majority to provide such notice to the Issuer within 10 days of receipt of notice of such amendment from the Issuer being conclusively deemed to constitute hereunder consent to and approval of such amendment) and (iv) the S&P Rating Condition is satisfied.

Section 7.15 Compliance with Collateral Management Agreement.

The Issuer agrees to perform all actions required to be performed by it, and to refrain from performing any actions prohibited under, the Collateral Management Agreement and the Collateral Administration Agreement. The Issuer also agrees to take all actions as may be necessary to ensure that all of the Issuer's representations and warranties made pursuant to the Collateral Management Agreement and the Collateral Administration Agreement are true and correct as of the date thereof and continue to be true and correct for so long as any Securities are Outstanding. The Issuer further agrees not to authorize or otherwise to permit the Collateral Manager to act in contravention of the representations, warranties and agreements of the Collateral Manager under the Collateral Management Agreement or the Collateral Administration Agreement.

Section 7.16 Reaffirmation of Rating; Annual Rating Review.

(a) In the event the Effective Date Rating Failure occurs, all funds then held in the Unused Proceeds Account shall be withdrawn and deposited in the Collection Account, and all funds then held in the Subordinated Notes Unused Proceeds Account shall be withdrawn and deposited in the Subordinated Notes Collection Account, for distribution as Principal Proceeds on the next and succeeding Payment Dates in accordance with the Priority of Payments to the extent required for such ratings to be reinstated.

(b) So long as any of the Notes remain Outstanding, on or before August 11th in each year commencing in 2021 the Issuers shall obtain and pay for an annual review of the rating of such Notes from the Rating Agency rating such Notes. The Issuers shall promptly notify the Trustee in writing (which shall promptly notify the Holders) if at any time the rating of any of such Classes of Notes has been, or it is known by the Issuers that such a rating will be, changed or withdrawn.

Section 7.17 Reporting.

At any time when the Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or of a beneficial owner of a Security who has delivered a Security Owner Certificate in the form of Exhibit K, the Issuers shall promptly furnish or cause to be furnished

Rule 144A Information to such Holder or beneficial owner, to a prospective purchaser of such Security designated by such Holder or beneficial owner, to another designee of such Holder or beneficial owner or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner or such other designee of such beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A in connection with the resale of such Security by such Holder or beneficial owner.

Section 7.18 Calculation Agent.

(a) The Issuer hereby agrees that for so long as any of the Floating Rate Notes remain Outstanding there will at all times be a calculation agent appointed to calculate the Benchmark in respect of each Interest Accrual Period in accordance with the terms hereof (the "Calculation Agent"). The Benchmark will initially be Adjusted Term SOFR. If the Benchmark is not Adjusted Term SOFR, it will be determined at the time determined by the Collateral Manager (on behalf of the Issuer) and adopted in accordance with the Benchmark Replacement Conforming Changes. The Calculation Agent appointed by the Issuer must not control, be controlled by or be under common control with, the Issuer, the Collateral Manager or any of their Affiliates. The Calculation Agent may be removed by the Issuer at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer, or if the Calculation Agent fails to determine any of the information, as described in subsection (b) below, in respect of any Interest Accrual Period, the Issuer shall promptly appoint another leading bank meeting the qualifications set forth above to act as Calculation Agent. The Calculation Agent may not resign its duties without a successor having been duly appointed. The Issuer hereby appoints the Collateral Administrator as the initial Calculation Agent for purposes of determining the Benchmark for each Interest Accrual Period.

(b) The Calculation Agent shall agree that, as soon as practicable after 6:00 a.m., New York time, on each Interest Determination Date, but in no event later than 5:00 p.m., New York time, on the U.S. Government Securities Business Day following such Interest Determination Date, the Calculation Agent shall calculate the interest rate applicable to each Class of Floating Rate Notes for the following Interest Accrual Period, and shall as soon as practicable but in no event later than 5:00 p.m., New York time, on the U.S. Government Securities Business Day immediately following such Interest Determination Date, communicate such rates, and the Note Interest Amount of each Class of Notes to the Issuers, the Trustee, the Collateral Manager, Euroclear, Clearstream, and each Paying Agent.

(c) The Calculation Agent shall be required to specify to the Issuers the quotations upon which the Interest Rate for each Class of Floating Rate Notes is based, and in any event the Calculation Agent shall notify the Issuers before 7:00 p.m. (New York time) on each Interest Determination Date if it has not determined and is not in the process of determining the Interest Rate and Note Interest Amount for each Class of Floating Rate Notes, together with its reasons therefor.

Section 7.19 Certain Tax Matters.

(a) The Issuer shall not elect to be treated as a partnership for U.S. federal income tax purposes and the Issuer shall not file, or cause to be filed, any income or franchise tax return in any state of the United States unless it shall have obtained an opinion of a nationally recognized law firm with substantial expertise in such matters or opinion of a nationally recognized accounting firm prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(b) The Issuer shall not, and shall use its best efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire any asset, conduct any activity or take any action if the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, causes the Issuer (i) to be engaged, or deemed to be engaged, in the conduct of a trade or business in the United States for U.S. federal income tax purposes and subject to U.S. federal income tax on a net basis (including the branch profits tax imposed by Section 884 of the Code) or (ii) to be subject to income tax on a net basis in any jurisdiction outside the United States (any such asset the acquisition or ownership of which would result in the consequences described under clauses (i) or (ii), an "Ineligible Obligation"); provided, that, notwithstanding anything in this Section 7.19(b) to the contrary, the Issuer shall not be prohibited from forming any Tax Subsidiary for the purpose of acquiring, holding and disposing of one or more assets described in the definition of such term; provided, further, that no violation of this clause (b) shall occur as a result of an action taken either (A) in reliance upon an opinion of a nationally recognized law firm with substantial expertise in such matters or advice of Latham & Watkins LLP to the effect that such action, when considered in the light of the other activities of the Issuer, will not (or although the matter is not free from doubt, will not) cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes; or (B) in compliance with Schedule A to the Collateral Management Agreement, so long as (in respect of either (A) or (B)), at the time of the action, the Collateral Manager does not have actual knowledge that such action, when considered in the light of the other activities of the Issuer, would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes.

(c) In furtherance and not in limitation of Section 7.19(b), the Issuer (including, for purposes of this Section 7.19, any Person acting on behalf or at the direction of the Issuer, and any Affiliate of the Issuer) shall comply with all of the provisions set forth in Schedule A to the Collateral Management Agreement, unless the Issuer and the Trustee shall have received an opinion of a nationally recognized law firm with substantial expertise in such matters or advice of Latham & Watkins LLP that, under the relevant facts and circumstances, the Issuer's failure to comply with one or more of such provisions will not (or, although not free from doubt will not) cause the Issuer to be engaged, or deemed to be engaged, in the conduct of a trade or business in the United States for U.S. federal income tax purposes and subject to U.S. federal income tax on a net basis. The provisions set forth in Schedule A to the Collateral Management Agreement may be amended, eliminated or supplemented (without execution of a supplemental indenture) if the Issuer and the Trustee shall have received an opinion of a nationally recognized law firm with substantial expertise in such matters or advice of Latham & Watkins LLP that the Issuer's compliance with such amended provisions or supplemental provisions or the Issuer's failure to comply with such provisions proposed to be eliminated, as the case may be, will not (or,

although not free from doubt will not) cause the Issuer to be engaged, or deemed to be engaged, in the conduct of a trade or business in the United States for U.S. federal income tax purposes and subject to U.S. federal income tax on a net basis. Notwithstanding anything contained herein to the contrary, no unintentional breach, unintentional default or unintentional non-compliance with this Section 7.19(c) shall be deemed to have occurred in any respect if any such breach, default or non-compliance with this Section 7.19(c) does not cause the Issuer to be engaged, or deemed to be engaged, in the conduct of a trade or business in the United States for U.S. federal income tax purposes and subject to U.S. federal income tax on a net basis.

(d) The Issuer shall (or shall cause its Independent accountants to) provide to each Holder of Subordinated Notes and Class E Notes, upon request, (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain for U.S. federal income tax purposes and (ii) a "PFIC Annual Information Statement" as described in Treasury Regulations Section 1.1295-1 (or any successor Treasury Regulation), including all representations and statements required by such statement. The Issuer hereby directs the Trustee to supply information, including information contained in the Securities Register, in its possession and requested by the Independent accountants in order to assist the Independent accountants in performing their obligations under this Section 7.19.

(e) The Issuer will provide, upon request of a Holder of Subordinated Notes or Class E Notes, any information that such Holder reasonably requests to assist such Holder with regard to any filing requirements the Holder may have as a result of the controlled foreign corporation rules under the Code.

(f) The Issuer (or the Issuer's agent or representative acting on behalf of the Issuer) will take such reasonable actions, consistent with law and its obligations under this Indenture, as are necessary to achieve FATCA Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA, and any other action that the Issuer would be permitted to take under this Indenture in furtherance of FATCA Compliance. The Issuer shall provide any certification or documentation (including the applicable IRS Form W-8BEN-E, or any successor form) to any payor (as defined in FATCA) from time to time as provided by law to minimize U.S. withholding tax or backup withholding tax.

(g) Upon written request at any time, the Trustee, Paying Agent and the Securities Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any agent thereof any information (other than privileged information or information subject to binding confidentiality restrictions) regarding the Holders of the Notes and payments on the Notes that is in the possession of the Trustee, Paying Agent or the Securities Registrar, as the case may be, and identified in such request as necessary for FATCA Compliance.

(g) Upon written request at any time, the Trustee, Paying Agent and the Securities Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any agent thereof any information (other than privileged information or information subject to binding confidentiality restrictions) regarding the Holders of the Notes and payments on the Notes that is

in the possession of the Trustee, Paying Agent or the Securities Registrar, as the case may be, and identified in such request as necessary for FATCA Compliance.

(h) The Trustee shall promptly notify the Issuer and the Collateral Manager if a Trust Officer of the Trustee has actual knowledge that any holder of a direct or indirect interest in a Security is (or is presumed to be, as a result of applicable presumptions applicable to withholding agents under FATCA) a Recalcitrant Holder.

(i) Upon the Issuer's receipt of a request of a Note that has been issued with more than de minimis "original issue discount" (as defined in Section 1273 of the Code) or written request of a Person certifying that it is an owner of a beneficial interest in a Note that has been issued with more than de minimis "original issue discount" for the information described in United States Treasury Regulations Section 1.1275-3(b)(1)(i) that is applicable to such Note, the Issuer will cause to be provided promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such a Note all of such information. Any additional issuance of Notes shall be accomplished in a manner that will allow the Issuer to accurately calculate original issue discount income to holders of the additional Notes.

(j) In connection with a Re-Pricing, the Issuer will comply with any requirements under Treasury Regulations Section 1.1273-2(f)(9) (or any successor provision), including (i) determining whether Notes of the Re-Priced Class or Notes being converted into the Re-Priced Class are traded on an established market, (ii) if so traded, determining the fair market value of such Notes, and (iii) making available such fair market value determination available to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date that the new Notes are issued.

Section 7.20 Section 3(c)(7) Procedures.

In addition to the notices required to be given under Section 10.11 hereof, the Issuer shall take the following actions to ensure compliance with the requirements of Section 3(c)(7) of the Investment Company Act (provided, that such procedures and disclosures may be revised by the Issuer to be consistent with generally accepted practice for compliance with the requirements of Section 3(c)(7) of the Investment Company Act):

(a) The Issuer shall (i) request of the Depository, and cooperate with the Depository to ensure, that the Depository's security description and delivery order include a "3(c)(7) marker" and confirm that the Depository's Reference Directory contains an accurate description of the restrictions on the holding and transfer of the Securities due to the Issuer's reliance on the exemption to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) request of the Depository, and cooperate with the Depository to ensure, that the Depository send to its participants in connection with the initial offering of the Securities an "Important Notice" outlining the 3(c)(7) restrictions applicable to the Rule 144A Global Securities and (iii) request of the Depository, and cooperate with the Depository to ensure, that the Depository's Reference Directory include each class of Securities (and the applicable CUSIP numbers for the Securities) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Securities.

(b) The Issuer shall use commercially reasonable efforts to cause each CUSIP number obtained from the CUSIP bureau for a Global Security to have a "fixed field" containing "3c7" and "144A" indicators, as applicable, attached to such CUSIP number.

(c) The Issuer will from time to time request all third-party vendors to include on screens maintained by such vendors appropriate legends regarding Rule 144A and Section 3(c)(7) under the Investment Company Act and their restrictions on the Global Securities. Without limiting the foregoing, the Issuer (or the Initial Purchaser on its behalf) will request that Bloomberg include the following legends on each screen containing information about the Securities:

(i) "Note Box" on bottom of "Security Display" page describing any of the Rule 144A Global Securities should state: "Iss'd Under 144A/3(c)(7)".

(ii) "Security Display Page" should have flashing red indicator "See Other Available Information".

(iii) The indicator should link to the "Additional Security Information" page, which should state that the applicable Rule 144A Global Securities "are being offered in reliance on the exemption from registration under Rule 144A of the Securities Act of 1933, as amended (the "Securities Act") to persons who are both (x) qualified institutional buyers (as defined in Rule 144A under the Securities Act) and (y) qualified purchasers (as defined under Section 3(c)(7) of the Investment Company Act of 1940)".

(iv) The "Disclaimer" page should include a statement that the Rule 144A Global Securities will not be and have not been registered under the Securities Act, that the Issuer has not been registered under the Investment Company Act, and that the Rule 144A Global Securities may only be offered or sold in accordance with Section 3(c)(7) of the Investment Company Act.

Section 7.21 OFAC.

The Issuer understands that Executive Orders issued by the President of the United States of America, Federal regulations administered by OFAC and other federal laws prohibit, among other things, U.S. persons or persons under the jurisdiction of the United States from engaging in certain transactions with certain foreign countries, territories, entities and individuals, and that the lists of prohibited countries, territories, entities and individuals can be found on, among other places, the OFAC website at www.treas.gov/ofac. Neither the Issuer nor any of its Affiliates, owners, subsidiaries, directors or officers is, or is acting on behalf of, a country, territory, entity or individual named on such lists, nor is the Issuer or any of its Affiliates, owners, subsidiaries, directors or officers a natural person or entity with whom dealings with U.S. persons or persons under the jurisdiction of the United States are prohibited under any OFAC regulation, any other applicable federal law, the United Nations Security Council, the European Union, Her Majesty's Treasury, or other relevant sanctions authority (collectively "Sanctions") or acting on behalf of such a natural person or entity. The Issuer does not own and will not acquire any security issued by, or interest in, any country, territory, or entity whose direct ownership by U.S. persons or persons under the jurisdiction of the U.S. would be or is prohibited under any Sanctions.

Section 7.22 Letter of Credit; Withholding Tax.

If the Issuer is notified by an administrative agent or other agent for the syndicate of lenders in respect of any letter of credit constituting a part of a Revolving Credit Facility that the fees associated therewith are subject to withholding tax imposed by any jurisdiction, the Issuer shall use commercially reasonable efforts to cause such administrative agent or other agent or other applicable Person to withhold the full amount of withholding taxes on such letter of credit.

Section 7.23 Benchmark Transition Provisions.

If the Collateral Manager (on behalf of the Issuer) determines in good faith that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, (i) the Collateral Manager shall give prompt written notice thereof to the Issuer, the Trustee, the Collateral Administrator and the Calculation Agent, which notice shall include identification of the Benchmark Replacement, (ii) the Collateral Manager (on behalf of the Issuer) shall, to the extent the Collateral Manager determines (in its good faith discretion) any Benchmark Replacement Conforming Changes are appropriate, inform the Issuer and the Trustee in writing of such fact so as to facilitate entrance into a supplemental indenture in accordance with Section 8.1(y) for purposes of adopting such Benchmark Replacement Conforming Changes, and (iii) the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Floating Rate Notes on the next occurring Interest Determination Date and all subsequent Interest Determination Dates. All such determinations made by the Collateral Manager as described above made in good faith shall be conclusive and binding, and absent manifest error, shall become effective without consent from any other party.

ARTICLE VIII

(p) to modify Section 3.4 or Section 3.6 to conform with applicable law;

(r) (A) to amend or modify (i) any Collateral Quality Test, (ii) any defined term identified in this Indenture utilized in the determination of any Collateral Quality Test or (iii) any defined term in this Indenture or any schedule hereto that begins with or includes the word "Moody's" or "S&P"; provided that no supplemental indenture under clause (A) above shall be entered into unless (x) the S&P Rating Condition is satisfied, (y) at any time the Class A-1 Notes are Outstanding, a Majority of the Class A-1 Notes has consented thereto, and (z) a Majority of the Subordinated Notes has consented thereto, or (B) to conform to ratings criteria and other guidelines (including without limitation, any alternative methodology published by the Rating Agency or any use of the Rating Agency's credit models or guidelines for ratings determination) relating to collateral debt obligations in general published by the Rating Agency (including, without limitation, in respect of Letters of Credit); provided that, in the case of clause (B) above, a Majority of the Class A-1 Notes (so long as such Class is Outstanding) has not delivered a written objection to the Trustee within ten (10) Business Days of notice of such supplemental indenture;

other state or foreign government or regulatory agency thereof that are applicable to the Securities or the transactions contemplated by this Indenture (including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act, as amended (including with respect to commodity pool rules and the Volcker Rule)), (ii) cause the Issuer not to be a "covered fund" under the Volcker Rule or to cause the Securities (or any of them) not to be "ownership interests" in a covered fund for purposes of the Volcker Rule or (iii) at the written direction of the Collateral Manager, eliminate or modify provisions intended to comply with the Volcker Rule to the extent the Volcker Rule is modified after the Closing Date or the Permitted Debt Securities Condition becomes satisfied after the Closing Date;

(v) with the consent of a Majority of the Controlling Class, to accommodate, modify or amend existing and/or replacement Hedge Agreements, permit central clearing of swap transactions (including modifying or eliminating any of the provisions of Section 3.5(i) or Section 10.3(h) in connection therewith) or otherwise facilitate hedging by the Issuer, including, without limitation, the basis for determining exchange rates hereunder;

(w) in connection with a Refinancing or Re-Pricing of any of the Notes, unless objected to by a Majority of the Subordinated Notes or the Collateral Manager in writing within three (3) Business Days of the delivery of the proposed supplemental indenture, to extend the end date of the Non-Call Period for any Class subject to such Refinancing or Re-Pricing to the date so designated by a Majority of the Subordinated Notes;

(x) to take any action necessary or advisable to further implement any Bankruptcy Subordination Agreement; and to (A) issue a new Note or Notes in respect of, or issue one or more new sub classes of, any Class of Notes, in each case with new identifiers (including CUSIPs, ISINs and Common Codes, as applicable) in connection with any Bankruptcy Subordination Agreement; provided that any sub class of a Class of Notes issued pursuant to this clause shall be issued on identical terms as, and rank *pari passu* in all respects with, the existing Notes of such Class and (B) provide for procedures under which beneficial owners of such Class that are not subject to a Bankruptcy Subordination Agreement, may take an interest in such new Note(s) or sub class(es);

(y) to implement any Benchmark Replacement and any Benchmark Replacement Conforming Changes; or

(z) (A) with the written consent of a Majority of the Subordinated Notes, a Majority of the Controlling Class and the Collateral Manager, to modify or otherwise change the provisions in this Indenture providing for an Applicable Margin Reset or (B) with the written consent of a Majority of the Subordinated Notes and the Collateral Manager, to make such changes as shall be necessary or advisable to facilitate or effectuate an Applicable Margin Reset in accordance with this Indenture, other than the following: (i) any modification of the definitions of "AMR Cap Margin", or "Non-AMR Period", (ii) any reduction in the length of the notice period required between the delivery of the Election Notice to the Trustee and the applicable AMR Settlement Date (whether or not specified in such Election Notice) or (iii) any reduction of the length of the notice period required between the Trustee's receipt of the

Election Notice and Trustee's delivery of the notice to each Holder of each AMR Class specifying that the Trustee has received an Election Notice.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

Not later than ten (10) Business Days (or five (5) Business Days in connection with an additional issuance, a Refinancing or a Re-Pricing) prior to the execution of any proposed supplemental indenture pursuant to this Section 8.1, the Trustee, at the expense of the Issuers, shall provide to the Holders of the Securities, the Collateral Manager, the Auction Service Provider, the Hedge Counterparties (if any), the Issuers, the Initial Purchaser and, for so long as any Class of Notes are Outstanding and rated by the Rating Agency, the Rating Agency, a copy of such proposed supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture (excluding any supplemental indenture effecting (singly or together with other amendments to this Indenture) a Refinancing of any Class of Notes) other than (i) to correct typographical errors or to adjust formatting, to complete or change dates, or any other non-material changes (as determined by the Collateral Manager), or (ii) a supplemental indenture in conjunction with a Refinancing, a Re-Pricing or issuance of additional Securities, then at the expense of the Issuers, for so long as any Notes shall remain Outstanding, not later than three (3) Business Days prior to the execution of such proposed supplemental indenture (provided that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date ten (10) Business Days (or five (5) Business Days in connection with an additional issuance, a Refinancing or a Re-Pricing) after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this paragraph), the Trustee shall deliver to the Holders of the Securities, the Collateral Manager, the Auction Service Provider, the Hedge Counterparties (if any), the Issuers, the Initial Purchaser and, for so long as any Class of Notes are Outstanding and rated by the Rating Agency, the Rating Agency, a copy of such proposed supplemental indenture. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder of Securities has provided its written consent of the supplemental indenture as initially distributed (to the extent required under this Section 8.1), such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than the Business Day prior to the execution of such supplemental indenture.

In connection with any supplemental indenture under this Section 8.1, the Trustee shall be entitled to rely on (i) an Officer's Certificate of the Issuer or the Collateral Manager or a certificate of an investment bank, accounting firm or other expert or advisor experienced in securities similar to the Securities as to whether or not the Holders of any Securities of any Class would be materially and adversely affected by any supplemental indenture and any such determination shall be conclusive and binding upon the Holders of all Securities of such Class whether theretofore or thereafter authenticated and delivered hereunder and (ii) an Opinion of Counsel delivered to the Trustee as described in Section 8.4 hereof; provided that in the case of a proposed supplemental indenture under clause (A) above (regarding supplemental indentures

that have no material adverse effect on any of the Holders of the Securities), if the Trustee has received written notice from a Majority of the Controlling Class (with a copy of such notice provided by such Holders to the Collateral Manager), within ten (10) Business Days from the date that notice of such supplemental indenture was distributed by the Trustee certifying that such Holders have reasonably determined that the Holders of Securities of such Class would be materially and adversely affected thereby and specifying in reasonable detail the reasons therefor, the Trustee will not enter into such supplemental indenture, and such supplemental indenture will not be effective, pursuant to clause (A). After the expiration of such ten (10) Business Day period, any action or inaction taken by the Holders shall be binding on all present and future Holders of Securities. For the avoidance of doubt, any notice delivered by a Holder pursuant to the proviso to the second preceding sentence may be rescinded by such Holder at any time by written notice to the Trustee. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Officer Certificate or other certificate pursuant to clause (A) above and an Opinion of Counsel delivered to the Trustee as described in Section 8.4 hereof.

Promptly after the execution by the Issuers and the Trustee of any supplemental indenture pursuant to this Section 8.1, the Trustee, at the expense of the Issuers, shall, so long as the Notes are Outstanding and rated by the Rating Agency, provide to the Rating Agency a copy thereof. Any failure of the Trustee to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.2 Supplemental Indentures with Consent of Holders.

With the consent of the Collateral Manager and a Majority of the Outstanding Securities of each Class materially and adversely affected thereby (voting separately by Class), by Act of said Holders delivered to the Issuers and the Trustee, the Issuers and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Securities under this Indenture; provided, that notwithstanding anything in this Indenture to the contrary, no such supplemental indenture shall, without the consent of each Holder of each Outstanding Security materially and adversely affected thereby (without limiting modifications under Section 8.1 which may be made without the consent of Holders):

(a) change the Stated Maturity of any Security, or the date on which any installment of principal or interest on any Security is due and payable, or reduce the principal amount thereof or the Interest Rate thereon (except changes to Interest Rates as set forth in Section 9.7 or a Reset Amendment) or the Redemption Price with respect thereto, change any place where, or the coin or currency in which, any Security or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided that this Indenture may be amended without the consent of the Holders to implement a Benchmark Replacement as described in Section 8.1(y);

(b) reduce the percentage of the Aggregate Outstanding Amount of Securities of each Class the consent of the Holders of which is required for the authorization of any such supplemental indenture, or the consent of the Holders of which is required for any waiver of

compliance with certain provisions of this Indenture or certain Defaults hereunder and their consequences provided for in this Indenture;

(c) permit the creation of any lien, other than the lien of this Indenture or as expressly permitted hereby, with respect to any part of the Collateral or terminate the lien of this Indenture on any property at any time subject hereto or deprive any Secured Party of the security afforded by the lien of this Indenture;

(d) reduce the percentage of the Aggregate Outstanding Amount of Securities of each Class, the consent of the Holders of which is required to request that the Trustee preserve the Collateral or to rescind the Trustee's election to preserve the Collateral pursuant to Section 5.5 or to sell or liquidate the Collateral pursuant to Section 5.4 or 5.5; or

(e) modify any of the provisions of this Section, except to increase the percentage of Outstanding Securities whose Holders' consent is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security adversely affected thereby.

In addition, and notwithstanding the foregoing, the Issuers and the Trustee may enter into supplemental indentures that make the following fundamental changes to the terms of the Securities only with the consent of the Collateral Manager and the Holders of 75% of the Outstanding amount of each Class of Securities materially and adversely affected thereby (voting separately by Class) (any such supplemental indenture, a "75% Consent Supplemental Indenture"):

(i) except as set forth in Section 8.1(w) or in connection with a Reset Amendment, change the earliest date on which any Note may be redeemed at the option of the Issuer pursuant to Section 9.1;

(ii) change the provisions of this Indenture relating to the application of Proceeds of the Collateral to the payment of principal of or interest on the Securities under the Priority of Payments;

(iii) materially impair or materially and adversely affect the Collateral except as otherwise permitted in this Indenture; or

(iv) except as set forth in Section 8.1(l), 8.1(y) or 8.1(z), modify any of the provisions of this Indenture in such a manner as to (A) affect the methodology of calculation of (1) the amount of any payment of interest or principal due on any Note or (2) any amount distributable in respect of the Subordinated Notes on any Payment Date or (B) affect the rights of the Holders of the Securities or the Trustee to the benefit of any provisions for the redemption of such Securities as described in Section 9.1.

In connection with any proposed supplemental indenture under this Section 8.2, the Trustee shall be entitled to rely on (A) an Officer's Certificate of the Issuer or the Collateral Manager or a certificate of an investment bank, accounting firm or other expert or advisor experienced in securities similar to the Securities as to whether or not the Holders of any Securities of any Class would be materially and adversely affected by any supplemental

indenture and any such determination shall be conclusive upon the Holders of all Securities of such Class whether theretofore or thereafter authenticated and delivered hereunder and (B) an Opinion of Counsel delivered to the Trustee as described in Section 8.4 hereof; provided, that with respect to any proposed supplemental indenture under this Section 8.2 where an initial determination has been made that the Class A-2 Notes are not materially and adversely affected thereby and the consent of Holders of the Class A-2 Notes is not required, so long as the Class A-2 Notes are Outstanding, it shall be a further requirement that a Majority of the Class A-2 Notes has not delivered a written objection to the Trustee within ten (10) Business Days of notice of such supplemental indenture stating that such Class would be materially and adversely affected thereby (which may be rescinded at any time by such Holders at any time) or, if such written objection has been provided, consent of a Majority of the Class A-2 Notes is obtained. Such determination shall be binding on all present and future Holders of Securities.

Not later than ten (10) Business Days (or five (5) Business Days in connection with an additional issuance, a Refinancing or a Re-Pricing) prior to the execution of any proposed supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Issuers, shall provide to the Holders of the Securities, the Collateral Manager, the Auction Service Provider, the Hedge Counterparties (if any), the Issuers, the Initial Purchaser and, for so long as any Class of Notes are Outstanding and rated by the Rating Agency, the Rating Agency, a copy of such proposed supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture (excluding any supplemental indenture effecting (singly or together with other amendments to this Indenture) a Refinancing of any Class of Notes) other than (i) to correct typographical errors or to adjust formatting, to complete or change dates, or any other non-material changes (as determined by the Collateral Manager), or (ii) a supplemental indenture in conjunction with a Refinancing, a Re-Pricing or issuance of additional Securities, then at the expense of the Issuers, for so long as any Notes shall remain Outstanding, not later than three (3) Business Days prior to the execution of such proposed supplemental indenture (provided that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date ten (10) Business Days, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this paragraph), the Trustee shall deliver to the Holders of the Securities, the Collateral Manager, the Auction Service Provider, the Hedge Counterparties (if any), the Issuers, the Initial Purchaser and, for so long as the Notes are Outstanding and rated by the Rating Agency, the Rating Agency, a copy of such proposed supplemental indenture. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder of Securities has provided its written consent of the supplemental indenture as initially distributed (to the extent required under this Section 8.2), such Holder will be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than the Business Day prior to the execution of such supplemental indenture.

It shall not be necessary for any Act of Holders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuers and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Issuers, shall provide to the

Holders of the Securities, the Collateral Manager, the Auction Service Provider, the Hedge Counterparties, the Issuers, the Initial Purchaser and, so long as the Notes are Outstanding and rated by the Rating Agency, the Rating Agency a copy thereof. Any failure of the Trustee to provide such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.3 [Reserved].

Section 8.4 Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII, or the modifications thereby, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon an Opinion of Counsel stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. Subject to Sections 8.7 and 8.8, neither the Collateral Manager nor the Collateral Administrator shall be bound by any amendment to this Indenture unless it shall have expressly consented thereto in writing. Notwithstanding anything to the contrary in this Article VIII, no consent shall be required to any modification of this Indenture from any holder whose Securities have been redeemed on or prior to the effective date of such modification to this Indenture.

Any Class of Notes being refinanced or redeemed will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the effective date of such refinancing or redemption, and the Holders of such Class shall have no consent rights with respect to such supplemental indenture.

Notwithstanding anything to the contrary in this Article VIII or elsewhere in this Indenture, with respect to any supplemental indenture which, by its terms, (x) provides for a Refinancing of all, but not less than all, Classes of the Notes in whole, but not in part, and (y) is consented to by at least a Majority of the Subordinated Notes and the Collateral Manager, the Collateral Manager may, without regard to any other consent requirement specified above or elsewhere in this Indenture (other than the express requirements of Article IX), cause such supplemental indenture to also (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for the obligations or loans issued to replace such Notes or prohibit a future refinancing of such replacement securities, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of such obligations or loans that is later than the Stated Maturity of the Notes, (e) effect an extension of the Stated Maturity of the Subordinated Notes, and/or (f) make any other supplements or amendments to this Indenture that would otherwise be subject to the consent rights set forth above (a "Reset Amendment").

No amendment, modification or waiver of the terms of this Indenture that affects the rights, duties, obligations or liabilities of the Auction Service Provider (in its commercially reasonable judgment) shall be effective against the Auction Service Provider, unless: (i) the Auction

Service Provider shall have received a copy of such proposed amendment, modification or waiver not less than five Business Days prior to the proposed execution or effective date thereof and (ii) the Auction Service Provider has not notified the Issuer and the Trustee in writing on or prior to the proposed execution or effective date that (in the Auction Service Provider's commercially reasonable judgment) the proposed amendment, modification or waiver would materially and adversely affect any of the rights, duties, obligations or liabilities of the Auction Service Provider under this Indenture (which written notice shall specify the nature of such material adverse effect); provided, if the Auction Service Provider has provided the Issuer and the Trustee the notice described in this clause (ii), such amendment, modification or waiver shall become effective against the Auction Service Provider if written consent thereto has been subsequently obtained from the Auction Service Provider; *provided* that the foregoing shall not apply to any removal or replacement of the Auction Service Provider pursuant to the terms of the Auction Service Provider Agreement.

Section 8.5 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.6 Reference in Securities to Supplemental Indentures.

Securities authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuers shall so determine, new Securities, so modified as to conform in the opinion of the Trustee and the Issuers to any such supplemental indenture, may be prepared and executed by the Issuer and the Co-Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Securities.

Section 8.7 Effect on the Collateral Manager.

Unless the Collateral Manager has been given prior written notice of such amendment and has consented thereto in writing, the Issuer shall not permit to become effective any supplemental indenture or amendment to this Indenture (including, without limitation, any supplemental indenture or amendment that would (a) affect the obligations or rights of the Collateral Manager in any way including, without limitation, modifying the restrictions on the acquisition and disposition of Collateral Debt Obligations or the requirements specified in the definition of "Collateral Debt Obligation" or expanding or restricting the Collateral Manager's discretion or (b) affect the amount or priority of any fees or other amounts payable to the Collateral Manager under the Collateral Management Agreement and this Indenture).

Section 8.8 Effect on the Collateral Administrator.

Unless the Collateral Administrator has been given prior written notice of such amendment and has consented thereto in writing, no supplemental indenture or amendment may (a) materially and adversely affect the obligations or rights of the Collateral Administrator in any way or (b) adversely affect the amount or priority of any fees or other amounts payable to the Collateral Administrator under the Collateral Administration Agreement and this Indenture.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Optional Redemption.

(a) The Priority Notes shall be redeemable in whole, but not in part, by the Issuers, and the Class E Notes and the Subordinated Notes shall be redeemable in whole, but not in part, by the Issuer at their applicable Redemption Prices (i) on any Business Day after the Non-Call Period (or in the case of the Subordinated Notes, any Business Day on or after the date the Notes have been redeemed or paid in full), at the written direction of, or with the written consent of, (A) a Majority of the Subordinated Notes or (B) the Collateral Manager if the Aggregate Principal Amount is less than 20% of the Target Initial Par Amount or (ii) on any Business Day during or after the Non-Call Period in the event of a Tax Event and at the written direction of, or with the written consent of, a Majority of the Affected Class or a Majority of the Subordinated Notes. Any such redemption shall be effected in accordance with the Priority of Payments at the

applicable Redemption Price and Section 9.1(c). With respect to any vote to cause an Optional Redemption of the Notes as a result of the occurrence of a Tax Event, Securities owned by any Holder who the Issuer has determined to be a Recalcitrant Holder at such time shall be disregarded and deemed not to be Outstanding.

(b) In connection with an Optional Redemption pursuant to Section 9.1(a), the Trustee, on behalf of the Issuer, shall notify the Collateral Manager of such Optional Redemption in accordance with Section 9.2 and the Collateral Manager shall direct the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Collateral Manager in writing, the Collateral Portfolio (and transfer or terminate any Hedge Agreements) and upon any such sale the Trustee shall release such sold assets pursuant to Section 10.6; provided, that the Issuers shall not terminate any outstanding Hedge Agreements while a notice of redemption is effective and outstanding until the date on which such notice may no longer be withdrawn or revoked in accordance with Section 9.3.

(c) The Issuers may not direct the Trustee to sell (and the Trustee shall not be required to release) assets pursuant to Section 9.1(b) unless:

(i) the Collateral Manager has furnished to the Trustee, at least five Business Days prior to the applicable Redemption Date, evidence in form reasonably satisfactory to the Trustee (which may be a certification from the Collateral Manager) that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements (including in the form of a confirmation of sale, a multilateral netting agreement, a participation agreement, a warehouse agreement, a cover bid or otherwise) with one or more financial institutions or other Persons active in the market for assets of the nature of the Pledged Obligations to purchase (directly or by participation or other arrangement), not later than the Business Day prior to such Redemption Date, in immediately available funds, all or a portion of the Pledged Obligations, at a purchase price at least equal to an amount expected to be sufficient, together with any other amounts available to be used for such Optional Redemption to pay (x) the Redemption Prices of the Notes and (y) all Administrative Expenses (without regard to any dollar limitations) and other fees and expenses payable under the Priority of Payments (including all indemnity amounts, and all accrued and unpaid Collateral Management Fees and interest accrued thereon, other than the Incentive Collateral Management Fee), or

(ii) at least five Business Days prior to the applicable Redemption Date, the Collateral Manager has certified to the Trustee and to the Rating Agency that the expected Proceeds from such sale (calculated as provided in the next succeeding sentence) together with any other amounts available to be used for such Optional Redemption will be delivered to the Trustee not later than the Business Day immediately preceding the Redemption Date, in immediately available funds and will equal or exceed 100% of (x) the Redemption Prices of the Notes and (y) all administrative and other fees and expenses (without regard to any dollar limitations) payable under the Priority of Payments (including all indemnity amounts and accrued and unpaid Collateral

Management Fees and interest accrued thereon, other than the Incentive Collateral Management Fee).

For purposes of determining the expected proceeds from a sale for purposes of clause (ii) of the immediately preceding sentence, the expected proceeds shall be deemed to be the Market Value of the Pledged Obligations as of such date (without any representation, warranty or guaranty as to any such Market Values).

(d) The Collateral Manager shall set the Redemption Date and the Redemption Record Date and give notice thereof to the Trustee pursuant to Section 9.2. Installments of interest, principal and/or payments due on or prior to a Redemption Date which shall not have been paid or duly provided for shall be payable to the Holders of the affected Notes as on the relevant Redemption Record Dates. Upon receipt of the direction of the applicable amount of the Subordinated Notes or the Affected Class with respect to the redemption of the Notes pursuant to Section 9.1(a), the Issuers shall deliver an Issuer Order to the Trustee directing the Trustee to make the payment to the Paying Agent of the applicable Redemption Price of all of the Notes to be redeemed from funds in the Issuer Accounts in accordance with the Priority of Payments. The Issuer shall deposit, or cause to be deposited, the funds required for an Optional Redemption in the Payment Account on or before the Business Day prior to the Redemption Date.

Section 9.2 Notice to Trustee of Optional Redemption.

If the requisite number of Holders of Subordinated Notes or the Affected Class, as applicable, desire to direct the Issuers to optionally redeem the Notes pursuant to Section 9.1(a), in whole, but not in part, such Holders shall notify the Issuer, the Trustee and the Collateral Manager of such desire in writing no less than forty-five (45) calendar days prior to the Redemption Date (unless the Collateral Manager shall agree to a shorter notice period). The Issuers (or in the case of the Class E Notes and the Subordinated Notes, the Issuer) shall, at least ten (10) Business Days prior to the Redemption Date (unless the Trustee shall agree to a shorter notice period), notify the Trustee and the Rating Agency of such Redemption Date, the Redemption Record Date and the Redemption Price of such Notes in accordance with Section 9.1 hereof.

In the case of an optional redemption as a result of a Tax Event, if the Collateral Manager receives conflicting directions from a Majority of the Subordinated Notes and a Majority of the Affected Class, the Collateral Manager shall follow the direction of a Majority of the Subordinated Notes; provided, however, that such direction must result in the payment of each Class of Notes at its applicable Redemption Price; provided further that if such direction by a Majority of the Subordinated Notes would not result in the payment of each Class of Notes at its applicable Redemption Price, in accordance with the requirements set forth herein, including redemption in whole but not in part, the Collateral Manager shall follow the direction of a Majority of the Affected Class. For the avoidance of doubt, a redemption in part of the Notes in connection with a Tax Event directed by an Affected Class will not be permitted hereunder.

Section 9.3 Notice of Optional Redemption or Maturity by the Issuers.

The Trustee shall provide notice of any optional redemption pursuant to Section 9.1 or the Maturity of any Class of Securities not less than five (5) Business Days prior to the applicable Redemption Date or Maturity to each Holder of Securities to be redeemed and to the Rating Agency.

All notices of redemption shall state:

(a) the applicable Redemption Date and Redemption Record Date (which shall be a date after the date on which such notice is deemed to be given pursuant to Section 14.4);

(b) the Redemption Price for each Class of Securities;

(c) that all the Securities of the relevant Class are being redeemed in full and that interest on such Notes shall cease to accrue on the date specified in the notice;

(d) the place or places where such Securities to be redeemed in whole are to be surrendered for payment of the Redemption Price which shall be the office or agency of the Issuer to be maintained as provided in Section 7.4; and

(e) the latest possible date upon which such notice of redemption may be withdrawn.

Failure to give notice of redemption to any Holder of any Security selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Securities. Certificated Securities called for redemption must be surrendered at the place specified in the notice of optional redemption in order for the Holder to receive the Redemption Price.

The Issuers (with respect to the Priority Notes) and the Issuer (with respect to the Class E Notes and the Subordinated Notes) shall have the option, at the direction of the Collateral Manager or a Majority of the Subordinated Notes, to withdraw the notice of redemption on or prior to the Business Day prior to the proposed Redemption Date by written notice to the Trustee, the Holders of the Subordinated Notes or Affected Class, as applicable, requesting or consenting to such optional redemption and the Collateral Manager only if either (a) the Collateral Manager shall be unable, or reasonably believes it is commercially impractical, to deliver such sale agreement or agreements or certificates, as the case may be, in the form required under Section 9.1 of this Indenture or (b) the amounts available on the proposed Redemption Date will not be sufficient to pay 100% of (x) the Redemption Prices of the Notes and (y) all Administrative Expenses (without regard to any dollar limitations) and other fees and expenses payable under the Priority of Payments (including all indemnity amounts and all accrued and unpaid Collateral Management Fees and interest accrued thereon, other than the Incentive Collateral Management Fee). Notice of any such withdrawal shall be given by the Trustee to each Holder of Securities to be redeemed at such Holder's address appearing in the applicable Securities Register and S&P and Moody's in accordance with Section 14.3 not later than the Business Day prior to the scheduled Redemption Date.

In addition, a Majority of the Subordinated Notes shall have the option to withdraw the notice of redemption, delivered pursuant to Section 9.2, on any day up to and including the Business Day prior to the proposed Redemption Date by written notice to the Trustee, the Issuers and the Collateral Manager; provided, that the Issuer or the Collateral Manager has not entered into any agreement in connection with the sale of the Collateral Portfolio or taken any other

actions in connection with the liquidation of the Collateral Portfolio pursuant to such notice of redemption.

Notice of redemption shall be given by the Issuers or, at the Issuers' request, by the Trustee in the name and at the expense of the Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Security selected for redemption shall not impair or affect the validity of the redemption of any other Security.

Section 9.4 Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless a default is made in the payment of the Redemption Price) such Securities shall cease to bear interest. Upon final payment on a Security to be redeemed, the Holder shall present and surrender such Security, at the place specified in the notice of redemption on or prior to such Redemption Date.

If any Security called for optional redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Security remains Outstanding.

Section 9.5 Refinancing.

(a) Any Class of Notes (with the Class A-1 Notes and Class A-2 Notes being treated as separate Classes for such purpose, but the Class B-1 Notes and the Class B-2 Notes being treated as the same Class for such purpose) may be redeemed in whole, but not in part, at its applicable Redemption Price on any Business Day after the Non-Call Period from Refinancing Proceeds (a "Refinancing") either (i) upon receipt by the Issuer (with a copy to the Trustee and the Rating Agency) of the written direction of a Majority of the Subordinated Notes and the written consent of the Collateral Manager, each delivered to the Issuer at least fifteen (15) days prior to the Business Day fixed by such Holders of Subordinated Notes for such redemption or (ii) if the Collateral Manager, on behalf of the Issuer, proposes to the Holders of the Subordinated Notes in writing (with a copy to the Trustee and the Rating Agency) at least fifteen (15) days prior to the Business Day fixed by the Issuer (and noticed to the Trustee) for such redemption (such date selected by the Collateral Manager on behalf of the Issuer under this clause (ii) or the Holders of the Subordinated Notes under clause (i) above, the "Refinancing Date"), and such proposal is not objected to by a Majority of the Subordinated Notes within five (5) Business Days of receipt of such written proposal. Additionally, if so directed in writing by a Majority of the Subordinated Notes in connection with a Refinancing of any Notes, the Issuer may, with the written consent of the Collateral Manager, extend the end of the Non-Call Period for any Class subject to such Refinancing to the date so designated by a Majority of the Subordinated Notes.

On the Refinancing Date, the Issuer shall redeem the Notes subject to such Refinancing by obtaining a loan or an issuance of a replacement class of notes, the terms of which loan or issuance will be negotiated by the Collateral Manager, on behalf of the Issuer, from one or more

financial institutions or purchasers (which may include the Collateral Manager or its affiliates) selected by the Collateral Manager (the proceeds of any such loan or issuance of replacement class of notes, "Refinancing Proceeds").

(b) The Issuer(s) shall obtain a Refinancing only if (i) a Majority of the Subordinated Notes consent to the terms of such Refinancing and the Collateral Manager consents to the terms of such Refinancing and (ii) the Issuer determines and certifies to the Trustee that on the Refinancing Date:

(1) the Issuer has notified the Rating Agency of such Refinancing;

(2) on such Refinancing Date, the sum of (A) the Refinancing Proceeds, (B) the amount on deposit in the Expense Reserve Account and (C) Interest Proceeds (so long as, after giving effect to such payment, there are expected to be sufficient Interest Proceeds available on the immediately succeeding Payment Date pursuant to Section 11.1 to pay all amounts required to be paid pursuant to the Priority of Payments prior to payments to the Holders of the Subordinated Notes), will be at least sufficient to pay the sum of the Refinancing Price *plus* any Administrative Expenses of the Issuer related to the Refinancing (without regard to any dollar limitations and provided that any person entitled to payment of Administrative Expenses in connection with such Refinancing may elect, in its sole discretion, to defer payment of such amounts to one or more future Payment Dates) unless such expenses have been paid or will be adequately provided for by a Person other than the Issuers;

(3) any obligations providing the Refinancing, in the case of a Refinancing of a Class of (A) Floating Rate Notes, will have a spread over the Benchmark not greater than the spread over the Benchmark of the Class of Floating Rate Notes being refinanced and (B) Fixed Rate Notes (if any), either the interest rate will be a (x) fixed rate equal to or lower than the initial Interest Rate of the Class of Fixed Rate Notes being refinanced or (y) floating rate with a spread over the Benchmark that (1) is equal to or lower than the initial spread applicable to any Class of Floating Rate Notes ranking *pari passu* in the payment of interest and principal in the Note Payment Sequence, if any, and (2) together with the Benchmark then applicable to the Floating Rate Notes is equal to or lower than the initial Interest Rate of the Class of Fixed Rate Notes being refinanced (if any); provided that the interest rate may be greater in the case of a Refinancing of more than one Class of Notes if the weighted average (based on the aggregate principal amount of each Class of Notes subject to such Refinancing) interest rate of the obligations providing the Refinancing is less than the weighted average (based on the aggregate principal amount of each such Class) interest rate of all Classes of Notes subject to such Refinancing and the S&P Rating Condition is satisfied; provided, that this clause (3) shall not apply in the event of a Refinancing of all Outstanding Classes of Notes;

(4) the principal amount of any obligations providing the Refinancing is equal to the principal amount of the Notes being redeemed with the proceeds of such

obligations; provided, that this clause (4) shall not apply in the event of a Refinancing of all Outstanding Classes of Notes;

(5) the Stated Maturity of the obligations providing the Refinancing is the same as the Stated Maturity of the Notes being refinanced; provided, that this clause (5) shall not apply in the event of a Refinancing of all Outstanding Classes of Notes;

(6) the Refinancing Proceeds shall be used (to the extent necessary) to redeem the applicable Notes; provided, that this clause (6) shall not apply in the event of a Refinancing of all Outstanding Classes of Notes;

(7) the agreements relating to the Refinancing contain limited-recourse and non-petition provisions equivalent to those applicable to the Notes being redeemed, as set forth herein;

(8) the expenses in connection with the Refinancing have been paid from the gross proceeds of the issuance of the obligations providing the Refinancing or shall be adequately provided for (which may include agreement by Persons to be paid such fees and expenses for payment to occur on one or more future Payment Dates) unless such expenses have been paid or will be adequately provided for by an entity other than the Issuers; and

(9) the obligations providing the Refinancing shall (A) have the same rights with respect to votes, consents, determinations and directions under this Indenture as the corresponding Class of Notes being refinanced and (B) have no higher priority in right of payment than the corresponding Class of Notes being refinanced; provided, that this clause (9) shall not apply in the event of a Refinancing of all Outstanding Classes of Notes.

(c) The Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon an Opinion of Counsel stating that the Refinancing is authorized and permitted by this Indenture and that all conditions precedent thereto have been complied with.

(d) Any Refinancing Proceeds shall not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Refinancing Date pursuant to this Indenture to redeem the Notes being refinanced without regard to the Priority of Payments; provided, that to the extent that any Refinancing Proceeds are not applied to redeem the Notes being refinanced, such Refinancing Proceeds shall be treated as Principal Proceeds or Interest Proceeds, as determined by the Collateral Manager; provided, further, that if a Refinancing of all Classes of Notes occurs, a Majority of the Subordinated Notes may designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "Designated Excess Par") and the Collateral Manager may direct the Trustee to apply such Designated Excess Par on the applicable Redemption Date as Interest Proceeds in accordance with the Priority of Payments. In the event that more than one Class of Notes are being refinanced on the same Refinancing Date, Refinancing Proceeds shall be applied on the

Refinancing Date to redeem such Classes of Notes in accordance with the Note Payment Sequence (provided, that, for the avoidance doubt, such Refinancing Proceeds shall not be applied to any Class under the Note Payment Sequence other than the Classes being refinanced on such Refinancing Date). For the avoidance of doubt, the Issuer shall be permitted to withdraw amounts from the Issuer Accounts to pay the Refinancing Price of the Notes being refinanced and Administrative Expenses in connection with a Refinancing subject to Section 9.5(b)(2).

(e) If notice has been received by the Trustee from the Collateral Manager pursuant to Section 9.5(a), notice of a Refinancing shall be given by the Trustee not less than ten (10) Business Days prior to the proposed Refinancing Date, to each Holder of Notes of the Class to be refinanced at the address in the Securities Register (with a copy to the Collateral Manager).

All notices of a Refinancing shall state:

(i) the proposed Refinancing Date;

(ii) the Refinancing Price;

(iii) that on such proposed Refinancing Date such Notes will be refinanced, and that interest thereon shall cease to accrue on such date; and

(iv) the place or places where such Notes are to be surrendered for payment of the Refinancing Price which, if not stated, shall be the office or agency of any Paying Agent as provided in Section 7.4.

(f) Notice of Refinancing pursuant to Section 9.5(e) shall be given by the Trustee at the expense of the Issuers. Failure to give notice of Refinancing, or any defect therein, to any Holder of any Note selected for Refinancing shall not impair or affect the validity of the Refinancing or give rise to any claim based upon such failure or defect.

Any notice of a Refinancing shall be withdrawn by the Collateral Manager, on behalf of the Issuer, on or prior to the second Business Day prior to the scheduled Refinancing Date by written notice to the Trustee, the Rating Agency and the Holders of the Subordinated Notes if the Collateral Manager is unable to deliver the certifications required by Section 9.5(b), in form satisfactory to the Trustee.

(g) If notice of Refinancing pursuant to Section 9.5(a) has been given as provided herein and not withdrawn, the Notes to be refinanced shall on the Refinancing Date become due and payable at the Refinancing Price. Each Holder of such Notes shall present and surrender its Note at the place specified in the notice of Refinancing on or prior to such Refinancing Date; provided, that if there is delivered to the Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuers and the Trustee that the

applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender.

(h) If any Class of Notes called for Refinancing shall not be so paid upon surrender thereof for Refinancing (or the delivery of the indemnity pursuant to the preceding paragraph) the principal shall, until paid, bear interest from the Refinancing Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding.

Section 9.6 Mandatory Redemptions; Special Redemptions.

Payments in connection with an Effective Date Rating Failure and mandatory redemptions and Special Redemptions of the Notes shall be made in accordance with the Priority of Payments.

Section 9.7 Re-Pricing.

(a) On any Business Day after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes and the Collateral Manager to the Issuer, the Issuers shall reduce the spread over the Benchmark (or in the case of the Fixed Rate Notes (if any), the stated rate of interest) applicable with respect to any Class of Notes other than the Class X Notes ~~and~~, the Class A-1 Notes, the Class A-2 Notes, the Class B-1 Notes and the Class B-2 Notes (a "Re-Pricing" and, any Class of Notes to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Issuers shall not effect any Re-Pricing unless each condition specified in this Section 9.7 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Notes other than the Interest Rate applicable thereto and the Non-Call Period may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer shall engage one or more broker-dealers or investment banks (collectively, the "Re-Pricing Intermediaries") upon the recommendation of the Collateral Manager (which recommendation shall be subject to the approval of a Majority of the Subordinated Notes, whose approval shall be deemed to have been given if not objected to in writing within five Business Days' notice of request therefor), and such Re-Pricing Intermediaries shall assist the Issuer in effecting the Re-Pricing. Additionally, if so directed in writing by a Majority of the Subordinated Notes in connection with a Re-Pricing of any Notes, the Issuer may, with the written consent of the Collateral Manager, extend the end of the Non-Call Period for any Class subject to such Re-Pricing to the date so designated by a Majority of the Subordinated Notes. For the avoidance of doubt, the Class X Notes, the Class A-1 Notes, the Class A-2 Notes, the Class B-1 Notes and the Class B-2 Notes are not subject to Re-Pricing.

(b) At least fourteen (14) Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuers, or the Re-Pricing Intermediaries on behalf of the Issuers, shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee, the Collateral Administrator and the Rating Agency) to each Holder of each proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread over the Benchmark (or in the case of Fixed Rate Notes (if any), the revised stated rate of interest) to be applied with respect to such Re-Priced Class (the "Re-Pricing Rate"), (ii) request each Holder of each Re-Priced Class to approve the proposed Re-Pricing, and (iii) specify the price at which Notes of any Holder of each

Re-Priced Class which does not approve the Re-Pricing (any such Holder, a "Non-Consenting Holder") may be sold and transferred pursuant to clause (d) below, which shall be an amount equal to the Redemption Price of such Notes.

(c) The Issuer, at the direction of the Collateral Manager and with the consent of a Majority of the Subordinated Notes, may modify the proposed Re-Pricing by delivery of a revised notice of proposed Re-Pricing containing the information described in the immediately preceding paragraph, at any time on or before the date that is seven (7) Business Days prior to the proposed Re-Pricing Date, in writing to each Holder of the proposed Re-Priced Class (with a copy to the Collateral Manager, the Trustee and the Rating Agency).

(d) In the event any Holders of a Re-Priced Class do not deliver written consent to the proposed Re-Pricing on or before the date which is five (5) Business Days prior to the proposed Re-Pricing Date, the Issuers, or the Re-Pricing Intermediaries on behalf of the Issuers, shall, subject to the applicable procedures of DTC, deliver written notice thereof to the consenting Holders of such Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of such Re-Priced Class held by such Non-Consenting Holders, and shall, as directed by the Collateral Manager in its sole discretion, request each such consenting Holder of such Class to provide written notice to the Issuers, the Trustee and the Re-Pricing Intermediaries if such Holder would like to purchase all or any portion of the Notes of such Re-Priced Class held by the Non-Consenting Holders (each such notice, an "Exercise Notice"), within five (5) Business Days of receipt of such notice.

In the event the Issuers receive:

(i) Exercise Notices with respect to more than the Aggregate Outstanding Amount of the Notes of such Re-Priced Class held by Non-Consenting Holders, the Issuers, or the Re-Pricing Intermediaries on behalf of the Issuers, shall, subject to the applicable procedures of DTC, cause the sale and transfer of such Notes to the Holders delivering Exercise Notices with respect thereto without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date. Such sales and transfers of Notes of Non-Consenting Holders shall be made *pro rata* based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices (subject to reasonable adjustment, as determined by the Re-Pricing Intermediaries, to comply with the applicable minimum denomination requirements and the applicable procedures of DTC); and

(ii) Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of such Re-Priced Class held by Non-Consenting Holders, the Issuers, or the Re-Pricing Intermediaries on behalf of the Issuers, shall, subject to the applicable procedures of DTC, cause the sale and transfer of such Notes of the Non-Consenting Holders (subject to reasonable adjustment, as determined by the Re-Pricing Intermediaries, to comply with the applicable minimum denomination requirements and the applicable procedures of DTC), to each of the Holders delivering Exercise Notices with respect thereto in an amount equal to the Aggregate Outstanding Amount of the Re-Priced Class each such Holder

indicated its willingness to purchase in its Exercise Notice, and the excess will be sold to one or more transferees designated by the Re-Pricing Intermediaries on behalf of the Issuer.

All sales of Notes to be effected pursuant to this clause (d) shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Note, by its acceptance of an interest in the Notes, agrees to sell and transfer its Notes in accordance with this Section 9.7 and agrees to cooperate with the Issuers, the Re-Pricing Intermediaries and the Trustee to effect such sales and transfers in connection with a Re-Pricing. The Issuers, or the Re-Pricing Intermediaries on behalf of the Issuers, shall deliver written notice to the Trustee, the Collateral Administrator and the Collateral Manager not later than 3 Business Days prior to the proposed Re-Pricing Date confirming that the Issuers have received written commitments to purchase all Notes of such Re-Priced Class held by Non-Consenting Holders.

(e) The Issuers shall not effect any proposed Re-Pricing unless:

(i) the Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date pursuant to Section 8.1(l), solely to modify the spread over the Benchmark (or in the case of the Fixed Rate Notes (if any), the stated rate of interest) applicable to each Re-Priced Class and to modify the Non-Call Period as permitted by this Section 9.7;

(ii) the Trustee has received a certificate from the Issuers (based on information available to the Issuers or otherwise provided to them by the Collateral Manager or the Re-Pricing Intermediaries) that all Notes of the Re-Priced Class held by Non-Consenting Holders have been sold pursuant to clause (d) above and such transfers were conducted in compliance with Section 2.5 hereof and/or will be repurchased on the Re-Pricing Date;

(iii) S&P shall have been notified of such Re-Pricing;

(iv) all expenses of the Issuers, the Trustee and the Collateral Manager (including the fees of the Re-Pricing Intermediaries and fees of counsel) incurred in connection with the Re-Pricing shall not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(A) on the subsequent Payment Date prior to distributions to the Holders of the Subordinated Notes (provided, that any Person entitled to payment of Administrative Expenses in connection with such Re-Pricing may elect, in its sole discretion, to defer payment of such amounts to one or more future Payment Dates), unless such expenses shall have been paid or shall be adequately provided for by an entity other than the Issuers; and

(v) the Re-Pricing is conducted in compliance with the securities laws of all applicable jurisdictions.

(f) The Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3(a) hereof) shall be fully protected in relying upon, an Opinion of Counsel stating that the Re-Pricing is authorized and permitted by this Indenture and all conditions precedent thereto have been complied with.

(g) Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes, the Issuers or the Collateral Manager (on behalf of the Issuers), with the written consent of a Majority of the Subordinated Notes, on or prior to the 4th Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuers, the Trustee, the Collateral Administrator and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and the Rating Agency.

(h) If the Trustee receives written notice from the Issuer that a proposed Re-Pricing has been withdrawn in accordance with the terms hereof or is not effectuated by the proposed Re-Pricing Date, the Trustee shall post notice to the Trustee's website and notify the Holders of the Notes of the Re-Priced Class and the Rating Agency that such proposed Re-Pricing was not

effectuated.

(i) The Issuer will direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing, and the Trustee will have the authority to take such actions as may be directed by the Issuer or the Collateral Manager to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by Non-Consenting Holders and Holders consenting to the Re-Pricing and otherwise take the actions contemplated by Section 2.15(e).

Section 9.8 Applicable Margin Reset

(a) A Majority of the Subordinated Notes or the Collateral Manager with the consent of a Majority of the Subordinated Notes may, by delivering an Election Notice to the Issuer and Trustee cause the Notes of any AMR Class specified in such Election Notice to be subject to Mandatory Tender and subsequent transfer at the respective Redemption Price on any Business Day after the end of the Non-Call Period, in accordance with the provisions of this Section 9.8 and Section 9.9. Any such Applicable Margin Reset may not modify or supplement any terms of any AMR Class of Notes other than the Applicable Margin and the Non-AMR Period (if any). The Holder and each beneficial owner of each Note of an AMR Class, by its acceptance of an interest in such Note, is deemed to have agreed to transfer and tender its Notes in accordance with this Section 9.8 and Section 9.9 and is deemed to agree to cooperate with the Trustee to effect such transfer and tender. For the avoidance of doubt, the Class X Notes, the Class A-1 Notes, the Class A-2 Notes, the Class B-1 Notes and the Class B-2 Notes are not subject to Applicable Margin Resets.

(b) Notwithstanding anything to the contrary set forth herein, no AMR Class shall be subject to Mandatory Tender and subsequent transfer pursuant to an Applicable Margin Reset unless:

(i) if the AMR Settlement Date is a Payment Date, all accrued and unpaid interest on the Notes of an AMR Class subject to Mandatory Tender on such AMR Settlement Date (including any defaulted interest (and interest thereon) and any Deferred Interest that remains unpaid (and interest thereon)) is paid in full after application of the Priority of Payments on such Payment Date;

(ii) all fees and expenses of the Trustee and the Auction Service Provider expected to be incurred in connection with the Applicable Margin Reset in the event the Applicable Margin Reset fails shall not exceed the AMR Expense Cap unless such expenses shall have been paid for (or commitments for payment have been received) by an entity other than the Issuer (including through Contributions);

(iii) no Event of Default shall have occurred and then be continuing;

(iv) the Auction Service Provider is registered as a broker-dealer under the Exchange Act;

(v) no resignation by the Auction Service Provider or removal of the Auction Service Provider shall have become effective for which no successor Auction Service Provider has been appointed; and

(vi) the Trustee has received an officer's certificate of the Issuer (which may rely on information or certifications from the Auction Service Provider, the Collateral Manager or any other Person as the Issuer deems necessary or appropriate) stating that the foregoing conditions (i) through (v) will be satisfied as of the AMR Settlement Date.

(c) Failure to give any notice required under this Section 9.8 or Section 9.9, or any defect therein, to any Person shall not impair or affect the validity of the Applicable Margin Reset or give rise to any claim based upon such failure or defect. Notwithstanding anything herein to the contrary, failure to effect an Applicable Margin Reset for any reason shall not constitute an Event of Default.

(d) For the avoidance of doubt, each AMR Class may be subject to an Applicable Margin Reset independently of any other AMR Class, and the terms "Applicable Margin Reset," "AMR Cap Margin," "AMR Settlement Date," "AMR Pricing Date," "Non-AMR Period" and "Incomplete Reset" shall be determined separately for and applied independently to each AMR Class.

(e) The Election Notice must designate an AMR Settlement Date at least 10 Business Days following the date such notice is provided by a Majority of Subordinated Notes or the Collateral Manager to the Issuer and Trustee. A Majority of the Subordinated Notes regardless of whether or not the related Election Notice was provided by a Majority of the Subordinated Notes (or, only if the related Election Notice was provided by the Collateral Manager, the Collateral Manager) may cancel any proposed AMR Settlement Date if such date is on or after the applicable Determination Date and before the next succeeding Payment Date; provided further that, if any AMR Settlement Date designated in an Election Notice does not occur for any reason (including withdrawal of the related Applicable Margin Reset by the Issuers) or in the event of any Incomplete Reset, the related Applicable Margin Reset shall be cancelled and such AMR Settlement Date shall not occur.

(f) No later than three Business Days after delivery of an Election Notice, the Trustee and Collateral Manager (in reliance upon information provided by the Issuer, the Auction Service Provider or any other Person as the Trustee and/or the Collateral Manager deem necessary or appropriate) shall work in good faith to confirm that all fees and expenses of the Trustee and the Auction Service Provider expected to be incurred in connection with the Applicable Margin Reset in the event the Applicable Margin Reset fails either shall not exceed the AMR Expense Cap, or any expenses in excess of such cap will be paid or provided for through Contributions or by payment by an entity other than the Issuer. If the Trustee and the Collateral Manager are unable to make such confirmation, the Applicable Margin Reset will cease and the AMR Settlement Date will be cancelled, and at the direction of the Issuer (or the Collateral Manager on its behalf), the Trustee shall provide notice of the cancellation to the party who provided the Election Notice and, if the AMR Information Notice has been delivered, to

each Holder, the Rating Agency, the Collateral Manager, the Issuer and the Auction Service Provider.

(g) Within three Business Days after the Trustee receives an Election Notice, the Trustee on behalf of the Issuer shall deliver a notice in the form of Exhibit M (the "AMR Information Notice") to each Holder, the Rating Agency, the Collateral Manager, the Issuer, the Holders of the Subordinated Notes and the Auction Service Provider (who will make the information contained in such notice available to Broker-Dealers through the Platform), which notice shall:

(i) specify the AMR Classes subject to a proposed Applicable Margin Reset (each a "Subject AMR Class"), the related AMR Pricing Date, the AMR Cap Margin, the designated Non-AMR Period for such Class, and the AMR Settlement Date, each as provided in the related Election Notice, and for each Subject AMR Class its Aggregate Outstanding Amount and the AMR Current Margin for such Class;

(ii) include a copy of this Section 9.8 and Section 9.9 which sets forth the procedures for implementing an Applicable Margin Reset and any further instructions or information requested by the Auction Service Provider with respect thereto;

(iii) specify the Redemption Price; and

(iv) include the most recent list (if any) provided by the Auction Service Provider to the Trustee of the Broker-Dealers that are members of the Platform as provided by the Auction Service Provider.

(h) On the AMR Pricing Date, by not later than the Submission Deadline, Broker-Dealers may submit Bids through the Platform. After the Submission Deadline, the Auction Service Provider shall determine the Winning Bid Margin (if any) in accordance with this Section 9.8 and Section 9.9.

(i) (A) On the AMR Pricing Date, following the determination of the Winning Bid Margin, the Auction Service Provider shall provide the following notices:

(i) written notice (which may be through its Platform) separately to each Broker-Dealer that participated in the Applicable Margin Reset, specifying (x) whether or not a successful Applicable Margin Reset has occurred with respect to each Subject AMR Class, and (y) with respect to each Subject AMR Class for which a successful Applicable Margin Reset has occurred, (A) the Winning Bid Margin, (B) notice as to whether any individual Bids submitted by such Broker-Dealer were accepted, and if so, the principal amount of Notes with respect to which such Bids were accepted, purchase price and proceeds required from each Broker-Dealer by the Funding Deadline, (C) aggregate Bid amounts received from Broker-Dealers which are at or below the Winning Bid Margin (aggregating into one number the total size of Bids below the Winning Bid Margin and aggregating into a separate number the total size of Bids at the

Winning Bid Margin), and (D) only to the extent such Broker-Dealer submitted Bids that were accepted, notice of the settlement details for each applicable AMR Settlement Cash Account; and

(ii) written notice to the Issuer and the Trustee (who shall forward such notice to the Holders of the Subject AMR Classes) and Collateral Manager specifying (x) whether or not a successful Applicable Margin Reset had occurred with respect to each Subject AMR Class, (y) with respect to each Subject AMR Class for which a successful Applicable Margin Reset had occurred (A) the Winning Bid Margin, (B) aggregate Bid amounts received from Broker-Dealers which are at or below the Winning Bid Margin (aggregating into one number the total size of Bids below the clearing level which are below the Winning Bid Margin and aggregating into a separate number the total size of Bids at the Winning Bid Margin), and (C) notice of the principal amount of Notes allocated to each Broker-Dealer and the amount of purchase proceeds required from each Broker-Dealer by the Funding Deadline.

(B) On any AMR Pricing Date on which a Winning Bid Margin was not determined with respect to any AMR Class, the Auction Service Provider shall provide written notice to the Issuer, the Trustee and the Collateral Manager that an Incomplete Reset has occurred with respect to such AMR Class.

(j) By not later than the end of the Business Day immediately succeeding the Business Day on which it receives a notice from the Auction Service Provider that a Winning Bid Margin was not determined with respect to any Subject AMR Class, the Trustee shall provide to the Holders of such Classes (with a copy to the Collateral Manager) a notice that an Incomplete Reset has occurred with respect to such Class or Classes, as applicable.

(k) Not later than one Business Day following an AMR Pricing Date for which the Auction Service Provider has provided notice that a successful Applicable Margin Reset has occurred, the Trustee on behalf of the Issuer will provide notice substantially in the form of Exhibit N (the "Mandatory Tender Notice") to DTC and to each Holder of any AMR Class for which a Winning Bid Margin has been determined, with a copy to the Collateral Manager, notifying DTC and such Holder that its Notes of such AMR Class will be subject to Mandatory Tender on the AMR Settlement Date in exchange for the Redemption Price. The Issuer shall deliver to the Trustee, and the Trustee shall make available to each Holder through the Trustee's website and to the Rating Agency a pricing supplement to the Offering Circular prepared and provided by or on behalf of the Issuer reflecting that the Applicable Margin for each applicable AMR Class will be the AMR Determined Margin with respect to each such AMR Class as of the applicable AMR Settlement Date and of the new Non-AMR Period with respect to each such AMR Class. None of the Trustee, the Collateral Administrator, the Collateral Manager nor the Auction Service Provider will have any liability for the preparation or content of the pricing supplement, and, except for any failure to post such pricing supplement on the Trustee's website or make such pricing supplement available to the Rating Agency after receipt of the pricing supplement from the Issuer in accordance with the terms hereof, neither the Trustee nor the Collateral Administrator (including in its capacity as Information Agent), as applicable, shall

have any liability in connection with the posting of such pricing supplement on the Trustee's website and making such pricing supplement available to the Rating Agency.

(l) The Issuers may withdraw any notice of Applicable Margin Reset and cancel the related AMR Settlement Date by written notice to the Trustee (who shall forward such notice to the Holders of the applicable AMR Class(es) and the Rating Agency), the Collateral Manager and the Auction Service Provider (who shall, within one Business Day of receipt, make the information contained in such notice available to Broker-Dealers through the Platform) on any day up to and including the later of (x) the Business Day prior to the scheduled AMR Pricing Date if the Issuer receives written direction from a Majority of the Subordinated Notes (after consulting with the Collateral Manager) to withdraw such notice of Applicable Margin Reset; and (y) the Business Day immediately preceding the AMR Settlement Date if the Issuer receives a certificate of a Trust Officer or a responsible officer of the Collateral Manager confirming that such Person has actual knowledge that any of the conditions to such Applicable Margin Reset set forth in this Section 9.8 or Section 9.9 would not be met with respect to any AMR Class subject to such Applicable Margin Reset. In the event of such withdrawal or cancellation the Applicable Margin Reset will cease and the AMR Settlement Date will be cancelled with respect to such AMR Class without any liability to the Issuer, the Trustee, the Collateral Manager, the Auction Service Provider or any other person. The failure of any Applicable Margin Reset to occur or the occurrence of an Incomplete Reset shall not constitute an Event of Default.

(m) With respect to any Applicable Margin Reset for which a Winning Bid Margin for any Subject AMR Class was determined on the related AMR Pricing Date:

(i) (i) prior to the Funding Deadline, each Broker-Dealer that submitted a Bid that was accepted (in whole or in part) will deposit the full Redemption Price of the Notes in respect of which their bid was accepted into each applicable AMR Settlement Cash Account (without giving effect to any prospective amortization to occur on the AMR Settlement Date and pro rata reduction of the allocations as described below);

(ii) promptly after the Funding Deadline, the Trustee shall confirm whether or not each Broker-Dealer that submitted a Bid that was accepted has deposited the full Redemption Price of the Notes subject to such accepted Bid in the AMR Settlement Cash Account and, if any such Broker-Dealer has not deposited such amount, the Trustee shall immediately notify such Broker-Dealer that such Broker-Dealer must deposit the Redemption Price of such Notes in the AMR Settlement Cash Account by not later than 12:00 p.m. New York time on the AMR Settlement Date (the "Delayed Funding Deadline");

(iii) by not later than 1:00 p.m., New York time, on the AMR Settlement Date, to the extent that sufficient funds are on deposit in the applicable AMR Settlement Cash Account to effect a Mandatory Tender of the Notes of each AMR Class for which an Applicable Margin Reset was held and a Winning Bid Margin determined (if the AMR Settlement Date is a Payment Date, after application of the Priority of Payments and any related amortization pursuant to any AMR Amortization Notice), the Trustee will transfer such funds to DTC in

accordance with the Mandatory Tender Notice and DTC's procedures with respect to mandatory tenders, and upon settlement of the Mandatory Tender, the Trustee will, free deliver such Notes via the relevant AMR Settlement Account through DTC to the Broker-Dealers (or an Affiliate thereof that is a member of, or a direct participant in, DTC) purchasing Notes pursuant to the related Applicable Margin Reset;

(iv) following completion of the steps outlined in clauses (i) and (ii) and in consultation with the Auction Service Provider, the Trustee will return to the applicable Broker-Dealers any funds deposited in the AMR Settlement Account with respect to the applicable AMR Class that have not been applied to the purchase and mandatory tender;

(v) on the AMR Settlement Date, the AMR Determined Margin for each Subject AMR Class that has been subject to a successful Applicable Margin Reset shall, automatically and without further action, become the Applicable Margin with respect to such AMR Class; and

(vi) following settlement of the Mandatory Tender and subsequent delivery of Notes of each AMR Class on the AMR Settlement Date pursuant to this Section 9.8(m), the Trustee shall promptly give notice of such AMR Determined Margin to DTC and to each holder and beneficial owner of Notes under this Indenture.

(n) If sufficient funds are not received in the applicable AMR Settlement Account by the Delayed Funding Deadline, (i) the Trustee on behalf of the Issuer shall return the funds with respect to the applicable Subject AMR Class that had previously been deposited into the applicable AMR Settlement Account to the Broker-Dealers that deposited such funds, (ii) the Trustee on behalf of the Issuer shall immediately instruct DTC to cancel the Mandatory Tender with respect to the applicable AMR Class and (iii) the Trustee on behalf of the Issuer shall provide to each Holder of Notes of each Class (with a copy to the Collateral Manager and the Auction Service Provider) a notice that an Incomplete Reset with respect to the applicable Subject AMR Class has occurred.

(o) The parties to this Indenture acknowledge and agree that (i) the Trustee is facilitating the settlement of the Global Securities of an AMR Class on behalf of the Issuer solely as a "Clearing DTC Participant" and as a "bank" as defined in Section 3(a)(6) of the Exchange Act and not as an "underwriter" (as defined in Section 2(a)(11) of the Securities Act) or a "broker" or "dealer" under Sections 3(a)(4) and 3(a)(5) of the Exchange Act, (ii) the Trustee shall not be deemed to be a beneficial owner or holder of the Global Securities of the related AMR Class or a custodian of any such Global Securities on behalf of any Broker-Dealer and (iii) the obligation of the Trustee to make deliveries of interests in Global Securities on an AMR Settlement Date is subject to the timely submission by Mandatory Tender of all of the beneficial interests in the AMR Class subject to the Applicable Margin Reset and the delivery by the applicable Broker-Dealers of the Redemption Price of such AMR Class.

(p) In the event of any failed deliveries or other issues arising in respect of the settlement of the Global Securities of an AMR Class, the Trustee shall be entitled to receive and rely upon instructions from the Issuer (or the Collateral Manager on its behalf) as to the actions to be taken in respect thereof.

(q) The Issuer shall cause the Collateral Administrator under the Collateral Administration Agreement to post notices, which may be a copy of the applicable pricing supplement, to the Trustee's website and to the Rule 17g-5 Website of any successful Applicable Margin Reset promptly following the AMR Settlement Date.

(r) If the Notes of any AMR Class are no longer maintained in book-entry only form by DTC, then the Applicable Margin Reset with respect to such AMR Class shall cease without further action by any Person and the AMR Determined Margin shall be the AMR Current Margin.

(s) If a Clearing Corporation notifies the Issuer that it is unwilling or unable to continue as registered owner of the Notes in an AMR Class or if at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to such Clearing Corporation is not appointed by the Issuer within 90 days after the Issuer receives notice or becomes aware of such condition, as the case may be, the Issuer shall provide notice thereof to the Trustee and the Auction Service Provider and the Applicable Margin Resets shall cease.

Section 9.9 Applicable Margin Reset Process

(a) Elections and Winning Bid Margins Determination.

(i) Prior to the Submission Deadline, for each Subject AMR Class on each AMR Pricing Date, each Broker-Dealer may submit bids as to the principal amount of Notes of any Subject AMR Class (a "Bid") that such Broker-Dealer offers to purchase (for its own account or on behalf of any Potential Holder that is a customer of such Broker-Dealer) in the event that the AMR Determined Margin is equal to or greater than the applicable spread over the Benchmark (or, in the case of any Fixed Rate Notes, the Interest Rate) specified in such Bid (in the case of any Floating Rate Note, such spread over the Benchmark, or in the case of any Fixed Rate Note, such Interest Rate, each a "Specified Bid Margin" with respect to such Bid); provided that any Class of Fixed Rate Notes may be modified with obligations that bear interest at a floating rate, so long as the spread over the Benchmark (1) is equal to or lower than the then current spread applicable to any Class of Floating Rate Notes ranking *pari passu* in the payment of interest and principal in the Note Payment Sequence, if any, and (2) together with the Benchmark then applicable to the Floating Rate Notes is equal to or lower than the initial Interest Rate of the Class of Fixed Rate Notes being modified (if any). All Bids must be submitted through the Platform. A Bid will not be accepted through the Auction Service Provider if it:

(1) specifies a Specified Bid Margin higher than the AMR Cap Margin for the applicable AMR Class,

(2) specifies a principal amount of Notes of any AMR Class that is either (x) less than the minimum denomination for such Class or (y) greater than the amount of Notes of such AMR Class then Outstanding or available for purchase under the Applicable Margin Reset,

(3) is conditioned on being filled in part or whole,

(4) is an All or Nothing Bid,

(5) is submitted after the Submission Deadline, or

(6) otherwise fails to provide all information required by the Platform in respect of the Bid and the Broker-Dealer.

A Bid placed by a Broker-Dealer shall constitute an irrevocable offer to purchase the Notes subject thereto at the Redemption Price if the Specified Bid Margin specified in such Bid is less than or equal to the AMR Determined Margin. None of the Issuer, the Collateral Manager or any of their respective Affiliates may submit Bids. None of the Trustee, the Auction Service Provider or the Collateral Manager shall be deemed to be engaged in any solicitation of Bids or to incur any recommendation or suitability obligations to any party submitting Bids in connection with any Applicable Margin Reset.

(ii) The Auction Service Provider will implement procedures in accordance with its customary practice to protect the confidentiality of Bids submitted by Broker-Dealers between the time of submission and the end of the Submission Deadline.

(iii) None of the Issuer, the Co-Issuer, the Trustee, the Collateral Administrator, the Collateral Manager or the Auction Service Provider shall be responsible for any technological failure, inadvertent sharing or beyond protocol loss of confidential information, force majeure or clerical error of the Auction Service Provider, or for the failure of any Broker-Dealer to submit a Bid through the Auction Service Provider on behalf of any Potential Holder.

(iv) None of the Issuer nor its Affiliates may submit Bids; provided that the Collateral Manager shall not be considered an Affiliate of the Issuer for the purpose of the restriction set forth in this sentence. None of the Trustee, the Collateral Manager or the Auction Service Provider shall be deemed to be engaged in any solicitation of Bids or to incur any recommendation or suitability obligations to any party submitting Bids in connection with any Applicable Margin Reset.

(v) If the aggregate principal amount of Notes of a Subject AMR Class that are the subject of Bids specifying Specified Bid Margins that are lower than or equal

to the AMR Cap Margin ("Clearing Bids") is at least equal to the principal amount of Notes of such Class that are then Outstanding ("Sufficient Clearing Bids"), the AMR Determined Margin will be the lowest applicable spread over the Benchmark (or, in the case of any Fixed Rate Notes, Interest Rate) specified in the Clearing Bids which, when calculated by the Auction Service Provider as the AMR Determined Margin, causes the Aggregate Outstanding Amount of Notes of such Subject AMR Class that are the subject of Clearing Bids to be at least equal to the Aggregate Outstanding Amount of Notes of such AMR Class that are then Outstanding (the "Winning Bid Margin"). If Sufficient Clearing Bids do not exist, then an Incomplete Reset will occur, the AMR Determined Margin for such AMR Class will be the AMR Current Margin, and the AMR Settlement Date for such AMR Class will be cancelled.

(vi) If, as a result of determination of Sufficient Clearing Bids and the Winning Bid Margin as set forth above, Bids submitted by any Broker-Dealer with respect to any AMR Class would be accepted in an aggregate principal amount greater than zero but less than twice the minimum denomination for such Class, the Auction Service Provider shall, by non-discretionary allocation procedures established by the Auction Service Provider, increase or decrease the principal amount of the Notes subject to such Bids such that, following such purchase or repurchase, each such Bid is for a principal amount of Notes of such Class of either zero or not less than twice the minimum denomination for such Class, even if such allocation results in one or more such Bids receiving an allocation of zero.

(vii) Notes of an AMR Class for which a Winning Bid Margin has been determined will be allocated on a *pro rata* basis among Broker-Dealers submitting Bids at or below the AMR Determined Margin, following the non-discretionary allocation procedures determined on the Platform or other non-discretionary allocation procedures established by the Auction Service Provider in connection with the Applicable Margin Reset. The Auction Service Provider will determine such allocation immediately following the determination of the Winning Bid Margin and will promptly provide notice to the Trustee, the Collateral Manager and the Broker-Dealers of such allocation, and in any case will provide such notice prior to the applicable AMR Pricing Date.

Anything herein to the contrary notwithstanding:

(A) each Holder of Notes of any AMR Class shall be deemed to have irrevocably agreed to tender such Notes to the Trustee pursuant to the customary procedures of DTC in exchange for the Redemption Price on each AMR Settlement Date;

(B) any Bid submitted in connection with an Applicable Margin Reset by any Broker-Dealer shall be revocable until the Submission

Deadline, and after the Submission Deadline all such Bids shall be irrevocable, except as otherwise set forth in this Indenture;

(C) any Notes of a Subject AMR Class subject to a successful Applicable Margin Reset shall automatically be tendered by such Holder to the Trustee, and delivered by the Trustee to the applicable Broker-Dealer, at a price equal to the Redemption Price; and

(D) each Holder and Broker-Dealer that purchases, or facilitates the purchase of, Notes pursuant to Sections 9.8 and 9.9 will be deemed to have represented and agreed to the matters set forth in this Indenture with respect to its Notes.

(b) Settlement Process.

(i) Notes of each AMR Class for which a Winning Bid Margin has been determined will be subject to a Mandatory Tender (which shall be effected through DTC) at the Redemption Price on the AMR Settlement Date, or no later than two Business Days following the related AMR Settlement Date (if the AMR Settlement Date is a Payment Date, after application of the Priority of Payments on such Payment Date); provided, that, if any such settlement occurs on a date following the AMR Settlement Date, the related Broker-Dealer shall be treated as the holder of record as of the related AMR Settlement Date.

(ii) If the AMR Settlement Date is a Payment Date on which all or any portion of an AMR Class will be amortized in accordance with the Priority of Payments, prior to 12:00 p.m., New York time, on the second Business Day prior to such AMR Settlement Date, the Trustee on behalf of the Issuer shall notify DTC (with a copy to the Issuer, the Collateral Manager and the Auction Service Provider) in the form of Exhibit O hereto of the amount of the Aggregate Outstanding Amount of such AMR Class to be amortized (an "AMR Amortization Notice"). The allocation to each Broker-Dealer who received an allocation on the AMR Pricing Date shall be reduced *pro rata* by the Aggregate Outstanding Amount set forth in such AMR Amortization Notice, as determined by the Auction Service Provider and notified to the Trustee (with a copy to the Collateral Manager), and the Auction Service Provider will so notify each such Broker-Dealer through the Platform. For the avoidance of doubt, the Auction Service Provider will not re-run the auction after the determination of the Winning Bid Margin on the AMR Pricing Date.

The Trustee shall have no liability for any failure or delay in effecting a settlement resulting from a failure or delay in receiving settlement instructions from any Broker-Dealer.

The Issuer, the Co-Issuer, the Trustee and the Collateral Manager shall have no responsibility or liability for the implementation of the Applicable Margin Reset procedures other than as expressly set forth in this Indenture.

(c) Miscellaneous.

(i) The Issuer shall engage the Auction Service Provider pursuant to the Auction Service Provider Agreement, pursuant to which the Auction Service Provider shall agree to, among other things, conduct Applicable Margin Resets in accordance with the provisions of this Indenture and specifically Sections 9.8 and 9.9.

(ii) Within three Business Days after the later of the Closing Date and execution of the Auction Service Provider Agreement, the Issuer (or the Trustee on behalf of the Issuer) shall furnish or make available to the Auction Service Provider copies of this Indenture, the Collateral Management Agreement and the Collateral Administration Agreement and the Trustee shall provide access to the Trustee's website for access to the Monthly Reports and the Distribution Reports, when available, and upon receipt of the foregoing information, the Auction Service Provider may make such information available on its Platform to the Broker-Dealers signed up to receive access to such Platform.

(iii) Neither the Trustee nor the Collateral Manager shall have any responsibility or liability with respect to the identification of Broker-Dealers or Potential Holders for an Applicable Margin Reset, the determination of the Winning Bid Margin, the conduct of an Applicable Margin Reset, including the conduct of an auction by the Auction Service Provider or the preparation or collection of any Bids, the content on the Platform or for any failure of the Auction Service Provider to post any content required under this Indenture or the Auction Service Provider Agreement. In providing any AMR Information Notice, Mandatory Tender Notice or notice of any Incomplete Reset or other cancellation of an Applicable Margin Reset, the Trustee shall be entitled to conclusively rely upon information contained in the Election Notice or provided to the Trustee by the Issuer, the Collateral Manager or the Auction Service Provider.

(d) If the Notes of any AMR Class are no longer maintained in book-entry only form by DTC, then the Applicable Margin Reset with respect to such AMR Class shall cease without further action by any Person and the AMR Determined Margin shall be the AMR Current Margin.

(e) If a Clearing Corporation notifies the Issuer that it is unwilling or unable to continue as registered owner of the Notes in an AMR Class or if at any time DTC shall no longer be registered or in good standing under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation and a successor to such Clearing Corporation is not appointed by the Issuer within 90 days after the Issuer receives notice or becomes aware of such condition, as the case may be,

the Issuer shall provide notice thereof to the Trustee and the Auction Service Provider and the Applicable Margin Resets shall cease.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money.

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Collateral, in accordance with the terms and conditions of such Collateral. The Trustee shall segregate and hold all such money and property received by it in the Issuer Accounts in trust for the Secured Parties and shall apply it as provided in this Indenture. If a default occurs in the making of any payment or performance in connection with any Collateral, the Issuer (or the Collateral Manager on its behalf) and the Trustee (subject to Section 6.13 and the other provisions of Article VI) shall, at the direction of the Collateral Manager, take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate proceedings. The accounts established by the Trustee pursuant to this Article X may include any number of sub-accounts deemed necessary for convenience in administering the Collateral.

By Issuer Order (which may be in the form of standing instructions), the Issuer shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest or cause the investment of, pending application in accordance with Section 10.3, all funds received into the Issuer Accounts (other than the Payment Account, the Collateral Account and the Subordinated Notes Collateral Account) during a Due Period (except when such funds shall be required to be disbursed hereunder), and amounts received in prior Due Periods and retained in any Issuer Account (other than the Payment Account, the Collateral Account and the Subordinated Notes Collateral Account), as so directed in Eligible Investments having Stated Maturities no later than the Business Day before the next Payment Date.

If, prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Issuer within 3 Business Days after transfer of such funds to the applicable Issuer Account. If the Trustee does not thereupon receive written instructions from the Issuer within 5 Business Days after transfer of such funds to such Issuer Account, it shall invest and reinvest the funds held in such Issuer Account, as fully as practicable, in the Standby Directed Investment or, if subsequently so instructed by a standing written instruction of the Collateral Manager, in an investment described in clause (ii) of the definition of "Eligible Investment" designated in such instruction.

After the occurrence and during the continuance of an Event of Default, the Trustee shall invest and reinvest, or cause the investment or reinvestment of, such monies as fully as practicable in (i) the Standby Directed Investment or (ii) in an investment described in clause (ii) of the definition of "Eligible Investment" designated by the Collateral Manager in a standing written instruction, not later than the Business Day prior to the next Payment Date. All interest

and other income from such investments shall be deposited in the applicable Issuer Account, any gain realized from such investments shall be credited to such Issuer Account, and any loss resulting from such investments shall be charged to such Issuer Account. The Trustee shall not in any way be held liable by reason of any insufficiency of funds in any Issuer Account resulting from any loss relating to any such investment, except with respect to investments in obligations issued by the Bank or any Affiliate thereof.

Funds on deposit in the Issuer Accounts (except for the Payment Account, the Collateral Account and the Subordinated Notes Collateral Account) shall be invested or re-invested by the Trustee in investments as set forth in this Section 10.1. Subject to Section 6.1(c), the Trustee shall not in any way be held liable by reason of its compliance with the terms of this Indenture or with the directions of the Issuer, in each case, with respect to any such investments; provided, however, the foregoing shall not relieve the Bank from any liability for losses attributable to the Bank's failure to make payments on investments issued by the Bank, in its commercial capacity as principal obligor and not as Trustee, in accordance with their terms. Subject to Section 6.1(c), the Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its Stated Maturity.

Section 10.2 Collection Account; Subordinated Notes Collection Account; Collateral Account and Subordinated Notes Collateral Account.

(a) (i) Collection Account. The Issuer shall, on or prior to the Closing Date, establish at the Issuer Accounts Securities Intermediary two segregated, non-interest bearing trust accounts in the name of the Issuer, subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee, which shall be designated as the "Interest Collection Account" and the "Principal Collection Account" (and which shall together comprise the "Collection Account"), which shall be held by the Issuer Accounts Securities Intermediary in accordance with the Account Agreement into which the Issuer shall from time to time deposit (i) any Hedge Receipt Amount and (ii) all Proceeds (unless simultaneously reinvested in Collateral Debt Obligations, subject to the Reinvestment Criteria, or in Eligible Investments) except Proceeds of assets contained in any Subordinated Notes Accounts. Any such amounts which constitute Interest Proceeds shall be deposited into the Interest Collection Account and any such amounts which constitute Principal Proceeds shall be deposited into the Principal Collection Account. In addition, the Issuer may, but under no circumstances shall be required to, deposit or cause to be deposited from time to time such monies in the Collection Account as it deems, in its sole discretion, to be advisable. All monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held in trust by the Trustee as part of the Collateral and shall be applied to the purposes provided herein. The Trustee agrees to give the Issuers and the Collateral Manager immediate notice if a Trust Officer has actual knowledge or receives written notice that the Collection Account or any funds on deposit therein, or otherwise to the credit of the Collection Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuers shall not apply any funds on deposit in the Collection Account other than in accordance with the provisions of this Indenture and the Account Agreement. For the avoidance of doubt, and notwithstanding anything in this Indenture to the contrary, the Trustee shall be permitted to withdraw from

the Collection Account (or any other applicable Issuer Account) any Proceeds received by the Issuer (or the Trustee on behalf of the Issuer) which constitute "Principal Financed Accrued Interest" under and as defined in the Warehouse Master Participation Agreement that are required to be paid to the Senior Participant (as defined in the Warehouse Master Participation Agreement) pursuant to Section 9.2 of the Warehouse Master Participation Agreement and that were not previously paid on the Closing Date (the "Warehouse Accrued Interest") and at the direction of the Issuer, to pay such amounts to such Senior Participant immediately after receipt by the Issuer or the Trustee.

(ii) Subordinated Notes Collection Account. The Issuer shall, on or prior to the Closing Date, establish at the Issuer Accounts Securities Intermediary two segregated, non-interest bearing trust accounts in the name of the Issuer, subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee, which shall be designated as the "Subordinated Notes Interest Collection Account" and the "Subordinated Notes Principal Collection Account" (and which shall together comprise the "Subordinated Notes Collection Account"), which shall be held by the Issuer Accounts Securities Intermediary in accordance with the Account Agreement into which the Issuer shall from time to time deposit all Proceeds (unless simultaneously reinvested in Subordinated Notes Collateral Debt Obligations, subject to the Reinvestment Criteria, or in Eligible Investments) of assets contained in any Subordinated Notes Accounts. Any such Proceeds which constitute Interest Proceeds shall be deposited into the Subordinated Notes Interest Collection Account and any such amounts which constitute Principal Proceeds shall be deposited into the Subordinated Notes Principal Collection Account. In addition, the Issuer may, but under no circumstances shall be required to, deposit or cause to be deposited from time to time such monies in the Subordinated Notes Collection Account as it deems, in its sole discretion, to be advisable. All monies deposited from time to time in the Subordinated Notes Collection Account pursuant to this Indenture shall be held in trust by the Trustee as part of the Collateral and shall be applied to the purposes provided herein. The Trustee agrees to give the Issuers and the Collateral Manager immediate notice if a Trust Officer has actual knowledge or receives written notice that the Subordinated Notes Collection Account or any funds on deposit therein, or otherwise to the credit of the Subordinated Notes Collection Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuers shall not apply any funds on deposit in the Subordinated Notes Collection Account other than in accordance with the provisions of this Indenture and the Account Agreement.

(b) Subject to Section 10.3(e), all property in the Collection Account and the Subordinated Notes Collection Account, together with any securities in which funds included in such property are or will be invested or reinvested during the term of this Indenture, and any income or other gain realized from such investments, shall be held by the Issuer Accounts Securities Intermediary in the Collection Account or the Subordinated Notes Collection Account, as applicable, as part of the Collateral subject to disbursement and withdrawal as provided in this Section 10.2 and Section 10.3(e). Within one Business Day after a Trust Officer of the Trustee becoming aware of the receipt of any Distribution or other Proceeds which is not Cash, shall so notify the Issuer and the Issuer shall, within 10 Business Days of receipt of such notice from the Trustee, (i) transfer such Distribution or other Proceeds to the Collateral Account if such

Distribution or other Proceeds may be held by the Issuer hereunder, (ii) transfer such Distribution or other Proceeds to a Tax Subsidiary if it may be held by a Tax Subsidiary hereunder, or (iii) sell such Distributions or other Proceeds for Cash in an arm's length transaction or transactions and deposit the Proceeds thereof in the Collection Account or the Subordinated Notes Collection Account, as applicable, for investment pursuant to this Section 10.2; provided, however, that the Issuer need not sell such Distributions or other Proceeds if it delivers an Officer's Certificate to the Trustee certifying that such Distributions or other Proceeds constitute Collateral Debt Obligations or Eligible Investments and that all steps necessary to cause the Trustee to have a perfected lien therein that is of first priority, free of any adverse claim or the legal equivalent thereof, as applicable, have been taken; provided, further, that any Equity Security shall be sold or liquidated to the extent required by Section 12.1(f).

Notwithstanding anything in this Indenture to the contrary, only proceeds of Subordinated Notes Collateral Debt Obligations and funds on deposit in the Subordinated Notes Collection Account, the Subordinated Notes Principal Account and the Subordinated Notes Unused Proceeds Account may be used to purchase Collateral Debt Obligations that constitute Margin Stock or for any other purposes that would constitute the Issuer's extending Purpose Credit under Regulation U.

(c) (i) Collateral Account. The Issuer shall, on or prior to the Closing Date, establish at the Issuer Accounts Securities Intermediary a segregated, non-interest bearing trust account in the name of the Issuer, subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee, which shall be designated as the "Collateral Account", which shall be held by the Issuer Accounts Securities Intermediary in accordance with the Account Agreement into which the Issuer shall from time to time deposit Collateral. All Collateral deposited from time to time in the Collateral Account pursuant to this Indenture shall be held in trust by the Trustee as part of the Collateral and shall be applied to the purposes provided herein. The Trustee agrees to give the Issuers and the Collateral Manager immediate notice if a Trust Officer has actual knowledge or receives written notice that the Collateral Account or any funds on deposit therein, or otherwise to the credit of the Collateral Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuers shall not apply any funds on deposit in the Collateral Account other than in accordance with the provisions of this Indenture and the Account Agreement.

(ii) Subordinated Notes Collateral Account. The Issuer shall, on or prior to the Closing Date, establish at the Issuer Accounts Securities Intermediary a segregated, non-interest bearing trust account in the name of the Issuer, subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee, which shall be designated as the "Subordinated Notes Collateral Account" and which shall be held by the Issuer Accounts Securities Intermediary in accordance with the Account Agreement into which the Issuer shall from time to time deposit Subordinated Notes Collateral Debt Obligations. All Collateral deposited from time to time in the Subordinated Notes Collateral Account pursuant to this Indenture shall be held in trust by the Trustee as part of the Collateral and shall be applied to the purposes provided herein. The Trustee agrees to give the Issuer and the Collateral Manager immediate notice if a Trust Officer has actual knowledge or receives written notice that the Subordinated Notes Collateral

Account or any funds on deposit therein, or otherwise to the credit of the Subordinated Notes Collateral Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall not apply any funds on deposit in the Subordinated Notes Collateral Account other than in accordance with the provisions of this Indenture and the Account Agreement.

Any and all funds at any time on deposit in, or otherwise to the credit of, the Principal Account shall be held in trust by the Trustee for the benefit of the Secured Parties. The Trustee agrees to give the Issuers and the Collateral Manager immediate notice if a Trust Officer has actual knowledge or receives written notice that the Principal Account or any funds on deposit therein, or otherwise to the credit of the Principal Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. On any Business Day after the Effective Date and on or before the second Determination Date, at the direction of the Collateral Manager, the Trustee shall transfer from the Principal Account into the Collection Account as Interest Proceeds an amount designated by the Collateral Manager, subject to the Effective Date Interest Deposit Restriction. (c) (i) Unused Proceeds Account. The Issuer shall, on or prior to the Closing Date, establish at the Issuer Accounts Securities Intermediary a segregated, non-interest bearing trust account in the name of the Issuer, subject to the lien of The Bank of New York Mellon Trust Company, National Association, as Trustee, which shall be designated as the "Unused Proceeds

(iv) after the Reinvestment Period, (a) in the case of any Unscheduled Principal Payments (including Sale Proceeds received with respect to Credit Risk Obligations) and Contributions designated as Principal Proceeds, at the sole discretion of the Collateral Manager (i) subject to Section 12.2(i), to the purchase of additional Collateral Debt Obligations or for deposit into the Principal Account (or, if required under the terms of this Indenture, the Subordinated Notes Principal Account) for investment in Eligible Investments pending purchase of additional Collateral Debt Obligations in accordance with the Reinvestment Criteria during or prior to the last day of the Due Period following the Due Period of receipt or (ii) to the payment of principal on the Notes, in accordance with the Note Payment Sequence and (b) in the case of Principal Proceeds other than Unscheduled Principal Payments and Contributions designated as Principal Proceeds, to the payment of the Notes, in accordance with the Note Payment Sequence;

(v) after the Reinvestment Period or on any Redemption Date and after the Notes have been paid in full, (a) *first*, to the payment of the amount referred to in clauses (xxii) and (xxiii) of Section 11.1(a)(A) (in the order set forth therein), but only to the extent not paid in full thereunder, and then (b) *second*, to the payment of any other payments due in connection with the termination of any outstanding Hedge Agreements;

(vii) after the Reinvestment Period or on any Redemption Date (I) to the Holders of the Subordinated Notes until such Holders have received (after giving effect to any payments made on such Payment Date for the benefit of such Holders) an Internal Rate of Return of 12% and (II) then and on each Payment Date from and including that date and thereafter, 20% of the remaining balance of Principal Proceeds shall be distributed to the Collateral Manager (and/or predecessor collateral manager as specified in the Collateral Management Agreement) in payment of the Incentive Collateral Management Fee (it being understood that no further payment to the Holders of the

(i) to the payment of the amounts referred to in clauses (i) through (iv) of Section 11.1(a)(A) above in the specified order of priority and subject to any applicable cap set forth therein; provided, that following the commencement of any sales of Collateral Debt Obligations pursuant to Section 5.5(a), any caps set forth in clauses (ii) and (iii) under Section 11.1(a)(A) shall be disregarded;

(ii) to the payment of (a) *first*, any accrued and unpaid Interest Distribution Amount with respect to the Class X Notes, until such amounts have been paid in full, then (b) *second*, principal of the Class X Notes, until paid in full;

Principal Proceeds after application pursuant to clauses (i) through (vii) above and (y) the aggregate Contribution Interest Amounts and Contribution Principal Amounts available for distribution, until all such amounts have been paid in full;

(ix) (I) to the payment to the Holders of the Subordinated Notes until such Holders have received (after giving effect to any payments made on such Payment Date to or for the benefit of such Holders) an Internal Rate of Return of 12%, and (II) then 20% of the remaining balance of Interest Proceeds and Principal Proceeds shall be distributed to the Collateral Manager (and/or predecessor collateral manager as specified in the Collateral Management Agreement) in payment of the Incentive Collateral Management Fee; and

(x) to the payment of all remaining Interest Proceeds and Principal Proceeds to the Holders of the Subordinated Notes.

(b) Not later than 12:00 noon, New York time, on the Business Day preceding each Payment Date, the Issuer shall, pursuant to Section 10.3(e), remit or cause to be remitted to the Trustee for deposit in the Payment Account an amount of Cash sufficient to pay the amounts described in Section 11.1(a) required to be paid on such Payment Date.

(c) If on any Payment Date the amount available in the Payment Account from amounts received in the related Due Period is insufficient to make the full amount of the disbursements required by the statements furnished by the Issuer pursuant to Section 10.5(b), the Trustee shall make the disbursements called for in the order and according to the priority set forth under Section 11.1(a) above, to the extent funds are available therefor.

(d) In the event that any Hedge Counterparty defaults in the payment of its obligations to the Issuer under a Hedge Agreement on the date scheduled for payment under the Hedge Agreement, the Trustee shall make a demand on such Hedge Counterparty, or any guarantor, if applicable, demanding payment by 12:30 p.m., New York time, on such date. The Trustee shall give notice to the Holders, the Collateral Manager and the Rating Agency upon the continuing failure by such Hedge Counterparty to perform its obligation during the 2 Business Days following a demand made by the Trustee on the Hedge Counterparty, and shall take such action with respect to such continuing failure directed to be taken by the Collateral Manager, or if an Event of Default has occurred and is continuing, the Holders pursuant to Article V.

(e) Notwithstanding anything to the contrary contained herein, Interest Proceeds may be applied to the payment of Administrative Expenses of the Issuer on days other than Payment Dates; provided, that (x) such payments do not exceed the amounts permitted to be paid on the related Payment Date pursuant to Sections 11.1(a)(A)(ii) and (iii) and (y) sufficient Interest Proceeds have theretofore been received to cover such payments.

(f) For purposes of calculating the Coverage Tests and the Interest Reinvestment Test:

(i) Subject to available Interest Proceeds and Principal Proceeds, the principal amount of the applicable Class of Notes required to be paid to bring the Class B Interest Coverage Test, the Class C Interest Coverage Test or the Class D Interest Coverage Test,

as applicable, into compliance will be the amount that, if it had been paid in reduction of the principal amount of such Class of Notes on the immediately preceding Payment Date, would have caused such Interest Coverage Test to be satisfied for the current Determination Date.

(ii) Subject to available Interest Proceeds and Principal Proceeds, the principal amount of any Class of Notes subject to mandatory redemption on any Payment Date because the Class B Overcollateralization Test, the Class C Overcollateralization Test, the Class D Overcollateralization Test, the Class E Overcollateralization Test or the Interest Reinvestment Test, as applicable, is not satisfied as of the related Determination Date will be the amount that, if it were applied to make payments (including Deferred Interest, if any) on such Class of Notes based on the Note Payment Sequence on that Payment Date, would cause such test to be met for the current Determination Date. This amount will be determined by: (a) calculating the amount of Interest Proceeds required for such payments in accordance with the Priority of Payments assuming that any such amount would reduce the denominator of the Class B Overcollateralization Ratio, the Class C Overcollateralization Ratio, the Class D Overcollateralization Ratio or the Class E Overcollateralization Ration, as applicable (but would not change the numerator); and (b) then calculating the amount of Principal Proceeds required for such payments in accordance with the Priority of Payments, assuming that amount would reduce both the numerator and the denominator of the Class B Overcollateralization Ratio, the Class C Overcollateralization Ratio, the Class D Overcollateralization Ratio or the Class E Overcollateralization Ratio, as applicable. For this purpose, calculation of the required amount of (a) Interest Proceeds will give effect to any principal payments to be made on the Notes pursuant to a more senior priority level of the Priority of Payments on that Payment Date and (b) Principal Proceeds will give effect to (i) Interest Proceeds that will be used to make principal payments on Notes in accordance with the Priority of Payments on that Payment Date and (ii) Principal Proceeds to be applied pursuant to a more senior priority level of the Priority of Payments on that Payment Date.

(iii) During the Reinvestment Period only, subject to available Interest Proceeds, the amount of Interest Proceeds available for the purchase of additional Collateral Debt Obligations or for investment in Eligible Investments pending the purchase of additional Collateral Debt Obligations at a later date because the Interest Reinvestment Test is not satisfied as of the related Determination Date shall be the amount that, if it were applied to the purchase of additional Collateral Debt Obligations or Eligible Investments pending the purchase of additional Collateral Debt Obligations, would cause such test to be met for the current Determination Date. This amount shall be determined by calculating the amount of Interest Proceeds required for such purchase assuming that any such amount would increase the numerator of the Class E Overcollateralization Ratio for purposes of the Interest Reinvestment Test (but would not change the denominator).

Section 11.2 Contributions.

(a) At any time, and from time to time, during or after the Reinvestment Period, subject to the prior written consent of a Majority of the Subordinated Notes and the Collateral

Manager, any Holder of Subordinated Notes may make a voluntary contribution of cash (a "Contribution"). Subject to the prior written consent of the Collateral Manager, the Issuer, in its discretion and taking into account all tax, regulatory, legal, accounting and other matters the Issuer deems reasonably applicable, may accept any such Contribution.

(b) Each Contribution shall be deposited into the Contribution Account for a Permitted Use. The Collateral Administrator (on behalf of the Issuer) shall track the Contributions made by each Holder of Subordinated Notes and the proceeds and collections therefrom. Upon designation of any Contribution for application as Principal Proceeds, pursuant to clause (ii) of the definition of Permitted Use, such Contribution may not thereafter be re-designated for application for any other Permitted Use.

Section 12.1 Sale of Collateral Debt Obligations and Eligible Investments.

(a) (I) Defaulted Obligation; Margin Stock; Withholding Tax Obligation; Credit Risk Obligation; Equity Security. The Collateral Manager may, but is not obligated to, direct (in the form of an Issuer Order) the Trustee in writing to sell or dispose of and the Trustee shall then sell or dispose in the manner directed by the Collateral Manager in writing any Defaulted Obligation, any Margin Stock that is a Permitted Equity Security, any Withholding Tax Obligation (without giving effect to the carve out of fees in the parenthetical of the definition thereof), any Credit Risk Obligation, any Permitted Equity Security, any Workout Loan or any Restructured Loan (including any Permitted Equity Security, any Workout Loan or any Restructured Loan held by a Tax Subsidiary or the Issuer's entire interest in a Tax Subsidiary itself (provided that if a Tax Subsidiary owns any real property interests, such real property interests must be sold or otherwise disposed of by such Tax Subsidiary (unless the S&P Rating Condition is satisfied), and the net proceeds thereof distributed to the Issuer, prior to the sale of the Issuer's interest in such Tax Subsidiary)) at any time; provided that the Collateral Manager shall use commercially reasonable efforts to sell each Permitted Equity Security, each Workout Loan and each Restructured Loan, within 3 years after the date of the Issuer's acquisition thereof.

(II) Credit Improved Obligations. The Collateral Manager may direct (in the form of an Issuer Order) the Trustee in writing to sell, and the Trustee shall then sell, in the manner directed by the Collateral Manager in writing, any Credit Improved Obligation; provided, that the Collateral Manager may not direct the Trustee to sell a Credit Improved Obligation unless in the reasonable business judgment of the Collateral Manager (which judgment shall not be called into question as a result of subsequent events), either (A) (1) the Sale Proceeds of such Credit Improved Obligation will be equal to or greater than the Reinvestment Criteria Adjusted Balance of such Credit Improved Obligation or (2) after giving effect to such sale, the Aggregate Principal Amount of the Collateral Portfolio will be greater than or equal to the Reinvestment

Target Par Balance; or (B) such sale is committed to during the Reinvestment Period and the Collateral Manager reasonably believes prior to such sale that (1) after giving effect to such sale and subsequent reinvestment, the Aggregate Principal Amount of the Collateral Portfolio will be greater than or equal to the Reinvestment Target Par Balance or (2) after such sale the Collateral Manager (on behalf of the Issuer) will be able to enter into one or more binding commitments within 30 days to reinvest all or a portion of the Sale Proceeds of such Credit Improved Obligation into additional Collateral Debt Obligations with a Reinvestment Criteria Adjusted Balance at least equal to the Reinvestment Criteria Adjusted Balance of the sold Credit Improved Obligation.

(III) Sale, Purchase and/or Exchange in Connection with Exchange Transaction. Notwithstanding anything to the contrary contained herein, but subject to Section 12.1(g), the Collateral Manager may direct (in the form of an Issuer Order) the Trustee in writing to sell, purchase and/or exchange and the Trustee shall then sell, purchase and/or exchange in the manner directed by the Collateral Manager in writing any Collateral Debt Obligation in connection with an Exchange Transaction at any time.

(IV) Sale of Margin Stock. Notwithstanding anything to the contrary contained herein, at any time that the aggregate amount (as determined by the Collateral Manager in its reasonable business judgment) of Margin Stock held by the Issuer exceeds 10% of the Aggregate Principal Amount of the Collateral Portfolio, the Collateral Manager shall, on behalf of the Issuer, instruct the Trustee pursuant to an Issuer Order to sell, and the Trustee shall sell, any such excess.

(b) Sale of Other Collateral Debt Obligations. The Collateral Manager may direct (in the form of an Issuer Order) the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Collateral Manager in writing, without regard to the restrictions contained in Section 12.1(a) any Collateral Debt Obligation which is not a Defaulted Obligation, Credit Risk Obligation, Credit Improved Obligation, Margin Stock, Permitted Equity Security, Workout Loan, Restructured Loan or Withholding Tax Obligation (without giving effect to the carve out of fees in the parenthetical of the definition thereof) so long as (any such sale, a "Discretionary Sale"):

(i) the Aggregate Principal Balance of Collateral Debt Obligations sold from and after the Effective Date and up to, but excluding the third Payment Date and during each successive rolling twelve-month period (i.e., each twelve-month period) thereafter does not exceed 25% of the Aggregate Principal Balance of Collateral Debt Obligations measured as of the beginning of each period (or in the case of the first such period, 25% of the Target Initial Par Amount);

(ii) either (A) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the Sale Proceeds of such Collateral Debt Obligation in one or more Substitute Collateral Debt Obligations with a Reinvestment Criteria Adjusted Balance at least equal to the Reinvestment Criteria Adjusted Balance of such sold Collateral Debt Obligation within 30 days after the settlement of such sale in accordance with the Reinvestment Criteria; or (B) at any time, either (1) the Sale

Proceeds from such sale are at least equal to the Reinvestment Criteria Adjusted Balance of such sold Collateral Debt Obligation or (2) after giving effect to such sale and any related reinvestments, the Reinvestment Balance Criteria will be satisfied; and

(iii) a Restricted Trading Period is not in effect.

Upon any such sale, the Trustee shall release such Collateral Debt Obligation pursuant to Section 10.6.

(c) [Reserved].

(d) Warehouse Assets. If any Warehouse Asset does not satisfy the definition of "Collateral Debt Obligation" on the Closing Date, the Issuer shall use commercially reasonable efforts to sell or otherwise dispose of such Warehouse Asset.

(e) Use of Proceeds During and After Reinvestment Period. During the Reinvestment Period, all Principal Proceeds (other than (x) accrued interest on the Collateral Debt Obligations included in clause (v) of the definition of "Interest Proceeds", (y) Principal Proceeds received in respect of Collateral Debt Obligations that are Revolving Credit Facilities to the extent such Principal Proceeds are required to be deposited in the Revolving Credit Facility Reserve Account and (z) Principal Proceeds that are subject to a binding commitment to reinvest) shall be applied to purchase additional Collateral Debt Obligations in accordance with the Reinvestment Criteria and Section 3.5(a), as applicable, or to purchase Eligible Investments in accordance with the third-to-last paragraph of Section 12.2, or shall be applied in accordance with the Priority of Payments applicable thereto on the next succeeding Payment Date, as directed by the Collateral Manager.

After the Reinvestment Period, any Principal Proceeds (other than Unscheduled Principal Payments (which includes Sale Proceeds received with respect to a Credit Risk Obligation)) shall be applied as Principal Proceeds to the payment of principal of the Notes or as otherwise provided in accordance with the Priority of Payments; provided, that notwithstanding the foregoing, (i) Sale Proceeds received during or after the Reinvestment Period with respect to any Collateral Debt Obligations as to which the Issuer (or the Collateral Manager on behalf of the Issuer) has entered into a commitment during the Reinvestment Period to sell such Collateral Debt Obligation and (ii) amounts received during or after the Reinvestment Period with respect to any Collateral Debt Obligations as to which the Issuer (or the Collateral Manager on behalf of the Issuer) has received written notice from the underlying obligor or administrative agent during the Reinvestment Period of prepayment on or redemption or refinancing of such Collateral Debt Obligation, may be used to settle purchases of Substitute Collateral Debt Obligations for which the Issuer (or the Collateral Manager on behalf of the Issuer) entered into commitments to purchase during the Reinvestment Period.

(f) Sale of Equity Security. The Collateral Manager shall use commercially reasonable efforts to direct (in the form of an Issuer Order) the Trustee to sell any Equity Security (unless constituting a Permitted Equity Security, a Workout Loan, a Restructured Loan or acquired in connection with a transaction under Section 12.1(m) hereof) within three years

after the first date on which the Issuer may, in compliance with applicable laws, legally sell, assign or transfer such Equity Security.

(g) Volcker Rule Limitations. Unless the Permitted Debt Securities Condition has been satisfied, assets acquired by the Issuer pursuant to Exchange Transactions and Workout Transactions must either be (i) (A) "loans" (as defined in 12 C.F.R. Section 248.2(s)), as determined by the Collateral Manager in good faith, (B) Eligible Investments, or (C) securities or other assets received or obtained in lieu of debts previously contracted, as determined by the Collateral Manager in good faith, or (ii) any other assets so long as the Collateral Manager has determined, based on the advice of counsel experienced in such matters, that the acquisition of such asset will not cause the Issuer to be a "covered fund" for purposes of the Volcker Rule.

(h) Market Terms. Any transaction involving the purchase or sale of Collateral effected under this Indenture shall be conducted on terms no less favorable to the Issuer than terms prevailing in the market.

(i) Disposition of Credit Risk Obligation, Defaulted Obligation, Withholding Tax Obligation or Equity Security. Upon disposition of a Credit Risk Obligation, Defaulted Obligation, Withholding Tax Obligation (without giving effect to the carve out of fees in the parenthetical of the definition thereof) or Equity Security during the Reinvestment Period, the Collateral Manager shall use reasonable commercial efforts to direct (in the form of an Issuer Order) the Trustee to purchase as required herein, prior to the end of the Due Period following the Due Period in which such Credit Risk Obligation, Defaulted Obligation, Withholding Tax Obligation (without giving effect to the carve out of fees in the parenthetical of the definition thereof) or Equity Security is sold, one or more Substitute Collateral Debt Obligations with an Aggregate Principal Balance at least equal to (x) in the case of a sale of a Credit Risk Obligation, Defaulted Obligation or Equity Security, the Sale Proceeds from such sale, and (y) in the case of a sale of a Withholding Tax Obligation, the Principal Balance of the Withholding Tax Obligation sold in such sale, in each case subject to and in compliance with the provisions of this Indenture (including the Reinvestment Criteria set forth in Section 12.2 hereof), measured with respect to the time immediately preceding such purchase, and subject to the discretion of the Collateral Manager based on market conditions and the suitability of available investments.

(j) Maturity. On or prior to the date that is one Business Day prior to the Stated Maturity, the Collateral Manager shall sell all Collateral Debt Obligations (and all Collateral Debt Obligations and Equity Securities held by any Tax Subsidiaries) to the extent necessary such that no Collateral Debt Obligations shall be held by the Issuer (and no Collateral Debt Obligations or Equity Securities shall be held by any Tax Subsidiaries) on or after such date. The settlement dates for any such sales of Collateral Debt Obligations shall be no later than one Business Day prior to the Stated Maturity.

(k) Defaulted Obligation. The Collateral Manager shall direct (in the form of an Issuer Order) the Trustee to sell Defaulted Obligations within 36 months of their becoming Defaulted Obligations unless impracticable or, in the Collateral Manager's judgment, uneconomical; provided, that the Issuer may continue to hold for longer than 36 months from such date Defaulted Obligations with an aggregate principal balance no greater than 5% of the

Aggregate Principal Amount of the Collateral Portfolio. The Principal Balance for any Defaulted Obligations held longer than 36 months shall be zero.

(l) Transferable Margin Stock. The Collateral Manager, on behalf of the Issuer, may (i) on the Closing Date or at the time of purchase, designate certain Collateral Debt Obligations as Subordinated Notes Collateral Debt Obligations, subject to the limitations set forth in the definition thereof and (ii) after the Closing Date shall not purchase any Subordinated Notes Collateral Debt Obligations with any funds other than funds in the Subordinated Notes Unused Proceeds Account or the Subordinated Notes Collection Account. If a Collateral Debt Obligation that has not been designated as a Subordinated Notes Collateral Debt Obligation becomes Margin Stock or Margin Stock is received by the Issuer in respect of a Collateral Debt Obligation that was not designated as a Subordinated Notes Collateral Debt Obligation (each, a "Transferable Margin Stock"), the Collateral Manager, on behalf of the Issuer, may direct the Trustee to (i) transfer one or more non-Margin Stock Subordinated Notes Collateral Debt Obligations having a value equal to or greater than such Transferable Margin Stock to the Collateral Account, and simultaneously (ii) transfer such Transferable Margin Stock to the Subordinated Notes Collateral Account and such Transferable Margin Stock shall thereafter be designated a Subordinated Notes Collateral Debt Obligation; provided, that to the extent that any Transferable Margin Stock is not transferred to the Subordinated Notes Collateral Account as set forth herein, such Transferable Margin Stock must be sold within 45 days of receipt. For purposes of this Section 12.1(l), the value of the non-Margin Stock Subordinated Notes Collateral Debt Obligations transferred to the Collateral Account shall be its Market Value and the value of the Transferable Margin Stock transferred to the Subordinated Notes Collateral Account shall be the greater of its Market Value and its acquisition cost.

(m) Exchange for Security of Same Obligor. Notwithstanding the provisions set forth in this Article XII, and without limiting any other rights to receive Permitted Equity Securities, Workout Loans or Restructured Loans, but subject to Section 12.1(g), at any time, the Collateral Manager may direct (in the form of an Issuer Order) the Trustee in writing to pay for the purchase (a "Workout Transaction") of a Bond, Loan, Permitted Equity Security, Workout Loan or Restructured Loan (and in the case of any warrant, may pay the exercise price thereunder); provided, that the Issuer shall, notwithstanding anything contained herein to the contrary, use (x) Interest Proceeds to effect such payment for so long as, after giving effect to such purchase, there would be sufficient proceeds pursuant to Section 11.1(a)(A) to pay all amounts required to be paid pursuant to Section 11.1(a)(A) prior to distributions to the Holders of the Subordinated Notes on the next succeeding Payment Date, (y) the Supplemental Reserve Amount or (z) amounts on deposit in the Contribution Account, to effect such payment. Any such exchange shall not be deemed to be a sale or acquisition hereunder or be subject to Section 12.2 hereof.

(n) Sales of Unsaleable Assets. Notwithstanding the provisions set forth in this Article XII but without limiting any other rights of the Issuer or the Collateral Manager to take actions not expressly prohibited hereunder to sell or otherwise dispose of Collateral Debt Obligations or other assets or rights (contingent or otherwise) of the Issuer, after the Reinvestment Period, any Unsaleable Asset may be sold (or conveyed or abandoned) at the direction (in the form of an Issuer Order) of the Collateral Manager and the Trustee may release any such item from the lien hereunder for such purpose at such direction. An "Unsaleable Asset" is (i) any Defaulted Obligation, Permitted Equity Security, Workout Loan, Restructured

Loan, obligation received in connection with a restructuring or plan of reorganization with respect to the obligor, or other exchange or any other security or debt obligation that is part of the Collateral, in respect of which the Issuer has not received a payment in cash during the preceding 12 months or (ii) any Pledged Obligation (including any of the foregoing types of assets that have received a payment within the preceding 12 months) or other asset identified in the certificate of the Collateral Manager as having in its judgment (not to be called in to question based on subsequent events), a Market Value of less than $1,000, in each case of (i) and (ii) with respect to which the Collateral Manager certifies to the Trustee that (x) it has made commercially reasonable efforts to dispose of such Pledged Obligation for at least 90 days and (y) (A) in its commercially reasonable judgment such Pledged Obligation is not expected to be saleable for the foreseeable future or (B) such asset is not then saleable or is contingent and recovery thereon is not predicted to be received within 30 days of the Stated Maturity of the Securities.

The Trustee will, in accordance with directions from the Collateral Manager, provide notice to the Holders of an auction of Unsaleable Assets, which auction shall be conducted in the following manner:

(i) a Holder may submit a written bid to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(iii) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee will provide notice thereof to each Holder and offer to deliver (at no cost to the Holder but at the expense of the Issuer) a pro rata portion of each unsold Unsaleable Asset to the Holders of the Highest-Ranking Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations, and legal and contractual restrictions. To the extent that minimum denominations, or legal or contractual restrictions, do not permit a pro rata distribution, the Issuer (or the Trustee on the Issuer's behalf) will distribute the Unsaleable Assets on a pro rata basis to the extent possible and the Issuer will select by lottery the Holder to whom the remaining amount will be delivered to the extent possible. The Trustee shall use commercially reasonable efforts to effect delivery of such interests; and

(iv) if no such Holder provides delivery instructions to the Trustee or the Trustee is unable to effect delivery, the Trustee will promptly notify the Collateral Manager and offer to deliver (at no cost to the Collateral Manager but at the expense of the Issuer) the Unsaleable Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee may take such action as directed by the Collateral Manager (on behalf of the Issuer) to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means.

The Trustee's sole responsibility with respect to the sale or disposition of any Unsaleable Asset is to act in accordance with the written instructions from the Issuer or the Collateral Manager consistent with this Indenture.

Notwithstanding the foregoing, the Trustee shall not be under any obligation to dispose of or offer for sale any Unsaleable Assets pursuant to the above if the Trustee is not reasonably satisfied that payment of all expenses, costs and liabilities to be incurred by the Trustee in connection with such disposition or offer, as the case may be, are indemnified or provided for in a manner acceptable to the Trustee and the Trustee will have no liability for the sufficiency or acceptability of the sale procedures or the results of any such sale or disposition of Unsaleable Assets conducted in accordance with the terms of this Indenture, including whether any bids are received or the amount of any bid.

Section 12.2 Eligibility Criteria and Trading Restrictions.

Section 12.4 Maturity Extension Amendments.

During and after the Reinvestment Period, the Collateral Manager (on behalf of the Issuer) may affirmatively vote in favor of a Maturity Amendment only (i)(a) if such Maturity Amendment is a Credit Amendment or (b) if such Maturity Amendment would not extend the stated maturity date of the affected Collateral Debt Obligation beyond the earliest Stated Maturity of the Notes and (ii) if as determined by the Collateral Manager after giving effect to such Maturity Amendment, the Weighted Average Life Test will be satisfied or, if not satisfied, will be maintained or improved; provided that immediately after giving effect to such Maturity Amendment, the Aggregate Principal Balance of Collateral Debt Obligations amended pursuant to clause (i)(a) at such time will not exceed 7.5% of the Aggregate Principal Amount immediately after giving effect to such Maturity Amendment. Notwithstanding the foregoing, the Collateral Manager (on behalf of the Issuer) may vote for a Maturity Amendment with respect to a Collateral Debt Obligation (A) that it (I) has already sold (either in whole or in part) if the sale has not settled, at the direction of the buyer (provided, that if such trade fails to settle, the Issuer will only retain such Collateral Debt Obligation after the effective date of the amendment if the requirements set forth above are satisfied) or (II) intends to sell within 30 Business Days after the effective date of such Maturity Amendment and reasonably believes that any such sale will be completed (on a trade date basis) prior to the end of such 30 Business Day period; provided that at the time of any vote pursuant to clause (II), any such Collateral Debt Obligation not committed to be sold by the Issuer for greater than 30 Business Days, currently owned by the Issuer and to which clause (II) was applied, will not be included in the calculations of the Overcollateralization Tests. For the avoidance of doubt the Collateral Manager may consent to an extension with respect to an investment it has already sold that has not settled, at the direction of the buyer thereof.

Section 12.5 Workout Loans and Restructured Loans.

During and after the Reinvestment Period, notwithstanding any other requirement set forth in this Indenture (except for Section 7.19(b) and (c) hereof), Interest Proceeds, Principal Proceeds and Contributions may be invested in Workout Loans and Restructured Loans; provided that:

constituting Principal Proceeds is at least equal to the Reinvestment Target Par Balance both before and after giving effect to such purchase; and

(iv) the aggregate outstanding principal amount or value, as applicable, of all Workout Loans, Restructured Loans and Equity Securities held by the Issuer at any point in time may not collectively exceed 10.0% of the Aggregate Principal Amount;

provided, further, that if such Workout Loan or Restructured Loan is an Ineligible Obligation, such Workout Loan or Restructured Loan shall be contributed to or purchased by a Tax Subsidiary.

Notwithstanding anything to the contrary herein, (x) if a Workout Loan does not meet the definition of "Collateral Debt Obligation", it will not be treated as a Collateral Debt Obligation until it subsequently meets the definition of "Collateral Debt Obligation" and is designated as such by the Collateral Manager, (y) if a Restructured Loan does not meet the definition of "Collateral Debt Obligation", it will not be treated as a Collateral Debt Obligation until it subsequently meets the definition of "Collateral Debt Obligation" and is designated as such by the Collateral Manager, and (z) any Workout Loan or Restructured Loan that meets the definition of "Collateral Debt Obligation" and is designated as such by the Collateral Manager shall be treated as a Collateral Debt Obligation and shall no longer constitute a Workout Loan or Restructured Loan.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination.

(a) Anything in this Indenture or the Securities to the contrary notwithstanding, the Issuers and the Holders of each Lower-Ranking Class agree for the benefit of the Holders of each Higher-Ranking Class that each Lower-Ranking Class' rights in and to the Collateral (the "Subordinate Interests") shall be subordinate and junior to each Higher-Ranking Class to the extent and in the manner set forth in this Indenture including, without limitation, as set forth in the Priority of Payments. After acceleration of the Notes (so long as such acceleration has not been rescinded or annulled), Holders of the Highest-Ranking Class shall be paid in cash in full or, if a Majority of such Class so consent, other than in cash before any further payment or distribution is made to any Subordinate Interest, in accordance with Section 5.8.

Each Holder and beneficial owner of Securities, by acquiring such Securities or interest therein, agrees to the provisions of Section 5.4(d) of this Indenture.

(b) In the event that notwithstanding the provisions of this Indenture, any Holder of any Subordinate Interests shall have received any payment or distribution in respect of such Subordinate Interests contrary to the provisions of this Indenture, then, unless and until all Higher-Ranking Classes shall have been paid in full in cash or, to the extent a Majority of such Class consent, other than in cash, in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the

Higher-Ranking Classes, in accordance with this Indenture; *provided*, *however*, that, if any such payment or distribution is made other than in cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to the provisions of this Indenture, including, without limitation, this Section 13.1.

(c) Each Holder of Subordinate Interests agrees with all Holders of Higher-Ranking Classes, that such Holder of Subordinate Interests shall not demand, accept, or receive any payment or distribution in respect of such Subordinate Interests in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided*, *however*, that after the Higher-Ranking Classes have been paid in full, the Holders of the Subordinate Interests shall be fully subrogated to the rights of the Holders of the Higher-Ranking Classes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of Subordinate Interests.

Section 13.2 Standard of Conduct.

In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, subject to the terms and conditions of this Indenture, including, without limitation, Section 5.9, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuers, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3 Non-Petition.

(a) Each Holder of Securities and each holder of a beneficial interest therein agrees, and by its purchase of a Security or beneficial interest therein, is deemed to agree, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Securities.

(b) Each Holder of Securities and each holder of a beneficial interest therein agrees, and by its purchase of a Security or beneficial interest therein, is deemed to agree, that if it causes the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the expiration of the period specified in clause (a) above, any claim that it has against the Issuers (including under all Securities of any Class held by such holder(s)) or with respect to any Collateral (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each holder of any Security (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Security held by each holder of any Security (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein

as the "Bankruptcy Subordination Agreement." This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code.

Section 13.4 Noteholder Information.

Each of the Noteholders (and holders of an interest in a Security) by its acceptance of such Securities (or interest therein), agrees to provide to the Issuer and the Collateral Manager all information reasonably available to it that is reasonably requested by the Issuer or the Collateral Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Collateral Manager (or its parent or Affiliates) to complete its Form ADV, to file its reports on Form PF, to comply with any requirement of the Dodd–Frank Wall Street Reform and Consumer Protection Act, as amended from time to time, to establish an exemption from registration as a commodity pool operator under the Commodity Exchange Act (or to allow the issuer to be operated as if it were exempt), to comply with know-your-customer or anti-money laundering laws and regulations of any jurisdiction (including the Cayman AML Regulations), or to comply with any other laws or regulations applicable to the Collateral Manager from time to time.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate of an Authorized Officer of the Issuer or the Co-Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuer or the Co-Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Authorized Officer of the Issuer or the Co-Issuer or such counsel knows that the certificate or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate of, or representations by, an Authorized Officer of the Issuer or the Co-Issuer or the Collateral Manager, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, or upon a certificate of an investment bank or other expert experienced in

securities similar to the Securities, unless such counsel knows that the certificate or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by an agent duly appointed in writing, and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee reasonably deems sufficient.

(c) The principal amount, notional amount and registered numbers of Securities held by any Person, and the date of his holding the same, shall be proved by the Securities Register or the Notional Amount Schedule, as applicable.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Securities shall bind the Holder (and any transferee thereof) of such Security and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, or the Issuers in reliance thereon, whether or not notation of such action is made upon such Security.

(e) If required by applicable banking laws, a Holder of a Security that is subject to the Bank Holding Company Act of 1956, as amended, may upon notice to the Trustee, elect to forfeit the voting or consent rights specified in such notice of all or any portion of any Security owned by such Holder (the "Electing Holder"). With respect to any matter as to which Holders of Securities may vote or consent and as to which any Electing Holder has forfeited the right to consent in respect of any Security owned by it (the "Elected Security"), such Elected Security

shall not be included in determining whether such matter has been approved, consented to or adopted. Any such election may be rescinded in whole or in part at any time if such Electing Holder determines that such rescission is consistent with applicable banking laws.

Section 14.3 Notices.

Section 14.4 Notices to Holders; Waiver.

Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first-class postage prepaid or by overnight delivery service, to each Holder of a Security affected by such event, at the address of such Holder as it appears in the Securities Register (or, in the

case of Holders of Global Securities, e-mailed to DTC), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing (or emailed to DTC).

The Trustee shall deliver to the Holders any information or notice requested to be so delivered by at least 50% of the Holders of any Class of Securities.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Notices to the Rating Agency; Rule 17g-5 Procedures.

(a) To the extent that the Rating Agency makes an inquiry or initiates communications with the Issuer, the Collateral Manager or the Trustee regarding the Notes or the Collateral Debt Obligations relevant to the Rating Agency's surveillance of the Notes, all responses to such inquiries or communications from the Rating Agency, if so required by Rule 17g-5, shall be made in writing by the responding party and shall be forwarded to the Issuer's Website by the Information Agent in accordance with the procedures set forth in Section 14.5(d) and the Collateral Administration Agreement.

(b) To the extent that any of the Issuer, the Collateral Manager, the Trustee or the Collateral Administrator is required to provide any notice or information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or the Collateral Management Agreement, the Issuer, the Collateral Manager, the Trustee or the Collateral Administrator, as applicable, shall provide such information or communication to the Information Agent by e-mail at CentCLO30-17g@bnymellon.com, in each case specifying "COLUMBIA CENT CLO 30 LIMITED" (or to such other address as the Information Agent shall specify in writing), which the Information Agent shall promptly post to the Issuer's Website in accordance with the procedures set forth in Section 14.5(d) and the Collateral Administration Agreement. All such information to be posted must be provided to the Information Agent in an electronic format readable and uploadable (e.g., that is not locked or corrupted). Neither the Trustee nor the Information Agent shall be liable for the acts or omissions of any other Person related to compliance with Rule 17g-5 and its procedures in accordance with and to the extent set forth in this Section 14.5. Notwithstanding anything therein to the contrary, the maintenance by

the Trustee of the Trustee's website described in Section 10.5 shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(c) The Issuer, the Collateral Manager, the Trustee and the Collateral Administrator shall be permitted (but shall not be required) to orally communicate with the Rating Agency regarding any Collateral Debt Obligation or the Notes; provided that, if so required by Rule 17g-5, such party summarizes in writing the information provided to the Rating Agency in such communication and provides the Information Agent with such summary in accordance with the procedures set forth in Section 14.5(d) and the Collateral Administration Agreement within the same day of such communication taking place; provided that the summary of such oral communications shall not attribute the communication to the applicable Rating Agency to whom it was made. The Information Agent shall forward such summary to the Issuer's Website in accordance with the procedures set forth in Section 14.5(d) of this Indenture and the Collateral Administration Agreement.

(d) All information will be forwarded by the Information Agent on the same Business Day of receipt by it provided that such information is received by 12:00 p.m. (Eastern time) or, if received after 12:00 p.m. (Eastern time), on the next Business Day. The Information Agent shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered is accurate, complete, conforms to the transaction, or otherwise is or is not anything other than what it purports to be. In the event that any information is delivered or posted in error, the Information Agent may request such information be removed from the Issuer's Website. None of the Trustee, the Collateral Administrator and the Information Agent have obtained and shall be deemed to have obtained actual knowledge of any information only by receipt and posting to the Issuer's Website by the Information Agent. Access will be provided to the Issuer's Website to the Rating Agency by the Issuer, and to the NRSROs upon receipt of an NRSRO Certification in the form of Exhibit L hereto (which certification may be submitted electronically via the Issuer's Website).

(e) None of the Issuer, the Trustee, the Collateral Administrator (except in its capacity as Information Agent) or the Collateral Manager shall be responsible or liable for any delays caused by the failure of the Information Agent to post the applicable response to the Issuer's Website.

(f) Notwithstanding the requirements of this Section 14.5, neither the Trustee nor the Collateral Administrator shall have any obligation to engage in, or respond to, any inquiry or oral communications from any Rating Agency. None of the Trustee, the Collateral Administrator nor the Information Agent shall be responsible for creating or maintaining the Issuer's Website, or assuring that the Issuer's Website complies with the requirements of this Indenture, Rule 17g-5, or any other law or regulation. In no event shall the Trustee, the Information Agent or the Collateral Administrator be deemed to make any representation as to the content of the Issuer's Website (other than with respect to the Information Agent, to the extent such content was prepared by the Information Agent) or with respect to compliance by the Issuer's Website with this Indenture, Rule 17g-5 or any other law or regulation. Neither the Trustee nor the Collateral Administrator (except in its capacity as Information Agent) shall be responsible for posting any information to the Issuer's Website.

(g) In connection with providing access to the Issuer's Website, the Issuer may require registration and the acceptance of a disclaimer. The Information Agent shall not be liable for the dissemination of information in accordance with the terms of this Indenture and the Collateral Administration Agreement, makes no representations or warranties as to the accuracy or completeness of such information being made available, and assumes no responsibility for such information. The Information Agent shall not be liable for its failure to make any information available to the Rating Agency or NRSROs unless such information was delivered to the Information Agent at the email address set forth herein, with a subject heading of "COLUMBIA CENT CLO 30" and sufficient detail to indicate that such information is required to be posted on the Issuer's Website.

(h) Notwithstanding anything to the contrary in this Indenture (including, without limitation, Section 5.1), any failure by the Issuer or any other Person to comply with the provisions of this Section 14.5 shall not constitute an Event of Default or breach of this Indenture, the Collateral Management Agreement or any other agreement, and the Holders, the holders of any beneficial interests in the Securities, and the Hedge Counterparties shall have no rights with respect thereto or under this Section 14.5. This Section 14.5 may be amended or modified by agreement of the Collateral Manager, the Issuers, the Trustee, the Information Agent and the Rating Agency, without the consent of any Noteholders or any other Person.

(i) For the avoidance of doubt, except as provided in the immediately following sentence, no report of Independent accountants (including, without limitation, any Accountants' Report) shall be provided to or otherwise shared with any Rating Agency or posted to the Issuer's Website. In accordance with SEC Release No. 34-72936, Form 15E, only in its complete and unedited form which includes the Effective Date Accountants' Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15E on the Issuer's Website.

In case any provision in this Indenture or in the Securities shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.9 Benefits of Indenture.

Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person (other than the Collateral Manager, who shall be an express third party beneficiary

hereof), other than the parties hereto and their successors hereunder, and the Holders any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.10 Governing Law.

THIS INDENTURE AND EACH SECURITY AND ALL DISPUTES ARISING THEREFROM OR RELATING THERETO SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO THE CONFLICT OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

THE ISSUERS AND THE TRUSTEE HEREBY IRREVOCABLY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF ANY FEDERAL OR NEW YORK STATE COURT SITTING IN THE BOROUGH OF MANHATTAN IN THE CITY OF NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THE SECURITIES OR THIS INDENTURE, AND THE ISSUERS AND THE TRUSTEE HEREBY IRREVOCABLY AGREE THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH FEDERAL OR NEW YORK STATE COURT. THE ISSUERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVE, TO THE FULLEST EXTENT THAT THEY MAY LEGALLY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE ISSUERS IRREVOCABLY CONSENT TO THE SERVICE OF ANY AND ALL PROCESS IN ANY ACTION OR PROCEEDING BY THE MAILING OR DELIVERY OF COPIES OF SUCH PROCESS TO IT AT THE OFFICE OF THE ISSUERS' AGENT SET FORTH IN SECTION 7.4. THE ISSUERS AND THE TRUSTEE AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW.

Section 14.12 Counterparts.

This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile or electronic transmission, including .pdf file, .jpeg file or any electronic signature complying with the U.S. federal ESIGN Act of 2000, including Orbit, Adobe Sign, DocuSign, or any other similar platform identified by the Issuer and reasonably available at no undue burden or expense to the Trustee), each of which shall be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by facsimile or any such electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. Each party agrees that this Indenture and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Indenture or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility. Any document electronically signed in a manner consistent with the foregoing provisions shall be

valid so long as it is delivered by an Authorized Person of the executing Person or by any person reasonably understood to be acting on behalf of such Person. The Trustee shall have no duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

Section 14.13 Waiver of Jury Trial.

THE TRUSTEE, THE HOLDERS AND EACH OF THE ISSUERS HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS INDENTURE OR THE SECURITIES, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF THE PARTIES HERETO. EACH OF THE ISSUERS, THE TRUSTEE, AND THE HOLDERS ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION AND THAT THIS PROVISION IS A MATERIAL INDUCEMENT FOR SUCH PARTIES ENTERING INTO THIS INDENTURE.

Section 14.14 Liability of Issuers.

Notwithstanding any other terms of this Indenture, the Securities or any other agreement entered into between, *inter alia*, the Issuers or any Tax Subsidiary or otherwise, none of the Issuers or any Tax Subsidiary shall have any liability whatsoever to any other of the Issuer, the Co-Issuer or any Tax Subsidiary under this Indenture, the Securities, any such agreement or otherwise and, without prejudice to the generality of the foregoing, none of the Issuer, the Co-Issuer or any Tax Subsidiary shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Securities, any such agreement or otherwise against any other of the Issuer, the Co-Issuer or any Tax Subsidiary. In particular, none of the Issuer, the Co-Issuer or any Tax Subsidiary shall be entitled to petition or take any other steps for the winding up or bankruptcy of any other of the Issuer, the Co-Issuer or any Tax Subsidiary (other than, in the case of the Issuer, a winding-up or liquidation of a Tax Subsidiary that no longer holds any assets) or shall have any claim in respect of any assets of any other of the Issuer, the Co-Issuer or any Tax Subsidiary.

ARTICLE XV

ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

Section 15.1 Assignment of Collateral Management Agreement.

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Secured Obligations and the performance and observance of the provisions hereof, hereby assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties, all of the Issuer's right, title and interest (but none of its obligations) in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, the Trustee hereby grants the Issuer a license to exercise all of the Issuer's rights pursuant to the Collateral Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture, including as set forth in paragraph (f) of this Section 15.1), which license shall be and is hereby deemed to be automatically revoked upon the occurrence of an Event of Default hereunder until such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Securities and the release of the Collateral from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Secured Parties shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager consents to the provisions of this assignment and agrees to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms of the Collateral Management Agreement.

(ii) The Collateral Manager acknowledges that the Issuer is assigning all of its right, title and interest (but none of its obligations) in, to and under the Collateral Management Agreement to the Trustee as Collateral for the benefit of the Secured Parties.

(iii) The Collateral Manager shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the Collateral Management Agreement.

(iv) Except as contemplated under the Collateral Management Agreement, neither the Issuer nor the Collateral Manager will enter into any agreement amending, modifying or terminating the Collateral Management Agreement (other than in respect of an amendment or modification of the type that may be made to this Indenture without consent of Holders of Notes or Subordinated Notes, as applicable, or as required by or to comply with law), without (x) prior written notice to the Rating Agency and satisfying the S&P Rating Condition, (y) complying with the applicable provisions of the Collateral Management Agreement and (z) in the case of a modification or amendment which would, in the commercially reasonable judgment of the Collateral Manager, have a material adverse effect on any Holder, the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes.

(v) Except as otherwise set forth herein and therein, the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuers or any Tax Subsidiary for the non-payment of the Collateral Management Fee, or other amounts payable by the Issuer to the Collateral Manager under the Collateral Management Agreement prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Securities issued under this Indenture; provided, however, that nothing in this clause shall preclude, or be deemed to estop, the Collateral Manager or the Trustee (A) from taking any action (not inconsistent with the foregoing) prior to the expiration of the aforementioned one year (or longer) plus one day period in (x) any case or proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, or (y) any involuntary insolvency proceeding filed or commenced against the Issuer, the Co-Issuer or any Tax Subsidiary, as the case may be, by a Person other than the Collateral Manager or its Affiliates, or (B) from commencing against the Issuer, the Co-Issuer or any Tax Subsidiary or any properties of the Issuer, the

Co-Issuer or any Tax Subsidiary any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) The Collateral Manager irrevocably submits to the non-exclusive jurisdiction of any federal or New York state court sitting in the Borough of Manhattan in The City of New York in any action or Proceeding arising out of or relating to the Securities or this Indenture, and the Collateral Manager irrevocably agrees that all claims in respect of such action or Proceeding may be heard and determined in such federal or New York state court. The Collateral Manager irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of such action or Proceeding. The Collateral Manager irrevocably consents to the service of any and all process in any action or Proceeding by the mailing or delivery of copies of such process to it at the office of the Collateral Manager set forth in Section 14.3. The Collateral Manager agrees that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(g) The Issuer hereby directs the Trustee to supply information, including information contained in the Securities Register, in its possession and requested by the Collateral Manager in order to assist the Collateral Manager in performing its obligations under this Indenture and the Collateral Management Agreement.

Schedule B

MOODY'S RATING DEFINITIONS

"Assigned Moody's Rating" means the monitored publicly available rating or the monitored estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

"CFR" means, with respect to an obligor of a Collateral Debt Obligation, if such obligor has a corporate family rating by Moody's, then such corporate family rating; *provided* that, if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

"Moody's Default Probability Rating" means:

1. If the obligor of such Collateral Debt Obligation has a CFR, then such CFR;

2. If not determined pursuant to clause (1) above, if the obligor of such Collateral Debt Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

3. If not determined pursuant to clauses (1) or (2) above, if the obligor of such Collateral Debt Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Collateral Manager in its sole discretion;

4. If not determined pursuant to clauses (1), (2) or (3) above, if a rating estimate has been assigned to such Collateral Debt Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; *provided*, that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 12 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3"; *provided* that the Issuer will, on a quarterly basis, notify Moody's of any material documentary change (that is known to the Issuer or the Collateral Manager to have occurred during the related calendar quarter and deemed to be material by the Collateral Manager) with respect to any such Collateral Debt Obligation;

5. If such Collateral Debt Obligation is a DIP Loan, the Moody's Derived Rating set forth in clause (1) in the definition thereof;

6. If not determined pursuant to any of clauses (1) through (5) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

7. If not determined pursuant to any of clauses (1) through (6) above, the Collateral Debt Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

"Moody's Derived Rating" means, with respect to a Collateral Debt Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating thereof, the rating as determined in the manner set forth below:

1. With respect to any DIP Loan, the Moody's Default Probability Rating of such Collateral Debt Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Loan.

2. If not determined pursuant to clause (1) above, then by using any one of the methods provided below:

(A) pursuant to the table below:

Type of Collateral Debt Obligation	S&P Rating (Public and Monitored)	Collateral Debt Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	"BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	"BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

(B) if such Collateral Debt Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (2)(A) above, and the Moody's Derived Rating for purposes of the definitions of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Debt Obligation will be determined in accordance with the methodology set forth in the following table (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (2)(B)):

Obligation Category of Rated Obligation	~~Rating of Rated Obligation~~	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured obligation	less than B2	-2
Subordinated obligation	greater than or equal to B3	+1
Subordinated obligation	less than B3	0

or

(C) if such Collateral Debt Obligation is a DIP Loan, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided that the Aggregate Principal Balance of the Collateral Debt Obligations that may have a Moody's Rating derived from an S&P Rating as set forth in sub-clauses (A) or (B) of this clause (2) may not exceed 10.0% of the Aggregate Principal Amount.

3. If not determined pursuant to clauses (1) or (2) above and such Collateral Debt Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Debt Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Debt Obligation to assign a rating or rating estimate with respect to such Collateral Debt Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Debt Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be (i) "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate shall be at least "B3" and if the Aggregate Principal Balance of Collateral Debt Obligations determined pursuant to this clause (3) and clause (2) above does not exceed 5% of the Aggregate Principal Amount or (ii) otherwise, "Caa1."

(C) if neither clause (A) nor (B) above apply, if such Collateral Debt Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Debt Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(ii) With respect to a Collateral Debt Obligation other than a Senior Secured Loan:

(A) if such Collateral Debt Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Debt Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Debt Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(C) if neither clause (A) nor (B) above apply, if such Collateral Debt Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Debt Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(D) if none of clauses (A), (B) or (C) above apply, if such Collateral Debt Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Debt Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(E) if none of clauses (A) through (D) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(F) if none of clauses (A) through (E) above apply, the Collateral Debt Obligation will be deemed to have a Moody's Rating of "Caa3".

S&P RATING DEFINITIONS AND RECOVERY RATE TABLES

"Information" means S&P's "Credit Estimate Information Requirements" dated April 2011 and any other available information S&P reasonably requests in order to produce a credit estimate for a particular asset.

"S&P Rating" means, with respect to any Collateral Debt Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(i) other than with respect to any Collateral Debt Obligation that is a DIP Loan (a) if there is an issuer credit rating of the issuer of such Collateral Debt Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Debt Obligation pursuant to a form of guaranty that satisfies S&P's guaranty criteria for use in connection with this transaction, then the S&P Rating shall be such rating (regardless of whether there is a published rating by S&P on the Collateral Debt Obligations of such issuer held by the Issuer, provided that private ratings (that is, ratings provided at the request of the obligor) may be used for purposes of this definition if such private ratings are not point-in-time ratings and the obligor has consented to the use of such ratings) or (b) if there is no issuer credit rating of the issuer by S&P but (1) there is a senior secured rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Debt Obligation shall be one sub-category below such rating; (2) if clause (1) above does not apply, but there is a senior unsecured rating on any obligation or security of the issuer, the S&P Rating of such Collateral Debt Obligation shall equal such rating; and (3) if neither clause (1) nor clause (2) above applies, but there is a subordinated rating on any obligation or security of the issuer, then the S&P Rating of such Collateral Debt Obligation shall be one sub-category above such rating;

(ii) with respect to any Collateral Debt Obligation that is a DIP Loan, the S&P Rating thereof shall be the credit rating assigned to such issue by S&P (provided that if any such Collateral Debt Obligation that is a DIP Loan is newly issued and the Collateral Manager expects an S&P credit rating within 90 days, the S&P Rating of such Collateral Debt Obligation will be (1) as determined by the Collateral Manager in its commercially reasonable judgment for a period of up to 90 days after acquisition of such DIP Loan and (2) "CCC-" following such 90 day period; unless, during such 90 day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request); provided that, if such credit rating is subsequently withdrawn by S&P, such rating will remain the S&P Rating of such Collateral Debt Obligation until the date that is 12 months from the date such credit rating was initially assigned by S&P;

(iii) if there is not a rating by S&P on the issuer or on an obligation of the issuer, then the S&P Rating may be determined pursuant to clauses (a) through (c) below:

(a) if an obligation of the issuer is publicly rated by Moody's, then the S&P Rating will be determined in accordance with the methodologies for establishing the Moody's Rating set forth below except that the S&P Rating of such obligation will be (1) one sub-category below the S&P equivalent of the Moody's Rating if such Moody's

Rating is "Baa3" or higher and (2) two sub-categories below the S&P equivalent of the Moody's Rating if such Moody's Rating is "Ba1" or lower;

(b) the S&P Rating may be based on a credit estimate provided by S&P, and in connection therewith, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Debt Obligation shall, prior to or within 30 days after the settlement date of such Collateral Debt Obligation, apply (and concurrently submit all available Information in respect of such application) to S&P for a credit estimate which shall be its S&P Rating; provided that, if such Information is submitted within such 30-day period, then, pending receipt from S&P of such estimate, such Collateral Debt Obligation shall have an S&P Rating as determined by the Collateral Manager in its sole discretion if the Collateral Manager certifies to the Trustee and the Collateral Administrator that it believes that such S&P Rating determined by the Collateral Manager is commercially reasonable and will be at least equal to such rating; provided, further, that if such Information is not submitted within such 30-day period, then, pending receipt from S&P of such estimate, the Collateral Debt Obligation shall have (1) the S&P Rating as determined by the Collateral Manager for a period of up to 90 days after the settlement date of such Collateral Debt Obligation and (2) an S&P Rating of "CCC-" following such 90-day period; unless, during such 90-day period, the Collateral Manager has requested the extension of such period and S&P, in its sole discretion, has granted such request; provided, further, that if such 90-day period (or other extended period) elapses pending S&P's decision with respect to such application, the S&P Rating of such Collateral Debt Obligation shall be "CCC-"; provided, further, that if the Collateral Debt Obligation has had a public rating by S&P that S&P has withdrawn or suspended within six months prior to the date of such application for a credit estimate in respect of such Collateral Debt Obligation, the S&P Rating in respect thereof shall be "CCC-" pending receipt from S&P of such estimate, and S&P may elect not to provide such estimate until a period of six months have elapsed after the withdrawal or suspension of the public rating; provided, further, that such credit estimate shall expire 12 months after the receipt thereof, following which such Collateral Debt Obligation shall have an S&P Rating of "CCC-" unless, during such 12-month period, the Issuer (or the Collateral Manager on behalf of the Issuer) applies for renewal thereof in accordance with this Indenture, in which case such credit estimate shall continue to be the S&P Rating of such Collateral Debt Obligation until S&P has confirmed or revised such credit estimate, upon which such confirmed or revised credit estimate shall be the S&P Rating of such Collateral Debt Obligation; provided, further, that such confirmed or revised credit estimate shall expire on the next succeeding 12-month anniversary of the date of receipt thereof and (when renewed annually in accordance with this Indenture) on each 12-month anniversary thereafter; provided, further, that if, at any time, with respect to any Collateral Debt Obligation for which S&P has provided a credit estimate or any Collateral Debt Obligation for which a credit estimate is being sought pursuant to this clause (b), there is a Specified Amendment, the Issuer, the Collateral Manager on behalf of the Issuer or the issuer of such Collateral Debt Obligation will provide updated required S&P credit estimate Information to S&P; or

(c) with respect to a Collateral Debt Obligation that is not a Defaulted Obligation, the S&P Rating of such Collateral Debt Obligation will at the election of the

Issuer (at the direction of the Collateral Manager) be "CCC-"; provided that (i) neither the issuer of such Collateral Debt Obligation nor any of its Affiliates are subject to any bankruptcy or reorganization proceedings and (ii) the issuer has not defaulted on any payment obligation in respect of any debt security or other obligation of the issuer at any time within the two year period ending on such date of determination, all such debt securities and other obligations of the issuer that are *pari passu* with or senior to the Collateral Debt Obligation are current and the Collateral Manager reasonably expects them to remain current; provided, further, that the Collateral Manager shall provide to S&P all Information available to the Collateral Manager in respect of any Collateral Debt Obligation with an S&P Rating determined pursuant to this clause (c); or

(iv) (a) with respect to a DIP Loan that has no issue rating by S&P, the S&P Rating of such DIP Loan will be "CCC-" and (b) with respect to a Current Pay Obligation that is rated "D" or "SD" by S&P, the S&P Rating of such Current Pay Obligation will be the higher of its issue rating or "CCC";

provided that for purposes of the determination of the S&P Rating, (x) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch positive" by S&P, such rating will be treated as being one sub-category above such assigned rating and (y) if the applicable rating assigned by S&P to an obligor or its obligations is on "credit watch negative" by S&P, such rating will be treated as being one sub-category below such assigned rating.

* For purposes of determining the S&P Recovery Rate of any loan or bond the value of which is primarily derived from equity of the issuer thereof, such loan shall have either (i) the S&P Recovery Rate special for senior Unsecured Loans or the S&P Recovery Rate special for Senior Unsecured Bonds or (ii) the S&P Recovery Rate determined by S&P on a case by case basis.

Group A: Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Hong Kong, Ireland, Israel, Japan, Luxembourg, The Netherlands, Norway, Portugal, Singapore, Spain, Sweden, Switzerland, U.K., U.S.

Group B: Brazil, Italy, Mexico, Poland, South Africa.

Group C: Dubai International Finance Centre, Greece, India, Indonesia, Kazakhstan, Russia, Turkey, Ukraine, United Arab Emirates, Vietnam, others not included in Group A or Group B.

Notwithstanding the foregoing, for purposes of determining the S&P Recovery Rate of a Collateral Debt Obligation that is (i) a Senior Secured Loan that is secured solely or primarily by common stock or other equity interests shall be deemed to be a senior unsecured loan and (ii) a Senior Secured Loan that is also a First-Lien Last-Out Loan shall be deemed to be a First-Lien Last-Out Loan.

Notwithstanding the foregoing, Second Lien Loans and First-Lien Last-Out Loans collectively with an Aggregate Principal Balance in excess of 15% of the Aggregate Principal Amount shall use the "Subordinated loans" Priority Category for the purpose of determining their S&P Recovery Rate.

For purposes of calculating the Collateral Quality Test, DIP Loans will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

Part II S&P CDO Monitor

1. S&P Weighted Average Recovery Rate is a value not less than 30% and not greater than 60% (in increments of 0.10%) as selected by the Collateral Manager.

2. Weighted Average Spread is a value not less than 1.5% and not greater than 7.0% (in increments of 0.01%) as selected by the Collateral Manager.

Schedule E

S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test during an S&P CDO Monitor Formula Election Period, the following terms shall have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR" means the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Debt Obligations relative to the Target Initial Par Amount as follows:

S&P CDO Monitor BDR * (OP / NP) + (NP - OP) / (NP * (1 – S&P Weighted Average Recovery Rate)), where OP = Target Initial Par Amount; NP = the sum of the Aggregate Principal Balances of the Collateral Debt Obligations with an S&P Rating of "CCC-" or higher, plus Principal Proceeds, plus the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-".

"S&P CDO Monitor BDR" means the value calculated using the following formula relating to the Issuer's portfolio: C0 + (C1 * Weighted Average Spread) + (C2 * S&P Weighted Average Recovery Rate), where: C0= ~~0.057780~~0.103621, C1= ~~4.154405~~3.898829 and C2= ~~1.003162~~0.889455.

"S&P CDO Monitor SDR" means the percentage derived from the following equation: 0.247621 + (SPWARF/9162.65) – (DRD/16757.2) - (ODM/7677.8) - (IDM/2177.56) - (RDM/34.0948) + (WAL/27.3896), where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

"S&P Industry Diversity Measure" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such Aggregate Principal Balance by the Aggregate Principal Balance of Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Regional Diversity Measure" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in the regions and associated countries table included in S&P's Corporate CDO criteria, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Debt Obligation (with an S&P Rating of "CCC-"or higher), multiplying each Collateral Debt Obligation's Principal Balance by its number of years, summing the results of all Collateral Debt Obligations in the portfolio, and dividing such amount by the Aggregate Principal Balance of all Collateral Debt Obligations (with an S&P Rating of "CCC-" or higher).

"S&P Weighted Average Rating Factor" means, with respect to all Collateral Debt Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Debt Obligation and (ii) its S&P Global Ratings' Rating Factor, *divided by* (B) the Aggregate Principal Balance of all such Collateral Debt Obligations.

"S&P Weighted Average Recovery Rate" means, as of any date of determination, the number, expressed as a percentage and determined for the Class A Notes, obtained by summing the products obtained by multiplying the outstanding Principal Balance of each Collateral Debt Obligation (excluding any Defaulted Obligation) by its corresponding recovery rate as determined in accordance with Part I of Schedule D hereto, dividing such sum by the Aggregate Principal Balance of all Collateral Debt Obligations (excluding any Defaulted Obligation), and rounding to the nearest tenth of a percent.

Schedule F

MOODY'S DIVERSITY SCORE CALCULATION

The Moody's Diversity Score is calculated as follows:

1. An "Issuer Par Amount" is calculated for each issuer of a Collateral Debt Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Debt Obligations issued by that issuer and all affiliates.

2. An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

3. An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

4. An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

5. An "Industry Diversity Score" is then established for each Moody's industry classification group by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

Columbia Cent CLO 30 Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), and Columbia Cent CLO 30 Corp., a corporation incorporated under the laws of the State of Delaware (the "Co-Issuer" and together with the Issuer, the "Issuers"), for value received, hereby promise to pay to [ ] or registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [up-to] [ ] United States Dollars (U.S.$[ ]) on the Payment Date in January 2034 (the "Stated Maturity"), except as provided below and in the indenture dated as of January 20, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture") between the Issuer, the Co-Issuer and The Bank of New York Mellon Trust Company, National Association, as trustee (the "Trustee" which term includes any successor trustee as permitted under the Indenture). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

The Issuers promise to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date in arrears at a rate per annum of Benchmark + ~~1.31% (or the Applicable Margin if this Note has been subject to an Applicable Margin Reset)~~1.01839%. Interest shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or, for the first Interest Accrual Period, the relevant portion thereof) divided by 360. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable Interest Rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity, unless the principal has been previously repaid or unless the unpaid principal becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid as provided in the Priority of Payments except as otherwise provided in the Indenture; provided that except as otherwise provided in Article IX of the Indenture and the Priority of Payments, the payment of principal on this Note (x) may only occur after each Higher-Ranking Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Higher-Ranking Class and other amounts in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuers under this Note and the Indenture from time to time and at any time are limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer, payable solely from proceeds of the Collateral in accordance with the Priority of Payments, and following realization of the Collateral and application of the proceeds thereof in accordance with the Indenture, all obligations of and any claims against the Issuers under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, employee, administrator, shareholder or incorporator of the Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under this Note or the Indenture. It is understood that, except as expressly provided in the Indenture, the foregoing shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by the Indenture until such Collateral has been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuers as a party defendant in any action or suit or in the exercise of any other remedy under this Note or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The term "Issuers" as used in this Note includes any successor to the Issuers under the Indenture.

Columbia Cent CLO 30 Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), and Columbia Cent CLO 30 Corp., a corporation incorporated under the laws of the State of Delaware (the "Co-Issuer" and together with the Issuer, the "Issuers"), for value received, hereby promise to pay to [ ] or registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [up-to] [ ] United States Dollars (U.S.$[ ]) on the Payment Date in January 2034 (the "Stated Maturity"), except as provided below and in the indenture dated as of January 20, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture") between the Issuer, the Co-Issuer and The Bank of New York Mellon Trust Company, National Association, as trustee (the "Trustee" which term includes any successor trustee as permitted under the Indenture). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

The Issuers promise to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date in arrears at a rate per annum of Benchmark + ~~1.75% (or the Re-Pricing Rate or the Applicable Margin if this Note has been subject to a Re-Pricing or an Applicable Margin Reset, as applicable)~~1.53839%. Interest shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or, for the first Interest Accrual Period, the relevant portion thereof) divided by 360. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable Interest Rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity, unless the principal has been previously repaid or unless the unpaid principal becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid as provided in the Priority of Payments except as otherwise provided in the Indenture; provided that except as otherwise provided in Article IX of the Indenture and the Priority of Payments, the payment of principal on this Note (x) may only occur after each Higher-Ranking Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Higher-Ranking Class and other amounts in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made to the Person in whose name this Note (or one or more predecessor Notes) is registered on the Securities Registrar at the close of business on the relevant Regular Record Date. Payments to the registered holder will be made ratably among the Holders in the

This Note is one of a duly authorized issue of Class B-1-R Mezzanine Floating Rate Notes Due 2034 (the "Class B-1 Notes") issued and to be pursuant to the Indenture. All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or Special Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuers under this Note and the Indenture from time to time and at any time are limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer, payable solely from proceeds of the Collateral in accordance with the Priority of Payments, and following realization of the Collateral and application of the proceeds thereof in accordance with the Indenture, all obligations of and any claims against the Issuers under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, employee, administrator, shareholder or incorporator of the Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under this Note or the Indenture. It is understood that, except as expressly provided in the Indenture, the foregoing shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by the Indenture until such Collateral has been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuers as a party defendant in any action or suit or in the exercise of any other remedy under this Note or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of the Securities may be rescinded or annulled at any time before a judgment or decree for

payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Class B-1 Notes have a Minimum Denomination of U.S.$100,000 and integral multiples of U.S.$1.00 in excess thereof.

The term "Issuers" as used in this Note includes any successor to the Issuers under the Indenture.

Title to this Note will pass by registration in the Securities Register kept by the Securities Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by the Trustee or the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers, and such certificate upon this Note shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Issuers have caused this Note to be duly executed.

Columbia Cent CLO 30 Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), and Columbia Cent CLO 30 Corp., a corporation incorporated under the laws of the State of Delaware (the "Co-Issuer" and together with the Issuer, the "Issuers"), for value received, hereby promise to pay to [ ] or registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [up-to] [ ] United States Dollars (U.S.$[ ]) on the Payment Date in January 2034 (the "Stated Maturity"), except as provided below and in the indenture dated as of January 20, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture") between the Issuer, the Co-Issuer and The Bank of New York Mellon Trust Company, National Association, as trustee (the "Trustee" which term includes any successor trustee as permitted under the Indenture). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

The Issuers promise to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date in arrears at a rate per annum of Benchmark + ~~2.55~~2.03839% (or the Re-Pricing Rate or the Applicable Margin if this Note has been subject to a Re-Pricing or an Applicable Margin Reset, as applicable). Interest shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or, for the first Interest Accrual Period, the relevant portion thereof) divided by 360. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable Interest Rate until paid as provided in the Indenture. Deferred Interest with respect to this Note shall be added to the principal balance of this Note and shall not be considered "due and payable" for the purposes of the Indenture (and the failure to pay such interest will not be an Event of Default) until the first Payment Date on which such interest is available to be paid pursuant to the Priority of Payments. Deferred Interest shall bear interest at the applicable Interest Rate until paid to the extent lawful and enforceable.

This Note will mature at par and be due and payable on the Stated Maturity, unless the principal has been previously repaid or unless the unpaid principal becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid as provided in the Priority of Payments except as otherwise provided in the Indenture; provided that except as otherwise provided in Article IX of the Indenture and the Priority of Payments, the payment of principal on this Note (x) may only occur after each Higher-Ranking Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Higher-Ranking Class and other amounts in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made to the Person in whose name this Note (or one or more predecessor Notes) is registered on the Securities Registrar at the close of business on the relevant Regular Record Date. Payments to the registered holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Regular Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Regular Record Date.

This Note is one of a duly authorized issue of Class ~~C~~C-R Mezzanine Deferrable Floating Rate Notes Due 2034 (the "Class C Notes") issued and to be pursuant to the Indenture. All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or Special Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuers under this Note and the Indenture from time to time and at any time are limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer, payable solely from proceeds of the Collateral in accordance with the Priority of Payments, and following realization of the Collateral and application of the proceeds thereof in accordance with the Indenture, all obligations of and any claims against the Issuers under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, employee, administrator, shareholder or incorporator of the Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under this Note or the Indenture. It is understood that, except as expressly provided in the Indenture, the foregoing shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by the Indenture until such Collateral has been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuers as a party defendant in any action or suit or in the exercise of any other remedy under this Note or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of the Securities may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Class C Notes have a Minimum Denomination of U.S.$100,000 and integral multiples of U.S.$1.00 in excess thereof.

The Holder and any beneficial owner of this Note agree, for the benefit of all beneficial owners and Holders of each Class of Notes, that they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Securities, file a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary.

The term "Issuers" as used in this Note includes any successor to the Issuers under the Indenture.

Title to this Note will pass by registration in the Securities Register kept by the Securities Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by the Trustee or the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers, and such certificate upon this Note shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

CLASS E MEZZANINE DEFERRABLE FLOATING RATE NOTE DUE 2034

[Rule 144A CUSIP No.: 19736VAA0][Reg. S CUSIP No.: G2302VAA3]

Certificate No.: [R-/S-] [Up-to] U.S.$[ ]

Columbia Cent CLO 30 Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), for value received, hereby promises to pay to CEDE & CO. or registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [up-to] [ ] United States Dollars (U.S.$[ ]) on the Payment Date in January 2034 (the "Stated Maturity"), except as provided below and in the indenture dated as of January 20, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture") between the Issuer, Columbia Cent CLO 30 Corp. (the "Co-Issuer") and The Bank of New York Mellon Trust Company, National Association, as trustee (the "Trustee" which term includes any successor trustee as permitted under the Indenture). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

The Issuer promises to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date in arrears at a rate per annum of Benchmark + 6.94% (or the Re-Pricing Rate or the Applicable Margin if this Note has been subject to a Re-Pricing or an Applicable Margin Reset, as applicable). Interest shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period (or, for the first Interest Accrual Period, the relevant portion thereof) divided by 360. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable Interest Rate until paid as provided in the Indenture. Deferred Interest with respect to this Note shall be added to the principal balance of this Note and shall not be considered "due and payable" for the purposes of the Indenture (and the failure to pay such interest will not be an Event of Default) until the first Payment Date on which such interest is available to be paid pursuant to the Priority of Payments. Deferred Interest shall bear interest at the applicable Interest Rate until paid to the extent lawful and enforceable.

This Note will mature at par and be due and payable on the Stated Maturity, unless the principal has been previously repaid or unless the unpaid principal becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid as provided in the Priority of Payments except as otherwise provided in the Indenture; provided that except as otherwise provided in Article IX of the Indenture and the Priority of Payments, the payment of principal on this Note (x) may only occur after each Higher-Ranking Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Higher-Ranking Class and other amounts in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made to the Person in whose name this Note (or one or more predecessor Notes) is registered on the Securities Registrar at the close of business on the relevant Regular Record Date. Payments to the registered holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Regular Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Regular Record Date.

This Note is one of a duly authorized issue of Class E Mezzanine Deferrable Floating Rate Notes Due 2034 (the "Class E Notes") issued and to be pursuant to the Indenture. Also authorized under the Indenture are the Class X Notes, the Class A-1 Notes, the Class A-2 Notes, the Class B Notes, the Class C Notes, the Class D Notes and the Subordinated Notes (collectively, together with the Class E Notes, the "Securities"). Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders and the terms upon which the Notes are, and are to be, authenticated and delivered.

Increases and decreases in the principal amount of this Global Security as a result of exchanges and transfers of interests in this Global Security and principal payments shall be recorded in the records of the Trustee and the Depository or its nominee. So long as the Depository for a Global Security or its nominee is the registered owner of this Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or Special Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuer under this Note and the Indenture from time to time and at any time are limited recourse obligations of the Issuer, payable solely from proceeds of the Collateral in accordance with the Priority of Payments, and following realization of the Collateral and application of the proceeds thereof in accordance with the Indenture, all obligations of and any claims against the Issuer under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, employee, administrator, shareholder or incorporator of the Issuer, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under this Note or the Indenture. It is understood that, except as expressly provided in the Indenture, the foregoing shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by the Indenture until such Collateral has been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuer as a party defendant in any action or suit or in the exercise of any other remedy under this Note or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of the Securities may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution

of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Class E Notes have a Minimum Denomination of U.S.$100,000 and integral multiples of U.S.$1.00 in excess thereof.

The Holder and any beneficial owner of this Note agree, for the benefit of all beneficial owners and Holders of each Class of Notes, that they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Securities, file a petition in bankruptcy against the Issuer or any Tax Subsidiary.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

Title to this Note will pass by registration in the Securities Register kept by the Securities Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by the Trustee or the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers, and such certificate upon this Note shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Issuer has caused this Note to be duly executed.

[Rule 144A CUSIP No.: 19736VAC6][Reg. S CUSIP No.: G2302VAB1]

Certificate No.: [R-/S-] Up-to U.S.$[ ]

Columbia Cent CLO 30 Limited, an exempted company incorporated with limited liability under the laws of the Cayman Islands (the "Issuer"), for value received, hereby promises to pay to CEDE & CO. or registered assigns, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of up-to [ ] United States Dollars (U.S.$[ ]) on the Payment Date in January 2034 (the "Stated Maturity"), except as provided below and in the indenture dated as of January 20, 2021 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture") between the Issuer, Columbia Cent CLO 30 Corp. (the "Co-Issuer") and The Bank of New York Mellon Trust Company, National Association, as trustee (the "Trustee" which term includes any successor trustee as permitted under the Indenture). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Indenture.

The Issuer promises to pay Interest Proceeds, if any, available for such purpose in accordance with the Priority of Payments on each Payment Date in an amount equal to the Holder's pro rata share of the Interest Proceeds payable on the Subordinated Notes, if any, subject to the Priority of Payments set forth in the Indenture; provided that any interest on the Subordinated Notes which is not available to be paid on a Payment Date in accordance with the Priority of Payments will not be payable on such Payment Date or any date and the failure to pay such interest will not be an Event of Default.

This Note will mature on the Stated Maturity, unless all principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date; provided that (x) the payment of principal of this Note may only occur after the Notes are no longer Outstanding; (y) the payment of principal of this Note is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Notes and other amounts in accordance with the Priority of Payments; and (z) the payment of principal of this Note is subordinated to the payment on each Payment Date of amounts in accordance with the Priority of Payments.

Payments on this Note will be made to the Person in whose name this Note (or one or more predecessor Notes) is registered on the Securities Registrar at the close of business on the relevant Regular Record Date. Payments to the registered holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Regular Record Date bears to the Aggregate Outstanding Amount of all Notes of this Class on such Regular Record Date.

This Note is one of a duly authorized issue of Subordinated Notes Due 2034 (the "Subordinated Notes") issued and to be issued pursuant to the Indenture. Also authorized under the Indenture are the Class X Notes, the Class A-1 Notes, the Class A-2 Notes, the Class B Notes, the Class C Notes, the Class D Notes and Class E Notes (collectively, together with the Subordinated Notes, the "Securities"). Reference is hereby made to the Indenture and all indentures supplemental thereto for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Trustee and the Holders and the terms upon which the Notes are, and are to be, authenticated and delivered.

Increases and decreases in the principal amount of this Global Security as a result of exchanges and transfers of interests in this Global Security and principal payments shall be recorded in the records of the

Trustee and the Depository or its nominee. So long as the Depository for a Global Security or its nominee is the registered owner of this Global Security, such Depository or such nominee, as the case may be, will be considered the sole owner or Holder of the Note (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or Special Payment Date shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The obligations of the Issuer under this Note and the Indenture from time to time and at any time are limited recourse obligations of the Issuer, payable solely from proceeds of the Collateral in accordance with the Priority of Payments, and following realization of the Collateral and application of the proceeds thereof in accordance with the Indenture, all obligations of and any claims against the Issuer under the Indenture or in connection therewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, employee, administrator, shareholder or incorporator of the Issuer, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under this Note or the Indenture. It is understood that, except as expressly provided in the Indenture, the foregoing shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Securities or secured by the Indenture until such Collateral has been realized. It is further understood that the foregoing shall not limit the right of any Person to name the Issuer as a party defendant in any action or suit or in the exercise of any other remedy under this Note or the Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, the Securities may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of the Securities may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

The Subordinated Notes have a Minimum Denomination of U.S.$100,000 and integral multiples of U.S.$1.00 in excess thereof.

The Holder and any beneficial owner of this Note agree, for the benefit of all beneficial owners and Holders of each Class of Notes, that they will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Securities, file a petition in bankruptcy against the Issuer or any Tax Subsidiary.

The term "Issuer" as used in this Note includes any successor to the Issuer under the Indenture.

Title to this Note will pass by registration in the Securities Register kept by the Securities Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by the Trustee or the Authenticating Agent by the manual or electronic signature of one of their Authorized Officers and such certificate upon this Note shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

IN WITNESS WHEREOF, the Issuer has caused this Note to be duly executed.

(xliv) The Transferee understands that Executive Orders issued by the President of the United States of America, Federal regulations administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") and other federal laws prohibit, among other things, U.S. Persons or Persons under the jurisdiction of the United States from engaging in certain transactions with certain foreign countries, territories, entities and individuals, and that the lists

(xlvi) The Transferee agrees that prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Securities, it will not institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under U.S. federal or state bankruptcy or similar laws (including Cayman Islands law). The Transferee further acknowledges and agrees that if it causes the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the expiration of the period specified in the previous sentence, any claim that it has against the Issuers (including under all Securities of any Class held by such holder(s)) or with respect to any Collateral (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each holder of any Security (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Security held by each holder of any Security (and each claim of each other secured creditor of the Issuer) that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). This agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code.

(xlvii) The Transferee acknowledges and agrees that any report issued by the Issuer's independent accountants cannot be disseminated by the Trustee to the holders or posted to the Issuer's website without the express consent of such accountants.
