Checklist Field Assistance

If possible, please complete all fields stated on the checklist for processing of the ISIN request. The more information stated, the more detail can be included when creating the ISIN. If you are unable to complete all fields, kindly note that there are required fields indicated that must be completed to proceed with each request.

- **Will this be a private placement** – A private placement occurs when a bond is not listed with a public exchange
- **Will the instrument be cleared** – Are the bonds to be cleared and settled through a clearing system
- **Description of Bond** – as stated on the offering document
- **Maturity Date** – Date which the bond has fully matured or expired
- **Interest Rate** – most current interest rate applicable to the bond
- **Initial Interest Payment Date** – Also referred to as the Dated Date is the date on which interest begins to accrue on a fixed-income security.
- **Interest Periods** – Ex. Monthly, quarterly, bi-annually or annually
- **Fixed Interest or Floating Interest** – A fixed interest is set at a specific rate whereas a floating interest fluctuates depending on the market
