Further Notes Issuance

The Board of Directors of the Company now announces that on 10 July 2020 the Company issued a further £3,900,000 Notes (as defined below) at par to an institutional investor.

By issuing these further Notes, this will enable the Company to further diversify and expand its clean energy portfolio.

Such further Notes rank pari passu and form the same class as the existing Notes.

Consequently, there are now £100,000,000 Notes in issue.

Issue background:
