"Workout Loan": A loan acquired by the Issuer resulting from, or received in connection with, the workout or restructuring of a Collateral Obligation, for which the Investment Manager reasonably expects such acquisition will result in an increased recovery value, which does not satisfy the Investment Criteria at the time of acquisition, but which (i) satisfies the definition of "Collateral Obligation," (ii) is senior or *pari passu* in right of payment to the corresponding Collateral Obligation and (iii) is issued by the same obligor as the corresponding Collateral Obligation or an Affiliate of such obligor (or successor to such obligor that succeeds to substantially all of the assets of such obligor). For the avoidance of doubt, such loan shall not constitute a Bond or equity security.

"Zero-Coupon Security": Any Collateral Obligation that at the time of purchase does not by its terms provide for the payment of cash interest; provided that if, after such purchase such Collateral Obligation provides for the payment of cash interest, it will cease to be a Zero-Coupon Security.

Section 1.2 Rules of Construction. Except as otherwise specified herein or as the context may otherwise require, the definitions of terms set forth in this Indenture are equally applicable both to the singular and plural forms of such terms and to the masculine, feminine and neuter genders of such terms. The word "including" shall mean "including without limitation." All references in this Indenture to designated "Articles," "Sections," "Subsections" and other subdivisions are to the designated articles, sections, subsections and other subdivisions of this Indenture. The words "herein," "hereof," "hereunder" and other words of similar import refer to this Indenture as a whole and not to any particular article, section, subsection or other subdivision.

Section 1.3 Assumptions as to Pledged Obligations. Unless otherwise specified, the assumptions described below shall be applied in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account.

(a) All calculations with respect to Scheduled Distributions on the Pledged Obligations securing the Notes shall be made on the basis of information as to the terms of each such Pledged Obligation and upon report of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the issuer of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests and the Reinvestment Diversion Test, except as otherwise specified in the Coverage Tests and the Reinvestment Diversion Test, such calculations shall not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Pledged Obligation (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Pledged Obligation (including the proceeds of the sale of such Pledged Obligation received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, shall be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. For the avoidance of doubt, all amounts calculated pursuant to this Section 1.3(d) are estimates and may differ from the actual amounts available to make distributions hereunder, and no party shall have any obligation to make any payment hereunder due to the assumed amounts calculated under this Section 1.3(d) being greater than the actual amounts available. For purposes of the applicable determinations required by Section 10.6(b)(iv), Article XII and the definition of "Interest Coverage Ratio," the expected interest on Rated Notes and floating rate Collateral Obligations shall be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For the purposes of calculating the Moody's Weighted Average Rating Factor, any Collateral Obligation that is a Defaulted Obligation shall be excluded.

(g) Except as otherwise provided herein, Defaulted Obligations shall not be included in the calculation of the Portfolio Quality Tests.

(h) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations shall be treated as having a principal balance equal to zero.

(i) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Investment Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the maturity, redemption, sale or other disposition of Collateral Obligations shall be deemed to have the characteristics of such Collateral Obligations until reinvested in additional Collateral Obligations. Such calculations shall be based upon the principal amount of such Collateral Obligations, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations shall be based upon the Principal Proceeds received on the disposition or sale of such Defaulted Obligations or Credit Risk Obligations.

(j) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, Sale Proceeds shall include any Principal Financed Accrued Interest received in respect of such sale.

(k) For purposes of calculating clause (ii) of the definition of Concentration Limitations, without duplication, the amounts on deposit in the Collection Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a floating rate Collateral Obligation that is a Senior Secured Loan.

(l) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in U.S. Dollars.

(m) Unless otherwise specified, any reference to the fee payable under Section 11.1 to an amount calculated with respect to a period at *per annum* rate shall be computed on the basis of a 360-day year and the actual number of days elapsed. Any fees applicable to periods shorter than or longer than a calendar quarter shall be prorated to the actual number of days within such period.

(n) Unless otherwise specified, test calculations that evaluate to a percentage shall be rounded to the nearest ten-thousandth and test calculations that evaluate to a number shall be rounded to the nearest one-hundredth.

(o) Unless otherwise specifically provided herein, all calculations required to be made and all reports which are to be prepared pursuant to this Indenture shall be made on the basis of the trade date.

(p) Determination of the purchase price of a Collateral Obligation with respect to any Trading Plan shall be made independently each time such Collateral Obligation is purchased by the Issuer and pledged to the Trustee, without giving effect to whether the Issuer has previously purchased such Collateral Obligation (or an obligation of the related borrower or issuer).

(q) When calculating the results of any vote, consent or other action by Holders of Notes hereunder, the Trustee shall consider only the registered owner of each Note except to the extent that (in connection with such vote, consent or other action) any Person has certified to the Trustee in writing substantially in the form of Exhibit C to this Indenture (or such other form that is reasonably acceptable to the Trustee) that it is the owner of a beneficial interest in such Global Note.

(r) Any future anticipated tax liabilities of an Issuer Subsidiary related to an Issuer Subsidiary Asset held by such Issuer Subsidiary shall be excluded from the calculation of the Weighted Average Floating Spread and Weighted Average Fixed Coupon (which exclusion, for the avoidance of doubt, may result in such Issuer Subsidiary Asset having a negative interest rate spread or coupon for purposes of such calculations) and the Interest Coverage Ratio with respect to any specified Class or Classes of Rated Notes.

(s) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Investment Manager may direct the Collateral Administrator, or the Collateral Administrator may request direction from the Investment Manager as to the interpretation and/or methodology to be used, and in either case the Collateral Administrator may follow such direction, and together with the Trustee, may be entitled to conclusively rely thereon without any responsibility or liability therefor.

(t) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Assets may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Issuer on which the Trustee may rely.

(u) All calculations related to Maturity Amendments, the Investment Criteria, Discount Obligations, Acquired Defaulted Obligations (and definitions related to Maturity Amendments, the Investment Criteria, Discount Obligations, Purchased Defaulted Obligations and Swapped Defaulted Obligations) that would otherwise be calculated cumulatively will be reset at zero on the date of any Refinancing of all Classes of Rated Notes in full.

(v) Notwithstanding anything herein to the contrary, a debt obligation or security may be acquired by the Issuer without regard as to whether it is "received in lieu of debts previously contracted" (or any similar standard).

(w) No Restructured Loan shall be included in the calculation of any Coverage Test, the Reinvestment Diversion Test or any Portfolio Quality Test.

(x) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year and the actual number of days elapsed. Any fees payable to the Trustee and/or the Collateral Administrator shall be based on the (1) quoted basis points set forth in a fee letter with the Issuer, multiplied by (2) simple average of the par value of the Assets plus principal and uninvested cash proceeds the first and last day of the applicable Collection Period.

(y) With respect to the calculation of the Par Value Ratio Test prior to the purchase of an Uptier Priming Debt, Restructured Loan or Workout Loan, the calculation thereof shall account for any potential reduction in the Adjusted Collateral Principal Amount for non-participation in the workout or restructuring of the related Collateral Obligation, including, for the

avoidance of doubt, with respect to the inability to participate in any Rolled Senior Uptier Debt (in each case, as determined in the commercially reasonable judgment of the Investment Manager).

ARTICLE II

Agent Members and owners of beneficial interests in Global Notes shall have no rights under this Indenture with respect to any Global Notes held by the Trustee, as custodian for DTC and DTC may be treated by the Co-Issuers, the Trustee, and any agent of the Co-Issuers or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Co-Issuers, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

During the Reinvestment Period (or, with respect to the Variable Dividend Notes and/or Junior Mezzanine Notes, at any time) and subject to the conditions set forth in Section 3.2, the Co-Issuers (or the Issuer alone) may issue and sell (x) additional notes of any one or more new classes of notes that are fully subordinated to the existing Rated Notes (or to the most junior class of securities of the Applicable Issuer (other than the

Variable Dividend Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Rated Notes and the Variable Dividend Notes is then Outstanding) (such additional notes, "Junior Mezzanine Notes"), (y) additional Variable Dividend Notes and/or (z) additional notes of the existing Classes of Rated Notes and, in each case, use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture, provided, that the following conditions are met:

(i) such issuance is consented to in writing by a Majority of the Variable Dividend Notes and the Investment Manager;

(ii) in the case of additional notes of any one or more existing Classes, unless only additional Variable Dividend Notes and/or Junior Mezzanine Notes are being issued, the aggregate principal amount of Notes of such Class issued in all additional issuances may not exceed 100% of the respective original aggregate outstanding principal amount of the Notes of such Class;

(iii) if additional notes of any one or more existing Classes are being issued, each existing holder shall have the right to purchase such additional notes to maintain their proportional ownership of the applicable Class; provided, that any additional Junior Mezzanine Notes issued as described above will, to the extent reasonably practicable, be offered first to the existing Holders of Variable Dividend Notes and any Junior Mezzanine Notes (as applicable) in a sufficient amount to allow such Holders to maintain their proportional ownership within such Classes on a combined basis: provided further, that any such offer to an existing Holder of Variable Dividend Notes or any Junior Mezzanine Notes which has not been accepted within three (3) Business Days after delivery of such offer by, or on behalf of, the Issuer shall be deemed a notice by such Holder that it declines to purchase such Additional Notes;

(iv) in the case of additional notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes and the spread over the Benchmark Rate (or, in the case of Fixed Rate Notes, the Interest Rate) of such notes does not have to be identical to those of the initial Notes of that Class; provided, that the spread over the Benchmark Rate (or, in the case of Fixed Rate Notes, the Interest Rate) on such notes must not exceed the spread over the Benchmark Rate (or, in the case of Fixed Rate Notes, the Interest Rate) applicable to the initial Rated Notes of that Class);

(v) in the case of additional notes of any one or more existing Classes, unless only additional Variable Dividend Notes or Junior Mezzanine Notes are being issued, additional notes of all Classes must be issued and such issuance of additional notes must be proportional across all Classes; provided, that the principal amount of Variable Dividend Notes and/or Junior Mezzanine Notes issued in any such issuance may exceed the proportion otherwise applicable to the Variable Dividend Notes or Junior Mezzanine Notes;

(vi) the Rating Agencies shall have been notified of such additional issuance;

(vii) the proceeds of any additional notes (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments; provided, however, that the Investment Manager may designate the proceeds of additional Variable Dividend Notes and/or additional Junior Mezzanine Notes (to the extent the issuance of such addition Variable Dividend Notes and/or additional Junior Mezzanine Notes is not necessary to comply with the proportionality requirement contained in clause (v) above) for any Permitted Use;

(viii) unless only additional Variable Dividend Notes or Junior Mezzanine Notes are being issued, each Par Value Ratio is maintained or improved immediately after giving effect to such issuance and the application of the proceeds thereof;

(ix) unless only additional Variable Dividend Notes are being issued, Tax Advice shall be delivered to the Trustee to the effect that (x) such additional issuance will not alter the U.S. federal income tax treatment as debt of any Notes Outstanding at the time of such additional issuance, and (y) any additional Rated Notes will have the same U.S. federal income tax characterization as debt (and at the same comfort level) as any outstanding Notes that are *pari passu* with such additional Notes; provided, however, that the opinion described in this clause (ix)(y) shall not be required with respect to any additional Notes that bear a different CUSIP (or equivalent identifier) from the Notes of the same Class that were issued on the 2024 Closing Date and are Outstanding at the time of the additional issuance;

(x) the additional issuance is accomplished in a manner that permits the Issuer to accurately report the tax information relating to original issue discount required to be provided to the Holders of Notes (including the additional Notes); and

(xi) no Event of Default has occurred and is continuing.

The Co-Issuers or the Issuer may also issue additional Notes in connection with a Refinancing of all Classes of Rated Notes, which issuance shall not be subject to the conditions set forth in this Section 2.4 or in Section 3.2, but shall be subject only to the requirements for a Refinancing described in Section 9.2.

Any additional Notes of any Class issued as described above will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class; provided that any additional Junior Mezzanine Notes issued as described above will, to the extent reasonably practicable, be offered first to the Holders of the Variable Dividend Notes and any existing Junior Mezzanine Notes in such amounts as are necessary to preserve their *pro rata* holdings of the Junior Mezzanine Notes and the Variable Dividend Notes on a combined basis. With respect to any additional Variable Dividend Notes or Junior Mezzanine Notes, if any such holder declines such offer in the preceding sentences, its portion of additional Variable Dividend Notes or Junior Mezzanine Notes will be offered to the holders of the other Variable Dividend Notes and/or Junior Mezzanine Notes that accept such offer as are necessary to preserve the *pro rata* holdings of additional Junior Mezzanine Notes and/or Variable Dividend Notes, collectively, of the accepting Holders and any such offer

to an existing Holder of Variable Dividend Notes or existing Junior Mezzanine Notes that has not been accepted within three Business Days after delivery of such offer by or on behalf of the Issuer shall be deemed a notice by such Holder that it declines to purchase additional notes. Purchasers and transferees of Junior Mezzanine Notes will be deemed to make the representations made by the Holders of Variable Dividend Notes in Section 2.6 and Section 2.15.

Section 2.5 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual, facsimile or electronic.

Notes bearing the manual, facsimile or electronic signatures of individuals who were at any time the Authorized Officers of the Issuer or the Co-Issuer, as applicable, shall bind the Issuer and the Co-Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Original Closing Date or the 2024 Closing Date shall be dated as of the Original Closing Date or the 2024 Closing Date, as applicable. All other Notes that are authenticated after the 2024 Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Integrals reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount (or original aggregate face amount, as applicable) of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.6 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause to be kept a register (the "Register") at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of

Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed "Registrar" for the purpose of registering Notes and transfers of such Notes with respect to the Register maintained in the United States as herein provided. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon request at any time the Registrar shall provide to the Issuer, the Investment Manager, the Initial Purchaser or any Holder a current list of Holders as reflected in the Register and a copy of each certification in the form of Exhibit C that it has received. In addition and upon request at any time, the Registrar shall obtain (at the Issuer's expense) and provide to the Issuer, the Investment Manager and the Initial Purchaser a copy of the securities position report from DTC.

Subject to this Section 2.6, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Authorized Integrals and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Authorized Integrals and of like aggregate principal or face amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Notes, the Co-Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Each initial investor and subsequent transferee of a Certificated Note will be required to complete and deliver a letter in the form of Exhibit B3 attached hereto in which it will be required to certify, among other matters, as to its status under the Securities Act, the Investment Company Act and ERISA.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Registrar or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee and the

Registrar shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) (i) Each purchaser and transferee of Co-Issued Notes or any interest in such Notes shall be required (or, in the case of a transferee of Co-Issued Notes represented by an interest in a Global Note, deemed) on each day from the date on which such beneficial owner acquires its interest in any such Notes through and including the date on which such beneficial owner disposes of its interest in such Notes to represent, warrant and agree that either (1) it is not, and is not acting on behalf of, or with assets of, a Benefit Plan Investor, or a governmental, church, non-U.S. or other plan that is subject to Similar Law, or (2) its acquisition, holding and disposition of any such Note (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a violation of Similar Law.

(ii) Each purchaser of ERISA Restricted Notes issued in the form of Global Notes on the Original Closing Date or the 2024 Closing Date, as applicable, and each purchaser and transferee of ERISA Restricted Notes issued in the form of Certificated Notes has completed and delivered, or will complete and deliver, to the Issuer a purchaser representation letter substantially in the form of the applicable Exhibit B hereto containing ERISA-related representations, warranties and covenants.

(iii) Each purchaser and transferee of Class E Notes issued in the form of Global Notes shall be deemed to represent, warrant and agree that on each day from the date on which such beneficial owner acquires its interest in such Notes through and including the date on which such beneficial owner disposes of its interest in such Notes to represent, warrant and agree that (1) except with respect to purchases from the Initial Purchaser or the Issuer on the 2024 Closing Date with the written consent of the Issuer and as set forth in clause (ii) above, it is not, and is not acting on behalf of, or with assets of, a Benefit Plan Investor or a Controlling Person, (2) if it is, or is and is acting on behalf of, or with assets of, a Benefit Plan Investor, its acquisition, holding and disposition of any such Note (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (3) if it is a governmental, church, non-U.S. or other plan, (A) its acquisition, holding and disposition of such Notes (or any interest therein) will not constitute or result in a violation of Similar Law, and (B) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Investment Manager (or other persons responsible for the investment and operation of the Issuer's assets) to any Similar Law.

(iv) Each purchaser and transferee of Variable Dividend Notes or any interest in such a Variable Dividend Note shall be required (or, in the case of a transferee of Variable

Dividend Notes in the form of Global Notes, deemed) to represent, warrant and agree that on each day from the date on which such beneficial owner acquires its interest in any such Variable Dividend Notes through and including the date on which such beneficial owner disposes of its interest in such Variable Dividend Notes (1) except with respect to purchases on the Original Closing Date with the written consent of the Issuer and as set forth in clause (ii) above, it is not, and is not acting on behalf of, or with assets of, a Benefit Plan Investor or a Controlling Person, (2) if it is, or is and is acting on behalf of, or with assets of, a Benefit Plan Investor, its acquisition, holding and disposition of any such Note (or any interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, and (3) if it is a governmental, church, non-U.S. or other plan, (A) its acquisition, holding and disposition of such Variable Dividend Notes (or any interest therein) will not constitute or result in a violation of Similar Law, and (B) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local or non-U.S. law or regulation that could cause the underlying assets of the Issuer to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Issuer or the Investment Manager (or other persons responsible for the investment and operation of the Issuer's assets) to any Similar Law.

(v) Each purchaser and transferee that is, or is acting on behalf of, a Benefit Plan Investor, will be further deemed or required to represent, warrant and agree that, unless there is an applicable prohibited transaction exemption, all the conditions of which have been satisfied, (i) none of the Transaction Parties or any of their respective affiliates has provided and none will provide any investment recommendation or investment advice within the meaning of Section 3(21) of ERISA to the Benefit Plan Investor, or to any fiduciary or other person investing the assets of the Benefit Plan Investor ("Plan Fiduciary"), in connection with its decision to invest in, hold or sell the Notes, and they are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of the Notes and (ii) the Plan Fiduciary is exercising its own independent judgment in evaluating the investment in the Notes.

(d) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act; except that if a certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6. Notwithstanding the foregoing, the Trustee, relying solely on representations deemed to have been made by Holders of the Issuer Only Notes, shall not permit any transfer of ERISA Restricted Notes if such transfer would result in 25% or more of the Aggregate Outstanding Amount of the applicable Class of ERISA Restricted Notes being held by Benefit Plan Investors, as calculated pursuant to 29 C.F.R. § 2510.3-101, as modified by Section 3(42) of ERISA. Notwithstanding anything in this Indenture to the contrary, the Trustee shall not be required to obtain any certificate specifically required by the terms of this

Section 2.6 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any shares of the Issuer to U.S. persons and the Co-Issuer shall not issue or permit the transfer of any shares of the Co-Issuer to U.S. persons.

(f) So long as a Global Note remains Outstanding and is held by or on behalf of DTC, transfers of such Global Note, in whole or in part, shall only be made in accordance with Section 2.2(b) and this Section 2.6(f).

(i) Rule 144A Global Notes or Certificated Notes to Regulation S Global Notes. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC or a Holder of a Certificated Note wishes at any time to exchange its interest in such Rule 144A Global Note or Certificated Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note or Certificated Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder, provided such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction, may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Trustee or the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Trustee or the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the minimum denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note or Certificated Note to be exchanged or transferred, and in the case of a transfer of Certificated Notes, such Holder's Certificated Notes properly endorsed for assignment to the transferee, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) in the case of a transfer of Certificated Notes, a Holder's Certificated Note properly endorsed for assignment to the transferee, (D) a certificate in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Rule 144A Global Notes or the Certificated Notes including that the holder or the transferee, as applicable, is not a U.S. person, and in an offshore transaction pursuant to and in accordance with Regulation S and (E) a written certification in the form of Exhibit B3 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Trustee or the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note (or, in the case of a transfer of Certificated Notes, the Trustee or the Registrar shall cancel such Notes) and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note or Certificated Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person

specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note (or, in the case of a cancellation of Certificated Notes, equal to the principal amount of Notes so cancelled).

(ii) Regulation S Global Notes to Rule 144A Global Notes or Certificated Notes. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for an interest in the corresponding Rule 144A Global Note or for a Certificated Note or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note or for a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note or for a Certificated Note. Upon receipt by the Trustee or the Registrar of (A) if the transferee is taking a beneficial interest in a Rule 144A Global Note, instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note, but not less than the minimum denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, either (x) the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction, or (y) solely in the case of a Certificated Note, the Person transferring such interest in such Regulation S Global Note is transferring to an IAI (or, solely in the case of a Qualified Investment Vehicle with the prior approval of the Issuer, an Accredited Investor) or an Accredited Investor (in the case of a Variable Dividend Note only) in a transaction exempt from registration under the Securities Act and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B3 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a QIB/QP or, solely in the case of a transfer of Certificated Notes, a written certification in the form of Exhibit B3 attached hereto given by the transferee, stating, among other things, that such transferee is an IAI/QP (or, solely in the case of a Qualified Investment Vehicle with the prior approval of the Issuer, an Accredited Investor and a Qualified Purchaser), an AI/KE (in the case of Variable Dividend Notes only) or a QIB/QP, then the Registrar shall either (x) if the transferee is taking a beneficial interest in a Rule 144A Global Note, approve the instructions at DTC to reduce, or cause to be reduced, the Regulation S Global Note or Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions

a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note or (y) if the transferee is taking an interest in a Certificated Note, the Registrar shall record the transfer in the Register in accordance with Section 2.6(a) and, upon execution by the Applicable Issuers, the Trustee shall authenticate and the Registrar shall deliver one or more Certificated Notes, as applicable, registered in the names specified in the instructions described above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Note transferred by the transferor), and in Authorized Integrals.

(iii) Transfer and Exchange of Certificated Notes to Certificated Notes. If a holder of a Certificated Note wishes at any time to exchange such Certificated Note for one or more Certificated Notes or transfer such Certificated Note to a transferee who wishes to take delivery thereof in the form of a Certificated Note, such holder may effect such exchange or transfer in accordance with this Section 2.6(f)(iii). Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee, and (B) certificates in the form of Exhibit B3 then the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and, upon execution by the Applicable Issuers, the Trustee shall authenticate and the Registrar shall deliver one or more Certificated Notes bearing the same designation as the Certificated Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Note surrendered by the transferor), and in Authorized Integrals.

(iv) Transfer of Rule 144A Global Notes to Certificated Notes. If a holder of a beneficial interest in a Rule 144A Global Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Note for a Certificated Note or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Note. Upon receipt by the Trustee or the Registrar of (A) a certificate substantially in the form of Exhibit B3 and (B) appropriate instructions from DTC, if required, the Trustee or the Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Rule 144A Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be transferred or exchanged, record the transfer in the Register in accordance with Section 2.6(a) and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Note transferred by the transferor), and in Authorized Integrals.

(v) Transfer of Certificated Notes to Rule 144A Global Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a beneficial interest in a Rule 144A Global Note or to transfer such Certificated Note to a

Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Certificated Note for beneficial interest in a Rule 144A Global Note (provided that no IAI or Accredited Investor may hold an interest in a Rule 144A Global Note). Upon receipt by the Trustee or the Registrar of (A) a Holder's Certificated Note properly endorsed for assignment to the transferee; (B) a certificate substantially in the form of Exhibit B2 attached hereto executed by the transferor and certificates substantially in the forms of Exhibit B3 (provided that no such transferor or transferee certificate shall be required if a holder of a Certificated Note on the 2024 Closing Date that has provided all required certifications to the Issuer upon acquisition thereof wishes to exchange a Certificated Note for a Rule 144A Global Note); (C) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Notes in an amount equal to the Certificated Notes to be transferred or exchanged; and (D) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Trustee or the Registrar shall cancel such Certificated Note in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the principal amount of the Certificated Note transferred or exchanged.

(vi) Other Exchanges. In the event that a Global Note is exchanged for Notes in definitive registered form without interest coupons pursuant to Section 2.11, such Global Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to insure that such transfers are made only to Holders who are Qualified Purchasers in transactions exempt from registration under the Securities Act or are to persons who are not U.S. persons who are non-U.S. residents (as determined for purposes of the Investment Company Act), and otherwise comply with Regulation S under the Securities Act, as the case may be), and as may be from time to time adopted by the Co-Issuers and the Trustee.

(vii) Transfer of Certificated Notes. Each transferee acquiring an interest in a Certificated Note of any Class (or a Junior Mezzanine Note in physical form) will be required to execute and deliver to the Issuer and the Paying Agent a letter in the form of Exhibit B3 attached hereto, which will include an agreement that such transferee will not transfer such interest except in compliance with the transfer restrictions set forth in this Indenture (including the requirement that any subsequent transferee execute and deliver such letter as a condition to any subsequent transfer).

(viii) Transfer of Variable Dividend Notes. In connection with the transfer of any Variable Dividend Notes (or a beneficial interest therein to which a Contribution Repayment Amount is due), each transferor thereof that is a Contributor and is owed a Contribution Repayment Amount will be required to execute and deliver to the Issuer and the Trustee a certificate substantially in the form of Exhibit B4 attached hereto in which it

will be required to represent and warrant as to the percentage of the aggregate Variable Dividend Notes and the amount of such Contribution Repayment Amount held by such Person that are in each case subject to such transfer.

(g) [Reserved].

(h) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable part of Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

(n) The Trustee and the Issuer shall be entitled to conclusively rely on any transfer certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the

mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Rated Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable in arrears on each Payment Date in the case of the Rated Notes, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Rated Notes (and payments of Interest Proceeds to the Holders of the Variable Dividend Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Classes are Outstanding with respect to any Class of Deferrable Notes, any payment of interest due on such Class of Deferrable Notes which is not available to be paid in accordance with the Priority of Payments on any Payment Date, if such interest is not paid in order to satisfy the Coverage Tests ("Deferred Interest" with respect thereto), shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Payment Date (i) on which such interest is available to be paid in accordance with the Priority of Payments, (ii) which is a Redemption Date with respect to such Class of Deferrable Notes, and (iii) which is the Stated Maturity of such Class of Deferrable Notes.

Deferred Interest on any Class of Deferrable Notes shall not be added to the principal balance of such Class. Deferred Interest shall be payable on the first Payment Date on which funds are available to be used for such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (i) which is the Redemption Date with respect to such Class of Deferrable Notes, and (ii) which is the Stated Maturity of such Class of Deferrable Notes. Interest shall cease to accrue on each Rated Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferrable Notes shall accrue at the Interest Rate for such Class until paid as provided herein and (y) interest on the interest on any Class A-1 Note, any Class A-2 Note or any Class B Note or, if no Class A-1 Notes, Class A-2 Notes or Class B Notes are Outstanding, any Class C Note, or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes or Class C Notes are Outstanding, any Class D-1 Note, or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes, Class C Notes or Class D-1 Notes are Outstanding, any Class D-2 Note, or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes, Class C Notes, Class D-1 Notes or Class D-2 Notes are Outstanding, any Class E Note that is not paid when due shall accrue at the Interest Rate for such Class until paid as provided herein.

(b) The principal of each Rated Note of each Class matures at par and is due and payable on the Payment Date which is the Stated Maturity for such Class of Rated Notes, unless the unpaid principal of such Rated Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, except as otherwise set forth in the Priority of Payments, the payment of principal of each Class of Rated Notes (and payments of Principal Proceeds to the Holders of the Variable Dividend Notes) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) after principal and interest on each Class of Notes that constitutes a Priority Class with respect to such Class has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on such Priority Class(es), and other amounts in accordance with the Priority of Payments, and any payment of principal of any Class of Rated Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class or any Redemption Date), shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Section 9.1.

(d) The Trustee and any Paying Agent shall require certification acceptable to it (including the delivery of a properly completed and executed IRS Form W-9 (or applicable successor form) in the case of a Person that is a "United States person" within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code) to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they

may be required to deduct or withhold from payments in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes. Nothing herein shall be construed to impose upon a Paying Agent a duty to determine the duties, liabilities or responsibilities of any other party described herein under any applicable law or regulation.

(e) Payments in respect of interest on and principal of any Rated Note and any payment with respect to any Variable Dividend Note shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Note, provided that in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, on or before the related Record Date; provided, further, that if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee on or prior to such Maturity; provided that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Investment Manager, nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Rated Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Variable Dividend Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than thirty (30) nor less than ten (10) days prior to the date on which such payment is to be made, mail to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.$100,000 original principal amount of Rated Notes, original principal amount of Variable Dividend Notes, and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Rated Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Variable Dividend Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Variable Dividend Notes registered in

the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Variable Dividend Notes on such Record Date.

(g) Interest accrued with respect to Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest accrued with respect to Fixed Rate Notes shall be calculated on the basis of a 360 day year consisting of twelve 30 day months.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer and Co-Issuer arising from time to time and at any time under the Notes and this Indenture are limited recourse or non-recourse obligations of the Issuer and Co-Issuer, as applicable, payable solely from the Assets available at such time and amounts derived therefrom and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, member, manager, partner, shareholder or incorporator of either the Co-Issuers, the Investment Manager or their respective successors or assigns for any amounts payable under the Notes or (except as otherwise provided herein or in the Investment Management Agreement) this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (x) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Variable Dividend Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee may treat as the owner of such Note the Person in whose name any Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10 Surrender of Notes; Cancellation. (a) Notwithstanding anything herein to the contrary, no Note may be surrendered (including any surrender in connection with any abandonment) for any purpose other than payment as described herein, registration of transfer, exchange or redemption in accordance with Article IX, or for replacement in connection with any Note that is deemed lost or stolen. The Issuer may not acquire any Notes (including any Notes that are surrendered, cancelled or abandoned) except pursuant to Section 2.16. The preceding sentence shall not limit an optional or mandatory redemption of the Notes pursuant to the terms of this Indenture.

(b) All Notes that are surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold; provided that, in the event an anticipated Optional Redemption does not occur, Notes that are delivered in connection with such anticipated Optional Redemption shall be returned by the Trustee to the Person surrendering the same. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.11 Certificated Notes. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within ninety (90) days after such notice. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a corresponding Certificated Note in exchange for such interest if an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Certificated Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Authorized Integrals. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.6, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subclauses (i) and (ii) of subsection (a) of this Section 2.11, the Co-Issuers shall promptly make

available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form without interest coupons.

The Certificated Notes shall be in substantially the same form as the corresponding Global Notes with such changes therein as the Issuer and Trustee shall agree. In the event that Certificated Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by Section 2.11(a), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if Certificated Notes had been issued. Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

Section 2.12 Notes Beneficially Owned by Persons Not QIB/QPs, IAI/QPs or AI/KEs or in Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a U.S. person that is not (i) in the case of a Rule 144A Global Note, a QIB/QP, (ii) in the case of a Certificated Rated Note, (x) an IAI/QP, (y) solely in the case of a Qualified Investment Vehicle with the prior approval of the Issuer, an Accredited Investor and a Qualified Purchaser or (z) a QIB/QP or (iii) in the case of a Certificated Variable Dividend Note, (x) an IAI/QP, (y) a QIB/QP, (y) solely in the case of a Qualified Investment Vehicle with the prior approval of the Issuer, an Accredited Investor and a Qualified Purchaser or (z) an AI/KE, and, in each case that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If (x) any U.S. person that becomes the holder or beneficial owner of an interest in any Note that is not either (1) a QIB/QP, (2) solely in the case of Certificated Notes, an IAI/QP, (3) solely in the case of a Qualified Investment Vehicle with the prior approval of the Issuer, an Accredited Investor and a Qualified Purchaser or (4) solely in the case of Certificated Variable Dividend Notes, an AI/KE, (y) any Non-Permitted ERISA Holder becomes the beneficial owner of an interest in a Note or (z) any holder that is a Non-Permitted Tax Holder (any such person described in any of the foregoing clauses (x), (y) or (z), a "Non-Permitted Holder"), the Issuer shall (but with respect to a Non-Permitted Tax Holder that is not otherwise a Non-Permitted Holder, may), promptly after discovery that such person is a Non-Permitted Holder by the Issuer (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within thirty (30) days (or in the case of a Non-Permitted ERISA Holder, ten (10) days) of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Investment Manager (on its own or acting through an investment bank selected by the Investment Manager at

the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Investment Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

Section 2.13 Deduction or Withholding from Payments on Notes; No Gross Up. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Notes for any Tax, then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant authority such amount. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any holder of a Note. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Notes, including in connection with the Tax Account Reporting Rules. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Trustee or Paying Agent and remitted to the appropriate taxing authority.

Section 2.14 [Reserved].

Section 2.15 Tax Treatment; Tax Certifications.

(a) Each Holder (including, for purposes of this Section 2.15, any beneficial owner of Notes) will treat (A) the Rated Notes as indebtedness of the Issuer, (B) the Variable Dividend Notes as equity of the Issuer, and (C) the Issuer, not the Co-Issuer, as the issuer of the Co-Issued Notes, in each case for all U.S. federal, state and local income tax purposes, and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer, the Trustee or their agents or representatives any tax forms, certifications or information (such as an applicable IRS Form W-8 (together with applicable attachments), IRS Form W-9, or any successors to such IRS forms) requested in order to (A) make payments to such Holder without, or at a reduced rate of, deduction or withholding, (B) to qualify for a reduced rate of deduction or withholding in any jurisdiction

from or through which the Issuer or its agents receive payments, (C) to satisfy reporting and other obligations under the Code and Treasury regulations or under any other applicable law, including, any cost basis reporting obligations, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms, certifications or information may result in the imposition of withholding or back up withholding upon payments to such Holder or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to such Holder by the Issuer.

(c) Each Holder agrees (A) except as prohibited by applicable law, to obtain and provide the Issuer and the Trustee (including their agents and representatives), as applicable, with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents or representatives, as applicable) to enable the Issuer or any non-U.S. Issuer Subsidiary to achieve Tax Account Reporting Rules Compliance (the obligations undertaken pursuant to this clause (A), the "Holder Reporting Obligations"), (B) that the Issuer and/or the Trustee or their agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax or regulatory authority and (2) take such other steps as they deem necessary or helpful to achieve Tax Account Reporting Rules Compliance, including withholding on "passthru payments" (as defined in the Code), and (C) that if it fails for any reason to comply with its obligations under clause (A) above, or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its entire interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified herein and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this subclause (C), to deposit payments on such Notes into a Tax Reserve Account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its obligations under clause (A) above and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including Taxes imposed in connection with the Tax Account Reporting Rules); provided that any unreserved amounts remaining in a Tax Reserve Account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer and the Trustee that it no longer holds an interest in any Notes. Any amounts deposited into a Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes.

(d) If it is a Holder of Issuer Only Notes and is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it represents that (1) either:

(A) it is not a bank extending credit pursuant to a loan agreement entered into in the ordinary course of its trade or business (within the meaning of Section 881(c)(3)(A) of the Code) or an affiliate of a bank;

(B) after giving effect to its purchase of such Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and

any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury Regulations Section 1.881-3);

(C) it has provided an IRS Form W-8BEN-E representing that it is eligible for benefits under an income tax treaty to which the United States is a party that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States; or

(D) it has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business within the United States for U.S. federal income tax purposes and includible in its gross income; and

(2) it has not purchased such Notes in whole or in part to avoid any U.S. federal income tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by the Holder).

(e) Each Holder of Variable Dividend Notes that owns more than 50% of the Variable Dividend Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) (or any successor provision)), it will (A) confirm that any member of such expanded affiliated group (assuming that the Issuer and any non-U.S. Issuer Subsidiary is a "registered deemed-compliant FFI" within the meaning of Treasury regulations section 1.1471-1(b)(111) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not any of a "participating FFI", a "deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(f) If it is a Holder of Variable Dividend Notes, it will not treat any income with respect to its Variable Dividend Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Sections 954(h) and (i)(2) of the Code.

(g) If it is Holder of Issuer Only Notes, it agrees to provide the Issuer and the Trustee (A) any information as is necessary (in the sole determination of the Issuer or the Trustee, as applicable) for the Issuer and the Trustee to comply with U.S. tax information reporting requirements relating to its adjusted basis in such Notes and (B) any additional information that the Issuer, the Trustee or their agents request in connection with any 1099 reporting requirements, and to update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required.

It acknowledges that the Issuer or the Trustee or their agents or representatives may provide such information and any other information concerning its investment in such Notes to the IRS.

Section 2.16 Issuer Purchases of Rated Notes.

(a) Notwithstanding anything to the contrary in this Indenture, the Investment Manager, on behalf of the Issuer, may, during the Reinvestment Period, conduct purchases of the Rated Notes, in whole or in part, in accordance with, and subject to, the terms and conditions set forth in Section 2.16(b) below, by disbursing amounts in the Principal Collection Subaccount, or at any time, from issuances of Variable Dividend Notes or Junior Mezzanine Notes or Contributions accepted and received into the Contribution Account for purchases of Rated Notes in accordance with the provisions described in this Section 2.16. The Trustee shall cancel in accordance with Section 2.10 any such purchased Rated Notes surrendered to it for cancellation or, in the case of any Global Notes, the Trustee shall decrease the Aggregate Outstanding Amount of such Global Notes in its records by the full par amount of the purchased Rated Notes, and instruct DTC or its nominee, as the case may be, to conform its records and shall provide notice of such cancellation or decrease in the Aggregate Outstanding Amount of such Global Notes to each Rating Agency (so long as any Class of Rated Notes rated by it remain outstanding).

(b) No purchases or repayments of the Rated Notes by, or on behalf of, the Issuer may occur unless each of the following conditions is satisfied:

(i) such purchases of Rated Notes shall occur in the following sequential order of priority: *first*, the Class A-1 Notes, until the Class A-1 Notes are retired in full; *second*, the Class A-2 Notes, until the Class A-2 Notes are retired in full; *third*, the Class B Notes, until the Class B Notes are retired in full; *fourth*, the Class C Notes, until the Class C Notes are retired in full; *fifth*, the Class D-1 Notes, until the Class D-1 Notes are retired in full; *sixth*, the Class D-2 Notes, until the Class D-2 Notes are retired in full; and *seventh*, the Class E Notes, until the Class E Notes are retired in full.

(ii) (1) each such purchase of Rated Notes of any Class shall be made pursuant to an offer made to all Holders of the Rated Notes of such Class, by notice to such Holders, which notice shall specify the purchase price (as a percentage of par) at which such purchase will be effected, the maximum amount of Principal Proceeds that will be used to effect such purchase and the length of the period during which such offer will be open for acceptance, (2) each such Holder shall have the right, but not the obligation, to accept such offer in accordance with its terms and (3) if the aggregate outstanding principal amount of Rated Notes of the relevant Class held by Holders who accept such offer exceeds the amount of Principal Proceeds specified in such offer, a portion of the Rated Notes of each accepting holder shall be purchased *pro rata* based on the respective outstanding principal amount held by each such holder (adjusted as required for minimum denominations);

(iii) a Majority of the Variable Dividend Notes has consented thereto;

(iv) each such purchase shall be effected only at prices equal to or discounted from par;

(v) each such purchase of Rated Notes shall be effected with Principal Proceeds or with proceeds from the issuance of additional Variable Dividend Notes and/or Junior Mezzanine Notes, or Contributions; provided that payment of accrued and unpaid interest and Deferred Interest on such Rated Notes shall be effected with Interest Proceeds, solely to the extent that, in the reasonable discretion of the Investment Manager, after giving effect on a pro forma basis to amounts owed under Section 11.1(a)(i) and taking into account scheduled distributions on the Assets that are expected to be received prior to the related Determination Date, sufficient Interest Proceeds will be available on the following Payment Date to pay all interest due on the Class A-1 Notes, the Class A-2 Notes and the Class B Notes;

(vi) (a) after giving effect to such purchase, each Par Value Ratio Test is maintained or improved and (b) if amounts in the Principal Collection Subaccount are to be used to effect such purchase, each Par Value Ratio Test is satisfied both before and after giving effect to such purchase;

(vii) no Event of Default shall have occurred and be continuing;

(viii) any Rated Notes to be purchased shall be surrendered to the Trustee for cancellation as set forth in Section 2.10;

(ix) each such purchase will otherwise be conducted in accordance with applicable law;

(x) such purchase occurs during the Reinvestment Period; and

(xi) the Trustee has received an Officer's certificate of the Investment Manager to the effect that the conditions in this Section 2.16(b) have been satisfied.

(v) Officers' Certificates of Co-Issuers Regarding Indenture. An Officer's certificate of each Co-Issuer stating that the Applicable Issuer is not in default under this Indenture and that the issuance of the Additional Notes applied for by it shall not result in a default or a breach of any of the terms, conditions or provisions of, or constitute a default under, its organizational documents, any indenture or other agreement or instrument to which it is a party or by which it is bound, or any order of any court or administrative agency entered in any Proceeding to which it is a party or by which it may be bound or to which it may be subject; that all conditions precedent provided in this Indenture and the supplemental indenture pursuant to Section 8.2(b) relating to the authentication and delivery of the Additional Notes applied for have been complied with and that the authentication and delivery of the Additional Notes is authorized or permitted under this Indenture and the supplemental indenture entered into in connection with such Additional Notes; and that all expenses due or accrued with respect to the Offering of the Additional

Notes or relating to actions taken on or in connection with the Additional Notes Closing Date have been paid or reserved. The Officer's certificate of the Issuer shall also state that all of its representations and warranties contained herein are true and correct as of the Additional Notes Closing Date.

(vi) Notice to Rating Agencies. The Rating Agencies have been notified of such issuance of Additional Notes.

(vii) Other Documents. Such other documents as the Trustee may reasonably require; provided that nothing in this clause (vii) shall imply or impose a duty on the Trustee to so require any other documents.

Prior to any Additional Notes Closing Date providing for the issuance of Rated Notes, the Trustee shall provide to the Holders notice of such issuance of Additional Notes as soon as reasonably practicable but in no case less than five (5) days prior to the Additional Notes Closing Date; provided that the Trustee shall receive such notice at least two (2) Business Days prior to the 5th day prior to such Additional Notes Closing Date. On or prior to any Additional Notes Closing Date, the Trustee shall provide to the Holders copies of any supplemental indentures executed as part of such issuance.

Section 3.3 Custodianship; Delivery of Collateral Obligations and Eligible Investments. (a) The Investment Manager, on behalf of the Issuer, shall use commercially reasonable efforts to deliver or cause to be delivered to a custodian appointed by the Issuer, which shall be a Securities Intermediary (the "Custodian"), all Assets in accordance with the definition of "Deliver". Initially, the Custodian shall be U.S. Bank National Association. The Custodian hereby represents and warrants that it has (x) a CR Assessment of at least "A2 (cr)" by Moody's (or, if such institution does not have a CR Assessment, either has (1) a long-term senior unsecured debt rating of at least "A2" from Moody's or (2) a short-term rating of "P-1" from Moody's) and (y) so long as any Notes rated by Fitch remain Outstanding, has a short-term debt rating of at least "F1" by Fitch or a long-term debt rating of at least "A" by Fitch, and having an office within the United States. The Custodian also has capital and surplus of at least U.S.$200,000,000. If at any time the Custodian fails to satisfy these requirements, the Trustee shall appoint a successor Custodian within thirty (30) calendar days that is able to satisfy such requirements. Any successor Custodian shall, in addition to satisfying the above requirements, be a state or national bank or trust company that is not an Affiliate of the Issuer or the Co-Issuer and a Securities Intermediary. Subject to the limited right to relocate Pledged Obligations as provided in Section 7.5(b), the Trustee or the Custodian, as applicable, shall hold (i) all Collateral Obligations, Eligible Investments, Cash and other investments purchased in accordance with this Indenture and (ii) any other property of the Issuer otherwise Delivered to the Trustee or the Custodian, as applicable, by or on behalf of the Issuer, in the relevant Account established and maintained pursuant to Article X; as to which in each case the Trustee shall have entered into the Securities Account Control Agreement with the Custodian providing, inter alia, that the establishment and maintenance of such Account shall be governed by a law of a jurisdiction satisfactory to the Issuer and the Trustee.

(b) Each time that the Investment Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment, or other investments, the

Investment Manager (on behalf of the Issuer) shall, if the Collateral Obligation, Eligible Investment, or other investment is required to be, but has not already been, transferred to the relevant Account, use commercially reasonable efforts to cause the Collateral Obligation, Eligible Investment, or other investment to be Delivered to the Custodian to be held in the Custodial Account (or in the case of any such investment that is not a Collateral Obligation, in the Account in which the funds used to purchase the investment are held in accordance with Article X) for the benefit of the Trustee in accordance with this Indenture. The security interest of the Trustee in the funds or other property used in connection with the acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment, or other investment so acquired, including all interests of the Issuer in to any contracts related to and proceeds of the Collateral Obligations, Eligible Investments, or other investments.

ARTICLE IV

SATISFACTION AND DISCHARGE

Section 4.1 Satisfaction and Discharge of Indenture. This Indenture shall be discharged and shall cease to be of further effect except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, defaced, destroyed, lost or stolen Notes, (iii) rights of Holders to receive payments of principal thereof and interest thereon, (iv) the rights, protections, indemnities and immunities of the Trustee and the specific obligations set forth below hereunder, (v) the rights, obligations and immunities of the Investment Manager hereunder, under the Investment Management Agreement and under the Collateral Administration Agreement, (vi) the rights, protections, indemnities and immunities of the Collateral Administrator hereunder and under the Collateral Administration Agreement and (vii) the rights of Holders as beneficiaries hereof with respect to the property deposited with the Trustee and payable to all or any of them (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture) when:

(a) (i) either:

(A) all Notes theretofore authenticated and delivered to Holders, other than (1) Notes which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.7 and (2) Notes for whose payment Money has theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3, have been delivered to the Trustee for cancellation; or

(B) all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable, or (2) shall become due and payable at their Stated Maturity within one year, or (3) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Applicable Issuers pursuant to Section 9.5 and either (x) the Issuer has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, Cash or non-callable direct obligations of the United States of America; provided that the obligations are entitled to the full faith and credit of the

United States of America or are debt obligations which are rated "Aaa" by Moody's in an amount sufficient, as recalculated in writing in an agreed-upon procedures report by a firm of Independent certified public accountants which are nationally recognized, to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Notes which have become due and payable), or to the respective Stated Maturity or the respective Redemption Date, as the case may be, and shall have Granted to the Trustee a valid perfected security interest in such Eligible Investment that is of first priority or free of any adverse claim, as applicable, and shall have furnished an Opinion of Counsel with respect thereto or (y) in the event all of the Assets are liquidated following the satisfaction of the conditions specified in Section 5.5(a), the Issuer shall have paid or caused to be paid all proceeds of such liquidation of the Assets in accordance with the Priority of Payments;

(ii) the Co-Issuers have paid or caused to be paid all other sums then due and payable hereunder (including any amounts then due and payable pursuant to the Hedge Agreements, the Collateral Administration Agreement and the Investment Management Agreement without regard to the Administrative Expense Cap) by the Issuer and no other amounts are scheduled to be due and payable by the Issuer other than Dissolution Expenses (it being understood that the requirements of this clause (ii) may be deemed satisfied as set forth in Section 5.7); and

(iii) the Co-Issuers have delivered to the Trustee Officer's certificates and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with;

provided, that in the case of clause (a)(i)(B)(x) above, the Issuer has delivered to the Trustee an Opinion of Counsel of Independent U.S. tax counsel of nationally recognized standing in the United States experienced in such matters to the effect that the Holders of Notes would recognize no income, gain or loss for U.S. federal income tax purposes as a result of such deposit and satisfaction and discharge of this Indenture; or

(b) (i) the Trustee confirms to the Issuer that:

(A) the Trustee is not holding Pledged Obligations other than Cash in an amount not greater than the Dissolution Expenses; and

(B) no assets (other than Excepted Property or Cash in an amount not greater than the Dissolution Expenses) are on deposit in or to the credit of any deposit account or securities account (including any Accounts) in the name of the Issuer (or the Trustee for the benefit of the Issuer or any Secured Party);

(ii) each of the Co-Issuers has delivered to the Trustee a certificate stating that (1) there are no Assets (other than (x) the Investment Management Agreement, the Hedge Agreements, the Collateral Administration Agreement, the Securities Account Control

Agreement and the Administration Agreement and (y) Cash in an amount not greater than the Dissolution Expenses) that remain subject to the lien of this Indenture, and (2) all funds on deposit in the Accounts have been distributed in accordance with the terms of this Indenture or have otherwise been irrevocably deposited with the Trustee for such purpose; and

(iii) the Co-Issuers have delivered to the Trustee Officer's certificates and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the rights and obligations of the Co-Issuers, the Trustee, the Investment Manager and, if applicable, the Holders, as the case may be, under Sections 2.8, 4.2, 5.4(d), 5.9, 5.18, 6.1, 6.3, 6.6, 6.7, 7.1, 7.3, 13.1 and 14.15 shall survive.

Upon the discharge of this Indenture, the Trustee shall provide such certifications to the Issuer or the Administrator as may be reasonably required by the Issuer or the Administrator in order for the liquidation of the Issuer to be completed.

Section 4.2 Application of Trust Money. All Monies deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it in accordance with the provisions of the Notes and this Indenture, including, without limitation, the Priority of Payments, to the payment of principal and interest (or other amounts with respect to the Variable Dividend Notes), either directly or through any Paying Agent, as the Trustee may determine; and such Money shall be held in a segregated account identified as being held in trust for the benefit of the Secured Parties, in accordance with the rating requirements set out in Section 10.5(c).

Section 4.3 Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all Monies then held by any Paying Agent other than the Trustee under the provisions of this Indenture shall, upon demand of the Co-Issuers, be paid to the Trustee to be held and applied pursuant to Section 7.3 hereof and in accordance with the Priority of Payments and thereupon such Paying Agent shall be released from all further liability with respect to such Monies.

Section 4.4 Limitation on Obligation to Incur Administrative Expenses. If at any time the sum of (i) Eligible Investments, (ii) Cash and (iii) amounts reasonably expected to be received by the Issuer in Cash during the current Collection Period (as certified by the Investment Manager in its reasonable judgment) is less than the sum of Dissolution Expenses and any accrued and unpaid Administrative Expenses, then notwithstanding any other provision of this Indenture, the Issuer shall no longer be required to incur Administrative Expenses as otherwise required by this Indenture to any Person other than the Trustee, the Collateral Administrator, the Bank, the Administrator and their Affiliates, and failure to pay such amounts or provide or obtain such opinions, reports or services shall not constitute a Default hereunder, and the Trustee shall have no liability for any failure to obtain or receive any of the foregoing opinions, reports or services. The foregoing shall not, however, limit, supersede or alter any right afforded to the Trustee under this Indenture to refrain from taking action in the absence of its receipt of any such opinion, report or service which it reasonably determines is necessary for its own protection.

ARTICLE V

REMEDIES

Section 5.1 Events of Default. "Event of Default," wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Class A-1 Note, any Class A-2 Note or any Class B Note or, if there are no Class A-1 Notes, Class A-2 Notes or Class B Notes Outstanding, any Rated Notes comprising the Controlling Class at such time and, in each case, the continuation of any such default for five (5) Business Days, or (ii) any principal, interest, or Deferred Interest on, or any Redemption Price in respect of, any Rated Note at its Stated Maturity or any Redemption Date; provided that (1) in the case of a default in payment under either clause (i) or (ii) above resulting solely from an administrative error or omission by the Trustee, any Paying Agent or the Registrar, such default continues for a period of seven (7) or more Business Days after the earlier of when the Trustee receives written notice or a Trust Officer has actual knowledge of the occurrence of such administrative error or omission and (2) in the case of a default in the payment of principal of any Rated Note on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Investment Manager on the Issuer's behalf), (B) the Issuer (or the Investment Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Investment Manager and (D) the Issuer (or the Investment Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for thirty (30) calendar days after such Redemption Date; provided, further, that the failure to effect (I) any Optional Redemption (including a redemption following a Tax Event) for which notice is withdrawn in accordance with the terms of this Indenture or (II) a Redemption by Refinancing for which the Refinancing was not able to be effected will, in each case, not constitute an Event of Default;

(b) the failure on any Payment Date to disburse amounts in excess of U.S.$250,000 available in the Payment Account in accordance with the Priority of Payments (other than as provided in clause (a) above) and continuation of such failure for a period of five (5) Business Days (provided, that if such failure results solely from an administrative error or omission by the Trustee, such default continues for a period of seven (7) or more Business Days after the earlier of when the Trustee receives written notice or an officer of the Trustee has actual knowledge of such administrative error or omission);

(c) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act and such requirement has not been eliminated after a period of forty-five (45) days;

(d) except as otherwise provided in this Section 5.1, a default in the performance, or breach, of any other material covenant or other material agreement of the Issuer

or the Co-Issuer in this Indenture which has a material adverse effect on any Holder (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Portfolio Quality Test, Coverage Test or Reinvestment Diversion Test is not an Event of Default), or the failure of any material representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in all material respects when the same shall have been made, and the continuation of such default, breach or failure for a period of forty-five (45) days after either notice (i) to the Investment Manager by registered or certified mail or overnight courier from the Trustee or the Applicable Issuers or (ii) to the Applicable Issuers, the Investment Manager and the Trustee by the Holders of not less than a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(e) on any Measurement Date so long as any Class A-1 Notes are Outstanding, the failure of the quotient of (i) the sum of (A) the Collateral Principal Amount (excluding Defaulted Obligations), plus (B) the Market Value of each Defaulted Obligation, divided by (ii) the Aggregate Outstanding Amount of the Class A-1 Notes, to equal or exceed 102.5%;

(f) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of sixty (60) consecutive days; or

(g) the institution by the shareholders of the Issuer or the members of the Co-Issuer of Proceedings to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or the consent by the shareholders of the Issuer or the members of the Co-Issuer to the institution of bankruptcy or insolvency Proceedings against the Issuer or the Co-Issuer, as the case may be, or the filing by the Issuer or the Co-Issuer of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by the Issuer or the Co-Issuer to the filing of any such petition or to the appointment in a Proceeding of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or the making by the Issuer or the Co-Issuer of an assignment for the benefit of creditors, or the admission by the Issuer or the Co-Issuer in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer or the Co-Issuer in furtherance of any such action.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Investment Manager shall notify each other in writing and the Trustee shall provide the notices of Default required under <u>Section 6.2</u>.

Section 5.2 <u>Acceleration of Maturity; Rescission and Annulment</u>. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in

Section 5.1(f) or (g)), the Trustee shall, upon the written direction of a Majority of the Controlling Class, by notice to the Applicable Issuers and each of the Rating Agencies, declare the principal of all the Rated Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon (including, in the case of the Deferrable Notes, any Deferred Interest), and other amounts payable hereunder, shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in Section 5.1(f) or (g) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Rated Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Noteholder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Rated Notes (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Deferred Interest at the applicable Interest Rates; and

(C) all unpaid taxes and Administrative Expenses of the Co-Issuers and other sums paid, incurred or advanced by the Trustee hereunder and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses; and

(ii) if it has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Rated Notes, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such declaration of an acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; provided that the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Rated Note, the Applicable Issuers shall,

upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Rated Note, the whole amount, if any, then due and payable on such Rated Note for principal and interest with interest upon the overdue principal, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)), institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Rated Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)), proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Rated Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Rated Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Rated Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Rated Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of Rated Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Rated Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Rated Notes upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Rated Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of Rated Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder of Rated Notes, any plan of reorganization, arrangement, adjustment or composition affecting the Rated Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder of Rated Notes in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Rated Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Rated Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Rated Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Rated Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Rated Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a).

The Trustee may, but need not, obtain (as an Administrative Expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Rated Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)), shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A-1 Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A-1 Notes so delivered by such Holder (taking into account the Priority of Payments and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Rated Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Noteholders, the Trustee or the other Secured Parties may, prior to the date which is one year and one day (or if longer, any applicable preference period) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation Proceedings or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation Proceeding.

(e) The Issuer or the Co-Issuer, as applicable, shall, so long as any Notes remain Outstanding and for a year (or if longer, any applicable preference period) and a day thereafter, and subject to the proviso below, timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer, as the case may be, under Bankruptcy Law or any other applicable law; provided, that the obligations set forth in clauses (i) and (ii) above shall be subject to the availability of funds therefor under the Priority of Payments. The reasonable fees, costs, charges and expenses incurred by the Issuer or Co-Issuer (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Rated Notes intact (except as otherwise expressly permitted or required by Sections 7.16(m), 10.7 and 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Rated Notes for principal and interest (including accrued and unpaid Deferred Interest) and all amounts payable prior to payment of principal on such Rated Notes (including (x) amounts due and

owing as Administrative Expenses (without regard to the Administrative Expense Cap), (y) amounts payable to the Investment Manager as Senior Management Fees and, solely as the result of the operation of the Priority of Payments, any Senior Management Fee Interest thereon and (z) amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination; or

(ii) (A) with respect to an Event of Default specified in Section 5.1(a) (solely with respect to a failure to pay on the Class A-1 Notes) or (e) (without regard to the occurrence of any other Event of Default prior or subsequent to such Event of Default, and unless such Event of Default occurred solely as a result of acceleration and application of Section 11.1(a)(iv)), the Holders of a Majority of the Class A-1 Notes direct the sale and liquidation of the Assets and (B) with respect to any other Event of Default, Holders of at least a Supermajority of each Class of Rated Notes (voting separately by Class) direct the sale (and the manner thereof) and liquidation of the Assets; provided that if no Class of Rated Notes are then Outstanding, a Majority of the Variable Dividend Notes may direct the sale (and the manner thereof) and liquidation of the Assets.

Any Holder of Variable Dividend Notes shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of a liquidation of the Assets following an Event of Default and an acceleration of the Rated Notes.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer and the Investment Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Rated Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Noteholder. The Issuer shall notify each Rating Agency (to the extent any Rated Notes rated by such Rating Agency remain Outstanding) of the commencement of any liquidation pursuant to this Section 5.5.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Rated Notes if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, with the written consent of the Majority of the Controlling Class, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Investment Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In the event that the Trustee, with the cooperation of the Investment Manager, is only able to obtain bid prices with respect to a security

contained in the Assets from one nationally recognized dealer at the time making a market in such securities, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and conclusively rely without limitation on an opinion of an Independent investment banking firm of national reputation or other appropriate advisor concerning the matter (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders and the Investment Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than ten (10) days after such determination is made. Unless a Majority of the Controlling Class has not consented to the Trustee making a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within thirty (30) days after an Event of Default (or such longer period as is necessary if the information required to make such determination has not yet been received) and at the request of a Majority of the Controlling Class at any time, but not more frequently than once in any calendar quarter, during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Rated Notes may be prosecuted and enforced by the Trustee without the possession of any of the Rated Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iv), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(a) and (b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of a Supermajority of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the

Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for thirty (30) days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such thirty (30) day period by a Supermajority of the Controlling Class;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Noteholder of Rated Notes to Receive Principal and Interest. Subject to Sections 2.8(i), 2.13, 5.13, 6.15 and 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Rated Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Rated Note (including any Deferred Interest), as such principal and interest becomes due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Section 5.4(d) and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Rated Notes ranking junior to Notes still Outstanding shall have no right to institute proceedings for the enforcement of any such payment until such time as no Rated Note ranking senior to such Rated Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Rated Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Rated Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Rated Notes.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes secured thereby representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Rated Note (which may be waived with the consent of each Holder of such Rated Note);

(b) in the payment of interest on the Class A-1 Notes, the Class A-2 Notes and the Class B Notes or, if there are no Class A-1 Notes, Class A-2 Notes or Class B Notes

Outstanding, the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Class A-1 Notes, the Class A-2 Notes and the Class B Notes or the Notes of the Controlling Class, as applicable);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note materially and adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the Moody's Rating Condition is satisfied and Fitch has been notified).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Investment Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Investment Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Investment Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but

shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Noteholders, and shall, upon direction of the Holders of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee and the Investment Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee or the Investment Manager may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Rated Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Rated Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Investment Manager may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. Such appointment as agent and attorney-in-fact is hereby reaffirmed as of the 2024 Closing Date. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Variable Dividend Notes, and the Holders of the Variable Dividend Notes shall be permitted to participate in any such public Sale to the extent such Holders meet any applicable eligibility requirements with respect to such Sale.

(f) Prior to the sale of any Assets in connection with an exercise of remedies described above, the Trustee will notify the Investment Manager and the Initial Majority Variable Dividend Noteholder (so long as the Initial Majority Variable Dividend Noteholder Condition is satisfied) of its intent to sell any Assets in accordance with this Indenture. Prior to the Trustee accepting any bid in respect of such a sale of a Collateral Obligation, the Investment Manager and the Initial Majority Variable Dividend Noteholder (so long as the Initial Majority Variable Dividend Noteholder Condition is satisfied) shall have the right, by giving notice to the Trustee within one Business Day after the Trustee has notified such parties of the bid proposed to be accepted by the Trustee, to submit (on its behalf or on behalf of funds or accounts managed by the Investment Manager) and the Trustee shall accept, a Firm Bid to purchase such Collateral Obligation on no less favorable terms and conditions applicable to the potential purchaser; *provided* that if both parties provide a Firm Bid, (A) the higher Firm Bid shall have the right to purchase such Assets or (B) if the parties submit the same bid, such Asset shall be divided evenly between such parties.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three (3) Business Days in the case of an Officer's certificate furnished by the Investment Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen (15) days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class or such other percentage of Holders as required by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Investment Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article V, under this Indenture (and it is hereby expressly acknowledged and agreed, without implied limitation, that the enforcement or exercise of rights and remedies under Article V, and/or the commencement of or participation in any legal proceeding does not constitute "ordinary services"); and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (f), or (g) or any other matter unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default or other matter, as the case may be, is received by the Trustee at the

Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) In addition to its other obligations set forth herein, the Trustee shall provide any information actually in its possession by reason of it acting as Trustee hereunder to the Investment Manager promptly after the Investment Manager's reasonable request therefor provided that the Trustee shall not be obligated to provide any information that it may be restricted from doing so by legal, regulatory or contractual reasons.

(g) The Trustee shall, upon reasonable (but no less than three (3) Business Days') prior written notice to the Trustee, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes.

(h) The Trustee shall have no responsibility for the performance of any reporting, withholding or similar administrative duties and functions in connection therewith.

(i) The Trustee is authorized, at the request of the Investment Manager, to accept directions or otherwise enter into agreements regarding the remittance of fees owing to the Investment Manager.

(j) The Trustee shall post to the Trustee's website in respect of the Issuer all notices that it provides to the Holders.

Section 6.2 Notice of Default. As soon as reasonably practicable (and in no event later than three (3) Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Investment Manager, DTC, each Rating Agency, each Hedge Counterparty and each Paying Agent and all Holders, as their names and addresses appear on the Register, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note, other paper, electronic communication or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order, or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8(a)), investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise, enforce or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or a Majority of the Variable Dividend Notes or of a Rating Agency shall (subject to the right of the Trustee hereunder to be satisfactorily indemnified), make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Investment Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Investment Manager's normal business hours; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed hereunder in good faith and with due care by it;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate, verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Investment Manager;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or from a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8(a)) and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer as to the application of GAAP in such connection, in any instance;

(k) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

(m) the permissive rights of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(n) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communication services) and shall not be responsible or liable for any inaccuracies in the books and records of the Investment Manager, any Clearing Agency, Euroclear, Clearstream or any other intermediary (other than the Bank in its individual or other capacities hereunder), or for the actions or omissions of any such Person hereunder (including compliance with the procedures relating to compliance with Rule 17g-5 in accordance with and to the extent set forth in Section 14.16) or under any document executed in connection herewith;

(o) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(p) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

(q) to help fight the funding of terrorism and money laundering activities, the Trustee shall obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee may ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided. In accordance with the U.S. Unlawful Internet Gambling Act (the Gambling Act), the Issuer may not use the Accounts or other Bank facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use it to process or facilitate payments for prohibited internet gambling transactions;

(r) the Trustee shall not be liable for the actions or omissions of the Investment Manager, DTC, Euroclear, Clearstream or any other Clearing Agency or depository, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee) or any Authenticating Agent (other than the Trustee) and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Investment Manager with the terms hereof or the Investment Management Agreement, or to verify or independently determine the accuracy of information received by it from the Investment Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(s) the Trustee and the Collateral Administrator shall be entitled to conclusively rely on the Investment Manager with respect to whether or not a Collateral Obligation meets the criteria specified in the definition thereof and for the characterization, classification, designation or categorization of each Collateral Obligation;

(t) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; provided that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Securities Account Control Agreement, the Collateral Administration Agreement or any other document to which the Bank in such capacity is a party;

(u) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments

delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(v) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(w) neither the Trustee nor the Collateral Administrator shall be responsible for determining: (i) if a Collateral Obligation meets the criteria or eligibility restrictions imposed by this Indenture or (ii) whether the conditions specified in the definition of "Delivered" have been complied with;

(x) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(y) the Collateral Administrator shall have the same rights, privileges and indemnities afforded to the Trustee in Section 6.3, Section 6.4 and Section 6.5; provided that such rights, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in the Collateral Administration Agreement and that, in connection therewith, references in such Sections to (i) "Trust Officer" shall mean an officer of the Collateral Administrator and (ii) Corporate Trust Office shall be deemed deleted;

(z) the Trustee shall have no duty to monitor or verify compliance with the U.S. Risk Retention Rules; and

(aa) neither the Collateral Administrator, in its capacity as Calculation Agent, nor the Trustee shall have any (i) responsibility or liability for the selection or determination of a Fallback Rate as a successor or replacement base rate to the then-current Benchmark Rate and shall be entitled to rely upon any designation of such a rate by the Investment Manager in accordance with the provisions of this Indenture and (ii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of the then-current Benchmark Rate.

(bb) the Trustee shall have no responsibility or obligation to determine or verify whether (i) the Designation Condition, Interest Deposit Condition or Principal Payment Condition is satisfied or (ii) the conditions to the acquisition of a Swapped Obligation have been satisfied.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for

their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation as set forth in a separate fee schedule dated on or before the Original Closing Date between the Trustee and the Issuer for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or the other Transaction Documents (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Sections 5.4, 5.5, 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Investment Manager in writing;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, and arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated thereby, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other transaction document related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to Article V.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Payments but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; provided that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall survive the termination of this Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation Proceedings or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or if longer the applicable preference period then in effect, after the payment in full of all Notes issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture payable in accordance with the Priority of Payments, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. To the extent that the entity acting as Trustee is acting as Registrar, Calculation Agent, Paying Agent, Authenticating Agent, Securities Intermediary or Custodian, the rights, privileges, immunities and indemnities set forth in this Article VI shall also apply to it acting in each such capacity.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having (a) a CR Assessment of at least "A2 (cr)" by Moody's (or, if such institution does not have a CR Assessment, either has (i) a long-term senior unsecured debt rating of at least "A2" from Moody's or (ii) a short-term rating of "P-1" from Moody's) and a (b) so long as any Notes rated by Fitch remain Outstanding, has a short-term debt rating of at least "F1" by Fitch or a long-term debt rating of at least "A" by Fitch, and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Investment Manager, the Holders of the Notes and each Rating Agency not less than sixty (60) days prior to such resignation. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Investment Manager; provided that the Issuer shall provide prior written notice to the Rating Agencies of any such appointment; provided, further, that the Issuer shall not appoint such successor trustee or trustees without the consent of a Majority of the Notes of each Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class unless (i) the Issuer gives ten (10) days' prior written notice to the Holders of such amendment and (ii) a Majority of the Notes of each Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the Controlling Class do not provide written notice to the Issuer objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten (10) days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within thirty (30) days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed upon 30 days prior notice (x) by the Investment Manager and the Initial Majority Variable Dividend Noteholder (so long as the Initial Majority Variable Dividend Noteholder condition is satisfied) (solely if the Trustee defaults in the performance of any of its material duties under this Indenture or any of the Transaction Documents and has not cured such default within 60 days) or by Act of a Majority of the Notes voting together as a single class, or (y) at any time when an Event of Default shall have occurred and be continuing, by Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by any Holder; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee; provided that such successor trustee shall be appointed only upon the written consent of a Majority of the Variable Dividend Notes. If the Co-Issuers shall fail to appoint a successor Trustee within thirty (30) days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee with the prior written consent of a Majority of the Variable Dividend Notes. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class (with the consent of a Majority of the Variable Dividend Notes) and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring or removed Trustee may, or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Investment Manager, to the Holders of the Notes as their names and addresses appear in the Register and to each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten (10) days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture and as Collateral Administrator under the Collateral Administration Agreement.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to prior notice thereof being given to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within fifteen (15) days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent funds are available therefor under the Priority of Payments, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has

occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee;

(f) each co-trustee shall satisfy the requirements of Section 6.8; and

(g) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee receives notice from the Investment Manager or the Collateral Administrator that a payment has not been received with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Investment Manager in writing and (b) unless within three (3) Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three (3) Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Investment Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Investment Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Investment Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the

authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense under Section 11.1. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed on the Issuer's payments under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax (but such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The Issuer shall, upon the Trustee's request, provide information necessary to determine the nature of any income received and whether any tax or withholding obligations apply. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Noteholder of Rated Notes Only; Agent for each Hedge Counterparty and the Holders of the Variable Dividend Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as

representative of the Holders of Rated Notes and agent for each other Secured Party and the Holders of the Variable Dividend Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of Rated Notes and agent for each other Secured Party and the Holders of the Variable Dividend Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association under the laws of the United States of America and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture shall constitute the legal, valid and binding obligation of the Bank enforceable against the Bank in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium, liquidation and similar laws affecting the rights of creditors, and subject to equitable principles including without limitation concepts of materiality, reasonableness, good faith and fair dealing (whether enforcement is sought in a legal or equitable Proceeding), and except that certain of such obligations may be enforceable solely against the Assets.

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration with any United States federal agency or other governmental body under any United States federal regulation or law having jurisdiction over the banking or trust powers of the Bank.

Section 6.18 Communication with Rating Agencies. Any written communication, including any confirmation, from a Rating Agency provided for or required to be obtained by the Trustee hereunder shall be sufficient in each case when such communication or confirmation is received by the Trustee, including by electronic message, facsimile, press release, posting to the applicable Rating Agency's website. For the avoidance of doubt, no written communication given by Moody's under this Section 6.18 shall be deemed to satisfy the Moody's Rating Condition unless such communication is provided by Moody's specifically in satisfaction of the Moody's Rating Condition.

ARTICLE VII

COVENANTS

Section 7.1 Payment of Principal and Interest. The Applicable Issuers shall duly and punctually pay the principal of and interest on the Rated Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer shall, to the extent legally permitted and to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Variable Dividend Notes, in accordance with the Variable Dividend Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder shall be considered as having been paid by the Applicable Issuers to such Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers have appointed the Trustee as a Paying Agent for payments on the Notes. Notes may be surrendered for registration of transfer or exchange at the Corporate Trust Office of the Trustee or its agent designated for purposes of surrender, transfer or exchange. The Co-Issuers have appointed Corporation Service Company, 1180 Avenue of the Americas, Suite 210, New York, New York 10036, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; provided that the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; provided, further, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax in excess of any withholding tax that was imposed on such payments immediately before the appointment. The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give written notice as soon as reasonably practicable to the Trustee, the Holders, and each Rating Agency of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Co-Issuers shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Co-Issuers, and Notes may be presented and surrendered for payment to the

appropriate Paying Agent at its main office, and the Co-Issuers hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Money for Note Payments to Be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided that so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent (x) has a CR Assessment of at least "Baa3(cr)" and "P-3(cr)" by Moody's (or, if such institution does not have a CR Assessment, either has (i) a long-term senior unsecured debt rating of at least "Baa3" from Moody's from Moody's or (ii) a short-term rating of "P-3" from Moody's) and (y) a long-term issuer default rating of at least "A" by Fitch or a short-term debt rating of at least "F1" by Fitch. In the event that such successor Paying Agent ceases to have such ratings by Fitch or Moody's, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent that satisfies such required ratings within thirty (30) days of receipt of notice of such failure. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as exempted or foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; provided that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (x)(i) the

Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Investment Manager, and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class or a Majority of the Variable Dividend Notes objecting to such change or (y) such change is being made in connection with a supplemental indenture pursuant to Section 8.1(xv).

(b) Each of the Issuer and the Co-Issuer shall (i) ensure that all corporate or other formalities regarding its existence (including, to the extent required by applicable law, holding regular board of directors,' members', partners' and shareholders' or other similar meetings) are followed, (ii) conduct business in its own name, (iii) correct any known misunderstanding as to its separate existence, (iv) keep separate books and records and (v) not commingle its funds with those of any other entity. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Issuer Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, members or managers, as applicable), (B) except as contemplated by the Investment Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder or member, as applicable, that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

Section 7.5 Protection of Assets. (a) The Issuer, or the Investment Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Investment Manager if within the Investment Manager's control under the Investment Management Agreement) as is reasonably necessary in order to perfect and maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Holders of the Rated Notes hereunder and to:

(i) Grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;

(ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

(iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets;

(v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties; or

(vi) if reasonably able to do so, deliver or cause to be delivered an IRS Form W-8BEN-E or successor applicable form and other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable taxing authority or other governmental authority as necessary to permit the Issuer to receive payments without withholding or deduction or at a reduced rate of withholding or deduction and to otherwise pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

On the Original Closing Date, the Issuer appointed the Trustee as its agent and attorney in fact to prepare and file or record any Financing Statement (other than the Financing Statement delivered on the Original Closing Date), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5 and hereby reaffirms such appointment; provided that such appointment shall not impose upon the Trustee any of the Issuer's or the Investment Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. On the Original Closing Date, the Issuer further authorized and caused the Issuer's United States counsel to file a Financing Statement that named the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that described "all assets in which the debtor now or hereafter has rights" as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Article V and Sections 10.6 and 12.1, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Original Closing Date pursuant to Section 3.1(a)(iii) of the Original Indenture) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall cause the registration of the security interest granted by this Indenture in the register of mortgages and charges of the Issuer maintained at the Issuer's registered office in the Cayman Islands.

Section 7.6 Opinions as to Assets. Within the six-month period preceding the fifth anniversary of the Original Closing Date (and every five years thereafter), the Issuer shall furnish to the Trustee and the Rating Agencies an Opinion of Counsel either (i) stating that, in the opinion of such counsel, such action has been taken (including without limitation with respect to the filing of any Financing Statements and continuation statements) as is necessary to maintain the lien and security interest created by this Indenture and reciting the details of such action or (ii) describing the filing of any Financing Statements and continuation statements that shall, in the opinion of such counsel, be required to maintain the lien and security interest of this Indenture.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of pricing amendments, ordinary course waivers/amendments, and enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Investment Manager under the Investment Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Rated Notes (except in the case of the Investment Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Investment Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Investment Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Investment Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Investment Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) If the Co-Issuers receive a notice from a Rating Agency stating that they are not in compliance with Rule 17g-5, the Co-Issuers shall take such action as mutually agreed between the Co-Issuers and such Rating Agency in order to comply with Rule 17g-5.

Section 7.8 Negative Covenants. (a) The Issuer shall not and, with respect to clauses (i), (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer shall not, in each case from and after the Original Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any

part of the Assets, except as expressly permitted by this Indenture and the Investment Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction) or assert any claim against any present or future Holder of Notes, by reason of the payment of any taxes levied or assessed upon any part of the Assets, other than as described in Section 2.15, Section 7.16 or otherwise pursuant to this Indenture;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities (except as provided in Section 2.4) or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be permitted hereby or by the Investment Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Investment Management Agreement except pursuant to the terms thereof and Article XV of this Indenture;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the Co-Issuer and any Issuer Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by this Indenture or the Investment Management Agreement;

(xii) establish a branch, agency, office or place of business in the United States, or take any action or engage in any activity (directly or through any other agent) which would subject it to United States federal, state, or local tax;

(xiii) solicit, advertise or publish the Issuer's ability to enter into credit derivatives;

(xiv) register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company;

(xv) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (i) any tax, securities law or other filing or submission made to any governmental authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements; and

(xvi) hold itself out to the public as a bank, insurance company or finance company.

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(c) So long as any Notes are Outstanding, the Co-Issuer shall not elect to be taxable for U.S. federal income tax purposes as other than a disregarded entity without the unanimous consent of all Holders.

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Investment Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net income basis or income tax on a net income basis in any other jurisdiction.

(e) In furtherance and not in limitation of Section 7.8(c), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Investment Guidelines, unless, with respect to a particular transaction, the Issuer, the Investment Manager and the Trustee shall have received Tax Advice to the effect that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net income basis. The Investment Guidelines may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Investment Management Agreement) if the Issuer, the Investment Manager and the Trustee shall have received Tax Advice to the effect that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise cause the Issuer to be subject to U.S. federal income tax on a net

income basis. For the avoidance of doubt, in the event the Tax Advice as described above has been obtained in accordance with the terms hereof, no consent of any Noteholder or satisfaction of the Moody's Rating Condition shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Investment Guidelines contemplated by such written advice or opinion of tax counsel.

(f) The Issuer and the Co-Issuer shall not be party to any agreements (including Hedge Agreements) without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Investment Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Investment Manager in its sole discretion) loan trading documentation.

(g) The Issuer shall not acquire or hold any Certificated Securities in bearer form (other than securities not required to be in registered form under Section 163(f)(2)(A) of the Code) in a manner that does not satisfy the requirements of Treasury Regulations Section 1.165-12(c).

(h) The Co-Issuer shall not fail to maintain an independent manager under its limited liability company agreement.

(i) The Issuer shall not engage in any securities lending.

Section 7.9 Statement as to Compliance. On or before December 15 in each calendar year, commencing in 2025, or immediately if there has been a Default under this Indenture and prior to the issuance of any Additional Notes pursuant to Section 2.4, the Issuer shall deliver to the Trustee, the Investment Manager and the Administrator (to be forwarded, at the cost of the Issuer, by the Trustee to each Noteholder making a written request therefor and each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Investment Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five (5) days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc. Only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged

or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company incorporated and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class and a Majority of the Variable Dividend Notes; provided that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Rated Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Trustee shall have received notice of such consolidation or merger and shall have distributed copies of such notice to each Rating Agency as soon as reasonably practicable and in any case no less than five (5) days prior to such merger or consolidation, and the Trustee shall have received written confirmation from Moody's that its ratings issued with respect to the Rated Notes then rated by Moody's shall not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee, and each Rating Agency, an Officer's certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in clause (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Notes, and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Rated Notes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; provided that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have delivered notice to each Rating Agency, and the Merging Entity shall have delivered to the Trustee and each Noteholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this Article VII and that all conditions in this Article VII relating to such transaction have been complied with and that such transaction will not (1) result in the Merging Entity and Successor Entity becoming subject to U.S. federal income taxation with respect to their net income, (2) result in the Merging Entity and Successor Entity being treated as being engaged in a trade or business within the United States or (3) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class of Notes Outstanding at the time of issuance unless the Holders agree by unanimous consent that no adverse tax consequences will result therefrom to any of the Merging Entity, Successor Entity and Holders of the Notes (as compared to the tax consequences of not effecting the transaction);

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock (other than the Variable Dividend Notes) of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. person.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. From and after the Original Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and acquiring, owning, holding, selling, lending, exchanging, redeeming, pledging, contracting for the management of and otherwise dealing with Collateral Obligations and the other Assets in connection therewith and entering into Hedge Agreements, the Collateral Administration Agreement, the Securities Account Control Agreement, the Investment Management Agreement and other agreements specifically contemplated by this Indenture and shall not engage in any activity that would cause the Issuer to be subject to U.S. federal or state income tax on a net income basis, and the Co-Issuer shall not engage in any business or activity

other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith or ancillary thereto. The Issuer and the Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer and the Certificate of Formation and Limited Liability Company Agreement of the Co-Issuer, respectively only upon satisfaction of Global Rating Agency Condition.

Section 7.13 Annual Rating Review. So long as any of the Rated Notes of any Class remain Outstanding, on or before December 15 in each year, commencing in 2025, the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Rated Notes from each Rating Agency, as applicable. The Applicable Issuers shall promptly notify the Trustee and the Investment Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Class of Rated Notes has been, or is known shall be, changed or withdrawn.

Section 7.14 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Note with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner of such Note, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Rated Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its Affiliates or the Investment Manager or its Affiliates) to calculate the Benchmark Rate in respect of each Interest Accrual Period in accordance with the terms of this Indenture (the "Calculation Agent"). Under the Original Indenture, the Issuer has initially appointed the Collateral Administrator as Calculation Agent and hereby reaffirms such appointment. The Calculation Agent may be removed by the Issuer or the Investment Manager, on behalf of the Issuer, at any time. The Calculation Agent may at any time resign by giving written notice to the Issuer of such intention on its part, specifying the date on which such resignation shall become effective, provided that such notice shall be given not less than thirty (30) days prior to the stated effective date unless the Issuer otherwise agrees in writing. For the avoidance of doubt, the effectiveness of such resignation or removal shall not be conditional upon or subject to the effectiveness of appointment of a successor Calculation Agent. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Investment Manager, on behalf of the Issuer, the Issuer or the Investment Manager, on behalf of the Issuer, shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its Affiliates or the Investment Manager or its Affiliates.

(b) The Calculation Agent shall be required to agree that, as soon as practicable after 5:00 a.m. New York time on each Interest Determination Date, but in no event later than 5:00 p.m. (New York City time) on the U.S. Government Securities Business Day immediately following each Interest Determination Date, the Calculation Agent shall calculate for each Class of Rated Notes (i) the Interest Rate for the next Interest Accrual Period and (ii) the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) for the related Interest Accrual Period, payable on the next Payment Date. At such time the Calculation Agent shall deliver notice of the results of such calculations to the Co-Issuers, the Trustee, each Paying Agent, the Investment Manager, Euroclear and Clearstream. The Calculation Agent shall notify the Co-Issuers and the Investment Manager before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or (except in the case of the first Interest Determination Date) Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period shall (in the absence of manifest error) be final and binding upon all parties.

(c) None of the Trustee, the Paying Agent or the Calculation Agent shall be under any obligation (i) to monitor, determine or verify the unavailability or cessation of the then-current Benchmark Rate, or whether or when there has occurred, (ii) to select, identify or designate any alternative Benchmark Rate index (including any Fallback Rate), or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied or (iii) to determine whether or what administrative procedures or any modifications to this Indenture may be necessary or advisable in respect of the determination and implementation of any alternative reference rate index (including any Fallback Rate), if any, in connection with any of the foregoing. None of the Trustee, the Paying Agent or the Calculation Agent shall be liable for any inability, failure or delay on its part to perform any of its duties hereunder as a result of the unavailability of the then-current Benchmark Rate and absence of a designated replacement Benchmark Rate, including as a result of any inability, delay, error or inaccuracy on the part of any other Transaction Party, including without limitation the Investment Manager, in providing any direction, instruction, notice or information required or contemplated by the terms of this Indenture and reasonably required for the performance of such duties.

(d) Neither the Trustee nor the Calculation Agent shall have any liability for any interest rate published by any publication that is the source for determining the interest rates of the Floating Rate Notes, or for any rates published on any publicly available source, including without limitation the Federal Reserve Bank of New York's website, or in any of the foregoing cases for any delay, error or inaccuracy in the publication of any such rates, or for any subsequent correction or adjustment thereto.

(e) If the Calculation Agent at any time or times determines in its reasonable judgment that guidance is needed to perform its duties, or if it is required to decide between alternative courses of action, the Calculation Agent may (but is not obligated to) reasonably request guidance in the form of written instructions (or, in its sole discretion, oral instruction followed by written confirmation) from the Investment Manager, on which the Calculation Agent shall be entitled to rely without liability. The Calculation Agent shall be entitled to refrain from action pending receipt of such instruction.

Section 7.16 Certain Tax Matters. (a) The Issuer and the Co-Issuer will treat (A) the Rated Notes as indebtedness of the Issuer, (B) the Variable Dividend Notes as equity of the Issuer, and (C) the Issuer, not the Co-Issuer, as the issuer of the Co-Issued Notes, in each case for all U.S. federal, state and local income tax purposes, and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders (including, for purposes of Section 7.16, each beneficial owner)) for each taxable year of the Issuer, the Co-Issuer and the Issuer Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority that the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder, as soon as commercially practicable after the end of the taxable year, any information (to the extent such information is reasonably available to the Issuer) that such Holder reasonably requests in order for such Holder to (i) comply with its federal, state, or local tax return filing and information reporting obligations, (ii) in the case of a Holder of Variable Dividend Notes (or any Class of Rated Notes recharacterized as equity), make and maintain a "qualified electing fund" ("QEF") election (as defined in the Code) or comply with the controlled foreign corporation rules with respect to the Issuer and any non-U.S. Issuer Subsidiary (such information to be provided at the Issuer's expense), (iii) in the case of a Holder of Class E Notes, file a protective statement preserving such Holder's ability to make a retroactive QEF election with respect to the Issuer or any non-U.S. Issuer Subsidiary (such information to be provided at such Holder's expense), (iv) in the case of a Holder of Variable Dividend Notes (or any Class of Rated Notes recharacterized as equity), comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such Holder's expense); *provided* that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States on the basis that it is engaged in a trade or business within the United States for U.S. federal income tax purposes unless it shall have obtained Tax Advice to the effect that under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer shall take, and shall cause any Issuer Subsidiary to take, any and all actions that may be necessary or appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471 and 1472, and any other provision of the Code or other applicable law (including the Tax Account Reporting Rules). Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. The Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications including in the case of the Issuer, an IRS Form W-8BEN-E (or successor applicable form) to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition

of U.S. income or withholding tax. Upon written request, the Trustee, the Paying Agent and the Registrar shall provide to the Issuer, the Investment Manager, or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee, the Paying Agent or the Registrar, as the case may be, and may be necessary for the Issuer to achieve Tax Account Reporting Rules Compliance.

(d) The Issuer (or an agent acting on its behalf) will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary for the Issuer and any non-U.S. Issuer Subsidiary to qualify as, and comply with any obligations or requirements imposed on a "Reporting Model 1 FFI" within the meaning of the Code or any Treasury regulations promulgated thereunder and to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer and any non-U.S. Issuer Subsidiary pursuant to the Tax Account Reporting Rules, and any other action that the Issuer would be permitted to take under this Indenture necessary for the Issuer and any non-U.S. Issuer Subsidiary to achieve Tax Account Reporting Rules Compliance.

(e) Upon the Trustee's receipt of a request of a Holder of Rated Notes, delivered in accordance with the notice procedures of Section 14.3, for the information described in United States Treasury Regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Trustee and such requesting Holder all of such information. Any additional issuance or issuance of Replacement Notes shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate original issue discount income to Holders of the Additional Notes or Replacement Notes (as applicable).

(f) The Issuer shall not acquire any Collateral Obligation if a restructuring or workout of such Collateral Obligation is in process unless such acquisition complies with the Investment Guidelines or the Issuer has received Tax Advice to the effect that such acquisition will not result in the Issuer being treated as engaged in a trade or business in the United States or otherwise subject to U.S. federal income tax on a net income basis.

(g) Upon a Re-Pricing or adoption of a Fallback Rate, that results in a deemed exchange of Notes for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to comply with any requirements under Treasury regulation Section 1.1273-2(f)(9) (or any successor provision) including (as applicable), to (i) determine whether Rated Notes of the Re-Priced Class or Rated Notes that are subject to the Fallback Rate or Rated Notes replacing the Re-Priced Class are traded on an established market, and (ii) if so traded, to determine the fair market value of such Rated Notes and to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days of the date of the Re-Pricing or the adoption of a Fallback Rate, as applicable.

(h) If the Issuer is aware that it has participated in a "reportable transaction" within the meaning of Section 6011 of the Code, the Issuer shall provide, or cause its Independent accountants to provide, such information it has reasonably available that is required to be obtained by any Holder of Variable Dividend Notes (or, if requested in writing, by any holder of any Rated

Notes that is characterized as equity for U.S. federal income tax purposes) or beneficial owner under the Code as soon as reasonably practicable.

(i) Notwithstanding anything herein to the contrary, the Investment Manager, the Issuer, the Co-Issuer, the Trustee, the Holders and beneficial owners of the Notes and each listed employee, representative or other agent of those Persons, may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transactions contemplated by this Indenture and all materials of any kind, including opinions or other tax analyses, that are provided to those Persons. This authorization to disclose the U.S. tax treatment and tax structure does not permit disclosure of information identifying the Investment Manager, the Co-Issuers, the Trustee, or any other party to the transactions contemplated by this Indenture, the Offering, or the pricing (except to the extent such information is relevant to the U.S. tax structure or tax treatment of such transactions).

(j) The Issuer has not elected and shall not elect to be treated as other than a corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as other than a corporation for U.S. federal, state or local income or franchise tax purposes.

(k) So long as any Notes are outstanding, the Co-Issuer shall not elect to be treated for U.S. federal income tax purposes as other than a disregarded entity.

(l) The Issuer shall not:

(i) become the owner of any asset or portion thereof (A) that is treated as an equity interest in an entity that is treated as a partnership or other fiscally transparent entity for U.S. federal income tax purposes unless the entity is not treated, at any time, as engaged in a trade or business within the United States for U.S. federal income tax purposes; and the assets of the entity consist solely of assets that the Issuer could directly acquire consistent with this Indenture, the Investment Management Agreement (including the Investment Guidelines attached thereto), and any related documents, (B) the gain from the disposition of which would be subject to U.S. federal income or withholding tax under section 897 or section 1445, respectively, of the Code (provided that the Issuer may own equity interests in an Issuer Subsidiary that is a "United States real property interest" within the meaning of section 897(c)(1) of the Code ("USRPI") if the Issuer does not dispose of stock in the Issuer Subsidiary, and the Issuer Subsidiary does not make any distributions to the Issuer that give rise to capital gain, while the equity interest in the Issuer Subsidiary remains a USRPI) or (C) if the ownership or disposition of such asset or portion thereof would cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net basis, or

(ii) maintain the ownership of any asset or portion thereof that is the subject of a workout, amendment, supplement, exchange or modification if the continued maintaining or ownership of such asset or portion thereof during the process of such workout, amendment, supplement, exchange or modification would cause the

Issuer to violate the Investment Guidelines (each such obligation in the foregoing (i) and (ii), an "Ineligible Obligation"), in each case, unless the Issuer receives Tax Advice to the effect that the acquisition, ownership, and disposition of such asset will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis.

The Investment Manager must sell or effect the transfer to an Issuer Subsidiary of (1) any asset or portion thereof with respect to which the Issuer will receive an Ineligible Obligation described in clause (i) of the definition of Ineligible Obligation prior to the receipt of such Ineligible Obligation, (2) any Collateral Obligation described in clause (ii) of the definition of Ineligible Obligation prior to the workout, amendment, supplement, exchange or modification at issue or (3) if the Investment Manager discovers that the Issuer owns (whether or not in connection with an offer, exchange or modification) any Collateral Obligation or other asset that would cause the Issuer to violate the Investment Guidelines; provided that, in each case, with respect to a transfer to an Issuer Subsidiary, the Issuer Subsidiary's acquisition, ownership and disposition of such Ineligible Obligation would not cause any income or gain of the Issuer to be treated as income or gain of the Issuer that is effectively connected with the conduct of a trade or business of the Issuer within the United States for U.S. federal income tax purposes (other than as a result of a change in law after the acquisition of such Ineligible Obligation). An Issuer Subsidiary may not acquire any asset other than those described in the immediately preceding sentence. In connection with the incorporation of, or transfer of any security or obligation to, any Issuer Subsidiary, the Issuer shall not be required to satisfy the Global Rating Agency Condition; provided that prior to the incorporation of, and prior to the transfer of any security or obligation to, any Issuer Subsidiary, the Investment Manager will, on behalf of the Issuer, notify each Rating Agency. The Issuer shall not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) a security that ceases to be considered an Ineligible Obligation, as determined by the Investment Manager based on Tax Advice to the effect that the Issuer can transfer such security or obligation from the Issuer Subsidiary to the Issuer and the Issuer can hold such security directly without causing the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes. For purposes of financial accounting reporting purposes (including each Monthly Report prepared under this Indenture), the Coverage Tests and the Portfolio Quality Tests (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Equity Security or Collateral Obligation held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary.

(m) [Reserved].

(n) Each Issuer Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Issuer Subsidiary's organizational documents complying with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Issuer Subsidiary to

be restricted solely to the acquisition, receipt, holding, management and disposition of assets and Ineligible Obligations that are contributed to an Issuer Subsidiary and any assets, income and proceeds received in respect thereof (collectively, "Issuer Subsidiary Assets"), and shall require each Issuer Subsidiary to distribute 100% of the proceeds from such Issuer Subsidiary Assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer. No supplemental indenture pursuant to Section 8.1 or Section 8.2 hereof shall be necessary to permit the Issuer, or the Investment Manager on its behalf, to take any actions necessary to set up an Issuer Subsidiary.

(o) With respect to any Issuer Subsidiary:

(i) the Issuer shall not allow such Issuer Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property (other than as provided in Section 7.16(m)(i));

(ii) the Issuer shall ensure that such Issuer Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Issuer Subsidiary Assets, except as expressly permitted by this Indenture and the Investment Management Agreement;

(iii) the Issuer Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. Federal income tax purposes;

(iv) the Issuer shall ensure that such Issuer Subsidiary shall not (A) have any employees (other than its directors), (B) have any subsidiaries (other than any subsidiary of such Issuer Subsidiary which is subject, to the extent applicable, to covenants set forth in this Section 7.16 applicable to an Issuer Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(v) the Issuer shall ensure that such Issuer Subsidiary shall not conduct business under any name other than its own;

(vi) the constitutive documents of such Issuer Subsidiary shall provide that (A) recourse with respect to costs, expenses or other liabilities of such Issuer Subsidiary shall be solely to its Issuer Subsidiary Assets and no creditor of such Issuer Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law and (B) it will be subject to the limitations on powers set forth in the organizational documents of the Issuer;

(vii) the Issuer shall ensure that such Issuer Subsidiary shall file all tax returns and reports required to be filed by it and pay all taxes required to be paid by it;

(viii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Issuer Subsidiary;

(ix) the Issuer shall ensure that such Issuer Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Issuer Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(x) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by Section 7.16(m) so long as they do not violate Section 7.16(p);

(xi) the Issuer shall keep in full effect the existence, rights and franchises of such Issuer Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Issuer Subsidiary Assets held from time to time by such Issuer Subsidiary. In addition, the Issuer and such Issuer Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in the separate existence of such Issuer Subsidiary being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Issuer Subsidiary at any time;

(xii) the parties hereto agree that any reports prepared by the Trustee, the Investment Manager or the Collateral Administrator with respect to the Collateral Obligations shall indicate that the Issuer Subsidiary Assets are held by an Issuer Subsidiary, and shall refer directly and solely to such Issuer Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Issuer Subsidiary;

(xiii) the Issuer, the Co-Issuer, the Investment Manager and the Trustee shall not cause the filing of a petition in any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation Proceedings or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws against the Issuer Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day, or any longer applicable preference period then in effect plus one day, after the payment in full of all the Notes issued under this Indenture;

(xiv) in connection with the organization of such Issuer Subsidiary and the contribution of any Issuer Subsidiary Assets to such Issuer Subsidiary pursuant to Section 7.16(m), the Issuer Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, with the Bank or a financial institution meeting the requirements of Section 10.5(c) to hold the Issuer Subsidiary Assets and any proceeds thereof pursuant to an account control agreement; provided that

(A) an Issuer Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Issuer Subsidiary Asset or any other asset and (B) the Issuer may pledge an Issuer Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization, bankruptcy or insolvency Proceeding;

(xv) subject to the other provisions of this Indenture, the Issuer shall cause the Issuer Subsidiary to distribute, or cause to be distributed, the proceeds of Issuer Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Investment Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Principal Collection Subaccount or the Interest Collection Subaccount, as applicable, as determined in accordance with subclause (xvii)); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xvi) notwithstanding the complete and absolute transfer of an Issuer Subsidiary Asset to an Issuer Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Portfolio Quality Tests and Coverage Tests, the ownership interests of the Issuer in such Issuer Subsidiary or any property distributed to the Issuer by the Issuer Subsidiary (other than Cash) shall be treated as ownership of the Issuer Subsidiary Asset(s) owned by such Issuer Subsidiary (and shall be treated as having the same characteristics as such Issuer Subsidiary Asset(s) or of any asset received in consideration of such Issuer Subsidiary Asset(s)). If, prior to its transfer to an Issuer Subsidiary, any asset was a Defaulted Obligation, the ownership interests of the Issuer in such Issuer Subsidiary shall be treated as a Defaulted Obligation until such Issuer Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by such Issuer Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Assets, (B) notice is given of any Optional Redemption, Clean-Up Call Redemption, redemption following a Tax Event or other prepayment in full or repayment in full of all Notes Outstanding occurs and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within five (5) Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Investment Manager on the Issuer's behalf shall (x) with respect to each Issuer Subsidiary, instruct such Issuer Subsidiary to sell each Issuer Subsidiary Asset and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities,

to the Issuer in exchange for the equity security of or other interest in such Issuer Subsidiary held by the Issuer or (y) sell its interest in such Issuer Subsidiary; and

(xix) the Issuer shall not dispose of any interest in an Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and no Issuer Subsidiary shall make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes as a result of such disposition or distribution.

(p) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes based on Tax Advice.

(q) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received Tax Advice to the effect that, under the relevant facts and circumstances with respect to such transaction, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal tax on a net income basis.

(v) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of section 7701(i) of the Code unless the Issuer has obtained Tax Advice to the effect that the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes; provided that, for the avoidance of doubt, nothing in this Section 7.16(v) shall be construed to permit the Issuer to purchase real estate mortgages.

Section 7.17 Asset Quality Matrix. (a) [Reserved].

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) Asset Quality Matrix. On or prior to the 2024 Closing Date, the Investment Manager shall determine which "row/column combination" of the Asset Quality Matrix shall apply on and after the 2024 Closing Date to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test. At any time on written notice of two (2) Business Day to the Trustee, the Collateral Administrator and the Rating Agencies (in the case of delivery to Fitch, via email to cdo.surveillance@fitchratings.com, and in the case of delivery to Moody's, via email to cdomonitoring@moodys.com), the Investment Manager may elect a different "row/column combination" of the Asset Quality Matrix to apply to the Collateral Obligations; provided, that if (i) the Collateral Obligations are currently in compliance with the Moody's Diversity Test, the

Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, the Collateral Obligations comply with such applicable tests after giving effect to such proposed election, or (ii) the Collateral Obligations are not currently in compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test or would not be in compliance with such applicable tests after the application of any other Asset Quality Matrix case, the Collateral Obligations need not comply with such applicable tests after the proposed change so long as the degree of non-compliance of each of the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test would be maintained or improved if the Asset Quality Matrix case to which the Investment Manager desires to change is used; provided that if subsequent to such election of a "row/column combination" of the Asset Quality Matrix the Collateral Obligations would comply with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test if a different Asset Quality Matrix case were selected, the Investment Manager shall elect a "row/column combination" that corresponds to an Asset Quality Matrix case in which the Collateral Obligations are in compliance with such tests. If the Investment Manager does not notify the Trustee and the Collateral Administrator that it will alter the "row/column combination" of the Asset Quality Matrix chosen on the 2024 Closing Date in the manner set forth above, the "row/column combination" of the Asset Quality Matrix chosen on the last day of the Ramp-Up Period shall continue to apply. Notwithstanding the foregoing, the Investment Manager may elect at any time after the 2024 Closing Date, in lieu of selecting a "row/column combination" of the Asset Quality Matrix (but otherwise in compliance with the requirements of the fourth sentence of this Section 7.17(e)) to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points.

Section 7.18 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Original Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets:

(i) The Issuer owns such Asset free and clear of any lien, claim or encumbrance of any person, other than such as are created under, or permitted by, this Indenture.

(ii) Other than the security interest Granted to the Trustee pursuant to this Indenture, except as permitted by this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Assets. The Issuer has not authorized the filing of and is not aware of any Financing Statements against the Issuer that include a description of collateral covering the Assets other than any Financing Statement relating to the security interest granted to the Trustee hereunder or that has been terminated; the Issuer is not aware of any judgment, PBGC liens or tax lien filings against the Issuer.

(iii) All Assets constitute Cash, accounts (as defined in Section 9-102(a)(2) of the UCC), Instruments, general intangibles (as defined in Section 9-102(a)(42) of the UCC), Uncertificated Securities, Certificated Securities or security entitlements to Financial Assets resulting from the crediting of Financial Assets to a "securities account" (as defined in Section 8-501(a) of the UCC).

(iv) All Accounts constitute "securities accounts" under Section 8-501(a) of the UCC, or "deposit accounts" under Section 9-102(a)(29) of the UCC.

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1-201(37) of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the Original Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Trustee, for the benefit and security of the Secured Parties, hereunder or (y)(A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Trustee or the Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute Instruments.

(c) The Issuer hereby represents and warrants that, as of the Original Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets have been and shall have been credited to one of the Accounts which are securities accounts within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each Account has agreed to treat all assets credited to such Accounts (other than General Intangibles (as defined in the UCC) and Cash) as Financial Assets.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute Security Entitlements.

(iii) Either (x) the Issuer has caused the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Trustee, for the benefit and security of the

Secured Parties, hereunder or (y)(A) the Issuer has delivered to the Trustee a fully executed Securities Account Control Agreement pursuant to which the Custodian has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer or (B) the Issuer has taken all steps necessary to cause the Custodian to identify in its records the Trustee as the person having a Security Entitlement against the Custodian in each of the Accounts.

(iv) The Accounts are not in the name of any person other than the Issuer or the Trustee. The Issuer has not consented to the Custodian to comply with the Entitlement Order of any person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

The Co-Issuers further acknowledge and agree that, to the extent the Co-Issuers have engaged the Investment Manager to take certain actions on their behalf in order to comply with the covenants set forth in this Article VII, the Investment Manager shall have no obligation to take any action to cure any breach of any such covenant set forth in this Article VII until such time as an Authorized Officer of the Investment Manager has actual knowledge of such breach.

(a) The Issuer shall, or shall cause its agent to request of DTC, and cooperate with DTC to ensure, that (i) DTC's security description and delivery order include a "3(c)(7) marker" and that DTC's reference directory contains an accurate description of the restrictions on the holding and transfer of the Notes due to the Issuer's reliance on the exemption to registration provided by Section 3(c)(7) of the Investment Company Act, (ii) DTC send to its participants in connection with the initial offering of the Notes, a notice that the Issuer is relying on Section 3(c)(7) and (iii) DTC's reference directory include each class of Notes (and the applicable CUSIP numbers for the Notes) in the listing of 3(c)(7) issues together with an attached description of the limitations as to the distribution, purchase, sale and holding of the Notes.

(xxviii) with the prior consent of a Majority of the Controlling Class and a Majority of the Variable Dividend Notes, to modify (A) any Portfolio Quality Test, (B) any defined term identified in this Indenture utilized in the determination of any Portfolio Quality Test, (C) any criteria related to the acquisition of Collateral Obligations during or after the Reinvestment Period, including the Investment Criteria, (D) any Concentration Limitation or (E) any defined term in this Indenture or any Schedule thereto that begins with or includes the word "Fitch" or "Moody's" ; provided, that if such modification or amendment would effect a change to the Weighted Average Life Test in connection with a Partial Redemption by Refinancing, a Majority of the most senior Class of Rated Notes not subject to such Partial Redemption by Refinancing, and a Majority of the Class B Notes, if not such most senior Class, have consented to such modification or amendment.

Except as set forth above, the Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

At the cost of the Co-Issuers, the Trustee shall provide to the Holders and each Rating Agency (so long as any Rated Notes are Outstanding and are rated by such Rating Agency) a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture. With respect to any Opinion of Counsel or Officer's certificate delivered pursuant to this Indenture as to whether the interests of any holder of Notes would be materially and adversely affected by any supplemental indenture or other modification or amendment of this Indenture, the Trustee shall have no obligation to make any determination as to the satisfaction of any requirements which may form the basis of such Opinion of Counsel or Officer's certificate. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in Section 8.3 hereof.

Section 8.2 Supplemental Indentures with Consent of Holders of Notes. (a) With the consent of a Majority of each Class of Notes materially and adversely affected thereby, the Trustee and the Co-Issuers may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or

modify in any manner the rights of the Holders of the Notes of such Class under this Indenture; provided that, no supplemental indenture shall, without the consent of each Holder of each Outstanding Note of each Class materially and adversely affected thereby:

(i) other than a change in connection with a Refinancing or a Re-Pricing of all Classes of Rated Notes or in connection with the adoption of a Fallback Rate, change the Stated Maturity of the principal of or the due date of any installment of interest on any Rated Note, reduce the principal amount thereof or, other than in a Re-Pricing, the rate of interest thereon or the Redemption Price with respect to any Note, or change the earliest date on which Notes of any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Rated Notes, application of proceeds of any distributions on the Variable Dividend Notes (other than, following a redemption in full of the Rated Notes, a required amendment to permit distributions to Holders of the Variable Dividend Notes on dates other than Payment Dates) or change any place where, or the coin or currency in which, Variable Dividend Notes or Rated Notes or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date); provided, further, that any supplemental indenture entered into in connection with the execution of a Refinancing may extend the Non-Call Period; provided further that, in connection with a Refinancing of all Classes of Rated Notes in full, with the approval of a Majority of the Variable Dividend Notes and the Investment Manager, the terms relating to the Variable Dividend Notes may be changed without the consent of each holder of a Variable Dividend Note;

(ii) change the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required under this Indenture, including for the authorization of any such supplemental indenture, exercise of remedies under this Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) materially impair or materially adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Rated Note of the security afforded by the lien of this Indenture; provided that this clause shall not apply to any supplemental indenture in connection with a Refinancing where a lien is created in favor of a collateral agent or similar security agent in relation to the obligations providing the Refinancing Proceeds in the form of one or more loans ranking on a parity with one or more Classes of Notes also secured pursuant to the lien of this Indenture;

(v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Rated Notes or Variable Dividend Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions

of this Indenture cannot be modified or waived without the consent of the Holder of each Rated Note or Variable Dividend Note Outstanding and affected thereby;

(vi) modify the definitions of the terms "Outstanding," "Class," "Controlling Class," "Majority" or "Supermajority"; provided, that this clause (vi) shall not apply to any modifications to the definitions of "Class" or "Controlling Class" necessary to effect any Optional Redemption, Refinancing, Re-Pricing or additional issuance of Notes in accordance with this Indenture;

(vii) other than in a Re-Pricing or in connection with the adoption of a Fallback Rate, modify any of the provisions of this Indenture in such a manner as to directly affect the calculation of the amount of any payment of interest or principal on any Rated Note, or any amount available for distribution to the Variable Dividend Notes or to affect the rights of the Holders of Rated Notes to the benefit of any provisions for the redemption of such Rated Notes contained herein;

(viii) amend any of the provisions of this Indenture relating to the institution of proceedings for certain events of bankruptcy, insolvency, receivership or reorganization of the Co-Issuers;

(ix) modify the Priority of Payments; or

(x) modify any of the provisions of this Indenture in such a manner as to impose any liability on a holder of Notes to any third party (other than any liabilities set forth in herein or otherwise contemplated hereby on the 2024 Closing Date).

For the avoidance of doubt, except as described in subsections (ix) or (x) of Section 8.1, no supplemental indenture entered into pursuant to Section 8.1 or Section 8.2 may amend any Coverage Test or any criteria related to the acquisition of Collateral Obligations during or after the Reinvestment Period, including the Investment Criteria, without the consent of a Majority of the Controlling Class and a Majority of the Variable Dividend Notes.

Section 8.3 Execution of Supplemental Indentures. (a) Not later than 15 Business Days (or five Business Days if in connection with an additional issuance of Notes, Optional Redemption, Re-Pricing or adoption of a Fallback Rate) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2, the Trustee, at the expense of the Co-Issuers, shall mail to the Noteholders, the Investment Manager, the Collateral Administrator, any Hedge Counterparty and each Rating Agency (so long as any Rated Notes are Outstanding and are rated by such Rating Agency) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders of Notes to be given within 15 Business Days (or five Business Days if in connection with an additional issuance of Notes, Optional Redemption or Re-Pricing). Any consent given to a proposed supplemental indenture by the holder of any Notes will be irrevocable and binding on all future holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture within 15 Business Days (or five Business Days if

in connection with an additional issuance of Notes, Optional Redemption or Re-Pricing or adoption of a Fallback Rate), on the first Business Day following such period, the Trustee will provide consents received to the Issuer and the Investment Manager so that they may determine which Holders of Notes have consented to the proposed supplemental indenture and which Holders of Notes (and, to the extent such information is available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the cost of the Co-Issuers, for so long as any Notes remain Outstanding, not later than five (5) Business Days prior to the execution of such proposed supplemental indenture (provided that the execution of such supplemental indenture shall not in any case occur earlier than the date fifteen (15) Business Days or five (5) Business Days, as applicable, after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(a)), the Trustee shall deliver to the Investment Manager, the Collateral Administrator, each Hedge Counterparty, the Rating Agencies (if then rating a Class of Rated Notes) and the Holders a copy of such supplemental indenture as revised, indicating the changes that were made. If, prior to delivery by the Trustee of such supplemental indenture as revised, any Holder has provided its written consent to the supplemental indenture as initially distributed, such Holder shall be deemed to have consented in writing to the supplemental indenture as revised unless such Holder has provided written notice of its withdrawal of such consent to the Trustee and the Issuer not later than one (1) Business Day prior to the execution of such supplemental indenture. For the avoidance of doubt, a supplemental indenture may be embodied in an amended and restated indenture, in which case, execution of such amended and restated indenture will constitute execution of a supplemental indenture for all purposes under this Indenture.

(b) It shall not be necessary for any Act of Holders under this Section 8.3 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture.

(c) The Issuer shall not enter into any supplemental indenture pursuant to this Section 8.3 if any Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and notifies the Issuer and the Trustee thereof without the prior written consent of such Hedge Counterparty.

(d) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Section 8.3, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Investment Manager and each Rating Agency (so long as any Rated Notes are Outstanding and are rated by such Rating Agency) a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

(e) The Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of the counsel delivering the opinion) or an Officer's certificate of the Investment Manager, any investment banking firm or

other independent expert familiar with the market for the Notes as to the economic effect of the proposed supplemental indenture as to whether the interests of any Holder of Notes would be materially and adversely affected by any supplemental indenture or other modification or amendment of this Indenture that explicitly requires the consent of the Holders of any Class of Notes that are materially and adversely affected thereby; provided that the Trustee shall not enter into such proposed supplemental indenture if the Designated Initial Class A-1 Holder or the Designated Initial Class B Holder objects to such proposed supplemental indenture within 10 Business Days following delivery of notice of such proposed supplemental indenture to the Holders on the basis that such Holder would be materially and adversely affected thereby (which objection notice shall specify in reasonable detail the basis for such conclusion), unless the consent of the Designated Initial Class A-1 Holder or the Designated Initial Class B Holder, as applicable, has been obtained subsequent to such objection. Such determination shall be conclusive and binding on all present and future Holders.

(f) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. Neither the Investment Manager nor the Collateral Administrator shall be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements of Section 8.1 and Section 8.2. Notwithstanding anything in this Indenture to the contrary, the Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or the priority of any fees or other amounts payable to the Investment Manager), or adversely change the economic consequences to, the Investment Manager, (ii) modify the restrictions on the acquisitions or sales of Collateral Obligations under Article XII or the Investment Criteria, the Portfolio Quality Tests, the Coverage Tests or the Concentration Limitations or (iii) expand or restrict the Investment Manager's discretion, unless the Investment Manager shall have consented in advance thereto in writing.

(g) The Calculation Agent shall not be bound to follow or agree to any amendment or supplement to this Indenture that would increase or materially change or affect the duties, obligations or liabilities of the Calculation Agent (including without limitation the imposition or expansion of discretionary authority), or reduce, eliminate, limit or otherwise change any right, privilege or protection of the Calculation Agent, or would otherwise materially and adversely affect the Calculation Agent, in each case in its reasonable judgment, without such party's express written consent.

(h) In no case will a supplemental indenture that becomes effective on or after the Redemption Date of any Class of Notes be considered to have a material adverse effect on any Holder of such Class (provided that the redemption of such Class is effected on such Redemption Date), and no Holder of such Class shall have an objection right or consent right to such

supplemental indenture on the basis of a material and adverse effect. Any Non-Consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Date with respect to such Class. In addition, in the case of a Partial Redemption by Refinancing, holders of Classes not subject to such Partial Redemption by Refinancing will be deemed not to be materially and adversely affected by any terms of the supplemental indenture executed in accordance with Section 8.3 that does not change any terms of any Class not subject to such Refinancing held by such holders. In each case, holders of any redeemed Classes, any Non-Consenting Holders of a Re-Priced Class and holders of any non-redeemed Classes in a Partial Redemption by Refinancing shall have no objection or consent rights to such supplemental indenture on the basis of a material and adverse effect. Notwithstanding anything in this Indenture to the contrary, notice of any supplemental indenture (or any revisions thereto) shall not be required to be given to any Holder of Notes that will be redeemed in connection with the execution of such supplemental indenture.

(i) In connection with a Refinancing of all Classes of Rated Notes in full, with the approval of a Majority of the Variable Dividend Notes and the Investment Manager, the agreements relating to the Refinancing may, without limitation, (a) effect an extension of the end of the Reinvestment Period, (b) effect an extension of the Non-Call Period, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of the Replacement Notes or loans or other financial arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity of the Rated Notes, (e) effect an extension of the Stated Maturity of the Variable Dividend Notes or (f) effect any supplements or amendments to this Indenture that would otherwise be subject to any provision of Section 8.1 or Section 8.2 of this Indenture without any requirements thereunder; *provided* that, in connection with a Refinancing of all Classes of Rated Notes in full, with the approval of a Majority of the Variable Dividend Notes and the Investment Manager, the terms relating to the Variable Dividend Notes may be changed without the consent of each holder of a Variable Dividend Note (a "Reset Amendment").

For the avoidance of doubt, Reset Amendments are not subject to any notice or consent requirements that would otherwise apply to supplemental indentures described elsewhere herein.

(j) For the avoidance of doubt, Reset Amendments are not subject to any notice or consent requirements that would otherwise apply to supplemental indentures described in the immediately preceding paragraphs or elsewhere herein.

(k) Holders of Pari Passu Classes will vote together as a single Class in connection with any supplemental indenture, except that the holders of Pari Passu Classes will vote (or not vote) separately by Class with respect to any amendment or modification of this Indenture solely to the extent that such amendment or modification would by its terms directly affect the holders of any such Class exclusively and materially differently than the holders of the other Pari Passu Class, as determined by the Investment Manager in its reasonable discretion.

(l) For the avoidance of doubt, the failure to satisfy the Global Rating Agency Condition shall not prevent the execution or effectiveness of any supplemental indenture unless explicitly required by the terms of this Indenture.

(m) With respect to any supplemental indenture proposed pursuant this Indenture that requires the consent of any Class of Notes, the consent of a Majority of the Variable Dividend Notes to such supplemental indenture will be required in addition to the consent of such Class or Classes of Notes prior to the execution of such supplemental indenture.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6 Re-Pricing Amendment. For the avoidance of doubt, the Co-Issuers and the Trustee may, without regard for the provisions of this Article VIII (other than Section 8.3(e)), enter into a supplemental indenture pursuant to Section 9.9(i) solely to modify the spread over the Benchmark Rate (or, in the case of Fixed Rate Notes, the Interest Rate) with respect to the Re-Priced Class.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Payment Date to make payments as required pursuant to the Priority of Payments to achieve compliance with such Coverage Test.

Section 9.2 Optional Redemption. (a) The Rated Notes may be optionally redeemed by the Applicable Issuers at the applicable Redemption Prices on any Business Day (which shall be the related Redemption Date) after the end of the Non-Call Period pursuant to a Redemption by Liquidation or a Redemption by Refinancing (each, an "Optional Redemption"), at the written direction of (i) in the case of a Redemption by Liquidation, a Majority of the Variable Dividend Notes and (ii) in the case of a Redemption by Refinancing, (a) a Majority of the Variable Dividend Notes or (b) the Investment Manager (with the consent of a Majority of the Variable Dividend Notes), as described below, delivered to the Issuer, the Trustee and the Investment Manager (as applicable) not later than twenty (20) Business Days prior to the proposed Redemption Date. A Majority of the Variable Dividend Notes may direct that an Optional Redemption occur by directing the Investment Manager to liquidate a sufficient amount of the Assets to fully redeem all Classes of Rated Notes (a "Redemption by Liquidation"). The Investment Manager, on behalf of the Issuer, (i) shall, at the direction of a Majority of the Variable

Dividend Notes, or (ii) may, with the consent of a Majority of the Variable Dividend Notes, negotiate and obtain on behalf of the Issuer (x) one or more loans or other financing arrangements to be made to the Issuer, and/or (y) the issuance of replacement notes ("Replacement Notes") by the Issuer (each, a "Refinancing"), the proceeds of which shall be used to fully redeem all Classes of Rated Notes designated by a Majority of the Variable Dividend Notes (each clause (x) and (y), a "Redemption by Refinancing"), the terms of which shall be approved by a Majority of the Variable Dividend Notes and, with respect to a Refinancing directed by a Majority of the Variable Dividend Notes, the Investment Manager. The Issuer shall deposit, or cause to be deposited, the funds required for an Optional Redemption on or prior to the Redemption Date.

(b) Upon receipt of a notice of a Redemption by Liquidation, the Investment Manager shall direct the sale (and, in its sole discretion, the manner thereof) of all or part of the Collateral Obligations and other Assets in accordance with the procedures set forth in Section 9.2(c). The proceeds of a Redemption by Liquidation and all other funds available for such redemption in the Collection Account and the Payment Account shall be at least sufficient to pay the applicable Redemption Price on all of the Rated Notes and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments (including, without limitation, any amounts due to the Hedge Counterparties); provided that any Holder of a Rated Note may in its sole discretion elect, by written notice to the Issuer, the Trustee, the Paying Agent and the Investment Manager, to receive in full payment for the redemption of its Rated Note an amount less than the Redemption Price of such Rated Note in connection with a Redemption by Liquidation of all Classes of Rated Notes. If such proceeds of a Redemption by Liquidation and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all of the Rated Notes at the applicable Redemption Price and to pay such fees and expenses, the Rated Notes may not be redeemed. The Investment Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(c) Notwithstanding anything to the contrary set forth herein, the Rated Notes shall not be redeemed pursuant to a Redemption by Liquidation unless (i) at least three (3) days before the scheduled Redemption Date the Investment Manager shall have certified to the Trustee that the Investment Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions to purchase (which purchase may be through a participation), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Collateral Obligations and/or any Hedge Agreements at a purchase price at least equal to an amount sufficient, together with the Eligible Investments maturing, redeemable (or putable to the issuer thereof at par) on or prior to the scheduled Redemption Date, any payments to be received in respect of any Hedge Agreements, to pay all Administrative Expenses and other fees and expenses payable in accordance with the Priority of Payments (regardless of the Administrative Expense Cap) prior to the payment of the principal of the Notes to be redeemed and to redeem all of the Rated Notes on the scheduled Redemption Date at the applicable Redemption Price, or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Investment Manager shall certify to the Trustee that, in its judgment (which may be based on the Issuer having entered into an agreement to sell such Assets to another special purpose entity that has priced but has not yet closed its securities offering), the aggregate sum of (A) any expected proceeds from Hedge Agreements and the sale

of Eligible Investments, (B) any Refinancing Proceeds and (C) for each Collateral Obligation, the product of its Principal Balance and its Market Value (expressed as a percentage of its Principal Balance), shall exceed the sum of (x) the aggregate Redemption Prices of the Outstanding Rated Notes and (y) all Administrative Expenses and other fees and expenses payable under the Priority of Payments (including, without limitation, the Management Fees, Management Fee Interest and any amounts due to Hedge Counterparties) (without limitation thereof by the Administrative Expense Cap) prior to the redemption of the Notes. Any certification delivered by the Investment Manager pursuant to this Section 9.2(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.2(c). Notwithstanding the foregoing, in the event one or more Classes of Notes has consented to a delay of the Redemption Date for such Class or Classes of Notes in accordance with the definition of Redemption Date, any such certification described above in respect of the expected proceeds or sufficient proceeds to be available on the related Redemption Date may address only the Classes of Notes then being redeemed (and any amounts payable prior thereto under the Priority of Payments); provided that the Investment Manager certifies that sufficient proceeds are expected to be received or otherwise available to redeem all of the Classes of Notes in full and to pay all applicable amounts payable or distributable (including all Administrative Expenses without regard to the Administrative Expense Cap) under the Priority of Payments prior to any distributions with respect to the Variable Dividend Notes, in each case no later than the latest Redemption Date scheduled for a Class of Notes.

(d) Upon receipt of notice of a Redemption by Refinancing of all Classes of Rated Notes, the Investment Manager may obtain a Refinancing on behalf of the Issuer only if (i) Refinancing Proceeds (and, if the aggregate principal amount of the Class(es) of Replacement Notes issued by the Issuer under such Redemption by Refinancing of all Classes of Rated Notes is less to the Aggregate Outstanding Amount of the Classes of Rated Notes being redeemed, Sale Proceeds) will be at least sufficient to pay the Redemption Price of the Class or Classes of Rated Notes subject to such Redemption by Refinancing; (ii) Refinancing Proceeds, Sale Proceeds, if applicable, Available Interest Proceeds and all other available funds in the Accounts shall be at least sufficient to redeem simultaneously each Class of Rated Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Price and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing; provided that any Holder of a Rated Note may in its sole discretion elect, by written notice to the Issuer, the Trustee, the Paying Agent and the Investment Manager, to receive in full payment for the redemption of its Rated Note an amount less than the Redemption Price of such Rated Note in connection with a Refinancing of all Classes of Rated Notes, (iii) the Refinancing Proceeds are used to the extent necessary to make such redemption and (iv) the agreements relating to such Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d).

(e) The Variable Dividend Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment of all of the Rated Notes in full, at the written direction of either (x) a Majority of the Variable Dividend Notes or (y) the Investment

Manager (with the consent of the Initial Majority Variable Dividend Noteholder, so long as the Initial Majority Variable Dividend Noteholder Condition is satisfied).

(f) The Holders of the Variable Dividend Notes shall not have any cause of action against any of the Co-Issuers, the Investment Manager or the Trustee for any failure to obtain an Optional Redemption. In the event that a Refinancing is obtained meeting the requirements specified above as certified by the Investment Manager, the Co-Issuers and the Trustee (as directed by the Issuer) shall amend this Indenture pursuant to Article VIII to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes, other than the Majority of the Variable Dividend Notes directing the redemption.

(g) In connection with a Refinancing of all Classes of Rated Notes contemporaneously after the 2024 Closing Date, the Investment Manager may designate Principal Proceeds as Interest Proceeds (such designated amount, the "Designated Excess Par"), and direct the Trustee to apply such Designated Excess Par on the applicable Redemption Date or the first or second Payment Date thereafter as Interest Proceeds in accordance with the Priority of Payments; provided that, so long as the Initial Majority Variable Dividend Noteholder Condition is satisfied, the Initial Majority Variable Dividend Noteholder has consented thereto.

Section 9.3 Partial Redemption by Refinancing. Upon written direction of (a) a Majority of the Variable Dividend Notes or (b) the Investment Manager (with the consent of a Majority of the Variable Dividend Notes) delivered to the Issuer, the Trustee and the Investment Manager, as applicable, not later than twenty (20) Business Days prior to the proposed Redemption Date, the Issuer shall redeem one or more Classes of Rated Notes designated by a Majority of the Variable Dividend Notes following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds and/or other available proceeds from Contributions, an additional issuance of Notes or any other amounts permitted pursuant to Section 10.2 (any such redemption, a "Partial Redemption by Refinancing").

The Investment Manager may obtain a Partial Redemption by Refinancing on behalf of the Issuer only if the Investment Manager determines and certifies to the Trustee and the Issuer that:

(i) notice of the proposed Redemption by Refinancing has been given to the Rating Agencies;

(ii) Refinancing Proceeds, Available Interest Proceeds, any other available proceeds from Contributions, Liquidity Reserve Amounts, Redirected Fee Interests or an additional issuance of Notes or any other amounts permitted pursuant to this Indenture (including any amounts on deposit in the Contribution Account), will be at least sufficient to pay the Redemption Price of the Class or Classes of Rated Notes subject to such Partial Redemption by Refinancing;

(iii) the aggregate principal amount of each Class of Replacement Notes issued by the Issuer under such Partial Redemption by Refinancing is equal to the Aggregate Outstanding Amount of the corresponding Class of Rated Notes being redeemed with the

proceeds of such Partial Redemption by Refinancing; *provided* that (1) Pari Passu Classes may be refinanced with a single Class of Replacement Notes with an aggregate principal amount equal to the Aggregate Outstanding Amount of the combined Pari Passu Classes and (2) a single Class of Rated Notes may be refinanced with pari passu classes of Replacement Notes with a combined aggregate principal amount equal to the Aggregate Outstanding Amount of such Class of Rated Notes being refinanced;

(iv) the stated maturity of each class of obligations of the Issuer under such Refinancing is no earlier than the corresponding Stated Maturity of such Class of Rated Notes subject to such Partial Redemption by Refinancing;

(v) the Refinancing Proceeds shall be used (to the extent necessary) to redeem the Class or Classes of Rated Notes subject to such Partial Redemption by Refinancing;

(vi) the agreements relating to such Partial Redemption by Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(i) and Section 5.4(d);

(vii) the obligations of the Issuer under such Refinancing are not senior in priority of payment to the Class or Classes of Rated Notes subject to such Partial Redemption by Refinancing;

(viii) the interest rate spread over the Benchmark Rate (and in the case of any fixed rate refinancing obligations, the respective fixed rate of interest) payable in respect of such Refinancing is less than or equal to the interest rate spread over the Benchmark Rate (or fixed rate of interest, in the case of a Refinancing of a Class of Fixed Rate Notes) as applicable, payable on the corresponding proposed Class of Rated Notes to be redeemed; provided, that if more than one Class of Rated Notes is subject to a Refinancing, the spread over the Benchmark Rate of the obligations providing the Refinancing for a Class of Rated Notes may be greater than the spread over the Benchmark Rate for such Class of Rated Notes subject to Refinancing so long as the weighted average (based on the Aggregate Outstanding Amount of each Class of Rated Notes subject to Refinancing) of the spread over the Benchmark Rate of the obligations comprising the Refinancing shall be less than the weighted average (based on the Aggregate Outstanding Amount of each such Class) of the spread over the Benchmark Rate with to all Classes of Rated Notes subject to such Refinancing; provided further that (x) any Class of Fixed Rate Notes may be refinanced with obligations that bear interest at a floating rate (i.e., at a stated spread over the Benchmark Rate) so long as the floating rate of the obligations comprising the Refinancing is less than the applicable interest rate with respect to such Class of Fixed Rate Notes on the date of such Refinancing and (y) any Class of Floating Rate Notes may be refinanced with obligations that bear interest at a fixed rate so long as the fixed rate of the obligations comprising the Refinancing is less than the applicable Benchmark Rate plus the relevant spread with respect to such Class of Rated Notes on the date of such Refinancing, and in each case under clause (x) and (y) the Moody's Rating Condition is satisfied with respect to the Rated Notes not subject to such Refinancing; and

(ix) the expenses incurred in connection with such Partial Redemption by Refinancing shall have been paid or will be adequately provided for from the Refinancing Proceeds and any amounts available for such purpose under this Indenture (including amounts on deposit in the Contribution Account) (except for expenses owed to persons that agree to be paid solely as Administrative Expenses payable in accordance with the Priority of Payments). The Issuer shall comply with the provisions of Section 9.2(e) in connection with any Partial Redemption by Refinancing.

Section 9.4 Redemption Following a Tax Event. The Notes shall be redeemed by the Co-Issuers or the Issuer, as the case may be, in whole but not in part, on any Business Day after the occurrence of a Tax Event at the written direction of a Majority of the Variable Dividend Notes delivered to the Issuer, the Trustee and the Investment Manager not later than thirty (30) days (or such shorter period of time as the Issuer, the Trustee and the Investment Manager find reasonably acceptable) prior to the proposed Redemption Date (a "Tax Redemption"). A Majority of the Variable Dividend Notes may direct the Investment Manager to effect a Redemption by Liquidation to fully redeem all Classes of Notes in accordance with the procedures set forth in Section 9.5. The funds available for such a redemption of the Notes shall include all Principal Proceeds, Interest Proceeds, Disposition Proceeds and all other available funds in the Collection Account and the Payment Account. Each Class of Notes shall be redeemed at the applicable Redemption Price for such Class in accordance with the Priority of Payments.

Section 9.5 Redemption Procedures. (a) In the event of an Optional Redemption or a Partial Redemption by Refinancing, the written direction of the Holders of the Variable Dividend Notes or the Investment Manager, as applicable, required as set forth herein shall be provided to the Issuer, the Trustee and the Investment Manager (as applicable) not later than twenty (20) Business Days prior to the applicable Redemption Date on which such redemption is to be made (which date shall be designated in such notice) and a notice of redemption shall be given by the Issuer (or the Trustee on its behalf) by first class mail, postage prepaid, mailed not later than ten (10) Business Days prior to the applicable Redemption Date, to each Holder of Notes to be redeemed, at such Holder's address in the Register and each Rating Agency then rating a Class of Rated Notes.

(b) All notices of redemption delivered pursuant to Section 9.5(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Rated Notes are to be redeemed in full and that interest on such Rated Notes shall cease to accrue on the date specified in the notice;

(iv) in the case of a Partial Redemption by Refinancing, the Classes of Rated Notes to be redeemed in full and that interest on such Rated Notes shall cease to accrue on the date specified in the notice;

(v) the place or places where Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Variable Dividend Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Variable Dividend Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

The Co-Issuers shall have the option to withdraw (or, as described in the definition of Redemption Date, delay) any such notice of redemption up to and including the latest of (x) the day on which the Investment Manager is required to deliver to the Trustee the certifications as described in Section 9.2(c), only if the Investment Manager has provided written notice to the Co-Issuers and the Trustee that the Investment Manager will be unable to deliver such certifications described in Section 9.2(c) or it is unable to obtain the applicable Refinancing on behalf of the Issuer, (y) the day that is one Business Day prior to the proposed Redemption Date if the Issuer receives written direction from a Majority of the Variable Dividend Notes to withdraw such notice of redemption and (z) one (1) Business Day prior to the applicable Redemption Date if the Investment Manager determines, in its commercially reasonable business judgment, that the Co-Issuers will not have sufficient proceeds to redeem all of the Rated Notes on the applicable Redemption Date; provided that the Issuer will use reasonable efforts to notify the Trustee as soon as possible upon learning of such withdrawal. With respect to such withdrawal or delay, the Trustee will be entitled to rely upon instructions received from the Issuer (or the Investment Manager on its behalf) and shall have no liability for any delay or failure on the part of the Issuer, the Investment Manager, DTC or a Holder (or beneficial owner) in taking actions necessary in connection therewith or for any delay or failure in the redemption of a Class of Rated Notes. The Trustee (at the direction of the Issuer) shall notify the Holders of any such withdrawal or delay of the Redemption Date pursuant to this paragraph and, in the case of a delay, such notice shall specify the new Redemption Date.

If the Co-Issuers so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Notes, the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, during the Reinvestment Period at the Investment Manager's sole discretion, be reinvested in accordance with the Investment Criteria. The failure to effect any Optional Redemption or any redemption following a Tax Event shall not constitute an Event of Default.

Notice of redemption shall be given by the Co-Issuers (so long as the Co-Issuers have received notice thereof) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

Any Holder of Notes, the Investment Manager or any of the Investment Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions

afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a redemption pursuant to Section 9.4.

Section 9.6 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.5 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.2(c) in the case of an Optional Redemption and the right to withdraw any notice of redemption pursuant to Section 9.5(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Rated Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Rated Notes so to be redeemed whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Rated Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Rated Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period the Rated Note remains Outstanding; provided that the reason for such non-payment is not the fault of such Noteholder.

(c) Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied (together with the Available Interest Proceeds, any other available proceeds from Contributions, Liquidity Reserve Amounts or an additional issuance of Notes or any other amounts permitted pursuant to this Indenture (including any amounts on deposit in the Contribution Account)) pursuant to the Priority of Refinancing Redemption Proceeds on the Refinancing Redemption Date to redeem the Rated Notes that are being refinanced and (to the extent funds are available therefor) pay expenses and fees relating to such Refinancing without regard to the Priority of Payments (other than the Priority of Refinancing Redemption Proceeds); provided that, to the extent that any Refinancing Proceeds remain after payment of the respective Redemption Prices of each redeemed Class of Rated Notes and related expenses, such Refinancing Proceeds will be applied in accordance with the Priority of Refinancing Redemption Proceeds.

Section 9.7 Special Redemption. Principal payments on the Rated Notes shall be made in part in accordance with the Priority of Payments on any Payment Date during the Reinvestment Period, subject to the consent of a Majority of the Variable Dividend Notes, if the Investment Manager at its sole discretion notifies the Trustee that it has been unable, for a period of at least thirty (30) consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Investment Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral

Obligations (a "Special Redemption"). On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), the amount in the Principal Collection Subaccount representing Principal Proceeds which the Investment Manager has determined cannot be reinvested in additional Collateral Obligations (such amount, a "Special Redemption Amount") shall be applied in accordance with the Priority of Payments under Section 11.1(a)(ii). Notice of payments pursuant to this Section 9.7 shall be given by the Trustee not less than three (3) Business Days prior to the applicable Special Redemption Date to each Holder of Rated Notes affected thereby at such Holder's address in the Register and to both Rating Agencies or by facsimile or via email transmission to such parties.

Section 9.8 Clean-Up Call Redemption.

(a) At the written direction of the Investment Manager in its sole discretion (which direction shall be given so as to be received by the Issuer, the Trustee and the Rating Agencies not later than thirty (30) days prior to the proposed Redemption Date specified in such direction), the Rated Notes will be subject to redemption by the Co-Issuers, in whole but not in part (a "Clean-Up Call Redemption"), at the Redemption Price therefor, on any Business Day after the Non-Call Period on which the Collateral Principal Amount is less than 15% of the Aggregate Reset Par Amount; provided that a Majority of the Variable Dividend Notes has not objected to such Clean-Up Call Redemption within ten (10) Business Days of receiving notice thereof.

(b) Upon receipt of notice directing the Issuer to effect a Clean-Up Call Redemption, the Investment Manager on behalf of the Issuer shall solicit bids for the purchase of the Collateral Obligations and other Assets of the Issuer at a price not less than the Clean-Up Call Purchase Price, and the bidders in connection with such purchase may include the Investment Manager, the holders of the Variable Dividend Notes and their respective Affiliates. Any Clean-Up Call Redemption is subject to (i) the sale of the Collateral Obligations by the Issuer to the highest bidder therefor pursuant to the immediately preceding sentence on or prior to the third Business Day immediately preceding the related Redemption Date, for a purchase price in Cash (the "Clean-Up Call Purchase Price") payable prior to or on the Redemption Date at least equal to the greater of (1) the sum of (a) the sum of the Redemption Prices of the Rated Notes, plus (b) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Variable Dividend Notes, minus (c) all other cash, Eligible Investments and other Assets available for application as Principal Proceeds in accordance with the Priority of Payments on the Redemption Date and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Investment Manager, prior to such purchase, of certification from the Investment Manager that the sum so received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the applicable purchaser upon payment in immediately available funds of the Clean-Up Call Purchase Price. The Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Investment Manager.

(c) Upon receipt from the Investment Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date (as specified in the direction delivered pursuant to clause (a) above) and the Record Date for any redemption pursuant

to this Section and give written notice thereof to the Trustee (which shall forward such notice to the Holders), the Collateral Administrator, the Investment Manager and the Rating Agencies not later than fifteen (15) Business Days prior to the proposed Redemption Date.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to two (2) Business Days prior to the related scheduled Redemption Date by written notice to the Trustee, the Rating Agencies and the Investment Manager only if amounts equal to the Clean-Up Call Purchase Price are not received in full in immediately available funds by the third Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed at such Holder's address in the Note Register, by overnight courier guaranteeing next day delivery not later than the second Business Day prior to the related scheduled Redemption Date.

(e) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Purchase Price shall be distributed pursuant to the Priority of Payments.

Section 9.9 Re-Pricing of Notes. (a) On any Business Day occurring after the Non-Call Period, at the direction of (i) a Majority of the Variable Dividend Notes or (ii) the Investment Manager (with the consent of a Majority of the Variable Dividend Notes), the Issuer shall reduce the spread over the Benchmark Rate (or, in the case of Fixed Rate Notes, the Interest Rate) with respect to any Class of Re-Pricing Eligible Notes (such reduction with respect to any such Class of Rated Notes, a "Re-Pricing" and any such Class of Rated Notes to be subject to a Re-Pricing, a "Re-Priced Class"); provided that the Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.9 is satisfied with respect thereto. The Notes of a proposed Re-Priced Class held by holders that do not consent to such Re-Pricing will be subject to Mandatory Tender and transfer at the applicable Redemption Price to transferees designated by, or on behalf of, the Co-Issuers, or will be redeemed in connection with a redemption by Re-Pricing. For the avoidance of doubt, no terms of any Rated Notes other than the Interest Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "Re-Pricing Intermediary") upon the recommendation and subject to the approval of the Investment Manager and a Majority of the Variable Dividend Notes to assist the Issuer in effecting the Re-Pricing. Except with respect to Notes of a Re-Priced Class for which an Election to Retain has been exercised in accordance with the following paragraph, the Notes of each Re-Priced Class may be subject to Mandatory Tender and subsequent transfer or redeemed in connection with the issuance of Re-Pricing Replacement Notes, in each case at the respective Redemption Price, in accordance with this Indenture. Each Holder of Rated Notes, by its acceptance of an interest in such Notes, agrees to cooperate with the Issuer, the Investment Manager, the Re-Pricing Intermediary (if any) and the Trustee in connection with any Re-Pricing and acknowledges that its Rated Notes may be subject to Mandatory Tender or redeemed with or without such Holder's consent.

(b) At least fourteen (14) days prior to the Business Day fixed by the party directing such Re-Pricing (with the consent of a Majority of the Variable Dividend Notes, if the Investment Manager is the party making such direction) for any proposed Re-Pricing (the "Re-Pricing Date"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver (or shall, by Issuer Order, direct the Trustee to deliver on its behalf based on information in such Issuer

Order) a notice (a "Re-Pricing Mandatory Tender and Election to Retain Announcement") (with a copy to the Investment Manager, the Trustee, the Holders of the Variable Dividend Notes and each Rating Agency) through the facilities of DTC to each Holder of the proposed Re-Priced Class, which Re-Pricing Mandatory Tender and Election to Retain Announcement shall (i) specify the proposed Re-Pricing Date and the revised interest rate or spread (or range of interest rates or spreads from which a single interest rate or spread shall be chosen prior to the Re-Pricing Date) over the Benchmark Rate to be applied with respect to such Class (the "Re-Pricing Rate"), (ii) request each Holder of the Re-Priced Class to (a) communicate through the facilities of DTC whether such Holder (x) approves the proposed Re-Pricing and (y) elects to retain the Notes of the Re-Priced Class held by such Holder (an "Election to Retain"), which Election to Retain is subject to DTC's procedures relating thereto set forth in the "Operational Arrangements (March 2020)" published by DTC (as most recently revised by DTC) (the "Operational Arrangements") (any such Holder, a "Consenting Holder") or (b) provide a proposed Re-Pricing Rate at which it would consent to such Re-Pricing that is within the range provided, if any, in clause (i) above (such proposal, a "Holder Proposed Re-Pricing Rate"); (iii) request that each Consenting Holder of the Re-Priced Class deliver a response in writing to the Issuer, or to the Re-Pricing Intermediary on behalf of the Issuer, which response (the "Holder Purchase Request") shall indicate the aggregate principal amount of the Re-Priced Class that such holder is willing to purchase (or retain) at such Re-Pricing Rate (including within any range provided) specified in such Re-Pricing, Mandatory Tender and Election to Retain Announcement; (iv) state that any holder of the Re-Priced Class that does not approve the Re-Pricing and does not exercise an Election to Retain (each, a "Non-Consenting Holder") will either be (a) subject to mandatory tender and transfer in accordance with the Operational Arrangements (a "Mandatory Tender") or (b) redeemed at the applicable Redemption Price with the proceeds of an issuance of Re-Pricing Replacement Notes; and (v) state the period for which the holders of the Notes of the Re-Priced Class can provide their consent to the Re-Pricing and an Election to Retain, which period shall not be less than 10 Business Days from the date of delivery of the Re-Pricing, Mandatory Tender and Election to Retain Announcement; provided that the Issuer at the direction of the Investment Manager (with the written consent of a Majority of the Variable Dividend Notes) may extend the Re-Pricing Date or determine the Re-Pricing Rate taking into consideration any Holder Proposed Re-Pricing Rates at any time up to two (2) Business Days prior to the Re-Pricing Date (upon notice to each Holder of the proposed Re-Priced Class, with a copy to the Investment Manager, the Trustee and each Rating Agency). To the extent any Certificated Notes of the proposed Re-Priced Class are Outstanding as of the date the Re-Pricing, Mandatory Tender and Election to Retain Announcement is delivered to the holders of Global Notes through the facilities of DTC, the Trustee (at the direction of the Issuer) shall make available such Re-Pricing, Mandatory Tender and Election to Retain Announcement (with any appropriate modifications as directed by the Investment Manager on behalf of the Issuer) to the holders of such Certificated Notes on the Trustee's website.

(c) Prior to the Issuer (or Trustee, upon Issuer Order) distributing the Re-Pricing, Mandatory Tender and Election to Retain Announcement to the holders of the Notes of the Re-Priced Class, the Issuer shall provide a draft thereof to DTC's Reorganization Announcements Department via e-mail, at putbonds@dtcc.com, with a copy to Daniel Pikulin (dpikulin@dtcc.com) and Sylvia Salony (ssalony@dtcc.com) (or such other e-mail addresses provided by DTC), to discuss any comments DTC may have on the draft Re-Pricing, Mandatory Tender and Election to Retain Announcement. Upon the expiration of the period for which holders of Notes of the Re-Priced Class may approve the Re-Pricing and provide an Election to Retain

through the facilities of DTC, the Trustee (not later than one Business Day after receipt from DTC) shall provide to the Issuer, the Investment Manager and the Re-Pricing Intermediary, if any, the information received from DTC regarding the Aggregate Outstanding Amount of Notes held by Consenting Holders and Non-Consenting Holders.

(d) At least two Business Days prior to the publication date of the Re-Pricing, Mandatory Tender and Election to Retain Announcement, the Issuer shall cause a notice to be sent to DTC of the proposed Re-Pricing and that Notes of the Re-Priced Class will be subject to Mandatory Tender and an Election to Retain (which notice shall be sent by e-mail to DTC at putbonds@dtcc.com). Such notice shall include the following information: (i) the security description and CUSIP number of the Re-Priced Class, (ii) the name and number of the participant account to which the tendered Notes are to be delivered by DTC, (iii) the first Payment Date occurring after the Re-Pricing Date and (iv) if available at the time such notice is required to be sent to DTC, the Re-Pricing Rate. The Issuer shall also provide to the Trustee and DTC any additional information as required by any update to the Operational Arrangements or is otherwise required to effect the Re-Pricing in accordance with the procedures of DTC. The Trustee shall not be liable for the content or information contained in the Re-Pricing, Mandatory Tender and Election to Retain Announcement or in the notice to DTC regarding the proposed Re-Pricing and for any modification or supplement to the Operational Arrangements published by DTC. If it is determined that the procedures of DTC cannot accommodate a Mandatory Tender and transfer on a Re-Pricing Date that is not also a scheduled Payment Date (or the Issuer (or the Investment Manager on behalf of the Issuer) otherwise determines that it is not feasible for the Re-Pricing Date to occur on a Business Day that is not also a scheduled Payment Date), the Re-Pricing Date must be a Business Day that coincides with a Payment Date.

(e) If the Issuer, the Investment Manager or the Re-Pricing Intermediary have been informed of the existence of Non-Consenting Holders and the Aggregate Outstanding Amount of Notes of the Re-Priced Class held by such Non-Consenting Holders, the Issuer, the Investment Manager or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver notice to any Consenting Holder of the Re-Priced Class who delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is equal to or less than the Re-Pricing Rate as determined by the Investment Manager (such request, an "Accepted Purchase Request") (which notice may be either through the facilities of DTC or directly to the beneficial owners of the Notes held by Consenting Holders) specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class that such Consenting Holder has offered to purchase at the Re-Pricing Rate and the aggregate outstanding amount of the Notes that will be sold to such Consenting Holder.

(f) Notwithstanding the above, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of Notes of any Non-Consenting Holders, without further notice to such Non-Consenting Holders, on the Re-Pricing Date to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All Mandatory Tenders of Notes to be effected pursuant to this clause (c) shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof and, if applicable, in accordance with the Operational Arrangement.

(g) In the event that the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) receives Accepted Purchase Requests with respect to more than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Notes or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests with respect thereto, *pro rata* (subject to the applicable minimum denominations) based on the Aggregate Outstanding Amount of the Notes such Consenting Holders indicated an interest in purchasing pursuant to their Holder Purchase Requests. In the event that the Issuer receives Accepted Purchase Requests with respect to less than the aggregate outstanding amount of the Notes of the Re-Priced Class held by Non-Consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the Mandatory Tender and transfer of such Notes of the Re-Priced Class or will sell Re-Pricing Replacement Notes to such Consenting Holders at the applicable Redemption Prices and, if applicable, conduct a redemption of Non-Consenting Holders' Notes of the Re-Priced Class with the sale of Re-Pricing Replacement Notes, without further notice to the Non-Consenting Holders thereof, on the Re-Pricing Date to the Consenting Holders delivering Accepted Purchase Requests with respect thereto, and any excess Notes of the Re-Priced Class held by Non-Consenting Holders shall be transferred to one or more purchasers designated by the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) or redeemed with proceeds from the sale of Re-Pricing Replacement Notes. Unless the Issuer (or the Investment Manager on behalf of the Issuer) determines it is necessary to have new CUSIP numbers assigned to the Notes of a Re-Priced Class to facilitate the Re-Pricing, the CUSIP numbers assigned to the Notes of a Re-Priced Class that exist prior to the Re-Pricing Date shall remain the same CUSIP numbers after the occurrence of the Re-Pricing Date with respect to: (i) the Notes that are held by Consenting Holders for which an Election to Retain has been exercised and (ii) the Notes held by Non-Consenting Holders that are subject to Mandatory Tender and transfer and which are sold to one or more transferees designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer in connection with such Mandatory Tender.

(h) The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Investment Manager not later than one (1) Business Day prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by Non-Consenting Holders.

(i) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee (at the direction of the Issuer), with the consent of a Majority of the Variable Dividend Notes and the Investment Manager, shall have entered into a supplemental indenture dated as of the Re-Pricing Date, solely to modify the spread over the Benchmark Rate (or, in the case of Fixed Rate Notes, the Interest Rate) with respect to the Re-Priced Class and to reflect any necessary changes to the definitions of "Non-Call Period" or "Redemption Price" to be made pursuant to the last paragraph of this section;

(ii) confirmation has been received that all Notes of the Re-Priced Class held by Non-Consenting Holders have been sold and transferred (and, if applicable, redeemed, with Re-Pricing Replacement Notes) pursuant to clause (c) above;

(iii) each Rating Agency shall have been notified of such Re-Pricing; and

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing shall not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(i) on the subsequent Payment Date prior to the distribution of any remaining Interest Proceeds to the Holders of the Variable Dividend Notes, unless such expenses shall have been paid or adequately provided for by an entity other than the Issuer.

(j) The Trustee shall be entitled to receive, and (subject to Section 6.1 and Section 6.3(a) hereof) shall be fully protected in relying upon an Opinion of Counsel stating that the Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.9.

(k) Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(l) Any notice of a Re-Pricing may be withdrawn by a Majority of the Variable Dividend Notes on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, and the Investment Manager for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and each Rating Agency.

(m) In connection with a Re-Pricing, (x) the Non-Call Period for the Re-Priced Class may be extended at the direction of the Investment Manager (subject to the prior written consent of a Majority of the Variable Dividend Notes) prior to such Re-Pricing and/or (y) the definition of "Redemption Price" may be revised, with the written consent of a Majority of the Variable Dividend Notes, to reflect any agreed upon make-whole payments for the applicable Re-Priced Class, in each case pursuant to a supplemental indenture entered pursuant to Article VIII without the consent of any Holders other than a Majority of the Variable Dividend Notes.

ARTICLE X
ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms and conditions of such Pledged

Obligations. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture.

Section 10.2 Collection Accounts. (a) The Trustee has, prior to the Original Closing Date, established at the Custodian two segregated non-interest bearing trust accounts, one of which shall be designated the "Interest Collection Subaccount" and the other of which shall be designated the "Principal Collection Subaccount," each of which shall be maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.5(a), immediately upon receipt thereof (i) any funds in the Interest Reserve Account deemed by the Investment Manager in its sole discretion (with notice to the Trustee and the Collateral Administrator) to be Interest Proceeds pursuant to Section 10.3(e) and (ii) all Interest Proceeds (unless designated as Principal Proceeds in accordance with the definition of "Interest Proceeds") received by the Trustee. The Trustee shall deposit immediately upon receipt thereof all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.5(a), (i) any funds in the Interest Reserve Account deemed by the Investment Manager in its sole discretion (with notice to the Trustee and the Collateral Administrator) to be Principal Proceeds pursuant to Section 10.3(e), (ii) all Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments) received by the Trustee, and (iii) all other funds received by the Trustee. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.5(a).

(b) The Trustee, within one (1) Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash or Equity Securities, shall so notify or cause the Issuer and the Investment Manager to be notified and the Investment Manager on behalf of the Issuer shall use its commercially reasonable efforts to, within five (5) Business Days of receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction to a Person which is not the Investment Manager or an Affiliate of the Issuer or the Investment Manager and deposit the proceeds thereof in the Collection Account; *provided* that the Investment Manager (on behalf of the Issuer) (i) need not sell such distributions or other proceeds if it delivers an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it shall sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Investment Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest such funds in additional Collateral Obligations or exercise a warrant held in the Assets, in each case in accordance with the requirements of Article XII and such Issuer Order. At any time, the

Investment Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds in the Unfunded Exposure Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Investment Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on deposit in the Collection Account, on any Business Day during any Interest Accrual Period (i) any amount required to exercise a warrant or similar right to acquire securities held in the Assets, (ii) any amount required to acquire loan assets, in connection with the insolvency, bankruptcy, reorganization, restructuring or workout of a Collateral Obligation or the obligor thereof, (iii) any amount required to acquire a Workout Loan, Restructured Loan or Specified Equity Security; or (iv) from Interest Proceeds only, any Administrative Expenses (paid in the order of priority set forth in the definition thereof); provided that in each case (x) if Interest Proceeds are used for such purpose, (I) such payment would not cause a nonpayment or deferral of interest on any Class of Rated Notes on the following Payment Date (as determined by the Investment Manager in its reasonable discretion) and (II) the Initial Majority Variable Dividend Noteholder has consented thereto (so long as the Initial Majority Variable Dividend Noteholder Condition is satisfied) and (y) if Principal Proceeds are used for such purpose, the Principal Payment Condition is satisfied; provided, further that the payment of Administrative Expenses payable to the Trustee, to the Bank in any capacity or to the Collateral Administrator shall not require such direction by Issuer Order; provided, further, that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date.

(e) The Trustee shall transfer to the Payment Account as applicable, from the Collection Account, for application pursuant to Section 11.1(a) of this Indenture, on or not later than the Business Day preceding each Payment Date, the amount set forth to be so transferred in the Distribution Report for such Payment Date.

(f) [Reserved].

(g) At any time on or prior to the Determination Date related to the second Payment Date following the 2024 Closing Date, if the Interest Deposit Condition is satisfied after giving effect to such deposit, the Investment Manager may designate Principal Proceeds up to the Excess Par Amount to be (i) transferred to the Interest Collection Subaccount as Interest Proceeds or (ii) distributed by the Trustee directly to the Holders of Variable Dividend Notes ("Designated Principal Proceeds").

Section 10.3 Payment Account; Custodial Account; Expense Reserve Account; Interest Reserve Account; Unfunded Exposure Account; Contribution Account.

(a) Payment Account. The Trustee has, prior to the Original Closing Date, established at the Custodian a segregated non-interest bearing trust account, which shall be designated as the "Payment Account" and maintained by the Issuer with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in

Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Notes in accordance with their terms and the provisions of this Indenture and to pay Administrative Expenses and other amounts specified herein, each in accordance with the Priority of Payments. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. Funds in the Payment Account shall not be invested.

(b) Custodial Account. The Trustee has, prior to the Original Closing Date, established at the Custodian a segregated non-interest bearing trust account, which shall be designated as the "Custodial Account." The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with the Priority of Payments. Funds in the Custodial Account will remain uninvested.

(c) [Reserved].

(d) Expense Reserve Account. The Trustee has, prior to the Original Closing Date, established at the Custodian a segregated non-interest bearing trust account, which shall be designated as the "Expense Reserve Account." The Issuer hereby directs the Trustee to deposit the amount specified in the 2024 Closing Date Certificate from the proceeds of the sale of the Notes to the Expense Reserve Account as Interest Proceeds on the 2024 Closing Date. The Trustee shall apply funds from the Expense Reserve Account, in the amounts and as directed in writing by the Investment Manager, (w) to pay amounts due in respect of actions taken on or before the 2024 Closing Date, (x) subject to the Administrative Expense Cap, to pay Administrative Expenses in the order of priority contained in the definition thereof or (y) to be transferred on the Payment Date following the 2024 Closing Date at the written direction of the Investment Manager to the Collection Account as Interest Proceeds. Any income earned on amounts on deposit in the Expense Reserve Account shall be deposited in the Interest Collection Subaccount as Interest Proceeds as it is paid.

(e) Interest Reserve Account. The Trustee has, prior to the Original Closing Date, established at the Custodian a segregated non-interest bearing trust account, which shall be designated as the "Interest Reserve Account." The Issuer hereby directs the Trustee to deposit the amount specified in the 2024 Closing Date Certificate to the Interest Reserve Account on the 2024 Closing Date. On any date prior to the second Payment Date following the 2024 Closing Date, the Issuer, at the direction of the Investment Manager, by Issuer Order, may direct that all or any portion of funds in the Interest Reserve Account be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Investment Manager in its sole discretion) as long as, after giving effect to such deposits, the Investment Manager determines (as certified in such Issuer Order) that the Issuer shall have sufficient funds in the Collection Account to pay amounts payable pursuant to clauses (A) through (O) of Section 11.1(a)(i) on the Payment Dates occurring between such date and the second Payment Date. On the first Business Day following the second Payment Date following the 2024 Closing Date, all funds in the Interest Reserve Account shall be deposited in the Collection Account as Interest Proceeds. Any income earned on amounts deposited in the Interest Reserve Account shall be deposited in the Interest Collection Subaccount as Interest Proceeds as it is paid.

(f) Unfunded Exposure Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation identified by written notice to the Trustee, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn from the Principal Collection Subaccount and deposited by the Trustee in a segregated non-interest bearing trust account, which shall be designated as the "Unfunded Exposure Account." The Issuer hereby directs the Trustee to deposit the amount specified in the 2024 Closing Date Certificate to the Unfunded Exposure Account on the 2024 Closing Date. Upon initial purchase of any such obligations, funds deposited in the Unfunded Exposure Account in respect of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Unfunded Exposure Account will be invested in overnight funds that are Eligible Investments selected by the Investment Manager pursuant to Section 10.5 and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds.

The Issuer shall at all times maintain sufficient funds on deposit in the Unfunded Exposure Account such that the sum of the amount of funds on deposit in the Unfunded Exposure Account shall be equal to or greater than the sum of the unfunded funding obligations under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. Funds shall be deposited in the Unfunded Exposure Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Investment Manager on behalf of the Issuer. In the event of any shortfall in the Unfunded Exposure Account, the Investment Manager (on behalf of the Issuer) may direct the Trustee to, and the Trustee thereafter shall, transfer funds in an amount equal to such shortfall from the Principal Collection Subaccount to the Unfunded Exposure Account.

Any funds in the Unfunded Exposure Account (other than earnings from Eligible Investments therein) will be applied at the direction of the Investment Manager solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided that any excess of (A) the amounts on deposit in the Unfunded Exposure Account over (B) the sum of the unfunded funding obligations under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations may be transferred by the Trustee (at the written direction of the Investment Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

The Investment Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, on the date any Workout Loan is acquired, withdraw amounts on deposit in the Principal Collection Subaccount representing Principal Proceeds to the extent of any unfunded or undrawn funds with respect to such Workout Loan, and reserve such funds to be deposited in the Unfunded Exposure Account to meet funding requirements on future advances of such Workout Loan.

(g) The Contribution Account. The Trustee has, prior to the Original Closing Date, established a segregated non-interest bearing trust account designated as the "Permitted Use Account" under the Original Indenture, which will be re-designated as the "Contribution Account" on and after the 2024 Closing Date.

At any time during or after the Reinvestment Period, any Holder of Variable Dividend Notes (each such person, a "Contributor") may, subject to the written consent of a Majority of the Variable Dividend Notes, provide a Contribution Notice to the Issuer (with a copy to the Investment Manager) and the Trustee and make a subsequent contribution of cash to the Issuer (each, a "Contribution"); provided that, (x) each Contribution that is expected to be applied to a Permitted Use other than to purchase a Restructured Loan, Workout Loan, Specified Equity Security or Uptier Priming Debt shall be in a minimum amount of $750,000 (counting all Contributions received on the same day as a single Contribution for such purpose) and (y) except with respect to the first five Contributions after the 2024 Closing Date (counting all Contributions made on the same day as a single Contribution for this purpose), the consent of a Majority of the Controlling Class shall be required. Except for a Cure Contribution, the Investment Manager, on behalf of the Issuer, may accept or reject any Contribution in its sole discretion and shall notify the Trustee of any such acceptance (as long as a Majority of the Variable Dividend Notes has consented thereto). With respect to a Cure Contribution, the Trustee (as long as a Majority of the Variable Dividend Notes has consented thereto) shall accept such Contribution on behalf of the Issuer and none of the Issuer, the Investment Manager or any other Person shall have any right to reject such Contribution. Each accepted Contribution shall be received into the Contribution Account and applied by the Investment Manager on behalf of the Issuer to a Permitted Use, as directed by the Contributor at the time such Contribution is made (or, if no such direction is given, at the reasonable discretion of the Investment Manager). Contributions shall be repaid to the Contributor on a specified Payment Date and subsequent Payment Dates until paid in full together with a specified rate of return, as such rate of return may be agreed to among such Contributor, the Investment Manager and a Majority of the Variable Dividend Notes (such applicable amount inclusive of the related Contribution, the "Contribution Repayment Amount"). The Trustee shall, within one (1) Business Day of receipt of notice of any Contribution, notify (substantially in the form of Exhibit E) the remaining Holders of the Variable Dividend Notes of its receipt thereof, and shall extend, on behalf of the Issuer, to the other Holders of Variable Dividend Notes the opportunity to participate in the related Contribution in proportion to their then current ownership of Variable Dividend Notes. Any existing Holder of Variable Dividend Notes that has not, within three (3) Business Days after delivery of such notice of a Contribution from the Trustee, elected to participate in such Contribution by providing a notice thereof (substantially in the form of Exhibit F) to the Issuer and the Trustee (which shall forward such notice to the Contributors) shall be deemed to have irrevocably declined to participate in such Contribution. Any income earned on amounts deposited in the Contribution Account shall be deposited in the Interest Collection Subaccount as Interest Proceeds. In connection with any transfer of any Variable Dividend Notes (or beneficial interest therein) held by a Contributor, such Contributor shall be required to transfer, and will be deemed to have transferred, its interest in any unpaid Contribution Repayment Amount (and the related Contribution) in an amount that is proportional to the amount of Variable Dividend Notes held by such Contributor that are subject to such transfer. From and after the date of such transfer, the transferee will be deemed to be a Contributor with respect to the applicable portion of the related Contribution. Notwithstanding the foregoing, the Trustee shall be entitled to assume, and be fully protected in assuming, that no such transfer of an interest in a Contribution Repayment Amount (including the related Contribution) has occurred until the certificate specified in Section 2.6(f)(viii) is received by the Trustee.

For the avoidance of doubt, Holders shall not have any voting rights with respect to any Contribution Repayment Amount owed, and Contributions shall not increase the voting rights of the Notes held by any Holder.

In addition, the proceeds of an additional issuance of Variable Dividend Notes and/or Junior Mezzanine Notes and any amounts in respect of any Redirected Fee Interest may be deposited in the Contribution Account for application to a Permitted Use, at the direction of the Investment Manager.

In addition, on each Payment Date during or after the Reinvestment Period, subject to the Priority of Payments and at the direction of the Investment Manager (with the consent of a Majority of the Variable Dividend Notes), any Liquidity Reserve Amount will be deposited by the Trustee into the Contribution Account.

Liquidity Reserve Amounts deposited into the Contribution Account may be applied by the Issuer as directed by the Investment Manager with the consent of a Majority of the Variable Dividend Notes for a Permitted Use.

Section 10.4 Hedge Counterparty Collateral Account. If and to the extent that any Hedge Agreement requires the Hedge Counterparty to post collateral with respect to such Hedge Agreement, the Issuer shall (at the direction of the Investment Manager), on or prior to the date such Hedge Agreement is entered into, direct the Trustee to establish a segregated, non-interest bearing trust account which shall be designated as a Hedge Counterparty Collateral Account (each, a "Hedge Counterparty Collateral Account"). The Trustee (as directed in writing by the Investment Manager on behalf of the Issuer) shall deposit into each Hedge Counterparty Collateral Account all collateral required to be posted by a Hedge Counterparty and all other funds and property required by the terms of any Hedge Agreement to be deposited into the Hedge Counterparty Collateral Account, in accordance with the terms of the related Hedge Agreement. The only permitted withdrawals from or application of funds or property on deposit in the Hedge Counterparty Collateral Account shall be in accordance with the written instructions of the Investment Manager.

Section 10.5 Reinvestment of Funds in Accounts; Reports by Trustee. (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Investment Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in the Collection Account, the Expense Reserve Account, the Contribution Account, the Unfunded Exposure Account and the Interest Reserve Account as so directed in Eligible Investments having Stated Maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Investment Manager within three (3) Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Investment Manager within five (5) Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in an investment vehicle (which shall be an Eligible Investment) designated as such by the Investment Manager to the Trustee in writing on or before the 2024 Closing Date (such investment, until and as it may be changed from time to time as hereinafter

provided, the "Standby Directed Investment"), until investment instruction as provided in the preceding sentence is received by the Trustee; or, if the Trustee from time to time receives a standing written instruction from the Investment Manager expressly stating that it is changing the "Standby Directed Investment" under this paragraph, the Standby Directed Investment may thereby be changed to an Eligible Investment of the type described in clause (ii) of the definition of "Eligible Investments" maturing no later than the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein) as designated in such instruction. If after the occurrence of an Event of Default, the Issuer shall not have given such investment directions to the Trustee for three (3) consecutive days, the Trustee shall invest and reinvest such Monies as fully as practicable in the Standby Directed Investment. If any such sale is made through participation, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within ninety (90) days of the sale.

(f) Discretionary Sales. The Investment Manager may direct the Trustee to sell any Collateral Obligation at any time if (i) a Restricted Trading Period is not then in effect, and (ii) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold pursuant to this Section 12.1(f) during the preceding period of twelve calendar months (or, for the first twelve calendar months after the 2024 Closing Date, during the period commencing on the first Business Day following the end of the 2024 Closing Date) is not greater than 25% of the Collateral Principal Amount as of the beginning of such twelve calendar month period; provided, that for the purpose of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold shall be reduced to the extent of any purchases of Collateral Obligations of the same Obligor (which are pari passu or senior to such sold Collateral Obligation) occurring within twenty (20) Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same Obligor (which would be pari passu or senior to such sold Collateral Obligation), and (ii) either:

(A) at any time (1) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation, (2) after

(g) Mandatory Sales. The Investment Manager shall use commercially reasonable efforts to sell each Equity Security (other than any Specified Equity Security), Collateral Obligation and any other security held by the Issuer that constitutes Margin Stock not later than forty-five (45) days after the later of (x) the date of the Issuer's acquisition thereof and (y) the date such Equity Security, Collateral Obligation or other security held by the Issuer became Margin Stock.

(h) The Issuer may not exercise a warrant received in connection with the workout or restructuring of a Collateral Obligation if payment is required by the Issuer and an Equity Security would be received unless the Investment Manager certifies to the Trustee that, in its reasonable business judgment, (1) exercising the warrant is necessary for the Issuer to realize the value of the workout or restructuring and (2) if Principal Proceeds would be used to exercise the warrant, the anticipated Sale Proceeds from the sale of the Equity Security received in connection with the exercise of such warrant will at least equal the amount of Principal Proceeds used to exercise such warrant.

(i) Notwithstanding anything contained herein to the contrary, the Issuer may cause any assets (or the Issuer's interest therein) to be transferred to an Issuer Subsidiary in exchange for an interest in such Issuer Subsidiary in accordance with Section 7.16(m) hereof.

(j) After the Investment Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.8 hereof, the Investment Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; provided that the Sale Proceeds therefrom are used for the purposes specified in Section 9.8 hereof (and applied pursuant to the Priority of Payments).

(k) Notwithstanding the other requirements set forth in this Indenture, the Investment Manager will no later than the Determination Date immediately prior to the earliest Stated Maturity, arrange for and direct the Trustee on behalf of the Issuer to sell (and the Trustee shall sell in the manner so directed) for settlement in immediately available funds no later than two

(2) Business Days before the Stated Maturity all Collateral Obligations, Equity Securities, Eligible Investments, Restructured Loans and any Issuer Subsidiary Assets scheduled to mature after the Stated Maturity of the Notes.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period with respect to purchases made pursuant to Section 12.2(b)) the Investment Manager, on behalf of the Issuer, may, but shall not be required to, direct the Trustee to invest Principal Proceeds (and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations) in additional Collateral Obligations, and the Trustee shall invest such proceeds, if, as certified by the Investment Manager (which certification shall be deemed to be provided upon delivery of an Issuer Order in respect of such purchase), each of the conditions specified in this Section 12.2 and Section 12.3 are met.

(a) Investment Criteria. No Collateral Obligation may be purchased during the Reinvestment Period unless each of the following conditions are satisfied as of the date the Investment Manager commits on behalf of the Issuer to make such purchase after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to but which have not settled:

(i) such obligation is a Collateral Obligation;

(ii) each Coverage Test (with respect to the Interest Coverage Tests, only from and after the Interest Coverage Test Date) will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved; provided that, if any Coverage Test is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation will not be reinvested in additional Collateral Obligations until each Coverage Test is satisfied;

(iii) (A) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale shall at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment is maintained or increased, (3) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, shall be greater than or equal to the Reinvestment Target Par Balance, or (4) the aggregate Investment Criteria Adjusted Balance of all additional Collateral Obligations is at least equal to the aggregate Investment Criteria Adjusted Balance of the Collateral Obligation(s) that gave rise to such Principal Proceeds and (B) in the case of an additional Collateral Obligation purchased with the proceeds from any other sales of Collateral Obligations, (1) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, is maintained or increased, (2) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, shall be greater than or equal to the Reinvestment Target Par Balance or (3) the aggregate

Investment Criteria Adjusted Balance of the replacement Collateral Obligations is at least equal to the aggregate Investment Criteria Adjusted Balance of the Collateral Obligation(s) that gave rise to such Principal Proceeds;

(iv) either (A) each requirement of the Concentration Limitations and each of the Portfolio Quality Tests shall be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such reinvestment, such requirement or test shall be maintained or improved after giving effect to the reinvestment (in such case, compliance with each Concentration Limitation and Portfolio Quality Test will be measured before receipt of the proceeds from any scheduled or unscheduled principal payments on, or sales or dispositions of, any Collateral Obligations and after the reinvestment of such proceeds); and

(v) no Event of Default has occurred and is continuing.

Notwithstanding the foregoing, clause (ii) above and the Portfolio Quality Tests in clause (iv) above need not be satisfied with respect to any Defaulted Obligation acquired in a Distressed Exchange.

At any time during or after the Reinvestment Period, the Investment Manager may direct the Issuer (or the Trustee on its behalf) to apply amounts on deposit in the Contribution Account (as directed by the related Contributor or, if no direction is given by the Contributor, by the Investment Manager at its reasonable discretion) to one or more Permitted Uses.

With respect to the purchase of any Collateral Obligation, the settlement date for which the Investment Manager reasonably expects will occur after the end of the Reinvestment Period, such Collateral Obligation may be purchased with (x) scheduled distributions of Principal Proceeds that the Investment Manager reasonably expects will be received prior to the end of the Reinvestment Period and (y) Sale Proceeds received by the Issuer after the end of the Reinvestment Period in settlement of a sale or disposition that occurred (on a trade date basis) prior to the end of the Reinvestment Period. In each case, the related Collateral Obligation will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria.

Notwithstanding anything else in this Indenture to the contrary, as a condition to the entry during the Reinvestment Period into any commitment to purchase an additional Collateral Obligation after the 2024 Closing Date, if the aggregate balance in the Principal Collection Subaccount after giving effect to all expected debits and credits in connection with such purchase, all other sales and purchases (as applicable) previously or simultaneously committed to but that have not settled and all expected payments and repayments with respect to the Collateral Obligations is expected to be a negative amount, the absolute value of such amount may not be greater than 3.0% of the Aggregate Reset Par Amount.

(b) Investment after the Reinvestment Period. After the Reinvestment Period, (x) Principal Proceeds other than those referred to in the following clause (y) may not be reinvested in additional Collateral Obligations and (y) Principal Proceeds received with respect to Credit Risk

Obligations and Unscheduled Principal Payments may be reinvested in additional Collateral Obligations in accordance with the following requirements:

(i) After the Reinvestment Period, unless an Event of Default has occurred and is continuing, the Investment Manager may, but shall not be required to, invest Principal Proceeds that were received with respect to sales of Credit Risk Obligations at any time prior to the later of (1) 30 days after the receipt of such Principal Proceeds and (2) the last day of the Collection Period in which such Principal Proceeds were received; provided, that the Investment Manager may not reinvest such Principal Proceeds unless after giving effect to any such reinvestment (A) the Maximum Moody's Rating Factor Test shall be satisfied, (B) the other applicable Portfolio Quality Tests shall be satisfied or, if not satisfied, shall be maintained or improved as compared to such failing test level prior to the sale of the related Credit Risk Obligation, (C) the Coverage Tests shall be satisfied; provided that each of the Coverage Tests must also be satisfied prior to the reinvestment, (D) the Restricted Trading Period is not then in effect, (E) the additional Collateral Obligations purchased shall have the same or earlier Collateral Obligation Maturities than the Collateral Obligation that gave rise to such Principal Proceeds that were reinvested, (F) either (1) (a) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations shall at least equal the related Sale Proceeds or (b) the Principal Balance of the replacement Collateral Obligation is at least equal to the Principal Balance of the Collateral Obligation that gave rise to such Principal Proceeds, (2) the aggregate Investment Criteria Adjusted Balance of the additional Collateral Obligations purchased with the proceeds from the sale of such Credit Risk Obligations is at least equal to the aggregate Investment Criteria Adjusted Balance of the Credit Risk Obligation that was sold, (3) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, is maintained or increased or (4) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, shall be greater than or equal to the Reinvestment Target Par Balance, (G) the Concentration Limitations shall be satisfied or, if not satisfied, maintained or improved, provided that limitation (x) must be satisfied, and (H) after giving effect to the purchase of the additional Collateral Obligation, the Moody's Default Probability Rating of the additional Collateral Obligation is equal to or better than the Moody's Default Probability Rating of the Collateral Obligation that gave rise to such Principal Proceeds that were reinvested.

(ii) After the Reinvestment Period, unless an Event of Default has occurred and is continuing, the Investment Manager may, but shall not be required to, invest Principal Proceeds that were received with respect to Unscheduled Principal Payments at any time prior to the later of (1) 30 days after the receipt of such Principal Proceeds and (2) the last day of the Collection Period in which such Principal Proceeds were received; provided, that the Investment Manager may not reinvest such Principal Proceeds unless after giving effect to any such reinvestment (A) the Maximum Moody's Rating Factor Test shall be satisfied, (B) the other applicable Portfolio Quality Tests shall be satisfied or, if not satisfied, shall be maintained or improved as compared to such failing test level prior to the receipt of the Unscheduled Principal Payments, (C) the Coverage Tests shall be satisfied, provided that each of the Coverage Tests must also be satisfied prior to the

reinvestment, (D) the Restricted Trading Period is not then in effect, (E) the additional Collateral Obligations purchased shall have the same or earlier Collateral Obligation Maturities than the Collateral Obligation that gave rise to such Principal Proceeds that were reinvested, (F) either (1) the Principal Balance of the replacement Collateral Obligation is at least equal to the Principal Balance of the Collateral Obligation that gave rise to such Principal Proceeds, (2) the aggregate Investment Criteria Adjusted Balance of the additional Collateral Obligations purchased with the proceeds of such Unscheduled Principal Payments is at least equal to the aggregate Investment Criteria Adjusted Balance of the prepaid Collateral Obligation, (3) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, is maintained or increased or (4) the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments constituting Principal Proceeds, after giving effect to such reinvestment, shall be greater than or equal to the Reinvestment Target Par Balance, (G) the Concentration Limitations shall be satisfied or, if not satisfied, maintained or , provided that limitation (x) must be satisfied, and (H) after giving effect to the purchase of the additional Collateral Obligation, the Moody's Default Probability Rating of the additional Collateral Obligation is equal to or better than the Moody's Default Probability Rating of the Collateral Obligation that gave rise to such Principal Proceeds that were reinvested.

Notwithstanding anything else in this Indenture to the contrary, as a condition to the entry after the Reinvestment Period into any commitment to purchase an additional Collateral Obligation after the 2024 Closing Date, the aggregate balance in the Principal Collection Subaccount after giving effect to all expected debits and credits in connection with such purchase, all other sales and purchases (as applicable) previously or simultaneously committed to but that have not settled and all expected payments and repayments with respect to the Collateral Obligations may not be a negative amount.

(c) Investment in Eligible Investments. Cash on deposit in any Account may be invested at any time in Eligible Investments in accordance with Article X.

(d) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Investment Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations identified by the Investment Manager to the Trustee and the Collateral Administrator as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan")) may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within the ten (10) Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); provided, that (i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5.0% of the Aggregate Reset Par Amount, (ii) no Trading Plan Period may include a Determination Date other than a Determination Date relating to a Redemption Date, (ii) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (iii) the execution of a Trading Plan will not result in the averaging of the purchase price of a Collateral Obligation or Collateral Obligations purchased at separate times for purposes of determining whether any particular Collateral Obligation is a Discount Obligation or satisfies the Minimum Price, (iv) the Investment Manager reasonably believes that each Trading Plan will satisfy the Investment Criteria, (v) the difference

between the earliest Collateral Obligation Maturity and the latest Collateral Obligation Maturity of any two Collateral Obligations included in such Trading Plan shall be less than or equal to three years, (vi) the earliest Collateral Obligation Maturity of any Collateral Obligation included in such Trading Plan shall be greater than or equal to six months, (vii) the Investment Manager may modify any Trading Plan during the Trading Plan Period if it determines that, but for the occurrence of an Intervening Event, the Investment Criteria would have been satisfied by the original Trading Plan and after such modification the applicable Investment Criteria will be satisfied at the end of such Trading Plan Period and (viii) if the Investment Criteria are not satisfied with respect to any Trading Plan, notice will be provided to each Rating Agency by the Investment Manager. The Collateral Administrator will include, based on information provided by the Investment Manager, in the Monthly Report the details of any Trading Plan and post a notice to investors on its website if any Trading Plan is executed.

(e) Restrictions on Amendments to Collateral Obligations. The Issuer shall not consent, and shall not permit the Investment Manager to consent, to any Maturity Amendment unless, as determined by the Investment Manager, after giving effect thereto (i) the Weighted Average Life Test will be satisfied, or if not satisfied, will be maintained or improved and (ii) such Collateral Obligation will not have a Collateral Obligation Maturity later than the earliest Stated Maturity applicable to any Class of Rated Notes; provided that such requirements are not required to be satisfied if such Maturity Amendment constitutes a Credit Amendment and the Aggregate Principal Balance of Collateral Obligations subject to a Credit Amendment that did not satisfy either clause (i) or clause (ii) above as a result of the operation of this proviso, (1) measured cumulatively since the 2024 Closing Date, is equal to or less than 10.0% of the Aggregate Reset Par Amount and (2) held by the Issuer at such time is equal to or less than 7.5% of the Aggregate Reset Par Amount. For the avoidance of doubt, (1) the Issuer will not be in violation of the restrictions in this paragraph if the maturity of such Collateral Obligation is extended without meeting the requirements of clause (i) or (ii) above so long as the Issuer (or the Investment Manager on behalf of the Issuer) did not consent to such amendment and (2) the Issuer (or the Investment Manager on the Issuer's behalf) may vote in favor of any Maturity Amendment without regard to clauses (i) or (ii) above so long as (a) the Investment Manager intends to sell such Collateral Obligation within 30 days after the effective date of the Maturity Amendment and reasonably believes that any such sale will be completed prior to the end of such 30 day period and (b) if such Collateral Obligation has not been sold prior to the end of such 30 day period, such Collateral Obligation shall be treated as a Long Dated Obligation for purposes of calculating the Adjusted Collateral Principal Amount. Notwithstanding the foregoing, the Issuer or the Investment Manager may vote for a Maturity Amendment with respect to a Collateral Obligation that it has already sold (either in whole or in part) if the sale has not settled, at the direction of the buyer (provided, that if such trade fails to settle, the Issuer will only retain such Collateral Obligation after the effective date of the amendment if the requirements set forth above are satisfied).

For the avoidance of doubt, a waiver, modification, amendment or variance that would extend the stated maturity of the credit facility of which a Collateral Obligation is part, but would not extend the maturity of the Collateral Obligation held by the Issuer, does not constitute a Maturity Amendment.

It shall not be a violation of the restrictions of this Section 12.2(d) if any Collateral Obligation is amended in violation of the requirements above so long as the Issuer (or the Investment Manager on behalf of the Issuer) did not consent to such amendment.

(f) If an Optional Redemption has been cancelled pursuant to the withdrawal of a redemption notice in accordance with the terms of this Indenture (including after the Reinvestment Period), any Sale Proceeds that have been received by the Issuer in anticipation of such Optional Redemption may be applied to the purchase of Collateral Obligations subject to the Investment Criteria set forth under Section 12.2(a), without regard to when such purchase occurs.

(g) The Investment Manager may direct the Trustee to apply (A) if the Principal Payment Condition is satisfied, Principal Proceeds, (B) Interest Proceeds (as long as, after giving effect thereto, the Investment Manager determines that the Issuer shall have sufficient funds in the Collection Account to pay any amounts on the Rated Notes (and all amounts senior in right of payment thereto)) pursuant to the Priority of Payments on the immediately following Payment Date and the Coverage Tests will be satisfied or (C) any amounts in the Contribution Account permitted to be used therefor in accordance with the definition of "Permitted Use" (i) to the purchase of securities resulting from the exercise of an option, warrant, right of conversion or similar right in accordance with the documents governing any loan, security or other Asset without regard to the Investment Criteria, (ii) to make any payments required in connection with a workout or restructuring of a Collateral Obligation or (iii) to acquire Restructured Loans, Workout Loans or Specified Equity Securities. Notwithstanding anything to the contrary herein, the acquisition of Restructured Loans, Workout Loans and Specified Equity Securities will not be required to satisfy any of the Investment Criteria.

(h) As a condition to any purchase of any additional Collateral Obligation, the balance in the Principal Collection Subaccount, as of the applicable trade date of such Collateral Obligation, after netting all expected debits and credits (including any prepayments of which the Issuer has received notice) in connection with such purchase and other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled and any scheduled principal payments or prepayments, as determined by the Investment Manager, shall not be a negative amount the absolute value of which is greater than 5.0% of the Aggregate Reset Par Amount.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII shall be conducted on an arm's length basis, provided that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee.

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (x) that has been separately consented to by Noteholders evidencing a Majority of the

Controlling Class and a Majority of the Variable Dividend Notes, and (y) of which the Trustee and each Rating Agency has been notified (provided that in the case of a purchase of a Collateral Obligation, that such purchase complies with the applicable requirements of Annex B to the Investment Management Agreement).

(d) Certain Permitted Exchanges.

(i) The Investment Manager may instruct the Trustee to exchange (x) a Defaulted Obligation at any time, for another Defaulted Obligation (a "Swapped Defaulted Obligation") or (y) a Credit Risk Obligation at any time, for another Credit Risk Obligation (a "Swapped Credit Risk Obligation" and, together with any Swapped Defaulted Obligation, a "Swapped Obligation") notwithstanding any of the Investment Criteria restrictions described in Section 12.2, so long as at the time of or in connection with such exchange:

(A) such Swapped Obligation is issued by the same obligor as the Defaulted Obligation or the Credit Risk Obligation, as applicable, (or an Affiliate of or successor to such obligor or an entity that succeeds to substantially all of the assets of such obligor) and, in the case of any Swapped Obligation, ranks in right of payment no more junior than the Defaulted Obligation or the Credit Risk Obligation, as applicable, for which it was exchanged; provided that if the Issuer is also required to pay an amount for such Swapped Obligation, the Issuer will only use Interest Proceeds to effect such payment and only so long as, after giving effect to such purchase, there would be sufficient Interest Proceeds to pay all amounts required to be paid pursuant to Section 11.1(a)(i) prior to distributions to holders of the Variable Dividend Notes on the next succeeding Payment Date;

(B) each of the Par Value Ratio Tests will be satisfied, or if not satisfied prior to such exchange, maintained or improved after the related exchange;

(C) the Market Value of any such Swapped Obligation is equal to or higher than the Market Value of the Defaulted Obligation or the Credit Risk Obligation, as applicable, for which it was exchanged or the expected recovery rate of such Swapped Obligation, as determined by the Investment Manager, is no less than the expected recovery rate of the Defaulted Obligation or the Credit Risk Obligation, as applicable, for which it was exchanged;

(D) in the case of a Swapped Defaulted Obligation, the period for which the Issuer held the Defaulted Obligation which was exchanged will be included for all purposes when determining the period for which the Issuer holds any Swapped Defaulted Obligation;

(E) in the case of a Swapped Credit Risk Obligation, the Swapped Credit Risk Obligation shall have (x) the same or higher Moody's Rating as the Credit Risk Obligation which was exchanged, (y) the same or higher Fitch Rating as the Credit Risk Obligation which was exchanged and (z) the same or earlier stated maturity as the Credit Risk Obligation which was exchanged;

(F) a Restricted Trading Period is not then in effect;

(G) the Aggregate Principal Balance of all Swapped Obligations held by the Issuer at any date of measurement is equal to or less than 5.0% of the Aggregate Reset Par Amount; and

(H) the Aggregate Principal Balance of all Swapped Obligations received or purchased by the Issuer (whether or not still held by the Issuer) does not exceed 10.0% of the Aggregate Reset Par Amount.

(ii) Notwithstanding any statement contained in this Indenture to the contrary, prior to the end of the Reinvestment Period, a Defaulted Obligation (a "Purchased Defaulted Obligation" and together with Swapped Defaulted Obligations, "Acquired Defaulted Obligations") may be purchased with all or a portion of the Sale Proceeds of another Defaulted Obligation (an "Exchanged Defaulted Obligation") (each such exchange referred to as an "Exchange Transaction") if:

(A) when compared to the Exchanged Defaulted Obligation, the Purchased Defaulted Obligation (i) is issued by a different obligor, (ii) such Purchased Defaulted Obligation qualifies as a Collateral Obligation and (iii) the expected recovery rate of such Purchased Defaulted Obligation, as determined by the Investment Manager in good faith, is no less than the expected recovery rate of the Exchanged Defaulted Obligation;

(B) at the time of the purchase, (i) the Purchased Defaulted Obligation is no less senior in right of payment vis-à-vis its related obligor's outstanding indebtedness than the seniority of the Exchanged Defaulted Obligation and (ii) the Moody's Default Probability Rating, if any, of the Purchased Defaulted Obligation is the same or better than the respective rating, if any, of the Exchanged Defaulted Obligation;

(C) each Par Value Ratio Test is satisfied, or if not satisfied prior to such exchange, is maintained or improved after the related exchange;

(D) the period for which the Issuer held the Exchanged Defaulted Obligation will be included for all purposes in this Indenture when determining the period for which the Issuer holds the Purchased Defaulted Obligation;

(E) the Exchanged Defaulted Obligation was not acquired in an Exchange Transaction;

(F) the condition set forth in (i)(E) above in this Section 12.3(d) is satisfied.

(G) the condition set forth in (i)(F) above in this Section 12.3(d) is satisfied;

(H) a Restricted Trading Period is not then in effect;

(I) the Aggregate Principal Balance of all Acquired Defaulted Obligations held by the Issuer at any date of measurement is equal to or less than 5.0% of the Aggregate Reset Par Amount; and

(J) the Aggregate Principal Balance of all Acquired Defaulted Obligations received or purchased by the Issuer (whether or not still held by the Issuer) does not exceed 10.0% of the Aggregate Reset Par Amount.

As of any Measurement Date the sum of the Aggregate Principal Balance of all (i) Swapped Obligations and (ii) Acquired Defaulted Obligations (x) in the aggregate held by the Issuer at any date of measurement may not exceed 5.0% of the Aggregate Reset Par Amount and (y) in the aggregate and measured cumulatively since the 2024 Closing Date, may not exceed 10.0% of the Aggregate Reset Par Amount.

For the avoidance of doubt, Exchange Transactions may occur by separate purchase and sale transactions. If, at any time, a Purchased Defaulted Obligation no longer satisfies the definition of Defaulted Obligation, it shall no longer be considered a Purchased Defaulted Obligation.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in Article XI of this Indenture. On any Post-Acceleration Payment Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to Section 11.1(a)(iv) in full in Cash or, to the extent 100% of Holders of the Class A-1 Notes and a Majority of each Class of Rated Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in Section 11.1(a)(iv).

(b) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided that after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(c) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in any bankruptcy, reorganization, arrangement, insolvency, moratorium, winding up or liquidation Proceedings or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws against the Issuer, the

Co-Issuer or any Issuer Subsidiary until the payment in full of the Notes and not before one year and a day, or if longer, the applicable preference period then in effect, has elapsed since such payment.

(d) In the event one or more Holders or beneficial owners of Notes institutes, or joins in the institution of a proceeding against the Issuer in violation of the prohibition described in clause (c) above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Rated Note that does not seek to cause any such filing, with such subordination being effective until each Rated Note held by each Holder or beneficial owners of any Rated Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement". The Bankruptcy Subordination Agreement is intended to constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an order from the Issuer with respect to the payment of amounts payable to Holders, which amounts are subordinated pursuant to this paragraph.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Investment Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or

opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Investment Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Investment Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Investment Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Investment Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu

thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

Section 14.3 Notices, etc., to Trustee, the Co-Issuers, the Collateral Administrator, the Investment Manager, the Initial Purchaser, the Hedge Counterparty, the Paying Agent, the Administrator and each Rating Agency. (a) Any request, demand, authorization, direction, instruction, order, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture to be made upon, given, e-mailed or furnished to, or filed with:

(i) the Trustee, the Collateral Administrator and, so long as the Bank is the Paying Agent, the Paying Agent at the Corporate Trust Office;

(ii) the Co-Issuers shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, hand delivered, sent by overnight courier service or by email or facsimile in legible form, to the Issuer addressed to it at c/o Appleby Global Services (Cayman) Limited, 71 Fort Street, P.O. Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed to each Holder affected by such event, at the address of such Holder as it appears in the Register or, as applicable, in accordance with the procedures at DTC, as soon as reasonably practicable but in any case not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing.

The Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer.

The Trustee shall deliver to any Holder of Notes or any Person that has certified to the Trustee in a writing substantially in the form of Exhibit C to this Indenture that it is the owner of a beneficial interest in a Global Note, any information or notice in the possession of the Trustee by reason of it acting in such capacity hereunder (other than privileged or confidential information) requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee and all related costs will be borne by the requesting Holder or Person.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case

by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Investment Manager, the Holders of the Notes, the Collateral Administrator and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

THIS INDENTURE AND EACH NOTE AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT, THE RELATIONSHIP OF THE PARTIES, AND/OR THE INTERPRETATION AND ENFORCEMENT OF THE RIGHTS AND DUTIES OF THE PARTIES SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED IN ALL RESPECTS (WHETHER IN CONTRACT OR IN TORT) BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS.

Section 14.11 Submission to Jurisdiction. The Co-Issuers hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or Proceeding arising out of or relating to the Notes or this Indenture, and the Co-Issuers hereby irrevocably agree that all claims in respect of such action or Proceeding may be heard and determined in such New York State or federal court. The Co-Issuers hereby irrevocably waive, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or Proceeding and

further waives the right to object, with respect to such Proceeding, that such court does not have any jurisdiction over such party. The Co-Issuers irrevocably consent to the service of any and all process in any action or Proceeding by the mailing or delivery of copies of such process to it at the office of the Co-Issuers' agent set forth in Section 7.2. The Co-Issuers agree that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.12 Counterparts. This Indenture (and each amendment, modification and waiver in respect of it) and the Notes may be executed and delivered in any number of counterparts (including by electronic mail or facsimile transmission), each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Delivery of an executed counterpart signature page of this Indenture by electronic mail (PDF) or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Each Holder of Notes agrees, except as set forth in clauses (vi), (vii) and (x) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.14. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Section 14.16 17g-5 Information. (a) The Co-Issuers shall comply with their obligations under Rule 17g-5 promulgated under the Exchange Act ("Rule 17g-5"), by their or their agent's posting on the 17g-5 Website, no later than the time such information is provided to the Rating Agencies, all information (which shall not include any accountant's report) that the Co-Issuers or other parties on their behalf, including the Trustee, the Collateral Administrator and the Investment Manager, provide to the Rating Agencies for the purposes of determining the initial credit rating of the Rated Notes or undertaking credit rating surveillance of the Rated Notes (the "17g-5 Information"); provided that no party other than the Issuer, the Trustee or the Investment Manager may provide information to the Rating Agencies on the Co-Issuers' behalf without the prior written consent of the Investment Manager. At all times while any Rated Notes are rated by any Rating Agency or any other NRSRO, the Co-Issuers shall engage a third-party to post 17g-5 Information to the 17g-5 Website. The Issuer has engaged the Collateral Administrator pursuant to the Collateral Administration Agreement (in such capacity, the "Information Agent"), to post 17g-5 Information it receives from the Issuer, the Trustee or the Investment Manager to the 17g-5 Website in accordance with the Collateral Administration Agreement.

(b) To the extent that any of the Issuer, the Co-Issuer, the Investment Manager, the Collateral Administrator or the Trustee is required to provide any information to, or communicate with, any Rating Agency in accordance with its obligations under this Indenture or

The Information Agent shall promptly upload such information to the 17g-5 Website in accordance with the procedures set forth in the Collateral Administration Agreement. Each e-mail sent to the Information Agent pursuant to this Indenture failing to be sent to the e-mail address or which does not contain a subject line conforming to the requirements of this Section shall be deemed incomplete and the Information Agent shall have no obligations with respect thereto.

(c) Additionally, to the extent that (x) any Rating Agency makes an inquiry or initiates communications with the Issuer, the Co-Issuer, the Investment Manager, the Collateral Administrator or the Trustee or (y) any such party initiates communication with any Rating Agency that, in either case, is relevant to such Rating Agency's credit rating surveillance of the Rated Notes, (i) all written responses to such inquiries or communications shall be provided to the Information Agent who shall promptly post such written response to the 17g-5 Website in accordance with the procedures set forth in the Collateral Administration Agreement, and (ii) any such oral communications with any Rating Agency shall be either (a) recorded and an audio file containing the recording to be promptly delivered to the Information Agent for posting to the 17g-5 Website or (b) summarized in writing and the summary to be promptly delivered to the Information Agent for posting to the 17g-5 Website, and the Information Agent shall promptly forward such information to the 17g-5 Website in accordance with the procedures set forth in the Collateral Administration Agreement.

(d) All information to be made available to the Rating Agencies pursuant to Section 14.3(b) shall be made available by the Information Agent on the 17g-5 Website. The Information Agent shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered is accurate, complete, conforms to the transaction or otherwise is or is not anything other than what it purports to be. In the event that any information is delivered or posted in error, the Issuer may remove it from the 17g-5 Website, and shall so remove promptly when instructed to do so by the Person that delivered such information to the Information Agent. None of the Trustee, the Investment Manager, the Collateral Administrator and the Information Agent shall have obtained or shall be deemed to have obtained actual knowledge of any information solely due to receipt and posting to the 17g-5 Website. Access will be provided to the Issuer, the Investment Manager, the Rating Agencies, and to any NRSRO upon receipt by the Issuer of an NRSRO Certification from such NRSRO (which may be submitted electronically via the 17g-5 Website).

(e) Notwithstanding the requirements herein, the Trustee shall have no obligation to engage in or respond to any oral communications, for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes, with any Rating Agency or any of their respective officers, directors or employees.

(f) The Trustee will not be responsible for creating or maintaining the 17g-5 Website, posting any information to the 17g-5 Website or assuring that the 17g-5 Website complies with the requirements of this Indenture, Rule 17g-5 or any other law or regulation. In no event shall the Trustee be deemed to make any representation in respect of the content of the 17g-5 Website or compliance by the 17g-5 Website with this Indenture, Rule 17g-5 or any other law or regulation.

(g) The Information Agent and the Trustee shall not be responsible or liable for the dissemination of any identification numbers or passwords for the 17g-5 Website, including by the Co-Issuers, the Rating Agencies, an NRSRO, any of their respective agents or any other party. Additionally, neither the Information Agent nor the Trustee shall be liable for the use of the information posted on the 17g-5 Website, whether by the Co-Issuers, the Rating Agencies, an NRSRO or any other third party that may gain access to the 17g-5 Website or the information posted thereon.

(h) Notwithstanding anything therein to the contrary, the maintenance by the Trustee of the Trustee's website described in Article X shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any other law or regulation related thereto.

(i) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.16 shall not constitute a Default or Event of Default.

(j) To the extent that the Issuer or the Trustee (or any of their respective agents) posts information to the 17g-5 Website and the Issuer or Trustee (as the case may be) is not otherwise obligated to disclose such information to the Investment Manager, then the Issuer or Trustee (as the case may be) shall promptly forward a copy of such posted information to the Investment Manager.

Section 14.17 Rating Agency Conditions. (a) Notwithstanding the terms of the Investment Management Agreement, any Hedge Agreement or other provisions of this Indenture, if any action under the Investment Management Agreement, any Hedge Agreement or this Indenture requires satisfaction of the Moody's Rating Condition as a condition precedent to such action, if the party (the "Requesting Party") required to obtain satisfaction of such condition has made a request to Rating Agency for satisfaction of such condition and, within ten (10) Business Days of such request being posted to the 17g-5 Website, such Rating Agency has not replied to such request or has responded in a manner that indicates that such Rating Agency is neither reviewing such request nor waiving the requirement for satisfaction of such condition, then such Requesting Party shall be required to confirm that the applicable Rating Agency has received the request, and, if it has, promptly (but in no event later than one (1) Business Day thereafter) request satisfaction of the related condition again.

(b) Any request for satisfaction of any such condition described in Section 14.17(a) made by the Issuer (or Investment Manager on its behalf), Co-Issuer or Trustee, as applicable, pursuant to this Indenture, shall be made in writing, which writing shall contain a cover page indicating the nature of the request for satisfaction of such condition, and shall contain all back-up material necessary for such Rating Agency to process such request. Such written request for satisfaction of such condition shall be provided in electronic format to the Information

Agent for posting on the 17g-5 Website in accordance with Section 14.16 hereof, and after receiving actual knowledge of such posting (which may be in the form of an automatic email notification of posting delivered by the 17g-5 Website to such party), the Issuer (or the Investment Manager on its behalf), Co-Issuer or Trustee, as applicable, shall send the request for satisfaction of such condition to the Rating Agencies in accordance with the delivery instructions set forth in Section 14.3(b).

Section 14.18 Waiver of Jury Trial. THE TRUSTEE, THE HOLDERS AND EACH OF THE CO-ISSUERS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS INDENTURE, THE NOTES OR ANY OTHER RELATED DOCUMENTS, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN), OR ACTIONS OF THE TRUSTEE OR EITHER OF THE CO-ISSUERS. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE TRUSTEE AND THE CO-ISSUERS TO ENTER INTO THIS INDENTURE.

Section 14.19 Escheat. In the absence of a written request from the Co-Issuers to return unclaimed funds to the Co-Issuers, the Trustee may from time to time following the final Payment Date with respect to the Notes deliver all unclaimed funds to or as directed by applicable escheat authorities, as determined by the Trustee in its sole discretion, in accordance with the customary practices and procedures of the Trustee. Any unclaimed funds held by the Trustee pursuant to this Section 14.19 shall be held uninvested and without any liability for interest.

Notwithstanding anything to the contrary contained in this Indenture, the Issuer (or the Investment Manager on behalf of the Issuer) shall not enter into any Hedge Agreement or any amendment of any Hedge Agreement unless the Global Rating Agency Condition has been satisfied with respect thereto. The Issuer shall provide a copy of each Hedge Agreement and any amendment to a Hedge Agreement to each Rating Agency promptly upon entry therein.

Each Hedge Agreement shall contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 2.8(i) and Section 5.4(d).

Each Hedge Counterparty shall be required to have, at the time that any Hedge Agreement to which it is a party is entered into, the Required Hedge Counterparty Ratings unless, with respect to the Moody's ratings of such Hedge Counterparty, the Moody's Rating Condition is satisfied or credit support is provided as set forth in the Hedge Agreement. Payments with respect to Hedge Agreements shall be subject to Article XI. Each Hedge Agreement shall contain an acknowledgement by the Hedge Counterparty that the obligations of the Issuer to the Hedge Counterparty under the relevant Hedge Agreement shall be payable in accordance with Article XI of this Indenture.

The Issuer shall not enter into or amend Hedge Agreements unless it obtains the consent of a Majority of the Variable Dividend Notes and a Majority of the Controlling Class and either (i) it obtains written advice of Mayer Brown LLP or Winston & Strawn LLP or an opinion of counsel that the Issuer entering into such Hedge Agreement will not cause it to be considered a "commodity pool" as defined in Section 1a(10) of the Commodities Exchange Act, as amended or (ii) the Issuer shall be operated such that the Investment Manager and/or such other relevant party to the transaction, as applicable, shall be eligible for an exemption from registration as a "commodity pool operator" and a "commodity trading advisor" (each as defined under the Dodd-Frank Wall Street Reform and Consumer Protection Act) and all conditions precedent to obtaining such an exemption have been satisfied.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Investment Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Investment Manager under the terminated Hedge Agreement; provided that, in the case of any such payment under subclause (i) or (ii) above, the Global Rating Agency Condition has been satisfied with respect thereto and Fitch has been provided notice thereof.

(c) The Issuer (or the Investment Manager on its behalf) shall, upon receiving written notice of the exposure calculated under a credit support annex to any Hedge Agreement, if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(d) Each Hedge Agreement shall, at a minimum, permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) if such Hedge Counterparty fails to do any of the following as and when applicable; provided that the Issuer shall not terminate any Hedge Agreement for any reason unless the Global Rating Agency Condition has been satisfied with respect thereto and Fitch has been provided notice thereof.

(e) The Issuer shall give prompt notice to each Rating Agency of any termination of a Hedge Agreement or agreement to provide Hedge Counterparty Credit Support. Any collateral received from a Hedge Counterparty under a Hedge Agreement shall be deposited in the Hedge Counterparty Collateral Account.

(f) If a Hedge Counterparty has defaulted in the payment when due of its obligations to the Issuer under the Hedge Agreement, promptly after an Authorized Officer becomes aware thereof the Investment Manager shall make a demand on the Hedge Counterparty (or its guarantor under the Hedge Agreement) with a copy to the Trustee, demanding payment by the close of business on such date (or by such time on the next succeeding Business Day if such knowledge is obtained after 11:30 a.m., New York time).

(g) Each Hedge Agreement shall provide that it may not be terminated due to the occurrence of an Event of Default until liquidation of the Assets has commenced.

SCHEDULE 2

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

SCHEDULE 3

MOODY'S RATING DEFINITIONS

MOODY'S DEFAULT PROBABILITY RATING

(a) with respect to a Collateral Obligation (other than a DIP Collateral Obligation), if the Obligor of such Collateral Obligation has a CFR, then such CFR;

(b) with respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clause (a) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Investment Manager in its sole discretion;

(c) with respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clause (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory lower than the Assigned Moody's Rating on any such senior secured obligation as selected by the Investment Manager in its sole discretion;

(d) with respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clause (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Investment Manager or an Affiliate of the Investment Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the fifteen (15) month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than twelve (12) months but not beyond fifteen (15) months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond fifteen (15) months, the Moody's Default Probability Rating will be deemed to be "Caa3";

(e) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (a) in the definition thereof;

(f) with respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (e) above and at the election of the Investment Manager, the Moody's Derived Rating; and

(g) with respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3".

To the extent that the Issuer relies upon a credit estimate for purposes of the Moody's Default Probability Rating of any Collateral Obligation, the Investment Manager (on behalf of the Issuer) will apply for renewal of such credit estimate on an annual basis.

"CFR": With respect to an Obligor of a Collateral Obligation, if such Obligor has a corporate family rating by Moody's, then such corporate family rating; provided, that if such Obligor does not have a corporate family rating by Moody's but any entity in the Obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating is determined as the Moody's Derived Rating, the rating as determined as set forth below:

(a) with respect to any DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's;

(b) if not determined pursuant to clause (a) above, by using one of the methods provided below:

(i) if such Collateral Obligation has a public and monitored rating by S&P, pursuant to the table below:

Type of Collateral Obligation	**S&P Rating (Public and Monitored)**	**Collateral Obligation Rated by S&P**	**Number of Subcategories Relative to Moody's Equivalent of S&P Rating**
Not Structured Finance Obligation	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤" BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation	N/A	Loan or Participation Interest in Loan	-2

(ii) in the event that the Collateral Obligation does not have an S&P rating, but another security or obligation of the Obligor is publicly rated by S&P, then the Moody's Derived Rating of such Collateral Obligation will be determined in accordance with the methodology set forth in the following table:

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation	+1

(iii) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating may be determined based on a rating by S&P or any other rating agency;

provided, that the aggregate principal balance of the Collateral Obligations that may have a Moody's Rating derived from an S&P Rating as set forth in sub-clauses (i) or (ii) of this clause (b) may not exceed 10% of the Collateral Principal Amount;

(c) if not determined pursuant to clauses (a) or (b) above and such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Investment Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating of such Collateral Obligation for purposes of the definitions of Moody's Rating or Moody's Default Probability Rating shall be "B3" if the Investment Manager certifies to the Trustee and the Collateral Administrator that the Investment Manager believes that such estimate shall be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (c) and clause (a) above does not exceed 5% of the Collateral Principal Amount; and

(d) if not determined pursuant to clauses (a), (b) or (c) above, the Moody's Derived Rating of such Collateral Obligation shall be "Caa3".

To the extent that the Issuer relies upon a credit estimate for purposes of the Moody's Derived Rating of any Collateral Obligation, the Investment Manager (on behalf of the Issuer) will apply for renewal of such credit estimate on an annual basis.

MOODY'S RATING

With respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) with respect to a Collateral Obligation that is a Senior Secured Loan:

(i) if such Collateral Obligation has an Assigned Moody's Rating, then such Assigned Moody's Rating;

(ii) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating is one subcategory higher than such CFR;

(iii) if neither clause (i) nor (ii) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Investment Manager in its sole discretion;

(iv) if none of clauses (i) through (iii) above apply, at the election of the Investment Manager, the Moody's Derived Rating; and

(v) if none of clauses (i) through (iv) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(b) with respect to a Collateral Obligation other than a Senior Secured Loan:

(i) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(ii) if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Investment Manager in its sole discretion;

(iii) if neither clause (i) nor (ii) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(iv) if none of clauses (i), (ii) or (iii) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the Obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Investment Manager in its sole discretion; and

(v) if none of clauses (i) through (iv) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3".

With respect to any credit estimate assigned by Moody's to a Collateral Obligation hereunder, the Issuer (or the Investment Manager on the Issuer's behalf) shall send to Moody's the related Obligor's updated financial information upon receipt thereof from such Obligor and will use commercially reasonable efforts to obtain such information at least (x) annually and (y) upon any significant change in the financial condition of such Obligor (as determined by the Investment Manager in its commercially reasonable business judgment) but (in each case) only to the extent such Obligor is required to provide it pursuant to the Underlying Instruments.

SCHEDULE 4
FITCH RATING DEFINITIONS

"Fitch Rating" means, as of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:

(a) if Fitch has issued an issuer default rating or assigned a Fitch issuer default credit opinion with respect to the obligor of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such issuer default rating or assigned issuer default credit opinion (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such obligor held by the Issuer);

(b) if Fitch has not issued an issuer default rating or issuer default credit opinion with respect to the obligor or guarantor of such Collateral Obligation but Fitch has issued an outstanding insurer financial strength rating with respect to such obligor, the Fitch Rating of such Collateral Obligation will be one subcategory below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but

(i) Fitch has issued a senior unsecured rating on one or more obligations or securities of the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will equal such rating as selected by the Investment Manager in its sole discretion; or

(ii) Fitch has not issued a senior unsecured rating on any obligation or security of the obligor of such Collateral Obligation but Fitch has issued a senior rating, senior secured rating or a subordinated secured rating on one or more obligations or securities of the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will (x) equal such rating if such rating is "BBB-" or higher and (y) be one subcategory below such rating if such rating is "BB+" or lower, in each case, as selected by the Investment Manager in its sole discretion; or

(iii) Fitch has not issued a senior unsecured rating or a senior rating, senior secured rating or a subordinated secured rating on any obligation or security of the obligor of such Collateral Obligation but Fitch has issued a subordinated, junior subordinated or senior subordinated rating on one or more obligations or securities of the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will be (x) one subcategory above such rating if such rating is "B+" or higher and (y) two subcategories above such rating if such rating is "B" or lower, in each case, as selected by the Investment Manager in its sole discretion;

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c) and

(i) Moody's has issued a publicly available corporate family rating for the obligor of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(ii) Moody's has not issued a publicly available corporate family rating for the obligor of such Collateral Obligation but has issued a publicly available long-term issuer rating for such obligor, then the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody's rating;

(iii) Moody's has not issued a publicly available corporate family rating for the obligor of such Collateral Obligation but Moody's has issued a publicly available outstanding insurance financial strength rating for such obligor, then the Fitch Rating of such Collateral Obligation will be one subcategory below the Fitch equivalent of such Moody's rating;

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Payments, interest on the Aggregate Outstanding Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate per annum equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the Registered Holder will be made ratably among the Holders in the proportion that the Aggregate Outstanding Amount of this Note on such Record Date bears to the Aggregate Outstanding Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.8(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Integrals set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Note will pass by registration in the Register kept by the Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Registrar, Transfer Agent or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.

THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

The Issuer, for value received, hereby promises to pay to the Registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Note in the Note Details, such lesser principal amount shown on the books and records of the Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer promises to pay, in accordance with the Priority of Payments, Interest Proceeds and Principal Proceeds on each Payment Date, in an amount equal to the Holder's pro rata share of such proceeds, if any, subject to the Priority of Payments set forth in the Indenture.

This Note will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date. The payment of principal on this Note (x) may only occur after the Rated Notes are no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Rated Notes and other amounts in accordance with the Priority of Payments; and any payment of principal of this Note that is not paid, in accordance with the Priority of Payments, on any Payment Date, shall not be considered "due and payable" for purposes of the Indenture.

If this is a Global Note as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.8(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Integrals set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, the Rated Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.
