Under current United States federal income tax law, a trustee making payment of interest or principal on securities may be obligated to apply backup withholding to payments of the interest or principal payable to a holder who (i) has failed to furnish the trustee with a valid taxpayer identification number and certifications that the holder is not subject to backup withholding under the Internal Revenue Code of 1986, as amended (the “Code”) and that the holder is a United States person (including a U.S. resident alien) as defined by the Code or (ii) has failed to provide appropriate certification to establish that the holder is not a United States person. Holders of Refinanced Notes who are United States persons and wish to avoid the application of these provisions should submit a completed IRS Form W-9 when presenting the Notes for payment. Holders of Refinanced Notes who are non-United States persons should submit an appropriate IRS Form W-8.

Recipients of this notice are cautioned that this notice is not evidence that the Trustee will recognize the recipient as a Holder. In addressing inquiries that may be directed to it, the Trustee may conclude that a specific response to a particular inquiry from an individual Holder is not consistent with equal and full dissemination of information to all Holders. Holders should not rely on the Trustee as their sole source of information.

This notice is being sent to each Holder of Notes and the Additional Parties by U.S. Bank National Association in its capacity as Trustee. Questions may be directed to the Trustee by contacting Jenny Milne by e-mail at octagonteam@usbank.com.
