~~If a Benchmark Replacement is selected pursuant to clause (2) or (3) above, then on the first day the Portfolio Manager determines that a redetermination of the Benchmark Replacement on such date would result in the selection of a Benchmark Replacement under clause (1) above, then (x) the Benchmark Replacement Adjustment shall be redetermined on such date utilizing the Unadjusted Benchmark Replacement corresponding to the Benchmark Replacement under clause (1) above and (y) such redetermined Benchmark Replacement shall become the Reference Rate on each Determination Date on or after such date. If redetermination of the Benchmark Replacement on such date as described in the preceding sentence would not result in the selection of a Benchmark Replacement under clause (1), then the Reference Rate shall remain the Benchmark Replacement as previously determined pursuant to clause (2) or (3) above.~~

provided, that if the Benchmark Replacement Rate is any rate other than Term SOFR and the Designated Transaction Representative later determines that Term SOFR or Compounded SOFR can be determined, then a Benchmark Transition Event shall be deemed to have occurred and Term SOFR (or, solely if Term SOFR is unavailable, Compounded SOFR, as applicable) shall become the new Unadjusted Benchmark Replacement Rate and thereafter the Benchmark Rate shall be calculated by reference to the sum of (x) Term SOFR or Compounded SOFR, as applicable, and (y) the applicable Benchmark Replacement Rate Adjustment; provided, further, that if the Designated Transaction Representative is unable to determine a benchmark rate in accordance with the foregoing, the Benchmark Replacement Rate shall equal the Fallback Rate until such time a benchmark rate that satisfies the foregoing can be determined by the Designated Transaction Representative. All such determinations made by the Designated Transaction Representative as described above shall be conclusive and binding, and, absent manifest error, may be made in the Designated Transaction Representative's sole determination (without liability), and shall become effective without consent from any other party and the Trustee and Calculation Agent may conclusively rely on such determination.

“Benchmark Replacement Rate Adjustment”: ~~The~~ means, the first alternative set forth in the order below that can be determined by the ~~Portfolio Manager~~ Designated Transaction Representative as of the Benchmark Replacement Date:

(2) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the ~~Portfolio Manager~~ Designated Transaction Representative (with the written consent of a Majority of the Controlling Class) giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current ~~Reference~~ Benchmark Rate with the applicable Unadjusted Benchmark Replacement Rate for U.S. dollar denominated collateralized loan obligation ~~securitization~~ transactions at such time ~~;~~ or

(3) the average of the daily difference between LIBOR (as determined in accordance with the definition thereof) and the selected Benchmark Replacement Rate during the 90 Business Day period immediately preceding the date on which the Benchmark Rate was last determined, as calculated by the Designated Transaction Representative, which may consist of an addition to or subtraction from such unadjusted rate.

Alongside the Public Statements by the IBA on March 5, 2021, the UK Financial Conduct Authority (“FCA”) also issued a separate announcement confirming that the IBA had notified the FCA of its intent to cease providing all LIBOR settings (the “FCA Announcement”), including 3-month USD LIBOR as of June 30, 2023.

The FCA Announcement served as an “Index Cessation Event” under ISDA’s IBOR Fallbacks Supplement and the ISDA 2020 IBOR Fallbacks Protocol, which in turn triggered a Spread Adjustment Fixing Date under the Bloomberg IBOR Fallback Rate Adjustments Rule Book.

The ARRC subsequently stated in a press release dated June 30, 2023 that its recommended spread adjustments for fallback language in non-consumer cash products will be the same values as the spread adjustments applicable to fallbacks in ISDA’s documentation for USD LIBOR, and the ARRC recommended spread adjustments are likewise now set with respect to Term SOFR and Compounded SOFR.

As such, the Benchmark Replacement Rate Adjustment applicable to Term SOFR and Compounded SOFR in accordance with clause (1) above will be 0.26161% (26.161 basis points) for the Corresponding Tenor.

Section 1.2. Assumptions as to Assets. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, regardless of whether reference is specifically made to Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

- (a) All calculations with respect to Scheduled Distributions on the Assets shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such

Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating any Coverage Test or the Interest Diversion Test, except as otherwise specified in such Coverage Test or the Interest Diversion Test, respectively, such calculations will not include scheduled interest and principal payments on Defaulted Obligations unless or until such payments are actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero other than in the case of payments actually received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Notes and distributions on the Income Notes, or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.6(b)(iv), Article XII and the definition of Interest Coverage Ratio, the expected interest on the Secured Notes and Floating Rate Obligations will be calculated using the then-current interest rates applicable thereto.

(e) References in the Priority of Payments to calculations made on a “*pro forma* basis” shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations will not be included in the calculation of the Collateral Quality Test.

(h) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of Defaulted Obligation, then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal

Balance of such Current Pay Obligations as of the date of determination) shall be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Balance of Current Pay Obligations would not exceed, on a *pro forma* basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(i) For all purposes (including calculation of the Coverage Tests), the Principal Balance of a Revolving Collateral Obligation or a Delayed Drawdown Collateral Obligation will include all unfunded commitments that have not been irrevocably reduced or withdrawn.

(j) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations will be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(k) For purposes of calculating compliance with the Investment Criteria, at the election of the Portfolio Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Portfolio Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within 10 Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); *provided* that (i) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 55.0% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (ii) no Trading Plan Period may include a Determination Date, (iii) ~~after the Reinvestment Period, (A)~~ no Trading Plan may result in the purchase of a Collateral Obligation with a remaining maturity of less than ~~six months and (B) in any Trading Plan, the difference between the remaining maturity of the Collateral Obligation with the shortest remaining maturity and the Collateral Obligation with the longest remaining maturity is not greater than 36~~12 months, (iv) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (v) the Portfolio Manager may amend any Trading Plan during the related Trading Plan Period, and such amendment shall not be deemed to constitute a failure of such Trading Plan, (vi) so long as the Investment Criteria are satisfied upon the expiry of the applicable Trading Plan Period, the failure of all of the terms and assumptions specified in such Trading Plan to be satisfied shall not be deemed to constitute a failure of such Trading Plan; (vii) compliance with clause (iv) and clause (v) of Section 12.2(d) may not be evaluated pursuant to a Trading Plan and must instead be satisfied with respect to each individual investment of Reinvestable Obligations that produced such Principal Proceeds; (viii) no Trading Plan may be used to determine whether a Collateral Obligation is a Discount Obligation, and prices of Collateral Obligations must be evaluated for such purpose on a purchase by purchase basis and not on the basis of an average purchase price ~~and~~, (ix) if the Investment Criteria are not satisfied upon the expiry of the related Trading Plan Period, the Portfolio Manager shall notify each Rating Agency, the Trustee and the Collateral Administrator of the commencement of any subsequent Trading Plan until the Portfolio Manager successfully consummates a Trading Plan, and (x) in any Trading Plan, the difference between the remaining maturity of the Collateral Obligation with the shortest remaining maturity and the Collateral Obligation with the longest remaining maturity is not greater than 24 months. The Trustee will forward such notice to the Holders of Notes no later than the Business Day following receipt thereof from the Portfolio Manager and will provide information regarding

sales and reinvestments pursuant to a Trading Plan in the Monthly Report. In the event of a failure of any Trading Plan, the Issuer may not enter into an additional Trading Plan without confirmation of satisfaction of the Rating Condition from S&P (until a Trading Plan for which the Rating Condition was satisfied is successfully completed).

(l) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Portfolio Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation shall be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(m) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(n) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(o) For the purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(p) All monetary calculations under this Indenture shall be in Dollars.

(q) If withholding tax is imposed on (x) late payment fees, prepayment fees or other similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or other similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the obligor is required to make “gross-up” payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(r) Any reference in this Indenture to an amount of the Trustee’s or the Collateral Administrator’s fees calculated with respect to a period at a per annum rate shall be computed on the basis of a 360-day year of twelve 30-day months prorated for the related Collection Period and shall be based on the aggregate face amount of the Assets.

(s) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall request direction from the Portfolio Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(t) For purposes of calculating compliance with any tests hereunder (including the ~~Target Initial Par Condition~~, Collateral Quality Tests and Concentration Limitations), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used by the Collateral Administrator to determine whether and when such acquisition or disposition has occurred.

(u) The equity interest in any Blocker Subsidiary permitted under Section 7.4(d) and each asset of any such Blocker Subsidiary shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes of this Indenture and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(v) Any Asset with a stated maturity later than the earliest Stated Maturity of the Notes will have a Principal Balance of zero.

(w) When used with respect to payments on the Income Notes, the term “principal amount” will mean amounts distributable to Holders of Income Notes from Principal Proceeds, and the term “interest” will mean Excess Interest distributable to Holders of Income Notes in accordance with the Priority of Payments.

(x) Any future anticipated tax liabilities (as determined by the Portfolio Manager) of a Blocker Subsidiary related to an Asset held by such Blocker Subsidiary shall be excluded from the calculation of the Interest Coverage Test, the Weighted Average Floating Spread and the Weighted Average Coupon.

(y) For purposes of any calculation required to be made as of the end of a Collection Period or a Determination Date that is also a Payment Date, such calculations will be made on a *pro forma* basis on the eighth Business Day prior to such date with adjustments as required on such Payment Date.

(z) All calculations related to Maturity Amendments, the Investment Criteria, the Post-Reinvestment Period Reinvestment Terms and Discount Obligations (and any definitions or provisions related to any of the foregoing) that would otherwise be calculated cumulatively will be reset at zero on the Refinancing Date and on any future date of any Refinancing pursuant to which all of the Secured Notes are refinanced in whole.

ARTICLE II

The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the "Certificate of Authentication") shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon, as may be consistent herewith, determined by the Authorized Officers of the Applicable Issuer executing such Notes as evidenced by their execution of such Notes. Any portion of the text of any such Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of such Note. Global Notes and Certificated Notes may have the same identifying number (e.g. CUSIPs).

Section 2.2. Forms of Notes. (a) The forms of the Notes shall be as set forth in the applicable Exhibit A hereto.

(b) Notes of each Class will be duly executed by the Applicable Issuer and authenticated by the Trustee or the Authenticating Agent as hereinafter provided.

(c) Except for Notes issued in the form of Certificated Notes, Notes sold to persons that are QIB/QPs in reliance on Rule 144A will be issued as Rule 144A Global Notes and will be deposited on behalf of the subscribers for such Notes represented thereby with the Trustee as custodian for DTC and registered in the name of a nominee of DTC.

Except for Notes issued in the form of Certificated Notes, Notes offered to non-"U.S. persons" (as defined in Regulation S) in offshore transactions in reliance on Regulation S will be issued as permanent Regulation S Global Notes (or, in the case of Co-Issued Notes, Temporary Global Notes) and with the applicable legend set forth in the applicable Exhibit A added thereto, which will be deposited on behalf of the subscribers for such Notes represented thereby with the Trustee as custodian for DTC and registered in the name of a nominee of DTC for the respective accounts of Euroclear and Clearstream.

On or after the Exchange Date, interests in Temporary Global Notes will be exchangeable for interests in a permanent Regulation S Global Note of the same Class upon certification that the beneficial interests in such Temporary Global Note are owned by persons or entities who are not U.S. persons. Prior to the Exchange Date, interests in a Temporary Global Note will not be transferable to a person that takes delivery in the form of any interest in a Rule 144A Global Note or to a U.S. person taking delivery of a Certificated Note.

(d) All Issuer Only Notes sold to Benefit Plan Investors or Controlling Persons (other than on the Closing Date or Refinancing Date) will be evidenced by Certificated Notes. (i) The aggregate principal amount of Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(ii) The provisions of the “Operating Procedures of the Euroclear System” of Euroclear and the “Terms and Conditions Governing Use of Participants” of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(f) CUSIPs. As an administrative convenience or in connection with a Re-Pricing of Notes, any subordination of Filing Holders, actions related to Non-Permitted Holders or achieving Tax Account Reporting Rules Compliance or as otherwise expressly contemplated in this Indenture, the Applicable Issuer or the Issuer’s agent may obtain a separate CUSIP or separate CUSIPs (or similar identifying numbers) for all or a portion of any Class of Notes.

Section 2.3. Authorized Amount; Stated Maturity; Denominations. (a) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is limited to U.S.\$~~402,650,000~~403,050,000 aggregate principal amount of Notes (except for (i) Note Deferred Interest, (ii) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, Section 2.6 or Section 8.5 of this Indenture, (iii) Additional Notes or (iv) Fee Notes).

(c) The Notes will be issued in Minimum Denominations. Notes will only be transferred or resold in compliance with the terms of this Indenture.

Section 2.4. Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each Applicable Issuer by one of its respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuer to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated and delivered after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their authorized signatories, and such certificate upon any Note shall

be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5. Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the “Note Register”) at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Note Registrar shall provide for the registration of Notes and the registration of transfers of Notes, including an indication with respect to Issuer Only Notes as to whether such holder has certified that it is a Benefit Plan Investor or a Controlling Person. The Trustee is hereby initially appointed “registrar” (the “Note Registrar”) for the purpose of registering Notes and transfers of such Notes in the Note Register. Upon any resignation or removal of the Note Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Note Registrar.

If a Person other than the Trustee is appointed by the Issuer as Note Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Note Registrar and of the location, and any change in the location, of the Note Register, and the Trustee shall have the right to inspect the Note Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Note Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time the Note Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any Holder a current list of Holders as reflected in the Note Register.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuer shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Minimum Denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Minimum Denominations and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuer shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes authenticated and delivered upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuer, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Note Registrar duly executed by the Holder thereof or such Holder’s attorney duly authorized in writing and, to the extent requested by the Note Registrar, with such signature guaranteed by an “eligible guarantor institution” meeting the requirements of the Note Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion

Program (“STAMP”) or such other “signature guarantee program” as may be determined by the Note Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge will be made to a Holder for any registration of transfer or exchange of Notes, but the Co-Issuers, the Note Registrar or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signatures of the transferor and transferee.

- (b) (i) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.
- (ii) No Note may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except in accordance with applicable law to (A) a non-“U.S. person” (as defined under Regulation S) in accordance with the requirements of Regulation S, (B) a QIB/QP or (C) solely in the case of Income Notes and Fee Notes in the form of Certificated Notes, an Accredited Investor that is also a Knowledgeable Employee (or, if an Institutional Accredited Investor, a Qualified Purchaser).
- (iii) No Note may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Closing Date or the Refinancing Date (as applicable) within the United States to, or for the benefit of, “U.S. persons” (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes may be sold or resold, as the case may be, in offshore transactions to non-“U.S. persons” (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Note may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Regulation S Global Note may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(c) (i) No acquisition of an interest in an Issuer Only Note by, and no transfer of an interest in an Issuer Only Note to, a person that has represented that it is a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Note Registrar and the Issuer will not recognize any such acquisition or transfer, if it would result in 25% or more of the Aggregate Outstanding Amount of the Class of Issuer Only Notes being held by Benefit Plan Investors (determined in accordance with the Plan Asset Regulation and this Indenture), assuming, for this purpose, that all of the representations made (or, in the case of Global Notes, deemed to be made)

by Holders of such Notes are true. For purposes of such calculation, (x) the investment by a Benefit Plan Investor shall be treated as plan assets for purposes of calculating the 25% threshold in accordance with the Plan Asset Regulation only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any Issuer Only Notes held by a Controlling Person shall be excluded and treated as not being Outstanding. With respect to any interest in an Issuer Only Note that is purchased by a Controlling Person on the Closing Date [or the Refinancing Date \(as applicable\)](#) and represented by a Global Note, if such Controlling Person notifies the Trustee that all or a portion of its interest in such Global Note has been transferred under Section 2.5 to a transferee that is not a Controlling Person, such transferred interest will no longer be excluded for the calculation of this clause (c)(i).

(ii) No Benefit Plan Investor or Controlling Person may hold Issuer Only Notes in the form of an interest in a Global Note other than a Benefit Plan Investor or a Controlling Person purchasing on the Closing Date [or the Refinancing Date \(as applicable\)](#) and executing a subscription agreement.

(iii) No transfer of a beneficial interest in a Note will be effective, and the Trustee and the Applicable Issuer will not recognize any such transfer, if the transferee's acquisition, holding or disposition of such interest would constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Law), unless an exemption is available and all conditions have been satisfied.

(d) Notwithstanding anything contained herein to the contrary, the Trustee will not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA, the Code or the Investment Company Act; *provided* that if a Transfer Certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee, the Trustee shall be under a duty to receive and examine the same to determine whether the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding the foregoing, the Note Registrar, relying solely on representations made or deemed to have been made by Holders of Issuer Only Notes, shall not recognize any acquisition or transfer of Issuer Only Notes if such transfer would result in 25% or more (or such lesser percentage determined by the Portfolio Manager and notified to the Trustee) of the Aggregate Outstanding Amount of the Class of Issuer Only Notes to be transferred being held by Benefit Plan Investors, as calculated pursuant to this Indenture.

(i) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. persons. Regulation S Global Notes may not be transferred to U.S. persons.

(e) Transfers of Global Notes shall only be made in accordance with this Section 2.5(f).

(i) Rule 144A Global Note to Regulation S Global Note. If a holder of a beneficial interest in a Rule 144A Global Note wishes at any time to exchange its interest in such Rule 144A Global Note for an interest in the corresponding Regulation S Global Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such holder (*provided* that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Note Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Note Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Minimum Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C) a Transfer Certificate, then the Note Registrar shall implement the Global Note Procedures.

(ii) Regulation S Global Note to Rule 144A Global Note. (iii) Transfer of Regulation S Global Notes to Certificated Notes. If a holder of a beneficial interest in a Regulation S Global Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Note for a Certificated Note, or to transfer its interest in such Regulation S Global Note to a Person who wishes to take delivery thereof in the form of a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules

and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Note. Upon receipt by the Note Registrar of (A) Transfer Certificates and (B) appropriate instructions from DTC, if required, the Note Registrar shall (1) implement the Global Note Procedures, (2) record the transfer in the Note Register in accordance with Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, deliver one or more Certificated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Regulation S Global Note transferred by the transferor), and in Minimum Denominations.

If a holder of a beneficial interest in a Rule 144A Global Note wishes at any time to exchange its interest in such Rule 144A Global Note for a Certificated Note, or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of a Certificated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Note. (f) Transfer of Certificated Notes. Transfers of Certificated Notes will only be made in accordance with this Section 2.5(f).

(i) Transfer and Exchange of Certificated Notes to Certificated Notes. If a holder of a Certificated Note wishes at any time to exchange its interest in such Certificated Note for a Certificated Note or to transfer such Certificated Note to a Person who wishes to take delivery in the form of a Certificated Note, such holder may exchange or transfer its interest upon delivery of the documents set forth in the following sentence. (g) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is

delivered to the Trustee and the Applicable Issuer such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuer (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(vi) It will provide notice to each person to whom it proposes to transfer any interest in such Notes of the transfer restrictions and representations set forth in Section 2.5 of this Indenture, including the Exhibits referenced therein.

(vii) It agrees that it will not, prior to the date which is one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Blocker Subsidiary any bankruptcy, reorganization, arrangement, insolvency, winding up, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. It agrees that it is subject to the Bankruptcy Subordination Agreement.

(viii) It understands and agrees that such Notes are limited recourse obligations of the Issuer (and, in the case of Co-Issued Notes, the Co-Issuer), payable solely from proceeds of the Assets in accordance with the Priority of Payments, and following realization of the Assets and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Issuer (and, in the case of Co-Issued Notes, the Co-Issuer) thereunder or in connection therewith after such realization will be extinguished and will not thereafter revive.

(ix) It acknowledges and agrees that (A) the Issuer has the right to compel any Non-Permitted Holder to sell its interest in such Notes or to sell such interest on behalf of such Non-Permitted Holder and (B) in the case of Repriceable Notes, the Issuer has the right to compel any non-consenting Holder to sell its interest in such Notes, to sell such interest on behalf of such non-consenting Holder or to redeem such Notes.

(x) It acknowledges and agrees that the Trustee will, upon the written request of the Issuer or the Portfolio Manager, provide the Issuer or the Portfolio Manager, respectively, with a list of all registered Holders of Notes as reflected in the Note Registrar and all Certifying Persons unless any such Certifying Person instructs the Trustee otherwise (including for confidentiality reasons). In addition, if so requested by the Issuer or the Portfolio Manager in writing, the Trustee shall request that DTC provide a list of participants holding interests in the Notes and provide such list to them. Subject to the duties and responsibilities of the Trustee set forth in this Indenture, the Trustee shall have no liability for any disclosure or the accuracy thereof. In addition, the Issuer will provide, upon request of a Holder or Certifying Person owning interests in Income Notes, any information that such Holder or Certifying Person reasonably requests to assist it with regard to any filing requirements it may have as a result of the controlled foreign corporation rules under the Code, which may include information regarding the identity of Holders of Income Notes. By accepting such information, each Holder and Certifying Person will be deemed to have agreed that such information will be used for no purpose other than for such filing.

(xi) It agrees to provide to the Issuer and the Portfolio Manager all information reasonably available to it that is reasonably requested by the Portfolio Manager in connection with regulatory matters, including any information that is necessary or advisable in order for the Portfolio Manager (or its parent or Affiliates) to comply with regulatory requirements applicable to the Portfolio Manager from time to time.

(xii) It understands that, subject to certain exceptions set forth in this Indenture, all information delivered to it by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by this Indenture (including, without limitation, the information contained in the reports made available to such holder on the Trustee's Website) is confidential. It agrees that, except as expressly permitted by this Indenture, it will use such information for the sole purpose of administering its investment in the Notes and that, to the extent it discloses any such information in accordance with this Indenture, it will use reasonable efforts to protect the confidentiality of such information.

(xiii) It is not a member of the public in the Cayman Islands.

(xiv) It is not a Person with whom dealings are restricted or prohibited under any law relating to economic sanctions or anti-money laundering of the United States, the European Union, Switzerland or any other applicable jurisdiction, and its purchase of such Notes will not result in the violation of any such law by any Transaction Party, whether as a result of the identity of it or its beneficial owners, their source of funds or otherwise.

(xv) It agrees to provide upon request certification acceptable to the Applicable Issuer (and any other information reasonably requested by the Applicable Issuer), or their respective agents, to permit the Applicable Issuer to (A) make payments to it without, or at a reduced rate of, withholding, (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets and (C) comply with applicable law. It has read and understands the summary of the U.S. federal income tax considerations contained in the Offering Circular as it relates to such Notes, and it represents that it will treat such Notes for U.S. tax purposes in a manner consistent with the treatment of such Notes by the Applicable Issuer described therein and will take no action inconsistent with such treatment, it being understood that this paragraph will not prevent a holder of Class E Notes from making a protective "qualified electing fund" election or filing protective information returns.

(xvi) It agrees (A) except as prohibited by applicable law, to obtain and provide the Issuer, the Portfolio Manager and the Trustee (including their agents and representatives) with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer, the Portfolio Manager or the Trustee or their respective agents or representatives, as applicable) to achieve Tax Account Reporting Rules Compliance or to comply with similar obligations in other jurisdictions (the obligations undertaken pursuant to this clause (A), the "Holder Reporting Obligations"), (B) that the Issuer, the

Portfolio Manager and/or the Trustee or their respective agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the IRS and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to achieve Tax Account Reporting Rules Compliance, including withholding on “passthru payments” (as defined in the Code), and (C) that if it fails for any reason to comply with its Holder Reporting Obligations, or otherwise is or becomes a Non-Permitted Tax Holder, the Issuer will have the right, in addition to withholding on passthru payments, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in this Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs, and, in the case of this subclause (3), to deposit payments on such Notes into a Tax Reserve Account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder Reporting Obligations and is not otherwise a Non-Permitted Tax Holder or (y) released to pay costs related to such noncompliance (including Taxes imposed by FATCA); provided that any amounts remaining in a Tax Reserve Account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer, the Portfolio Manager and the Trustee that it no longer holds an interest in any Notes. Any amounts deposited into a Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. It agrees to indemnify the Issuer, the Portfolio Manager, the Trustee and other beneficial owners of Notes for all damages, costs and expenses that result from its failure to comply with its Holder Reporting Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(xvii) It agrees to provide the Applicable Issuer and the Trustee, or their respective agents, (A) any information as is necessary (in the sole determination of the Applicable Issuer or the Trustee, as applicable) for the Applicable Issuer and the Trustee, or their respective agents, to comply with U.S. tax information reporting requirements relating to its adjusted basis in such Notes and (B) any additional information that the Applicable Issuer, the Trustee or their respective agents request in connection with any Form 1099 reporting requirements, and to update any such information provided in clause (A) or (B) promptly upon learning that any such information previously provided has become obsolete or incorrect or is otherwise required. It acknowledges that the Applicable Issuer, the Trustee or their respective agents may provide such information and any other information concerning its investment in such Notes to the IRS.

(xviii) Each Holder will provide the Issuer, the Trustee or their respective agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the “Holder AML Obligations”); *provided* that nothing herein shall be construed to impose any liability or obligation on the part of the Trustee to monitor AML Compliance by the Issuer or any other party.

(xix) In the case of Issuer Only Notes, if it is not a United States person within the meaning of Section 7701(a)(30) of the Code, it is not acquiring such Notes as part of a plan to reduce, avoid or evade U.S. federal income tax.

(xx) In the case of Issuer Only Notes, if it is a bank organized outside the United States, it (A) is acquiring such Notes as a capital markets investment and will not for any purpose treat such Notes or the assets of the Issuer as loans acquired in its banking business and (B) is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(xxi) In the case of Issuer Only Notes, it agrees not to treat any income generated by such Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance or other similar business for purposes of Section 954(h)(2) of the Code.

(xxii) It understands that the Notes will bear the applicable legends substantially in the form set forth in the Offering Circular unless the Issuer determines otherwise in compliance with applicable laws.

(xxiii) (A) Its acquisition, holding and disposition of an interest in such Notes will not constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Law or other applicable law) unless an exemption is available and all conditions have been satisfied.

(B) If it is a Benefit Plan Investor, it acknowledges and agrees that none of the Transaction Parties has provided or is providing investment advice of any kind whatsoever, but in all events none of the Transaction Parties or other Persons that provide marketing services nor any of their affiliates has provided or is providing investment advice or is giving any advice in a fiduciary capacity in connection with the purchaser's acquisition or holding of a Note or any interest therein and none of the Transaction Parties is otherwise acting as a fiduciary in connection with the purchaser's acquisition or holding of any Note or any interest therein.

(C) In the case of Issuer Only Notes, unless otherwise specified in an investor representation letter in connection with the acquisition of such Issuer Only Note from the Issuer on the Closing Date or the Refinancing Date (as applicable), for so long as it holds a beneficial interest in such Notes, it is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person (other than Benefit Plan Investors or Controlling Persons purchasing on the Closing Date or the Refinancing Date (as applicable)).

It understands that the representations made in clauses (A) through (C) will be deemed made on each day from the date of its acquisition of an interest in such Notes through and including the date on which it disposes of such interest. If any such representation

becomes untrue, or if there is a change in its status as a Benefit Plan Investor or a Controlling Person, it will promptly notify the Issuer and the Trustee. It agrees to indemnify and hold harmless the Issuer, the Trustee, the Collateral Administrator, the Initial Purchaser and the Portfolio Manager and their respective Affiliates from any cost, damage, or loss incurred by them as a result of any such representation being untrue.

(xxiv) It understands that the foregoing representations and agreements will be relied upon by the Transaction Parties and their respective counsel, and it hereby consents to such reliance.

(i) Each Person who becomes an owner of a Certificated Note will be required to provide a Transfer Certificate.

(j) Any purported transfer of a Note not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose whatsoever.

(k) The Note Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on any Transfer Certificate delivered pursuant to this Section 2.5 (or any certificate of ownership delivered pursuant to Section 2.10(e)) and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation. The Trustee shall not be required to obtain any certificate specifically required by the terms of this Section 2.5 if the Trustee is not notified of or in a position to know of any transfer requiring such a certificate to be presented by the proposed transferee or transferor.

(l) Neither the Trustee nor the Note Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names such Certificated Notes shall be registered or as to delivery instructions for such Certificated Notes.

(m) Prior to the Exchange Date, Temporary Global Notes may not be transferred to Persons taking delivery of a Rule 144A Global Note or a U.S. person taking delivery of a Certificated Note.

Section 2.6. Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuer, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuer, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuer, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuer shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuer, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuer, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuer in its discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuer may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuer and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7. Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Secured Notes and payments of available Interest Proceeds to the Holders of the Income Notes will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if such Class of Deferred Interest Notes is not the Controlling Class, shall constitute "Note Deferred Interest" with respect to such Class and shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of (i) the Payment Date on which funds are available to pay such Note Deferred Interest in accordance with the Priority of Payments, (ii) the Redemption Date with respect to such Class of Deferred Interest Notes and (iii) the Stated Maturity (or the earlier date of Maturity) of such Class of Deferred Interest Notes. Note Deferred Interest on any Class of Deferred Interest Notes will be added to the principal balance of such Class of Deferred Interest Notes. Interest will cease to accrue on each Secured Note or, in the case of a partial repayment, on such repaid part, from the date of repayment. To the extent lawful and enforceable, (x)

interest on Note Deferred Interest with respect to any Class of Deferred Interest Notes and (y) interest on any interest on any Secured Notes that is not paid when due and payable will accrue at the Interest Rate for such Class until paid as provided herein.

(b) The Income Notes will receive as distributions on each Payment Date the Excess Interest in accordance with the Priority of Interest Proceeds.

(c) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid as provided in the Priority of Payments; *provided* that, except as otherwise provided in Article IX and the Priority of Payments, the payment of principal on each Secured Note (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal due and payable on each Priority Class and other amounts in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity (or the earlier date of Maturity) of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered “due and payable” for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments.

The Income Notes will mature on the Stated Maturity, unless such principal has been previously repaid or unless the unpaid principal of such Note becomes due and payable at an earlier date by redemption or otherwise and the final payments of principal, if any, will occur on that date; *provided* that (x) the payment of principal of the Income Notes may only occur after the Secured Notes are no longer Outstanding and (y) the payment of principal of the Income Notes is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Secured Notes and other amounts in accordance with the Priority of Payments.

(d) Principal payments on the Notes will be made in accordance with the Priority of Payments.

(e) As a condition to the payment of principal of and interest on any Note without the imposition of U.S. withholding tax, the Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a Person that is a U.S. Tax Person or the applicable IRS Form W-8 (or applicable successor form) (together with applicable attachments) in the case of a Person that is not a U.S. Tax Person), any information requested pursuant to the Holder Reporting Obligations, or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee, and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of the Note under any present or future law of the United States or any present or future law of any political subdivision of the United States or taxing authority in the United States or to comply with any reporting (including cost basis reporting) or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to

pay any additional amounts to any person (including the Holders or beneficial owners of the Notes) as a result of deduction or withholding for or on account of any present or future Taxes with respect to the Notes.

(f) Payments in respect of any Secured Note shall be made by the Trustee, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Note, by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Note; *provided* that (1) in the case of a Certificated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Note Register. Upon final payment due on the Maturity of a Certificated Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; *provided* that in the absence of notice to the Applicable Issuer or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuer shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. None of the Co-Issuers, the Trustee, the Portfolio Manager, or any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Issuer shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Note Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$1,000 original principal amount of Notes and the place where Certificated Notes may be presented and surrendered for such payment.

(g) Payments to Holders of the Notes of each Class will be made ratably among the Holders of the Notes of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder at the close of business on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(h) Interest accrued with respect to any Floating Rate Note shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360. Interest with respect to any Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months; *provided* that if a redemption occurs on a Business Day that would not otherwise be a Payment Date, interest on such Fixed Rate Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(i) All reductions in the Aggregate Outstanding Amount of a Note (or one or more predecessor Notes) effected by payments made on any Payment Date, Partial Redemption Date, Re-Pricing Redemption Date or Redemption Date will be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof.

(j) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuer under the Notes and this Indenture are limited recourse obligations of the Applicable Issuer payable solely from the proceeds of Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder, member, manager or incorporator of the Co-Issuers, the Trustee, the Portfolio Manager, the Initial Purchaser or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (j) shall not (i) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (j) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Income Notes are not secured hereunder.

(k) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

(l) The Class C Fee Notes will be entitled only to payment of the amount specified in the Priority of Payments. The Class ~~A Fee Notes, the Class B Fee Notes and the Class C~~ Fee Notes ~~will~~ have a notional amount of \$10,000,000, ~~\$10,000,000 and \$10,000,000, respectively,~~ as of the Closing Date for purposes of allocating such payments among holders of such Fee Notes. Such notional amount does not represent a principal balance or any right to receive payments of principal. The unavailability of Interest Proceeds and the inability of the Issuer to pay the Class ~~A Fee Note Amount, the Class B Fee Notes Amount or the Class C~~ Fee Note Amount on any Payment Date will not be an Event of Default.

Section 2.8. Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Note Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (regardless of whether such Note is overdue), and none of the Issuer, the Co-Issuers,

the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9. Repurchased Notes; Cancellation.

(a) The Portfolio Manager, on behalf of the Issuer, may, during the Reinvestment Period, conduct purchases of the Secured Notes, in whole or in part, subject to the following conditions:

(i) such purchases of Secured Notes shall occur in sequential order of priority beginning with the Class A-~~+~~ Notes, and no Class of Secured Notes may be repurchased if a Priority Class is Outstanding;

(ii) each such purchase shall be effected only at prices at or below par;

(iii) the source of funds for such purchase is Principal Proceeds or Contributions, and, solely with respect to any portion of the purchase price representing accrued interest, Interest Proceeds;

(iv) no Event of Default shall have occurred and be continuing;

(v) before and after giving effect to such purchase, each Coverage Test is satisfied;

(vi) each such purchase will otherwise be conducted in accordance with applicable law;

(vii) notice has been provided to each Rating Agency and the Trustee (which shall post such notice to the Trustee Website); ~~and~~

(viii) the Trustee has received an officer's certificate of the Portfolio Manager to the effect that the conditions in the foregoing clauses (i) through (vii) have been satisfied; and

(ix) the offer to repurchase the Notes will be made on the same terms to each Holder of the Class of repurchased Notes and if Holders of an Aggregate Outstanding Amount greater than the amount of Notes that the Issuer plans to repurchase consent to the Issuer's solicitation to repurchase their respective Notes, the Issuer will repurchase Notes from the Holders pro rata based on the Aggregate Outstanding Amount of Notes of such Class held by each such Holder.

The Issuer reserves the right to cancel any offer to purchase Secured Notes prior to finalizing such offer.

(b) All Notes surrendered for payment, registration of transfer, exchange or redemption, or mutilated, defaced or deemed lost or stolen shall be promptly canceled by the Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or

circumstance) except for payment as provided herein, or for registration of transfer, exchange or redemption, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated or registered in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed or held by the Trustee in accordance with its standard retention policy unless the Issuer shall direct by an Issuer Order received prior to destruction that they be returned to it.

(c) The Class A Fee Notes ~~will be automatically cancelled after the Class A Fee Note Amount with respect the period from and including the Closing Date to the one year anniversary of the Closing Date (including any Class A Fee Note Amount not paid when due on any prior Payment Date and accrued and unpaid interest thereon) has~~ and the Class B Fee Notes have been paid in full ~~and, as~~ As soon as practicable ~~thereafter~~ after the Refinancing Date, Holders of Class A Fee Notes ~~shall surrender such Notes to the Trustee. The Class B Fee Notes will be automatically cancelled after the Class B Fee Note Amount with respect the period from and including the Closing Date to the one year anniversary of the Closing Date (including any Class B Fee Note Amount not paid when due on any prior Payment Date and accrued and unpaid interest thereon) has been paid in full and, as soon as practicable thereafter, Holders of~~ and Class B Fee Notes shall surrender such Notes to the Trustee. The Class C Fee Notes will be automatically cancelled on the final Payment Date.

Section 2.10. DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (A) such transfer complies with Section 2.5 of this Indenture and (B) either (x) (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Trustee's office located in the Borough of Manhattan, the City of New York to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuer shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Minimum Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in sub-Section (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

(e) In the event that Certificated Notes are not so issued by the Applicable Issuer to such beneficial owners of interests in Global Notes as required by sub-Section (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; *provided* that the Trustee shall be entitled to rely upon any certificate of beneficial ownership (including a certificate in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership.

Section 2.11. Notes Beneficially Owned by Non-Permitted Holders. (a) (i) Any purported transfer of a beneficial interest in any Note to a Non-Permitted Holder will, in each case, be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) Any purported transfer of a beneficial interest in any Issuer Only Note to a Person who is a Non-Permitted ERISA Holder shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(c) If any Non-Permitted Holder is or becomes the Holder or beneficial owner of any Note, the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (or upon notice by the Trustee (if a Trust Officer of the Trustee obtains actual knowledge), or the Co-Issuer to the Issuer, if any of them makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Notes or interest in the Notes to a Person that is not a Non-Permitted Holder within 30 days (10 days in the case of a Non-Permitted ERISA Holder) after the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes or interest therein, the Issuer or the Portfolio Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Portfolio Manager acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder, *provided* that the Portfolio Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Portfolio Manager shall be entitled to bid in any such sale. However, the Issuer or the Portfolio Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Portfolio Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this sub-Section shall be determined in the sole discretion of the

Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(d) If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder's behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder's acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.12. Treatment and Tax Certification. (a) Each Holder (including any beneficial owner) of Secured Notes to treat, and shall, to the extent permitted by law, treat the Secured Notes as debt of the Issuer for U.S. federal, state and local income and franchise tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority, it being understood that this Section 2.12 will not prevent any Holder (including any beneficial owner) of Class E Notes from making a protective "qualified electing fund" election or filing protective information returns. Each Holder (including any beneficial owner) of Income Notes agrees to treat, and shall treat, the Income Notes as equity in the Issuer for U.S. federal and, to the extent permitted by law, state and local income and franchise tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority.

(b) If a Holder fails for any reason to comply with the Holder Reporting Obligations or otherwise is or becomes a Non-Permitted Tax Holder, in addition to withholding on payments to such Holder or any agent or intermediary through which Notes are held, the Issuer will have the right to (x) compel such Holder to sell its interest in such Note, (y) sell such interest on such Holder's behalf and/or (z) assign to such Note a separate CUSIP or CUSIPs and, in the case of this subclause (z), to deposit payments on such Note into a Tax Reserve Account, which amounts will be released from such Tax Reserve Account as provided in Section 10.12. Any amounts deposited into the Tax Reserve Account in respect of Notes held by a Non-Permitted Tax Holder shall be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. Any such sale shall be conducted in accordance with the procedures set forth in Section 2.11.

(c) Each Holder (including any beneficial owner) of a Note agrees or is deemed to agree to the matters set forth in Section 7.17.

Section 2.13. Additional Issuance. (a) The Co-Issuers and/or the Issuer may issue and sell (i) at any time, (x) additional Income Notes (the "Additional Income Notes") or (y) additional notes of any one or more new classes of notes that are fully subordinated to all of the Secured Notes issued pursuant to this Indenture and then Outstanding other than the Fee Notes ("Additional Mezzanine Notes") and together with the Additional Income Notes, the "Additional Junior Notes") and (ii) at any time during the Reinvestment Period, additional notes of existing Classes

other than the Fee Notes (together with the Additional Junior Notes, the “Additional Notes”); *provided* that the following conditions (the “Additional Issuance Conditions”) are satisfied:

(i) the Portfolio Manager consents to such issuance and such issuance is consented to by (x) a Majority of the Income Notes and (y) if any of the Additional Notes to be issued pursuant to such issuance are Secured Notes, a Majority of the Controlling Class; *provided* that the consent of a Majority of the Income Notes will not be required if such Additional Notes are being issued in the sole discretion of the Portfolio Manager to permit the Portfolio Manager to comply with any U.S. Risk Retention Requirements (each such issuance, a “Risk Retention Issuance”);

(ii) unless only Additional Junior Notes are being issued, the principal amount of Notes of such Class issued in all additional issuances may not exceed 100% of the respective original Aggregate Outstanding Amount of the Notes of such Class ~~(for which purpose, the Class A-2-1 Notes and the Class A-2-2 Notes shall constitute a single Class)~~;

(iii) in the case of Additional Notes of existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes, and the interest rate and price of such notes do not have to be identical to those of the initial Notes of that Class and, in connection with any Risk Retention Issuance, the minimum denominations with respect to additional notes may be lower than the then-current minimum denomination for the applicable classes); *provided* that the interest rate spread over the Reference Rate (or Interest Rate in the case of any Fixed Rate Notes) may not exceed the interest rate spread over the Reference Rate (or Interest Rate in the case of any Fixed Rate Notes) applicable to the initial Notes of the Class and additional Notes of any Class of Secured Notes may be issued as either Fixed Rate Notes or Floating Rate Notes;

(iv) unless only Additional Junior Notes are being issued or the Rating Condition with respect to S&P has been satisfied, Additional Notes of all Classes (other than Fee Notes) must be issued and such issuance of Additional Notes must be proportional across all Classes of Notes being issued (except that the principal amount of Income Notes and/or Additional Mezzanine Notes issued in any such issuance may exceed the proportion otherwise applicable to the Income Notes and/or Additional Mezzanine Notes);

(v) each Rating Agency shall have been notified of such additional issuance;

(vi) (x) the proceeds (net of fees and expenses incurred in connection with such issuance) of Additional Junior Notes may be applied for any Permitted Use as designated by the Portfolio Manager (on behalf of the Issuer) and (y) unless only Additional Junior Notes are being issued, the proceeds (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds and used to

purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments;

(vii) unless only Additional Junior Notes are being issued or such Additional Notes are being issued in an issuance that is a Risk Retention Issuance, immediately prior to, and after giving effect to, such issuance and the application of the proceeds thereof, each Overcollateralization Ratio has not decreased;

(viii) unless only Additional Junior Notes are being issued, Tax Advice shall be delivered to the Issuer to the effect that (A) such issuance would not cause the Holders or beneficial owners of previously issued Notes of such Class to be deemed to have sold or exchanged such Notes under Section 1001 of the Code, and the Treasury regulations promulgated thereunder, (B) any additional Co-Issued Notes will be treated, and any additional Class E Notes should be treated, as debt for U.S. federal income tax purposes and (C) the additional issuance shall not (1) result in the Issuer becoming subject to U.S. federal income taxation with respect to its net income, (2) result in the Issuer being treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or (3) have a material adverse effect on the U.S. federal income tax treatment of the Issuer or the U.S. federal income tax consequences to the holders of any Class of Notes Outstanding at the time of issuance; and

(ix) any such additional issuance will be issued in a manner that will allow the Issuer to accurately provide the information described in Treasury Regulations section 1.1275-3(b)(1)(i).

(b) Any additional notes of an existing Class issued as described in Section 2.13(a) above will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their *pro rata* holdings of Notes of such Class, except to the extent the Portfolio Manager or one or more of its affiliates is required to purchase such Notes in order to comply with any U.S. Risk Retention Requirements.

(c) Refinancing Obligations will be issued in accordance with the conditions set forth in Article IX and will not be subject to the conditions related to Additional Notes contained in this Section 2.13 or in Article III.

(d) No additional Fee Notes will be issued.

ARTICLE V

REMEDIES

Section 5.1. Events of Default.

“Event of Default,” wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) a default in the payment, when due and payable, of (i) any interest on any Class A-1 Note, any Class A-2 Note or any Class B Note or, if there are no Class A-1 Notes, Class A-2 Notes or Class B Notes Outstanding, Secured Notes of the Controlling Class and, in each case, the continuation of any such default for seven Business Days or (ii) any principal of, or interest or Note Deferred Interest on, or any Redemption Price in respect of, any Secured Note at its Stated Maturity or on any Redemption Date; *provided* that (x) in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Trustee, the Note Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Trustee, such Paying Agent or Note Registrar receives written notice or has actual knowledge of such administrative error or omission and (y) in the case of any default on any Redemption Date, only to the extent that such default continues for a period of 10 or more Business Days; provided, further, that any failure to effect a Refinancing, an Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(b) unless legally required or permitted to withhold such amounts, the failure on any Payment Date to disburse amounts (other than a default in payment described in clause (a) above) available in the Payment Account in excess of \$100,000 in accordance with the Priority of Payments and continuation of such failure for a period of seven Business Days; *provided* that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Trustee, the Note Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for five Business Days after a Trust Officer of the

Trustee, such Paying Agent or Note Registrar receives written notice or has actual knowledge of such administrative error or omission;

(c) either of the Co-Issuers or the pool of collateral becomes an investment company required to be registered under the Investment Company Act and such requirement has not been eliminated after a period of 45 days;

(d) except as otherwise provided in this Section 5.1, a default in the performance, or the breach in a material respect, of any other covenant or other agreement of the Issuer or the Co-Issuer in this Indenture which has a material adverse effect on any Holder of Notes (it being understood, without limiting the generality of the foregoing, that any failure to meet any Concentration Limitation, Collateral Quality Test, Interest Diversion Test or Coverage Test or any other covenant or agreement for which a specific remedy has been provided hereunder is not an Event of Default, except in any such case to the extent provided in clause (f) below, and any failure to obtain Effective Date Ratings Confirmation is not an Event of Default under this clause), or the failure of any representation or warranty of the Issuer or the Co-Issuer made in this Indenture or in any certificate or other writing delivered pursuant hereto or in connection herewith to be correct in each case in all material respects when the same shall have been made, which default, breach or failure has had a material adverse effect on any Holder of Notes and the continuation of such default, breach or failure for a period of 45 days after notice to the Applicable Issuer and the Portfolio Manager, by the Trustee (at the direction of a Majority of the Controlling Class), the Issuer, the Co-Issuer or the Portfolio Manager, or to the Applicable Issuer, the Portfolio Manager and the Trustee by a Majority of the Controlling Class, specifying such default, breach or failure and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; provided, further, that any failure to effect a Refinancing, an Optional Redemption, Partial Redemption or Re-Pricing (including a Redemption Settlement Delay) will not be an Event of Default;

(e) the occurrence of a Bankruptcy Event; or

(f) on any Measurement Date, if the Class A-1 Notes are Outstanding, failure of the percentage equivalent of a fraction, (i) the numerator of which is equal to (1) the sum of (a) the Aggregate Principal Balance of the Collateral Obligations, excluding Defaulted Obligations and (b) without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds plus (2) the aggregate Market Value of all Defaulted Obligations and Loss Mitigation Obligations on such date and (ii) the denominator of which is equal to the Aggregate Outstanding Amount of the Class A-1 Notes, to equal or exceed ~~102.5~~102.50%.

Upon obtaining knowledge of the occurrence of an Event of Default, each of (i) the Co-Issuers, (ii) the Trustee and (iii) the Portfolio Manager shall notify each other. Co-Issuers, of such Event of Default in writing pursuant to Section 6.2 hereof (unless such Event of Default has been waived as provided in Section 5.14).

Section 5.2. Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than a Bankruptcy Event), the Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Co-Issuers and each Rating Agency, declare the principal of all the Secured Notes to be immediately due and payable (the principal of the Secured Notes becoming immediately due and payable, whether by such a declaration or automatically as described in the following sentence, an “acceleration”), and upon any such declaration the principal, together with all accrued and unpaid interest thereon (including, in the case of the Deferred Interest Notes, any Note Deferred Interest), and other amounts payable hereunder, through the date of acceleration, shall become immediately due and payable. If a Bankruptcy Event occurs, such an acceleration will occur, and other amounts payable hereunder shall automatically become due and payable, without any declaration or other act on the part of the Trustee or any Noteholder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Notes (other than any principal amounts due to the occurrence of an acceleration);

(B) to the extent that the payment of such interest is lawful, interest upon any Note Deferred Interest at the applicable Interest Rate; and

(C) all unpaid Taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Senior Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such amounts in the Priority of Payments; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

No such rescission shall affect any subsequent Default or impair any right consequent thereon. The Trustee shall notify each Rating Agency of any such rescission.

Section 5.3. Collection of Indebtedness and Suits for Enforcement by Trustee. The Issuer covenants that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, it will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuer or any other obligor upon the Secured Notes and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall upon written direction of the Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes upon direction by a Majority of the Controlling Class and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the

Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Noteholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any funds or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of the Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of the Secured Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4. Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared or have become due and payable as provided in Section 5.2(b) and such acceleration and its consequences have not been rescinded and annulled as provided in Section 5.2(b) or if the Secured Notes have become due and payable at Stated Maturity or any Redemption Date and remain unpaid, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any amounts adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense) in structuring and distributing securities similar to the Notes, which may be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party or Holder may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for the

purchase price paid by it or them, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Holders may (and the Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, that they shall not), prior to the date which is one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Notes and any other debt obligations of the Issuer that have been rated upon issuance by a Rating Agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Blocker Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws of any jurisdiction. The parties to this Indenture hereby agree that the restrictions set forth in the preceding sentence and in Section 13.1(d) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Portfolio Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable Transaction Documents and are an essential term of this Indenture. Any Holder or beneficial owner of a Note, the Portfolio Manager, the Trustee, any Blocker Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws of any jurisdiction.

Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Trustee, any Secured Party or any Holder (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Blocker Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, such Secured Party or such Noteholder, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Blocker Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5. Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets intact (*provided, however*, that certain types of Collateral Obligations may continue to be sold by the Trustee at the direction of the Portfolio Manager pursuant to Sections 12.1(a), (b), (c), (d), (h) and (i)), collect all payments in respect of the Assets and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in

accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Note Deferred Interest), and all other amounts that, pursuant to the Priority of Payments, are required to be paid prior to such payments on such Secured Notes (including any amounts due and owing, and anticipated to be due and owing, as Administrative Expenses and any due and unpaid Senior Management Fee) and a Majority of the Controlling Class agrees with such determination; or

(ii) (x) if an Event of Default referred to in clause (a) or (f) of the definition thereof in respect of the Issuer (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default, unless such Event of Default occurred solely as a result of acceleration and application of the Special Priority of Payments) has occurred and is continuing, a Majority of the Controlling Class directs the sale and liquidation of the Assets or (y) if any other Event of Default has occurred and is continuing, a Majority of each Class of the Secured Notes (voting separately by Class) direct the sale and liquidation of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer and the Portfolio Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation of the Portfolio Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Portfolio Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders, and the Portfolio Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determinations required by Section 5.5(a)(i) at the request of a Majority of the Controlling Class at any time during which

the Trustee retains the Assets pursuant to Section 5.5(a)(i). The Trustee shall notify each Rating Agency of any liquidation of assets pursuant to this Section 5.5.

Section 5.6. Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7. Application of Money Collected. Any funds collected by the Trustee with respect to the Notes pursuant to this Article V and any funds that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the Special Priority of Payments, at the date or dates fixed by the Trustee.

Section 5.8. Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or any Note, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall have made a written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups

represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9. Unconditional Rights of Secured Noteholders to Receive Principal and Interest.

(a) Subject to Section 2.7(j), but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.4(a) and (d) and Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(a) and (d) and Section 5.8, and shall not be impaired without the consent of any such Holder.

(b) Subject to Section 2.7(j), but notwithstanding any other provision in this Indenture, the Holder of any Income Notes shall have the right to receive payments on such Income Notes, but solely to the extent such amounts are due and payable in accordance with the Priority of Payments. Holders of Income Notes shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Note remains Outstanding, which right shall be subject to the provisions of Sections 5.4(a) and (d) and 5.8 to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.10. Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12. Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or

by law to the Trustee or to the Holders of the Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Notes.

Section 5.13. Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction;

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must also satisfy the requirements of Section 5.5.

Section 5.14. Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the amounts due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(b) in the payment of interest on the Secured Notes of the Controlling Class (which may be waived only with the consent of the Holders of 100% of the Controlling Class);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.19.

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Portfolio Manager, and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Portfolio Manager for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16. Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17. Sale of Assets. (a) The power to effect any sale (a "Sale") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Noteholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Trustee shall be authorized to deduct the reasonable and documented out-of-pocket costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of

Section 6.7 hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act (“Unregistered Securities”), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee’s authority, to inquire into the satisfaction of any conditions precedent or see to the application of any funds.

Section 5.18. Action on the Notes. The Trustee’s right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, advice or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates, advice or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer’s certificate furnished by the Portfolio Manager, notify the party delivering the same if

such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of written directions, if any, from a Majority of the Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this sub-Section shall not be construed to limit the effect of sub-Section (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Portfolio Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it (if the amount of such funds or risk or liability is reasonably expected (as determined by the Trustee) not to exceed the amount payable to the Trustee pursuant to clause (A) of the Priority of Interest Proceeds or Special Priority of Payments on the immediately succeeding Payment Date net of the amounts specified in Section 6.7(a), the Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under Article V, under this Indenture (and it is hereby expressly acknowledged and agreed for the purposes of this sub-clause only, without implied limitation, that the enforcement or exercise of rights and remedies under Article V and/or the commencement of or participation in any legal proceeding does not constitute "ordinary services"); and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c), (d) or (e) or any other matter unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default or other matter, as the case may be, is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(d) Upon the Trustee receiving written notice from the Portfolio Manager that an event constituting "Cause" as defined in the Portfolio Management Agreement has occurred, the Trustee shall, not later than one Business Day thereafter, notify the Noteholders (as their names appear in the Note Register). In addition, the Trustee shall deliver all notices to the Noteholders forwarded to the Trustee by the Issuer or the Portfolio Manager for the purpose of delivery to the Noteholders.

(e) Regardless of whether therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) The Issuer and the Portfolio Manager will have the right to obtain a complete list of Holders (and, subject to confidentiality requirements, beneficial owners) at any time upon five Business Days' prior written notice to the Trustee. At the direction of the Issuer or the Portfolio Manager, the Trustee will request a list of participants holding interests in the Notes from one or more book-entry depositories (the cost of which shall be payable as an Administrative Expense) and provide such list to the Issuer or Portfolio Manager, respectively. Upon the request of any Holder or beneficial owner, the Trustee shall provide an electronic copy of this Indenture, the Portfolio Management Agreement, the Collateral Administration Agreement, any outstanding Hedge Agreements and any agreements referenced as a supplement to this Indenture that is in the possession of, or reasonably available to, the Trustee. Notwithstanding the foregoing, the Trustee shall not include on any list of Holders or beneficial owners any Holder or beneficial owner that instructs the Trustee to not disclose such Holder or beneficial owner's identity.

Section 6.2. Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Portfolio Manager, each Rating Agency, the Co-Issuers, and all Holders, as their names and addresses appear on the Note Register, [the Cayman Stock Exchange](#) and/or Euronext Dublin, (for so long as any Class of Notes is listed on

| ~~Euronext Dublin~~ such exchange and so long as the guidelines of such exchange so require), notice of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3. Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent certified public accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise, enforce or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Portfolio Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Portfolio Manager's normal business hours; *provided* that the Trustee shall, and shall cause its agents to, hold in

confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; *provided, further*, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Portfolio Manager (unless and except to the extent otherwise expressly set forth herein) and the Trustee shall not be liable for actions or omissions of, or any inaccuracies in the records of, the Co-Issuers, the Portfolio Manager, DTC, Euroclear or Clearstream (other than any actions, omissions or inaccuracies in the records thereof made by the Trustee);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or a firm of nationally recognized accountants which may or may not be the Independent certified public accountants appointed by the Issuer pursuant to Section 10.8 (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent certified public accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of the Portfolio Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee) and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Portfolio Manager with the terms hereof or of the Portfolio Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Portfolio Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a Securities Intermediary) to the contrary, neither the Trustee nor the Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in

order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank is also acting in the capacity of Paying Agent, Note Registrar, Transfer Agent, Calculation Agent, Intermediary or the Information Agent, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from acts beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, loss or malfunctions of utilities, computer (hardware or software) or communications services);

(r) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee may ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided;

(s) notwithstanding anything to the contrary herein, any and all communications (both text and attachments) by or from the Trustee that the Trustee in its sole discretion deems to contain confidential, proprietary, and/or sensitive information and sent by electronic mail will be encrypted;

(t) to the extent not inconsistent herewith, the rights, protections and immunities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator;

(u) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If

otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(v) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(w) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance;

(x) the Trustee and the Collateral Administrator shall be entitled to conclusively rely on the Portfolio Manager with respect to whether a Collateral Obligation meets the criteria specified in the definition thereof and for the characterization, classification, designation or categorization of each Collateral Obligation to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature or based on information not readily available to the Trustee and Collateral Administrator; and

(y) the Trustee shall have no responsibility or liability for electing, determining or verifying any non-LIBOR rate including, without limitation, (i) determining whether such rate is a Fallback Rate or ~~Alternate Reference~~Benchmark Replacement Rate, (ii) electing to apply any ~~Reference~~Benchmark Replacement Rate ~~Modifier~~Adjustment, or (iii) determining whether the conditions to the designation of a Fallback Rate or ~~Alternate Reference~~Benchmark Replacement Rate have been satisfied or determining whether a Benchmark Transition Event or related Benchmark Replacement Date have occurred.

Section 6.4. Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuer; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any amounts paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5. May Hold Notes. The Trustee, any Paying Agent, Note Registrar, or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Note Registrar or such other agent.

Section 6.6. Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any money received by it hereunder except to the extent of income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7. Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation, as set forth in a separate fee schedule dated on or about the Closing Date, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges, any expenses incurred in order to comply with any requirements of the Code, including FATCA, and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.6, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Portfolio Manager;

(iii) to indemnify the Trustee and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or documented out-of-pocket expense (including reasonable attorney's fees and costs of outside counsel) incurred without negligence, willful misconduct or bad faith on their part, arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated hereby, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture only as provided in the Priority of Payments and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due to it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee

or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee or expense not so paid shall be deferred and payable on such later date on which a fee or expense shall be payable and sufficient funds are available therefor.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy with respect to the Issuer, Co-Issuer or any Blocker Subsidiary until at least one year (or, if longer, the applicable preference period then in effect) *plus* one day after the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by a Rating Agency at the request of the Issuer) issued under this Indenture.

(d) The Issuer's payment obligations to the Trustee under this Section 6.7 shall be secured by the lien of this Indenture, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs expenses after the occurrence of a Bankruptcy Event, the expenses are intended to constitute expenses of administration under the Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8. Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a counterparty risk assessment of at least "Baa3(cr)" by Moody's (or, if such organization or entity has no counterparty risk assessment, a long-term debt rating of at least "Baa3" by Moody's) and a rating of at least "BBB+" by S&P and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9. Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Portfolio Manager, the Holders of the Notes and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees in accordance with Section 6.9(e).

(c) The Trustee may be removed with 30 days' written notice at any time by Act of a Majority of each Class of Secured Notes (voting separately by Class) and the consent of the

Issuer or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

(iii) then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Noteholder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee or Trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, and in the case of a resignation, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Portfolio Manager; *provided* that such successor Trustee shall be appointed only upon the written consent of a Majority of the Notes of each Class or, at any time when an Event of Default shall have occurred and be continuing, by an Act of a Majority of the Controlling Class. If the Co-Issuers shall fail to appoint a successor Trustee within 60 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the resigning Trustee (in the case of a resignation) or any Noteholder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee to the Portfolio Manager, to each Rating Agency and to the Holders of the Notes. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to give

such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Note Registrar, Paying Agent, Calculation Agent, Intermediary, Collateral Administrator, Information Agent and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10. Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and funds held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11. Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12. Co-Trustees. At any time or times, the Co-Issuers and the Trustee shall have power to appoint one or more Persons meeting the eligibility requirements set forth in Section 6.8 to act as co-trustee (subject to written notice to [S&Peach Rating Agency](#)), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do

not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised, solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency of the appointment of a co-trustee hereunder.

Section 6.13. Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Portfolio Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with

Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Portfolio Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Portfolio Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Portfolio Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Portfolio Management Agreement, such release and/or substitution shall be subject to Section 10.7 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14. Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee, upon the written request of the Issuer, shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15. Withholding. If any withholding Tax is imposed on the Issuer's payment (or allocations of income) under the Notes by law or pursuant to the Issuer's agreement with a

governmental authority, such Tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority (but such authorization shall not prevent the Trustee from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding Tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Note shall be treated as cash distributed to the relevant Holder at the time it is withheld by the Trustee. If there is a possibility that withholding Tax is payable with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding Tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any Tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16. Fiduciary for Secured Noteholders Only; Agent for each other Secured Party. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Holders of the Secured Notes and agent for each other Secured Party and the Holders of the Income Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Holders of the Secured Notes and agent for each other Secured Party and the Holders of the Income Notes.

Section 6.17. Representations and Warranties of the Bank.

The Bank hereby represents and warrants as follows:

(a) Organization. It has been duly organized and is validly existing as a national banking association with trust powers under the laws of the United States and has the power to conduct its business and affairs as a trustee, paying agent, registrar, transfer agent, custodian, calculation agent and Securities Intermediary.

(b) Authorization; Binding Obligations. It has the corporate power and authority to perform the duties and obligations of Trustee, Paying Agent, Note Registrar, Transfer Agent, Calculation Agent, Information Agent and Intermediary under this Indenture. It has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture, and all of the documents required to be executed by it pursuant hereto. This Indenture has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event

applicable to it and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. It is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires it to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon it or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which it is a party or by which it or any of its property is bound.

ARTICLE VII

COVENANTS

Section 7.1. Payment of Principal and Interest. The Applicable Issuer will duly and punctually pay the principal of and interest on the Secured Notes, in accordance with the terms of such Notes and this Indenture pursuant to the Priority of Payments. The Issuer will, to the extent funds are available pursuant to the Priority of Payments, duly and punctually pay all required distributions on the Income Notes, in accordance with the Income Notes and this Indenture. The Issuer will duly and punctually pay all required distributions on the Fee Notes in accordance with the terms of the Fee Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code, and the Treasury regulations promulgated thereunder or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2. Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional paying agents; *provided* that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding Tax solely as a result of such Paying Agent's activities (for the avoidance of doubt, this shall not include withholding tax imposed as a result of a failure to provide any tax forms and attachments thereto). If at any time the Co-Issuers shall fail to maintain the appointment of a paying agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the

limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its Corporate Trust Office.

The Co-Issuers hereby appoint Cogency Global Inc. (the “Process Agent”), at, prior to December 2, 2019, 10 East 40th Street, 10th Floor, New York, New York 10016 and on and after December 2, 2019, 122 East 42nd Street, 18th Floor, New York, New York 10168, as agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby. The Co-Issuers may at any time and from time to time vary or terminate the appointment of any such process agent or appoint an additional process agent for any or all of such purposes; *provided, however*, that the Co-Issuers shall maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

Section 7.3. Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Note Registrar, the Issuer shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, the Issuer shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Issuer shall promptly notify the Trustee of its action or failure so to act. Any ~~M~~onies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee. So long as the Notes of any Class are rated by a Rating Agency, such Paying Agent has (1) ~~(i) (A)~~ a long-term unsecured or deposit rating of at least “A” by S&P and a short-term unsecured or deposit rating of “A-1” by S&P or (B) a long-term unsecured or deposit rating of “A+” by S&P ~~and (ii) if such Paying Agent is rated by Fitch, such Paying Agent has a long term debt rating of~~

~~“A” or higher by Fitch or a short term debt rating of “F1” by Fitch or~~ (2) the Rating Condition must be satisfied with respect to such Paying Agent. If any Paying Agent ceases to have such ratings, the Issuer shall either promptly remove such Paying Agent and appoint a successor Paying Agent or notify each Rating Agency and satisfy the Rating Condition with respect to such Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such funds.

Except as otherwise required by applicable law, any funds deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all

liability of the Trustee or such Paying Agent with respect to such trust funds shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Momies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4. Existence of Co-Issuers and Blocker Subsidiaries. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies or limited liability companies, as applicable, incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; *provided* that (x) the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Trustee to the Holders, the Portfolio Manager and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class or a Majority of the Income Notes objecting to such change; and (y) the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives a legal opinion from nationally recognized legal counsel to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal, state or local income taxes on a net income basis or any material other taxes to which the Issuer would not otherwise be subject.

(b) The Issuer and the Co-Issuer shall (i) ensure that all corporate or other formalities regarding their respective existences (including, if required, holding regular board of directors', members' and shareholders', or other similar, meetings) are followed, (ii) maintain their books and records separate from any other Person, (iii) maintain their accounts separate from those of any other Person, (iv) not commingle any of their assets with those of another Person, (v) maintain an arm's length relationship with their Affiliates, (vi) each maintain separate financial statements from those of any other Person, (vii) pay their liabilities out of their respective funds, (viii) each hold themselves out as a separate entity and (ix) take affirmative steps to correct any misunderstanding regarding their separate identity. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding.

(c) Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries other than the Co-Issuer and any Blocker Subsidiary; (ii) the Co-Issuer shall not have any subsidiaries;

and (iii) except to the extent contemplated in the Administration Agreement or the amended and restated declaration of trust, dated on or about the Closing Date, by MaplesFS Limited, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors or managers), (B) except as contemplated by the Portfolio Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder or member, as the case may be, that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

(d) With respect to any Blocker Subsidiary:

(i) the Issuer shall not permit such Blocker Subsidiary to incur any indebtedness;

(ii) the constitutive documents of such Blocker Subsidiary shall provide that (A) recourse with respect to the costs, expenses or other liabilities of such Blocker Subsidiary shall be solely to the assets of such Blocker Subsidiary and no creditor of such Blocker Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law, (B) the activities and business purposes of such Blocker Subsidiary shall be limited to holding securities or obligations in accordance with Section 12.1(j) that are otherwise required to be sold pursuant to Section 12.1(i) and activities reasonably incidental thereto (including holding interests in other Blocker Subsidiaries), (C) such Blocker Subsidiary will not incur any indebtedness, (D) such Blocker Subsidiary will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such Blocker Subsidiary's constitutive documents, (E) such Blocker Subsidiary will be subject to the limitations on powers set forth in the organizational documents of the Issuer, (F) if such Blocker Subsidiary is a foreign corporation for U.S. federal income tax purposes, such Blocker Subsidiary shall file a U.S. federal income tax return reporting all effectively connected income, if any, arising as a result of owning the permitted assets of such Blocker Subsidiary, (G) after paying Taxes and expenses payable by such Blocker Subsidiary or setting aside adequate reserves for the payment of such Taxes and expenses, such Blocker Subsidiary will distribute 100% of the cash proceeds of the assets acquired by it (net of such Taxes, expenses and reserves) to the Issuer or another Blocker Subsidiary which holds interests in such Blocker Subsidiary, (H) such Blocker Subsidiary will not form or own any subsidiary or any interest in any other entity other than interests in another Blocker Subsidiary or securities or obligations held in accordance with Section 12.1(j) that would otherwise be required to be sold by the Issuer pursuant to Section 12.1(i) and (I) such Blocker Subsidiary will not acquire or hold title to any real property or a controlling interest in any entity that owns real property;

(iii) the constitutive documents of such Blocker Subsidiary shall provide that such Blocker Subsidiary will (A) maintain books and records separate from any other Person, (B) maintain its accounts separate from those of any other Person, (C) not commingle its assets with those of any other Person, (D) conduct its own business in its

own name, (E) maintain separate financial statements (if any), (F) pay its own liabilities out of its own funds; *provided* that the Issuer may pay expenses of such Blocker Subsidiary to the extent that collections on the assets held by such Blocker Subsidiary are insufficient for such purpose, (G) observe all corporate formalities and other formalities in its by-laws and its certificate of incorporation, (H) maintain an arm's length relationship with its Affiliates, (I) not have any employees, (J) not guarantee or become obligated for the debts of any other person (other than the Issuer) or hold out its credit as being available to satisfy the obligations of others (other than the Issuer), (K) not acquire obligations or securities of the Issuer, (L) allocate fairly and reasonably any overhead for shared office space, (M) use separate stationery, invoices and checks, (N) not pledge its assets for the benefit of any other Person or make any loans or advance to any Person, (O) hold itself out as a separate Person, (P) correct any known misunderstanding regarding its separate identity and (Q) maintain adequate capital in light of its contemplated business operations;

(iv) the constitutive documents of such Blocker Subsidiary shall provide that the business of such Blocker Subsidiary shall be managed by or under the direction of a board of at least one director and that at least one such director shall be a person who is not at the time of appointment and for the five years prior thereto has not been (A) a direct or indirect legal or beneficial owner of the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates (excluding *de minimis* ownership), (B) a creditor, supplier, officer, manager, or contractor of the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates or (C) a person who controls (whether directly, indirectly or otherwise) the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates or any creditor, supplier, officer, manager or contractor of the Portfolio Manager, such Blocker Subsidiary or any of their respective Affiliates;

(v) the constitutive documents of such Blocker Subsidiary shall provide that, so long as the Blocker Subsidiary is owned directly or indirectly by the Issuer, upon the occurrence of the earliest of the date on which the Aggregate Outstanding Amount of each Class of Notes is paid in full or the date of any voluntary or involuntary dissolution, liquidation or winding-up of the Issuer or the Co-Issuer, (x) the Issuer shall sell or otherwise dispose of all of its equity interests in such Blocker Subsidiary within a reasonable time or (y) such Blocker Subsidiary shall (A) sell or otherwise dispose of all of its property or, to the extent such Blocker Subsidiary is unable to sell or otherwise dispose of such property within a reasonable time, distribute such property in kind to its stockholders, (B) make provision for the filing of a Tax return and any action required in connection with winding up such Blocker Subsidiary, (C) liquidate and (D) distribute the proceeds of liquidation to its stockholders; ~~and~~

(vi) to the extent payable by the Issuer, with respect to any Blocker Subsidiary, any expenses related to such Blocker Subsidiary will be considered Administrative Expenses pursuant to subclause (vi) of clause *third* of the definition thereof and will be payable as Administrative Expenses-; ~~and~~ and

(vii) the constitutive documents of any Blocker Subsidiary shall comport with the then-current criteria of the Rating Agency applicable thereto.

(e) The Co-Issuers and the Trustee agree, for the benefit of all Holders of each Class of Notes, not to institute against any Blocker Subsidiary any proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law, or a petition for its winding-up or liquidation (other than, in the case of the Issuer, a winding-up or liquidation of a Blocker Subsidiary that no longer holds any assets), until the payment in full of all Notes and the expiration of a period equal to one year (or, if longer, the applicable preference period then in effect) *plus* one day, following such payment in full.

(f) The Issuer shall provide prior notice to each Rating Agency of the formation of any Blocker Subsidiary and of the transfer of any asset to a Blocker Subsidiary.

Section 7.5. Protection of Assets. (a) The Issuer (or the Portfolio Manager on its behalf) shall cause the taking of such action as is reasonably necessary in order to maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time execute and deliver all such supplements and amendments hereto and file or authorize the filing of all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable, to secure the rights and remedies of the Trustee for the benefit of the Secured Parties hereunder and to:

- (i) Grant more effectively all or any portion of the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets (or assets held by a Blocker Subsidiary);
- (v) preserve and defend title to the Assets and the rights therein of the Secured Parties against the claims of all Persons and parties; or
- (vi) pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer shall make an entry of the security interests Granted under this Indenture in its register of mortgages and charges maintained at the Issuer's registered office in the Cayman Islands.

The Issuer authorizes its U.S. counsel to file a Financing Statement in the appropriate jurisdiction in connection with the Grant pursuant to this Indenture that names the Issuer as

“Debtor” and the Trustee on behalf of the Secured Parties as “Secured Party” and that identifies “all assets in which the Issuer now or hereafter has rights” as the collateral Granted to the Trustee. The Issuer further appoints the Trustee as its agent and attorney-in-fact for the purpose of preparing and filing any other Financing Statement, continuation statement or other instrument as may be required pursuant to this Section 7.5(a); *provided* that such appointment shall not impose upon the Trustee, or release or diminish, any of the Issuer’s obligations under this Section 7.5(a).

(b) The Trustee shall not, except in accordance with this Indenture, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee’s security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof will continue to be maintained after giving effect to such action or actions.

(c) If the Issuer shall at any time hold or acquire a “commercial tort claim” (as defined in the UCC) for which the Issuer (or predecessor in interest) has filed a complaint in a court of competent jurisdiction, the Issuer shall promptly provide notice to the Trustee in writing containing a sufficient description thereof (within the meaning of Section 9-108 of the UCC). If the Issuer shall at any time hold or acquire any timber to be cut, the Issuer shall promptly provide notice to the Trustee in writing containing a description of the land concerned (within the meaning of Section 9-203(b) of the UCC). Any commercial tort claim or timber to be cut so described in such notice to the Trustee will constitute an Asset and the description thereof will be deemed to be incorporated into the reference to commercial tort claims or to goods in the first Granting Clause. If the Issuer shall at any time hold or acquire any letter-of-credit rights, other than letter-of-credit rights that are supporting obligations (as defined in Section 9-102(a)(78) of the UCC), it shall obtain the consent of the issuer of the applicable letter of credit to an assignment of the proceeds of such letter of credit to the Trustee in order to establish control (pursuant to Section 9-107 of the UCC) of such letter-of-credit rights by the Trustee.

Section 7.6. Opinions as to Assets. For so long as any Secured Notes are Outstanding, on or before March 31 in each fifth calendar year following the Closing Date (commencing March 31, 2024), the Issuer shall furnish to the Trustee and each Rating Agency an Opinion of Counsel relating to the security interest Granted by the Issuer to the Trustee, stating that, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remain in effect and that no further action (other than as specified in such opinion) needs to be taken to ensure the continued effectiveness of such lien over the next five years.

Section 7.7. Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and will use their best efforts not to permit any action to be taken by others, that would release any Person from any of such Person’s covenants or obligations under any instrument included in the Assets, except in the case of enforcement action taken with respect to

any Defaulted Obligation in accordance with the provisions hereof and actions by the Portfolio Manager under the Portfolio Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Notes (except in the case of the Portfolio Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Portfolio Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Portfolio Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers will punctually perform, and use their best efforts to cause the Portfolio Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Portfolio Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify each Rating Agency within 10 Business Days after receipt of notice, or otherwise obtaining actual knowledge, of any material breach of any Transaction Document, following any applicable cure period for such breach.

Section 7.8. Negative Covenants. (a) The Issuer will not and, with respect to clauses (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer will not, in each case from and after the Closing Date, except as expressly permitted under this Indenture:

(i) sell, transfer, exchange, lend or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld or deducted in accordance with the Code, and the Treasury regulations promulgated thereunder or any applicable laws of the Cayman Islands or other applicable jurisdiction);

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes, this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities except in accordance with Sections 2.13 and 3.2 or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes (B) permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to

be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Portfolio Management Agreement except pursuant to its terms;

(vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law; *provided* that the Co-Issuer may dissolve at any time that no Co-Issued Notes remain Outstanding;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than, in the case of the Issuer, the formation of the Co-Issuer and any Blocker Subsidiaries) or engage in securities lending;

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors or managers to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by both this Indenture and the Portfolio Management Agreement;

(xii) enter into any Hedge Agreements except as permitted hereunder;

(xiii) operate so as to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to tax on a net income basis in any jurisdiction outside its jurisdiction of incorporation;

(xiv) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (a) any tax, securities law or other filing or submission made to any governmental authority, (b) any application made to a rating agency or (c) qualification for any exemption from tax, securities law or any other legal requirements; and

(xv) conduct any purchases of the Secured Notes, in whole or in part.

(b) The Co-Issuer will not invest any of its assets in “securities” as such term is defined in the Investment Company Act, and will keep all of its assets in cash.

(c) The Issuer, the Co-Issuer any Blocker Subsidiary shall not be party to any agreements that provide for a future financial obligation on the part of the Issuer (including Hedge Agreements) without including customary “non-petition” and “limited recourse” provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Portfolio Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Portfolio Manager in its sole discretion) loan trading documentation.

(b) The Issuer has not and shall not elect to be treated as other than a foreign corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local income or franchise tax purposes.

(c) The Issuer shall treat each purchase of Collateral Obligations as a "purchase" for tax accounting and reporting purposes.

(d) The Issuer shall not file, or cause to be filed, any income or franchise tax return in the United States or any state thereof except with respect to any Blocker Subsidiary or a return required by a tax imposed under Section 881 of the Code unless it shall have obtained Tax Advice prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) Upon the Issuer's receipt of a request of a Holder of a Note that has been issued with more than de minimis "original issue discount" (as defined in Section 1273 of the Code) or written request of a Person certifying that it is an owner of a beneficial interest in a Note that has been issued with more than de minimis "original issue discount" for the information described in United States Treasury Regulations Section 1.1275-3(b)(1)(i) that is applicable to such Note, the Issuer will cause its Independent certified public accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such Note all of such information. Any additional issuance of Notes shall be accomplished in a manner that will allow the Independent certified public accountants of the Issuer to accurately calculate original issue discount income to holders of such Additional Notes.

(f) Upon request of a Holder or Certifying HolderPerson, the Issuer shall, at no costs to such Holder, provide, or cause the Independent accountants to provide, as soon as commercially practicable after the end of the Issuer's taxable year (and in no event later than June 30th following the end of such taxable year), to such requesting Holder or Certifying HolderPerson (or its respective designee) of Income Notes (or any other Class that is required to be treated as equity for U.S. federal income tax purposes) (i) any information reasonably requested by such Holder or Certifying HolderPerson that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) with respect to such Class is required to obtain from the Issuer for U.S. federal income tax purposes, and (ii) a "PFIC Annual Information Statement" as described in U.S. Treasury Regulation Section 1.1295-1(g)(1) (or any successor Treasury Regulation), including all representations and statements required by such statement, and the Issuer will take or cause the Independent accountants to take any other reasonable steps to facilitate such election by such Holder or Certifying HolderPerson. Notwithstanding the foregoing, in the case of a Holder or Certifying HolderPerson of a Class E Note making a "protective QEF election," any such requested information shall be furnished at the expenses of such requesting Holder.

(g) Upon request of a Holder or Certifying HolderPerson, the Issuer shall provide (as soon as commercially practicable after the end of the relevant taxable year), or cause the Independent accountants to provide to such requesting Holder or Certifying HolderPerson (or its respective designee) any information that such Holder or Certifying HolderPerson reasonably requests to assist it with regard to filing requirements that it is required to satisfy as a result of the controlled foreign corporation rules under the Code.

(h) If the Issuer is aware that it has purchased an interest in a "reportable transaction" within the meaning of Section 6011 of the Code, and a Holder of an Income Note (or any other Note that is required to be treated as equity for U.S. federal income tax purposes) requests in writing information about any such transactions in which the Issuer is an investor, the Issuer shall provide, or cause its Independent accountants to provide, such information it has

reasonably available that is required to be obtained by such Holder under the Code as soon as practicable after such request.

(i) The Issuer shall not (i) become the owner of any asset (A) that is treated as an equity interest in an entity that is treated as a partnership or other fiscally transparent entity for U.S. federal income tax purposes if such entity is at any time engaged in a trade or business within the United States for U.S. federal income tax purposes or owns, or will own, any “United States real property interests” within the meaning of Section 897(c) of the Code or (B) the gain from the disposition of which would be subject to U.S. federal income or withholding tax under Section 897 or Section 1445, respectively, of the Code (*provided* that the Issuer may own equity interests in a Blocker Subsidiary that is a “United States real property interest” within the meaning of Section 897(c)(1) of the Code (“USRPI”) if the Issuer does not dispose of stock in the Blocker Subsidiary, and the Blocker Subsidiary does not make any distributions to the Issuer that give rise to capital gain or a return of tax basis for U.S. federal income tax purposes, while the equity interest in the Blocker Subsidiary remains a USRPI) or (C) if the ownership or disposition of such asset would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or (ii) engage in any activity that would cause the Issuer to be subject to U.S. federal income, state or local tax on a net income basis. Notwithstanding the foregoing, the Issuer may directly acquire, receive and hold any such aforementioned asset if the Issuer has received written advice of Dechert LLP or an opinion of other counsel of nationally recognized standing in the United States experienced in such matters to the effect that the acquisition, receipt, ownership or disposition of such asset, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise to be subject to U.S. federal income tax on a net income basis.

(j) The Issuer will take such reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary to achieve Tax Account Reporting Rules Compliance, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to Tax Account Reporting Rules. The Issuer shall provide any certification or documentation (including the applicable IRS Form W-8 or any successor form) to any payor from time to time as provided by law to minimize U.S. withholding tax or backup withholding tax.

(k) Upon written request, the Trustee and the Note Registrar shall provide to the Issuer, the Portfolio Manager, the Initial Purchaser or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to and is in the possession of the Trustee or the Note Registrar, as the case may be, and may be necessary to achieve Tax Account Reporting Rules Compliance, subject in all cases to confidentiality provisions.

(l) The Co-Issuer has not and will not elect to be treated as other than a disregarded entity for U.S. federal, state or local tax purposes.

(m) In connection with a Re-Pricing or the designation of the Benchmark Replacement that causes Notes to be deemed reissued for U.S. federal income tax purposes, the Issuer will cause its Independent accountants to assist the Issuer in complying with any

requirements under Treasury Regulation Section 1.1273-2(f)(9) (or any successor provision), including, (i) determining whether Notes of the Re-Priced Class or Notes replacing the Re-Priced Class or Notes subject to the Benchmark Replacement, as applicable, are traded on an established market, (ii) if so traded, to cause its Independent certified public accountants to determine the fair market value of such Notes, and (iii) to make available such fair market value determination to holders in a commercially reasonable fashion, including by electronic publication, within 90 days after the date of the Re-Pricing or the designation of the Benchmark Replacement, as applicable.

Section 7.18. Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer will use commercially reasonable efforts to purchase (or enter into commitments to purchase), on or before the Effective Date Cut-Off, Collateral Obligations, such that the Target Initial Par Condition is satisfied.

(c) Within 10 Business Days after the Effective Date, the Issuer shall provide, or cause the Portfolio Manager to provide, to S&P a Microsoft Excel file ("Excel Default Model Input File") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and the Portfolio Manager shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each Collateral Obligation: CUSIP number (if any), LoanX identification (if any), name of obligor, coupon, spread (if applicable), LIBOR floor (if applicable), legal final maturity date, average life, principal balance, identification as a Cov-Lite Loan, First Lien Last Out Loan, DIP Collateral Obligation, Current Pay Obligation or otherwise, settlement date, S&P Industry Classification and S&P Recovery Rate, S&P Rating, Domicile and lien identification as a first lien, second lien or otherwise.

(d) No later than the 10th Business Day after the Effective Date, the Issuer will (i) provide, or cause the Collateral Administrator to provide to each Rating Agency, a report identifying the same information that is included in a Monthly Report and including a statement as to whether the Effective Date Tested Items are satisfied (the "Effective Date Report"); and (ii) cause the Independent accountants appointed by the Issuer pursuant to this Indenture to provide to the Trustee (A) a report that applies agreed-upon procedures and specifies the procedures applied, recalculating and comparing the following items in the Effective Date Report: the obligor, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, Moody's Industry Classification, S&P Rating, ~~Fitch Rating~~ and country of Domicile with respect to each Collateral Obligation as of the Effective Date, by reference to such sources as shall be specified therein (the "Accountants' Effective Date Comparison AUP Report") and (B) a report that recalculates the Effective Date Tested Items (the "Accountants' Effective Date Recalculation AUP Report"). Copies of such accountants' reports will not be provided to the

Rating Agencies, except that in accordance with SEC Release No. 34-72936, Form ABS Due Diligence 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such form on the 17g-5 Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer will not be provided to any other party including any Rating Agency.

(e) If the Issuer has not obtained Effective Date Ratings Confirmation prior to the first Determination Date, then the Issuer (or the Portfolio Manager on the Issuer's behalf) will instruct the Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations until such time as the Issuer has obtained Effective Date Ratings Confirmation; provided that, in lieu of complying with the foregoing, the Issuer (or the Portfolio Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer to obtain Effective Date Ratings Confirmation; provided that amounts may not be transferred from the Interest Collection Subaccount to the Principal Collection Subaccount if, after giving effect to such transfer, (I) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay the full amount of the accrued and unpaid interest on any Class of Secured Notes on such next succeeding Payment Date or (II) such transfer would result in a deferral of interest with respect to the Deferred Interest Notes on the next succeeding Payment Date.

(f) Weighted Average S&P Recovery Rate. On or prior to the Effective Date, unless the Portfolio Manager makes an S&P CDO Monitor Formula Election, the Portfolio Manager shall elect the Weighted Average S&P Recovery Rate that shall on and after the Effective Date apply to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and if such Weighted Average S&P Recovery Rate differs from the Weighted Average S&P Recovery Rate chosen to apply as of the Closing Date, the Portfolio Manager will so notify the Trustee and the Collateral Administrator. Thereafter, at any time on written notice to the Trustee, the Collateral Administrator and each Rating Agency, the Portfolio Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; provided that, if: (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Weighted Average S&P Recovery Rate case to which the Portfolio Manager desires to change, or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations shall be the lowest Weighted Average S&P Recovery Rate in Section 2 of Schedule 5. In addition, the Portfolio Manager will select a Weighted Average Floating Spread Election in connection with the S&P CDO Monitor as provided in the definition of S&P CDO Monitor; provided that, if the Collateral Obligations are not currently in compliance with the Weighted Average Floating Spread Election then applicable to the

Collateral Obligations and would not be in compliance with any other Weighted Average Floating Spread Election, the Weighted Average Floating Spread Election to apply to the Collateral Obligations will be the lowest Weighted Average Floating Spread in Section 2 of Schedule 5. If the Portfolio Manager does not notify the Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate chosen on or prior to the Effective Date in the manner set forth above, the Weighted Average S&P Recovery Rate chosen on or prior to the Effective Date shall continue to apply.

(g) S&P CDO Monitor. On or prior to the Effective Date, the Portfolio Manager shall determine the applicable S&P CDO Monitor that shall on and after the Effective Date apply to the Collateral Obligations for purposes of determining compliance with the S&P CDO Monitor Test and shall notify the Trustee, the Collateral Administrator and S&P by providing written notice thereof. On or after the Effective Date, at any time on written notice to the Trustee, the Collateral Administrator and S&P, the Portfolio Manager may elect a different S&P CDO Monitor to apply to the Collateral Obligations; provided that if (i) the Collateral Obligations are currently in compliance with the S&P CDO Monitor Test, the Collateral Obligations comply with the S&P CDO Monitor Test after giving effect to such proposed election or (ii) the Collateral Obligations are not currently in compliance with the S&P CDO Monitor Test and would not be in compliance with the S&P CDO Monitor Test after the application of any other S&P CDO Monitor, the Collateral Obligations need not comply with the S&P CDO Monitor Test after the proposed change so long as the Class Default Differential of the Highest Priority S&P Class increases. If the Portfolio Manager does not notify the Trustee, the Collateral Administrator and each Rating Agency then rating a Class of Secured Notes that it will alter the S&P CDO Monitor previously chosen in the manner set forth above, the S&P CDO Monitor previously chosen shall continue to apply.

Section 7.19. Representations Relating to Security Interests in the Assets. (v) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Assets Granted to the Trustee for the benefit and security of the Secured Parties.

(vi) None of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(vii) The Issuer has received any consents or approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets.

(viii) All Assets with respect to which a security entitlement may be created by the Intermediary have been credited to one or more Accounts.

- (vii) modify the definition of Controlling Class, the definition of Outstanding or the Priority of Payments.

Notwithstanding any other provision relating to supplemental indentures in this Section 8.2, after the expiration of the Non-Call Period, no consent to a supplemental indenture will be required from any Holder of any Class of Secured Notes that, upon giving effect to such supplemental indenture, will be fully redeemed; *provided* that such supplemental indenture will

Section 8.3. Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which, as reasonably determined by the Trustee, affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel to the effect that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied; *provided* that, with respect only to such supplemental indenture proposed to be entered into pursuant to Section 8.2, if a Majority of the Controlling Class has provided written notice to the Trustee at least one Business Day prior to the execution of such supplemental indenture that such Class would be materially and adversely affected thereby, the Trustee shall not be entitled to rely upon an Opinion of Counsel or written certificate as to whether the Holders of such Class would be materially and adversely affected by such supplemental indenture and the Trustee shall not enter into such supplemental indenture without the consent of a Majority of such Class (or such greater portion of such Class as is otherwise required to execute such supplemental indenture). Such determination shall be conclusive and binding on all present and future Holders of the Notes.

(c) At the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than 15 Business Days (or, in the case of a supplemental indenture that includes proposed amendments, revisions, changes, modifications or waivers (x) related to or in connection with a Refinancing of all of the Secured Notes, (y) all (but not some) of which are related to or in connection with a Refinancing of some (but not all) of the Secured Notes or (z) all (but not some) of which are related to or in connection with an issuance of Additional Notes, as applicable, five Business Days) prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or 8.2, the Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, each Rating Agency and the Noteholders a notice attaching a copy of such proposed supplemental indenture and indicating the proposed date of execution of such supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than to correct typographical errors or to adjust formatting, then at the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than 5 Business Days (or, in the case of a supplemental indenture that includes proposed amendments, revisions, changes, modifications or waivers (x) related to or in connection with a Refinancing of all of the Secured Notes, (y) all (but not some) of which are related to or in connection with a Refinancing of some (but not all) of the Secured Notes or (z) all (but not some) of which are related to or in connection with an issuance of Additional Notes, as applicable, one Business Day) prior to the execution of such proposed supplemental indenture (*provided* that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 15 Business Days after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c) (or, in the case of a supplemental indenture that includes proposed amendments, revisions, changes, modifications or waivers (x) related to or in connection with a Refinancing of all of the Secured Notes, (y) all (but not some) of which are related to or in connection with a Refinancing of some (but not all) of the Secured Notes or (z) all (but not some) of which are related to or in connection with an issuance of Additional Notes, as applicable, five Business Days after the initial distribution of such proposed supplemental indenture)), the Trustee shall deliver to the Portfolio Manager, the Collateral Administrator, each Rating Agency and the Noteholders a copy of such supplemental indenture as revised, indicating the changes that were made. At the cost of the Co-Issuers, the Trustee shall provide to the Noteholders and each Rating Agency a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture.

(d) It shall not be necessary for any Act of Noteholders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Noteholders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(e) The Portfolio Manager shall not be bound to comply with any amendment or supplement to this Indenture unless the Portfolio Manager shall have consented thereto in accordance with this Article VIII. No amendment to this Indenture will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or

liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(f) For so long as any Notes are listed on [the Cayman Stock Exchange or Euronext Dublin](#) ~~and (so long as the guidelines of such exchange shall-so require)~~, the Issuer shall notify [the Cayman Stock Exchange and/or Euronext Dublin, as applicable](#), of any material modification to this Indenture.

(g) If the consent of any Holder of any Class would otherwise be required to execute a supplemental indenture being executed on (or with an effective date on) the day such Class is being redeemed or paid in full, such requirement will be deemed to have been satisfied. Any non-consenting Holders of a Re-Priced Class will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the Re-Pricing Redemption Date.

(h) Notwithstanding the requirements described in Section 8.1 or 8.2 above, in connection with a Refinancing of all Outstanding Secured Notes, the Co-Issuers and the Trustee may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture if (i) such supplemental indenture is effective on or after the date of such Refinancing and (ii) the Portfolio Manager and a Majority of the Income Notes have consented to the execution of such supplemental indenture.

(i) Notwithstanding anything to the contrary herein, to the extent that any determination is required as to whether any Class of Notes would be materially and adversely affected by any supplemented indenture pursuant to Section 8.1 or 8.2 above, if a Majority of the Controlling Class has provided written notice to the Trustee within ~~15~~10 Business Days of the Trustee delivering the notice of the proposed supplemental indenture that such Class would be materially and adversely affected [thereby](#), the Trustee shall only enter into such supplemental indenture with the subsequent consent of a Majority of such Class. [If the required percentage of Holders of each Class from which consent is required for a supplemental indenture pursuant to Section 8.1 or Section 8.2 has consented, the requirement to provide the Holders of such Class whose consent has been obtained a copy of the proposed supplemental indenture shall be deemed to be satisfied. Notwithstanding the foregoing, any Class of Notes being redeemed after the Non-Call Period with respect to such Class and receiving the Redemption Price with respect to such Class in such redemption will \(i\) be deemed not to be materially and adversely affected by any terms of \(and will not have any consent or objection rights with respect to\) any supplemental indenture that becomes effective on or after the effective date of such redemption and \(ii\) not be entitled to any notice of any supplemental indenture that becomes effective on or after the effective date of such redemption.](#)

(j) Notwithstanding any other provision of this Indenture or any other Transaction Document to the contrary, Holders of the Fee Notes will not be entitled to vote or consent and shall not constitute part of any Majority or Supermajority, except that Holders of a Class of Fee Notes shall be entitled to vote or consent in connection with any supplemental indenture which affects such Class of Fee Notes exclusively and in a manner that is materially different from the

effect of such supplemental indenture on the other Notes (including, without limitation, any supplemental indenture that would reduce the amount payable on such Class of Fee Notes).

Section 8.4. Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement pursuant to Article II of Notes originally issued hereunder, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuer so determines, new Notes, so modified as to conform in the opinion of the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuer and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6. Re-Pricing Amendments. In connection with a Re-Pricing, the Co-Issuers and the Trustee may, without regard for the other provisions of this Article VIII and with the consent of a Majority of the Income Notes, enter into a supplemental indenture solely to modify the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the stated interest rate) applicable to the Re-Priced Class or, in the case of an issuance of Re-Pricing Replacement Notes, solely to issue such Re-Pricing Replacement Notes.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1. Mandatory Redemption. If a Coverage Test is not met as of any Determination Date on which such Coverage Test is applicable, the Issuer shall apply Interest Proceeds and Principal Proceeds pursuant to the Priority of Payments on the related Payment Date to make payments on the Notes to the extent necessary to achieve compliance with such Coverage Tests (a “Mandatory Redemption”).

Section 9.2. Optional Redemption. (a) If directed in writing by a Majority of the Income Notes ~~or by the Portfolio Manager~~, the Issuer shall, on any Business Day after the Non-Call Period specified in such direction, (x) redeem the Secured Notes in whole and not in part from Sale Proceeds, Refinancing Proceeds, Contributions and other Available Funds or (y) redeem one or more (but fewer than all) Classes of Secured Notes (in whole but not in part) from Refinancing Proceeds and Partial Redemption Interest Proceeds; ~~provided that the Portfolio Manager may not direct the Optional Redemption of the Secured Notes using solely Sale Proceeds and other Available Funds (and not Refinancing Proceeds) without the written consent of a Majority of the Income Notes.~~ In connection with any such Optional Redemption, the Secured Notes will be redeemed at the applicable Redemption Prices. To direct an Optional Redemption of the Secured Notes, a Majority of the Income Notes ~~or the Portfolio Manager~~ must provide written direction to the Issuer and the Trustee not later than 15 Business Days prior to

the Redemption Date (or such shorter term as agreed to by the Issuer and Trustee) on which such redemption is to be made. ~~If such Optional Redemption is directed by the Portfolio Manager, the Issuer shall deliver, or shall direct the Trustee to deliver, a copy of such direction to the Holders of the Income Notes.~~ The Fee Notes are not subject to redemption by Refinancing.

(b) The Income Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Notes, at the direction of ~~the Portfolio Manager or~~ a Majority of the Income Notes.

(c) Upon receipt of a notice of an Optional Redemption of the Secured Notes, the Portfolio Manager in its sole discretion shall direct the sale of all or part of the Collateral Obligations and other Assets and/or arrange a Refinancing. The terms of the Refinancing Obligations will be negotiated by the Portfolio Manager (in consultation with the Holders of Income Notes) and must be acceptable to the Portfolio Manager and such Refinancing must satisfy the applicable Redemption Conditions. The Portfolio Manager, in its sole discretion, may conduct the sale of all or any part of the Collateral Obligations or other Assets through direct sales of such Collateral Obligations or other Assets or by participation or other arrangement. The Portfolio Manager, on behalf of the Issuer, shall negotiate the terms of any Refinancing. Any Refinancing Obligations will be offered first to the Portfolio Manager in such an amount that the Portfolio Manager has determined in its sole discretion is required for any U.S. Risk Retention Requirements to be satisfied.

(d) An Optional Redemption (other than a Partial Redemption) or Tax Redemption will only be effected if the following conditions (the “Full Refinancing Conditions”) are satisfied: (i) the Refinancing Proceeds, all Sale Proceeds of Collateral Obligations and other Assets in accordance with the procedures set forth herein, and all other available funds will at least equal the Redemption Prices of the Notes being redeemed and all Administrative Expenses (regardless of the Administrative Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee and the Collateral Administrator (including reasonable attorneys’ fees and expenses) in connection with such redemption and any accrued and unpaid Senior Management Fees (the “Required Redemption Amount”), (ii) such Sale Proceeds, Refinancing Proceeds, if any, Contributions and other available funds are used (to the extent necessary) to make such redemption, (iii) ~~if the Portfolio Manager has consented to such Optional Redemption is a Refinancing that was directed by the Portfolio Manager, a Majority of the Income Notes have not objected to such Refinancing in a written notice to the Issuer, the Trustee and the Portfolio Manager within five (5) Business Days following delivery of the Portfolio Manager's direction to effect such Refinancing,~~ (iv) the agreements relating to any Refinancing (other than the supplemental indenture) contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d) and Section 2.7(j) and (v) (A) neither the Issuer nor the Portfolio Manager will fail to be in compliance with any U.S. Risk Retention Requirements as a result of such Optional Redemption and (B) unless it consents to do so, none of the Portfolio Manager or any Affiliate of the Portfolio Manager will be required to purchase any Refinancing Obligations.

(e) In the case of a Refinancing of one or more (but fewer than all) Classes of Secured Notes as described above, such Partial Redemption will be effective only if the following conditions (the “Partial Redemption Conditions”) are satisfied:

- (i) the Issuer provides notice to each Rating Agency;
- (ii) the Refinancing Proceeds together with the Partial Redemption Interest Proceeds and any Contributions will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to Refinancing; *provided* that if the Redemption Date is a Payment Date, the Refinancing Proceeds may be applied after the application of the Priority of Payments on such Payment Date if specified by the Portfolio Manager;
- (iii) the Refinancing Proceeds are used (to the extent necessary) to make such redemption;
- (iv) the agreements relating to the Refinancing (other than the supplemental indenture) contain limited recourse and non-petition provisions equivalent to those contained in this Indenture;
- (v) the principal amount of any Refinancing Obligations of each Class is equal to the Aggregate Outstanding Amount of the Secured Notes of such Class being redeemed with the proceeds of such obligations;
- (vi) the stated maturity of each class of Refinancing Obligations is the same as the corresponding Stated Maturity of each Class of Secured Notes being refinanced;
- (vii) the reasonable fees, costs, charges and expenses incurred in connection with such Refinancing have been paid or will be adequately provided for (except for expenses owed to persons that agree to be paid no later than the second subsequent Payment Date in accordance with the Priority of Payments);
- (viii) (A) if the Refinancing Obligations and the Class of Secured Notes subject to the Refinancing are both fixed rate obligations, the interest rate of the Refinancing Obligations will not be greater than the Interest Rate of the Secured Notes subject to such Refinancing; (B) if the Refinancing Obligations and the Class of Secured Notes subject to the Refinancing are both floating rate obligations, the spread over LIBOR or other applicable Reference Rate of any Refinancing Obligations will not be greater than the spread over LIBOR or other applicable Reference Rate of the Secured Notes subject to such Refinancing; and (C) with respect to any Partial Redemption of a Class of Fixed Rate Notes with the proceeds of an issuance of floating rate Refinancing Obligations or of a Class of Floating Rate Notes with the proceeds of an issuance of fixed rate Refinancing Obligations or floating rate Refinancing referencing a different interest rate index, the Rating Condition is satisfied and the Issuer and the Trustee receive an Officer’s certificate of the Portfolio Manager (upon which each may conclusively rely without investigation of any nature whatsoever) certifying that, in the Portfolio Manager’s reasonable business judgment, the interest payable on the Refinancing Obligations with respect to such Class is anticipated to be lower than the interest that

would have been payable in respect of such Class (determined on a weighted average basis over the expected life of such Class) if such Partial Redemption did not occur; provided, however, Pari Passu Classes (other than, for the avoidance of doubt, the Class A Fee Notes) may be refinanced using a single class of fixed rate Refinancing Obligations or floating rate Refinancing Obligations, in which case the interest rate (or the spread over LIBOR or other Reference Rate in the case of a floating rate Refinancing Obligation) applicable to such single class of Refinancing Obligations must not be greater than (x) if the Refinancing Obligations bear interest at a fixed rate, the interest rate of the Fixed Rate Notes being refinanced or (y) if the Refinancing Obligations bear interest at a floating rate, the spread over LIBOR or other Reference Rate of the Floating Rate Notes being refinanced;

(ix) the Refinancing Obligations are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced;

(x) the voting rights and consent rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Notes being refinanced;

(xi) the Issuer shall have received Tax Advice to the effect that any Refinancing Obligations in respect of Co-Issued Notes will be treated as debt (and, in the case of any Refinancing Obligations in respect of the Class E Notes, to the effect that such obligations should be treated as debt) for U.S. federal income tax purposes and that the Refinancing will not alter the U.S. federal income tax characterization, as expressed at the time of issuance, of each Class of Secured Notes that will be Outstanding after such Refinancing;

~~(xii) if such Partial Redemption was directed by the Portfolio Manager, a Majority of the Income Notes have not objected to such Partial Redemption in a written notice to the Issuer, the Trustee and the Portfolio Manager within five (5) Business Days following delivery of the Portfolio Manager's direction to effect such Partial Redemption;~~[\[Reserved\]](#);

(xiii) (A) neither the Issuer nor the Portfolio Manager will fail to be in compliance with any U.S. Risk Retention Requirements as a result of such Optional Redemption and (B) unless it consents to do so, none of the Portfolio Manager or any Affiliate of the Portfolio Manager will be required to purchase any Refinancing Obligations; and

~~(xiv)~~ if the Class C Notes will remain Outstanding and any Refinancing Obligations issued are pari passu with the Class C Notes, thereafter the Class C Notes and such Refinancing Obligations will be treated as a single Class for the purpose of any Refinancing thereafter.

(f) The Holders of the Income Notes will not have any cause of action against any of the Co-Issuers, the Portfolio Manager, the Collateral Administrator or the Trustee for any failure to complete a Refinancing.

(g) In connection with a Refinancing other than a Partial Redemption, the Portfolio Manager may, with the consent of a Majority of the Income Notes, designate Principal Proceeds up to the Excess Par Amount as of the related Determination Date as Interest Proceeds for payment on the Redemption Date. Notice of any such designation will be provided to the Trustee (with copies to ~~the~~[each](#) Rating Agencies) on or before the related Determination Date.

Section 9.3. Tax Redemption. (a) The Notes shall be redeemed in whole but not in part (any such redemption, a “Tax Redemption”) at the written direction (delivered to the Issuer and the Trustee) at least 20 days prior to the proposed Redemption Date (unless the Trustee and the Portfolio Manager agree to a shorter notice period) of (x) a Majority of any Affected Class or (y) a Majority of the Income Notes, in either case, following the occurrence and continuation of a Tax Event.

(b) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Portfolio Manager, the Holders and each Rating Agency thereof.

(c) Upon receipt of a notice of a Tax Redemption of the Notes, the Portfolio Manager (in its sole discretion) will direct the sale (and the manner thereof) in accordance with the provisions of the Portfolio Management Agreement of all or part of the Collateral Obligations and other Assets. If the proceeds of such sale and all other funds available for such purpose would not be at least equal to the Required Redemption Amount, the Notes may not be redeemed. The Portfolio Manager, in its sole discretion, may effect the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(d) If an Officer of the Portfolio Manager obtains actual knowledge of the occurrence of a Tax Event, the Portfolio Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes and each Rating Agency thereof.

Section 9.4. Redemption Procedures. (a) The Issuer and the Trustee shall promptly forward to the Portfolio Manager any written direction received from Holders regarding an Optional Redemption, Tax Redemption, Clean-Up Call Redemption or redemption of the Income Notes. In the event of any redemption pursuant to Sections 9.2, 9.3 or 9.7, a notice of redemption shall be given not later than nine Business Days prior to the applicable Redemption Date, to each Holder of Notes and each Rating Agency. So long as any Notes are listed on [the Cayman Stock Exchange or Euronext Dublin](#) ~~and~~ (so long as the guidelines of such exchange so require), notice of redemption pursuant to Sections 9.2, 9.3 or 9.7 shall also be given to [the Cayman Stock Exchange and/or Euronext Dublin](#) (as applicable).

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

- (ii) the Redemption Prices of the Notes to be redeemed;
- (iii) that all of the Notes to be redeemed are to be redeemed in full and that interest on such Notes shall cease to accrue on the Redemption Date specified in the notice;
- (iv) the place or places where Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and
- (v) if all Secured Notes are being redeemed, whether the Income Notes are to be redeemed in full on such Redemption Date.

The Issuer may withdraw any notice of Optional Redemption or Tax Redemption, following good faith efforts by the Issuer and the Portfolio Manager to facilitate such redemption, on any day up to and including the second Business Day prior to the proposed Redemption Date. A Majority of the Income Notes ~~or the Portfolio Manager~~ may withdraw their direction of an Optional Redemption or a Tax Redemption on any day up to and including the Business Day before the scheduled Redemption Date unless the Portfolio Manager has delivered a certificate described in Section 9.4(c). Any withdrawal of such notice of an Optional Redemption or a Tax Redemption will be made by written notice to the Trustee (who will forward such notice to each Holder, the Portfolio Manager and each Rating Agency). If any notice or direction of an Optional Redemption or Tax Redemption is withdrawn or the Issuer is otherwise unable to complete a redemption of the Notes pursuant to Section 9.2 or 9.3, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may be reinvested in accordance with the Investment Criteria during the Reinvestment Period at the Portfolio Manager's sole discretion. For the avoidance of doubt, no Default or Event of Default shall occur solely as a result of a withdrawal of such notice.

Notice of redemption pursuant to Section 9.2, 9.3 or 9.4 shall be given by the Trustee in the name and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

(c) In the event of any Optional Redemption that involves the sale of Collateral Obligations and other Assets or any Tax Redemption, no Secured Notes may be redeemed unless (i) at least five Business Days before the scheduled Redemption Date, the Portfolio Manager shall have furnished to the Trustee evidence in a form reasonably satisfactory to the Trustee that the Portfolio Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institution or a special purpose entity that complies with then-current rating agency bankruptcy-remoteness criteria (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price, together with Refinancing Proceeds, if any, expected to be received on or before the scheduled Redemption Date and other funds available for such redemption (including the proceeds of any Contribution designated for such use) on or prior to the scheduled Redemption Date, at least equal to the

Required Redemption Amount, or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Portfolio Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale of Eligible Investments, (B) expected Refinancing Proceeds, if any, and (C) for each Collateral Obligation, the product of its Principal Balance and its Market Value, shall at least equal the Required Redemption Amount. Any certification delivered by the Portfolio Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations and/or Eligible Investments and (2) all calculations supporting such certification. Any Holder of Notes, the Portfolio Manager or any of the Portfolio Manager's Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a Tax Redemption.

(d) In the event that a scheduled redemption of the Secured Notes fails to occur and (A) such failure is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Portfolio Manager on the Issuer's behalf), (B) the Issuer (or the Portfolio Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the scheduled redemption date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Portfolio Manager and (D) the Issuer (or the Portfolio Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to such scheduled redemption date (a "Redemption Settlement Delay"), then, upon notice from the Issuer to the Trustee that sufficient funds are now available to complete such redemption, such Secured Notes may be redeemed using such funds on any Business Day prior to the first Payment Date after the original scheduled redemption date and not less than two Business Days after the original scheduled redemption date. Interest on the Notes will accrue to but excluding such new Redemption Date. If such redemption does not occur prior to the first Payment Date after the original scheduled redemption date, such redemption will be cancelled without further action.

A Redemption Settlement Delay or the failure to effect a redemption on a scheduled redemption date will not be an Event of Default.

(e) The Fee Notes are not subject to redemption but, if not previously surrendered and cancelled, will be retired on any Redemption Date on which all of the Income Notes have been redeemed upon payment of any Fee Note Amounts due to the Holders of the Fee Notes on such date in accordance with the Priority of Payments.

Section 9.5. Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after such Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes shall cease to bear interest on such Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that in the absence of notice to the Applicable Issuer or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be

made without presentation or surrender, if the Trustee and the Applicable Issuer have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(f).

(b) If any Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Note remains Outstanding; *provided* that the reason for such non-payment is not the fault of such Noteholder.

Section 9.6. Special Redemption. Principal will be paid on the Secured Notes in accordance with the Priority of Payments on any Payment Date (i) during the Reinvestment Period, if the Portfolio Manager in its sole discretion notifies the Issuer and the Trustee (who shall notify the Holders of Notes and ~~Fitch~~the Rating Agency) at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Portfolio Manager in its sole discretion and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the Principal Proceeds then in the Collection Account that are to be invested in additional Collateral Obligations (a “Reinvestment Special Redemption”) or (ii) after the Effective Date, if the Portfolio Manager notifies the Trustee and the Holders ~~and Fitch~~ that payment of principal of Secured Notes is required in order to obtain Effective Date Ratings Confirmation (an “Effective Date Special Redemption” and each of an Effective Date Special Redemption and a Reinvestment Special Redemption, a “Special Redemption”).

On the first Payment Date following the Collection Period in which such notice is given (a “Special Redemption Date”), (1) in the case of a Reinvestment Special Redemption, the amount in the Collection Account representing Principal Proceeds which the Portfolio Manager has determined (with notice to the Trustee and the Collateral Administrator) cannot be reinvested in additional Collateral Obligations (such amount, the “Special Redemption Amount”), will be applied as described in the Priority of Payments in accordance with the Secured Note Payment Sequence or (2) in the case of an Effective Date Special Redemption, available Interest Proceeds and Principal Proceeds will be applied in accordance with the Priority of Payments until the Issuer obtains Effective Date Ratings Confirmation.

Section 9.7. Clean-Up Call Redemption. (a) At the written direction of the Portfolio Manager (with a copy to the Holders of the Income Notes) (which direction shall be given so as to be received by the Issuer, the Trustee and each Rating Agency not later than 15 Business Days prior to the proposed Redemption Date), the Notes will be subject to redemption by the Issuer, in whole but not in part (a “Clean-Up Call Redemption”), at the applicable Redemption Price, on any Business Day after the Non-Call Period on which the Collateral Principal Amount is less than 20% of the Target Initial Par Amount.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than the Eligible Investments referred to in clause (d) of this sentence) by the Portfolio Manager

or any other Person from the Issuer, on or prior to the fifth Business Day immediately preceding the related Redemption Date, for a purchase price in cash (the “Clean-Up Call Redemption Price”) at least equal to the greater of (1) the sum of (a) the Aggregate Outstanding Amount of the Secured Notes, *plus* (b) all unpaid interest on the Secured Notes accrued to the date of such redemption (including any Note Deferred Interest), *plus* (c) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Income Notes (including, for the avoidance of doubt, all accrued and unpaid Administrative Expenses), *minus* (d) the balance of the Eligible Investments in the Collection Account and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Portfolio Manager, prior to such purchase, of certification from the Portfolio Manager that the sum so received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Portfolio Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Trustee shall deposit such payment into the Collection Account in accordance with the instructions of the Portfolio Manager.

(c) Upon receipt from the Portfolio Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the related Redemption Date and the Record Date and give written notice thereof to the Trustee, the Collateral Administrator, the Portfolio Manager and each Rating Agency not later than 15 Business Days prior to the proposed Redemption Date. Notice of such Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed not later than nine Business Days prior to the proposed Redemption Date. The Trustee shall also arrange for notice of such Clean-Up Call Redemption to be delivered ~~to the Irish Listing Agent to deliver to~~ Cayman Stock Exchange and/or Euronext Dublin (for so long as any Class of Notes ~~are~~ is listed ~~thereon~~ on such exchange and so long as the guidelines of such exchange so require).

(d) Any notice of a Clean-Up Call Redemption may be withdrawn by the Issuer by the Portfolio Manager (if such Clean-Up Call Redemption was directed by the Portfolio Manager) or a Majority of the Income Notes (if such Clean-Up Call Redemption was directed by a Majority of the Income Notes) up to the second Business Day prior to the related scheduled Redemption Date by written notice to the Trustee, each Rating Agency and (if applicable) the Portfolio Manager. Notice of any such withdrawal of a notice of a Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed and to the ~~Irish Listing Agent for delivery to~~ Cayman Stock Exchange and/or Euronext Dublin (for so long as any Class of Notes ~~are~~ is listed ~~thereon~~ on such exchange and so long as the guidelines of such exchange so require).

Section 9.8. Re-Pricing. (a) On any Business Day that occurs after the end of the Non-Call Period, at the direction of the Portfolio Manager with the consent of a Majority of the Income Notes or a Majority of the Income Notes with the consent of the Portfolio Manager, the Issuer shall, subject to the Re-Pricing Conditions, reduce the spread over the Reference Rate (or, in the case of any Fixed Rate Notes, the stated interest rate) applicable to one or more classes of Repriceable Notes (such reduction, a “Re-Pricing”). In connection with any Re-Pricing, the

Issuer may engage a broker-dealer (the “Re-Pricing Intermediary”) to assist the Issuer in effecting the Re-Pricing.

(b) At least 15 Business Days (or such shorter period of time as the Trustee and the Portfolio Manager find reasonably acceptable) prior to the proposed Re-Pricing Date fixed by the Portfolio Manager or a Majority of the Income Notes (with the prior written consent of the Portfolio Manager), the Issuer (or the Re-Pricing Intermediary on its behalf) shall provide notice to (with a copy to the Portfolio Manager, the Trustee and each Rating Agency) each Holder of the Class or Classes of Repriceable Notes subject to a proposed Re-Pricing (each a “Re-Priced Class”), which notice will (i) specify the proposed Re-Pricing Date and the proposed reduced spread over the Reference Rate (or, in the case of ~~the~~any Fixed Rate Notes, the stated interest rate) or range of spread over the Reference Rate (or in the case of any Fixed Rate Notes, the stated interest rate) to be applied with respect to such Class (the Reference Rate plus the reduced spread, or in the case of any Fixed Rate Notes, the reduced interest rate, the “Re-Pricing Rate”); (ii) request each Holder of such Class approve the proposed Re-Pricing or provide a proposed Re-Pricing Rate at which it would consent to such Re-Pricing that is within the proposed range (if any) (such proposal, a “Holder Proposed Re-Pricing Rate”); (iii) request each consenting Holder to provide the principal amount of such Class that such Holder is willing to purchase at such Re-Pricing Rate or Holder Proposed Re-Pricing Rate (the “Holder Purchase Request”); and (iv) state that the Issuer will have the right to (a) cause non-consenting Holders to sell their Notes on the Re-Pricing Date to one or more transferees at a sale price equal to the Redemption Price or (b) redeem such Notes with the Re-Pricing Proceeds and Partial Redemption Interest Proceeds, in each case at the applicable Redemption Price; *provided* that the Issuer at the direction of the Portfolio Manager may extend the Re-Pricing Date or determine the Re-Pricing Rate taking into consideration any Holder Proposed Re-Pricing Rates at any time up to two Business Days prior to the Re-Pricing Date. Failure to give a notice of Re-Pricing, or any defect therein, to any holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

(c) Any notice of a Re-Pricing may be withdrawn by the Portfolio Manager on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee and the Portfolio Manager (if applicable) for any reason. Upon receipt of such notice of withdrawal, the Trustee shall post notice to the Trustee’s Website and send such notice to the Holders of Notes and each Rating Agency.

(d) In the event any Holders of the proposed Re-Priced Class do not deliver written consent to the proposed Re-Pricing on or before the date that is at least five Business Days prior to the proposed Re-Pricing Date, the Issuer (or the Re-Pricing Intermediary on its behalf) shall provide notice to any Holder who delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is equal to or less than the Re-Pricing Rate as determined by the Portfolio Manager (such request, an “Accepted Purchase Request”) specifying the principal amount of the Notes that the Holder has agreed to purchase with a Re-Pricing Rate equal to or greater than such Holder’s Holder Proposed Re-Pricing Rate.

In the event that the Issuer receives Accepted Purchase Requests with respect to more than the aggregate principal amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer (or the Re-Pricing Intermediary on its behalf) shall cause the sale and transfer

of such Notes or the Issuer will issue Re-Pricing Replacement Notes to the Holders delivering Accepted Purchase Requests, *pro rata* (subject to the applicable Minimum Denominations) based on the principal amount of the Notes such Holders indicated an interest in purchasing in their Holder Purchase Requests.

In the event that the Issuer receives Accepted Purchase Requests with respect to less than the aggregate principal amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer (or the Re-Pricing Intermediary on its behalf) shall cause the sale and transfer of such Notes or the Issuer will issue Re-Pricing Replacement Notes to such consenting Holders and the remaining Notes of the Re-Priced Class held by non-consenting Holders will be sold, or redeemed with Re-Pricing Proceeds or Partial Redemption Interest Proceeds, to one or more purchasers designated by the Re-Pricing Intermediary. Sales of non-consenting Holders' Notes or Re-Pricing Replacement Notes will be effected only if the related Re-Pricing is completed.

Each Holder of Repriceable Notes, by its acceptance of an interest in such Notes, agrees to sell and transfer its Notes in accordance with this Indenture and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to complete such sales and transfers. The Issuer (or the Re-Pricing Intermediary on its behalf) shall provide notice to the Trustee and the Portfolio Manager not later than the Business Day before the proposed Re-Pricing Date confirming that the Issuer has received written commitments sufficient to purchase or redeem all Notes of the Re-Priced Class held by non-consenting Holders.

(e) The Issuer shall not effect any proposed Re-Pricing unless (x) the Re-Pricing occurs after the Non-Call Period and (y) the following conditions (collectively, the conditions described in clauses (x) and (y), the “Re-Pricing Conditions”) are satisfied:

(i) the Co-Issuers and the Trustee, with the consent of a Majority of the Income Notes, have entered into a supplemental indenture dated as of the Re-Pricing Date;

(ii) all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred or redeemed pursuant to Section 9.8(d) at a price equal to the Redemption Price;

(iii) each Rating Agency has been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid under the Priority of Interest Proceeds on the subsequent Payment Date prior to the distribution of any remaining Interest Proceeds to the Holders of the Income Notes, together with Contributions designated for such use, unless such expenses have been paid or will be adequately provided for by an entity other than the Issuer; and

(v) (A) neither the Issuer nor the Portfolio Manager will fail to be in compliance with any U.S. Risk Retention Requirements as a result of such

Re-Pricing and (B) unless it consents to do so, none of the Portfolio Manager or any Affiliate of the Portfolio Manager will be required to purchase any Notes.

(f) The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the Re-Pricing, and the Trustee will have the authority to take such actions as may be directed by the Issuer or the Portfolio Manager to effect a Re-Pricing. In order to give effect to the Re-Pricing, the Issuer may, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by consenting Holders or non-consenting Holders.

(g) The Trustee will be entitled to receive and (subject to Sections 6.1 and 6.3(a) hereof) will be fully protected in relying upon a certificate of the Issuer stating that the Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1. Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all funds and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations, in accordance with the terms and conditions of such Pledged Obligations. The Trustee shall segregate and hold all such funds and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account shall be an Eligible Account established with an Intermediary and maintained in accordance with an Account Agreement. All cash deposited in the Accounts shall be invested only in Eligible Investments or Collateral Obligations in accordance with the terms of this Indenture. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Intermediary to comply, with all laws applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity and with the provisions of the Account Agreement; *provided* that the foregoing shall not be construed to prevent the Trustee or Intermediary from investing the Assets of the Issuer in Eligible Investments described in clause (ii) of the definition thereof that are obligations of the Bank. The Trustee shall have the right to open subaccounts of any such Account as it deems necessary or appropriate for convenience of administration.

Section 10.2. Collection Account. The Trustee shall promptly forward to the Portfolio Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports received from such issuer and Clearing Agencies with respect to such issuer.

(d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in Article X, any credit, withdrawal, transfer or other application of funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

The Issuer is further required to report to the Trustee comparable information upon any change in the legal or beneficial ownership of the income allocable to the Accounts. The Bank, both in its individual capacity and in its capacity as Trustee, shall have no liability to the Issuer or any other person in connection with any tax withholding amounts paid, or retained for payment, to a governmental authority from the Accounts arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-8BEN-E or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds shall be invested with respect to such Accounts absent the Trustee having first received (x) instructions with respect to the investment of such funds, and (y) the forms and other documentation required by this paragraph.

(AA) to pay the Redemption Price (without duplication of any payments received by the Holders of the Notes being redeemed pursuant to the Priority of Interest Proceeds, the Priority of Principal Proceeds or the Special Priority of Payments) of the Notes being redeemed in accordance with the priorities set forth in the Secured Note Payment Sequence;

(BB) to pay Administrative Expenses related to the Refinancing or the Re-Pricing; and

(CC) any remaining proceeds will be deposited in the Interest Collection Subaccount as Interest Proceeds.

If on any Payment Date the amount available in the Payment Account is insufficient to make the full amount of the disbursements required by the Distribution Report, the Trustee shall make the disbursements called for in the order and according to the priorities set forth in the applicable Priority of Payments to the extent funds are available therefor.

(b) In connection with the application of funds to pay Administrative Expenses of the Issuer or the Co-Issuer, as the case may be, in accordance with the Priority of Interest Proceeds, the Priority of Principal Proceeds and the Special Priority of Payments, the Trustee shall remit such funds, to the extent available, as directed and designated in an Issuer Order (which may be in the form of standing instructions, including standing instructions to pay Administrative Expenses in such amounts and to such entities as indicated in the Distribution Report in respect of such Payment Date) delivered to the Trustee no later than the Business Day prior to each Payment Date. The Trustee may pay Administrative Expenses on dates other than Payment Dates as provided in Section 10.2(d).

(c) (i) The Portfolio Manager may, in its sole discretion, elect to irrevocably waive payment of any or all of any Senior Management Fee or Incentive Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date. Any such Management Fee, once waived, shall not thereafter become due and payable and any claim of the Portfolio Manager therein shall be extinguished.

(ii) The Portfolio Manager may, in its sole discretion, elect to defer payment of any or all of any Senior Management Fee otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date. To the extent any Senior Management Fees are not paid when due on any Payment Date due to insufficient funds pursuant to the operation of the Priority of Payments (and not as the result of a waiver),

such Senior Management Fee will be deferred and will be payable on subsequent Payment Dates in accordance with the Priority of Payments, and will bear interest at a rate per annum equal to the Reference Rate for the period from (and including) the date on which such Senior Management Fee is due and payable to (but excluding) the date of payment thereof; *provided* such fees and such interest will be payable on subsequent Payment Dates on which funds are available therefor in accordance with the Priority of Payments.

(iii) Any interest due on Senior Management Fees so deferred will thereupon constitute the accrued Senior Management Fee.

(iv) The Portfolio Manager may, with the consent of a Supermajority of the Class C Fee Notes, elect to defer payment of any or all of the Class C Fee Note Amount otherwise due on any Payment Date by notice to the Issuer, the Collateral Administrator and the Trustee no later than the Determination Date immediately prior to such Payment Date (a “Class C Fee Note Amount Deferral”). To the extent any Class C Fee Note Amounts are not paid when due on any Payment Date because the Portfolio Manager, with the consent of a Supermajority of the Class C Fee Notes, has instructed the Trustee with respect to any Payment Date that it wishes to defer payment, such deferred Class C Fee Note Amount will be deferred and will be payable on subsequent Payment Dates in accordance with the Priority of Payments.

(d) At any time during the Reinvestment Period, any Holder of Certificated Notes or any beneficial owner of an interest in a Global Note may notify the Issuer, the Paying Agent, the Trustee and the Portfolio Manager, by submission of a notice substantially in the form of Exhibit E (a “Contribution Notice”), that it proposes to (i) make a cash contribution to the Issuer (a “Cash Contribution”) or (ii) solely in the case of a Holder of Certificated Notes, designate as a contribution to the Issuer all or a specified portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on a Payment Date to such Holder pursuant to Section 11.1(a)(i) or Section 11.1(a)(ii) (a “Reinvestment Contribution” and, together with a Cash Contribution, each a “Contribution”), provided, that any such designation, once made, may not be changed. Any Contribution that falls within the definition of a Reinvestment Contribution as defined in clause (ii) above shall not be treated as a Cash Contribution. The Portfolio Manager, in consultation with the applicable Holders (but in the Portfolio Manager’s sole discretion), will determine (on behalf of the Issuer) (A) whether to accept any proposed Contribution and (B) the Permitted Use to which such proposed Contribution would be applied, which Permitted Use, once determined, may not be changed. The Portfolio Manager will provide written notice of such determination to the applicable Contributor(s) thereof and each such Contribution accepted by the Portfolio Manager will be accepted by the Issuer. If such Contribution is accepted by the Portfolio Manager (on behalf of the Issuer), it will be deposited by the Trustee in the Contribution Account and applied to one or more Permitted Uses determined by the Portfolio Manager (on behalf of the Issuer). Reinvestment Contributions will be deemed to constitute payment pursuant to Section 11.1(a)(i) or Section 11.1(a)(ii) of the amounts designated thereunder for purposes of (1) all distributions from the Payment Account to be made on such Payment Date and (2) the calculation of the Income Notes Internal Rate of Return. Any amount so deposited shall not earn interest and shall not increase the Aggregate Outstanding Amount of the related Income Notes. Any Contribution Notice in respect of a Reinvestment Contribution

shall specify the percentage(s) of the amount(s) that such Contributor would otherwise be entitled to receive on the applicable Payment Date in respect of distributions pursuant to Section 11.1(a)(i) or Section 11.1(a)(ii) (such Contributor's "Distribution Amount") that such Contributor wishes the Trustee to deposit in the Contribution Account. The Portfolio Manager on behalf of the Issuer will provide such Contributor with an estimate of such Contributor's Distribution Amount not later than two Business Days prior to each subsequent Payment Date. Promptly upon a Contribution being made in accordance with this Section 11.1(d), the Trustee shall notify the holders of each Class of Notes of the amount of such Contribution and the related Permitted Use. No Contribution or portion thereof will be returned to the Contributor at any time. Any Contribution may be made without the consent of any Holder of any Notes unless after giving effect to such Contribution, (x) such Contribution (taken together with all other Contributions made on the same Business Day) is less than \$500,000 or (y) ~~after giving effect to such Contribution~~, four or more Contributions (treating all Contributions made on the same Business Day as a single Contribution) have been made since the Closing Refinancing Date, in which case the consent of a Majority of the Controlling Class shall be required in connection with such Contribution.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1. Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and unless an Event of Default has occurred and is continuing (except, so long as the liquidation of the Assets has not commenced, sales pursuant to Sections 12.1(a), (b), (c), (d), (h), and (i)), the Portfolio Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Trustee to sell and the Trustee shall sell on behalf of the Issuer in the manner directed by the Portfolio Manager any Collateral Obligation, Loss Mitigation Obligation, Equity Security (which shall include the direct sale or liquidation of the equity interests of any Blocker Subsidiary or assets held by a Blocker Subsidiary) or Unsalable Asset, if, as certified by the Portfolio Manager, such sale meets the requirements of any one of paragraphs (a) through (i) and (k) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Section 12.1(h) or (i)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Portfolio Manager may direct the Trustee to sell any Credit Improved Obligation at any time without restriction.

(c) Defaulted Obligations/Loss Mitigation Obligations. The Portfolio Manager may direct the Trustee to sell any Defaulted Obligation or Loss Mitigation Obligation at any time during or after the Reinvestment Period without restriction. ~~With respect to each Defaulted Obligation that has not been sold or terminated within three years after becoming a Defaulted~~

~~Obligation, the Market Value and Principal Balance of such Defaulted Obligation shall be deemed to be zero.~~

(d) Equity Securities. The Portfolio Manager may direct the Trustee to sell any Equity Security (or any asset held by any Blocker Subsidiary) at any time without restriction, and shall use its commercially reasonable efforts to effect the sale of any Equity Security, regardless of price:

(i) within 45 days after receipt if such Equity Security constitutes Margin Stock, unless such sale is prohibited by the governing documents of such Equity Security or by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law; and

(ii) within three years after receipt or after such security becomes an Equity Security if clause (i) above does not apply, unless such sale is prohibited by the governing documents of such Equity Security or by applicable law, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law.

(e) Optional Redemption. Unless an Event of Default has occurred and is continuing, after the Issuer has notified the Trustee of an Optional Redemption not effected solely through a Refinancing, the Portfolio Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(c)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(f) Tax Redemption. Unless an Event of Default has occurred and is continuing, after a Majority of an Affected Class or a Majority of the Income Notes has directed (by a written direction delivered to the Trustee) a Tax Redemption, the Issuer (or the Portfolio Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX (including the certification requirements of Section 9.4(c)(ii), if applicable) are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(g) Discretionary Sales. Unless an Event of Default has occurred and is continuing, during the Reinvestment Period, the Portfolio Manager may direct the Trustee to sell any Collateral Obligation at any time other than during a Restricted Trading Period if (i) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations sold as described in this Section 12.1(g) during the preceding period of 12 calendar months (or, for the first 12 calendar months after the Closing Refinancing Date, during the period commencing on the Closing Refinancing Date) is not greater than 30% of the Collateral Principal Amount and (ii) either:

(A) the Portfolio Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a

portion of the proceeds of such sale, in compliance with the Investment Criteria, in one or more additional Collateral Obligations with an Investment Criteria Adjusted Balance at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation within 45 Business Days after such sale; or

(B) during or after the Reinvestment Period, the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation; or

(C) after giving effect to such sale, the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) plus, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance;

provided that for purposes of determining the percentage of Collateral Principal Amount of Collateral Obligations sold in a discretionary sale during any such period, the Collateral Principal Amount of Collateral Obligations so sold shall be reduced to the extent of any purchases of (or irrevocable commitments to purchase) Collateral Obligations of the same obligor, whether as primary obligor or guarantor (which are *pari passu* or senior to such sold Collateral Obligations), occurring within 45 Business Days of such sale, so long as any such discretionary sale was entered into with the intention of purchasing such Collateral Obligations of the same obligor.

(h) Mandatory Sales. The Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale (regardless of price) of any Collateral Obligation that (i) no longer meets the criteria described in clause (viii) of the definition of Collateral Obligation, within 18 months after the failure of such Collateral Obligation to meet any such criteria and (ii) no longer meets the criteria described in clause (vii) or (xviii) of the definition of Collateral Obligation within 45 days after the failure of such Collateral Obligation to meet either such criteria.

(i) Prior to the time that the Issuer would acquire or receive an Equity Security, ~~security or obligation~~ or other asset in connection with a workout, restructuring or foreclosure of a Collateral Obligation that would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or subject to U.S. federal income tax on a net income basis, and prior to the time that any Collateral Obligation is modified in a manner that would cause the Issuer to be treated as engaged in a trade or business in the United States or subject to U.S. federal income tax on a net income basis, the Issuer either shall (i) sell the right to receive the Equity Security, ~~security or obligation~~ or other asset, or the Collateral Obligation that is the subject of the workout, restructuring, foreclosure, or modification, or (ii) contribute the right to receive the Equity Security, ~~security or obligation~~ or other asset, or the Collateral Obligation that is the subject of the workout, restructuring, foreclosure, or modification to a Blocker Subsidiary.

(j) Without limiting the Issuer's obligations under Section 12.1(i) and subject to Section 12.1(m), the Issuer is permitted to transfer any Equity Security to a Blocker Subsidiary at any time. In connection with the incorporation of, or transfer of any security or obligation to, any Blocker Subsidiary, the Issuer shall not be required to satisfy any Rating Condition with respect to such incorporation or transfer; *provided* that prior to the incorporation of any Blocker Subsidiary, the Portfolio Manager will, on behalf of the Issuer, provide written notice thereof to each Rating Agency. The Issuer shall not be required to continue to hold in a Blocker Subsidiary (and may instead hold directly) a security that ceases to be considered an Equity Security, as determined by the Portfolio Manager based on written advice of Dechert LLP or an opinion of other counsel of nationally recognized standing in the United States experience in such matters to the effect that the Issuer can transfer such security or obligation from the Blocker Subsidiary to the Issuer and can hold such security or obligation directly without causing the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes. For financial accounting reporting purposes (including each Monthly Report and Distribution Report) and the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own any Equity Security or Collateral Obligation held by a Blocker Subsidiary rather than its interest in that Blocker Subsidiary; *provided* that any future anticipated tax liabilities of a Blocker Subsidiary related to an Equity Security or Collateral Obligation held by such Blocker Subsidiary shall be reflected in such financial accounting reporting (including each Monthly Report and Distribution Report) and the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test.

(k) Unless an Event of Default has occurred and is continuing, after the Reinvestment Period:

(i) notwithstanding the restrictions of Section 12.1, at the direction of the Portfolio Manager, the Trustee, at the expense of the Issuer, will conduct an auction of Unsalable Assets in accordance with the procedures described in clause (ii); and

(ii) promptly after receipt of such direction, the Trustee will provide notice (in such form as is prepared by the Portfolio Manager) to the Holders (and, for so long as S&P is a Rating Agency, S&P) of an auction, setting forth in reasonable detail a description of each Unsalable Asset and the following auction procedures:

(A) any Holder of Notes may submit a written bid to purchase one or more Unsalable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice);

(B) each bid must include an offer to purchase for a specified amount of cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(C) if no Holder submits such a bid, unless delivery in kind is not legally or commercially practicable, the Trustee will provide notice thereof to each Holder and offer to deliver (at no cost to such Holder or the

Trustee) a *pro rata* portion of each unsold Unsalable Asset to the Holders of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations. To the extent that minimum denominations do not permit a *pro rata* distribution, the Trustee will distribute the Unsalable Assets on a *pro rata* basis to the extent possible and the Portfolio Manager will select by lottery the Holder to whom the remaining amount will be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests; and

(D) if no such Holder provides delivery instructions to the Trustee, the Trustee will promptly notify the Portfolio Manager and offer to deliver (at no cost) the Unsalable Asset to the Portfolio Manager. If the Portfolio Manager declines such offer, the Trustee will take such action as directed by the Portfolio Manager (on behalf of the Issuer) to dispose of the Unsalable Asset, which may be by donation to a charity, abandonment or other means.

(l) After the Portfolio Manager or a Majority of the Income Notes has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.7 hereof, the Portfolio Manager may at any time effect the sale (which sale may be through participation or other arrangement) of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; *provided* that the Sale Proceeds therefrom are used for the purposes specified in Section 9.7 hereof (and applied pursuant to the Priority of Payments). If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(m) ~~If either (i) the Issuer~~ Notwithstanding the foregoing clauses 12.1(a) through (l), not later than the Determination Date for the Stated Maturity, the Portfolio Manager and the Trustee receive an Opinion of Counsel (addressed to each of them) or (ii) the Portfolio Manager determines that the Issuer's continued ownership of any type of asset would cause the Issuer to be a "covered fund" under the Voleker Rule, the Portfolio Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale or other disposition, within a commercially reasonable timeframe, of any such asset. In addition, the Issuer will not purchase any additional assets of the type identified in such Opinion of Counsel., acting on behalf of the Issuer, shall direct the Trustee to sell (and the Trustee shall sell in the manner specified) for settlement in immediately available funds, any Collateral Obligations or other Assets scheduled to mature after the Stated Maturity and shall cause the liquidation of all assets held at each Blocker Subsidiary and arrange for the distribution of any proceeds thereof to the Issuer.

Section 12.2. Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the Reinvestment Period with respect to purchases made pursuant to Section 12.2(d)), the Portfolio Manager on behalf of the Issuer may subject to the other requirements in this Indenture, but will not be required to, direct the Trustee to invest Principal Proceeds or proceeds of additional notes issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Ramp-Up Account and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral

Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions is satisfied as of the date the Portfolio Manager commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; ~~provided that the conditions set forth in clauses (I)(iii) and (iv) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:~~

(I) During the Reinvestment Period (and after the Reinvestment Period with respect to purchases described under paragraph (II) below):

(i) such obligation is a Collateral Obligation;

(ii) ~~if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Determination Date occurring immediately prior to the second Payment Date),~~ each Coverage Test will be satisfied, or if not satisfied, such Coverage Test will be maintained or improved;

(iii) (A) in the case of a substitute Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, after giving effect to such purchase, either (1) the Aggregate Principal Balance of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale, (2) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (3) the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance; provided that, ~~during the Reinvestment Period,~~ if any Coverage Test is not satisfied, the Principal Proceeds received in respect of Defaulted Obligations or from the sale of Defaulted Obligations will not be reinvested in additional Collateral Obligations, and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, the Portfolio Manager shall use commercially reasonable efforts to assure that after giving effect to such purchase, either (1) the Aggregate Principal Balance of the Collateral Obligations will be maintained or increased (when compared to the Aggregate Principal Balance of the Collateral Obligations immediately prior to such sale) or (2) the Aggregate Principal Balance of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including

Eligible Investments therein) representing Principal Proceeds, will be greater than the Reinvestment Target Par Balance; and

(iv) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (other than the S&P CDO Monitor Test in the case of an additional Collateral Obligation purchased with the Sale Proceeds from the sale of a Credit Risk Obligation, Defaulted Obligation, Loss Mitigation Obligation or Equity Security) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment;

provided, that clause (i) above and the Collateral Quality Tests in clause (iv) above need not be satisfied with respect to any Defaulted Obligation acquired in a Bankruptcy Exchange.

Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Portfolio Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effect the settlement of such Collateral Obligations.

(II) Subject to Section 12.2(d), after the Reinvestment Period, all Principal Proceeds received by the Issuer will be distributed in accordance with the Priority of Payments.

(b) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account) may be invested at any time in Eligible Investments in accordance with Article X.

(c) Maturity Amendment. During or after the Reinvestment Period, the Issuer (or the Portfolio Manager on the Issuer's behalf) may not vote in favor of a Maturity Amendment with respect to a Collateral Obligation unless, as determined by the Portfolio Manager in its reasonable discretion, (i) the Weighted Average Life Test will be satisfied after giving effect to such Maturity Amendment and (ii) the stated maturity of the Collateral Obligation that is the subject of such Maturity Amendment is not later than the earliest Stated Maturity of the Secured Notes after giving effect to such Maturity Amendment; provided that the limitation in clause (i) shall not apply to any Maturity Amendment which is a Credit Amendment if, immediately after giving effect to such Credit Amendment, the Aggregate Principal Balance of Collateral Obligations that have been subject to Credit Amendments acquired since the Closing/Refinancing Date will not exceed 10.0% of the Target Initial Par Amount. For the avoidance of doubt, the Portfolio Manager may vote for an extension with respect to an investment it has already sold (either in whole or in part) that has not settled, at the direction of the buyer (in the event such sale fails to settle, the Issuer will only retain such investment after the effective date of the amendment if the requirements set forth above are satisfied). Any such investment (x) for which

the Issuer retains after the effective date of amendment solely because of the failure to settle of the sale referred to in the forgoing sentence and (y) for which the requirements for a Maturity Amendment set forth above are not satisfied shall constitute a Defaulted Obligation.

(d) Investment After the Reinvestment Period. After the Reinvestment Period, provided that no Event of Default has occurred and is continuing, the Portfolio Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to (x) the sale of Credit Risk Obligations and (y) Unscheduled Principal Payments (each such Credit Risk Obligation or Collateral Obligation with respect to which Unscheduled Principal Payments were received, a “Reinvestable Obligation”) in additional Collateral Obligations (“Substitute Obligations”); *provided* that the requirements of Section 12.2(a)(I) are satisfied and (i) the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the amount of proceeds received from such Reinvestable Obligation, (ii) with respect to the purchase of Substitute Obligations with Unscheduled Principal Payments, the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the Aggregate Principal Balance of the Reinvestable Obligations generating such Unscheduled Principal Payments, (iii) with respect to the purchase of Substitute Obligations with Sale Proceeds of Credit Risk Obligations, the Aggregate Principal Balance of the Substitute Obligations equals or exceeds the Sale Proceeds received from such Credit Risk Obligations, (iv) without giving effect to any Trading Plan, the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Reinvestable Obligation that produced such Principal Proceeds, (v) without giving effect to any Trading Plan, the S&P Rating of each Substitute Obligation is the same or better than the S&P Rating of the Reinvestable Obligation that produced such Principal Proceeds, (vi) ~~the Moody's Rating of each Substitute Obligation is the same or better than the Moody's Rating of the Reinvestable Obligation that produced such Principal Proceeds,~~ (vii) a Restricted Trading Period is not then in effect ~~and,~~ (viii) before and after giving effect to the reinvestment, ~~(1) the Overcollateralization Ratio Coverage Tests~~ Coverage Tests with respect to each Class of Secured Notes is satisfied, ~~(2) the Maximum Moody's Rating Factor Test is satisfied and (3) (A) if the Weighted Average Life Test is satisfied as of the end of the Reinvestment Period, the Issuer's level of compliance with the Weighted Average Life Test will be~~ (ix) after giving effect to the reinvestment, the Collateral Quality Tests are satisfied, or if not satisfied, maintained or improved as compared to such failing test levels prior to, and (x) after giving effect to such the reinvestment and (B) if the Weighted Average Life Test is not satisfied as of the end of the Reinvestment Period, the Weighted Average Life Test will be, clause (iv) in the definition of “Concentration Limitations” is satisfied (the foregoing reinvestment terms, the “Post-Reinvestment Period Reinvestment Terms”).

After the Reinvestment Period, following the receipt of Principal Proceeds by the Issuer with respect to any Reinvestable Obligation, the Portfolio Manager shall use its reasonable efforts to purchase additional Collateral Obligations on or before the day that is the later to occur of (x) the 30th day after such receipt by the Issuer and (y) the Determination Date that immediately follows the date on which such receipt occurs; *provided*, in each case, that any such purchase must comply with the requirements of this Section 12.2.

(e) Bankruptcy Exchange. At any time during or after the Reinvestment Period, the Portfolio Manager may direct the Trustee to enter into a Bankruptcy Exchange; *provided* that,

after the Reinvestment Period, such Bankruptcy Exchange shall satisfy the requirements of Section 12.2(d) as if the Defaulted Obligation being exchanged were a Credit Risk Obligation.

(f) Loss Mitigation Obligations and Specified Equity Securities. Notwithstanding anything to the contrary in this Indenture (other than certain tax-related requirements), the Issuer may purchase a Loss Mitigation Obligation or Specified Equity Security (including those acquired through exercising a warrant or similar right to acquire securities), or exercise a warrant or other right to acquire securities held in the Assets at any time (A) with funds on deposit in the Contribution Account, (B) with respect to Loss Mitigation Obligations and Specified Equity Securities, from Interest Proceeds; provided that, neither the Issuer (nor the Portfolio Manager on its behalf) shall direct such a withdrawal of Interest Proceeds (i) if any Coverage Test would not be satisfied after giving effect to such withdrawal, (ii) in an amount that it determines would cause the deferral of interest on any Class of Secured Notes on the immediately succeeding Payment Date on a pro forma basis taking into account the payment of each of the items reasonably anticipated to be payable on the next Payment Date under Section 11.1(a)(i)(A), taking into account the Administrative Expense Cap, (iii) in the case of Specified Equity Securities only, if the amount of Interest Proceeds used to purchase such Specified Equity Security, together with the aggregate amount of Interest Proceeds used to acquire Specified Equity Securities then owned by the Issuer would exceed 5.0% of the Collateral Principal Amount, or (iv) on any date after the Reinvestment Period, if a Restricted Trading Period is then in effect, or (C) in the case of Loss Mitigation Obligations only, Principal Proceeds, as permitted under this Section 12.2(f), and, in each such case, such purchase of any Loss Mitigation Obligation or Specified Equity Security will not be required to meet the Investment Criteria (or the definition of “Collateral Obligation”); provided, further, that the Portfolio Manager shall not direct such a withdrawal of Principal Proceeds pursuant to this Section 12.2(f) to purchase a Loss Mitigation Obligation unless (1) the Portfolio Manager determines (in its commercially reasonable judgment) that the failure to purchase such Loss Mitigation Obligation is reasonably likely to result in a reduced overall recovery with respect to the related Defaulted Obligation or Credit Risk Obligation, as applicable, (2) such Loss Mitigation Obligation ranks pari passu or senior with respect to the related Defaulted Obligation or related Credit Risk Obligation, as applicable, (3) on any date after the Reinvestment Period, a Restricted Trading Period is not then in effect, (4) each Coverage Test would be satisfied after giving effect to such withdrawal and (5) after giving effect to such purchase, the Aggregate Principal Balance of all Collateral Obligations plus, without duplication, the amounts on deposit in the Collection Account and the Ramp-Up Account (including Eligible Investments therein) representing Principal Proceeds, will be equal to or greater than the Reinvestment Target Par Balance and (y) the Aggregate Principal Balance of Loss Mitigation Obligations acquired by the Issuer cumulatively since the Refinancing Date would not exceed 5.0% of the Target Initial Par Amount.

Section 12.3. Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm’s length basis and, if effected with the Portfolio Manager or a Person Affiliated with the Portfolio Manager (or with an account or portfolio for which the Portfolio Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of the Portfolio Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not the

Portfolio Manager or so Affiliated, *provided* that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Intermediary, and, if applicable, the Intermediary shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(ix); *provided* that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Portfolio Manager.

(c) Notwithstanding anything contained in this Article XII to the contrary, the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation (*provided* that, in the case of a purchase of a Collateral Obligation, such purchase complies with the Investment Guidelines and any applicable tax requirements set forth in this Indenture) (x) that has been consented to by Noteholders evidencing (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class of Notes and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes and (y) of which each Rating Agency and the Trustee has been notified.

~~(d) The Issuer shall not exercise any warrant or other similar right received in connection with a workout or a restructuring of a Collateral Obligation that requires a payment that results in receipt of an Equity Security unless the Portfolio Manager on the Issuer's behalf certifies to the Trustee that (i) exercising the warrant or other similar right is necessary for the Issuer to realize the value of the workout or restructuring, (ii) such Equity Security will be sold prior to the Issuer's receipt of such Equity Security unless such sale or other disposition is prohibited by applicable law or an applicable contractual restriction in the related Underlying Instruments, in which case the Portfolio Manager will sell such Equity Security as soon as such sale or disposition is permitted by applicable law and not prohibited by such contractual restriction and (iii) the Portfolio Manager and the Issuer have received written advice of counsel that such exercise, payment and retention, in and of themselves, should not cause the Issuer to fail to qualify for the loan securitization exclusion under the Voleker Rule or result in the Issuer becoming a "covered fund" under the Voleker Rule. Such certification shall be deemed to have been made by the delivery of an Issuer Order or trade confirmation related to the exercise of the warrant or other similar right.~~

(d) (e) Notwithstanding anything else in this Indenture to the contrary, the Portfolio Manager shall not purchase any additional Collateral Obligation after the Effective Date if (x) the balance in the Principal Collection Subaccount (after giving effect to (i) all expected debits and credits in connection with such purchase and all other sales and purchases (as applicable) previously or simultaneously committed to but which have not settled, and (ii) without duplication of amounts in the preceding clause (i), anticipated receipts of Principal Proceeds (including, without limitation, any prepayment of a Collateral Obligations for which the prepayment date has been established and of which lenders have been notified by the obligor

or the administrative agent or paying agent in respect of such Collateral Obligation)) is a negative amount and (y) the absolute value of such negative amount would be greater than (A) ~~during the period from the Effective Date through the second Payment Date, 1.5% of the Adjusted Collateral Principal Amount, (B) thereafter~~ from the Refinancing Date until the last day of the Reinvestment Period, ~~3.53.0%~~ 3.53.0% of the Adjusted Collateral Principal Amount and ~~(€B)~~ on and after the last day of the Reinvestment Period, 0%. In no event will the Trustee be obligated to settle a trade to the extent such action would result in a negative balance or overdraft of the Principal Collection Subaccount, and the Trustee shall incur no liability for refusing to wire funds in excess of the balance of funds in the Principal Collection Subaccount.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1. Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class (other than the distribution of any Unsalable Asset pursuant to Section 12.1(k)) to the extent and in the manner set forth in this Indenture. If any Event of Default has occurred and not been cured or waived and acceleration occurs and is not waived in accordance with Article V, including as a result of a Bankruptcy Event, each Priority Class shall be paid in full in cash or, to the extent a Majority of such Class consents, other than in cash, before any further payment or distribution of any kind is made on account of any Junior Class (other than the distribution of any Unsalable Asset pursuant to Section 12.1(k)) with respect thereto, in accordance with the Special Priority of Payments.

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in cash or, to the extent a Majority of such Priority Class consents, other than in cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of Notes of each Priority Class in accordance with this Indenture; *provided* that if any such payment or distribution is made other than in cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class to receive payments or distributions until all amounts due and payable on the Notes shall be paid in full. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, to the restrictions in Section 5.4(d). In the event one or more holders of the Secured Notes causes a Bankruptcy Filing against the Issuer, the Co-Issuer or any Blocker Subsidiary prior to the period specified in Section 5.4(d) (each, a “Filing Holder”), any claim that such Filing Holders have against the Co-Issuers (including under all Secured Notes of any Class held by such Filing Holders) or with respect to any Assets (including any proceeds thereof) will, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each holder of any Secured Note (and each other secured creditor of the Issuer) that is not a Filing Holder, with such subordination being effective until each Secured Note held by holders that are not Filing Holders (and each claim of each other secured creditor of the Issuer) is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms set forth in the immediately preceding sentence are referred to herein as the “Bankruptcy Subordination Agreement”. The Bankruptcy Subordination Agreement will constitute a “subordination agreement” within the meaning of Section 510(a) of the U.S. Bankruptcy Code. The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to make the subordination agreement effective. In order to give effect to the foregoing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such Holder(s).

(e) Each Holder and beneficial owner of Fee Notes agrees for the benefit of the Holders of the Secured Notes that such Fee Notes shall be subordinate and junior to each Class of Secured Notes with respect to the Fee Note Amounts, ~~except that the Class A Fee Note Amount shall be paid pari passu with payment of the Class A-1 Notes and prior to payments on the Secured Notes (other than the Class A-1 Notes).~~

Section 13.2. Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder’s taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

Section 13.3. Cayman AML Regulations. Each purchaser and subsequent transferee of a Note, by its acceptance of an interest in such notes, agrees to comply with the Holder AML Obligations.

ARTICLE XIV

MISCELLANEOUS

Section 14.1. Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that

they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Portfolio Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (*provided* that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate or opinion of an Officer of the Issuer, Co-Issuer or the Portfolio Manager may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Portfolio Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Portfolio Manager or such other Person and confirming such factual matters, unless such Officer of the Issuer, Co-Issuer or the Portfolio Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Portfolio Manager, the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Portfolio Manager, the Issuer or the Co-Issuer and confirming such factual matters, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is *provided* that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2. Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or

instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, regardless of whether notation of such action is made upon such Note.

Section 14.3. Notices etc. Other than to Holders . The Co-Issuers also shall furnish such other information regarding the Co-Issuers or the Assets as may be reasonably requested by a Rating Agency to the extent such party has or can obtain such information without unreasonable effort or expense. Notwithstanding the foregoing, the failure to deliver such notices or copies shall not constitute an Event of Default under this Indenture. Any confirmation of the rating by a Rating Agency required hereunder shall be in writing.

(c) Any request, demand, authorization, direction, order, notice, consent, waiver or Act of Holders or other documents provided or permitted by this Indenture, including the 17g 5 Information, to be made upon, given or furnished to, or filed with the Rating Agency shall be given in accordance with, and subject to, the provisions of Section 7.20 hereof and Section 2A of the Collateral Administration Agreement and shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing by email to the Rating Agency addressed to it at, in the case of S&P, with respect to ~~(w) any documents or notice related to the Effective Date, to CDOEffectiveDatePortfolios@spglobal.com and CDOMonitor@spglobal.com,~~ (x) requests relating to the S&P CDO Monitor,

(d) In the event that any provision in this Indenture calls for any notice or document to be delivered simultaneously to the Trustee and any other person or entity, the Trustee's receipt of such notice or document shall entitle the Trustee to assume that such notice or document was delivered to such other person or entity unless otherwise expressly specified herein.

(e) Notwithstanding any provision to the contrary contained herein or in any agreement or document related thereto, any report, statement or other information required to be provided by the Issuer or the Trustee (except information required to be provided to [the Cayman Stock Exchange](#), Euronext Dublin or any Accountants' Report) may be provided by providing access to a website containing such information.

Section 14.4. Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Note Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each Holder affected by such event), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; *provided* that if such Holder also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

The Trustee will deliver to the Holders any information (other than an Accountants' Report) or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.5. Effect of Headings and Table of Contents. The Article and Section headings herein (including those used in cross-references herein) and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6. Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7. Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8. Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Portfolio Manager, the Collateral Administrator, the Holders of the Notes and (to the extent provided herein) the Administrator (solely in its capacity as such) and the other Secured Parties any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9. Governing Law. This Indenture and the Notes shall be construed in accordance with, and this Indenture and the Notes shall be governed by, the law of the State of New York.

Section 14.10. Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture (“Proceedings”), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the United States District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction,

nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.11. Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER, EACH HOLDER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HEREBY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT THE OTHER WOULD NOT, IN THE EVENT OF A PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS INDENTURE BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS PARAGRAPH.

Section 14.12. Counterparts. This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart of this Indenture by e-mail (PDF) or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture. Each of the parties hereto agrees that the transaction consisting of this agreement may be conducted by electronic means. This Indenture shall be valid, binding, and enforceable against a party when executed and delivered by an authorized individual on behalf of the party by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including any relevant provisions of the UCC (collectively, "Signature Law"), in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature on paper. Each party acknowledges that it is being provided with an electronic or paper copy of this agreement in a usable format. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings

Section 14.13. Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Portfolio Manager on the Issuer's behalf.

Section 14.14. Confidential Information. (a) The Trustee, the Collateral Administrator and each Holder of Notes will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) or such Holder in good faith to protect Confidential Information of third parties delivered to such Person; *provided*

Each Holder of Notes agrees, except as otherwise permitted above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.14. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.14 (subject to Section 7.17(f)).

(b) For the purposes of this Section 14.14, “Confidential Information” means information delivered to the Trustee, the Collateral Administrator or any Holder of Notes by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; *provided* that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder.

Section 14.15. Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or any Blocker Subsidiary or shall have any claim in respect to any assets of the other of the Co-Issuers or any Blocker Subsidiary.

ARTICLE XV

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1. Assignment of Portfolio Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Portfolio Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Portfolio Manager under the Portfolio Management Agreement, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; *provided* that notwithstanding anything herein to the contrary, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall, unless the Trustee has previously commenced exercising remedies pursuant to Section 5.4, terminate at such time, if any, as such Event of Default is cured or waived.

**SCHEDULE 3
DIVERSITY SCORE CALCULATION**

The Diversity Score is calculated as follows:

- (a) An “**Issuer Par Amount**” is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all Collateral Obligations issued by that issuer and all affiliates.
- (b) An “**Average Par Amount**” is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.
- (c) An “**Equivalent Unit Score**” is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.
- (d) An “**Aggregate Industry Equivalent Unit Score**” is then calculated for each of the Moody’s industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.
- (e) An “**Industry Diversity Score**” is then established for each Moody’s industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; **provided, that** if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

 - (x) debt/EBITDA ratio is less than 6.0:1.0;
 - (xi) no greater than 25% of the obligor’s revenue is generated from any one customer of the obligor;

waivers or modifications determined by the Portfolio Manager in its reasonable discretion not to relate to a decline in credit quality.

(b) The Portfolio Manager shall calculate the .EDF for each of the loans to be rated pursuant to this calculation. The Portfolio Manager shall also provide Moody's with the .EDF and the information necessary to calculate such .EDF. Moody's shall have the right (in its sole discretion) to (i) amend or modify any of the information utilized to calculate the .EDF and recalculate the .EDF based upon such revised information, in which case such .EDF shall be determined using the table in clause (c) below in order to determine the applicable Moody's Default Probability Rating, or (ii) have a Moody's credit analyst provide a credit estimate for any loan, in which case such credit estimate provided by such credit analyst shall be the applicable Moody's Default Probability Rating.

(c) As of any date of determination, the Moody's Rating Factor for each loan that satisfies the Pre-Qualifying Conditions shall be the weaker of (i) the Portfolio Manager's internal rating or (ii) the Moody's Rating Factor based on the .EDF for such loan determined in accordance with the table below:

RiskCalc-Derived .EDF	Moody's Rating Factor
Baa3.edf and above	1766

B2.edf or B3.edf	3490
Caa.edf	4470

(d) The Portfolio Manager shall re-calculate any Moody's Rating Factor assigned to a Collateral Obligation using this calculation (i) on each one year anniversary of the initial calculation and (ii) following any restructuring of the Collateral Obligation or any material amendment or modification of the related Underlying Instruments, in each case, as determined by the Portfolio Manager in its reasonable business judgment; *provided* that any such re-calculation required by clause (ii) hereof may ignore the requirements set forth in clauses (xiii) and (xiv) of the Pre-Qualifying Conditions.

(e) When using this method to calculate or re-calculate a Moody's Rating Factor for a Collateral Obligation, the Portfolio Manager shall provide to Moody's (i) the audited financial statements used for calculating any of the inputs into such calculation, (ii) documentation that the Pre-Qualifying Conditions have been met, (iii) all model runs and mapped rating factors, (iv) in connection with a re-calculation required under clause (d)(ii) above, documentation relating to any restructuring of the Collateral Obligation or any material amendment or modification of the related Underlying Instruments and (v) the inputs into such calculation.

The following steps are used to calculate the Fitch IDR equivalent ratings:

- 1 Public or private Fitch-issued IDR and Fitch credit opinions.
- 2 If Fitch has not issued an IDR, but has an outstanding Long-Term Financial Strength Rating, then the IDR equivalent is one rating lower.
- 3 If Fitch has not issued an IDR, but has publicly available outstanding corporate issue ratings, then the IDR equivalent is calculated using the mapping in the table above.
- 4 If Fitch does not rate the issuer or any associated issuance, then determine a Moody's and S&P equivalent to Fitch's IDR pursuant to steps 5 and 6.
 - 5a A public Moody's-issued Corporate Family Rating (CFR) is equivalent in definition terms to the Fitch IDR. If Moody's has not issued a CFR, but has an outstanding LT issuer Rating, then this is equivalent to the Fitch IDR.
 - 5b If Moody's has not issued a CFR, but has a publicly available outstanding Insurance Financial Strength Rating, then the Fitch IDR equivalent is one rating lower.

5c If Moody's has not issued a CFR, but has publicly available outstanding corporate issue ratings, then the Fitch IDR equivalent is calculated using the mapping in the table above.

6a A public S&P-issued Issuer Credit Rating (ICR) is equivalent in terms of definition to the Fitch IDR.

6b If S&P has not issued an ICR, but has a publicly available outstanding Insurance Financial Strength Rating, then the Fitch IDR equivalent is one rating lower.

6c If S&P has not issued an ICR, but has publicly available outstanding corporate issue ratings, then the Fitch IDR equivalent is calculated using the mapping in the table above.

7 If both Moody's and S&P provide a public rating on the issuer or an issue, the lower of the two Fitch IDR equivalent ratings will be used in PCM. Otherwise the sole public Fitch IDR equivalent rating from Moody's or S&P will be applied.

SCHEDULE 8

S&P NON-MODEL VERSION CDO MONITOR DEFINITIONS

If so elected by the Portfolio Manager by written notice to the Issuer, the Collateral Administrator, the Trustee and S&P, the S&P CDO Monitor Test shall be defined as follows:

The “S&P CDO Monitor Test” will be satisfied on any date of determination during the Reinvestment Period if, after giving effect to the purchase of any additional Collateral Obligation, the S&P CDO Monitor Adjusted BDR is equal to or greater than the S&P CDO Monitor SDR. The S&P CDO Monitor Test shall only be applicable to the Highest Priority S&P Class.

As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

“S&P CDO Monitor Adjusted BDR” means, with respect to the Highest Priority S&P Class, the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the ~~p~~Principal ~~b~~Balance of the Collateral Obligations relative to the Target Initial Par Amount as follows: $BDR * (OP / NP) + (NP - OP) / NP * (1 - WARR)$, where

~~S&P CDO Monitor BDR * (OP / NP) + (NP - OP) / [NP * (1 - Weighted Average S&P Recovery Rate)], where OP = Reinvestment Target Par Balance; NP = the sum of the aggregate principal balances of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-".~~

<u>Term</u>	<u>Meaning</u>
<u>BDR</u>	<u>S&P CDO Monitor BDR</u>
<u>OP</u>	<u>Target Initial Par Amount</u>
<u>NP</u>	<u>The sum of (i) the Aggregate Principal Balances of the Collateral Obligations with an S&P Rating of "CCC-" or higher, (ii) Principal Proceeds on deposit in the Principal Collection Subaccount, (iii) the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-" and (iv) redemptions (if any) of the Highest Priority S&P Class during the Reinvestment Period</u>
<u>WARR</u>	<u>Weighted Average S&P Recovery Rate</u>

“S&P CDO Monitor BDR” means the value calculated using the following formula relating to the Issuer’s portfolio:

$S\&P\ CDO\ Monitor\ BDR = C0 + (C1 * Weighted\ Average\ Floating\ Spread) + (C2 * Weighted\ Average\ S\&P\ Recovery\ Rate)$, where $C0 = 0.0970640.117541$, $C1 = 4.295319, 4.237695$ and $C2 = 0.9387750.933452$.

“S&P CDO Monitor SDR” The percentage derived from the following equation:

~~“S&P CDO Monitor SDR” means the percentage derived from the following equation: $0.247621 + (SPWARF/9162.65) - (DRD/16757.2) - (ODM/7677.8) - (IDM/2177.56) - (RDM/34.0948) + (WAL/27.3896)$, where SPWARF is the S&P Weighted Average Rating Factor; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.~~

<u>ODM</u>	<u>S&P Obligor Diversity Measure</u>
<u>IDM</u>	<u>S&P Industry Diversity Measure</u>
<u>RDM</u>	<u>S&P Regional Diversity Measure</u>
<u>WAL</u>	<u>S&P Weighted Average Life</u>

“S&P Default Rate Dispersion” means, ~~with~~ respect to all Collateral Obligations with an S&P Rating of “CCC-” or higher, (A) the sum of the product of (i) the ~~p~~Principal ~~b~~Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Global Ratings’ Rating Factor minus (y) the S&P Weighted Average Rating Factor divided by (B) the ~~a~~Aggregate ~~p~~Principal ~~b~~Balance for all such Collateral Obligations.

“S&P Global Ratings’ Rating Factor” means, with respect to each Collateral Obligation, the rating factor determined by the S&P Rating set forth in the below table:

<u>S&P Rating</u>	<u>S&P Global Ratings’ Rating Factor</u>
<u>AAA</u>	<u>13.51</u>

<u>D</u>	<u>10,000.00</u>

“S&P Industry Diversity Measure” means a measure calculated by determining the aAggregate pPrincipal bBalance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the aAggregate pPrincipal bBalance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

“S&P Obligor Diversity Measure” means a measure calculated by determining the aAggregate pPrincipal bBalance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) from each obligor and its affiliates, then dividing each such aAggregate pPrincipal bBalance by the aAggregate pPrincipal bBalance of Collateral Obligations (with an S&P Rating of “CCC-” or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

~~“S&P Rating Factor” means, with respect to each Collateral Obligation, the rating factor determined in accordance with Table 1 below using such Collateral Obligation’s S&P Global Rating’s credit rating.~~

“S&P Regional Diversity Measure” means a measure calculated by determining the aAggregate pPrincipal bBalance of the Collateral Obligations (with an S&P Rating of “CCC-” or higher) within each S&P region set forth in Table 21 below, then dividing each of these amounts by the aAggregate pPrincipal bBalance of the Collateral Obligations (with an S&P Rating of

“CCC-” or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

“S&P Weighted Average Life” means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of “CCC-” or higher), multiplying each Collateral Obligation’s $\frac{p}{b}$ Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the $\frac{a}{p \cdot b}$ Aggregate Principal Balance of all Collateral Obligations (with an S&P Rating of “CCC-” or higher).

“S&P Weighted Average Rating Factor” means, with respect to all Collateral Obligations with an S&P Rating of “CCC-” or higher, (i) the sum of the product of (x) the principal balance of each such Collateral Obligation and (y) the S&P Global Ratings’ Rating Factor divided by (ii) the Aggregate Principal Balance for all such Collateral Obligations.
