(c) In accordance with Section 9.5(d) of the Indenture, the Issuer hereby directs the Trustee to (A) deposit the Refinancing proceeds in the Payment Account and (B) pay the Redemption Prices of the Refinanced Notes using such Refinancing proceeds and Partial Refinancing Interest Proceeds without regard to the Priorities of Payment; *provided* that any Partial Refinancing Interest Proceeds shall be applied to pay the interest portion of the Redemption Prices of the Refinanced Notes. For the avoidance of doubt, Administrative Expenses related to the Refinancing will be paid on the Payment Date in October 2021.

(d) The 2021 Refinancing Notes shall be issued substantially in the forms attached to the Indenture and shall be executed by the Co-Issuers and delivered to the Trustee for authentication and thereupon the same shall be authenticated and delivered to the Issuer by the Trustee upon Issuer Order and upon receipt by the Trustee of the following:

(v) Officers' Certificates of the Co-Issuers Regarding Corporate Matters. An Officer's Certificate of each of the Co-Issuers (A) evidencing the authorization by Board Resolution of the execution, authentication, and (with respect to the Issuer only) delivery of the notes applied for by it and specifying the Stated Maturity Date and aggregate principal amount of the Notes to be authenticated and delivered as set forth in Section 1(a) hereto; and (B) certifying that (1) the attached copy of the Board Resolution is a true and complete copy thereof, (2) such resolutions have not been rescinded and are in full force and effect on and as of the date of issuance, and (3) the Officers authorized to execute and deliver such documents hold the offices and have the signatures indicated thereon.

An Officer's Certificate of each of the Co-Issuers stating that, to the best of the signing Officer's knowledge, (A) such Co-Issuer is not in default under the Indenture and that the issuance of the 2021 Refinancing Notes applied for by it will not result in a default or a breach of any of the terms, conditions or provisions of, or constitute a default under, its organizational documents, any indenture or other agreement or instrument to which it is a party or by which it is bound, or any order of any court or administrative agency entered in any Proceeding to which it is a party or by which it may be bound or to which it may be subject; (B) all conditions precedent provided in the Indenture and this Supplemental Indenture relating to the issuance, authentication and delivery of the 2021 Refinancing Notes have been complied with; and (C) all expenses due or accrued with respect to the offering of such notes or relating to actions taken on or in connection with the issuance of the 2021 Refinancing Notes have been paid (or will be paid in accordance with the terms of the Indenture) or reserves therefor have been made. The Officer's Certificate of each Co-Issuer shall also state that all of its representations and warranties contained in this Supplemental Indenture are true and correct in all material respects as of the 2021 Refinancing Date (unless expressly referring to an earlier date).

(vii) Officers' Certificate of the Collateral Manager pursuant to Section 9.5(f) of the Indenture. An Officer's Certificate of the Collateral Manager stating that the Refinancing meets the requirements of Section 9.5 of the Indenture.

(viii) Opinion of Counsel of DLA Piper LLP (US) pursuant to Section 8.3(d) of the Indenture. An Opinion of Counsel of DLA Piper LLP (US) stating that the execution of this Supplemental Indenture is authorized and permitted by the Indenture, and that all conditions precedent to the execution of this Supplemental Indenture have been complied with.

(e) On the 2021 Refinancing Date, all Global Notes representing the Refinanced Notes shall be deemed to be surrendered and (i) the Refinanced Notes in the form of Global Notes and (ii) the Refinanced Notes in the form of Certificated Notes that have been surrendered to the Trustee, shall be deemed to be cancelled in accordance with Section 2.9 of the Indenture.

(f) Each Holder or beneficial owner of a 2021 Refinancing Note, by its acquisition thereof on the 2021 Refinancing Date, shall be deemed to agree to the terms of the Indenture, as amended

hereby, and the terms of this Supplemental Indenture and the execution of the Co-Issuers and the Trustee hereof.

Section 2. Amendments to the Indenture.

(a) As of the date hereof, the Indenture is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the bold and double-underlined text (indicated textually in the same manner as the following example: **bold and double-underlined text**) as set forth on the pages of the Indenture attached as Appendix A hereto.

(b) The Exhibits to the Indenture are amended as reasonably acceptable to the Co-Issuers, the Collateral Manager and the Trustee in order to make the form Notes consistent with the terms of the 2021 Refinancing Notes (and the Issuer shall provide, or cause to be provided, to the Trustee an amended copy of such Exhibits).

Section 3. Indenture to Remain in Effect.

Except as expressly modified herein, the Indenture shall continue in full force and effect in accordance with its terms. Upon issuance and authentication of the 2021 Refinancing Notes and redemption in full of the Refinanced Notes, all references in the Indenture to the Refinanced Notes shall apply *mutatis mutandis* to the 2021 Refinancing Notes. All references in the Indenture to the Indenture or to “this Indenture” shall apply *mutatis mutandis* to the Indenture as modified by this Supplemental Indenture. The Trustee shall be entitled to all rights, protections, immunities and indemnities set forth in the Indenture as fully as if set forth in this Supplemental Indenture.

Section 4. Miscellaneous.

(a) THIS SUPPLEMENTAL INDENTURE AND THE 2021 REFINANCING NOTES SHALL BE CONSTRUED IN ACCORDANCE WITH, AND ANY MATTERS ARISING OUT OF OR RELATING IN ANY WAY WHATSOEVER TO THIS SUPPLEMENTAL INDENTURE AND THE 2021 REFINANCING NOTES (WHETHER IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK.

(b) This Supplemental Indenture (and each amendment, modification and waiver in respect of it) and the 2021 Refinancing Notes may be executed and delivered in counterparts (including by facsimile or electronic transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. This Supplemental Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature, (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, “**Signature Law**”), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Supplemental Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For the avoidance of doubt, original manual signatures shall be used for execution or

indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

(c) Notwithstanding any other provision of this Supplemental Indenture, the obligations of the Co-Issuers under the Notes and the Indenture as supplemented by this Supplemental Indenture are limited recourse obligations of the Co-Issuers payable solely from the Collateral in accordance with the Priorities of Payment and following realization of the Collateral, and application of the proceeds thereof in accordance with the Indenture as supplemented by this Supplemental Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any officer, director, partner, employee, shareholder or incorporator of either of the Co-Issuers, the Collateral Manager or their respective successors or assigns for any amounts payable under the Notes or the Indenture as supplemented by this Supplemental Indenture. It is understood that the foregoing provisions of this Section 3(c) shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by the Indenture as supplemented by this Supplemental Indenture until the assets constituting the Collateral have been realized. It is further understood that the foregoing provisions of this Section 3(c) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or the Indenture as supplemented by this Supplemental Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person.

(d) Notwithstanding any other provision of the Indenture as supplemented by this Supplemental Indenture, neither the Trustee, the Secured Parties nor the Holders or beneficial owners of the 2021 Refinancing Notes may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings (other than with respect to the liquidation or winding up of an Issuer Subsidiary that is directed by the Issuer (or the Collateral Manager on its behalf) because such Issuer Subsidiary no longer holds any assets), or other Proceedings under Cayman Islands, U.S. federal or State bankruptcy or similar laws of any jurisdiction. Nothing in this Section 3(d) shall preclude the Trustee, any Secured Party or any Holder of Notes (i) from taking any action in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than Secured Parties or Holders of Notes, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(e) The Trustee assumes no responsibility for the correctness of the recitals contained herein, which shall be taken as the statements of each of the Co-Issuers and, except as provided in the Indenture, the Trustee shall not be responsible or accountable in any way whatsoever for or with respect to the validity, execution or sufficiency of this Supplemental Indenture and makes no representation with respect thereto. In entering into this Supplemental Indenture, the Trustee shall be entitled to the benefit of every provision of the Indenture relating to the conduct of or affecting the liability of or affording protection to the Trustee.

(f) The Co-Issuers represent and warrant to the Trustee that this Supplemental Indenture has been duly and validly executed and delivered by each of the Co-Issuers and constitutes their respective legal, valid and binding obligation, enforceable against each of the Co-Issuers in accordance with its terms, subject only to bankruptcy, reorganization, insolvency, moratorium and other laws affecting

the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered a Proceeding in equity or at law).

(g) This Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(h) Each purchaser of a 2021 Refinancing Note on the 2021 Refinancing Date, as a condition of its purchase, will be deemed to have represented, warranted and covenanted that it consents to the execution of this Supplemental Indenture (and the terms thereof). For the avoidance of doubt, each purchaser of a Class A-R Note on the 2021 Refinancing Date, as a condition of its purchase, will be deemed to have represented, warranted and covenanted that it consents to such terms of this Supplemental Indenture that may expressly require the consent of a Majority of the Class A Notes.

(i) Directions to the Trustee. The Co-Issuers hereby direct the Trustee to execute this Supplemental Indenture and acknowledge and agree that the Trustee will be fully protected in relying upon the foregoing direction.

(j) Waiver of Jury Trial. The Trustee, each of the Co-Issuers and each Holder of a 2021 Refinancing Note hereby knowingly, voluntarily and intentionally waives (to the extent permitted by applicable law) any rights it may have to a trial by jury in respect of any litigation based hereon, or arising out of, under, or in connection with, this Supplemental Indenture or any other related documents, or any course of conduct, course of dealing, statements (whether verbal or written), or actions of the Trustee or either of the Co-Issuers. This provision is a material inducement for the Trustee and each of the Co-Issuers to enter into this Supplemental Indenture.

(a) In connection with all calculations or determinations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Asset, or any payments on any other assets included in the Collateral, with respect to the sale of and reinvestment in Collateral Assets, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Assets and on any other amounts that may be received for deposit in the Collection

Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(b) All calculations with respect to Scheduled Distributions on the Pledged Assets securing the Secured Notes shall be made on the basis of information as to the terms of each such Pledged Asset and upon report of payments, if any, received on such Pledged Asset that are furnished by or on behalf of the issuer of such Pledged Asset and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(c) For purposes of calculating the Coverage Tests and the Interest Reinvestment Test, except as otherwise specified in the Summary of Terms, such calculations will not include scheduled payments (including on Defaulted Assets, PIKing Assets and Hedge Agreements) as to which the Collateral Manager or the Issuer has actual knowledge (not only an expectation) that such payments shall not be made unless or until such payments are actually made. For purposes of determining whether any Coverage Test or the Interest Reinvestment Test has been satisfied on or after any Determination Date and before the related Payment Date, all calculations shall be made on a "*pro forma*" basis after giving effect to any payments made through the applicable clause of the Priorities of Payment.

(d) For each Due Period and as of any date of determination, the Scheduled Distribution on any Pledged Asset (other than a Defaulted Asset or PIKing Asset, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero) shall be the sum of (i) the total amount of payments and collections to be received during such Due Period in respect of such Pledged Asset (including the Sale Proceeds from the sale of such Pledged Asset received and, in the case of sales which have not yet settled, to be received during the Due Period and not reinvested in additional Collateral Assets or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if paid as scheduled, will be available in the Collection Account at the end of the Due Period and (ii) any such amounts received in prior Due Periods that were not disbursed on a previous Payment Date.

(e) Each Scheduled Distribution receivable with respect to a Pledged Asset (other than a Defaulted Asset or PIKing Asset) shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Notes or other amounts payable pursuant to this Indenture. The expected Interest Distribution Amount with respect to Secured Notes and interest on Floating Rate Assets will be calculated using the then current interest rates applicable thereto.

(f) With respect to any Collateral Asset as to which any interest or other payment thereon is subject to withholding tax, each Scheduled Distribution thereon shall, for purposes of the Coverage Tests, the Interest Reinvestment Test and the Collateral Quality Tests,

be deemed to be payable net of such withholding tax unless the issuer thereof or obligor thereon is required to make additional "~~gross-up~~gross-up" payments to fully compensate the Issuer for such withholding taxes (including in respect of any such additional payments). On any date of determination, the amount of any Scheduled Distribution due on any future date shall be assumed to be made net of any such uncompensated withholding tax based upon withholding tax rates in effect on such date of determination.

(m) References to Notes or Non-Clearing Agency Notes will, when the context requires, be construed to mean the Certificate representing the same.

(n) References to calculations made on a "*pro forma* basis" shall mean such calculations after giving effect to all payments, in accordance with the Priorities of Payment

described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(o) For reporting purposes and for purposes of calculating the Coverage Tests, the Interest Reinvestment Test, the Investment Criteria and the requirements of Section 12.2(a), Equity Securities held by any Issuer Subsidiary will be treated as Equity Securities owned by the Issuer (and the equity interest in such Issuer Subsidiary shall not be included in such calculation). For purposes of the calculation of the Interest Coverage Tests, the Weighted Average Spread Test and the Weighted Average Coupon Test, Collateral Assets contributed to an Issuer Subsidiary shall be included net of the actual taxes paid or any future anticipated taxes payable with respect thereto.

(p) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(q) Amounts received by the Issuer from any Issuer Subsidiary shall be allocated as Interest Proceeds or Principal Proceeds in the same manner as if the underlying asset were owned by the Issuer directly.

(r) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology is permitted hereunder to be used to make any of the determinations or calculations set forth herein, the Collateral Manager may direct the Collateral Administrator, or the Collateral Administrator may request direction from the Collateral Manager, as to the interpretation and/or methodology to be used, in either case, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(s) Any direction or Issuer Order required hereunder relating to the purchase, acquisition, sale, disposition or other transfer of Collateral may be in the form of a trade ticket, confirmation of trade, instruction to post or to commit to the trade or similar instrument or document or other written instruction (including by email or other electronic communication or file transfer protocol) from the Collateral Manager on which the Trustee may rely.

Section 1.3 Assumptions as to Certain Tests. (a) Interest Coverage Tests. The principal amount of each Class of Notes to be paid on any Payment Date pursuant to the Priorities of Payment due to the failure of any Interest Coverage Test shall be the amount that, assuming it had been used to pay principal of that Class (including Deferred Interest, if any) on the immediately preceding Payment Date, would have caused such test to be satisfied for the current Determination Date.

(b) In determining the amount of any principal payments required to satisfy any test, the Aggregate Outstanding Amount of Notes for purposes of each clause in: (i) the Priority of Interest Payments shall give effect to the application of Interest Proceeds for principal payments pursuant to all prior clauses in the Priority of Interest Payments; and then (ii) the Priority of Principal Payments shall give effect to the application of *first*, Interest Proceeds as described in the preceding clause (i) and *second*, any Principal Proceeds for principal payments pursuant to all prior clauses in the Priority of Principal Payments.

Section 1.4 Uncertificated Notes. (a) Non-Clearing Agency Notes in which a Certificate is not issued ("**Uncertificated Notes**") registered in the name of a Person shall be considered "held" by such Person for all purposes under this Indenture.

(c) References to execution of Notes by the Applicable Issuers, to surrender of Notes and to presentment of Notes shall be deemed not to refer to Uncertificated Notes; *provided that* the provisions of Section 2.9 relating to surrender of Notes shall apply equally to deregistration of Uncertificated Notes.

On the Closing Date, the Class Z Notes

may only be purchased or acquired by a purchaser that is the Initial Majority Subordinated Noteholder and thereafter Class Z Notes may not be acquired or transferred unless (a) the purchaser or transferee is a direct Affiliate of the Initial Majority Subordinated Noteholder that will also own Subordinated Notes and (b) the Collateral Manager consents to such purchase or transfer. Any purchase or transfer of Class Z Notes to a purchaser or transferee thereof that does not meet the requirements described in the preceding sentence shall have no force or effect and shall be deemed void *ab initio*.

(c) Book-Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of the Depository.

The Applicable Issuer shall execute and the Trustee shall, in accordance with this Section 2.2(c), authenticate and deliver initially one or more Global Notes that (i) shall be registered in the name of the nominee of the Depository for such Global Note or Global Notes and (ii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee's agent as custodian for the Depository.

Agent Members shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Trustee, as custodian for the Depository or under the Global Note, and the Depository may be treated by the Applicable Issuer, the Trustee, and any of their respective agents as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Co-Issuers or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Global Note.

(d) Non-Clearing Agency Notes. Except as provided in Sections 2.5(e)(iv) and 2.10, owners of beneficial interests in Global Notes will not be entitled to receive Non-Clearing Agency Notes.

Section 2.3 Authorized Amount; Interest Rate; Stated Maturity Date; Authorized Denominations. (a) The aggregate principal amount of Notes that may be issued and delivered under this Indenture is limited to the aggregate principal amount of Notes specified in the Summary of Terms, except for Notes issued and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, 2.6, 2.10 or 8.6 of this Indenture and except for Additional Notes.

(b) The Notes shall be divided into the Classes having designations, original principal amounts, Interest Rates, Stated Maturity Dates and Authorized Denominations set forth in the Summary of Terms.

Section 2.4 Execution, Authentication, Delivery and Dating. (a) The Certificates shall be executed on behalf of each Applicable Issuer by one of the Authorized Officers of such Applicable Issuer. The signature of such Authorized Officer may be manual or by facsimile.

(b) Certificates bearing the manual, facsimile or .pdf signatures of individuals who were at any time the Authorized Officers of an Applicable Issuer shall bind such Applicable Issuer, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Certificates or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, an Applicable Issuer may deliver Certificates executed by it to the Trustee or the Authenticating Agent for authentication, and the Trustee or the Authenticating Agent, upon Issuer Order, and execution by each Applicable Issuer shall authenticate and deliver such Certificates as provided in this Indenture and not otherwise.

(d) Each Certificate authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date or the 2021 Refinancing Date shall be dated as of the Closing Date or the 2021 Refinancing Date, as applicable. All other Certificates that are authenticated after the Closing Date or the 2021 Refinancing Date for any other purpose under this Indenture shall be dated the date of their authentication.

(e) Certificates issued upon transfer, exchange or replacement of other Certificates shall be issued in Authorized Denominations reflecting the original Aggregate Outstanding Amount of the Certificates so transferred, exchanged or replaced, but shall represent only the current outstanding principal amount of the Certificates so transferred, exchanged or replaced. In the event that any Certificate is divided into more than one Certificate in accordance with this Article II, the original principal amount of such Certificate shall be proportionately divided among the Certificates delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Certificates.

(f) No Certificate shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Certificate a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause to be kept the Note Register in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed Note Registrar for the purpose of registering Notes and transfers of such Notes with respect to the Note Register kept in the United States as herein provided. Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment, assume the duties of Note Registrar.

If a Person other than the Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Trustee prompt notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Registrar, and the Trustee shall have the

right to inspect the Note Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders and the principal amounts and registration numbers of such Certificates and any Uncertificated Notes.

Upon satisfaction of the conditions for a transfer or exchange set forth in this Section 2.5 (including, if applicable, surrender of the related Certificate), the Applicable Issuer shall issue for the Note being transferred or exchanged for registration in the name of the designated transferee or transferees one or more new Notes of an Authorized Denomination and of like terms and a like aggregate principal amount and, if applicable, execute Certificates representing such Notes and, upon receipt of an Issuer Order (which Issuer Order shall, in connection with transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Trustee), the Trustee shall authenticate and deliver such Certificates. If no Certificate is being delivered, the Trustee will deliver a Confirmation of Registration to the transferee or transferees.

All Notes issued and, in the case of Certificates, authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes being exchanged or transferred.

Every Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Applicable Issuer and the Note Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing. The Trustee or Note Registrar shall be permitted to request such evidence satisfactory to it documenting the identity and/or signature of the transferor and the transferee, including a Medallion Signature Guarantee.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee or Transfer Agent may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Neither Applicable Issuer nor the Note Registrar shall be required (i) to issue, register the transfer of or exchange any Note during a period beginning at the opening of business on the Record Date for an Optional Redemption, a Refinancing Redemption, a Regulatory Refinancing or a Clean-Up Call Redemption (unless the notice of redemption is withdrawn) and ending at the close of business on the Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date or Clean-Up Call Redemption Date, as applicable, or (ii) to issue, register the transfer of or exchange any Note beginning at the opening of business on the Record Date for the redemption (unless the notice of redemption is withdrawn).

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act and is exempt under applicable state and foreign securities laws and will not cause either of the Co-Issuers or the pool of Collateral to become subject to the requirement that it register as an investment company under the U.S. Investment Company Act.

No Secured Note may be offered, sold or delivered as part of the distribution by the Initial Purchaser at any time within the United States or to, or for the benefit of, U.S. Persons except in accordance with Rule 144A or another exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers, for which the purchaser is acting as fiduciary or agent. Notes may be sold or resold, as the case may be, in offshore transactions to non-U.S. Persons in reliance on Regulation S. No Subordinated Note, Class Y Note or Class Z Note may be offered, sold or delivered whether or not as part of the distribution by the Initial Purchaser at any time within the United States or to, or for the benefit of, U.S. Persons except in accordance with Rule 144A or another exemption from the registration requirements of the Securities Act, to Persons who are (x) both a Qualified Institutional Buyer and a Qualified Purchaser, (y) both an Accredited Investor and a Knowledgeable Employee or (z) both an Institutional Accredited Investor and a Qualified Purchaser. In addition, no Rule 144A Global Note may at any time be held by or on behalf of any U.S. Person that is not both a Qualified Institutional Buyer and a Qualified Purchaser and no Regulation S Global Note may at any time be held by or on behalf of U.S. Persons. Neither the Applicable Issuer, the Trustee nor any other Person may register the Notes under the Securities Act or any state or foreign securities laws.

ERISA Restricted Notes (or interests therein) will not be permitted to be sold or transferred to Purchasers that have represented that they are, or are acting on behalf of or with the assets of, Benefit Plan Investors or Controlling Persons to the extent that such sale or transfer may result in Benefit Plan Investors owning 25% or more of the total value of any Class of ERISA Restricted Notes determined in accordance with the Plan Asset Regulation and this Indenture and assuming that all of the representations made (or deemed to be made) by Purchasers of Notes are true. For purposes of such calculation, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold under the significant participation test in accordance with Section 3(42) of ERISA and 29 C.F.R. Section 2510.3-101(f) only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any ERISA Restricted Note (or interest therein) held as principal by the Collateral Manager, the Initial Purchaser, the Trustee, the Collateral Administrator and any of their respective Affiliates and Persons that have represented that they are Controlling Persons will be disregarded and will not be treated as Outstanding for purposes of determining compliance with such 25% limitation.

The Issuer and the Trustee shall assume that an interest in any Class of ERISA Restricted Note in the form of a Global Note purchased by a Benefit Plan Investor or a Controlling Person from the Issuer or the Initial Purchaser as part of the offering of the Notes on the Closing Date (the "**Offering**") is being held by a Benefit Plan Investor or Controlling Person, as applicable, until the Stated Maturity Date, or earlier date of redemption, of such applicable Class of ERISA Restricted Notes; *provided* that such requirement shall cease to apply with respect to the amount of any such interest subsequently transferred by the purchaser that purchased such interest as part of the Offering if, in connection with such transfer, (1) such purchaser that purchased such interest as part of the Offering delivers a transferor certificate to the Trustee and (2) the transferee delivers a transferee certificate to the Trustee in which it certifies that it is not a Benefit Plan Investor or a Controlling Person, as the case may be.

(c) For so long as any of the Notes are Outstanding, neither of the Co-Issuers shall permit or register the transfer of any of its ordinary shares, membership interests or stock, as applicable, to U.S. Persons.

(d) Upon final payment thereof, the Holder of a Non-Clearing Agency Note represented by a Certificate shall present and surrender such Certificate as directed by the Trustee; *provided, however*, that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking to surrender such Certificate, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(e) So long as a Global Note remains Outstanding, transfers of a Global Note, in whole or in part, shall only be made in accordance with Section 2.2(c) and this Section 2.5(e).

(i) Subject to clauses (ii), (iii) and (iv) of this Section 2.5(e), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of the Depository or to a successor of the Depository or such successor's nominee.

(ii) Rule 144A Global Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note wishes at any time to exchange its interest for, or to transfer its interest to a Person who wishes to take delivery thereof in the form of, an interest in a Regulation S Global Note, such Holder may, subject to the rules and procedures of the Depository, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the Regulation S Global Note of the same Class. Upon receipt by the Note Registrar of:

(A) instructions given in accordance with the Depository's procedures from an Agent Member directing the Trustee, as Note Registrar, to request to be credited a beneficial interest in a Regulation S Global Note in an amount equal to the beneficial interest to be exchanged or transferred and in an Authorized Denomination,

(B) a written order given in accordance with the Depository's procedures containing information regarding the account of the Depository, Euroclear or Clearstream, as applicable, to be credited with such increase, and

(C) a Transfer Certificate,

the Note Registrar shall (x) reduce the principal amount of the Rule 144A Global Note and increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (y) record the transfer or exchange in the Note Register and (z) confirm the instructions at the Depository to credit or request to be credited to the securities account of the Person specified in such instructions a beneficial interest in the Regulation S

Global Note equal to the reduction in the principal amount of the Rule 144A Global Note.

(iii) Regulation S Global Note to Rule 144A Global Note. If a holder of a beneficial interest in a Regulation S Global Note deposited with the Depository wishes at any time to exchange its interest for, or to transfer its interest to a Person who wishes to take delivery thereof in the form of, an interest in a Rule 144A Global Note, such holder may, subject to the rules and procedures of Euroclear, Clearstream or the Depository, as the case may be, exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in a Rule 144A Global Note of the same Class. Upon receipt by the Note Registrar of:

(A) instructions from Euroclear, Clearstream or the Depository, as the case may be, directing the Trustee, as Note Registrar, to request to be credited a beneficial interest in a Rule 144A Global Note in an amount equal to the beneficial interest to be exchanged or transferred and in an Authorized Denomination such instructions to contain information regarding the account with the Depository to be credited with such increase, and

(B) a Transfer Certificate,

the Note Registrar shall (x) reduce the principal amount of the Regulation S Global Note and increase the principal amount of the Rule 144A Global Note by the aggregate principal amount of the beneficial interest to be transferred or exchanged, (y) record the transfer or exchange in the Note Register and (z) confirm the instructions at the Depository, concurrently with such reduction, to credit or request to be credited to the account specified in such instructions a beneficial interest in the Rule 144A Global Note equal to the reduction in the principal amount of the Regulation S Global Note.

(iv) Global Note to Non-Clearing Agency Note. If a holder of a beneficial interest in a Global Note representing a Class for which Non-Clearing Agency Notes have been specified as available in the Summary of Terms wishes at any time to exchange its interest for, or to transfer its interest to a Person who wishes to take delivery thereof in the form of a Non-Clearing Agency Note, such holder may, subject to the rules and procedures of Euroclear, Clearstream or the Depository, as the case may be, transfer or cause the transfer of such interest for an equivalent beneficial interest in Non-Clearing Agency Notes of the same Class as described below. Upon receipt by the Note Registrar of:

(A) instructions given in accordance with the Depository's procedures from an Agent Member, or instructions from Euroclear, Clearstream or the Depository, as the case may be, directing the Trustee to transfer its interest and, if specified in the Transfer Certificate, deliver one or more such Certificates representing such Non-Clearing Agency Notes, designating the registered name or names, address, payment instructions, the Class and the number and principal amounts of the Non-Clearing Agency Notes to be registered and, if applicable, executed and delivered (the aggregate principal amounts of such Non-Clearing

Agency Notes being equal to the aggregate principal amount of the interest to be exchanged or transferred and in an Authorized Denomination) and

(B) a Transfer Certificate (and such other documentation as may reasonably be required by the Trustee),

the Note Registrar shall (x) reduce the applicable Global Note by the aggregate principal amount of the beneficial interest to be exchanged or transferred, (y) record the transfer in the Note Register and (z) if applicable, instruct the Applicable Issuer to execute one or more Certificates representing such Non-Clearing Agency Notes, in which case, the Trustee shall authenticate and deliver such Certificates registered in the names and principal amounts specified in the Transfer Certificate. If no Certificate is being delivered, the Trustee will deliver a Confirmation of Registration to the transferee or transferees.

(v) Other Exchanges. In the event that an interest in a Global Note is exchanged for Non-Clearing Agency Notes pursuant to Section 2.5(e)(iv) or Section 2.10 hereof, such Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above and as may be from time to time adopted by the Applicable Issuer and the Trustee.

(vi) Restrictions on U.S. Transfers. Transfers of interests in Regulation S Global Notes to U.S. Persons shall be restricted. Transfers may only be made pursuant to the provisions of Section 2.5(e)(iii) or Section 2.5(e)(iv).

(f) So long as an interest in a Non-Clearing Agency Note remains Outstanding, transfers and exchanges of such interest, in whole or in part, shall only be made in accordance with this Section 2.5(f). Any purported transfer in violation of the foregoing requirements shall be null and void *ab initio*.

(i) Non-Clearing Agency Note to Global Note. If a Holder of a Non-Clearing Agency Note wishes at any time to exchange its interest for, or to transfer its interest to a Person who wishes to take delivery thereof in the form of, an interest in a Global Note, such Holder may, subject to the rules and procedures of Euroclear, Clearstream and/or the Depository, as the case may be, exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in the Regulation S Global Note or Rule 144A Global Note, as applicable, of the same Class. Upon receipt by the Note Registrar, of:

(A) if a Certificate has been issued, such Certificate properly endorsed,

(B) a written order containing information regarding the Depository, Euroclear or Clearstream account to be credited with such increase, and

(C) a Transfer Certificate (and such other documentation as may reasonably be required by the Trustee);

the Note Registrar shall (x) if applicable, cancel such Certificate, (y) record the transfer or exchange in the Note Register and (z) confirm the instructions at the Depository to increase the principal amount of the applicable Global Note by and to credit or request to be credited to the account specified in such instructions with the aggregate principal amount of the beneficial interest to be exchanged or transferred.

(ii) Transfer of Non-Clearing Agency Notes. If a Holder of a Non-Clearing Agency Note wishes at any time to exchange for, or transfer its interest to a Person who wishes to take delivery thereof in the form of, a Non-Clearing Agency Note, such holder may exchange or transfer or cause the exchange or transfer of such interest for an equivalent beneficial interest in such Non-Clearing Agency Note of the same Class as provided below. Upon receipt by the Note Registrar of:

(A) if a Certificate has been issued, such Certificate properly endorsed,

(B) if a Certificate has not been issued, a Request for Issuance of Non-Clearing Agency Note, and

(C) a Transfer Certificate (and such other documentation as may reasonably be required by the Trustee),

the Note Registrar shall (x) if applicable, cancel such Certificate, (y) record the transfer in the Note Register and (z) if applicable instruct the Applicable Issuer to execute one or more Certificates representing such Non-Clearing Agency Notes, in which case, the Trustee shall authenticate and deliver such Certificates of the same Class in the names and principal amounts specified by the Holder (the aggregate of such amounts being the same as the beneficial interest to be exchanged or transferred and in Authorized Denominations). If no Certificate is being delivered, the Trustee will deliver a Confirmation of Registration to the transferee or transferees.

(g) Each purchaser (including transferees and each beneficial owner of an account on whose behalf Notes are being purchased) of a beneficial interest in a Global Note will be deemed to have represented and agreed (and the initial Purchasers of the Class E Notes, the Class Y Notes, the Class Z Notes and the Subordinated Notes and any initial Purchaser of a Non-Clearing Agency Note will be required to represent and agree in an Issuer Subscription Agreement) (each, a "**Purchaser**") as follows (terms used in this subsection that are defined in Rule 144A or Regulation S are used herein as defined therein):

(i) Receipt of Final Offering Materials. In the case of the initial Purchaser, such Purchaser has received and reviewed the Offering Memorandum and relevant marketing materials (collectively, the "**Final Offering Materials**"), relating to the Offering of the Notes.

(ii) Sophistication/Investment Decision. The Purchaser is capable of evaluating the merits and risks of an investment in the Notes. The Purchaser is able to bear the economic risks of an investment in the Notes. The Purchaser has had access to

such information concerning the Transaction Parties and the Notes as it deems necessary or appropriate to make an informed investment decision, including an opportunity to ask questions and receive information from the Transaction Parties, and it has received all information that it has requested concerning its purchase of the Notes. The Purchaser has, to the extent it deems necessary, consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors (its "**Advisors**") with respect to its purchase of the Notes.

The Purchaser (i) has made its investment decision based upon its own judgment, any advice received from its Advisors, and its review of the Final Offering Materials, and not upon any view, advice or representations (whether written or oral) of any Transaction Party and (ii) hereby reconfirms its decision to make an investment in the Notes to the extent such decision was made prior to the receipt of the Final Offering Materials. None of the Transaction Parties is undertaking to act as a fiduciary or financial or investment adviser to the Purchaser. None of the Transaction Parties has given the Purchaser any assurance or guarantee as to the expected or projected performance of the Notes. The Purchaser understands that the Notes will be highly illiquid. The Purchaser is prepared to hold the Notes for an indefinite period of time or until maturity.

(iii) Offering/Investor Qualifications. If the Purchaser is purchasing Notes in the form of an interest in a Regulation S Global Note: (i) the Purchaser understands that the Notes are offered to and purchased by it in an offshore transaction not involving any public offering in the United States, in reliance on the exemption from registration provided by Regulation S under the Securities Act, and that the Notes will not be registered under the U.S. federal securities laws and (ii) the Purchaser is not a U.S. Person or U.S. resident for purposes of the U.S. Investment Company Act and understands that interests in a Regulation S Global Note may not be owned at any time by a U.S. Person.

If the Purchaser is purchasing Notes in the form of an interest in a Rule 144A Global Note: (i) the Purchaser understands that the Notes are offered to and purchased by it in a transaction not involving any public offering in the United States, in reliance on the exemption from registration provided by Rule 144A, and that the Notes will not be registered under the U.S. federal securities laws or any state securities laws or the securities laws of any other relevant jurisdiction and (ii) the Purchaser is both a Qualified Institutional Buyer and a Qualified Purchaser, but is:

(A) not a dealer of the type described in paragraph (a)(1)(ii) of Rule 144A unless it, as applicable, owns and invests on a discretionary basis not less than \$25,000,000 in securities of non-Affiliated issuers of the dealer; and

(B) not a participant-directed employee plan (such as a 401(k) plan), or any other type of plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A or trust fund referred to in paragraph (a)(1)(i)(F) of Rule 144A that holds the assets of such a plan, unless investment decisions with respect to such plan are made solely by the fiduciary, trustee or sponsor of such plan and not by beneficiaries of the plan.

If the Purchaser is not purchasing a beneficial interest in a Global Note: (i) the Purchaser understands that the Notes are offered to and purchased by it in a transaction not involving any public offering in the United States, in reliance on Section 4(a)(2), Rule 144A or Regulation S under the Securities Act or another exemption from the registration requirements of the Securities Act, and that the Notes will not be registered under the U.S. federal securities laws or any state securities laws or the securities laws of any other relevant jurisdiction and (ii) the Purchaser is either (a) neither a U.S. Person nor a U.S. resident for purposes of the U.S. Investment Company Act or (b) either (1) both a Qualified Institutional Buyer and a Qualified Purchaser or (2) solely in the case of the Subordinated Notes, Class Y Notes or Class Z Notes purchased in the form of Non-Clearing Agency Notes, (x) both an Accredited Investor and a Knowledgeable Employee or (y) both an Institutional Accredited Investor and a Qualified Purchaser.

The Purchaser understands that neither of the Co-Issuers nor the pool of Collateral has been registered under the U.S. Investment Company Act, and that the Co-Issuers are exempt from registration as such by virtue of Section 3(c)(7) of the U.S. Investment Company Act.

If the Purchaser is a Qualified Purchaser or, in the case of the Subordinated Notes, the Class Y Notes or the Class Z Notes purchased in the form of Non-Clearing Agency Notes, a Knowledgeable Employee, the Purchaser is acquiring the Notes as principal for its own account for investment and not for sale in connection with any distribution thereof. The Purchaser and each such account was not formed solely for the purpose of investing in the Notes and is not a (i) partnership, (ii) common trust fund or (iii) special trust, pension fund or retirement plan in which the partners, beneficiaries or participants, as applicable, may designate the particular investments to be made. The Purchaser agrees that it shall not hold such Notes for the benefit of any other Person and shall be the sole beneficial owner thereof for all purposes and that it shall not sell participation interests in the Notes or enter into any other arrangement pursuant to which any other Person shall be entitled to a beneficial interest in the distributions on the Notes and further that the Notes purchased directly or indirectly by it constitute an investment of no more than 40% of the Purchaser's assets.

(iv) Investment Intent/Subsequent Transfers. The Purchaser is not purchasing the Notes with a view to the resale, distribution or other disposition thereof in violation of the Securities Act. The Purchaser will not, at any time, offer to buy or offer to sell the Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

The Purchaser will provide notice to each Person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in this Indenture (including the exhibits referenced herein). The Purchaser understands that any such transfer may be made only pursuant to an exemption from registration under the Securities Act and any applicable state or foreign securities laws. The Purchaser understands that transfers of ERISA Restricted Notes to Benefit Plan Investors or Controlling Persons may be limited or prohibited. In addition, the Purchaser understands and agrees that:

(A) Rule 144A Global Notes may not at any time be held by or on behalf of Persons that are not both Qualified Institutional Buyers and Qualified Purchasers. Before any interest in a Rule 144A Global Note may be resold, pledged or otherwise transferred to a Person who takes delivery in the form of an interest in a Regulation S Global Note, the transferor and the transferee will be required to provide the Trustee with a Transfer Certificate.

(B) Regulation S Global Notes may not at any time be held by or on behalf of U.S. Persons. Before any interest in a Regulation S Global Note may be resold, pledged or otherwise transferred to a Person who takes delivery in the form of an interest in a Rule 144A Global Note, the transferor and the transferee will be required to provide the Trustee with a Transfer Certificate.

(C) Before any interest in Notes may be resold, pledged or otherwise transferred to a Person that will hold an interest in a Non-Clearing Agency Note, the transferee will be required to provide the Trustee with a Transfer Certificate.

(v) Benefit Plans. ***With Respect Only to Notes that are Not ERISA Restricted:*** In the case of the Not ERISA Restricted Notes, on each day from the date on which such beneficial owner acquires the Notes or its interests in such Notes through and including the date on which such beneficial owner disposes of the Notes or its interests in such Notes either (A) it is not, and is not acting on behalf of, a Benefit Plan Investor or a governmental, non-U.S., church or other plan that is subject to other applicable local, state, federal or non-U.S. laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code ("**Similar Laws**") or (B) its acquisition, holding and disposition of such Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, non-U.S., church or other plan, a violation of Similar Laws).

***With Respect Only to Notes that are ERISA Restricted:*** Each initial Purchaser on the Closing Date of an ERISA Restricted Note or any interest therein and each transferee of an ERISA Restricted Note that is a Non-Clearing Agency Note, will be required to represent at the time of its acquisition and throughout the period of its holding (including, without limitation, the exercise of any rights thereunder) and disposition of such Note or interest in such Note: (1) whether or not, for so long as it holds such Note or interest therein, it is, or is acting on behalf of, a Benefit Plan Investor, (2) whether or not, for so

long as it holds such Note or interest therein, it is a Controlling Person, (3) that (a) if it is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such Note (or interest therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or (b) if it is a governmental, church, non-U.S. or other plan, (x) it is not, and for so long as it holds such Note or interest therein will not be, subject to any federal, state, local, non-U.S. or other law or regulation that could cause the underlying assets of the Co-Issuers to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Co-Issuers or the Collateral Manager (or other Persons responsible for the investment and operation of the Co-Issuers' assets) to laws or regulations that are substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code and (y) its acquisition, holding and disposition of such Note (or interest therein) will not constitute or result in a violation of Similar Laws, and (4) it will comply with certain transfer restrictions regarding its interest in such Note.

Only with respect to each Purchaser or transferee of Notes represented by an interest in an ERISA Restricted Note held in global form, other than an initial Purchaser on the Closing Date, if otherwise set forth in an Issuer Subscription Agreement, at the time of its acquisition and throughout the period of its holding (including, without limitation, the exercise of any rights thereunder) and disposition of such Notes or interests in such Notes: (A) it is not, and is not acting on behalf of or using the assets of, a Benefit Plan Investor or a Controlling Person, and (B) if such Purchaser or subsequent transferee is a governmental, church, non-U.S. or other plan that is subject to Similar Laws (x) it is not, and for so long as it holds such Notes or interests therein will not be, subject to any federal, state, local, non-U.S. or other law or regulation that could cause the underlying assets of the Co-Issuers to be treated as assets of the investor in any Note (or interest therein) by virtue of its interest and thereby subject the Co-Issuers or the Collateral Manager (or other Persons responsible for the investment and operation of the Co-Issuers' assets) to Similar Laws and (y) its acquisition, holding and subsequent disposition of such Notes (or interests therein) will not constitute or result in a violation of Similar Laws; (C) it will not transfer any such Notes or interests in such Notes to a Benefit Plan Investor or a Controlling Person and any purported transfer of such Notes or interests in such Notes to a Benefit Plan Investor or a Controlling Person will be null and void *ab initio* and (D) if, at any time while it holds any such Notes or interests in such Notes, it becomes a Benefit Plan Investor or a Controlling Person, it will immediately notify the Issuer of such change in status and will transfer such Notes or its interests in such Notes to a Person who is not a Benefit Plan Investor or a Controlling Person.

***With Respect to all Notes:*** The Purchaser's acquisition, holding and disposition of Notes (or interests therein) will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of a governmental, non-U.S., church or other plan, a violation of any Similar Laws.

The Purchaser acknowledges that the Co-Issuers, the Collateral Manager, the Bank Parties, the Initial Purchaser and their respective Affiliates, shall be entitled to

conclusively rely upon the truth and accuracy of the foregoing representations and agreements without further inquiry.

The Purchaser and any fiduciary causing it to acquire an interest in any Notes agrees to indemnify and hold harmless the Co-Issuers, the Collateral Manager, the Bank Parties, the Initial Purchaser and their respective Affiliates, from and against any cost, damage or loss incurred by any of them as a result of any of the foregoing representations and agreements being or becoming false.

Any purported acquisition or transfer of any Note or beneficial interest therein to an acquirer or transferee that does not comply with the requirements of this clause (v) shall be null and void *ab initio*.

The Purchaser understands that the representations made in this clause (v) shall be deemed to be made on each day from the date that the Purchaser acquires an interest in the Notes until the date it has disposed of its interests in the Notes.

In the event that any representation in this clause (v) becomes untrue (or, with respect to Notes that are ERISA Restricted Notes, there is any change in status of the Purchaser as a Benefit Plan Investor or Controlling Person), the Purchaser shall immediately notify the Issuer and the Trustee.

If the Purchaser is a Benefit Plan Investor, it shall be deemed to represent to the Issuer, on each day from the date on which it acquires such Note or interest therein through and including the date on which it disposes of such Note or interest therein that (a) none of the Transaction Parties or any of their respective affiliates has provided any investment recommendation or investment advice to the Benefit Plan Investor or any fiduciary or other person investing the assets of the Benefit Plan Investor (the "**Plan Fiduciary**") on which either the Benefit Plan Investor or the Plan Fiduciary has relied in connection with the decision to acquire the Notes, and that the Transaction Parties are not otherwise undertaking to act as a fiduciary, as defined in Section 3(21) of ERISA or Section 4975(e)(3) of the Code, to the Benefit Plan Investor or the Plan Fiduciary in connection with the Benefit Plan Investor's acquisition of the Notes; and (b) the Plan Fiduciary is exercising its own independent judgment in evaluating the transaction.

(vi) Certain Tax Matters. The Purchaser understands, represents, and agrees as provided in Section 2.14 of this Indenture.

(vii) Cayman Islands. The Purchaser is not a member of the public in the Cayman Islands.

(viii) Privacy. The Purchaser acknowledges that the Issuer may receive a list of participants holding positions in the Notes from one or more book-entry depositories.

(ix) Non-Petition; Bankruptcy Subordination Agreement. The Purchaser will not institute against, or join any other Person in instituting against, either of the Co-Issuers or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency,

moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction until the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of all Notes. The Purchaser agrees to be subject to the Bankruptcy Subordination Agreement. The Purchaser understands that the foregoing restrictions are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any Holder or beneficial owner of a Note, the Collateral Manager or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction.

(x) Effect of Breaches. The Purchaser agrees that (i) any purported sale, pledge or other transfer of the Notes (or any interest therein) made in violation of the transfer restrictions set forth in this Indenture or the applicable Note, or made based upon any false or inaccurate representation made by the Purchaser or a transferee to the Co-Issuers or the Issuer, as applicable, will be null and void *ab initio* and of no force or effect and (ii) none of the Transaction Parties has any obligation to recognize any sale, pledge or other transfer of the Notes (or any interest therein) made in violation of any such transfer restrictions or made based upon any such false or inaccurate representation.

(xi) Legends. The Purchaser acknowledges that Certificates will bear the legend set forth in the applicable Exhibit A unless the Co-Issuers determine otherwise in compliance with applicable law.

(xii) Compulsory Sales. The Purchaser understands and agrees that if any Non-Permitted Holder shall become the beneficial owner of an interest in any Note, the Issuer may (in its sole discretion), promptly after discovery that such Person is a Non-Permitted Holder by the Issuer (or upon notice from the Trustee or the Co-Issuer to the Issuer, if either of them obtains actual knowledge (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes, as applicable, the Issuer shall (1) have the right to compel such Holder to sell its interest in the Notes, (2) assign to such Note a separate CUSIP number or numbers, or (3) have the right, without further notice to such Non-Permitted Holder, to sell such Notes, as applicable, or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Purchaser also understands and agrees that the Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, as applicable, and selling such Notes to the highest such bidder. However, the Issuer or the Collateral Manager acting on behalf of the Issuer may select a purchaser by

any other means determined by it in its sole discretion. The Holder of each Note, as applicable, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder by its acceptance of an interest in the Notes, as applicable, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Collateral Manager nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

The Purchaser understands and agrees that if any Person shall become the beneficial owner of a Note or an interest in a Note who has made or been deemed to have made a Benefit Plan Investor, Controlling Person, prohibited transaction or Similar Law representation that is subsequently shown to be false or misleading (any such Person a "**Non-Permitted ERISA Holder**"), the Issuer shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer (or upon notice from the Trustee or the Co-Issuer to the Issuer, if either of them obtains actual knowledge (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest to a Person that is not a Non-Permitted ERISA Holder within 10 days of the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its Notes, the Issuer shall (1) have the right to compel such Non-Permitted ERISA Holder to sell its interest in the Notes or (2) have the right, without further notice to such Non-Permitted ERISA Holder, to sell such Notes, or interests therein, to a purchaser selected by the Issuer, or the Collateral Manager acting on behalf of the Issuer, that is not a Non-Permitted ERISA Holder on such terms as the Issuer, or the Collateral Manager acting on behalf of the Issuer, may choose. The Purchaser also understands and agrees that the Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer or the Collateral Manager acting on behalf of the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted ERISA Holder, and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of the Notes or an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, or the Collateral Manager acting on behalf of the Issuer, and none of the Issuer, the Collateral Manager acting on behalf of the Issuer, nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

The Purchaser understands that if (i) a Holder or beneficial owner of Notes fails for any reason to provide the Issuer and its agents with the Holder Information or such other information or documentation as may be required under the Cayman FATCA Legislation or any agreement similar to the Cayman FATCA Legislation and any related legislation,

regulation, rules, guidance notes or published practice of the Cayman Islands or any applicable tax authority, or to update or correct such information or documentation or to take any other action, as may be necessary or helpful (in the sole determination of the Issuer or the Collateral Manager or their agents, as applicable) to achieve compliance with the Cayman FATCA Legislation and related legislation or such other agreement or legislation, or (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that a Holder's or beneficial owner's direct or indirect acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to comply with the Cayman FATCA Legislation and related legislation or other similar agreement or legislation, the Issuer (or any intermediary on the Issuer's behalf) will have the right to (x) compel the relevant Holder or beneficial owner to sell its interest in such Note or (y) sell such interest on such Holder's or beneficial owner's behalf. The Issuer will not compel sales for failure to provide the Holder Information or such other information or documentation as may be required under any agreement similar to the Cayman FATCA Legislation and any related legislation (other than FATCA) unless the Issuer reasonably determines the Holder's or beneficial owner's direct or indirect acquisition, holding or transfer of an interest in such Note would result in (a) a withholding tax and/or (b) a materially adverse effect on the Issuer.

Each Holder will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the "**Holder AML Obligations**").

(xiii) OFAC. To the best of the Purchaser's knowledge, none of: (a) the Purchaser; (b) any Person controlling or controlled by the Purchaser; (c) if the Purchaser is a privately held entity, any Person having a beneficial interest in the Purchaser; (d) any Person having a beneficial interest in the Notes; or (e) any Person for whom the Purchaser is acting as agent or nominee in connection with this investment in the Notes is a country, territory, individual or entity named on any United States Treasury Department's Office of Foreign Assets Control ("**OFAC**") list of prohibited countries, territories, Persons, or is a Person prohibited under the OFAC programs that prohibit dealing with individuals or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists.

(xiv) Funds. Any funds to be used by the Purchaser to purchase the Notes shall not directly or indirectly be derived from activities that may contravene applicable laws and regulations, including anti-money laundering laws and regulations.

(xv) Class Y Notes or Class Z Notes. If the Purchaser is acquiring Class Y Notes, it represents and agrees that it is eligible to acquire such Notes in accordance with the terms of this Indenture and that it is either (x) an existing Holder or beneficial owner of Subordinated Notes or (y) acquiring Subordinated Notes simultaneously with its acquisition of such Class Y Notes. If the Purchaser is acquiring Class Z Notes, it represents and agrees that it is eligible to acquire such Notes in accordance with the terms of the Indenture and that (a) the Purchaser is a direct Affiliate of the Initial Majority Subordinated Noteholder and also owns Subordinated Notes and (b) the Collateral

Manager has consented to its acquisition of the Class Z Notes. Any purchase or transfer of Class Y Notes or Class Z Notes to a purchaser or transferee thereof that does not meet the requirements described in this paragraph shall have no force or effect and shall be deemed void *ab initio*.

(h) Any purported transfer of a Note not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose hereunder.

(i) If Certificates are issued upon the transfer or exchange of Notes or replacement of Certificates and if a request is made to remove such applicable legend on such Certificates, the Certificates so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuer such satisfactory evidence, which may include an Opinion of Counsel, as may be reasonably required by the Applicable Issuer to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A, Section 4(a)(2) of the Securities Act or Regulation S, as applicable, or the U.S. Investment Company Act. Upon provision of such satisfactory evidence, the Trustee, upon Issuer Order from the Applicable Issuer, shall authenticate and deliver Certificates that do not bear such applicable legend.

(j) Notwithstanding anything contained herein to the contrary, neither the Trustee nor the Note Registrar shall be responsible for ascertaining whether any transfer complies with the registration provisions of or exemptions from the Securities Act, applicable state or foreign securities laws, the rules of any Depository, ERISA, the Code or the U.S. Investment Company Act; *provided* that if a Transfer Certificate is to be delivered to the Trustee or the Note Registrar by a purchaser or transferee of a Note, the Trustee or the Note Registrar, as the case may be, shall be under a duty to receive and examine the same to determine whether the certificate substantially complies on its face with the express terms of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding anything contained herein to the contrary, the Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified of any transfer requiring such a certificate to be presented by the proposed transferor or transferee.

(k) Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Note Registrar, which requirements include membership or participation in the Securities Transfer Agents Medallion Program ("**STAMP**") or such other "signature guarantee program" as may be determined by the Note Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Certificates. If (a) any mutilated or defaced Certificate is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of such Certificate and (b) there is

delivered to the Applicable Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them and any agent of any of them harmless, then, in the absence of notice to the Applicable Issuer, the Trustee or such Transfer Agent that such Certificate has been acquired by a Protected Purchaser, the Applicable Issuer shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Certificate, a new Certificate, representing Notes of like tenor (including the same date of issuance) and equal principal amount registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the Note represented by the mutilated, defaced, destroyed, lost or stolen Certificate and bearing a number not contemporaneously outstanding.

If, after delivery of such new Certificate, a Protected Purchaser of the predecessor Certificate presents for payment, transfer or exchange such predecessor Certificate, the Applicable Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Certificate from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuer, the Trustee and the Transfer Agent in connection therewith.

If any Note represented by a destroyed, lost or stolen Certificate has become due and payable, the Applicable Issuer may in its discretion, instead of issuing a new Certificate, pay such Note without requiring surrender of such Certificate.

Upon the issuance of any new Certificate under this Section 2.6, the Applicable Issuer or the Trustee or any Transfer Agent may require the payment by the registered Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Certificate issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Certificate shall constitute an original additional contractual obligation of the Applicable Issuer, and the Note represented by such new Certificate shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of Notes represented by mutilated, defaced, destroyed, lost or stolen Certificates.

Section 2.7 Payment in Respect of the Notes; Rights Preserved. (a) Interest shall accrue on the Aggregate Outstanding Amount of the Secured Notes during each Interest Accrual Period at the applicable Interest Rate. Except as set forth in the immediately succeeding paragraph, interest on the Secured Notes shall be due and payable in arrears on each Payment Date immediately following the related Interest Accrual Period; *provided, however*, that payment of interest on any Lower-Ranking Class is subordinated to the payment on each Payment Date of the interest due and payable on each Higher-Ranking Class (including any Defaulted Interest,

any Deferred Interest and interest thereon) and other amounts in accordance with the Priorities of Payment.

So long as any Higher-Ranking Class is Outstanding, any portion of the interest due on a Deferrable Note that is not available to be paid in accordance with the Priorities of Payment on any Payment Date shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) and shall be "**Deferred Interest**" and added to the principal amount of such Notes; *provided*, that such Deferred Interest will, under certain circumstances, be payable separately in accordance with the Priorities of Payment. To the extent lawful and enforceable, Deferred Interest shall bear interest at the applicable Interest Rate until paid.

Any interest on a Secured Note will cease to accrue or, in the case of a partial repayment, on such part repaid, from the date of repayment or the Stated Maturity Date unless payment of principal is improperly withheld or unless an Event of Default has occurred with respect to such payments of principal. To the extent lawful and enforceable, interest on any Deferred Interest and on any Defaulted Interest shall accrue at the applicable Interest Rate until paid as provided herein.

Distributions on the Subordinated Notes are subordinated to the payment on each Payment Date of the interest due and payable on the Higher-Ranking Classes (including Defaulted Interest and Deferred Interest, if any) and other amounts in accordance with the Priorities of Payment. So long as any Higher-Ranking Classes are Outstanding, the Subordinated Notes will receive that portion of the Interest Proceeds or Principal Proceeds, as applicable, payable to Holders of the Subordinated Notes in accordance with the Priorities of Payment on each Payment Date to the extent funds are available therefor. The failure to pay such amounts to the Holders of the Subordinated Notes on any Payment Date shall not be an Event of Default unless Interest Proceeds or Principal Proceeds are available therefor in accordance with the Priorities of Payment.

(b) The principal amount of each Note shall be due and payable no later than the Stated Maturity Date thereof unless such unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise, all in accordance with the Priorities of Payment. Except as otherwise provided in the Priorities of Payment, any payment of principal of a Lower-Ranking Class may only occur after principal of each Higher-Ranking Class has been paid in full, and is subordinated to the payment on each Payment Date of the principal and interest due and payable on each Higher-Ranking Class and other amounts in accordance with the Priorities of Payment, and any payment of principal of Lower-Ranking Classes that is not paid to the Holders of such Notes in accordance with the Priorities of Payment on any Payment Date (other than the Stated Maturity Date, a Redemption Date, a Refinancing Redemption Date, a Regulatory Refinancing Date or a Clean-Up Call Redemption Date), shall not be considered "due and payable" for purposes of Section 5.1(b) until the Payment Date on which such principal may be paid in accordance with the Priorities of Payment.

(c) Payments on any Global Note shall be payable by wire transfer in immediately available funds to a Dollar account maintained by the Depository or its nominee or,

if a wire transfer cannot be effected, by a Dollar check in immediately available funds delivered to the Depository or its nominee. Payments on the Non-Clearing Agency Notes shall be made by wire transfer in immediately available funds to a Dollar account maintained by the Holder or as otherwise directed by the Holder, or its nominee; *provided*, that the Holder thereof shall have provided wiring instructions to the Trustee on or before the related Record Date. The Applicable Issuer expects that the Depository or its nominee, upon receipt of any payment of any of the principal amount of and interest on a Global Note held by the Depository or its nominee, will immediately credit the applicable Agent Members' accounts with payments in amounts proportionate to the respective beneficial interests in such Global Note as shown on the records of the Depository or its nominee. The Applicable Issuer also expects that payments by Agent Members to owners of beneficial interests in such Global Note held through Agent Members will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of the Agent Members. Upon final payment thereof, the Holder of a Non-Clearing Agency Note represented by a Certificate shall present and surrender such Certificate as directed by the Trustee; *provided, however*, that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking to surrender such Certificate, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Global Notes remain Outstanding 15 Business Days prior to the Stated Maturity Date, the Collateral Manager shall determine if liquidation proceeds will be received such that final payments will be made with respect to such Global Notes on the Stated Maturity Date in accordance with the Priorities of Payment. If the Collateral Manager determines that (due to delayed payment of certain liquidation proceeds or otherwise) full and final payment may be delayed beyond the Stated Maturity Date, the Collateral Manager shall notify the Trustee in writing and the Trustee shall promptly notify the Depository and shall request the Depository to post on its system notices (deemed to be acceptable and appropriate under the circumstances by the Collateral Manager) and, subject to Depository procedures, take such other action that the Collateral Manager deems to be appropriate under the circumstances, to ensure that final payments will be distributed to the Depository for payment to the Holders of such Global Notes in accordance with the Priorities of Payment when the funds become available. No Transaction Party or Paying Agent will have any responsibility or liability for any aspects of the records maintained by the Depository or its nominee or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in, a Global Note. The Trustee shall cooperate with the Collateral Manager in performing its obligations set forth in this paragraph.

(d) Subject to the provisions of Sections 2.7(a), (b) and (i) hereof, the Holders of Notes as of the Record Date in respect of a Payment Date shall be entitled to the amounts payable in accordance with the Priorities of Payment. All such payments that are mailed or wired and returned to the Paying Agent shall be held for payment as herein provided.

(e) Interest on any Note shall be paid to the Person in whose name that Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest.

Payments on the Notes of each Class shall be made to Holders in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(f) Payment of any Defaulted Interest may be made in any other lawful manner in accordance with the Priorities of Payment if the Trustee, at the direction of the Applicable Issuer, gives notice of such payment to the Holders of the applicable Classes of Notes, and the Trustee deems such manner of payment to be practicable.

(g) Interest accrued with respect to the Floating Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period *divided by* 360. Interest accrued with respect to the Fixed Rate Notes shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments made on any Payment Date, Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date or Clean-Up Call Redemption Date shall be binding upon all future Holders of such Notes and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture to the contrary, the obligations of the Co-Issuers with respect to the Notes and this Indenture are from time to time and at any time limited recourse obligations of the Issuer, and in the case of the Co-Issued Notes, the Co-Issuer, in each case, payable solely from the Collateral available at that time in accordance with the Priorities of Payment and following realization of the Collateral, any claims of the Trustee, the Holders and the other Secured Parties shall be extinguished and shall not thereafter revive. The Subordinated Notes shall not be secured by the Collateral, and as such shall rank behind all of the secured creditors, whether known or unknown, of the Co-Issuers. No recourse shall be had for the payment of any amount owing in respect of the Notes against any Transaction Parties (other than the Applicable Issuer) or any of the respective Officers, directors, employees, stockholders, agents, partners, members, incorporators, Affiliates, successors or assigns of them or either of the Co-Issuers for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes (to the extent they evidence debt) or secured by this Indenture until such Collateral has been realized, whereupon any outstanding indebtedness or obligation shall be extinguished and not thereafter revive. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Applicable Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal that were carried by such other Notes.

(k) Notwithstanding any of the foregoing provisions with respect to payments of any of the principal amount of and interest on or other distributions with respect to the Notes, if the Notes have become or been declared due and payable following an Event of Default and such acceleration of maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of any of the principal amount of and interest on or other distributions with respect to such Notes shall be made in accordance with the Acceleration Waterfall.

(l) The Class Y Notes will not bear a stated rate of interest or receive payments in respect of principal but will be entitled to receive a distribution equal to the Class Y Note Payment Amount, which will be payable on each Payment Date or other required date of payment if and to the extent funds are available for such purpose pursuant to the Priorities of Payment. The Class Y Notes will have a notional balance of U.S.\$1,875,000 solely for purposes of transfers and exchanges and allocating such payments among holders of the Class Y Notes.

Any portion of the Class Y Note Payment Amount that is not paid on a Payment Date shall be deferred (such deferred amount, a "**Deferred Class Y Note Payment Amount**") and will be payable on subsequent Payment Dates to the extent funds are available in accordance with the Priorities of Payment. Interest shall accrue on any Deferred Class Y Note Payment Amount and will bear interest at LIBOR plus 6.30% per annum for the period from (and including) the date on which such fee would have otherwise been payable through (but excluding) the date of payment thereof, calculated on the basis of the actual number of days elapsed in the applicable period divided by 360. The accrued interest on any such Deferred Class Y Note Payment Amount will constitute a part of the Deferred Class Y Note Payment Amount for all purposes of this Indenture.

Distributions on the Class Y Notes will be paid solely from and to the extent of the available proceeds from the distributions on the Collateral which are the only source of such distributions in respect of the Class Y Notes. All distributions on the Class Y Notes will be paid to the holders of the Class Y Notes on a *pro rata* basis according to the Aggregate Outstanding Amount of Class Y Notes held by each such holder bears to the Aggregate Outstanding Amount of all Class Y Notes.

Subject to Sections 9.1(e) and 9.5(g), the Class Y Notes will be cancelled on the Stated Maturity Date or other final payment date for the Class Y Notes. If the Class Y Notes are subject to cancellation, the Holders of the Class Y Notes shall surrender the Class Y Notes on the Stated Maturity Date or other final payment date, and upon such surrender the Trustee shall cancel the Class Y Notes. In addition, in respect of any beneficial owner of an interest in a Class Y Note issued in the form of a Global Note, the related beneficial owner shall be required to cooperate with the Issuer (or the Trustee on the Issuer's behalf) in connection with such cancellation, including by providing any necessary instructions to DTC.

(m) The Class Z Notes will not bear a stated rate of interest or receive payments in respect of principal but will be entitled to receive a distribution equal to the Class Z Note Payment Amount, which will be payable on each Payment Date or other required date of payment if and to the extent funds are available for such purpose pursuant to the Priorities of Payment. The Class Z Notes will have a notional balance of U.S.\$1,000,000 solely for purposes of transfers and exchanges and allocating such payments among holders of the Class Z Notes.

Distributions on the Class Z Notes will be paid solely from and to the extent of the available proceeds from the distributions on the Collateral which are the only source of such distributions in respect of the Class Z Notes. All distributions on the Class Z Notes will be paid to the holders of the Class Z Notes on a *pro rata* basis according to the Aggregate Outstanding Amount of Class Z Notes held by each such holder bears to the Aggregate Outstanding Amount of all Class Z Notes.

Subject to Sections 9.1(e) and 9.5(g), the Class Z Notes will be cancelled on the Stated Maturity Date or other final payment date for the Class Z Notes. If the Class Z Notes are subject to cancellation, the Holders of the Class Z Notes shall surrender the Class Z Notes on the Stated Maturity Date or other final payment date, and upon such surrender the Trustee shall cancel the Class Z Notes. In addition, in respect of any beneficial owner of an interest in a Class Z Note issued in the form of a Global Note, the related beneficial owner shall be required to cooperate with the Issuer (or the Trustee on the Issuer's behalf) in connection with such cancellation, including by providing any necessary instructions to DTC.

Section 2.8 Persons Deemed Owners. The Applicable Issuer, the Trustee and any of their respective agents may treat the Person in whose name any Note is registered on the Note Register on the applicable Record Date as the owner of such Note for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such payments are overdue), and neither the Applicable Issuer nor the Trustee nor any of their respective agents shall be affected by notice to the contrary; *provided, however*, that the Depository, or its nominee, shall be deemed the owner of the Global Notes, and owners of beneficial interests in Global Notes will not be considered the owners of any Notes for the purpose of receiving notices.

Section 2.9 Cancellation. All Certificates surrendered for payment, registration of transfer, exchange or redemption, or deemed mutilated, defaced, destroyed, lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. No Certificate may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment as provided herein, or for registration of transfer, exchange or redemption in accordance with Article IX hereof, or for replacement in connection with any Certificate deemed mutilated, defaced, destroyed, lost or stolen. Any such Certificates shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Certificates shall be authenticated in lieu of or in exchange for any Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All cancelled Certificates held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard policy unless the Applicable Issuer shall direct by an Issuer Order that they be returned to it, so long as such Issuer Order is received by

the Trustee prior to destruction of such Certificate. Notwithstanding anything to the contrary herein, any Surrendered Note (other than Notes surrendered for registration of transfer, exchange or redemption in accordance with Section 2.5, or for replacement in connection with any certificate deemed mutilated, defaced, destroyed, lost or stolen) that has been cancelled by the Trustee shall be considered Outstanding (until all Notes senior to such Note have been repaid) for purposes of the Coverage Tests.

Section 2.10 Global Notes; Depository Not Available. (a) Except as provided in Section 2.5(e)(iv), a Global Note deposited with the Depository pursuant to Section 2.2 shall be transferred to the beneficial owners thereof only if such transfer complies with Section 2.5 of this Indenture and the Depository notifies the Applicable Issuer that it is unwilling or unable to continue as depository for such Global Note or if at any time such Depository ceases to be a Clearing Agency registered under the Exchange Act and a successor depository institution is not appointed by the Applicable Issuer within 90 days after such notice.

(b) Any Global Note that is transferable to the beneficial owners thereof pursuant to this Section 2.10 shall be surrendered by the Depository to the Trustee (at the office designated by the Trustee) to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuer shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Notes of Authorized Denominations. Any portion of a Global Note transferred pursuant to this Section 2.10 shall be executed, authenticated and delivered only in Authorized Denominations. Any Certificate delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5(i), bear the applicable legend set forth in Exhibit A and shall be subject to the transfer restrictions referred to in such applicable legends. The Holder of such a registered individual Certificate may transfer such Certificate by surrendering it at the office designated by the Trustee.

(c) Subject to the provisions of Section 2.10(b) above, the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action that a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in paragraph (a) of this Section 2.10, the Applicable Issuer will promptly make available to the Trustee a reasonable supply of Certificates. Such Certificates shall be printed, lithographed or engraved, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable securities exchange, all as determined by the Authorized Officers executing such Certificates. Pending the preparation of such Certificates, the Applicable Issuer may execute, and upon Issuer Order the Trustee shall authenticate and deliver, temporary Certificates, which temporary Certificates shall be exchanged for permanent Certificates as soon as reasonably practicable. The Note Registrar will record the interest of each Holder of a Non-Clearing Agency Note in the Note Register and instruct the Trustee to provide to the Holder a Confirmation of Registration, but will deliver a Certificate to such Holder only if requested to do so.

(e) Neither the Trustee nor the Note Registrar shall be liable for any delay in the delivery of directions from the Depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Non-Clearing Agency Notes shall be registered or as to delivery instructions for such Non-Clearing Agency Notes.

Section 2.11 Notes Beneficially Owned by Non-Permitted Holders and Non-Permitted ERISA Holders. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Notes to a Non-Permitted Holder shall be null and void *ab initio* and any such purported transfer of which the Applicable Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any Person that is a Non-Permitted Holder with respect to any Note becomes the beneficial owner of such Note, the Issuer may (in its sole discretion), promptly after discovery that such Person is a Non-Permitted Holder by the Issuer (or upon notice from the Trustee or the Co-Issuer to the Issuer, if either of them obtains actual knowledge (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in such Notes to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer the applicable Notes or interest, the Issuer shall (1) have the right to compel such Holder to sell its interest in the Notes, (2) assign to such Note a separate CUSIP number or numbers, or (3) have the right, without further notice to the Non-Permitted Holder to sell such Non-Permitted Holder's interest (on behalf of such Non-Permitted Holder) in such Note to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager acting on behalf of and at the direction of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such interest to the highest such bidder; *provided, however*, that the Issuer or the Collateral Manager (acting at the Issuer's direction) may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the applicable Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Co-Issuer, the Collateral Manager nor the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) If any Person that is a Non-Permitted ERISA Holder with respect to any Note becomes the beneficial owner of such Note or any interest therein, the Issuer shall, promptly after discovery that such Person is a Non-Permitted ERISA Holder by the Issuer (or upon notice from the Trustee or the Co-Issuer to the Issuer, if either of them obtains actual knowledge (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder

transfer its interest to a Person that is not a Non-Permitted ERISA Holder within 10 days of the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its ERISA Restricted Notes, the Issuer shall (1) have the right to compel such Non-Permitted ERISA Holder to sell its interest in the ERISA Restricted Notes or (2) have the right, without further notice to such Non-Permitted ERISA Holder, to sell such ERISA Restricted Notes, or interests therein, to a purchaser selected by the Issuer, or the Collateral Manager acting on behalf of the Issuer, that is not a Non-Permitted ERISA Holder on such terms as the Issuer, or the Collateral Manager acting on behalf of the Issuer, may choose. The Purchaser also understands and agrees that the Issuer, or the Collateral Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the ERISA Restricted Notes, and selling such ERISA Restricted Notes to the highest such bidder. However, the Issuer or the Collateral Manager acting on behalf of the Issuer may select a purchaser by any other means determined by it in its sole discretion. The holder of each ERISA Restricted Note, the Non-Permitted ERISA Holder, and each other Person in the chain of title from the holder to the Non-Permitted ERISA Holder, by its acceptance of the ERISA Restricted Notes or an interest in the ERISA Restricted Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, or the Collateral Manager acting on behalf of the Issuer, and none of the Issuer, the Collateral Manager acting on behalf of the Issuer, nor the Trustee shall be liable to any Person having an interest in the ERISA Restricted Notes sold as a result of any such sale or the exercise of such discretion.

(d) If (i) a Holder or beneficial owner of Notes fails for any reason to provide the Issuer and its agents with the Holder Information or such other information or documentation as may be required under the Cayman FATCA Legislation or any agreement similar to the Cayman FATCA Legislation and any related legislation, regulation, rules, guidance notes or published practice of the Cayman Islands or any applicable tax authority, or to update or correct such information or documentation or to take any other action, as may be necessary or helpful (in the sole determination of the Issuer or the Collateral Manager or their agents, as applicable) to achieve compliance with the Cayman FATCA Legislation and related legislation or such other agreement or legislation, or (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that a Holder's or beneficial owner's direct or indirect acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to comply with the Cayman FATCA Legislation and related legislation or other similar agreement or legislation, the Issuer (or any intermediary on the Issuer's behalf) will have the right to (x) compel the relevant Holder or beneficial owner to sell its interest in such Note or (y) sell such interest on such Holder's or beneficial owner's behalf. The Issuer shall not compel sales for failure to provide the Holder Information or such other information or documentation as may be required under any agreement similar to the Cayman FATCA Legislation and any related legislation (other than FATCA) unless the Issuer reasonably determines the Holder's or beneficial owner's direct or indirect acquisition, holding or transfer of an interest in such Note would result in (a) a withholding tax and/or (b) a materially adverse effect on the Issuer.

If (i) a Holder of a Note fails for any reason to comply with the Holder AML Obligations, (ii) information or documentation provided by a Holder with respect to the Holder

AML Obligations is not accurate or complete or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.12 Additional Issuance. On any Business Day during the Reinvestment Period or, solely with respect to an issuance of additional Subordinated Notes or Junior Mezzanine Notes, at any time during the Reinvestment Period or the Amortization Period, the Issuer or the Co-Issuers may, subject to compliance with Section 3.1(b), issue additional securities of an existing Class (other than the Class Y Notes or the Class Z Notes) and/or additional securities of one or more new classes that are fully subordinated to the existing Secured Notes (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture ("**Junior Mezzanine Notes**") (any such securities collectively, the "**Additional Notes**"), with the consent of (i) a Majority of the Subordinated Notes, (ii) a Majority of the Class A Notes (only with respect to an issuance of Additional Notes comprising the Class A Notes) and (ii) the Collateral Manager (in its sole discretion), for any of the following purposes; *provided* that, the consent of a Majority of the Subordinated Notes and a Majority of the Class A Notes is not required to effect a Risk Retention Issuance:

(a) additional Subordinated Notes may be issued (each, an "**Additional Equity Issuance**"), with the proceeds to constitute Principal Proceeds or Interest Proceeds or to be applied to repurchase Secured Notes pursuant to Section 2.13 or for any Permitted Use, in each case, as designated by the Collateral Manager (on behalf of the Issuer);

(b) one or more new classes of Notes which shall be subordinate in right of payment of principal and interest to all Outstanding Classes of Secured Notes; or

(c) Additional Notes of any existing Class (other than the Class Y Notes and the Class Z Notes) may be issued at any time during the Reinvestment Period, with the proceeds to be used to purchase Collateral Assets or to enter into Hedge Agreements or for such other purposes permitted hereunder, subject to the satisfaction of the following conditions:

(A) the terms of the Additional Notes that are Notes of an existing Class are identical to those of the original Notes of such Class (except for the issue price, interest rate (*provided*, that if the interest rate of any Additional Notes exceeds the interest rate applicable to the original Notes of such Class, Rating Agency Confirmation from Moody's has been obtained for all existing Secured Notes then rated by Moody's), date on which interest begins to accrue (with respect to the Secured Notes) and first Payment Date);

(B) except in connection with a Risk Retention Issuance, the aggregate principal amount of the Secured Notes of such Class issued in all issuances of

Additional Notes may not exceed 100% of the respective original outstanding principal amount of the Secured Notes of such Class;

(C) each Rating Agency then rating an Outstanding Class of Notes shall be provided notice of the issuance of such Additional Notes;

(D) the Par Coverage Ratio in respect of each of the Tested Classes is not reduced as a result of such issuance;

(E) except in connection with a Risk Retention Issuance, the issuance of Additional Notes must be proportional across all Classes; *provided, however*, that as to any Class of Secured Notes as to which Additional Notes are being issued, the Issuer or Co-Issuers, as applicable, may issue additional Subordinated Notes and/or Junior Mezzanine Notes in amounts that would cause the proportion of such additional Subordinated Notes and each such Class of Junior Mezzanine Notes to remain the same in proportion or to increase in proportion, in each case, relative to the Class immediately above it in priority; *provided, further*, that Rating Agency Confirmation has been obtained from each Rating Agency for all existing Secured Notes then rated by such Rating Agency, in relation to any Risk Retention Issuance that results in an issuance of Additional Notes that is not proportional across all Classes;

(F) an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee, in form and substance satisfactory to the Collateral Manager, to the effect that any additional Class A Notes, Class B Notes, Class C Notes or Class D Notes will be treated, and any additional Class E Notes should be treated, as indebtedness for U.S. federal income tax purposes; *provided, however*, that the opinion of tax counsel described in this clause (F) will not be required with respect to any Additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of the same Class that were issued on the Closing Date or the 2021 Refinancing Date, as applicable, and are Outstanding at the time of the additional issuance;

(G) any Additional Notes will be issued in a manner that allows the Issuer to provide the tax information relating to the original issue discount that this Indenture requires the Issuer to provide to Holders and beneficial owners of Secured Notes (including the Additional Notes); and

(H) the Issuer (or the Collateral Manager on its behalf) has certified to the Trustee that the conditions to such additional issuance have been satisfied.

Except in connection with a Risk Retention Issuance, any Additional Notes issued pursuant to Section 2.12(b) will, to the extent reasonably practicable, be offered pursuant to a notice from the Co-Issuers first to Holders of the Subordinated Notes for a period of not less than 10 days, in such amounts as are necessary to allow each such Holder to purchase a share of such Additional Notes that is proportional to its then current ownership of Subordinated Notes.

Except in connection with a Risk Retention Issuance, any Additional Notes of any existing Class of Notes will, to the extent reasonably practicable, be offered first to Holders of such Class for a period of not less than 10 days, in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class. The Trustee will provide written notice of an issuance of Additional Notes to each Rating Agency.

Any Additional Notes of an existing Class may be offered at prices that differ from the applicable initial issue price for such Class, which offering price shall be determined by the Issuer.

Any expenses relating to the issuance of Additional Notes shall be paid from the proceeds of such issuance (other than those expenses paid by application of clause (Q) of the Priority of Interest Payments).

The Co-Issuers or the Issuer may also issue additional notes that will comprise the Replacement Obligations in connection with a Refinancing, which issuance will not be subject to this Section 2.12, but will be subject only to the requirements of Article IX applicable to Refinancings.

Section 2.13 Issuer Purchases of Secured Notes. (a) Notwithstanding anything to the contrary in this Indenture, the Issuer (or the Collateral Manager on behalf of the Issuer) may conduct purchases of the Secured Notes or beneficial interests therein on any Business Day during the Reinvestment Period, in whole or in part, in accordance with, and subject to, the terms and conditions set forth in Section 2.13(b) below, with (x) Principal Proceeds and/or any amounts on deposit in the Principal Collection Subaccount or (y) proceeds from one or more Contributions and/or one or more additional issuances of Junior Mezzanine Notes and/or Subordinated Notes (or, in the case of any additional issuance of Junior Mezzanine Notes and/or Subordinated Notes under Section 2.12(c)(E), proceeds thereof in an amount that exceeds the pro rata proportion of such Junior Mezzanine Notes and/or Subordinated Notes required to be issued in connection with such additional issuance relative to the Secured Notes) through an offer in accordance with the provisions described in this Section 2.13 (any such Secured Notes, "**Repurchased Notes**"). The Issuer shall surrender all such Repurchased Notes to the Trustee accompanied by an instruction to cancel the same (or, in the case of repurchased Global Notes which are Secured Notes "**Global Secured Notes**", shall give appropriate instruction to DTC and the Trustee to authorize and direct a reduction in the principal amount of such Global Secured Notes to the extent of such purchase), and the Trustee shall cancel in accordance with Section 2.9 any such purchased Repurchased Notes or, in the case of any repurchased Global Secured Notes, the Trustee shall decrease the Aggregate Outstanding Amount of such Global Secured Notes in its records by the full principal amount of the Repurchased Notes, and instruct DTC or its nominee, as the case may be, to conform its records (or confirm that such records should be conformed). The Trustee will provide written notice of any repurchase to each Rating Agency.

(b) No purchases of the Secured Notes may occur unless each of the following conditions is satisfied:

- (x) (i) such purchases of Secured Notes shall occur in the following sequential order of priority: *first*, the Class A Notes, until the Class

A Notes are retired in full; *second*, the Class ~~B-1~~B Notes ~~and the Class B-2 Notes, purchased on a pro rata basis based on the Aggregate Outstanding Amount of each Class~~ until the Class ~~B-1~~B Notes and the Class ~~B-2~~B Notes are retired in full; *third*, the Class C Notes, until the Class C Notes are retired in full; *fourth*, the Class D Notes, until the Class D Notes are retired in full; and *fifth*, the Class E Notes, until the Class E Notes are retired in full;

- (ii) unless the proceeds used to effect such purchase are solely from (x) one or more Contributions and/or (y) one or more additional issuances of Junior Mezzanine Notes and/or Subordinated Notes (or, in the case of any additional issuance of Junior Mezzanine Notes and/or Subordinated Notes under Section 2.12(c)(E), proceeds thereof in an amount that exceeds the pro rata proportion of such Junior Mezzanine Notes and/or Subordinated Notes required to be issued in connection with such additional issuance relative to the Secured Notes), each Coverage Test is satisfied immediately prior to each such purchase and will be satisfied after giving effect to such purchase;
- (iii) no Event of Default or Enforcement Event shall have occurred and be continuing;
- (iv) each such purchase will otherwise be conducted in accordance with applicable law;
- (v) each purchase is conducted pursuant to the procedures set forth in clauses (c) through (e) of this Section 2.13; and
- (y) the Trustee has received an Officer's certificate of the Issuer (or the Collateral Manager on behalf of the Issuer) to the effect that the conditions in the foregoing paragraph (x) have been satisfied, on which the Trustee shall be entitled to conclusively rely.

(c) Notice of an Issuer purchase of Secured Notes of any Class or Classes will be given by the Trustee at the direction of the Issuer and based upon information provided by the Issuer or its agent, not later than 10 Business Days prior to the purchase date selected by the Issuer (or the Collateral Manager on its behalf) (the "**Purchase Date**"), to each Holder of any of the Notes of such Class or Classes at such Holder's address in the Note Register. Such notice will (1) specify (as designated by the Collateral Manager) (x) the Aggregate Outstanding Amount of Notes of such Class desired to be purchased by the Issuer (the "**Desired Purchase Amount**" for such Class) and (y) the purchase price therefor (expressed as a percentage of par), (2) inform each Holder that it has the right, by delivery of a notice to the Trustee in substantially the form provided in Exhibit J hereto (an "**Offer Notice**") not later than seven Business Days prior to the Purchase Date (the "**Offer Deadline**"), to make an irrevocable offer to sell to the Issuer at such price an Aggregate Outstanding Amount of its Notes of such Class as specified by such Holder (such Holder's "**Offer Amount**"), which for the avoidance of doubt may be zero at such Holder's option, and which will be deemed to be zero in the event that such Holder makes no such offer by the Offer Deadline, and (3) inform each Holder that the actual amount purchased by the Issuer from such Holder and each other Holder will be determined pursuant to the applicable provisions of the Indenture (as set forth below), may be less than each such Holder's Offer Amount and, in the aggregate for all Holders, will be no greater than the Desired Purchase Amount. The Aggregate Outstanding Amount of Notes of each Class that the Issuer ultimately purchases from each Holder thereof (such Holder's "**Sale Amount**") will be determined separately with respect to each Class of Secured Notes desired to be purchased by the Issuer in the following manner:

(i) in the event the sum of the Offer Amounts for such Class is greater than the Desired Purchase Amount for such Class, each Holder's Sale Amount, subject to clauses (iii) and (iv) below, will be equal to the product of (A) such Desired Purchase Amount and (B) the quotient of (x) such Holder's Offer Amount and (y) the sum of all Holders' Offer Amounts with respect to such Class;

(ii) in the event the sum of the Offer Amounts for such Class is less than or equal to the Desired Purchase Amount for such Class, each Holder's Sale Amount, subject to clauses (iii) and (iv) below, will be equal to such Holder's Offer Amount;

(iii) with respect to any Class of ERISA Restricted Notes, if the Sale Amounts determined for the Holders of such Class pursuant to clause (i) or (ii) above would result in a violation of the 25% limitation for any such Class, the aggregate Sale Amount of such Holders who are not Benefit Plan Investors will be reduced to the maximum aggregate Sale Amount that would result in such 25% limitation being satisfied and the Sale Amount of each Holder who is not a Benefit Plan Investor will be reduced by the same percentage as the percentage reduction of such aggregate Sale Amount; and

(iv) all Sale Amounts may be reduced or increased (but not, without the consent of the selling Holder, above the Offer Amount) to comply with the applicable minimum denomination requirements and the procedures of DTC, Euroclear or Clearstream.

(d) Notwithstanding any of clause (c) above, but subject to the sequential purchase condition in clause (b)(x)(i) above, the Issuer may, after determining the Sale Amounts in accordance with the above procedures, decline to purchase the Notes of any Class so long as it does not consummate any of such purchases with respect to some, but not all, of the Holders of such Class.

(e) At least one Business Day prior to the Purchase Date, the Trustee, at the direction of the Issuer and based upon information provided by the Issuer or its agent, will provide a notice to each Holder who has delivered an Offer Notice specifying: (i) whether or not the Issuer has declined to purchase such Holder's Notes; (ii) if applicable, such Holder's Sale Amount for each relevant Class as determined pursuant to the foregoing procedures; and (iii) transfer instructions for consummating such sales on the Purchase Date. On the Purchase Date, if the conditions in (b)(x) above are satisfied and the Trustee has received the related officer's certificate of the Issuer (or the Collateral Manager on behalf of the Issuer) as set forth in clause (b)(y) above, the Issuer will consummate all of the purchases set forth in such notices.

Section 2.14 Tax Treatment; Tax Certifications. (a) Each Holder (including, for purposes of this Section 2.14, any holder of a beneficial interest in a Note) agrees to treat the Issuer, the Co-Issuer, and the Notes as described in the "*Certain U.S. Federal Income Tax Considerations*" section of the Offering Memorandum for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer or its agents and the Trustee any tax forms or certifications (such as an applicable IRS Form W-8 (together with appropriate attachments, if any), IRS Form W-9, or any successors to such IRS forms) that the Issuer or its agents may reasonably request (A) to permit the Trustee, the Paying Agent, the Issuer or its agents to make payments to the Holder without, or at a reduced rate of withholding, (B) to enable the Trustee, the Paying Agent, the Issuer or its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) to enable the Issuer or its agents and the Trustee to satisfy reporting and other obligations under the Code (including any cost basis reporting obligations), Treasury Regulations, Cayman FATCA Legislation, and any other applicable law, and will update or replace such tax forms or certifications as appropriate or in accordance with their terms or subsequent amendments. The Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding upon payments to such Holder, or to the Issuer. Amounts withheld pursuant to applicable tax laws by the Issuer or its agents will be treated as having been paid to the Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents and the Trustee with any correct, complete and accurate information and documentation that is requested in connection with FATCA and the Cayman FATCA Legislation, or that may be required for the Issuer and any non-U.S. Issuer Subsidiary to comply with FATCA and with the Cayman FATCA Legislation or to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer. In the event the Holder fails to provide such information or documentation, or to the extent that its ownership of Notes would otherwise cause the Issuer or

any non-U.S. Issuer Subsidiary to fail to comply with FATCA or the Cayman FATCA Legislation or be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Holder as compensation for any tax imposed under FATCA as a result of such failure or the Holder's ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer or other Holders as a result of such failure or the Holder's ownership, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate CUSIP or CUSIPs in the Issuer's sole discretion. Each Holder agrees that the Issuer, the Trustee or their agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Department of International Tax Cooperation, the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer and any non-U.S. Issuer Subsidiary complies with FATCA and with the Cayman FATCA Legislation.

(d) Each Holder of Class E Notes, Class Y Notes, Class Z Notes or Subordinated Notes that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) represents that:

(A) It is not a bank (within the meaning of Section 881(c)(3)(A) of the Code) or an affiliate of a bank;

(B) (x) After giving effect to its purchase of Notes, it will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked *pari passu* with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury Regulations ~~section~~Section 1.881-3) and (y) it has not purchased ~~the~~such Notes in whole or in part to avoid any U.S. federal tax liability within the meaning of Treasury Regulations ~~section~~Section 1.881-3 (including, without limitation, any U.S. withholding tax that would be imposed with respect to payments on the Collateral Assets if the Collateral Assets were held directly by the Holder); ~~or~~

(C) It has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States and includible in its gross income; ~~or~~ or

(D) It has provided an IRS Form W-8BEN-E representing that it is a person that is eligible for benefits under an income tax treaty to which the United States is a party that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States.

(e) Each Holder that owns more than 50% of the Subordinated Notes by value (or more than 50% of the Subordinated Notes, the Class Y Notes and the Class Z Notes, collectively, by value) or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury Regulations ~~section~~Section 1.1471-5(i) (or any successor

(b) Each time that the Issuer (or the Collateral Manager on its behalf) shall direct or cause the acquisition of any Pledged Asset, the Issuer (or the Collateral Manager on its behalf) shall, if such Pledged Asset has not already been transferred to the relevant Account, cause such Pledged Asset to be Delivered. The security interest of the Trustee in the funds or other property utilized in connection with such acquisition shall, immediately and without further action on the part of the Trustee, be released. The security interest of the Trustee shall nevertheless come into existence and continue in such Pledged Asset so acquired, including all rights of the Issuer in and to any contracts related to and proceeds of such Pledged Asset.

Section 3.4 Purchase and Delivery of Collateral Assets and Other Actions Prior to the Effective Date. (a) The Issuer (or the Collateral Manager acting on its behalf) will use commercially reasonable efforts to have caused, by the Effective Date, the Target Par Asset Balance to at least equal the Effective Date Target Par Balance in accordance with the provisions hereof.

(b) In connection with the Effective Date, the Collateral Manager (on behalf of the Issuer) will request Rating Agency Confirmation from Moody's (only if the Effective Date Moody's Condition is not satisfied).

(c) Within 20 Business Days of the Effective Date, the Issuer (or the Collateral Manager on its behalf) shall (x) obtain and deliver to the Trustee (upon its execution of an acknowledgement letter) (A) an Accountants' Report calculated as of the Effective Date (the "**Accountants' Effective Date Comparison AUP Report**") that compares the following items in the Moody's Effective Date Report (as defined below): the issuer, domicile, coupon/spread, stated maturity, Moody's Rating, Moody's Default Probability Rating and Fitch Rating with respect to each Collateral Asset as of the Effective Date and the information provided by the Issuer with respect to every other asset included in the Collateral, by reference to such sources as shall be specified therein, (B) an Accountants' Report calculated as of the Effective Date (the "**Accountants' Effective Date Recalculation AUP Report**") that recalculates as of the Effective Date, (1) the level of compliance with the Coverage Tests, (2) the level of compliance with the Portfolio Concentration Limits, (3) confirming whether the Target

Par Asset Balance is equal to or greater than the Effective Date Target Par Amount and (4) the level of compliance with the Collateral Quality Tests (the items in this clause (B), collectively, the "**Moody's Specified Tested Items**"); and (C) an Accountants' Report specifying the procedures undertaken by them to review data and computations relating to such Accountants' Effective Date AUP Reports and (y) cause the Collateral Administrator to compile and make available to Moody's and Fitch a report (the "**Moody's Effective Date Report**") determined as of the Effective Date, containing (A) the information required in a Monthly Report under this Indenture and (B) a calculation indicating whether the Target Par Asset Balance is equal to or greater than the Effective Date Target Par Amount. If (x) the Issuer provides the Accountants' Effective Date AUP Reports to the Trustee (upon its execution of an acknowledgement letter) with the results of the Moody's Specified Tested Items, (y) the Issuer causes the Collateral Administrator to provide to Moody's the Moody's Effective Date Report and such report does not indicate the failure of any component of the Moody's Specified Tested Items and (z) the results of the Moody's Specified Tested Items set forth in the Moody's Effective Date Report conform to the results set forth in the Accountants' Effective Date AUP Reports, then the "**Effective Date Moody's Condition**" shall be satisfied. In the event such accountants require the Bank, in any of its capacities including but not limited to Trustee, or Collateral Administrator, to agree to the procedures performed by such firm, which acknowledgment or agreement may include confidentiality provisions, the Issuer hereby directs the Bank to so agree; it being understood that the Bank shall deliver such letter of agreement in conclusive reliance on the foregoing direction and the Bank shall make no inquiry or investigation as to, and shall have no obligation in respect of, the sufficiency, validity, or correctness of such procedures. For the avoidance of doubt, the Moody's Effective Date Report shall not include or refer to the Accountants' Effective Date AUP Reports (except as provided in any access letter between the Trustee and such accountants).

(d) In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will (or will have its agent) post such Form 15-E on the 17g-5 Site. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer, the Trustee or the Collateral Administrator will not be provided to any other party including the Rating Agencies.

(e) If an Effective Date Confirmation Failure has occurred and is continuing, the Issuer (or the Collateral Manager on the Issuer's behalf) will take actions permitted under the Priorities of Payment or, otherwise under this Indenture, with the objective of obtaining Rating Agency Confirmation, including without limitation transferring Interest Proceeds from the Interest Collection Subaccount to the Principal Collection Subaccount for the purpose of purchasing additional Collateral Assets, undertaking a Mandatory Redemption and/or other investments or purchases to obtain such Rating Agency Confirmation.

Section 3.5 Representations and Warranties Concerning Collateral. The Issuer represents and warrants on the Closing Date (which representations and warranties shall (except as otherwise provided) survive the execution of this Indenture and be deemed to be repeated on each date on which Collateral is Delivered as if made at and as of that time) that:

(a) This Indenture creates a valid and continuing security interest (as defined in the applicable Uniform Commercial Code) in the Collateral in favor of the Trustee for the benefit of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances and is enforceable as such as against creditors of and purchasers from the Issuer, except as otherwise permitted under this Indenture.

(b) The Issuer owns the Collateral free and clear of any lien, claim or encumbrance of any Person, other than the security interests created under or permitted by this Indenture.

(c) The Issuer has received all consents and approvals required by the terms of any item of Collateral to the transfer to the Trustee of its interest and rights in the Collateral hereunder.

(d) All Collateral (other than the Accounts) have been credited to one or more Accounts (other than any "general intangibles" within the meaning of the applicable Uniform Commercial Code, any instruments evidencing debt underlying a participation held by a collateral agent).

(e) The Intermediary for each Account has agreed to treat all assets credited to each Account as Financial Assets.

(f) The Issuer has taken all steps necessary to cause the Intermediary to identify in its records the Trustee as the entitlement holder of each of the Accounts. The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented for the Intermediary of any Account to comply with entitlement orders of any Person other than the Trustee.

(g) None of the promissory notes that constitute or evidence the Collateral has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than to the Trustee.

(h) The Issuer has caused or will have caused, within ten days of the Closing Date, the filing of all appropriate Financing Statements in the proper filing offices in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Collateral Granted to the Trustee hereunder.

(i) Other than as expressly permitted under this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Collateral. The Issuer has not authorized the filing of and is not aware of any Financing Statements naming the Issuer as the "debtor" other than any Financing Statement relating to the security interest granted to the Trustee under this Indenture, or any such Financing Statement has

been terminated on or before the Closing Date. The Issuer is not aware of any judgment, tax lien filing or Pension Benefit Guaranty Corporation lien filing against the Issuer.

and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

- (1) one of the following has occurred:
  - (A) all Uncertificated Notes have been deregistered by the Trustee and all Certificates theretofore authenticated and delivered (other than (x) Certificates which have been mutilated, defaced, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.6 and (y) Certificates with respect to which funds have theretofore irrevocably been deposited in trust and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 7.3) have been delivered to the Trustee for cancellation; or
  - (B) all Certificates not theretofore delivered to the Trustee for cancellation and all Uncertificated Notes not theretofore deregistered by the

Trustee represent Notes that (x) have become due and payable, (y) will become due and payable at their Stated Maturity Date within one year, or (z) are to be called for redemption pursuant to Article IX under an arrangement satisfactory to the Trustee for the giving of notice of redemption by the Issuer pursuant to Article IX and the Issuer, in the case of this subsection (B), has irrevocably deposited or caused to be deposited with the Trustee, in trust for such purpose, cash, non-callable direct obligations of the United States of America; *provided*, that the obligations are entitled to the full faith and credit of the United States of America or are debt obligations which are rated "Aaa" by Moody's and "AAA" by Fitch (so long as any Class A Note is Outstanding), in an amount sufficient, as verified by a firm of certified public accountants which are internationally recognized, to pay and discharge the entire indebtedness with respect to such Notes, for principal and interest to the date of such deposit (in the case of principal and interest that have become due and payable), or to the Stated Maturity Date or their Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date or Clean-Up Call Redemption Date, as the case may be; *provided, however*, that this subsection (B) shall not apply if an election to act in accordance with the provisions of Section 5.5(a) shall have been made and not rescinded; or

(C) the Collateral has been sold or otherwise disposed of and all Interest Proceeds and Principal Proceeds have been distributed in accordance with the Priorities of Payment; or

(D) subclause (A) or (B) is satisfied with respect to all Classes (other than the Subordinated Notes) and the conditions of Section 4.1(b) are satisfied; and

(2) all sums payable hereunder have been paid (or the payment of which shall have been provided for) and no other amounts will become due and payable by either of the Co-Issuers except for fees and expenses and distributions to be made on the Subordinated Notes pursuant to Section 4.1(b); and

(3) each of the Co-Issuers has delivered to the Trustee Officer's certificates and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with;

*provided, however*, that, upon the final distribution of all proceeds of any liquidation of the Collateral Assets, the Equity Securities and the Eligible Investments effected pursuant to Article V, the requirements of clauses (1) and (2) above shall be deemed satisfied for the purposes of discharging this Indenture notwithstanding that Holders may not be paid in full all amounts due and owing to them under the Notes.

To the extent the Trustee is obliged to take any action or perform any duties pursuant to this Section 4.1(b), such actions and duties shall be in the capacity as agent for the Issuer and not as Trustee. The Trustee shall not be required to take any action or perform any duties pursuant to this Section 4.1(b) if it shall have reasonable grounds to believe that the Issuer will be unable to continue to pay the amounts due to the Trustee pursuant to Section 6.7. The Issuer shall take action with respect to final disposition of the property held by the Trustee at the direction of (x) a Majority of the Subordinated Notes or (y) if such action would result in a distribution on the Subordinated Notes other than on a *pro rata* basis, 100% of the Holders of Subordinated Notes.

(c) Upon the discharge of this Indenture, the Trustee shall provide such certifications to the Issuer or the Administrator as may be reasonably required by the Issuer or Administrator in order for the liquidation of the Issuer to be completed.

#### Section 5.1 Events of Default.

"**Event of Default**" means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment of any interest on any Non-Deferrable Class when the same becomes due and payable, which default continues for a period of seven (7) or more

Business Days (or, in the case of a default in payment resulting solely from an administrative error or omission by the Trustee, any Paying Agent or the Note Registrar, such default continues for a period of ten (10) Business Days after the Trustee receives written notice or has actual knowledge of such administrative error or omission);

(b) a default in the payment of any principal amount (including a default in the payment of any Redemption Price or a Regulatory Refinancing Redemption Price) when the same becomes due and payable, on (i) any Class of Notes on the Stated Maturity Date or (ii) any Secured Notes on a Redemption Date, a Refinancing Redemption Date, a Regulatory Refinancing Date or a Clean-Up Call Redemption Date; *provided* that (x) in the case of such payment default resulting solely from an administrative error or omission by the Trustee, any Paying Agent or the Note Registrar, such default continues for a period of ten (10) or more Business Days after the Trustee receives written notice or has actual knowledge of such administrative error or omission and (y) in the case of a default in the payment of any principal of any Secured Note on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer, the Collateral Manager, their respective Affiliates and entities controlled or managed by the Collateral Manager, and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default unless such failure continues for thirty calendar days after such Redemption Date;

(c) unless legally required or permitted to withhold such amounts, the failure on any Payment Date to disburse amounts available in the Payment Account in excess of U.S.\$250,000 in accordance with the Priorities of Payment (other than as provided in clauses (a) and (b) above) and continuation of such failure for a period of seven (7) Business Days; *provided* that (x) in the case of such payment default resulting solely from an administrative error or omission by the Trustee, any Paying Agent or the Note Registrar, such default continues for a period of ten (10) or more Business Days after the Trustee receives written notice or has actual knowledge of such administrative error or omission and (y) in the case of a default in the payment of any principal of any Secured Note on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer, the Collateral Manager, their respective Affiliates and entities controlled or managed by the Collateral Manager, and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure (and the Issuer (or the Collateral Manager on behalf of the Issuer) will certify to the Trustee of the occurrence of the foregoing conditions), then such default will not be an Event of Default unless such failure continues for thirty calendar days after such Redemption Date;

(d) on any Determination Date after the Effective Date on which any Class A Notes are Outstanding, the Event of Default Test is not satisfied;

(e) either of the Co-Issuers or the pool of Collateral becomes an investment company required to be registered under the U.S. Investment Company Act and the Co-Issuers or the pool of Collateral continue to be required to be registered under the U.S. Investment Company Act for a period of 45 days after the Co-Issuers or the pool of Collateral have become an investment company required to be registered under the U.S. Investment Company Act;

(f) except as otherwise provided in this definition of Event of Default, (i) a default in the performance, or breach, of any covenant or other agreement of either of the Co-Issuers in this Indenture (not including a failure to meet the Portfolio Concentration Limits, any Collateral Quality Test, any Coverage Test or the Interest Reinvestment Test) and such default or breach (x) has a material adverse impact on the Notes and (y) has continued for a period of 45 days after notice is given by registered or certified mail or overnight courier to the Issuer by the Collateral Manager or to the Issuer, the Collateral Manager and the Trustee by a Majority of the Controlling Class in accordance with this Indenture specifying such default or breach, requiring it to be remedied and stating that such notice is a notice of default under this Indenture, or (ii) the failure of any representation or warranty of either of the Co-Issuers made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct when made and such failure (x) has a material adverse impact on any Class of Notes and (y) continues for a period of 45 days after notice is given by registered or certified mail or overnight courier to the Issuer by the Collateral Manager or to the Issuer, the Collateral Manager and the Trustee by a Majority of the Controlling Class specifying such failure, requiring it to be remedied and stating that such notice is a notice of default under this Indenture;

(g) the entry of a decree or order by a court having competent jurisdiction adjudging either of the Co-Issuers as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect it under the Bankruptcy Law or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of it or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 30 consecutive days; or

(h) the institution by either of the Co-Issuers of proceedings to be adjudicated as bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, the passing of a resolution for either of the Co-Issuers to be wound up voluntarily or the filing by it of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of either of the Co-Issuers or of any substantial part of its property, respectively, or the making by it of an assignment for the benefit of creditors, or the taking of any action by either of the Co-Issuers in furtherance of any such action.

Upon the receipt of written notice or actual knowledge of the occurrence of an Event of Default, each of the Co-Issuers and the Collateral Manager, but only to the extent that

neither of the other such parties nor the Trustee has previously provided such written notice, shall notify each other, each Rating Agency and the Trustee in writing, which may be by facsimile or electronic mail.

For the avoidance of doubt, if an Event of Default specified in Section 5.1(b) above has occurred with respect to a Full Payment Default, such Event of Default may not be cured or waived and, therefore shall be deemed to have occurred and be continuing. If an Event of Default specified in Section 5.1(b) above has occurred with respect to a Partial Payment Default, such Event of Default may be cured and shall be considered no longer continuing upon payment of the unpaid amount due on the applicable Refinancing Redemption Date.

**Section 5.2 Acceleration of Maturity; Rescission and Annulment.** (a) If an Event of Default specified in (x) Section 5.1(b) (solely with respect to a Full Payment Default) above has occurred or (y) Section 5.1(a), (b) (solely with respect to a Partial Payment Default), (c), (d), (e), or (f) has occurred and is continuing, and in each case, such Event of Default has not been waived in accordance with this Indenture, the Trustee may, and shall upon the written direction of a Majority of the Controlling Class, by notice to the Issuer (with a copy to the Collateral Manager) declare the principal of all Notes to be immediately due and payable. Upon any such declaration, all accrued Interest Distribution Amounts on and principal of the Notes (collectively, "**Accelerated Amounts**") shall become immediately due and payable and the Reinvestment Period shall terminate. If an Event of Default specified in either Section 5.1(g) or (h) occurs, Accelerated Amounts shall automatically and immediately become due and payable without any declaration or other act on the part of the Trustee or any Noteholder and the Reinvestment Period shall terminate.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of amounts due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class, by notice to the Issuer and the Trustee (with a copy to the Collateral Manager and Fitch), may rescind and annul such declaration and its consequences if:

(i) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest on and the principal amount of the Notes (other than as a result of the acceleration),

(B) to the extent that payment of such interest is lawful, interest upon Deferred Interest and Defaulted Interest at the applicable Interest Rates, and

(C) all unpaid taxes and Issuer Expenses and other sums paid or advanced by the Trustee hereunder and any other amounts then payable by either Applicable Issuer hereunder; and

(ii) a Majority of the Controlling Class by notice to the Trustee has agreed in writing that all Events of Default, other than the non-payment of the interest on or principal of the Notes that have become due solely by such acceleration, have been cured

(which agreement shall not be unreasonably withheld) or waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Any Hedge Agreement existing at the time of an acceleration pursuant to Section 5.2(a) may not be terminated by the Issuer (except where the Hedge Counterparty is the "defaulting party" or sole "affected party", each as defined therein) unless and until liquidation of the Collateral has commenced or the annulment or rescission of any such acceleration is no longer permitted.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) Each of the Co-Issuers covenants that if a Default shall occur pursuant to Sections 5.1(a) or (b), the Applicable Issuer will, upon demand of the Trustee or any Holder of a Note of the Controlling Class, pay to the Trustee, for the benefit of such Holder, the whole amount, if any, then due and payable for the principal amount of and interest on such Note, with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

(b) If the Applicable Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuer or any other obligor upon the Notes and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the Collateral.

(c) If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Holders by such appropriate Proceedings as the Trustee shall deem most effectual (if no direction from a Majority of the Controlling Class is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

(d) In case there shall be pending Proceedings relative to either of the Co-Issuers or any other obligor upon the Notes under Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of either of the Co-Issuers or its respective property (or such other obligor or its property), or in case of any other comparable Proceedings relative to either of the Co-Issuers or other obligor upon the Notes, or the creditors or property of either of the Co-Issuers or such other obligor, the Trustee, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for all Accelerated Amounts and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of Holders allowed in any Proceedings relative to either of the Co-Issuers;

(ii) unless prohibited by applicable law and regulations, to Vote on behalf of Holders, upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(iii) to collect and receive any property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each Holder to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to Holders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of gross negligence, willful misconduct or bad faith.

(e) Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or Vote for or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to Vote in respect of the claim of any Holder in any such Proceeding except, as aforesaid, to Vote for the election of a trustee in bankruptcy or similar Person.

(f) All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the reasonable expenses, disbursements and compensation of the Trustee, each predecessor trustee and their respective

agents and attorneys and counsel, shall be for the ratable benefit of the Secured Parties in accordance with the Priorities of Payment.

In any Proceedings brought by the Trustee on behalf of Holders (including any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all Holders of Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may sell or liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.3 only in accordance with Section 5.5(a).

**Section 5.4 Remedies.** (a) If an Event of Default shall have occurred and be continuing, and Accelerated Amounts have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, each of the Co-Issuers agrees that the Trustee may (after notice to each Holder), and, upon direction by a Majority of the Controlling Class shall, subject to Section 6.3(e), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Collateral any amounts adjudged due;

(ii) sell or cause the sale of all or a portion of the Collateral or rights of interest therein, at one or more Sales;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;

(iv) exercise any remedies of a secured party under the UCC (without regard to whether such UCC is in effect in the jurisdiction in which such remedies are sought to be exercised) and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Secured Parties hereunder; and

(v) exercise any other rights and remedies that may be available at law or in equity.

Notwithstanding the above remedies, the Trustee may liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.4 only in accordance with Section 5.5(a).

(b) If an Event of Default as described in Section 5.1(f) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under Section 5.1(f), and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, to the extent permitted by applicable law, the Trustee, the Collateral Manager, any Holder or other Secured Party may bid for and purchase the Collateral or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt by the Trustee, or by the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their payment of the purchase price, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind each of the Co-Issuers, the Trustee and the Holders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Holders or beneficial owners of any security, the Trustee, any other Secured Party nor any third-party beneficiary may, prior to the date that is one year (or, if longer, the applicable preference period then in effect) *plus* one day, after the payment in full of all Notes, institute against, or join any other Person in instituting against, either of the Co-Issuers or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under federal or state bankruptcy or similar laws of any jurisdiction. The foregoing restrictions are a material inducement for each Holder and beneficial owner of Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any Holder or beneficial owner of a Note, the Collateral Manager or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) *plus* one day in (A) any case or Proceeding voluntarily filed or commenced by either of the Co-Issuers or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against either of the Co-Issuers, any Issuer Subsidiary or any of their properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

In the event one or more Holders or beneficial owners of Notes cause the filing of a petition in bankruptcy against either of the Co-Issuers or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to

acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against either of the Co-Issuers or any Issuer Subsidiary or with respect to any Collateral Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priorities of Payment, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Note that does not seek to cause any such filing, with such subordination being effective until all amounts with respect to each Secured Note held by each Holder or beneficial owners of any Secured Note, Class Y Note or Class Z Note that does not seek to cause any such filing are paid in full in accordance with the Priorities of Payment (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "**Bankruptcy Subordination Agreement**". The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such Holder(s).

Section 5.5 Preservation of Collateral. (a) If an Event of Default shall have occurred and be continuing, the Trustee shall retain the Collateral and shall not liquidate the Collateral (except as otherwise provided under the caption "Sales and Purchases—Sales of Collateral Assets" in the Summary of Terms), and the Trustee shall collect all payments in respect of the Collateral, maintain all Accounts and apply the applicable Priorities of Payment in accordance with the provisions of Articles X through XIII unless acceleration of the Secured Notes has occurred in accordance with Section 5.2 and:

(i) the Trustee determines, pursuant to Section 5.5(c), that the anticipated proceeds of a sale or liquidation of the Collateral (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due and unpaid on the Secured Notes for principal and interest (including any Defaulted Interest and Deferred Interest) and any amounts payable to any Hedge Counterparty (including any termination payments), any unpaid Issuer Expenses and any other fees and expenses of the Co-Issuers (including any accrued and unpaid Collateral Management Fees), and a Majority of the Controlling Class agrees in writing with such determination;

(ii) if any Event of Default specified under Section 5.1 has occurred (other than an Event of Default described in clause (iii) below), a Majority of each Class of Secured Notes then Outstanding (voting separately by Class) direct the sale and liquidation of the Collateral in accordance with this Indenture; or

(iii) if an Event of Default specified under Sections 5.1(a), (b), (d), (g) or (h) has occurred (regardless of whether an Event of Default under another provision of Section 5.1 occurred prior to or subsequent to such Event of Default), a Majority of the Controlling Class directs the sale and liquidation of the Collateral in accordance with this Indenture; *provided* that this subclause (iii) shall not apply in the case of an Event of Default specified under Section 5.1(a) above that arises solely from an acceleration of the Secured Notes due to an Event of Default arising pursuant to Sections 5.1(c) or (e);

*provided, however,* that, notwithstanding clause (i) above, the Collateral Manager, on behalf of the Issuer, may direct the Trustee to, and the Trustee shall in the manner directed, deliver assets

in connection with the terms of any contractual arrangement entered into prior to the occurrence of an Event of Default and accept any Offer or tender offer made to all holders of any Collateral Assets at a price equal to or greater than its par amount (or accreted value, in the case of Zero-Coupon Assets) *plus* accrued interest; *provided, however*, with respect to Collateral Assets with a Market Value or Principal Balance of zero in accordance with the terms hereof, the Collateral Manager, on behalf of the Issuer, may direct the Trustee to, and the Trustee shall in the manner directed, deliver assets in connection with the terms of any contractual arrangement entered into prior to or after the occurrence of an Event of Default or accept any Offer or tender offer made to all holders of any Collateral Assets at a price greater than zero; and *provided, further*, that the Issuer must continue to hold funds on deposit in any reserve account to the extent required to meet the Issuer's obligation for future payments.

The Trustee shall give notice of the retention of the Collateral to the Issuer with a copy to the Collateral Manager and Fitch. So long as such Event of Default is continuing, any prohibition against liquidating the Collateral pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i), (ii) or (iii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Collateral if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Collateral if prohibited by applicable law or if the Trustee is directed to liquidate the Collateral pursuant to Section 5.5(a)(ii) or (iii) or Section 5.5(a)(i) is satisfied.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee may (i) rely upon the opinion of an Independent, nationally recognized investment banking firm specified by the Collateral Manager or (ii) obtain bid prices with respect to each Pledged Asset contained in the Collateral, as specified by the Collateral Manager in its sole discretion, either from a Qualified Pricing Service or two nationally recognized dealers (or if not available, one nationally recognized dealer) at the time making a market in such Pledged Assets (in each case as certified by the Collateral Manager) and shall compute the anticipated proceeds on the basis of the bid from such Qualified Pricing Service or the lower of such bid prices for each such obligation. Any expenses incurred by the Trustee under this Section 5.5(c) shall constitute "**Issuer Expenses**".

(d) The Trustee shall deliver to each Holder a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the request of a Majority of the Controlling Class at any time (but not more frequently than quarterly, unless a Majority of the Controlling Class reimburses expenses associated with such determination) during the occurrence and continuation of an Event of Default during which the Trustee retains the Collateral pursuant to Section 5.5(a).

**Section 5.6 Trustee May Enforce Claims Without Possession of Notes.** All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in

its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Funds Collected. Any funds collected by the Trustee with respect to the Notes pursuant to this Article V and any funds that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied in accordance with the Priorities of Payment (including, without limitation, the Acceleration Waterfall, when applicable) and Section 13.1, at the date or dates fixed by the Trustee.

Section 5.8 Limitation on Suits. No Noteholder shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, the appointment of a receiver or trustee or any other remedy hereunder, unless an Event of Default has occurred and:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) except as otherwise provided in Section 5.9, the Trustee also has received a written request from the Holders of not less than 25% of the Aggregate Outstanding Amount of the Notes of the Controlling Class to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holders have offered to the Trustee indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, satisfactory to it;

(c) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(d) no direction inconsistent with such request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class.

No one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all Holders of Notes of the same Class subject to and in accordance with this Indenture and the Priorities of Payment.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Supermajority or a Majority of the Controlling Class, as applicable, the Trustee shall act at the direction of the group representing the greater percentage of the Controlling Class, notwithstanding any other provisions of this Indenture, and if the groups represent the same percentages, the Trustee, in its sole discretion, may refrain from taking any action and shall incur no liability with respect thereto.

Section 5.9 Unconditional Rights of Holders to Receive Payable Amounts.

(a) Notwithstanding any other provision in this Indenture (other than Section 2.7(j)), the Holder

of any Secured Notes shall have the right, which is absolute and unconditional, to receive payment of any Payable Amounts, as such Payable Amounts become due and payable in accordance with the Priorities of Payment and, subject to the provisions of Sections 5.4(d) and 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of any such Holder.

(b) Notwithstanding any other provision in this Indenture (other than Section 2.7(j)), the Holder of any Subordinated Notes shall have the right, which is absolute and unconditional, to receive payment of any Payable Amounts, as such Payable Amounts become due and payable in accordance with the Priorities of Payment. Holders of Subordinated Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Higher-Ranking Class remains Outstanding, which right shall be subject to the provisions of Sections 5.4(d) and 5.8, and shall not be impaired without the consent of any such Holder.

(c) Notwithstanding any other provision in this Indenture (other than Section 2.7(j)), the Holder of any Class Y Notes shall have the right, which is absolute and unconditional, to receive payment of any Payable Amounts, as such Payable Amounts become due and payable in accordance with the Priorities of Payment. Holders of Class Y Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Higher-Ranking Class remains Outstanding, which right shall be subject to the provisions of Sections 5.4(d) and 5.8, and shall not be impaired without the consent of any such Holder.

(d) Notwithstanding any other provision in this Indenture (other than Section 2.7(j)), the Holder of any Class Z Notes shall have the right, which is absolute and unconditional, to receive payment of any Payable Amounts, as such Payable Amounts become due and payable in accordance with the Priorities of Payment. Holders of Class Z Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Higher-Ranking Class remains Outstanding, which right shall be subject to the provisions of Sections 5.4(d) and 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.13 Control by Holders. A Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the Trustee (with a copy to the Collateral Manager) as to the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture; *provided*, that:

(a) such direction shall not conflict with applicable law or with any express provision of this Indenture, including, without limitation, Section 5.5(a);

(b) the Trustee determines that such action will not involve it in liability (unless the Trustee has received indemnity satisfactory to it against any such liability);

(c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Collateral shall be made pursuant to and in accordance with Sections 5.4 and 5.5; and

(e) subject to Section 6.1, the Trustee need not take any action that it is directed to take pursuant to this Section 5.13 that it determines might involve it in liability.

Section 5.14 Waiver of Defaults. Prior to the time a judgment or decree for payment of amounts due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Event of Default and its consequences, except an Event of Default:

(a) in the payment of principal of any Notes or interest on the Notes;

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Note Outstanding adversely affected thereby; or

(c) arising under Section 5.1(g) or (h).

In the case of any such waiver, each of the Co-Issuers, the Trustee and the Holder shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give notice of any such waiver to the Collateral Manager, each Holder and each Rating Agency.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or any other Default or impair any right consequent thereto.

**Section 5.15 Undertaking for Costs.** All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Notes of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of amounts due and payable with respect to any Notes on or after the Stated Maturity Date (or, in the case of redemption, on or after the applicable Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date or Clean-Up Call Redemption Date).

**Section 5.16 Waiver of Stay or Extension Laws.** Each of the Co-Issuers covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and each of the Co-Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**Section 5.17 Sale of Collateral.** (a) The power to effect any sale of any portion of the Collateral pursuant to Sections 5.4 and 5.5 (a "Sale") shall not be exhausted by any one or more Sales as to any portion of such Collateral remaining unsold but shall continue unimpaired until the entire Collateral shall have been sold or all amounts secured by the Collateral shall have been paid. The Trustee may upon notice to the Collateral Manager and each Holder and shall, upon written direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided*, that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Collateral in connection with a Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Notes or other amounts secured by the Collateral, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the

Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Certificates representing such Notes (if any) need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Collateral consists of securities issued without registration under the Securities Act, the Trustee may (but is not obligated to), at the expense of the Issuer, seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained, seek a no-action position from the SEC or any other relevant federal or state regulatory authorities, regarding the legality of a public or private sale of such securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest without recourse, representation or warranty in any portion of the Collateral in connection with a sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a sale thereof, and to take all action necessary to effect such sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or to see to the application of any payment.

(e) To the extent permitted by applicable law, the Collateral Manager, any fund managed by the Collateral Manager, any Holder and/or their respective Affiliates may bid for and acquire any portion of the Collateral in connection with a public sale thereof.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the assets of either of the Co-Issuers.

## ARTICLE VI

### THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities of the Trustee. (a) Except during the continuance of an Event of Default known to a Trust Officer of the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming on their face to the

requirements of this Indenture; *provided, however*, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default known to a Trust Officer of the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class (or any other applicable percentage of applicable Class of Notes) exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable, including in its individual capacity, with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with this Indenture or the direction of either of the Co-Issuers, the Collateral Manager or Holders of any Class in accordance with this Indenture relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to its ordinary services.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Event of Default described in Sections 5.1(d), (e), (f), (g) or (h) or any Default described in Sections 5.1(d), (e), (f), (g) or (h) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or a Default is received by a Trust Officer

of the Trustee at the Corporate Trust Office, and such notice references the Notes generally, either of the Co-Issuers or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or a Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) If within 80 calendar days of delivery of financial information or disbursements (which may be via posting to the Trustee's website) the Trustee receives written notice of an error or omission related thereto and within five calendar days of the Trustee's receipt of such notice the Collateral Manager and the Issuer confirm such error or omission, the Trustee agrees to use reasonable efforts to correct such error or omission and such use of reasonable efforts shall be the only obligation of the Trustee in connection therewith. Beyond such period the Trustee shall not be required to take any action and shall have no responsibility for the same. In no event shall the Trustee be obligated to take any action at any time at the request or direction of any Person unless such Person shall have offered to the Trustee indemnity reasonably satisfactory to it.

(g) In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including without limitation, those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT Act of the United States ("**Applicable Law**"), the Trustee is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

(h) The Trustee has no obligation to monitor or verify (i) if the U.S. Risk Retention Rules are complied with, (ii) a Tax Event has occurred, (iii) whether any Holder (or beneficial owner) is a Section 13 Banking Entity or a Non-Permitted AML Holder or (iv) the determination of the Specified Percentage for a Regulatory Refinancing or of the calculation of a Subordinated Notes Regulatory Refinancing Redemption Price.

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of either of the Co-Issuers mentioned herein may be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, request and rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Collateral or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants, investment bankers or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other documents, but the Trustee, upon the direction of a Majority of the Controlling Class or either Rating Agency shall make such further inquiry or investigation into such facts or matters as it shall be directed; *provided, however*, that if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to the Trustee against such cost, expense or liability as a condition to taking any such action. The reasonable expense of every such examination shall be paid by the Co-Issuers and, the Trustee shall be entitled, on reasonable prior notice to either of the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Notes and the Collateral and the premises of such Person to determine compliance with this Indenture, personally or by agent or attorney during such Person's normal business hours; *provided*, that the Trustee shall, and shall cause its agents, to hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; *provided, further*, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided*, that the Trustee shall not be responsible for any misconduct or negligence on the part of any such agent or attorney appointed by the Trustee with due care;

(h) the Trustee shall not be liable for any action it takes, suffers or omits to take that it reasonably believes to be authorized or within its rights or powers or within its discretion hereunder, other than acts or omissions constituting bad faith, willful misconduct or gross negligence of the Trustee's duties hereunder;

(i) the permissive rights of the Trustee to perform any discretionary act enumerated in this Indenture shall not be treated as a duty and the Trustee shall not be answerable for other than its gross negligence, bad faith or willful misconduct;

(j) nothing herein shall be construed to impose an obligation on the part of the Trustee to monitor, recalculate, evaluate or (absent manifest error) verify any report, certificate or information received from the Issuer or Collateral Manager (except to the extent provided in Section 6.3(f)), or to verify or independently determine compliance by the Collateral Manager with the terms hereof or the Collateral Management Agreement;

(k) the Trustee shall not be responsible or liable for, or monitor, evaluate or verify for compliance with the Transaction Documents, the actions or omissions of, or any inaccuracies in the records of, any non-Affiliated custodian, transfer agent, paying agent or calculation agent (other than itself in such capacities), clearing agency, loan syndication, administrative or similar agent, Depository, Euroclear or Clearstream, or for the acts or

omissions of the Collateral Manager or either Co-Issuer, or any other Person (including compliance with Rule 17g-5 promulgated under the Exchange Act);

(l) the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or the powers granted hereunder;

(n) in the event that the Bank is also acting in the capacity of Note Registrar, Paying Agent, LIBOR Calculation Agent, Transfer Agent, Authenticating Agent or Intermediary hereunder, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities; *provided* that such rights, protections, immunities and indemnities shall be in addition to any rights, protections, immunities and indemnities provided in the Securities Account Control Agreement or any other Transaction Document the Bank in any capacity is a party to;

(o) the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Collateral Administrator; *provided* that such rights, protections, immunities and indemnities shall be in addition to any rights, protections, immunities and indemnities provided in the Collateral Administration Agreement;

(p) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war and interruptions, losses or malfunctions of utilities, computer (hardware or software) or communications services);

(q) notwithstanding any term hereof to the contrary, the Trustee shall be under no obligation to evaluate the sufficiency of the documents or instruments Delivered by or on behalf of the Issuer in connection with the Grant by the Issuer to the Trustee of any item constituting the Collateral or otherwise, or in that regard to examine any Collateral Assets, in order to determine compliance with applicable requirements of or restrictions on transfer imposed by the documentation underlying such Collateral Assets nor to re-register or otherwise change the registration or form in which the Collateral Assets are Delivered, transferred, assigned or pledged by the Issuer to the Trustee hereunder;

(r) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("**GAAP**"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or the accountants identified in the Accountants' Report (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(s) the Trustee shall not be responsible for the preparation, filing, continuation or correctness of Financing Statements or the validity or perfection of any lien or security interest; and

(t) the Trustee or its Affiliates are permitted to provide services and to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments; if otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(u) Neither the Trustee nor the Collateral Administrator shall have any obligation to determine: (i) if a Collateral Asset meets the criteria or eligibility restrictions imposed by this Indenture or (ii) whether the conditions specified in the definition of "Delivered" have been complied with;

(v) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any Financing Statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(w) the Trustee shall, upon reasonable (but no less than three Business Days') prior written notice to the Trustee, permit any representative of a Holder of a Note, during the Trustee's normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege or in violation of any confidentiality provisions contained therein) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trust Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes; and

(x) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Co-Issuers and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Collateral or the Notes. The Trustee shall not be accountable for the use or

application by either of the Co-Issuers of the Notes or the proceeds thereof or any amounts paid to either of the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Note Registrar or any other agent of either of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with either of the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Note Registrar or such other agent.

Section 6.6 Funds Held in Trust. All funds held by the Trustee hereunder shall be held in trust to the extent required herein, and no funds shall be held by the Trustee hereunder unless such funds constitute "Eligible Investments". Each account established pursuant to this Indenture shall be maintained (a) with a federal or state-chartered depository institution that satisfies the Fitch Eligible Counterparty Ratings (so long as any Class A Note is Outstanding) and has a deposit rating of at least "A1" and "P-1" by Moody's, and if such institution no longer satisfies the Fitch Eligible Counterparty Rating (so long as any Class A Note is Outstanding) or its deposit rating falls below "A1" and "P 1" by Moody's, the assets held in such account shall be moved within 30 calendar days to another institution that satisfies such ratings; or (b) as a segregated trust account with the corporate trust department of a federal or state-chartered deposit institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b) that satisfies the Fitch Eligible Counterparty Ratings (so long as any Class A Note is Outstanding) and (x) in the case of a segregated trust account that will only hold securities, counterparty risk assessment of at least "Baa3(cr)" by Moody's, or, if such institution does not have a counterparty risk assessment by Moody's, a long-term senior unsecured debt rating of at least "Baa3" from Moody's or (y) in the case of any other segregated trust account, has a counterparty risk assessment of at least "A3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "A3" by Moody's and a short-term debt rating of at least "P-1" by Moody's, and if such institution no longer satisfies the Fitch Eligible Counterparty Rating (so long as any Class A Note is Outstanding) or (i) in the case of a segregated trust account that will only hold securities, such institution's long term rating by Moody's falls below "Baa3" or (ii) in the case of any other segregated trust account, such institution's counterparty risk assessment falls below "A3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's (or its long-term debt rating falls below "A3" or its short-term debt rating falls below "P-1" by Moody's), the assets held in such account shall be moved within 30 calendar days to another institution that satisfies such ratings.

The Trustee shall be under no liability for interest on any funds received by it hereunder except as otherwise agreed upon with the Issuer in writing and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received (and not subsequently reinvested or withdrawn) by the Trustee on Eligible Investments. The Trustee shall not be responsible for any losses on investments made in accordance with an Issuer Order or a written order or request by the Collateral Manager; *provided* that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or bad faith on the part of the Bank or any Affiliate thereof.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank, in each of its capacities under the Transaction Documents, on each Payment Date reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as set forth in the fee letter between the Bank and the Collateral Manager, dated on or prior to the Closing Date, as the same may be amended or otherwise modified from time to time;

(ii) except as otherwise expressly provided herein, to reimburse the Bank (subject to any written agreement between the Issuer and the Bank) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank, in each of its capacities under the Transaction Documents, in accordance with any provision of this Indenture or any other Transaction Document (including securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any Qualified Pricing Service, accounting firm or investment banking firm employed by the Bank pursuant to Sections 5.4, 5.5, 5.17, 6.3(c), 6.3(d), 10.5 or 10.7, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith); *provided*, that the securities transaction charges referred to above shall, in the case of certain Eligible Investments specified by the Collateral Manager, be waived to the extent of any amounts received by the Bank during a Due Period from a financial institution in consideration of purchasing such Eligible Investments;

(iii) to indemnify the Bank, in each of its capacities under the Transaction Documents, and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability, claim, damage or expense (including reasonable counsel's fees and expenses) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this trust or the performance of its duties hereunder, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder or any other document related hereto; and

(iv) to pay the Bank, in each of its capacities under the Transaction Documents, reasonable additional compensation together with its expenses (including reasonable counsel fees and expenses) for any collection or enforcement action taken pursuant to Section 6.13 hereof.

(b) Each of the Trustee and the Paying Agent hereby agrees not to cause the filing of a petition in bankruptcy against either of the Co-Issuers or any Issuer Subsidiary for the non-payment to the Trustee or the Paying Agent of any amounts provided by this Section 6.7 until at least one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Notes. Nothing in this Section 6.7 shall preclude, or be deemed to stop, the Trustee or the Paying Agent (i) from taking any action prior to the expiration of the aforementioned one year (or, if longer, the applicable preference period then in effect) *plus* one

day in (A) any case or Proceeding voluntarily filed or commenced by either of the Co-Issuers or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee or the Paying Agent, or (ii) from commencing against either of the Co-Issuers, any Issuer Subsidiary or any of their properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

(c) Each of the Trustee and the Paying Agent acknowledges that all payments payable to it under this Indenture shall be payable solely out of the Collateral and subject to Article XI. If, on any date when any amount shall be payable to the Trustee or the Paying Agent, as applicable, pursuant to this Indenture, insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available. Following realization of the Collateral and distribution of proceeds in the manner provided in Article XI, any obligations of either of the Co-Issuers and any claims of the Trustee or the Paying Agent against either of the Co-Issuers shall be extinguished and shall not thereafter revive.

(d) Anything in this Indenture to the contrary notwithstanding, in no event shall the Bank, in each of its capacities under the Transaction Documents, be liable for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Bank has been advised of the likelihood of such damages and regardless of such form of action.

(e) The Issuer's payment obligations to the Bank, in each of its capacities under the Transaction Documents, under this Section 6.7 shall be secured by the lien of this Indenture and subject to the Priorities of Payment, and shall survive the discharge of this Indenture and the resignation or removal of the Bank, in each of its capacities under the Transaction Documents. When the Bank, in each of its capacities under the Transaction Documents, incurs expenses after the occurrence of an Event of Default under Sections 5.1(g) or (h), the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$200,000,000, subject to supervision or examination by federal or state authority, having a counterparty risk assessment of at least "Baa1(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "Baa1" by Moody's and "BBB" by Fitch, and having an office within the United States. If such corporation or banking association publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation or banking association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee (such Person, in its capacity as successor Trustee and as successor to each Trustee Role (as defined below), the "**Successor Trustee**") pursuant to this Article shall become effective until the acceptance of appointment by the Successor Trustee (who shall also agree to perform each Trustee Role (as defined below)) under Section 6.10. The indemnification in favor of the Trustee in Section 6.7 hereof shall survive any resignation or removal (to the extent of any indemnified liabilities, costs, expenses and other amounts arising or incurred prior to, or arising out of actions or omissions occurring prior to such resignation or removal).

(b) The Trustee may resign at any time by giving thirty (30) days' prior written notice thereof to each of the Co-Issuers, the Collateral Manager, each Holder and each Rating Agency. Any such resignation shall also be deemed to be a resignation of the LIBOR Calculation Agent, the Collateral Administrator, the Note Registrar, the Paying Agent, the Intermediary, and the Transfer Agent and any other capacity performed by the Bank (each a "**Trustee Role**") to the extent the Trustee or an Affiliate thereof is acting in such role. Upon receiving such notice of resignation, the Issuer shall promptly appoint a Successor Trustee (who shall also agree to perform each Trustee Role from which the Trustee was deemed to resign, if any), by Issuer Order, one copy of which shall be delivered to each of the Trustee, the Successor Trustee, each Holder and the Collateral Manager; *provided*, that such Successor Trustee shall be appointed unless a Majority of the Notes (voting as a single class and excluding the Class Y Notes and the Class Z Notes) has objected to such appointment within 60 days after notice thereof; in such event, or if the Issuer shall fail to appoint a Successor Trustee within 60 days after notice of such resignation, removal or incapability or the occurrence of such vacancy, or at any time when an Event of Default shall have occurred and be continuing, a Successor Trustee may be appointed by Act of a Majority of the Controlling Class delivered to the Issuer and the Trustee. The Successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the Successor Trustee and supersede any Successor Trustee proposed by the Issuer. If no Successor Trustee shall have been appointed and an instrument of acceptance by a Successor Trustee shall not have been delivered to the Trustee within 90 days after the giving of such notice of resignation, the resigning Trustee, or any Holder, on behalf of itself and all others similarly situated, and subject to Section 5.15, may petition any court of competent jurisdiction for the appointment of a Successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time upon thirty (30) days' prior written notice of an Act of a Majority of the Notes (voting as a single class and excluding the Class Y Notes and the Class Z Notes) or, if an Event of Default shall have occurred and be continuing, by Act of a Majority of the Controlling Class, delivered to the Trustee and each of the Co-Issuers. A removal of the Trustee pursuant to this Section 6.9(c) shall also be deemed to be a removal of the Trustee from each of the Trustee Roles to the extent the Trustee or an Affiliate thereof is acting in such role. In the event of a removal of the Trustee, a Successor Trustee shall be appointed in accordance with Section 6.9(b).

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after request therefor by the Issuer or by a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation

then, in any such case (subject to Section 6.9(a)), (A) the Issuer, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a Successor Trustee.

(e) The Issuer shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a Successor Trustee to each Rating Agency and to each Holder of the Notes. Such notice shall include the name of the Successor Trustee and the address of its Corporate Trust Office. If the Issuer fails to provide such notice within 10 days after acceptance of appointment by the Successor Trustee, the Successor Trustee shall cause such notice to be given at the expense of the Issuer.

Section 6.10 Acceptance of Appointment by Successor Trustee. Every Successor Trustee appointed hereunder and qualified under Section 6.8 shall execute, acknowledge and deliver to the Issuer and the retiring Trustee an instrument accepting such appointment and agreeing to be bound by this Indenture, the Collateral Administration Agreement and the Securities Account Control Agreement. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such Successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Notes (other than the Class Y Notes and the Class Z Notes) or the Successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such Successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such Successor Trustee all property held by such retiring Trustee hereunder. Upon request of any such Successor Trustee, each of the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such Successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any document or any further act on the part of any of the parties hereto; *provided further*, that the

Trustee shall give notice thereof to each of the Co-Issuers, the Collateral Manager, each Holder, and each Rating Agency. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such Successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. (a) At any time or times, the Issuer and the Trustee shall have power to appoint one or more Persons meeting the eligibility requirements set forth in Section 6.8 to act as co-trustee, jointly with the Trustee, of all or any part of the Collateral with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12. The Issuer shall provide notice to each Rating Agency of any such appointment of a co-trustee.

Each of the Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If each of the Co-Issuers does not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from either of the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by each of the Co-Issuers. The Issuer agrees to pay (but only from and to the extent of the Collateral), to the extent funds are available therefor under the Priorities of Payment, any reasonable fees and expenses in connection with such appointment.

(b) Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(i) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised or performed solely by the Trustee;

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event, such rights, powers, duties and obligations shall be exercised and performed by a co-trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to

accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(iv) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(v) the Trustee shall not be personally liable by reason of any act or omission of a co-trustee; and

(vi) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds.

In the event that the Trustee shall not have received a payment with respect to any Pledged Asset on its Due Date (unless the Trustee is directed otherwise by the Collateral Manager), (a) the Trustee shall promptly notify the Collateral Manager and (b) unless (i) within a reasonable time after such notice such payment shall have been received or (ii) the Issuer (acting at the direction of the Collateral Manager, in its absolute discretion (but only to the extent permitted by Section 10.2) shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2), the Trustee shall request the issuer of such Pledged Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to Section 6.1(c)(iv), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or an Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of a Pledged Asset and/or delivers a Collateral Asset in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.6 and Article XII of this Indenture. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Asset or any substituted Collateral Asset received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Collateral.

Section 6.14 Authenticating Agents.

Upon the request of the Issuer, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.6, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes "by the Trustee."

Any entity into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, consolidation or

conversion to which any Authenticating Agent shall be a party, or any entity succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any document or any further act on the part of the parties hereto or such Authenticating Agent or such successor entity.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Issuer. Upon receiving such notice of resignation or upon such a termination, the Trustee will, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give notice of such appointment to the Issuer.

The Issuer, if the appointment is at its request, or otherwise, the Trustee, agrees to pay to each Authenticating Agent appointed by it from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto and the Trustee shall be entitled to be reimbursed for such payments, subject to Section 6.7. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Representative for Holders Only of the Secured Notes; Agent for all other Secured Parties and Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any item of Collateral to the Trustee is to the Trustee as representative of the Noteholders and agent for each other Secured Party. In furtherance of the foregoing, the possession by the Trustee of any Collateral, and the endorsement to or registration in the name of the Trustee of any Collateral (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Noteholders, and agent for each other Secured Party.

Section 6.16 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank is duly organized and is validly existing under the laws of its Governing Jurisdiction and has the power to conduct its business and affairs as a trustee.

(b) Authorization; Binding Obligations. The Bank has the corporate power and authority to perform the duties and obligations of Trustee under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by the Bank pursuant hereto. Upon execution and delivery by the Bank, this Indenture will constitute the legal, valid and binding obligation of the Bank enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, moratorium and similar laws affecting the rights of creditors and subject to equitable principles (whether enforcement is sought in a legal or equitable Proceeding).

(c) Eligibility. The Bank is eligible under Section 6.8 hereof to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration (which have not already been obtained) under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the banking or trust powers of the Bank, or (ii) to the actual knowledge of a Trust Officer (without any further investigation or inquiry) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it is bound.

Section 6.17 Withholding. If any amount is required to be deducted or withheld from any payment to any Holder, such amount shall reduce the amount otherwise distributable to such Holder. The Trustee is hereby authorized (1) to withhold or deduct from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that (A) is legally required to be withheld or deducted (but such authorization shall not prevent the Trustee from contesting any such tax in appropriate proceedings and legally withholding payment of such tax, pending the outcome of such proceedings) or (B) may be withheld because of a failure by a Holder to comply with its obligations to provide Holder Information, (2) take any other actions that the Issuer, the Collateral Manager, the Trustee or their respective agents deem necessary to achieve compliance with FATCA and the Cayman FATCA Legislation and (3) timely remit amounts withheld pursuant to clause (1) to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is deducted or withheld by the Issuer or the Trustee, as applicable, and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Trustee may in its sole discretion withhold such amounts in accordance with this Section 6.17. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee for any out-of-pocket expenses incurred.

## ARTICLE VII

### COVENANTS

Section 7.1 Payment of Payable Amounts. (a) The Applicable Issuer will duly and punctually pay Payable Amounts on the Notes in accordance with the terms of such Notes and this Indenture. Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Holder of such amounts shall be considered as having been paid by the Applicable Issuer to such Holder for all purposes of this Indenture.

(b) Failure of a Holder of a Note to provide the Trustee or any Paying Agent and the Issuer with appropriate tax certifications or other information may result in amounts being withheld from the payment to such Holders.

Section 7.2 Maintenance of Office or Agency. Each of the Co-Issuers hereby appoints the Trustee as a Paying Agent for payments with respect to the Notes and the Trustee as

Transfer Agent (at its Corporate Trust Office or as otherwise specified by the Trustee) as its agent where Notes may be surrendered for registration of transfer or exchange.

Each of the Co-Issuers will maintain a Process Agent in New York.

No Paying Agent shall be appointed in a jurisdiction that subjects payments on the Notes to withholding tax.

The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes and shall give prompt written notice to the Trustee each Rating Agency and each Holder of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Funds for Payments to be Held in Trust. All payments of Payable Amounts that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuer by the Trustee or a Paying Agent with respect to payments on the applicable Notes.

When the Co-Issuers shall have a Paying Agent that is not also the Note Registrar, the Issuer shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Co-Issuers shall have a Paying Agent other than the Trustee, the Issuer shall, on or before the Business Day preceding each Payment Date, Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date or Clean-Up Call Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date, Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date or Clean-Up Call Redemption Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due with respect to the applicable Classes of Notes (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. Any funds deposited with a Paying Agent (other than the Trustee) with respect to the applicable Classes of Notes in excess of an amount sufficient to pay the Payable Amounts with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent for the Notes shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; *provided, however*, that, so long as any Notes are rated by a Rating Agency, with respect to any additional or successor Paying Agent, either (i) such Paying Agent has (x) a counterparty risk assessment of at least "Baa3(cr)" and "P-3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a senior unsecured debt rating of at least "Baa3" and "P-3" by Moody's and (y) satisfies the Fitch Eligible Counterparty Ratings (so long as any Class A Note is Outstanding), or (ii) Rating Agency Confirmation shall have been received. In the event that such successor Paying Agent ceases to have any such rating, and Rating Agency Confirmation is not received, the Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. Neither of the Co-Issuers shall appoint any Paying Agent (other than the initial Paying Agent) that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national authorities. The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date, Redemption Date, Refinancing Redemption Date, Regulatory Refinancing Date and Clean-Up Call Redemption Date among such Holders in the proportion specified in the applicable report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any Default by either of the Co-Issuers (or any other obligor upon the Notes) in the making of any payment required to be made;

(e) if such Paying Agent is not the Trustee at any time during the continuance of any such Default, upon the request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent; and

(f) not institute against the Issuer, the Co-Issuer or any Issuer Subsidiary, or join, cause, cooperate with or encourage any other Person in instituting against the Issuer, the Co-Issuer or any Issuer Subsidiary, any bankruptcy, insolvency, reorganization, moratorium, receivership, liquidation or similar Proceeding so long as any Notes shall be Outstanding and there shall not have elapsed one year (or, if longer, the applicable preference period then in

effect) *plus* one day, including, without limitation, any period established pursuant to the laws of the Cayman Islands since the last day on which any Notes shall have been Outstanding.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect thereto.

Except as otherwise required by applicable law, any funds deposited with the Trustee or any Paying Agent in trust for the payment on any Notes and remaining unclaimed for two years after such amounts have become due and payable shall be paid to the Issuer and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Trustee or such Paying Agent with respect to such trust funds (but only to the extent of the amounts so paid to the Issuer) shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in amounts due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of the Co-Issuers. (a) To the extent possible under applicable laws, each of the Co-Issuers shall (i) maintain in full force and effect its existence and rights as entities under the laws of its Governing Jurisdiction, (ii) obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Collateral and (iii) correct any known misunderstanding concerning its separate existence; *provided, however*, that each of the Co-Issuers shall be entitled to change its jurisdiction of incorporation or formation, as applicable, from its Governing Jurisdiction on the Closing Date to any other jurisdiction it reasonably selects so long as (x) such change is not disadvantageous in any material respect to any of the Holders, (y) notice of such change shall have been given by the Trustee to the Holders and each Rating Agency and (z) on or prior to the fifteenth Business Day following such notice the Trustee shall not have received notice from a Majority of the Controlling Class objecting to such change.

(b) The Co-Issuers shall (i) ensure that all corporate, organizational or other formalities regarding their respective existences (including, if required, holding regular board of directors', shareholders' and members', or other similar, meetings) are followed, (ii) maintain their books and records separate from any other Person, (iii) maintain their accounts separate from those of any other Person, (iv) not commingle any of their assets with those another Person, (v) maintain an arm's length relationship with their Affiliates, (vi) each maintain separate financial statements (if any) from those of any other Person, (vii) pay their liabilities out of their respective funds, (viii) each hold themselves out as a separate entity and (ix) take affirmative steps to correct any misunderstanding regarding their separate identity.

Section 7.5 Protection of Collateral. (a) The Issuer shall take or cause to be taken such action as is necessary or reasonably desirable in order to maintain the perfection and priority of the security interest of the Trustee in the Collateral and shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be reasonably necessary or advisable to secure the rights and remedies of the Secured Parties hereunder and to:

- (i) Grant more effectively all or any portion of the Collateral;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture or to carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or advisable as a result of changes in law or regulations);
- (iv) enforce any of the Pledged Assets or other instruments or property included in the Collateral;
- (v) preserve and defend title to the Collateral and the rights therein of the Trustee, and the Secured Parties against the claims of all Persons and parties; or
- (vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Collateral.

The Issuer shall prepare and hereby authorizes the filing of an initial Financing Statement in connection with the Grant pursuant to this Indenture identifying as collateral "all assets in which the debtor now or hereafter has rights" or words to a similar effect. The Issuer hereby appoints the Trustee its agent and attorney in fact for the purpose of filing (and hereby authorizes the filing of) any other Financing Statement, continuation statement or other instrument, as such may be required pursuant to this Section 7.5; *provided* that such appointment shall not impose upon the Trustee, or release or diminish any of the Issuer's obligations under this Section 7.5 including, without limitation, the preparation of any Financing Statement, continuation statement or other instrument or to make any other filing under the UCC. The Trustee is entitled to rely on and be fully protected in reliance on the Opinion of Counsel delivered pursuant to Section 7.6 as to actions needed to be taken for the continued effectiveness and perfection of the lien on the Collateral and shall have no liability to the Issuer or any other Person for the failure of legal counsel to deliver any such Opinion of Counsel required under Section 7.6.

The Issuer will make an entry with respect to the security interest created by this Indenture in its register of mortgages and charges.

(b) The Trustee shall not, except in accordance with Sections 10.6 or 12.1, permit the removal of any portion of the Collateral or transfer any portion of the Collateral from the Account to which it is credited, or cause or permit any change in the delivery made pursuant

to Section 3.3 with respect to any Collateral if after giving effect thereto the jurisdiction governing the perfection of security interest by the Trustee in such Collateral is different from the jurisdiction governing perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)), unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Pledged Assets.

(d) The Issuer shall enforce all of its material rights and remedies under the Transaction Documents.

Section 7.6 Opinions as to Collateral. For so long as any Notes are Outstanding, on or before each Annual Report Date, the Issuer shall furnish to the Trustee and each Rating Agency then rating a Class of Secured Notes an Opinion of Counsel stating that, in the opinion of such counsel, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Collateral remains in effect and that no further action (other than as specified in such opinion) needs to be taken (under then current law) to ensure the continued effectiveness and perfection of such lien until the Annual Report Date of the next calendar year. If an Opinion of Counsel required pursuant to this Section 7.6 is not delivered to the Trustee within the required time frame, the Issuer shall provide notice of such failure to the Rating Agencies.

Section 7.7 Performance of Obligations. Each of the Co-Issuers may contract with other Persons, including the Collateral Manager and the Collateral Administrator, for the performance of actions and obligations to be performed by it hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral as set forth in the Collateral Management Agreement and the Collateral Administration Agreement, respectively. Notwithstanding any such arrangement, the Issuer or Co-Issuer shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuer or Co-Issuer, respectively, and the Issuer or Co-Issuer will punctually perform, and use its best efforts to cause the Collateral Manager, the Collateral Administrator or such other Person to perform, all of its obligations and agreements contained in the Collateral Management Agreement, the Collateral Administration Agreement or such other agreement. Each of the Co-Issuers shall comply with all applicable laws, rules, regulations, orders, writs, judgments, decrees and injunctions.

Section 7.8 Negative Covenants. (a) The Issuer shall not and, with respect to clauses (ii) through (xii) and clauses (xiv) through (xvii) hereof, the Co-Issuer shall not, except as expressly permitted by this Indenture:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Collateral;

(ii) claim any credit on, or make any deduction from, or dispute the enforceability of the amounts payable in respect to the Notes (other than amounts withheld in accordance with Section 6.17 or 7.1(b), the Code or any applicable laws of the Cayman Islands) or assert any claim against any present or future Holder, by reason of the payment of any taxes levied or assessed upon any part of the Collateral;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, any Replacement Obligations and this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities (except as provided in this Indenture), or (2) issue any additional shares, membership interests or stock;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture to be created on or extend to or otherwise arise upon or burden the Collateral or any part thereof, any interest therein or the proceeds thereof), or (C) take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Collateral;

(v) for so long as any of the Notes are Outstanding, neither of the Co-Issuers shall permit or register the transfer of its ordinary shares, membership interests or stock, as applicable, to U.S. Persons;

(vi) amend or waive "non-petition" and "limited recourse" provisions in any of its existing agreements without Rating Agency Confirmation;

(vii) fail to maintain at least one director who is Independent from the Trustee, the Collateral Manager, the Collateral Administrator and any Hedge Counterparty;

(viii) have any subsidiaries (other than the Co-Issuer or any Issuer Subsidiaries) or employees (other than its directors);

(ix) engage in any transaction with the holders of its ordinary shares or membership interests that would constitute a conflict of interest (*provided*, that the foregoing shall not prohibit the Issuer from entering into the Administration Agreement or the Registered Office Agreement with MaplesFS Limited);

(x) conduct business in any name other than its own, commingle its property with the property of any other entity or take any other action or conduct its affairs in a manner that is reasonably likely to result in its separate existence being ignored or its assets and liabilities being substantively consolidated with the assets or liabilities of any other Person in a bankruptcy, reorganization or other insolvency Proceeding;

(xi) dissolve or liquidate in whole or in part, except as permitted here under or required by applicable law;

(xii) pay dividends other than in accordance with the terms of this Indenture and its Governing Documents;

(xiii) except for any agreements involving the purchase and sale of Collateral Assets having customary purchase or sale terms and documented with customary loan trading documentation (but not excepting any investment in any Hedge Agreement), enter into any agreements that provide for future payments on the part of the Issuer unless such agreements contain "non-petition" and "limited recourse" provisions;

(xiv) the Issuer and Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is a party);

(xv) redeem any Note except in accordance with the Priorities of Payment and Article IX, nor purchase or otherwise provide consideration to acquire or in exchange for any Note;

(xvi) purchase or acquire any of the Notes, other than in connection with a transfer or exchange, Optional Redemption, Refinancing, Regulatory Refinancing, Clean-Up Call Redemption, Special Redemption or as otherwise set forth in this Indenture; or

(xvii) join, cause, cooperate with or encourage any other Person in instituting against the Issuer, the Co-Issuer or any Issuer Subsidiary, any bankruptcy, insolvency, reorganization, moratorium, receivership, liquidation or similar Proceeding so long as any Notes shall be Outstanding and there shall not have elapsed one year (or, if longer, the applicable preference period then in effect) *plus* one day, including, without limitation, any period established pursuant to the laws of the Cayman Islands since the last day on which any Notes shall have been Outstanding.

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the U.S. Investment Company Act, and shall keep all of its assets in cash.

(c) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes

or otherwise subject to U.S. federal income tax on a net income basis. The requirements of this Section 7.8(c) will be deemed to be satisfied if the Issuer (and the Collateral Manager acting on the Issuer's behalf) complies with the Tax Guidelines. Notwithstanding anything herein or any other Transaction Document to the contrary, neither the Issuer nor the Collateral Manager has any responsibility to monitor any internal or external information, parties or other sources to determine whether any such Change in Law has occurred prior to undertaking any such activity.

(d) In furtherance and not in limitation of Section 7.8(c), notwithstanding anything to the contrary contained herein, the Issuer shall comply with the Tax Guidelines, unless, with respect to a particular transaction, the Collateral Manager (on behalf of the Issuer) shall have received written advice or an opinion of Allen & Overy LLP or Paul Hastings LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters to the effect that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis. The provisions set forth in the Tax Guidelines may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Collateral Management Agreement) if the Collateral Manager (on behalf of the Issuer) shall have received written advice or an opinion of Allen & Overy LLP or Paul Hastings LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters to the effect that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net income basis. For the avoidance of doubt, in the event written advice or an opinion of Allen & Overy LLP or Paul Hastings LLP, or an opinion of other tax counsel as described above has been obtained in accordance with the terms hereof, no consent of any Noteholder or satisfaction of the Effective Date Moody's Condition shall be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines contemplated by such opinion of tax counsel.

Section 7.9 Statement as to Compliance. On or before each Annual Report Date, or immediately if there has been a Default under this Indenture, the Issuer shall deliver to the Trustee, the Collateral Manager, each Holder, requesting Certifying Holder, and each Rating Agency an Officer's certificate stating, as to each signer thereof, that:

(a) a review of the activities of the Issuer and of the Issuer's performance under this Indenture during the prior calendar year (or from the Closing Date until the last day of the calendar year in which the Closing Date occurs, in the case of the first such Officer's certificate) has been made under his or her supervision; and

(b) to the best of his or her knowledge, based on such review, no Default or Event of Default has occurred during such year, or, if there has been a Default or an Event of Default, specifying each such Default or Event of Default known to him or her and the nature and status thereof.

Section 7.10 Consolidation or Merger, Only on Certain Terms. Neither the Issuer nor the Co-Issuer (as applicable, the "**Merging Entity**") shall consolidate or merge with or into any other Person or transfer or convey all or substantially all of its assets to any Person, unless permitted by the law of its Governing Jurisdiction and unless:

(a) the Merging Entity shall be the surviving corporation or organization, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "**Successor**") shall be a company incorporated or organized and existing under the same Governing Jurisdiction or such other jurisdiction approved by a Majority of the Controlling Class; *provided*, that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in its Governing Jurisdiction pursuant to Section 7.4; *provided, further*, that such Person shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and the Collateral Manager, the due and punctual payment of principal of, interest on and other payments on all Notes and the performance of every covenant of this Indenture and each other Transaction Document on its part to be performed or observed, all as provided herein;

(b) with respect to such consolidation or merger, the Issuer shall have obtained, and delivered to the Trustee, the Rating Agency Confirmation;

(c) if the Merging Entity is not the surviving corporation, the Successor shall have agreed with the Trustee, (A) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or transfer or convey the Collateral or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(e) Each Hedge Agreement will contain provisions consistent with then-current Rating Agency methodology with respect to downgrades, replacements and collateral posting amounts in the schedule thereto (including, where applicable, provisions to the effect that the failure of such Hedge Counterparty to take required actions will constitute an "additional termination event" under such Hedge Agreement).

(f) Subject to Section 7.18(b), any amounts payable to the Hedge Counterparty under any Hedge Agreement are subject to the Priorities of Payment and the claims of the Hedge Counterparties under any Hedge Agreement shall rank equally.

So long as any of the Notes are Outstanding, the Co-Issuers and any Issuer Subsidiary shall promptly object to the institution of any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws against it and shall take all necessary or advisable steps to cause the dismissal of any such proceeding; *provided that*, such obligation shall be subject to the availability of funds therefor under the Priorities of Payment. The Petition Expenses incurred in connection with the foregoing will be payable as Issuer Expenses without regard to the cap relating to the payment of other Issuer Expenses in the Priorities of Payment up to the Petition Expense Amount. Any Petition Expenses in excess of the Petition Expense Amount will be payable as Issuer Expenses subject to the expense cap in the Priorities of Payment.

Section 7.20 Section 3(c)(7) Procedures. (a) The Issuer shall cause to be sent to the Holders a Section 3(c)(7) Reminder Notice when required under Section 10.5(e). (b) The Issuer shall procure a direction to the Depository to take the following steps in connection with the Rule 144A Global Notes (or such other appropriate steps regarding Rule 144A and Section 3(c)(7) restrictions on the Rule 144A Global Notes as may be customary under Depository procedures at any given time):

(i) The Issuer shall procure a direction to the Depository to include the "3c7" marker in the DTC 20-character security descriptor and the 48-character additional descriptor for the Rule 144A Global Notes of each Class to indicate that sales are limited to QIB/QPs.

(ii) The Issuer shall procure a direction to the Depository to cause each physical Depository deliver order ticket delivered by the Depository to purchasers to contain the Depository 20-character security descriptor and shall procure a direction to the Depository to cause each Depository deliver order ticket delivered by the Depository to purchasers in electronic form to contain the "3c7" indicator and a related user manual for participants, which shall contain a description of the relevant restrictions.

(iii) The Issuer shall procure an instruction to the Depository to send a Section 3(c)(7) Reminder Notice to all Agent Members in connection with the Offering of the Rule 144A Global Notes.

(iv) The Issuer shall cause the Depository to be advised that it is a Section 3(c)(7) issuer and shall procure a request to the Depository to include the Rule 144A Global Notes in the Depository's "Reference Directory" of Section 3(c)(7) offerings.

(v) The Issuer shall from time to time (upon the request of the Trustee, the Note Registrar, or the Collateral Manager) procure a request to the Depository to deliver to the Issuer a list of all Agent Members holding an interest in the Rule 144A Global Notes.

(c) The Issuer shall from time to time procure a request to all third-party vendors to include on screens they maintain appropriate legends regarding Rule 144A and Section 3(c)(7) restrictions on the Rule 144A Global Notes. The Issuer shall procure a request to Bloomberg, L.P. to include the following on each Bloomberg screen containing information about the Rule 144A Global Notes (or such other appropriate steps regarding Rule 144A and Section 3(c)(7) restrictions on the Rule 144A Global Notes as may be customary under Bloomberg, L.P. procedures at any given time):

(i) The "Note Box" on the bottom of the "Security Display" page describing each Rule 144A Global Note should state: "Iss'd Under 144A/3c7."

(ii) The "Security Display" page should have a flashing red indicator stating "See Other Available Information."

institutional buyers (as defined in Rule 144A) and (2) qualified purchasers (as defined under Section 3(c)(7))."

(d) The Issuer shall cause each "CUSIP" number obtained for the Rule 144A Global Notes to have an attached "fixed field" that contains "3c7" and "144A" indicators.

when used with respect to a Floating Rate Asset and (c) make any technical, administrative, operational or conforming changes determined by the Designated Transaction Representative as necessary or advisable to implement the use of a DTR Proposed Rate; provided that, a Majority of the Controlling Class have provided their prior written consent to any supplemental indenture pursuant to this clause (xxvi) ((any such supplemental indenture, a "DTR Proposed Amendment");

(d) subject to Rating Agency Confirmation and the consent of a Majority of the Class A Notes, to conform to changes in Rating Agency methodology;

*provided*, that, for the avoidance of doubt, Reset Amendments and Base Rate Amendments are not subject to any consent requirements that would otherwise apply to supplemental indentures described in clauses (a) through (d) above or elsewhere in this Indenture.

Section 8.2 Supplemental Indentures with Consent of Noteholders. (a) Each of the Co-Issuers, when authorized by Board Resolutions or Action by Manager, as applicable, and the Trustee at any time and from time to time may enter into one or more supplemental indentures, as described below subject to (x) the consent of a Majority of each Class of Notes (voting separately by Class) that is materially adversely affected thereby (and otherwise without the consent of such Class) and (y) the prior written consent of the Collateral Manager, to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of such Class under this Indenture; *provided, however*, that the consent of 100% of the Holders of each Class materially and adversely affected will be required for any such supplemental indenture that would:

(i) with respect to any Class of Notes, (A) change the Stated Maturity Date, the due date of any payment, the termination date of the Non-Call Period, the provisions of this Indenture relating to the application of Interest Proceeds or Principal Proceeds or the place where or the currency in which payment is made; (B) reduce its principal amount, Interest Rate (if any), Make-Whole Amount, Redemption Price or Regulatory Refinancing Redemption Price; or (C) impair the right to institute suit for the enforcement of any such payment; *provided* that, in connection with a Refinancing of all Classes of Secured Notes in full, with the approval of a Majority of the Subordinated Notes and the Collateral Manager, the Stated Maturity Date of the Subordinated Notes may be changed without the consent of each holder of a Subordinated Note;

(ii) reduce the percentage of or any Class whose consent is required for any purpose under this Indenture;

(iii) impair or adversely affect the Collateral except as otherwise permitted in this Indenture;

(iv) except as permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Collateral, terminate the lien under this Indenture on any property at any time subject thereto, or deprive any Secured Party of the security afforded by the lien of this Indenture;

(v) modify the definition of the term "Outstanding," "Holder", "Noteholder", "Reinvestment Period", "Scheduled Reinvestment Period Termination Date", "Majority" or "Supermajority" or the Priorities of Payment set forth in this Indenture; or

(vi) modify any of the provisions of this Indenture in such a manner as to alter (A) the conditions that must be satisfied in order to redeem the Notes affecting the rights of Holders with respect to redemption of any such Notes or actions that can be taken by the Holders when an Event of Default has occurred and is continuing or (B) alter the conditions that must be satisfied in order to issue Additional Notes.

**Section 8.3 Execution of Supplemental Indentures; Notice.** (a) The Trustee is hereby authorized to join in the execution of any supplemental indenture pursuant to Sections 8.1 and 8.2 and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

(b) At the cost of the Issuer, the Trustee shall provide to each Holder of each Class of Notes, the Collateral Manager and, if any Class of Secured Notes is Outstanding, each Rating Agency, a copy of any supplemental indenture proposed pursuant to Sections 8.1 or 8.2 (or a description of the substance thereof) at least 15 Business Days prior (or 5 Business Days, if in connection with a Refinancing, Re-Pricing or issuance of Additional Notes) to the execution thereof (except to the extent any such Person agrees to a shorter period or waives such notice), irrespective of whether or not such Class of Notes is materially adversely affected thereby. If the required percentage of Holders of any Class has consented to such supplemental indenture, such notice requirement with respect to such Class shall be deemed to be satisfied. It shall not be necessary for any Act of Holders under Sections 8.1 or 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

(c) Promptly after the execution by each of the Co-Issuers and the Trustee of any supplemental indenture, the Trustee, at the expense of the Issuer shall provide a copy thereof to each Holder, the Collateral Administrator, the Collateral Manager and, if any Class of Secured Notes is Outstanding, each Rating Agency. Any failure of the Trustee to publish or mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture substantially in the form to be executed.

(d) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive and conclusively rely upon an Opinion of Counsel stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent to the execution thereof have been complied with. For the purposes of determining whether or not the Controlling Class would be materially adversely affected by any proposed amendment or supplemental indenture, the Controlling Class will be deemed to be materially adversely affected by any (i) supplemental indenture that would amend the definition of any Collateral Quality Test, the Collateral Quality Matrix, the Portfolio Concentration Limits, the definition of Eligible Investment, the definition of Collateral Asset, the Investment Criteria and/or the definition of Redemption Price and (ii) amendment or supplemental indenture pursuant to Section 8.2 if the Holders of a Majority of the Controlling Class provide written notice to the Co-Issuers and the Trustee that such holders would be materially and adversely affected by any such proposed supplemental indenture (which notice shall (1) set forth the basis on which such holder or holders are materially and adversely affected thereby and (2) provide evidence of such holder's identity) on or prior to the second Business Day preceding the date of execution of such proposed amendment or supplemental indenture and each such supplemental indenture will be a “**Deemed MAE Supplemental Indenture**” with respect to the Controlling Class. The Trustee shall be entitled to receive and conclusively rely on (x) an Officer's certificate of the Collateral Manager (which may rely upon a certificate as to factual matters executed by an investment banking firm or other independent expert familiar with the Notes and the market for the Notes as to the economic effect) or (y) an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) as to whether the Holders of any Class would not be materially and adversely affected by such supplemental indenture, except that a Deemed MAE Supplemental Indenture will be deemed to materially adversely affect the Controlling Class and will not be executed by the Co-Issuers or the Trustee without the consent of the Holders of a Majority of the Controlling Class. In addition, with respect to any proposed supplemental indenture pursuant to Section 8.1(a) above (other than a proposed supplemental indenture pursuant to paragraphs (a)(v), (viii), (ix), (x), (xi), (xiv), (xxi) and (xxiii), each of which will not be subject to the objection rights of the Class A Notes in this paragraph), in addition to, but not in limitation of, any consent requirements set forth in Section 8.1(a), if a Majority of the Class A Notes provides written notice at least two Business Days prior to the proposed date of execution of such proposed supplemental indenture to the Issuer and the Trustee that such Holders would be materially adversely affected by such proposed supplemental indenture (which notice shall (1) set forth the basis on which such holder or holders are materially and adversely affected thereby and (2) provide evidence of such holder's identity), the Co-Issuers and the Trustee will not enter into such supplemental indenture without the consent of a Majority of the Class A Notes (it being understood that, for the purposes of the consent requirement set forth in this sentence only, any Holder of Class A Notes that does not provide such notice in writing on or prior to the second Business Day immediately preceding the date of execution of such proposed supplemental indenture will be deemed to have consented to such proposed supplemental indenture). The Trustee may, but shall not be obligated to, enter into any such supplemental

indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

(e) The Collateral Manager will not be bound by a supplemental indenture unless it receives a copy thereof. This Indenture may not be amended without the Issuer providing the Collateral Manager with prior written notice of such amendment and obtaining the prior written consent of the Collateral Manager if such amendment would adversely affect the Collateral Manager (including, without limitation, any amendment or supplement that would (i) increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Manager, (ii) modify restrictions on sales or acquisitions of Collateral Assets, (iii) expand or restrict the Collateral Manager's discretion, (iv) affect the amount or priority of any fees payable to the Collateral Manager, or (v) otherwise adversely affect the Collateral Manager).

(f) Unless the Collateral Administrator is the same Person as the Trustee, the Collateral Administrator will not be bound by a supplemental indenture unless it receives a copy thereof. The Indenture may not be amended without the consent of the Collateral Administrator if such amendment would adversely affect the Collateral Administrator (including, without limitation, any amendment or supplement that would (i) increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator or (ii) expand or restrict the Collateral Administrator's discretion).

(g) Notwithstanding clause (b) above, other than as required by Section 9.14, in connection with a Re-Pricing effected in accordance with Section 9.14, the Trustee and the Co-Issuers may enter into one or more supplemental indentures to reflect the Re-Pricing Rate applicable without notice to or consent of any Holder and without notice to any Rating Agency.

~~(h) Holders of the Class B-1 Notes and the Class B-2 Notes shall vote together as a single Class in connection with any supplemental indenture, except that the holders of each of the Class B-1 Notes and the Class B-2 Notes shall vote separately by Class with respect to any amendment or modification of this Indenture solely to the extent that such amendment or modification would by its terms directly affect the holders of any such Class exclusively and differently from the holders of any other Class of Notes (including, without limitation, any amendment that would reduce the amount of interest or principal payable on the applicable Class of Notes).~~

(h) [Reserved].

(i) Notwithstanding anything to the contrary in this Article VIII, with respect to any supplemental indenture which, by its terms, (x) provides for a Refinancing of all, but not less than all, Classes of the Secured Notes in whole, but not in part, and (y) is consented to by a Majority of the Subordinated Notes, notwithstanding anything to the contrary contained or implied elsewhere in this Indenture, the Collateral Manager (with its prior written consent) may, without regard to any other consent requirement specified above or elsewhere in this Indenture, cause such supplemental indenture to also (a) effect an extension of the end of the Reinvestment Period, (b) establish a non-call period for Replacement Obligations or prohibit a future Refinancing of such Replacement Obligations, (c) modify the Weighted Average Life Test, (d) provide for a stated maturity of the Replacement Obligations or loans or other financial

arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity Date of the Secured Notes, (e) effect an extension of the Stated Maturity Date of the Subordinated Notes, (f) change the reference rate used to calculate the Interest Rate on the Floating Rate Notes and/or (g) make any other supplements or amendments to this Indenture that would otherwise be subject to the consent rights set forth in this Article VIII (a "**Reset Amendment**").

(j) Without limiting any of the requirements set forth in this Section 8.3, with respect to the adoption of a supplemental indenture and notwithstanding anything in Section 8.1 or Section 8.2 to the contrary, upon a LIBOR Disruption Event, the Co-Issuers and the Trustee shall enter into a supplemental indenture (a "**Base Rate Amendment**") to change the base rate in respect of the Floating Rate Notes that are not Benchmark Replacement Notes from the LIBOR Rate to an alternative base rate (including any available Reference Rate Modifier), as selected by the Collateral Manager (such rate, the "**Alternate Base Rate**"), and make such other amendments as are necessary or advisable in the reasonable judgment of the Collateral Manager to facilitate such change; *provided* that (A) unless the Alternate Base Rate is the Designated Base Rate, a Majority of the Controlling Class and a Majority of the Subordinated Notes consents to such supplemental indenture, (B) unless the Alternate Base Rate is the Designated Base Rate, Rating Agency Confirmation has been obtained with respect to such supplemental indenture and (C) such supplemental indenture is being undertaken (as certified by the Issuer (or the Collateral Manager on its behalf) to the Trustee) due to a LIBOR Disruption Event; *provided further* that, if the Alternate Base Rate in the foregoing supplemental indenture is not the Designated Base Rate and a Majority of the Controlling Class and/or a Majority of the Subordinated Notes does not consent to such supplemental indenture within 20 days of its receipt of a written request for such consent from the Issuer, the Collateral Manager shall, if a Designated Base Rate exists (or at the time when a Designated Base Rate becomes available), propose a Designated Base Rate and the Co-Issuers and the Trustee shall adopt the foregoing supplemental indenture without the consent of any holder of Notes and without Rating Agency Confirmation (and, in such case, the Alternate Base Rate to replace the LIBOR Rate pursuant to such Base Rate Amendment shall be the Designated Base Rate). If any Class of Secured Notes is Outstanding, the Issuer shall notify each Rating Agency of the Designated Base Rate that will replace the LIBOR Rate pursuant to a Base Rate Amendment.

#### Section 8.4 Certain Further Limitations on Supplemental Indentures.

(a) Notwithstanding anything to the contrary herein, each of the Co-Issuers agrees that it will not consent to or enter into any indenture supplemental hereto that:

(i) amends any provision of this Indenture or such other document relating to the institution of proceedings for it to be adjudicated as bankrupt or insolvent, or its consent to the institution of bankruptcy or insolvency proceedings against it, or the filing with respect to it of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Law or any other similar applicable law, or its consent to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of it or of any substantial part of its property, respectively; or

(ii) amends any provision of this Indenture that provides that its obligations are limited recourse obligations payable solely from the Collateral in accordance with the terms of this Indenture.

(b) Notwithstanding anything to the contrary herein, no supplemental indenture hereto shall be effective, and the Issuer agrees that it will not consent to or enter into any indenture supplemental hereto without the consent of any Hedge Counterparty materially and adversely affected thereby.

(c) Notwithstanding anything to the contrary herein, no determination of whether any Holder of any Class is materially and adversely affected by a supplemental indenture shall be required in connection with any Refinancing, Regulatory Refinancing, Re-Pricing or issuance of Additional Notes adopted in the manner permitted by this Indenture, except in the case of a supplemental indenture that amends the definition of "Redemption Price" or "Regulatory Refinancing Redemption Price", as applicable.

(d) Nothing in this Indenture shall permit any amendment to the interest rate applicable to a Class of Secured Notes, except in accordance with this Article VIII.

(e) Notwithstanding anything to the contrary in this Article VIII, Holders of Class Y Notes and Class Z Notes will not be required or entitled to consent to any supplemental indenture unless such consent is required under Section 14.2(f) of this Indenture.

Section 8.5 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes and every Holder theretofore and thereafter issued and delivered hereunder shall be bound thereby.

Section 8.6 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notation as to any matter provided for in such supplemental indenture. If either of the Co-Issuers shall so determine, new Notes, modified so as to conform in the opinion of the Applicable Issuer to any such supplemental indenture may be prepared and executed by the Applicable Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

## ARTICLE IX

### REDEMPTION OF NOTES

Section 9.1 Optional Redemption; Election to Redeem. (a) The Secured Notes shall be redeemable pursuant to an Optional Redemption (in whole (with respect to all Classes of Secured Notes) and not in part by Class) by the Issuer upon the receipt of the Required Direction at their respective Redemption Prices on any Business Day (the date of any such redemption, the "**Redemption Date**") (i) after the Non-Call Period or (ii) at any time during

or after the Non-Call Period, if a Tax Event has occurred (but if the Tax Event that has occurred is with respect to any tax arising under or as a result of FATCA, then Holders that have not provided the Issuer (or an agent of the Issuer) and the Trustee with any information or documentation with respect to FATCA (to the extent that the withholding under FATCA would not have arisen had the Holder(s) complied with its obligations to provide such information or documentation) shall not be considered in determining whether a Majority of the Subordinated Notes or a Majority of the Controlling Affected Class, as applicable, have directed a redemption of Notes) from Sale Proceeds and all other funds available for such purpose on such Payment Date in accordance with this Article IX. Any such Optional Redemption will require receipt of the Required Direction delivered to the Issuer, the Collateral Manager (if such Required Direction was delivered by a Majority of the Subordinated Notes or a Majority of the Controlling Affected Class, as applicable) and the Trustee (who shall provide a copy of such Required Direction to the Holders of the Subordinated Notes, to the extent such Required Direction was not delivered by a Majority of the Subordinated Notes), at least 30 calendar days prior to the proposed Redemption Date (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable after giving effect to the objection period described in the immediately succeeding sentence). No Optional Redemption may occur with respect to which a Required Direction from the Collateral Manager has been objected to by a Majority of the Subordinated Notes by written notice to the Issuer, the Trustee and the Collateral Manager within five Business Days of delivery of written notice of such Required Direction. Any Holder of Subordinated Notes that does not object within five Business Days of the delivery of written notice of the Required Direction shall be deemed to have consented to such Required Direction. In connection with any Optional Redemption, any holder of Secured Notes of any Class may, in its sole discretion, elect (with respect to itself only), in writing, to receive, in full payment for the redemption of any Secured Note held by such holder, less than 100% of the Redemption Price that would otherwise be payable to such holder in respect of such Class of Secured Notes, which lesser amount shall be deemed to be the "Redemption Price" of such Secured Note with respect to such holder.

(b) To effect an Optional Redemption of Secured Notes (a "**Secured Notes Redemption**"), the Collateral Manager shall direct the sale of a sufficient amount of the Collateral Assets to fully redeem all Classes of Secured Notes. No Secured Notes Redemption may proceed unless each Rating Agency and Noteholder has received, at least five Business Days prior to the proposed Redemption Date, written notice of such Optional Redemption and:

(i) at least five Business Days before the scheduled Redemption Date (or such later date as the Trustee may find reasonably acceptable), the Collateral Manager has certified to the Trustee that the Collateral Manager on behalf of the Issuer has entered into one or more Redemption Agreements to sell, not later than the Business Day immediately preceding the scheduled Redemption Date, all or part of the Collateral at a sale price in immediately available funds at least equal to an amount sufficient, together with all other funds expected to be available on such Redemption Date, to pay the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (including amounts reserved to meet any post-redemption fees and expenses and, if an Optional Redemption of all Subordinated Notes is also expected to occur on such Redemption Date, Dissolution Expenses), the accrued and unpaid Class Y Note Payment Amount and other fees and expenses payable under the Priorities of Payment (without regard to the

caps set forth therein if an Optional Redemption of all Subordinated Notes is also expected to occur on such Redemption Date), including, without limitation, any accrued, payable and unpaid Collateral Management Fees and any amounts due to the Hedge Counterparties; or

(ii) at least three Business Days prior to the scheduled Redemption Date and on or prior to the date on which any Collateral is sold, the Collateral Manager has certified to the Trustee that the aggregate sum of expected (A) termination payments with respect to Hedge Agreements, (B) Sale Proceeds from the sale of Eligible Investments and (C) Sale Proceeds for each Collateral Asset, calculated as the product of its Principal Balance and its Market Value (expressed as a percentage of its Principal Balance), shall equal or exceed the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (including amounts reserved to meet any post-redemption fees and expenses and, if an Optional Redemption of all Subordinated Notes is also expected to occur on such Redemption Date, Dissolution Expenses), the accrued and unpaid Class Y Note Payment Amount and other fees and expenses payable under the Priorities of Payment (without regard to the caps set forth therein if an Optional Redemption of all Subordinated Notes is also expected to occur on such Redemption Date) including, without limitation, any accrued, payable and unpaid Collateral Management Fees and any amounts due to the Hedge Counterparties (if any).

(c) On any Business Day on or after the Payment Date on which only Subordinated Notes remain Outstanding or simultaneously with an Optional Redemption of the Secured Notes, the Issuer shall redeem any remaining Subordinated Notes (in whole and not in part) at their Redemption Price upon receipt of the applicable Required Direction at least 30 days prior to the proposed Redemption Date (which direction may, but is not required to be, given in connection with a direction for a Secured Notes Redemption). To effect an Optional Redemption of the Subordinated Notes, the Collateral Manager will direct the sale of Collateral Assets and the termination or sale of any Hedge Agreement. Such Optional Redemption may not occur unless the expected proceeds available for distribution on the proposed Redemption Date would be at least sufficient to pay all Issuer Expenses (including amounts reserved to meet any post-redemption fees and Dissolution Expenses) and other fees and expenses payable under the Priorities of Payment (without regard to the caps set forth therein).

(d) Any Hedge Agreement in effect on the date of the notice provided by the Issuer pursuant to Section 9.2 will be terminated no earlier than the third Business Day prior to the Redemption Date.

(e) The Class Y Notes and the Class Z Notes will not be subject to redemption under this Section 9.1, but will be cancelled on the applicable Redemption Date upon a Secured Notes Redemption. If the Class Y Notes and the Class Z Notes are subject to cancellation, the Holders of the Class Y Notes and the Class Z Notes shall surrender the Class Y Notes and the Class Z Notes, as applicable, on the Redemption Date in connection with a Secured Notes Redemption, and upon such surrender the Trustee shall cancel the Class Y Notes and the Class Z Notes. In addition, in respect of any beneficial owner of an interest in a Class Y Note or a Class Z Note issued in the form of a Global Note, the related beneficial owner shall be

required to cooperate with the Issuer (or the Trustee on the Issuer's behalf) in connection with such cancellation, including by providing any necessary instructions to DTC.

Section 9.2 Notices of Optional Redemption. In the event of any Optional Redemption, the Issuer shall, at least 30 days prior to the Redemption Date (unless the Trustee shall agree to a shorter notice period), notify the Trustee and each Rating Agency of such proposed Redemption Date, and the expected Aggregate Outstanding Amount and expected Redemption Price of the Notes being redeemed. The Issuer shall update the Trustee and each Rating Agency of any changes to the foregoing.

Section 9.3 Optional Redemption Procedures; Cancellation. (a) In the event of an Optional Redemption, a notice of redemption shall be provided at least five Business Days prior to the proposed Redemption Date, to each Holder and each Rating Agency with the following information:

- (i) the applicable Redemption Date;
- (ii) the Redemption Price of the Class or Classes of Notes to be redeemed, which in the case of the Subordinated Notes may be estimated;
- (iii) a statement that interest on the applicable Class or Classes of Secured Notes being redeemed shall cease to accrue on the Redemption Date specified in the notice;
- (iv) a statement that an Optional Redemption may be cancelled subject to certain conditions; and
- (v) the place or places where Certificates, if applicable, are to be surrendered for payment of the Redemption Price.

(b) The Issuer shall have the option to withdraw any notice of an Optional Redemption up to the second Business Day prior to the proposed Redemption Date by written notice from the Collateral Manager to the Trustee if the Collateral Manager does not deliver the Redemption Agreements or certifications described in Section 9.1(b) or the Collateral Manager certifies in writing to the Issuer and the Trustee that it is unable to effect the Optional Redemption. An Optional Redemption shall automatically be cancelled if the related Required Direction from the Collateral Manager (to the extent a Tax Event has not occurred) has been objected to by a Majority of the Subordinated Notes by written notice to the Issuer, the Trustee and the Collateral Manager within five Business Days of delivery of written notice of such Required Direction. Notice of any such withdrawal of a notice of an Optional Redemption shall be given by the Trustee at the expense of the Issuer to each Holder and Rating Agency not later than the Business Day (or by such later date as the Trustee may find reasonably acceptable) prior to the scheduled Redemption Date. If the Issuer so withdraws any notice of redemption or is otherwise unable to complete any redemption of the Notes, the Optional Redemption shall be cancelled and any Sale Proceeds received from the sale of any Collateral Assets and other Collateral may, at the Collateral Manager's discretion, be invested in accordance with Article XII; *provided, that*, if the Collateral Manager is unable to enter into trades to reinvest

such Sale Proceeds prior to the end of the Reinvestment Period (or, in the case of Post-Reinvestment Principal Proceeds, the later to occur of (i) 20 Business Days after the receipt of such Post-Reinvestment Principal Proceeds and (ii) the first Payment Date to occur after the receipt of such Post-Reinvestment Principal Proceeds), the Collateral Manager shall notify the Trustee of a Special Redemption and such Sale Proceeds shall be considered Principal Proceeds and transferred to the Principal Collection Subaccount for distribution on the next Payment Date. In the event that an Optional Redemption is cancelled, no Redemption Price shall be due and payable.

(c) Failure to give notice of redemption to any Holder of any Note selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Notes.

(d) In the case of an Optional Redemption (excluding an Optional Redemption in connection with a Tax Event) of the Class A Notes that occurs prior to the Make-Whole End Date, the Redemption Price of such Class will include the Make-Whole Amount. No other Class shall be entitled to a make-whole payment.

Section 9.4 Notes Payable on Redemption Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.3, the Notes to be redeemed shall, on the Redemption Date, become due and payable at the respective Redemption Prices in accordance with the Note Payment Sequence, and from and after the Redemption Date (unless the Applicable Issuer shall default in the payment of the Redemption Price and accrued interest) any Class of Secured Notes to be redeemed shall cease to bear interest on the Redemption Date.

(b) As a condition to final payment on a Non-Clearing Agency Note represented by a Certificate to be redeemed, the Holder shall present and surrender such Certificate at the place specified in the notice of redemption on or prior to such Redemption Date unless there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has received notice that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) Payments of interest on a Class so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date.

(d) If any Secured Note called for redemption shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; *provided* that the reason for such non-payment is not the Holder's failure to surrender a Certificate representing a Non-Clearing Agency Note or otherwise the fault of such Holder.

(e) If all Notes, including the Subordinated Notes, are redeemed on the Redemption Date, then all amounts payable other than in respect of the redeemed Notes under the Priorities of Payment shall cease to accrue as of the Redemption Date and shall be payable on such Redemption Date pursuant to the Priorities of Payment as if such date were a Payment Date; *provided* that Senior Collateral Management Fees and Subordinated Collateral Management Fees (including any Deferred Subordinated Collateral Management Fees) that would otherwise have become payable on the next succeeding Payment Date had the Notes not been redeemed prior to such Payment Date shall be payable on the Redemption Date.

(f) If the Subordinated Notes remain Outstanding after a Secured Notes Redemption, then all amounts payable other than in respect of the redeemed Secured Notes under the Priorities of Payment shall be payable on the next succeeding Payment Date pursuant to the Priorities of Payment, unless such Redemption Date is fewer than 10 Business Days prior to the next succeeding Payment Date, in which case such amounts shall be payable pursuant to the Priorities of Payment on the second succeeding Payment Date.

Section 9.5 Refinancing Redemption. (a) Any Class or Classes of Secured Notes (as to each Class, in whole and not in part) shall be redeemable by the Issuer upon receipt of the Required Direction delivered to the Issuer, the Collateral Manager and the Trustee (who shall provide a copy of such Required Direction to the Holders of the Subordinated Notes, to the extent the Required Direction was given by the Collateral Manager) at least 20 calendar days prior to the proposed Refinancing Redemption Date (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable after giving effect to the objection period described in the immediately succeeding sentence) at their respective Redemption Prices on any Business Day (the date of any such redemption, the "**Refinancing Redemption Date**") after the Non-Call Period (each, a "**Refinancing Redemption**"), by obtaining a loan or loans or issuing replacement securities (collectively, the "**Replacement Obligations**"), the terms of which Replacement Obligations will be negotiated by the Collateral Manager on behalf of the Issuer, from one or more financial institutions or purchasers (a refinancing provided pursuant to such a loan or issuance, a "**Refinancing**") and, in the case of a Refinancing Redemption of fewer than all Classes of Secured Notes, if (A) the Refinancing Rate Condition is satisfied and (B) with respect to each Class of Secured Notes that is not subject to such Refinancing Redemption, the aggregate principal amount of all Replacement Obligations that will be senior in priority to such Class of Secured Notes will not be greater than the outstanding principal amount of the Class or Classes of Notes subject to such Refinancing Redemption that are senior in priority to such Class of Secured Notes. No Refinancing Redemption may occur with respect to which a Required Direction delivered by the Collateral Manager has been objected to by a Majority of the Subordinated Notes by written notice to the Issuer, the Trustee and the Collateral Manager within five Business Days of delivery of written notice of such Required Direction. Any Holder of Subordinated Notes that does not object within five Business Days of delivery of written notice of the Required Direction will be deemed to have consented to such Required Direction.

(b) The Issuer shall not effect a Refinancing Redemption of less than all Classes of Secured Notes unless the Collateral Manager determines and certifies to the Trustee that:

(i) notice of such Refinancing has been provided to each Rating Agency then rating an Outstanding Class of Secured Notes;

(ii) the Refinancing Proceeds (together with (v) Partial Refinancing Interest Proceeds that will be used to pay for accrued and unpaid interest on the Class or Classes of Secured Notes subject to the Refinancing, (w) amounts available to pay the Refinancing Expenses pursuant to clause (Q) of the Priority of Interest Payments on such date or, in the case of a Refinancing on a Business Day other than a Payment Date, the following Payment Date, (x) any amounts on deposit in, or to be deposited into, the Contribution Account that are designated to pay expenses incurred in connection with a Refinancing, (y) amounts available in the Reserve Account designated to pay such Refinancing Expenses and (z) amounts provided for by an entity other than the Issuer to pay such Refinancing Expenses) will be at least sufficient to pay the Redemption Price of the Class or Classes of Secured Notes subject to Refinancing Redemption *plus* an amount equal to the expenses in connection with such Refinancing (including any portion of the Redemption Prices of the Secured Notes subject to the Refinancing) (the "**Refinancing Expenses**");

(iii) without otherwise limiting the Issuer's rights to issue Additional Notes pursuant to Section 2.12, the aggregate principal amount of any Replacement Obligations is equal to the Aggregate Outstanding Amount of the Secured Notes being redeemed with the proceeds of such Replacement Obligations;

(iv) the stated maturity of the Replacement Obligations is no earlier than the stated maturity of the Secured Notes being refinanced;

(v) the Refinancing Rate Condition is satisfied;

(vi) the Refinancing Proceeds will be used (to the extent necessary) to redeem the applicable Secured Notes and to pay the Refinancing Expenses (other than (w) Refinancing Expenses paid by application of clause (Q) of the Priority of Interest Payments on such date or, in the case of a Refinancing on a Business Day other than a Payment Date, the following Payment Date, (x) Refinancing Expenses paid by any amounts on deposit in, or to be deposited into, the Contribution Account that are designated to pay expenses incurred in connection with a Refinancing, (y) Refinancing Expenses paid by amounts available in the Reserve Account and (z) Refinancing Expenses paid for by amounts provided for by an entity other than the Issuer);

(vii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those applicable to the Secured Notes being redeemed, as set forth herein; and

(viii) the Replacement Obligations are not senior in priority of payment to, and do not have greater Voting Rights than, the Class of Secured Notes being redeemed.

(c) In the case of a Refinancing Redemption of all Classes of Secured Notes, the Issuer shall obtain such Refinancing only if the Collateral Manager determines and certifies to the Trustee that:

(i) the Refinancing Proceeds (together with (v) Partial Refinancing Interest Proceeds that will be used to pay for accrued and unpaid interest on the Class or Classes of Secured Notes subject to the Refinancing, (w) amounts available to pay the Refinancing Expenses pursuant to clause (Q) of the Priority of Interest Payments on such date or, in the case of a Refinancing on a Business Day other than a Payment Date, the following Payment Date, (x) amounts on deposit in, or to be deposited into, the Contribution Account that are designated to pay expenses incurred in connection with a Refinancing, (y) amounts available in the Reserve Account designated to pay such Refinancing Expenses and (z) amounts provided for by an entity other than the Issuer to pay such Refinancing Expenses) will be at least sufficient to pay the sum of (x) the Redemption Prices of the Secured Notes and (y) the Refinancing Expenses;

(ii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption and pay the Refinancing Expenses (other than (w) Refinancing Expenses paid by application of clause (Q) of the Priority of Interest Payments on such date or, in the case of a Refinancing on a Business Day other than a Payment Date, the following Payment Date, (x) Refinancing Expenses paid by any amounts on deposit in, or to be deposited into, the Contribution Account that are designated to pay expenses incurred in connection with a Refinancing, (y) amounts available in the Reserve Account designated to pay such Refinancing Expenses and (z) amounts provided for by an entity other than the Issuer to pay such Refinancing Expenses); and

(iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those applicable to the Secured Notes being redeemed, as set forth in this Indenture.

(d) Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Refinancing Redemption Date pursuant to this Indenture to redeem the Secured Notes being refinanced and to pay the Refinancing Expenses (other than (w) Refinancing Expenses paid by application of clause (Q) of the Priority of Interest Payments on such date or, in the case of a Refinancing on a Business Day other than a Payment Date, the following Payment Date, (x) Refinancing Expenses paid by any amounts on deposit in, or to be deposited into, the Contribution Account that are designated to pay expenses incurred in connection with a Refinancing, (y) Refinancing Expenses paid from amounts available in the Reserve Account and (z) Refinancing Expenses paid from amounts provided for by an entity other than the Issuer) without regard to the Priorities of Payment; *provided*, that to the extent that any Refinancing Proceeds are not applied to redeem the Secured Notes being refinanced or to pay Refinancing Expenses, such Refinancing Proceeds will be treated as Principal Proceeds. In addition, Partial Refinancing Interest Proceeds may, at the discretion of

the Collateral Manager, be applied directly on the related Refinancing Redemption Date to pay the accrued and unpaid interest portion of the Redemption Price of the Secured Notes without regard to the Priorities of Payment.

(e) Notwithstanding the foregoing, in connection with a Refinancing Redemption of all Classes of Secured Notes, the Collateral Manager may designate Principal Proceeds in an amount up to the Excess Par Amount as Interest Proceeds (such designated amount, the "**Designated Excess Par**"), and direct the Trustee to apply such Designated Excess Par on the applicable Refinancing Redemption Date as Interest Proceeds in accordance with the Priorities of Payment. The Issuer shall be required to notify, in advance of the Redemption Date, the persons that will be the holders of the obligations providing a Refinancing Redemption of any application of Designated Excess Par in accordance with the preceding sentence.

(f) The Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Collateral Manager or the Trustee for any failure to obtain a Refinancing. In the event that a Refinancing is obtained meeting the requirements of this Section 9.5 as certified by the Collateral Manager, the Issuer and the Trustee shall amend this Indenture (in an amendment prepared by or on behalf of the Issuer) to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes.

(g) The Class Y Notes and the Class Z Notes will not be subject to redemption under this Section 9.5, but will be cancelled in connection with a Refinancing Redemption of all Classes of Secured Notes if the Issuer notifies the Trustee that the Initial Majority Subordinated Noteholder does not own a Majority of the Subordinated Notes on the related Refinancing Redemption Date. If the Class Y Notes and the Class Z Notes are subject to cancellation, the Holders of the Class Y Notes and the Class Z Notes shall surrender the Class Y Notes and the Class Z Notes, as applicable, on the Refinancing Redemption Date, and upon such surrender the Trustee shall cancel the Class Y Notes and the Class Z Notes. In addition, in respect of any beneficial owner of an interest in a Class Y Note or a Class Z Note issued in the form of a Global Note, the related beneficial owner shall be required to cooperate with the Issuer (or the Trustee on the Issuer's behalf) in connection with such cancellation, including by providing any necessary instructions to DTC.

Section 9.6 Notices of Refinancing Redemption. In the event of any Refinancing Redemption, the Collateral Manager shall, at least 20 calendar days prior to the Refinancing Redemption Date (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable), notify the Issuer, the Trustee and each Rating Agency of such proposed Refinancing Redemption Date, and the expected Aggregate Outstanding Amount and expected Redemption Price of the Notes being redeemed. The Collateral Manager shall update the Issuer, the Trustee and each Rating Agency of any changes to the foregoing.

Section 9.7 Refinancing Redemption Procedures; Cancellation. (a) In the event of a Refinancing Redemption, a notice of redemption shall be provided no later than nine Business Days prior to the applicable Refinancing Redemption Date to each Holder and each Rating Agency with the following information:

- (i) the applicable Refinancing Redemption Date;
- (ii) the Redemption Price of the Class or Classes of Notes to be redeemed;
- (iii) a statement that interest on the applicable Class or Classes of Secured Notes being redeemed shall cease to accrue on the Refinancing Redemption Date specified in the notice;
- (iv) a statement that a Refinancing Redemption may be cancelled subject to certain conditions; and
- (v) the place or places where Certificates are to be surrendered for payment of the Redemption Price.

(b) The Issuer shall have the option to withdraw any notice of a Refinancing Redemption up to and including (x) the Business Day prior to the proposed Refinancing Redemption Date if the Collateral Manager does not deliver the certifications described in Section 9.5 or the Collateral Manager certifies in writing to the Issuer and the Trustee that it is unable to effect the Refinancing or (y) the Refinancing Redemption Date, in the event that the counterparty to the Replacement Obligations indicates that it will be unable to fund the related Replacement Obligations, in each case, upon written notice from the Collateral Manager to the Trustee. A Refinancing Redemption shall automatically be cancelled if the related Required Direction from the Collateral Manager has been objected to by a Majority of the Subordinated Notes by written notice to the Issuer, the Trustee and the Collateral Manager within five Business Days of delivery of written notice of such Required Direction. Notice of any such withdrawal of a notice of a Refinancing Redemption shall be given by the Trustee at the expense of the Issuer to each Holder and Rating Agency not later than the Business Day prior to the scheduled Refinancing Redemption Date. If the Issuer so withdraws any notice of redemption or is otherwise unable to complete any redemption of the Notes, the Refinancing Redemption shall be cancelled. In the event that a Refinancing Redemption is cancelled, no Redemption Price shall be due and payable.

(c) Failure to give notice of redemption to any Holder of any Note selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Notes.

(d) In the case of a Refinancing Redemption of the Class A Notes that occurs prior to the Make-Whole End Date, the Redemption Price of such Class will include the Make-Whole Amount. No other Class shall be entitled to a make-whole payment.

Section 9.8 Notes Payable on Refinancing Redemption Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.7, the Notes to be redeemed shall, on the Refinancing Redemption Date, become due and payable at the respective Redemption Prices in accordance with the Note Payment Sequence (but only as to such Classes subject to Refinancing Redemption), and from and after the Refinancing Redemption Date (unless the Applicable Issuer shall default in the payment of the Redemption Price and accrued interest) any Class of Secured Notes to be redeemed shall cease to bear interest on the Refinancing Redemption Date.

(b) As a condition to final payment on a Non-Clearing Agency Note represented by a Certificate to be redeemed, the Holder shall present and surrender such Certificate at the place specified in the notice of redemption on or prior to such Refinancing Redemption Date unless there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has received notice that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) Payments of interest on a Class so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date.

(d) If any Secured Notes called for redemption shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Refinancing Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Notes remain Outstanding unless the reason for such non-payment is failure to surrender a Certificate representing a Non-Clearing Agency Note or otherwise the fault of such Holder. The failure to effect a Refinancing Redemption shall not constitute an Event of Default under any circumstances, irrespective of whether notice of cancellation of a Refinancing Redemption was able to be delivered in a timely manner.

Section 9.9 Clean-Up Call Redemption. (a) The Notes shall be redeemable pursuant to a Clean-Up Call Redemption (in whole and not in part) at the option of the Co-Issuers acting at the direction of the Collateral Manager at their respective Redemption Prices on any Business Day following the Effective Date selected by the Collateral Manager (the date of any such redemption, the "**Clean-Up Call Redemption Date**") that occurs on or after the Payment Date on which the Aggregate Principal Balance of the Collateral Assets and Eligible Investments is less than or equal to 20% of the Effective Date Target Par Amount from Sale Proceeds and all other funds available for such purpose on such Clean-Up Call Redemption Date in accordance with this Article IX.

(b) To effect a redemption of Notes pursuant to Section 9.9(a) (a "**Clean-Up Call Redemption**"), the Collateral Manager shall direct the liquidation and sale of a sufficient amount of the Collateral Assets to fully redeem all Secured Notes. No Clean-Up Call Redemption may proceed unless:

(i) at least ten Business Days before the scheduled Clean-Up Call Redemption Date (or such later date as the Trustee may find reasonably acceptable), the Collateral Manager has certified to the Trustee that the Collateral Manager on behalf of the Issuer has entered into one or more Redemption Agreements to sell, not later than the Business Day immediately preceding the scheduled Clean-Up Call Redemption Date, all or part of the Collateral at a sale price in immediately available funds at least equal to an amount sufficient, together with all other funds expected to be available on such Clean-Up Call Redemption Date, to pay the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (including amounts reserved to meet any post-redemption fees and expenses and Dissolution Expenses), the accrued and unpaid Class Y Note Payment Amount and other fees and expenses payable under the Priorities of Payment (without regard to the caps set forth therein) including, without limitation, any accrued, payable and unpaid Collateral Management Fees and any amounts due to the Hedge Counterparties; or

(ii) at least ten Business Days prior to selling any Collateral, the Collateral Manager has certified to the Trustee that the aggregate sum of expected (A) termination payments with respect to Hedge Agreements, (B) Sale Proceeds from the sale of Eligible Investments and (C) Sale Proceeds for each Collateral Asset, calculated as the product of its Principal Balance and its Market Value (expressed as a percentage of its Principal Balance), shall equal or exceed the sum of (x) the Redemption Prices of the Secured Notes and (y) all Issuer Expenses (including amounts reserved to meet any post-redemption fees and expenses and Dissolution Expenses), the accrued and unpaid Class Y Note Payment Amount and other fees and expenses payable under the Priorities of Payment (without regard to the caps set forth therein) including, without limitation, any accrued, payable and unpaid Collateral Management Fees and any amounts due to the Hedge Counterparties.

(c) Any Hedge Agreement in effect on the date of the notice provided by the Issuer pursuant to Section 9.10(a) will be terminated no earlier than the third Business Day prior to the Clean-Up Call Redemption Date.

Section 9.10 Notices of Clean-Up Call Redemption. (a) In the event of any Clean-Up Call Redemption, the Issuer shall, at least ten Business Days prior to the Clean-Up Call Redemption Date (unless the Trustee shall agree to a shorter notice period), notify the Trustee and each Rating Agency of such proposed Clean-Up Call Redemption Date, and the expected Aggregate Outstanding Amount and expected Redemption Price of the Notes being redeemed. The Issuer shall update the Trustee and each Rating Agency of any changes to the foregoing.

Section 9.11 Clean-Up Call Redemption Procedures; Cancellation. (a) In the event of a Clean-Up Call Redemption, a notice of redemption shall be provided no later than ten Business Days prior to the applicable Clean-Up Call Redemption Date to each Holder and each Rating Agency with the following information:

- (i) the applicable Clean-Up Call Redemption Date;
- (ii) the Redemption Price of the Notes to be redeemed, which in the case of the Subordinated Notes may be estimated;
- (iii) a statement that interest on the Secured Notes being redeemed shall cease to accrue on the Clean-Up Call Redemption Date specified in the notice;
- (iv) a statement that a Clean-Up Call Redemption may be cancelled subject to certain conditions; and
- (v) the place or places where Certificates are to be surrendered for payment of the Redemption Price.

(b) The Issuer (or the Collateral Manager on its behalf) shall have the option to withdraw any notice of a Clean-Up Call Redemption up to the fourth Business Day prior to the scheduled Clean-Up Call Redemption Date by written notice to the Trustee, the Rating Agencies and (if applicable) the Collateral Manager only if amounts equal to the Redemption Price (including funds in the accounts available to pay the Redemption Price) are not received in full in immediately available funds by the fourth Business Day prior to the scheduled Clean-Up Call Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder and Rating Agency not later than the Business Day prior to the scheduled Clean-Up Call Redemption Date. If the Clean-Up Call Redemption is cancelled, the Collateral Manager may, in its discretion invest all or a portion of the liquidation proceeds in accordance with Article XII; provided, that, if the Collateral Manager is unable to enter into trades to reinvest such liquidation proceeds prior to the end of the Reinvestment Period (or, in the case of Post-Reinvestment Principal Proceeds, the later to occur of (i) 20 Business Days after the receipt of such Post-Reinvestment Principal Proceeds and (ii) the first Payment Date to occur after the receipt of such Post-Reinvestment Principal Proceeds), the Collateral Manager shall notify the Trustee of a Special Redemption and such liquidation proceeds shall be considered Principal Proceeds and transferred to the Principal Collection Subaccount for distribution on the next Payment Date. In the event that a Clean-Up Call Redemption is cancelled, no Redemption Price shall be due and payable.

(c) Failure to give notice of redemption to any Holder of any Note selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Notes.

Section 9.12 Notes Payable on Clean-Up Call Redemption Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.11, the Notes to be redeemed shall, on the Clean-Up Call Redemption Date, become due and payable at the respective Redemption Prices in accordance with the Note Payment Sequence, and from and after the Clean-Up Call Redemption Date (unless the Applicable Issuer shall default in the payment of the Redemption Price and accrued interest) all of the Secured Notes shall cease to bear interest on the Clean-Up Call Redemption Date.

(b) As a condition to final payment on a Non-Clearing Agency Note represented by a Certificate to be redeemed, the Holder shall present and surrender such Certificate at the place specified in the notice of redemption on or prior to such Clean-Up Call Redemption Date unless there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has received notice that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) Payments of interest on a Class so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date.

(d) If any Note called for redemption shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Clean-Up Call Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Notes remain Outstanding unless the reason for such non-payment is failure to surrender a Certificate representing a Non-Clearing Agency Note or otherwise the fault of such Holder.

(e) All amounts payable other than in respect of the redeemed Notes under the Priorities of Payment shall cease to accrue as of the Clean-Up Call Redemption Date and shall be payable on such Clean-Up Call Redemption Date pursuant to the Priorities of Payment as if such date were a Payment Date; *provided* that Senior Collateral Management Fees and Subordinated Collateral Management Fees (including any Deferred Subordinated Collateral Management Fees) that would otherwise have become payable on the next succeeding Payment Date had the Notes not been redeemed prior to such Payment Date shall be payable on the Clean-Up Call Redemption Date.

Section 9.13 Mandatory Redemption; Special Redemption. (a) If any Coverage Test is not satisfied as of any Determination Date (other than the failure of the Interest Coverage Test prior to the Initial Interest Coverage Test Date), principal payments will be made on the Notes to the extent provided in the Priorities of Payment.

(b) If an Effective Date Confirmation Failure has occurred and is continuing principal payments will be made on the Notes to the extent provided in the Priorities of Payment.

(c) If, at any time during the Reinvestment Period, the Collateral Manager, at its discretion, notifies the Trustee (who will forthwith notify the Holders of the Notes) of a

Special Redemption, Principal Proceeds will be applied to pay interest on and principal of the Secured Notes, including any Deferred Interest, in accordance with the Priorities of Payment on the first Payment Date following the Due Period in which such notice is given and on each subsequent Payment Date, until the Secured Notes are paid in full.

Section 9.14 Optional Re-Pricing. (a) On any Business Day after the Non-Call Period for any Class of Secured Notes (other than the Class A Notes) (the "**Re-Pricing Eligible Notes**" ), upon a Required Direction, the Issuer shall (i) in the case of a Re-Pricing of any Re-Pricing Eligible Notes that are floating rate Notes, reduce the spread over LIBOR applicable with respect to such Re-Pricing Eligible Notes or set a fixed rate of interest on such Notes that is lower than the rate of interest that would have been payable on such Notes over the expected remaining life of such Notes (determined on a weighted average basis over such expected remaining life) had such Re-Pricing not occurred and (ii) in the case of a Re-Pricing of any Re-Pricing Eligible Notes that are fixed rate Notes, reduce such fixed rate of interest or set a spread over LIBOR on such Notes that is lower than the rate of interest that would have been payable on such Notes over the expected remaining life of such Notes (determined on a weighted average basis over such expected remaining life) had such Re-Pricing not occurred (such reduction or setting of interest rate with respect to any such Class of Notes, a "**Re-Pricing**" and any such Re-Pricing Eligible Notes to be subject to a Re-Pricing, a "**Re-Priced Class**"); provided that the Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.14 is satisfied with respect thereto (including, without limitation, the requirement that any Notes of a Re-Priced Class held by each Holder not consenting to such Re-Pricing are sold or transferred in accordance with this Section 9.14); provided further that, after any Re-Pricing is effected, the Trustee (at the direction of the Issuer) shall notify each Rating Agency then rating a Class of Secured Notes of such Re-Pricing. In connection with any Re-Pricing, the Collateral Manager on behalf of the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") and such Re-Pricing Intermediary shall assist the Issuer in effecting the Re-Pricing.

(b) At least 14 Business Days prior to the Business Day selected by the Collateral Manager for any proposed Re-Pricing (the "**Re-Pricing Date**"), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, Depository, Bloomberg, the Trustee and each Rating Agency then rating a Class of Secured Notes) to each Holder of the proposed Re-Priced Class, which notice shall:

(A) specify the proposed Re-Pricing Date and the revised spread over LIBOR or revised fixed rate of interest, as applicable, to be applied with respect to such Class (the "**Re-Pricing Rate**"),

(B) request each Holder of the Re-Priced Class approve the proposed Re-Pricing, and

(C) specify the price (which, for purposes of such Re-Pricing, shall be the Redemption Price of such Notes) at which Secured Notes of any Holder of the Re-Priced Class who does not approve the Re-Pricing may be sold and transferred pursuant to Section 9.14(c).

(c) In the event any Holders of the Re-Priced Class do not deliver written consent to the proposed Re-Pricing on or before the date that is 9 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to the consenting Holders of the Re-Priced Class (with a copy to the Trustee), specifying the Aggregate Outstanding Amount of the Secured Notes of the Re-Priced Class held by such non-consenting Holders, and shall request each such consenting Holder provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the non-consenting Holders (each such notice, an "**Exercise Notice**") within five Business Days after receipt of such notice. In the event the Issuer (with a copy to the Trustee) shall receive Exercise Notices with respect to Notes of the Re-Priced Class in an amount greater than or equal to the Aggregate Outstanding Amount of the Secured Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Secured Notes, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, pro rata (subject to the applicable minimum denomination requirements) based on the Aggregate Outstanding Amount of the Secured Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices. In the event the Issuer shall receive Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Secured Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Secured Notes, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, and any excess Secured Notes of the Re-Priced Class held by non-consenting Holders shall be sold to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales of Secured Notes to be effected pursuant to this clause (c) shall be made at the Redemption Price with respect to such Secured Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Re-Priced Class, by its acceptance of an interest in the Re-Priced Class, agrees to sell and transfer its Notes in accordance with this Section 9.14 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary and the Trustee to effect such sales and transfers. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Secured Notes of the Re-Priced Class held by non-consenting Holders.

(d) The Issuer shall not effect any proposed Re-Pricing unless: (i) the Co-Issuers and the Trustee (at the direction of the Issuer) shall have entered into a supplemental indenture pursuant to Section 8.1 dated as of the Re-Pricing Date to modify the spread over LIBOR, reduce the fixed rate of interest or set a fixed rate of interest or spread over LIBOR applicable to the Re-Priced Class and to reflect any necessary changes to the definitions of "Non-Call Period" or "Redemption Price" to be made pursuant to Section 9.14(f); (ii) the Collateral Manager or the Re-Pricing Intermediary confirms in writing that all Secured Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred on the same day and pursuant to Section 9.14(c); (iii) each Rating Agency then rating a Class of Secured Notes shall have been notified of such Re-Pricing; (iv) all expenses of the Issuer and the Trustee (including

the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing will be (w) paid from amounts available to pay such expenses pursuant to clause (Q) of the Priority of Interest Payments on such date, (x) paid from amounts on deposit in, or to be deposited into, the Contribution Account that are designated to pay such expenses incurred in connection with a Re-Pricing, (y) paid from amounts available in the Reserve Account designated to pay such expenses or (z) will otherwise adequately provided for by an entity other than the Issuer; and (v) the Trustee has received an Officer's certificate of the Issuer (or the Collateral Manager on behalf of the Issuer) to the effect that the foregoing conditions have been satisfied. If a proposed Re-Pricing is not effected by the proposed Re-Pricing Date, the Trustee (at the direction of the Issuer) shall notify each Rating Agency then rating a Class of Secured Notes that such proposed Re-Pricing was not effected.

(e) If written notice has been received by the Trustee pursuant to this Indenture, notice of a Re-Pricing shall be given by the Trustee (at the direction of the Issuer) not less than three Business Days prior to the proposed Re-Pricing Date, to each Holder of Secured Notes of the Re-Priced Class (with a copy to the Collateral Manager, DTC, Bloomberg and each Rating Agency then rating a Class of Secured Notes), specifying the applicable Re-Pricing Date and Re-Pricing Rate. Notice of Re-Pricing shall be given by the Trustee at the expense and direction of the Issuer. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect. Any notice of a Re-Pricing may be withdrawn by the Collateral Manager on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee and the Re-Pricing Intermediary for any reason. Upon receipt of such written notice of withdrawal, the Trustee (at the direction of the Issuer) shall send such notice to the Holders of Secured Notes and each Rating Agency then rating a Class of Secured Notes.

(f) In connection with a Re-Pricing (x) the Non-Call Period for the Re-Priced Class may be re-established with the approval of a Majority of the Subordinated Notes and/or (y) the definition of "Redemption Price" may be revised to reflect any agreed upon make-whole payments for the applicable Re-Priced Class, in each case pursuant to a supplemental indenture entered into pursuant to Section 8.1.

Section 9.15 Regulatory Refinancing of Notes. (a) The Specified Percentage of each Class of Notes will be redeemed (within each Class, on a *pro rata* basis among the Holders of such Class) at the applicable Regulatory Refinancing Redemption Price on any Business Day from Regulatory Refinancing Proceeds, Regulatory Refinancing Interest Proceeds and all other available proceeds from Contributions or an additional issuance of Junior Mezzanine Notes and/or Subordinated Notes, if any, at the direction of the Collateral Manager (and so long as the Collateral Manager is Sound Point Capital Management, LP ("**Sound Point**") or an Affiliate of Sound Point) at least 15 Business Days prior to the Business Day fixed by the Issuer (and noticed to the Trustee) for such redemption (such date, the "**Regulatory Refinancing Date**") to redeem the Specified Percentage of each Class of Notes, by issuance of Regulatory Refinancing Obligations (such issuance, a "**Regulatory Refinancing**").

(b) The Issuer shall obtain a Regulatory Refinancing only if the Collateral Manager determines and certifies to the Trustee that:

(i) it has received advice of counsel that a Regulatory Refinancing is necessary for the Collateral Manager, any "majority-owned affiliate" (as defined in the U.S. Risk Retention Rules) of the Collateral Manager or any "sponsor" (as defined in the U.S. Risk Retention Rules) of the Issuer to comply with the U.S. Risk Retention Rules;

(ii) the Specified Percentage of each Class of Notes that is subject to such Regulatory Refinancing;

(iii) the Regulatory Refinancing Proceeds, Regulatory Refinancing Interest Proceeds and all other available proceeds from Contributions or an additional issuance of Junior Mezzanine Notes and/or Subordinated Notes, if any, made available for this purpose will be at least sufficient to pay in full the aggregate Regulatory Refinancing Redemption Prices of the Specified Percentage of each Class of Notes subject to such Regulatory Refinancing;

(iv) the stated maturity date of the Regulatory Refinancing Obligations is the same as the corresponding Stated Maturity Date of each Class being refinanced;

(v) the reasonable fees, costs, charges and expenses incurred in connection with such Regulatory Refinancing have been paid or, as reasonably determined by the Collateral Manager, will be adequately provided for on or prior to the second Payment Date immediately following such Regulatory Refinancing; *provided* that, such payment will not be subject to the expense cap under the Priorities of Payment to the extent paid from (x) the Regulatory Refinancing Proceeds and/or Regulatory Refinancing Interest Proceeds and (y) any amounts on deposit in, or to be deposited into, the Contribution Account or proceeds from the additional issuance of Junior Mezzanine Notes and/or Subordinated Notes that are designated to pay fees, costs, charges and expenses incurred in connection with such Regulatory Refinancing (except for expenses owed to persons that the Collateral Manager informs the Trustee will be paid solely as Issuer Expenses payable in accordance with the Priorities of Payment);

(vi) the terms of the Regulatory Refinancing Obligations are identical to the respective terms of the corresponding Class of Notes subject to such Regulatory Refinancing (except that interest due on Regulatory Refinancing Obligations will accrue from the Regulatory Refinancing Date and the price of the Regulatory Refinancing Obligations does not have to be identical to the corresponding Class of Notes subject to such Regulatory Refinancing); and

(vii) a Rating Agency Confirmation from each Rating Agency is provided with respect to each existing Class or Classes of Secured Notes that are the subject of such Regulatory Refinancing.

(c) Regulatory Refinancing Proceeds will not constitute Interest Proceeds or Principal Proceeds but will be applied directly on the related Regulatory Refinancing Date pursuant to this Indenture to redeem the Specified Percentage of each Class of Notes subject to the related Regulatory Refinancing without regard to the Priorities of Payment. None of the Co-Issuers, the Initial Purchaser, the Collateral Manager, the Trustee or any other Person shall be liable to the Holders of Notes for the failure of a Regulatory Refinancing. If a Regulatory Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Issuer and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Regulatory Refinancing and no further consent for such amendments shall be required from the Holders.

(d) All Regulatory Refinancing Obligations will be acquired by the Collateral Manager, an Affiliate thereof or a retention financing provider thereto or, if required by applicable law or for compliance with the policies and procedures of DTC, through one or more financial institutions or initial purchasers who are participants at DTC. Such Regulatory Refinancing Obligation will be issued either: (i) in the form of a Non-Clearing Agency Note bearing the same CUSIP as the Non-Clearing Agency Notes of the corresponding Class of Notes being refinanced with such Regulatory Refinancing Obligation or (ii) reflected as a beneficial interest in a Global Note bearing either the same CUSIP or a different CUSIP (if the Collateral Manager has determined that a Global Note bearing such CUSIP is in accordance with U.S. Risk Retention Rules and any other applicable law) as such applicable Global Notes of the corresponding Class of Notes being refinanced with such Regulatory Refinancing Obligations. The Collateral Manager shall, in consultation with the Issuer and based on considerations of applicable law and the policies and procedures of DTC, determine whether the Regulatory Refinancing Obligations will be acquired in the form of a Non-Clearing Agency Note or as a beneficial interest in a Global Note.

Section 9.16 Notices of Regulatory Refinancing. In the event of any Regulatory Refinancing, the Collateral Manager shall, at least thirteen Business Days prior to the Regulatory Refinancing Date (or such shorter period of time as the Trustee and the Collateral Manager find reasonably acceptable), notify the Issuer, the Trustee and each Rating Agency of such proposed Regulatory Refinancing Date, and the expected Aggregate Outstanding Amount and expected Regulatory Refinancing Redemption Price of the Notes being redeemed. The Collateral Manager shall update the Issuer, the Trustee and each Rating Agency of any changes to the foregoing.

Section 9.17 Regulatory Refinancing Procedures; Cancellation. (a) In the event of a Regulatory Refinancing, a notice thereof shall be provided by the Issuer (or the Trustee at its direction) no later than ten Business Days prior to the applicable Regulatory Refinancing Date to each Holder and each Rating Agency with the following information:

- (i) the applicable Regulatory Refinancing Date;
- (ii) the Regulatory Refinancing Redemption Price of the Class or Classes of Notes to be redeemed;

(iii) a statement that interest on the applicable Class or Classes of Secured Notes being redeemed shall cease to accrue on the Regulatory Refinancing Date specified in the notice;

(iv) a statement that a Regulatory Refinancing may be cancelled subject to certain conditions; and

(v) the place or places where Certificates are to be surrendered for payment of the Regulatory Refinancing Redemption Price.

(b) The Issuer shall have the option to withdraw any notice of a Regulatory Refinancing up to (x) the second Business Day prior to the scheduled Regulatory Refinancing Date if the Collateral Manager does not deliver the certifications described in Section 9.15 or the Collateral Manager certifies in writing to the Issuer and the Trustee that it is unable to effect the Regulatory Refinancing or (y) the Regulatory Refinancing Date, in the event that the counterparty to the Regulatory Refinancing Obligations indicates that it will be unable to fund the related Regulatory Refinancing Obligations, in each case, by written notice from the Collateral Manager to the Trustee. Notice of any such withdrawal of a notice of a Regulatory Refinancing shall be given by the Trustee at the expense of the Issuer to each Holder and Rating Agency not later than the Business Day prior to the scheduled Regulatory Refinancing Date. If the Issuer so withdraws any notice of redemption or is otherwise unable to complete any redemption of the Notes, the Regulatory Refinancing shall be cancelled. In the event that a Regulatory Refinancing is cancelled, no Regulatory Refinancing Redemption Price shall be due and payable.

(c) Failure to give notice of redemption to any Holder of any Note selected for redemption or any defect therein shall not impair or affect the validity of the redemption of any other Notes.

Section 9.18 Notes Payable on Regulatory Refinancing Date. (a) Notice of redemption having been given as aforesaid and not withdrawn pursuant to Section 9.17, the Specified Percentage of the Secured Notes to be redeemed shall, on the Regulatory Refinancing Date, become due and payable at the respective Regulatory Refinancing Redemption Price in accordance with the Priorities of Payment (but only as to such Specified Percentage of such Classes subject to Regulatory Refinancing), and from and after the Regulatory Refinancing Date (unless the Applicable Issuer shall default in the payment of the Regulatory Refinancing Redemption Price and accrued interest) any Class of Secured Notes (or portion thereof) to be redeemed shall cease to bear interest on the Regulatory Refinancing Date.

(b) As a condition to final payment on a Non-Clearing Agency Note represented by a Certificate to be redeemed, the Holder shall present and surrender such Certificate at the place specified in the notice of redemption on or prior to such Regulatory Refinancing Date unless there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Certificate, and neither the Applicable Issuer nor the Trustee has

received notice that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

(c) Payments of interest on a Class so to be redeemed shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date.

(d) If the Specified Percentage of any Secured Notes (or portion thereof) called for redemption shall not be paid when it becomes due and payable, the principal amount thereof shall, until paid, bear interest from the Regulatory Refinancing Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding unless the reason for such non-payment is the Holder's failure to surrender a Certificate representing a Non-Clearing Agency Note or otherwise the fault of such Holder. The failure to effect a Regulatory Refinancing shall not constitute an Event of Default under any circumstances, irrespective of whether notice of cancellation of a Regulatory Refinancing was able to be delivered in a timely manner.

(a) Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Assets, in accordance with the terms and conditions of such Pledged Assets. The Trustee shall segregate and hold all such property received by it in trust for the benefit of the Secured Parties and shall apply it as provided in this Indenture.

(b) The accounts established by the Trustee pursuant to this Article X may include any number of sub accounts requested by the Trustee or the Collateral Manager for convenience in administering the Collateral and any Account required hereunder may be established as a sub-account of any other Account. The Trustee shall also establish any additional accounts identified in the definition of Accounts, with permitted deposits and withdrawals as described therein. The Trustee shall close the Closing Date Interest Account following the withdrawal of all amounts remaining in such account in accordance with Section 10.3(d)(ii)(C).

(c) Each Account shall be established with the Intermediary as a segregated non-interest bearing trust account that is a "securities account" for purposes of Section 8-501(a) of the Uniform Commercial Code in the name of the Issuer for the benefit of the Trustee on behalf of the Secured Parties and maintained pursuant to the Securities Account Control Agreement providing, *inter alia*, that the establishment and maintenance of such Account will be governed by the law of a jurisdiction satisfactory to the Issuer and the Trustee. Each Account shall be maintained (A) with a federal or state-chartered depository institution that satisfies the

Fitch Eligible Counterparty Ratings (so long as any Class A Note is Outstanding) and has a deposit rating of at least "A1" and "P-1" by Moody's, and if such institution no longer satisfies the Fitch Eligible Counterparty Rating (so long as any Class A Note is Outstanding) or its deposit rating falls below "A1" and "P 1" by Moody's, the assets held in such account shall be moved within 30 calendar days to another institution that satisfies such ratings, or (B) a segregated trust account with the corporate trust department of a federal or state-chartered deposit institution subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulations Section 9.10(b), that satisfies the Fitch Eligible Counterparty Ratings (so long as any Class A Note is Outstanding) and (x) in the case of a segregated trust account that will only hold securities, has a long-term senior unsecured rating of at least "Baa3" from Moody's or (y) in the case of any other segregated trust account, has a counterparty risk assessment of at least "A3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term senior unsecured rating of at least "A3" by Moody's and a short-term senior unsecured rating of at least "P-1" by Moody's, and if such institution no longer satisfies the Fitch Eligible Counterparty Ratings (so long as any Class A Note is Outstanding) or (i) in the case of a segregated trust account that will only hold securities, such institution's long term senior unsecured rating by Moody's falls below "Baa3" or (ii) in the case of any other segregated trust account, such institution's counterparty risk assessment falls below "A3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's (or its long-term senior unsecured rating falls below "A3" or its short-term senior unsecured rating falls below "P-1" by Moody's), the assets held in such account shall be moved within 30 calendar days to another institution that satisfies such ratings. The Trustee agrees to give the Issuer, the Collateral Administrator and the Collateral Manager prompt notice upon receipt of written notice by a Trust Officer that any Account or any funds on deposit therein, or otherwise to the credit of such Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuer shall not have any legal, equitable or beneficial interest in any Account. If the Accounts are transferred after the Closing Date, the Issuer shall provide prompt notice of such transfer to the Rating Agencies.

(d) The Trustee (as directed by the Collateral Manager and which direction may be in the form of a standing instruction) shall invest or cause the investment of all funds received into or retained in the Accounts (other than the Payment Account and the Custodial Account) in Eligible Investments (unless otherwise required under this Indenture and except when such funds shall be required to be disbursed under this Indenture) maturing on or before the Business Day prior to the next Payment Date (or, in the case of Eligible Investments issued by the Bank, in its capacity as a banking institution, on such Payment Date), except as specified below. If the Trustee has not received investment instructions from the Collateral Manager, the Trustee shall seek instructions from the Collateral Manager within three Business Days after transfer of funds to the relevant Account. If the Trustee does not thereupon receive instructions from the Issuer or the Collateral Manager within five Business Days after transfer of such funds to the relevant Account, it shall invest the funds held in each Account in the standing Eligible Investment selected in writing by the Collateral Manager. The amounts credited to, or on deposit in, any Hedge Collateral Account shall be invested by the Trustee at the direction of the Collateral Manager in accordance with the applicable Hedge Agreement and obligations in any such Account shall not constitute "Eligible Investments" for any purpose hereunder.

(e) Except as otherwise expressly stated herein, all interest and other income from Eligible Investments shall be credited to the Account in which any such Eligible Investment is held and, notwithstanding any provisions of Section 10.2 or 10.3, such amounts may be withdrawn for deposit as Interest Proceeds into the Interest Collection Subaccount at any time. The Trustee shall not in any way be held liable by reason of any insufficiency of funds in any Account resulting from any loss relating to any such investment.

Section 10.2 Collection Account. (a) Deposits. The Trustee shall immediately upon receipt deposit in the Collection Account all funds and property received by the Trustee and (x) designated for deposit in the Interest Collection Subaccount or the Principal Collection Subaccount (collectively, the "**Collection Account**") or (y) not designated under this Indenture for deposit in any other Account, including:

(iv) the Issuer (or the Collateral Manager on behalf of the Issuer) may, but under no circumstances shall be required to, deposit or cause to be deposited from time to time such funds that do not qualify as Interest Proceeds or Principal Proceeds in the Collection Account as it deems, in its sole discretion, to be advisable and by notice to the Trustee may designate that such funds are to be treated as Principal Proceeds or Interest Proceeds hereunder at its discretion.

(b) Withdrawals. The only permitted withdrawal from or application of funds or property on deposit in the Collection Account shall be in accordance with the provisions of this Indenture, including:

Section 10.4 Reports by Trustee. The Trustee shall supply in a timely fashion to the Issuer, the Collateral Administrator, the Administrator and the Collateral Manager any information regularly maintained by the Trustee that the Issuer, the Collateral Administrator or the Collateral Manager may from time to time request with respect to the Pledged Assets, each Account and any other information reasonably needed to complete the Monthly Report or the Payment Date Report. In addition, the Trustee shall promptly provide any other information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.5 or reasonably requested by the Collateral Manager to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement. The Trustee or the Collateral Administrator shall forward to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Asset or from any Clearing Agency with respect to any Collateral Asset advising the holders of such security of any rights that the holders might have with respect thereto (including, without limitation, notices of calls and redemptions of securities) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

Nothing in this Section 10.4 shall be construed to impose upon the Trustee any duty to prepare any report or statement required under Section 10.5 or to calculate or compute

The Issuer may cause an electronic copy of the information from the Monthly Report that the Collateral Manager deems appropriate to be delivered to each Financial Market Publisher. The Trustee is hereby directed to cause an electronic copy of the information from the Monthly Report to be delivered to Intex Solutions, Inc. and/or Bloomberg Financial Markets.

Upon receipt of each Monthly Report, the Collateral Manager shall compare the information contained therein to the information contained in its records with respect to the Collateral and shall, within three Business Days after receipt of such Monthly Report, notify the Issuer, the Collateral Administrator and the Trustee if the information contained in the Monthly Report does not conform to the information maintained by the Collateral Manager, detailing any discrepancies. In the event that any discrepancy exists, the Collateral Administrator and the Issuer, or the Collateral Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days direct the Issuer's Independent accountants to review such Monthly Report and the Collateral Manager's records to determine the cause of such discrepancy. If such review reveals an error in the Monthly Report or the Collateral Manager's records, the Monthly Report or the Collateral Manager's records shall be revised accordingly.

(b) Payment Date Accounting. The Issuer (or the Collateral Administrator on its behalf) shall cause to be rendered the Payment Date Report, determined as of each Determination Date, and shall make such Payment Date Report available to the Trustee (who shall make available such Payment Date Report to each Holder, any requesting Certifying Holder, the Collateral Manager, the Initial Purchaser and each Rating Agency) as set forth in Schedule G. The Issuer may cause an electronic copy of the information from the Payment Date Report that the Collateral Manager deems appropriate to be delivered to each Financial Market Publisher. The Trustee shall cause each Payment Date Report to be made available to Intex Solutions, Inc. and/or Bloomberg Financial Markets. For the avoidance of doubt, no Payment Date Report shall be required for any Payment Date designated in accordance with the definition thereof.

(c) Closing Date Accounting. On each of (i) the Business Day immediately following the Closing Date and (ii) the 11th day of each month (or, if any such day is not a Business Day, the next succeeding Business Day) beginning March 2019 to and including August 2019 (or, if sooner, the month immediately preceding the month in which the Effective Date occurs), the Issuer (or the Collateral Administrator on its behalf) shall compile a cash file identifying the Collateral Assets and certain information related thereto, in each case determined as of the immediately preceding Business Day (each such file, a "**Cash File**"). (g) To the extent of a failure of either of the Co-Issuers or the Collateral Manager to provide information or reports pursuant to this Section 10.5, the Trustee shall, subject to the caps set forth in the Priorities of Payment, be entitled to retain an Independent certified public accountant in connection therewith and the reasonable costs incurred by the Trustee for such Independent certified public accountant shall constitute Issuer Expenses.

(h) Annual Reminder. On each anniversary of the Closing Date (or the next Business Day, if such anniversary is not a Business Day), the Trustee will send to the Depository the notice set forth in clause (d) above accompanied by a request that it be transmitted to the owners of Notes on the books of the Depository, identifying the Notes to which it relates, and requesting the Holder to convey copies of such notice to each Person who is shown on its records as an owner of Notes held by it.

The Trustee will make the Monthly Report and the Payment Date Report available via its internet website and Intex Solutions, Inc. and Bloomberg Financial Markets shall have access to such reports and other data files posted on such internet website; and the Issuer consents to such reports and other data files being made available by Intex Solutions, Inc. to its subscribers provided that Intex Solutions, Inc. takes reasonable measures to ensure that such reports and files are accessed only by users who meet the securities law qualifications for holding Notes. The Trustee shall post a notice received from the Collateral Manager of the execution of a Trading Plan on its internet website within one Business Day of its receipt thereof and the Collateral Manager (on behalf of the Issuer) shall provide such Trading Plan to the Information Agent for posting in accordance with Section 10.8. The Trustee's internet website shall initially be located at [www.ctslink.com](http://www.ctslink.com). Assistance in using the website can be obtained by contacting the Trustee's Corporate Trust Office. Parties that are unable to use the above distribution option are entitled to have a paper copy mailed to them via first class mail by calling the investor relations desk and indicating such. The Trustee shall have the right to change the way such statements are distributed in order to make such distribution more convenient and/or more accessible to the above parties and the Trustee shall provide timely and adequate notification to all above parties regarding any such changes. As a condition to access to the Trustee's internet website, the Trustee may require registration and the acceptance of a

disclaimer. The Trustee will not be liable for the information it is directed or required to disseminate in accordance with this Indenture. (j) In the event the Trustee receives instructions from the Issuer or Collateral Manager to effect a securities transaction as contemplated in 12 CFR 12.1, the Issuer acknowledges that upon its written request and at no additional cost, it has the right to receive the notification from the Trustee after the completion of such transaction as contemplated in 12 CFR 12.4 (a) or (b). The Issuer agrees that, absent specific request, such notifications shall not be provided by the Trustee hereunder, and in lieu of such notifications, the Trustee shall make available the reports in the manner required by this Indenture. On the Closing Date, the Collateral Manager (on behalf of the Issuer) shall deliver a schedule of Collateral Assets, as of the Closing Date, to Intex Solutions, Inc. and Bloomberg Financial Markets.

Section 10.6 Release of Pledged Asset. (c) Subject to Article XII, the Collateral Manager may, by written direction delivered to the Trustee at least two Business Days prior to the date set for an exchange, tender or sale, certifying that a Pledged Asset is subject to an Offer and setting forth in reasonable detail the procedure for response to such Offer, direct the Trustee or, at the Trustee's instructions, to the Intermediary to deliver such Pledged Asset, if in physical form, duly endorsed, or, if such Pledged Asset is a Clearing Corporation Security, to cause it to be delivered, in accordance with such Issuer Order, in each case against receipt of payment therefor.

(d) The Trustee shall deposit any Sale Proceeds received by it from the disposition of a Pledged Asset in the Collection Account, unless such Sale Proceeds are simultaneously applied to the purchase of Collateral Assets or Eligible Investments as permitted under and in accordance with requirements of Article XII.

(e) The Trustee shall, upon receipt of an Issuer Order at such time as there are no Notes Outstanding and all obligations of either of the Co-Issuers hereunder have been satisfied, release the Collateral.

(f) Following delivery of any Pledged Asset pursuant to this Section 10.6, such Pledged Asset shall be released from the lien of this Indenture without further action by the Trustee or the Issuer.

(g) The Trustee shall, upon receipt of an Issuer Order, release from the lien of this Indenture any Collateral Asset or other Pledged Asset being transferred to an Issuer Subsidiary and deliver such Collateral Asset or other Pledged Asset to be held by the Issuer Subsidiary (or a custodian on behalf of the Issuer Subsidiary) in exchange for the pledge of the equity interest in such Issuer Subsidiary. (a) Notwithstanding anything in this Indenture to the contrary (including, without limitation, the Priority of Interest Payments and the Priority of Principal Payments), if any Event of Default has occurred and has not been cured or waived and acceleration occurs in accordance with Article V and until such acceleration has been rescinded in accordance with Article V, including, without limitation, as a result of an Event of Default specified in Section 5.1(g) or (h), then on each Payment Date thereafter, the Trustee shall disburse all Principal Proceeds, Interest Proceeds and any other cash on deposit in the Payment Account in accordance with the Acceleration Waterfall.

(b) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders of each Lower-Ranking Class agree for the benefit of the Holders of each Higher-Ranking Class that each Lower-Ranking Class and the Issuer's rights in and to the Collateral (the "**Subordinate Interests**") shall be subordinate and junior to each Higher-Ranking Class to the extent and in the manner set forth in this Indenture, including, without limitation, as set forth in the Priorities of Payment. If any Event of Default has occurred and has not been cured or waived and acceleration occurs in accordance with Article V, including, without limitation, as a result of an Event of Default specified in Section 5.1(g) or (h), each Higher-Ranking Class shall be paid in full in cash or, to the extent a Majority of such Higher-Ranking Class consents, other than in cash, before any further payment or distribution is made on account of the Subordinate Interests. The Holders of each Class of Notes agree, for the benefit of each other Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of all Notes and not before one year (or, if longer, the applicable preference period then in effect) *plus* one day has elapsed since such payment.

(c) In the event that any Holder of any Subordinate Interests shall have received any payment or distribution in respect of such Subordinate Interests contrary to the provisions of this Indenture, then, unless and until each Higher-Ranking Class shall have been paid in full in cash or, to the extent a Majority of such Higher-Ranking Class consents, other than in cash, in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the Higher-Ranking Classes, in

accordance with this Indenture; *provided, however*, that, if any such payment or distribution is made other than in cash, it shall be held by the Trustee as part of the Collateral and subject in all respects to the provisions of this Indenture, including, without limitation, this Section 13.1.

(d) Each Holder of Subordinate Interests agrees with all Holders of Higher-Ranking Classes, that such Holder of Subordinate Interests shall not demand, accept, or receive any payment or distribution in respect of such Subordinate Interests in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided, however*, that after each Higher-Ranking Class has been paid in full, the Holders of Subordinate Interests shall be fully subrogated to the rights of the Holders of the Higher-Ranking Classes. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of Subordinate Interests.

Section 13.2 Standard of Conduct. Subject to the terms and conditions of this Indenture (including, without limitation, Section 5.9), in exercising any of its or their Voting Rights under this Indenture, no Holder shall have any obligation or duty to any Person, shall not be required to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken (without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person), except for any liability to which such Holder may be subject to the extent such liability results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3 Right to List of Holders. Any Holder or Certifying Holder shall have the right, but only after the occurrence and during the continuance of a Default or an Event of Default or notice to the Holder or Certifying Holder of any proposed supplemental indenture pursuant to Section 8.2 and upon five Business Days' prior written notice to the Trustee, to obtain a complete list of Holders (and other Certifying Holders, if any, to the extent known to the Trustee and who have agreed to be so identified); *provided*, that each Holder or Certifying Holder agrees by acceptance of such list that the list shall be used for no purpose other than the exercise of its rights under this Indenture. The Initial Purchaser and, in conjunction with the entry into any supplemental indenture that requires the consent of any Holder, the Collateral Manager will have the right to obtain a complete list of Holders at any time upon five Business Days' prior notice to the Trustee. The Collateral Manager shall have the right to (i) obtain a complete list of Holders at any time upon five Business Days' prior written notice to the Trustee and (ii) otherwise direct the Trustee (at the cost of the Issuer) to request a list of participants holding interests in the Notes from one or more book-entry depositories and provide such list to the Collateral Manager. At any other time and at the expense of the Holder or Certifying Holder so requesting, a Holder or Certifying Holder may request that the Trustee forward a notice to the Holders or Certifying Holders on its behalf.

Section 13.4 Information Regarding Holders. (a) The Trustee shall provide to the Issuer and the Collateral Manager upon reasonable request all reasonably available information in the possession of the Trustee and specifically requested by the Issuer or the Collateral Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements, including, for the avoidance of doubt, to

comply with the Cayman AML Regulations, FATCA or with the Cayman FATCA Legislation. The Trustee shall provide to the Issuer and the Collateral Manager upon request a list of Holders (including beneficial owners who have provided the Trustee with a beneficial holder certificate for any purpose). The Trustee shall obtain and provide to the Issuer and the Collateral Manager upon request a list of Agent Members holding positions in the Notes at the cost of the Issuer as an Issuer Expense to the extent funds are available to pay such expense. The Trustee shall not have any liability for any such disclosure or, subject to its duties in this Indenture, for the accuracy thereof. Notwithstanding the foregoing, the Trustee shall not be required to disclose any information which the Trustee determines would be inconsistent with the terms of this Indenture or applicable law.

(b) Each purchaser of Notes, by its acceptance of an interest in Notes, agrees to provide to the Issuer (or agents acting on its behalf) and the Collateral Manager all information reasonably available to it that is reasonably requested by the Collateral Manager in connection with regulatory matters, including, without limitation, the Cayman AML Regulations and any information that is necessary or advisable in order for the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Collateral Manager from time to time.

## ARTICLE XIV

### MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of either of the Co-Issuers or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that such certificate, opinion or representations with respect to the matters upon which its certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of either of the Co-Issuers or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person (on which the Trustee shall also be entitled to rely), stating that the information with respect to such factual matters is in the possession of such Person, unless such Authorized Officer or such counsel knows that such certificate, opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Authorized Officer of the Issuer, the Co-Issuer or the Collateral Manager, stating that the information with respect to

such matters is in its possession, unless such counsel knows that such certificate, opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or an Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either of the Co-Issuers, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have actual knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; *provided, however*, that any Person providing such instructions or directions shall provide to the Bank an incumbency certificate listing Persons who may provide such instructions or directions, which incumbency certificate shall be amended whenever a Person is added or deleted from the listing. If such Person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any Person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Bank, including without limitation, the risk of the Bank acting on unauthorized instructions and the risk of interception and misuse by third-parties and acknowledges and agrees that there may be more secure methods of transmitting such instructions than the method(s) selected by it and agrees that the security procedures (if any) to be followed in connection with its transmission of such instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Section 14.2 Acts of Holders; Voting. (a) Any Vote provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "**Act**" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and each of the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner that the Trustee deems sufficient.

(c) The principal amount and registered numbers of Notes held by any Person, and the date of its holding the same, shall be proved by the Note Register.

(d) Any Vote or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(e) Reserved.

(f) Notwithstanding any other provision of this Indenture, with respect to any Global Note, each Certifying Holder may Vote (including with respect to remedies, supplemental indentures, Optional Redemption and Refinancing Redemption) as if it were the Holder of the related interest in such Global Note; *provided* that it demonstrates to the satisfaction of the Trustee that the Holder of the Global Note has not acted on behalf of such beneficial owner with respect to the same action. The Trustee shall not be required to take any action that it determines might involve it in liability unless it has been provided with indemnity satisfactory to it.

(g) Notwithstanding any other provision of this Indenture or in any of the other Transaction Documents to the contrary, Holders of the Class Y Notes and the Class Z Notes will not be entitled to make or give any vote, request, demand, authorization, direction, notice, consent, waiver or similar action (whether as a Class or otherwise) and will not constitute part of any Majority or Supermajority of Notes, except that Holders of the Class Y Notes and the Class Z Notes will be entitled to vote in connection with any supplemental indenture or amendment which affects the Class Y Notes or the Class Z Notes, as applicable, as a Class exclusively and differently from the Holders of any other Class (including, without limitation, any supplemental indenture or amendment that would reduce the amount payable on such Class). The Trustee may rely on an Opinion of Counsel or Officer's certificate of the Issuer or the Collateral Manager (which opinion or certificate may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion or officer delivering such certificate, respectively) in order to determine whether any supplemental indenture or amendment would affect the Class Y Notes or the Class Z Notes, as applicable, as a Class exclusively and differently from the Holders of any other Class; provided that Holders of the Class Y Notes and/or the Class Z Notes may waive any right to vote or consent and any requirement for an Opinion of Counsel or Officer's certificate in connection with any proposed supplemental indenture or amendment by written notice to the Trustee.

Section 14.3 Notices. Except as otherwise expressly provided herein, any request, demand, authorization, instruction, certification, designation, direction, notice, consent, waiver, confirmation or Act of Holders or other documents provided or permitted by this Indenture to be made upon, given or furnished to, or filed with any of the parties identified on

Schedule H shall be sufficient for every purpose hereunder if in writing and if made, given, furnished or filed in writing to and mailed, by certified mail, return receipt requested, hand delivered, sent by overnight courier service guaranteeing next day delivery or by telecopy in legible form (with confirmation of receipt thereof) at the address set forth on Schedule H (or at any other address provided in writing by the relevant party).

Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified on Schedule H pursuant to this Section 14.3 may be provided by providing notice of, and access to, the Trustee's website containing such information or document.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture or the Collateral Management Agreement provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders, if in writing and mailed, first class postage prepaid or overnight mail, to each Holder, as the case may be, of any event, as affected by such event, at the address of such Holder as it appears in the Note Register, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice, or in the case of Notes in book-entry form, upon posting to the appropriate DTC website;

(b) such notice shall be in the English language; and

(c) such notices will be deemed to have been given on the date of such mailing or posting.

The Trustee will deliver to the Holders of the Notes any information in the possession of the Trustee or notice requested in accordance with this Indenture to be so delivered by at least 25% of the Aggregate Outstanding Amount of any Class of Notes. The Trustee shall have no liability for such disclosure or, subject to its duties herein, the accuracy thereof.

The Trustee will make available to the Collateral Manager and each Hedge Counterparty copies of all notices and reports made available by the Trustee to any Holder pursuant to the terms hereof by the same means and simultaneously with the delivery thereof to such Holder.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be

filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Notwithstanding any provision to the contrary in this Indenture or in any agreement or document related hereto, any information or documents (including, without limitation reports, notices or supplemental indentures) required to be provided by the Trustee to Persons identified in this Section 14.4 may be provided by providing notice of, and access to, the Trustee's website containing such information or document.

The Trustee shall promptly (without assuming any obligations to such Person, including for its failure to do so) deliver (including by access to its website) duplicate copies of all reports, notices and statements to any Person specified in Schedule H that the Trustee is required to deliver to any Holder of Notes of the Class specified therein, at the address set forth in Schedule H (or at any other address furnished in writing from time to time to the Trustee).

The Trustee shall promptly deliver a notice to the Collateral Manager as described in Section 18(b) of the Collateral Management Agreement upon receipt of a written direction by the Holders of 25% of the Subordinated Notes or by the Holders of 25% of the Aggregate Outstanding Amount of the Controlling Class.

DTC or its nominee will be deemed the owner of all Global Notes for purposes of any notices under this Indenture, and owners of beneficial interests in Global Notes will not be deemed the Holders of any Notes for the purposes of receiving any notices. The Co-Issuers expect that DTC or its nominee, upon receipt of any notice, will deliver the notice to its participants in accordance with its customary procedures.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by either of the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Separability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Holders, the Collateral Manager, the Collateral Administrator, the Bank in any other capacity under the Transaction Documents, and the Hedge Counterparties (which shall be express third-party beneficiaries of this Indenture) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Governing Law. THIS INDENTURE AND EACH NOTE, AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT) THAT

MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS INDENTURE AND ANY NOTE, OR THE NEGOTIATION, EXECUTION OR PERFORMANCE OF THIS INDENTURE (INCLUDING ANY CLAIM OR CAUSE OF ACTION BASED UPON, ARISING OUT OF OR RELATED TO ANY REPRESENTATION OR WARRANTY MADE IN OR IN CONNECTION WITH THIS INDENTURE OR AS AN INDUCEMENT TO ENTER INTO THIS INDENTURE), SHALL BE GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK.

Section 14.10 Submission to Jurisdiction. Each of the Co-Issuers hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or Proceeding arising out of or relating to the Notes or this Indenture, and each of the Co-Issuers hereby irrevocably agrees that all claims in respect of such action or Proceeding may be heard and determined in such New York State or federal court. Each of the Co-Issuers hereby irrevocably waives, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or Proceeding. Each of the Co-Issuers consents to the service of any and all process in any action or Proceeding by the mailing or delivery of copies of such process to it at the office of the Process Agent. Each of the Co-Issuers agrees that a final judgment in any such action or Proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.11 Counterparts. This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. This instrument may be executed and delivered in .pdf format.

Section 14.12 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alia*, each of the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any steps to enforce, or bring any action or Proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other. In particular, neither of the Co-Issuers nor any Issuer Subsidiary shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other or shall have any claim in respect of any assets of the other.

Section 14.13 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.14 Waiver of Jury Trial. **THE TRUSTEE, THE HOLDERS, EACH BENEFICIAL OWNER (BY THEIR ACCEPTANCE OF THE NOTES) AND EACH OF THE CO-ISSUERS EACH HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN**

**CONNECTION WITH, THIS INDENTURE, THE NOTES OR ANY OTHER RELATED DOCUMENTS, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN), OR ACTIONS OF THE TRUSTEE OR EITHER OF THE CO-ISSUERS. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE TRUSTEE, EACH HOLDER, EACH BENEFICIAL OWNER AND EACH OF THE CO-ISSUERS TO ENTER INTO THIS INDENTURE.**

Section 14.15 Survivals. Notwithstanding the satisfaction and discharge of this Indenture pursuant to Article IV, the rights and obligations of each of the Co-Issuers, the Trustee and, if applicable, the Holders, as the case may be, under Sections 2.7, 4.1(a)(viii), 4.2, 5.4(d), 5.9, 5.18, 6.7, 7.1, 7.3(f) and 13.1 and this Section 14.15 shall survive.

Section 14.16 Proceedings. Each purchaser, beneficial owner and subsequent transferee of a Note will be deemed by its purchase to acknowledge and agree as follows: (i)(a) the express terms of this Indenture govern the rights of the Noteholders to direct the commencement of a Proceeding against any person, (b) this Indenture contains limitations on the rights of the Noteholders to direct the commencement of any such Proceeding, and (c) each Noteholder shall comply with such express terms if it seeks to direct the commencement of any such Proceeding; (ii) there are no implied rights under this Indenture to direct the commencement of any such Proceeding; and (iii) notwithstanding any provision of this Indenture, or any provision of the Notes, or of the Collateral Administration Agreement or of any other agreement, the Issuer shall be under no duty or obligation of any kind to the Noteholders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Trustee, the Collateral Manager, the Collateral Administrator or the Calculation Agent.

## ARTICLE XV

### COLLATERAL MANAGEMENT

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Issuer's payment obligations hereunder and the performance and observance of the provisions hereof, hereby collaterally assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties all of the Issuer's right, title and interest in, to and under the Collateral Management Agreement, including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided*, that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in clauses (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived; *provided*,

*however*, the Trustee hereby grants the Issuer a license to exercise any and all of its rights under the Collateral Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture), so long as an Event of Default has not occurred and is not continuing, which license shall be and is hereby deemed to be automatically revoked upon the occurrence of any Event of Default hereunder until such time, if any, as the Event of Default is cured or waived. The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee. From and after the occurrence and continuance of an Event of Default, the Collateral Manager shall continue to perform and be bound by the provisions of the Collateral Management Agreement and this Indenture, and the Trustee shall be entitled to rely and be protected in relying upon all actions and omissions to act of the Collateral Manager thereafter as fully as if no Event of Default has occurred.

(b) Upon the retirement of the Notes and the release of the Collateral from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

Section 15.2 Standard of Care Applicable to Collateral Manager. For the avoidance of doubt, the standard of care set forth in the Collateral Management Agreement shall apply to the Collateral Manager with respect to those provisions of this Indenture applicable to the Collateral Manager.

The "**Senior Collateral Management Fee**" will accrue from the Closing Date and be payable to the Collateral Manager in arrears on each Payment Date in accordance with the Priorities of Payment in an amount (as certified by the Collateral Manager to the Trustee) equal to 0.20% *per annum* (calculated on the basis of a 360-day year and the actual number of days elapsed during the applicable Interest Accrual Period) of the Quarterly Asset Amount with respect to such Payment Date. To the extent not paid when due on any Payment Date, the Senior Collateral Management Fee shall remain due and payable and shall be payable on subsequent Payment Dates in accordance with the Priorities of Payment, and shall bear interest at a rate per annum equal to three-month LIBOR *plus* 0.20% for the period from (and including) the date on which such Senior Collateral Management Fee is due and payable to (but excluding) the date of payment thereof.

***Subordinated Collateral Management Fee***.....

The "**Subordinated Collateral Management Fee**" will accrue from the Closing Date and be payable to the Collateral Manager in arrears on each Payment Date in an amount (as certified by the Collateral Manager to the Trustee) equal to 0.2375% *per annum* (calculated on the basis of a 360-day year and the actual number of days elapsed during the applicable Interest Accrual Period) of the Quarterly Asset Amount with respect to such Payment Date.

The Collateral Manager may, in its sole discretion (but shall not be obligated to), elect to waive all or any portion of the Subordinated Collateral Management Fee payable to the Collateral Manager on any Payment Date. Any such election shall be made by the Collateral Manager delivering written notice thereof to the Trustee and the Collateral Administrator no later than the Determination Date immediately prior to the related Payment Date. Any election to waive the Subordinated Collateral Management Fee may also be made in the form of written standing instructions to the Trustee and the Collateral Administrator; *provided* that such standing instructions may be rescinded by the Collateral Manager at any time except during the period between a Determination Date and the corresponding Payment Date, unless otherwise specifically agreed to between the Collateral Manager and the Holders of the Subordinated Notes or if such standing instructions to the Trustee and the Collateral Administrator are stated to be irrevocable. Any Subordinated Collateral Management Fee so waived by the Collateral Manager will not be payable at any time in the future.

To the extent not paid on any Payment Date when due and not waived, the Subordinated Collateral Management Fee will be deferred and will be payable on the immediately subsequent Payment Date (and any Payment Date thereafter) until paid in full in accordance with the Priorities of Payment. If any Subordinated Collateral Management Fee is not paid on a Payment Date due to there being insufficient funds available to pay it in accordance with the Priorities of Payment, such deferred fee (the "**Deferred Subordinated Collateral Management Fee**") will bear interest at a rate per annum equal to three-month LIBOR *plus* 6.30% for the period from (and including) the date on which such Subordinated Collateral Management Fee is due and payable to (but excluding) the date of payment thereof.

will be calculated based on the distributions made on the Subordinated Notes issued on the Closing Date and without taking into account any distributions made on any Subordinated Notes issued after the Closing Date. If, on a Payment Date, Holders of the Subordinated Notes have received the Target Return (including by giving effect to payments made on such Payment Date), then after payment of all amounts senior in right of payment to the Subordinated Notes and any amount needed to cause the Holders of Subordinated Notes to receive an Internal Rate of Return equal to the Target Return, 20% of the remaining Interest Proceeds and Principal Proceeds available for distribution will be distributed in accordance with the Priorities of Payment to the Collateral Manager as the "**Incentive Collateral Management Fee**". If the Collateral Manager resigns or is removed for any reason, any accrued and unpaid Incentive Collateral Management Fee shall be divided between the former Collateral Manager and the successor Collateral Manager in accordance with the Collateral Management Agreement.

*Class Y Notes* ..... On the Closing Date, the Issuer will issue the Class Y Notes (the "**Class Y Notes**") to holders of the Subordinated Notes (on a pro rata basis, based upon the Aggregate Outstanding Amount of Subordinated Notes purchased on the Closing Date), which will not bear a stated rate of interest or receive payments in respect of principal but will be entitled to receive the Class Y Note Payment Amount and the Deferred Class Y Note Payment Amount on each Payment Date if and to the extent funds are available for such purpose pursuant to the Priorities of Payment. The Class Y Notes will have a notional balance of U.S.\$1,875,000 solely for purposes of transfers and exchanges and allocating such payments among holders of the Class Y Notes.

*Class Z Notes* ..... On the Closing Date, the Issuer will issue the Class Z Notes (the "**Class Z Notes**") to holders of a Majority of the Subordinated Notes on the Closing Date, which will not bear a stated rate of interest or receive payments in respect of principal but will be entitled to receive the Class Z Note Payment Amount to the extent funds are available for such purpose pursuant to the Priorities of Payment. A Majority of the Controlling Class will have the right to unilaterally direct the acceleration of the Secured Notes following the occurrence and, in certain cases, during the continuance, of an Event of Default. The Secured Notes will automatically and immediately accelerate upon certain insolvency events of the Co-Issuers. A Majority of each Class of Secured Notes then Outstanding (voting separately by Class) will have the right, in certain cases, to direct the liquidation of the Collateral following an Event of Default. With respect to any Required Direction from the Collateral Manager (other than a Required Direction in connection with a Regulatory Refinancing), such direction will be subject to the written objection of a Majority of the

Subordinated Notes. Such written objection must be provided to the Issuer, the Collateral Manager and the Trustee by a Majority of the Subordinated Notes within five Business Days of the delivery of written notice of the Required Direction. Any Holder of Subordinated Notes that does not object in writing within five Business Days of the delivery of written notice of the Required Direction will be deemed to have consented to such Required Direction.

\$2,563,400 (the "**Closing Date Interest Deposit Amount**") may be designated by the Collateral Manager as Interest Proceeds and/or Principal Proceeds on or prior to the second Determination Date.

Approximately \$1,338,600 of the net proceeds of the issuance of the Notes, shall be deposited into the Expense Reserve Account on the Closing Date for the payment of certain expenses of the Issuer incurred in connection with the issuance of the Notes and may be designated by the

Collateral Manager as Interest Proceeds and/or Principal Proceeds on or prior to the second Determination Date.

The "**Target Par Asset Balance**" equals, on any date of determination, the sum of (i) the Aggregate Principal Balance of all Collateral Assets that are held by the Issuer as of such date, (ii) the Aggregate Principal Balance of the Collateral Assets which the Issuer has committed to purchase as of such date, (iii) the amount of any proceeds (that are Principal Proceeds) of prepayments, maturities or redemptions of Collateral Assets (other than any such proceeds that have been reinvested in, or committed to be reinvested in, Collateral Assets by the Issuer as of the Effective Date), (iv) the amount of any proceeds (that are Principal Proceeds) of sales of Collateral Assets (other than any such proceeds that have been reinvested in, or committed to be reinvested in, Collateral Assets by the Issuer as of the Effective Date) and (v) the amount of Unused Proceeds held in the Unused Proceeds Account (and not (x) required to fund commitments which the Issuer has made to purchase Collateral Assets or (y) designated by the Collateral Manager as Interest Proceeds on or prior to such date of determination, so long as the Effective Date Interest Deposit Condition is satisfied); *provided* that the aggregate amount included pursuant to the foregoing clauses (iv) and (v) shall not exceed 5.00% of the Effective Date Target Par Amount.

Subject to the limitations contained in the following paragraphs, the Collateral Manager on behalf of the Issuer may sell, at any time during the Reinvestment Period or the Amortization Period (including after an acceleration of the Notes; *provided, that*, following such acceleration of the Notes, a Supermajority of the Controlling Class has not delivered a written notice of objection to the Issuer, the Trustee and the Collateral Manager with respect to any sales (other than sales for which the Trade Date has already occurred prior to such acceleration) contemplated below): (a) any Credit Risk Asset, (b) any asset that is subject to withholding tax, (c) any Defaulted Asset, (d) any Equity Security or Issuer Subsidiary Asset (or the Issuer's entire interest in an Issuer Subsidiary, so long as such interest does not constitute a "United States real property interest" for U.S. federal income tax purposes), (e) any Credit Improved Asset or (f) any Collateral Asset not described in clauses (a) through (e) if, after giving effect to such sale (each such sale described in this clause (f), a "**Discretionary Sale**"), the Aggregate Principal Balance of all Collateral Assets sold in a Discretionary Sale after the Effective Date for a given consecutive 12 calendar month period (or, for the first consecutive 12 month period after the Effective Date, during the period commencing on the Effective Date) pursuant to this clause (f) is no greater than 30% of the Collateral Principal Balance as of the first day of such consecutive 12 calendar month period (*provided* that (x) no such limitation shall apply to sales of Collateral Assets with respect to any period prior to the Effective Date and (y) for purposes of determining the percentage of Collateral Assets sold during any such period, the amount of any Collateral Assets sold will be reduced to the extent of any purchases of Collateral Assets of the same obligor (which are *pari passu* or senior to such sold Collateral Assets) occurring within 30 Business Days of such sale so long as any such Collateral Asset was sold with the intention of purchasing a Collateral Asset of the same obligor (which would be *pari passu* or senior to such sold Collateral Asset)).

The Collateral Manager may direct a Discretionary Sale:

(A) during the Reinvestment Period, if the Collateral Manager reasonably believes prior to such sale that it will be able to enter into binding commitments on behalf of the Issuer to reinvest all or a substantial portion of the Sale Proceeds of such sale (or, if less, the aggregate principal amount of such sold Collateral Asset) in additional Collateral Assets with an Aggregate Principal Balance at least equal to the Principal Balance of the Collateral Asset sold within 45 Business Days of such sale; or

(B) at any time, if (1) the Aggregate Principal Balance of the Collateral Assets will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Assets immediately prior to such sale), (2) the Sale Proceeds from such Discretionary Sale are at least sufficient to maintain or increase the Criteria Adjusted Collateral Principal Balance (when compared to the Criteria Adjusted Collateral Principal Balance immediately prior to such sale), or (3) after giving effect to such Discretionary Sale, the Collateral Principal Balance (excluding the Collateral Asset being disposed of but including, without

duplication, the anticipated net proceeds of such disposition), will be greater than or equal to the Reinvestment Target Par Balance.

The Collateral Manager may sell a Defaulted Asset, Credit Risk Asset or a Credit Improved Asset at any time without restriction.

The Collateral Manager on behalf of the Issuer may direct the Trustee in writing by Issuer Order (which shall be deemed given upon submission of a trade confirmation to the Trustee) to sell, purchase and/or exchange any Collateral Asset or other asset identified herein in connection with an Exchange Transaction at any time.

In the case of the sale of a Credit Improved Asset during the Reinvestment Period, if the Collateral Manager is unable to enter into trades to reinvest the Sale Proceeds with respect to such Credit Improved Asset prior to the end of the Reinvestment Period, such Sale Proceeds shall be considered Principal Proceeds and transferred to the Principal Collection Subaccount for distribution on the next Payment Date.

The Collateral Manager will use commercially reasonable efforts to sell each Equity Security (including any Equity Security held by any Issuer Subsidiary).

The Collateral Manager will use commercially reasonable efforts to sell each Equity Security (including any Equity Security held by any Issuer Subsidiary) or Collateral Asset that constitutes Margin Stock not later than 45 days after the later of the date of the Issuer's acquisition thereof or the date such Equity Security or Collateral Asset became Margin Stock.

The Collateral Manager will sell Collateral Assets without regard to the preceding limitations in connection with an Optional Redemption, a Clean-Up Call Redemption or the Stated Maturity Date. In addition, in connection with the Stated Maturity Date, the Collateral Manager will also sell the Issuer's interests in any Issuer Subsidiary that holds any assets at that time, or will liquidate such Issuer Subsidiary, in accordance with the Indenture.

Notwithstanding the other requirements set forth herein, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may conduct an auction on behalf of the Issuer or any Issuer Subsidiary, as applicable, of Unsaleable Assets in accordance with the procedures described in this paragraph. Promptly after receipt of written notice from the Collateral Manager of such auction, the Trustee will provide notice of an auction (in such form as is prepared by the Collateral Manager) to the Holders, setting forth in reasonable detail a description of each Unsaleable Asset and the following auction procedures: (i) any Holder or beneficial owner of Notes may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Unsaleable Assets no later than the date specified in the auction notice (which will be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of Notes submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in-kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee will provide notice thereof to each Holder of Notes and offer to deliver (at such Holder's expense) a

pro rata portion (as determined by the Collateral Manager) of each unsold Unsaleable Asset to the Holders or beneficial owners of the most senior Class of Notes that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations governing such Unsaleable Asset; *provided* that, to the extent that such minimum denominations do not permit a pro rata distribution, the Trustee will distribute the Unsaleable Assets on a pro rata basis (as determined by the Collateral Manager) to the extent possible and the Collateral Manager will select by lottery the Holder or beneficial owner of Notes to whom the remaining amount will be delivered and deliver written notice thereof to the Trustee; *provided, further*, that the Trustee will use commercially reasonable efforts to effect delivery of such interests as directed by the Collateral Manager (at no cost to the Trustee); and (iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee will promptly notify the Collateral Manager and offer to deliver (at the cost of the Collateral Manager) the Unsaleable Assets to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee will take such action (at no cost to the Trustee) as directed by the Collateral Manager (on behalf of the Issuer or any Issuer Subsidiary, as applicable) in writing to dispose of the Unsaleable Assets, which may be by donation to a charity, abandonment or other means. The Trustee's responsibilities with respect to Unsaleable Assets will be solely as set forth herein.

### **Purchases of Collateral Assets**

The Collateral Manager will use commercially reasonable efforts to invest Principal Proceeds in Collateral Assets promptly following any sale of Collateral Assets during the Reinvestment Period. Principal Proceeds (including Post-Reinvestment Principal Proceeds) may be invested in Eligible Investments pending reinvestment.

No Collateral Asset may be purchased unless (a) the Notes have not been accelerated (or if an acceleration has occurred, such acceleration has been rescinded in accordance with this Indenture) and (b) each of the following conditions (the "**Investment Criteria**") is satisfied as of the applicable Trade Date, in each case, after giving effect to such purchase and all previous and contemporaneous sales and purchases, based on outstanding orders, trade confirmations and executed assignments:

- (i) if such Trade Date occurs during the Reinvestment Period:
  - (A) such Collateral Asset satisfies the Eligibility Criteria; and
  - (B) if such Trade Date is after the Effective Date:
    - (I) each Coverage Test will be satisfied or, if not satisfied, maintained or improved; *provided that*, notwithstanding the foregoing in connection with the reinvestment of the Sale Proceeds of a Defaulted Asset, the Class A/B Par Coverage Test will also be satisfied;
    - (II) each Collateral Quality Test and the Portfolio Concentration Limits will be satisfied or, if not satisfied, maintained or improved;
    - (III) with respect to the use of Principal Proceeds of Discretionary Sales and Credit Improved Assets, the Reinvestment Balance Criteria will be satisfied; and

(IV) other than in an Exchange Transaction, with respect to the use of Principal Proceeds of Defaulted Assets and Credit Risk Assets, either (1) the Aggregate Principal Balance of the Collateral Assets purchased with such Principal Proceeds will be greater than or equal to the Sale Proceeds of such disposition or (2) the Reinvestment Balance Criteria will be satisfied.

(ii) if such Trade Date occurs after the Reinvestment Period, Post-Reinvestment Principal Proceeds may, in the sole discretion of the Collateral Manager (with notice to the Trustee and the Collateral Administrator), be reinvested in additional Collateral Assets ("**Substitute Assets**") subject to the satisfaction of the following conditions:

(A) each Substitute Asset satisfies the Eligibility Criteria;

(B) in connection with the reinvestment of the Sale Proceeds of a Prepaid/Sold Post-Reinvestment Collateral Asset that meets the criteria set forth in clause (ii) of the definition thereof, either (1) the Aggregate Principal Balance of the Substitute Assets *plus* any remaining Post-Reinvestment Principal Proceeds from such Prepaid/Sold Post-Reinvestment Collateral Assets equals or exceeds the Sale Proceeds of such Prepaid/Sold Post-Reinvestment Collateral Assets or (2) the Reinvestment Balance Criteria will be satisfied;

(C) with respect to purchases with proceeds from Prepaid/Sold Post-Reinvestment Collateral Assets that meet the criteria set forth in clause (i) of the definition thereof, the Reinvestment Balance Criteria will be satisfied;

(D) the stated maturity of each Substitute Asset is equal to or earlier than both (x) the stated maturity of the related Prepaid/Sold Post-Reinvestment Collateral Asset and (y) the Stated Maturity Date;

(E) each Substitute Asset will have the same or higher S&P Rating and Moody's Default Probability Rating as the related Prepaid/Sold Post-Reinvestment Collateral Asset;

(F) either (I) each requirement or test, as the case may be, of the Portfolio Concentration Limits and the Collateral Quality Tests (other than the Moody's Weighted Average Rating Factor Test, the Weighted Average Life Test and clauses (e) and (f) of the Portfolio Concentration Limits) will be satisfied after giving effect to such reinvestment or (II) if any such requirement or test (other than the Moody's Weighted Average Rating Factor Test, the Weighted Average Life Test and clauses (e) and (f) of the Portfolio Concentration Limits) was not satisfied immediately prior to (x) the receipt of the Post-Reinvestment Principal Proceeds or (y) the sale of a Credit Risk Asset in respect of which the proceeds are being applied to the relevant acquisition, such requirement or test will be maintained or improved after giving effect to such reinvestment;

(G) a Restricted Trading Condition is not then in effect;

(H) each Coverage Test will be satisfied after giving effect to such reinvestment;

(I) the Moody's Weighted Average Rating Factor Test and clauses (e) and (f) of the Portfolio Concentration Limits will be satisfied after giving effect to such reinvestment;

(J) (1) if the Weighted Average Life Test was not satisfied on the last day of the Reinvestment Period, the Weighted Average Life Test will be satisfied after giving effect to such reinvestment and (2) if the Weighted Average Life Test was satisfied on the last day of the Reinvestment Period, either (A) the Weighted Average Life Test will be satisfied after giving effect to such reinvestment or (B) if the Weighted Average Life Test was not satisfied immediately prior to (x) the receipt of the Post-Reinvestment Principal Proceeds or (y) the sale of a Credit Risk Asset in respect of which the proceeds are being applied to the relevant acquisition, the level of compliance with the Weighted Average Life Test will be maintained or improved after giving effect to such reinvestment; and

(K) such Post Reinvestment Principal Proceeds must be reinvested within the later to occur of (i) 20 Business Days after the receipt of such Post-Reinvestment Principal Proceeds and (ii) the first Payment Date to occur after the receipt of such Post-Reinvestment Principal Proceeds.

### **Certain Permitted Exchanges**

The Collateral Manager may instruct the Trustee to exchange a Defaulted Asset at any time, for another Defaulted Asset (a "**Swapped Defaulted Asset**") notwithstanding any of the Eligibility Criteria restrictions described above, for so long as at the time of or in connection with such exchange:

(i) such Swapped Defaulted Asset is issued by the same obligor as the Defaulted Asset (or an Affiliate of or successor to such obligor or an entity that succeeds to substantially all of the assets of such obligor) and, in the case of any Swapped Defaulted Asset, ranks in right of payment no more junior than the Defaulted Asset for which it was exchanged; *provided* that if the Issuer is also required to pay an amount for such Swapped Defaulted Asset, the Issuer will only use Interest Proceeds to effect such payment and only so long as, after giving effect to such purchase, there would be sufficient Interest Proceeds to pay all amounts required to be paid pursuant to the Priority of Interest Payments prior to distributions to holders of the Subordinated Notes on the next succeeding Payment Date;

(ii) in the case of a Swapped Defaulted Asset, each of the Coverage Tests will be satisfied or, if not satisfied, maintained or improved;

(iii) in the case of a Swapped Defaulted Asset, the Market Value of any such Swapped Defaulted Asset must be equal to or higher than the Market Value of the Defaulted Asset for which it was exchanged;

(iv) in the case of a Swapped Defaulted Asset, the expected recovery rate of such Swapped Defaulted Asset, as determined by the Collateral Manager, must be no less than the expected recovery rate of the Defaulted Asset for which it was exchanged;

(v) as determined by the Collateral Manager, in the case of a Swapped Defaulted Asset, the Portfolio Concentration Limits will be satisfied or, if not satisfied, maintained or improved;

(vi) no more than one Swapped Defaulted Asset may be exchanged for a Defaulted Asset during each Interest Accrual Period;

(vii) the period for which the Issuer held the Defaulted Asset which was exchanged will be included for all purposes when determining the period for which the Issuer holds any Swapped Defaulted Asset;

(viii) not more than 10.0% of the Collateral Principal Balance will consist of Swapped Defaulted Assets received by the Issuer; and

(ix) the Aggregate Principal Balance of all Swapped Defaulted Assets received by the Issuer since the Closing Date (whether or not still held by the Issuer) does not exceed 10.0% of the Effective Date Target Par Amount.

In accordance with this Indenture, the Collateral Manager on behalf of the Issuer may direct the Trustee to enter into an Exchange Transaction or apply amounts on deposit in the Contribution Account (as directed by the related Contributor or, if no direction is given by the Contributor, by the Collateral Manager at its reasonable discretion) to one or more Permitted Uses.

If the Issuer receives any offer or any request for a waiver, consent, amendment or other modification with respect to any Collateral Asset, including a tender offer, voluntary redemption, exchange offer, conversion or other similar action, offer or request, to exchange a Defaulted Asset for another Defaulted Asset or an Equity Security (collectively, an "**Exchange Offer**"), the Collateral Manager may on the Issuer's behalf direct (x) the Trustee to accept or participate in or decline or refuse to participate in such Exchange Offer and, in the case of acceptance or participation, to release from the lien under this Indenture such Collateral Asset in accordance with the terms of such Exchange Offer against receipt of payment (or receipt of a substitute obligation or Equity Security) therefor, or (y) the Issuer or the Trustee to agree to or otherwise act with respect to such consent, waiver, amendment or modification. In the absence of any such direction, the Trustee shall have no obligation to take any action in respect of an Exchange Offer.

### **Post-Reinvestment Period Settlement Reporting**

With respect to the purchase of any Collateral Asset, the settlement date for which the Collateral Manager reasonably expects will occur after the end of the Reinvestment Period, such Collateral Asset may only be purchased with (x) scheduled distributions of Principal Proceeds that the Collateral Manager reasonably expects will be received prior to the end of the Reinvestment Period and (y) Sale Proceeds received by the Issuer after the end of the Reinvestment Period in settlement of a sale or disposition with a Trade Date prior to the end of

the Reinvestment Period. In each case, the related Collateral Asset will be treated as having been purchased by the Issuer prior to the end of the Reinvestment Period for purposes of the Investment Criteria. Not later than the Business Day immediately following the end of the Reinvestment Period, the Collateral Manager will deliver to the Trustee a schedule of Collateral Assets (including their Principal Balances) purchased by the Issuer with respect to which purchases the Trade Date has occurred but the settlement date has not yet occurred.

### **Issuer Subsidiaries**

Prior to the time that the Issuer would acquire or receive either an asset in connection with a workout or restructuring of a Collateral Asset that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis, and prior to the time that any Collateral Asset is modified in a manner that (and as soon as practicable upon discovery that any asset) could cause the Issuer to be treated as engaged in a trade or business in the United States or subject to U.S. federal income tax on a net income basis, the Issuer either will (i) sell the right to receive such asset, or the Collateral Asset that is the subject of the workout, restructuring, or modification, or (ii) contribute the right to receive such asset, or the Collateral Asset that is the subject of the workout, restructuring or modification to a wholly owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (an "**Issuer Subsidiary**").

The Issuer will cause the purposes and permitted activities of each Issuer Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of the assets that are contributed to the Issuer Subsidiary and any assets, income and proceeds received in respect thereof (collectively, "**Issuer Subsidiary Assets**"), and will require the Issuer Subsidiary to distribute 100% of the net proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer.

### **Covenant on Maturity Extension Transactions**

The Collateral Manager may not affirmatively consent to any Maturity Extension Transaction at any time during or after the Reinvestment Period, unless, after giving effect to any Trading Plan Period (if applicable), (x) any Maturity Extension Transaction would not cause such Collateral Asset to mature after the Stated Maturity Date and (y) the Weighted Average Life Test will be satisfied immediately following such Maturity Extension Transaction or, if the Weighted Average Life Test was not satisfied immediately prior to such Maturity Extension Transaction, the level of compliance with the Weighted Average Life Test will be maintained or improved after giving effect to such Maturity Extension Transaction; *provided*, that (I) clause (y) above shall not be applicable to any Specified Credit Amendment Asset and (II) the Aggregate Principal Balance of all Specified Credit Amendment Assets that have been subject to Maturity Extension Transactions without satisfying clause (y) above since the Closing Date shall not exceed 10.0% of the Effective Date Target Par Amount.

For the avoidance of doubt, after giving effect to such Maturity Extension Transaction, the Collateral Asset that is the subject of such Maturity Extension Transaction must satisfy the Eligibility Criteria.

## Trading Plans

For purposes of calculating compliance with the Investment Criteria, the Collateral Manager may elect to execute one or more Trading Plans (with notice to the Collateral Administrator and the Trustee, which notice shall, with respect to any Trading Plan, include the identity of all sales and purchases forming part of such Trading Plan). The Trustee will provide the notice received from the Collateral Manager on its website as soon as reasonably practicable following the receipt thereof from the Collateral Manager of the execution of a Trading Plan and will include the identity of all sales and purchases forming part of such Trading Plan in the Monthly Report. "**Trading Plan**" means, with respect to any proposed investment, a plan under which compliance with the Investment Criteria will be evaluated after giving effect to all sales and purchases proposed to be entered into (on a traded basis) within the ten Business Days following the date of determination (each such period, a "**Trading Plan Period**") of such compliance (including, without limitation, sales or purchases substituted for sales or purchases originally proposed during such Trading Plan Period); *provided*, that (i) the Collateral Manager may amend any Trading Plan during the related Trading Plan Period, and such amendment shall not be deemed to constitute a failure of such Trading Plan, (ii) so long as the Investment Criteria are satisfied upon the expiry of the applicable Trading Plan Period, the failure of all of the terms and assumptions specified in such Trading Plan to be satisfied shall not be deemed to constitute a failure of such Trading Plan, (iii) no more than one Trading Plan may be effective on any date, (iv) no Trading Plan may relate to sales and purchases of Collateral Assets with aggregate sale and purchase prices in excess of 5.0% of the Collateral Principal Balance, (v) after the Reinvestment Period, the identified reinvestment with the lowest Moody's Rating has the shortest maturity of all identified reinvestments for such Trading Plan Period, (vi) the execution of a Trading Plan will not result in the averaging of the Purchase Price of a Collateral Asset or Collateral Assets purchased at separate times for purposes of determining whether any particular Collateral Asset is a Discount Asset, (vii) no Trading Plan may result in the purchase of a group of Collateral Assets if the difference between the shortest Weighted Average Life of any Collateral Asset in such group and the longest Weighted Average Life of any Collateral Asset in such group is greater than three years and (viii) no Trading Plan may result in the purchase of any Collateral Asset with a Weighted Average Life of less than one year. The Trading Plan Period during which any Trading Plan is in effect shall not include a Determination Date. In addition, if any Trading Plan commenced by the Collateral Manager is not successfully completed (excluding any failure as a result of the Force Majeure Event), the Collateral Manager will notify Moody's and Fitch (so long as any Class A Note is Outstanding) before a subsequent Trading Plan may be commenced (and, following such notice, any number of additional Trading Plans may be executed subject to the other limitations in this paragraph above).

## Noteholder Consent

In addition to any sales or purchases made in accordance with the terms described above, the Collateral Manager shall have the right to effect the sale of any Collateral Asset or purchase any Collateral Asset on behalf of the Issuer during or after the end of the Reinvestment Period (*provided* that any such purchase must comply with the applicable tax requirements set forth in this Indenture) (x) that has been consented to in writing by the Holders of Notes evidencing a

Majority of each Class of Notes (voting separately by Class) and (y) of which each Rating Agency and the Trustee have been notified.

## COLLATERAL QUALITY TESTS

The "**Collateral Quality Tests**" are the Weighted Average Spread Test, the Weighted Average Coupon Test, the Moody's Diversity Score Test, the Moody's Weighted Average Rating Factor Test, the Weighted Average Recovery Rate Test and the Weighted Average Life Test.

**Weighted Average Spread Test**.....The "**Weighted Average Spread Test**" is a test satisfied if the Weighted Average Spread of the portfolio of Collateral Assets is at least the Moody's Minimum Weighted Average Spread under the Collateral Quality Matrix.

**Weighted Average Coupon Test**.....The "**Weighted Average Coupon Test**" is a test that is satisfied if the Weighted Average Coupon of the portfolio of Collateral Assets equals or exceeds the Minimum Weighted Average Coupon.

**Moody's Diversity Score Test**.....The "**Moody's Diversity Score Test**" is a test satisfied if the Moody's Diversity Score of the portfolio of Collateral Assets equals or exceeds the greater of (x) the minimum Moody's Diversity Score in the applicable option under the Collateral Quality Matrix and (y) 50.

**Moody's Weighted Average Rating Factor Test**.....The "**Moody's Weighted Average Rating Factor Test**" is a test satisfied if the Moody's WARF of the portfolio is lower than the lesser of (i) the sum of (a) the applicable Unadjusted Maximum Moody's Weighted Average Rating Factor *plus* (b) the Moody's WARF Modifier and (ii) 3200.

**Weighted Average Recovery Rate Test**.....The "**Weighted Average Recovery Rate Test**" is a test satisfied if the Moody's WARR of the portfolio of Collateral Assets is greater than or equal to 43%.

**Weighted Average Life Test**.....The "**Weighted Average Life Test**" is a test that will be satisfied on any date of determination if the Weighted Average Life of the portfolio of Collateral Assets as of such date is less than the number of years (rounded to the nearest one hundredth thereof) during the period from such date of determination to February 21, 2028; *provided* that, solely during the Reinvestment Period (but excluding the Payment Date that coincides with the end of the Reinvestment Period), if the Aggregate Principal Balance of the Collateral Assets (excluding Defaulted Assets) exceeds the Reinvestment Target Par Balance, the Collateral Assets (or

portion thereof) included in the calculation of the Weighted Average Life for purposes of this test shall (i) include Collateral Assets starting with the shortest Weighted Average Life and (ii) exclude the Aggregate Principal Balance of the Collateral Assets up to an amount equal to the lesser of (x) the Aggregate Principal Balance of the Collateral Assets in excess of the Reinvestment Target Par Balance and (y) 1.0% of the Effective Date Target Par Amount.

*Certain Definitions Related to the Collateral Quality Tests*

**Collateral Quality Matrix**

The minimum Moody's Diversity Score, the Moody's Minimum Weighted Average Spread and the Unadjusted Maximum Moody's Weighted Average Rating Factor on each Measurement Date will be determined by reference to an option under the Collateral Quality Matrix. If the current Moody's Diversity Score falls between any of the Moody's Diversity Scores listed in the Collateral Quality Matrix, the Collateral Manager may interpolate linearly the Unadjusted Maximum Moody's Weighted Average Rating Factor applicable to such Moody's Diversity Score. On the Effective Date, the Collateral Manager will be required to elect its initial option and provide written notice thereof to the Collateral Administrator and the Rating Agencies. Thereafter, with prior notice to the Collateral Administrator and the Rating Agencies, the Collateral Manager may elect for a different option (including an interpolated option) to apply so long as the Collateral Assets comply with that different option at the time of the change.

(iii) in the case of each LIBOR Floor Asset, the interest over LIBOR for such Collateral Asset shall be equal to the sum of (A) the applicable spread over LIBOR and (B) the excess, if any, of the specified "floor" rate relating to such Collateral Asset over LIBOR (as determined with respect to the Notes on the most recent LIBOR Determination Date); *by*

(b) the outstanding principal amount (excluding any portion consisting of capitalized or deferred interest) of each such Collateral Asset;

*provided* that with respect to any Floating Rate Asset which by its terms provides for an increase in the spread over the applicable index or benchmark rate solely as a function of the passage of time, the applicable spread as of any date of determination shall be deemed to be its spread on such date;

*provided further* that, with respect to any Floating Rate Asset payments on which are subject to withholding tax, for purposes of the calculation in (a) above, an amount equal to any expected withholding tax (as reasonably determined by the Issuer) on such Floating Rate Asset shall be excluded.

Notwithstanding the foregoing, if a Base Rate Amendment has been adopted, references to "a London interbank offered rate" or "the London interbank offered rate" when used with respect to a Floating Rate Asset shall be replaced with the words "a benchmark rate that is the same as the Alternate Base Rate".

**"Aggregate Outstanding Amount"**: On any date of determination, when used with respect to (i) any of the Secured Notes, the aggregate principal amount of such Secured Notes Outstanding (including any Deferred Interest previously added to the principal amount of the related Class of Secured Notes that remains unpaid), (ii) any of the Subordinated Notes that were issued on the Closing Date, the aggregate principal amount of such Subordinated Notes Outstanding as of the Closing Date, (iii) any additional Subordinated Notes that were issued following the Closing Date pursuant to this Indenture, the aggregate principal amount of such additional Subordinated Notes Outstanding as of the date of issuance thereof and (iv) the Class Y Notes or the Class Z Notes, the notional amounts thereof as of the Closing Date. For the avoidance of doubt, (x) the Aggregate Outstanding Amount of any Subordinated Note will not be reduced as a result of any distribution thereon, except for the final distribution thereon occurring on the final Payment Date and (y) in the case of clause (i) of this definition, solely for purposes of calculating a Par Coverage Test on a date of determination after a Determination Date and before the related Payment Date, such calculation shall give effect to any distribution to be made pursuant to the Priorities of Payment on the related Payment Date.

**"Aggregate Principal Balance"**: When used with respect to all or any designated portion of the Collateral Assets, the sum of the Principal Balances of all such Collateral Assets.

**"Aggregate Unfunded Spread"**: As of any date of determination, the products obtained by *multiplying* (i) for each Delayed Funding Asset (other than Defaulted Assets), the commitment fee then in effect as of such date and (ii) the undrawn commitments of each such Delayed Funding Asset as of such date; *provided* that, with respect to any Delayed Funding Asset payments on which are subject to withholding tax, in determining the commitment fee for (i) above, an amount equal to any expected withholding tax (as reasonably determined by the Collateral Manager) on such commitment fee shall be excluded.

**"Amortization Period"**: The period from and excluding the last day of the Reinvestment Period to and including the earlier of the Stated Maturity Date and the date on which all Notes are paid in full; *provided, however*, that references to Payment Dates in the Amortization Period will include Payment Dates for which the Determination Date was after the Reinvestment Period.

**"Asset Replacement Percentage"**: On any date of calculation, a fraction (expressed as a percentage) where the numerator is the outstanding principal balance of the Floating Rate Assets being indexed to a reference rate identified in the definition of "Benchmark Replacement Rate" as a potential replacement for the Benchmark Rate and the denominator is the outstanding principal balance of all Floating Rate Assets as of such calculation date.

**"Assumed Reinvestment Rate"**: The greater of (x) zero and (y) LIBOR (as determined on the most recent LIBOR Determination Date for an Index Maturity of three months) *minus* 50 bps *per annum*, which rate will be used to project interest earned on Eligible Investments for purposes of calculating the Interest Coverage Ratio.

**"Banking Entity Notice"**: The written notice delivered by any Section 13 Banking Entity to the Issuer, the Collateral Manager and the Trustee (including via e-mail) for purposes of any Manager Selection or Removal Action.

**"Benchmark Rate"**: As of any Determination Date, (a) with respect to each Class of Benchmark Replacement Notes, the Benchmark then in effect and (b) with respect to each Class of Floating Rate Notes other than the Benchmark Replacement Notes, LIBOR.

**"Benchmark Replacement Condition"**: A condition that is satisfied (i) with respect to the Class A Notes, the Class B Notes, the Class C Notes and the Class D Notes, as of the 2021 Refinancing Date without further action and (ii) with respect to the Class E Notes, upon receipt by the Issuer and the Trustee of (x) written notice from 100% of the Holders of such Class indicating that such Class elects to constitute "Benchmark Replacement Notes" and (y) written consent of 100% of the Holders of the Subordinated Notes. For the avoidance of doubt, upon satisfaction of the Benchmark Replacement Condition with respect to the Class E Notes, on and after the following Determination Date, the benchmark rate used to determine the Interest Rate with respect to the Class E Notes will be the Benchmark then in effect.

**"Benchmark Replacement Date"**: As determined by the Designated Transaction Representative, the earliest to occur of the following events with respect to the then-current Benchmark Rate:

(1) in the case of clause (1) or (2) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced

therein and (b) the date on which the administrator of the Benchmark Rate permanently or indefinitely ceases to provide such rate;

(2) in the case of clause (3) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced therein and (b) the effective date set by such public statement or publication of information referenced therein; or

(3) in the case of clause (4) of the definition of "Benchmark Transition Event," the next LIBOR Determination Date following the earlier of (x) the date of such Monthly Report and (y) the posting of a notice of satisfaction of such clause (4) by the Designated Transaction Representative.

"Benchmark Replacement Notes": Each Class of Secured Notes with respect to which the Benchmark Replacement Condition has been satisfied.

"Benchmark Replacement Rate": The benchmark that can be determined by the Designated Transaction Representative as of the applicable Benchmark Replacement Date, which benchmark is the first applicable alternative set forth in clauses (1) through (5) in the order below:

(1) the sum of: (a) Term SOFR and (b) the Benchmark Replacement Adjustment;

(2) the sum of: (a) Compounded SOFR and (b) the Benchmark Replacement Rate Adjustment;

(3) the sum of: (a) the alternate benchmark rate that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark Rate for the applicable Corresponding Tenor and (b) the Benchmark Replacement Rate Adjustment;

(4) the sum of: (a) the alternate benchmark rate that has been selected by the Designated Transaction Representative (with the prior written consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes) as the replacement for Libor for the Corresponding Tenor (giving due consideration to any industry-accepted benchmark rate as a replacement for Libor for U.S. Dollar-denominated securitizations at such time) and (b) the Benchmark Replacement Rate Adjustment; and

(5) the Fallback Rate;

provided, that if the Benchmark Replacement Rate is any rate other than Term SOFR and the Designated Transaction Representative later determines that Term SOFR or Compounded SOFR can be determined, then a Benchmark Transition Event shall be deemed to have occurred and Term SOFR (or, solely if Term SOFR is unavailable, Compounded SOFR, as applicable) shall become the new Unadjusted Benchmark Replacement Rate and thereafter the Benchmark Rate shall be calculated by reference to the sum of (x) Term SOFR or Compounded SOFR, as applicable, and (y) the applicable Benchmark Replacement Rate Adjustment;

provided, further, that if the Designated Transaction Representative is unable to determine a benchmark rate in accordance with the foregoing, the Benchmark Replacement Rate shall equal the Fallback Rate until such time a benchmark rate that satisfies the foregoing can be determined by the Designated Transaction Representative. All such determinations made by the Designated Transaction Representative as described above shall be conclusive and binding, and, absent manifest error, may be made in the Designated Transaction Representative's sole determination (without liability), and shall become effective without consent from any other party and the Trustee and Calculation Agent may conclusively rely on such determination.

**"Benchmark Replacement Rate Adjustment":** The first alternative set forth in the order below that can be determined by the Designated Transaction Representative as of the Benchmark Replacement Date:

(1) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected, endorsed or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement Rate; provided that, such adjustment is displayed on a screen or other information service that publishes such Benchmark Replacement Rate Adjustment from time to time as selected by the Designated Transaction Representative in its reasonable discretion;

(2) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Designated Transaction Representative (with the written consent of a Majority of the Controlling Class) giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark Rate with the applicable Unadjusted Benchmark Replacement Rate for U.S. dollar denominated collateralized loan obligation transactions at such time; or

(3) the average of the daily difference between LIBOR (as determined in accordance with the definition thereof) and the selected Benchmark Replacement Rate during the 90 Business Day period immediately preceding the date on which the Benchmark Rate was last determined, as calculated by the Designated Transaction Representative, which may consist of an addition to or subtraction from such unadjusted rate.

**"Benchmark Replacement Rate Conforming Changes":** With respect to any Benchmark Replacement Rate, any technical, administrative or operational changes (including changes to the definitions of "Interest Accrual Period" or "Determination Date," timing and frequency of determining rates and other administrative matters) that the Designated Transaction Representative decides may be appropriate to reflect the adoption of such Benchmark Replacement Rate in a manner substantially consistent with market practice (or, if the Designated Transaction Representative decides that adoption of any portion of such market practice is not administratively feasible or if the Designated Transaction Representative determines that no market practice for use of such rate exists, in such other manner as the Designated Transaction Representative determines is reasonably necessary).

**"Benchmark Transition Event":** The occurrence of one or more of the following events with respect to the Benchmark Rate:

(1) a public statement or publication of information by or on behalf of the administrator of the Benchmark Rate announcing that the administrator has ceased or will cease to provide the Benchmark Rate permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark Rate;

(2) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark Rate, the central bank for the currency of the Benchmark Rate, an insolvency official with jurisdiction over the administrator for the Benchmark Rate, a resolution authority with jurisdiction over the administrator for the Benchmark Rate or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark Rate, which states that the administrator of the Benchmark Rate has ceased or will cease to provide the Benchmark Rate permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark Rate;

(3) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark Rate announcing that the Benchmark Rate is no longer representative; or

(4) the Asset Replacement Percentage is equal to or greater than 50%, as of the date reported in the most recent Monthly Report.

On March 5, 2021, the ICE Benchmark Administration (the "**IBA**"), the administrator of the London interbank offered rate ("**Libor**"), and the Financial Conduct Authority, the regulatory supervisor of the IBA, declared in public statements (the "**Public Statements**") that the final publication or representativeness date for (i) one week and two month LIBOR settings will be December 31, 2021 and (ii) overnight, one month, three month, six month and 12 month LIBOR settings will be June 30, 2023. At the time of the Public Statements no successor administrator was named to continue to provide the Benchmark. The Public Statements resulted in the occurrence of a Benchmark Transition Event, and any obligation to notify of this Benchmark Transition Event shall be deemed satisfied.

For the avoidance of doubt, the Benchmark Replacement Notes will continue to bear interest at the stated based rate until the Benchmark Replacement Date of June 30, 2023 associated with the Public Statements by the IBA on March 5, 2021 (unless an earlier Benchmark Replacement Date is designated in connection with another Benchmark Transition Event).

Alongside the Public Statements by the IBA on March 5, 2021, the UK Financial Conduct Authority ("**FCA**") also issued a separate announcement confirming that the IBA had notified the FCA of its intent to cease providing all LIBOR settings (the "**FCA Announcement**"). The FCA stated that all 35 LIBOR settings will either cease to be provided by any administrator or will no longer be representative as of the dates set out below:

• 12/31/2021 - All GBP, EUR, CHF and JPY LIBOR settings; 1-week and 2-mo LIBOR settings

• 6/30/2023 - Overnight and 1-, 3-, 6- and 12-mo USD LIBOR settings

The FCA announcement served as an "Index Cessation Event" under ISDA's IBOR Fallbacks Supplement (Supplement Number 70 to the 2006 ISDA Definitions) and the ISDA 2020 IBOR Fallbacks Protocol, which in turn triggered a "Spread Adjustment Fixing Date" under the Bloomberg IBOR Fallback Rate Adjustments Rule Book. When the panels for all USD LIBOR tenors cease after the end of June 2023 and the fallback rates apply, fallbacks for derivatives under ISDA's documentation would shift to compounded averages of the Secured Overnight Financing Rate plus the spread adjustment that has now been fixed. Moreover, because the Alternative Reference Rates Committee of the Federal Reserve Bank of New York ("ARRC") has stated its recommended spread adjustments for fallback language in non-consumer cash products will be the same values as the spread adjustments applicable to fallbacks in ISDA's documentation for USD LIBOR which include Term SOFR and Compounded SOFR, the ARRC recommended spread adjustments are likewise now set for Term SOFR and Compounded SOFR.

As such, as of the 2021 Refinancing Date, the Benchmark Replacement Rate Adjustment for Term SOFR and Compounded SOFR in accordance with clause (1) under Benchmark Replacement Rate Adjustment will be 0.26161% (26.161 basis points) for the Corresponding Tenor.

If the LIBOR Calculation Agent is unable to determine LIBOR using any of these methods (including if a Benchmark Replacement Date has occurred but no Benchmark Replacement Rate or DTR Proposed Rate has been adopted), then, unless and until an Alternate Base Rate or a Designated Base Rate is adopted pursuant to a Base Rate Amendment, LIBOR will mean LIBOR as previously determined on the last LIBOR Determination Date.

From and after ~~the first Interest Accrual Period~~ to begin after the adoption of a Benchmark Replacement Rate or DTR Proposed Rate, the Benchmark with respect to the Benchmark Replacement Notes will be calculated by reference to such Benchmark Replacement Rate or DTR Proposed Rate, as applicable. As of the first date on which all Outstanding Floating Rate Notes are Benchmark Replacement Notes, (i) all references herein to "LIBOR," "Libor" or the "London interbank offered rate" will mean such Benchmark Replacement Rate or DTR Proposed Rate and (ii) if such rate adopted is the same benchmark rate currently in effect for determining interest on a Floating Rate Asset, such Benchmark Replacement Rate or DTR Proposed Rate, as applicable, shall be used in determining the Aggregate Funded Spread in accordance with the definition thereof.

(E) if not determined pursuant to clauses (A) through (D) above, "Caa3."

For purposes of calculating a Moody's Derived Rating solely in connection with calculating the Moody's Weighted Average Rating Factor Test, each applicable rating calculated pursuant to clause (A)(1), (2) or (3) above using an S&P rating that is on credit watch by S&P with positive or negative implication or on negative outlook at the time of calculation will be adjusted in accordance with the Moody's Outlook/Review Rules, after giving effect to the determination of the rating in accordance with the provisions above.

Any ratings estimates in this definition are subject to the Moody's Credit Estimate Requirements.

(ii) With respect to a Collateral Asset that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (i) above, if the obligor of such Collateral Asset has a corporate family rating by Moody's, then the Moody's rating that is one subcategory higher than such corporate family rating;

(iii) With respect to a Collateral Asset, if not determined pursuant to clause (i) or (ii) above, if the obligor of such Collateral Asset has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if the Collateral Asset is a Moody's Senior Secured Loan, the Moody's rating that is two subcategories higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Collateral Manager in its sole discretion;

(iv) With respect to a Collateral Asset that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (i), (ii) or (iii) above, if the obligor of such Collateral Asset has a corporate family rating by Moody's, then the Moody's rating that is one subcategory lower than such corporate family rating; and

### Fitch Rating Schedule

#### FITCH RATING DEFINITIONS

**"Fitch Rating":** As of any date of determination, the Fitch Rating of any Collateral Asset will be determined as follows:

(a) if Fitch has issued an issuer default rating with respect to the issuer of such Collateral Asset, or the guarantor which unconditionally and irrevocably guarantees such Collateral Asset, then the Fitch Rating will be such issuer default rating (regardless of whether there is a published rating by Fitch on the Collateral Assets of such issuer held by the Issuer);

(b) if Fitch has not issued an issuer default rating with respect to the issuer or guarantor of such Collateral Asset but Fitch has issued an outstanding long-term financial strength rating with respect to such issuer, the Fitch Rating of such Collateral Asset will be one subcategory below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but

(i) Fitch has issued a senior unsecured rating on any obligation or security of the issuer of such Collateral Asset, then the Fitch Rating of such Collateral Asset will equal such rating; or

(ii) Fitch has not issued a senior unsecured rating on any obligation or security of the issuer of such Collateral Asset but Fitch has issued a senior rating, senior secured rating or a subordinated secured rating on any obligation or security of the issuer of such Collateral Asset, then the Fitch Rating of such Collateral Asset will (x) equal such rating if such rating is "BBB-" or higher and (y) be one subcategory below such rating if such rating is "BB+" or lower; or

and

(i) Moody's has issued a publicly available corporate family rating for the issuer of such Collateral Asset, then, subject to subclause (viii) below, the

Fitch Rating of such Collateral Asset will be the Fitch equivalent of such Moody's rating;

(ii) Moody's has not issued a publicly available corporate family rating for the issuer of such Collateral Asset but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Asset will be the Fitch equivalent of such Moody's rating;

	Fitch, Moody's, S&P	"B", "B2" or below	2

The following steps are used to calculate the "Fitch Issuer Default Rating" ("Fitch IDR") equivalent ratings:

- 1 Public or private Fitch-issued Fitch IDR.

2 If Fitch has not issued an IDR, but has an outstanding long-term financial strength rating, then the IDR equivalent is one rating lower.

3 If Fitch has not issued an IDR, but has outstanding corporate issue ratings, then the IDR equivalent is calculated using the mapping in the table above.

4 If Fitch does not rate the issuer or any associated issuance, then determine a Moody's and S&P equivalent to Fitch's IDR pursuant to steps 5 and 6.

5a A public Moody's-issued Corporate Family Rating (CFR) is equivalent in definition terms to the Fitch IDR. If Moody's has not issued a CFR, but has an outstanding LT issuer Rating, then this is equivalent to the Fitch IDR.

5b If Moody's has not issued a CFR, but has an outstanding insurance financial strength rating, then the Fitch IDR equivalent is one rating lower.

5c If Moody's has not issued a CFR, but has outstanding corporate issue ratings, then the Fitch IDR equivalent is calculated using the mapping in the table above.

6a A public S&P-issued Issuer Credit Rating (ICR) is equivalent in terms of definition to the Fitch IDR.

6b If S&P has not issued an ICR, but has an outstanding insurance financial strength rating, then the Fitch IDR equivalent is one rating lower.

6c If S&P has not issued an ICR, but has outstanding corporate issue ratings, then the Fitch IDR equivalent is calculated using the mapping in the table above.

7 If both Moody's and S&P provide a public rating on the issuer or an issue, the lower of the two Fitch IDR equivalent ratings will be used in PCM. Otherwise the sole public Fitch IDR equivalent rating from Moody's or S&P will be applied.

### Diversity Score Table

The Moody's Diversity Score for the Collateral Assets (excluding Defaulted Assets) is calculated by *summing* each of the Industry Diversity Scores, which are calculated as follows:

(i) An "**Obligor Par Amount**" is calculated for each obligor represented in the Collateral Assets (excluding Defaulted Assets) by *summing* the Principal Balance of all Collateral Assets (excluding Defaulted Assets) in the Collateral issued by that obligor.

(ii) An "**Average Par Amount**" is calculated by *summing* the Obligor Par Amounts and *dividing* by the number of obligors represented.

(iii) An "**Equivalent Unit Score**" is calculated for each obligor by taking the lesser of (A) one and (B) the Obligor Par Amount for each obligor *divided by* the Average Par Amount.

(iv) An "**Aggregate Industry Equivalent Unit Score**" is then calculated for each of the Moody's Industry Classification Groups by *summing* the Equivalent Unit Scores for each obligor in the industry.

(v) An "**Industry Diversity Score**" is then established by reference to the Diversity Score Table shown below for the related Aggregate Industry Equivalent Unit Score; *provided* that if any Aggregate Industry Equivalent Unit Score falls between any two such scores then the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores in the Diversity Score Table.
