SCHEDULE B

LIBOR FORMULA

LIBOR shall be determined by the Calculation Agent in accordance with the following provisions (in each case rounded to the nearest 0.00001%):

(a) On each LIBOR Determination Date, LIBOR for any given Class of Floating Rate Debt shall equal the rate, as obtained by the Calculation Agent for Eurodollar deposits of the Index Maturity that appear on the Reuters Screen as of 11:00 a.m. (London time) on such LIBOR Determination Date; provided that if a rate for the applicable Index Maturity does not appear thereon, it shall be determined by the Calculation Agent by using Linear Interpolation (as defined in the International Swaps and Derivatives Association, Inc. 2000 ISDA Definitions and substituting the term “Index Maturity” for the term “Designated Maturity” in such definition).

(b) If, on any LIBOR Determination Date, such rate is not reported by Bloomberg Financial Markets Commodities News or other information data vendors selected by the Calculation Agent, the Calculation Agent shall determine the arithmetic mean of the offered quotations of four major banks in the London interbank market selected by the Calculation Agent (after consultation with the Collateral Manager) (the “Reference Banks”) to leading banks in the London interbank market for Eurodollar deposits of the Index Maturity in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on any LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR shall equal such arithmetic mean of such quotations. If, on any LIBOR Determination Date, only one or none of the Reference Banks provide such quotations, LIBOR shall be deemed to be the arithmetic mean of the offered quotations that leading banks in the City of New York selected by the Calculation Agent (after consultation with the Collateral Manager) are quoting on the relevant LIBOR Determination Date for Eurodollar deposits of the Index Maturity in an amount determined by the Calculation Agent by reference to the principal London offices of leading banks in the London interbank market; provided, however, that, subject to Section 7.18(e), if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above and an Alternative Reference Rate has not been implemented, LIBOR shall be LIBOR as determined on the previous LIBOR Determination Date.

Notwithstanding anything in clauses (a) and (b) to the contrary, if, on any date of determination, LIBOR as calculated thereunder is less than 0%, LIBOR in respect of the Class X Notes, the Class A Debt, the Class B Notes, the Class C Notes and the Class D Notes shall be deemed to be 0% on such date.

(c) With respect to any Collateral Debt Obligation, LIBOR shall be the London interbank offered rate determined in accordance with the related Underlying Instrument. For purposes of the calculation of the Senior Debt Interest Coverage Test, the Class C Note Interest Coverage Test and the Class D Note Interest Coverage Test only, in respect of the proviso to the

definition of each such test, LIBOR shall be determined as of each day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London (a "London Banking Day") in the period of 30 Business Days prior to the first day of the relevant Interest Accrual Period as if each such London Banking Day were a LIBOR Determination Date.

(d) As used herein, (1) "Index Maturity" means three months; provided that with respect to the period from the Closing Date to the First LIBOR Period End Date, LIBOR shall be determined by interpolating linearly between the rate for the next shorter period of time for which rates are available and the next longer period of time for which rates are available; and (2) "LIBOR Determination Date" means (A) with respect to the first Interest Accrual Period after the Closing Date, (i) for the period from the Closing Date to but excluding the First LIBOR Period End Date, the second London Banking Day preceding the Closing Date and (ii) for the remainder of the first Interest Accrual Period, the second London Banking Day preceding the First LIBOR Period End Date; and (B) with respect to each Interest Accrual Period thereafter, the second London Banking Day preceding the first day of such Interest Accrual Period.

The Issuer (and, if applicable, the Co-Issuer), for value received, hereby promises to pay to the registered Holder of this Note or its registered assigns or nominees, upon presentation and surrender of this Note (except as otherwise permitted by the Indenture), the principal sum identified as the principal amount of this Note set forth in the Note Details (or, if this Note is identified as a Global Security in the Note Details, such lesser principal amount shown on the books and records of the Collateral Trustee) on the Stated Maturity set forth in the Note Details, except as provided below and in the Indenture.

The Issuer (and, if applicable, the Co-Issuer) promises to pay, in accordance with the Priority of Payments, interest on the Aggregate Principal Amount of this Note on each Payment Date and each other date that interest is required to be paid on this Note upon earlier redemption or payment at a rate *per annum* equal to the interest rate for this Note in the Note Details set forth above in arrears. Interest shall be calculated on the day count basis for the relevant Interest Accrual Period for this Note as provided in the Indenture. To the extent lawful and enforceable, interest that is not paid when due and payable shall accrue interest at the applicable interest rate until paid as provided in the Indenture.

This Note will mature at par and be due and payable on the Stated Maturity unless such principal has been previously repaid or unless the unpaid principal of this Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. The payment of principal on this Note may only occur in accordance with the Priority of Payments.

Interest will cease to accrue on this Note or, in the case of a partial repayment, on such repaid part, from the date of repayment.

Payments on this Note will be made in immediately available funds to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the relevant Record Date. Payments to the registered Holder will be made ratably among the Holders in the proportion that the Aggregate Principal Amount of this Note on such Record Date bears to the Aggregate Principal Amount of all Notes of the Class of Notes to which this Note forms a part on such Record Date.

If this is a Global Security as identified in the Note Details, increases and decreases in the principal amount of this Note as a result of exchanges and transfers of interests in this Note and principal payments shall be recorded in the records of the Collateral Trustee and DTC or its nominee. So long as DTC or its nominee is the registered owner of this Note, DTC or such nominee, as the case may be, will be considered the sole owner or Holder of the Notes (represented hereby and beneficially owned by other persons) for all purposes under the Indenture.

All reductions in the principal amount of this Note (or one or more predecessor Notes) effected by payments made on any Payment Date or other date of redemption or other repayment shall be binding upon all future Holders of this Note and of any Note issued upon the registration of transfer of this Note or in exchange therefor or in lieu thereof, whether or not such payment is noted on this Note. Subject to Article II of the Indenture, upon registration of transfer of this Note or in exchange for or in lieu of any other Note of the same Class, this Note will carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such predecessor Note.

The terms of Section 2.7(i) and Section 5.4(d) of the Indenture shall apply to this Note *mutatis mutandis* as if fully set forth herein.

This Note shall be issued in the Authorized Denominations set forth in the Note Details.

This Note is subject to redemption in the manner and subject to the satisfaction of certain conditions set forth in the Indenture. The Redemption Price for this Note is set forth in the Indenture.

If an Event of Default occurs and is continuing, this Note may become or be declared due and payable in the manner and with the effect provided in the Indenture. A declaration of acceleration of the maturity of this Note may be rescinded or annulled at any time before a judgment or decree for payment of the money due has been obtained, provided that certain conditions set forth in the Indenture are satisfied.

The Indenture permits, subject to certain conditions, the amendment thereof and the modification of the provisions of the Indenture and the rights of the Holders under the Indenture. Upon the execution of any supplemental indenture, the Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of the Indenture for all purposes, and every Holder of a Note theretofore and thereafter authenticated and delivered thereunder shall be bound thereby.

Title to this Note will pass by registration in the Notes Register kept by the Notes Registrar.

No service charge will be made to the Holder for any registration of transfer or exchange of this Note, but the Applicable Issuers, Notes Registrar, Transfer Agent or Collateral Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

This Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose, unless the Certificate of Authentication herein has been executed by either the Collateral Trustee or the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate shall be conclusive evidence, and the only evidence, that this Note has been duly authenticated and delivered under the Indenture.
